Large Voter Turnout Expected In Primaries

In what is expected to be heavy voting, Democrats and Republicans will go to the polls Saturday, May 1, as primary elections will be held in Farmer County.

Heavy turnout is expected because of several contested county, precinct and local races in the Democratic primary election.

Charles Lovelace who has held the office of Sheriff of Farmer County since 1949 is challenged for the first time in many years by Bill Denney of Friona.

Denney, 54, police chief of Friona, has been in law enforcement since 1962 when he became city marshal at Bovina. He was hired by the City of Friona as a patrolman in 1967 and was appointed Friona police chief in 1971.

Lovelace, who was elected to the Sheriff's office in 1948, has never faced an opponent. He originally defeated two other candidates. His original election placed him in the combined office of sheriff and tax assessor-collector; those offices were separated in 1957.

In the race for County Attorney, incumbent Johnny W. Act-

kinson, a Farwell attorney, is challenged by John Black, a Friona attorney.

In the 154th Judicial District race for District Attorney, incumbent Jack Young and W. Doyle Elliot vie for the office. Young, of Muleshoe, has held the post since 1960. The outcome of this race will be decided by voters in Farmer, Bailey and Lamb counties.

Much interest has been stirred locally over the commissioners' race. Four names are on the ballot for each of the two commissioners' spots up for election.

A close race is expected in the Farwell-Oklahoma Lane precinct with incumbent Cecil Atchley being challenged by three candidates.

Atchley, who has served on the commission for four years, is challenged by former county judge, Archie Tarter, and from the Oklahoma Lane community, Wendol Christian.

The fourth candidate is A.N. Walls of Farwell.

In Precinct 1, including voters in the Friona-Black-Lakeview boxes, four men are in the running for the spot being left vacant by four-term commissioner, Tom Lewellen.

The candidates are W.L. Edelman, Lloyd Rector, Ernest Anthony and Raymond Euler. Some have termed campaigning in the local and county elections as "low keyed." But this is not unusual for county politics.

On the statewide level, Democratic primary voters will find contests in two major races. Incumbent, Senator Lloyd Bentsen is challenged by three adversaries and the railroad commissioner's spot is sought by eight candidates.

If runoff races are necessary in either county or state races, they will be held the first week of June.

Both state Representative Bill Clayton and state Senator Max Sherman are unopposed. Expected to draw additional

voters for the primaries are the races for presidential delegates both in the Democratic and the Republican parties.

The presidential primary, the first to be held in Texas, may draw more voters than (Continued on Page 2)

Pleasant Hill Baptist Revival Set

Rev. Robert Roberts has announced that Pleasant Hill Baptist Church will hold a

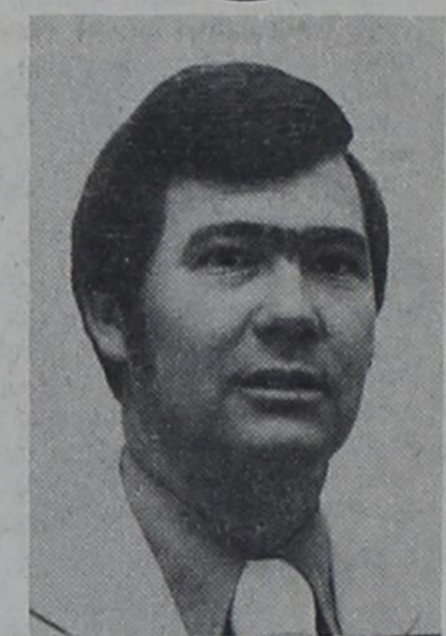

revival May 2-9. Bobby Fuller, pastor of Dora Baptist Church, will be the evangelist. Music director will be Tom Harlan, music director of the First Baptist Church in Texico.

Rev. Roberts stated that Fuller is a much sought-after revival preacher. He added that Fuller puts spiritual depth into his enthusiastic messages.

"Tom will bless your heart with the talent sent from the Lord," Rev. Roberts said of the music director.

Morning services are scheduled for 11 a.m. MDT Tuesday through Friday only. Evening services will begin Sunday at 8 p.m. MDT.

Everyone is invited to come to experience what Rev. Roberts termed "spiritual services and warm Christian fellowship."

Open House To Be Hosted At Oklahoma Lane Church

Members of the Oklahoma Lane Baptist Church will host an open house at the church parsonage Sunday afternoon from 2 until 5 p.m. CDT.

The recently completed parsonage is located just south of Oklahoma Lane Baptist Church. The three bedroom home has a family room with a fireplace, dining room, utility room and two baths. It was completed March 10.

The public is invited to attend the open house. Rev. and Mrs. Moody Smith reside in the parsonage. Rev. Smith is pastor of the church.

Anonymous Donor Gives \$40,000 For Improvements

An anonymous gift in excess of \$40,000 has been donated for the purpose of remodeling the Farwell medical clinic, putting a lawn sprinkler system in at the soon-to-be completed nursing home and also for the addition of a patio and sidewalk at the nursing home.

Charles Aycock, who has been named executor of the remodeling project, said this week that announcement of the donation and his appointment to head the project was given about three weeks ago.

