## Crowning Of King, Queen To Highlight Homecoming

Homecoming activities at Texico High School got underway Monday when the varsity football team selected the eight candidates who will compete for the King and

Queen crown, to be placed upon the heads of the lucky winners during halftime ceremonies tonight (Friday).

The candidates for Queen were picked from among all

female students in the sophomore, junior and senior classes. The King candidates were chosen from the ranks of the Wolverines varsity football team.

Contenders for the Queen honor chosen from the junior class include Debra Coffey, daughter of Mr. and Mrs. O.B. Coffey; Karen Hadley, daughter of Mr. and Mrs. Raymond Hadley; and Christi Harrington, daughter of Mr. and Mrs. Eddie Harrington. The senior girl candidate is Deanne Day, daughter of Mr. and Mrs. D. Smith Day.

Contending for the King's crown are seniors Mark Howard, son of Mr. and Mrs. W.D. Howard, and Jackie Reid, son of Mr. and Mrs. W.O. Reid. The junior candidate is Steve Turner, son of Mr. and Mrs. David Turner. Keith Hadley, son of Mr. and Mrs. Raymond Hadley, is the sophomore candidate.

Crown bearer and flower girl will be Cory McDaniel and Gina Ortiz.

The Wolverine student body was to vote by secret ballot Tuesday. The winners names will also be kept secret until the long-awaited bestowing of King and Queen crowns which takes place tonight (Friday) during halftime activities.

Spirit has been running high

all this week as the high school cheerleaders conducted daily activities designed to boost school spirit and to show the Wolverines that they are backed by their fellow schoolmates.

The cheerleaders' spirit drive included putting up posters and conducting "spirit chants" in the halls.

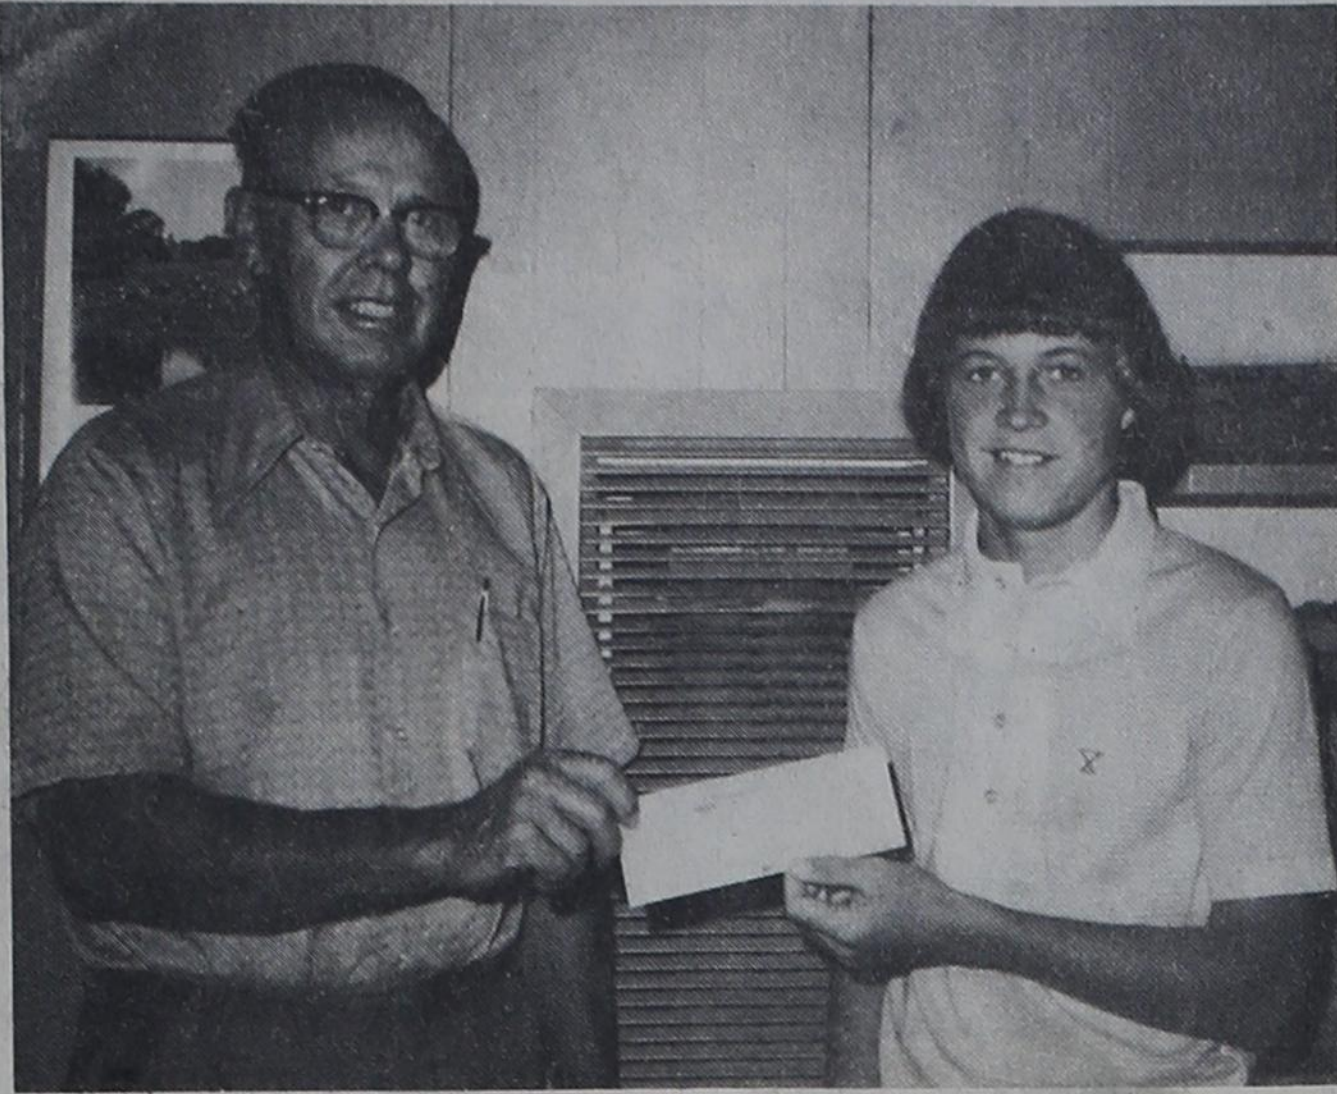

Tonight, the Wolverines seek their first victory of the season when they clash with the Vaughn Eagles at 7:30 MDT in Wolverine Stadium. Students, ex-students and fans are encouraged to attend the homecoming tilt and support their team.

Texico Kiwanis Club is sponsoring a Pancake Supper prior to the ballgame. The supper, scheduled from 3 until 7:30 p.m. MDT, will be in the school cafeteria.

The Kiwanians will serve sausage, pancakes, coffee and milk. The cost is \$1.50 for adults and \$1.00 for children 12 and under.

Besides the pancake supper there will also be a coffee time for Texico Alumni.

A bonfire was to be held at 8 p.m. MDT Thursday north of the football field. A pep rally scheduled for 3 p.m. today (Friday) was the final pre-game spirit booster for the Wolverine student body.

### Wins Grid Contest

## First Prize 'Owen' Mark In Contest

For the second consecutive week, a tie game (Sunray vs Vega) has emerged on the guessing list in the Merchants Football Contest. In addition to the tie game, the Missouri Tigers pulled off a convincing, 42-25 victory over favored Southern California to further confuse contestants. Also, for the second week in a row, the tiebreaker game was brought into effect to decide the weekly winners.

The second week's contest had 13 contestants who selected 10 correct games. Mark Owen missed the tiebreaker by only five points, choosing Farwell to win, 20-6, to take top honors and \$7.50. Second place went to Harold Jones who picked a 20-7 victory by Farwell just six points off the mark. Edwina Owen was third place winner by being off seven points.

The Hereford-Palo Duro game, which was played on Thursday night, has been counted as a correct game for all contestants.

There were 39 new entries in last week's contest.

After two weeks of competition, the "Women's Liberation" movement is out in front as Edwina Owen leads the field by one point over three other contestants. Mrs. Owen has tallied 20 points to edge out in front of Pat Owen, Louise Hancock and Thad Phillips, who have each scored 19 points after two weeks of guessing.

