## Farwell Steerettes Capture District, Bi-District Titles

by Patti Hall

Farwell's Varsity Steerettes are enlarging the basketball history books at FHS this year as they have grabbed the first district and bi-district titles ever held by a Farwell girls' basketball team, and are set to compete for the regional crown Saturday, Feb. 21. The regional game is to be played at 10 a.m. in Lubbock Municipal Coliseum with the Steerettes facing Abilene-Wiley for the title.

In their climb up the ladder of basketball success the Steerettes took a 56-39 win over bi-district rival New Deal, Tuesday evening at Olton, before a standing-room-only crowd. The victory over New Deal was preceded by a "revenge win" over Vega in the playoff game of the District 3-A Tournament.

In clinching the bi-district title the Steerettes, paced by junior Kathy Booth, slipped out front to take a 10-point, 20-10, first quarter lead. The Steerettes then slowed their action and played a deliberate, concentrated game in the second and third quarters to lead 45-24 when the final stanza of play began. Farwell then built its lead to 20 points midway through the final period and eased in 56-39 to take its first bi-district win ever.

High scoring honors for Farwell were garnered by Booth who hit on 14 of 18 field goals (77.8 percent) and sliced through 11 of 11 free throws for a total of 39 points.

Sheryl Woods was good on 2 of 3 field goals and 3 of 4 free throws for a total of 7 while Sherri McCully hit on 3 of 4 field goals for 6. Kathy White slammed in 1 of 2 field goals and 2 of 2 from the free throw line for a total of 4 points.

Coach Joe Allen, who is seeing his first year as Varsity Steerette coach, stated, "Our forwards continued their very high percentage shooting (74 percent from the field and 88.9 from the free throw line). We were very, very hot in the shooting department."

On the guard end of the court Lori Norton snatched 5 rebounds and completed 14 of 14 passes across the half-line. Terri Boling had 2 rebounds and was good on 3 of 3 passes across the line. Estelle Embry came up with 6 rebounds, 2 steals and safely crossed the line with 6 of 6 passes.

"Our guards did a very good job against much taller opponents and the passes across the half-line were very instrumental in our win," the coach remarked.

"We knew what we were going to do and with 2:30 left in the first quarter we went into our delay game and got three quick baskets out of it. Then we used it the rest of the game to play concentrated, deliberate ball. We were very aggressive with this type play and each time the opportunity arose we went to the basket and capitalized on the play."

"Until we started our delay game New Deal's guards did not turn the ball over a single time. Then when we started the delay they got rattled and immediately turned the ball over to us three successive times. Our guards played slow and methodical and worked tremendously against New Deal's advantage of offensive strength," Allen concluded.

The Steerettes earned the honor to compete for bi-district honors when they bumped district tournament first-placer Vega in the play-off tilt last Saturday.

The one-point victory over Vega was a "revenge win" in retaliation for a one-point loss to Vega the night before and the win by the round-robin

champs moved the Steerettes up to bi-district.

In clouting Vega, district champs for the last five years, 45-44 for the district crown, Farwell faced a near-loss as the Longhornettes cut Farwell's 45-42 lead to 45-44 in the last 32 seconds of action.

One key to the win was Farwell's expertise from the free throw line as they hit on 11 of 16 charity shots while Vega managed only 8 of 18. Farwell hit 7 of 10 free throws in the final period as their delay offense consistently drew fouls from Vega's guards.

The scoring path for Farwell was paved by Booth who hit for 24 and Woods who added 16 to the total. White managed to rip the net for an additional 6 points for the Steerettes.

Norton grabbed off 4 rebounds while Embry picked up 3 and Boling and Bonnie Foster each came up with 2.

"How sweet it is to win by one point over Vega after the bitter one-point loss on Friday night," an elated Coach Allen reported. "Sheryl Woods turned in her best offensive performance of the year with 16 points including the last five we made to give us the victory."

"Our guards had such a frustrating night handling the ball that they have reportedly been seeking a group price for psychoanalysis," he concluded.

The Longhornettes of Vega were given a chance at the district crown when they nudged the Steerettes 40-39 last Friday. Farwell led the scoring 10-8 at the end of the

first period but Vega came on strong to take a 22-20 halftime lead.

(Continued on Page 2)

**RESULTS OF HISTORY** - Coach Joe Allen, in his first year as Farwell Varsity Steerette coach, has prodded the local roundballers to their first district and bi-district crowns in the history of girls' basketball at Farwell. "To the victors go the spoils," and the spoils are what Coach Allen is displaying in the form of the District 3-A Trophy and the nets from the Steerettes' district and bi-district wins. The Steerettes will now be competing for the regional crown when they meet Abilene-Wiley in competition Saturday, Feb. 21, at 10 a.m. in Lubbock Municipal Coliseum.

Four Seats At Stake - -

## Farwell School Board Election Is Scheduled

Four seats on the seven-member Farwell School Board will be up for grabs in the trustee election Saturday, April 3, according to Supt. James Perkins.

Some school trustees are elected each year to staggered three-year terms.

This year, three of the positions are for regular three-year terms; the fourth slot will fill a two-year vacancy created by the recent resignation of Charles Aycock. Aycock, who had served only one year of a reg-

ular three-year term, resigned because of a conflict of serving on the Farwell Hospital District Board.

The school board has named a nominating committee to seek out potential candidates; however, Perkins explained committee approval is not a requirement and any qualified person may file for trustee. He said the main purpose of the committee was to assure there would be some candidates.

Perkins said filing must be completed by March 5 at the

superintendent's office. The nominating committee will be required to come up with at least four candidates to run for the three regular terms and a minimum of two candidates for the two-year slot.

Voters will cast ballots for three persons from among the three-year term candidates and for one individual in the race to fill the vacant position.

Trustees currently serving terms which expire this year are Gilbert Kaltwasser, Ted Magness and Wilbert Kalbas.

Members of the nominating committee include: Chairman Donald Christian, Walter Hughes, Robert White, Sue Kirkland, Oric Jones and Mona Hardage.

Judge for the April 3 election will be Albert Smith. Newly elected trustees will take office at the school board's April meeting.

## Pet Clinic Set Today

Twin Cities residents with pets have been asked to bring their animals to the first pet clinic of 1976 for Texico and Farwell which is scheduled from 1 to 4 p.m. MST today, Feb. 20, at Texico City Hall. The clinic is being held in order that pets may receive inoculations against rabies and distemper.

Dr. B. L. Russell of Clovis, who will conduct the clinic, said rabies vaccinations will cost \$2.50 and distemper inoculations will cost \$5.

Tags for pets may be purchased for \$2 each for the City of Farwell and \$1 for Texico. Both cities have ordinances which require the inoculations and a tag.

**THE JOY OF IT ALL** - The Farwell Steerettes wasted no time Tuesday night in claiming the nets from the goals at Olton after they had dropped New Deal for the Bi-District Crown, Farwell's first in history. Steerettes Missy Taylor, no. 30, and Claire McFarland, right, stepped up on helpful hands and shoulders to claim the net as Steerette Gaye Coffman, gave a boost to her teammate. The Steerettes starting players were at the other end of the court stripping the net from the other goal so both could be added to the FHS trophy case.

53 Entries - -

## FFA-4-H Stock Show Champions Are Named

Grand champions and reserve grand champions in barrow, lamb, heifer and steer categories were named from

among 53 entries in the 11th Annual Farwell FFA-4-H Junior Livestock Show which was held Saturday afternoon at the Farwell Ag Farm. Some 27 individual competitors were booked for the event.

The show, sponsored by the Farwell Jaycees, was judged by Ronnie Dennis, agriculture teacher from Kress. General superintendents were Mike

Haseloff, Eddie Winegeart and Jay Herrington.

Fred Chandler handled the secretarial and booking duties for the show. Willie Roberts was announcer. Ribbons and trophies were presented to the winners by D'Lynn Eubank and Charla Norton.

In judging competition, winners were named as follows: (Continued on Page 2)

## Bicentennial Program Scheduled For Sunday

Area residents are urged to attend a special Parmer County Bicentennial Ceremony to

be held at 3 p.m. CST Sunday, Feb. 22, at the county courthouse in Farwell, according to Hugh Moseley, local spokesman for the Parmer County Bicentennial Committee.

Highlights of the ceremony will include the planting of a "Liberty Tree" and the presentation of an official bicentennial flag and charter to the county's bicentennial committee.

The Texas Forestry Service is donating the Liberty Tree as an official American Revolution Bicentennial project. The planting of the tree will take place in the park just south of the courthouse, Moseley said.

The tree is a "Tejas" variety pecan. Pecan is the state tree of Texas, and "Tejas" (the Spanish word for Texas) is a new variety which grows well throughout the state and produces abundant shade and tasty fruit, according to foresters.

This bicentennial pecan is called a "Liberty Tree" after the famous elm in colonial Boston under which the first act of public resistance occurred in 1765 - the hanging in effigy of a newly-appointed stamp tax officer. The official apparently got the message as he resigned the following day.

The Liberty Tree became the first symbol of America's struggle for freedom, and soon such trees appeared throughout the colonies. Even American ships flew Liberty Tree flags, and the symbol also appeared on early coinage.

In 1775, the first Liberty Tree in Boston was cut to the ground by Tories and British soldiers. But the ideas it represented - of liberty, freedom and the inalienable rights of man - remained very much alive in the colonies.

During Sunday's ceremony, Mrs. Ann Simmons, commissioner for the Lubbock Bicentennial Office, will present the official flag and charter to Parmer County. Paul Fortenberry, county judge, will accept the charter and flag and also will act as master of ceremonies for the program.

W. L. (Preach) Edelman is slated as speaker for the occasion. Edelman, a longtime resident of the county and former superintendent of the Friona Independent School District, is well known for his appreciative attitude toward American heritage.

## Farwell School Slates Holiday

Students of the Farwell Independent School District will be able to enjoy a three-day weekend beginning Friday, Feb. 27.

The day has been designated teachers in-service work day and only teachers will be required to "attend classes."

School officials comment that regular school hours will resume Monday, March 1, at 9 a.m. CST.

## Homecoming Royalty Crowned At Texico

During the 1976 Basketball Homecoming held Saturday, Feb. 14, at Texico, Deanne Day and Richard Hadley took honors as Homecoming Queen and King.

The queen is the daughter of Mr. and Mrs. D. Smith Day. Parents of the King are Mr. and Mrs. John Hadley. Both are junior students.

## Alumni Recognized - -

Mrs. Leon Webb; and Brian Davis, senior, son of Cecil Davis; Tommy Galvan, senior; son of Mr. and Mrs. Frank Galvan; and Don Cherry, junior, son of Mrs. Wayne Cherry.

