

Merchant Madness - -

# Tribune Lines Up For Annual Grid Contest

Generally speaking, housewives across the nation must take a backseat to the annual football season, but not in the Twin Cities where the whole family can sit down together and compete against each other in prognosticating the week's football winners. Yes, it's time to kick off the 18th annual Area Merchants Football Contest.

The NFL has already begun its action, but the Twin Cities Steers and Wolverines are scheduled to take on their respected opponents Sept. 3, which is also the date set on which the contestants sharpen up their pencils and brains and compete in the Tribune's grid-iron contest.

A new contest format will be used this year, with the weekly prizes being upped and 12 games listed instead of the 10.

Weekly prize money will be \$7.50 for first place; \$5.00 for second and \$2.00 for third place. The contest will run for 12 weeks, with the final bid for top honors to be Nov. 12.

High point individual at the end of the contest will receive two tickets to the Cotton Bowl Game held in Dallas on New Year's Day, plus \$50 expense money. The runner-up in the contest will receive two tickets to the Sun Bowl Game in El Paso, plus \$25 expense money.

In order to participate in the contest, one must be 12 years of age or older. Entries must be brought to the Tribune office by 5 p.m. each Friday or, if mailed, the entry must bear a Friday postmark. Only one entry blank will be accepted from any individual each week. Tabulation will

be kept all season and will be available for public inspection.

Entry blanks for the contest will appear in the Tribune each week beginning Sept. 3 and will have 12 games listed, with a tiebreaker game heading the list. All that is necessary is to circle the name of the team you believe will be victorious in that particular contest.

Only one number score is required; that of the tiebreaker game. A score must be entered for each of the two teams listed each week on the spotlight game. This game does not count in the weekly win-loss standings, but is used to decide winners in case of tie scores weekly and at the end of the season.

Contestants numbered 406 last year, with two men taking top honors. Sam Gonzales of

Muleshoe won the trip to the Cotton Bowl by six points over Carl Kirkland. Kirkland won the Sun Bowl tickets.

In the season openers, the Farwell Steers host Nazareth at home in Steer Stadium at 8 p.m. CDT, while Texico's Wolverines play host to the always tough Hagerman Bobcats at 7:30 p.m. MDT.

Since the beginning of the Merchants Football Contest 18 years ago, other first place winners of the trip to Dallas have been Bunk Phillips, Maxine Williams, Jerry Dee Owen, A. D. Kirk, Thelma Alexander, Dodie Actkinson;

Also, Doris Herington, Dee Owen, C. L. Mahaney, Mrs. Roy Everett, Greg Hargrove, T. J. Kittrell, Terry Craft, W. M. Roberts and Becky Taylor.

When it's "Cotton Pickin' Contest" time, the Tribune's Annual Merchants Football Contest, that is, the Lingnau's of Farwell keep it "all in the family." Mom and Dad, sons and daughters-in-law, and even the grandchildren offer advice as the adults of the family study the "pooop sheets" in preparation for their annual contest picks. Pictured as they review the magazine prognostications are Otto and Alma Lingnau, center, holding their grandchildren, Michael, Kirk and Kathy. Standing behind mom and dad are sons and their wives, Edwin and Mary Ann Lingnau and Myrna and Delbert Lingnau, holding Sharla. Michael and Kathy are children of the Edwin Lingnau and Kirk and Sharla belong to the Delbert Lingnau.

All In The Family

Activities Underway - -

## Convalescent Center Needs Time, Talents, Materials

Since the Farwell Convalescent Center officially opened its doors on August 9, 17 persons have taken up residence there.

The activities and recreational projects of the new residents are arranged and guided by Judy Moore, the activities director.

A typical week's agenda reads like this: Sunday, church and refreshments; Monday, group therapy and crafts; Tuesday, exercises and pop corn; Wednesday, orientation and devotional; Thursday, exercises and pop corn; and Friday, reality orientation and crafts.

Last Sunday afternoon, a brief ceremony was conducted during which a Bible, donated by Mr. and Mrs. R. W. Anderson of Farwell, was dedicated.

Following the dedication, Dr. Cliff Ennen, pastor of the First Baptist Church in Farwell, spoke to the residents. Also present was Rev. M. R. Brumfield, pastor of the Assembly of God Church in Texico, who also briefly addressed the group and several girls from his congregation who sang for the residents. The girls who donated their time and talents were Kathy Stanley, Tammy Haden, Lori Haden, Miriam Brumfield and Liz Rojas.

At the conclusion of the church services, members of the Married Young Women's Class of the First Baptist Church in Farwell served cookies, and the Center's kitchen staff provided punch. Members of the Married Young Women's Organization who served were Roberta Johnson, Leslie Lunsford, Jackie Caron, Susan Franse and Gay Goettsch.

Wednesday, the morning devotional service was to be

planned and conducted by Gladys Kaltwasser. Next Sunday's services are to be officiated by Rev. Moody Smith, pastor of the Oklahoma Lane Baptist Church.

Activities Director Judy Moore first tackled her duties on August 16. She spends many hours working with the residents, getting to know them and planning activities designed to meet their needs.

Mrs. Moore and the other staffers at the Center cannot do the job alone. She requests interested organizations and individuals to volunteer their time and talents to aid her in planning and carrying out activities and craft sessions.

The activities director also stressed that donations of craft materials will also be welcome. She said that calendar pictures featuring farms, landscapes and flowers are needed for the reality therapy group sessions. Pictures for decoupage crafts are also needed, according to Mrs. Moore. She added visual aids to the list of materials needed at the Center. Anyone wishing to donate time, ideas or materials may contact Mrs.

Moore at 481-9027.

Fred Gerles of Farwell has donated several National Geographic magazines which the residents have enjoyed and he brought them some homemade fudge candy, to their delight. Pots and a jew plant have also been donated to the Center by a florist in Clovis.

According to Mrs. Moore, plans for the future include making bean bags.

She further commented that ideas from community residents pertaining to crafts projects or other Center activities are welcome and urged. One of Mrs. Moore's duties as activities director is to meet with community groups and discuss with them what they might be willing to do for the Center's residents.

Farwell Convalescent Center's residents as of the first of the week were Albert Kube, James Meredith, Anna Hill, Bertha Kaltwasser, Maude Wilson, Effie Scott, W. W. Vinyard, Annie Callahan, Myrtle Latham, Susie B. Dowell, Thomas Mills, Leola Birchfield, Mom Spurlin, Ruth Myers, Lon Cochran, Rufus Carter and Bertha Johnston.

Around Schools - -

## Motorists Urged To Observe Signs

Farwell City Marshal Ronnie Mitchell and Farwell School Superintendent James Perkins are appealing to motorists to drive carefully around the school area. Many accidents have been recorded around schools while parents have been delivering and picking up their children.

Students who drive to school are asked to use Eighth and

Ninth streets to avoid congested traffic while parents are delivering their children to the school grounds.

The city marshal urges all motorists to observe the traffic signs. He asks everyone's cooperation in observing the signs and traffic regulations.

All the signs are uniform traffic control devices issued by the U. S. Department of

### Steer Boosters To Meet Aug. 31

Farwell Booster Club will hold its annual organizational meeting Aug. 31, at 8 p.m. CDT at Cleo's Restaurant.

The meeting is being held in order to elect new officers for the coming year and to kick off the 1976 season. In addition to the election Coach Van Whately, first year head coach for the Steers, will show the Farwell-Sudan scrimmage film and narrate on the performance of his charges. Coach Whately will introduce his coaching staff.

All persons interested in the Farwell Steers are urged to attend the meeting and get to know the coaches and get behind the school theme "Together We Go."

Plans for season tickets and other business will also be discussed for the coming year.

### City of Farwell - -

## Equalization Board Reviews Assessments

The Board of Equalization for the City of Farwell met all day Tuesday to hear complaints from local residents concerning the recent re-evaluation of property within the city.

The Board was comprised of the three members of the present City Council. They devoted the entire day listening to the various valuation problems of city property owners, and trying to explain the recent new tax assessments.

The new property evaluation tax rate was not raised, but lowered. The new rate has been set at 30 cents per \$100 on

a 100 percent valuation. This rate has been lowered from the old rate based on 80 cents per \$100 on a 50 percent valuation.

This new property tax evaluation is the first since 1952, according to Janie Bowery, city clerk, and is based on the Marshall Swift handbook. This handbook is used by all tax agencies and has revisions for this area. The book breaks down each different property evaluation and takes into consideration the depreciation and upgrading of property.

The tax valuation was also based on the type, construction, age and location of the

property, explained the city clerk.

"Many of the 32 townfolk attending the meeting didn't understand the new tax assessments when they received them in the mail," stated Mrs. Bowery, "but after it was explained to them they seemed to be satisfied. In fact, some of the people just went ahead and paid their taxes," added the city clerk.

"I think a lot of the problem was that the people just didn't understand the new rate until it was explained to them," commented Mrs. Bowery.

Ad valorem (property) tax statements will be mailed out to the residents of Farwell about October 1, according to the city clerk.

## Bess Mansfield Funeral Services Held

Funeral services for Mrs. Bess Mansfield, 74, of Farwell were conducted at 2 p.m. Friday, Aug. 20, at Hamlin Memorial United Methodist Church in Farwell, with Rev.

W. T. Perry officiating. Burial was in Sunset Terrace Memorial Cemetery in Farwell.

Mrs. Mansfield died Wednesday, Aug. 18, at Retirement Ranch in Clovis, where she has

been residing. She was born Feb. 2, 1902, in Smith County, Texas.

She had been a longtime resident of Farwell and taught school in Farwell for several years. She was general office clerk for Southern Union Gas Company in Farwell from 1956 to 1967, and previously was employed in the Sheriff-Tax Assessor office in the Parmer County Courthouse.

Mrs. Mansfield was a member of Hamlin Memorial United Methodist Church for 43 years.

Serving as pallbearers were Hamlin Overstreet, Charlie Lovelace, Bob Anderson, Tom Atkins, Herb Potter, Orville London, Earl Booth and Claude Rose, Jr.

Survivors include one sister, Mrs. Faye Smith of Tyler, Tex.

### Texico - -

## Booster Club Slates Meet

Texico Booster Club will meet Thursday, Sept. 2, at 7 p.m. MDT in the high school cafeteria with the purpose of electing officers for the upcoming 1976-77 season. All interested Wolverine fans are urged to be in attendance.