Six contestants trail the leader by two points with 18 correctly called games. They are Joyce Coffman, Becky

Inge, Ruth Newell, Gerald Norton, Missy Taylor and Clay Williams.

Back in the pack trailing by only three games are 19 other contestants. They are Beulah Williams, Dorris White, Jack Taylor, Tex Smith, Eddie Smith, W.M. Roberts, Mark Owen, Carlton Newell and Sherri McCully.

Also, Terry King, Leigh Ann Kirkland, Doyle Johnson, Henry Haseloff, Susan Franse, William Dannheim, E.R. Coffman, J.D. Carson and Mike Camp.

Others picking ten correct games last week were Tex Smith, Pat Owen, Ray Ford, Jerry Owen, April Coffman and Susan Franse.

Contestants predicting nine correct games were Frances Birchfield, Mike Camp, Dickie Chandler, Chip Craft, Greg Geuther, Louise Hancock, Doyle Johnson, and Gilbert Kaltwasser.

And, Jeniene King, Leon Norton, Ray Norton, Thad Phillips, Susan Snodgrass, Dolores Taylor, Jack Taylor, Missy Taylor, Cynthia Thigpen, Beulah Williams, Mark Williams and Benny Yruegas.

The second week of the contest drew only 231 contestants, a decrease of 65 entries over the first week of competition. Contestants are reminded that even if they don't do well in the weekly contest, they can

still win the contest in the long run, provided that they submit an entry form each week and accumulate points.

This year's contest gives the

Fall is gently stealing across the Golden Spread. Our soft maples are answering the subtle urgings of nature and beginning to put on their brilliant fall raiments. Soon the Twin Cities will offer a foliage pageant as beautiful as many of the more highly touted tour areas. It has always seemed a pity that more publicity hasn't been given to the High Plains area for its variegated fall foliage.

While the trees and shrubs are preparing for the coming winter, our crops are progressing toward a bountiful harvest. This year the Parmer-Curry county area should produce a bumper corn harvest. Our farming community needs a huge crop to help in offsetting the dramatic rise in crop production. It seems as if everything the farmer needs to cultivate, sow and fertilize with has experienced the ravages of inflation.

Of course the local merchants are in the same boat as far as inflation. The cost of doing business has gone out of sight in the last several years for us all. The local business community is directly dependent upon the farm economy so if the farm picture takes an upturn so will local business.

We read where all the economic forecasts look for a betterment in the general economic picture. The largest question mark seems to be about the uncertainty of the price of imported oil. The OPEC countries could deal the United States a disastrous economic blow if they raise the price of crude oil to any extent.

It has been the height of folly for Congress not to have developed a comprehensive energy program. But in an election year it seems to be standard policy to neglect the needs of the nation while the game of politics goes on and on in the Capitol.

Speaking of politicians, and we often do, we note another "in" political word this year. It's "compassion." This year's political maneuvering is glorifying the "compassionate" candidate.

Probie on the "compassionate" politician. It is our personal observation that the compassionate politician is a moral bankrupt who is willing to pass laws that will legally "steal" from the productive to give to the unproductive. It's no trick to be "compassionate" in politics. After all, it's somebody else's money they give away.

We haven't noticed many of the "compassionate" politicians giving away THEIR money. It's always OUR money, forcefully extracted via taxation, that they give away. We would wager a modest "Bob" or two that the average citizen of the Twin Cities FREELY GIVES more of his income on a percentage basis than many of the self-styled "beautiful people" in politics today.

Well so much for "compassion" in politics, it's a fraud on the taxpayer.

### Texico Chamber Session Routine

Texico Chamber of Commerce met Monday night at the Senior Citizen's community building with Jim Pierce, vice-president, presiding in the absence of the president, Joe Caywood.

"Routine business" was discussed, according to secretary Louise Engram. It was decided to survey the city in regard to the proposed overpass/underpass which the Farwell Chamber of Commerce is advocating.

It was reported that the K.K. Runnels Memorial Park is being "filled in" now and that some additional drainage might be necessary.

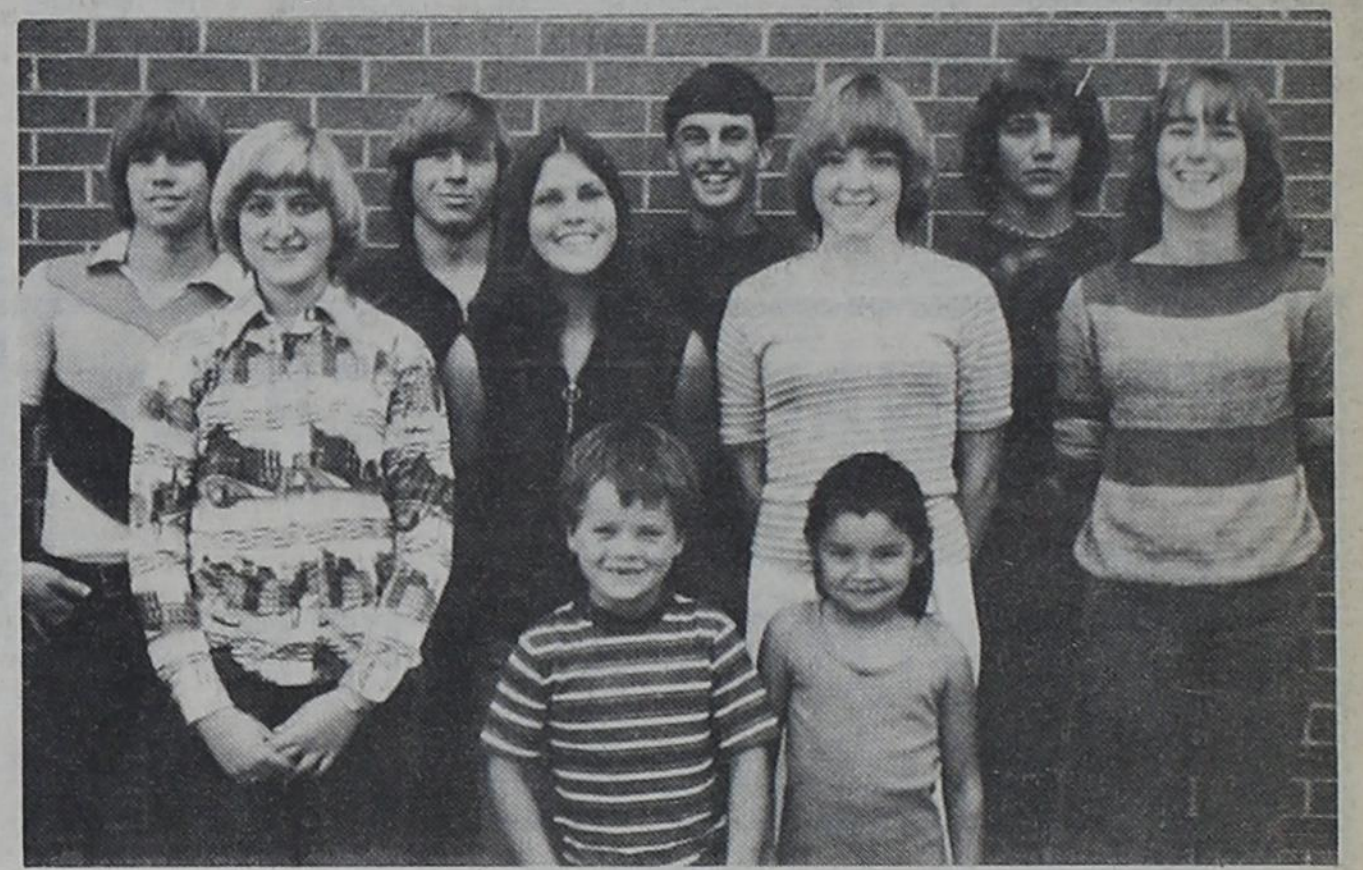

The possibility of building a new senior citizens center was discussed but according to Mrs. Engram, nothing definite was decided.

One new member, Pat Burns, was welcomed at the meeting.

