Community Center's Remodeling Due Soon

With the donation last week of \$10,000 by Theta Rho chapter of ESA Sorority, the remodeling fund for the Farwell Community Center reached \$40,000 in cash on hand, according to Joe Jones, committee chairman.

Jones stressed that the fund is only about halfway to the total amount of money needed to accomplish the entire project as it is now planned. Any contributions are both welcomed and needed. This may be in cash or crops as the donor chooses. Local elevators will handle the crop contributions.

The initial phases of the renovation will start in the near future. The City of Farwell is the actual owner of the facility and, as such, must advertise for bids on the remodeling work to be done. The specifications for

the bidders to use are being drawn up by Sam Pool, architect for the project. Pool, a native of Farwell, is contributing his services for the program.

Of the four original plans suggested, plan number three (see accompanying drawing) was accepted by the Committee as the preferred final plan for the eventual layout of the Center. Initially, the work will begin on the foyer and lobby, with the forward portion of the floor being brought to a level with the entrance area.

A wall will then be erected to separate this part of the building from the main auditorium area. The restrooms will then be completed, and the library-meeting room finished. See

drawing for details and location.

This will allow the community to use the facility for small group meetings without the expense of heating or cooling the main floor area. If the amount of the present funds permit, additional work will be contracted for.

As the money becomes available, the storage area to the rear of the facility will be constructed, along with dressing rooms and a lavatory. Also the additional meeting rooms will be paneled and finished off for use. A portable, roll-away stage is contemplated, and probably the final phase will be the equipping of the kitchen area.

The Committee has already purchased 100 chairs from the

current contributions available, to eliminate the need for transportation of seats from the school and churches in town.

Jones pointed out that the Committee is looking at a five-year time span to accomplish all of the projected improvements, but everything will be done as soon as the money is made available through additional public contributions.

The Center is currently usable, and reservations and payment for such use by area groups and organizations may be made with the City Clerk at the City Hall in Farwell.

The City is paying for the utilities, insurance, and janitorial work necessary for the public use, and a fee is required to help offset these expenses.

\$1,000 For Community Center

Farwell Study Club added to the Community Center Development Fund Monday night by donating \$1,000, which the club had pledged last fall. Frances Kube, right, Study Club president, is shown making the presentation of the \$1,000 check to

Joe Jones, center, Committee chairman, and Fred Chandler, Farwell city councilman. Farwell Study Club members raised the funds to fulfill their pledge by conducting a rummage sale, a bake sale, and

operating the food concessions at the Arts and Crafts Show last November. This recent donation by the Study Club will increase the cash on hand in the Center's remodeling fund to \$41,000.

New Co. Extension Agent Assumes Duties Monday

Gary D. Patterson assumed his duties as Parmer County Extension Agent for Agriculture on Monday of this week. He was assistant CEA for Hockley County at Levelland for two years prior to accepting the position as Parmer County CEA.

He and his wife Cindy and their two children, Clint, age two, and Leesa, three months old, are presently living northeast of Farwell.

Patterson says that he enjoys working with stock shows, and really enjoys working with 4-H, which he has done in the past and would like to continue doing so here.

"Farwell had a good program under Seth. I would like to con-

tinue with his work, and get the kids involved in some new 4-H programs, possibly a student exchange with another state, something to keep the older kids involved.

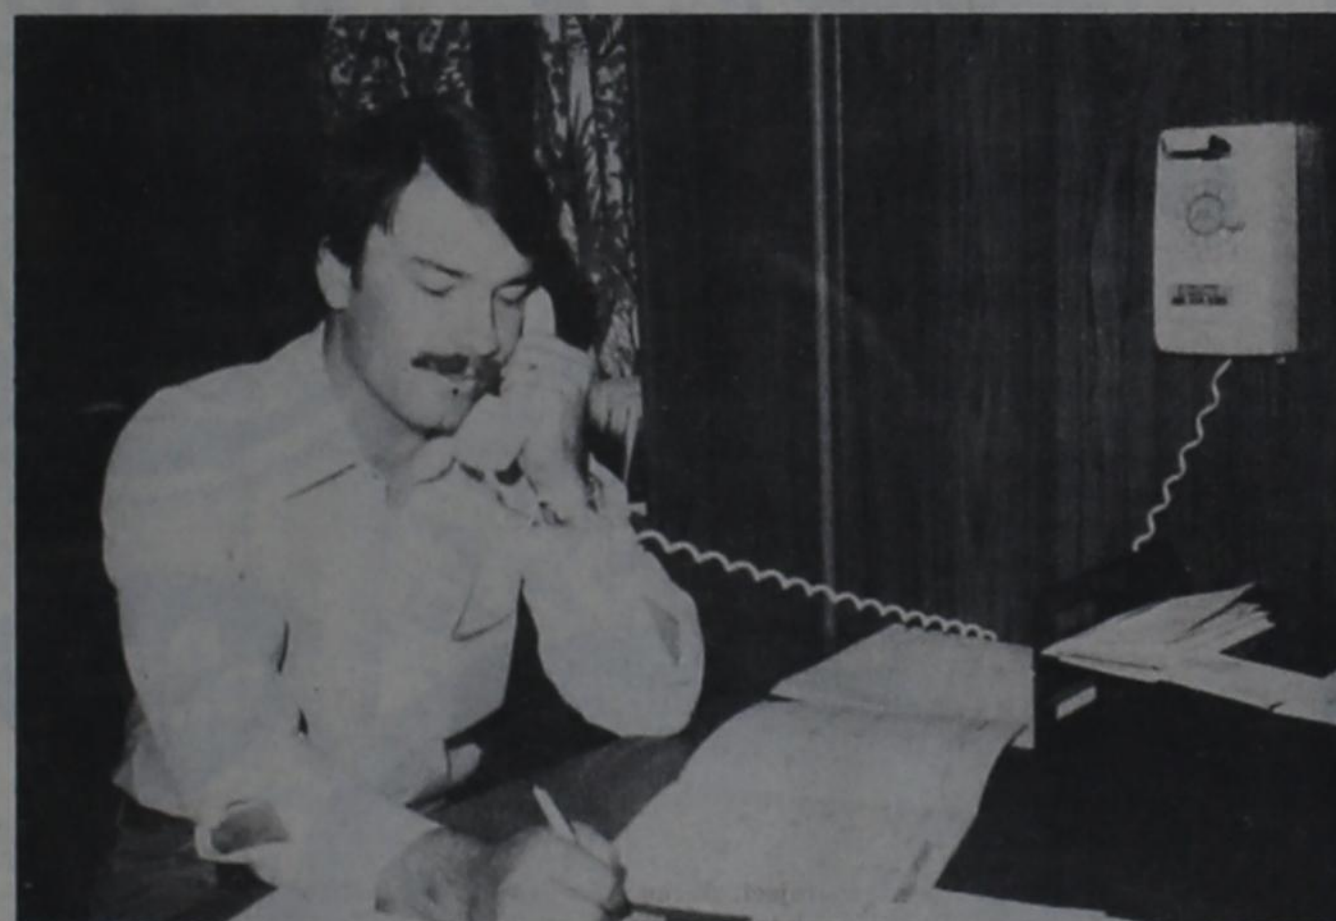

"From an agricultural standpoint, I would like to get everyone involved in the Result Demonstration program, and make use of the educational programs and the Service Extension Research Department. I want to try to keep everyone up to date on what's new in agriculture," said the new CEA.

Patterson grew up in Hale Center and graduated from high school there. He received his bachelor of science degree from Lubbock Christian College in

May 1981, with a 3.37 grade point, and took two semester hours of graduate school at Texas Tech University earning a 4.0 grade point.

Collegiate honors which he has received include two-year scholastic scholarship, Texas Farm Bureau 4-H scholarship, two-year livestock judging scholarship, most outstanding freshman Agriculture student award, was on the Dean's List for six semesters, on the livestock judging team for four years, on the national first place livestock team - NACTA contest 1981, and a member of LCC agriculture club for four years.

He is a member of the Texas County Agricultural Agents Association.

New Parmer County Agent

Gary D. Patterson, new Parmer County Extension Agent for Agriculture, assumed his duties on Monday morning. He was formerly the assistant county agent in Hockley County. He

and his wife Cindy and their two children are presently living northeast of Farwell, having moved here from Levelland. Patterson says he is looking

forward to working with the 4-H program and with the area farmers, keeping everyone up-to-date on what's new in agriculture.

Athletic Director - -

Bruce Dollar Resigns Position At Farwell

Bruce Dollar, athletic director and head football coach at Farwell Schools, has resigned from his position, effective today (Friday).

He has accepted the position as athletic director and head football coach at Stratford.

Although a hometown boy originally, Dollar came to Farwell in 1981 from Stratford where he had been an assistant football coach. He will return to Stratford on Monday, where he will begin work in his new position.

