Game Will Climax Day of Ceremonies

The shock was sort of what we always had imagined that opening a letter from Selective Service and reading "Greetings..." would be like.

What the writer refers to is a summons issued him to serve on a federal petit jury for the District Court in Amarillo commencing Monday of this week.

Our friends tell us that there just isn't any getting off of this assignment, and that we had as well put on our hat and take off.

Just the same, the summons came so suddenly and so without warning that we are fearful what it may do to our already precariously balanced newspaper staff, who find it just barely possible to get out a paper once each week as it is.

At this writing, we haven't the faintest notion of what service on this jury may involve. Some folks tell us that it might drag on for as much as 30 days.

The reason for telling our readers of our "good fortune" is to ask their indulgence for this paper, and perhaps the next several, as we at The Tribune seem to have been beset with a number of successive calamities which have made getting out the paper on time a real task.

Aside from the mental strain over what is happening to The Tribune while we are in Amarillo, we feel sure that the experience will prove to be an enlightening one, and that if circumstances were not quite as severe as they are at the present time, we would rather look forward to it.

As things are, however, this is going to be a tough way to learn a little bit about how the American judicial system functions.

CORRESPONDENTS, PLEASE NOTE: Next Thursday is a holiday—for everybody but us, anyway. Please bear with us and move your mailing deadlines up ONE COMPLETE DAY. We must mail the paper on Wednesday if at all possible. Your cooperation will make the difference.

We hereby take oath never to cast doubts on the truthfulness of Walt Menefee's fish stories again.

He lugged in a nice-sized pompano last weekend all ready to throw into the skillet, and let us tell you folks, that was the best eating we have ever had.

Many thanks to all you Menefees. You have been good sports about the way we have kidded you, and let us assure you that it was only in the interest of a good meal that we would do such a thing.

Here is where we may get jumped on, but we think that the old fashioned school Halloween carnival is one of the best projects a school and community could hope to have.

We are quite aware of the objections which have been raised from time to time by those persons who frowned at the gaming devices sometimes used in these affairs.

And we feel that those persons who have raised objections did so in sincerity. Certainly, none of us are anxious to encourage our children to grow up to be gamblers.

Yet, it is hard for us to find any association whatever between the innocent school carnival and some of the commercial gambling operations to which we all are exposed from time to time.

We have never yet seen a person who attended a school carnival with the thought of coming home with "something for nothing." The only persons we have ever seen at these fall occasions are those who simply are looking for a little entertainment and diversion from the daily routine of living.

And truly, they can find it at the school carnival. Where else can you see such a glittering array of happy people in ridiculous costumes all having such a good time?

Then too, there is the matter of finances. Organizations of the schools must have income of some sort from somewhere, and we for one think it is far better to see them earn it in this fashion than to rely heavily on contributions.

It's plenty easy to dig down for 25 to 50 cents for a cakewalk, but businessmen get a little weary of the outstretched palms that come around ever so often for this or that "worthy cause."

And you can always count on the school carnivals to really pull the kiddoes in off the streets where they sometimes get involved in pretty serious Halloween diversions.

We're all for good clean fun, and we can laugh right along with everybody else at most any prank that does not cause property damage or result in hardship. But so often we see "Halloween fun-making" that is nothing but sheer vandalism, whitewashed perhaps, but vandalism just the same.

We'll take the old time carnivals. We think they're tops.

Providing that the weather does not turn up an unusually bad day, a capacity crowd is expected to be on hand Thursday of next week at Farwell Field to see what is being billed as the football game of the year for residents of this area.

The afternoon game, which will climax an extensive Veteran's day program, will pit two conference 3-B powerhouses against one another: the Farwell Steers vs. the Bovina Mustangs.

If all goes as is expected, the game will decide the conference championship. Farwell has beaten every conference opponent except Bovina, but the Mustangs must get past Anton. They are expected to do so.

Coaches of both teams probably are not encouraging their players to "point ahead" to the game next Thursday, as both teams have foes to dispose of tomorrow night, but for the fans, it's no secret that there is a rising wave of interest over the game of next week.

Farwell and Bovina have long been lively rivals in many fields of sports, and this fact, plus that both likely will be undefeated in conference play, is expected to provide a lot of rugged action on the gridiron.

So far as could be determined this far in advance, the starting eleven from both schools will be on hand for the November 11 clash—but, have games this weekend that could possibly put some kinks into the lineup.

All dope sheets are likely to be tossed into the wind for this game, and it's rare to find a person from either town who thinks his team will win by any more than the barest of margins.

November 11, known since the conclusion of World War I as Armistice Day, will have a new name this year, and former servicemen are planning on making (Continued on last page)

Ralph Barker Dies In Fresno, Calif.

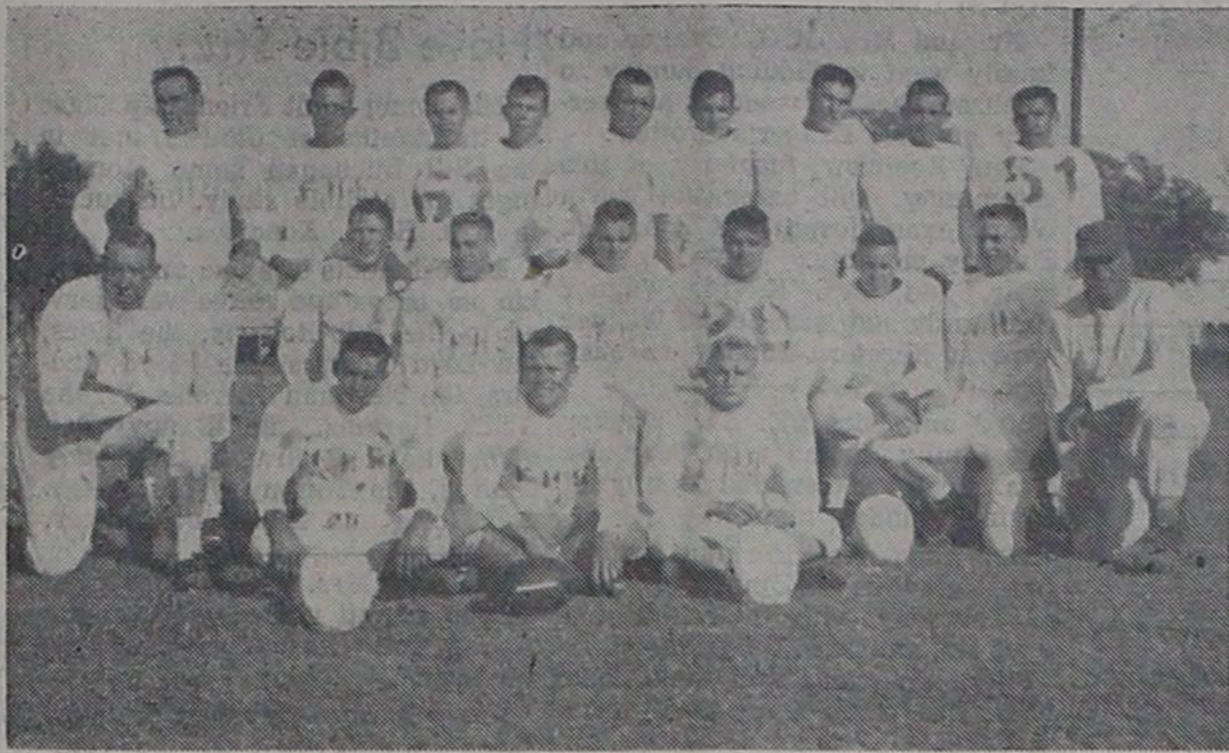

Ralph Barker, 46, of Fresno, Calif., son of Mr. and Mrs. Claude Barker of Farwell, passed away in the University Hospital, San Francisco, on Nov. 2, at 10:25 a. m.

Survivors are his wife, Nora; one brother, Roy Barker, Sacramento; two sisters, Margaret Hurford, Nuclea, Colo., and Juanita Latham, Austin, also a number of nieces and nephews.

He was a brother of the late Mrs. Marie Roberts who passed away at Clovis about four years ago.

Last rites will be from the Baptist Church of Fresno, of which he was a member.

Barker had been a resident of California for the past 20 years, following his graduation from Texas Tech, Lubbock, and had been parts manager of a farm implement firm.

Here are the starting lineups, both offensive and defensive, of the Farwell and Bovina football teams which will scrap for what probably will be a 3-B dist. championship next Thursday at Farwell. For the Steers: (back row) H. R. Billingsley, Don Gerles, Jerry Poteet, Robbie Foster, Jerry Dee Owens, Harvey Lesly, Troy Christian, Doyle Ford, Windell Pike; (center row) Lavon Jones, Truitt Hardage, Gerald Hardage, James Norton, James Roberts, Jimmie Schell; (front row) Billy Watts, Gene Hardage, Don Pool. For the Mustangs:

(back) Jerry Newton, Ed Hobdy, Larry Ezell, Lynn Isham, Don Sud-derth, Erith Hawkins; (center) Joe Riley, Alfred Moody, Jerry Lof-lin, Don Barron, Billy Richards, Kenneth Estes, Terry Adams; (front) George Baca, Julius Bradshaw, Sonny Brito, Darrel Read, Neil Smith, Don Loyd. Don Owen was not present for the picture. Farwell coaches are Smoky Cates, left, and Shelby Jobses, right. The Bovina coach is Clovis Ratliff.

Ginnings Total 8000 in Area

Ginning totals stood around 8000 bales for the ten Parmer County gins this week, as the personnel of these businesses made preparations for the "big rush" which is expected to begin within a week or two.

As this area is predominantly one of mechanically-harvested methods in growing cotton, the real push in harvesting lies ahead. Very, very few farmers had found it possible to "strip" their cotton by the first of this week, because of the large number of green bolls still present.

However, hand labor was sufficient to have all gins open and running on at least one shift per day.

Ginners report turn-outs, grade and staple holding up good, although they have noticed a slight decline in grade during the past three weeks which was "expected" with the weather.

Yields sound very attractive in most cases, and almost to the man, gin managers compare the cotton yield reports with those of grain sorghum cuttings this year.

Nearly all farmers are reporting more cotton than they had hoped for—just like their grain crops—is the report.

The county-wide picture: **BLACK Tri-County Gin** S. W. Patterson, manager, reports that the gin has turned out about 150 bales, but says that the peak of harvest is two or three

weeks away in that area.

Yields are exceptionally good, he says, with O. T. Patterson, no relation of the manager) who farms six miles south of the gin, getting 20 bales off of 40 acres on the first pulling.

"And we don't think he got half of his cotton on this pulling, either," adds the ginner.

FRIONA North Plains

A total of 900 bales had been ginned here, according to Wright Williams, owner, The grade of cotton in the Friona area is holding up well, he says, the yield "averaging better than a bale per acre."

N. E. Woods on the P. L. London farm is reported to have said that he had been hoping for a bale to the acre this year. He had almost that much the first of the week, and is reported to have joked that he guessed he would plow up the rest.

Williams says it will be ten days before stripping can begin in earnest in the Friona area.

L. & H. Gin

Yields were reported excellent by John Davis, manager, at the L. & H. Gin, too. "A lot here are pulling a bale to the acre on the first go-round," he says.

Davis said that he understood that S. E. Beaton had gotten 14 bales per acre on the first pulling. "What has hurt us most is not having any hand labor," said Davis, adding that it had taken all their time to get their gin in readi- (Continued on last page).

Reveal Two FM Projects

The Texas Highway Department revealed this week that two more farm-to-market road projects have been authorized for Parmer County.

As had been expected, the roads were listed as:

"From the end of FM 1412 at the Deaf Smith county line south, east, and south to US 60 at Friona, a distance of approximately 12.5 miles;" and

"From US 60 at Bovina west to the New Mexico state line, a distance of approximately 9.2 miles." The first project will tie Friona in to the east-west Harrison Highway, and will fill a gap in the north and south farm roads system that has been apparent for some time. There is now a paved road between Friona and Muleshoe.

At Bovina, the old "80-foot road is the one scheduled for paving, which will give Parmer County a paved road clear across the county on an east-west basis. It also will tie in with New Mexico paving near Pleasant Hill that leads to (Continued on last page).

REIGN AT CARNIVAL

King and queen of the Halloween carnival at Farwell Schools Saturday night were Harvey Lesly and Betty Curtis, above, who received their crowns to conclude an evening's fun-making at the school. They were the junior class candidates for the honor.

Elections Result "As Expected"

Light voting marked the general election in Parmer County for this week, and almost complete but unofficial returns show only about 670 citizens made their way to the polls to cast ballots.

There were no upsets registered in voting, although some second-running candidates showed considerable strength. The most interesting race for voters of this county was that between U. S. Representative Walter Rogers and LeRoy "Pete" LaMaster of Perryton.

Rogers won by a comfortable margin, 429 to 255, but LaMaster showed real strength in some areas. He nearly ran Rogers even money in the Friona box, where Rogers carried ahead by the scant margin of 125 to 117.

