

THE STATE LINE TRIBUNE

"OFFICIAL PUBLICATION OF FARMER COUNTY"

NUMBER 9

SIXTY-FOURTH YEAR

15 CENTS

Hurrah for the good people in Lamesa and Dawson County, Texas. They have gone to great length and some expense to express their feelings about a federal "bail out" of New York City.

We received a copy of the Lamesa Press-Reporter published on Sunday, Nov. 9. It contained a two-page advertisement signed by over 1,000 folks in that community.

The message was captioned "To: Members of the Senate and House of Representatives of the United States." The message read:

"We, the undersigned concerned citizens and taxpayers of Lamesa and Dawson County, Texas, hereby request your consideration of OUR FEELINGS regarding the financial problems of New York City, and the inevitable similar problem to face our nation also unless strong measures are taken to halt deficit spending.

"We are strongly opposed to federal aid for New York City, feeling it would open the floodgate of federal assistance to every mismanaged city in the nation!

"We believe, however, the financial plight of New York is merely a forerunner of the fiscal problems of our nation as well unless very strong measures are immediately undertaken to stem the tide of deficit spending; halt the enormous federal giveaway programs; curb the federal welfare costs; and return our nation to a position of a balanced budget and sound fiscal responsibility.

"We believe the greatest gift our nation could receive on its 200th birthday would be a successful effort on the part of its leadership to stop our headlong plunge toward federal bankruptcy.

"Respectfully,
"The people of Lamesa and Dawson County, Texas (Grassroots America)"

This two-page message was sent via first class mail to each Senator and Congressman from every state in the union at their Washington, D.C., address. Additional copies were mailed to President Gerald Ford, Governor Dolph Briscoe of Texas and many other prominent people throughout the country.

The people of Dawson County have hit the nail on the head. It is unfortunate that the large majority of our elected officials in Washington will not listen to this "grassroots" advice.

This is evident from the hair-brained antics now coming out of Congress. An example of Congressional stupidity is the current drive to cut over \$7 billion out of the defense budget. Have you heard of a drive to cut \$7 billion out of the welfare programs???

The respected American Security Council in a recent newsletter cites a report of the Joint Committee on Atomic Energy of the U.S. Congress as saying, "The specter of a Soviet first strike capability with a reserve second strike capability may soon be at hand."

This means that Soviet Russia will be able to hurl a first strike nuclear barrage at the United States, absorb our retaliation and then be able to mount a second attack on this country. This bodes ill for the survival of this country.

Yet here are our Congressmen clamoring to weaken our defenses at the same time they are preparing more massive welfare programs and federal assistance to every spendthrift city government in the county.

How can grassroots America successfully reverse this disastrous trend? Tell us -- we don't know.

In considering the financial pottage of NYC, it is refreshing to attend the local city council's meetings and hear some good old common judgment being applied to city business.

We know that a lot of the time the actions of the City Dads do not please all of the people, but we have come to believe that in most instances

CONSTRUCTION BID LET - Members of the Farwell Hospital District met Thursday, Nov. 6, with bidders to open bids on construction of the Farwell Nursing Home. The bid was awarded to Convalescent Enterprises of Austin in the amount of \$560,000 with 165 calendar days of work estimated. Among those present during the session were, from left, front row: Kirby Perry, architect; Carrie Anderson, Board secretary; Don Brewer of Health Care Management, Inc., lessee of the facility; Don Williams, Board president; and Gus Voelzel, project architect; back row: Bob Davis of Columbian Securities; Maxine Williams, Claude Rose, Jr., Jim Berry, W.T. Perry, H. Randall Hood, representative of Convalescent Enterprises; Prentice Mills, Charles Aycock and R.W. Anderson. The 165 working days is expected to begin around the first of 1976 with completion expected near the first of June.

For Construction - - Nursing Home Bid Is Awarded

Members of the Farwell Hospital District Board of Directors met Thursday, Nov. 6, to open and consider bids for construction of the Farwell Nursing Home.

Seven bids were submitted to the Board for consideration with the bid of Convalescent Enterprises being accepted by the officials. The bid was in the amount of \$560,000 with 165 calendar working days.

Other bids submitted included Cooper Brothers of Okla-

homa City, Okla., \$582,434 and 285 calendar days; Bill Averitt of Lubbock, \$618,397, 255 calendar days; Ramey Construction Co. of Amarillo, \$651,000, 260 calendar days; Page and Wirtz of Amarillo, \$662,000, 350 calendar days; John C. Cornell, Inc. of Clovis, \$668,035, 300 calendar days; and High Plains Building Co. of Amarillo, \$685,000, 250 calendar days.

It was reported that the 165 working days will probably begin sometime near the first

of 1976 with completion goal set near June 1, 1976.

The accepted bid from Convalescent Enterprises was for the construction of the complete facility less furnishings. Cost of furnishing the nursing home is expected to be approximately \$75,000.

The facility is to be constructed on the block immediately east of Hamlin Memorial United Methodist Church and immediately south of Farwell Church of Christ.

In 10th Week - -

Sam Gonzales Goes Wild, Takes First, Widens Lead

Sam Gonzales of Muleshoe pounded competitors in the 10th week of the 17th Annual Area Merchants Football Contest when he garnered first place weekly honors and widened his overall lead to five points.

No one was successful in calling all 10 games correctly and the first place win was awarded Gonzales on a tiebreaker decision. Gonzales correctly predicted the outcome of nine games and was six points off on his predicted tiebreaker score for the first place win and prize money of \$5.

Taking second place behind Gonzales was Jenoyce Ford. Mrs. Ford called nine games and was 10 points off on her tiebreaker score for second place and prize money of \$3. Coming in with third place was Albert Johnson. Johnson called nine games but was 18 points off on his tiebreaker

score for the third place prize of \$1.

One other person correctly called nine games but was too far off on the tiebreaker to be in the money. Reba Kirkland lost out on the weekly prizes by being 25 points off on her tiebreaker score.

Only these four persons called nine games but there were 14 persons who made eight correct guesses for the week. They were Mike Boling, Paultetta Curtis, Steve Holley, Mrs. Albert Johnson, Rhonda Kirkland, Terri McCully, John McFarland, Lonnie McFarland, Anneta Newcomb, Ruth Newell, Darrell Norton, W.T. Perry, Jack D. Wardlaw and Kie Watkins.

With this week's weekly win, Gonzales enlarged his leading margin for the overall contest to five points. The prognosticator is alone in first place with a total of 79 points. Closest to Gonzales for the

Grand Prize is Carl Kirkland. He is seated in second place with a total of 74 points.

Third place belongs to Leigh Ann Kirkland, Frances Norton and Earlene Porter. The three competitors each have accumulated 72 points thus far in the contest.

A total of 71 points have been racked up by Bill Craft, Sue Kirkland, and Champ Porter to put the three in the fourth place slot.

Holding the fifth place position is Albert Smith who has 70 points to his credit.

At the end of the 12th week of the contest, November 21, the person who has accumulated the most points for the entire 12 weeks of guessing will be tagged "Grand Prize Winner." For this win the person will be awarded two tickets to the Cotton Bowl Game to be played in Dallas, New Year's Day 1976. Along with the tickets, the Grand Prize winner will also receive \$50 expense money.

The person declared Second Prize winner will receive two tickets to the Sun Bowl Game to be played during December in El Paso. They will also receive \$25 expense money.

Book Fair Scheduled

A Book Fair has been scheduled for December 4-6 at Farwell Schools.

The event is to take place in the foyer of the auditorium with books being displayed for purchase. All books displayed are to be paperbacks with special orders to be accepted.

Precinct 3 - -

Archie Tarter Announces For Commissioner Post

Archie Tarter of Farwell has authorized this newspaper to announce his candidacy this week for the position of County Commissioner for Precinct Three of Farmer County, subject to the Democratic primary.

In announcing his candidacy, Tarter said, "I believe my experience in county government will be an advantage in

Oklahoma Lane Reunion Slated For Next Friday

All ex-students and former residents of the Oklahoma Lane School and community are invited to attend the five-year reunion set for Friday, Nov. 28.

The occasion is to be hosted at 6 p.m. CST at Fellowship Hall of the Oklahoma Lane United Methodist Church.

"We are expecting a good attendance for the reunion and hope everyone associated with the community will be able to participate," commented an official for the reunion.

Additional information may be obtained by contacting Mrs. Leon Billingsley at 825-3411 or Harold Carpetner at 825-2176.

Texico Groups Have Joint Meet

The Texico Chamber of Commerce and the Texico Community Planning Committee met Monday, Nov. 10, in the first of regular joint sessions.

During the meeting, it was agreed that the two organizations will in the future conduct all meetings on a joint basis with the Chamber conducting its business first followed by the business session of the Planning Committee.

At Monday's meeting the Chamber discussed a program for the annual Chamber of Commerce Banquet. The event is to be conducted next spring but no definite date has been set.

It was reported that Lewis Cooper, chairman of the bicentennial committee, related that the bicentennial celebration will be held July 4, 1976. It is to be an all-day affair to be highlighted by an evening fireworks display.

Chamber members also discussed the street signs which need repair work. Representatives of the Chamber are to meet Saturday, Nov. 15, with the Curry County Commissioners to seek assistance in correcting the situation of both streets and street signs.

During the business session of the Planning Committee officers for the new year were elected and will take their posts upon accepting the positions. Elected were Joe Caywood, president; Jim Pierce, vice-president; Ruby Goforth, secretary; and Bill Christian, City Council representative.

Joint meetings of the Chamber and Planning Committee are to be held, the second Monday of each month at the Community Building. Next meeting will be December 8.

SENIOR BANDSMEN - The Steer marching band traveled to Lubbock last week where bandmen entered competition in the UIL Regional Marching Contest. For the first time in the history of the Steer Band, the local unit was awarded a I Division rating in marching. Senior members of the 100-piece marching unit are, from left, bottom row: Lee Ann Williams, Jane Sanchez, Gaye Coffman, Terri Boling, Kathy White and Phyllis Mayfield; second row: Pam Erwin, Cindy Watts, Jacquelyn Langford, Lori Norton, Robert Diaz, Charla Norton, Estelle Embry and Gerald Hardage; third row: director Lynn Burton, Wesley Hukill, Dean Cooper, Jack Foster, Charles Christian, David Snider, Bruce Kaltwasser, Weldon Kube and Gary Blair.

First In History - -

I Rating Awarded Steer Band

The 100-member Steer Marching Band traveled to Lubbock Tuesday, Nov. 4, and competed against 16 marching units in the UIL Regional XVI Marching Contest and returned to Farwell with a I Division rating.

"This is the first time in the history of the school band that the unit has garnered a I rating in marching. The unit was organized in 1948 and up until last week, the unit has always received a II rating," commented Lynn Burton, director.

With the I rating the band is now eligible to compete for Sweepstakes with the contest to be held next spring. "For Sweepstakes we will be facing 16 Class A bands and will be competing in concert, marching and sight reading," explained Burton.

Prior to Sweepstakes competition the Steer Band will be entered in Concert Contest with seven other bands. The contest is to be held March 19, 1976, at Plainview.