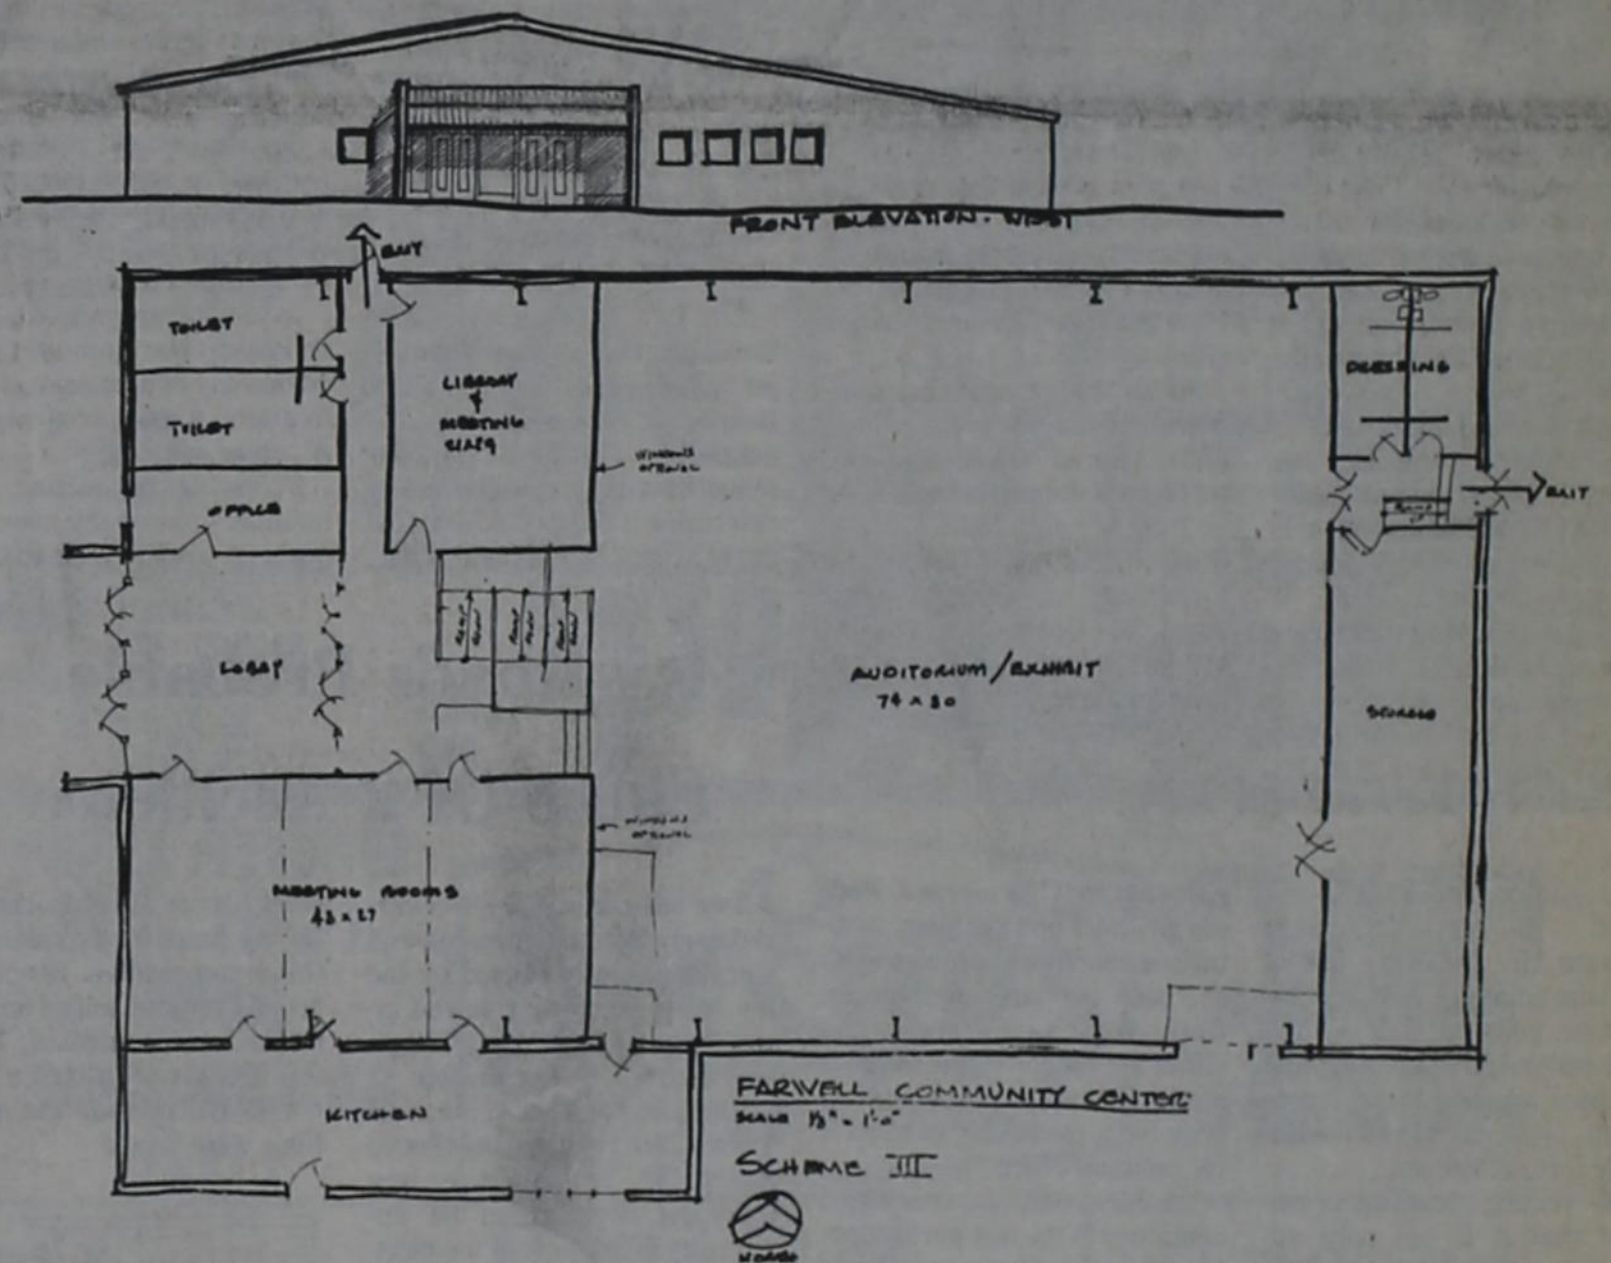

Bruce and his wife Judy came to Farwell in the summer of 1981, and in three years, Dollar coached the Farwell Steers to two district championships in 1982 and 1983. In doing so, he earned District 5-2A Coach of the Year honors the two consecutive years.

Dollar says that his leaving has nothing to do with dissatisfaction in Farwell, but it is strictly a good opportunity for advancement in a larger school.

Stratford is a Class AA school with a much larger enrollment, and Farwell will drop down to Class A next year.

"I have really enjoyed the last three years in Farwell, commented Coach Dollar. "The support from the community couldn't have been better and I do appreciate all of the support and help from everyone."

Bruce's wife Judy will remain in Farwell for the time being, and will join him in Stratford later.

Accepted Floor Plan

This is the floor plan for the Farwell Community Center which was chosen from the four original ideas that were submitted by Sam Pool, architect

for the project. Accomplishing all the work to bring the present building up to this projection will probably take in the neighborhood of five years, according

to the Community Center Committee. Work will be done in phases as the funds are available through contributions from area residents and businesses.

Initial work will begin as soon as specifications are available, and bids can be contracted for by the City of Farwell.

Commissioner, Pct. 3 - -

Archie Tarter Seeks Re-Election To Post

Archie Tarter, the present Commissioner of Precinct 3 of Parmer County, has authorized the State Line Tribune to announce his desire to stand for re-election, subject to the Democratic primary May 5.

In revealing his intentions to seek another term as Commissioner, Tarter said, "I believe

that my past experience in County government has been valuable to the citizens of Precinct 3 while I have served them on the County Commissioners Court.

"I believe that I have managed the precinct finances in a prudent manner and in the best interests of all the precinct resi-

dents. "I believe that my record as your Commissioners Court representative is worthy of another term, subject to the Democratic primary."

Harmon Wins County Contest

Bob Harmon of Portales has been announced the official winner of the 1983 Parmer County Tailfeather Contest, with the winning feather measuring 26 3/8 inches. Harmon, who was also winner of the Farwell contest, will be awarded an en-

graved belt buckle given by the Parmer County Game Management Association.

Placing second in the county competition was Terry Jesko of Lazbuddie, winner of the Friona tailfeather contest, with a feather measuring 26 1/4 inches. Third

place was awarded to Doyle Garner of Bovina, winner of the Bovina competition with a feather measuring 26 3/16.

Feather measurements were verified by County Judge Porter Roberts and Sheriff M.C. "Bill" Morgan.

PURELY PERSONAL

Last Sunday was another example of the Golden Spread adage that if you don't like the weather, just stick around a few minutes and it will change. We dashed out before church Sunday morning to get a snow picture to let out-of-area readers know that a tad of moisture had fallen over the weekend. It was a good thing we did not delay this until after church, because by that time there was no snow to put on film.

These weather pictures are sort of a bone of contention in the publisher's household. We feel that everybody here knows when it rains or snows and they don't need to be told about it. On the other hand, the wife adopts the position that those away from the Twin Cities, many of them landowners here, want this information and that we must give it to them. You can tell from our pictures who wins that discussion.

We have, more often than not, been critical of the political positions taken by many national church bodies. We now find one church publication with an editorial with which we agree. This comes from the New Mexico edition of the United Methodist Reporter and is worthy of serious consideration by all Christians who are bothered by the ongoing separation of church-state controversy.

The editorial is titled "Serious Question For Mr. Jackson:"

"Many more people are likely to take seriously the Rev. Jesse Jackson's candidacy for his party's presidential nomination following his successful efforts to gain the release of Lt. Robert Goodman. As the presidential campaign develops, we consider it probable that Mr. Jackson's candidacy will pose for Christians a new version of a perennial dilemma.

"Is there a 'Christian' candidate - or at least a candidate Christians should unite to support?" is probably the simplest way to state the dilemma. And in what ways, if any, is it appropriate for organized religious bodies to express a 'yes' answer to this question?

"Mr. Jackson has made no secret of his intention to rely in large part on the church as his base for organizing political support. A high official in one denomination has pledged to use that denomination's local churches as 'an infrastructure' to establish local organizations on Mr. Jackson's behalf. Another has described Mr. Jackson's political bid as 'not a candidacy but a crusade.'

"In the minds of many - perhaps including the Internal Revenue Service - such direct church involvement in a partisan political campaign may be seen as a repudiation of the principle of church-state separation.

"The new wrinkle posed by Mr. Jackson's campaign style is that it is not in conflict with the tradition of most black churches in the U.S. In this tradition, the church has always been the primary base for political activity in the black community. Also, the interrelatedness of secular and religious concerns is generally a far greater concern than church-state separation in the black church tradition.

"But what is the difference, if any, between Mr. Jackson's use of the church and its leaders for political support in 1984, and that of 'Religious New Right' groups such as 'Moral Majority' in 1980? 'Moral Majority' leader Jerry Falwell was roundly denounced in many quarters as a would-be 'American Ayatollah' for his merging of religious beliefs and support of a particular candidate. His roots in the black religious tradition notwithstanding, why should candidate Jackson and his supporters be exempt from similar criticism?"

"Before the campaign becomes more heated, we urge Mr. Jackson and his supporters to take this question seriously. We realize that in some quarters even to raise such a question is likely to be labeled

We agree with the conclusion contained in the last paragraph. We think that Christians should be concerned with the quality of the governance of the governed.

Commissioners Ct. Approves '84 County Salary Schedule

Parmer County Commissioners Court met in regular session on Monday, Jan. 9, in a lengthy session. Among the decisions on the agenda was the unanimous approval that all county officials and employees be compensated on a salary basis for the year 1984.