Also during the evening Naomi Hapke of Los Alamos, N.M., was recognized as the alumni traveling the farthest to attend, and Mr. and Mrs. Clarence Smith were recognized as members of the earliest graduating class present. Both Mr. and Mrs. Smith are 1932 graduates of Texico High School.

## CofC To Meet

The Farwell Chamber of Commerce will hold its regular monthly meeting at noon CST Tuesday, Feb. 24, at Clara's Spur Restaurant. Agenda items include a report on the nursing home, a report on the doctor and dentist situation, annual banquet plans and possibly some highway information, according to Chamber President Pudge Rose.

Other candidates vying for the queen and king titles were Sheila Hall, senior, daughter of Mr. and Mrs. Elwood Hall; Vicki Snodgrass, senior, daughter of Mr. and Mrs. Roy Snodgrass; and Leona Webb, sophomore, daughter of Mr. and

**PURELY PERSONAL**  
by John

An oft quoted phrase is: "Beauty is in the eye of the beholder." A paraphrase of this might be that a basketball foul is in the eye of the referee. As beauty is to different people, basketball fouls are different when seen by different whistle tooters.

There was a time in our dim past when we were of the impression that basketball was a game of skill, not muscle. There are a few arbitrators who seem to agree with this idea but they are getting far and few between.

Well in spite of the heart-stopping games played last week-end in Friona, the Farwell girls achieved a long held and elusive dream. They won the first basketball district championship in their history. The community gives them a deep bow and sweep of the sombrero for their achievement this year. They worked long and hard and skillfully earned this title.

The continuing energy crunch in this country was brought close to the local scene several weeks ago when Southern Union Gas Company announced that it would be unable to hook up any more new customers. We are not too familiar with everything behind this move but we have the impression that some of the company's problem stems from unrealistic government control of the gas industry.

This unrealistic political manipulation of the free market in regard to energy is worsening in government circles. In spite of the more than two years since the Arab embargo on crude oil, our country is in worse shape than ever. Congress has done nothing constructive to ease the dire long term outlook for self-sufficiency in the energy field. This is one area where political hokum will not come to the rescue of the American consumer.

The immutable laws of nature and economics cannot be circumvented by political chicanery. The time will come, sooner than we would like, when we must conserve energy of all descriptions. This time will be much sooner if our Congress does not abandon its current stand.

Fortunately good old American ingenuity is coming to the rescue in some ways. Utilization of solar energy for heating is one area in the Southwest that is receiving attention from industry and business. Scientific research is gathering momentum and it is possible that, in spite of Congress, new ways to heat homes and businesses will soon be on the market.

We are sure that if some effective means of harnessing solar energy is found, Congress will find some way to put the sun on a five-day week and make it subject to the wage and hour laws. Congressional ingenuity in reaching new heights of insanity should not be discounted. Look what they have done for Social Security.

The political pot in Parmer County is beginning to stir. Last Saturday afternoon as we were putting around the yard, a candidate came by and left us his campaign card. It's been so long ago, we do not recollect when a candidate for office last went door knocking in Farwell.

We did explain to the "hopeful" that on primary day we would join the Maytag man "as the loneliest man in town." We would hold the Republican Primary and really did not expect to see a soul from morning to night.

This serves to remind everybody that they cannot vote if they are not registered. CHECK WITH OUR COUNTY CLERK ABOUT YOUR VOTER REGISTRATION - SOON.

Second-class postage paid at Farwell, Texas 79325. Published every Friday.

SUBSCRIPTION RATES -- Parmer and adjoining counties, \$5.75 plus 29 cents tax per year; elsewhere, \$7.50 plus 38 cents tax per year. Payable in advance.

District Court - -

# 17 Plead Guilty, One To Prison

Of the 17 persons who entered guilty pleas in Parmer County District Court earlier this week, only one was sentenced to serve out a term in the state penitentiary, according to court officials. All other sentences were probated.

Joe Nathan Pearson who pleaded guilty to a theft charge was sentenced by District Judge Pat Boone Jr. to serve three years in the penitentiary.

Joe Angel Delgado, Alfonso Delgado, Robert Francis Pesch, Alvin Hernandez and Zefferino Villarreal Jr. pleaded guilty after a possession of marijuana charge was reduced to misdemeanor status. They were each fined \$100 and given a 90-day probated jail sentence.

Gilbert Ortiz Jr., Albert Galvan and Guadalupe T. Garcia were each given four-year probated sentences after pleading guilty to a burglary charge.

Robin Baize and Richard Bermea pleaded guilty to three counts apiece of breaking and entering motor vehicles. Baize received three, six-year probated sentences to run concurrently, and Bermea was sentenced to three, four-year probated terms to run concurrently.

Farwell Chemical, located east of Farwell on U.S. 70-84, will stock a complete line of George Warner seed.

four-year terms of concurrent probation.

Larry Polk was sentenced to three-years probation following a guilty plea to a theft charge. Rene Montez also pleaded guilty to a theft charge and received a three-year probated sentence.

Deward Armstrong pleaded guilty after a theft count was reduced to a misdemeanor. He was fined \$150 and sentenced to 30-days probation.

Manuel Barba Jr. and Alfonso Romo Jr. pleaded guilty to a criminal mischief charge and were each given a three-year probated sentence.

William E. Melton was sentenced to three years probation after pleading guilty to a forgery charge.

Only two jury trials were scheduled this week. Arturo Ortiz was being tried Wednesday, Feb. 18, on a burglary charge. Rojelio Reyes was expected to go on trial Thursday, Feb. 19, on a driving while intoxicated charge.

All other criminal cases which were set for this week have been "passed" (held over) until the next criminal jury week.

### Dealer Named

George Warner Seed Co. has announced the addition of Farwell Chemical, Inc., to its line of dealers.

Farwell Chemical, located east of Farwell on U.S. 70-84, will stock a complete line of George Warner seed.

**STEERETTE DEFENSE** -- The Varsity Steerettes of Farwell nabbed the Bi-District Crown Tuesday evening when they dropped New Deal. In reference to the bi-district tilt Steerette Coach Joe Allen lauded the Steerette guards, in white jerseys, left to right, Lori Norton, Estelle Embry and Terri Boling, for their outstanding efforts in aiding with the victory. They held New Deal to a total of 39 points during the four quarters of play.

### Steerettes . . . (Continued from Page 1)

Vega retained its lead at 32-28 at the end of the third but the Steerettes were able to close in on Vega's lead to cut it to one point, 40-39, when the final buzzer sounded.

Top Farwell scorer was Booth with 22 with Woods racking up 12 and White 5.

Boling picked up 5 rebounds on the guard end for high rebounder honors but Estelle Embry was instrumental for Farwell's defense as she was credited with 4 stolen balls.

In reference to the losing battle Allen stated, "We were never really in control of ourselves or Vega in this game. The second quarter was disastrous as we allowed Vega 14 points. Turnovers late in the fourth quarter with a one-point lead gave Vega the chance they needed to win. Three steals in the fourth quarter by Embry gave us our chance to win, but we missed the last two shots."

by White with 29. Also adding to the Steerette tally was Mc Cully with 2.

On the guard end, Norton picked up 7 rebounds while Embry came up with 4, Boling with 3, and Gaye Coffman with 1.

"This turned out to be a much easier game than we expected as good forward and guard defense forced Hart into many turnovers and bad shots early. Booth and White had an outstanding night point-wise for us," the coach commented.

It has been reported by Steerettes and members of the coaching staff that the "loyal support of our fans who turn out for the games and help build our momentum" has greatly inspired the Steerettes in their playing efforts.

### Farwell To Meet

The Farwell City Council will hold its regular meeting at 5:15 p.m. CST Monday, Feb. 23, according to City Clerk Janie Bowery. An agenda had not yet been prepared.

Absorbent powders, such as cornstarch, cornmeal or talc, can be helpful in removing fresh grease stains.

### Livestock Show . . . (Continued from Page 1)

#### BARROWS

CHESTER WHITES -- first, Dwight Green; second, Vick Christian.

LIGHTWEIGHT DUROCS -- first, Randy Gerles; second, Kevin Owen; third, Vick Christian; fourth, Dwight Green; fifth, Dondra Gerles.

MEDIUMWEIGHT DUROCS -- first, Dwight Green; second, David Kube; third, David Hernandez; fourth, Vick Christian; fifth, Mark Owen; sixth, Dondra Gerles.

HEAVYWEIGHT DUROCS -- first, Charles Christian; second, Randy Gerles; third and fourth, Craig Walls; fifth, Charles Christian.

Champion of breed (Durocs) was awarded to Dwight Green for his first place medium-weight. Reserve champion of breed went to Charles Christian on his first place heavy-weight Duroc.

HAMPSHIRE -- first, Randy Gerles; second and third, Lori Norton.

LIGHTWEIGHT CROSSBREDS -- first, Vick Christian; second, Kevin Owen; third, Charles Christian; fourth, Mark Owen; fifth, Larry Tims.

HEAVYWEIGHT CROSSBREDS -- first and second, Joe Haseloff; third, Larry Tims.

Champion of breed honors (for crossbreeds) were garnered by Vick Christian on his lightweight cross. Reserve champion of breed was Joe Haseloff's heavyweight cross.

Top honors of grand champion barrow were awarded to Vick Christian for his lightweight crossbreed. Dwight Green received the reserve grand champion honors on his Chester.

#### SHEEP

SOUTHDOWN -- first, Kelly Mitchell; second, Tommy Mesman.

LIGHTWEIGHT FINE WOOL -- first, Guy Whitesides; second, Rudy Sanchez; third, Berney Mesman.

HEAVYWEIGHT FINE WOOL -- first, William Martin; second, Lori Norton; third, Jamie Cooper.

FINE WOOL CROSSES -- first, Johanna Mesman; second, Yalonda Martin.

Fine wool champion of breed honors were taken by William Martin's heavyweight. Lori Norton's heavyweight fine wool was named reserve champion of breed.

LIGHTWEIGHT MEDIUM WOOL -- first, Kelly Mitchell; second, Teddy Mesman; third, Dean Cooper.

HEAVYWEIGHT MEDIUM WOOL -- first, Lori Norton; second, Kelly Mitchell; third, William Martin; fourth, Yalonda Martin; fifth, Guy Whitesides.

Champion of breed honors were awarded Lori Norton's heavyweight medium wool. Reserve breed honors were taken by Kelly Mitchell for his medium wool.

The grand champion sheep trophy went to Lori Norton's heavyweight medium wool. The reserve grand champion title was received by the heavyweight fine wool belonging to William Martin.

HEIFERS

With only two entries in this competition, Joe Haseloff's entry took grand champion heifer honors and the reserve

grand champion award went to Steve Hargrove's entry.