Judges for last week's regional competition were Bill

Bradley of Big Spring, former Farwell band director; Harris Brinson of San Angelo State College, and Dub Crain of Dumas. The band was judged on marching, playing, uniformity of step, uniforms and pride.

"I feel the students have proven several things during this year's marching season. We're looking forward to a good concert," stated Burton.

The band director also reported that the Farwell Junior High School Band participated at the Homecoming Parade at Eastern New Mexico University last weekend.

"The band did not receive an award but the competition was very stiff. Our band was competing against several AAA bands that will go into AAA and AAAA high schools," commented Burton.

Five Charged With Marijuana Possession

Five men, one from Texico and four from Farwell, have been arrested in separate incidents and charged with possession of less than two ounces of marijuana. Arrests were made late last week by Farwell City Marshal Ronnie Mitchell.

Albert Galvan, 20, of Texico was placed under arrest Friday, Nov. 7. He appeared before County Judge Paul Fortenberry and pleaded guilty to the charge. Galvan was assessed a \$50 fine plus court costs, and was sentenced to three days in jail.

Four Farwell residents were taken into custody Saturday night, Nov. 8, for possession of marijuana. Arrested in the incident were Gregory Taylor, 19; Michael Woods, 18; Thad Phillips, 18; and Kirk McFarland, 21.

Members of the County Sheriff's Department assisted Marshal Mitchell in the investigation and in arranging for bonds for the men and appearance in County Court. Taylor, Woods and Phillips each pleaded guilty as charged when they appeared before Judge Fortenberry.

The four were each fined \$100 plus court costs of \$33 and given a deferred sentence. It was explained that a new law enables a judge to place defendants on "probation" for six months. If no further violations are committed by the defendants, proceedings are dropped and local records are removed. However, a record is kept in Austin so defendants are not eligible for "deferred sentencing" again.

McFarland entered a plea of innocent to charges. He was placed under a \$500 bond to appear for trial at a later date.

Both city and county law enforcement officials met with the men and conducted a strenuous interrogation in an

effort to learn the supply source of the marijuana.

County Medallions Go On Sale Today

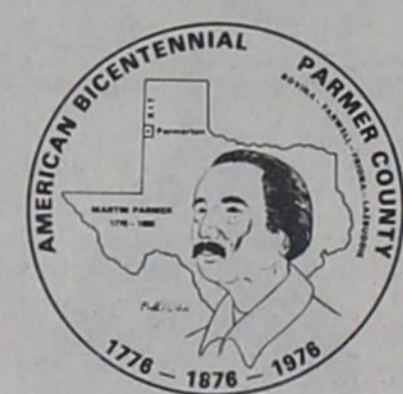

Parmer County commemorative coin-medals are to go on sale today (Friday), Nov. 14, at the Christmas Bazaar in Friona, according to members of the Parmer County Historical Commission.

Members of the Commission will be manning a booth during the two-day bazaar and are prepared to take orders for the special medallions.

The coins will be available in four types of metal, according to PCHC member Hugh Moseley. Metal types include sterling silver coin metal (clad in 24 carat gold), silver, antique bronze (brushed silver), and bronze. The coins may be purchased individually or in sets.

It has been reported that a limited number of the coins will be struck giving them lasting value. Moseley commented that profits from the sale of coin-medals will be used to publish volume two of the Parmer County History. The Commission published volume one a year ago, and the historical account was termed "extremely popular."

Moseley concluded by stating, "We think the coins, which are the first of a series, will make ideal Christmas gifts, and urge everyone interested to view the coins and make their purchases at the bazaar today and tomorrow."

COUNTY MEDALLION - Parmer County commemorative coin-medals are to go on sale today (Friday), Nov. 14, at the Christmas Bazaar in Friona. Actual size of the medallions is 39 millimeters in diameter as shown and the coins may be purchased in four types of metals. They are available in sterling silver coin metal (clad in 24 carat gold), silver, antique bronze (brushed silver) and bronze. Shown are the front and back of the new medallion which is being issued to commemorate the bicentennial by the Parmer County Historical Commission.

THE MONEY MAN - Jerry Monk, left, of Kelly Green Seeds, Inc. of Farwell makes the presentation of second place prize money to Jenoyce Ford. Mrs. Ford took the winning place during the 10th week of the Merchants Football Contest on a tiebreaker decision behind Sam Gonzales of Muleshoe who was awarded first place. Gonzales guessed nine games correctly and was only six points off on the tiebreaker score for his win. Mrs. Ford also guessed nine games but was 10 off on the tiebreaker. Taking third place was Albert Johnson, who called nine games and was 18 points off. Kelly Green is a sponsor of the contest.

ARCHIE TARTER

fulfilling the position of county commissioner.

"I want to put this experience to work for all the residents of Precinct Three. I ask your support and vote in the Democratic primary for this position."

Insurance Rates Lowered - -

Farwell City Commission Approves Water Rate Hike

Members of the Farwell City Council met in regular session Monday, Nov. 10, and accepted new rates for water usage for the city.

Following a discussion of the matter, it was agreed that water rates are to be as follows: first 2000 gallons, \$2.25; next 2000, \$1 for each 1000 gallons; next, up to 50,000 gallons, 25 cents for each 1000; and all over 50,000, \$1 per 1000 gallons.

Commercial users are to receive water at the current rates of \$2.25 for the first 2000 gallons, with the next 2000 being 50 cents per 1000, and all over 4000, 25 cent per 1000.

Rates for customers outside the city limits are to remain the same except that all usage over 50,000 gallons is to be raised to \$1 per 1000 gallons.

The new rates are to be put into effect during the next billing period of the city.

Also during the session, it was reported that the new key rate for insurance was received from the State Board of Insurance. The new rate was initiated due to the completion of waterworks improvements and re-evaluation of the city's business district.

An example of the new rate was given as follows: \$30,000 home for one year (premium) -- new rate 38 cents, lowered from old rate of 61 cents; brick veneer, \$63, lowered from \$86; stucco, \$79, lowered from \$106; and wood frame, \$93, lowered from \$120. The figures listed are for fire and lightning protection only.

The matter of building addition bids was then discussed by the Council. Bids received included \$14,551.89 from Dura-Built of Clovis; \$14,799 from Panhandle Steel of Amarillo; and \$14,758.41 from A & M of Clovis.

After discussion and comparison of bids, motion was made that the contract be awarded to Panhandle Steel of Amarillo for construction of the building addition.

Attorney Charles Aycock reported to the City Commission regarding the status of delinquent taxes and delinquent paving liens. He requested a motion authorizing the filing of suits or legal action to collect

the delinquent debts. Aycock was then authorized to file such suits.

The attorney also stated that he had spent about seven hours with a representative of the State Banking Commission regarding Sunset Memorial Cemetery. An application exempting the cemetery from State Banking Commission regulations has been made to the proper authorities. Aycock also reported that paper work on turning the cemetery over to the City is progressing and is expected to be completed within a reasonable time.

Aycock also stated that he

has prepared an answer for the City and the Commission, individually, to be filed in the suit brought against them and the Panhandle Regional Planning Council.

Among those present for Monday's meeting were Mayor Gil Patschke, Commissioner Fred Chandler, and city employees Janie Bowery, clerk; D.E. Hammit, Jr., assistant water superintendent; Roger Menning, city employee; V.C. Venable, water superintendent; and Ronald Mitchell, city marshal. Also attending were Lee Hutchins, Charles Aycock and John Getz.

Co. Commissioners Have Regular Meet

Parmer County Commissioners Court conducted a regular meeting Monday, Nov. 10, during which several items of business were discussed.

The first order of business concerned a request from Western Geophysical of Midland to work certain roads in Parmer County in making a vibroseis survey for City Service Oil Company. Following discussion Commissioners approved the request.

Bids for a road grader for Precinct Four were then opened. West Texas Equipment Company of Lubbock submitted the only bid and after due consideration, the bid was accepted.

Commissioner also discussed a certain right-of-way on Highway 214. It was reported that the Court has been unable to secure a proper deed for the right-of-way from Don Williams, representing the SIB Gin, Inc. It was felt by the Court that condemnation proceedings should be instituted.

The next item of business

A World-wide Fight

Through an international exchange program, the American Cancer Society sponsors the ACS-Eleanor Roosevelt Cancer Fellowships. Continue this work by giving to the ACS during its April Crusade.

NEW RESIDENTS -- Rev. and Mrs. Moody Smith and Mike have taken up residence in the Oklahoma Lane community where Rev. Smith is serving as pastor of the Oklahoma Lane Baptist Church. The new pastor has been serving as a minister for 29 years and comments that he is enjoying his association at the area church.

Baptist Minister - -

Rev. Smith Accepts Oklahoma Lane Post

Rev. Moody Smith has accepted the position of minister at the Oklahoma Lane Baptist Church and began his duties at the area church several weeks ago.

Prior to his association at Oklahoma Lane, Rev. Smith served a church in Rochester, Tex., for two and one-half years. Prior to that the family resided in Lamesa where Rev. Smith served a church for six years.

The new pastor commented that he has been serving as a minister for 29 years and he is enjoying his association with the local church.

Rev. Smith graduated from High School at Loop, Tex., in Gaines County and is a graduate of Howard Payne University in Brownwood. His first ministerial association was at Sherwood, Tex., located near San Angelo.

The Smiths have three children: Mrs. Tom Sowers of Amarillo, Becky Smith, a

senior student at West Texas State University at Canyon, and Mike, a junior at Farwell High School.

At the school, Mike is associated with the Steer Band and was one of the 100 members of the marching band to participate at the UIL Regional Marching Contest recently in Lubbock during which the band captured its first I Division rating for marching in the history of the school.

Mrs. Smith is a homemaker and commented as to how nice the people of the area are and how they love their church and work at Oklahoma Lane.

Fellowships

The American Cancer Society helps train young doctors and dentists in cancer diagnosis and management. Your contribution during the April fundraising Crusade will continue this vital effort to help make sure that the cancer patient has the best possible care.

Purely Personal . . .

(Continued from Page 1)

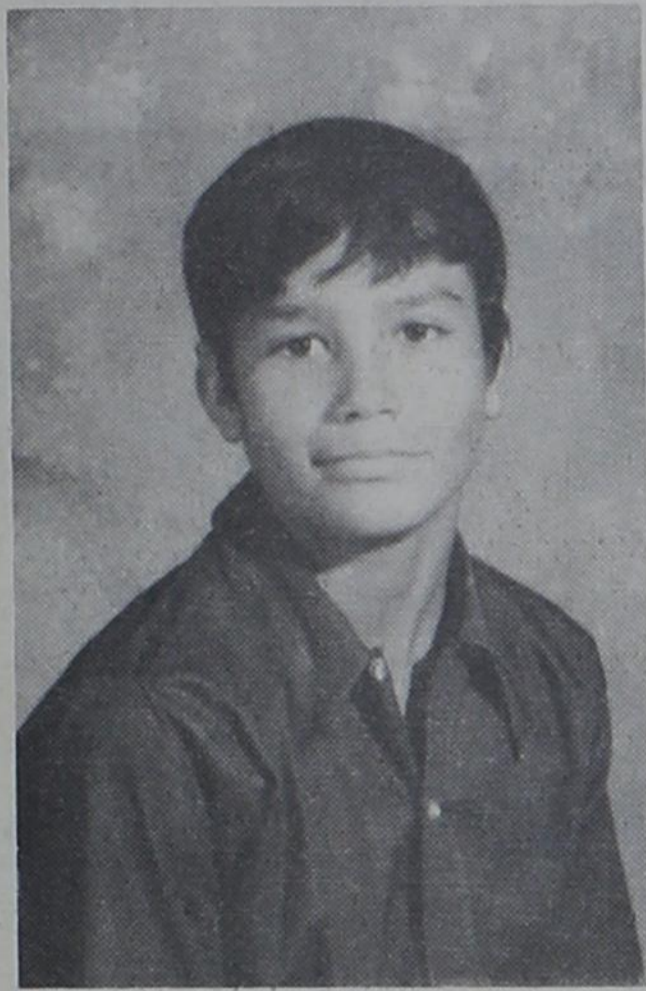

their decisions are for the best interests of the community.