The 1984 Salary Schedule was presented and discussed. This schedule shows a five percent increase for all county officials and employees over the 1983 schedule, which the commissioners unanimously accepted. Also accepted was the proposed holiday schedule for 1984,

showing holidays for Memorial Day, Independence Day, Labor Day, Veterans Day, Thanksgiving Day, Christmas and New Year's Day.

The Court had been asked to consider making the annual payment to the county fire departments on a pro-rata basis, according to the number of county calls each department had made. Representatives of all four county fire departments were present at this meeting.

After a discussion of the different problems that this would bring about, the commissioners

decided that the payments to the departments be made in equal amounts as had been done in past years, and to pay each department \$3,500 for the year 1984.

A final bill and certification was received from Westar Transmission Co. for the lowering of an eight-inch pipeline crossing of proposed FM 3333. In the regular meeting of the Court on March 14, 1983, the Court passed a motion to not pay over an estimated \$11,940.80. The final bill was for actual time and material cost on the

job in the amount of \$4,843.22, and payment was approved.

After a discussion of fees for citation service and executions by the Sheriff's department, commissioners approved that citation service for Small Claims Court, Justice Courts, and all other courts be set at \$20, and each execution for these courts be set at \$24, effective January 9, 1984.

The motor grader ordered for Precinct #4 has arrived in the county. A contract for time payments was offered by Deckard Equipment Co. of Amarillo,

which was checked and approved by the county attorney. Of the total payment, \$50,000 is to be paid this date and the balance paid out in five yearly installments.

Two citizens had expressed interest in the used irrigation pipe at the Courthouse. They were asked to give Judge Porter Roberts sealed offers for this pipe. Albert Smith of Farwell offered \$186.95 for the pipe which was accepted.

The quarterly report of county finances was presented by the County Treasurer, which

was accepted, and it is to be published in the three county newspapers.

The Court designated the 1984 terms of Court, with the January term of Court running from January 1 to June 30, and the July term of Court from July 1 to December 31.

The following bills were received and accepted for payment:

Three bills covering services as attorney ad litem for three juveniles were approved for payment to Richard Collard in the amount of \$377.74.

Boarding care bills for the county foster children in the amount of \$1,865.10, which amount will be reimbursed to the county, were approved. Three of these foster children have been adopted and no longer charged to the county.

Payment of the 1984 dues to the West Texas County Judge's and Commissioners Association in the amount of \$50 was approved.

The Court approved and ratified the following soil conservation work, and that the work be performed as soon as the machines are in that area and not demanded for use on the roads:

Precinct No. 1, Sloan Osborn; Precinct No. 2, A.L. Glasscock; and Precinct No. 3, Kenneth Jordan.

Texico School Board Meets In New Complex

Texico School Board met Tuesday evening, Jan. 10, in regular session, meeting for the first time in the new board room and superintendent's office in the new educational building.

Dedication of the new multi-purpose complex will be Sunday, Jan. 29, at 3 p.m. MST, according to Superintendent James Pierce. The public is invited, and a special invitation is issued to the patrons of Texico Schools.

Following the dedication ceremony, an open house will be held in all of the school buildings for parents and students, family and friends.

During the business session, Board members voted against Public Law 94-142, a law which would provide federal funding for special education. The State Board of Education had requested a survey of all the school boards across the state to determine if they would be willing to accept federal help. Texico

School Board rejected the law, according to Pierce, because the members felt that the state provided adequate funding for special education.

Also discussed was the setting of a rate to be charged groups or organizations for use of the multi-purpose building, if it is not being used for school purposes.

The Board also approved a two-year contract for Superintendent Pierce, and approved a contract for Kindergarten teacher Glenda Horne.

Drivers education will be offered at the school this summer at a cost of \$10 per student, to offset the cost of fuel used during the course.

In final business, math teacher Ronnie Warmuth was granted one day of professional leave to attend a math conference in Albuquerque.

Following the meeting, board members toured the new building with architect Randall Kil-

mer and contractors building supervisor Eddie Dunsworth, representing Jim Belle and Associates. They inspected the remaining portion of the building and accepted the building with stipulations for a few corrections to be made.

Board members present at the meeting were president Arlye Crooks, vice-president Herman Geries, Greg Martin and Johnnie Rucker.

Next meeting for the Texico School Board will be February 14.

Icy Roads Probable Cause Of 2 Accidents

Two one-car accidents occurred early Tuesday morning and were apparently caused by the icy roads, according to the investigating officer, Texas Highway Patrolman Jim Bishop.

At 6 a.m., 11.6 miles north on Texas state road 214, Adalberto Rojas, 47, of Muleshoe was traveling north when he apparently hit a patch of ice causing him to lose control of his vehicle. His car skidded to the west half of the road turning over and coming to rest on its top about 30 feet from the road. No injuries were reported.

The second accident occurred at 7:40 a.m. the same day on U.S. Highway 84. Robert Vega, 27, of Clovis was traveling southeast toward Muleshoe,

when his car also apparently hit an icy patch and skidded onto the center median. His car also rolled over and landed on its top in the center median, but no injuries were reported.

THP Bishop said that no citations were issued.

An automobile traveling 30 miles per hour will go 44 feet in the space of a single second.

ATPE Challenges Teacher Preparation Standards

AUSTIN—The second largest teacher organization in the state has challenged proposed teacher preparation standards, calling them inadequate and charging that they ignore the real needs of college students training to be educators.

The Association of Texas Professional Educators (ATPE), representing 37,000 members, has called for the State Board of Education to reject the recommendations of the Commission on Standards for the Teaching

Profession.

The Commission, created in 1979 by the 67th Texas Legislature, has worked four years to establish a single set of uniform standards for the certification of Texas teachers. The work culminated in a final set of recommendations adopted in December 1983 for presentation at the State Board's first 1984 meeting, January 14.

Mike Morrow, executive director of ATPE, said that the association supported the need

for uniform standards, but that the Commission had "recommended more of the same which has given us a generation of teachers who, for the most part, go into the classrooms and have to learn to teach during their first year."

"In days of testimony prior to the final recommendations," Morrow continued, "the Commission heard public and professional testimony which said that fewer general education courses were needed and that a requirement for a single course in classroom management and discipline should be adopted. In the end, the Commission suggested adding six hours of education requirements without requiring the management and discipline component. The Commission's proposal obviously runs contrary to the public testimony received and should

be rejected by the State Board of Education."

More than three-fourths of the ATPE membership polled last year supported the concept of a uniform set of standards, but 94 percent felt that a classroom management and discipline course should be a part of that standard program.

"Lack of discipline in the classroom was cited as the number one problem in 14 out of the last 15 Gallup surveys on the public schools," said ATPE State President Sam Reed, a business teacher from Mercedes. "Still only a handful of universities in the state either offer or require such a course at present; it is obvious that the need exists and that the Commission simply ignored that need."

Another ATPE survey, aimed at college of education students,

revealed similar results, with the need for a discipline course as the second most frequently reported comment by the respondents. Education students also called for fewer philosophy and history of education course hours in the curriculum.

"It is clear that the single set of standards must set up some specific course allotments instead of the broad requirements it does now," Morrow concluded. "Until the Commission does that, it will never devise an acceptable program which really can benefit the students and future students of this State."

Sheriff's Report

Action was light for the Parmer County Sheriff's department last week with only one arrest reported.

Tadeusz Zera, 32, of Roswell was arrested on January 10 by Texas Highway Patrol officers and charged with DWI. He appeared before Judge Porter Roberts on January 11, pled guilty, was fined \$350 plus court costs, and was sentenced to serve three days.

District Court Results

In the 287th District Court before Judge Jack D. Young, the following appeared:

Manuel Hernandez, Jr., 22, of Plainview, on a plea of guilty, was sentenced to seven years in the Texas Department of Corrections on a charge of burglary of a habitation.

Joe Segovia, Jr., 32, of Bovina also pled guilty and was sentenced to five years in the Texas Department of Corrections on a charge of burglary of a habitation.

Texico City Council Okays Zoning Requests

Texico City Council met in regular session Tuesday, Jan. 10, and approved three zoning requests, heard a report from the city attorney, and discussed patching on the city streets.

Mr. and Mrs. Charles Martin met with the city fathers and requested permission to place a mobile home on the lots located at 609 State Street, and they presented a petition of approval signed by the neighbors. They also requested the placing of a railroad boxcar to the back of the same address, to be painted to match the other buildings on the lot, and asked for permission to cut the curb for driveway space. The Council approved all

three requests.

City Attorney Duane Hamar informed the Council on the progress he has made with the EID summons. The Council will be requested to answer interrogatives and admissions, and will be required to give a proposal for the landfill. City Clerk Marie Christian was instructed to supply the written information for Hamar.

The city attorney also informed the Council that he had written a demand letter to Lone Star Insurance Company regarding the refund of the six-month premium due the city.

The Council decided that the patching of the curb and gut-

tered streets will be finished, but that the patching of the streets will be stopped for the time being.

In other business, the clerk was instructed to get prices on legal-sized fire proof file cabinets by telephone and order the cabinet from the low bidder, and repairing of the doors at the city barn were to be checked on. Bills were approved for payment, and the municipal judge's report was accepted.

In attendance at the meeting were Mayor John R. Hadley, councilmen Vane Doshier, Lewis Cooper and Truman Kittrell, city employees Mickey Fenn, Glenda Thigpen and Marie Christian, city attorney Duane Hamar, and Jim Milsap representing Southwestern Public Service Co., and Mr. and Mrs. Martin.

Next meeting will be Tuesday, Jan. 24, at 6:30 p.m. MST.

FIRE CALLS

Farwell Volunteer Fire Department answered two ambulance calls and one fire call since the last report.

On January 13, the ambulance was sent to a residence across from 9th Street, where a resident was transported to the Clovis hospital.

On the same day, the fire trucks responded to a fire five miles south and two miles east of Bovina.

On January 17, the ambulance was sent 10½ miles east of Farwell on Highway 145. A horse had fallen on a resident and he was transported to the Muleshoe hospital.

Texico Volunteer Fire Department reported that it did not receive any fire or ambulance calls this week.