### Curry County Fair Winners

Monty Leavell and Gail Dorris display the trophies they won at the recent Curry County Fair in Clovis. Monty received his trophy for exhibiting the Grand Champion Pen-of-Five Slaughter Hogs. Gail won her trophy for showing the Grand Champion Fat Lamb. Monty is the son of Mr. and Mrs. Howard Leavell, and Gail is the daughter of Mr. and Mrs. Jack Dorris.

### Homecoming Candidates

### Homecoming Pancakes

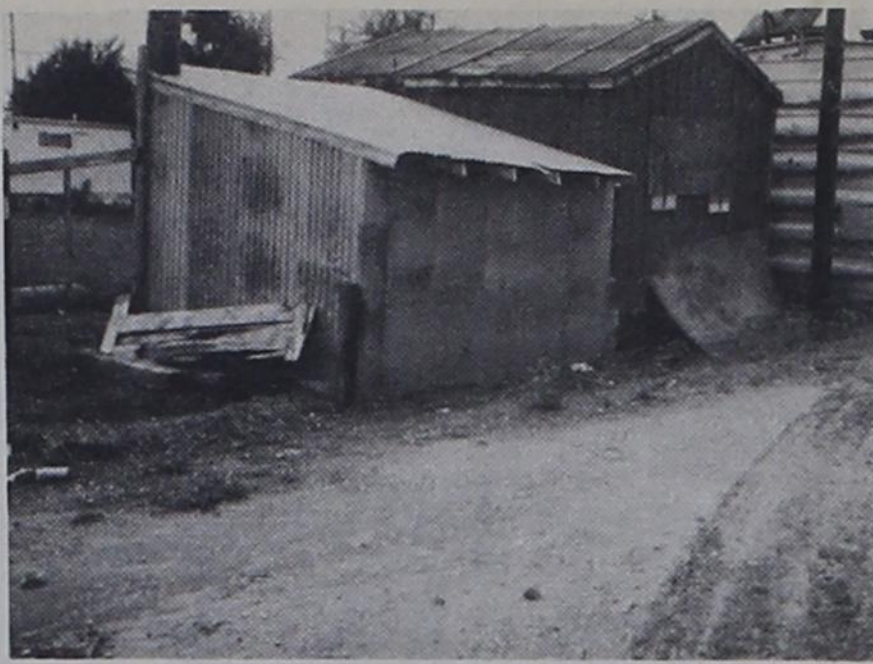

George Herrington, left, and James Pierce, members of the Llano Estacado Kiwanis Club get prepared for the annual Kiwanis Pancake Supper to be held Friday, starting at 3 p.m. MDT in conjunction with Texico Homecoming festivities. Also on the menu are sausage, coffee and milk. The cost is \$1.50 for adults and \$1.00 for children 12 and under. The supper will be served in the school cafeteria.

Potential Rat Habitats

The stage is being set for the "Great Rat Invasion of 1976." Problem areas are already turning up in Farwell and according to City Marshal Ronnie Mitchell the problem will only get worse unless action is taken now.

Picture number four depicts a "typical" weed-covered area in which rats like to establish their domains. The box has traces of lettuce leaves in it and evidence was found that rats had gnawed a hole in the bottom of it in order to eat the leaves.

Farwell Plagued By 'Rat Problem'

The year is 1976, the town is Farwell, Tex., and the problem is rats. City Marshal Ronnie Mitchell reports that rats are thriving in several areas in town. Human carelessness in disposing of trash improperly and forgetfulness in cutting and chopping away weeds are major contributors to the problem, Mitchell says.

Animal feed kept in storage houses in town also attract rats, according to the city marshal. Food is often left lying around dumpsters which provides a natural feeding ground for rats and gives them an excuse to burrow underneath nearby buildings, Mitchell added.

According to the law enforcement officer many people leave food lying near the dumpsters because a "friend is supposed to pick it up for his pigs." Mitchell cautions people to store such waste in a closed metal containers which may then be kept near the

Young Farmers Hold Meeting

A meeting of the Farmer County Chapter of Young Farmers was held Monday night at a Bovina restaurant with 35 attending the monthly affair.

AVI Sprinklers of Muleshoe provided the members with steaks for dinner and presented the program entitled, "Pros and Cons of Sprinklers." Otto Wilke of the Texas

A&M Experiment Station in Lubbock gave a presentation on research which has been conducted in comparing sprinklers to furrow irrigation.

Following Wilke's presentation, AVI showed films on their sprinklers. A short business session was held after the program with final plans made for the Area Convention to be held in

Young Farmers Hold Meeting

Lubbock this Saturday. Max Eubank, Young Farmer president, reported that door prizes for the Area Convention had been made by an Oklahoma Lane store. The Chapter wishes to express its thanks to the farm store for these gifts.

In other business, plans were made to change the date of the October meeting to 6:30 a.m. on the second Monday of the month due to harvest time.

Young Farmers Hold Meeting

Mitchell cautioned anyone using rat poison to be extremely careful of pets and children.

Mitchell emphasized that the city will cooperate with anyone who has a rat problem or potential rat problem and is willing to do something about it.

# City Council Accepts Three Tax Lot Bids

Farwell City Council met in regular session Monday night and approved the sale of several tax lots.

A bid of \$550 from Curtis Smith was accepted for lots five and six, block 40. Vernon Thigpen's bid of \$1320 for lots one through four, block 28 was approved. Lots 13 and 14, block 23 were sold to Gerald Curtis for \$558. The low bid of \$349 each for lots 31 and 32, block 41 was not accepted. Another bid for lot four, block 28, was turned down because the previous bid for lots one through four had already been accepted.

The Council's decision whether to accept or reject a bid was based on whether the bid would cover the cost of paving and court costs.

An application to park mobile homes on lot 24 in Farwell was rejected by the Council as the area had never been zoned for trailers, according to Mayor Gil Patschke.

Mayor Patschke and commissioners Fred Chandler and Ralph Franse then voted to conduct a portion of the meeting in "executive session". They retired to another room in the City Hall for approximately one hour.

At the conclusion of the "executive session," the regular meeting was re-convened and Mayor Patschke announced that Roger Menning would now be a full time employee of the sanitation department under the supervision of Douglas Landrum. Previously Menning had been employed part time in the sanitation department and part time in the water department.

The "trash situation" was also discussed. In an effort to clean up trash sites and eliminate the danger of rat infestation it was decided to employ the services of a trash collector from Clovis for a few businesses which have a major trash problem. The contracts will be handled through the city and will be restricted to only a few businesses.

The Clovis contractor will collect trash twice a week from these locations and will charge a fee of \$15 per month.

City Marshal Ronnie Mitchell said several businesses have indicated to him that they would be willing to "go along" with this arrangement. They include the Farwell

Convalescent Center and Capital Foods.

The Council also discussed the "rat problem." Mitchell said that several people in town have already begun to clean up problem areas and added that others seem "willing to help." He stressed that cooperation between the City of Farwell and residents who are willing to work at solving the rat situation will make the project a success. Mayor

## Texico Council Discusses Bonds

First item on the agenda of the Texico City Council meeting Tuesday night was a discussion of the general obligation street sealing bonds which had been voted in 1974. In connection with these bonds, another election must be held in November of this year. The Council authorized City Attorney Harry Patton to proceed with the matter.

The police report for the month of August was approved. The Council instructed City Marshal Mickey Fenn to start issuing citations to residents who are not using legalized trash containers.

Other business included entering into a lease-purchase agreement for a moving radar unit which will be installed in Marshal Fenn's patrol car. According to Clara Wiehl, city clerk, this device allows moving police cars to clock speeds.

Ordinance 202 was approved at the meeting. This ordinance sets the proper procedure for organizing the board of trustees and for conducting meetings. Mrs. Wiehl said the

## School Board Approves Cafeteria Use

Texico School Board met Tuesday night and approved the use of the school cafeteria for a junior-senior prom to be sponsored by the parents.

According to Jim Pierce, superintendent, money in the operational fund from revenue sharing will be used for salaries.

Bids for a group medical insurance plan for school personnel are to be opened

Patschke commented that the city will cooperate in the effort to clean out the rodent sites and to prevent further infestation.

Attending the Council session were Mayor Gil Patschke, commissioners Fred Chandler and Ralph Franse; Janie Bowery, city clerk; and city employees Dee Hammit, Roger Menning, Doug Landrum and City Marshal Ronnie Mitchell.

ordinance does not change any of the operations of the board of trustees, but gives it a "legal document to fall back on."