A "for instance" will probably be the raise in the Farwell water rates. The thinking that went into the projected increase we believe was sound, and in the long term will be appreciated by future residents. Today it may make some folks mad; in later years it will make everybody happy.

These are the nitty gritty decisions a small town makes, whereas the metropolises try to please everybody and wind up pleasing nobody. We do wonder sometimes if the huge concentrations of population are not capable of self-government and must be eventually dispersed.

Well, we are glad we live in the Twin Cities -- aren't you?

Teen Of The Week At Texico School

ELOY ORTIZ

Eloy Ortiz, son of Mr. and Mrs. Amos Ortiz, is Texico's "Teen of the Week" for November 17-21. A freshman student, Eloy is an active Greenhand member of the Texico Chapter of Future Farmers of America. He recently won second place in the local Greenhand FFA Quiz Contest and will compete in the District competition in this event December 8. Eloy played junior high football and will also be on the freshman basketball squad.

[Selection of "Teen of the Week" made by anonymous committee.]

Zoroastrianism was the first universal religion, as opposed to the purely national or tribal faiths of the ancient Egyptians and Jews.

LINDSAY

Offers These Exclusive Features As Standard On Zimmatic Systems!

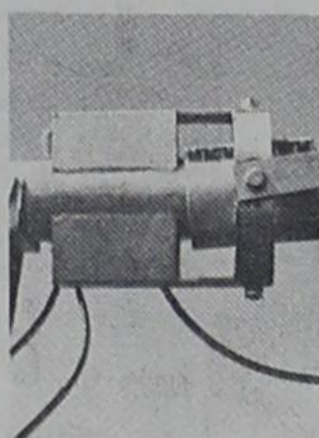

Monitoring System: Selector switches and read-out meters quickly pinpoint possible electrical malfunctions, save walking field to find problems.

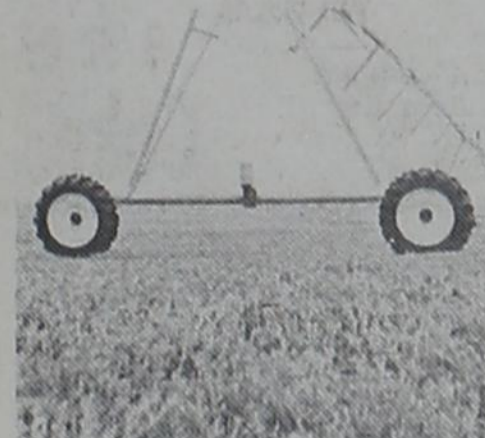

Pressure Shut Down: Pressure shut down automatically stops Zimmatic during any loss in pipe line pressure. Eliminates backtracking.

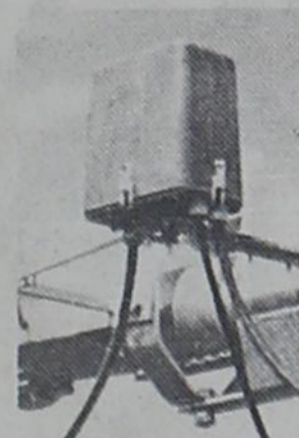

Enclosed Drive: Drive mechanism is enclosed in sealed oil bath. Gears are up to 75% heavier with 3 times the strength of some competitive models.

Uni-Knuckle: Patented joint allows stress-free flexing on rough terrain. Unit is completely external -- nothing inside pipe to obstruct flow.

Extra Long Wheelbase: A full 14 ft. -- one of the longest in the industry. Works with Uni-Knuckle and Lindsay rotating feature to provide exceptional stability on rough terrain and over terraces.

Thermal Plastic Control Boxes: Zimmatic lowers feature molded double-wall insulated plastic boxes for freedom from condensation and corrosion.

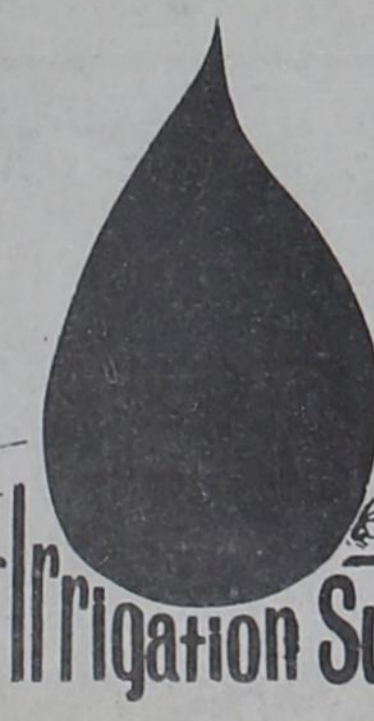

Wheel Swivel: Designed for quick change from watering to towing position. Removal of one pin allows wheel to swivel.

High Torque Motors: Lindsay's 200 in.-lb. (stalled) motors, specially designed for irrigation, deliver up to 50,000 in.-lb. torque. Large shafts, heavier gears to withstand stress.

HOW'S The Electric Company DOING? 27 acres of this Wyoming land can almost feed 1 steer for 1 year...

OR this same land will supply enough coal to generate the electric living needs of our residential customers for over 3 years.

America has an abundance of coal . . . more, in fact, than the Arabs have oil . . . enough coal, say some, to supply our needs for 600 years. The use of this resource will help us move toward energy self-sufficiency.

In parts of northeastern Wyoming, low-sulphur coal lies just below the surface in seams up to 80 feet thick. It's so rich that only 27 acres can give us enough coal to supply the electric living needs of our 204,506 residential customers and their families for over 3 years.

With natural gas in short supply and becoming more expensive, it makes good sense to use coal to generate

electricity -- and that's just what we'll be doing in our new Harrington Station when the first unit is completed next June.

The Future IS Electric!

Hart Hassles Steers, Cuts 39-7 Wound

The Farwell Varsity Steers were unsuccessful in holding Hart's Longhorns last Friday, Nov. 7, and the Longhorns ran away with a 39-7 win to claim a 3-A playoff spot.

The Longhorns opened the game on a winning note as the team took their first play from scrimmage and ran for the first touchdown of the night with only 18 seconds gone on the clock. Point after touchdown kick was good and Hart led 7-0 with 11:42 left in the first quarter of play.

Hart's kickoff was taken by Sammy Merritt and the Steers took their first down at their own 30-yard line. The Farwell footballers piled up yardage toward the Hart endzone as they were credited with three firsts before turning the ball over on downs.

Hart completed one play for two yards then a pass was intercepted by Steer Travis Bibbs setting the Steers up with a first and 10 on the Hart 35. Brad Jones took a pass from Quarterback Russ Jones on the Hart 20 and moved in for the Steer touchdown with PAT kick by Mike Goettsch ruled good. With 6:40 left in the quarter the Steers had evened out the score 7-7.

Hart took possession on the kickoff but lost the ball after three firsts to the Steers who began play on their own 16. Farwell gained a first down but then were forced to punt.

Hart moved down the field and came up with four first downs before falling into a fourth and 20 situation and being forced to punt.

The Steers began their next drive and moved the ball for four firsts and then were faced with a fourth and 13. The Steers elected to go for it and called a draw play but to no avail as Goettsch was dropped before getting the needed yardage and Hart took over on downs.

Hart went into action and traveled toward the Steer endzone with three first downs. They were then faced with a fourth and 12 punting situation and Farwell took over on its own 20-yard line.

The Steers moved the ball forward and hit upon a fourth down with two inches needed for the first. Quarterback Russ Jones fumbled on ensuing the play and Hart recovered with good field position on the

Farwell 30. The Longhorns moved to the Farwell 26 and set up in field goal formation. The attempted kick was topped with Steer Gerald Hardage coming up with the pigskin with 13 seconds left in the first half.

The Steers began play but on the first down an attempted pass was intercepted by Hart and run out to the Farwell 40 where the half ended with the scoreboard reading seven up.

Hart took the second half opening kickoff and on two series of downs moved it to the Longhorn 33 before being faced with a fourth down punt. Another turnover occurred when Farwell failed to come up with a first down on its series of plays and was also forced to punt.

Action then picked up for Hart as the Longhorns put five first downs on the books and moved to a first and goal-to-go from the Farwell three. The Longhorn quarterback plunged through the Steer defense and opened the Hart scoring gap to 13-7. PAT run was good and another two points were added to the Longhorns' score giving them a 15-7 lead with 2:56 left in the third quarter.

The Hart kickoff was returned by Hardage for good yardage to the Farwell 30. The Steers were not able to sustain a drive and punted with Hart taking over the Farwell 49.

With good field position once again, Hart began its third scoring drive of the night. The Longhorns were successful in picking up three first downs before falling into a third and eight situation. Farwell was penalized five yards for off-sides and Hart moved up to a third and three. On the play the Longhorn quarterback again pushed through the defense and hit pay dirt for another TD. PAT run failed and the Longhorns led 21-7 with 10:06 remaining in the game.

The Steers took the Hart kickoff and moved to within half a yard of a first down when a fumble occurred with Hart recovering.

Again the Longhorns were in good field position as they had a first down on the Farwell 42. The situation was third and seven when a pass was completed and Hart put another six points on the scoreboard. PAT failed and Hart

held a gaping 27-7 lead. Again the Steers were hurt by a fumble. They took two losses throwing them into a second and 25 situation when the fumble occurred and Hart scraped up the ball on the Farwell 30.

Taking advantage of the turnover, Hart moved into the Steer endzone on its second play and cut deeper into the Steers' score as they advanced their lead. PAT run was no good but Hart still led 33-7.

The Steers took the Hart kickoff and executed three plays before being forced to punt on a fourth and 15.

Hart took the punt on its own 15 and were held for no gain on the first play. With second and 10, a Longhorn romped 68 yards to the Farwell 18 for a first down.

The Steers weren't effective against the Hart scoring machine as a Longhorn found the endzone on the fourth down play to push the host team ahead 39-7. PAT failed and with 1:13 remaining in the game, Hart held a 32 point advantage.

Time played against the Steers as they took the Hart kickoff. The Steers managed to rack up three first downs and with one second remaining in the game Steer Quarterback Russ Jones completed a pass to Goettsch. Another pass was in the endzone to Brad Jones but the play was broken up by the Hart defense.