Farwell Steerettes Win Big One Over Olton, 33-25

In district competition, the Farwell Steerettes took a big win over the highly-ranked Olton girls Tuesday night at Farwell gym, but lost to the Kress girls last Friday night at Kress. In game two of district competition, the Steerettes were defeated by the Kress girls Friday night in Kress 44-28. The Steerettes shot only 20 percent from the field, and just could not get it together. As Coach Larry Gregory put it, "We did not play well. The Kress girls beat our girls, and the Kress coach outcoached our coach." Leading the scoring for the Steerettes was Elaine Vaughan with 8 points. Other scorers were Leslie Castleberry 6, Suzahn Inman and Shonda Foster 4

each, Camille Buchanau and Sheila Smith, 2 apiece. Tuesday night in another district contest the Steerettes put down Olton 33-25 before a home crowd. Defeating the Olton girls gave the Steerettes a 2-1 district record. High scorers for the Steerettes was Leslie Castleberry with 18 and Suzahn Inman with 12, followed by Elaine Vaughan with 2, and Shonda Foster with 1. Coach Larry Gregory was pleased with the game, and said, "Olton had an excellent record going into the game. They were ranked 5th in the area. This was a real important win for us. It puts us in the running for district. It's important that we play well against Bo-

vina Friday night, it will be an important game." The Steerettes will meet the Bovina girls Friday, Jan. 20, in Bovina.

Farwell Junior Varsity Results

Farwell JV Steers stomped the Kress Kangaroo JV Friday night for a big 60-40 win. Farwell JV boys had a little trouble getting started in the first quarter and were trailing the Kangaroos by five points, but from the second quarter on, they had their momentum going.

By the half, the JV Kangaroos trailed the Farwell JV Steers and never caught up, giving the Farwell team their big victory. Lead scorer for Farwell was David Woods with 18 points, followed by Todd Davis with 11, Eric Williams 10, Brian White 7, Jody Ketcherside 4, Roy Perales 3, Erik Burton, Danny Rubio, and Jacob Lopez 2 each, and Bobby Ford 1.

Coach Mike Martin commented, "After a slow start in the first quarter, the boys really played well. Everyone got quite a bit of playing time in the game which did the team a lot of good."

Fort Worth Stock Show - -

Rodeo Entrants Contesting For \$243,350

Entries in the Southwestern Exposition and Fat Stock Show Rodeo, scheduled for 22 performances January 25 through February 5 at Will Rogers Coliseum in Fort Worth, will be contesting for \$243,350, reports W.R. Watt, Jr., Stock Show president/manager.

The entry list includes 80 bareback riders, 88 saddle bronc riders, 110 bull riders, 200 calf ropers, 200 steer wrestlers, and 41 wild horse race entries. Included in the entry list is Roy Cooper of Durant, Okla., the holder of the all-around championship for 1983 and the record of total earnings in a single season - over \$153,390 last year.

Cooper has been a regular at Fort Worth, entering the calf roping event for a number of years. He also is the world champion calf roper.

Other world champions will be here also. They include Brad Gjermdundson of Marshall, N.D., saddle bronc champion; Bruce Ford of Kersey, Colo., bareback champion; Cody Snyder of Redcliff, Alberta, Canada, bull riding champion; and Joel Edmondson of Columbus, Kan., steer wrestling champion. The list also includes many past world champions, and members of the top 15 event contenders. One name, notably, in the entry list is Don Gay of Mesquite, Tex., holder of seven world champion titles for bull riding. Gay will be returning to

Farwell Jr. High Basketball Results

Farwell 8th grade boys participated in the Bovina tournament last week, losing both of their games. In their first action on Thursday, the Farwell boys lost a heartbreaker with Bovina in an overtime game, 24-21. The teams were tied 21-21 at the end of regulation play, but in overtime the Bovina boys scored 4 points while holding Farwell scoreless. Farwell's leading scorer was Bony Nicolas with 8 points, followed by Damon George with 7,

and David Moseley and Aaron Kelley each with 3. Coach Rex Cumpton said, "This was a super effort on our kids' part. We weren't able to score any points in the overtime, but we played super defense. We got a good rebounding effort from David Moseley. A little better effort from the free throw line and we would have been there." In Friday's second round action, Farwell 8th grade boys lost to the Dimmitt 8th graders, 32-25.

Leading scorers for Farwell were Damon George with 9 points and Bony Nicolas with 8, followed by David Moseley 5, Donald Rubio 2, and Jeff Actkinson 1. Coach Cumpton commented, "We played a good game for three quarters but had a let-down. We did not score a point in the third quarter and got down by 16 points. The kids did a real good job in not getting down and they made a good run at them in the fourth quarter." On Monday night, the Farwell 8th grade boys hosted the Kress 8th graders, losing the game 30-19.

David Moseley was high scorer for Farwell with 13 points. Damon George, Bony Nicolas, and Ralph Galvan each scored 2 points.

Coach Cumpton, in commenting on the game, said, "Even though this bunch lost, it was probably one of their best efforts for the year. They were in the game all the way, and Kress did not pull away until right at the end when they got easy baskets while we were trying to steal the ball. It was a good defensive effort because they really had to work for most of their points." Farwell's 7th grade boys hosted Kress Monday night and won the game 31-14.

Jaime Mendoza led Farwell's scoring with 10 points, followed by Jeff Actkinson with 5, Ruben Ortega and Donald Rubio each with 4, and Paul Longley with 2.

"This was a good defensive effort by these boys," said Coach Cumpton. "We held them to no points in the first half. Had we been able to hit some easy layups and a few free throws, we would have had a super offensive effort, but the offensive production was not too bad."

Farwell 7th and 8th grade girls teams traveled to Kress Monday night in more district action, and both teams were defeated.

The 7th grade girls were defeated by the Kress 7th graders, 29-6.

Scoring for Farwell were Andrea Chadwick 2, Holly Salamo 2, and Jaime Charleston 2. In the 8th grade game, Morton just barely squeezed by the Farwell girls, 23-20.

Farwell scorers were Michelle Stover 5, Robbie Fly, Margie Rodriguez, and Kelly Anderson with 4 each, Laura Wolfe with 2, and DeAnn Ray with 1. Coach Larry Gregory said, "The girls played a real good game, they hustled well."

The Farwell Jr. High girls will play Bovina at home January 23.

Johnny Daniel Selected To TSWA All-State Team

When the Texas Sports Writers Association announced its selections for the All-State football teams Saturday, Johnny Daniel from Farwell was among those players selected.

Daniel, a senior at Farwell High, was named to the All-State Class 2A offensive second team as center by the TSWA. Players from 3-A, 2-A, and 1-A schools are selected and voted on in a state-wide election by the Association writers.

Other area athletes who were named to the Class 2A All-State defensive second team include Tommy Abercrombie, senior lineman from New Deal; Ray Kelley, senior back from Spur; and Bovina's senior back Richard Shepherd.

Area players named to the Class 2A All-State first team offense were Ronald Keuhler, senior quarterback from Mor-

Steers Win Thriller In Double Overtime

Farwell Steers trampled the Olton Mustangs in a thrilling double overtime game played Tuesday night at Farwell, but they fell to the Kress Kangaroos last Friday night at Kress.

In game three of district competition Tuesday night at Farwell, the Steers put it to the Olton Mustangs, winning in double overtime, 49-44.

Regulation play ended with the score tied 40-40, and at the end of the first overtime period, the score was knotted 43-43. The Steers scored six points in the second overtime while holding the Mustangs to only one point to take the exciting win.

Top scorer for the Steers was Alan Eubank with 19 points, followed by Johnny Daniel and Manuel Cantu with 8 each, Roger Robertson 6, and Kevin Owen and Mark Cole with 4 apiece.

Coach Mike Martin said, "We didn't play well the first half but we played better defense the second half, and we were glad to win." The Steers are now 2-1 in district play.

In the second game of district play last Friday night, the Steers fell to the Kress Kangaroos 55-46.

First quarter play saw the Steers and the Kangaroos about

even, with the Steers trailing by only two points at the start of the second quarter.

In the second quarter, the Kangaroos built up steam and shot in front of the Steers by 10 points at halftime.

The Kangaroos remained in the lead, and although the Steers came within 6 points in the fourth quarter they couldn't catch the 'Roos when the final buzzer sounded.

Leading scorer for the Steers was Alan Eubank with 12, followed by Mark Cole with 9, Roger Robertson 8, Manuel Cantu 5, Johnny Daniel and Todd Christian each with 4, Kevin Owen 3, and Steve Stancel 1.

Coach Mike Martin said, "We had a stretch in the second quarter when we fell asleep, both offensively and defensively, and just never could recover. With the score tied 12-12, Kress ran off 12 straight points. We made a run in the fourth quarter and got within 6, but Kress managed 13 out of 16 free shots in the fourth quarter."

Next game will be Friday night at Bovina when the Steers take on the Bovina Mustangs in game four of district competition.

New Year's Resolutions Beta Sigma Phi Program

Alpha Rho Lambda chapter of Beta Sigma Phi sorority met January 9 in the home of Rhonda Kirkland.

President Peggy Goetsch was in charge of the meeting, and Nedda Travis gave the treasurer's report. Rhonda Kirkland reported on the Clovis City Council meeting and gave details on the upcoming Valentine dance to be held in Clovis for all the area chapters of Beta Sigma Phi.

Nedda Travis presented the program on New Year's Resolutions. She read from a newspaper article on elementary school children's New Year's resolutions and then had each sister write down her own resolution without signing. Each resolution was read aloud and