The agenda will include electing officers, discussion on season ticket sales and poster advertisement.

Also on the agenda will be introduction of the coaching staff, with a discussion on the Wolverine football team and an outlook on the upcoming grid-iron season.

The time has once again come for Farwell motorists to drive carefully, observe all school zone traffic signs, and to watch out for children en route to and from school. The first photo depicts a school approach sign and serves as a reminder to

drivers that they are nearing a school zone. The second photo portrays a sign which notifies motorists that they are nearing a school crosswalk. The third photo is of a sign which sets the speed limit in school zones at 15 miles per hour. The fourth

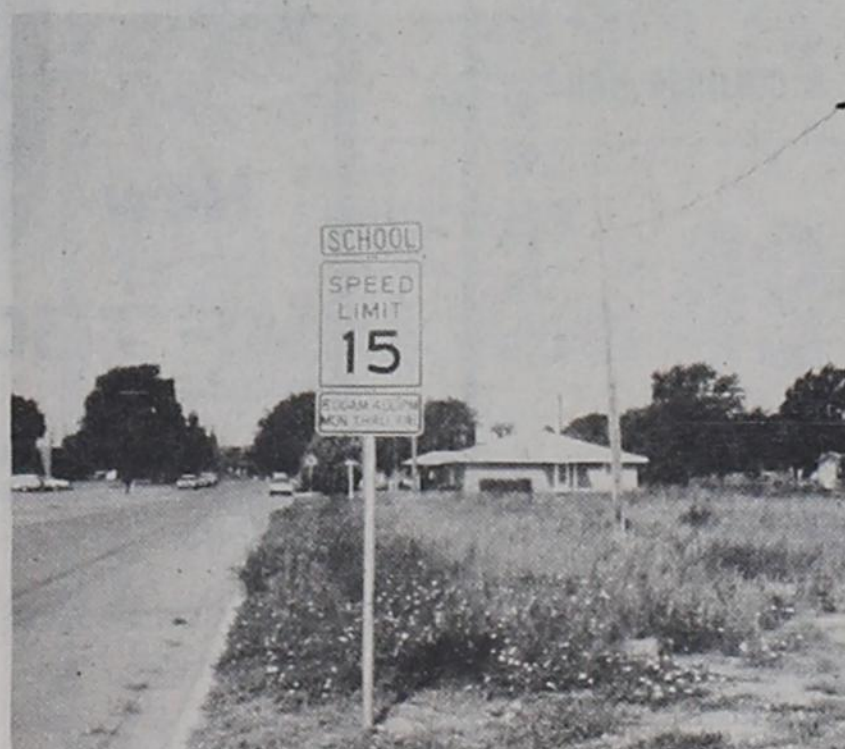

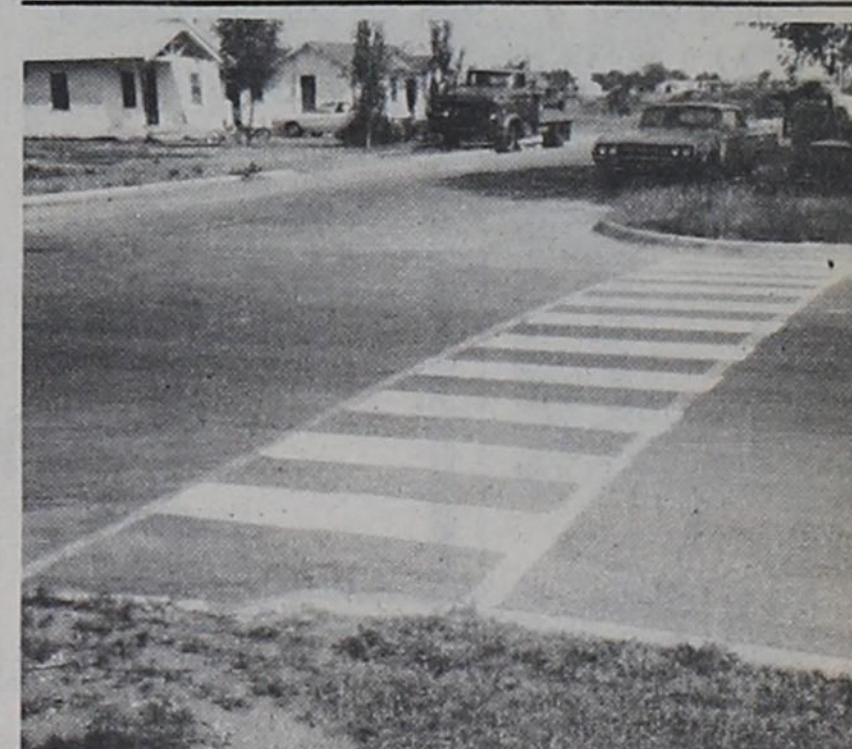

photo is a school crosswalk which cautions drivers to yield to children crossing to and from school. Ronnie Mitchell, Farwell city marshal, said all the signs are uniform traffic control devices and are issued by the U. S. Department of

Transportation and Federal Highway Administration. He asks everyone's cooperation in observing the signs and school traffic regulations and in keeping Farwell's children safe and accident-free throughout the school year.

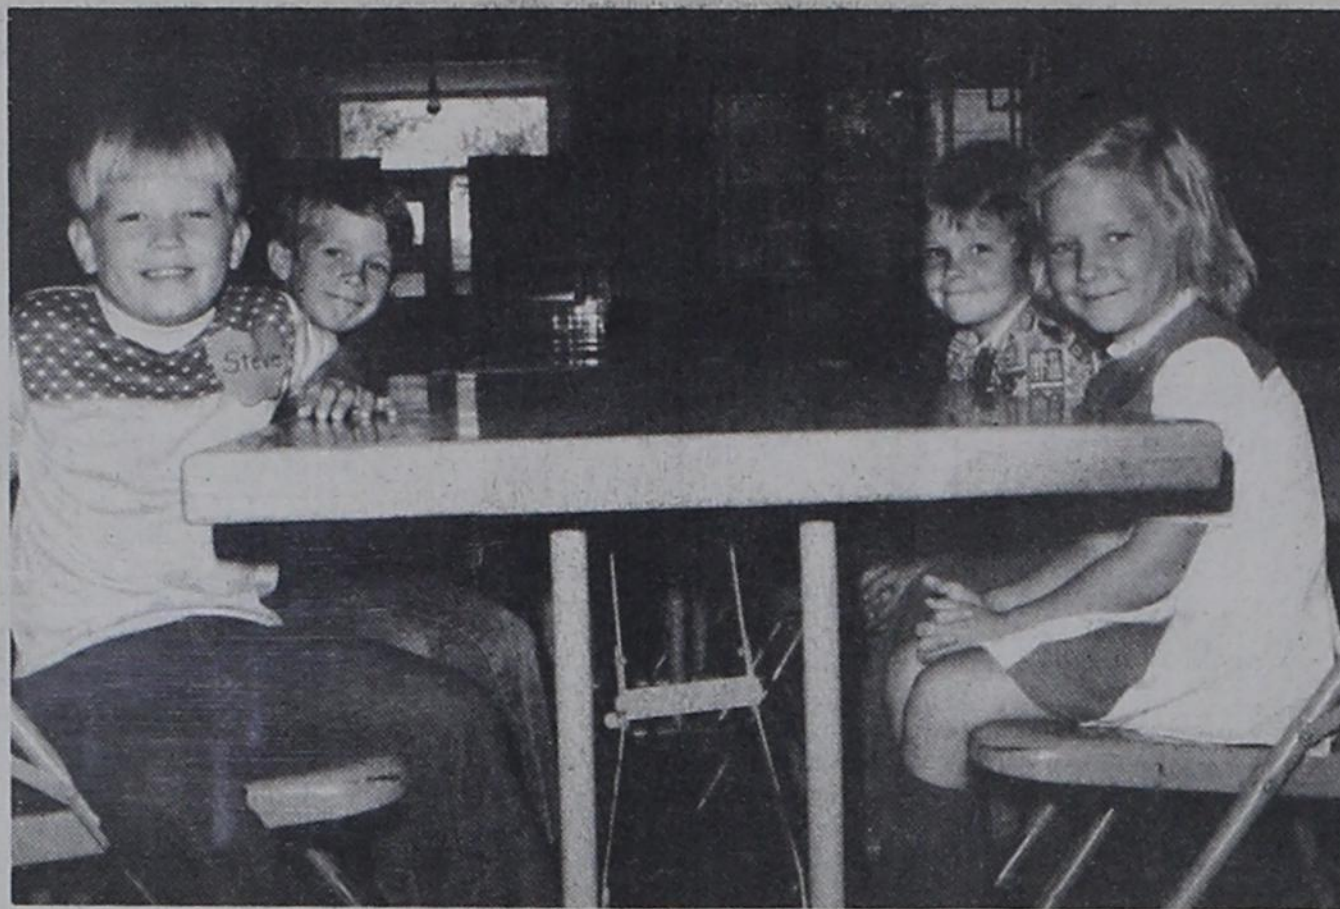

Second-class postage paid at Farwell, Texas 79325. Published every Friday.