The Council authorized Marshal Fenn to contact a Clovis firm and determine the estimated cost of cleaning up lots which are covered with unsightly debris.

Mrs. Wiehl also reported that the Council is in the process of hiring a dispatcher for the volunteer fire department. She said that an apartment, utilities and \$100 per month accompanies the position. Anyone interested should contact Fire Chief Bill Thigpen.

Final business included approving the vacation of Billy Hammit, water superintendent, for the week of October 4-10, and approving bills for payment.

Present for the meeting were Mayor Manfred Turnbough; trustees Marie Christian, Vane Doshier, Bill Thigpen and Max Carter; City Clerk Clara Wiehl, Mickey Fenn, Harry Patton and Billy Hammit.

September 20.

Pierce said a new agreement will be drawn up whereby the Texico School-owned community building at Pleasant Hill will also be used by residents of that community. He added that he thought such an agreement had been drawn up in 1951, but since it could not be found they felt it necessary draw up another one order "to make it legal."

## Sheriff's Report

Parmer County Sheriff Charlie Lovelace reported that \$2000 worth of equipment was stolen from a barn owned by Nelson Welch, five miles north of Friona. Sheriff Lovelace said that four power lift cylinders had been taken from two trucks housed in the barn.

Near the same location, a Catalina evaporative air conditioner was taken from a window of a vacant house belonging to David Grimsley. Value of the merchandise was reported to be \$165.

Sheriff Lovelace reported that James Fields, 27, was arrested in Hereford September 9 on a charge of burglary. He was allegedly involved in the September 3 burglary of Herring Implement in Friona. Fields was arraigned, bound over for grand jury action and bond was set at \$5000. According to Sheriff Lovelace, Fields posted bond Monday.

## Band Plays In Parade

Farwell Yearling Band, composed of seventh and eighth graders, participated in the annual Pinata Festival Parade in Tucumcari, N.M. Saturday, Sept. 11. This was the first outing of the year for the junior high youngsters who will also be marching in three more parades this season.

On Monday, Sept. 20, the group will be marching at the Tri-State Fair Parade in Amarillo. (The band can usually be seen on KVII-TV during this annual event.)

Other parades in which the band will participate include the Maize Days Parade in Friona on October 2 and the Harvest Festival Parade in Brownfield on October 16. In the spring, band members will participate in All Region and UIL Contests.

Lynn Burton, band director at Farwell Schools, is in charge of this 63-member group.

The superintendent also reported that the resignation of Chris Billingsley, first grade teacher's aide, has been accepted. No replacement has been employed.

The first animated sound film was *Steamboat Willie*, produced by Walt Disney in 1928.

## Commissioners Court Conducts Busy Session

Parmer County Commissioners Court met in regular session Monday. The court resolved that a check be issued on the Revenue Sharing Fund in the amount of \$7,222.60, for the purchase of a certified deposit for 120 days. It was mutually agreed that a certified deposit on the general fund, which will mature, September 25, be returned to the checking account.

Dam Site #2 at Bovina was inspected by members of the Commissioners Court and Jimmy Cockerham and Herb Evans of the local Soil Conservation Service. They reported that the lake beyond

and it was decided to table further discussion until the next meeting.

A sum of \$10,000 was transferred from the Right of Way Fund to the Farm to Market Fund.

The Court decided that a letter written by Parmer County Judge Paul Fortenberry be sent to Joe Brigrance, president of the County Judges and Commissioners Association of Texas, taking a position against the repeal of 2372e Vernon's Texas Civil Statutes.

A general discussion and update of the "road situation" in the county was held.

The Court rejected all bids for an automobile to be used by the Sheriff of Parmer County.

Effective January 1, 1977, the salary of the official shorthand reporter for the 154th Judicial District will be \$9680, of which Parmer County's portion is \$233.93.

Also Mr. and Mrs. Ed Goode, Mr. and Mrs. Arlye Crooks, Mr. and Mrs. Lonnie Sharp, Mrs. Danalee Cherry, Maurice Allen, Mr. and Mrs. Roy Snodgrass, Mr. and Mrs. Bill Thigpen, Mr. and Mrs. Truman Kittrell, Mr. and Mrs. Robert Holley, Mr. and Mrs. Melvin Venable and Mr. and Mrs. E.L. Cavellero.

Still another controversy has been sparked by the CIA. Since this involves agricultural forecasting, it concerns farming. This was no ordinary, run-of-the-mill piece of prognostication. This forecast was for a period of from forty to 100 years... covering the entire globe. Prepared by a special group of American scholars, it predicted the following: serious droughts will occur where none has occurred before, China will experience a major famine every five years, destructive rains will fall where it should be arid, Russia will lose some key grain producing areas because of climatological changes, India will face the threat of mass starvation because of drought and Canada will lose more than half its current productive capacity. Even though critics of the report are as easy to find as warm weather in August, many authorities are taking a serious look at the development of a world granary system to ward off such catastrophic possibilities.

### Student Of The Week At Texico School

Texico's Student of the Week for September 20-24 is Gail Dorris, freshman. Gail's Suffolk lamb won the Grand Champion prize at the recent Curry County Fair, and Gail devoted many hours to running the lamb and making it jump hurdles to be in good condition for the show. Gail, in addition to her membership in the Texico 4-H, is also active in Pep Club and FHA. She enjoys basketball, volleyball, track, and participating in rodeos. Gail is a member of Acteens in the Texico First Baptist Church. The daughter of Mr. and Mrs. Jack Dorris, Gail celebrated her 14th birthday during the Fair. She said her prize and sale money was the nicest birthday present ever and it will go into her college savings account fund.

[Selection of Student of the Week made by anonymous committee.]

### Convalescent Center Chit Chat

Sunday afternoon services at the Farwell Convalescent Center were conducted by Leonard Harper, minister of the Church of Christ in Farwell. Thirty members of the congregation also attended. Fellowship followed the services and Doris Martin and Carolyn Meeks provided refreshments of cake and punch.

Center residents attending were Maude Wilson, Bertha Kaltwasser, Leola Birchfield, Effie Scott, Susie Dowell, Albert Kube, Rufus Carter, Burl Stringfellow and Domitilla Madrid.

Other visitors who attended the services were Mrs. Birchfield's son and wife, Curtis and Frances Birchfield, and

Mrs. Kaltwasser's daughter-in-law, Gladys Kaltwasser.

Sunday, Mary Spurlin was visited by her son and wife, Mr. and Mrs. Jack Spurlin of Boulder City, Colo.

Scotty Barris enjoyed Sunday dinner at the Center with her mother, Effie Scott.

Leola Birchfield's visitors Sunday included her grandson and wife, Mr. and Mrs. Jimmy Birchfield of Dallas.

Visiting Maude Wilson was her son and wife, Mr. and Mrs. Weldon Birchfield of Clovis.

### Sets Up Texico TD

Flanker Steve Turner sweeps around end for a 49-yard scamper against Lazbuddie last Friday night. Turner's run set up the Texico touchdown. The Wolverines dropped a hard-fought 12-8 decision to the Longhorns in a game that was decided in the final minute of play. (Texico School photo)

### Planning Strategy

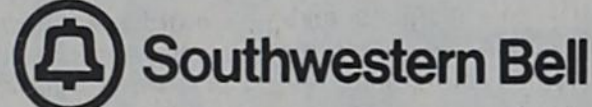

Lazbuddie Longhorn football coach, Dewayne Sexton, talks it over with his field general, Mike Windham, after the Longhorn defense recovered a fumble deep in Texico territory. Lazbuddie came from behind to clip the Wolverines of Texico, 12-8. The win was the first of the season for the Horns.

### Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas effective October 7, 1976.

It is expected that the requested rate schedule will furnish an 18 percent increase in the company's intrastate gross revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality, and is available for inspection in each of the company's public business offices in Texas.

RESUMEN DE  
LAS ENMIENDAS PROPUESTAS A LA CONSTITUCION  
ELECCION GENERAL DEL  
2 DE NOVIEMBRE DE 1976

#### NUMERO UNO EN LA BOLETA (S.J.R. 49)

Revocando Secciones 49-d and 49-d-1 del Artículo III de la Constitución de Tejas, S.J.R. 49 enmienda Sección 49-c del Artículo III de la Constitución de Tejas para disponer y autorizar \$400 millones adicionales de bonos para el desarrollo de agua en Tejas que se puede emitir a la aprobación de dos terceras partes de los miembros de cada cámara de la Legislatura para tales fines de desarrollo del agua que la Legislatura pueda prescribir.