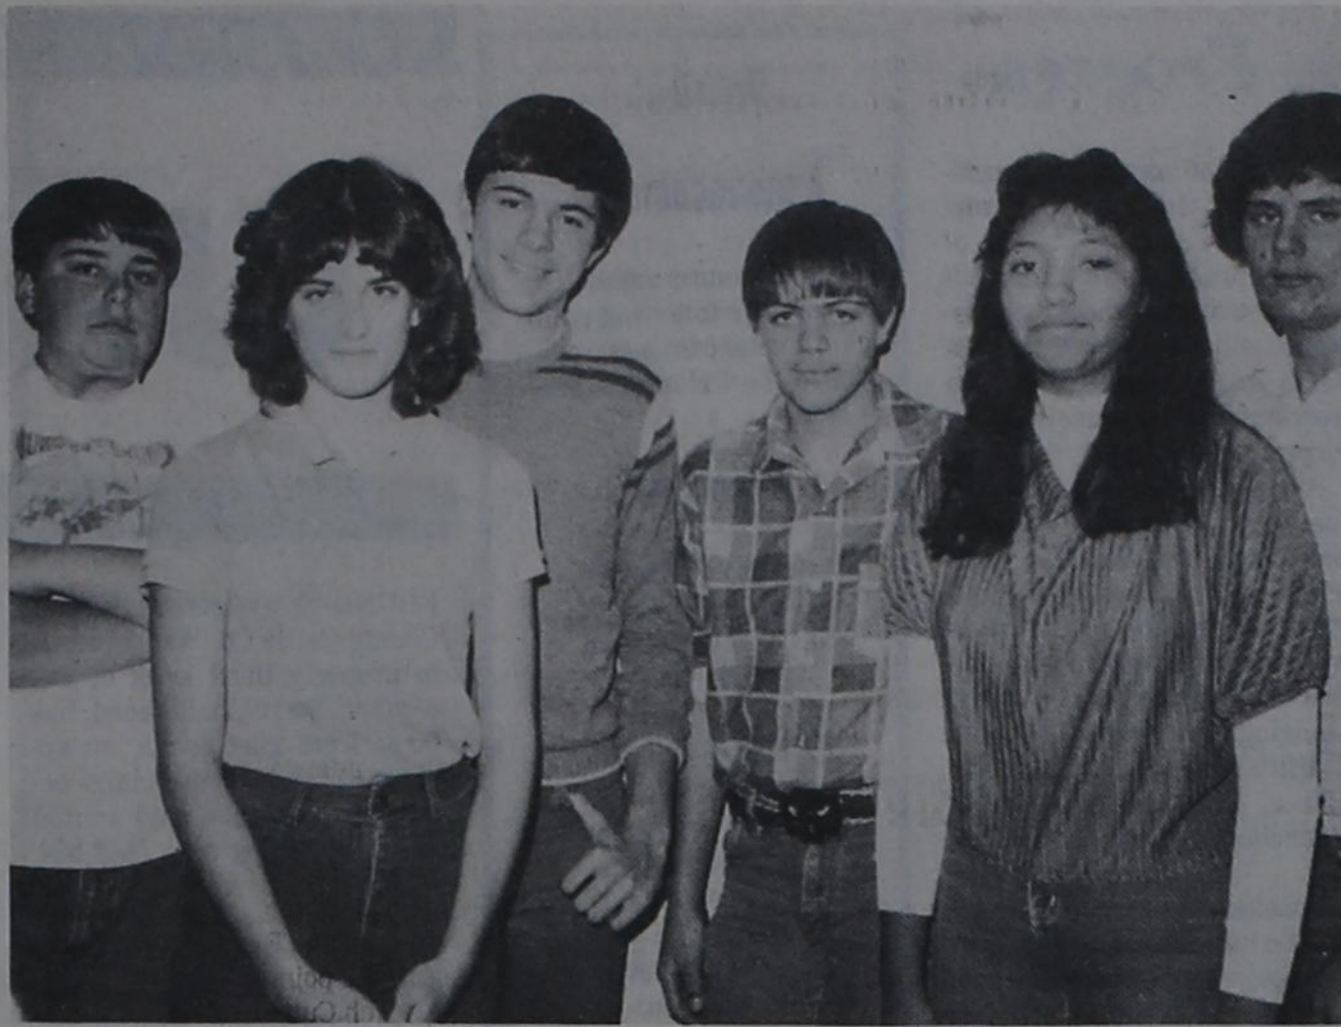

members guessed to whom it belonged.

Also, each sister wrote down the worst Christmas gift that she ever received, and as members guessed the identity, that sister had to tell the story behind it. Laura Jacobs won the door prize.

Refreshments of cream cheese braid, spiced tea, ice tea and coffee were served.

Members present were Kendale Burch, Linda Foster, Peggy Goetsch, Gloria Hutchins, Laura Jacobs, Carla Kelley, Mary Ann Lingnau, Sheree Montgomery, Cynthia Thigpen, Nedda Travis, and Rhonda Kirkland.

Next meeting will be held January 24 in the home of Peggy Goetsch.

The Creative Woman

BY SHERYL BORDEN

Topics to be presented on "The Creative Woman" show on January 24 and 28 include travel tip number four, and a pressing and quilting technique. Betty Chalker, a sewing instructor from Atlanta, Ga., will demonstrate how the press and quilt technique can turn very ordinary fabric into something very special. She will also show how to make "snap-in" sleeves for garments.

The fourth travel tip will be on fashion tips for the traveling woman. The number of women business travelers is increasing three times faster than that of men and the fashion industry has definitely taken notice of

this. On January 26 and 29, Connie Moyers, home economist for Southwestern Public Service Co., Clovis, will demonstrate oriental cooking using the wok, an electric skillet, and also the microwave oven. Oriental foods are satisfying, yet light, they're elegant, yet thrifty, and they're eye-pleasing and yet easy to prepare.

"The Creative Woman" is produced and hosted by Sheryl Borden. The show airs on KENW-TV, Channel 3 at 12 noon MST on Tuesday and Thursday, at 2 p.m. on Saturday, and at 7 p.m. on Sunday.

Farwell Students In All-Region Band

Several Farwell High School band students traveled to Hale Center this past Saturday to participate in the All-Regional Band tryouts.

With 19 schools participating in the tryouts, Farwell fared well with seven members making chairs. The seven students are Mark Cole, Erik Burton,

Kenny Adams, Daniel Hutchins, Jimmy Lovato, Alma Nicolas, and DeAnn Curtis.

These band students will be at Lubbock Monterrey High January 26 through 28 to take part in a clinic with the other 121 students selected from around the region. Charles Trayler from

Dalhart will be the clinician. The three-day clinic will end on Saturday with the all-regional band performing in concert.

Farwell Jr. High band students will travel to Olton this Saturday, Jan. 21, to participate in the Jr. High All-Region tryouts.

Girl Scout Cookie Sale Begins Jan. 27

The Girl Scout cookie sale begins January 27 and will conclude February 12.

Coconut Cremes and Golden Yangles Crackers are the newest varieties to be added to the Girl Scout line of familiar favorites, announces Mrs. Nolen Swain, president of the Caprock Girl Scout Council.

"Golden Yangles are light-tasting snack crackers made with real cheddar cheese and containing no sugar. The Coconut Cremes have a generous helping of coconut creme sandwiched between two cookies made with real coconut," said Mrs. Swain. Included in the cookie assortment are Kookaburras Cookie Bars, Hoedowns, Scot-Teas, Thin Mints, and Savannahs, all for \$2.00 per box.

All money collected from the cookie sale remains in the Council to help support seminars, workshops, and other troop and

council-sponsored activities. The funds will enable local girls to participate in national Girl Scout events such as the Wider Opportunities program. The funds will also help maintain and develop Camp Rio Blanco near Crosbyton, a resident camp for the 18-county Caprock Girl Scout Council.

The cookie sale provides Girl Scouts, ages 6-18, with a valuable learning experience. In troop meetings before the sale, girls practice skills such as record-keeping, taking sales orders, and making change.

Girls participating in the two-week project will be eligible for such awards as T-shirts, posters, and patches which will feature Pegasus. Top sales awards will include \$85 camp scholarships toward resident camp fees and Council events, and \$55 camp scholarships.

Preheating Oven Wastes Energy

Most recipes for oven-cooked foods traditionally call for a preheated oven, but recent studies have shown that preheating is not essential for food quality and may even waste energy.

Researchers at the United States Department of Agriculture's consumer nutrition laboratory compared a variety of foods prepared in preheated and non-preheated ovens and found few significant differences in the quality or size of the items, reports home economist Bonnie Piernot.

The non-preheated ovens required five minutes or less extra baking time than the pre-

heated ovens, says Piernot, who is with the Texas Agricultural Extension Service, Texas A&M University System. The energy savings from not preheating averaged about 10 percent.

"Overall," Piernot says, "the findings confirm that preheating the oven is not essential for good quality baking, so it's an unnecessary use of energy."

The variability in baking times reported between preheated and non-preheated ovens was often less than that reported among the different types of ovens, adds the specialist.

Daughter Visits Mrs. Benderman

Visiting in the home of Mrs. J.B. Benderman in Texico last week was her daughter, Mrs. Bill Harlan of San Antonio. She was here to look after her mother who has been ill, but she returned to her home on Sunday.

Mrs. Benderman is confined to her home but she is able to get around a bit with a walker. She has a portable telephone that she keeps with her and she says she would love to have calls and visits from her friends when they have the time.

Mother Here

Visiting in the home of Redesa and Bill Moreland in Texico for a few days recently was her mother, Ripples Barrett from Chinle, Ariz.

Farwell Study Club Makes \$1,000 Gift

Farwell Study Club met Monday, Jan. 16, in the home of Eunice Crume, with Lela Atchley as co-hostess.

To begin the evening, the Club donated \$1,000 to the Farwell Community Center Development Fund. Presenting the \$1,000 check to Joe Jones, committee chairman, and Fred Chandler, city councilman, was Frances Kube, club president. The large fund was raised through a rummage sale, a bake sale, and from the concessions at the Arts and Crafts Show in November.

Guests Jones and Chandler thanked the club members and showed them a copy of the architect's drawing of the Center's remodeling plan.

Following the presentation of the donation, refreshments of finger sandwiches, olives, car-

rots, chips and dips, fruit salad, chocolate cake, and spiced tea and coffee were served.

In the business session following, club members voted to donate \$300 to the Farwell Convalescent Center Chapel Fund.

Plans were also made to attend the Caprock District convention January 23-24. Voting delegate for the Study Club is Julia Symcox, and alternate is Ellen Wurster.

A discussion was held on a spring rummage sale planned by the club, and each member was asked to contribute some kind of handwork to the glass showcase at the convalescent center.

An announcement was made for the members to let anyone who had purchased a Caprock Cookbook from the club know

that the recipe for a Convention Cake on page 122 of the cookbook should read one cup of Crisco, not two cups.

Members Bernice Pennington and Mary Lou Hillock presented a skit entitled "Sassy and the Talking Car, Every Drop Makes a Difference." The skit dealt with the energy crisis.

Mystery guest for the evening was the group's hostess, Eunice Crume.

Members attending were Carrie Christian, Hattie Coffey, Linnie Mae Crook, Beulah Hobbs, Julia Symcox, Bernice Pennington, Mary Lou Hillock, Gertrude Foster, Gladys Hardage, Alma Hart, Francis Kube, Eunice Crume and Lela Atchley.

Next meeting will be February 20 in the home of Bernice Pennington.

Hospital Notes

Sal Vincent of Farwell fell Wednesday night, Jan. 11, in her home and suffered a broken wrist. Family members report that she is doing well, and is recuperating in the home of her niece, Nell Thompkins, in Clovis.

Joan Johnson of Farwell, who suffered serious injuries in a car wreck last fall, is reported to be doing very well. She is able to be up and around, and attends physical therapy several times a week. Mrs. Johnson is recuperating in the home of her sister, Naomi Walls in Farwell.

Marvin Anderson of Farwell, who suffered an apparent heart attack January 13, has been confined to the intensive care unit at West Plains Medical Center in Muleshoe. His family reports that he is doing extremely well and has been moved to a private room. They are hopeful that he will be able to come home in about a week.