LaMaster had been running on the GOP ticket, Rogers, Democrat.

All other Demo candidates in the election breezed through virtually unscathed. Shivers passed up Adams 585 to 68. An interesting sidelight was in the write-in candidacy of Ralph Yarborough who drew four votes from the Lazbud-die box.

Another unusual quirk of the election is the matter of just who is constable of Precinct No. 2 (Friona). There were no candidates on the ballot, and only one man, Ray Mears of Farwell, received any votes.

Mears received one write-in vote, and since no one else received any at all, the matter is leaving curious citizens wondering if the Farwell man has turned up as constable of Friona. Whether this will be the case remains

to be seen. On the constitutional amendments, 11 of which were being considered, Parmer County voters favored only 6, turning back the other 5.

They voted for permitting the (Continued On Page 6)

Auxiliary Marks Three Big Days Poppy Sales 6th

Three important dates were checked by the local Legion Auxiliary ladies, Monday night, when they held a regular meeting.

First and foremost, is Poppy Day which will be noted on Saturday, November 6th, with workers out to contact all local residents.

Sylvia Watkins, president of the Auxiliary, emphasized the importance of Poppy Day by pointing out that all funds received from the sale of the little flowers goes into a rehabilitation program for Legion members and their families.

On November 9th, Tuesday of next week, the local group will be hostess to the zone meeting for both Legionnaires and Auxiliary, and local ladies are asked to bring pies, which will be served with coffee. The meeting is due to get underway at 7:30.

Finally is the announcement that the family night supper and program will be held on Monday evening, November 29. Ham will feature the meal, with individual members being asked to bring covered dishes to complement the meat.

What Do You Know About The National?

Here Mateo Avalos, 24, one of several hundred Mexican nationals in our area this year to pull cotton, enjoys a "tortilla," the Mexican equivalent of bread. The men make their own dough, roll out the tortilla and fry them on an open skillet in much the same manner as American pancakes. Mateo eats his tortilla plain—it's really good, he says.

Below, Ramiro Prieto, the car's cook for the afternoon, turns a tortilla on the skillet. All the nationals were gathered around the stove awaiting a hot tortilla when the pictures were taken.

For about a month, residents of this part of the High Plains have been brushing shoulders almost daily with large numbers of brown-skinned, sombrero-topped men from south of the border—Mexican nationals.

We have taken them rather matter-of-factly as just another development in our rapidly expanding agricultural frontiers. Nationals are fairly new to our area, having been used in large numbers only during the past two years.

The average citizen of most towns has taken their presence for granted, and it is very likely that he knows little or nothing of the real story of the Mexican national: Who he is, where he comes from, his interests—or hardly anything else.

We only notice that they are here for a few short weeks—that they (Continued on page 6)

ever, and that is if he is able to control his mind. In short, your ability to control your mental outlook is the only barrier between you and almost unlimited physical activity. Just for a few days, try enjoying your work with a new mental outlook. See if it doesn't pay real dividends.

"You're working yourself to death." How many times we have heard those words! And with constant repetition, it may be surprising to our readers to discover that we don't believe those words at all, regardless of how many times they have fallen upon our ears.

Through trial and error and simply reasoning, we have come to believe that there is no tonic like work for what ails you. Man is endowed with a natural and inborn desire to achieve, and achieve he will not without effort.

We view with alarm the nationwide trend today to shorten, and shorten, and shorten some more the time a man should be expected to spend each week in gainful employment. Several years ago we hit the 40-hour week, and now we are fast after a 37½-hour one. In fact, many trades are now already on that schedule, and are driving for 35 hours. What sort of madness is this? What is so wrong with sweating a little bit for the things that can be ours if we will but produce?

This fad about people working themselves to death is pure baloney. They don't work themselves to death—they WORRY themselves to death. A man's body is possessed with the capability of almost boundless activity if he knows how to control and care for it. Given good food, healthful surroundings, and from 8 to 10 hours of sleep each night, a man's body will flourish in a steady pursuit of work. There's one big "if" attached to this theory, how-

Chiefs Take Tumble To Dimmitt Bobcats

The ill-starred Friona Chiefs took another tumble in their football schedule of this year when they failed to hold the Dimmitt Bobcats the past Friday and came out on the short end of a 7-37 count.

The visiting 'Cats had control of the game throughout, and were not shy about capitalizing on Friona's fumbles as well as utilizing their own brisk offensive tactics.

In the opening round, the winners got set up for their initial score by recovering a fumble on the Friona 38-yard line. Edgar Dennis scooted off right tackle for 18 yards and the first counter, but was not successful in making the conversion. In the same quarter, after the Cats got a fumble on the Friona 19, Alton Whitworth took to the airways and connected for a 19-yarder to Bobby Brock which counted another touchdown. Dennis' kick again failed.

A continuous drive in the second quarter paid off for the visitors as Dennis went off right tackle for nine yards and a score, but his kick was bad.

The third canto was the high scoring period of the day, when Dimmitt counted twice and Friona got across into the promised land for their solitary touchdown of the day.

Don Mobley set up the fourth Cat score as he galloped 32 yards to the sight, and then toted left end for a counter. Dennis' conversion

try failed. With Friona in possession, Jerry Houlette broke loose for the longest run of the game, a sixty-yard gallop that ended in pay-dirt, and Dudley Bainum converted. The final counter of the round was scored by Dennis, with his line plunge for the extra falling short.

Dimmitt was held to one touchdown, scored by Jerry Brown, as the game unwound its last minutes, and Mobley swept left end for the extra point.

Rev. John Abbott Will Visit Here

Rev. John Abbott, son of Pres Abbott of Bovina and well known to many Parmer County residents, is to be a special speaker at the First Baptist Church in Farwell next Monday evening, November 8.

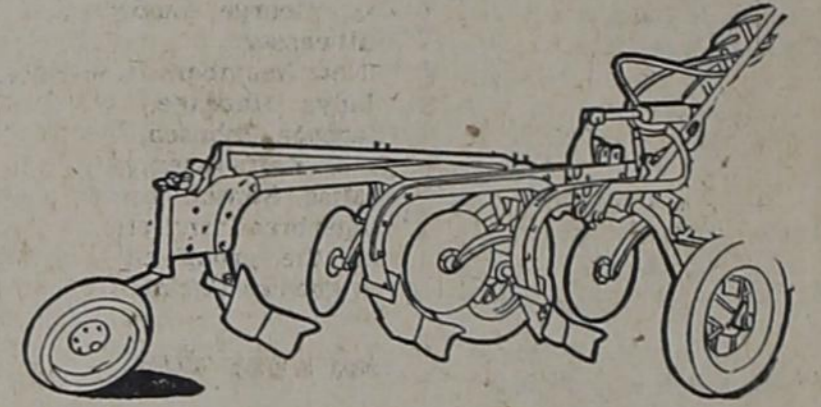

At this time, Rev. Abbott, who is a missionary to the Spanish-speaking residents in the area around Espanola, in northern New Mexico, will speak on his work and show colored slides.

The program is being sponsored by the Brotherhood and WMU of the local church, and a general invitation to the public is being extended.

Attendants are asked to bring used winter clothing and staple groceries for Rev. Abbott to take back to New Mexico, in view of the fact that many of the people with whom he works are in desperate straits, sponsors said.

What's new with Chevrolet? everything!

Wonderful new Glide-Ride Front Suspension

New spherical joints flex freely to cushion all road shocks. New exclusive Anti-Dive Braking Control, assures "heads up" stops.

Even Air Conditioning, if you wish

Air is heated or cooled by a single unit that fits compactly into the front of the car. Requires no trunk space! (V8 models only.) And that's only one of the wonderful extra-cost options you can get!

Great new V8—two new 6's

New "Turbo-Fire V8" delivers 162 h.p. with an ultra-high compression ratio of 8 to 1. You can choose from two new 6's, too—the new "Blue-Flame 136" with Powerglide (optional at extra cost) and the new "Blue-Flame 123."

Easier steering, stopping, clutching

The new Chevrolet steers with ball-bearing ease, thanks to new friction-cutting Ball-Race Steering. New Swing-Type Pedals pivot at the top.

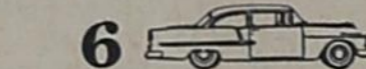

Tubeless tires as standard equipment

On all models! Proved tubeless tires give you greater protection against a blowout . . . deflate more slowly when punctured.

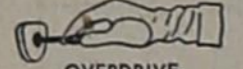

. . . and Chevrolet's got that long, low "let's go" look

It's a show car from the word go! Longer looking—and lots lower. There's plenty of glamor inside, too—plus more room for hats, hips and shoulders!

New Outrigger Rear Springs

Rear springs are longer—and they're attached at the outside of the frame. This means they're spaced wider apart, outrigger-fashion, to give you greater stability in cornering. And Chevrolet's new Hotchkiss drive cushions drive-line shocks through the rear springs!

Three drives, including Overdrive

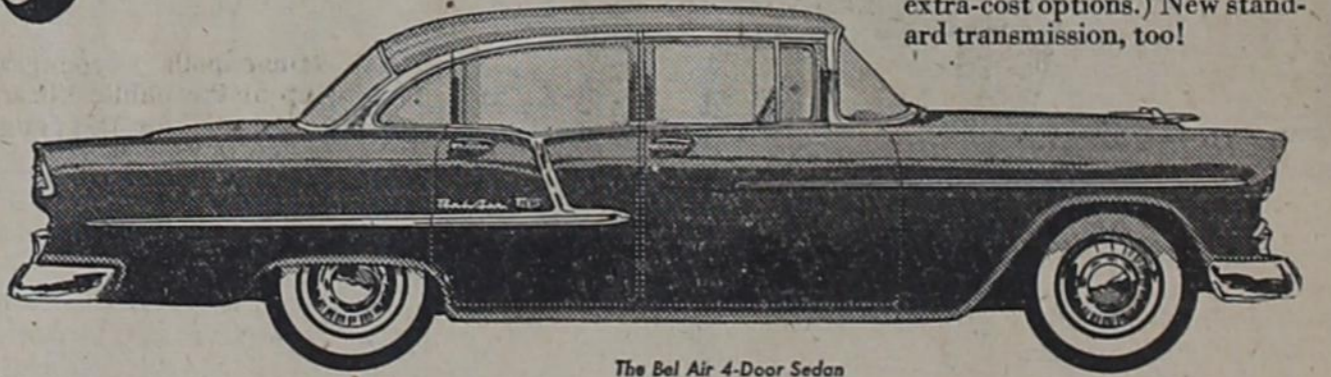

There's Powerglide teamed with the new V8 or the new 6's

Powerglide and Overdrive are extra-cost options. New standard transmission, too!

A ventilating system that really works

Chevrolet's new High-Level Ventilating System takes in cleaner air at hood-high level—away from road heat, fumes and dust.

The Bel Air 4-Door Sedan

Chevrolet and General Motors have started something—a whole new age of low-cost motoring—by taking a whole new look at the low-cost car. Here are new ideas, young ideas . . . and some of tomorrow's ideas, too! And they're all rolled up in the most glamorous package that ever wore anything like a Chevrolet price tag!

This is the car that began with a great idea—the idea that a low-priced car could be built that would have the style, the performance, the comfort and convenience features, and the fine quality "feel" of high-priced cars.

This is the car that only the world's leading car builders—Chevrolet and General Motors—could have built. The Motoramic Chevrolet! Come in and see how the Motoramic Chevrolet for '55 is far more than a new model. It's more, even, than a completely new car. It's a whole new idea about cars!

Mrs. G. A. Bandy is reported as feeling much better, but is still confined to her home. A card or a visit from her friends would make her very happy.

Chester Fowler is visiting his nephew, Carl Fowler Jr., this week. Carl is serving with the armed forces and is stationed at Ft. Bliss.

Phillip White spent the night with Bob Bolton Thursday.

J. F. Mount visited with Aubrey White Friday evening.

Special Program Planned By Texico Classes

A special program is being planned by members of the seventh and eighth grades at the Texico School in observance of National Education Week, November 7-13.

An assembly, movie, exhibits of school work and a tea are on the agenda for Wednesday afternoon, Nov. 10, 2 to 4 p. m. CST.

Special invitations in the form of a green paper key with "Key to our School" in white lettering are being sent to the parents. Inside the folded key on white stationery is the message, written in

green ink. Posters have been placed in windows of businesses in Texico.

To start the program next Wednesday will be the pledge of allegiance led by Priscilla Pichardo and "America" sung by the two grades. Anita Moss will lead the school song.

Extending a welcome to the parents will be Connie Tharp.

For their part on the program, the eighth grade presents a radio play entitled "I was a Hobo Kid" which is the true story of Billie Davis.

Appearing in this number are Anita Moss, Carlene Branson, Bobbie Stover, Janel Seal, Monte Singletery, and Mary Barnes. Raymond Hadley is announcer.

This heartfelt story helps to carry the theme of National Education Week—"Schools Are Your Responsibility."

David Lockhart will give a reading, "How Good Are Your Schools?"