La enmienda contiene prohibición específica contra el uso de fondos del estado para el desarrollo de recursos acuáticos del Rio Mississippi y también requiere que antes de que pueda encargarse de cualquier proyecto particular para el desarrollo de agua que requiera un gasto de mas de \$35 millones de producto de los bonos, debe de ser aprobado por resolución de la Legislatura.

La enmienda remueve el requerimiento constitucional que ciertas rentas deben de ser usadas para retirar bonos para el desarrollo de agua y el encarecimiento de la calidad de agua y remueve el limite constitucional de la tasa de interés en tales bonos.

La fraseología de la enmienda propuesta tal como aparecerá en la

boleta es lo siguiente: "La enmienda constitucional autorizando un incremento de \$400 millones de la cantidad de Bonos del Desarrollo de Agua en Tejas que podrán emitirse al ser aprobada por dos terceras partes de la legislatura; emendando y consolidando disposiciones de Secciones 49-c, 49-d, y 49-d-1 del Artículo III de la Constitución de Tejas; y revocando Secciones 49-d y 49-d-1 del Artículo III de la Constitución de Tejas."

#### NUMERO DOS EN LA BOLETA (H.J.R. 99)

H.J.R. 99 propone una enmienda a la Constitución de Tejas para aumentar de \$100 millones hasta \$200 millones la cantidad principal agregada de bonos para el desarrollo de agua en Tejas que se puede emitir y que están en circulación por el Texas Water Development Board para proveer donaciones y préstamos para la mejoría de la calidad de agua como establecido por la Legislatura. La fraseología de la enmienda propuesta como aparecerá en la boleta es lo siguiente: "Una enmienda constitucional para incrementar desde \$100 millones hasta \$200 millones la cantidad de Bonos de Desarrollo de Agua en Tejas que podrán ser emitidos con el propósito de mejorar la calidad del agua."

### PUBLIC NOTICE

SUMMARY OF PROPOSED  
CONSTITUTIONAL AMENDMENTS  
GENERAL ELECTION NOV. 2, 1976

#### NUMBER ONE ON THE BALLOT (S.J.R. 49)

Repealing Sections 49-d and 49-d-1 of Article III of the Texas Constitution, S.J.R. 49 amends Section 49-c of Article III of the Texas Constitution to provide for and authorize an additional \$400 million in Texas water development bonds that may be issued on approval of two-thirds of the members of each house of the Legislature for such water development purposes as the Legislature may prescribe.

The amendment contains a specific prohibition against the use of state funds for the development of water resources from the Mississippi River and also requires that before any single water development project may be undertaken requiring the expenditure of more than \$35 million in bond proceeds, it must be approved by resolution of the Legislature.

The amendment removes the constitutional requirement that certain revenues must be used to retire water development and water quality enhancement bonds and removes the constitutional interest rate limit on such bonds.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing an increase of \$400 million in the amount of Texas Water Development Bonds that may be issued on approval of two-thirds of the legislature; amending and consolidating provisions of Sections 49-c, 49-d and 49-d-1 of Article III of the Texas Constitution; and repealing Sections 49-d and 49-d-1 of Article III of the Texas Constitution."

#### NUMBER TWO ON THE BALLOT (H.J.R. 99)

H.J.R. 99 proposes an amendment to the Texas Constitution to increase from \$100 million to \$200 million the aggregate principle amount of Texas water development bonds which may be issued and outstanding by the Texas Water Development Board to provide grants and loans for water quality enhancement purposes as established by the Legislature.

The wording of the proposed amendment as it will appear on the ballot is as follows: "A constitutional amendment to increase from \$100 million to \$200 million the amount of Texas Water Development Bonds that may be issued for water quality enhancement purposes."

# Steers Attempt To Buck Off Cowboys

The Farwell Steers travel to Happy this Friday night and will be hoping to buck off the winless Cowboys. The contest will get underway at 8 p.m. CDT.

Happy, a team that has not produced a point in two outings, will be looking for its first victory of the season while the Steers are riding high on a two-game winning streak.

"We have to go to Happy and we had better be ready to play," commented Coach Van Whatley. "The Cowboys have had some problems putting the ball across the last white line, but they can move the football," added the first year head coach.

In reiterating action of the last two games, Whatley feels that the Farwell aerial game is going to have to improve. "I feel that we are going to have to work hard on our passing and with weather permitting, we are going to pass more against Happy," commented Whatley.

The coaching staff is very pleased with the attitude of the players and the community. Whatley remarked, "We feel that our football program is off the ground and that the community, school and players have developed a great attitude."

Farwell will have to contain Happy's Eddie Joe Pearson, a 180 pound senior halfback. Pearson has rushed for over 1,500 yards in two seasons for the Cowboys and has been classified as one of the best runners in the district. Pearson is an all-around Cowboy, having averaged 15 tackles a game at linebacker last year.

Another top player for the Pokes is Vincent Venhaus. Venhaus rushed for over 600 yards as a sophomore and has good speed. Sammy Moore, an all-district defensive back selection last season, is a solid back-up player as a halfback.

The Steers will have to stop the Happy veer offense and play 48 minutes of good football if they are to win.

According to the coaches, Happy has good team speed and quickness.

Players drawing praise from the coach were tackle Clay Roberts and Steve Meeks. "Clay showed up well and Meeks played better," remarked Whatley. "Our guards Richard Yruegas and D.D. Foster did an excellent job against Morton as they were outweighed considerably," stated Whatley.

"We played as a team against Morton and I'm proud of the team effort," quoted the new coach.

**COACH SEZ'**  
(Editor's note-Each week Steer Coach Van Whatley will make comments on several of the players.)

**TRAVIS BIBBS**-Travis has worked hard and has improved by leaps and bounds. We expect a lot out of Travis this year. Against Morton, he showed some real running form and had two touchdowns called back because of penalties.

**JOE HASELOFF**-Joe is our senior center. We have moved him from tackle to center because of a bad knee. He has adapted very well and will do a good job for us at that position. He is a leader and he says, "I am tired of losing."

**D.D. FOSTER**-D.D. is our sophomore guard. His inexperience shows at times, but unless I'm wrong, D.D. will be outstanding in time. He has all the tools of the trade and he wants to be a good football player.

**RUSS JONES**-Russ is our junior quarterback and has a terrific amount of ability. When he learns how to set up and throw strikes to our receivers and how to execute our offense completely, I think he will be one of the better quarterbacks around. Russ is already a tremendous running threat and when he learns the trades of quarterbacking, we could be a potent offense. Russ is becoming our real leader and this is pleasing to me.

# Farwell Steers Take Scalp Of Morton Indians, 19-12

The Farwell Steers went on the warpath Friday night, taking the scalp of the Morton Indians, 19-12. The victory was the second of the season for Coach Van Whatley's Blue and White clad warriors, keeping the Steers' slate unblemished.

The Steers utilized a ground crunching attack, accumulating 176 yards on the ground in running up their record to two wins.

Farwell lit up the scoreboard first when Billy White scampered 33 yards to paydirt to climax a 60-yard drive. The point after touchdown failed giving the Steers a 6-0 lead. Fullback Mike Goetsch threw the key block that sprang White's touchdown blast.

The Steers had an earlier touchdown nullified by a penalty infraction for being offside. Travis Bibbs had

raced to the end zone only to find that a flag had been dropped. The ball was moved back five yards, but the Steers put it all together two plays later with the dash by White.

Late in the first stanza, Morton came up with the big play, intercepting a wayward Steer pass at the 45 and returning the ball to the Farwell 35.

The Indians initiated a 35-yard drive as the home team countered with a three-yard burst off tackle to deadlock the score with Jimmy Green getting the six pointer. The extra point try failed and both teams went to the dressing for halftime deadlocked at 6-6.