Raymond Treider, building contractor from Lazbuddie, is

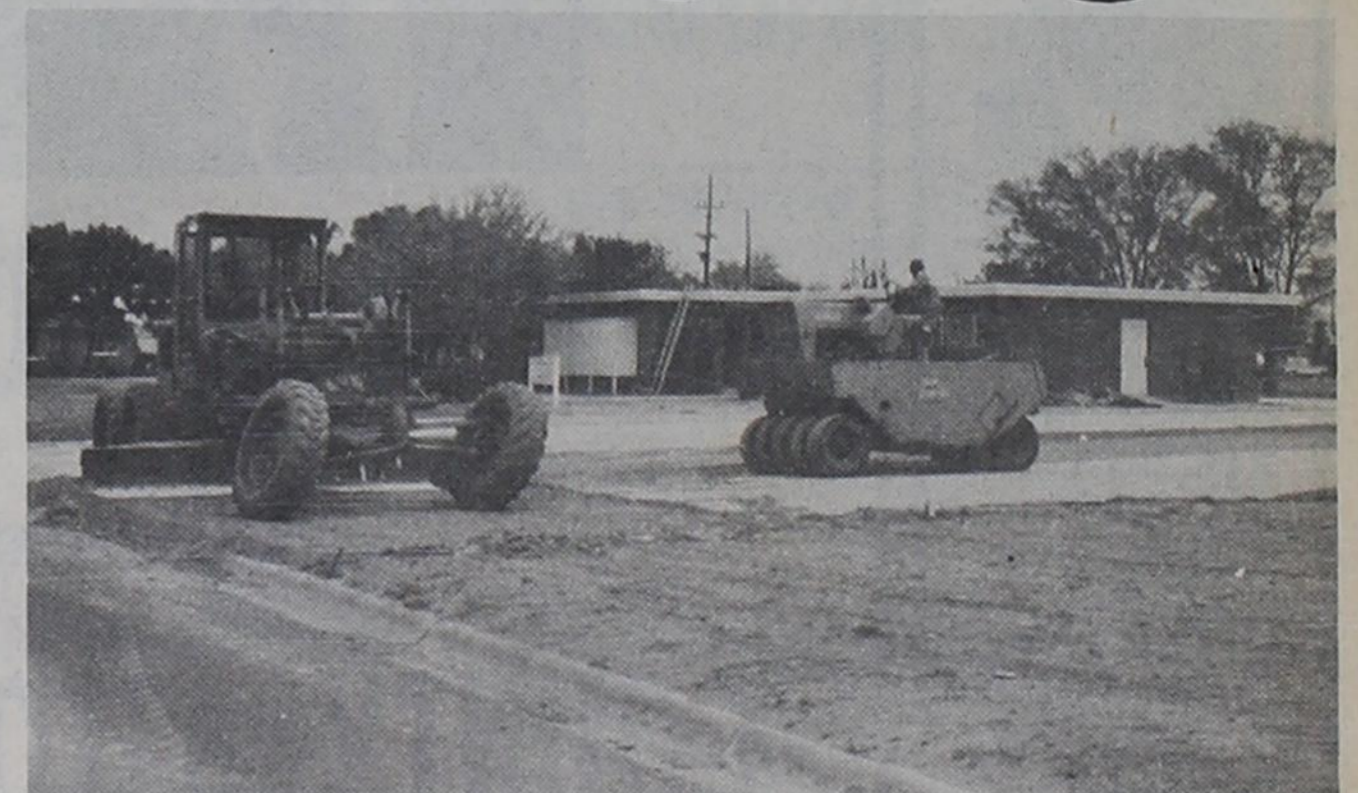

doing the remodeling work on the clinic. Work will include new heating and air conditioning, new roof, glass entry ways, foyer, emergency room with entrance, new lighting, new paneling, painting on the inside and a separate entry into the dentist's office. The office will also be completely refurbished, Aycock reported. K. Barnett and Sons are paving the parking lot.

Work at the nursing home will include installation of the lawn sprinkler system which has been ordered, a patio where residents can spend

time getting sun and exercise and a sidewalk that will encircle the building, Aycock said.

Aycock noted that the clinic will be large enough to accommodate a dentist who is expected to come to Farwell in July and a doctor.

In conclusion, Aycock said that any donations of evergreens and shrubs for landscaping the area around the clinic would be most appreciated. Anyone having donations of this type may contact Charles Aycock.

WORK NEARING COMPLETION - Paving of the parking lot of Farwell Medical Clinic, which is under the contract of K. Barnett and Sons of Clovis, will be finished in a matter of days and work inside the clinic should be finished in approximately five weeks according to Charles Aycock, executor of funds for the project. Work on the clinic and some work on the Farwell nursing home is being done through funds provided by an anonymous donation in excess of \$40,000. In a recent statement to the Farwell Chamber of Commerce, Aycock told members that work on the clinic is being done with no cost to taxpayers.

VOTE SATURDAY. This means YOU! This is an important election, particularly on the local level. It looks suspiciously as if our larger northern neighbor is planning a political coup in the county. We need every local vote we can muster to retain representation at the county level.

We note that the Friona Star had editorially endorsed Bill Denney for sheriff. We wholeheartedly endorse Sheriff Charlie Lovelace for another term in this vital county position.

For effective law enforcement, nothing beats experience on the job. Charlie has been, is now, and will continue to be a darned good sheriff.

A big cheer for Marshal Ronnie Mitchell. We were stuck behind Santa Fe's gates the other day as a switch engine and a few cars set idly on the track adjacent to the depot. This train was not moving and no other train was coming, but the crossarms remained down. Apparently nobody from Santa Fe cared about the traffic beginning to back up for no good reason.

Mitchell happened along and observed the situation, then walked over to the idle engine crew and said a few words. In a trice, up went the arms and traffic again flowed smoothly. We don't know if he said "Open Sesame" or "I'll give you a ticket" but whatever, it worked.

The do-gooders are at it again. This time some rather prominent names have cropped up; names we don't usually see in connection with wild-eyed schemes. We are referring to the recent "manifesto" declaring that an adequate diet was a "right."

Obviously the viscera have taken precedence over the brains in thinking up this "right." It sounds so humanitarian to say that everyone is entitled to a square meal. But this overlooks the basic factor in the economic system that has provided more food than any other system.

We refer to private ownership of property. Ownership and the fruits of ownership are the keystone in a free economic system. With it, we have the huge agricultural production of the United States. Without it, we have the stagnant agricultural production in the Soviet Union.

What the do-gooders miss is the point that the "food" produced in this country is a privately owned and controlled commodity. It belongs to the farmer who raised it. The farmer is entitled to the economic rewards accruing from raising it.

It doesn't belong to the government until the owner sells it, at the best price possible, to the government. In bargaining for this best price, the government has no business creating conditions that will depress this "best price."

As with all other private property, the government should not take from some to give to others; no matter how "worthwhile" it is deemed to be from a social standpoint.

So it is with the "right" to a square meal. The right isn't to the food but to the knowledge and opportunity needed to produce that food. Unfortunately the biggest part of world hunger is directly attributable to faulty political or religious systems.

World hunger will be abolished only through educating the masses of the world in the proper techniques of crop production. As this will also entail a great shift in traditional political and religious thought, the prospect of alleviating world hunger appears dim.

If the do-gooders are serious about waging a long struggle to feed the world, let them begin by attacking, world-wide, the stultifying hand of socialism instead of actually encouraging it.

Let them actively promote birth control world-wide, let them establish more centers of farm learning world-wide, and incidentally also throw in a little on the blessing of free economics.

Let them promote the idea (Continued on Page 2)

TO HEAD JAYCEES - New officers for the Farwell Jaycees were installed during the organization's installation banquet Friday, April 23. Accepting their posts for the 1976-77 year were, from left, front row: Donald Jones, treasurer; Johnny Curtis, internal vice-president; Delton Wilhite, president; and Richard Haseloff, external vice-president; back row: Mike Camp, state director; Bruce Billingsley, secretary; Mike Haseloff, director; Mike Norris, director; Jay Herington, director; and Dennis Gerber, director.

