

Last Sunday we attended the dedication ceremonies of the new Educational Complex for the Texico School System. The complex will be a great asset to the community as well as to the school. Texico schools are to be commended on obtaining this facility and being such an integral part of their town.

As we have said in the past, many of the hard-nosed Texans ought to look at some of the governmental programs in New Mexico, and think about going and doing likewise. Their school funding program is, on the face of it, vastly superior to the method in use in Texas, and shows up in the quality of teaching facilities in the smaller districts of the state.

We note where there are some moves underway in the Texas Legislature to change the school funding program in the future. We do not know what these plans are, but we did receive a release from State Comptroller Bob Bullock about his plan. Unfortunately, the release did not say what his "plan" was all about.

Says Bullock in his release, "We can get more for our education dollars by junking our present school finance plan, which is what I propose to do. This way, more school children get more dollars; local school boards are free to deal with local needs; poorer districts get the state help they need, and more money gets to the classroom."

Unfortunately, the only thing we gleaned from the several pages of information on Bullock's plan is that the Farwell ISD will lose some \$46,521 if the Legislature fails to pony up at least an additional \$400 million in new state funding. At this level, Farwell ISD could look to receive only a plus \$16,807 in state funds.

From the tenor of the present legislature, Bullock's plan looks like a cinch to cost the taxpayers of Farwell ISD a bundle of tax bucks.

In scanning over the entire list of school districts in Texas, it just seemed to us that most of the minus amounts, under Bullock's plan, would come from the much smaller districts. Pinching the smaller districts with their lesser ADA must be his secret in claiming that even without additional state funding, his plan would benefit 52.48 percent of the school children in the state.

At this juncture, we favor junking Bullock's plan, but at least he is trying to address the problem. We wonder about our other State officials.

President Reagan in his State of the Union address made an observation that struck us as bearing some closer thought. The President said, in so many words, that it didn't make any difference whether the money to cover the federal deficit for this year came from issuing federal paper or from increased taxation. The money was equally removed from the pool of money available to business in general and would have the same effect on the economy.

Remembering that "politics is the art of the possible" we are sure that the President realizes that proposing a balanced budget with deep cuts would not get past Tip O'Neill's first base; therefore his present monstrosity. We feel that at this time his proposal is akin to giving us the choice of drowning in his eight feet of water or O'Neill's twelve feet of water. We're not for either prospect.

The Reagan Administration needs to submit an austere budget and hold the Congressional tootsies to the fire until significant budget cuts are made and the present tax structure left as is.

However, don't look for a miracle in an election year, we may have to opt for the eight-foot dip.

A Job Well Done

Members of the Texico Board of Education look over the plans which they used in supervising the construction of the new \$1.3 million Texico Educational Complex following the dedication ceremonies Sunday, Jan. 29. Board members, pictured from left, are Herman Gerles, vice-president; Arlye Crooks, president; Johnnie Rucker, member; and Roy Thornton, member. Not present is Greg Martin, secretary.

Volunteers Needed - -

Meals-On-Wheels Program To Begin

A recent survey conducted by Farwell Convalescent Center and volunteers has determined that a need exists for a noontime food program in the local communities.

The Meals-On-Wheels program is scheduled to begin Monday, Feb. 20, and will serve the Farwell and Texico regions. Participants will be those persons who are 60 years of age or older, handicapped, chronically ill, or temporarily ill. It will be for individuals who have

poor nutritional habits and/or can not prepare their own noon meals.

The noon meals will be prepared by the Convalescent Center's dietary staff. The scheduling and coordinating of drivers and programming will be done by volunteers. Jean Patschke of Farwell and Maurine Caywood of Texico are volunteer coordinators for the program.

The organizers are seeking help from churches, clubs, groups, and organizations to

help provide volunteer services for the delivery of the meals as well as finding those in need of a nutritious meal.

If you are interested or know someone who is, please contact Mrs. Caywood at 482-9264 or 482-3835 (Senior Center), Mrs. Patschke at 481-9125, or Farwell Convalescent Center at 481-9027.

"For those individuals who have already contacted us, we will be getting in touch with you for more details," say the organizers.

Texico Variety On Stage Feb. 9

Texico Variety Show is scheduled for Thursday night, Feb. 9, the first big event to take place in Texico's new Educational Complex. It will be hosted by the high school Wolverine yearbook staff.

The show is scheduled to begin at 7 p.m. MST and, like all variety shows, will consist of a large assortment of entertainment ranging from skits and singing to anything imaginable. Entertainers participating in the show will be from all over the area, including Farwell and Clovis, as well as Texico.

Highlight of the evening will be the announcing of Texico's class favorites in grades 6-12, the high school's most popular students, and then the crowning of Mr. and Miss THS.

Class favorite candidates are as follows: 6th grade: Jason Longo, Byron Martin, Brian Rogers and Valerie Cavallero, Tasha Rucker, and Jennifer Williams.

7th grade: Lance Akers, Michael Day, Keith Harrison, Kristi Lovelace, Dena McDaniel, and Schree Thigpen.

8th grade: Jeff Horner, Cory McDaniel, Aaron Scott, Geneva Garcia, Twila Longo and Robin Pierce.

9th grade: David Martinez, Jesse Martinez, Dean Reid,

Sylvia Estrada, Michelle Lebow, and Donna Smith.

10th grade: Tommy Powell, Kyle Snipes, John Thomas, Lucia Jesko, Kelly Lynn, and Brenda Morris.

11th grade: Buck Gaddis, Danny Powell, Charles Sharbutt, Kathy Harrison, Cheryl Scott, and Karen Snodgrass.

12th grade: Chet Burrows, Brad Steward, Tobin Tate, Valda Cavallero, Chary Jesko and Dana Morris.

Candidates for Most Popular in Texico High School are Danny Powell, Brad Steward, Tobin Tate, Terry Tubbs, Kevin West,

Valda Cavallero, Terri Fenn, Chary Jesko, Dana Morris and Karen Snodgrass.

Mr. THS candidates are Danny Powell, Brad Steward, Joe Steward, Tobin Tate and Kevin West.

Candidates for Miss THS are Valda Cavallero, Kathy Harrison, Chary Jesko, Dana Morris and Cheryl Scott.

Tickets for the variety show are \$2 for adults, and \$1 for students, with preschool and under, free. The proceeds from the show will go toward the cost of publishing the yearbook.

3 File For Texico's Councilmen Position

Three men filed January 31 with the Texico municipal clerk to run for election to the Texico City Council.

Bryan Kube, Steve Chancy, and Max Carter declared their candidacy for the two councilmen positions for four-year terms. The present councilmen, Donnie Morris and Truman Kit-

trell have chosen not to run for re-election.

Howard H. Billingsley, incumbent municipal judge, has filed for re-election to that position, which is also for a four-year term.