Instrumental numbers under the direction of George Hill, band director, will be given by Jo Martin, Wayne Martin Jr., Christine Bowers and Charles Stockton.

A group of seventh grade girls will sing "School Days." This includes Harla Jean Wall, Lena Mae Steele, Joan Tadlock, Connie Tharp and Elvis Cross.

A humorous skit from members of the seventh grade and another from a group of eighth grade boys will end the program. All guests are to be introduced by their children during the program.

Following this entertainment which includes all the students in both grades, guests will be shown movies of Horace Mann and Book-

er T. Washington, famous educators. Work of the students will be on display in each of the home rooms and students will conduct their parents on this tour.

Refreshments of tea and cookies will be served the guests from a lace covered table. D'Rene Danforth will pour and Phyllis Kelley will preside at the guest register.

Committee for refreshments will be Mary McDaniel, Joan Brown, Coleen Landrum, Anita Moss, Darlene Day and Jo Martin.

Centerpiece for the table will be twin hurricane lamps with a white and green striped base and white tapers. These will flank a cornucopia filled with fruit and leaves.

Stop saving seconds and losing lives.

A Minneapolis youngster showed up at the public library, seeking a book for his dog—said he planned to read it to her himself. The title: So You're Going to Have a Puppy!

Two motorists met on a street too narrow for two cars to pass. "I never back up for an idiot," yelled one driver.

"That's all right," said the other, shifting into reverse, "I always do."

"When the judge decreed that you would have to pay back alimony, how did you feel?" asked Black of a friend.

"Chagrined."
"And how did your ex-wife feel?"
"She grinned."

In its first year, millions of motorists have proved the benefits of
Conoco Super Gasoline with TCP
The Greatest Gasoline Development in 31 Years

Here are the facts proved by millions:

- TCP** boosts your car's power as much as 15% (because it neutralizes power-robbing lead deposits).
- TCP** gives you extra gas mileage (motorists report up to 3 miles more per gallon).
- TCP** is just like an engine tune-up (because it lets you enjoy all your car's built-in power).
- TCP** increases spark-plug life up to 150% (because it actually fireproofs your spark plugs).
- TCP** makes it possible for you to enjoy all the extra performance of Conoco Super's higher-octane rating.

But don't take our word for it! Read what motorists, themselves, say about Conoco Super with TCP.

1 "I remember when tetraethyl lead was first put into gasoline 31 years ago. Now comes Conoco Super with TCP! It's lived up to my '51 Mercury—and now I get 3 more miles to the gallon."
Mr. John T. Knudsen, Traffic Officer
3089 South Fourth East, Salt Lake City, Utah

2 "Conoco Super with TCP is doing everything it's promised in giving our '53 Cadillac extra mileage, power, and performance. We won't take any other gasoline, because TCP has no substitute."
Mr. S. E. Brooks, Retired RR Engineer
107 North Third, Belen, New Mexico

3 "I maintain four cars and three trucks. In all of them, it's Conoco Super with TCP. I'm getting new-car performance! Starting on cold mornings is 50% better. I'm sold on Conoco Super!"
Mr. Ray B. Crowley, Wholesale Florist
Littleton, Colorado

4 "Conoco Super Gasoline with TCP does the job as no other gasoline has done before. My 1950 Chevrolet runs quietly, doesn't make knocking noises, starts right up and goes farther to the gallon."
Mrs. S. J. Crosby, Housewife
415 West 6th Street, Anaconda, Montana

5 "Conoco Super with TCP is a vitamin tonic for my '48 DeSoto. The engine starts promptly. And the mileage savings are like getting up to a gallon and a half of free gas to every tankful."
Mr. William Grabowski, Electrical Contractor
482 North Fifth Ave., Elgin, Illinois

Thanksgiving Supper Planned By Farwell PTA For November 9

The "biggest night of the year" is being planned by the Farwell Parent-Teacher Association officials, who announce that the annual Thanksgiving supper will be held in the cafeteria of the school on Tuesday night, November 9.

Although it is rushing the season a little, a typical holiday dinner is to be enjoyed, with attendants bringing covered dishes. The supper is to begin at 7:30.

Visiting speaker for the evening is to be District Judge E. A. Bills, of Littlefield, who is to speak on "We the People—Establish Justice—through Making Democracy Work."

Musical selections will be arranging, and all parents and teachers, says President Joann Getz, are urged to attend.

Attendance this year, Mrs. Getz remarked, has been exceptional, but the men have been a bit negligent and it is hoped that they will be on hand.

Hostesses for the evening are Mesdames Bill Garrett, chairman, Kenneth Fields, Otis Branscum, Loucile Foster, Dick Gerles, Clyde Magness, M. H. Stroup and Murray Dail.

All of Thornton Children Are Home

Mr. and Mrs. J. R. Thornton had all their children home for a dinner and reunion over the weekend.

Lt. Col. and Mrs. Julian Thornton arrived Thursday from Colorado Springs, Colo. Mr. and Mrs. Graham Thornton were here all week from McKinney, where he has been undergoing treatment in the Veteran's Hospital.

Dinner guests Sunday included the above visitors; also Mr. and Mrs. William Thornton and children of Bovina; Mr. and Mrs. Wilfred Quickel and children of Farwell; and Iris Thornton of the home. Also here was a nephew and his family, Mr. and Mrs. S. A. Graham of Brownfield; and a sister-in-law, Mrs. E. A. Graham, also of Brownfield.

The Graham Thorntons left Monday morning, and he will re-enter the hospital at McKinney.

Two ESA Members To Be Honored

Mrs. Kenneth Fields and Mrs. Bert Williams will be the honored members for the ESA formal banquet to be held tonight (Thursday) in Clovis, beginning at 8 o'clock. Mrs. Wilfred Quickel, president will conduct the jewel pin ceremony, after the formal dinner.

Mrs. Gilbert Kaltwasser will be hostess to a business meeting of the group Monday evening in her home, at 8 o'clock, and a district meeting is to be in Carlsbad November 14.

Bride-Elect Honored With Shower Tuesday

Miss Joyce Hart of Portales, bride-elect of Lt. Hurshel Harding, was honored at a pre-nuptial shower Tuesday evening at the Farwell home economics building. Hostesses were Mesdames A. J. Jones, S. L. Busbice, D. J. Brown, Asa Smith, Roscoe Burris, Leona Moss, and W. W. Couch.

The lace covered table was centered with an arrangement of pink and white mums, with a crystal punch service completing the decorative motif. Orange float and cookies, pink mints and party nuts were served, and bridal napkins were used.

On the registration table was a bouquet matching the table centerpiece, and fall flowers were used throughout the room. Corsages of mums were given the honoree; her mother, Mrs. L. B. Hart, and mother of the bridegroom-elect, Mrs. N. R. Harding.

Mrs. Asa Smith presided at the serving table and Mrs. W. W. Couch was at the guest register.

Guests for the shower were Mesdames S. W. McLarty, Grace Curtis, P. A. Baker of Portales, N. M., M. M. McQuatters of Portales, E. J. Keith, Maude Brown, B. L. Harding, E. G. Williams, W. J. Matthews, the hostesses, the honoree and the two mothers.

Among those sending gifts were Mesdames Frank Seale, Claude Rose, W. H. Graham Sr., W. H. Graham Jr., Birdie Paul, Bert Williams, Anne Overstreet, O. W. Pair, Grandmother Baker, Joe McWilliams, E. Kalbas, Bob Byrd, J. D. Thurman, Everette Roark, M. A. Snider, Harry Whitley, Johnnie Williams, Willie Williams, L. H. Bradshaw, Buck Bradshaw, John Porter, and Wilma Liner, R. J. Klump of Muleshoe and R. L. McDonald of Muleshoe.

Honored At Portales
Miss Hart was honored with a miscellaneous shower in her hometown, Portales, recently. She was given a pink baby mum corsage by the hostesses, and Mrs. Harding and Mrs. L. B. Hart wore white mum corsages.

White lace over pink covered the serving table which was centered with a cake baked and decorated to resemble a house. The cake was designed by Mrs. Stanley Hardin, and was iced in white and had pink doors and windows. Inscription read "Honeymoon Cottage." Miniature shrubs were used to emphasize the setting, and the pink winding sidewalk and a fish pond complete with duck figurine, was flanked by a small hedge. Bride and groom figurines completed the motif.

Pink and white decorated sandwiches were served. About 50 guests called for the affair.

Mr. and Mrs. Sterlyn Billington and family, Mrs. Loucille Foster, Robbie and Becky, visited Sunday in Earth, Tex., with Mr. and Mrs. Norman Sulser.

Color and Simplicity Emphasize Bouquets

Twenty-seven leaders from the fourteen home demonstration clubs in the county participated in a training session on "Winter Bouquets" Friday afternoon in the American Legion Hall in Bovina. Each brought plant material from her yard, garden or pasture which was used in creating some interesting arrangements. Use of containers, modest in shape and simple in decorations, was emphasized along with the selection of plant material and containers which blend together in color, size and texture and are suitable for place to be used.

It was pointed out that the warm colors of red and yellow are better for winter arrangements. Coloring of plant material by dipping in oil paint and water, using poster paints was demonstrated, and suggestions given for preserving plant material in different ways and making candles for holiday seasons.

Leaders attending who will direct this program in their respective clubs in November meetings were Mrs. Reese Wildinger and Mrs. D. B. Ivy, Lazbuddie; Mrs. J. B. Barnett and Mrs. Loyd Batey, Parmerton; Mrs. Joe Brummett and Mrs. Lee Renner, Hi-Point; Mrs. Fred Bolton and Mrs. Donald Watkins, Oklahoma Lane; Mrs. Dick Rocky and Mrs. Bill Lookingbill, Black;

Mrs. G. W. Massey and Mrs. John W. Hand, Lakeview; Mrs. T. J. Hopingardner, Bovina Good Neighbor; Mrs. R. J. Garner and Mrs. Billie Downing, Midway; Mrs. A. L. Reznik and another representative, Greenacres; Mrs. J. D. Thompson and Mrs. R. L. Rule, Hub; Mrs. Dennis Robards and Mrs. John Wright, Northside; Mrs. Bert Williams and Mrs. Ernest Kube, Farwell Town and Country; Mrs. Carl Schlenker and Mrs. Elmo Dean, Rhea; and Mrs. J. F. Terrell and Mrs. J. D. Sanders, Friona.

Offering Given For Week Of Prayer

In conjunction with a Week of Prayer conducted for missions, all over Methodism, the local Methodist Church observed special services Wednesday.

In the afternoon, the WSCS was led in discussion by Mrs. M. H. Stroup, with a quiet day meditation. Mrs. B. N. Graham, president of WSCS, talked about "The Transforming Christ" and Mrs. Loucille Foster presented facts on "The Ever Present Christ."

"Who Is My Neighbor?" was the subject of Mrs. Albert Thomas, and Mrs. Stroup concluded the study with a talk on "Pakistan and India."

A fellowship supper was held in the evening, with sandwiches, salad, coffee or tea served to members of the church. During the meal, Mrs. Stroup and Mrs. W. H. Graham presented a "broadcast" on the work of the WSCS, and each attendant was given a "vitamin capsule" containing a small reading on the work of the group. Each person then read the message contained in the capsule.

After the supper, the Wesleyan Guild presented a program, led by Mrs. J. H. McDonald. Mrs. Jim Moss told listeners about "The Retired Deaconesses" and Mrs. Joe White discussed "Literature of Pakistan and India." Mrs. W. N. Foster elaborated on the subject by giving facts on "Leadership Training in Pakistan." Mrs. W. H. Graham sang "I Walked Today Where Jesus Walked."

An offering of about \$130 was taken for mission work of the Methodist church.

Joy McDonald of Lubbock spent the weekend in the home of her parents, Mr. and Mrs. J. H. McDonald.

GYPSY TROUBADOURS

Gypsy Troubadours To Entertain Assembly

An unusual musical treat is promised local people November 5, when Southern School Assemblies present The Gypsy Troubadours at the Farwell school at 12:45.

The Troubadours, Alla and W. Bajan, present a musical program of songs from many lands, interspersed with humor, dancing and featuring beautiful costumes. As an extra, they present "Humanettes", a novel idea in the ancient art of puppetry.

Mrs. Bajan is a graduate of an outstanding European ballet school and has toured Europe and the Americas with her own company. Her rich soprano voice blends perfectly with the soft tenor of Mr. Bajan, noted for his work on stage, radio and screen. The Bajans have made Hollywood their headquarters for years, appearing in many pictures.

WSCS Bake Sale Is Successful

Women of the WSCS of the Methodist Church sponsored a food sale and dinner, Tuesday, at the Furniture Mart storage building in Farwell, and report a very successful project. The ladies realized about \$81 on the sale.

Sandwiches, chili, pie, cake and coffee were served at noon, and coffee and desserts were available throughout the day.

Mrs. B. N. Graham, president, expresses appreciation to Rev. M. H. Stroup, pastor, for making the coffee; to The Furniture Mart for use of the building, and also to everyone who assisted with the sale in any way.