Banquet Highlighted By Awards

The Second Annual Installation Banquet of the Farwell Chapter of Jaycees was conducted Friday, April 23, at a Clovis restaurant. Highlighting the evening's activities were the presentation of several awards and the installation of officers for the 1976-77 year.

The most significant Jaycee

award presented during the evening was awarded Robert White who was named "Jaycee of the Year." The recipient of this award is selected by the president on the basis of work within the club and assistance given the president. White also received a past president's pin as out-going Jaycee president.

Delton Wilhite was also rec-

ognized as he was presented the "Key Man Award." The recipient of this award is selected by the president on the basis of work within the club and assistance given the president. Wilhite also received a past vice-president's pin.

Honored as "Chairman of the Year" was Mike Camp. The "Chairman" is selected by the Jaycee Executive Committee on the basis of work done for the Jaycees. Camp was also presented a past director's pin.

Other awards presented dur-

ing the evening included the "Merchant of the Year" and "Honorary Jaycee." Kirkland and Vinton, Inc. of Farwell was recognized as Merchant of the Year. It was reported that during the Jaycees' first holiday rest stop project, the company donated the use of its offices to the Jaycees.

Lee Hutchins of Farwell was recognized as an honorary member of the local Jaycees. Hutchins contributed his time and skills during the Jaycees' project of lighting the tennis (Continued on Page 2)

Pre-School Enrollment Scheduled For Farwell

Pre-school enrollment for all five- and six-year-old children who are not presently attending school will be Tuesday, May 4, from 8:30 a.m. until 10:30 a.m., in the Farwell Elementary School library, Principal Jerry J. Yows has announced.

If a child is now attending Farwell school kindergarten, he does not need to be pre-enrolled. All students who are presently enrolled at Farwell

School are automatically pre-registered.

For attendance in the kindergarten program at Farwell, a child must be five years old on or before September 1, 1976. To be eligible for first grade, a student must be six years old on or before September 1, 1976.

Parents are reminded that they must bring birth certificates and immunization records so that they may be recorded.

Athletic Director Named At Farwell

Van Tom Whatley has been named athletic director at Farwell High School and will

VAN TOM WHATLEY

report for duties Monday, May 3, Superintendent James Perkins reported.

A native of Andrews, Whatley graduated from Big Spring High School in 1966. He received his associate degree from Howard County Junior College in 1968 and his bachelor's degree from Texas Tech University in 1971. His teaching fields include history and business.

Whatley will come to Farwell from Bishop High School where he has been an assistant coach since 1974. He was previously an assistant coach at Tulia and Wolforth.

A well-rounded athlete, Whatley has been active in football, basketball and baseball on the high school as well as the college level. He has been the recipient of honors in all three sports and has been a member of championship teams through-

out his athletic career.

Whatley will assume duties on May 3 and will head the athletic program for the remainder of this school year. He will coordinate the complete athletic program for Farwell High School for the 1976-77 year, Superintendent Perkins stated.

Whatley and his wife, Paul-ette, have a daughter, Lori Laine who is six months old. Mrs. Whatley will move to Farwell later in the summer. She plans to complete teaching duties at a Kingsville school this year and attend Texas A&I University this summer according to reports.

Whatley succeeds Eugene Jennings who will complete his second year at Farwell High School at the close of this school year. Jennings' resignation is effective at the end of school.

OUT-GOING OFFICERS -- During the Farwell Jaycees Second Annual Installation Banquet conducted last Friday, out-going officers were recognized and presented past officers' pins. Among those relinquishing their offices were, from left, front row: Donald Jones, treasurer, who was re-elected to the post; Johnny Actkinson, secretary; Robert White, president; and Richard Haseloff, vice-president; back row: Delton Wilhite, director; Eddie Winegeart, director, Mike Camp, director; and Jimmy Curtis, director.

secretary; David Turner and Ronnie Curry, and Superintendent Pierce.

Several officials from the Clovis and Grady schools were also present for the meeting. The Clovis school budget meeting was held at 7 p.m. MST on the same day, and Grady was scheduled for Wednesday at 9:30 a.m.

Projected enrollment for next year for grades one through 12 at Texico school is down by five percent from 420 enrolled this year. The 420 figure reflects a five percent decrease from the 1974-75 enrollment, it was noted.

In addition to the 12.3 percent increase in teachers' salaries, a similar percentage increase is included in the new budget for the superintendent's salary, increased from \$17,800 to \$20,000 for next year. Clemmons reported the average salaries for teachers in the next budget is \$11,880, compared to the present \$10,579. He commended the proposed 14.5 to one pupil-teacher ratio for next year. The present ratio is 16 pupils to one teacher.

Officials are estimating 24 eligible youngsters for the kindergarten program for next year and the following year, when New Mexico state funds will be allocated for the entire program. Half-time funding for kindergarten program was established for the 1976-77 school year. This means that Texico will receive funds for 12 fulltime equivalent children for the kindergarten program.

Pierce reported plans to have a 60-day fulltime kindergarten program this year and a full-day program for half of the next school year.

The Texico operational fund revenue sources are 90 percent from state sources, nine percent from local sources and one percent from federal funds.

The budget included a district valuation of \$5,762,455, with an additional \$698,013 coming from Roosevelt County.

Clemmons commented that the tax rate of 22.75 mills in the Texico School District is "significantly higher" than the average state levy of 16.75 mills. Pierce stated that the district's total bonding capacity is \$387,000 and its bonded indebtedness is only \$17,000 to \$20,000 less than that figure. "We are at capacity," he said. "But, we are in good shape," he concluded.

In a breakdown of expenditures, Clemmons said the current year's student dollar figure is \$1,184 and proposed expenditure for direct pupil instruction for next year is \$1,404.

Discussion touched on transportation limitations and conservation of energy. Texico's move to Class AA status is expected to result in an additional 20 percent increase in cost

of travel to such places as Hagerman and Eunice. Among other transportation expenses is a plan for an added activity bus at a cost of \$18,000.

Itemization of the Texico budget for 1976-77 shows \$72,283 for instructional support, \$3,000 for health services, \$57,217 for transportation, \$40,520 for plant operation, \$12,186 for plant maintenance, \$69,400 for fixed charges such as social security and insurance, \$5,500 for food services, and \$43,730 for capital outlay.

The entire budget including debt service, federal project funds and other funds, is \$849,312 for the '76-'77 year, compared with \$864,976 for the current year.