The Texico Municipal Election will be held on Tuesday, March 6, in the city hall.

Mr. & Miss THS Candidates

Candidates for Mr. and Miss THS are, from left, seated: Kathy Harrison, junior; Dana Morris, senior; Valda Cavallero, senior; Cheryl Scott, junior;

and Chary Jesko, senior; standing: Danny Powell, junior; Joe Steward, senior; Brad Steward, senior; Kevin West, senior; and Tobin Tate, junior.

The winners will be announced Thursday night at the Texico Variety Show to take place in the Educational Complex, beginning at 7 p.m. MST.

\$1.3 Million Facility - -

Texico's Educational Complex Is Dedicated

The new \$1.3 million Educational Complex at Texico Municipal Schools was dedicated Sunday afternoon in the multi-purpose room of the facility with a large turnout of patrons, students, and other area residents.

Texico Board of Education members, administrators, and staff hosted the event, and Board President Arlye Crooks made the dedication.

Superintendent James Pierce reviewed the building program which was made possible by \$920,000 in state capital outlay funds when school district patrons approved a \$320,000 bond issue for the construction of the 20,000 square foot structure. The difference between the amount provided by the two sources was made up by interest on the money.

The multi-purpose room in the building is designed with a stage and seating capacity for over 600 persons. Dividers can be pulled across, dividing it into three separate areas for lectures, testing, concerts, and many other events. The acoustics are so excellent, said Pierce, that all three areas could be used at the same time without sound interferences.

When the new building was completed, it alleviated the over-crowded situation at the schools. The business classes moved from the high school into a new business lab, freeing the business room for the math classes which gave the computer class a separate room.

In addition to the business lab in the new complex, there are two other classrooms, the superintendent's office, the secretary's office, a copy room, and dressing rooms. The stage area in the multi-purpose room is large enough for the entire school band, and doors from the outside are arranged so that a truck can drive directly onto the stage.

The old superintendent's office in the high school is now used by school counselor James Harding, who had previously occupied a classroom. The classroom vacated by the counselor has been converted to an upholstery room.

Principal Kenneth Shaw has moved into the old office of school secretary Marcia Leavell, leaving his office as a small conference room for teachers and parents.

The two federal project classes at the elementary moved to the junior high building, making

room for two kindergarten classes, and the special education classes moved from the junior high to the new building.

Opening the afternoon ceremony was Kevin West, Student Council president, who gave the invocation. Student Council vice-president Brad Steward led the pledge to the American flag, followed by the high school

band brass section playing the National Anthem.

Danny Powell, Student Council member, led the pledge to the New Mexico flag, and the New Mexico state song was sung by the fourth grade students.

Herman Gerles, Board vice-president, gave the welcome,

and Principal Shaw invited everyone to open house at all of the schools. Student guides were Student Council members and fifth graders.

Refreshments of punch, coffee and cookies were served following the dedication in the foyer of the new complex by Texico FHA and Texico FFA members.

Refreshments For All

Texico FHA and FFA members provided refreshments of punch, coffee, and cookies to the public during the open house following the dedication of the new Educational Complex. Pic-

tured are FFA members Jim Thornton, left, and Eric Harding, who have just finished serving Mr. and Mrs. Doyle LaRue and Mrs. John Hadley. A large number of Texico school

patrons and visitors from surrounding areas attended the dedication and open house at all of the schools last Sunday afternoon.

County Stock Show Underway In Friona

The annual Farmer County Junior Livestock Show has been in full swing since Wednesday of this week in the Friona Community Center and Livestock Barn.

The four-day event will feature livestock shown by 4-H Club members from Farwell, Oklahoma Lane, Lazbuddie, Bovina and Friona, as well as FFA members from the four county schools.

Climaxing the show tomorrow (Saturday) will be the livestock sale which will begin at 1 p.m.

Weighing in of the animals began at 8 a.m. Wednesday, and lamb classification began at 2 p.m. The barrows were shown Thursday at 8 a.m., and the lambs were to be shown today (Friday) beginning at 8. The heifer and steer show was to get underway at 2 p.m.

Judges for the show are Dino Cornay, steers and heifers; Jim McManigal, swine; and Ed Garnett, lambs and goats.

General superintendent of this year's show is Terry Copley of Friona, and Mack Heald of Farwell is assistant general superintendent.

Swine superintendent is Rick Seaton of Lazbuddie, lamb and goat superintendent is Carroll Cook of Friona, and cattle superintendent is Gene Schueler of Friona.

To begin the premium livestock sale Saturday, the grand champion animals will be auctioned off first, followed by the reserve grand champions, and then the swine, sheep and steer auction.

Approximately 32 members of the Farwell and Oklahoma Lane 4-H clubs and Farwell FFA are participating in this year's show.

Pep Rally Set At Farwell Tues.

A special pep rally to honor the Farwell Steers and Steerettes on the afternoon of their final home game of the season is scheduled to begin at 3:20 p.m. Tuesday in the Farwell gym.

Two of the many activities planned for the rally include a skit by the 'Student Council, and a dance routine by the cheerleaders.

Everyone is urged to attend the pep rally to cheer the Steers and Steerettes on to victory over the Bovina Mustangs in their final home game.

A special invitation is extended to the fans to attend the games Tuesday night to honor the senior Steers and Steerettes who will play for the last time in the Farwell gym.

The JV girls will start off the basketball action against Bovina at 5:00.

Sheriff's Report

Parmer County law officers made three arrests the first of this week, according to the report from the sheriff's office.

Henry Hernandez, 28, of Friona was arrested on January 29 by Bovina police officers and charged with public intoxication. He made bond and was ordered to appear in Bovina City Court.

Roy Lee Bednorz, 31, of Clovis was arrested on January 29 by Texas Highway Patrol officers, and was charged with DWI. He appeared before Judge Porter Roberts on January 30, and pled guilty. He was fined \$500, plus court costs, and was given three days in jail.

Manuel Chaviva, 41, of Dimmitt was arrested on January 29 by Friona police officers on a charge of DWI. He appeared before Judge Roberts on January 30, on a plea of guilty, and was fined \$500, plus court costs and given three days in jail.

Tide Chemical in Farwell reported that on the nights of

January 25 and 28, its business was burglarized, and a large amount of gas was taken.

In other action, Mary G. Perez, 25, was returned to Farwell from Hereford on a felony charge of violation of probation. Her case is pending in district court.

Longer School Day? - -

Sen. Sarpalius Asks Patrons To Respond

Texas State Senator Bill Sarpalius said today that he is asking parents, students and others interested in the state's education system to provide him input on a proposal to lengthen the school day throughout Texas.

A subcommittee of the Select Committee on Public Education has recommended that the public school day commence at 8:30 a.m. (with an appropriate break for lunch) and end at 5:30 p.m., five days a week, for grades kindergarten through 12. Sarpalius said he was talking with school officials throughout the Panhandle and South Plains about the proposal, but would like to know the feelings of those

who would be directly affected by the proposal.