Three Queens Reign

Mina Jennings MARIE HOUSTON LORETTA WHITE

Royalty Named At Lazbuddie

Against a backdrop of royal blue and yellow, the 1954 Harvest Festival took place last Friday at the school. All of the royalty was presented and the Queens were crowned. First came Queen Loretta White and King Denny Thompson of grade school, then Marie Houston, queen of Junior High, escorted by Robert Leslie. The climax came with the coronation of Mina Jennings as high school queen. Her escort was Chunky Ivy. The entire ceremony was in royal tradition, complete with train-

carriers and crown bearers. Jean Gammon and Glenda Hall acted as court jesters, and Jim Gordon narrated. The home economics girls, dressed in multi-colored costumes, presented dances. The carnival was a big success. A large crowd attended and most booths sold out and ran out of prizes before the coronation ceremony.

The Interscholastic League one-act plays were received this week. They are being read and as soon as one is chosen, casting will begin. The Baptist Church held its business meeting Wednesday night instead of Nov. 10.

GRADE TEAM PLAYS

Downbeat the Same In Plains or Here

Mrs. Erma Jobs, musical director at the Farwell High School, wasn't quite sure which way to turn last weekend as she faced a band composed of former students of Plains High School—while she was on hand to direct activities of the local band during the Plains-Farwell football clash. Actually, Mr. and Mrs. Jobs went down to Plains a bit early for the school's homecoming. For both Shelby and Erma taught in Plains for eight years. Invited for a special assembly at 1:30, Mrs. Jobs walked in to find a large number of her former students in their accustomed places in the band, with the vacancies being filled in by the 1954-55 Plains band. Mrs. Jobs was invited to direct the band in its performance. The locals spent the night in Plains and reported that they were "treated like royalty."

DEFEAT THREE-WAY

Lazbuddie Longhorns defeated Three-Way 48-14 last Thursday at Lazbuddie. It was the annual homecoming game and a large crowd of alumni and fans were on hand to see the game.

At the half, an impressive show honoring the football hero and football sweetheart took place. The pep squad formed a large heart and Robert Ivy was announced as hero, while Joy Smith was named sweetheart.

It's a Girl

Mr. and Mrs. Preston Cargile announce the birth of a daughter, Cassandra Ann, October 17 in West Plains Hospital, Muleshoe. Ed Vanlandingham and C. K. Roberts are going hunting around Espinola, N. M., this week.

COLD WEATHER AHEAD

Winter weather is the real test of your car's stamina. Perhaps the old jitney has been running pretty smoothly all summer, but what will happen when the mercury drops to freezing and below? CAN IT TAKE IT?

There are lots of things that ought to be cared for before cold weather comes in for a long stay. Some of the more important ones are:

1. Draining, flushing, the radiator and installing permanent type anti-freeze.
2. Making sure that all hoses are in good shape and the electrical system will stand the heavy loads required for cold-weather driving.
3. Seeing that the engine and other important parts are "up to snuff" and will function properly when you need them. A short tune-up usually does the job.

Stout Farwell Defense Is Given Credit For Triumph over Plains Friday Night

A stout defense—probably the best shown all year, according to Coach Smokey Cates—staved off a desperate last-minute drive by a big, capable Plains team there Friday night, and gave the Farwell Steers another conference victory.

For the Steers, it was the next-to-the-last hurdle for a conference crown for which they and all their fans are longing. Farwell will win its district if it can manage to get by Bovina next week.

Friday night proved to have several scares for the wearers of blue and white, however, and it was a closely-matched contest. The Steers scored twice in the first half to net their 13 points, while Plains managed only one touchdown.

Don Pool, swift halfback, dashed around end for 20 yards and a score in the first quarter, and Fullback Gene Hardage, Farwell's biggest backfield boy, charged for 12 yards and a score over center in the second quarter. Don Gerles added the extra point with a kick

after the second touchdown.

Plains' score also came in the second quarter, only a short time before the first half ended.

Play was evenly balanced in the second half, except in the dying minutes of the game when Plains came within a few scant feet of scoring and possibly tying the game.

The Steer defense looked its best at this time as they held the heavy Plains boys for four downs when they were easily within scoring distance, and at one time dropped a Plains back for a 10-yard loss.

Cates called the Plains eleven "a good ball club. Their blocking in the line looked very sharp and they had backs that could run," he reported.

The coach singled out several boys for special mention on defensive work, including James Norton, middle line backer, and Jerry Dee Owens, center. Defense work by H. R. Billingsley and Billy Watts was also praised by Cates.

NATIONALS —

(Continued From Page 1)

scarcely ever speak English; that they live in housing that seems to us far from ideal, and that after a brief sojourn they once again turn homeward to the land of "manana".

Knowing this to be true, we of The Tribune thought you might be

interested in knowing a little more about these people. They are, after all, our "neighbors".

For our study, we chose a man named Mateo Alvalos. He seems to be fairly typical of most Nationals, except, perhaps, that he has only one child. Most Mexican families are quite large.

Mateo is 24 years old, and a native of San Pedro in the southern part of Mexico. He and his wife

have one youngster, a boy named Rogelo, who is about one year old.

In San Pedro, the Alvalos own their own home, but have no running water or plumbing in the house. Like many of his kinsmen, Mateo owns no land, rather, he works for other farmers. A day's work in Mexico usually means about five pesos to Mateo, and a typical week in which he is steadily employed will return from 25 to 30 pesos.

In order to obtain a better conception of Mateo's earning power in Mexico, it might be well to point out that the peso is on an exchange rate of 12½ to one with the American dollar. That is, a peso is actually worth 12 cents in American money.

This particular Mexican citizen is accustomed to laboring for about \$3 per week. A loaf of bread would cost Mateo about 2½ pesos—and it seems incredible that this man would have to work one-half of a day in order to earn enough to buy a single loaf of bread in his native country.

Nevertheless, Mateo and his friends say there is much happiness in their country in spite of the poverty. Most Mexicans never realize how far they lag behind their northern neighbors in living standards, and consequently seldom worry themselves about anything except the bare necessities of life.

A full stomach, enough clothes for decency and comfort, and a roof to keep out the rain are deemed to be about all necessary for normal living.

Mateo is quick to admit that many, many Mexicans are trying to get into the exchange labor program for work in the fields of America that to them seem vastly rich.

He says it is no easy task to get permission to participate in the program, as there are many more would-be-workers than there are places where they are needed.

When a Mexican National succeeds in making himself eligible for migration across the northern border he must provide transportation to the point from which labor is being dispatched. This costs, Mateo figures, some 200 pesos, which in comparison to his earning pow-

er in Mexico, is no small sum.

Three friends accompanied Mateo to the "Estados Unidos" this year, which is the third trip for Mateo. All three, and about eight others, live in a boxcar provided by the Lawlis & Ely Gin of Bovina.

The gin, one of several engaged in such a program this year, secures Nationals on a 6-week contract. The ginners are responsible for keeping the men housed and paid and in general are responsible for their well being. Only men are permitted to come north. The wives and families must stay behind.

The Mexican Nationals are paid \$1.55 per hundred for cotton that they pull by hand, and the gin arranges with area growers in such a fashion as to recover this and other costs for the labor.

One big element of risk for those who contract immigrant labor is the weather. If wet weather sets in and prevents the hands from being able to get into the fields, the contractor (ginner) is still obligated to pay them \$1.15 each per day.

This is for the workers' protection. Without some sort of guarantee, they might be faced with the possibility of starvation or calamity while in a strange country.

The average National laborer can figure on pulling an average of about 800 pounds of cotton per day, ginners estimate. Last week, for instance, Mateo pulled enough cotton to push his check up to \$75—not bad, even in comparison to the higher wages to which Americans are accustomed.

In Mexico today, Mateo's check would be worth \$937.50. We could get the same comparison if we thought of what an attractive figure this would be to American farm laborers.

Ginners insist, and the Nationals bear them out, that there is no exaggeration in the figures: for the Mexicans, it is truly "big" money.

The Nationals always expect to be paid in "hard cash". That alone puts a rather large burden on some individuals who may have as many as 50 or more under contract.

For Mateo, who is a native of a very temperate, humid climate, the weather in West Texas seems pretty rough. He recalls the first year that he spent in the States, down in

Louisiana. It seemed plenty cold to him down there, but others around the newcomer joined in to remind him that "you haven't seen anything yet".

What do the Nationals do with the "big" money they earn while in the United States?

Most of them send a substantial amount of it back home to their families. Mateo could not be made to understand what was meant by "income tax", so apparently there is little in Mexico to nibble away at individual income such as Americans are constantly finding.

Of the money spent here, food and clothing accounts for the largest part. Of course, there is a wide range of interests for the laborers' money, and they can usually be seen wagging around a trunkful of small, inexpensive novelties and trinkets that they have picked up from place to place.

Contrary to what often seems a popular belief, the Mexican Nationals do not have a penchant for getting into trouble. In fact, very few of them ever run afoul of the law.

The reason for this is simple enough. They are strangers in a strange country. As aliens, they have no idea what might befall them if they should get into trouble.

Because of this, if not for natural honesty, it is rare to find a National being accused of stealing, or getting into some other kind of predicament.

They seem to be a genial sort, slow-going and undisturbed over what is taking place around them. The men who lived in the car which this writer visited seemed to be close friends, and there was no evidence that they were not thoroughly enjoying life as farm laborers in America.

The simple rudiments of a bunk, a hot plate, and running water in each boxcar are entirely satisfactory for the workers, and Lawlis adds with a grin, "they think they are really living it up."

"They're a pretty nice bunch of old boys," he added. "They've just never had a chance."

Karl Gast is confined to his bed with flu, having become ill Monday.

Grandparents? This Young'uns Got 'Em

Young Rocky Ray Richardson, who made his appearance at Clovis on Saturday morning, doesn't weigh but 7 lbs. 2 and ¾ ounces dripping wet, but the youngster has enough grandpa-ents to lick his weight in wild-cats.

The son of Mr. and Mrs. Bill Richardson, Rocky can claim two sets of grandparents, a set and a half of great-grandparents, and a set of great-great-grandparents.

The grandparents include Mr. and Mrs. C. Spence of Roswell and Mr. and Mrs. Ernest Black of Farwell; paternal "greats" are Mr. and Mrs. Ted Ruckman of Texico; maternal "great" is Mrs. Smith, of Arkansas, who, incidentally, is here visiting the Blacks; and the great-greats are Mr. and Mrs. J. T. Weathers, of Hydro, Okla.

Sunshine Friends Revealed Monday

Sunshine friends were revealed by members of the Rebecca class of the Baptist Church Monday evening, at a business and social session in the home of Mrs. E. J. Keith.

Devotional was given by Mae Porter and Eva Branscum gave the opening prayer. Beulah Williams gave the closing prayer.

Games were played after a short business meeting, and the hostess served coffee and cookies to the guests. Attending the meeting were Mesdames Carrie Hardage, Elsie Hardage, Mae Porter, Irene Henson, Hattie Coffey, Eva Branscum, Estelle Billington, Dickie Magness, Lois Smith, Beulah Williams, Thelma Doshier, Commie Blain, Maude Brown, Nathan Harding and the hostess.

Margaret Charles is to direct the memorial program for Bovina OES tonight (Thursday), according to the yearbook. Hostesses are Rose McCain, Verda Hobby and Willie Mae Ross.

FARWELL BAPTIST NEWS
Rev. E. J. Keith, Pastor

Sunday School and church attendance was very good last Sunday, with a record group of 115 being on hand for Training Union that evening. Previously, the TU record had been 111.

Wednesday, Nov. 10, recognition services for Royal Ambassadors will be held at the church in the evening, and Rev. Keith says, "If you have boys who are ready to pass rank, please have them at the church by 6 p. m. for practice."

Assisting in the service will be Rev. John Rankin of Amherst, who is district R. A. leader. Rev. Rankin is to bring a message on RA work. Special invitations have been issued to West Camp, Oklahoma Lane, Bovina, Friona, Lazbuddie and Texico to attend.
Delegates from the local church will attend a Worker's Conference of the Tierra Blanca Association at Tulia today (Thursday), the program beginning at 10 a. m.

JUNIOR 4-H NEWS

Reporter Cathy Bell advises that the Junior 4-H club had a regular meeting Oct. 28. The club project of keeping rooms—and especially dresser drawers—neat and clean was discussed. Miss Stinson demonstrated dividing drawers into sections.
One new member, Sherry Kay Gast, was present. At the next meeting, demonstrators will be elected.

FARWELL SENIOR 4-H
The Farwell senior 4-H group met at the school Oct. 28, with three new members on hand, Deloris Keith, Faye Routon and Celia Read. Discussion was held regarding securing leaders to help Miss Stinson with the work. Points on parties and recreation hours were also discussed. Next meeting will be held Nov. 28.

Jottin's
from Jeanne

Mrs. B. N. Graham, who is noted for her skill in the art of cooking, made a chocolate peanut butter pie for the Methodist WSCS bake sale Tuesday, and the compliments were so numerous, we just had to have the recipe for this week.