Harvey Hudnall of Farwell underwent an emergency appendectomy last week at the Methodist Hospital in Lubbock. He was in ICU for five days, but Mrs. Hudnall reports that he is much better and hoped to be released on Thursday. Hudnall will recuperate in his daughter's home in Lubbock, until the weather improves.

Elva Whitesides of Farwell is recuperating at her home, following two surgeries recently. She is reported to be "doing all right now."

Friendship Class Meets With Mrs. Billington

Friendship Sunday School Class of the First Baptist Church in Farwell met Monday afternoon in the home of Estelene Billington.

The meeting was called to order by Beulah Williams, and the opening prayer was given by Pearl Gerles. The minutes were read by Edith Crawford who also gave the financial report.

The program was presented

by Edith Crawford who read two poems entitled "What Will You Do With This New Year?" and "Time is a Gift From God."

Refreshments of gelatin and angel food cake were served to members Marie Cox, Mamie Greenwood, Pearl Gerles, Beulah Williams, Gladys Hardage, Elsie Hardage, Hattie Coffey, Bessie Landrum, and Edith Crawford by the hostess, Estelene Billington.

Tracy Dobbs Listed On ENMU Honor Roll

PORTALES—Tracy Elizabeth Dobbs of Texico is among 464 Eastern New Mexico University students named to the 1983 fall semester Dean's Honor Roll.

Dobbs is a sophomore business information systems major and a cum laude Dean's Honor Roll student. She is the daughter of Mr. and Mrs. L.R. Dobbs of Route 2, Texico.

Eastern students receive one of four designations as a Dean's Honor Roll student and are graded on a 4.0 scale. Summa cum laude students have a 3.8 to 4.0 grade point average, while magna cum laude recipients have a 3.7 to 3.79 GPA. Cum laude students hold a 3.6 to 3.69 GPA, and students receive "honors" if they have a 3.25 to 3.59 GPA.

State Soybean Meet To Look At Problems, Progress

The perennial questions of production and marketing will share the spotlight with two new problems facing producers when the Texas Soybean Association holds its 17th annual meeting in Lubbock January 26-27.

The program at the Holiday Inn Civic Center is co-sponsored by TSA, the Texas Agricultural Extension Service, and the Texas Agricultural Experiment Station.

The two new problems confronting soybean producers are the cyst nematode and, in West

Texas, the soybean stem borer, said Dr. Kirby Huffman, Extension agronomist at Lubbock and conference coordinator.

Producers will hear a report on the work of Dr. Calvin Orr, nematologist with the USDA Cropping Systems Research Laboratory, and Dr. Robert S. Berry, Extension plant pathologist, on the soybean cyst nematode problem and what to do about it, during the general session the morning of January 27.

Also during that session, Dr. W. Pat Morrison, Extension entomologist, will discuss a new

insect problem for West Texas producers, the soybean stem borer.

The general session, beginning at 9 a.m., will include a Commodity Board update, by Dolores Alvarado-Hibbs, hearings officer with the Texas Department of Agriculture at Austin. Dr. Dale Pennington, Extension soil chemist, will explain how to correct iron and zinc problems in the crop.

Advances in soybean research for the High and Rolling Plains will be reported by Dr. Raymond Brigham, associate

professor of soybeans and oil-seed crops with the Experiment Station.

New products and methods for controlling weeds in soybeans will be reported by Dr. John Abernathy, associate professor of weed science with the Experiment Station.

A special morning program for women has been added to the annual meeting this year, noted LaMarr Ramsey of Plainview, association president. It will feature a session on selection of proper personal colors in planning a wardrobe, by Lynne Griffith of Color I Consultants, and a wardrobe seminar by Rochelle Clark of Casual Corner.

Speaker for the noon luncheon will be humorist Walt Buescher of Pigeon Forge, Tenn.

The afternoon session will include the association business meeting and presentation of awards in the Texas soybean yield contest. Dr. Travis Miller, Extension agronomist from College Station, will present the awards.

The two-day meeting opens the afternoon of January 26 with meetings of the boards of directors of TSA and the Texas Soybean Producers Board.

10 Area RECs To Form Golden Spread Elec. Coop.

Ten rural electric cooperatives have announced plans to form the Golden Spread Electric Cooperative, Inc. The offices will be headquartered in Amarillo, and a manager will be employed within a month.

Officers and directors include James T. Hull, president, Alton Higginbotham, vice-president, R.L. Elliott, Jr., secretary-treasurer. Other Board members include John Norman, Connie Gupton, Pat McAlister, David Pruitt, J.C. Roberts, Lyle Robinson, and Delbert Smith.

Initial function of GSEC will be to seek new, expanded, and more competitive sources of wholesale electric power. The move was necessary because of

recent dramatic increases in wholesale power costs and the peculiarity of the cooperatives individual electrical loads in service areas from Colorado and Kansas to the South Plains of Texas, and from Oklahoma to New Mexico.

The cooperatives serve a total of 43 counties, 80,000 meters, 125,000 people, and have approximately 33,000 miles of line requiring an annual demand of 535 megawatts of power.

Wholesale power costs have increased in the past ten years from 50 percent to 80 percent of the total cost of electric service to the distribution cooperatives. This new electric cooperative was organized to make a signifi-

cant long term impact on the cost of wholesale power.

The cooperatives will continue to work with and look to its present power supplier, Southwestern Public Service Company, as the primary furnisher of electric service.

The ten participating cooperatives are: Bailey County Electric Cooperative, Muleshoe; Deaf Smith Electric Cooperative, Hereford; Greenbelt Electric Cooperative, Wellington; Lamb County Electric Cooperative, Littlefield;

Also, Lighthouse Electric Cooperative, Floydada; North Plains Electric Cooperative, Perryton; Rita Blanca Electric Cooperative, Dalhart; South Plains Electric Cooperative, Lubbock; Swisher Electric Cooperative, Tulia; and Tri-County Electric Cooperative, Hooker, Okla.

Each will be joint owners in the project, and today have total combined assets of 215 million dollars.

NOTICE OF RATE CHANGE REQUEST AND STATEMENT OF INTENT

Notice is hereby given that BAILEY COUNTY ELECTRIC COOPERATIVE ASSOCIATION (the "Utility") intends to change its purchased power adjustment for electric utility service effective February 17, 1984. Under the present tariff the Utility pays an incentive credit to members of the irrigation class participating in a load management program and additionally credits all consumers with any reduction in power costs less demand ratchet cost resulting from load management. To correct this double payment of benefits the utility proposes to recover 1/2 of the incentive credits actually paid through its power cost adjustment. The increase requested over test year revenues is \$149,359.00 or less than 2%.

The changes are applicable to all areas and all customers served by the Utility. The classes and numbers of Utility customers affected are as follows:

Residential	2,734
Irrigation	2,801
Commercial under 50 KVA	373
Commercial over 50 KVA	78

Implementation of the proposed changes is subject to approval by the appropriate regulatory authority. A statement of intent including the proposed revisions of tariff and schedules and a statement specifying in detail each proposed change is available at the general office of the Utility located at 305 East Avenue B, Muleshoe, Texas.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

TWO MINUTES

WITH THE BIBLE

BY CORNELIUS R. STAM, PRES.
BIBLICAL BIBLE SOCIETY
CHICAGO, ILLINOIS 60633

FOUR KINDS OF MEN

According to St. Paul's inspired epistles, the human race is divided into four categories:

1. *The natural man*, i.e., the fallen son of Adam, as he is, without God. Of him the Apostle says: "The natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned" (I Cor. 2:14).

2. *The babe in Christ*. When a person sees himself as a sinner and trusts Christ as his Saviour, he is "born again" and becomes a "babe in Christ." But babes can and should grow, so these are exhorted: "As newborn babes, desire the sincere [pure] milk of the Word, that ye may grow thereby" (I Pet. 2:2).

3. *The carnal Christian* is one who, though perhaps a Christian for years, has not grown, due to indifference and neglect of the Word of God. He still has to be treated as a babe in Christ. The Corinthian believers were examples of this. Paul had to write them: "I could not speak unto you

as unto spiritual, but as unto carnal, even as unto babes in Christ. I have fed you with milk, and not with meat: for hitherto ye were not able to bear [digest] it, neither yet now are ye able" (I Cor. 3:1, 2). Everybody loves a baby, but the joy that fills the hearts of loving parents turns to bitterest sorrow if their baby fails to grow.

4. *The spiritual Christian* is one who, through prayerful study of the Word of God, has grown to spiritual maturity. He is no longer merely a child of God; he is a "man of God." We should all "desire the sincere [pure] milk of the Word THAT WE MAY GROW THEREBY" - "THAT WE HENCEFORTH BE NO MORE CHILDREN, TOSSED TO AND FRO, AND CARRIED ABOUT WITH EVERY WIND OF DOCTRINE" (Eph. 4:14). Let us then heed St. Peter's inspired exhortation: "BUT GROW IN GRACE, AND IN THE KNOWLEDGE OF OUR LORD AND SAVIOR, JESUS CHRIST" (II Pet. 3:18).

Wolverines Wrap Up 13 Straight Victories

Texico varsity Wolverines carved two more notches on their win belt when they put down both Tatum and Dora in basketball action this past weekend, giving the Wolverines 13 straight wins and a 4-0 district record.

The Green and White hit for 45 percent of their field goals and half of their free throws in their game against Tatum Friday night giving them the 51-46 win. Texico led the scoring in all but the fourth quarter when, during the last few minutes of the game, the Coyotes made a strong comeback, and got within 6 points of the Wolverines. However, it was not enough and the Wolverines wrapped up victory number 12.

Leading in the scoring against Tatum was Texico's Kevin West who had 16 points. Terry Tubbs racked up 15 points, followed by Brad Steward with 13, Joe Steward 4, and Regan Williams 3.

The Wolverines stretched for 39 rebounds with Terry Tubbs coming down with 14 to lead in that department.

Coach Scott Parker commented, "This is the best defensive game we've played. Offensively, we had a lot of patience and moved the ball well. Tatum played a tough man to man, and we slowed down so we wouldn't throw away the ball."

"We had a 17 point lead with two and half minutes to go when I put in my substitutes. Tatum scored 10 points on us in about 30 seconds, so I had to put my first string back in. Although I was upset about the last few minutes of the game, I was pleased overall with the way we played. This was a big district win," the coach added.

In Saturday night action, the Wolverines defeated Dora 77-43 before the home crowd, winning their fourth straight district game.

The Wolverines hit for 62 percent of their field goals and sank 47 percent of their free throws.