Bentsen has been favored as a favorite son candidate in order that he might control votes of delegates at the National Democratic Convention. Jimmy Carter of Georgia and George Wallace of Alabama will also be on the ballot.

Voters are reminded that in the Republican camp, delegates for Ford and Reagan, plus an uncommitted delegate appear on the ballot. Commissioners Adopt Consortium Resolution

In a regular meeting Monday, April 26, the Parmer County Commissioners Court adopted a resolution establishing a consortium of local units of government to administer a comprehensive employment and Training Act of 1973.

County Judge Paul Fortenberry was authorized to execute the agreement on behalf of Parmer County. The resolution became effective upon passage by the Commissioners.

The court voted to change the second regular meeting day in May to May 25 instead of May 24 as was previously

scheduled. The meeting of the equalization board was also changed to 3 p.m. May 25 instead of May 24 as was originally planned.

Hutchins, who serves as chief of the Farwell Volunteer Fire Department, also aided the Jaycees in carrying out "Operation Red Ball," a project undertaken by the Jaycees and the Fire Department to mark the rooms of children and invalids so they may be rescued in case of fire.

New officers for the forthcoming year were installed during the banquet. Taking their respective posts were Delton Wilhite, president; Johnny Curtis, internal vice-president; Richard Haseloff, external vice-president; Bruce Billingsley, secretary; Donald Jones, treasurer; Gene Beavers, reporter; and Mack Heald, historian.

Incoming directors were Mike Norris, Jay Herington, Dennis Gerber and Mike Haseloff.

Honored as out-going officers and directors and presented past officers' pins were Robert White, president; Richard Haseloff, vice-president; Johnny Actkinson, secretary; Donald Jones, treasurer; Mack Heald, reporter; Dennis Gerber, historian; and directors, Eddie Winegeart, Mike Camp, Carroll Huggins and Jimmy Curtis.

Guest speaker for the evening was James Robinson, president of the Claude Jaycees. In presenting an "impromptu" speech, Robinson opened by stating, "The Jay-

cees organization is the hottest thing going."

He commented on the unity of the Jaycees with the community and the unity within the organization itself. Robinson pointed out the fact that attitude, whether in family life, the church, the community or in any organization, is the most important factor in making things work.

The speaker concluded by commenting on the role played by the wife of any Jaycee president. "A wife is as involved in the Jaycees as the president himself. She is as important to her husband/president as the president is to the organization."

Judge Fortenberry also reported that further information concerning the meeting will be forthcoming in the next couple of weeks.

continuing progress of the nursing home, dentist facilities, clinic and plans for the bicentennial celebration which will be held in Farwell on July 3.

Outlook for the immediate gain of a doctor for Farwell is still uncertain, it was reported.

Present plans for the bicentennial celebration include an old fiddlers contest for which the Chamber of Commerce is awarding first, second and third prizes of \$50, \$30 and \$20, respectively. There will be a fireworks display for which fireworks have already been purchased. Two baseball games are slated during the day of festivities. It was noted that excellent response has been given by local organizations and clubs for the bicentennial.

Charles Aycock reported to the Chamber that work on the clinic is going well and should be completed in another month. Work has been enabled through an anonymous donation over \$40,000.

Epsilon Sigma Alpha To Canvass For Cancer

Theta Rho chapter of Epsilon Sigma Alpha sorority will sponsor the annual American Cancer Society fund drive in Farwell Monday, May 3. Members of the sorority will have a door-to-door canvass in both the residential and business districts in Farwell, it was explained.

Although the American Cancer Society fund drive is an annual community project, this will be the first year it will be under the sponsorship of Epsilon Sigma Alpha.

Each sorority member taking contributions will be wearing an American Cancer Society name tag and will distribute information pamphlets to residents and business persons.

Funds collected by the Texas branch of the American Cancer Society will be spent during the fiscal year from September 1 to August 31 for cancer research, professional education, public education, service, program development and administration and crusade.

Research in Texas, which includes 32 grants, 36 national and division fellowships plus two division clinical oncology professorships, is enhancing the possibility of finding answers that will be useful for the control of cancer.

Benefits from past research projects are now evident in improved methods of earlier diagnosis and treatment of

cancer. "Hope for the final success in conquering cancer is a massive extension of the present research program," comment ESA officials.

Steerette Golfers Headed For State

Farwell High School Steerette golf team captured the Region I golf title at the regional tournament held April 21 and 22 in Lubbock at Meadowbrook Golf Course. In the first round, Farwell led the field by four strokes, Stanton High School was second, Stratford was third and Vega was fourth. The Farwell team, defending State Champions, increased its lead in the second round and won the tournament 15 strokes ahead of the second place team. This victory gives

the Farwell girls the right to a position at the State Golf Tournament in Austin on May 6, 7 and 8.

Third place medalist honors go to Farwell's Penny Hughes with 180. Tina Foxhall of Memphis took first with 172 and Carolyn Hopkins of Stanton came in second with 179.

"Our girls have done a super job all year. They play like the champions they are," commented coach Don Alana. "All the girls have improved so much over the last year, another state championship is very possible," he added.

"I was very pleased with Penny Hughes for winning third place medalist in the regional tournament. Penny is a good golfer and very interested in improving her game," he went on to say.

"Carol Vinton played in the regional tournament with a broken finger. Carol did not shoot well, but low enough to keep us in the tournament. She is a real competitor as well as Kathy, Claire and Deana," the coach concluded.

are in charge of decorations for this year's banquet and the junior class boys will have the chore of putting them in place.

Senior class sponsors are Mrs. Mary Peyton and W.B. Walters. Junior class sponsors are Mrs. Juanita Hadley, Mrs. Kay West and Randy Lyons.

JON NEWTON BELIEVES:

"Texans are going to get a handle on rising utility costs only when we reject phony political promises and attack the problem both here and in Washington."

LEADING JOURNALISTS AGREE:

"The public will expect and demand of the commission a performance more judicious and exacting than ever before in its 85-year history. Of all the candidates in this important race, we believe Jon Newton is best qualified to meet the needs of this new day for the commission." *Dallas Morning News, April 19, 1976.*

"Jon Newton is an unusually well-qualified candidate for this office which today is of tremendous and growing importance to our state and nation." *Kilgore News Herald, April 18, 1976.*

"He has worked successfully for consumer and environmental causes, he is for a realistic and wise use of our state's resources and he has spoken out in federal forums for adequate energy policies." *Port Arthur News, April 20, 1976.*

"If a voter wants to do something about solving energy and transportation problems, one effective way would be to vote for Jon Newton for Texas Railroad Commission." *Houston Chronicle, Feb. 15, 1976.*

"Newton talks common sense on energy and is ready to go to bat for all Texans... (his) views are sound, his goals admirable and his qualifications superior." *Victoria Advocate, Feb. 15, 1976.*

"We need men like Jon in every capacity in state government." *Beeville Bee-Picayune, Jan. 19, 1976.*

"'Ask Jon Newton' is becoming the byword around the Capitol when it comes to energy and utility regulations." *Houston Post political column, Feb. 15, 1975.*

Our future with Gifford-Hill's aluminum pipe has made history.