So all you ladies who wondered how she did it, can now try her recipe. We didn't get to sample it, but we talked to some who did.

Chocolate Peanut Butter Pie
Crust: (for an 8-inch shell) 1 cup sifted flour, 1/2 teaspoon salt, 1/3 cup shortening, 3 to 5 tablespoons ice water. Sift one cup flour, and then sift the flour and salt together. Add the shortening by blending in half of it, then add the other half to blended mixture. Do not blend too finely on the second mixture; leave lumps as large as English peas because this will add to the flaky texture of the crust. Sprinkle the cold water lightly over the mixture—just enough to make the dough stick together blending a few drops at a time until dough can be pressed into a ball. Roll out on lightly floured board to the desired thickness. Place loosely in pie pan, and prick with a fork to prevent puffing. Bake in 450 degree oven for 12 to 15 minutes. Let cool before adding filling.

Filling: 1/2 cup sugar, 1/2 teaspoon salt, 2 tablespoons cornstarch, 1 tablespoon flour, 2 cups milk, 2 egg yolks, 4 tablespoons peanut butter, 1 tablespoon butter, 1 teaspoon vanilla. Use double boiler and bring two cups of milk, sugar, salt, cornstarch, flour, to a boil over low heat, and boil for four minutes, stirring constantly. Slowly beat a little of the hot mixture into the two well-beaten egg yolks that have been mixed with the peanut butter. Then combine with mixture in double boiler and cook over boiling water for 10 minutes, stirring occasionally. Remove from heat, blend in butter. Cool (may cool in pan of ice water if hurried) and stir in vanilla. Pour into

cooled baked pie shell.
Meringue: 2 large egg whites, 1/4 teaspoon vanilla extract, 2 tablespoons cocoa, 6 tablespoon sugar. Mix sugar and cocoa well. Beat egg whites until stiff. Add cream of tartar before egg whites are too stiff. Gradually add cocoa and sugar mixture until mixed well. Add vanilla. Pour over the filling and bake in 450 degree oven until golden brown. Let cool at room temperature.

Lions Club Meets Thursday Evening
The regular meeting of the Texico-Farwell Lions Club was held in the Legion Hall the past Thursday evening, with films providing the entertainment of the evening.
Several films were shown by Lenton Pool, one featuring "Texas". During the business meeting the group voted to take money out of the benevolent fund to buy a pair of glasses.

Smart Returns Home From Extended Trip
Ben O. Smart, owner of The Furniture Mart in Texico, has returned from a trip in company with a group of men representing the Full Gospel Business Men's Fellowship. The itinerary included several Eastern cities.
Smart is president of the Clovis chapter of the Fellowship, and went from here by train to Denver to meet the touring group. The men had planned to put in several days hunting in South Dakota, but were grounded in Denver for two days

and consequently had to cut their visit to Sioux Falls rather short.
From Sioux Falls the men flew by private plane to Milwaukee, Wis., where they formulated a chapter of the Fellowship, and then flew on to Chicago.
Smart left the group in Chicago and came back to Amarillo via TWA, being met by his wife in that city. Mrs. Smart had returned her mother, Mrs. R. E. Leitner, to Amarillo, after Mrs. Leitner had spent a week here.

Mrs. Leon Cantrell and children ate dinner with the Sam Randols Sunday.

Texico Farm Bureau To Meet Nov. 8
Announcement has been made of the forthcoming meeting of the Texico Farm Bureau, which will be held at the school building Monday, Nov. 8, beginning at 8 p. m.
Olan Schleuter, local chairman, is to preside, with Barney Harding as secretary. A business session is to be held in addition to other activities.
Bureau members emphasize that locals who wish to submit resolutions for 1955 should be thinking along this line now, in order that such ideas can be formulated and presented to the county convention next August.
Refreshments will be served at the conclusion of the meeting and all members are urged to attend, with visitors being invited.

Kesner Calls Home After Overseas Tour
M. E. Kesner, who is serving with the Navy, called his parents, the Shirley Kesners of this city, the past Sunday from Newport, R. I. Kesner has been on board ship on a tour overseas, to Korea and Japan.
He reported that the vessel to which he is assigned got in on some of the hurricanes which have recently swept the Atlantic Ocean, adding that the buffeting given the ship was sufficient to send it in to report for repairs.
Only one seaman was injured during the blow, Kesner added, but went on to state that the extent of damages to the vessel would necessitate that they remain in port until after the first of the year.

OUR 1st ANNIVERSARY

This week marks the first year of business for Farwell Hardware, and since a first anniversary is always an important one, we want to take a few moments to say to all of you who have made our success possible—

THANK YOU SO VERY MUCH!

A year ago we came here a total stranger not only to our business, but to the community as well. The manner in which you have accepted us and made us feel at home has been very much appreciated by us, and we know that we owe you—our friends and customers—our success. In the years that lie ahead, we hope to continue to grow and to serve you in more ways as we are able to add to our merchandise and services. Thank you again for everything.

a big thing out of Veteran's Day. Such was the announcement this week by the Justice-Williams American Legion Post of the Twin Cities as they listed activities being slated for the occasion.

As the opening to festivities, a gigantic parade is being arranged, to cross town from the Furniture Mart through Farwell to the Steer football stadium. The parade will begin at 1:15 in the afternoon and will feature music from three bands, plus the American Legion color guard. All participants are to meet at the Furniture Mart at 1:00 p. m.

Three school bands will be included in the colorful parade, with representatives from Farwell, Bovina and Texico performing. A motorcade is to bear the mayors of the Twin Cities, Ira S. Levins of Texico and Johnie Williams of Farwell, as well as Rev. E. J. Keith, pastor of the First Baptist Church,

Farwell.

John Getz, of the Legion Post, will be the principal speaker when the crowd assembles at the stadium. Getz is slated to make a short talk explaining the change over of names regarding Armistice Day. Rev. Keith is slated to offer prayer, and the three bands will combine forces to play "The Star Spangled Banner" as the colors are raised.

Suspense is mounting this week as to which popular girl of the school will be crowned as the football queen, in the finale of the ceremonies preceding the game. And the football boys aren't talking—they will notify their choice just long enough beforehand that she may get her nose powdered for the affair.

ness for their first season in the area. He said they will have housing

and laborers next year. L. & H. had ginned "about 200" bales on Tuesday of this week.

BOVINA Lawlis & Ely

A yield of 2 bales per acre after two hand pullings was reported by Billy Marshall, who has over 100 acres of cotton east of Bovina, when consigning ginning to Lawlis & Ely.

Ovid Lawlis, manager, reported that 1584 bales had been ginned by Tuesday evening. Another good yield he had heard of was from the field of Buddy Jones and Paul Winegeart in the Oklahoma Lane area where they had reported 56 bales from 40 acres.

HUB Mills & Fleming

Way out in front in ginning totals this week was Mills & Fleming of Hub. They had turned out 2500 by Wednesday of this week, and had been on a 24-hour shift for two weeks.

J. W. Wright on the Clarence Weems place four miles east of the gin was reported to have pulled

a bale per acre on 200 acres. Mills & Fleming had reported only one bale of stripper-harvested cotton by Wednesday.

LAZBUDDIE Watkins' Gin

Doyle Watkins reported about 1200 bales ginned by Wednesday. "We think the cotton is pretty good," he said, adding that very little stripping was in progress as yet and things would not be going strong for a few days yet.

Parmer County Gin

A similar report came from Parmer County Gin at the old Twin Houses location. Mrs. Charlie Barton said, "We don't have any cotton report to speak of. We need that killing freeze, and we plan to house hands next year."

LARIAT Nickles' Gin

J. L. Kirkpatrick reported about 1200 bales ginned by Wednesday. He said that gin had had "one or two stripped loads." He expects harvest to pick up considerably by next week and the gin to go on a 24-hour shift. Some farmers are pulling close

to a bale per acre, he says, mentioning Robert Rundell of near Oklahoma Lane who is reported to have gotten 75 bales from 100 acres on the first pulling.

FARWELL Nickles' Gin

Things were picking up in the Farwell area, according to those at Nickles' Gin, where 400 ginned bales were reported by Wednesday.

Some strippers have started, they said, and things are expected to get into high gear by next week.

Watkins' Gin

About the same story came from Watkins' Gin, where Arnold Reed, manager, some time ago said their gin would not see much activity until mechanical harvesting got underway.

and registered a complaint. She didn't like our heading used on the Oklahoma Lane news column, which we refer to as "Okie Lane Party Line."

Oklahomans, apparently, still don't like to be called "okies." The novel, "Grapes of Wrath" made pretty low remarks about Oklahomans, and according to this lady, some of them haven't gotten over it yet.

Well, ma'am, we assure you that we had nothing in mind that would suggest degradation when we hit on "Okie Lane Party Line" as a title for our column out your way.

However, if some would be sensitive on this point, we will be glad to change it, as you suggested. We would certainly like to hear some more from our readers of that area on this subject. Perhaps they can come up with a new and more suitable title.

Until we do hear from you, we have selected a heading which we feel no one but Kate Lindop, our correspondent, would ever object to, and we even checked with her to make sure she didn't mind.

Thanks very much for your interest in this matter. We certainly are interested in not stepping unnecessarily on the toes of our readers.

Mrs. Walter Verner called last week to tell us that their son, Charles V., who is overseas, told them that more than anything else he could think of, "he wanted The State Line Tribune" for a Christmas present.

It's the occasional reports of this type that make us believe that perhaps all our struggle is worth it, after all.

E. H. Thornton Jr., chairman of the Texas Highway Commission, said that the funds for this program are being derived from the Federal Highway Act of 1954, matched with State Highway funds on a dollar-for-dollar basis.

S. C. McCarthy, district engineer of the Department, says "This year the Commission has authorized the development of some area roads which will serve the dual purpose of service to the adjacent land as well as aiding in the development of the entire area of the state."

He added that "Work will begin on these projects just as soon as final planning is completed and right-of-way secured."

Resident Engineer W. H. Garrett will be in charge of the work in this area.

The next step would be for the county to guarantee right-of-way for the state, which has already been taken care of with a special meeting of the county commissioners early this week, announces Judge A. D. Smith.

Construction work is not expected to get underway before next year.

To Reception

Mr. and Mrs. John Porter went to Levelland to attend the 50th wedding anniversary of friends, Mr. and Mrs. Walter Mitchell. They also visited relatives in Littlefield and Levelland.

Elmer Temple of Albuquerque visited his mother, Mrs. J. C. Temple, and his sisters, Ruby Dixon and Laura Temple, over the weekend.

Break-ins Continue In Parmer County

Break-ins continued to occur to Parmer County businesses over the past week, with Welch-Blackburn Hardware of Friona being the most recent victim.

Their store was entered sometime early last Wednesday morning, and around \$800 in cash and merchandise was carried off.

Sheriff Chas. Lovelace says no developments have occurred in the case since last week.

BAKE SALE SLATED

The Town and Country HD club of Farwell is announcing a bake sale to be held in Farwell Hardware on Saturday of this week, November 6. The sale is slated to begin at 2 o'clock in the afternoon, and will feature many home-baked delicacies.

Olaf Swenson of Hereford visited Saturday night and Sunday with his sister and husband, Mr. and Mrs. George Hill and George Howard.

Happenings at Friona

MRS. OSCAR BAXTER, Correspondent

Baptist Church Will Start Expansion Program Shortly

Crowded Sunday School rooms will soon be a thing of the past for the First Baptist Church in Friona, as building plans for a new south wing to the present building were near completion this week.

Charles Allen, a member of the building committee, reported that a total of 5547 square feet would be embraced in the new addition to the church, with the cost of the building set at around \$45,000.

Present plans call for construction to be started in "about two weeks," and it is possible that ground-breaking ceremonies will be held on November 14, although this was not definite.

Elmo Jones, of Littlefield, is the contractor for the work. The building will have an exterior finish identical to that of the present building (which, incidentally was completed only a few short years ago). Inside the walls will be plastered, the floors tiled.

Included in the building will be two departments for adults, the complete junior and nursery departments, officials said, leaving some of the educational rooms in the present building to be utilized for additional classes. Completion is expected in some four to five months depending on weather conditions.

Harvest Still A Big Thing In This Area

Although observers are of the opinion that some 70 to 75 percent of the grain crop in this area has gone under the combines by this time, harvest is still one of the big things of the day.

The two local elevators, Continental Grain and Friona Wheat Growers, reported on Monday that they had been moving some of the grain to terminal points. G. Cranfill, at Continental, said a total of 75 cars had been shipped at that time, while over at the Wheat Growers, Arthur Drake reported a total of 165 cars moved to noon Monday.

And the elevators are almost at capacity point, with more cars needed to relieve the pressure.

With cooler, somewhat damp weather off and on during the past week, proportions of the harvest appeared a little less formidable, and trucks were not piled quite so deep around the elevators waiting to be unloaded.

The majority of the grain is going into the government loan, although some receipts, too wet to qualify for storage, are being sold on the market, elevator men reported today.