The Green and White took the lead from the start and led all the way. Texico outscored Dora by five points in the first quarter, eight points in the second, and 15 in the third. In the fourth quarter the Wolverines added 22 points to the scoreboard while Dora added 10.

Kevin West was high scorer with 25 points. Brad Steward added 14, Regan Williams 13, Terry Tubbs 10, Joe Steward 6, Ronnie Dunsworth 3, and Billy Bibbs, Jeff Campbell and Mark Meeks each 2.

Leading rebounders for the Wolverines were Brad Steward, Terry Tubbs, and Regan Williams, each with 7.

Coach Parker commented, "Dora has not been very good in the past. We were not mentally ready in the first quarter and we gave up too many points. I have to give Dora credit. They played hard. The second through fourth quarters we played good defense. Offensively, we played really well. We passed and shot well."

The Wolverines will be playing in the EPAC tournament in Dora this week. Should the Wolverines win Wednesday night, they will take on the winner of the Tatum-Logan game Friday night at 8:30.

The third place game will be played Saturday afternoon at 5:30, and the championship game will be held Saturday night at 8:30.

Beat Tatum And Dora - -

Lady Wolverines Win 2; Undefeated In District

Texico Lady Wolverines are now 4-0 in district play thanks to a winning streak last weekend against Tatum and Dora.

Friday night the Lady Wolverines traveled to Tatum to take on the Coyotes on their home ground, defeating them 47-34. Texico led the scoring in all but the fourth quarter, but even then, the Lady Coyotes couldn't make up the point difference.

Although the Green and White hit for only 31 percent from the field, they hit a big 69 percent from the free throw line.

Leading the scoring for the Lady Wolverines was Kelly Lynn with 16 points. Other pointmakers were Cheryl Scott and Kathy Harrison 8 each, Helen Jo Boarman 5, Karen Snodgrass and Valda Cavallero 4 each, and Lucia Jesko 2.

Texico stretched for 51 rebounds with Scott reaching for 12, Lynn, Boarman and Snodgrass having 9 each, Cavallero with 5, and Jesko and Loretta Gonzales each with 1.

The Lady Wolverines managed to steal the ball 8 times with Lynn getting 3, Harrison 2, and Snodgrass, Cavallero and Boarman, 1 steal each. Cavallero also had 4 assists, Boarman had 3, and Snodgrass, Harrison, Lynn, and Coy Jo Burk, 1 apiece.

Coach Roy King commented, "We played a good defensive game, especially against their fast break. We had a lot of good shots but they wouldn't fall in. They did a good job on Cheryl, but Kelly really took up the slack. She played a super game, and has really been playing well."

In Saturday night action against Dora, the Lady Wolverines upped their win record to 10-3, and 4-0 in district play, in downing Dora 64-31.

From the sound of the first buzzer, the Lady Wolverines took off and built up a sizeable lead that Dora just couldn't overcome. The Green and White hit 37.7 percent from the field and 46.2 percent from the free throw line. They managed to steal the ball from Dora 22 times, and came down with 50 rebounds.

"This was a good game for us because it allowed us to play a lot of kids," said Coach King. "Some of our younger players like Kelly, Lucia, Loretta and Coy Jo are really starting to

play well and are going to be a big help to us in some big games later on.