Time then ran out on the Steers as they fell victim to the Hart Longhorns 39-7.

In summarizing last Friday's game, Coach Eugene Jennings commented that the Steers have been plagued with minor injuries. "We only have about three men who are running 100 percent. Our other players are hampered by minor injuries such as bruised shoulders, ankles, knees and arms that are preventing them from putting forth 100 percent of their potential performances."

The coach stated that all players are putting forth the 100 percent of their capabilities with these injuries and "I, along with the other coaches, am very proud of the performances turned out by the Steers."

In last Friday's action, the Steer squad lost player Joe Haseloff to a knee injury. It is expected that Haseloff will have to undergo surgery to correct the problem.

"Our boys have been crippled because we are so much smaller than the teams we have played. No one has been hurt in practice but because we have been outmanned we were hurt in games. And that's what happened against Hart. Our boys got whipped man-for-man on the line of scrimmage and their linemen beat our men both offensively and defensively. The team that is stronger, bigger and quicker has a great advantage," the coach stated.

He concluded by commenting, "Our boys give 100 percent in a game and we are proud of them, not ashamed of their efforts. We don't have to offer excuses from our players or coaches. They have all worked for a winning effort all

year and each has represented the school very well." The Steers are to meet the Springlake-Earth Wolverines in the final game of the 1975 football season tonight (Friday), Nov. 14, at 7:30 p.m. in Steer Stadium. Everyone is urged to attend the game and give their full support to the Steers in the final game of the year.

Teachers Attend Convention

Faculty members of Farwell Schools were among 5,000 Panhandle area teachers attending the 42nd Annual Convention of District XVI of the Texas State Teachers Association (TSTA) in Amarillo Friday, Nov. 7.

Education leaders of Parmer County who participated in the business meeting, general session and sectional meetings included: Parmer County representatives to the House of Delegates; Anne Corn, Bettie Turner and DeLores Vaughn, all of Farwell, and Mary Maddox, Hardy Carlyle, Joe Blatchford, Jeanne Moseley, Dena Carlyle and Dora Blatchford; Donna Clapp of Farwell, officer of sectional meeting; Decimae Beene of Friona, member of District XVI Legislative Committee; and Alice Hill of Lubbock, member of District XVI Constitutional Committee.

The general convention began Friday but convention activities began at 6:30 Thursday evening when the district's House of Delegates representatives met for a banquet and business meeting.

Mrs. Bobby Willoughby of Amarillo, District XVI president, presided at both sessions. Other officers of the district are Gene Brock of Hereford, president-elect; Wayne Johnson of Shamrock, past president; Sue Wiens of Amarillo, secretary; and Luther Lawless of Amarillo, treasurer.

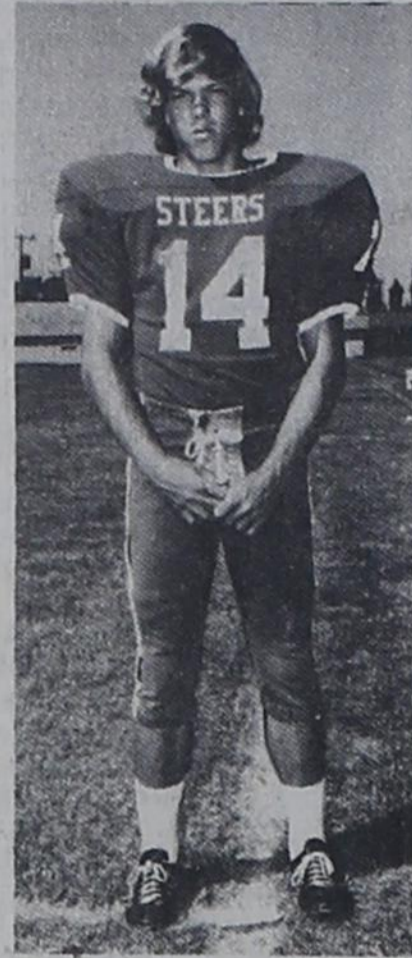

Among business items Thursday was election of new district officers. Nominations for office from the election committee included Jack Sharp of Tulia, president-elect; Mal Manchee of Hereford, secretary; Milton Kasch of Borger and Luther Lawless of Amarillo, treasurer; Rodney Gordon of Hereford and Bill Mackey of Pampa, district committeeman; Robert J. Clouch and Louise Daniel of Amarillo and Carolyn Waters of Hereford, state committeeman.

Following the general session Friday morning, teachers divided into smaller groups for luncheons and sectional meetings.

It is said that walnut trees thrive best if the nuts are beaten off with sticks, and not gathered.

Steer Of The Week

MIKE GOETTSCH

Steer Mike Goettsch has been tagged "Steer of the Week" by Farwell Coach Eugene Jennings. "Mike blocked and ran real hard Friday night and his improvement through the year is good. When we started he was not running as good as he should and was not blocking as well as he was capable. Goettsch has really improved a lot and we expect him to improve more."

Steers Set To Clash With S-E Wolverines

The Farwell Varsity Steers will be hosting the Springlake-Earth Wolverines in the final game of the 1975 football season tonight (Friday), Nov. 14, at 7:30 p.m.

"Springlake-Earth has potentially the best football team in this area in Class A," stated Farwell Coach Eugene Jennings. "They have more ability, size and more speed than any Class A team we've seen since Vega won second in

state in 1973." The coach continued by stating that Springlake has a 6-3 season record. "They have been beaten in district by Hart and Vega and they shouldn't have lost the game to Vega. They were beaten by Dimmitt in a non-district clash and that game was definitely an upset."

The coach stated, "I think we definitely have a chance to drop Springlake. We have played Springlake-Earth real hard each year. They have 11 seniors on their team and we have five. With this being the last game of the year, this factor might be to their advantage."

"One thing we have going for us is that our men have some goals and they will try to reach them in tonight's clash."

School Lunch Schedule at Texico

MONDAY -- Ranch Style beans, potato salad, cornbread, orange juice, cake, chocolate milk.

TUESDAY -- Hamburgers, pickles, onions, lettuce, tomatoes, fruit cobbler, milk.

WEDNESDAY -- Beef and cheese tacos, lettuce and tomato salad, buttered corn, cake, milk.

THURSDAY -- Steak and gravy, creamed potatoes, tossed salad, hot rolls, apple butter, milk.

FRIDAY -- Corn dogs, mustard, lima beans, pineapple and orange gelatin, cookie, chocolate milk.

Basketball To Begin At Farwell

The Varsity and Junior Varsity Steerettes of Farwell High School will begin their 1975-76 basketball season Saturday, Nov. 15, when they clash with Muleshoe. The game is to be played in Steer Gymnasium.

Second game of the season will be Tuesday, Nov. 18. At that time the Varsity and Junior Varsity Steerettes will be traveling to Friendship for game action. The first game for the Steers has been scheduled Friday, Nov. 21, when both the Steer and the Steerette Varsity and Junior Varsity teams will host Sudan.

Demons Possess Game, Shut Out Texico

by Susan Snodgrass

Texico hosted the Dexter Demons last Friday when the Wolverines lost their final game of the season, 31-0.

Texico kicked off with Dexter returning to the 48-yard line. The Demons gained 13 yards on two plays and would have gained 11 yards on the next play, but they had a penalty against themselves. Dexter tried passing, but Wolverine Willie Ronquillo and Jackie Reid teamed up to block the first one with Ronquillo coming in to block the second. Back to the ground, the Demons were stopped on the line forcing them to punt.

Wolverine Homer Ashley returned the punt to the 16-yard line. Texico gained eight yards, then five yards on a Dexter penalty, and then gained five more but lost 10 yards on two offsides penalties against themselves.

Ashley tried a couple of passes to Joe West, but only the first was complete, gaining five yards. The Wolverines gained another five yards on a Dexter penalty followed by a pass to West for 17 yards. Texico then had a loss, and incomplete pass, and a ground play that gained eight yards, but none of these made a first down and they were forced to punt.

On Dexter's first play, West, Dusty Casey, and Larry Rolan tackled the runner for only a short gain. The Demons fumbled on their next play and Wolverine Robbie Bradley recovered the ball. Texico's first play was a pass intended for Tommy Galvan but was intercepted by Dexter.

The Demons gained 36 yards in four plays, and then gained another five yards on a Wolverine penalty. As the quarter ended, Dexter connected on a pass for the touchdown. The Demons intended to kick, but there was a bad hike and the punter passed to a Demon in the endzone for two points. The first quarter ended with a score of 8-0, Dexter.

Dexter kicked off with Spencer Turner returning the ball to the 31-yard line, but Texico lost five yards on a penalty on its first play. The Wolverines then fumbled but Ashley recovered for a loss. Texico gained two yards in two plays,

forcing them to punt. The punt was returned to the 46-yard line followed by a Demon eight-yard gain with Ashley making the tackle. Texico then forced a six-yard loss on Dexter. The Demons made no gain as they passed with Ronquillo deflecting it. Ashley held them to a seven-yard gain and Dexter would have gained 15 yards on the next play, but they had a holding penalty against themselves causing them to lose 15 yards. Dexter fell short of a first down forcing them to punt.

The Wolverines first play was a pass, and it was intercepted by the Demons. Dexter gained seven yards on the first play, while on the next two Bradley stopped them from making a TD. A third play, a handoff, made the TD and following this, a faked kick, then a pass made a two-point conversion giving Dexter a 16-0 lead.

Turner returned the kickoff and on the next play Ashley carried for no gain. A pass to Reid gained five yards. Again Ashley carried, this time gaining a first down. Ashley connected a 15-yard pass to West, who ran 40 yards, for a 55-yard gain. Texico had the ball on Dexter's 15-yard line, but got an offsides penalty on themselves. They made no gain and then West tried a field goal, but it was no good.

A Demon man picked it up and ran 40 yards with it. A bomb then put the ball on Texico's 10-yard line. The next play made the Dexter TD and the extra point kick was good and the Demons led 23-0.

Texico's Galvan took the kick off back to the 28-yard line and again carried for no gain as the half ended. Score at the half was 23-0.

As the second half started, Galvan ran the Demon kickoff to the 35-yard line. The Wolverine made no gain, then had an incomplete pass, and then fumbled, but Texico recovered. The Wolverines punted and the Demons brought it back to the 45-yard line, where they were stopped.

On their first play, Dexter fumbled and Wolverine Reid recovered it. Texico then made only short gains and was forced to punt. On three plays the Demons gained a total of five yards and were forced to punt the ball back to

Texico with Ashley returning it to the 20-yard line.

Turner then carried but was stopped on the line of scrimmage. Texico had an incomplete pass followed by a loss on an illegal motion penalty. Ashley then connected a pass to West that was good for five yards, and, short of a first down, West punted.

Dexter fumbled the punt and Texico recovered it. A pass to Turner gained 15 yards with another to West gaining six yards. A lateral gave the Wolverines a five-yard loss. They lost more yardage on a couple of penalties. Back to the air, Texico tried passing, but the first pass was intercepted.