Now Comes Cotton

Now, with weather getting crisp each night, comes the cotton rush—and whitening fields over the area bear out predictions that harvest of the staple this year will be a whopper.

Some of the cotton, in fact, has already been moving to gins here, but operators are inclined to believe that they will be rushed to the limit only after a hard freeze strikes to allow fields to be stripped.

Hand-labor is being employed on the fields currently being picked, and reports thus far are all to the good; the cotton grades high and is yielding from one to one and one-half bales per acre.

Friona Children Help With Fund

Thirty-five hungry people of foreign lands can have a cup of milk every day for a year, thanks to the activities of the Friona Baptist Junior Training Union. Mr. and Mrs. Olan Turner, sponsors of the group, suggested that instead of the regular "tricks or treats" routine, they might enjoy doing something to provide for needy children in other parts of the world. The idea was immediately accepted.

Saturday night, the children took their cards, stating that they were soliciting funds for Christian Rural Overseas Program (CROP) to send milk to hungry children, and made the rounds. Response was wonderful, according to Mr. and Mrs. Turner, and \$21.34 was collected. Multiplied by twenty, this amount provides surplus powdered milk, to be shipped by CROP and distributed by Protestant Church Missionaries.

The Friona Baptist children participating were Vickie Jan Lovett, Tommy Jay Sanders, Carol Coffee, Donna Kirsten Baker, Vance Beene, Janet Smith, Iva Ben Parr, Earl Crow, David Talley, Sue Fields, Linda Castleberry, Charles Ray, Johnny Miller, Tommy and Jimmy Sheek.

Charter Is Asked For Credit Union

Application for a charter for a Friona Credit Union has been made to Federal authorities in Washington, D. C., following a meeting of approximately 20 interested persons here the past week.

Roy Wilson, contacted regarding the meeting, stated that considerable interest in establishment of a local Credit Union was evidenced. Mrs. Dyaltha Bradley, manager of the Hereford Credit Union, and Mrs. Bill Howard, also of the office, were on hand to explain workings of the business.

Some ten signatures were affixed to the application for charter, and it is expected that decision from Washington will be forthcoming within the next ten days or two weeks.

Local Singer Takes Part In TV Program

Don Edwin Lewis, son of Mr. and Mrs. Henry Lewis of Friona, was a guest singer on the television talent program presented over Channel 13, Lubbock, the past Saturday afternoon.

Noted for his singing in this area for some time, Don recently won first place in a talent contest held at Muleshoe, and is to appear in the advanced competition over the Lubbock TV station in the near future, it is reported by his mother.

And in addition to going into television, the youngster has been asked to take over a 15-minute program from Station KICA, but no details on this as yet.

in & around FRIONA with the gang

Didn't get a chance to check up afterward, but Friona was due to be swept clean on Tuesday of this week, as the local Lions armed themselves with brooms and went out as peddlers. The men were divided into two groups, with Joe Douglas and L. R. Dilger serving as captains.

As usual at this time of year, Friona was spooked during the weekend, as a number of the small—and not-so-small—fry garbed themselves in horrendous costumes and went about their business of demanding treats at the various homes. Halloween parties, however, kept down the amount of damage inflicted in some of the past years, according to city officials.

The last round of street markers is in the making, in fact, have already been poured in the molds, and hopes are held that soon all streets in Friona will be adequately marked. Some 130-odd markers will be posted in all when the job is complete.

Taking cognizance of the cold weather, the Boy Scouts showed their appreciation to Scoutmaster Steve Bavousett the past week by tendering Steve and wife, Mary, a blanket as a wedding gift.

Wesley and Rhea Foster were in Amarillo on Monday, as the Panhandle market show was held to exhibit new merchandise. Carrying on in the local store were "Skipper" Fields and Mary Lee Cass.

It may or not be a horrible thought, depending on your frame of mind and the state of your pocket book, but Christmas stuff is coming out in all local stores—and a check of the calendar reveals that only a few breathless weeks remain before "that day" again.

Club Meets 28th In Barnett Home

The Jolly Dozen Club met at the home of Mrs. Doyce Barnett Thursday.

The group made plans for a Christmas party and also a homecoming supper for Charles Sanders and Eugene Bandy.

Mrs. Barnett served cake, coffee and cocoa to Mesdames Billy Dean Baxter, Jack Lane, Jimmy Tedford, Danny Bainum, Gene Watson, Eugene Bandy, D. O. Robason, Jerry Brock, Herbert Day and James Pope.

Out of town visitor was Mrs. Marvin Massey of Blunt S. D.

Rummage Sale Comes Saturday Nov. 6

Local residents are reminded of a rummage sale to be sponsored by the Modern Study Club on Saturday, Nov. 6. Ladies of the Club will set up shop at Gibbs' Cleaners, rather than in the Maurer building, as previously announced.

A considerable collection of good items is on hand, and proceeds from the affair will go into the fund delegated to building of a new hospital in Friona.

Anyone having items suitable for the sale is asked to call Mrs. Frank Spring or Mrs. Ralph Wilson and they will pick up the items.

Material For New Water Mains Here

Material for extension of Friona's water system has arrived and work on the project is expected to begin around the first of next week, according to Roy Wilson, city manager.

Some 2200 feet of five- and six-inch mains are to be installed over town, with two replacement blocks on the list. Wilson explained that replacements are being made in a few instances to correct low pressure areas with larger pipe.

Lions Hold Chinese Auction

The Friona Lions Club met Thursday, Oct. 28, at 7:30 p. m. in the club house. Southwestern Public Service Company was in charge of the program and presented a short film entitled "Letters to a Rebel."

Finance chairman, Frank Spring, reported that folders advertising Friona and Parmer County have been ordered and will be distributed by the club.

A Chinese auction was held to sell one ticket to the National Milk Bowl football game between "pawee" football teams for the benefit of the Crippled Children's Fund. Lion Sweetheart Phyllis Treider received the ticket as a gift after the auction.

The club plans a broom sale November 2 for the benefit of Texas blind people. The brooms are made by blind people and 75 percent of the proceeds of the sale go to the blind. The club voted to donate all profits from the sale of the brooms to the Parmer County Community Building Fund.

Steve Bavousett announced plans for a negro minstrel December 16, at the Friona School.

Women Are Informed Of United Nations

"United Nations Day" was the theme of the Friona Woman's Club Wednesday of last week and past presidents were also honored. Site of the meeting was the club house.

The serving table was covered with a cutwork linen cloth, with a centerpiece of a birthday cake, shaped in the number, "45", which is the year the club was organized. The confection was iced in green, and topped with yellow candles, signifying the club colors.

In an impressive ceremony, each past president lighted a candle and gave a brief resume of her presidency. Participating were Mesdames Pearl Kinsley Bartlett, L. F. Lillard, J. C. Wilkerson, L. R. Dillger, M. C. Osborn, F. T. Schlenker, O. F. Lange, Fred White, C. C. Maurer, Glenn Dunn, Wesley Hardesty, V. R. Jordan and S. L. Mc-

Lellan. Bells of Ireland on the president's table, petunias and dahlias on the piano and seasonal maize heads and a pumpkin on the mantel enhanced the decorative scheme. The United Nations flag and United States flag on display carried out the theme of the meeting.

Roll call was answered with interesting facts about a United Nations country, and the attendants sang "In Christ There Is No East and West."

Rev. Lewis Knight, pastor of the Congregational Church, discussed "United Nations—World's Home Town," which was emphasized by a poem "The Bomb That Fell On Hiroshima Fell On America Too." "Prayer For Peace" was the vocal number rendered by Denise Magness, Zelma Faye Beaty, Clea Rae Stowers, Deann Buske, June White and Phyllis Treider.

Hostesses for the meeting were Mesdames Lem Miller and Martha Russell, who served lemon bisque topped with whipped cream, cherries, Halloween candy, coffee and tea.

Twenty-nine members and two guests were present.

Next meeting will be November 10, and discussion will be on Asia.

About 400 Attend Church Homecoming

About 400 people gathered at the Friona Methodist Church Sunday for the 40th anniversary and homecoming of the church, with three services held during the day to commemorate the occasion.

The morning sermon was given by Rev. H. DeWitt Seago. Dr. Earl G. Hamlett, district superintendent of Amarillo, then gave a dedication address noting a new organ for the church, which was given by Mr. and Mrs. P. L. London of Cassville, Mo. Evening services featured a sermon by Rev. Lester L. Hill.

The Friona Methodist Church was organized in a vacant store building by Rev. W. M. Pearce Nov. 3, 1914. Charter members were Mr. and Mrs. J. T. Berry, Irene and Lois Berry, Mr. and Mrs. A. J. James, Mrs. T. Taylor, Mrs. Gertrude Sherrieb and W. H. Sofford.

Former pastors present for the homecoming Sunday were Rev. and Mrs. O. W. Annis of Amarillo; Rev. and Mrs. Z. R. Fee of Dallas; Rev. H. DeWitt Seago and family of Lubbock; Rev. and Mrs. Lester L. Hill of Canyon. Dr. Hamlett was a special guest.

There were about 60 out-of-town guests for the occasion. Coming the farthest distance to the services was Mrs. W. W. Burns of Des Moines, Iowa; also Mr. and Mrs. P. L. London, and Janie of Cassville, Mo.; and Marie Harper of El Paso. The oldest members were Mrs. A. S. Curry of Amarillo and Mrs. Florence Parr of Hereford.

Dinner was served for all attendants at the Friona cafeteria and the evening meal was served at the Methodist annex by the adult class of the church.

Halloween Party Held Saturday

Mr. and Mrs. Carol Day entertained their daughter, Geraldine, and her friends with a Halloween party Saturday night. Prizes for the prettiest, ugliest and most "scary" costumes were awarded.

Refreshments of oranges, apples and candy were served to Carolyn Sue Baxter, Carolyn Parker, Wilene Baxter, J. L. Baxter and Geraldine Day and the hostesses.

After the party the children went out for "tricks or treats" which they enjoyed very much.

Mrs. Ted Rutherford and twin sons of Clayton, N. M., visited from Wednesday to Sunday with her parents, Mr. and Mrs. Roy Slagle.

Teenagers Organize Recreation Club

Friona teenagers organized the Teen Twenty Club of Friona the later part of September for the purpose of folk dancing.

Through the cooperation of the American Legion and the Legion members, also V. C. Krueger, they were able to obtain the Friona Legion Hall for the recreation. A set of by-laws has been adopted whereby a portion of the proceeds will be given to charity or a worthy cause. Attendance has been on the increase.

Saturday evening, Oct. 30, a Halloween costume dance was given at the Legion dugout and 59 young people attended.

The local Legion post was having their entertainment in the regular Legion Hall and throughout the evening Legion members and their wives dropped in on the young people, and seeing them enjoying themselves, the function was highly approved.

The purpose of this Teen Twenty Club is to provide recreation and entertainment for the young people of Friona. Eligibility to become a member is residency in the City of Friona, Friona school district or Friona rural mail route. Membership fee is \$1.00 and approximately 50 young people have joined. Admission for the evening is 25c. All functions of the club are chaperoned and at all times are open to parents or anyone wishing to chaperone the teenagers. Meetings are held during intermission time. Dancing music is by records.

Recreation will be held this Saturday at 8:30 p. m. in the regular Legion Hall.

Husbands Are Guests At Halloween Party

Progressive Study Club met Tuesday night at the club house for a Halloween costume party. Husbands were guests for the evening.

The room was decorated with jack-o-lanterns, balloons and fall flowers. Mrs. Joylene Casten, Mr. and Mrs. Truitt Johnson and James Proctor were judged best costumed. Judges were Mr. and Mrs. O. J. Beene and Mr. and Mrs. Dan Ethridge.

The group went on a scavenger hunt and enjoyed a hot dog supper afterwards. There were 32 members and guests present.

Visit Sons

Mr. and Mrs. Claude Osborn and Mrs. Fred White spent the week at Bryan to visit their sons, M. C. Osborn and John Fred White, who attends college at Texas A&M.

Date Changed

The Methodist WSCS, which was scheduled to meet November 5, at Hereford, was postponed until November 12. This is a Amarillo district meeting.

Son Is Born

Mr. and Mrs. C. L. Lillard are the proud parents of a son, Claude Scott. He was born at Clovis, Oct. 30. This is the Lillard's first child.

Mr. and Mrs. Marvin Massey and family of Blunt, S. D., Mr. and Mrs. Eugene Nidey and daughter and Mr. and Mrs. Calvin Martin ate dinner last Tuesday with Mr. and Mrs. Clarence Martin and children. They visited in the Oscar Baxer home that afternoon.

Mr. and Mrs. T. E. Armstrong left Wednesday morning for their home at Seiknok, Mass. They have been visiting his mother, Mrs. T. B. Armstrong, and his sister, Mrs. E. R. Day Sr. and family, of Friona.

SPOOKY PARTY

Friday night, Oct. 22, the entire 7th grade class enjoyed a Halloween party. In preparation for the party, the class worked every spare minute—study hall, lunch periods and even during some class periods braiding black and orange paper, cutting out oats, pumpkins and witches for decorations. "It was worth all the effort," was the saying of all who were present.