"While this is a subcommittee recommendation at this time, the final work product of the Select Committee will have a definite impact on what future direction public education will take in Texas. If there is a majority in our district who adamantly oppose this idea, then I would like to be armed with that knowledge if we are to oppose it before the Legislature," Sarpalius said.

The Senator said he had already received some comments critical of the idea. "I have heard from some who say it would put their children on buses before sunup and they

wouldn't get home until after dark. They also are disturbed that youngsters who work in the afternoons would be unable to continue their jobs or helping on family farms. They have also mentioned destruction of non-school activities and the opportunities to learn social skills. A number of other interferences with daily lives have also been talked about."

Sarpalius said he was asking newspapers in the 29 county area of the 31st District to provide the opportunity to respond. He said he would research the results and provide a district and county breakdown of how those who respond feel about the proposal.

Commissioners Court Names New Welfare Board Members

Parmer County Commissioners Court met in regular session Monday, Jan. 23, and named new members to the Parmer County Child Welfare Board.

Members of the Board whose terms are expiring and who have asked to be released from serving on this board are Mrs. Ona Patterson of Friona, Donnie Spring of Bovina, Robert Gallman of Lazbuddie, and Mrs. Jackie Smallwood of Farwell.

The Court expressed appreciation for these persons who have served in this capacity, and approved that these members be released.

The Commissioners also unanimously approved that the present members be replaced by Mrs. Roberta Johnson of Farwell, Danny Cochran of Bovina, Mrs. Joyce McGehee of Lazbuddie, and Shirley Schueler of Friona.

More discussion was held concerning the replacement of a car in the sheriff's department. After a lengthy discussion of the repairs needed on the old car and other aspects of maintenance, the Court agreed to advertise for bids for a new car, with the bid opening to be February 13 at 11 a.m.

A floor buffer which has been on loan to the courthouse was offered for sale. After checking prices on this type of equipment, the Commissioners approved the purchase of this buffer for \$890.

In other business, the Court approved the payment of \$1200 each as a one time payment to help on the utilities for the Bovina Senior Citizens and the Friona Senior Citizens.

The Court also approved payment of the annual assessment to the Ninth Administrative Judicial District for the year 1984 in the amount of \$350, as well as the payment of the 1984 dues to the County Judges and Commissioners Association of Texas in the amount of \$125.

A bill was received for services as attorney ad litem for a juvenile in a criminal hearing, and the Court approved the payment to Richard Collard for these services in the amount of \$260.00.

A request had been received from Friona State Bank to substitute securities pledged to the county. Bonds maturing in February and March totalling \$215,000 are to be replaced by \$240,000 in bonds maturing February 1, 1987. The Court agreed

FIRE CALLS

Texico Volunteer Fire Department reported that it had only one ambulance call since the last report.

On Friday, Jan. 27, at 8:25 p.m., the ambulance was sent to the Texico high school gymnasium, where a Melrose student was transported to the Clovis hospital.

Farwell Volunteer Fire Department also reported no fire calls this week but it had two ambulance calls.

On Thursday, Jan. 26, the ambulance was called to a Second Street residence where a resident was transported to the Muleshoe hospital.

On Monday, Jan. 30, the ambulance was sent 1 1/2 miles west of Lariat, where it also transported a person to the Muleshoe hospital.

Farmer Sign-Up Urged In Commodity Programs

After a recent meeting with Secretary of Agriculture John R. Block in Chicago, J. Lynn Futch, Farmers Home Administration (FmHA) State Director for Texas, said the most immediate challenge stressed by Block for 1984 "is to achieve heavy participation in the 1984 farm programs."

State Directors for USDA's Farmers Home Administration and State Executive Directors for USDA's Agricultural Stabilization and Conservation Service from over the nation attended the meeting with the Secretary. Emphasis was placed on the benefits producers will receive by signing up for the commodity programs.

Block said that both government and private sector analysts are saying basically the same thing: It will prove advantageous for the average American farmer to participate in these 1984 farm programs. He said the programs will not only provide a needed conservation effort, but they will also offer producers a protection against serious downward price fluctuations.

"It's essential that agricul-

ture show its willingness to do its part in maintaining the thrust of its own recovery," Block said. "These programs and our federal crop insurance could be two of the best tools producers can work with in 1984."

Block said the farm programs, in combination with the federal crop insurance, will provide protection against the risks of drought, freeze, flood, or other unanticipated acts of nature.

Frank Naylor, USDA Under Secretary for Small Community and Rural Development, told Futch that while federal crop insurance has existed since 1938 the current insurance has been significantly revised, expanded, and improved.

"Today's program offers high coverage on more crops in more places," Naylor said. "The cost per unit of protection is also much lower. Most importantly, farmers today can obtain crop insurance protection that is custom tailored to individual circumstances."

Block emphasized that farmers who question the need for crop insurance should direct their questions toward those

farmers who benefited from the coverage after the unanticipated weather of 1983. "I believe this insurance was the salvation for many of those farmers."

In a separate meeting with FmHA personnel, FmHA Administrator Charles W. Shuman said they will continue to work with farmers on a fair and business-like basis, "going the extra mile to help deserving farmers."

Shuman asked the state officials to explain to borrowers who are having trouble repaying loans the requirements they must meet to qualify for loan servicing options. He said these options include: consolidation of loans, rescheduling, re-amortizing loans, or deferral of payments.

MICKEY BONNER

Lt. Anderson Home On Leave

Lt. Robert W. "Will" Anderson arrived home last Thursday to visit his parents and friends while on an 11-day leave from the Navy.

Will, who had been stationed at the Royal Naval Academy in Dartmouth, England, is on his way to an 18-month tour of duty on the frigate USS Robert E. Peary, at Pearl Harbor.

The road between Dartmouth and Pearl Harbor has been a long one for Will. Upon leaving the academy, he was sent to Newport, R.I., for six months of advanced surface warfare training, and then on to Philadelphia, Pa., to fire fighting school. Next he was transferred to steam propulsion school in Chicago, Ill., and is now on his way to San Diego, Calif. for a two-week refresher course in anti-submarine warfare.

After completing the course, Anderson will finally board the USS Robert E. Peary in Pearl Harbor February 18 as Chief Engineer.

He will leave Sunday on his way to San Diego.

Jace Ensor Earns Honor

Jace Ensor, real estate salesman for Sierra Development Co. in Ruidoso, surpassed \$1 million in real estate sales for 1983.

He recently received recognition from the Ruidoso MLS service board and was awarded a plaque. Also, from his broker, he was awarded a trip to Disneyland for he and his family.

Ensor is a 1974 graduate of Farwell High School.

Texico Baptist Church Sets Bible Conference

First Baptist Church of Texico has scheduled its fourth annual Bible Conference Monday through Friday, Feb. 6-10. Everyone in the area is invited to attend these services.

Guest speaker will be Mickey Bonner of Houston. Sessions will be at 10:30 a.m. MST Tuesday-Friday, and 7 p.m. MST Monday-Friday. A nursery will be provided.

Bonner is president of the Mickey Bonner Evangelistic Association in Houston, and is a popular conference and television speaker. He authors the television series, "Transformed," which is currently shown over the NCN Television Network and some 1500 cable stations.

He serves as a member of the Board of Advisors at Linda Vista Baptist College and Seminary in Linda Vista, Calif., and he organized and pastored the Lazybrook Baptist Church in Houston.

He has published ten books,

and has led over 600 revivals and "Christ Our Life Conferences," and is currently publishing a world-wide cassette tape ministry. Brother Bonner also conducts three overseas missions and tours annually. Joel Horne, church pastor, invites everyone to come and hear this renowned speaker.

Beat Hart And Kress - -

Farwell Steers Win Two More; Still In Running For District

Farwell Steers racked up two more wins, Friday night against Hart and Tuesday night against Kress, keeping them in the running for the district playoffs.

When the Steers charged onto the court in the Steer gym Friday night, they had made up their minds to win. And win they did. The Steers called together their offense and defense, and claimed a big victory over the Hart Longhorns, 48-38.

The Blue and White took the lead early in the first quarter and remained there throughout the game, ahead by at least 10 points at the end of each scoring period. When the final buzzer sounded, the Steers had a 10-point victory over the Longhorns, and another district win.

Leading scorer for the Steers was Alan Eubank with 19 points, followed by Roger Robertson with 10, Manuel Cantu 6, Johnny

Daniel and Mark Cole 5 each, and Kevin Owen 3.

"We shot the ball real well," said Coach Mike Martin. "We played good offense and defense. The first half of the game went well for us, but during the second half, we coasted. We didn't get as many rebounds as we usually do, but we did play well."

Tuesday night the Steers faced the Kress Kangaroos in district competition and defeated them 32-29 to put them in the running for the district playoffs.

The game was played in Farwell, and was a close one all the way. During the first quarter, Kress held Farwell to only six points, while scoring only nine. During the second quarter, the Steers picked up their feet, and by halftime were only two points behind. Scoring in

the third quarter was about even, with Farwell only one point behind. The Steers decided it was time to make their move in the fourth period, and defeated Kress by 4 points.

High scorer for the Steers was Alan Eubank with 12 points. Others scoring points were Roger Robertson 7, Kevin Owen 6, Manuel Cantu 4, Johnny Daniel 2, and Mark Cole 1.

Coach Martin said, "We played a very good defensive game. We tried a new defense on Kress that worked real well, but neither team shot the ball well. This was a big win for us, Kress has just defeated Bovina, and this put us back in the running for the district playoffs."

The Steers next game will be tonight (Friday) in Olton, and then Tuesday night they will face Bovina again at Farwell.

Cole Grabs Rebound

Farwell Steer Mark Cole, #24, goes high for a rebound in the Farwell Hart district game played last Friday night at Farwell. The Steers took the win from the Longhorns, 48-38. Ready to assist are Steers Todd

Christian, left, and Kevin Owen. The Blue and White also beat the Kress Kangaroos Tuesday night, 32-29, to stay in the running for the District playoffs. (J.R. Ivins photo)

Take Wins Over Hart, Kress - -

Farwell Steerettes Make It Three In A Row At Home

Keeping a pace with Tuesday night's win over Springlake-Earth, the Farwell Steerettes trampled over the Hart Longhornettes Friday night, defeating them 45-35, and then put down the Kress Lady Kangaroos Tuesday night 39-24, making it three wins in a row for the home team.

The Steerettes took charge during the first quarter, outscoring the Longhornettes 10-6. During the second quarter, the Hart girls team picked up the pace and led by two points, 18-16, at the half. Farwell made a big comeback during the third quarter, allowing Hart to score only two points. During the fourth quarter, the Steerettes kept a comfortable lead, to take the win by 11 points.

Coach Larry Gregory commented, "We played well enough to win, but we had a lot of turnovers. Suzahn and Lezlie played very well, as they have all year."

The Steerettes continued on their home game winning streak Tuesday night when they defeated the Kress Lady Kangaroos 39-34 and sent them packing.

The game started out a little slow for the Steerettes, trailing Kress by two at the end of the first period, but during the second quarter, they pulled into a one point lead by the half. The Steerettes really picked up the

pace during the third and fourth quarters, pulling out to a five point lead and the win.

Leading scorer for Farwell was Suzahn Inman with 21 points, followed by Shonda Foster with 10, Lezlie Castleberry and Camille Buchenau each 3, and Sheila Smith 2.

"This was a very big game for us," said Coach Gregory. "We played very well. We cut down a lot of our mistakes. Shonda had the best shooting game of her season, and Camille did a good

job on the boards. Lezlie had zero turnovers for an excellent floor game, and Suzahn was again high scorer. Our press was very effective and we got excellent hustle from the girls. Our most important game of the year is coming up Friday night, and we really urge everyone to come to Olton and help support us."

The Steerettes will travel to Olton tonight (Friday) and then will host Bovina in the Farwell gym Tuesday night.

Farwell Jr. Varsity Basketball Results

Farwell Junior Varsity Steers set the pace for the entire night of basketball action Friday night in the Steer gymnasium, when they defeated Hart's JV Longhorns in a 48-46 heartstopper.

During the first two quarters, the lead bounced back and forth, with Farwell trailing Hart by one point at halftime. The third period ended in a 36-36 tie. Fourth quarter action saw the teams battling it out right down to the wire, but the Farwell JV boys took the 2-point victory.

Leading scorer for the JV Steers was Todd Davis with 15 points, followed by David Woods with 10, Jesse Coburn 8, Jody Ketcherside 6, Eric Williams 5, Brian White 3, and Roy Perales 1.

"The boys played real well," said Coach Mike Martin. "It was a rough and tumble ballgame, but we played very

well."

The JV Steers will travel to Olton tonight (Friday) for another round of district competition, and then will travel to Springlake-Earth Tuesday night to face the JV Wolverines.

Farwell JV Steerettes faced Kress at home Tuesday night and were defeated 36-20.

During the first quarter, Kress hit for 12 points, while holding Farwell to only 2. During the second quarter, both teams picked up the pace, but by the half, Farwell was still trailing 22-12. Farwell only scored four points in both the third and fourth quarters, while Kress continued to add points, defeating the JV Steerettes.

Lead scorer for Farwell was Alma Nicolas with 6, followed by Rhonda Lingnau and Monica Carpenter 4 each, Sheryl Stanton, DeAnne Curtis, and Dana

White each 2.

"Coach Larry Gregory said, "The girls have improved throughout the season. They really hustle, and do what I say. They have excellent attitudes and that's what it takes."

The JV Steerettes will face Bovina JV girls Tuesday night at Farwell.

Junior Class Sets Barbecue Supper

The junior class at Farwell High School is sponsoring a barbecue supper Tuesday night, Feb. 7, in conjunction with the Farwell-Bovina basketball games.

Serving will be in the Farwell cafeteria between the hours of 5 to 7:30 p.m.

Class parents, Mr. and Mrs. Eddie Smith and Mr. and Mrs. Delbert Lingnau, will again prepare their "delicious" pit cooked beef brisket, says class sponsor, Ed Wees. Also included on the menu will be beans, potato salad, cornbread, homemade pie, and coffee or tea.

Tickets are available from class members or at the door, at a cost of \$4 for adults and \$2 for children.

Farwell Jr. High Basketball Results

In junior high basketball action Monday night, Farwell 7 and 8 grade boys teams traveled to Hart and came home defeated, while the 7-8 grade girls were facing Hart here, also losing.

Final score in the 7th grade boys game was 40-29 Hart. High scorer for Farwell was Donald Rubio with 13 points followed by Jeff Actkinson with 10, Dustin Hardage 4, and Abel Lopez 2.

"We had a good offensive effort from Jeff Actkinson and Donald Rubio," said Coach Rex Cumpton. "We got down in the third quarter and came back, but we made some key turnovers that hurt."

In 8th grade action, Hart defeated the Farwell boys by six points, 28-22. High scorer for Farwell was Damon George with 7 points, followed by David Moseley 5, Bony Nicholas and Ralph Galvan 4 each, and Aaron Kelley 2.

"This group had a good game," said Coach Cumpton. "We led throughout the game until we got into some foul trouble in the fourth quarter. They made a run at us then and we couldn't recover."

In girls' action Monday night, the 7th grade was defeated at home 41-9. During the first quarter, Hart surged ahead and led throughout the game.

High scorer for Farwell was Andria Chadwick with 4 points, followed by Gina Ortiz and Kendra Stephens each 2, and Jaime Charlson 1.

Farwell 8th grade girls also lost to Hart 33-12 at Farwell. Hart managed to hold Farwell scoreless during the first quarter while scoring 9 points. By the half Hart was in front 17-8. During the third quarter the Farwell girls were without points again, while Hart continued to add to their score. During the fourth quarter Farwell added four points to their score, but Hart was too far in front to catch.

High scorer for Farwell was Kelley Anderson with 6 points, while Stehle, Fly and Ray each added 2.

Next game for the junior high girls will be Monday night at Olton.

Alpha Rho Lambda Takes Oriental Culture Trip

Alpha Rho Lambda chapter of Beta Sigma Phi met in regular session Tuesday evening, Jan. 24, in the home of president Peggy Goettsch. Robyn Palady was in charge of the program which was a study on Oriental culture. Each member was asked to bring an oriental dish and when she arrived was made to take off her shoes, which is customary in the orient. When the sisters sat down to dinner, they sat on the floor, which is customary, and ate with chopsticks. During the business session, the sisters discussed the upcoming sweetheart dance February 11 in which all chapters of Beta Sigma Phi participate. Each chapter selects a sweetheart, and enters her into the over-all sorority sweetheart contest. Robyn Palady had been chosen previously as Alpha Rho Lambda's sweetheart. In other business, the sisters decided to give a service donation to Robyn's sister, Lois Ann Mills of Big Springs, who lost her home in a recent fire. Members present were Peggy Goettsch, Kendale Burch, Gloria Hutchins, Mary Ann Lingnau, Sheree Montgomery, Robyn Palady, Pam Smith, Cynthia Thigpen, Nedda Travis, and Linda Foster.

Area Women Invited To Valentine Luncheon

Women from the Texico-Farwell area are invited to attend the "Area Women in Focus" Valentine luncheon Wednesday, Feb. 8, at the First Baptist Church in Farwell. The luncheon will be held in the fellowship hall of the church from noon until 1 p.m., so that working women may get back to work on time. Aileen Pierce from Texico will present the program, "Color Me Beautiful." Caroline Lewis from Farwell will be soloist. Everyone is invited to attend the luncheon and bring a friend. A nursery will be provided.

Kristi Ensor Has First Birthday

Kristi Michal Ensor, daughter of Jace and Jan Ensor of Ruidoso, was one year old on December 27. Maternal grandparents are Ribble and Nona Beth Holloman of Clovis, and paternal grandmother is Mrs. Billie Ensor of Lubbock, formerly of Farwell. Maternal great-grandmother is Mrs. Nora McDaniel of St. Vrain, N.M., and paternal great-grandmother is Mrs. Lena Kelso of Idalou. Kristi has two brothers, Matthew, age six, and Micah, age three.

Laz. Young Homemakers Hear About Facial Care

Lazbuddie Young Homemakers gathered for their January meeting in the Lazbuddie School cafeteria. The program was presented by Debbie Smith of Lazbuddie who is a home products distributor. She presented her line of cosmetics, and Debbie Magby volunteered to have a "make-over" during the program. Members reported that Mrs. Smith gave a very educational program and gave many do's and don'ts of facial care. Marleen Bennett won the door prize which was presented by Mrs. Smith, who also presented each member with an assortment of samples. The Young Homemakers presented a gift to Mrs. Smith which was provided by Janice Bradshaw.

To Observe 25th Anniversary

Don and Linda Geris of Farwell will be honored on their 25th wedding anniversary on February 7 with a family dinner at the home of Linda's sister and brother-in-law, Nancye and Dick Gressett, in Clovis. The event will be hosted by their children, Randy and Sarah Geris of Canyon, Dondra and Max Lonsdale of Farwell, and Steve Geris and Lisa Geris of the home in Farwell. Don Geris married the former Linda Williams of Clovis on February 7, 1959. They have lived in the area for 25 years, and attend the First Baptist Church in Farwell. They have one granddaughter, Max Anne Lonsdale.

Vashti Fowler Surprised On 80th Birthday

A surprise party honored Vashti Fowler on her 80th birthday Wednesday, Jan. 25, at her home in the Oklahoma Lane community. Co-hosting the affair was Lois Billingsley, Julia Symcox, and Avis Carpenter. Avis had taken the honoree to Muleshoe for a medical checkup and then treated her to dinner, and when they returned about five o'clock, the guests had assembled in her home for the big surprise. Lois baked the birthday cake and Julia furnished the ice cream which were served to those present. During the celebration, Vashti's life-long friend, Jennie Bolton, telephoned her from Redmond, Wash., to wish her a happy birthday. Attending the celebration were Judy Murray, Carrie Christian, Maybelle Edwards, Nettie Johnson, Dorothy Donaldson, Mildred Cooper, Ruby Billingsley, Dora Verner, Georgia Nelson, Dayna Carpenter, Ashley, and the hostesses. While the guests were gathered, it was discovered that Georgia Nelson also had a birthday on that date, so there were double birthday wishes.

NOTICE OF RATE CHANGE REQUEST AND STATEMENT OF INTENT

Notice is hereby given that BAILEY COUNTY ELECTRIC COOPERATIVE ASSOCIATION (the "Utility") intends to change its purchased power adjustment for electric utility service effective February 17, 1984. Under the present tariff the Utility pays an incentive credit to members of the irrigation class participating in a load management program and additionally credits all consumers with any reduction in power costs less demand ratchet cost resulting from load management. To correct this double payment of benefits the utility proposes to recover 1/2 of the incentive credits actually paid through its power cost adjustment. The increase requested over test year revenues is \$149,359.00 or less than 2%.

The changes are applicable to all areas and all customers served by the Utility. The classes and numbers of Utility customers affected are as follows:

Residential	2,734
Irrigation	2,801
Commercial under 50 KVA	373
Commercial over 50 KVA	78

Implementation of the proposed changes is subject to approval by the appropriate regulatory authority. A statement of intent including the proposed revisions of tariff and schedules and a statement specifying in detail each proposed change is available at the general office of the Utility located at 305 East Avenue B, Muleshoe, Texas.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

TRUE THANKSGIVING

Many people entertain only vague notions about thanksgiving, just as they do about faith.

They confuse faith with optimism, will power, presumption, imagination, and all sorts of other things. A doctor tells his patient that, but for his faith, he never would have come through his illness. Somehow the patient was "just sure" he would recover. A smiling mother encourages her married daughter to "have faith and everything will turn out all right." But faith is simply believing, and faith in God is believing God; believing what He has said. Faith is based on the written Word of God. See Romans 10:17.

But unregenerate men also have vague ideas about thanksgiving. A man escapes from great harm and thanks his "lucky stars." Another says: "I'm grateful for a healthy body," but to whom is he grateful? He does not say. In many cases it doesn't even occur to him to ask. He's "just thankful!"

How refreshing, then, it is to open our Bibles, especially to the Epistles of Paul, "the chief of sinners" saved by grace, and see him giving thanks for specific blessings, and to a specific Person—God!

"Giving thanks unto the Father, who hath made us meet (fit) to be partakers of the inheritance of the saints in light: who hath delivered us from the power of darkness, and hath translated us into the kingdom of His dear Son" (Col. 1:12,13). "Thanks be unto God for His unspeakable gift!" (II Cor. 9:15). "Thanks be to God, which giveth us the victory!" (I Cor. 15:57). "Thanks be unto God, who always causeth us to triumph!" (II Cor. 2:14).

It is our prayer for all our readers that this Thanksgiving season and always you may be sincerely thankful for "the gift of God (which) is eternal life through Jesus Christ our Lord" (Rom. 6:23).

"He that believeth on the Son hath everlasting life; and he that believeth not the Son shall not see life; but the wrath of God abideth on him" (John 3:36).

Beat Melrose And Floyd - -

Texico Wolverines Still On Winning Streak

With a win streak a mile long, the Texico Wolverines added a few more feet to it Friday and Saturday nights in district action against Melrose and Floyd.

After coming back from their first loss of the season in the EPAC tournament, the Wolverines showed no mercy to the visiting Melrose Buffaloes as they proceeded to trample them 72-29.

In first quarter action, the Wolverines scored 12 points and, while playing super defense, held Melrose to 4. During the second quarter, Texico scored 21 points while holding Melrose to 7, making the half-time score 33-11. During the third quarter, the Wolverine defense held Melrose to 6 points, while the offense hit for 20 points. During the fourth quarter, the Wolverines continued pouring it on 19-12 to take the win.

Leading scorer for the Wolverines was Brad Steward with 20 points followed by Terry Tubbs with 16. Other scorers were Billy Bibbs with 7, Kevin West 6, Regan Williams 5, Danny Powell 4, John Thomas 3, Mark Meeks, Joe Steward, Bobby Steward, Ronnie Dunsforth, and Stanley Cross 2 each, and Jeff Campbell 1.

Tubbs lead the rebound department with 12 of the team's total of 49. Williams followed with 7 rebounds, while Brad Steward had 6. Other rebounders were Campbell, Powell, and Doug Thornton, 3 each, and Dunsforth, Joe Steward, West, Bibbs, Meeks, John Thomas, and Bobby Steward, 2 apiece, and Stanley Cross 1.

Leading in assists was West with 8. "We played extremely well," commented Coach Scott Parker. "Everyone got in some playing time, Brad Steward got in a dunk and that got everyone, especially the younger players, fired up. We were really looking forward to Saturday night's game against Floyd, so we really worked hard."

Saturday night the Wolverines traveled to Floyd for what

Coach Parker deemed "the biggest game of the year." After losing to Floyd the previous Saturday night, the team's only loss, the Wolverines were looking to win, and once on the court, didn't look back until the 71-53 victory was in hand.

First quarter action saw Floyd taking a quick lead, with the Wolverines struggling to recover, trailing by 4 points. During the second quarter, Texico made up for lost ground and led Floyd 32-22 at the half. At the end of the third quarter, Texico led 54-37, and they put the game away, in the fourth quarter, taking district win number 6.

Leading scorer was Brad Steward with 25 points, followed by Terry Tubbs with 18, Kevin West 12, Joe Steward 8, Regan Williams 4, Doug Thornton 3, and Jeff Campbell 1.

Tubbs stretched for 17 rebounds and Brad Steward grabbed 10. Williams had 6 rebounds, Joe Steward and Campbell each had 4, West 3, and Mark Meeks 1.

West led in the steals department with 5, and Brad Steward followed with 4.

Brad Steward also led the team in assists with 5.

Coach Scott Parker said, "This was our biggest game of the year. We were ready to play both mentally and physically. Our starters played super, and we got a lot of help from the bench. Jeff Campbell was a big help off the bench, he played super defense. Over all, I was really pleased with the game, and from now on we'll just take it one game at a time. The next four will really be important. The fans played a big part in how we played. That was the biggest crowd we've had yet for an away game, and the boys and I really appreciate it," he added.

The Wolverines will play at home this week end when they face Elida Friday night and Tatum Saturday night.

Texico JV Basketball Results

Texico Jr. Varsity racked up one win and one loss last week, giving them a 4-9 season record.

The JV boys met Fort Sumner's JV Foxes last Thursday evening and defeated them 53-42 in the final period.

Texico led during the first and second quarters, and led 22-16 at halftime. Fort Sumner outscored Texico by one point during the third quarter, but during the fourth, Texico made a big comeback to defeat the Foxes.