When the teams returned to the field after halftime the Indians kicked to Farwell. The ball rolled out of bounds and the Morton club drew a

five-yard penalty. On the next kick, Morton was given a 15-yard penalty and Farwell went to work on their own 43. The Steers worked the ball down to the Morton 18 before the Indian defense contained the Steers. On fourth down, Farwell tried a fake field goal and passed to Billy White, who was pushed out of bounds and Morton took over.

The Indians ran only two plays before a jarring tackle stripped the ball from the Indian back and Farwell pounced on the loose oval.

The Steers ran fullback Mike Goetsch on two straight plays picking up five yards. On the next play, quarterback Russ Jones attempted to hit Travis Bibbs with a pass and again, the referee dropped the flag. Morton was guilty of pass interference, moving the ball closer to the goal line. One the next play, Goetsch took the handoff and lumbered for a few yards. Morton was charged with a late hit on Goetsch and the ball was spotted at the one. From this point, Jones sneaked the ball across for the 12th Farwell point, Jones tried to hit Rowdy Chandler in the end zone for the two-point conversion, but the ball slid off the sophomore's finger tips.

The tide of the battle shifted toward the Steers as the Morton defense failed to contain. On fourth down, the Steers were forced to punt. Jones dropped the snap from center, but picked up the bouncing pigskin and dashed off for the first down measurement.

On the next play, Travis Bibbs electrified the crowd with a 77-yard scoring run. Chandler and Steve Meeks threw key blocks that broke loose the elusive halfback. Goetsch toed the extra point through the uprights to give Farwell a 19-6 lead.

With a little over three minutes left in the contest, the hard-hitting Morton defensive unit forced a Farwell fumble. Morton took over the football at the 25 and soon registered a first down at the Steer five-yard line. Sam Johnson put the last points on the board for Morton with a five-yard smash off tackle for the touchdown. The extra point attempt was fumbled making the score Farwell 19, Morton 12.

The Steers almost added six more points to their total in the final minutes when Jones connected with Bibbs for a 51-yard touchdown pass, but the Steers were called for a clip and Morton was called for a roughing infraction, thus nullifying the play.

Bibbs led all rushers with 109 yards on 10 attempts followed by Billy White with 50 yards on four carries. Mike Goetsch had four kicks for 195 yards or a 49.8 kicking average. On kick off returns, White returned three for 42 yards, averaging 14 yards per return.

Farwell attempted six passes, completing four for 39 yards. White caught two aeriels for 17 yards, while Bibbs and Chandler each had one reception for 10 and 12 yards, respectively.

Senior halfback Billy White was named by the coaches as Steer of the Week. Other players honored were Rowdy Chandler as offensive line-man; Russ Jones as offensive back; Steve Meeks as forcing unit player and Chip Craft as secondary player of the week.

Chandler graded 97 per cent against Morton and made very few mistakes, according to the coaches. Chandler was also cited for his blocking and pass receiving.

Jones, the Steer signal-caller, was held to only one touchdown this past week, but the junior leader executed the Farwell offense well and despite playing with a leg cramp most of the game continued to direct the offensive unit.

Forcing Unit Player of the week was Steve Meeks. Meeks graded 95 per cent on the charts for the coaches and was cited for his defensive performance.

Chip Craft was selected as Secondary Player of the Week for his outstanding defensive play against Morton. Craft did a good job of going to the football for the Steers.

Rambling Halfback

Travis Bibbs, halfback for the Farwell Steers, takes off down the field on a touchdown run against Morton Friday night. Leading the way is an unidentified Steer. Bibbs scored two touchdowns against the Indians, but both were nullified by penalties.

## STEER OF THE WEEK

Senior running back Billy White has been named Steer of the Week by Coach Van Whatley. White was cited for the honor for his leadership, poise, and running of the football against Morton. White was also credited with having played a very good defensive game and playing with a lot of emotion.

## Farwell J.V. Gores Morton

Farwell Junior Varsity continued its winning way Thursday with a 26-6 victory over Morton. The future Steers broke open a close contest after going into the dressing room at halftime leading by a narrow, 8-6 count.

Gary Lee put the Farwell team out front in the first quarter on a 10-yard run and then ran the two-point conversion to give the home team a 8-0 lead. The touchdown run by Lee climaxed a 60-yard drive.

The visiting Morton team put six points on the scoreboard in the second quarter to cut the Farwell lead. However, good defensive play stopped

the two-point conversion attempt by Morton.

Farwell JV Coach Royce Baker remarked, "In the first half we didn't do a good job on offense. We fumbled the ball too many times. When we went in at halftime, we talked to the players and made some offensive adjustments and just took the game to Morton."

Farwell took the kickoff to start the third quarter of play and returned the ball to the

Morton 40. After a sustained drive Brent Black raced 20 yards for the second Farwell touchdown. The two-point play failed, but Farwell led by a 14-6 margin.

The Blue and White clad warriors iced down the game in the fourth quarter with two quick touchdowns. Benny Yruegas and Robert Lucio each tallied a five-yard touchdown run.

## Unsung Heroes Of America

When John Scull came to Pittsburgh in 1786 with his printing press there were just six stores and 93 dwellings. Today, the great area of Southwestern Pennsylvania has a population of 2.9 million people.

Scull set up his small wooden press in a one-story structure behind his log house on Market Street. There on July 29, 1786, he began to publish the Pittsburgh Gazette, the first newspaper west of the Allegheny Mountains. The Gazette had three columns, cost six pence (in continental currency) and, while attempting to be nonpartisan, was conservative in tone.

Scull also ran a printing business and in 1793 produced the first book published west of the Allegheny Mountains.

# Lazbuddie Longhorns Nip Wolverines 12-8

by Susan Snodgrass

The Lazbuddie Longhorns came from behind Friday, Sept. 10, to beat the Texico Wolverines, 12-8 in a non-conference game at Lazbuddie.

Texico gained its only touchdown early in the second quarter on a handoff to Joe West. Seconds later a pass play was good for the two-point conversion.

Lazbuddie scored both their touchdowns in the final quarter of the game. Rayburn Wenner carried on both scoring drives, as he ran both laterals across to give the Longhorns their total score of 12 points.

Starting the game for Texico were Joe West, Larry Rolan, John Burgett, Mark Howard, Eladio Loera, Steve Turner, Homer Ashley, Dusty Casey, Doug Scioli, Dwain Hill, and Jimmy Reid.

The Longhorns kicked off to the Wolverines but Lazbuddie quickly regained the ball as they recovered the first fumble of the night. Texico pushed Lazbuddie back for a five-yard loss, followed by a pair of one-yard gains before the Longhorns turned the ball back over to Texico on the 13-yard line.

A pass to Turner gained eight yards followed by a four-yard gain and then a two-yard loss. The Wolverines lost three more yards on a fumble which West recovered to keep the ball in Texico's possession. The Wolverines picked up seven yards when Ashley connected on a pass to West. Lacking a first down yardage, West punted. In receiving the punt, Lazbuddie fumbled and Texico's Scioli recovered it.

A lateral to West gained five yards; quarterback Ashley carried to the line of scrimmage and then a pass to West gained two more yards. Texico's gaining drive was only slowed by a six-yard loss because they came back with

a two-yard gain with Steve Askew carrying and then a 30-yard gain on a pass to Turner. On a series of passes, the first was incomplete; the next lost nine yards, and although Ashley connected on the third to Jackie Reid for 17 yards, they were forced to turn the ball over to Lazbuddie. The Longhorns, making only three yards in three plays, missed a first down and were forced to punt with the ball being downed on the 47-yard line. Texico started their scoring drive with a handoff to Turner for 49 yards. This put the ball on the four-yard line as the first quarter ended scoreless.

With only four seconds spent in the second quarter, a handoff to West was successful for the touchdown. A pass play to West earned Texico the two-point conversion.

Texico kicked off to Lazbuddie with Longhorn Dennis Steinbock bringing it back to the 38-yard line. On the Longhorns' first play they attempted a handoff, but Mark Howard got through the line, hit the quarterback, causing him to fumble, and then recovered the ball for Texico. A handoff to Askew gained three yards, but the Longhorns then held them for a three yard loss, followed by a

15-yard penalty against Texico. A last attempt at some yardage before punting, Texico tried a pass, but it was incomplete.