The costumes for the party were old rags that they could find laying around, in other words, it was a "Tacky" party. Sponsors and room mothers were amazed at the 100 per cent turnout for the party, but confidentially, the reason everyone was present was because after everyone had dressed like they did, their parents disowned them and they had to go somewhere. The costumes ranged from darkies, ragged Annes, ragged farmers, fat ladies to movie stars. Even the sponsors dressed appropriately for the party. The judges finally decided that Rita Watson was the tackiest girl, Mr. Hodgson was the tackiest boy. Various games were played.

Do you believe in fortune tellers? You had better not let any of the 7th graders hear you say "no", because they were made believers at the party. They are still wondering how the fortune tellers that were present knew so much about them. During the half-time intermission, the class was served delicious refreshments by their room mothers, Mrs. Baker, Mrs. O'Brian, Mrs. Drake, Mrs. Neeley, Mrs. Watson and Mrs. Hough. The party ended at about 8:45 p. m. and the completely happy and exhausted guests dragged themselves to their homes.

Thursday night, Friona Braves dehorned the Vega Shorthorns 34-6. Donald Bradley carried the ball across the goal line for the five touchdowns. The Braves have not been defeated this season and were also undefeated last year.

All grades from the first to the sixth had Halloween parties in their rooms Friday afternoon. Room mothers and teachers helped with the refreshments. Afterwards, the students watched the homecoming parade in front of the grade school.

The six-week honor roll in grade school is as follows: Brenda Deaton, 4B; Marca Lynn Massie, 3B; David Pally, 4A; Kay Struve, 6B; Donna Blackburn, 6A; Hank Outland, 5B; Linda Coffey, 5B; Nan Lillard, 2B; Merylene Massie, 2B; Catherine Evans, 2B; Rebecca Bails, 2B; Jeanne Taylor, 2B; and Mary Tom Spring, 8A.

Seventh and eighth grade girls started try-outs for basketball last Tuesday. Friona grade school should have a winning girls' team this year, with all the good material from which to choose.

Committee meetings!! Committee meetings!!

There were four or five during noon hour every day last week. It was pretty hard to do if you were chairman of one and committee member of the other four. These groups were working toward making our homecoming successful. We feel they reached their goal.

If any of you saw a sophomore jumping up and down and hugging each other you would have known they had just heard they won first on their float. They surely had some good mountaineers.

A few of the classes in Friona High School went to Reeve Chevrolet to see the new Chevrolet.

Color day was last Friday. All students and teachers who didn't

Formal crowning of the 1954-55 football queen was held in assembly Friday. Special recognition was given to the coaches and student council sponsor, Miss Smith, and pep squad sponsor, Mrs. White.

Queen was Mary Tatum and her attendants were Bennie Grubbs, senior; Phyllis Fairchild, junior; Deloris Flemming, sophomore; and Phyllis Dean, freshman.

Captain was Jerry Houlette and his attendants were Keith Battey, senior; Charles Kirk, junior; Don Reeve, sophomore; and Dudley Bainum, senior. The order of the parade which formed at 3 p. m. Friday was firetruck, Mr. Roberts; escort, FHS band; high school pep club; queen's float; football boys; grade school pep club; sophomore float; pep club float; SFC float; senior float; freshmen float; Thespian float; FHA float; FFA float; grade school football boys.

First prize for the best float went to the sophomore class, second place went to the seniors and third place to the Student Faculty Congress.

Prior to the football game Friday evening with Dimmitt, the first, second and third place floats were displayed on the field. Dimmitt beat Friona, 37-7.

Friona band and pep squad performed at halftime. The band played "You'll Never Walk Alone" while the queen and the captain and their attendants marched on the field. The helmet was presented to the queen by the captain.

Friona Chiefs were recognized and then the Dimmitt band performed a marching routine.

Immediately after the game, a homecoming party was held in the old gym, with Mickey Ready as M. C. Each class put on a skit, songs were sung and games were played. Refreshments were served ending a successful homecoming.

All students worked hard on the homecoming and are very proud that they can undertake such a large project and make it successful.

We wish to express our gratitude to everyone that helped.

Student Council members attended the South Plains Association of Student Councils' Fall Convention Monday, Nov. 1, at Tulia High School.

Dr. E. N. Jones, president of Tech College at Lubbock, was the speaker. Discussion groups were held on various problems of the SFC.

Theme for the convention was "Student Council: Practice Ground for Responsible Citizenship." The day was brought to a close by a banquet held in the Tulia High School cafeteria.

Those attending from Friona were Deniese Magness, Phyllis Treider, Ann McKee, Patsy Anthony, Doris McFarland, Ruby Grubbs, Phila Mae Buske, Deniese Bender, Don Reeve, Harold Taylor, Jerry Houlette, Gordon Wright, Mickey Ready, Larry Fairchild and sponsor, Miss Lacy Smith.

November 4, "The Gypsy Troubadours" will be in Friona and will present a Southern Assembly at the school.

Tables Are Turned for Halloween Stunt

The Halloween pranks and fun got off to a good start Saturday night with the starting whistle of a football game between the senior-sophomore and freshman-junior girls.

Right after the kickoff, time out was called by the girls and they rushed to the sidelines for their mirrors. They began to "primp" and when they went back to the game, many of the helmets were on backward.

Many of the girls, who removed their glasses for the game, couldn't see very well. This resulted in black eyes, bruised lips, kicks in the side, breathlessness and noses rubbed in the dirt. One player even became tangled up in the chain which was being run by Don Owens, Billy Richards, and Donald Ray Barron.

Referees were C. W. Grissom, Melvin Terry, Allan Cumpston and Leonard Hanna, who were dressed like devils and witches.

During the half time activities, a 1938 bus convertible belonging to Aubrey Ellison rushed onto the football field carrying the dainty queen and her glamorous attendants. The "queen", Don Sudderth, and attendants, were dressed formally. The "queen" was crowned and congratulated by the football captains, Wilbur Dee Pounds, Mar-

cella Verner, Pat Burnam, and Patricia Lloyd.

Attendees were Neil Smith, Edmund Hodby, Lynn Isham and Julius Bradshaw.

The game was won by the juniors and freshmen with a score of 6-7. Touchdowns were made by Pounds and Pauline Lloyd. Extra point was made by Lloyd also.

During the game, the pep squad boys, dressed in skirts and head scarves, cheered their favorites. Leaders in short skirts and boots were Denny Ware, James Stevens, Norman Killough and Bobby Calaway.

The pancake supper, held before and during the game, made about \$67. The teachers did the cooking, cleaning and serving. Menu included pancakes served with coffee.

Dr. Walker To Speak To PTA

Every parent is urged to attend the next PTA meeting, November 8, at 7:30 p. m. at the school cafeteria, to hear Dr. Jack Walker give a review of the book, "The Caine Mutiny." Dr. Walker is a member of the speech department of West Texas State College.

The program promises to be very interesting and refreshments will be served at the close of the meeting, says a spokesman.

The membership drive is now going on and anyone interested in joining the association, please contact Mrs. Earl Stevenson, Mrs. Henry Minter or Mrs. Lester Rhinehart.

Halloween Party Given For Youth

The Intermediate Training Union class of the Baptist Church and their guests enjoyed a Halloween party Thursday night in the educational department of the church. The young people arrived in costumes and after they had guessed who everyone was, they voted on the one with the best costume. Nancy Cumpston was presented with the prize.

After they had unmasked, they were divided into groups and spent the evening playing games of skill. At the close of the evening, the members of the team with the most points received prizes of Halloween horns.

When they had finished playing their games, they were served refreshments of cake, cocoa and Halloween candy.

Those attending were Nancy Cumpston, Joan Kay Ezell, Barbara Taylor, Jean Huggins, Nita Beth Estes, Nickie Woelfel, Julia Ann Lloyd, Arlene Clayton, Charlotte Morris, Sue Estes, Glenn Skulley, O. W. Adams, Billy Burnam, Billy Routt, Benny Pena, James Lawlis, Ronnie Isham, Dickie Clayton, Celia Berry, Jackie Davies, Lexia Stevenson, and Margie Slovak. Also attending were Paula Kay Kerby and Billy Minter and the sponsors, Mrs. A. L. Kerby and Mrs. Henry Minter.

Bovina Adds A Win Over Whitharral

Bovina's Mustangs came out on the long end of a 25-13 tally the past Friday night, when the squad engaged Whitharral on the latter's home field.

Although they allowed the Panthers to get into the lead first, Bovina recouped in the second quarter and controlled the game from that point. The game was a conference affair.

Leslie Hulse, Panther end, connected with a pass on the 50 and galloped downfield for the first touchdown, with Charles Denny carrying over for the extra. Bovina later bored to the two, from where Darrell Read crossed into the end zone and repeated by carrying for the extra.

In the second canto, Neil Smith carried from the ten for a six-pointer; and Larry Ezell also racked up a touchdown. Haney counted a TD in the third, and Ezell racked up the finale of the evening from the 25-yard line.

Play Anton Friday
The third conference game of the season for the Mustangs will come up on Friday night of this week, when Anton is to play on the local gridiron. This will be the last home game of the season, and the football queen will be crowned at halftime.

Girls Scrimmage With Friona Team

The Bovina basketball girls played their second scrimmage game of the season with Friona, Tuesday night at Friona.

Their coach, Everett, said he would be carrying 24 girls for the next two or three games but would only carry 18 for the rest of the games. He plans to substitute by teams instead of by individual players. He believes his defense is stronger than last year and the girls will do fine if they can develop a good scoring "punch." Schedules will be ready by next week.

BAPTIST CHURCH NEWS

Monday afternoon just as soon as school is out, the junior choir meets at the church with Miss Betty Deaton in charge. Next Monday afternoon at 4:00 p. m., Nov. 8, a rhythm band is to be organized by Mrs. Harold Hawkins. Children up to junior age (nine) are welcome in the band.

Tuesday, Nov. 9, District Woman's Missionary Union will have its meeting in the First Baptist Church of Plainview. Many women from Bovina plan to attend.

During the five Sundays, of October, our Sunday School attendance was good, averaging 209. Last Sunday's attendance was 213. The Training Union for the same period averaged 107, with last Sunday's attendance being 101.

You are welcome to attend any service at the First Baptist Church, Bovina.

Here For Weekend

Herman Tritsch came home on Thursday from Lubbock, where he is attending Draughon's Business College, and spent the weekend with his parents, Mr. and Mrs. Bill Tritsch.

Mr. and Mrs. O. W. Adams of Mantow, Okla., visited from Wednesday to Friday with Mr. and Mrs. P. A. Adams and children. Also visiting on Thursday and Thursday night were Mr. and Mrs. B. F. Roberts of Fieldton.

Mrs. R. N. Williford was hostess Monday afternoon to a trade demonstration party given in her home.

BOVINA METHODIST NEWS

MYF Raises \$102

Following the church service last Sunday evening, the Methodist Youth Fellowship groups of the Church canvassed the town on "tricks or treats" in behalf of CROP (Christian Rural Overseas Program). A total of \$102 was raised by the youth. The senior MYF raised \$57 and the intermediate fellowship raised \$45.

The total amount raised by the youth on their "tricks or treats" venture will go to CROP to purchase milk for children in Korea. The United States government will give twenty times more than the amount raised by the Bovina youth, which means that these youth are responsible on last Halloween night for sending \$2,100 worth of milk to starving children overseas. This will buy 420,000 pounds of milk for distribution to these undernourished children.

Following the "trick or treat" canvass, the senior youth fellowship went to the home of Phil Caldwell, where they were served refreshments and saw a CROP motion picture on "The Least of These." The intermediate fellowship returned to the church where Mr. and Mrs. Arlin Hartzog, Mrs. Harry J. Charles and Mrs. Ed Redden served refreshments.

Congratulations to those of the MYF who thought enough of needy children that they were willing to work, that they might live.

To Have Social

The regular Hammonds Class monthly social will be held this Thursday evening at the church. For a wonderful fellowship and fine time, be certain that you remember to attend.

Dear Rev. Small

The regular monthly Methodist Men's breakfast will be held this Saturday morning at 6 p. m., and Rev. George Small of Trinity Methodist Church in Plainview, will be guest speaker. Rev. Small recently attended the 2nd World Order of the Ecumenical Conference in Evanston, Illinois, and he will reveal his impressions of this great church conference. Servers for our breakfast this Saturday morning are E. B. Caldwell, Tom Caldwell and Bill Burnam.

Lord's Acre Program

The Lord's Acre program of the church received its first report last week which totaled \$1702. With only a little over one fourth of the accounts reported and many probably will make theirs this week, we look forward to a fine report by this campaign.

Youth Fellowship News

The MYF will have their council meeting Sunday evening at 5:45. Following the meeting, they will have regular Sunday evening fellowship at 6:30 o'clock.

The Intermediate fellowship will see the motion picture "The Least of These." Sponsors for this group are Mrs. H. J. Charles, Mrs. Hylton Moore and Mrs. Eddie Redden.