STEERS

LIGHTWEIGHT STEERS -- first, Gary John Haseloff; second, Joe Haseloff.

HEAVYWEIGHT STEERS -- first, Gary John Haseloff; second, Joe Haseloff.

The grand champion steer trophy was awarded Gary John Haseloff for his first place heavyweight steer. Joe Haseloff's second place heavyweight took the reserve grand champion title.

### Celebration Meet Slated

Representatives of the Texico and Farwell Chambers of Commerce and other civic organizations will meet at 8 p.m. CST Tuesday, Feb. 24, at Clara's Spur Restaurant to work out more details for a large Bicentennial Fourth of July celebration being planned by the two cities.

Interested citizens are asked to attend the meeting and express their views. This will be the second meeting concerning the planned celebration.

### FIRE CALLS

The Texico and Farwell Fire Departments each answered one fire call this past week.

Farwell firemen were called out at 12:20 p.m. CST Sunday, Feb. 15, to the Vernon Symcox home at Oklahoma Lane where a trash fire was in danger of getting out of control. Officials said the wind had blown the fire into some evergreens and onto the roof of an old garage building. The fire was extinguished before it could do too much damage, officials said.

Also on Sunday, the Texico Fire Department was called out to extinguish a grass fire along the railroad right-of-way west of the city.

Farwell's emergency vehicle made a run about 7:40 a.m. CST Friday, Feb. 13, to take a person to the Parmer County Community Hospital in Friona.

## THE ANNUAL MEETING OF THE BAILEY COUNTY ELECTRIC COOPERATIVE ASSOCIATION AND FIVE AREA TELEPHONE COOPERATIVE, INC.

WILL BE HELD IN THE  
HIGH SCHOOL AUDITORIUM  
MULESHOE, TEXAS

Saturday, February 28, 1976, at 1:30 P.M.

**THERE WILL BE NO FREE LUNCH!!** There will be no door prize drawing; but members who attend will receive the option of a \$10.00 credit on their electric account, or a \$10.00 check, whichever they prefer (one payment per membership). Members of the Five Area Telephone Cooperative, who are not members of Bailey County Electric Cooperative may receive their choice of \$10.00 credit on their telephone account or a check for \$10.00.

Registration will start at 12:30 and the Telephone Meeting will begin at 1:30. The Electric Cooperative Meeting will begin at 2:30 p.m.

#### TO TAKE ACTION UPON THE FOLLOWING:

- To give members a financial report, progress report, general condition of the Cooperatives.
- Elect two (2) directors for the Telephone Cooperative and elect two (2) directors for the Electric Cooperative.
- Appoint a nominating committee for annual meeting to be held in 1977.
- Consider changes of Article V, Section 7, Telephone Cooperative By-Laws.
- Consider and take action upon any other matter that might be presented or come before the meeting.

In connection with the election of two (2) directors for the Telephone Cooperative, the following members have been nominated:

<b>DISTRICT NO. 2</b>	<b>DISTRICT NO. 4</b>
John Agee	Delbert Watson
Gene Paul Jarman	Jerry Damron

For Electric Cooperative directors:

<b>DISTRICT NO. 1</b>	<b>DISTRICT NO. 2</b>
Arvis Grogan	Frank Wuerflein
J. W. Herington	Joe Embry

Additional nominations for directors may be made at the meeting.

# LOOKING GOOD!

## George Warner Seed Co.

Wishes To Announce The Addition Of

# FARWELL CHEMICAL INC.

TO ITS FINE LINE OF DEALERS. THEY WILL SERVE YOU AS YOU LIKE TO BE SERVED. THEY WILL HAVE AVAILABLE A FULL LINE OF THAT QUALITY GEORGE WARNER SEED.

### GRAIN HYBRIDS

W-869

A nearly full season grain sorghum variety designed for adequate moisture and fertility to produce the maximum in yields without extreme lateness. W-869 is an easy thresher.

### CORN HYBRIDS

W-2188

THE YIELD CHAMPION. Medium maturity. Single cross. Tremendous yield potential. Produces big, long, full ears. Stands and dries well. Has large upright leaves.

W-839

Produces a shorter, stouter stalk than many varieties of its maturity. Large reddish heads open at maturity to aid in drying and easy threshing. W-839 has a high yield potential.

W-3168

A TRUE COMPETITOR. Medium-late maturity. Single cross. Big, girthy ears. Stiff stalks. Excellent vigor. Wide adaptability.

**HOMECOMING COURT** - During basketball activities Saturday, Feb. 14, at Texico High School, 1976 Basketball Homecoming King and Queen were crowned. Seated are Queen Deanne Day and King Richard Hadley. Court of honor members are, from left, Vicki Snodgrass, Don Cherry, Gia Crooks, 1975 Queen; Terry Reid, 1975 King; Leona Webb, Brian Davis, Sheila Hall and Tommy Galvan. Flowergirl was Sherrie Gibbs, daughter of Mr. and Mrs. W. H. Gibbs. Crown bearer was Davey Vaughn, son of Mr. and Mrs. David Vaughn.

## Candidate Speaks - - Jaycee Meet Here, Draws Large Crowd

Some 107 Jaycees and 22 wives attended a Jaycee Regional Work Forum for Region 112 Thursday night, Feb. 12, in Farwell. Attendance was so good that the Farwell Jaycee Chapter ran out of food for the dinner meeting and about a dozen local Jaycees didn't get to eat, according to Robert White, president of the Farwell chapter.

The meeting was highlighted with a talk by Dock Hanks of Corsicana, who is running for Texas Jaycee president. Hanks, who currently serves as administrative national director for District 2 of the Texas Jaycees, spoke on "Memberships: Extensions and Retentions."

Other dignitaries present include Curtis Walker of Muleshoe, national Jaycee director, and Charles Moraw of Muleshoe, state vice president for Region 113.

White gave the welcoming address, and Ken Horn of Bovina, state vice president for Region 112, conducted the meeting.

Hereford won the "in-region travel trophy" for having the most people attending from the longest distance in Region 112. In addition to Hereford and Farwell, other Region 112 chapters represented were

Amarillo, Bovina and Happy.

The "out-of-region travel trophy" went to Morton. Other out-of-region chapters represented were Muleshoe, Fort Worth, Corsicana, Claude, Plainview and Clovis.

During the meeting, \$160 was raised for Hanks' campaign, and \$100 was raised for Frank Ziebell, a Texan who is seeking the office of U.S. Jaycee president.

Delton Wilhite of Farwell and Mike Campbell of Claude each won "Texas Jake" pins.

Those attending the dinner meeting consumed a total of 45 pounds of chili, 20 pounds of beans, 12 pounds of cheese, 10 heads of lettuce and 20-plus gallons of tea.

**APPRECIATED** - Dock Hanks of Corsicana, left, who is a candidate for Texas Jaycee president, is presented an "appreciation plaque" by Robert White, Farwell Jaycee president, for attending and participating in a Jaycee Regional Work Forum for Region 112 Thursday night, Feb. 12, in Farwell.

**TODAY'S ARMY**

## Varsity Wolverines Downed

Texico's Varsity Wolverines fell before a Homecoming crowd Saturday, Feb. 14, when they were dropped by Jal's Panthers 67-47. Prior to their tilt with the Panthers, the Wolverines faced and fell to Dexter's Demons 76-62.

Texico began the Homecoming tilt with a lead of 20-9 at the end of the first period. During the second quarter, Jal stepped out front 37-28 and remained in the lead 56-35 when the third period closed. When the final buzzer sounded, Texico had been defeated 67-47.

Leading scorer for the Wolverines was Steve Turner with 14. Also scoring were Spencer Turner, Barry Lindley, Richard Hadley, Tommy Galvan, Joey West and Terry Brown.

Leader in the rebounding department was Lindley with 9.

In reference to the game Coach Randy Lyons stated, "Jal's man-to-man defense hurt our offensive performance. Their height hurt in our rebounding effort. Jal's 6'4" center scored 35 points."

In the clash with Dexter, the Wolverines led 13-11 and 31-29 at the end of the first two periods. Dexter came back and pushed ahead 60-45 at the end of the third and held a 76-62 lead when game action ended.

Texico's high scoring individual was Steve Turner with 13 followed by Lindley and West with 10 each.

Leading rebounder honors went to Bill Autrey with 8.

Coach Lyons remarked, "The

### Makes Honor Roll

Clyde Cole of Farwell is among 5,837 undergraduates named to the Dean's Honor Roll at Oklahoma State University for the spring semester. Registrar Raymond Girod reports.

Students making at least a 3.0 grade average (B or better) while carrying at least 12 credit hours, making no grade lower than C and completing all courses are listed on the Dean's Honor Roll each semester.

third quarter hurt us as we outscored Dexter in every quarter but that one. We had a very consistent effort from everyone concerned with balanced scoring for the team. Two team members are still out with illness and two additional players are coming back from injuries."

### At Lubbock - -

## Horsemanship Clinic Today, Saturday

A horsemanship clinic for horsemen of all ages and experiences has been set for today and Saturday, Feb. 20 and 21, at the Livestock Pavilion of the Panhandle-South Plains Fair Grounds in Lubbock.

Getting underway this eve-

ning (Feb. 20) at 5:30 p.m. CST, the clinic will cover halter training, basic western horsemanship, equipment, maneuvers, showmanship and performance events. Most of the activities on Saturday will deal with performance instruction, including western pleas-

ure, western horsemanship, hunter hack and timed events. B.F. Yeates and Doug Householder, horse specialists with the Texas Agricultural Extension Service at College Station, will teach the clinic, according to Billy C. Gunter, district extension agent.

"Yeates and Householder are both veterans with years of experience in dealing with horses and horsemanship," said Gunter. Anyone within a day's drive of Lubbock is encouraged to attend, he said.

Gunter said registration fee for adults will be \$7.50 and youths under 19, \$4.50. This includes Saturday lunch.

The clinic is being sponsored by the Texas Agricultural Extension Service.

### Parmer County - -

## Annual Meeting Set By Gas Users Assn.

The Annual Meeting of the Parmer County Gas Users Association will be conducted Tuesday, Feb. 24, at 8 p.m. in the Hub Community Center.

According to Mike Riethmayer, during the meeting officers and directors will be elected. The offices of president and vice-president, currently being held by Jerry London and Riethmayer, respectively, are to be filled.

The terms of directors Floyd Reeve, M. H. Carson, Melborn Jones and Orville Burnett are expiring and these four seats are to be filled. Hold-over di-

rectors are Bill Loanman, Harry Hamilton and Pete Jesko. Directors terms are for two years and directors are elected on a staggering basis.

The main items of business on the meeting agenda are the price of gas and maintaining a priority to classification for natural gas for farming.

All members are urged to attend the meeting and cast their votes for officers and directors and participate in the business session.