Farmers tend to be pretty tough customers. They want to get everything they can out of every nickel they spend. And that's good.

Because the tougher they get the more likely they are to use Gifford-Hill's aluminum pipe.

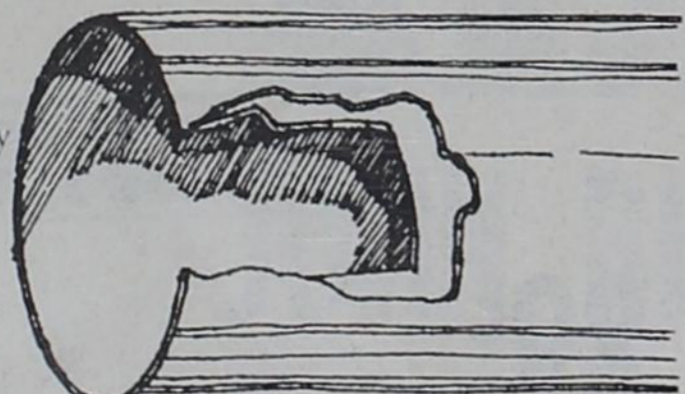

First of all, it's clad.

But that's not all. It's also roll formed. The walls are an even thickness so you don't have to worry about thin spots and cracking.

And the ends are reinforced so you don't have to worry about it getting out of round.

Whether you need a pivotal system, an underground PVC system, or an aluminum surface system, you just can't outdo us.

All you have to do is take a look at our past. That should give you a very good idea about what to expect in the future.

GO TO GIRLS TOWN - ESA members, from left, Betty Jean Castleberry, Ann Liethen, Jeannie Norris, Judy Jones, Dot Christian, Dardanella Helton, Faye Parr, Doris Ford and Nell Walling stand ready for their trip to Girls Town April 21. These members of Epsilon Sigma Alpha went to Girls Town to paint, hang curtains and replace linen in two rooms and bath at the home for girls. This is the third year that ESA has had this project.

Girls Town Rooms Renovated By ESA

For the third year, members of Theta Rho chapter of Epsilon Sigma Alpha sorority have as one of their projects the complete renovation of two rooms at Girls Town.

On April 21, Nell Walling, Dardanella Helton, Jeannie Norris, Judy Jones, Ann Liethen, Lillie Christian, Faye Parr, Doris Ford and Betty Jean Castleberry went to Girls Town to work on the rooms.

The rooms were painted and new drapes were hung in the rooms and bath. Carpet was laid and the furniture in the rooms was completely re-finished. New sheets, bedspreads, towels, wash cloths and other bath accessories were taken.

Much preparation was done by members of ESA before the trip was made. Members left Farwell at 8 a.m. and returned

home at 7 p.m. that evening.

According to project coordinator, Dardanella Helton, the project, though a lot of work, is very rewarding. She said that the girls seem thrilled and it is a feeling of accomplishment to see the girls so excited when the work is finished.

Those making the trip had lunch in the Girls Town dining room, reporting that it was a most enjoyable experience.

Bird-Wellman Vows Exchanged

Elizabeth Louise Bird and David Blair Wellman exchanged marriage vows April 22 at 6 in the evening in the Aquinas Newman Center on the University of New Mexico Campus in Albuquerque, N.M.

The bride is the daughter of Mrs. Earl Allen Bird of Albuquerque, and the bridegroom is the son of Mrs. Helyn Blair Wellman of Chicago, Ill., formerly of Texico. He is the grandson of Mrs. E.G. Blair of Farwell.

Given in marriage by her uncle, John Wessels, of Ponca City, Okla., the bride's gown was of ivory satin. The gown featured a lace yoke and chiffon caftan. The bride's bouquet was of talisman roses, carnations and baby's breath.

Matron of honor was Mary Ann Gibson of Los Chaves, N.M., sister of the bride. Bridesmaids were Angela Blissenbach, Patti Dunn and Mary Lou Dominguez, all of Albuquerque. Flower girl was Elaine

Flannigan. The bride's attendants wore sheath gowns of peach crepe and caftans of peach floral chiffon. Their headwear was baby's breath.

Best man was Forrest Wellman, brother of the bridegroom, of Farmington, N.M. Ushers were Les Gibson; Glenn Wellman of Chicago, brother of the bridegroom; and Riley Kilgo, grandson of Mrs. Riley Boss of Farwell.

The reception following the ceremony was held in the Cotillion Room of the Four Seasons Motel in Albuquerque. A buffet was served and music was provided by the "Vikings."

Following a short wedding trip through New Mexico, the couple will reside at 2312 Alvarado N.E. in Albuquerque.

The rehearsal dinner was hosted at the home of Mrs. Wanda Boss Kilgo, formerly of Texico.

PRESIDENTS AND WIVES - Mr. and Mrs. James Robinson of Claude, left, were among special guests at the Farwell Jaycee Installation Banquet held Friday. The guests visited with Mr. and Mrs. Robert White during the evening. White is president of the local Jaycees and Robinson serves as president of the Claude Jaycees. During the evening Robinson served as guest speaker, and commented on the importance of the wife of a Jaycee president.

Farwell 4-H Has Program On Safety

The Farwell Junior 4-H Club met April 19, in the Farwell Junior High Library. The program on motorcycle safety was given by Texas Department of Public Safety Patrolman Tony Guest of Amarillo.

Following the program, County Extension Agent Jana Pronger reminded the members to bring their Tom Watts kits this week.

Discussion was held on upcoming demonstrations to which the public will be invited and the program for the next meeting. The boys worked on their rifle project.

Members present were Mark Owen, Charlie Rose, Norine and Sharlene Jones, Teresa Morris, Alice Cantu, Richard May, Allen Eubank, Craig Kaltwasser, Darin Darby, Stephanie Morris, Jacquelyn, Lisa and Dan Kube, Johanna, Berny and Thomas Mesman. There were also two guests present. Leaders present were Mary Mesman and Miss Pronger.