Has Covered Dish Supper

The Wesleyan Service Guild met at the Methodist parsonage last Monday evening for a covered dish supper and their regular monthly study. Mrs. E. B. Caldwell gave the study of India, and Mrs. W. E. Williams, president of the Guild, presided.

TEACHER ADDED

A new teacher, Mrs. Georgia Freeman, has been added to the Bovina school faculty, and will teach one of the first grades. She received her degree at East Texas State Teacher's College and last taught at Fairbanks, Texas. She has a daughter, Mrs. Price, who is employed in Farwell.

Musical and novelty numbers by the "Gypsy Troubadours" will be the assembly program Friday at the Bovina Schools. Public is invited, admission, 25c.

The Bovina High School basketball girls will scrimmage Friona, there, Tuesday night.

To Slumber Party

Harriet Lou Charles, Verna Marie Estes, Lexie Stevenson, Jackie Davies, Charlotte Morris, Jo Carol Wyley and Valerie Miers spent Monday night at a slumber party in the home of Celia Berry, daughter of the Cecil Berrys.

The girls played games, made and pulled taffy and went to the picture show.

Have All-Day Mission Study

Rae Buster Circle and the Blanche Grooves Circle met at the church last Tuesday for an all-day mission study program and a covered dish luncheon.

Teaching a book on the missions in Brazil were Mrs. P. A. Adams, in the morning and Mrs. Ovid Lawlis and Mrs. Allan Cumpston, in the afternoon.

Present were Mrs. J. O. Combs, Mrs. P. A. Adams, Mrs. Ovid Lawlis, Mrs. Allan Cumpston, Mrs. H. L. Tidenberg, Mrs. Bob Williford, Mrs. J. W. Gooch, Mrs. Glen Kelley, Mrs. Cecil Edwards, Mrs. W. W. Wilcox and Mrs. Virgil Goodwin.

Millie Holden was also present and kept the nursery open for the babies and young children.

Both circles met again November 2, at the church for a royal service program.

Super Supper Served Sunday

Sunday night at the Baptist Church during Training Union hour, a "super supper" consisting of hot dogs, Mexican beans and Cokes were enjoyed by Willa Mae Wilcox, Bobbie Jean Routt, French Crook, Julius Bradshaw, Terry Adams, Mary Sue and Alfred Moody, and Mrs. Ovid Lawlis.

After the church services, several of the young people and Mrs. P. A. Adams made the "trick or treat" rounds in Bovina.

Gobers Entertain

Mr. and Mrs. Scott Gober gave a Halloween party Saturday night in their home entertaining Mr. and Mrs. William Gromowsky, Mr. and Mrs. Nicky Foster, Mr. and Mrs. Glen Hromas, Mr. and Mrs. Tiny Walling, Mr. and Mrs. Tommy Bonds and Mr. and Mrs. Charles Roark of Farwell.

After a supper of sandwiches, cold drinks, pumpkin pie and whipped cream, they went to the midnight preview in Clovis.

Program Given By Kindergarten

The students of kindergarten entertained their mothers with a Halloween program Friday afternoon. The program consisted of a spook drill, songs, readings and rhythm band numbers. Their work of the month was on display.

The children begin their work now on "Kiddie Land Circus."

Kay Looney Wins As Circus Clown

Girls Scout troop III had their "farewell" party Thursday evening at the ag building at the school. The troop mothers, Mrs. J. W. Gooch, Mrs. Clifford Leake, Mrs. Herman Henson and Mrs. J. D. Stevens, planned and gave the party.

Those present were Janet Gooch, Janice Leake, Dianne Henson, Betty Stevens, Lottie Riley, Kay Looney, Sherri Langer and Christine Wassom and the leaders, Mrs. Earl Riley and Mrs. Bill Whitesides.

Scouts and leaders all came in costumes and several games were played around the different personalities. Kay Looney as "Bobo, the Clown" won the prize for best costume. Refreshments of popcorn balls, candy, apples and cold drinks were served.

Women Have Special Study

The Wesleyan Service Guild enjoyed a covered dish supper Monday evening at 6:30 in the home of Rev. and Mrs. W. G. White. Following the supper was their regular monthly program, with India and Pakistan as the study.

After the business session conducted by the president, Mrs. W. E. Williams, a report on current news concerning these countries were given by members. An interesting quiz by the director of study, Mrs. Bedford Caldwell, was given.

Talks on the subject were given by Miss Thorn and Mrs. Bedford Caldwell. Eleven members were present. The guild will meet with Miss Thorn in December.

Airman First Class and Mrs. Hiram Eudy and baby visited Sunday night and enjoyed supper with the Scottie Barrys. Eudy had just returned from North Carolina to get his wife and baby.

COTTON BURNED

The fire siren heard about 6 a. m. Sunday morning was not a Halloween prank as many people thought, but a fire at the Lawlis & Ely Gin, in which 11 bales of cotton were burned. It was supposed that a "fire-bale" had started the fire.

Note Halloween

The young adult training union celebrated Halloween Saturday night with a social at the church.

Pumpkin pie and whipped cream were served with hot chocolate and coffee to Mr. and Mrs. Glen Kelley, Mr. and Mrs. O. D. Bingham, Mrs. Clovis Ratliff and children, Mr. and Mrs. Cecil Edwards and Sherman, Mr. and Mrs. Henry Minter and Rev. and Mrs. Virgil Goodwin and children.

Kerbys Have Guests

Mr. and Mrs. Claude Kerby of Springdale, Ark., spent Friday night visiting in the home of their son and family, the Al Kerbys. Mr. and Mrs. Kerby and Paula Kay and Jack Kerby went to Clovis Sunday where they had a family reunion in the home of Mr. and Mrs. Jim Kerby. Mr. and Mrs. Bill Kerby of Farmington, N. M., spent Sunday night in the home of the Al Kerbys.

Mr. and Mrs. Marshall Rhodes of Lubbock visited over the weekend with their son and family, the Lloyd Killoughs.

Mrs. Grace Hart and Elda went to Hereford Saturday afternoon.

Mr. and Mrs. Levi Johnson moved to the Oklahoma Lane community where they now live, on February 12 in 1930 from Clinton, Okla. It was in the Oklahoma city that the couple were married only the previous year, although they had known each other "for about four years." Before marriage, Mrs. Johnson's name was Ethel Mae Ashby.
Levi's folks were Mr. and Mrs. Charlie Johnson, and it was his father who first purchased the land where Levi now farms. In fact, the reason the couple came to Texas was to farm his father's land.
The Johnsons now farm a quarter section east of the Oklahoma Lane churches about three miles. Since 1939, they have been deeply interested in quality dairy animals, and the family has shown many prize winning entries in this field. Their choice is Milking Shorthorn, a "dual purpose" animal which can be used for either beef or milk production.
Levi says that "when a boy, he used to care for his father's prize plowing horses, and when tractors came along he still couldn't give up the sight of a good animal, so he turned to dairy cows.

The Johnsons now have 21 cows in their herd, and maintain a spotless Grade A dairy. Their neighbors say that it wouldn't make any difference what day you might happen to drop in, you would find the milking parlor on the Johnson farm just as clean as though it had been specially prepared for one's personal inspection.
Mr. and Mrs. Johnson have two children: Betty Rose Lowrie, and Billy Roberts of the home, who is 17 and attends Bovina High School.
Shortly after the Johnsons put down their irrigation well two seasons ago, they made arrangements with Bovina Butane Service for their fuel needs, and both say they are highly pleased with their choice.
"I'm one hundred percent satisfied," says Levi. Mrs. Johnson says she can never recall that the house fuel supply has ever been exhausted. "They always have serviced our butane system on time," say the couple.
Bovina Butane would like to add your name to our long list of satisfied customers. By the way, this is a good time of year to let us switch your tractor over to money-saving Butane. Come in and ask about it.

NEWS FROM THE FARM BUREAU
By RAYMOND EULER

"How in the world are you going to educate them if you can't get them to come to the classes?" Bill Broadhurst, hydrologist for the Water District asked this question when someone suggested expanded educational activity with regard to the irrigation problems developing. We are certainly aware of the timeliness of the question. Several meetings have been held in this county, with wide publicity beforehand. The most that have ever attended such meetings was about two hundred, if our memory serves us right.
There were less than a hundred at the majority of them. There is a little paper called "Cross Section," published by the Lubbock Office of the Water District. In it are discussions of various problems and some of the answers. If you want to receive this publication, all you have to do is tell one of your water committee men and it will be sent to you regularly without cost.
To you grain sorghum producers who are worried about the surplus: if you are not willing to give one thousand pounds to get twenty thousand pounds shipped to your missionaries for distribution to hungry men, women and children, we wonder what you would ask for. That is exactly what you can do by simply telling your elevator man you want to. Tell him to put whatever amount you wish to give in the account of CROP (Christian Rural Overseas Program). We don't think you'll ever be hungry enough to enjoy a bowl of maize for breakfast, but just remember, there are those who are.
Round trip tickets from Lubbock to Galveston on chartered buses to the Farm Bureau Convention costs \$17.50. Why don't you go?
One of the greatest steps toward surplus disposal was made with the adoption of Farm Bureau's Agricultural Trade Development Act in the last legislative session. It provides for the sale and export (not give away) of one billion dollars worth of surplus agricultural commodities for local currency through private traders. This system provides, among other things, local currency for paying U. S. obligations abroad. It's a business approach to the problem.
Consider this—Wealth maketh many friends; but the poor is separated from his neighbor. Proverbs 19:4.

"WHY WE ARE GIVING TO THE BUILDING FUND OF THE PARMER COUNTY COMMUNITY HOSPITAL"

Mr. and Mrs. E. H. "Eph" Young and family have earned the sympathy and admiration of all of their neighbors and friends during the past few months, and there are few who know better than the Youngs the value of having a hospital available at all times.

Mrs. Young received a serious spine injury in February of this year when she fell from a farm truck near their home in the Oklahoma Lane community. She is still on a long road to recovery, but regular progress is being noticed and she can now sit on the side of her bed. For many months Mrs. Young was unable to move the lower portion of her body, but it now appears that use of her limbs is slowly returning.

She spent 3 months in the Parmer County Community Hospital. "They really treated me nice while I was there," she says, although she noticed at times how crowded the hospital was. "Sometimes I have wondered where they would put another patient if they had to," she says.

Mr. and Mrs. Young are another family who see the need for a new hospital building. They have come to know how valuable hospitals really are.

Mr. and Mrs. Young moved here in 1927 from Mountain View, Oklahoma. They have ten children: Sam, Henry, Paul, George, Denzil, Roy, Lillian, Marvin, Mildred, and Donny. Lillian is graduated from high school, but is staying at home to care for her mother.

Right now, the Parmer County Hospital building fund drive is getting started again, and we want to urge that each of you support the drive in whatever way you can so that families like the Young's—perhaps even YOURS someday—will have the hospital they must have in time of emergency.

By the way, we'd like to explain to you the financial system under which this community-owned hospital is being operated in order that you will see how we have been able to continue to steadily grow. Also, it will illustrate to you the interest shown in the hospital by our doctors.

Of all doctor's fees originating in this hospital, 25 percent of them are turned back to the hospital for the things it continually needs in order to serve the people. In other words, the doctors are turning over one-fourth of their gross income to the Hospital outright.

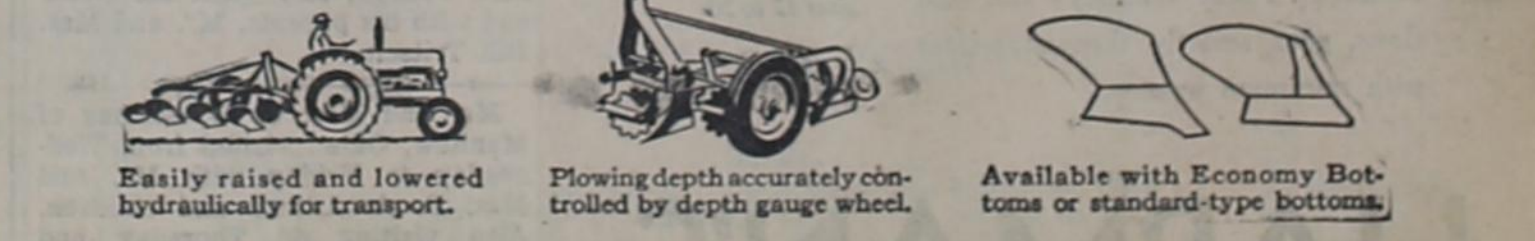

Of course, this makes for lower doctor fees too, because if the office were up town, the fees would be higher to cover rent and the overhead expenses. The service rendered by having the doctor's office where his patients are is invaluable as a time saver, and in some cases, it very well could be a life saver.

That is just one of the many reasons why we are proud of the Parmer County Community Hospital, and we know that you are, too. You will be contacted in the near future and be asked to help build a NEW, BADLY NEEDED, building for YOUR hospital. We hope you will help.

Fuel-thrifty FORDSON MAJOR DIESEL