Lazbuddie let Texico down the punt on the 21-yard line. They gained 10 yards on the next play; had an incomplete pass, and then gained 24 yards on another play. The Longhorns gained only eight yards on the next play as Howard stopped the runner. Burgett pushed them back for a one-yard loss and then L. Rolan pushed them back for another yard loss. They gained three yards, but lost it on a Longhorn offside penalty. They came back with a seven-yard gain with Burgett making the stop. Again L. Rolan forced the Longhorns into a yard loss.

As Lazbuddie went to the aid, Ashley intercepted the ball and brought it back 15 yards before being stopped. A lateral to West gained a yard followed by another lateral to Askew for 12 yards. Turner carried a handoff for two yards followed by a Wolverine gain of five yards. Texico was then penalized 10 yards for a delay of the game infraction. They came back with a seven yard gain on a lateral to Askew and then with a 15-yard gain on a Longhorn spearing penalty. Ashley carried on the next two plays gaining a total of nine yards and a first down. A handoff to West gained two yards, but they lost 15 yards on a Wolverine holding penalty. Again Ashley ran with the ball to gain 10 yards only to lose five on an offside penalty. Jackie Reid then carried, gaining another eight yards. Ashley gained two yards as he ran with the ball, even though a Lazbuddie player caused him to fumble with the ball going out of bounds. Another Texico delay of the game penalty lost them 10 yards, but Ashley carried the ball to gain five yards back just as the half ended with Texico leading 8-0.

As Texico started the final half of the game by kicking off to the Longhorns, Jimmy Reid stopped the runner on their own 38-yard line. The Longhorns gained 31 yards in five plays before losing 15 yards on a Longhorn personal-foul. Lazbuddie then made a 25-yard gain followed by a five-yard loss with L. Rolan catching the runner behind the line. The Longhorns then tried to gain a first down with a fake punt, but succeeded in

gaining only eight yards as West caught the pass receiver and made the tackle. This forced them to turn the ball over to Texico.

A lateral to Hill gained five yards, a handoff to Askew gained two yards, followed by a two-yard gain, and then an 11-yard gain with Ashley carrying. Texico was forced to punt after a 15-yard penalty and two incomplete passes, although Ashley carried for a nine-yard gain. The Longhorns returned the ball to the 24-yard line. Mike Williams, Scioli, and West then went together to hold Lazbuddie to

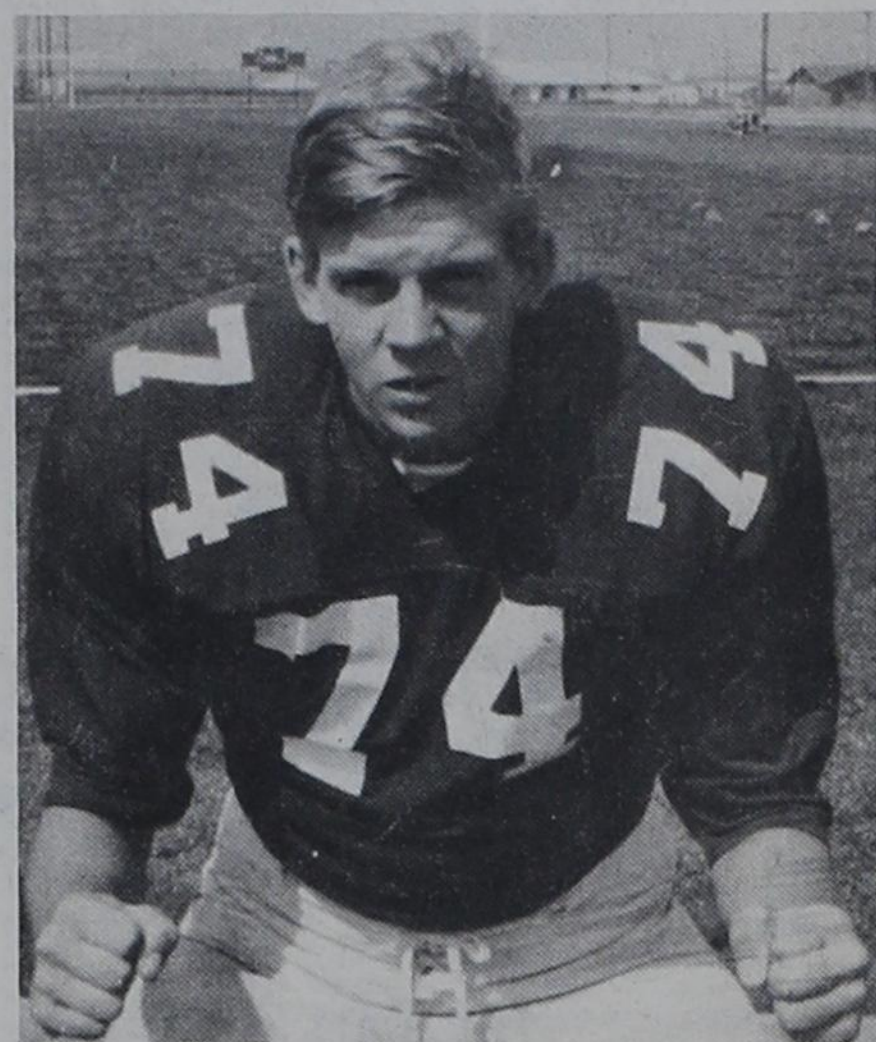

a one-yard gain. Williams again went in to stop the Longhorn runner for another one-yard gain and then Scioli dug in and pushed them back for a two-yard loss. This forced Lazbuddie to punt, but, trying to let the Longhorns down it, the Wolverines accidentally touched it and Lazbuddie jumped on it. Turner and Ashley then held Lazbuddie to a five-yard gain; Burgett forced them into a two-yard loss, and the Longhorns then gained one more yard before going 10 on a Texico spearing infraction.

with the ball right at the end zone, the Longhorns were held back to a two-yard gain in three plays by L. Rolan, Loera, Williams, Turner, and Ashley ending the third quarter.

Texico started the fourth quarter still ahead 8-0, but the Longhorns went over the line in five seconds to pull close. A lateral to Wenner gave Lazbuddie their first six points of the game. They attempted a two-point conversion, but West stopped them cold. The Wolverines, with Williams carrying, returned the kickoff to their 42-yard line. A handoff then lost them two yards, but they gained that and 13 more yards back on a Longhorn penalty. They again lost all they gained on a Texico holding penalty. Three incomplete passes forced them to punt with Lazbuddie bringing it back to the 30-yard line. Using short gains, first two yards, then three, then three more, then two, then losing two, none on an incomplete pass, and then 15 on a pass play, the Longhorns gained a couple of first downs. They gained another 15 yards on a Texico personal foul. Williams then gave them a four-yard loss, followed by a fumble, which Lazbuddie recovered, for another three-yard loss, with Howard forcing them into an 11-yard loss causing them to punt.

After Texico took the ball on their 25-yard line, they fumbled with the Longhorns recovering the ball. Lazbuddie lost yardage on their first three plays and then gained nine yards only to lose eight yards as Howard and Scioli held them back. Again the Longhorns faked a punt, and gained 11 yards and first down. Six yards later Lazbuddie's Wenner carried to the one-foot line. Then, with 1:01 left in the game, Wenner ran a lateral across for the touchdown. The kick for the extra point was no good and Lazbuddie was ahead, 12-8.

## Wolverine Of The Week

Larry Rolan, a senior tackle for the Texico Wolverines, has been named Wolverine of the Week by the school coaching staff. Rolan earned the honor for his hustle and outstanding play against Lazbuddie. Larry plays offensive guard and defensive tackle.

Homecoming Game - -

## Wolverines Return To Home Turf Friday

The mighty word, 'if' keeps cropping up in analyzing the Texico Wolverines. If the Wolverines had not lost four fumbles, if Texico had played a fake punt correctly, the Wolverines could quite possibly have been 2-0 in the win-loss ledger instead of 0-2.

Texico head coach, Paul Toppliff, stated, "If we hadn't of made some mental mistakes we had Lazbuddie defeated. We had the ball inside the Longhorn 20-yard line three different times in the first half and gave up the ball," added Toppliff.

According to Coach Toppliff, the Wolverine offense has lost the ball via the fumble route eight times in their two games and only recovered four.

In the close 12-8 loss at the hands of Lazbuddie Friday night, the Texico offensive unit started to show signs of improvement. The Wolverine offense totaled 148 yards and ran 58 plays as compared to the 47 yards offense and 33 plays against Hagerman.