QUEEN SHARON SUDDERTH, KING CRAIG WALLS

## Sudderth, Walls Named FFA-FHA Queen, King

Approximately 80 members of the Farwell Future Homemakers and Future Farmers of America chapters gathered Monday, Feb. 16, at the Farwell School cafeteria for the 1976 FFA-FFA Sweetheart Banquet. During the evening's activities the first Sweetheart Queen and King in history were crowned by the organizations.

Sharon Sudderth, daughter of Mr. and Mrs. Don Sudderth, was named Sweetheart Queen while Craig Walls, son of Mr. and Mrs. Mitchell Walls, received the honor of Sweetheart King. The queen was crowned by Gary Blair, president of the FFA, and the king was crowned by Gaye Coffman, FHA president. Selection of the queen and king was by the public on a penny-a-vote system.

Entertainment for the evening was presented by Ed and Juanita Hardage and Robert Diaz. The entertainers were introduced by Charla Norton.

Blair introduced the evening's speaker, Norman Mullin of Turkey. Mullin is Area I FFA vice-president and a student at Texas Tech University.

Other FHA and FFA members on the program were Wesley Hukill who presented the invocation; Bruce Kaltwasser, welcome to special guests; Delia Dollar, benediction; and Janice Fant and Richard Montgomery, FHA and FFA advisors, who introduced Sweetheart candidates.

Theme for the banquet was "Somewhere Over the Rainbow." Upon entering the foyer of the cafeteria banquet-goers were greeted by a big white heart dotted with red bows on a red background, and clusters of live plants. Window decorations in the dining area included a rainbow with one area accented by a rainbow leading to a pot of gold.

Folding screens covered with pastel pink paper were enhanced by cupids and hearts displaying names of Sweetheart Queen and King candidates. Clouds hung suspended over the rainbows in the dining area.

The tables were covered in pastels and adorned by arrangements of candles and fresh

car-nations. Centering the head table was an arrangement of fabric hearts molded on wire flower stems contained in a silver bowl. Lighted candles complemented the table decor.

Menu for the evening included roast beef and gravy, baked potatoes, green beans, salad, hot rolls, butter, and tea or coffee. Serving was done by 11 members of the Farwell Junior High Eighth Grade class. The servers, Carole Perkins, Kim Marsh, Jana Berry, Karen Blain, Gina Eubank, Deanna Hager, Donna Gerles, Suzanne Howard, Lisa Howard, Lisa Hughes and Tammy Hernandez, were attired in long dresses and according to Mrs. Fant, "They did a tremendous job both in serving and aiding in the clean-up."

### Students View Clean-Up Slides

Ted Brown and Tito Madrid, of the New Mexico Environmental Improvement Agency (EIA), recently visited the Texico Elementary School to show slides of students and Ecology Club members who participated in Texico's January clean-up campaign.

The EIA officials thanked the students and the Ecology Club sponsor, Dale Schwartz, for their assistance in the campaign. "We encourage the students to continue their spirit of clean-up in their everyday activities at home and in the community," Brown said.

The new environmental technician with the Clovis EIA office, Ed Jones, also was introduced during the program.

Brown urged any persons having rat control or other environmental problems to contact the Clovis office, phone 762-3728.

### Marriage Licenses

During the past week one marriage license was issued by the Parmer County Clerk. The license was issued to Henry Haseloff and Sarah Marsh.

## TRIBUNE RIVIA

from across the desk of Joann Getz

Most local persons will remember Joel and Sallye Tankersley and children, former Farwell residents. In the Lubbock paper, in a story reporting the Ralls Chamber of Commerce banquet, several awards were presented and the Joel Tankersleys were named the "Family of the Year." The article contained no other information about them, just their names, but we offer our congratulations.

Grandmothers are wonderful -- usually a bit "obnoxious" but really wonderful.

Ginny Blankenship became a grandmother for the first time last Thursday -- and wouldn't you know it -- she had her pictures to show Thursday evening at Friona at the basketball tournament. She was jumping around, up and down the bleachers like an athlete, making sure everyone (who wanted to) had an opportunity to see her pictures.

I'm for you Ginny -- I was one of those "obnoxious" grandmothers too when my grandsons were first born.

Farwell fans are great -- they really support their teams.

On the road to Olton Tuesday evening, ahead of us as far as the eye could see, there was nothing but red taillights -- and behind us, unending headlights.

Fans were "hanging from

the rafters" at the Olton gym. The Farwell side of the bleachers was full long before the game time, so many Farwell fans had to go across and fill both ends of the New Deal side.

The Steerettes -- calm, cool and skillful -- played a super game. Hats off to all of them, and to Coach Joe Allen. It's obvious, the team is well-coached -- but also well-disciplined. They deserve to be Bi-District Champs! Now, on to Regional and another championship!

### Mrs. J.E. Walls Honored On 84th Birthday

Mrs. J. E. Wall of Route 3, Clovis, was honored on her 84th birthday Sunday, Feb. 8, with a dinner in the home of her daughter and family, Mr. and Mrs. Roy Richardson of Texico.

All seven of Mrs. Wall's children were able to attend the function. They are Lena Stephenson of Hayward, Calif., Mr. and Mrs. Wilson W. Martin of Cleburne, Coy Wall of Dublin, Mr. and Mrs. D. E. Wall of Clovis, Mr. and Mrs. Willie Wall, Mr. and Mrs. John Wall and Mr. and Mrs. Roy Richardson, all of Texico. Fifty-one relatives and friends were present to help Mrs. Wall celebrate.

### Oklahoma Lane Gets Parsonage

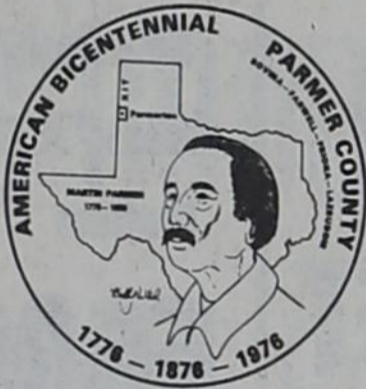

Members of the Oklahoma Lane Baptist Church broke ground Monday, Feb. 16, for a new parsonage to be located between the church and the old parsonage, according to Sterling Donaldson, one of the coordinators of the project.

Donaldson said the new parsonage is a prefabricated structure which will be placed on a foundation which was being prepared this week. The house will have three bedrooms, two baths and a double garage. The home will contain

almost 1,700 square feet of living area and will be bricked after it is put on the foundation. Donaldson said the total cost of the new parsonage will be about \$35,000.

The parsonage should be ready for occupancy within a few weeks by the church's pastor, Rev. Moody Smith, and his family.

The old parsonage has been sold and the building will be moved away, Donaldson said. Donaldson and his wife were coordinators of the project.

**ENJOY CRUISE** -- Mr. and Mrs. Lawrence Cooper of Farwell recently set sail from Port Everglades, Fla., on an 11-day holiday cruise to the Caribbean aboard Costa Lines "Federico - C" and returned home late last week. The ports of call included San Juan, St. Thomas, Martinique, Caracas, Aruba, Cartagena and Montego Bay. Mrs. Cooper reported that the tour group had tours of each island they visited. There were 800 passengers aboard the Federico - C with 10 members of the group from Texas. The majority of the passengers were from Canada, France and Italy.

### Freddie Patterson Feted With Lingerie Shower

A lingerie shower honoring Freddie Patterson, bride of Hershel Patterson, was held Wednesday, Feb. 11, in the home of Mrs. C. M. Meeks, co-Anniversary Reminder

All friends and relatives of Mr. and Mrs. G. P. Meissner are reminded of the couple's anniversary celebration to be Sunday, Feb. 22, 2-5 p.m. CST with a reception at St. John's Lutheran Church Parish Hall in Lariat. Hosting the occasion will be the couple's children: Reuben Meissner, Mr. and Mrs. Calvin Meissner, Mr. and Mrs. Wallace Pulju, Mr. and Mrs. Emmett Gloyma and Mr. and Mrs. Bruce Schroder. All friends and relatives are invited to attend. The couple requests no gifts, please.

### Club Conducts Regular Meeting

Four members of the Oklahoma Lane Home Demonstration Club met Thursday, Feb. 12, in the home of Mrs. Vernon Symcox for a regular session. During the business session, members elected Mrs. Ben Mesman to serve as the club's delegate to the district convention to be held in Littlefield. Jana Pronger, County Extension Agent, presented a demonstration on quick meals. Members attending the meeting were Mrs. Gilbert Kaltwasser, Mrs. Ben Mesman, Mrs. Truman McKillip and Mrs. Vernon Symcox. Miss Pronger was a guest of the club.

### Study Club Hears Program On Energy

Members of the Farwell Study Club met Monday, Feb. 16, for a regular session during which Jana Pronger, county extension agent, presented a program on "Beating the Energy Crisis." During her presentation, Miss Pronger compared the daily use of natural resources with the daily delivery of milk. "If energy was delivered to your door daily like milk, today you would have 19 half-gallons of oil, 14 half-gallons of natural gas and 46 pounds of coal on your doorstep," she commented. "By 1985, your family would need 30 half-gallons of oil, 24 half-gallons of natural gas and 70 pounds of coal," she continued. The agent also explained ways to be conservative with all natural resources by checking appliances for defects, cleanliness, filters and motors, and by using car pools and proper insulation of homes and offices. Also during the meeting, a report was given on the recent Mothers March for the March of Dimes. Members of the Study Club collected a total of \$969.47 for use in research against birth defects. It was reported that members of the club have been invited to attend the bicentennial meeting at the Parmer County Courthouse to be conducted Sunday, Feb. 22. Following the meeting, refreshments of cherry pie, tea and coffee were served to Mmes. Lillian Aldridge, Carrie Christian, Hattie Coffey, Edith Crawford, Eunice Crume, Loucile Foster, Nina Glasscock, Beulah Hobbs, Ophell McDonald, Virginia Perry, Jewel Scott, Ellen Wurster, Gertrude Foster and Miss Pronger.

### Texico Baptist Women Observe WMU Week

Members of the Women's Missionary Union of the First Baptist Church of Texico observed WMU Focus Week February 7-14. Sunday morning, Feb. 8, Mrs. John Abbott of Espanola, state missionary worker, spoke at the morning services. Sunday evening, Mrs. Abbott presented slides of the mission work she does in Espanola. Following the presentation, refreshments were served in Fellowship Hall. Tuesday night several women of the church attended a book review at Sandia Baptist Church in Clovis. The book reviewed was "Tomorrow Starts Today." At 9:30 a.m. Wednesday, the Texico WMU gave a bicentennial brunch for the women of the church. Wednesday night, the WMU held a style show pertaining to past and present outstanding WMU workers. Mary Dell Brown gave the welcome and the week of prayer. Mrs. C. V. Thompson, New Mexico state WMU president, presented the history of the WMU work in the state. Mrs. Nora Day and Mrs. Harvey Hudnall were narrators for the style show. Several women of the church portrayed the outstanding WMU workers. Mrs. Heck was portrayed by Mrs. Hudnall; Lottie Moon by Mrs. John Lockhart; Carolyn Weatherford by Mrs. Barney Kelley; Kathleen Malory by Mrs. Joel Horne; and Alma Hunt by Lora Harlan. Each lady dressed in the costumes of the worker they portrayed. Special music was given by a ladies duet and a brotherhood quartet. Dismissal prayer was by Rev. Horne, interim pastor, prior to the serving of refreshments of bicentennial sandwiches, punch and coffee in Fellowship Hall.

### ESA Bake Sale To Benefit CF

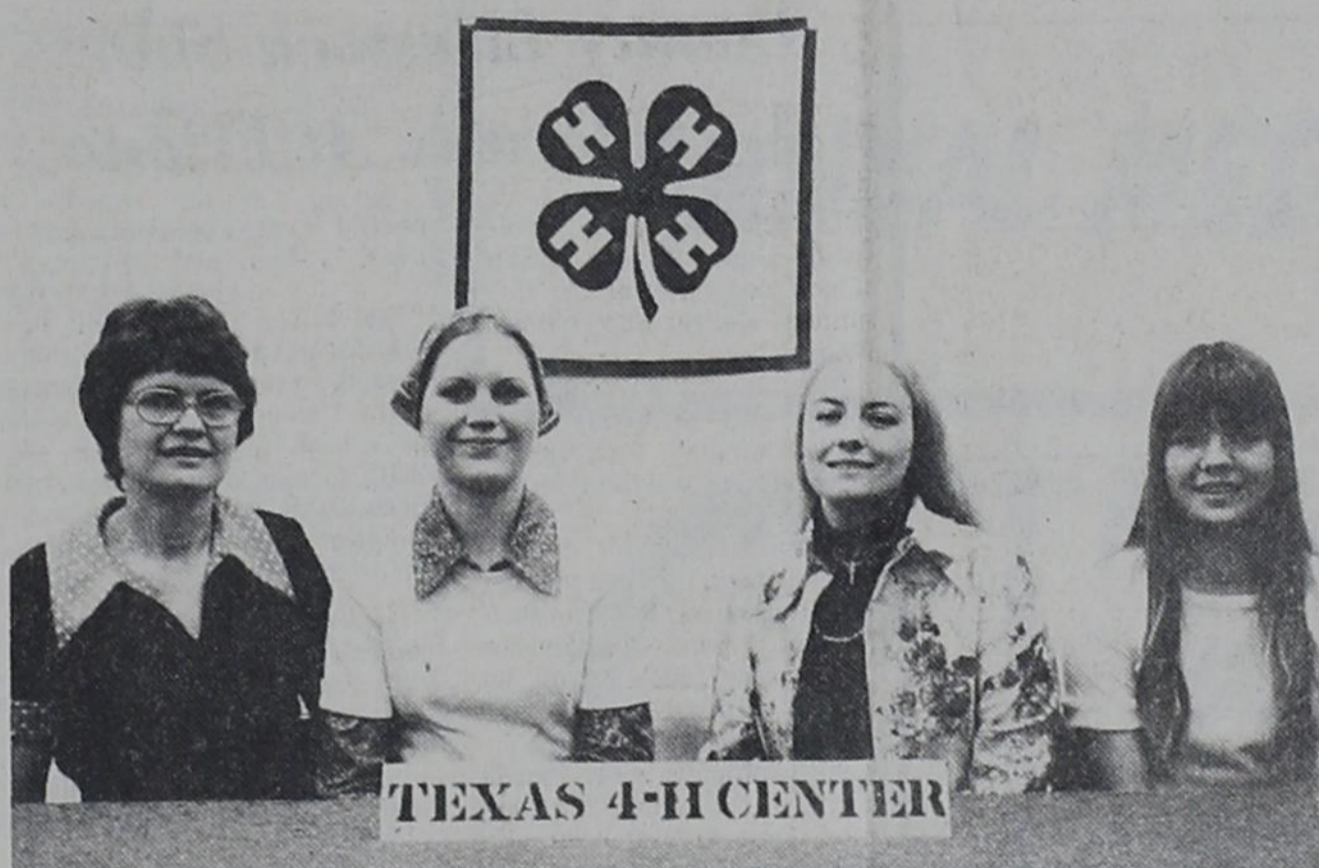

Members of Theta Rho Chapter of Epsilon Sigma Alpha Sorority will be sponsoring a bake sale Wednesday, Feb. 25, to benefit Cystic Fibrosis. According to Betty Jean Castleberry, ESA members will be manning stations at Capitol Foods and Pay-N-Save supermarkets where patrons may purchase all varieties of baked goods. Advance orders may be placed by contacting any ESA member. Mrs. Castleberry has reported that should the Farwell Steerettes win their bid for the regional championship Saturday, Feb. 21, the bake sale is to be postponed to a later date. She also stated that donations to CF will be greatly appreciated.

### Announced Marriage

Mr. and Mrs. Doyle Ford, Mr. and Mrs. James Harriman and Mr. and Mrs. Doug Harriman announce the marriage of their mother, Freddie Lee, to Hershel Patterson of Earth. The couple was married Saturday, Feb. 14, in the home of Mr. and Mrs. Ford with family members in attendance. Mr. and Mrs. Hershel Patterson are now residing in Earth.

### Junior 4-H Has Election Of Officers

Farwell Junior 4-H Club met Tuesday, Feb. 17, and during the session officers were elected. Tommy Mesman was selected to serve as vice-president of the organization and Berney Mesman was chosen to serve as secretary. The meeting was called to order by Mark Owen with Tommy Mesman leading the pledge to the flag and Charlie Rose leading the 4-H Motto. William Martin gave a report on the Farwell FFA-4-H Junior Livestock Show held Saturday, Feb. 14. During the session, three families volunteered to help with refreshments for the upcoming bicentennial program to be held Sunday, Feb. 22, at the Parmer County Courthouse. Charlie Rose then introduced Albert Johnson of Farwell who, with his dog, Duke, gave a demonstration on the care of a show dog and some of the different things dogs are required to do during a dog show.

**TEXAS 4-H CENTER**

MR. AND MRS. GENE SNELL

### Cain-Snell Vows Exchanged In Clovis

Janice Cain of Farwell and Gene Snell of Oklahoma Lane were united in marriage in a ceremony conducted Friday, Feb. 6, with Rev. Stan White of Clovis officiating. Vows were exchanged at the Westbrook Baptist Church in Clovis. Mrs. Mike Archer of Portales sang "The Family of God" and "O, Promise Me." The bride, escorted by her father, Vernon Symcox, was attired in a formal length gown with a peasant neckline and peasant sleeves. The skirt was tiered and accented with lace. Serving as attendants for their parents were Gary Cain and Andy Snell. The couple took a wedding trip to Central Texas.

### Bennetts Are Parents Of First Child

Mr. and Mrs. Ricky Bennett are parents of their first child, a son, born Thursday, Feb. 12, at St. Mary's Hospital in Lubbock. The lad, named Reace Alan, weighed eight pounds, five ounces at birth and measured 22 inches in length. Maternal grandparents are Mr. and Mrs. R. E. Blankenship of the Oklahoma Lane community. Paternal grandparents are Mr. and Mrs. Grady Scarbrough of Levelland. Great-grandmother is Mrs. Emma S. Branch of Louisville, Kentucky.

JORI FIOLA

### Honored On 2nd Birthday

Jori Elizabeth Fiola, daughter of Mr. and Mrs. Joe Fiola of Canyon, celebrated her second birthday Sunday, Feb. 15, at the home of her grandfather, Bunk Phillips of Farwell. Chocolate cake, decorated with a clown and balloons, and ice cream were enjoyed by the honoree, her parents, her sister, Jinger Kate; her grandmother, Mrs. Billie Phillips of Lubbock; Al Phillips, of Morton, her uncle; her great-grandmothers, Mrs. Alvenia Cox and Mrs. Kate Phillips of Farwell; and Mrs. Bonnie King of Farwell. Mr. and Mrs. M. A. Snider, Jr. and David were in Angel Fire and Red River over the weekend where they enjoyed skiing. Mrs. Snider reports, "The skiing was good with a layer of new snow." David Quickel, son of Mr. and Mrs. John D. Quickel of Clovis, visited in the home of his grandparents, Mr. and Mrs. I. W. Quickel, Saturday and Sunday. Mr. and Mrs. Ray Norton of Amarillo were in Farwell visiting with his parents, the Darrell Nortons, over the weekend. While they were here they went to Friona to watch the Steerettes win the district basketball title. Ray's sister, Lori, is a starting guard for the Steerettes. Mr. and Mrs. M. A. Snider, Jr. and David were in Angel Fire and Red River over the weekend where they enjoyed skiing. Mrs. Snider reports, "The skiing was good with a layer of new snow." Mr. and Mrs. Ray Norton of Amarillo were in Farwell visiting with his parents, the Darrell Nortons, over the weekend. While they were here they went to Friona to watch the Steerettes win the district basketball title. Ray's sister, Lori, is a starting guard for the Steerettes.

## BOB'S TV

Farwell

CROWD PLEASER and a bucket too was the performance turned in by Steerette Sherri McCully, no. 20, when she aided in Farwell's victory over New Deal Tuesday night. Miss McCully, like the other Steerettes, played a deliberate, concentrated game and wasted no energy as she waited for her shots and capitalized on the Steerette delay game results.

### Varsity, JV - -

## Steerettes Deny Hartley Two Wins

In their final games of the regular 1976 basketball season, the Varsity and Junior Varsity Steerettes of Farwell bopped Hartley 40-27 and 31-22, respectively.

In the Varsity tilt, Farwell led Hartley 12-7, 20-17 and 26-21 in the first three quarters of play, then took the 40-27 win at the end of the final period. Leading in the scoring department for Farwell was Kathy Booth with 15 followed by Kathy White with 12. Also scoring were Sheryl Woods and Sherri McCully.

Leading rebounder on the guard end of the court was Estelle Embry with 6 followed by Lori Norton with 4.

Coach Joe Allen stated, "This game was an improvement for us in field goal shooting (19 of 33 attempts), particularly after a slow start (6 of 13 in the first quarter). We managed, however, to hit only 2 of 8 free throws, a percentage which would be fatal in a

close game. "Our forwards seemed confused by a very good Hartley defense, but managed to turn a 3-point lead into a 13-point victory margin with good execution of the delay game.

"Our guards were largely responsible for our having that 3-point lead by shutting the Hartley forwards down to 17 points in the first half. Hartley, winner of their district in Class B, had a 28-7 record going into this game," the coach concluded.

In Junior Varsity action, the Steerettes and Hartley were tied, 6-up, at the end of the first quarter but Farwell pushed ahead 15-10 at the half, 24-10 at the end of the third

quarter, and 31-22 when the game ended.

Leading scorer for Farwell was Jamey Berry with 12. Also scoring were Carol Vinton, Dana Ennen, Natalie Dollar and D'Lynn Eubank.

In reference to the game Coach Larry McDorman said, "This was our last game of the year and we played everyone. The first quarter was close but we pulled away in the second quarter. They did not score during the third period.

"It seemed like a short basketball season. The girls worked very hard in practice and were very aggressive in games. I was proud of the way the girls performed most of

the season. We seemed to have a psychological drop-off after Christmas, that we never came out of, but we played well, nevertheless."

Prior to their tilts with Hartley, the JV Steerettes faced Springlake-Earth and took a 49-31 win.

Leading scorer for the Steerettes was Jamey Berry with 17 followed by Dana Ennen with 14. Also scoring were D'Lynn Eubank, Carol Vinton and Natalie Dollar.

Coach McDorman said, "Everyone played a lot and we did not have much trouble with them. They scored a lot in the fourth quarter with our back-up guards in."

### Texico Grad Paces WTSU

The West Texas State Buffaloes met the Texas Tech Red Raiders in an indoor track meet in Canyon recently and during the meet Texico's Curtis Lindley was credited with pacing the Buffs in their efforts.

It was reported by an area sports editor that "Lindley, who through new-found confidence, again showed his high school form in winning the long jump with his last leap (22'9") and the triple jump (44'11"), each time over Tech's McIntyre. Lindley was the meet's only double winner."

Lindley, a three-time New Mexico state high school long jump champion, stated, "I tell you what got me psyched up was reading in the paper one of Tech's winners was McIntyre in the long jump." Lindley, son of Mrs. Ruthie Lindley of Texico, is a 1974 graduate of Texico High School. The second-year WT student began his track career at Texico High under the supervision of Coach Bucky Walters, who is now retired.

## Steers Dropped By Vega For District 3-A Crown

Farwell's Varsity Steers made an unsuccessful bid for the District 3-A Crown in the district tournament held Thursday and Friday, Feb. 12 and 13, in Friona.

The Steers, seeded second in the district, got off to a good start in tourney competition as they bumped Bovina's Mustangs in their first game 46-44, but the Steers fell victim to the Friday with 13th superstition as they fell 48-38 to round-robin champ Vega in their second game to give Vega the district title.

In the battle for the district crown, the Steers were the underdogs 14-10, 26-20 and 35-26 at the end of the first three periods and they trailed 48-38

when the game ended.

Taking high individual scorer honors was Brad Jones with 12. Other Steers scoring were Travis Bibbs, Clay Roberts, Russ Jones, Sammy Merritt and Rowdy Chandler.

Leading in the rebounding department was Russ Jones with 9 followed by Roberts and Brad Jones with 7 each.

The Steers hit on 17 of 48 field goal attempts for 35 percent of 4 of 6 free throw attempts for 67 percent. They picked up a total of 27 team rebounds.

In their first game of the tournament, the Steers bumped third-seeded Bovina 46-44. The Steers trailed 12-8 at the end

of the first period and 18-16 at the end of the second. The Steers were behind 32-30 at the end of the third but came on strong and outscored Bovina to take the slim two-point, 46-44, victory to advance a step in tournament competition.

Leading scorer was Russ Jones with 15 followed by Brad Jones with 11. Also scoring were Roberts, Merritt, Billy White and Chandler.

Leading rebounder was Russ Jones with 16 followed by Brad Jones with 10.

The Steers hit on 20 of 83 field goal attempts for 24 percent and 6 of 11 free throw attempts for 55 percent. They picked up 44 rebounds.

Comments on the games were not available from Coach Bert Roanhaus.

### County To Meet

The Parmer County Commissioners Court will hold a regular meeting at 11 a.m. CST Monday, Feb. 23, in the courthouse at Farwell. Routine business is on the agenda.

### Texico To Meet

The Texico City Council will hold a regular meeting at 6:30 p.m. MST Tuesday, Feb. 24, in city hall. An agenda for the meeting had not yet been prepared.

## County Livestock Show Is Underway At Friona

The 29th Annual Parmer County Junior Livestock Show is now underway at the Community Center-Showbarn in Friona.

The main activities are today and Saturday, Feb. 20-21. Thursday, Feb. 19, was reserved for weigh-in for the animals.

The schedule for today's judging includes: 8 a.m., barrow division; 1:30 p.m., sheep division; 7 p.m., steer division.

The show concludes on Saturday with an auction sale slated to begin at 1 p.m.

Show officials were expecting about 280 animals, a slight increase over last year. Ex-

pected were about 125 barrows, 55 steers and 100 lambs.

Judging the barrows will be Jim McMannigal, professor of animal science at West Texas State University. Lambs will be judged by Travis Allen of Wall, former county agent at Portales, N.M. James Walker, Oldham County agent, will judge the steers.

Dwain Menefee, general chairman of the show, said, "We cordially invite parents, grandparents or friends of the exhibitors entering animals to attend the show. We will have plenty of seats in a warm, dry building."

Both Hearings Packed - -

### 'Seeding' Opposition Continues Build-Up

Opposition to "cloud-seeding" activities over Parmer and other area counties continued to build last week as a second crowd jammed a public hearing on an application for a weather modification permit.

The second hearing at Littlefield before the Texas Water Development Board was held Thursday, Feb. 12, and concerned an application from Atmospherics, Inc., of Fresno, Calif. The first hearing in Plainview earlier last week concerned a similar application from Plains Weather Improvement Association, Inc., of Plainview.

Spectators and participants from several area counties packed both hearings, according to Parmer County Judge Paul Fortenberry and County Commissioner Jimmy Briggs, who presented the county's position on weather modification to the board.

The county commissioners court has gone on record as stating "that weather modification activities over Parmer County infringe on the individual rights of the people of Parmer County, unless a vote of the people of Parmer County authorizes such action."

At Thursday's hearings, Briggs urged area residents and other commissioners courts to seek legislative support to restore the right to vote on weather modification activities and all public issues.

At present, state statutes do not include provisions to allow a vote on weather modification questions.

Briggs also said, "We would like to request this board give

us the information as to who the stockholders are (of the companies seeking licenses).... (and) if the possibility that our tax dollars in the form of a federal grant to these two companies will be issued. We understand that if they get this permit for four years, a grant for four years for \$4 million will be given."

Following the Thursday hearing, Water Board Chairman A. L. Black said that in light of the opposition the board now may think twice before issuing long-term permits. Emphasizing that he was only one member of the board, Black said, "We'll have to consider things very seriously before we saddle this controversy on the people for four years."

Until this year, weather modification programs, conducted over the Plains since 1970, have been renewable only on an annual basis, with no provision for long-term licenses.

At Thursday's meeting, Rep. E. L. Short of Tahoka, who sponsored the 1975 amendment which included the authority for permits up to four years, made an impassioned plea to the water board to forget about long-term permits.

Short said it was indicated to him by former water board executive director John Carr that the four-year licenses would only be considered if that span were necessary in order to obtain federal grants.

"I never did have my heart in this four-year matter," Short said.

The lawmaker and farmer said he could see no "hue and cry" among his constituents

for weather modification and saw "considerable opposition" to it.

Short had attempted to include provisions for voting on weather modification in his 1975 amendment, but that was stricken by a Senate subcommittee after the bill, with the voting rights included, had passed the House unanimously.

Some authorities have contended that aerial weather modification which is supposed to suppress damaging hail and augment rainfall actually breaks up cloud formations and reduces rainfall.

Adjudicative hearings on the two applications will be held by members of the water board in Austin on Feb. 23 and 27.

### agri-facts

By John Ricci

Mummings at the UN, complaints about feeding grain to cattle, veiled accusations at world food conferences... all tend to indicate the United States is responsible for the problems of the world in general and for an international food shortage in particular. Let's take a look at the facts. It is true people in the United States eat well... some too well. We do consume 16 percent of the world's annual grain and livestock production... we do have only six percent of the world's population. However, what keeps being overlooked is the fact that American farmers produce 22 percent of the world's grain and livestock. That 23 percent of total farm marketings are exported to other countries. In fact, the United States provides 20 percent of all exported agricultural products and will probably provide even more. With this kind of contribution to world food supply no American should feel a moments shame for our own consumption.

**THE TOP 3 CORN HYBRIDS FOR THE SOUTH PLAINS**

Everyone knows the top corn hybrid for this area. PIONEER brand 3369A is the most planted hybrid in Texas, Oklahoma and New Mexico. Not everyone realizes, however, that there are other PIONEER hybrids that do as well as this famous one... even beat it in some respects. You should consider them, too. They'll help you get exactly the right hybrid mix for whatever mother nature has in store for this season:

Number two in popularity with Southwestern farmers... 3306 is a hybrid with strong stalks and outstanding ear retention. Especially good in light soils, it has good drought and heat tolerance and is a good performer on irrigated or non-irrigated land.

An exciting new hybrid that has an even greater yield potential than 3369A. The added yield potential comes, in part, from a little later maturity while having the root and stalk strength to stand until harvest. It stays green later, too. This one can add significant profit to your corn crop.

Another new, good yielding hybrid. It's a little earlier than 3369A with exceptionally fast dry down. It has made from \$9 to \$12 more profit per acre than ordinary hybrids because of its fast dry down. It has long slender ears on small, hard cobs... really great for combining.

PIONEER HI-BRED INTERNATIONAL, INC., SOUTHWESTERN DIVISION P. O. Box 788, Plainview, Texas 79072

Performance of seeds or the crop produced therefrom may be adversely affected by factors beyond our control including environmental conditions, insects and diseases. The limitation of warranty and remedy attached to each bag of Pioneer brand seed is a part of the terms and conditions of the sale thereof.

**POST OFFICE TOUR** - Students in the Farwell kindergarten's morning class were shown a Bicentennial Flag during a tour of the Farwell Post Office Friday, Feb. 13. Postmaster Otis McMillan, left, personally purchased the flag which will be on display inside the post office during the Bicentennial Year. Helping McMillan hold the flag is Marcie Cole, kindergarten teacher. At right is Eva Ancira, teacher aide. Students from left to right standing are: K.C. Eubanks, Misty McCarter, Maxine Jones, David Moseley, Marty Walker and Aaron Allen. Seated are: Pila Barrera, Shelly Landrum, Dana Haseloff, Amy Gulley, Jim Caron and Richard Turner. Absent was Kelley Foster.

**MAIL IN PROCESS** - Farwell Postmaster Otis McMillan shows members of the Farwell kindergarten's afternoon class how mail is processed through the post office. The students, who had each prepared a Valentine which they mailed to their parents, followed their mail step-by-step through the post office. Students from left to right in the foreground are: Larry Davis, Dee Anne Ray, Emiliano Lovato, Gina Ortiz, Mark Autrey and Todd Bartley. Background are: Teresa Mitchell, Tonya Long, Steve Gerles and Melody Carroll.

### Students See Mail Processed

Members of the Farwell morning and afternoon kindergarten classes toured the Farwell Post Office Friday, Feb. 13. Postmaster Otis McMillan conducted the tours.

The students who each had prepared a Valentine card which they mailed to their parents followed the cards step-by-step as the letters were processed through the post office.

The Valentines each included the child's hand prints on a heart which was then laminated. A verse on the card said:

"You sometimes get discouraged because I am so

"So here's a little Valentine showing my hands this way,

### Texico Sets Kindergarten

The Texico school kindergarten program will start at 9 a.m. MST Monday, Feb. 23, according to Supt. Jim Pierce.

To be eligible for kindergarten, children must be six years of age by Oct. 1, 1976. Immunization records and birth

certificates must be brought to the school in order to enroll for class, Pierce said.

He said buses will be running Monday and kindergarten students may ride the buses or be brought to school by their parents.

## Teen Of The Week At Texico School

JEFF DAY

Jeff Day is Texico's "Teen of the Week" for February 23-27. The son of Mr. and Mrs. D. Smith Day, Jeff is an active 11-year-old student in the sixth grade. He is a member of the band and participates in every available sport including Little League baseball. In the fall, Jeff placed third in Texico's Punt, Pass and Kick contest. Recently, after two run-offs for first place, Jeff was declared second place winner in the Elks New Mexico Free Throw Hoop Shoot contest. An honor roll student, Jeff also enjoys motorcycle riding, art and 4-H work.

[Selection of "Teen of the Week" made by anonymous committee.]

## JV, Varsity - -

### Steers Take Win, Loss

The Junior Varsity and Varsity Steers played their final games of regular play for the 1976 basketball season when they met Adrian with the JV taking a 31-30 victory and the Varsity suffering a 52-42 loss.

The JV Steers trailed Adrian throughout the first half by quarter scores of 8-4 and 17-11. During the second half the Steers went out front 26-23 at the end of the third quarter and led 31-30 when the game ended.

High point individual for Farwell was Terri McCully with 11. Other Steers scoring were Steve Meeks, Vick Christian, Tim Norton and Tim Ellison.

Leading rebounder was Ellison with 16 followed by Meeks with 11.

"Farwell's JV scored 15 points in the third quarter and came from behind to beat Adrian 31-30," said Coach Don Alana. "Our boys' effort was great. We had a problem making a basket and shot less than 20 percent. However, we did want to win, and in the closing minute we came from behind to do just that."

"Everybody did just fine and I'm very pleased as a

coach as I know they are as a team," he concluded.

In Varsity Steer action, the local roundballers trailed Adrian 18-14, 32-18 and 38-30 in the first three quarters. The Steers could not overcome Adrian's scoring lead and were dropped 52-42 when the game ended.

Tagged leading Steer scorer was Brad Jones with 16. Second high scorer was Sammy Merritt with 12.

Brad Jones and Russ Jones were tied for high rebounder honors with 12 each.

Coach Bert Roanhaus said, "The boys played a fine game. Adrian is one of the toughest teams we have played all year. They have a very fine ball club. We had one of our lowest shooting nights hitting only 19 of 68 shots. We played well and I hope we keep up the good work."

Prior to meeting Adrian, the JV and Freshman Steers faced Springlake-Earth with the Freshman team taking a 38-25 victory and the JV falling 43-38.

Leading scorer for the Freshman team was Kayle Watts with 20. Others scoring were

DeeDee Foster, Kirk Magness, Randy Geries, Craig Walls and Robin Roberts.

Leading rebounder was Foster with 11.

Coach Alana stated, "We played an outstanding game to beat Springlake. Outstanding players were Watts, Foster and Geries. We are pleased with our game and the fact that we can play a few freshman games along with our JV schedule."

Taking high scorer honors for the JV was Clay Roberts with 16. Other Steers adding to the score were DeeDee Foster, McCully, Christian and Rowdy Chandler.

Leading rebounder was Roberts with 10.

Coach Alana said, "We did all we could do to win, except make enough baskets. We shot 22 percent, our lowest of the season. Our effort was good as a team."

### RNs Invited To Meeting

District #4 New Mexico Nurses Association will host the state president, Mary Jane Fogal of Albuquerque, during a Dutch treat dinner at 7 p.m. MST Monday, March 1, in one of the private dining rooms at K-Bob's Steakhouse, 1512 Mabry Drive, Clovis.

Registered nurses from the Farwell-Texico area have been invited to attend the meeting and hear the state president's comments. Registered nurses from throughout Curry, Roosevelt and DeBaca counties also are invited to be present.

Reservations (\$3.50) must be called in to Barbara Voges, 763-7661, Clovis, or mailed to 2116 Belair Drive, Clovis, before Saturday, Feb. 21.

Mrs. Voges extended a special invitation to nurses from the Twin Cities area. She said she realized nurses on the Texas side of the state line must travel some distance to attend their state meetings.

Preliminary reports from the National Safety Council indicate that 9,600 fewer persons were killed in traffic accidents in 1974 than in 1973—an average savings of 800 lives per month.

**COMMON SIGHT** - Steerette Kathy Booth bid her time during action against New Deal Tuesday night and maneuvered the New Deal guards into opening a path in the lane for a lay-up shot. Although New Deal's defense tried to clog the lane and stop the shot they had little success against Miss Booth who hit for 39 individual points with 77.8 percent from the field and 100 percent from the free throw line.

### Sheriff's Report

The office of Parmer County Sheriff Charlie Lovelace investigated several vandalism and theft incidents this past week.

A well motor owned by Jim Curtis, south of Farwell, was vandalized. Wires and fan belts were cut and gauges broken, officers reported.

On Tuesday, Feb. 10, vandals broke a glass in a county maintainer while it was parked east of Bovina.

A glass was broken out of a car belonging to Daniel Saiz Sunday, Feb. 15, while the vehicle was parked beside a highway. A tape deck was stolen from the car, according to sheriff's reports.

On Feb. 10, an air compressor was stolen off the front porch at the Woodrow Wright farm, northwest of Bovina.

Gasoline was reported stolen Friday, Feb. 13, from an overhead tank at Gateway Produce in Bovina.

On Monday, Feb. 16, investigators checked a burglary of the Severo Telles' home in Bovina. The intruders stole a doll's money bag. Officers said juveniles were picked up and blamed in the incident. The juveniles also were blamed for stealing some Bovina newspaper racks in December. The racks have been recovered, investigators said.

### Arthritis, Rheumatism Sufferers! Time Proven ICY-HOT PUTS PAIN TO SLEEP "Without taking Pills"

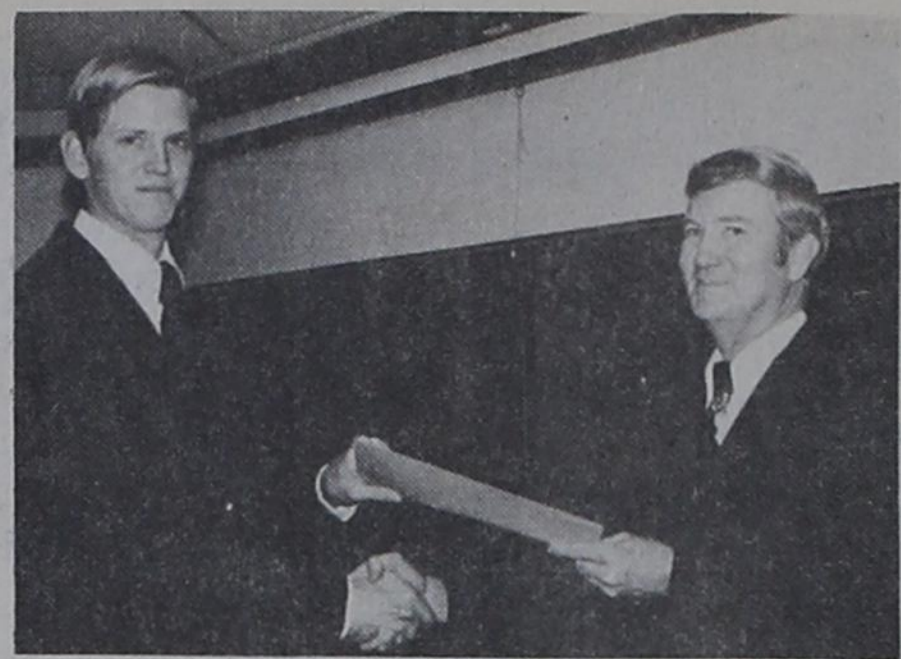

If you're one of the many, many folks who have "tried everything"—taken pills by the thousand, capsules until you've gagged on them, spoonfuls of evil-tasting liquids until you can't stand the sight of your medicine cabinet, then it's time you get ICY-HOT!

ICY-HOT has been making friends for just about 50 years. You don't "take" ICY-HOT. Instead you just rub its creamy balm over the affected joints or muscles. That's all there is to it. ICY-HOT must get you the results you want—blessed temporary relief from the pain of arthritis, bursitis, rheumatism, soreness, stiffness. You begin to sleep peacefully again. You can actually feel the pain lessening. If you don't have relief in 24 hours, we'll return your money.

Yes, you must be 100% thrilled with the speed with which ICY-HOT puts pain to sleep, or we'll return the purchase price without question. \$3.00 for 3 1/2 oz. jar, or \$5.00 for 7 oz. jar.

### Parmer Farmers Get '76 Allotment Notices

Notices of allotments and yields under the 1976 farm programs were mailed to Parmer County farmers Friday, Feb. 13, according to Prentice Mills, executive director of the county Agricultural Stabilization and Conservation Service.

Mills pointed out allotments do not restrict the acreages of any crop, except peanuts, rice, ELS cotton and tobacco, that farmers can plant. "The allotments are used to determine the amount of any deficiency or disaster payment due a farm in 1976," he explained.

Parmer County's allotments include 30,447 acres of cotton, 197,326 acres of feed grains and 121,228 acres of wheat. The cotton and feed grain acreages are about the same as in 1975. The wheat acreage is approximately 15 percent larger than last year's.

For allotment protection farmers may plant for harvest or grazing any crop they wish, Mills said. "By reporting by Aug. 1 the acreage of crops they have planted, farmers can protect the farm's acreage and yield history," he added.

Farmers having a cotton allotment which differs from the acreage they intend to plant should get in touch with someone at the ASCS office, Mills said. "If a farmer has allotted cotton acreage that he does not intend to plant, he

should release the excess allotment to the ASCS County Committee so that the acreage can be assigned to a farm where it is needed and will be planted. If a farmer intends to plant an acreage in excess of his cotton allotment, he should file a request with the ASCS office for additional acreage. This additional acreage would be eligible for deficiency and/or disaster payments in most cases," Mills concluded.

# LINDISLAY

Offers These Exclusive Features As Standard On Zimmatic Systems!

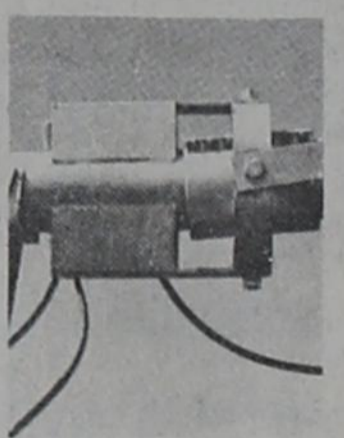

**Monitoring System:** Selector switches and read-out meters quickly pinpoint possible electrical malfunctions, save walking field to find problems.

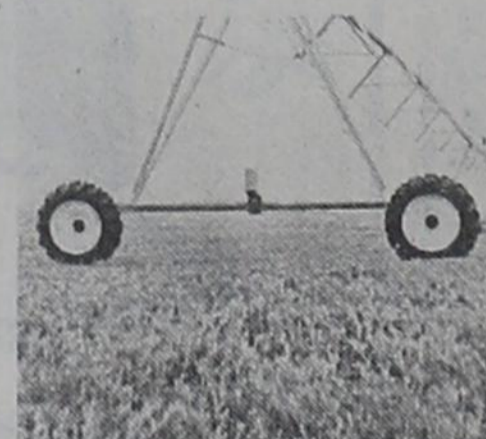

**Pressure Shut Down:** Pressure shut down automatically stops Zimmatic during any loss in pipe line pressure. Eliminates backtracking.

**Enclosed Drive:** Drive mechanism is enclosed in sealed oil bath. Gears are up to 70% heavier with 3 times the strength of some competitive models.

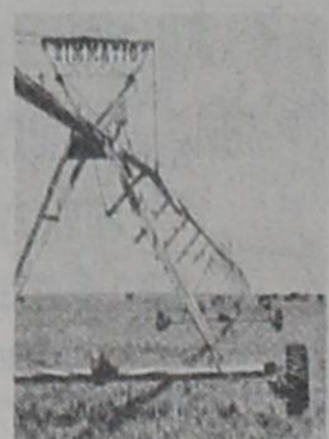

**Uni-Knuckle:** Patented joint allows stress-free flexing on rough terrain. Unit is completely external—nothing inside pipe to obstruct flow.

**Extra Long Wheelbase:** A full 14 ft.—one of the longest in the industry. Works with Uni-Knuckle and Lindsay rotating feature to provide exceptional stability on rough terrain and over terraces.

**Thermal Plastic Control Boxes:** Zimmatic towers feature molded double-wall insulated plastic boxes for freedom from condensation and corrosion.

**Wheel Swivel:** Designed for quick change from watering to towing position. Removal of one pin allows wheel to swivel.

**High Torque Motors:** Lindsay's 200 in.-lb. (stalled) motors, specially designed for irrigation, deliver up to 60,000 in.-lb. torque. Large shafts, heavier gears to withstand stress.

## "I HAVE SET THEE A WATCHMAN"

The Prophet Ezekiel was appointed by God as a "watchman" over the house of Israel (Ezek. 33:7). He was held responsible to warn the wicked from their way, for while God must deal justly with sin, He had declared: "I have no pleasure in the death of the wicked; but that the wicked turn from his way and live" (Ver. 11).  
 If Ezekiel failed to warn the wicked, they would die in their sins, but their blood would be required at his hand. If he faithfully warned them, however, and they refused to heed the warning, they would die in their sins, but he would be absolved of all responsibility (See Ver. 8,9).  
 Would some Christian reader remind us that we are living under another dispensation and that our message is one of grace? True enough, but this does not diminish, it increases our responsibility toward the lost.  
 If we believers carelessly al-

low the lost to go to Christless graves, are we not morally responsible for their doom? Will we not be held accountable at the Judgement seat of Christ? (See 11 Cor. 5:10,11). This is why we find Paul reminding the Ephesian elders that he had not ceased to "warn" men "night and day with tears" (Acts 20:31).  
 As the apostle looked back over his ministry among the Ephesians he could say: "I take you to record this day that I am pure from the blood of all men" (Ver. 26). And this had been so of his ministry in general. Indeed, it was now his desire that whatever the cost, he might finish his course with joy, and the ministry which he had received of the Lord Jesus, to testify the gospel of the grace of God (Ver. 24).  
 May God give us who are believers in the Lord Jesus Christ, a greater sense of our responsibility toward the lost!

### TATUM JUNIOR HIGH TOURNAMENT

Saturday, Feb. 21

### Wolverines To Enter Tournament

The Eighth and Ninth Grade Wolverines of Texico are scheduled to compete in the Tatum Junior High School Basketball Tournament to be played Saturday, Jan. 21, at Tatum.

First action for the local roundballers will be at 11:30 a.m. MST when the Eighth Wolverines collide with the Melrose Buffaloes. (See bracket elsewhere in this issue.) If the Wolverines lose they will

face the loser of the Tatum-Elida clash in the double elimination tournament. The game is to be played at 2 p.m. with the winner being awarded third spot in tournament competition.

If the Wolverines win they will face the winner of the Tatum-Elida tilt at 4:30 p.m. for the tournament championship. Action for the Ninth Wolver-

ines will get underway at 12:45 p.m. when they also meet Melrose. If Texico loses they will face the loser of the Tatum-Elida tilt at 3:15 for third place. If they win they will advance to the finals to be played at 5:45.

### Alana Named To Who's Who

Donald H. Alana, a Farwell coach and teacher, has been selected to Who's Who in Texas Education 1975-76.

Educators are selected by meeting one or more of the following qualifications: special achievements or outstanding accomplishments in the field of education, personal nominations by other educators or individuals, and positions of responsibility. Less than four percent of the total number of educators in the state of Texas are selected each year.

Alana has been teaching and coaching for five years. Teaching areas have included world history, American history, government, health and physical education. He has coached football, basketball, track, baseball and tennis.

He served on the steering committee for the self-evaluation of Farwell High School last year and is presently chairman of the social studies department. He is a member of Texas High School Coaches Association, Texas State Teachers Association and National Education Association. Alana and his wife, Nancy, have lived in Farwell four years.

DONALD H. ALANA

### Panel Hears Friona Man

Governmental intervention into the free market system resulted in loss of more than \$430 million in the 1975 grain sorghum crop alone, according to testimony presented recently before the U.S. Senate Finance Committee.

The hearings, presided over by finance committee chairman Sen. Russell Long, are investigating the Soviet Trade Agreement and possible violations of the 1974 Trade Reform Act.

A.W. (Dub) Anthony, Jr. of Friona, president of the Grain Sorghum Producers Association, told the committee that "government embargoes and restrictions have hurt our market prices by at least \$1 cwt. (per 100 weight) or \$0.56 per bushel... this is not only a loss to our farmers but to the entire United States economy."

Anthony charged that the embargo on sales to Russia, Poland and other Eastern European countries last summer and fall "collapsed the grain markets which forced many grain farmers into bankruptcy."

"Due to government interference in the free flow of grain, the market prices have been like a roller coaster over the last three years."

Billy Watts

### Letters To The Editor

Joann and John,

Just wanted you to know how much I appreciated the articles in the paper about our church's anniversary. It was really a great day of rejoicing in the Lord for the things He has done and is doing right now.

I thank God we have Christian people like you running the paper, and when more and more Godly people are placed in the media and in our local, state, and national government, then will we see order and unity restored to our nation. I believe God has blessed the United States, but the citizens of our country must learn to seek God's will if we are to maintain our freedom. Farwell is a good place to start, I guess!

Thanks again for coming to our celebration and rejoicing with us. Come back again!

With the Love of the Lord,  
Lynn (Blankenship)

.....

State Line Tribune  
Farwell, Tex. 79325

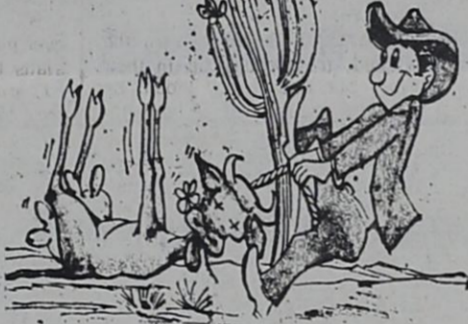

Attention: Joann Getz  
Dear Mrs. Getz:

I have recently moved to Phoenix, Arizona. Would you please have the address changed on my subscription. Thanking you in advance, and keep up the good work.

Say hello to everyone for me and tell the class of '55 that I was sorry to have missed the reunion. Maybe I can make the next one.

My new address is:  
H.R. Billingsley  
22036 N. 27th Ave.  
Phoenix, Arizona 85027

## NEW... N-SERVE

From Dow Chemical Co.

### N-SERVE - - What It Does.

Nitrogen Stabilizers Do Just One Thing . . .

they delay the nitrification of ammoniacal and urea nitrogen fertilizers in the soil. By delaying the conversion of nitrogen fertilizer to other nitrogen compounds, N-SERVE helps prevent excessive nutrient losses which otherwise occur through leaching and escape of nitrogen to the atmosphere. The nitrogen is available longer and in more uniform amounts. This helps assure a continuous supply of nutrient - reduces plant stress.

If your corn yields are limited by nitrogen loss through leaching or denitrification, using a nitrogen fertilizer stabilized with N-SERVE could mean . . .

Reduced losses of fall-applied nitrogen  
Apply nitrogen with N-SERVE at your normal rate in the fall and save valuable time in the spring.

- Less nitrogen needed to produce the same yield.
- No need to side-dress with nitrogen in the spring, since you can now apply all the nitrogen preplant and know it will still be available when the crop needs it most - in the spring.
- Increased yields. Test results show as much as 40 bushels per acre increase where high nitrogen losses have been occurring.

The program with N-SERVE is an inexpensive nitrogen management tool for not only corn, but other crops for which EPA registrations have been obtained.

Available in limited quantity for spring plow-down.