Richie Gulley Honored On 3rd Birthday

Richard (Richie) Gulley, son of Mr. and Mrs. Larry Gulley of Lariat, was honored with a party for his third birthday Thursday, April 22, in the home of Mrs. Gladys Fitz in Texico.

Mrs. Fitz served the children cakes cooked in ice cream cones and decorated with funny faces.

Present were Michael Shaw, Jason Phipps, Jason Christian, Chad Dunsworth and Amy Gulley, the honoree's sister.

On Saturday, April 24, Richie was honored with another party in the home of his parents.

Guests were served a choco choco train-shaped cake and ice cream. The brightly decorated cake was made by Sharon Eubanks.

Attending the party were Laurie and Tod Embry, K.C. and Ella Eubanks, Robbie,

Gina, Jason and Traci Phipps, Mrs. Sharon Eubanks, his aunts, Janet Ellis of Muleshoe and Mrs. Becky Embry; and guest of honor, his sister Amy.

Richie's birthday was April 22.

Wedding Reminders

Friends and relatives of Ann Marie Meador and Luther Bullington are reminded of their wedding which is planned for Thursday, May 6, at 7 p.m. MDT at the First Baptist Church in Texico.

Ann Marie is the daughter of Mr. and Mrs. Raymond Meador of Clovis and Luther is the son of Mr. and Mrs. Charles Duncan of Texico.

Soil Stewardship Week Scheduled May 23-30

Soil Stewardship Week is May 23 through May 30. This is a national observance for both city and country folks. The

theme this year is "We Begin Again."

Purpose of the week is to bring to everyone's attention to our dependence on the soil. "We use the soil for a place to build our homes, to grow the timber we use for constructing our buildings and to grow the food we eat," stated Herb Evans of the Soil Conservation District.

"Have we ever created an inch of top soil? Impossible; but we have all seen top soil blow and wash away. Bearing this in mind, if we can't create soil we should take care of, or be good stewards of the soil we now have," he said.

The farmer knows the soil was on his farm when he started farming. His goal is to maintain or improve the condition of the soil - not to harm it. The goal of town people is to control erosion to improve living conditions. Blowing dust is unpleasant. Each one of us has a stake in stewardship of the soil, according to Evans.

Soil Stewardship materials, purchased by the Parmer County Soil Conservation District, are being distributed to all churches in Parmer County this week. If your church has not received the materials contact the Soil Conservation Service in Friona.

Also, the SCS personnel in Friona are available to bring soil stewardship programs to civic and church groups.

agri-facts

By John Ricci

Have farmers done anything for you lately? Probably not. At least, not since your last meal. Figures developed by researchers with the USDA indicate that American farmers' production last year was high enough that each man farming produced enough to feed 57 people. In the European Common Market countries one farmer produced enough to feed 23 other people, the average of all developed countries was less than half the productivity in the U.S. and in Russia the average farmer produced enough to feed only about 8 others. Not only is the American productivity important in keeping us all well fed (most too well) it's also significant in that it allows 96 out of every 100 people to work in areas outside food production. That makes possible the production of the wide variety of goods and services which constitute our unparalleled living standard. Keep it up farmers!

AT THE JOB OF YOUR COUNTY COMMISSIONER

I am Wendol Christian, a Democratic Candidate for Commissioner Precinct #3, Parmer County. I believe that the business experience and management background I offer to this office deserves your serious consideration and your vote on Saturday, May 1st.

I believe that having been born, raised and a lifetime resident of this precinct gives me the interest needed to serve you in this capacity. I believe that my past service on other county and state levels of government qualifies me for this position.

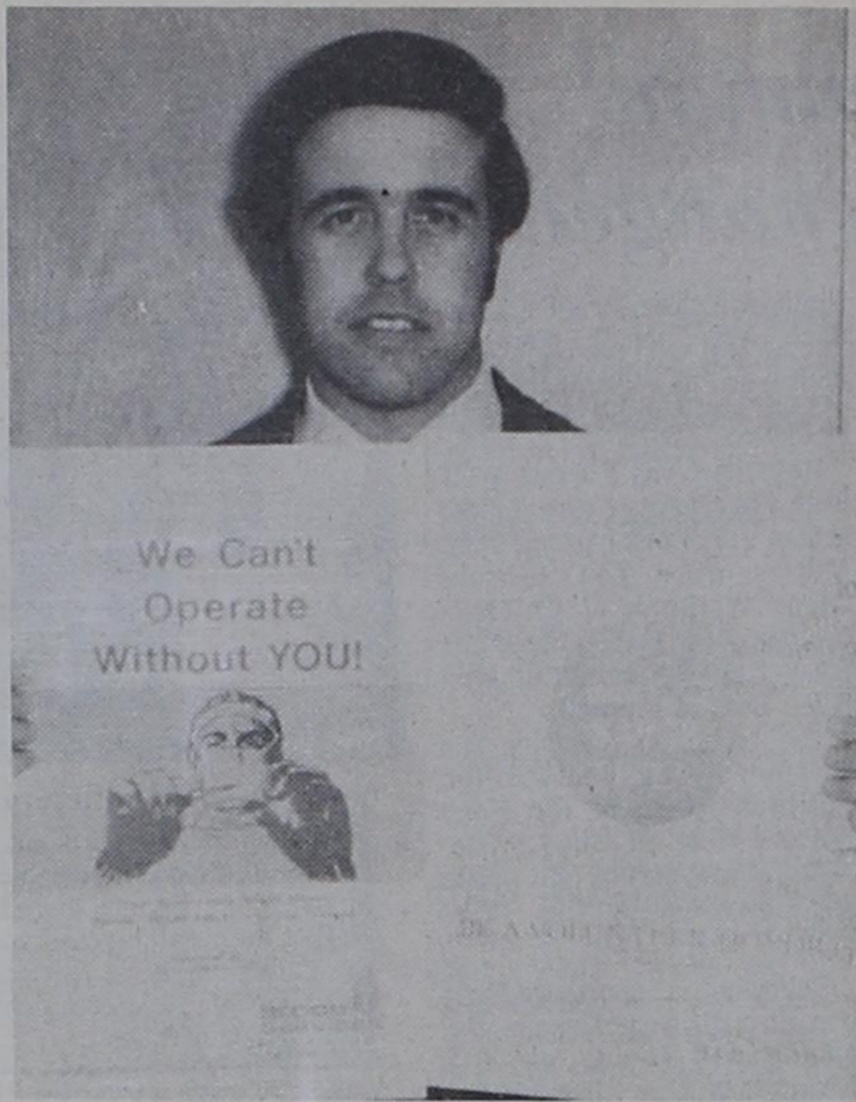

In this Bicentennial year we hear many times, "Wake Up America," I would add, "Wake Up Voters," and elect a younger and more progressive man as your county commissioner.