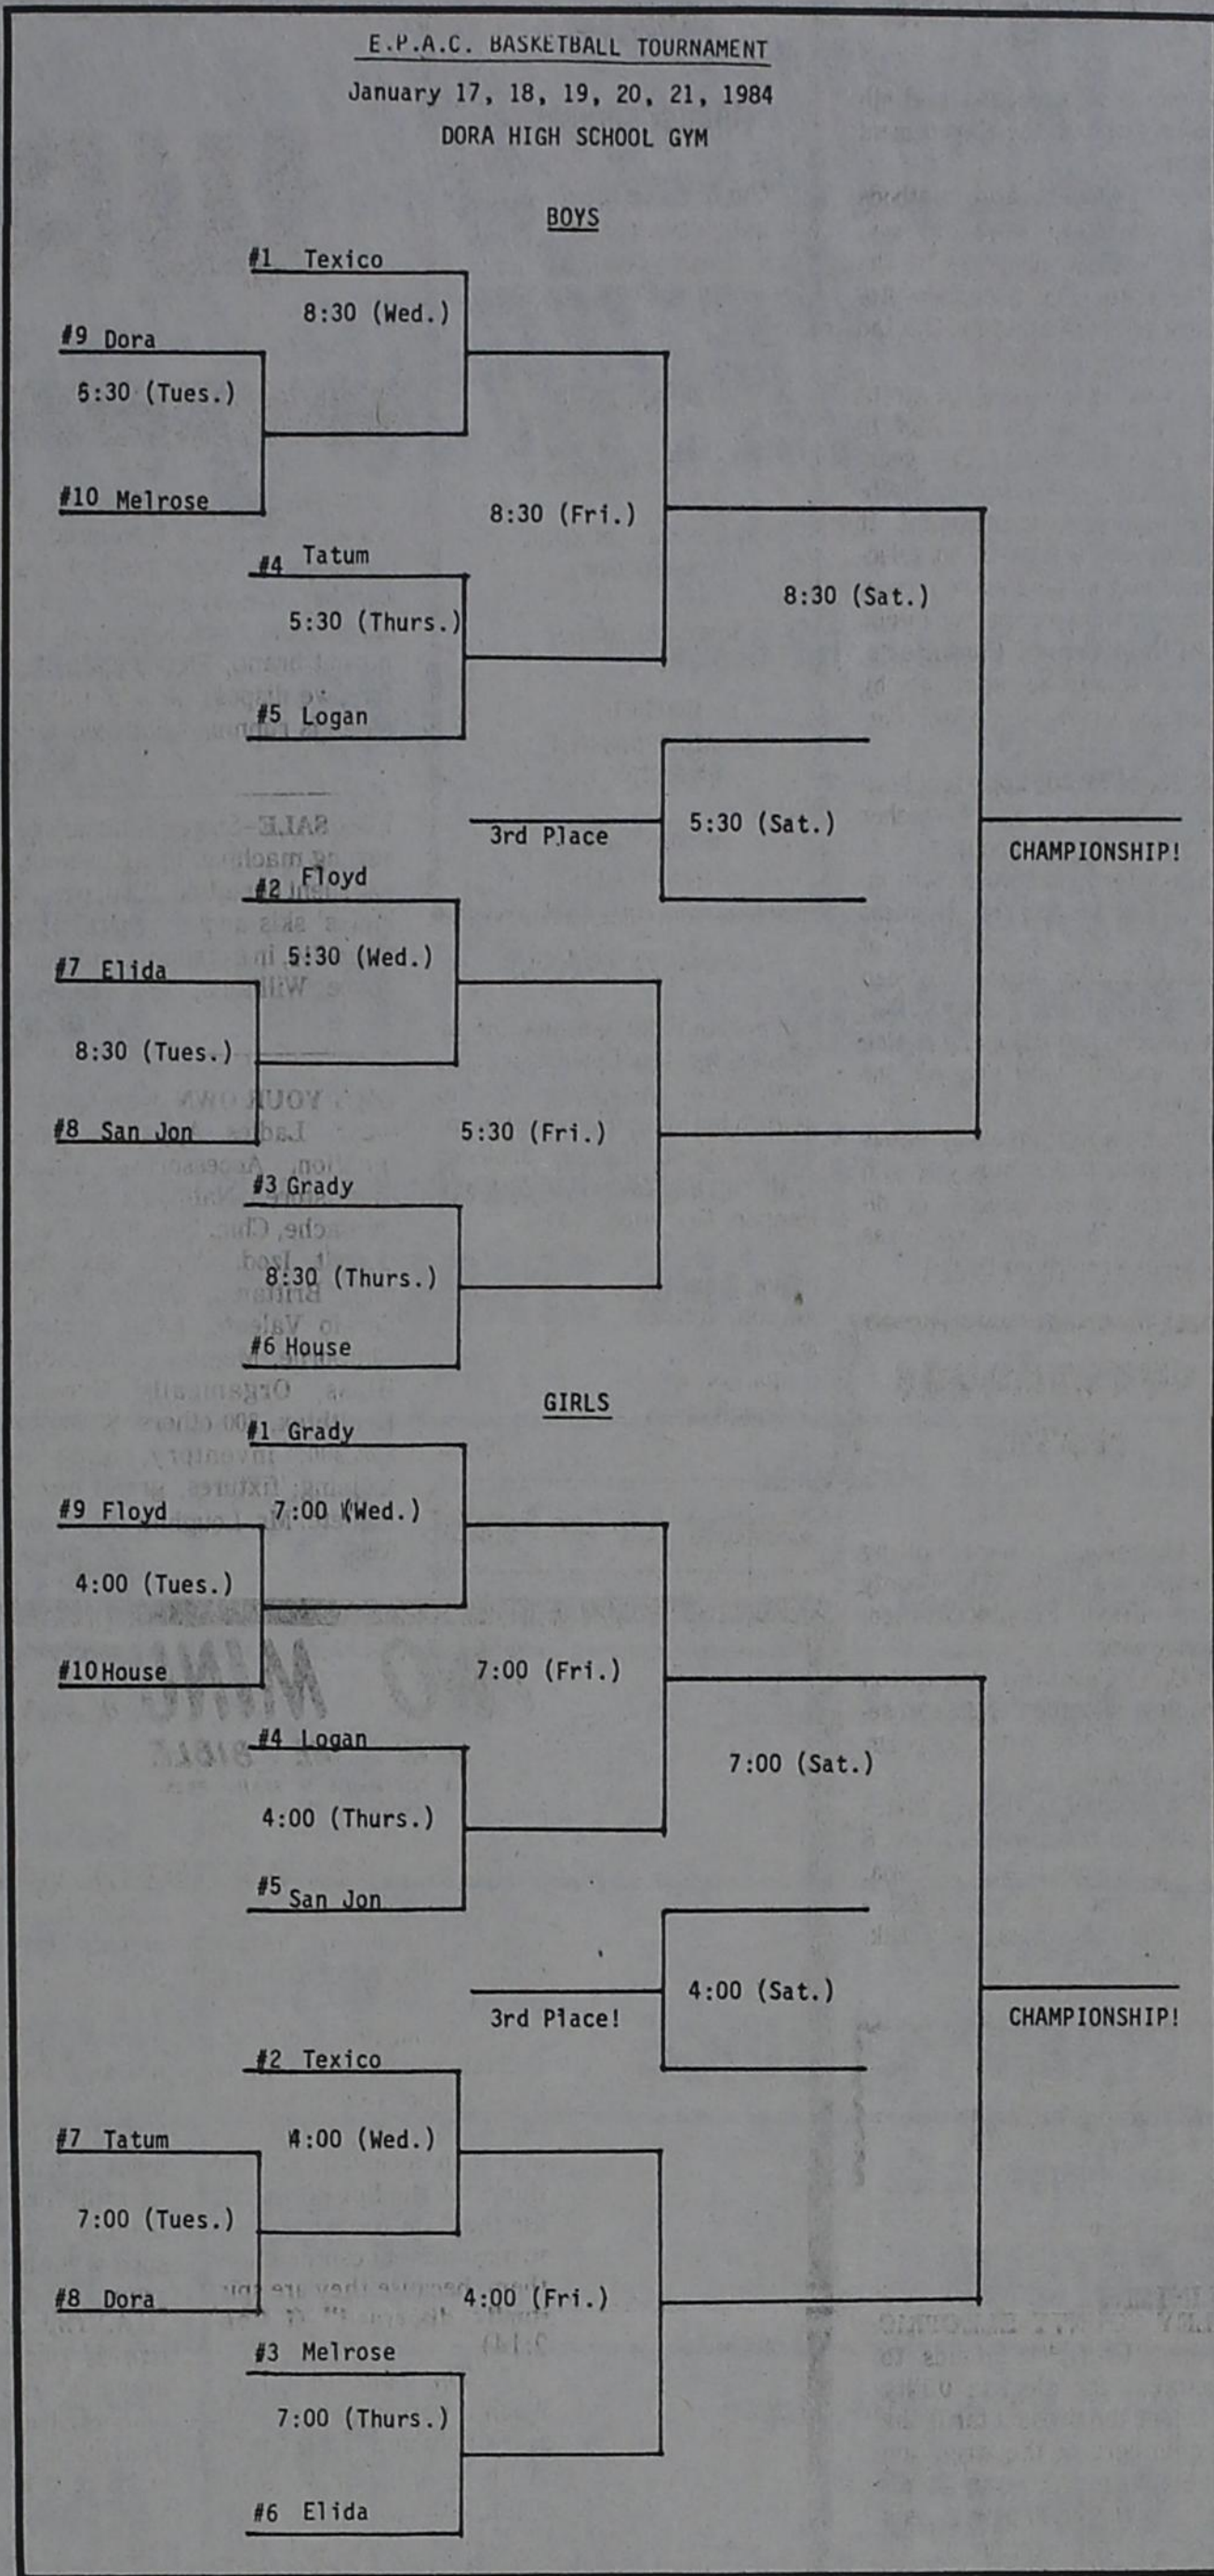

"This was our most balanced game of the year. We had four players take 12-14 shots apiece. It's really hard to key on one player. We have been rebounding well, but are missing a lot of our easy rebound shots. We will have to hit these shots if we are to beat teams like Melrose."

Leading the scoring for the Lady Wolverines was Cheryl Scott with 14 points and Valda Cavallero with 13. Others scoring were Helen Jo Boarman 11,

Kelly Lynn 10, Coy Jo Burk 6, Lucia Jesko 4, and Karen Snodgrass, Kathy Harrison, and Twila Longo 2 each.

Leading in rebounds was Scott with 11 and Cavallero and Boarman following with 8 each. Leading in assists was Cavallero with 5 and Boarman and Harrison coming in with 4 each. Leading in stealing the ball was Boarman who took it 6 times and Harrison stole it 5.

Texico JV Basketball

Texico junior varsity girls bettered their record by one more Friday night when they defeated Tatum's JV girls 47-23, at Tatum.

Texico girls averaged 34.9 percent from the field and 33.3 percent from the free throw line. They stole the ball 25 times during the game and stretched for 47 rebounds.

Leading scorer was Loretta Gonzales with 12 points, followed by Twila Longo 10 points. Other pointmakers were Katie Tubbs 7, Lucia Jesko and Coy Jo Burk 6 each, Tracey McDonald 4, and Angie Maxwell 2.

Lucia Jesko had 8 steals and also made 7 assists to help her teammates to victory. Leading rebounder for the game was Twila Longo with 13.

Coach Roy King said, "We played well. Our press was the best it has been all year. We shot about 55 percent for the

first three quarters. Lucia had an outstanding game for us. She had 6 points, 4 rebounds, 8 steals, and 7 assists. Twila, Coy Jo, Loretta, and Katie are also playing well."

Friday night saw the Texico junior varsity boys traveling to Tatum to take on the JV Coyotes. Texico lost the game, 56-44, leaving them with a 2-8 season record.

Leading scorer for Texico was Bobby Steward with 17 points, and he also pulled down 20 rebounds. Billy Bibbs added 8 points, John Thomas and David Loera scored 5 each, Mark Meeks had 4, and Danny Powell and Tommy Powell added 2 apiece. Loera also had 10 rebounds.

Texico JV boys made a comeback Saturday evening on their home court when they trampled Dora's JV, 57-29.

Texico dominated the court from the moment of the opening buzzer until the final buzzer sounded to take the victory. They led big in scoring in all but the second quarter when Dora outscored them by one point.

Texico's leading scorer was Jeff Campbell with 12 points, followed by Mark Meeks with 11. Billy Bibbs and Bobby Steward hit for 8 each, David Loera had 4, and Danny Powell, Stanley Cross, Eric Harding, and Charlie Bibbs had 2 apiece.

In the rebound department, Steward had 12, followed by Campbell and B. Bibbs with 8 each.

TENNIS TRIVIA

Competition for the Davis Cup was limited to the U. S., England, Australia and New Zealand until 1927 when players from throughout the world were permitted to enter.

Bill Tilden won the U. S. Men's Singles Championship six consecutive times. He held the title from 1920 to 1925, and regained it in 1929.

Great Britain's Michael Sangster holds the record for the fastest serve ever recorded. He was clocked at 154 mph in 1963.

According to Figgie International's Fred Perry division, England's Major Walter Clopton is said to be the "father of modern tennis."

Weather? Nuf Said!

This snow-covered scene at Farwell Schools was photographed Sunday morning, but this was only the beginning of the area's weather this week. Sunday afternoon the snow had

melted, but another Artic blow hit the area Monday night and continued throughout Tuesday, bringing heavy wet snow and high winds. Wednesday morn the snow had ceased, but the

temperature had dropped to a low three degrees. By noon, the sun came out and the temperature began climbing some, but wait til tomorrow. Who knows?

Texico Jr. High Results

Monday evening in Wolverine gym Texico 7th and 8th grade basketball boys scored big against Morton, winning 32-12.

Aaron Scott scored 12 points and had 12 rebounds, and Terry Allen had 6 points and 6 steals.

Commenting on the game, Coach Mike Littlejohn said, "Our defense did a pretty good job. We beat them the last time by 8 points, in Morton. J. Katt from Morton scored 29 points on us last time we played them, but our boys held him to only 6 last night."

The team will travel to Floyd next Tuesday, with game time at 4:00.

In 9th grade boys action, Texico fell to the Morton 9th grade team, 54-39.

Aaron Scott was high scorer with 9 points and also had 5 rebounds, Tex Looney had 8 points and 21 rebounds, along with 5 assists and 4 steals. Terry Allen scored 5 points and managed 2 steals, and Ronnie Autrey stretched for 5 rebounds.

Coach Littlejohn commented, "We played a lot better against them this time. The last time we played them, we lost by 40 points. We were within 10 points in the fourth quarter, but we just couldn't seem to pull it off. Overall, I was real pleased with

the boys' efforts." Their season record stands at 3-5.

Texico Jr. High 7th-8th grade girls hosted Fort Sumner Jr. High girls last Friday and lost by 4 points, 26-22.

Twila Longo and Angie Maxwell each had 8 points to tie for high scorers and Geneva Garcia, Robin Pierce, and Kristi Lovelace each had 2.

The girls came down with 25 rebounds with Angie Maxwell and Twila Longo taking 9 a-piece. Geneva Garcia and Twila Longo each had three steals.

Monday night, the 7th-8th girls traveled to Morton and came home victorious, scoring 23 points to Morton's 5.

Texico shot for 24.4 percent on field goals, and 30 percent on free throws.

Angie Maxwell took high scoring honors with 11 points. Others scoring were Twila Longo 4, Geneva Garcia, Robin Pierce, Patty Cavallero and Leslie Maxwell, each scoring 2.

The girls had 25 rebounds, with Angie Maxwell stretching for 10. Texico stole the ball 27 times from Morton with Twila Longo taking it 5 times, and Teresa Thomas and Kayla Thornton stealing it 4 times

each. Next game will be Tuesday, Jan. 24, at Floyd.

In 9th grade action, the Texico girls took on Fort Sumner's 9th grade girls at home last Friday, and won, 17-12.

Texico led by only two points at the end of the first and second quarters, but in the third quarter, the girls had pulled away by six points. They gave up three points in the fourth, but still came away with the win, shooting 20 percent from the field and 25 percent from the free throw line. They had 19 steals and 27 rebounds.

Leading scorers for Texico 9th girls were Michelle Lebow and Tracey McDonald each scoring 6. Donna Smith scored 3 and Nancy Robinson put in 2.

Michelle Lebow came down with 6 rebounds, and had 6 steals, to lead the team in these departments.

Monday night the 9th grade girls traveled to Morton to take on Morton's 9th grade, losing the game, 45-16.

Although Texico led at the end of the first quarter, Morton came up with 23 points in the second quarter, putting them ahead at the half by 11. Third quarter action saw Texico scoreless, and they hit for only 4 points in the final period.

Twila Longo made 10 of the 16 total points, and Geneva Garcia and Tracey McDonald each added 3.

Michelle Lebow came away with 5 steals and Twila Longo had 4.

Texico 9th grade girls will play again Jan. 28 against Portales at home.

Year For South Plains Agriculture To Be Previewed

Crop and livestock producers throughout the area will get an up-to-date picture of the season ahead in agriculture during the annual meeting and outlook conference of the South Plains Development Program in Lubbock January 24.

The day-long program at the Koko Palace, Ave. Q at 50th St., will give producers information to help them plan for profits in 1984, Billy C. Gunter, district director with the Texas Agricultural Extension Service, said.

The South Plains Development

Program is a coordinated regional effort of individuals, associations, businesses and agencies to promote economic development in agriculture and improved family life in 21 counties. It is sponsored by the Extension Service, working through county Extension program building committees and task forces which identify educational needs and coordinate educational activities.

Details about the annual meeting January 24 are available at county Extension offices across the South Plains.