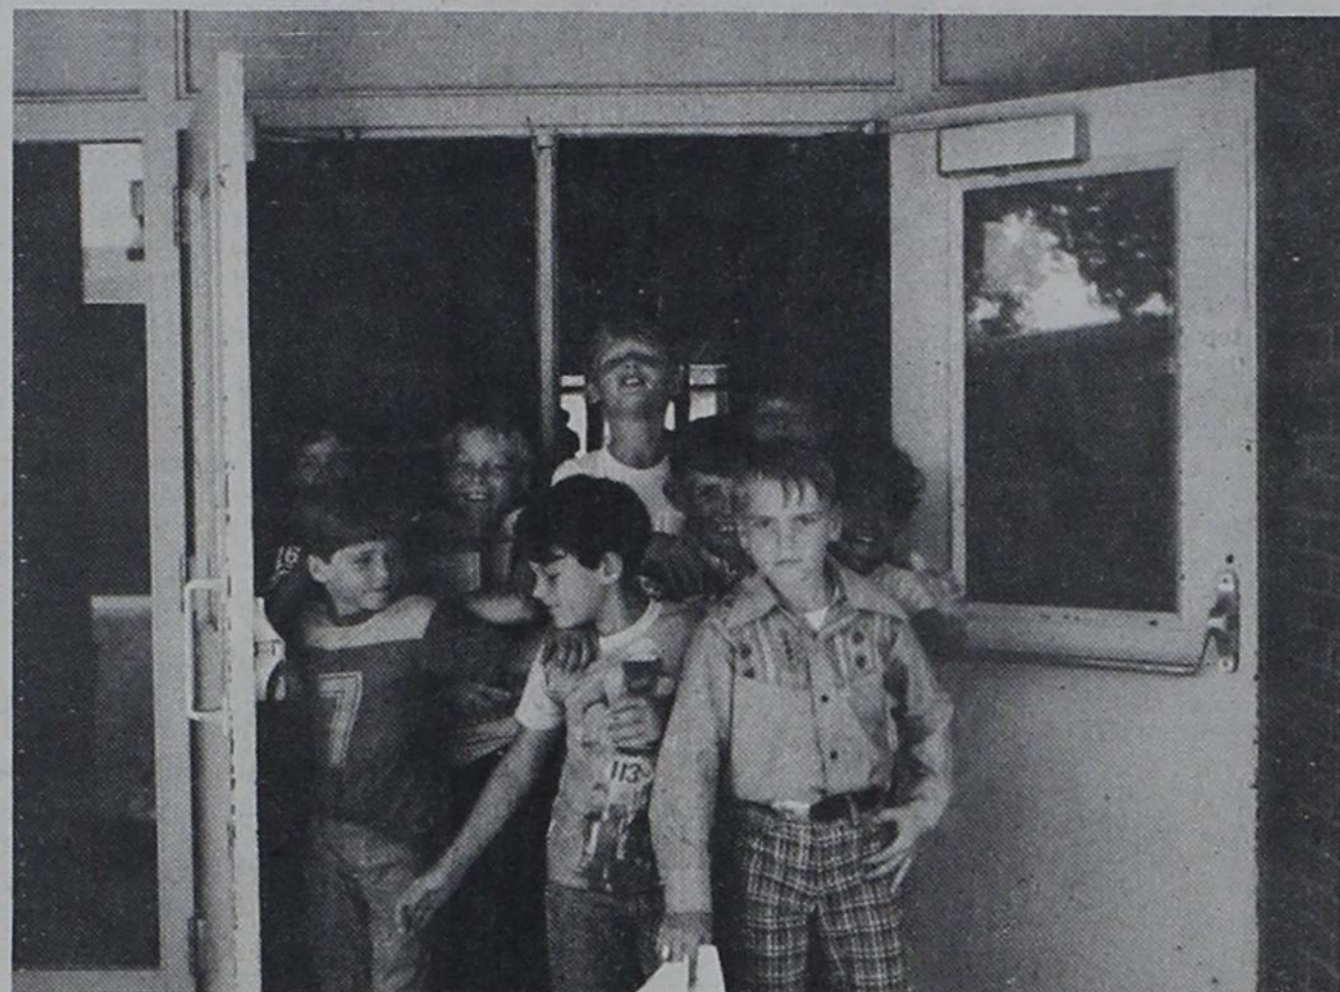

SUBSCRIPTION RATES -- Parmer and adjoining counties, \$5.75 plus 29 cents tax per year; elsewhere, \$7.50 plus 38 cents tax per year. Payable in advance.

### Eager First Graders

The first day of school in Farwell arrived Monday and the eager first grade students of Mrs. Judy Howard spent part of the morning trying out the new cafeteria. The students are, front, Steve Gerles, son of Mr. and Mrs. Don Gerles, and Shelly Smith, daughter of Mr. and Mrs. Glenn Marsh; back, Troy Frazier, son of Mr. and Mrs. Dave Byrd, and Tonya Long, daughter of Mr. and Mrs. Don Owens.

### School's Out!

Texico students received a first day of school treat Monday when they were dismissed at 2 p.m. MDT. The third and fifth grade students who jammed the doorway while leaving the building are, left to right, front row: Jody McDonald, son of Mr. and Mrs. Mickey Fenn; Stanley Cross, son of Mr. and Mrs. Don Cross; and Buddy Atkins, son of Mr. and Mrs. Bill Carothers; middle row: Ronnie Dunsworth, son of Mr. and Mrs. Eddie Dunsworth; Kevin West, son of Mr. and Mrs. Eddie West; Opie Kelley, son of Mr. and Mrs. Richard Kelley, Dale Autrey, son of Mr. and Mrs. Emmitt Autrey, and Ronnie Galvan, son of Mr. and Mrs. Frank Galvan. Standing in the back is Jeff Holland, son of Mr. and Mrs. James Holland.

TOM LEWELLEN

### Tom Lewellen Buried Wednesday In Friona

Funeral services for Tom Lewellen, 68, of Friona were held at 3 p.m. Wednesday in the First Baptist Church in Friona. The Rev. C. H. Murphy, pastor, officiated. Burial was in Parmer County Memorial Park at Friona under the direction of the Parsons-Ellis Funeral Home. Mr. Lewellen died Monday morning in his home after suffering an apparent heart attack. He was serving his fourth term as a Parmer County Commissioner for Precinct 1 at the time of his death. His term of office was to expire at the end of the year. Mr. Lewellen had not sought re-election. A native of Plainview, he married the former Elva Lou Matlock on May 3, 1928, in Plainview. He lived in Friona for 21 years and was a retired farmer and a member of the First Baptist Church. Pallbearers were Curtis Murphree, Ed Clark, Jim Johnston, Arthur Stokes, Sam Mears and Andy Anderson. Honorary pallbearers included Paul Fortenberry, Charlie Jefferson, Cecil Atchley and Jimmie Briggs, all members of the Parmer County Commissioners Court. Survivors include his wife, Elva Lou, of the home; two daughters, Mrs. T. A. Kelley of Friona and Mrs. Gary Goetz of Texhoma; two sons, Joe and Delton, both of Friona; a sister, Mrs. Chester Hooper of Plainview; 12 grandchildren and three great-grandchildren.

### Purely Personal . . . (Continued from Page 1)

ing the amount of tax money collected or the ways this money has been expended. We suspect that a great deal of the present problem has stemmed from the fact that most people have not been told how much it is taking today to be in the City business. However, we can also state that the valuation notices were in many cases very much too high. We believe that the Councilmen fairly and honestly corrected this to the best of their ability. Our City Councilmen have devoted a great deal of their personal time to the vital civic job of running our town. It is a necessary job that all too few people are willing to undertake -- so before emotions cloud reason, let's all be sure that all the problems attendant to running Farwell are understood. Everybody wants to pay their fair share of the cost of living here, but nobody wants to pay more. Better communications from the City along with greater show of interest by the people will go a long way toward eliminating problems such as we had this week. The Texas State Legislature, in all its questionable wisdom, several years ago established a Public Utilities Commission. Now the good citizens of Texas had managed for lo these many years to handle their utility situation without a "Big Daddy" commission to hand down bureaucratic ukases. But this simple arrangement did not satisfy the red tape barons; hence the PUC. In order for the Texas PUC to know who its subjects are, all utilities in the state must be certified. By September 1, all utilities must have a certificate of Convenience and Necessity. We can understand a certificate of enumeration, but a certificate of Convenience and Necessity leaves us wondering. Frankly, we do not believe that anyone is using a utility that wasn't either necessary or convenient. The mere fact that there is a business purveying electricity, water, gas or sewage disposal, and said utility has customers, ought to be proof that the thing is both necessary and convenient without some bloated bureau having to certify to that fact. Of course, if making bureaucratic jobs and hasseling business is the unannounced objective, then we suppose a "Certificate of Convenience and Necessity" fills the bill as well as any other yard or two of red tape. We don't know what your utility bills are, but we feel ours are high enough without having to pay the wages of a high-priced accountant, lawyer or other functionary to fill out said certificate. Filling out red tape forms costs money, and only the ultimate consumer pays for this cost. Our perusal of the various handouts we have received from the PUC leads us to the conclusion that all the State Senators and State Representatives that had a hand in creating this monstrosity ought to be defeated for re-election. We know that they won't be, but just feel they ought to be.

### Last Week . . . Nine Cases Decided In District Court

Nine cases were acted on during the two-day District Court session held in Parmer County Courthouse, August 17 and 18, presided over by District Judge Pat Boone. Curtis Drager was found guilty of theft and sentenced to five-years, which was probated, and fined \$1,000. In two separate cases, Billy Don Knight was charged on two counts, theft and bail jumping. Each case drew a five-year sentence. Ricky Clark was sentenced to three years for delivery of marijuana. Two counts of breaking and entering of a motor vehicle were charged against Gilbert Gomez. Gomez drew a six-year probated sentence. Bradley Neely was charged with two counts of credit card fraud, and was given a four-year probated sentence on each count. John L. Mershon was given a five-year probated sentence for theft, and Victor Duran drew an eight-year sentence on a rape charge. In the final case heard in District Court, Eddie Ray Baker was given five years for burglary.

### FIRE CALLS

Neither Farwell nor Texico volunteer fire departments reported any fire calls this week, but each reported one ambulance call. Monday morning, the Texico emergency vehicle responded to a call to Castor Feed Lot where they transported a local resident to a Clovis hospital. Sunday, Aug. 22, the Farwell emergency vehicle answered a call to the Wilbur Kalbas place, five miles south and one mile east on the State Line Road, but was not needed to transport anyone to a hospital.

### Enrollments Down . . .

## Registration Totals Talled For Schools

School started in the Twin Cities on Monday. While students and their teachers have been busy settling in and adjusting to the start of another year, the principals and superintendents of each school have been compiling registration figures. The figures were not complete as of press time as several students are still expected to register. James Perkins, superintendent of Farwell Schools, reports a total of 568 students which is 11 shy of last year's 577 total. He said that elementary enrollment is up, but the junior high and high school figures are down from last year. Elementary enrollment reached 247 pupils, with kindergarten registering 43; first grade, 39; second grade, 48; third grade, 37; fourth grade, 43; and fifth grade, 37.