Almost immediately Dexter fumbled, but recovered it. The Demons gained five yards in two plays and the quarter ended with a score of 23-0.

Dexter gained another three yards, but then lost two yards. The Demons connected a pass but Reid stopped the man before he could do anything with it. Their next play put the ball on the 15-yard line. Mark Howard pushed Dexter back for an eight-yard loss, forcing them to turn the ball over to the Wolverines.

A handoff to Turner gained 15 yards. A lateral to Galvan gained seven yards. Texico fumbled on the next play, and Dexter recovered it.

Then, Dexter fumbled, and Texico recovered it. The Wolverines then lost a yard, but gained it back, on a two-yard gain. Ashley connected a pass to West for five yards. Texico then made no gain followed by a five-yard gain on a Demon penalty. Missing a first down, the Wolverines were forced to punt.

The Demons first play was a TD pass giving them 31-0 to lead.

The Wolverines returned the kickoff to the 31-yard line. A pass to West gained 10 yards

and a handoff to Turner gained 30 yards. Texico kept coming, gaining first seven yards, then five yards, then had no gain, and then gained about one foot.

The Demons intercepted a Texico pass and then on their first play, gained 10 yards. The Demons gained 24 yards in seven plays as the game ended. The final score was 31-0.

The Wolverines concluded the season play with a 3 win-6 loss record. Their only wins came against Melrose, Vaughn and Lazbuddie, all non-district opponents.

In Class AA district competition, the Wolverines tallied only 19 points to their opponents' 132 points. This is the second year that the Wolverines have competed in Class AA.

During the 1974 football season, the Wolverines tallied only 3 points against their district foes, while the other teams scored 90 points.

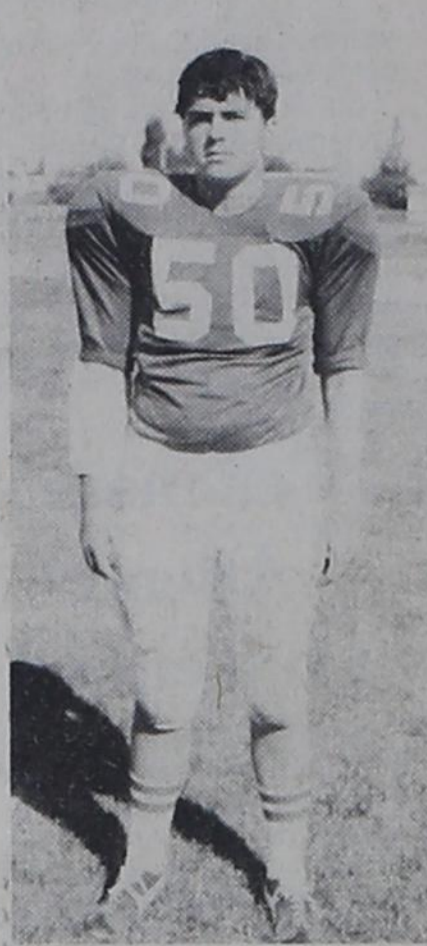

"Dexter was every bit as good as we thought they would be," commented Texico Wolverine Head Coach Ray Manly.

The coach further commented that Dexter did deserve the title of being rated number one in state.

Manly cited Wolverines Robbie Bradley and Joe West for their performances against the Dexter Demons. "Bradley was our outstanding defensive man. He had 15 defensive tackles. West, our offensive man, caught seven passes for 87 yards."

The Wolverines faced Dexter in their final game of the 1975 football season. They wish to express their appreciation for those fans and supporters who turned out for the games and backed them in their playing efforts.

Wolverines Of The Week

ROBBIE BRADLEY

JOE WEST

Texico Wolverine Head Coach Ray Manly has named Robbie Bradley and Joe West "Wolverines of the Week." We have selected Bradley as our defensive man because during Friday's game with Dexter, he had 15 defensive tackles. West is our offensive man. He hauled in seven passes for a total of 87 yards during the clash.

Texico Students Named To HS, JH Honor Rolls

Jim Pierce, superintendent of Texico Schools, has released names of students listed on the first nine weeks honor rolls for Texico High School and Texico Junior High.

Senior students named to the honor were Gary Billington, Robbie Bradley, Gia Crooks, Bryan Davis, Valerie Fitz, Terri Gleaton, Sheila Hall, Kim Harrison, Ted Richardson, Rusty Rucker, Lou Ann Scioli, Cheralene Tharp and Spencer Turner.

Juniors listed include John Burgett, Deanne Day, Mark Howard, Lupe Loya, Betty Jo Peugh, Susan Snodgrass and Charlene Whitener. Sophomores making the honor list were Debra Coffey, Lyndon Donahay, Karen Hadley, Blake Haile, Christi Harrington, Richard Kelley, Sabrina Kittrell, Doug Osborn, Terry Rucker, Steve Turner and Leona Webb.

Freshmen afforded the honor were Sheryl Day, Steve Doolittle, Georgia Eshleman, Tonye Harrington, Karen Harrison, Barbara Holley, Pam Southard and Teresa Turner.

Thirty-two students of Texico Junior High were named to honor lists. They are as follows:

SIXTH GRADE: Alan Baldridge, Tony Bradley, Lisa Crooks, Jeff Day, Tracy Dobbs, Jeff Dunsforth, Todd Geries, Sandra Holley and James Kelley.

SEVENTH GRADE: Lisa Coffey, Delinda Duncan, Rebecca Eshleman, Carletta Fitz, Teresa Golledge, Allen

Hall, John Kelley, Berta Loeira, Nickie McDaniel, Laurie Miller, Janice Newcomb, Rhonda Tharp and Sonya Thigpen.

EIGHTH GRADE: Esther Chairez, Roxanne Cherry, Kelly Dobbs, Kerri Donahay, Teresa Doolittle, Neal Haile, Lori Harrington, Mark Powell, Cindy Taylor and Jeff Tharp.

ON THE MIDDLE AGES, THE ARMORED KNIGHT ON HORSEBACK REPLACED THE DISCIPLINED RANKS OF INFANTRY AS THE DOMINANT FORCE ON THE FIELD OF BATTLE!

THE ARMORED TRADITION IS PRESERVED TODAY BY THE GIANT TANKS AND THE ARMOR CREWS OF THE U.S. ARMY. BUT THE SOLITARY HORSE OF THE PAST HAS BEEN REPLACED BY POWERFUL ENGINES THAT HARNESS THE STRENGTH OF OVER 700 HORSES!

Wheat Symposium Set For Thursday

Improved wheat production practices, cost alternatives and marketing are topics which wheat producers and agricultural and industry officials will consider in an annual Wheat Symposium Thursday, Nov. 20, at the Hilton Inn, I-40 east, in Amarillo.

The event gets under way with registration at 9 a.m. and opening remarks at 9:50 a.m., and adjourns at mid-afternoon.

Sponsors cooperating in the symposium are the Texas Agricultural Extension Service, Texas A&M University, Panhandle Economic Program, South Plains Development Program and Rolling Plains Economic Program in cooperation with the Texas Wheat Producers Association.

The symposium precedes TWPA's annual meeting which convenes Friday, Nov. 21.

Sessions will be billed around on-farm decisions relative to production and costs and off-farm decisions which affect markets, prices and income.

Lead-off speaker for the symposium is Dr. Norman Brints, Extension agronomist from Vernon, who will discuss "Wheat Production Costs -- What Our Records Show."

Alternatives for meeting production cost crises will be the general topic for six speakers. Dr. Frank Petr, Extension agronomist from Amarillo, will talk on agronomic management practices, and Jim Valentine, Lubbock-based Extension soil chemist, will speak on fertilizer and fertility management.

A film from the National Wheat Institute titled, "The Producer Has A Choice," will provide a close-up of marketing alternatives.

The afternoon session gets underway with Dr. Bill Clymer of Pest Management Consultants, Amarillo, discussing insect programs as alternatives for meeting production cost crises. He will be followed by Dr. Robert Berry, Extension plant pathologist from Lubbock, who will talk about disease prevention.

Dr. Allen Wiese, Texas Agricultural Experiment Station researcher from Bushland, is to review weed control practices. Dr. Kenneth Porter, TAES professor - in - charge at

Bushland also speaking under the theme of production cost alternatives, will review wheat varieties and hybrids available to producers.

Wheat pasture management is the final topic of the agenda. Dr. John Shipley, TAES researcher from Bushland, is speaker.

Opening remarks of the symposium's two sessions will be provided by Extension Service District Agents Paul Gross of district 1 (Amarillo) and Billy C. Gunter of district 2 (Lubbock).

If wages had gone up no faster than food prices in the last 20 years, the average industrial worker would be earning \$2.59 an hour, not \$3.89, Agriculture Commissioner John C. White said recently.

agri-facts

By John Ricci

Some flak for farmers is coming in the form of complaints about farm chemicals from people who apparently consider the word "chemical" the opposite of the word "ecology". Not too surprising considering all the attention given by ecologists to some misuses of chemicals. Farmers however, are probably the most ecologically minded group in the country...

... have been for years. Making your living from the land means taking care of it. Proper applications of chemicals enhance vitality of the soil, replacing those elements used to produce the last crop. Necessary use of pesticides not only keeps quality of food production high, it also makes possible far greater quantity of production and thereby keeps food prices down. As far as overuse of chemicals is concerned, the guy paying the bills is going to be the last one to use more than is needed to do the proper job.

Texico School Board Conducts Short Meet

Members of the Texico School Board of Education met in regular session Tuesday, Nov. 12, and conducted a discussion regarding the busing situation.

Trustees approved the employment of three substitute bus drivers. Substitute drivers will be Mary Peyton and Mr. and Mrs. Sampson.

The Board also gave its approval for Peyton to purchase a new 54-passenger bus

for the south route of the school.

It was reported that Trustees agreed to change the time of scheduled Board meetings. Meetings are to begin at 7 p.m. MST beginning with the December meeting.

Also discussed during the session, was the feasibility of using the old gymnasium. It was reported that no decision was reached.

Our Apologies

The Tribune wishes to express its apologies to Texico and to Richard Hapke for inadvertently stating that Hapke was a former resident of Farwell and Farwell school graduate.

Hapke is a former resident of Texico and is a graduate of Texico High School.

The apple is the most versatile of fruits - dice and slice for salads, make it into sauce, bake it, juice it - use it with meats, poultry, in cakes and cookies and pies. There are hundreds of apple recipes. You can make some up yourself.

Cases Set For Hearing, Petit Jury List Released

A total of 17 cases have been scheduled for hearing in County Court Tuesday and Wednesday, Nov. 18 and 19, and a list of prospective jurors has been released by the office of County Sheriff Charlie Lovelace.

Among the criminal cases to be heard are The State of Texas vs. Kenneth Byron Fields, theft; Ricky Patterson, theft; Harley Waldrop, perjury; Jaime Maltos, burglary; Rene Montez, theft; Al H. Hilmus, forgery; Curtis Drager and Raymond Drager, theft;

Also, Arturo Ortiz, Gilbert Ortiz, Jr., Albert Galvan and Guadalupe T. Garcia, burglary; Edgar L. Clinton, Jr., theft; Deward Armstrong, theft; Joe Angel Delgado, Alfonso Delgado, Robert Francis

Pesch, Alvino Hernandez and Zefferino Villarreal, Jr., possession of marijuana; Manuel Barba, Jr., and Alfonso Romo, Jr., criminal mischief;

And, Larry Polk and Robert Wilson, theft; Jim Fields, theft; James Conrad Tafoya, theft; Virginia Fabela, theft; and Joe Nathan Pearson, theft.

Prospective jurors scheduled to report Tuesday, Nov. 18, at 9:30 a.m. are Jerry Lee Smith, Wayne T. Schilling, Bruce Billingsley, Ben Rejino, Jr., Glenden Sudderth, Keith Menefee, Doyle Johnson, Mrs. Diane Baize, Leo R. Berend, Lowell Boozer, John L. Mitchell, Curtis Parker, Kathleen W. Plumb, Tom O'Brian, Fidencio Guzman, Mrs. Kenneth McGehee, Mrs. Jimmie Campbell, James L. Brown, Mrs. Melborn Jones, Billy R. Nazworth, Mrs. Dale McCuan, Royce B. Keck, A.A. Allen, Kenneth W. Neill,

Also, Mrs. Arthur C. Nittler, B.W. Turner, Mrs. Hubert H. Elliott, Cynthia Fay Barrett, Samuel F. Webb, Fred Barker, Jr., Eddie Lynn Winegeart, Marilyn Winegeart, Edith Blair, O.W. Adams, Dale L. Cary, Mrs. A.H. Haseloff, David Fields, Lillian Clark, Darrell R. Mason, Mrs. Wayne A. Jones, Mrs. Norvin Preston, Travis S. Hancock, Mrs. G.W. Crain, Mary E. Priest, Mrs. George Patterson, Mrs. Myrtle Withrow, Barry Williams, Mrs. Carol Tucker,

And, Elton R. Venable, Mrs. Jenny Mitchell, Vivian Ham, Mrs. Pershing Busbice, Blayne Dee Baxter, John C. Gaede, Mrs. Tommy Taylor, Mrs. Jessie Woltmon, Dewayne Estep, Joe A. Schilling, W.H. Sudderth, Jim Roy Daniel, George A. Frye, Charles A. Morrison, Jimmie Heard, Mrs. Odie White, Mrs. Joe A. Sears, Mrs. A.S. Grubbs, Lewis Tharp, James E. Curtis, Terri Edwards, Barbara Defoor, Jon Mack Roden and Mrs. Brenda B. Pace.

Prospective jurors to report Wednesday, Nov. 19, at 9:30 a.m. are Ben Finch, Miss Greta Paul, Mrs. E. H. Bradshaw, Oakley D. Stevenson, Mrs. A.W. Gober, DeWitt Precure, Mrs. Charles F. Hall, John Baca, Jarrell Wright, Marilyn Joy Hinkson, Mrs. Robert D. White, Mrs. Reeta Agee, Davis Gullely, W.S. Ingram, Mrs. Vickie Burch,

Also, Mrs. Phil R. Jones, J.W. Jones, Mrs. Van E. Nichols, Eddie Brian Smith, Asa G. Smith, Troy Christian, Roy G. Clements, Mrs. L.B. Hambright, Mrs. Gil DeLeon, Mrs. Zoe Clary, Mrs. Mitchell Henderson, Mrs. Linda May, Elmer Scott, Billy R. Wilshire, Carl Schlenker,

And, Jesse T. Coburn, Jr., James Craig, Mrs. Mike Riethmayer, Johnie Horn, W. T. Perry, Mrs. Delton Lewellen, Mrs. Harold Stovall, Leslie Rushing, Mrs. O.O. Dale, Mrs. J.L. Shaffer and Jack Smith.

Grand Jury

Returns 13

Indictments

Members of the grand jury convened October 30 and 31 and returned 13 indictments against 11 persons. At the current time all but three of the defendants have been taken into custody with all to be bound over for grand jury action.

Indictments returned include the State of Texas vs. Robin Baize, John Peace and Noe Basquez, burglary, two counts; Thomas F. Barker, theft; Billy Don Knight, theft; Ricky Clark, delivery of marijuana, two counts; Roy Burleson, theft; Ricardo Flores, aggravated assault on a peace officer; William E. Melton, forgery and passing; R.M. Walker, two counts forgery and passing, one count burglary; and Roljelio Reyes, driving while intoxicated, subsequent offense.

Fire Calls

Members of the Farwell Fire Department answered four calls during the past week. November 2 the ambulance responded to a call at the high school where a football player had been injured.

The fire unit answered a fire call Saturday at a Farwell wrecking yard. On the same day, firemen were also summoned to extinguish a grass fire at the Farwell cemetery and a grass fire at the Roy Snodgrass farm.

The Texico Fire Department was called to a grass fire southwest of the city on November 6.

Let your neighbor park his parking problem in your driveway. When he's planning a party and you're not using your car, offer the space for company.

Give your neighbors a chance to read. Look through your books and see if any should be returned to the library.

The elevator isn't a smoking car, so observe the no-smoking rule (No butts about it).

Offer your bus or train seat to someone who looks as if he or she needs it more than you do.

ENGAGEMENT ANNOUNCED - Mr. and Mrs. Raymond Curfman of Cincinnati, Ohio, announce the engagement and approaching marriage of their daughter, Nancy Rae, to Kirt Martin, son of Mr. and Mrs. Preston Martin of Farwell. The wedding will take place Saturday, Dec. 27, at 7 p.m. at the Central Church of Christ in Cincinnati. Martin is a 1971 graduate of Farwell High School and a 1975 graduate of Lubbock Christian College, Lubbock. He is now working on his master's degree at Oklahoma State University in Stillwater, Okla. Miss Rae attended LCC, but is presently working in Cincinnati.

TRIBUNE RIVIA

from across the desk of Joann Getz

We were in Santa Fe recently attending the state convention of the New Mexico Press Association.

The opening session Friday was a press conference with New Mexico Governor Jerry Apodaca. There were newspaper workshops during the day plus a panel discussion that afternoon with several of the New Mexico congressmen. In spite of the political overtones it was an enjoyable and enlightening session.

Friday afternoon, the women were treated to a Ladies Tea at the Governor's Mansion, with Mrs. Jerry Apodaca as hostess. She is a beautiful woman and very personable. It was a delightful afternoon.

We had visited the Governor's residence three years ago with Mrs. Bruce King as hostess and the decor in the Mansion definitely revealed the personalities of the two women. Mrs. Apodaca had changed the decor with dark

but vibrant colors, and Mrs. King had used more beige and gold tones. Both very tastefully done, but an interesting contrast.

Saturday's activities included a noon luncheon at which the speaker was Helen Thomas, White House correspondent, United Press International. She is not one of my favorite correspondents, to say the least, and I was on the defensive from the start of her talk.

However, must admit that she was very entertaining. She stayed away from politics as much as possible and told of anecdotes and personal experiences of the presidents from Kennedy through President Gerald Ford. Many of her comments were very amusing.

Senior Citizens Have Meeting, Potluck Supper

Members of the Senior Citizens met Thursday, Nov. 6, for a regular business meeting and potluck supper with 16 members and one guest, Mrs. E.V. Rushing, in attendance.

Alma Hendrix conducted a short business session during which she appointed a committee to report on quilts. The group is planning to display a bicentennial quilt during festivities July 4, 1976. Committee members are Maurine Caywood, Hope Shuman and Ethel Howard.

It was also reported that the group will have its annual Thanksgiving dinner Thursday, Nov. 20, at 6 p.m. MST at the Texico Community Building. The turkey is to be furnished with members bringing covered dishes to complete the menu.

Farwell FHA Has Meeting

Farwell Chapter of Future Homemakers of America met Monday, Nov. 10, at the Home-making Cottage for a regular monthly session.

For the program, members pulled taffy which was to be sold at school.

A short business meeting was also held during which plans for money making projects and the Christmas Party were discussed.

Refreshments of brownies, Rice Crispy bars, doughnuts and punch were served by Susan Meeks and Junelle Miller.

Mr. and Mrs. Richard Hapke of Washington, D.C., were weekend visitors in the home of his father, A.E. Hapke of Texico. Hapke, administrative assistant to U.S. Rep. Harold Runnels of New Mexico, was honored at Eastern New Mexico University's homecoming activities Saturday. He received an Outstanding Alumni Award. Dick and his wife Carolyn also visited with other relatives and friends while in the area.

Visiting in the home of Mr. and Mrs. Lenton Pool of Farwell were their son and family, Mr. and Mrs. Sam Pool and children, John and Desta, of Santa Fe. They arrived Friday evening and returned home Sunday.

Rev. Perry Speaks At Fall Services

Rev. W.T. Perry, pastor of Hamlin Memorial United Methodist Church of Texico-Farwell, has been in Grandfalls, Tex., this week speaking at the Fall Thanksgiving Services at the Grandfalls United Methodist Church. Services began last Sunday evening and continued through Thursday of this week.

The Grandfalls church is part of the Monahans Larger Parish. Rev. Glenneth Harrington is the Senior Minister of the Monahans Larger Parish and Rev. Joel Ware is the Associate Minister, assigned to the Grandfalls church.

APPLE FACTS FOR FANCIES

In spite of popular belief, the apple was not mentioned in the Bible as the fruit that Eve ate. It was merely described as "the fruit of the tree which is in the midst of the garden." Probably the apple got that reputation because it is such a tempting, irresistible, good-tasting fruit.

Apples, which nutritionists call a protective food, contain natural sugars that are easily digested, give instant energy, and don't injure teeth.

DECEMBER WEDDING PLANNED - Mr. and Mrs. Marshall Peters of Wellington announce the engagement and approaching marriage of their daughter, Judy, to Bruce Dollar, son of Mr. and Mrs. Billy Dollar of Farwell. Nuptials will be solemnized Saturday, Dec. 27, at 3 o'clock in the afternoon at the First Baptist Church of Wellington. The bride-elect is a 1973 graduate of Wellington High School and a 1975 graduate of Clarendon College. She is presently employed as a legal secretary. The prospective bridegroom is a 1967 graduate of Farwell High School and a 1973 graduate of West Texas State University in Canyon. He is currently employed by the Wellington Independent School as a coach.

Karen Horner Celebrates 4th Birthday

Karen Horner was honored Wednesday, Nov. 5, with a birthday party in the home of her parents, Mr. and Mrs. Harvey Horner.

Those attending were served panda bear shaped cake and Kool-Aid. The cake was colored brown and white with candy eyes.

Attending were the honoree, her new brother, Corey Don; her grandparents, Mr. and Mrs. Fred Horner; Mr. and Mrs. Joe Smith and family and Mr. and Mrs. Ricky Stewart and children.

Some people believe that rubbing a sty nine times with a golden wedding ring will cure it.

Horners Are Parents Of First Son

Mr. and Mrs. Harvey Horner are parents of their first son born Sunday, Nov. 2, at Clovis Memorial Hospital.