Leading scorer for Texico was Danny Powell with 15 points followed by Billy Bibbs with 14. Other scorers were Jeff Campbell with 8, Bobby Steward 6, David Loera and Mark Meeks 4 each, and Tommy Powell 2.

Bibbs stretched for 7 rebounds while Campbell and Steward each came down with 6. Other rebounders were Meeks and Loera 5 each, Danny Powell and John Thomas 3 each, Eric Harding 2, and Stanley Cross 1.

Danny Powell made 4 assists and had 6 steals.

Coach Mike Littlejohn said, "This was our best effort as a team so far. Danny Powell had the best game of his year. He did a real good job of running offense and getting things going."

Saturday night the JV Wolverines traveled to Floyd and came home with a 81-59 loss.

Floyd took the lead early in the first quarter, 21-7. Texico made a big comeback during the second quarter, staying even in points, but couldn't overtake the 14 point difference from the first quarter. Floyd continued their lead during the second half to take the win, giving the JV Wolverines another loss making their season record 4-9.

Lead scorer for Texico was Bobby Steward with 13 points, followed by Danny Powell with 10, Jeff Campbell 8, Mark Meeks 6, David Loera 5, Tommy Powell and Doug Thornton 4 each, Eric Harding 3, and Billy Bibbs, Kyle Snipes and Carroll Smith, 2 each.

Coach Mike Littlejohn said, "We were a little sluggish in the first quarter, they had us down 21-7. We did manage to stay even with them during the second quarter, but after being down 14 points it was hard to win. This was our poorest performance of the season. We had a season high of 38 turnovers."

Coach Roy King commented, "We played real well. Our sophomores are starting to shoot the ball well, and should be a plus for our varsity the rest of the year. Our press has been effective all year, enabling us to get a lot of shots at the basket. We have been averaging about 60 shots per game."

Friday night the Texico JV girls met the Melrose JV and came out the victors 44-33.

Texico jumped out to a big lead in the first quarter scoring 14 points while holding Melrose to only 3. During the second quarter, Melrose managed to outscore Texico but during the third quarter, Texico piled it on. Melrose outscored them in the fourth quarter, but Texico still managed the big win.

Leading pointmakers for Texico were Lucia Jesko and Twila Longo with 13 each, followed by Kristi Gear with 8, Loretta Gonzales 4, and Michelle Lebow and Tracey McDonald 2 apiece.

Lebow was leading rebounder with 10, followed by Longo with 7, Jesko and Coy Jo Burk 6 each, Gonzales, Gear and McDonald 3 each, and Geneva Garcia 1.

"Our record is 10-5 for the season," said Coach King. "We didn't shoot the ball as well in this game as we have been, but the hustle was there. Our press caused at least 30 turnovers. Loretta Gonzales led the team with 11 steals and had a career high of 12 assists."

Texico JV girls added two more wins to their record when they defeated Fort Sumner at Texico last Thursday 52-18, and then Melrose at Texico Friday night 44-33.

Thursday night saw the JV girls in top form, as they really put it to Fort Sumner's JV, 16-4 the first quarter, and 30-10 at the half. During the third and fourth quarters, the Texico girls held Fort Sumner's girls to 4 points each quarter, giving them the big 52-18 win.

Leading scorer for Texico was Twila Longo with 18 points, followed by Lucia Jesko with 12, Coy Jo Burk and Loretta Gonzales 8 each, Robin Pierce 4, and Geneva Garcia 2.

Leading rebounders were Burk with 12, followed by Longo with 10.

Texico Jr. High Results

Texico 7-8 grade boys and girls and 9 grade boys and girls all faced Portales in basketball action last weekend.

The 7-8 grade boys traveled to Portales Saturday and came out on top, 34-15.

Leading scorer for Texico was Aaron Scott with 16 points and he also had 20 rebounds. Brette Taylor followed with 9 points and 19 rebounds. Other scorers were Terry Allen with 4, Keith Harrison and Ronnie Autry 2 each, and Michael Day 1.

Harrison had 5 assists and Autry had 5 rebounds. Coach Mike Littlejohn said, "We played real well after the first quarter. Our defense played better in this game. Keith Harrison aided the offense with five assists."

The 9th grade boys also traveled to Portales on Saturday, but came home with a 36-24 loss.

Leading scorer for Texico was David Loera with 9 points. Loera also had 13 rebounds, 5 steals, and 3 assists. Other scorers were Tex Looney with 8 points, Aaron Scott 4, and Wayne Holland 3.

Looney led in rebounds with

18, while Ronnie Autrey had 7 and Scott had 5.

"We lost in the fourth quarter," said Coach Littlejohn. "They outscored us 17-5 and we just couldn't catch them. We had a good performance in rebounds. All in all, we did a good job. They pulled a full court press allowing them a lot of steals. We made a lot of turnovers."

In girls action, the 7-8 graders were defeated on their home court 32-5. The Portales girls held the Texico girls scoreless during the first and fourth quarters and allowed them only five points for the entire game. Leslie Maxwell was high scorer with 3 points, and C. Chumley had 2.

The 9th grade girls fared a little better but still came away with a 23-14 loss against Portales 9th graders.

Leading scorer for Texico was Tracey McDonald with 7 points followed by Geneva Garcia with 6 and Nancy Robinson 1.

McDonald made three steals and Robinson grabbed 8 rebounds.

Take Win Over Floyd - -

Lady Wolverines Fall To Lady Buffs In 37-36 Heartbreaker

Melrose Lady Buffs handed the Texico Lady Wolverines their first district loss of the season at Texico Friday night, winning 37-36. The Lady Wolverines did make a comeback Saturday night when they traveled to Floyd and came home with a 43-21 victory.

In Friday night's action, the Lady Wolverines appeared to be geared up for a big win when they held Melrose to two points while hitting for 7 during the first quarter. Texico was still leading 15-11 at halftime, and 23-22 at the end of the third period. During the final period however, the Lady Buffs outscored the Lady Wolverines to take the one point win.

Leading scorer for Texico was Cheryl Scott with 18 points, followed by Valda Cavallero with 5, Kathy Harrison and Kelly Lynn 4 each, Helen Jo Boorman 3, and Lucia Jesko 2. Scott stretched for 11 rebounds and Boorman had 6. Other rebounders were Cavallero with 5, Karen Snodgrass 4, Lynn 3, and Harrison 2.

Boorman had 6 steals for the team high, Harrison had 4 assists to take top honors there.

"This was our biggest game of the year so far," said Coach Roy King. "Our girls were ready to play and never quit hustling. We were disappointed because we felt that the game just slipped through our hands. We had them down early in the game but let them come back. We played an excellent defensive game, but our failure to convert free throws, missed layups, and easy rebound shots allowed Melrose to escape with the victory."

It didn't take the Lady Wolverines long to bounce back as they traveled to Floyd Saturday

evening and stomped the opposing team, 43-21.

Throughout the game, the Texico girls played good defense, and held Floyd to not more than 7 points in any quarter.

The Lady Wolverines held Floyd to ten points during the first half while racking up 21 of their own. During the second half, Floyd came up with only 11 more points, while Texico added 22 more, giving them the win.

Leading scorer for the Green and White was Cheryl Scott with 18 points followed by Kathy Harrison with 8, Karen Snodgrass and Coy Jo Burk 7 each, and Helen Jo Boorman 3.

Boorman came down with 15 rebounds and had 5 steals.

Other rebounders were Snodgrass with 12, Burk 10, and Scott 8, Tracey McDonald 4, and Harrison 3. McDonald had 5 steals.

"After the one point loss to Melrose we were mentally down," commented Coach King. "We didn't play with a lot of intensity. We were able to sit some kids out that had played too many games because of our JV schedule. Coy Jo Burk and Tracey McDonald did a good job filling in the spots."

The Lady Wolverines will play at home this weekend, when they face Elida Friday night and Tatum Saturday night.

Let the new generation of hybrids do for your sorghum acres what Pioneer has done for Plains corn.

8222 Big yield potential under full irrigation. A widely adapted hybrid, 8222 has produced a superior record under many different environmental conditions. But it's especially adapted to full-season production in this area. Provides outstanding stress tolerance, plus excellent resistance to MDMV and head smut. It's an attractive, medium height hybrid with semi-open heads of bright red, hard-textured grain. Leaves that are above average in width help provide first-rate shading. And outstanding root and stalk strength keeps plants standing for maximum harvest.

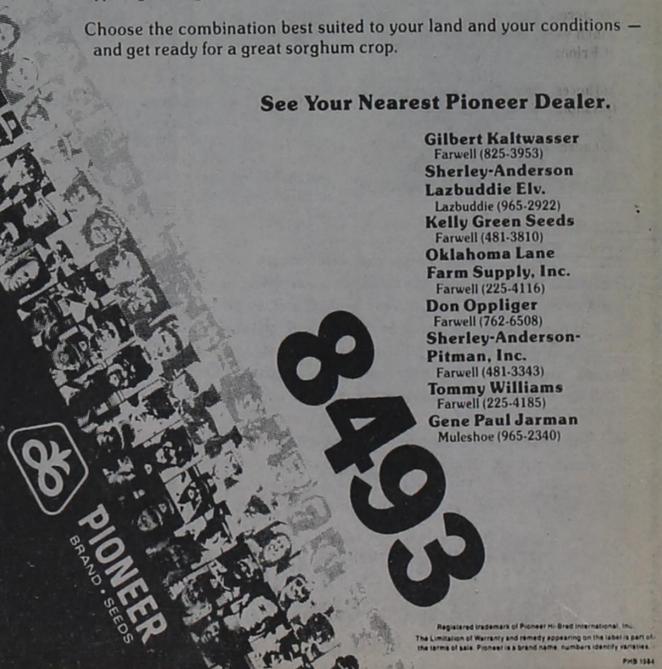

8493 Especially adapted for dryland or very limited water conditions, this is a fast maturing hybrid with exceptional drought tolerance. It has the ability to take full advantage of normal early season rainfall; then it makes efficient use of available ground moisture to produce all that the season allows. Under tough growing conditions, the standability of many hybrids often suffers. But not 8493. Strong stalks and roots keep medium height plants standing straight for easy harvest of dark red, high test weight grain. It's the standard for resistance to greenbugs.

8333 Pioneer plant breeders developed this great new hybrid to make the most of what the growing season has to offer. This one has outstanding drought tolerance, too—but you should plant it on good dryland or under limited irrigation to take full advantage of its maturity and yield potential. In irrigation tests throughout the Plains, 8333 has produced exceptional yields. The field appearance of the bronze, hard-textured grain is most attractive. Harvesting is made easy, too, by excellent head exertion and very good standability. For late season plant health, 8333 is highly resistant to MDMV, head smut, and Biotype C greenbugs.

Choose the combination best suited to your land and your conditions — and get ready for a great sorghum crop.

Four Sugar Producers Honored At Banquet

Two Farwell men were among the four men honored as top sugar producers at the annual Texas Sugar Beet Growers Association banquet January 21 at the Bull Barn in Hereford.

Cal Jones, Holly Sugar ag manager, presented plaques to the four growers who produced more than 10,000 pounds of sugar per acre.

Taking top honors was Steve Irwin, manager of Hawbaker-Penz, Inc. farms in northeast Deaf Smith County, with 10,954 pounds on a yield of 37.8 tons per acre and a sugar content of 14.49.

Vick Christian and Troy

Christian, growers in the Farwell area, ranked second and third. Vick had 10,333 pounds per acre on a 37.5 tons-per-acre yield and a sugar content of 13.78. Troy averaged 10,286 on a 36-ton yield and 14.31 percent sugar.

Fourth was Ronnie Johnson of Wildorado who had 10,198 pounds per acre, with a 37.8 ton yield and 13.49 percent sugar content.

"Ag Man of the Year" was Jerry Roberts, who farms in the Simms community, about 27 miles northwest of Hereford. This award is presented at the banquet each year, with the

recipient selected by a secret committee for his all-around farm practices, production and service. He does not have to be a sugar beet grower.

Jones, Holly Sugar's local ag manager, reported the 1983 sugar beet crop totalled 621,000 tons, the most processed at the plant since 1969. He said that Holly plans to contract 38,750 acres of beets for 1984, about 1,000 more acres than contracted the past year. He added that Holly was optimistic about the prospects of the '84 crop and the increased acreage.

Troy Christian is a director of the Association.

Pivot Products Distributors Introduces
The P & R Surge System
The Ultimate Surge Flow Unit

FEATURES

durable - all cast aluminum with stainless hardware
 portable - 55 lbs., 24" wide
 weatherproof - electronics sealed in control box
 serviceable - valve body opens. Control box is box is detachable for storage and opens to actuator and rechargeable battery
 user friendly - instructions for programming on face

This compact light weight unit is combined with the most complete programmable controller yet devised. This rugged efficient unit diverts water flow with a very minimum of turbulence and negligible back pressure. The unit can be programmed for just one set of surge cycles on a set watering time, with the option to also program a second surge setting of a different watering time on an indefinite number of surge cycles. Any standard 12 volt car battery will give the P&R Surge Systems long life in the field. The controller's memory battery pack is recharged off the main power supply and the unit can store the program for over 1 year.

Contact Pivot Products Dist. now to have one or more of these units in time for prewatering which incidentally is the most preferable time to have the Surge Flow unit. Orders received prior to February 1, 1984, will have the best chance of March delivery. Call today 272-5134, or come by Pivot Products Distributors West highway 84 in Muleshoe, Texas.