Junior high registered a total of 144 pupils; with a sixth grade enrollment of 41; seventh grade, 54; and eighth grade, 49. Registration figures for high school number 177 students. A breakdown of the figures is freshmen, 51; sophomores, 46; juniors, 36; and seniors, 44. Perkins said that not all students who were expected to return to Farwell Schools have registered as yet. He expects the total number of students to increase by next week. Enrollment figures at Farwell paint a picture of steady decline. Six hundred and thirty-four students registered in 1973 with a drop to 591 in 1974. The trend has continued during the past two years. Texico Municipal School system reports a total enrollment of 389 as compared to 417 last

year. Total for the elementary school is 128. Breakdown by divisions are: first year, 27; second, 6; third, 34; fourth, 21; fifth, 24; and special education, 6. Junior high pupils number 101, with the sixth grade registering 34; seventh, 32; and eighth, 35. High school enrollment is 160. Breakdown according to classification is: seniors, 36; juniors, 33; sophomores, 50; and freshmen, 41. A spokesman for James Harding, high school principal, said 10 to 15 more students are expected to register by next week. Texico Schools have also been experiencing a decline in enrollment. In 1974, 431 students were registered. Of those students, 248 were in the upper six grades and 183 registered for the lower six grades.

## Lazbuddie Adopts Budget, Opens New School Year

Lazbuddie School Board has adopted a school budget for 1976-77 in the amount of \$449,973 and set the local maintenance tax rate at \$1.50 and debt service at \$.21. The assessed valuation for tax purposes for the year is approximately \$16,590,000, which is 25 percent of market value as set by the state. The school's local fund assignment increased by \$35,872 and with an accumulated deficit due to inflation, a substantial increase on the local maintenance was necessary.

Lazbuddie schools were to register students Monday with classes beginning after registration was completed. In preparation for the new school year, Lazbuddie teachers participated in in-service activities August 16-20. One new teacher was employed for the 1976-77 school year. She is Mrs. Marcia Morris who will teach home economics. Other faculty members and their assignments are as follows: Mrs. Norma Pitcock, kindergarten; Mrs. Adeana Carlyle, first grade; Mrs. Ruby Bruns, second grade; Mrs. Jimmy Briggs, third grade; Mrs. Hester Barnes, fourth grade; Mrs. Alice Barber, fifth grade; Mrs. Mary Davison, sixth grade; Also, Mrs. Crescent Hudspeh, Plan A resource teacher; Nicholas Rusciolli, industrial arts and junior high; Jeana Cole, business teacher; Hardy Carlyle, English; Mrs. Jan Wilson, junior high resource teacher and physical education; And, Mickey Wilson, math, science, physical education, coach; Dewayne Sexton, social studies, physical education, coach; Scotty Windham, vocational agriculture; Mrs. Lanelle Skaggs, Secondary Plan A resource teacher; Mrs. Carolyn George, speech therapist.

Serving this school year as principals are Charles Beam, elementary, and J. R. Davison, secondary. Davison also teaches math. Sam P. Barnes is the superintendent and Howard Carlyle is the counselor. Teachers' aides are Mrs. Karen Sexton, Lupe Delgado, Sue Windham and Debra Uphoff. This will be Miss Uphoff's first year with the Lazbuddie Schools and a Plan A aide. Other school personnel include Mrs. Jewel Darling, tax assessor-collector, Mrs. Gloria Elliott, bookkeeper and secretary. Lunch room employees are Mrs. Bertie Copeland, manager, and Mrs. Ivy Walls and Wanda Burchett, both cooks. Johnny Delgado is the bus manager and driver. Serving as custodians and bus drivers are A. E. Newsom and Pablo Mendoza. Other bus drivers include Jim Counce, Dale Counce, Mrs. Ray Stanley and

Billy Hill. Lazbuddie School Board members are as follows: Alfred Hicks, president; Marvin Mimms, vice-president; Jim Roy Daniel, secretary; and L. M. Smith, Jerry Don Glover, Gene Paul Jarman and Derrell Jennings.

# Hustle, Enthusiasm Pluses For Texico

Hard work, enthusiasm and lots of hustle has been the story at Texico High School as the Wolverines, under new head coach Paul Toppliff, prepare for a Saturday scrimmage against a strong Clovis sophomore team.

Coach Toppliff and his assistant, Roy King, are very pleased with the hard work and good attitude the players have demonstrated this past week in preparation for the Wolverines' first gridiron encounter of the year against Hagerman at Texico on Sept. 3.

"We are real proud of our offensive line," beamed Coach Toppliff. "Coach King and myself feel that the offensive line will be our strong point this year and will compliment our backs."

The Green and White will line-up in a Slot-I offensive formation and utilize a 5-2 defense. Coach Toppliff, who did his student coaching under Jack Scott, Eastern New Mexico University head mentor, and one of Scott's former prep players, feels that the Texico eleven can score this season. The Wolverines plan to run the ball about 60 percent of the time and use the airways the other 40 percent.

If it comes down to throwing the football, the Wolverines have a very capable quarterback in Homer Ashley, who also has the ability to run outside.

Texico returns an even dozen lettermen back from a team that posted a dismal 3-6 season mark and 0-3 district slate. The Texico coaches and players feel that they can win more ball games this year, providing the Wolverines do not suffer injuries at the skilled positions.

A lack of depth at various positions will find many of the Wolverine players going both ways on offense and defense. Coach Toppliff feels that the players are in good physical and mental condition and this will cut down on some injuries.

Texico has Keith Hadley and Eladia Loera, a pair of hardnosed sophomores vying for the end position, and returning letterman Mark Howard holding down the tight end slot. Howard is a senior.

A pair of transfer students will help strengthen the tackle slots for the Wolverines, with Mike Williams, a transfer from Muleshoe, slated to hold down one position and senior Chris Eshleman battling newcomer Brian Brumfield for the other tackle slot. Brumfield is the

largest man on the Texico roster at 200 pounds.

The coaches feel that Brumfield could start with a little more work and experience. If Brumfield comes along he could also start at defensive tackle or noseguard. Williams has been very impressive and a strong blocker, while Eshleman is a very quick candidate.

Larry Rolan and John Burgett, both returning starters from last year, will hold down the guard slots. Dusty Casey will see a lot of action at that position, along with sophomores Jim Reid, Jeff Christian and Jerry Bradley, each who has been termed a good hitter by the coaches.

Doug Scioli and Richard Kelley are the candidates vying for the center slot. Scioli, a 150-pound sophomore, seems to have the inside track and according to Coach Toppliff, will knock your head off.

Lining up in the backfield with Ashley will be halfback Joe West, the Wolverines' version of Mr. Everything. West will perform duties at punts, kickoffs and extra points. Coach Toppliff classifies West as a good solid back.

Steve Turner will line up as a flankerback for the Mean Green. Turner converted from quarterback to flanker this season, but should see some action as signal-caller this season.

Terry Rolan, a 6-0, 185-pound sophomore, has been designated as the fullback. Rolan is a very strong blocker and can get the short yardage inside.

On defense, the Wolverines will have Turner and Burgett lined up at the defensive end spots, while Mike Williams and Larry Rolan have been given the starting nod at tackle.

Terry Rolan, Brumfield and Scioli are having a shoot-out for the nose guard slot.

The linebacking corps for the Wolverines is a big question mark this season, but Mark Howard and Scioli will be given a shot at the position.

Joey West, a three-year starter, is the monster-man while the secondary will be composed of Homer Ashley, Dwain Hill and Chris Eshleman. Hill is a sophomore transfer from Kansas and has been looking real good in practice.

The free-safety position will be held down by Keith Hadley or Eladio Loero.

## SPORTS

By Don Windle  
Sports Editor

### Experience Leading Lazbuddie

The 1976 edition of the Lazbuddie Longhorns will have more experience, a good attitude and leadership as their strong suits this season, while lack of depth, speed and size may hinder them from going over the 500 mark.

The Longhorns snapped a 32-game losing streak last season when they conquered the Nazareth Swifts, 8-6. Head Coach Dewayne Sexton looks for this to happen more often this fall.

Coach Sexton, a former West Texas State standout, has seven defensive and six offensive regulars returning for this season's gridiron battles.

The top three Longhorns in camp this fall should be halfback Rayburn Wenner, a 5-9, 150-pound junior who rushed for over 600 yards last fall; senior Mike Mimms, the top candidate at center; while the tight end slot will be handled by senior Kent Winders.

Other returning starters are halfback Wade Cargile and quarterback Mike Windham. Randy Smith will handle one tackle slot. All started on defense except Cargile. The other defensive starter is tackle Dan Copeland.

Tackle Randy Copeland and freshman fullback Dennis Steinbock are the top newcomers for the Longhorns.

Lazbuddie will operate out of the ground-chewing Wishbone offense and utilize the Oklahoma 5-2 on defense.

For the Longhorns to have a respectable season this fall their young players must mature early and avoid injuries to key players.

# Young Steers Eye Banner Year In District 3-A

The Farwell Steers and new head coach Van Whatley will get a first hand test Friday night, Aug. 27, as the Blue and White charges of Farwell take on the Sudan Hornets in a game condition type scrimmage. The controlled scrimmage gets underway at 7:30 p.m. CDT in Sudan.

Coach Whatley remarked, "The Steers were glad to get the two-a-days out of the way." The first-year head mentor added, "We are getting knowledge wise, but we still have a lot of work to do on the basic fundamentals of blocking and tackling."

The Hornets of Sudan should pose a good test for the Steers, as the club returns 18 lettermen from a team that posted a 7-4 win-loss mark in the 1975 campaign. The Hornets captured the Class 2-B crown, nearly derailing eventual state runner-up Groom in the bi-district round.

The Steers will start highly touted Russ Jones at quarterback, Mike Goetsch at fullback with Chip Craft, Billy White and Travis Bibbs sharing duties at halfback.

Jones will direct the Straight-T offense. Coach Whatley expects Jones to pass more as the first-year boss considers him to be an excellent passer.

With Craft, White and Bibbs at halfback, the Steers should get speed in the backfield for the end sweeps and the quickness through the line. Goetsch has been designated as Whatley's power-runner at fullback and along with Bibbs and Craft, the team's captain.

The interior line will be the most important question mark for the Steers. It is young and inexperienced, but if it jells the way the coaching staff feels it will, the Steers are going to be tough on their opponents.

On the receiving end of quarterback Jones' aeriels will be junior Vick Christian and sophomore Rowdy Chandler. Pressing the two starters are Kent Goldsmith and Carlos Lucio.