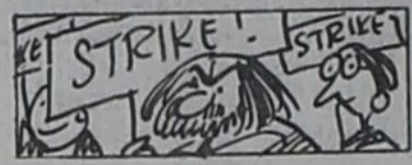

The lad, named Corey Don, was born at 12:08 p.m. He weighed 10 pounds 7 1/2 ounces at birth and measured 22 inches in length.

Corey Don has one sister, Karen, four years old.

Grandparents are Mr. and Mrs. Marcelo Rivera of Friona and Mr. and Mrs. Fred Horner of Farwell. Great-grandmothers are Maria Rivera of Austin and Mrs. Rouse of San Angelo.

Marriage Licenses

During the past week the Parmer County Clerk has issued two marriage licenses. The licenses were issued to Robert Lee Ward and Sandra Kay Fulks; and Michael L. Willmon and Kay Annette Bell.

FAIR EXHIBIT - Members of the Texico Chapter of Future Homemakers of America will be exhibiting crafts during the Second Annual Arts, Crafts and Jewelry Fair to be sponsored December 6 by the Texico Woman's Club. Becky Potts, left, president of the Texico FHA, and Susan Snodgrass, vice-president, are preparing the exhibit arrangement in preparation for the Fair. Deadline for reserving space for exhibits is December 2. "Spaces are going fast and anyone wishing to reserve a space should do so as soon as possible," comment members of the sponsoring organization.

Variety Of Exhibitors Enter Arts, Crafts Fair

With the deadline drawing near for reserving spaces for the Second Annual Arts, Crafts and Jewelry Fair, it has been reported that a wide variety of exhibitors have already secured their show areas.

According to Ann Ledbetter, officer of the sponsoring organization, Texico Woman's Club, exhibitors range from high school students entering for the first time to several persons who enter several fairs yearly.

Members of the Texico Chapter of Future Homemakers of America will be displaying a variety of macrame products including macrame ropes to be used with hanging planters. They also have several wall plaques and handcraft items which will be displayed.

Members of the Senior Center have also reserved a booth for this year's event. The organization will have a display including leathercraft, pottery, paintings and some handcraft items.

Mrs. Betty Winegeart will be displaying liquid embroidery art and the team of Maurine Caywood, Debbie Ledbetter and Ann Ledbetter will be exhibiting mosaic candles with leather purses, plaques and other items.

"We have several out-of-town exhibitors who have reserved spaces for the fair," stated Mrs. Ledbetter. "An

Albuquerque exhibitor will be displaying turquoise jewelry and a Happy, Tex., woman will be exhibiting 'rock babies' or figurines and various items made from rocks."

There are very few booths left to be reserved for the affair. Deadline for reserving a space is December 2. Spaces are limited and will be sold for \$10 each on a first come basis. Entry fees are to be returned if all spaces are sold. The Fair is planned for

December 6, 8 a.m.-5 p.m. at the south gymnasium at Texico Schools.

"We are expecting a large turnout of both exhibitors and buyers for the Fair and urge everyone who has work of any kind to reserve a booth and display their arts. Everyone is invited to attend the Fair and possibly get ahead on Christmas shopping for this year," concluded the Woman's Club member.

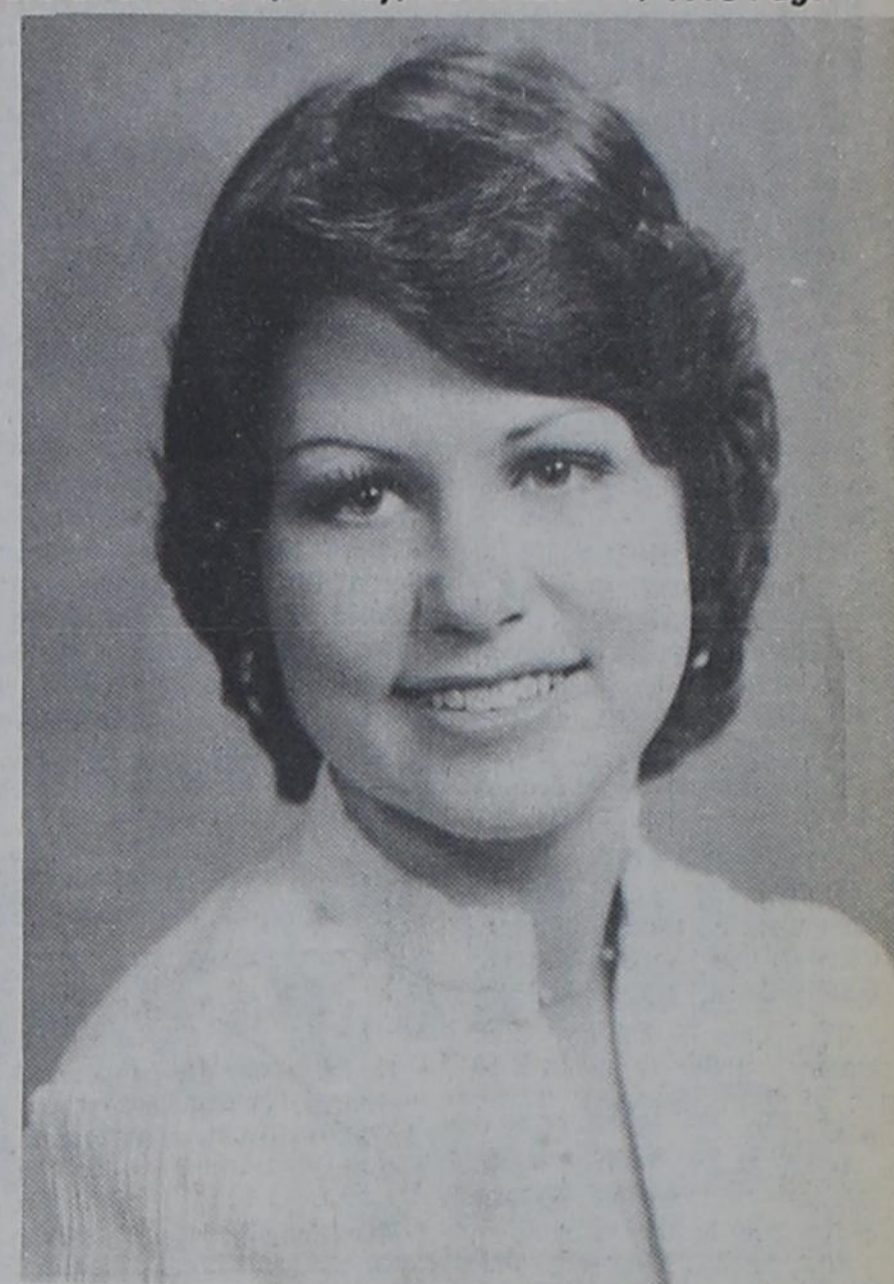

Christmas Bazaar Underway At Friona

The time is here for the Third Parmer County Christmas Bazaar and Arts and Crafts Show. Exhibitors from all over the Panhandle and Eastern New Mexico will be in Friona Friday (today) and Saturday, Nov. 14 and 15. Approximately 50 spaces have been reserved with exhibitors coming from Friona, Bovina, Farwell, Hereford, Amarillo, Claude, Morton, Kress, Sudan, Clovis and Portales.

Exhibits of jewelry, macrame, photographs, paints, books, antiques, tin craft, baked goods and other assorted gift and craft items are now on display. Several organizations are on hand with educational exhibits and some are sponsoring raffles to sup-

port their organizations. A new feature added to the educational demonstrations is some nearly forgotten arts such as quilting, bread making and churning. The heritage arts are being presented along with the holiday foods and crafts and the ever-popular holiday fashion shows.

"Everyone come and bring a friend to the Parmer County Christmas Bazaar in the Community Building in Friona. Exhibits will be open to the public at 9 a.m. each morning and will close at 6 p.m. on Friday and 5 p.m. on Saturday. Admission is free, so come and avoid the Christmas rush, buy your gifts at the bazaar," invite officials of the event.

TO WED - Mr. and Mrs. George H. Trimble of Route One, Texico, announce the engagement and approaching marriage of their daughter, Celia Denise, to Jacky L. Welch, son of Mr. and Mrs. C.J. Highley of Portales. A December 19 wedding is planned at seven in the evening at Pleasant Hill Baptist Church. The bride-elect is a senior at Eastern New Mexico University and the prospective bridegroom is employed in Portales. All friends and relatives of the couple are invited to the ceremony and reception to follow.

Mrs. Foster Returns From Two-Week Trip

Mrs. Loucile Foster of Farwell returned Wednesday, Nov. 5, from a two-week trip during which she visited in Abilene, Corpus Christi, Waco and Fort Worth.

While in Abilene, Mrs. Foster visited in the home of her granddaughter, Mr. and Mrs. Akom Dhirapartna, and attended a business conference and several lectures at McMurry college.

From Abilene she traveled to Corpus Christi where she visited her son and family, Dr. and Mrs. Robbie Foster. "While

in Corpus I really enjoyed the warm, sunny beach," commented the local traveler.

At Waco Mrs. Foster was a guest of her aunt, Mrs. Katherine Oliver. While there she also visited on the campus of the Methodist Home.

The final travel stop for Mrs. Foster was in Fort Worth where she was hosted by her daughter and family, Mr. and Mrs. Gus Umphress. She also visited several friends and attended a banquet of the National Business Woman's organization.

Texico Baptist Members Attend General Confab

Several members of the congregation of First Baptist Church in Texico attended the Baptist General Convention of New Mexico which was held in Tucumcari from Monday through Thursday of last week.

In attendance for all of the sessions which opened with a

LWML Plans Family Supper

The Lutheran Women's Missionary League of St. John's Lutheran Church of Lariat met Thursday, Nov. 6, at the parish hall.

Mrs. Doris Hooper, zone president, presented the program. She gave an interesting report on the International Convention held in St. Paul, Minn., last July.

It was reported that the Family Night Thanksgiving Supper will be held Sunday, Nov. 23, at 6 p.m.

Refreshments were served to members, Rev. Herman Scheller and guests attending by Mrs. Adolph Haseloff and Mrs. Richard Haseloff.

banquet Monday evening were Rev. and Mrs. Harvey Hudnall of Farwell and Mrs. Nora Day of Texico. The affair was a joint banquet of the Women's Missionary Union and the Brotherhood.

Among those present for some sessions of the Convention were Bro. and Mrs. Joel Horne, Mr. and Mrs. Willie Wall, Lynn and Nicki McDaniel, Dallas Brown, Mrs. Dee Brown and Mr. and Mrs. Jim Walker.

Dinner Meet Slated By Study Club

Members of the Farwell Study Club will be meeting Monday, Nov. 17, for their annual Thanksgiving dinner. The event is to be conducted at 6:30 p.m. CST at Hamlin Memorial United Methodist Church in Farwell.

Mrs. Charles (Benna) Felts will be presenting a talk entitled "200 Years of Thanksgiving."

Special guests for the dinner meeting will be husbands of Study Club members.

Hospital Notes

Mary "Mom" Spurlin of Farwell has been released from a Lubbock hospital and is now at West Plains Nursing Home in Muleshoe, room 85. She will remain at the facility until mid-January and is anxious to receive correspondence and visitors during her stay there.

WEDDING DATE ANNOUNCED - Mr. and Mrs. Lee Dennis Jesko of the Lazbuddie community announce the engagement and approaching marriage of his sister, Deborah Susan, to Timmy Carroll Smith, son of Mr. and Mrs. Gene Smith also of Lazbuddie. The bride-elect is the daughter of the late Mr. and Mrs. Alex Jesko. The couple plans to exchange vows on Tuesday, Nov. 25, at 7 p.m. CST in the Lazbuddie First Baptist Church. All friends of the couple are invited to attend. No local invitations are being sent.

ESA Sorority Plans Christmas Project

Theta Rho Chapter of Epsilon Sigma Alpha sorority met Monday, Nov. 10, during a session hosted by Betty Jean Castleberry.

Among business discussed was the ESA Christmas for shut-ins project. Members decided to once again visit shut-ins during the Christmas holidays and take them gifts of candy or similar items.

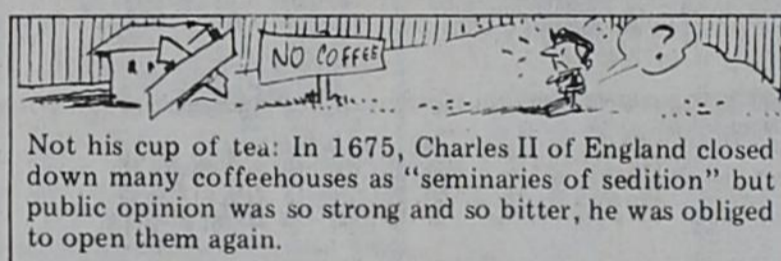

Also discussed was a raffle being conducted by ESA. The raffle is for 50 books of S&H

Green Stamps. Persons interested in securing tickets are asked to contact any member of the local sorority.

Following the business session refreshments of pie, coffee and cold drinks were served by the hostess to Faye Parr, Linda Gerles, Doris Ford, Jeannie Norris, Ann Liethen, Diane Atkinson, Maxine Williams, Dickie Chandler, Rosa Roberts, Nell Walling, La Moin Williams, Lillie Christian and Dot Christian.

SPECIAL VISIT - Visiting with Rev. W.T. Perry of Farwell, minister of Hamlin Memorial United Methodist Church, is Jan LeBlanc of Methodist Home in Waco. Miss LeBlanc is a resident of the Home and a senior at Waco High School. Rev. and Mrs. Perry are serving as sponsors for Jan.

Not his cup of tea: In 1675, Charles II of England closed down many coffeehouses as "seminaries of sedition" but public opinion was so strong and so bitter, he was obliged to open them again.

Mr. and Mrs. Claud Heath Will Be Honored With A Reception

On The Occasion Of Their 60th Wedding Anniversary On Sunday, Nov. 16, From 2-5 p.m. At Their Farm Home In The Lazbuddie Community

Mrs. Harvey Hudnall of Farwell, the Heaths' daughter, extends an invitation to all friends to attend the reception, but no gifts please.

The Electric Heat Pump - The "Most" in Year 'Round Comfort Conditioning

If you're thinking about the comforts of electric heating and air conditioning, consider the advantages of the electric heat pump.

- ONE UNIT comfort-conditions your home all year long with no seasonal equipment changeovers.
- AUTOMATICALLY, it reverses itself between seasons for heating and cooling. For comfortable living.
- INSTALLATION is a simple job since only one unit is involved.
- SAFE. Unlike flame operations, there are no fumes, pilot lights or storage tanks.
- ECONOMY. It uses less electricity than separate electric furnace and air conditioning systems.

Electricity is too important to waste. Contact Deaf Smith Electric for money saving, electric efficiency hints.

TWO MINUTES WITH THE BIBLE
BY CORNELIUS R. STAM, PRES. BEREM BIBLE SOCIETY CHICAGO, ILLINOIS 60635

"A GIFT FOR YOU"

"For God so loved the world that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life" (John 3:16).

In the light of the Pauline epistles these well-known words have become more appropriate than when our Lord first spoke them. Through Paul, Christ's redemptive work at Calvary has been proclaimed and fully explained. In this light, then, we suggest that our readers take the time to really meditate on this passage about God's greatest gift to man.

Think of the love that prompted it! "God so loved..." We were the "children of disobedience" and "by nature the children of wrath, even as others" (Eph. 2:2,3). We deserved judgment, "but God, who is rich in mercy, for His great Love wherewith He loved us," gave His best, His all, to save us (Eph. 2:4).

Think of its priceless value! "His only begotten Son - everlasting life." Christ, the holy One, had to be given up to dis-

grace and death in order that our sins might be justly dealt with, and that we might become the rightful heirs of everlasting life (Rom. 3:25,26).

Think of your need of this gift! "...that whosoever believeth on Him should not perish..." How perilous *not* to accept "the gift of God which is eternal life, through Jesus Christ our Lord" (Rom. 6:23). What folly to spurn or ignore a gift we need so sorely!

Finally, think how gracious the offer! "...that whosoever believeth in Him should not perish but have everlasting life." Whosoever believeth! Any one may have this gift by simply believing - accepting in simple faith what God says about Christ paying for our sins at Calvary. In fact, this is the *only* way we can become the recipients of this wonderful gift, for Rom. 4:5 declares: "But to him that worketh not, but believeth on Him that justifieth the ungodly, His faith (believing) is counted for righteousness."

School Board Adopts Policies

Members of the Farwell School Board met in a lengthy session Monday, Nov. 10, during which they adopted three policies relevant to students, faculty and administrators.

The Board agreed to comply with the legal and moral intent of the Texas Family Code which required the reporting of child abuse and neglect cases. Therefore, the Board encourages all school personnel to become acquainted with the provisions of the new code and to cooperate with all agencies or other proper departments dealing with this problem.

To implement this policy, the administration is directed to develop administrative procedures for dealing with the reporting of child abuse and neglect cases. After the development of these procedures, the administration is further directed to present said administrative procedures to the Board for its review and possible revision before final adoption.

It was also decided by the Board to adopt the "Statement Compliance, Title IX" Grievance Procedure. Title IX states: "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance."

Regulations instruct the school district to provide a statement of intent to comply with Title IX and the following was issued by the Board: "The Farwell Independent School District does not discriminate because of race, color, religion, sex, or national origin, in the educational programs or activities which it operates, including employment therein."

It was stated that primary purpose of the Grievance Procedure is to provide for prompt and equitable resolution of student and employee complaints alleging any action which would be prohibited by Title IX regulations.

Included in the procedure are: Level One - The resolution of a grievance through free and informal communications as close as possible to the point of origin is encour-

aged. A student with a grievance may first air it with the principal. An employee with a grievance may first take it to his or her principal.

Level Two - In the event the aggrieved person is not satisfied with the disposition of the grievance at Level One, the person may write the superintendent of the school to request a hearing before the School Board Trustees at their next regular meeting.

Level Three - If the aggrieved person is not satisfied with the decision of the Board, that person may appeal the ruling through another judicial avenue including the courts, the Texas Education Agency, or the Department of Health, Education and Welfare.

The Board also accepted the following statement on the policy of student participation in extra-curricular activities:

"Since school activities are considered an integral part of the school day, the following proposal from the administration of Farwell Public Schools is submitted for consideration by the School Board to be made policy, beginning at once.

"Any student who misses school for any reason other than a death and/or funeral in the family, a school sponsored activity or a doctor's appointment, verified by a note from the doctor's office, will not be allowed to participate in any school activity for the time missed.

"All students who travel to school activities on a school sponsored bus must return with that bus unless released directly to their parents."

In other business coming before the Board, Nelle Craig submitted a program on Special Education as it is being worked in the lower grades of the school. Lillian Green and Cloretta Douglas presented similar reports on the junior high and high school levels.

Other reports presented included a report on the Right to Read program by Pat Owen, a report on the speech therapy

program by Joyce Hargrove, and a report on the kindergarten program by Marcia Cole.

Howard Carlyle was voted to be the program director of the Drug Education Program and James Perkins was authorized to serve as Representative for the School Lunch Program by Board Trustees.

It was noted by the Board that acceptance of the baseball plan will depend on a survey of students to determine the need for such a program.

Trustees agreed that the date for high school commencement exercises will be May 28, 1976.

A special called meeting of the Board was scheduled for Tuesday, Nov. 18, and a new time for Board sessions was approved. Meetings are to be conducted at 7 p.m. CST until the March, 1976, meeting when the time will again be changed.

Present for the Monday meeting were School Trustees Gilbert Kaltwasser, Wilbert Kalbas, Ted Magness, R.J. Garner, Billy Mayfield, Charles Aycock, Joe Hughes and James Perkins, superintendent.

Also present for the session were Don McAlister, Jim Berry, Marcia Cole, Mr. and Mrs. James Craig, Jerry Yows, Joyce Hargrove, Cloretta Douglas, Lillian Green, Pat Owen and Jack Williams.

Sheriff's Report

Farmer County Sheriff Charlie Lovelace reports that members of the Sheriff's Department last week aided in the investigation of two incidents involving marijuana possession, following arrests by Farwell City Marshal Ronnie Mitchell.

Sheriff Lovelace reported that five local men, Albert Galvan, 20, of Texico; and Thad Phillips, 18, Gregory Taylor, 19, Michael Woods, 18, and Kirk McFarland, 21 all of Farwell; were placed under arrest for possession of less than two ounces of marijuana. (See story elsewhere in paper.)

The law enforcement official stated that the county and city officers interrogated the men in a strenuous effort to find out the source of supply for the marijuana.

Sheriff Lovelace also reported that several thefts have occurred in the county. The thefts are all similar in that tools and other equipment have been removed from tractors sitting on turnrows and from buildings and barns where no one resides.

"We are still working on several of the incidents and hope to be able to apprehend the offenders in the near future," the sheriff concluded.

In the Philippines, it's believed that a fisherman who chews ginger and spits on his bait will be inundated with catfish.

Running Water Draw Project

Dedication Planned Nov. 25

According to Bob Spencer, manager of the Clovis Chamber of Commerce, dedication ceremonies for the Running Water Draw Dam Project have been set for November 25 on the west or "down" side of the dam.

Five congressmen, four from New Mexico and one from Texas, are scheduled to be on hand at the dedication to make a few brief remarks.

Spencer also reports that following the ceremony, a free barbecue dinner will be served by the Cattle Capital CowBelles

of Clovis. The Watershed project begins in Curry County and was designed to protect Plainview, Tex., from floods and will also provide a water recreation area for eastern New Mexico. Other counties involved in the project are in Texas and they are Farmer, Hale, Swisher, Castro and Lamb counties.

INSUR-MATION

P.C. Farm Bureau Insurance
Billy Watts Ph. 481-3395

My wife and I have been married for less than a year. How much life insurance do we need?

There is no set answer... depending on your needs, responsibilities and lifestyle. If you are childless, both working with well-paying jobs, your need for protection is less than a family with children, a non-working wife and probably a smaller savings account. Think of life insurance in terms of income. Income... to meet medical expenses in case of disability, to help cover the cost of your children's education, income to help support a family. With all these variables, you should discuss your personal circumstances with your agent. He will help advise you as to your needs and what is practical.