I ask your support in the Democratic Primary this Saturday May 1st, 1976.

BLOOD SAVES LIVES - Members of the Texico-Farwell Lions Club will be sponsoring their semi-annual blood drive Wednesday, May 5. Those persons wishing to donate blood may do so from 3 to 5 p.m. CDT at the Farwell Fire Station. The drive is being coordinated by Blood Services of Lubbock, which allows donors to insure themselves in case of personal or family need for blood through the donation of a pint of blood each six months. Jim Walker, local Lions Club member, displays two of the posters distributed by the club urging everyone to donate.

Blood Drive Slated May 5 By Lions Club

The Texico-Farwell Lions Club will sponsor its semi-annual blood drive on Wednesday, May 5, from 3 to 7 p.m. CDT at the Farwell Fire Station. The blood drive is sponsored through Blood Services of Lubbock, which has recently received accreditation by the American Association of Blood Banks in Washington, D.C.

Blood Services allows donors to insure themselves in case of personal or family need for blood through donating a pint of blood each six months, it was explained.

Most donors are curious to know what happens to their blood once it is donated. It is emphasized that the donor can be assured that a recipient will definitely gain life-sustaining support from their blood.

Blood donated is fed from the donor into a bacteria-tight receptical which is then segmented. Laboratories use some of the segments to determine blood type and to perform

other tests necessary to assure the hospital patient of receiving the safest blood product available. The remainder of the segments are attached to the unit of blood and are used by hospital personnel to determine compatibility between the donor's blood and respective patients.

Blood is broken down into its various components and may be administered to patients in the form of red cells, the anti-helmophilic factor, platelets or plasma rather than whole blood. Through the processing of these various blood components, up to four patients can be helped from one blood donation.

Though many go through life never needing a unit of blood, for those patients who need this life-saving fluid, there can be no substitute. Donating blood requires just a little time, but the time seems small when compared to the fact that a life may be saved.

A spokesman for the Texico-Farwell Lions Club reported that the Lions challenge other civic clubs to encourage and support this worthwhile project.

It has been estimated that if a man, in proportion to his weight, could jump as high as a flea, he could jump over a tall building with ease!

Sheriff's Report

The Parmer County Sheriff's Office has been active during the past week investigating five thefts.

On Monday, April 26, shoplifting theft occurred at Bob's TV in Farwell. Sheriff Charlie Lovelace has reported that the stolen merchandise, a citizens band radio valued at \$169.95, has been recovered and a warrant has been issued for a suspect in the incident.

A burglary at a fertilizer plant about four miles outside of Friona was reported to the Sheriff's Department April 22. Sheriff Lovelace commented that the theft had taken place approximately four days prior to the report.

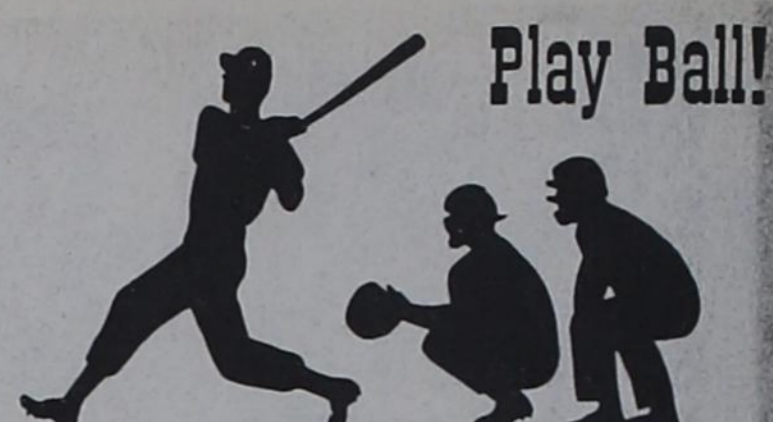

During the incident a metal box, which was reportedly empty, was taken from the plant.

On the night of April 22, a burglary occurred at Fangman Farms outside of Friona. It was reported that welding torches, gauges, a hose and three new tires, valued at \$329.85, were taken. The incident is currently under investigation by law enforcement officials.

Also on the night of April 22 two thefts occurred at Stowers Ditching Company in Friona. A citizens band radio was taken from a diesel truck belonging

to Johnny Tannahill. The truck was parked at the company when the theft occurred.

Buddy Stowers of Stowers Ditching Company reported vandalism and a theft at the business. Sheriff Lovelace stated that the glass had been knocked out of the front door of the firm and approximately \$350 in welding equipment was taken.

naire from W.H. Walter, Agricultural Statistician-in-Charge of the Texas Crop and Livestock Reporting Service in Austin.

Information gathered will be the basis for determining the planted acreage for the state of Texas and for each county. Texas covers such a wide area that state totals alone do not provide adequate information on Texas' most basic industry - agriculture. The Texas Legislature has provided a program of estimates for each county. This is a cooperative effort of USDA's Statistical Reporting Service and the Texas Department of Agriculture.

Accurate estimates are of great importance to farmers in planning production and marketing and in providing an unbiased picture of Texas agriculture. Farmers who receive questionnaires are urged to complete and return them by mail. All individual reports are confidential and are used only for state and county totals.

TWO MINUTES WITH THE BIBLE

BY CORNELIUS E. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635

THE WORK OF THE LORD

There is much work to be done in the service of God, but all are not eligible to work for Him. Before He can use us we must learn that we need Him. This is why Eph. 2:8-10 declares that salvation is "NOT OF WORKS" but "UNTO GOOD WORKS." Salvation was wrought by Christ alone, at Calvary, and we must accept it as the gift of His love. Rom. 6:23 says: "The gift of God is eternal life, through Jesus Christ our Lord." Eph. 2:8 says: "It is the gift of God," and we should all accept this gift by faith and say with St. Paul: "Thanks be unto God for His unspeakable gift" (II Cor. 9:15).

God wants us to work for Him, not to gain His favor, but out of gratitude. Thus only after we have accepted salvation as His gift to us can He use us in His service -- and then He will give us plenty to do.

Tit. 3:8 says that "THOSE WHO HAVE BELIEVED SHOULD BE CAREFUL TO MAINTAIN GOOD WORKS" and I Cor. 15:58 says that they

should be "steadfast, unmovable, ALWAYS ABOUNDING IN THE WORK OF THE LORD."
But God would also have His people to be "FRUITFUL IN EVERY GOOD WORK" (Col. 1:10) and so He bids us "every man" to "test his own work" (Gal. 6:4) forewarning us that one day He will "try every man's work, of what sort it is," whether "gold, silver and precious stones" or "wood, hay and stubble" (I Cor. 3:12,13). In that day God's workers will either "receive a reward" or "suffer loss" (Vers. 14,15).