Manning the tackle slots are a pair of juniors, Rusty McFarland and Clay Roberts. Steve Meeks, a 155-pound senior, will see playing time.

The guard slots are being held down by sophomore D. D. Foster and junior Richard Yruegas. Bruce Mayfield will be pressing the pair of starters with more experience.

Coach Whatley has moved Joe Haseloff from a tackle to center this season and feels the senior letterman can anchor the young offensive charges.

Defensively, the Steers show more experience, with eight starters returning for the 1976 campaign. Farwell runs a split-four alignment which features a "sic-um" style.

Anchoring down the first line of defense will be ends, Kent Goldsmith, Chip Craft and Tim Norton. The tackles are Clay Roberts, Rusty McFarland and Rowdy Chandler. Dan Geuther and Haseloff will handle the guard slots.

Mike Goetsch, D. D. Foster and Richard Yruegas will divide playing time at line-backer. Travis Bibbs, Billy White and Russ Jones will

handle the three-deep secondary.

The Steers are playing in a rough and tumble District 3-A. Farwell has been selected Number Two, behind Hart in

district competition by "Top of Texas" High School Prep magazine. Coach Whatley thinks that Hart and Vega (ranked third) are the main rivals for the Steers.

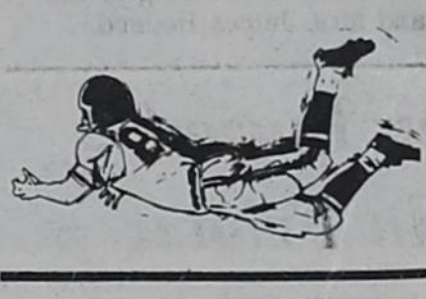

Play Starts Here

Farwell Steer quarterback Russ Jones prepares to take a snap from center Joe Haseloff during an afternoon practice session. The two Steers figure to play a major role when the Steer offense opens its season play September 3 at home against Nazareth.

### Texico Tests Clovis

Texico Wolverine football squad will test the Clovis Sophomore team Saturday morning in Clovis in pre-season scrimmage action. Texico, with a new coach and a dozen returning lettermen, kicks off the season September 3 at home against Hagerman. Shown above are quarterback Homer Ashley and Dave Scioli, center.

## N-SERVE ★ HOW IT WORKS

N-SERVE blocks bacterial action that would quickly convert ammonium fertilizer to nitrates. Nitrates are subject to rapid loss through leaching and denitrification. This blocking action keeps nitrogen in the soil longer so that it becomes available slowly as it's needed. This reduces the crop stress that would occur from temporary nutrient shortages if you had to rely on side-dressings to maintain a steady nitrogen supply.

Mr. and Mrs. Mark Liethen and Nicky of Farwell traveled by plane to Appleton, Wis., on August 11 where they visited his parents, Mr. and Mrs. Henry Liethen, for the special occasion of their 50th wedding anniversary.

They were joined there by his brothers and their wives, Mr. and Mrs. James Liethen of Green Bay, Wis., and Mr. and Mrs. Richard Liethen of Appleton.

On Sunday, Aug. 15, the children and their families hosted the anniversary dinner and reception for the Henry Liethens at the Oakwood Country Club in Appleton.

The Mark Liethens returned

home August 18.

Mr. and Mrs. Doyle Green, Brent and Dwight of Farwell returned home last Friday from Montgomery, Ala., where they visited their son and brother, Darwin. They were accompanied by Mrs. Green's mother, Mrs. Virgie Shaw.

They also visited in Vicksburg, Miss., with J. D. Reeves and Joe Lamberson, former Farwell residents.

Recent visitors in the home of Mr. and Mrs. Billy Dollar and family in Farwell were their son and family, Mr. and Mrs. Warlick Dollar and Toby.

Gary Blair and Gary Green

of Farwell have spent this week sightseeing in Durango, Colo. They are expected to return home this weekend and will enroll at West Texas State University in Canyon, where Green will be a sophomore and Blair will be a freshman.

Three members of the Women's Missionary Union of First Baptist Church of Farwell attended a WMU House Party at Baylor University at Waco on Monday, Aug. 16.

Attending the workshop sessions were Mrs. Bobby Chadwick, Mrs. Jerry Monk and Mrs. Billy Dollar.

The session registered 2,555 women, as well as some husbands and children.

## Leonard Harpers Hope For Long Stay In Farwell

The new minister of the Church of Christ in Farwell loves people, believes in living life to its fullest potential, and constantly expands his horizons through reading and learning.

Leonard Harper is a 10-year veteran of the pulpit. He achieved his theological studies at Cameron College, Sunset School of Preaching in Lubbock and Abilene Christian College.

The new minister began his career in Victoria, British Columbia, as a missionary. He and his wife, Cheryl, were part of a group effort to spread the word of Christianity in Canada.

Harper said he and the two other ministers worked with young people, officiated at funerals and presented sermons to the populace of British Columbia.

"During the two years we were there we often traded jobs back and forth so we each had the opportunity to do all we could for the people we served," he added.

During their two-year sojourn in Canada, Mrs. Harper was always very close and often discussed their choice of career while they were growing up. As their father is a TV repairman, both sons were strongly influenced in that direction.

"When I first enrolled at Cameron College I intended to

Other congregations in which Harper has served include Dallas, Earth, Abilene and Ellis, Okla.

He explained that they chose Farwell because they wanted to return to the plains of Texas. "Farwell was looking for a minister and we were looking to move, so we got together."

The Harpers are a close knit family who love to entertain people in their home. Their philosophy is a natural outgrowth of the approach he uses whenever he embarks on a tour as minister of a new congregation. Primarily the young minister works to create a unifying, positive attitude in christianity. He also works extensively with young people.

"Once that program is established, everything else goes on from there," Harper commented.

Harper's brother, Loran, is a minister at Happy and another brother, Larry, is studying Bible at Lubbock Christian College.

He said Loran and he were always very close and often discussed their choice of career while they were growing up.

obtain a degree in electrical engineering," Harper said. "But Loran and I both decided that we could do more for people as ministers than as TV repairmen."

Harper has not given up his interest in electronics. He cited it as one of his favorite hobbies. Plans for the future include purchasing a Ham Radio from a friend in Dallas and earning an operator's license.

Obtaining an operator's license is no easy task. A strenuous written test about electricity must be passed and the would-be operator must be able to transmit and receive Morse code in 13 minutes.

Harper welcomes the challenge and considers it a part of learning as much about life as he can. "I cannot concentrate on just one thing. I prefer to try and learn as much as I can about everything."

Mrs. Harper attended Lubbock Christian College for one and a half years. She loves to paint and work with ceramics. She also devotes a lot of time to caring for their three daughters: Laurie, 7, Leanne, 5, and Lisa, 3.

Berries, grapes and cherries may be refrigerated unwashed and unstemmed. Just before using, wash them quickly with cold water.

### Three Generations

When Gerald Whitener and Cheryl Lockmiller exchanged wedding vows August 7, they became the third generation in the Whitener family to share that wedding date. Mr. and Mrs. Howard Whitener, Gerald's parents, celebrated their 24th anniversary, and Mr. and Mrs. C. H. Whitener, Gerald's grandparents, celebrated their 52nd anniversary by attending Gerald's and Cheryl's wedding.

### Puckers Make Fashion News

Fashionable consumers will be "puckering up" with the next fabric style, Mrs. Becky Culp, area clothing specialist, reports.

"Puckered fabrics are replacing gauzes and crinkles for that all-important surface interest," she added. Mrs. Culp is with the Texas Agricultural Extension Service, The Texas A&M University System.

She said that puckered fabrics include seersucker and plisse. While the pucker in seersucker is permanently woven or knitted into the fabric, puckers in plisse are created by applying heat and chemicals. Some plisses may "de-pucker" if ironed, she noted.

"These two fabrics are most often light to medium weight. Fiber contents are usually popular cottons and cotton blends but may also be made in a variety of synthetics. Mix and match stripes, plaids, solids and ethnic prints combine well for versatile coordinated separates."

Puckers are easy-care, no-iron fabrics. They're ideal for travel, pack exceptionally well and resist wrinkles during wear, the specialist said.

## Mrs. Loren Wilson Addresses Letter Carriers Convention

New Mexico Rural Letter Carriers Auxiliary received the highest award in its group of states for having the highest number of increased members and the best over-all participation of the National Auxiliary program for 1975-76. The awards were given recently at the National convention held in Birmingham, Ala. The convention registered 2,200 members.

Mrs. Loren Wilson of Texico had the honor of presenting the patriotic Bicentennial Address to the National Rural Letter Carriers convention. Mrs. Wilson's program was entitled "Our American Heritage."

Governor George Wallace and U.S. Senator Gale McGee addressed the joint meeting. Postmaster General Benjamin F. Bialar was the guest speaker.

The New Mexico Auxiliary also received awards for 100 percent membership, increased membership and history. The New Mexico Association received an award for having 213 membership, second highest in the nation. Waldo Armijo serves as state association secretary. Berchell Tillman of San Jon received a plaque for state "Carrier of the Year."

Association state voting delegates were Mrs. Dorothy Varnell, president, from Portales, and Loren Wilson, state steward, editor and auto insurance representative.

Mrs. Wilson was re-elected for her 17th term as secretary-treasurer for the ten-state Western States Conference, and given high credit for the success and progress of the Western States Conference annual convention held each April.

The New Mexico delegation toured the Ante bellum (pre-Civil War) Arlington Mansion, Vulcan Statue and the Japanese Botanical Gardens in Birmingham. Also on the tour was an all-day venture to the Marshall Space Flight Center and Museum, the world's largest space museum in Huntsville, Ala. This scene was of special interest to Geraldine Wilson, because her fellow classmate graduate, William Pogue, trained there for the Skylab-3 Moon Mission.

The Wilsons visited Opryland and the Grand Ole Opry in Nashville, Tenn., on their return trip to Texico. Mrs. Wilson's mother, Mrs. Martin Hale of Sand Springs, Okla., accompanied them on the trip.

leading women's organizations, college alumni associations and public officials who nominate deserving young women to participate in the program. Serving as chairman of the program's Advisory Board is Mrs. Dexter Otis Arnold, honorary president of the General Federation of Women's Clubs.

Mrs. Owen, along with approximately 7,000 fellow Outstanding Young Women of America from across the United States, will be presented in the prestigious annual awards volume. In addition, they are now being considered for one of the 51 state awards to be presented to those women who have made the most noteworthy contributions in their individual states. From these 51 state winners, the Ten Outstanding Young Women of America will be chosen. The ten national winners will then be honored at the annual awards luncheon to be held this fall in Washington, D.C.

New Residents

Farwell's newest residents are Mr. and Mrs. Leonard Harper and their three daughters, Laurie, 7, center, and in front, Leanne, 5, left, and Lisa, 3. Harper has accepted the position of minister at the Church of Christ in Farwell. The Harper family came to Farwell from Dallas two weeks ago and have been busying themselves with "moving in and settling down."

## Carolyn Owen Honored As Outstanding Young Woman

The Board of Advisors for the Outstanding Young Women of America Awards Program recently announced that Mrs. Bill (Carolyn) Owen of Bartlett, Tex., has been selected for inclusion in the 1976 edition of "Outstanding Young Women of America."

Mrs. Owen is a senior at Mary Hardin-Baylor College at Belton, Tex. She is the daughter of Mr. and Mrs. Earl Routon of the Oklahoma Lane Community.

Her husband, Bill, is the son of Mr. and Mrs. Dee Owen of Farwell. He is the district conservationist for the Soil and

Water Conservation District which includes Bell, Milam and Williamson counties.

The Outstanding Young Women of America Program is designed to honor and encourage exceptional young women between the ages of 21 and 36 who have distinguished themselves in their homes, in their professions and in their communities. Accomplishments such as these are the result of dedication, service and leadership - qualities which deserve to be recognized and remembered.

This is the goal of the many

### from the TAP kitchen

Texas Department of Agriculture - John C. White, Commissioner

#### ICE CREAM CAKE

- 1/2 cup butter
- 1 pint (2 cups) vanilla ice cream, softened
- 2 eggs
- 1-1/2 cups all-purpose flour
- 2/3 cup sugar
- 1 tsp. baking powder
- 1/2 tsp. salt
- 1 cup graham cracker crumbs
- 1/2 cup sour cream
- 1 cup caramel ice cream topping
- 1/2 cup chopped pecans
- Whipped cream, if desired

In 3-quart saucepan, melt butter; remove from heat. Add ice cream, eggs, flour, sugar, baking powder, salt and graham cracker crumbs. Mix until smooth. Pour into a greased 13 x 9-inch pan. Bake at 350 degrees for 30 minutes. While cake bakes, combine sour cream and caramel ice cream topping. Pour over warm cake. Top with chopped pecans. Cool cake and cut into squares. If desired, top with whipped cream. Yield: 20 squares.

## Lockmiller-Whitener Wedding Vows Read

Cheryl Lockmiller and Gerald Whitener exchanged wedding vows in a doubling ceremony at 8 p.m. August 7 in the Pleasant Hill Baptist Church.

The bride is the daughter of Mr. and Mrs. Sterling Lockmiller of Texico, and the bridegroom is the son of Mr. and Mrs. Howard Whitener of Texico.

Facing their assembled relatives and friends, the couple repeated their vows. In the background was an arch of 48 yellow candles. The candle-labrum was centered with a large bouquet of yellow and green carnations and entwined with greenery. Rev. Bob Roberts of the Pleasant Hill Baptist

Church officiated at the ceremony.

The bride, who was escorted to the altar by her father, was attired in a traditional white gown of bridal satin. The dress, which was borrowed from her cousin, Kathy Trull, featured long bouffant sleeves, a lace yoke and collar, and a chapel-length train trimmed with lace. The bride wore a fingertip veil edged in identical lace held in place by a Juliet cap. She carried a cascade of white daisies and yellow rosebuds and baby's breath with bows and streamers of white satin.

For something old, the bride carried a lace handkerchief belonging to her maternal

grandmother. A pair of diamond-studded wishbone earrings, a gift from the bridegroom, served as something new. The bride's gown was borrowed, and she wore a traditional blue garter. She inserted pennies minted in their birth years in her shoes.

After the couple lit the unity candle, a three-branch candle-labrum holding yellow tapers, the bride presented a long-stemmed yellow rose and a kiss to her mother-in-law and a kiss and identical rose to her mother.

Becky Kaime of Farmington, the bride's sister, attended the bride as matron of honor. Kathy Trull, cousin of the bride, was bridesmatron, and Charlene Whitener, sister of the bridegroom, was bridesmaid.

The bridal attendants wore identically-styled long dresses of polyester crepe fashioned in an empire style with cap sleeves and lace overlay. The matron-of-honor's dress was mint green, and she carried a bouquet of yellow carnations and baby's breath tied with yellow streamers. The bridesmatron and bridesmaid wore yellow dresses and they carried bouquets of green carnations and baby's breath with green streamers.

Terry Whitener, brother of the bridegroom, served the couple as ringbearer. He carried the rings on a white satin and lace heart-shaped pillow made by the bride's mother. The couple knelt at a white bench, and Terry stepped up white carpeted steps to present them with their rings during the ceremony.

Eddie West of Texico, former agriculture teacher of the bridegroom, served as best man. Groomsmen were Mark Kaime, Farmington, the bride's brother-in-law, and Bobby Englant, Texico, a former classmate.

Serving as candlelighters and ushers were Richard Hadley and Jess Harwell, both of Texico.

Regina Kelley, Lubbock, played traditional wedding music and accompanied Carla Richardson, Clovis, as she sang "More".

Mrs. Lockmiller was attired in a brown, gold and yellow floral - patterned floor-length dress featuring bell-shaped antique lace sleeves. The dress was trimmed with antique lace.

Mrs. Whitener wore a blue floor-length dress which featured a sheer blue floral organza jacket for her son's wedding.

Both mothers wore corsages of yellow carnations and baby's breath. The grandmothers were presented corsages of white carnations.

Special guests at the wedding were the bride's grandparents, Mr. and Mrs. S. E. Lockmiller, Clovis, and Mr. and Mrs. J. W. Stephens, Clovis, and the bridegroom's grandparents, Mrs. Odum Smith, Friona, and Mr. and Mrs. C. H. Whitener, Farwell.

The wedding date, August 7, was especially significant for

the couple, because it was also the bridegroom's parents' 24th wedding anniversary and his paternal grandparents' 52nd wedding anniversary.

A reception followed the ceremony in the church fellowship hall. The wedding table was covered with a white lace cloth over yellow satin. The table was centered by a pale champagne-iced, four-tiered, hexagon-shaped cake accented with white daisies and yellow rosebuds and supported by white columns. Mrs. Ray Barnes, friend of the couple, made the cake. White doves with wedding bands on their beaks adorned the top tier of the cake.

The table was also accented with a nosegay of white daisies and three yellow tapers. A frozen lime punch in a crystal punch bowl, yellow and green daisy mints, and assorted nuts were also served to the guests.

Pam Lockmiller, Clovis, sister-in-law of the bride, served the wedding cake. Deborah Stephens, the bride's cousin from Texico, registered guests before the wedding and also assisted with the serving. The punch was served by D'Lynn Lockmiller, Portales, cousin of the bride.

Coffee and assorted cheese-filled sandwiches were served from the bridegroom's table by Tracy Richardson, the bride's cousin from Alexandria, La. The table was covered with a white lace cloth over yellow satin and featured a silver coffee service.

Reception hostesses were all aunts of the bride. They were Mrs. Elbert Mitchell, Greer, N.M., Mrs. Otha Lockmiller, Clovis, Mrs. Dale Lockmiller, Portales, and Mrs. Bill Stephens, Texico.

For their wedding trip to Six Flags over Texas and Houston, the couple changed into matching western outfits.

The couple will reside north of Texico where he farms with his father.

The bridegroom is a 1973 graduate of Texico High School and holds an Associate's degree from New Mexico State University in agri-mechanics.

The bride is a 1974 graduate of Texico High School. She also attended New Mexico State University. She is presently employed as a secretary for a Clovis implement dealer.

The bridegroom's parents hosted a buffet-style rehearsal dinner on Friday night at the church fellowship hall. Mrs. Paul D. Barnes and Mrs. Dewey Gayle Pierce served as hostesses.

A pre-nuptial shower honoring the couple was also given in the church fellowship hall on July 17. Hostess gifts were a clothes hamper and electric mixer. Hostesses included: Mesdames Tommie Snodgrass, Alice Pierce, Nell Lovett, Alta Geries, Bertha Kelley, Nancye Barnes, Katherine Vandevender, Peggy Roberts, Jamie Day, Marilyn Clark, Loretta Servatius, Barbara Trimble, Lola Richardson, Donna Donahay, Diane Kelley and Louetta Clark.

MR. AND MRS. GERALD WHITENER

## Pre-nuptial Brunch Honors Recent Bride

Mrs. Rex McCloy, the former Susan Patschke of Farwell, was honored with a pre-nuptial brunch August 21 at a Covis restaurant. The courtesy was hosted by Mr. and Mrs. Bill Meeks and Mr. and Mrs. Bob Renne.

The menu consisted of fresh fruit, cantaloupe, cheese omelet, hash brown potatoes, creamed turkey sauce and blueberry muffins.

Those attending included the honoree; her parents, Mr. and Mrs. Gil Patschke of Farwell; her grandmother, Mrs. Walter

Patschke of Austin; her sister and brother-in-law, Mr. and Mrs. Steve Blair of Plainview; and Mrs. E. G. Blair of Farwell and Julie Adams of Dallas.

A change of fortune hurts a wise man no more than a change of the moon.

## Married 40 Years

Marsh and Modine Whittington of Clovis observed their 40th wedding anniversary informally Saturday evening with a small group of friends for dinner at the Clovis Elks Lodge. Mr. and Mrs. Whittington are the parents of Mrs. Mark Liethen of Farwell.

## Center's Activities Director Loves Working With People

The new activities director for Farwell Convalescent Center is Mrs. Randy (Judy) Moore of Clovis. She first assumed her new duties August 16.

Before accepting the position, Mrs. Moore had no idea she would one day be the Center's activities director. A member of the First Baptist Church in Farwell, she first approached Dora Nittler, administrator, about volunteering the services of her church organization, Young Married Women, to help care for the residents.

"One thing led to another and when I was offered the job I readily accepted," Mrs. Moore explained.

The new activities director's first experience in working with people and determining their needs came while she was employed in the business and communication office of Clovis Memorial Hospital. She held that post for two years. Following that, Mrs. Moore worked for two dentists in Clovis for a year.

Helping people requires much time and patience and those qualities are not lacking in the new staff member at the Center. Last January she and several members of her church attended a 10-day evangelistic crusade in El Salvador, Central America.

Mrs. Moore is very enthusiastic about her job. "I love working with the residents at the Center," she said.

She is also very impressed with the local communities and feels that their cooperation will make the Center and her new position a success. Mrs. Moore welcomes ideas, advice, and donations of time, talents and materials from community residents.

"Community volunteers will be a big plus in making my job a success," she explained.

Mrs. Moore's duties are many and varied. She is responsible for getting to know each patient, determining their likes and dislikes, and for planning activities which will benefit them.

She explained that she uses the "granddaughter-type" approach. "I listen to the residents and show them I love

them. People need that. It is the only way to get through to them," she stressed.

The director also attends meetings with community and church organizations in order to establish programs through these groups which will aid residents at the Center. "My goal is to make all the residents feel like one big family," she said.

Mrs. Moore's husband, Randy, is a psychology and business student at Eastern New Mexico University in Portales. He also works as a butcher. They have two daughters, Katherine, 5, and Stephanie, 3.

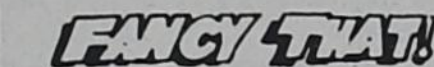

JUDY MOORE

## Texico WMU Convenes For August Meetings

Women's Missionary Union of the First Baptist Church in Texico held two meetings this month.

The first meeting at the church was conducted August 4. During the Royal Service program, the members studied about the missionary work in

**THE HISTORY OF THE FOOT SOLDIER CAN BE TRACED TO ANCIENT EGYPT, BUT THE TERM INFANTRY WAS FIRST EMPLOYED IN THE 15TH CENTURY TO DESCRIBE THE MEN WHO AIDED ONE OF THE SPANISH INFANTES (PRINCES) IN RESCUING HIS FATHER FROM THE MOORS OF NORTHERN AFRICA**

By John Ricci

**agri-facts**  
**Narrowing the row may mean widening the profit . . . if you're involved in growing dryland grain sorghum. Many sorghum producers have paid special attention this year to the results of tests performed at Agricultural Experiment Stations in Texas where scientists showed yield increases of 15 to 20 percent by using narrower spacing between planted rows. According to the reports by the researchers, the narrow row spacing had some unexpected benefits. Among those aspects not foreseen was the formation of a more complete leaf covering which caused better utilization of sunlight and rainfall and also acted to deter evaporation, thereby increasing water availability for the soil. Specifically the study involved spacing the sorghum in rows of 27 to 30 inches in areas where a 40 inch row had been most commonly used.**

## Consumer Tips On Summer Squash

Yellow straight or crook-neck, white scallop and green zucchini -- all are summer squash varieties that are delicious and easy to prepare.

Mrs. Gwendolyn Clyatt, summer marketing information specialist, advises that in selecting soft shell squash, choose those with a bright, fresh appearance, free from blemishes and so tender that they dent easily when pressed.

"The small- to medium-size squash are more likely to have that tender skin. Squash bruises easily, so handle it with care. And like other vegetables with a high water content, squash keeps best in a cool, dry place until ready to use. Be sure to buy squash only in quantities that can be used within a week," she

advised.

Mrs. Clyatt is with the Texas Agricultural Extension Service, The Texas A&M University System.

"Every bit of summer squash can be eaten--skin, flesh and seeds. Plan on three to four half-cup servings from one pound of squash.

"One preparation method is to wash squash, cut into pieces and put into a pot of salted boiling water -- just enough water to keep squash from scorching.

"Cook for about 15 minutes or until just tender. Season the boiled squash with plenty of butter or bacon drippings and serve it hot," she suggested.

# What's The Fast Way To Get Yourself In Hot Water? ELECTRIC WATER HEATER

**WE SELL, SERVICE, INSTALL, FINANCE & GUARANTEE 'EM!**  
*Call Us!*

- Install at the point of use for hot water instantly.
- You need no space for a flue or vent with an electric water heater.
- Electric water heaters are fully insulated on all sides so the heat stays inside the tank.
- And electric water heaters are fast recovery. So get yourself in hot water . . . fast . . . with an electric water heater.

# SWCD News

Farmer County Soil and Water Conservation District is very interested in the developing of conservation and environmental education in our schools in the county.

The first step was taken this past week when Herb Evans of the SCS, Friona, talked to a teachers workshop for Friona

teachers. Some of the things covered by Evans were:

1. The large amount of printed material available to teachers for planning and teaching conservation education.
2. The availability of materials for student use.
3. Demonstrations that are available for classroom use.
4. The majority of time was spent talking about outdoor classrooms, their planning, construction and use.

This material and talk is available to all the school systems in the county upon request, Evans stated.

## PUBLIC NOTICES

### NOTICE TO BIDDERS

SEALED BIDS addressed to the Mayor and City Commission of the City of Farwell, Texas, will be received at the Office of the City Clerk, City Hall, 101 Ave. A., Farwell, Texas, until 5 p.m. the 13th day of September, 1976, for the purchase of the following described pieces of real property located within the City of Farwell, Farmer County, Texas:

1. Lots One (1), Two (2), Three (3), Four (4), Block Twenty-eight (28), Original City of Farwell
2. Lots Five (5) and Six (6), Block Forty (40), Original City of Farwell, Par
3. Lots Thirteen (13) and Fourteen (14), Block Twenty-three (23), Original City of Farwell
4. Lots Thirty-one (31) and Thirty-two (32), Block Forty-one (41), Original City of Farwell

The City reserves the right to reject or accept any or all bids and to award bids to that bidder or bidders, who in the opinion of the City Commission, offers the proposal to the best interest of the City.

## LEGAL NOTICE

Deaf Smith Electric Cooperative, Inc., P.O. Box 753, Hereford, Texas, 79045, is making an application for a loan from the Rural Electrification Administration, which provides for the construction of approximately 15 miles of new 69KV transmission line, reconductoring six miles of existing 69KV transmission line, and one 7,500KVA substation.

These facilities are located as follows:  
1. Approximately three miles East of Hereford, reconductor the existing six miles of 69KV transmission line that extends North of this location.

2. Beginning at this point, a new 69KV transmission line will be constructed one mile West, eleven miles North, and three miles West to the Ford Community.

These facilities will make it possible for the Cooperative to meet the increasing demands for electric power of the member-owners in the Ford area.

If there are any comments on the environmental aspects of the proposed construction, it should be submitted to the Cooperative on or before October 1, 1976. Additional information may be obtained at the Cooperative at the above address.

Published in State Line Tribune August 27, 1976.

**TWO MINUTES WITH THE BIBLE**  
BY CORNELIUS R. STAM, PRES.  
BEREAN BIBLE SOCIETY  
CHICAGO, ILLINOIS 60633  
"JUSTIFIED WITHOUT A CAUSE"

God tells us in His Word that believers are "justified freely by His grace through the redemption that is in Christ Jesus" (Rom. 3:24). The word "freely," here, does not mean "without cost," but "without cause." The same original word is so translated in John 15:25, where we find the words of Christ: "They hated Me without a cause."  
Thus sinners hated Christ "without a cause," yet God justified sinners "without a cause." How can this be? Let's see:  
What had Christ done to earn the enmity of men? Nothing whatever. He had been kind and good, had helped those in distress, had healed their sick, had made the dumb to speak, the deaf to hear, the blind to see and the lame to leap for joy. Why, then, did they hate Him? The Bible says they hated Him "without a cause," i.e., without any cause in Him. The cause of their hatred lay in their own evil hearts.  
But on the other hand, what have sinners done to merit justification before God? Again the answer is:

Nothing whatever. They have broken His commandments every day, lying, stealing and committing hundreds of other sins. Yet in love God gave His Son to die for them on Calvary" that He might be just and (at the same time) the Justifier of him that believeth in Jesus" (Rom. 3:26). He loves and justifies believers "without a cause," i.e., without any cause in them. The cause is to be found in His own compassionate heart, for "GOD IS LOVE."  
Thus those who trust in Christ, who died for our sins, are justified without a cause, by God's grace, through the redemption that is in Christ Jesus.  
"GOD COMMENDETH HIS LOVE TOWARD US IN THAT WHILE WE WERE YET SINNERS CHRIST DIED FOR US" (Rom. 5:8).  
"BY THIS MAN IS PREACHED... THE FORGIVENESS OF SINS, AND BY HIM ALL THAT BELIEVE ARE JUSTIFIED FROM ALL THINGS, FROM WHICH YE COULD NOT BE JUSTIFIED BY THE LAW OF MOSES" (Acts 13:38,39).

**Lunchroom Procedure**

Heading the agenda of things for first graders to do on the opening day of school is learning the correct lunchroom procedure. Students of Mrs. Lynn Roberts who are mastering the cafeteria line are, from left, Timothy Lasiter, son of Mr. and Mrs. Tim Lasiter; Quay Gregory, daughter of Dr. and Mrs. Jerry Don Gregory; Anna Isabell Olivares, daughter of Mr. and Mrs. Arturo Olivares; and Emiliano Lovato, son of Mr. and Mrs. Emiliano Lovato.

**Texico Council Appoints**

**Water Association Members**

Four members of the Texico City Council were appointed to the Eastern New Mexico Inter-Community Water Supply Association during the Council's regular session Monday night.

The representatives from Texico are Mayor Manford Turnbough, trustees, Max Carter and Bill Thigpen, and Water Superintendent Billy Hammitt.

In other business, the Council agreed to pay for half of Hammitt's uniform expenses. Also, three applications for City Hall assistants were submitted but no action was taken.

The contract between the City of Texico and Willis Engineers of Lubbock pertaining to resurfacing city streets was tabled until the next meeting.

Ralph Douglas, a civil engineer from Lubbock, has been

commissioned by the Council to look into extending the city limits. The proposed extension will be north 600 feet, south to include the Santa Fe Railroad, and west to the Lockmiller road.

Clara Wiehl, city clerk, explained that the purpose of the project is to include within the city limits the area now incorporated within the Texico Municipal School District.

Felix Winegeart has been contracted to pick up trash once a month. This service will be available to everyone who now receives regular trash pickup service from the Clovis contractor and will pertain to any trash he does not pick up.

Members present were Mayor Manford Turnbough, trustees, Bill Thigpen, Max Carter, Vane Doshier and Marie Christian, and city clerk, Clara Wiehl.

**Bookmobile Schedule**

Thursday, Sept. 2: Oklahoma Lane, 9:00 - 10:00; Rhea Community, 10:45 - 11:45; Friona #1, 1:00 - 1:15; Hub, 1:30 - 2:30.

Friday, Sept. 3: White's Elevator, 10:00-11:00; Lazbuddie, 12:00-1:00; Clay's Corner, 1:15-2:15.

Saturday, Sept. 4: Farwell, 9:00 - 11:50; Friona #II, 1:00 - 3:45.

Farwell City Council will convene at 5:15 CDT Monday, Aug. 30, in the city hall in regular session.

Farwell Chamber of Commerce will conduct its monthly meeting at noon Tuesday, Aug. 31, in Clara's restaurant.

Farwell Booster Club will hold its initial meeting of the football season at 8 p.m. Tuesday, Aug. 31, at Clara's

restaurant.

Texico Booster Club has scheduled its first meeting of the school year for 7:30 p.m. MDT Thursday, Sept. 2, in the school cafeteria.

Girl Scout registration is scheduled for today (Friday) from 3:30 to 5 p.m. CDT at Hamlin Memorial United Methodist Church in Farwell.

**Lubbock CB'ers To Host Labor Day Jamboree**

The Flatlander's Radio Club of Lubbock, one of the largest radio clubs in the southwest, will host 3000 to 5000 CB'ers from all over the nation on Sept. 4 through Sept. 6, at the fourth annual Labor Day Jamboree.

The big jamboree will be held in the Merchant's building on the South Plains Fair grounds where camping facilities and camper hookups will be available.

Master of ceremonies for the Jamboree will be String Bean, famous M.C. of the Okie City jamboree. Proceeds of the three-day affair will be donated to the Texas Boys Ranch in the Lubbock area, a favorite project of the Flatlanders.

Grand prizes worth over \$1,500 including a Pace AM & SSB Base, a Royce AM Base, a console sewing machine with cabinet and an AM mobile radio will be given away, as well as many other valuable door prizes such as a television, mobile radios, a bicycle, watches, and crocheted items.

Booths displaying the latest in radio equipment will be set up along with engraving, patches, jewelry and other merchandise. Several radio clubs will also have booths displaying merchandise.

Flatlander Jamboree chairman, Charles Yett, said interest is running high throughout the state of Texas and neighboring states, and he said local merchants, the Lubbock Chambers of Commerce, the television stations, newspapers, the Fairground association have all been very helpful in putting the jamboree together.

The Jamboree will get un-

derway at 9 a.m. Saturday, Sept. 4, with activities planned the entire day. There will be a Saturday night dance in the Aztec room at the Southpark Inn, starting at 8:30 p.m. Activities are also planned for Sunday and Monday, with the main door prize being given away at 4 p.m. Monday.

CB radio operators constitute one of the largest growing hobby groups in the U.S., and some cities such as Oklahoma City, Okla., and Yuma, Ariz. have had jamborees in which 30,000 to 40,000 persons attended—so local CB'ers feel the annual affair here could grow each year.

**What's Cooking Farwell School**

FRIDAY - Fried chicken, potatoes and gravy, green beans, lettuce and tomato salad, fruit gelatin, bread, milk.

**Women's Slow Pitch - -**

**Trails BT Participates In Regional Tournament**

Trails BT of Texico, the women's slow pitch team, was one of three New Mexico teams to participate in the women's regional slow pitch tournament last weekend in Flagstaff, Ariz.

The three teams from New Mexico were knocked out of the tournament during the first rounds of competition.

Trails BT, sponsored by Trails Steakhouse in Clovis, pitted their strength against B & J Livestock from Colorado Saturday morning. A torrent of rains caused the early after-

noon games to be postponed until late afternoon. The Texico team's next opponents were EMM Ford from Utah. They lost both games during the early rounds of competition.

Millie Curry, Trails BT member who played second base, said they kept their spirits high in spite of their losses. "The other teams present verbally commended us for maintaining our spirits both before and during the games," she explained.

Mrs. Curry said they competed against some very fine teams who for the most part were larger and more experienced than Trails BT. She added that the experience was one they would not have missed for anything.

The local softballer also stated that she and her fellow team members appreciated all the people who assisted them in their fund raising projects which they held prior to leaving for the regional tournament.

A total of 17 teams competed at Flagstaff. Five teams were from Arizona, four from Utah, three from Colorado, three from New Mexico and three from Nevada. Wyoming was also in the region but sent no team to the tournament.

Jerry's Nuggets of Nevada placed first, and second place honors went to Babbitt Ford of Arizona. They will compete in the national championship tournament to be held later in Chattanooga, Tenn.

The coach and assistant coaches of Trails BT are Albert Steward, Curtis Lindley and L. D. Betts.

Team players included Millie Curry, Carolyn Steward, Geraldine Steward, Rosie Steward, Marie Steward, Ann Robinson and Bettie Isaac, all of Texico. Substitutes Debbie Steward and Mary Hall are also from Texico.

Other players included Michelle Hall, Judy Brenning, Janice Golden, Beverly Mullins and Debbie Teakel, all of Clovis.

**Thoughts**

From The Living Bible

By this time David was an old, old man, so he stepped down from the throne and appointed his son Solomon as the new king of Israel. He summoned all the political and religious leaders of Israel for the coronation ceremony. At this time a census was taken of the men of the tribe of Levi who were thirty years or older. The total came to 38,000. "Twenty-four thousand of them will supervise the work at the Temple," David instructed, "six thousand are to be bailiffs and judges, four thousand will be temple guards, and four thousand will praise the Lord with music." *I Chronicles 23:1-5*

Citizens of the modern era often work their way out of civic projects by letting the mythical "George" shoulder the burden. Not so with several Farwell Boy Scouts of Troop 200. Last Thursday, six Scouts spent the day at the city park trimming the grass around the trees and playground equipment. A future Scouting project is to sand in the areas where the equipment is. The civic-minded Scouts are, from left, Charlie Rose, Second Class Scout; Duane Obenshain, Life Scout; Glenn Parker, Second Class Scout; and Jack Rose, Eagle Scout. Standing in the back is Scout Rocky Menning, Fellow Boy Scout, Guy Whitesides, helped with the project, but was not present for the picture.

**Sheriff's Report**

Parmer County Sheriff Charlie Lovelace reported that a bike was stolen August 18 from a residence at 511 Fourth, Farwell.

Wesley Barnes of Lazbuddie reported that a pickup was stolen from his place. It was later found "wrapped around" a telephone pole, said the sheriff.

Other cases investigated by the Sheriff's Department include theft of a lamb taken from the agriculture farm in Farwell and the breaking of two front windows of City Cleaners over the weekend.

Bill Boling of Farmers Home Administration reported that gates were taken from the fences around his vacant houses in Bovina.

According to Sheriff Lovelace, an estimated \$4.60 worth of pennies was taken from the Friona Allsup's store.

**LETTER TO THE EDITOR**

Aug. 24, 1976

John Getz  
State Line Tribune  
Farwell, Tex.

Dear Editor:

Please allow us to use this means as a way to show our appreciation and to say "thank you" to the members of the Farwell Hospital District Board.

We know they spent many, many hours in planning and making decisions in the building of the beautiful new Farwell Convalescent Center. They sacrificed time with their families and personal interests without any compensation except the knowledge that they were giving our community something to be proud of. Buildings like this just don't spring up by themselves; some one has to put a lot of time and effort into the planning.

We wish everyone could realize how hard the Hospital Board worked to make the Center the delight to live in, and the delight to visit, that it is.

It means so much to us to have our loved ones so near to us and in such pleasant surroundings.

So to the Board members Don and Maxine Williams, Bob and Caroline Anderson, Charles Aycock, Jim Berry, Prentice Mills, W. T. Perry, and Claude Rose, Jr., we say "thank you" from the bottom of our hearts.

Sincerely,  
Frances and Martin Kube

**Commissioners Court Discusses 'Update Of Highway Situation'**

An "update of the highway situation" was discussed at the Monday morning meeting of the Parmer County Commissioners Court, with George Wall, of the Lubbock office of the Department of Highways and Public Transportation, present.

It was reported that the highway department is having trouble operating under the present tax and budget system. Inflation was labeled to be at the core of this difficulty.

Reportedly, work on farm to market roads can probably continue at the present level due to \$15 million being designed by the State and used as matching funds in these projects. Further reports indicate that interstate road construction will have to be almost stopped completely and that highways similar to Highway 60 in Parmer County will only be rebuilt or reconstructed as a two-lane within the next 20 years. Wall said that the highway could be reconstructed as

a four-lane if the financial situation improves.

During the Court session, letters from people concerning the Running Water Draw dam site No. 3 in Lazbuddie were reviewed. The bid will probably be let for the structure in December, after tests on it have been completed.

In other business, bids were opened for a roadgrader for Precinct 1.

It was also resolved by the Commissioners Court that their tribute to the late Thomas Lewellen, the commissioner who passed away Monday, be recorded in the minutes as a permanent tribute to him. The tribute is as follows:

"The Commissioners Court of Parmer County humbly desires to pay tribute and recognition to Thomas Lewellen, Commissioner of Precinct 1 and a member of this Court until his death in the early morning hours of this the 23rd day of August, 1976.

"From the time of his first taking office, almost 16 years ago, Thomas Lewellen was a dedicated public servant and devoted his time, energy and resources to his county and his precinct. His devotion to the responsibility that goes with the office was always foremost in his mind. He knew and did his job well, thereby gaining the respect and admiration of all members of the Commissioners Court as well as all others within his precinct and county.

"His counsel, guidance and experience will be greatly missed by the Commissioners Court. Yes, Thomas Lewellen will be sorely missed by his wife and family, his church and community, and by the members of the Commissioners Court of Parmer County. The memory of Thomas Lewellen will always be an inspiration to all who knew him."

**COURTHOUSE NOTES**