Coach Toppliff remarked, "Our weakest spot on the team right now is cornerbacks on defense. Our players are not getting free of their blocks quick enough in order to come up and stop the run. If we hope to have a good defensive unit we will have to correct that problem this week."

**HOMECOMING**  
The Wolverines will host the Vaughn Eagles Friday night. The game will mark Texico's Homecoming and the Wolverines hope to use the Eagles as a stepping stone in getting into the win column.

The Texico coaching staff was very pleased with the play of linebackers Mark Howard and Doug Scioli. Also drawing praise from the coaches were defensive players Mike Williams and Steve Turner.

Coach Toppliff remarked, "I felt that Steve did a great job of running with the football, but we don't like to have our

flanker having to run the ball." Turner rushed 49 yards in three attempts and set up the Texico touchdown with a 45-yard scamper against Lazbuddie.

Homer Ashley, quarterback, was also cited by the coaches for his contribution to the improvement of the Wolverine offense. Toppliff stated, "Homer had a good game running the football and is beginning to scramble more, making him more effective."\$

Joe West, who scored the Wolverines only touchdown of the season, had a good game carrying the football as he accumulated 39 yards in 10 rushing attempts. Sophomore halfback Dwain Hill looked good carrying the ball for Texico.

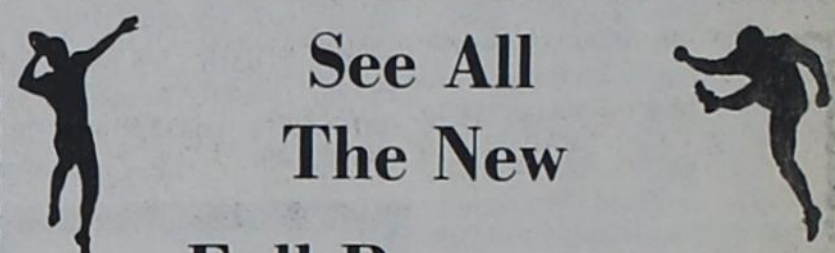

Larry Rolan was named 'Wolverine of the Week' by the Texico coaches for his hustle and strong offensive and defensive play. Coach Toppliff remarked, "Larry never slowed down the whole game and

had an outstanding performance against Lazbuddie." The Wolverines had a tremendous workout Monday and Coach Toppliff reported that it was the best workout of the season. "You'd think we were 2-0 instead of 0-2 by the enthusiasm and hard work put out by the players in practice."

**JUNIOR HIGH**  
Texico eighth and ninth grade football teams meet Melrose Saturday morning in Texico, marking the first action of the season for them. The contests are slated to get underway at 9 a.m. MDT.

# SOME STRAIGHT TALK ABOUT SMUT

There are two distinctly different kinds of smut in the corn fields of Parmer, Castro, Deaf Smith, Lamb, Bailey and Hale counties: *common smut* and *head smut*. Common smut has little, if any, economic significance. Head smut is the real culprit. Estimates are that it will reduce the yields of some fields by over 20%.

**COMMON SMUT** (*Ustilago maydis*), sometimes called boil smut, does not usually reduce yields. It is characterized by galls, bulbous growths which are at first covered with a glistening, greenish to silvery-white tissue. The galls may appear on any part of the corn plant including the exposed tips of healthy ears protruding beyond the shuck. The plant becomes host to wind or water-borne spordia which stimulate cells in young tissue to proliferate.

**HEAD SMUT** (*Sphacelotheca reiliana*) is systemic, the plant being infected by soil-borne teliospores in the seedling stage. The outward signs of the disease are less conspicuous than common smut. It first appears when ears and tassels are formed. Tassels of infected plants usually appear to be covered with a reddish brown or black, spiny rust. Silkless shucks look as if they might cover a short, fat ear of corn but opening the shuck exposes a mass of black, worm-like teliospores or a tangle of bright green, leafy buds. Since head smut is soil borne and there is no practical chemical treatment to control it, we can expect infection to increase from one year to the next if conditions are right. This year's weather (dry and cool) was particularly conducive to infestations of both types of smut fungus.

### WHAT ABOUT NEXT YEAR

For the most part, head smut occurs in fields that have been planted to corn for several years. It appears that farmers with a head smut-infested field have a choice for the use of that field next year. They can plant the field to another crop or can, with reasonable safety, plant corn hybrids that offer resistance to the disease. Pioneer has three excellent hybrid corn varieties that show strong resistance to head smut. One of these is well known to area farmers and is the most planted variety in much of this area . . . Pioneer brand 3306. Two other Pioneer varieties . . . 3184 and 3195 . . . which were planted widely in this area for the first time this year, not only resist smut but have even greater yield potential than the well-known yield champion, Pioneer brand 3369-A.

### A RECOMMENDATION

If you have a field that shows signs of head smut infections, plan to switch to one of the three Pioneer varieties that provide resistance to the disease and, at the same time, give you a shot at the best corn yield you have ever had.

Talk to your Pioneer dealer now about ordering Pioneer varieties 3306, 3184 and 3195. It makes a lot of sense to plant all three.

<p><b>TWO MINUTES WITH THE BIBLE</b> BY CORNELIUS R. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635</p> <p><b>THE BIBLE ON THE FLOOR</b></p> <p>...Thou hast magnified Thy Word above all Thy name" (Psa. 138:2).</p> <p>As I passed by my study the other night, I noticed that I had left a Bible lying on the floor next to a chair. In studying I had put it down momentarily to consult a reference book and had neglected to pick it up again.</p> <p>Now as I caught a fleeting glimpse of that blessed Book lying there, it bothered me; in fact it bothered me enough to make me go back and pick it up and put it where it belonged.</p> <p>Then I began wondering why so trivial a matter had troubled me. Was it because I remembered how dad would never allow anything to lie on top of the Bible? Had mere sentiment confused my thinking?</p> <p>Surely the Word of God is forever settled in heaven and that book lying on the floor was only paper, ink and a leather cover. Or was it? Was it not also the Word of God as given to us? And as such, was it not representative of God Himself? If our country's flag must be treated with honor and respect if it is sacrilege to treat it as mere cloth, how much more the Holy Bible!</p> <p>No, it was not merely dad's example that came to mind as I saw the Bible lying there; certainly it was not only that. Rather it was a Scripture passage of which he often reminded us, the inspired words of David quoted above:</p> <p>"Thou hast magnified Thy Word above all Thy name."</p> <p>To be sure God would have us use His Word as a text-book from which to learn His will. It is no sign of reverence for this great Book to leave it lying untouched on the living room table. He would have us study it, perhaps underlining important passages and marking significant connections. But with all this we must never forget to treat it with the reverence and honor due the written Word of God.</p>

## FIRE CALLS

Neither the Farwell nor the Texico volunteer fire departments reported fire calls or emergency vehicle calls this week.

Eugene Smith, dispatcher at the Farwell volunteer fire department, has been monitoring all fire calls and emergency vehicle calls from the Texico fire station since Saturday. He is able to do this through extensions on the telephone and alarm systems.

## Farwell JV . . .

The Farwell defensive unit did an outstanding job of containing the Morton offense. Key players in the Farwell defense were Kayle Watts, Mark Owen, Radney Robertson, Bruce Mayfield, and Leonel Jaime.

The Junior Varsity will not see action again for two weeks when they host Shallowater on September 30. Happy, this week's Steer opponent, does not field a JV team and on September 23 the JV has an open date.

Farwell's 7th and 8th Grade Yearling teams will see action here Thursday afternoon (Sept. 16) when they play the

## Meet Your Teachers

One of the new faces at Farwell Junior High School belongs to Mrs. Don (Nancy) Alana who is embarking on her first year as a teacher. She is presently teaching remedial math in grades six through eight. Mrs. Alana attended Texas Tech University for two years and completed her bachelor of science degree in elementary education at Eastern New Mexico University at Portales. The certificate qualifies her to teach through the junior high grades. Last year Mrs. Alana did her student teaching with the second grade class at the Farwell elementary school. She explained that she became a teacher because that is what she has always wanted to do. The new teacher loves to read and is actively interested in school events and sports. The Alanas have one son, Kelly, who is 12 years old.