How important, then, to obey the exhortation: "Study to show thyself approved unto God, A WORKMAN THAT NEEDETH NOT TO BE ASHAMED, rightly dividing the Word of truth" (II Tim. 2:15). Thank God, He is more than willing to help us in this, for "God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound in every good work" (II Cor. 9:8).

TOP DAIRY CATTLE JUDGING -- The Parmer County 4-H Dairy Cattle Judging Team of, from left, Donnie Gustin, Steve Cockerham and Rocky Bartlett, topped the field of judging teams in the second round of District 2 Contests held April 24 in Lubbock. The team picked up 743 points out of a possible 900 with Gustin taking high individual honors with 272 points, and Cockerham taking honors as third high individual with 247 points. The team is now eligible to participate in the State 4-H Roundup to be held at Texas A&M University in June.

At District Contest - - County 4-H'ers Top Dairy Cattle Judging

4-H Club members from eight South Plains counties won top honors in the second round of District 2 Contests in Lubbock Saturday, April 24, and as a result, earned the right to enter state competition to be held at College Station during the first week of June.

About 400 boys and girls competed in the event at Texas Tech University which included livestock, dairy cattle and horse judging and rifle skills.

Parmer County took top honors in senior dairy cattle judging. Dairy team members Donnie Gustin of Friona and Rocky Bartlett and Steve Cockerham, both of Bovina, scored a total of 743 points out of a possible 900 for the honor.

Gustin was tagged high individual in the judging competition as he racked up 272 individual points. Cockerham was named third high individual with 247 points.

In other competition, Lamb

County won first in livestock judging, Bailey County took first in horse judging and the rifle skills competition was topped by Floyd County.

Placing second in livestock judging was Crosby County; horse judging, Borden County; and dairy cattle judging, Gaines County. Lubbock County was second in rifle.

To qualify for state competition, a team or individual must have a first or second place win in the senior division which is for 14-year-olds and older.

Ribbons for competition were presented at an awards assembly following the contests. The judging events comprise the second of three rounds of competition which determine who will represent Texas Agricultural Extension Service District 2 at State 4-H Roundup at Texas A&M University in June. First round competition

was the 4-H Food Show which was held last December. A third and final round will be held Saturday, May 1, when nearly 400 4-H'ers compete in method demonstration contests.

Billington Enlists In Marine Corps

S/Sgt. Chuck Graham, local Marine Corps Representative, announces the enlistment of Henry F. Billington, Jr., son of Mr. and Mrs. Delfino Lopez of 509 South Rose in Texico.

Private Billington chose a 4 year "general" enlistment in which he will be competing for one of over 450 types of jobs the Marine Corps has to offer.

Henry departed April 27, for 12 weeks of Marine Corps "boot camp," where he will undergo extensive training in physical conditioning, marksmanship, close order drill, combat tactics, and leadership.

Prior to departing for recruit training Private Billington worked as an assistant recruiter, trying to earn his first promotion and pay raise.

was the Carrie Anderson-Martin Chandler team.

Placing first, second and third in low net, respectively, were Bob Anderson and Jeanette Ford, Edith Chandler and Steve Youngers, and Bobby Vinton and Delores Williams.

Other teams playing were Barthell Ford and LaCretia Kelley, Randy Kelley and Sharron Hughes, and James Williams and Robin Gregory.

"Play was lots of fun and the sudden death play created interest," commented Alice Vinton.

Scotch Foursome Enters Sudden Death Play-Off

A Scotch Foursome was conducted Saturday, April 24, at the Farwell Country Club with nine teams playing. All players brought a covered dish for luncheon.

Low gross had tie totals which created a sudden death play-off situation between Walter Hughes and Beverly Obenshain against Alice Vinton and Ken Youngers of Seattle, Wash. Both teams had a 46 score. Alice Vinton and Ken Youngers won the play-off match.

Taking third in low gross

Texico Council Approves Water, Sewer Rate Hikes

Texico City Trustees approved a new city ordinance which will increase water and sewer rates. The ordinance which will go into effect June 1, 1976 was passed at the regular meeting Tuesday, April 27.

Sewer rates were increased one dollar per month and the minimum water rate was raised to \$6 per month with a minimum usage of 4,000 gallons of water, it was reported. The present minimum water rate is \$5 per month. The increase will appear on July 1 bills.

Garbage rates will remain unchanged for the present time, it was announced. However, there was discussion between the Council and George Davis, sanitation contractor for Cannon AFB and Clovis, as to the possibility of a future contract for waste disposal in Texico. Davis will meet with the Council at the next regularly scheduled meeting to give a more detailed report on cost structure.

Charles Payne of Diamond Shamrock gave a report to the Council on street patching

materials. Trustees did approve a purchase of materials from Payne.

It was agreed by members of the Council that City Marshal Willy Ronquillo will begin patrolling the city park. Automobiles found parked on the tennis court or in the park area will result in fines to the owners.

The city tractor will no longer be loaned to Texico citizens, it was announced. However, citizens may obtain tractor time when a city employee has available time to operate the machine. Cost for this service will be \$7.50 per hour.

Those present at the meeting were Texico Mayor Manford Turnbough; Trustees Bill Thigpen, Ruby Goforth, Vane Dosher and Marie Christian; city employees, Willie Ronquillo, Billy Hammit and Clara Wiehl; city attorney, Harry Patton, and city engineer, Ralph Douglas.

Melrose, Texico Take EPAC Meet

Melrose took first place honors in the senior boys division while Texico captured top honors in the senior girls division at the Eastern Plains Athletic Conference track and field meet Saturday at Wolverine Stadium in Texico.

In the boys division Melrose took first place with 174 points, Tatum was second with 158 and Texico placed third with 107 points.

Also competing in the meet were Logan, 65 points; Grady, 23 points; Floyd, 20 points; and Dora, 9 points.

Competition in the senior girls division put Texico first with 150 points, Tatum close behind with 146 points at second and Melrose came in third with 90 points.

The junior boys division race was a close one with Tatum placing first with 143 points, Texico placed second with 130 points and Melrose came in third with 74 points.

Texico took an easy first place in the junior girls division with 183 points, 86 points in front of Melrose's 97 points. Coming in behind Melrose in third place was Dora with 64 points.

Those students from Texico placing first, second or third in individual events are the following:
