# Telephone Purchase

# Deadline February 29

The final date for local subscribers to the Eastern New Mexico Rural Telephone Cooperative to purchase their present telephones is February 29. If ENMR has not heard from a customer by the first of March, the company will assume that the customer wishes to lease the instrument and will place it on a monthly fee basis.

The purchase price of presently installed rotary phones is \$9.95, and the "touchtone" instrument will cost the user \$21.95. If the phone is purchased, future service by ENMR will end at the wall of the house or building. If the phone is left on a lease basis, the cost is one dollar each month added to the company's billing. With the lease plan, the company will maintain the system into and including the telephone.

Also at the time of purchase, a maintenance contract can be purchased for an additional one dollar per month, then ENMR will maintain the phone and the "in house" wiring.

If a customer purchases the telephone and does not buy a service contract, then the person can either call ENMR for service or call a commercial company that will do the job. In either case, a service charge will be levied for the work performed.

Also, through a subsidiary of ENMR, customers may purchase the latest in telephone

instruments including speakers, cordless, recorders, and decorator systems.

The subscribers to ENMR will also be furnished a directory about the latter part of April this year. This directory will contain the numbers of all ENMR users, plus the "white pages" of Clovis and Portales with some other communities in eastern New Mexico. Oklahoma Lane numbers will be inte-

grated in the Farwell section the same as the present Bell directory.

Currently, ENMR users in New Mexico are being charged an "access" fee. The Texas Public Utilities Commission has not authorized this fee for Texas resident customers, so those in Farwell will not pay this additional amount each month.

ENMR has recently acquired the service areas of Tucumcari,

Fort Sumner, Santa Rosa and the surrounding rural areas and is engaged in a system-wide modernization program by installing the latest in transmission systems to its users. The Home Office of ENMR, located north of Clovis on the Grady Highway, is also being enlarged to accommodate the additional lines and office personnel that this expansion makes necessary.

## March 16 - -

# Farm Program Signup Date Extended

Agriculture Secretary John Block announced Saturday that the USDA will be extending the signup date for the 1984 farm program until March 16. The original deadline was set for February 24.

Although Block did not provide specific reasons for extending the signup date, agriculture officials speculate that one reason for the extension is because a large number of farmers are hesitating to sign up for the 1984 program.

Although this may be true in some areas, this does not appear to be the case locally. Martin Chandler, executive director of Parmer County ASCS office in Farwell, says that signup for the 1984 program in Parmer County is going very well. "We have 800 out of 1300 farms signed up for the program already," he said, "and I

anticipate more in the next three weeks."

Agriculture officials do believe that the extension will encourage more participation in the program and that it will give the producers more time to push for some important changes in the 1984 program.

One of several changes that farmers would like to see made is a provision in the '84 program

that would require farmers to plant a specified cover crop on their idle land. In the past, a farmer had a choice on what he could do with the land, plant it, or set it aside for conservation.

Another issue raised was that farmers not be penalized for planting a second crop after the loss of a first one, due to a weather disaster.

These are only two of many

issues that farmers would like to raise about the new program, and because of the extension, they will now have a little more time to push for changes. Because of these undecided issues, and the farmers' hesitation to sign up this year, agriculture officials believe that Secretary Block's move to extend the deadline was the best move for everyone.

Communist Russia has changed rulers; but have they changed their foreign policy? If the tea leaves of the past are any indication, the answer is a resounding no. All through a succession of leadership changes, the basic policy of the Kremlin has been to foment world unrest and build the world's most formidable military establishment.

Every time the student communist is replaced, another of his ilk is invested with the mantle of leadership. Each time our left leaning liberal politicians and news media express the forlorn hope that Russian policy will change direction.

Each time they urge the United States to make concessions, to reduce our military preparedness and show the "good ole boy" in the Kremlin that we are just "good ole boys." Each time we end up on the short end of the stick with the Soviet military power extended and more bold foreign adventures.

We see no reason to doubt that this scenario will continue in the latest leadership change. The United States would be the greatest of glib chumps if it acted or believed otherwise. Consider for a moment, where are we stationing troops and giving military aid that we would be so doing if it were not for Soviet Russia stirring up the local political pot?

Syria, Lebanon, Libia, Cuba, Nicaragua are all pipsqueak countries except that they are armed and financed by the Soviet Union. They would not be threats to either their neighbors or world peace if Russia did not furnish them the wherewithal. Our entire commitment to the military is because of Soviet actions taken over the past decades. We can only see the future as we look through the lens of the past. When will Walter O'Neill ever learn this lesson?

Another area that needs looking at with the eye of reality instead of the rosy glasses of altruism is the Olympic Games. The United States holds to the quaint notion that only amateurs participate in the wide ranging games. There are no amateurs, as we define the term, in communist bloc countries. These representatives are professionals because the performance of their "sport" is their means of livelihood. Their governments furnish them with all the necessities and many of the luxuries of life. Particularly if they win.

We believe that if the Olympic Games are to continue on any sort of a viable basis, ALL athletes should be allowed to compete from their respective countries. By allowing all persons, paid and unpaid, to compete a truer picture of a country's athletic prowess would emerge.

Of course we realize that Russia and her satellites would set up an unmerciful howl of protest because the Western World entrants would begin to take a larger share of the medals every four years. The present format of the Olympics fits in quite well with the Soviet propaganda machine, and they would not be able to brag of the superiority of the socialist system against the decadent democracies.

It's time we gave ourselves an even break, cut out the hypocrisy and go at it with our best against their best.

"If the nation is living within its income, its credit is good. If in some crisis it lives beyond its income for a year or two it can usually borrow temporarily on reasonable terms. But, if, like the spendthrift, it throws discretion to the winds, is willing to make no sacrifice at all in spending, extends its taxing up to the limit of the people's power to pay, and continues to pile up deficits, it is on the road to bankruptcy." Words spoken by Franklin Delano Roosevelt almost 50 years ago.

Too bad Tip O'Neill has abandoned his party.

## Courier Girls

The first day delivery team of the meals-on-wheels program initiated by the Farwell Convalescent Center consisted of, from left, Carrie Christian, Lin-

nie Mae Crook, and Dickie Magness. The plastic containers are wrapped in foil to further ensure that the meal is

hot when delivered. A separate bag containing the drink, bread, dessert, and a fresh fruit is also delivered with the meal.

## Meals-On-Wheels - -

# Program Running Smoothly

The Meals-On-Wheels program got off to a good start on Monday, and is running very smoothly, say Farwell Convalescent Center personnel.

The program has drawn approximately ten volunteers to help with the delivery and to date, six persons have signed up to receive the noon meals.

The meals are available to area residents who are 60 years of age and older and unable to prepare the meals for themselves. Purpose of the program is to provide a nutritionally balanced meal at least once a

day for persons who qualify, at a cost of only \$2.00 per meal.

The meals are chosen and prepared by the Convalescent Center dietary staff and are served during the noon hour each day. The meals will include a wide variety of foods. Monday recipients were served pork cutlets, brown gravy, glazed sweet potatoes, green beans, bread, dessert and a drink.

On Tuesday they dined on Spanish steak, with or without gravy, baked beans or pinto beans, spinach, bread and but-

ter, chocolate chip cookie, apple, and juice.

The Meals-On-Wheels program is going to be of great service to our community, and it is nice to know that those around us who cannot prepare their own meals are being looked after by program volunteers, say the organizers.

If you would like to volunteer, or would like to become a recipient of these meals, you can contact one of the program volunteers or call the Convalescent Center.

# Far. Development Corp. Projects 'Looking Good'

Farwell Development Corporation had its annual meeting last Monday evening in the Farwell Community Center. Chairman Don Williams opened the meeting with a resume covering the past year's activities. Williams reported that the most important item on the list of goals for last year had been accomplished with the acquisition by the City of the former bowling alley building and its conversion to the Community Center.

Joe Jones reported that Sam Pool, architect for the Community Center remodeling program, spent all day Monday, getting the measurements necessary to convert the tentative floor plan into finished plans that could be used to let bids and start the remodeling work. Jones said he expected that the actual work could begin in a matter of a few weeks.

Frances Kube, LaMoin Wil-

liams, and Jerry Monk, members of the two districts set up to improve the looks of the town, were pleased with the progress made last year and looked forward to more activities this year. At their suggestion, the Corporation voted to ask the City Commission to again designate a week the latter part of April as community clean up - fix-up week.

Mrs. Kube also reported that she and other members felt the Neighborhood Watch program initiated last year had been successful and urged all block captains to keep up their respective programs.

Jim Martin of Clovis, head of the Triad Industrial Development Commission, reported on the progress this group has made in getting organized to implement an area wide industrial development program. He said that the incorporation papers are in Santa Fe now,

waiting for approval. Martin explained that the Triad Commission was composed of representatives from Clovis, Portales and the Texico-Farwell area. This combined area has over 50,000 population, a size attractive to industry looking for new locations.

Martin was accompanied by Jim Milsap of Southwestern Public Service Company who said that SPS was also producing a brochure on the industrial advantages of the Triad area.

At the conclusion of the meeting, the members present unanimously re-elected the Development Corporation Board of Directors for another year. Those re-elected were Ralph Franse, Tom Nichols, Charles Aycock, LaMoin Williams, Jim Berry, Claude Rose, Jr., Jerry Monk, Lee Hutchins, and Don Williams.

# Public Hearings Underway On Student Absences Rule

AUSTIN-The State Board of Education has called for public hearings to be held throughout the state on a proposed rule regarding student absences for extracurricular activities.

The hearings will be held between February 21 and March 14, 1984, at the 20 regional education service centers. Two hearings will be held at each site. Members of the State Board of Education will sit on each hearing panel.

The proposed rule to be discussed is as follows:

## Student Absences for Extracurricular or Other Activities

School districts shall not schedule, nor permit students to participate in, any school related activities on or off campus that would require, permit or allow a student in grades seven-

12 to be absent from class in any course more than five times during the 175-day school year (full-year course) or more than three times during any one semester (full-year and semester courses).

Classes missed for UIL and state-approved participation in extension of the academic curriculum (subject-related fairs, assemblies, field trips, and other subject-related activities) in English/language arts, reading, mathematics, science, social studies, fine arts, or other languages, or student organizations, shall not count as any of these absences.

Each student who participates in these activities must have and maintain at least a 70 average in at least four of the courses in which the student is enrolled for that semester. Districts shall develop a policy which implements the

stipulation of this rule.

The proposed rule has been accepted for first reading and filing authorization by the State Board of Education.

Board chairman Joe Kelly Butler of Houston, 7th Congressional District, described the rule as a very important issue and said individuals who have concerns regarding the rule should plan to attend one of the hearings.

Individuals who desire to speak at a hearing should contact the education service center director in their area.

On February 29, the public hearings will be held in Lubbock at 4000 - 22nd Place, (806) 792-4000; and on March 1, hearings will be held in Amarillo at 1601 S. Cleveland, (806) 376-5521. The hours will be from 9 to 12 a.m. and from 4 to 7 p.m.

## Students With Flu Urged To Stay Home

Due to the recent outbreak of flu at the Texico Schools, school nurse Jeanne Kriegshauser urges parents to watch their children carefully for signs of the flu, and keep them home if they develop any symptoms or fever.

The flu is highly contagious, and children allowed to go to school while ill or running a fever will certainly spread it around.

So please keep your children home if they are ill, the nurse advises.

## Candidate Reception

Tom and Terri Nichols hosted a "Meet the Candidate" party Tuesday night at their home in Farwell for Larry Combest of Lubbock. Combest is a Republican candidate running for the

**Commissioners Court Accepts New Car Bid**

Parmer County Commissioners Court, meeting in regular session Monday, Feb. 13, opened bids that were advertised for a new car for the sheriff's department.

Submitting bids were Reeve Chevrolet-Olds of Friona and Friona Ford Sales, Inc. of Friona. The bid from Friona Ford Sales was unanimously accepted, to purchase the car at a trade figure of \$9,767.31.

A discussion was held explaining the boarding care bills for county foster children. One of the foster care agencies has raised its monthly rate, and the Hereford office had not been notified, so this month, Parmer County is paying an extra \$369.90 for December 1983, plus \$1,891.00 regular fee for January 1984 boarding care.

The total amount will be reimbursed to the county, and the Court approved the payment of the bill in the amount of \$2,259.90.

Also approved for payment was a bill from Ellis-Blackwell Funeral Home of Friona in the amount of \$238 to cover the funeral of an indigent child.

District Judge Jack Young expressed a need for a chalk board and exhibit board for the district courtroom, and it was agreed to purchase the board. Also, the Court agreed to subscribe to the up-date service for "Information Guide to County Government" in the amount of \$60.

A request for a right-of-way easement to run an electric line along side of proposed FM3333 to get power to the railroad to operate the gates and lights being installed, was granted.

A letter from the Bailey-Parmer Counties Juvenile Board was received saying that the county jail facility has been inspected and approved for the temporary detention of juveniles.

A discussion was held concerning a letter received from the Panhandle County Judges Chemical Abuse Service System, Inc., asking for financial support of the Panhandle Alcohol Recovery Center of

Amarillo. It was agreed not to participate in the funding of this detox center.

The telephone system in the courthouse was discussed. The county must buy the telephone equipment now in use or replace it with new equipment. Since all phone systems are going to touch tone, it was thought that the least expensive way would be to have the present system replaced with touch tone phones. The Court unanimously approved to make this change at a cost of approximately \$1,700.

At the suggestion of the County Treasurer, it was agreed to reinvest funds from C.D.s maturing 2-14-84 as follows: \$200,000 of Farm to Market funds and \$150,000 of General funds in C.D.s to mature 2-29-84. These funds are reinvested every two weeks so that they will earn interest and still be available if needed quickly without being penalized part of the interest.

The next meeting, originally scheduled for February 27, has been changed to February 24 at 11 a.m. The original date conflicts with the V.G. Young Institute on County Government Seminar at Texas A&M, and some members of the Court are planning to attend.

The following soil conservation work, to be performed as soon as the machines are in the area and not demanded for use on the roads, was approved: Precinct 1 - Jim Roy Wells and Ricky Rector. Precinct 2 - Dickie Steelman and Oakley Stevenson. Precinct 3 - Sheets & Sheets, Richard Haseloff, Bert Williams, Mitz Walling, and Preston Cargile.

Shelley Kay Scott and Paul Adron Pinson were united in marriage December 27, 1983, at 10:30 a.m. at the Highland Church of Christ, with Oles Pinson, father of the bridegroom, officiating.

The bride is the daughter of Mr. and Mrs. Thomas D. Scott of Shelbyville, Ky., and the granddaughter of Virginia Sheets of Farwell. The bridegroom is the son of Mr. and Mrs. Oles Pinson of Frankston, Tex.

Escorted to the altar by her father, the bride wore a floor length gown of white sheer organza and imported silk venise lace, with Victorian neckline and silk illusion yoke caressed with seed pearls. A sloping basque bodice of imported silk venise lace was enhanced with seed pearls, and the bishop sleeves were of silk organza and venise lace.

The full organza skirt flowed into a chapel train, and the white tiered fingertip veil was scalloped in seed pearls with silk illusion. Her dress was designed by Mori Lee of New York.

The bride carried a cascading bouquet of burgundy silk roses accented with angel's breath and greenery.

They wore grey tuxedos with white shirts and burgundy ties and boutonnières.

Mrs. Scott, mother of the bride, chose a formal champagne-colored chiffon dress for the wedding, and her corsage was burgundy roses.

Mrs. Pinson, mother of the bridegroom, chose a formal gown of burgundy chiffon, and also wore a corsage of burgundy roses.

The setting for the ceremony was decorated with ivory tapers in candelabras with greenery, and the family pews were marked with burgundy bows.

Providing the music was Mr. and Mrs. Jim Reese and Mr. and Mrs. Doren Lacky, singing "Let It Be Me," "Follow Me," "Wedding Song," and "The

Lord Bless You and Keep You." Immediately following the ceremony, a brunch and reception was held in the Family Life Center of the church building.

The bride's table was covered with a white cotton ruffled cloth, centered with a silk floral arrangement in the wedding colors, and holding a crystal tea service. The three-tiered white cake was decorated with fresh and silk flowers.

## Farwell's Gymnastics Elite

Displaying some of the ribbons they won at the Muleshoe tumbling exhibition are members of Farwell's Gymnastics Elite group, including, from left, front row: Kevin Mitchell, Ross

Stewart, Courtney Herrington, Jonie Hernandez, Angelia Cenicerros, Liz Galvan, Jonas Hernandez, and Coach Clay Burch; second row: Stephanie Price, Kimi Schwerdt, Shan

Benadict, Misty Stewart, Misti Stanton, and Corey Mitchell; back row: Shelly Price, Greg Actkinson, Jennifer Fondy, Stephen Benadict, Donna Griggs, and Debbie Schwerdt.

## Gymnastics Elite Group Places 2nd In Muleshoe

Gymnastics Elite of Farwell went to Muleshoe last weekend and participated in a tumbling competition hosted by the Muleshoe gymnastics club. In all, 68 gymnasts from Clovis, Farwell, and Bovina represented the Gymnastics Elite team. The team took the second place trophy. This was based on a system of awarded points for each place taken.

Coach Clay Burch said, "We didn't do as well as we did last year in the number of first places taken. I attribute this mainly to the fact that each of our students was moved up a class. We had only five or six tumblers that were in the same classification from last year, except for the class 5's which is the highest level.

"I was very pleased with each student's performance. Everyone went out and tried their hardest. Also we were the only club with kids who were able to memorize their routines without a coach having to tell them what to do. I am very proud of the Gymnastics Elite group out of Clovis. This was their very first experience with power tumbling and they made a good showing among themselves."

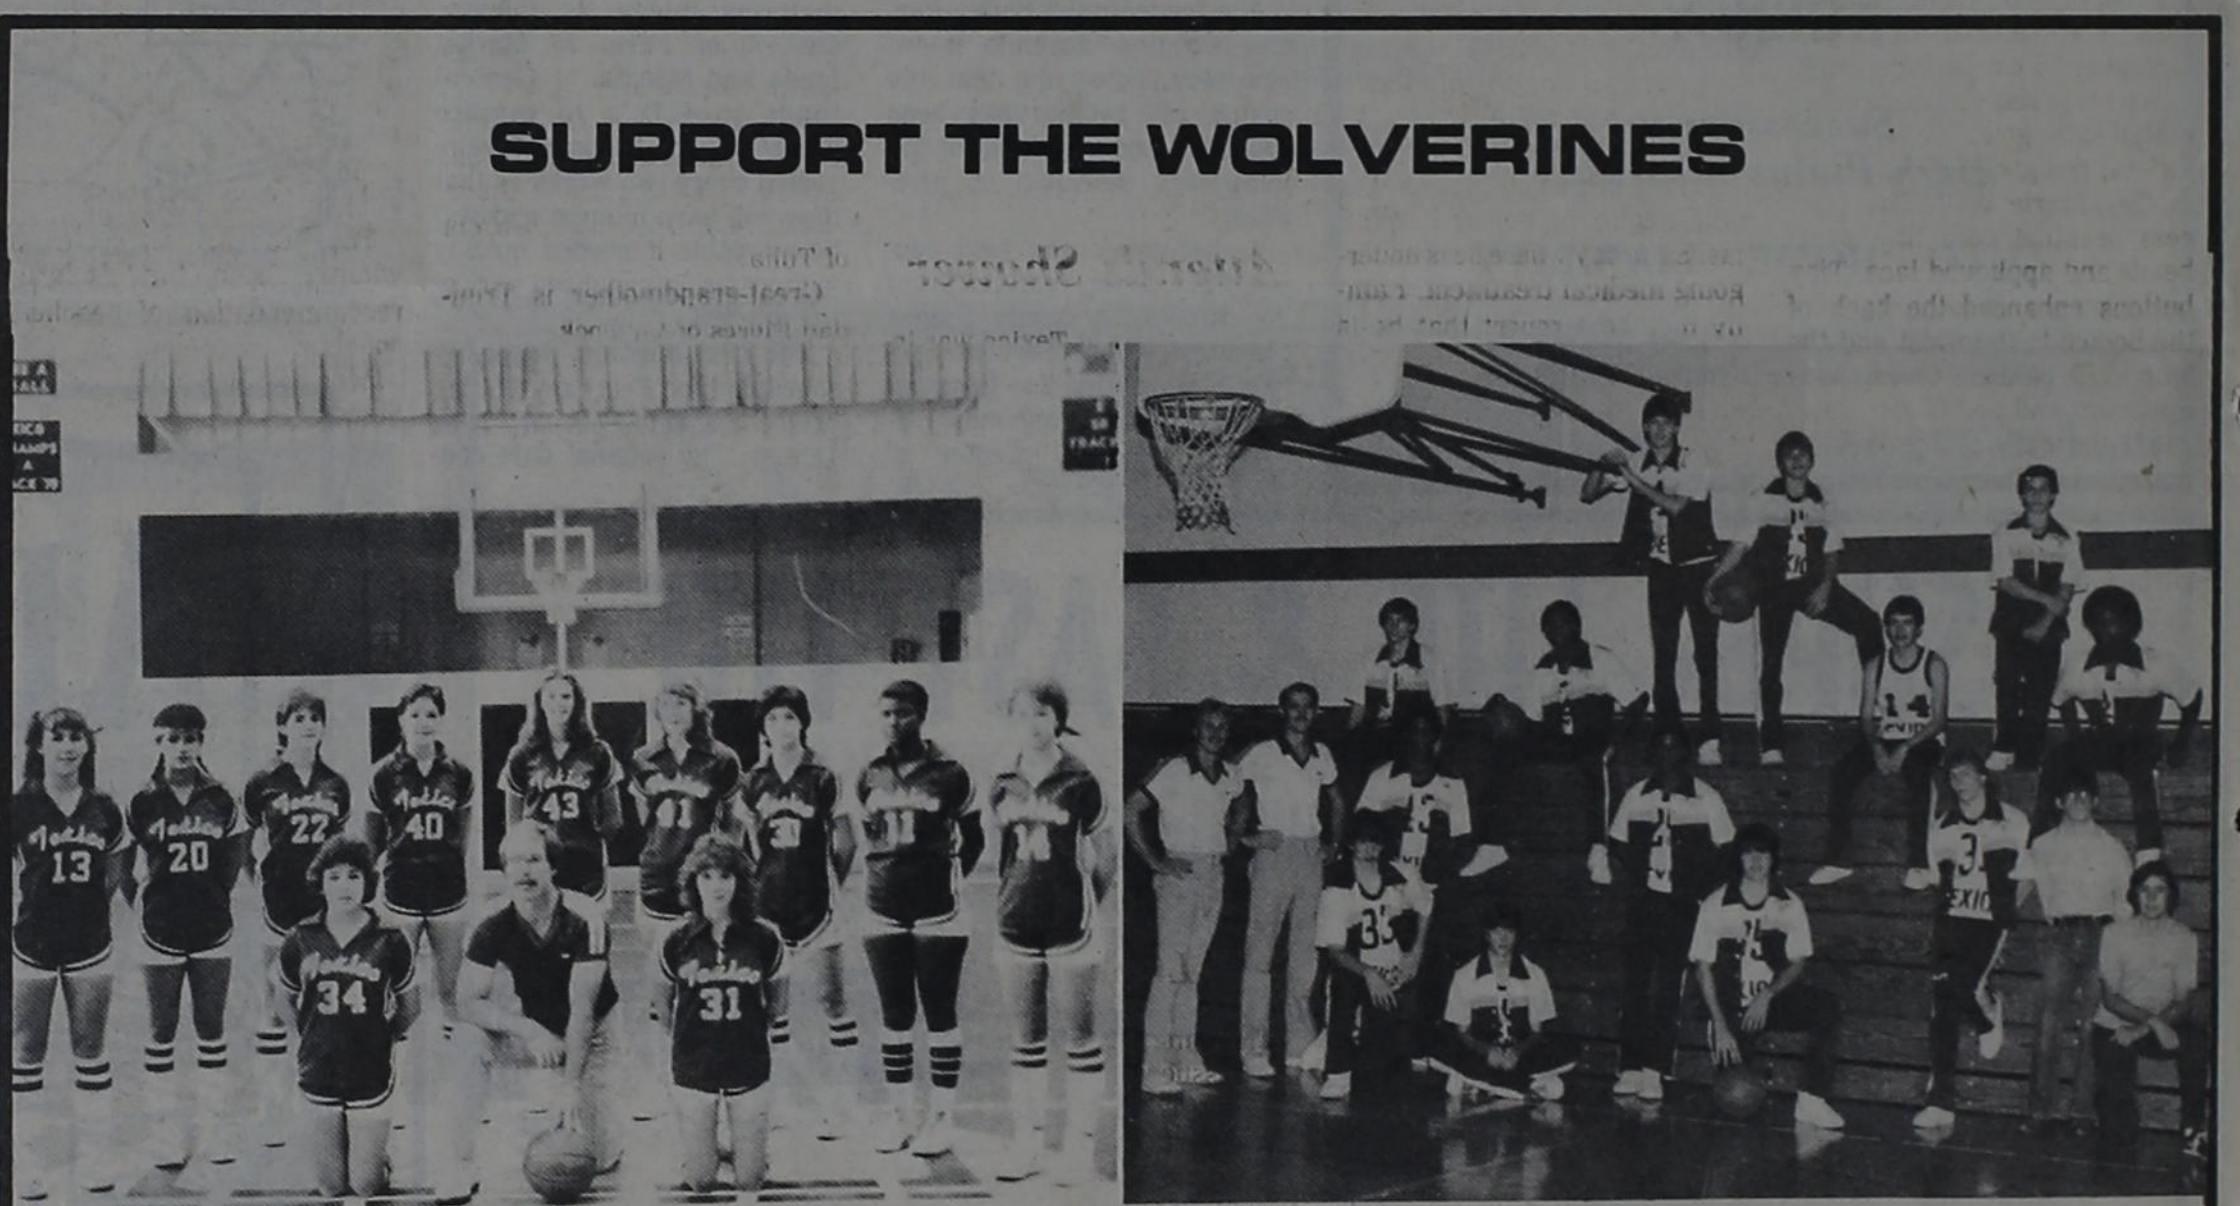

At the start of the entries, the club tried to divide each group into separate townships (Clovis, Bovina, Farwell) but there were so many that crossed over from one club's workouts to the next, and belonged to at least two clubs, that this was almost impossible to do. "Even though all three clubs are registered under Gymnastics Elite and have the same coaching staff, we tried to have a breakdown and represent all those town-

ships individually," said Coach Burch.

This was the first of four scheduled tumbling meets in which the club will be participating. The next one will be hosted by Bovina on March 17. There will be one in Farwell in April and one in Clovis in May. Gymnastics Elite also hopes to host an Eastern New Mexico/West Texas tumbling championship sometime in the near future.

Tumblers performing for the Farwell Gymnastics Elite were

Ross Stewart, 2nd; Justin Mahaney, 2nd; Stacey Sewell, 1st; Courtney Herrington, 1st; Jody Mahaney, 1st; James Hernandez, 1st; Greg Actkinson, 2nd; Andy Hughes, 1st; Stephen Benadict, 2nd; Corey Mitchell, 1st; Kevin Mitchell, 1st; Andy Stvines, 1st; Elizabeth Galvan, 2nd; Kimi Schwerdt, 1st; Debbie Schwerdt, 1st; Misti Stanton, 3rd; Donna Griggs, 2nd; Misty Stewart, 3rd; Darla Stvines, 1st; Shan Benadict, 3rd; Shelly Price, 4th; Jennifer Fondy, 2nd; and Carrie Guthals, 3rd.

# Nikie McDaniel, David Bonner Wed In Candlelight Ceremony

Nikie Laquetta McDaniel and David Bragg Bonner were united in marriage on January 6 at the First Baptist Church of Texico. Rev. Joel Horne of Texico and Rev. Norme Boshoff of Albuquerque officiated the candlelight, double ring ceremony.

The bride is the daughter of the late Lester and Lanelda McDaniel, and the granddaughter of Mr. and Mrs. Willie O. Wall of Texico. The bridegroom is the son of Mr. and Mrs. Ralph Bonner of Albuquerque.

The altar area of the church was adorned with a white wrought-iron arch featuring two white doves and wedding bells at the top, and navy blue and lavender silk flowers and greenery down the sides. Two candleabras hosting seven tapered lavender candles each with lavender bows stood on each side of the platform. Completing the nuptial area was a white kneeling bench and 36 lavender candles placed in rows; one row behind the arch, and one row on each of the modesty rails in front of the choir loft.

A unity candle stood to one side of the altar while white votive candles in glass cups trimmed with bows marked the family pews. The wrought-iron structures were designed by Horice Freeman of Hagerman, exclusively for the couple.

Music for the occasion was provided by organist Cheryl Smith and pianist Terri Boling. Soloist Tom Harlan of Lovington, longtime friend of the family and former music director at the Texico church, sang "My Tribute" as the candles were being lit, and "My Mind Forgets A Million Things" after the bride was given in marriage by her grandfather Wall. While the couple was kneeling in prayer, Harlan sang "The Lord's Prayer" and finished with "The Wedding Song" during the unity candle ceremony.

The bride was attired in a formal length gown of lace and taffeta, designed by her grandmother Marie Wall. The princess neckline bore tiny pearl beads and appliqued lace. Tiny buttons enhanced the back of the bodice to the waist and the long cuffs of the sleeves. Lace appliques and pearls also decorated the cuffs at the ends of puffed, sheer lace sleeves.

The V-shaped waistline produced a full circle skirt of three ruffled lace tiers, which were gathered up in the back, to meet a satin bow at the waistline, and tapered down to make the long train a cascade of lace ruffles. Two tiny bows accented the front of the skirt, slightly gathering a ruffle.

The bride wore a long, sheer veil edged in lace, and carried a bouquet of lavender, navy blue and white silk roses, baby carnations, baby's breath, silk hearts and ribbons. The bouquet was structured around a white bride's Bible given to Nikie December 11 in a ceremony by the Companion Sunday School Class of the First Baptist Church of Texico.

In carrying out bridal tradition, for something old she wore a gold inlay pin belonging to a great-great aunt which was worn by her grandmother and three of her aunts in their weddings. Something new was her gown and a diamond in a drop necklace, something borrowed was her veil, and something blue was her garter.

The bridegroom was attired in a white tuxedo with tails, a white ruffled shirt, and bow tie. His boutonniere was made of three sweetheart silk roses of lavender, navy blue and white, with baby's breath and greenery accents.

Serving as matron of honor was Rhonda Hill, and bridesmaids were Teresa Gollidge and Glenda Bonner, sister of the bridegroom. These attendants were identically dressed in solid lavender floor-length gowns of soft satin and georgette. The

dresses, which were also styled by the grandmother of the bride, bore princess necklines, decorated with tiny beads on a fitted bodice to the waist.

The puffed sleeves, elasticized at the elbow, were trimmed with a single, wide lace ruffle and silk bows of deep and light lavender. The formal, full skirts were gathered up into "peek-a-boo" tiers, twice in front and back, accented with bows to reveal four rows of ruffled lavender lace.

Each carried a bouquet of white, lavender and navy blue silk roses, bachelor's buttons, baby's breath, satin hearts and bows and streamers of lace and ribbon on fans structured by Mr. Wall. The bouquets, as well as the rest of the wedding flowers, were arranged by the bride.

Billy Owen served his cousin as best man, while Pat O'Donnell and Ken Carlson served as groomsmen. The three men wore navy blue tuxedos with variegated, ruffled shirts and bow ties to match. Their boutonnières were made of two lavender sweetheart roses, baby's breath and greenery.

Montie Powell, cousin of the bride, and Lynn McDaniel, brother of the bride, served as ushers and candlelighters. They were dressed in tuxedos identical to the groomsmen's and wore boutonnières of lavender and white sweetheart roses.

The bride's grandfather Wall,

who gave her in marriage, wore a teal blue suit which was his own wedding suit 43 years ago.

Registering the guests was Tammy Cash, cousin of the bride, attired in floral shades of the wedding colors with a corsage primarily of white, navy blue and lavender roses.

Joquetta Wall, aunt of the bride, served as wedding director, while Nathan Tharp videotaped the ceremony.

The bride's table in the reception area, covered with a white cloth and lace overlay, featured a round three-tiered cake on top of a fountain filled with navy blue water. Six heart-shaped cakes of white icing, accented with roses carrying out the wedding colors, surrounded the fountain. Silver candleabras holding lavender and navy blue candles added to the decor of the main table.

A second table, bearing punch, crystal dishes, mints and lavender napkins, was covered with a lavender cloth and white lace.

Serving the wedding guests at the bride's table were Marquita Weese, aunt of the bride who made the cakes, Debbie McDaniel, sister-in-law of the bride, and Lisa Bristow.

The bridegroom's table featured lavender lace covered with a navy blue georgette cloth. It hosted a silver service for coffee, mints and nuts, as well as a horseshoe-shaped chocolate cake with lavender and

navy blue flowers, served by Betty King and Kay Owen, cousin of the groom.

Ladies who worked in the kitchen as hostesses during the reception included Betsy Autrey, Fern Tharp, Lois Hudnall and Mora Schlueter.

Prior to the wedding, the bride was honored with a luncheon on October 29, 1983, at an Albuquerque country club. A second shower was given for the couple in the home of Mr. and Mrs. Roger Smith of Albuquerque on November 11.

The Companion and Golden Circle Sunday School Classes of the First Baptist Church of Texico hosted a local shower November 22. Debbie McDaniel and Rhonda Hill were hostesses at a lingerie shower for the bride in the home of the Lynn McDaniels on January 2.

A dinner for the wedding party took place at Luce's Spur Restaurant prior to the rehearsal Friday evening, January 5.

The couple left for their wedding trip to Durango, Colo., following the reception.

The bride is a 1981 graduate of Texico High School and received an Associates Degree in the spring of 1983 at Eastern New Mexico University.

The bridegroom is a 1983 graduate of Eastern New Mexico University. The couple is at home in Albuquerque, where the bridegroom is employed by a construction company.

## February 14 Was Big Day For Convalescent Center

Tuesday, Feb. 14, was a big day for the residents at Farwell Convalescent Center. Donations made that day by the Farwell Junior Girl Scouts and the Texico-Farwell Rotary Club put the Convalescent Center Auxiliary over their \$5000 goal to construct a chapel at the Center, which also began on Tuesday.

These events just put icing on the cake for the annual Valentine's day party at the Center, giving them more reason to celebrate.

The Center was decorated with hearts and Valentines for the party, and residents and visitors were served homemade valentine cookies, provided by the Farwell FHA and the Center auxiliary along with punch provided by the auxiliary.

Corsages and boutonnières provided by the Rebekah Sun-

day School Class of the First Baptist Church in Farwell, added an extra "sweet" for six of the residents, which were the class' adopted residents.

Entertainment was provided all day long by several area persons. Harold and Avis Carpenter of Oklahoma Lane provided morning entertainment, while Fred Chandler of Farwell and Donald Clark of Texico provided early afternoon music and fun. Ed and Juanita Hardage kept the residents entertained in the late afternoon with their music and singing.

The party was especially nice for resident Fairy Stovall, because she also celebrates her birthday on Valentine's Day.

According to the Center staff, the day was a lot of fun for the residents, who especially enjoyed the many visitors who came to help them celebrate.

**TRUE BLESSEDNESS**

It has been said that the word "blessed," in our English King James Bible, simply means happy. Thus the "blessed man" of Psalm 1 is a happy man and the "blessed God" of I Timothy 1:11 is a happy God.

To say the least this is a superficial understanding—or misunderstanding—of one of the most wonderful words of Scripture. A fool can be happy, a drunkard can be happy, a wicked man can be happy, but none of these are truly blessed; for one who is blessed has a deep and true reason to rejoice.

Thus Psalm 1:1,2 says that the man who shuns "the counsel of the ungodly," "the way of sinners" and "the seat of the scornful" and meditates and delights in the law of God, is well off and has good reason to rejoice. Few, of course, would dare to claim that they have fully lived up to this passage in the Psalms, but God's Word has good news even for such. In Romans 4:6-8, St. Paul declares:

*"David also describeth the blessedness of the man unto whom God imputeth righteousness without works, saying: Blessed are they whose iniquities are forgiven, and whose sins are covered. Blessed is the man to whom the Lord will not impute sin."*

This blessedness is not a mere feeling of happiness. It is rather the state of being well off, with a deep and abiding reason to rejoice.

Thus Psalm 40:4 says: *"Blessed is that man that maketh the Lord his trust,"* and when the Galatians stopped trusting completely in the Lord and began leaning on their own works, the apostle asked them: *"Where is then the blessedness ye spake of?" (Gal. 4:15).*

To be truly blessed, then, is to be well off, with the greatest possible reason to rejoice. This is why the believer in Christ, saved and eternally safe in Him, is like God Himself, *"blessed forevermore"* (II Cor. 11:31).

## Texico Wolverines Vie For District Dist. Championship

Seeded number one, the Texico Wolverines will take their place Saturday night at 7 p.m. MST in the Wolverine Gym to vie for the District 6-A title.

The Wolverines drew automatic byes in the tournament because they earned the number one position in the tournament with their season record. The tourney began Tuesday night.

Their record, originally a perfect 10-0, was reduced to 9-1, however, when it was discovered that they had violated a New

Mexico Activities Association basketball rule. The rule states that a player cannot participate in more than 22 regular season games, and the Wolverines unintentionally violated that rule by one game.

According to Coach Scott Parker, the Wolverines have three players, not starters, who played one game too many. The game that put them over the limit was their final regular season game against Melrose, which was automatically for-

feited.

"We realized what happened on our own," said Coach Parker, "and we wanted to be honest about it, so we turned ourselves in. We didn't want anyone to think we had intentionally violated the rule."

The three players who were involved in the violation will have to sit out the district championship Saturday night, but will be able to participate in the regional tournament March 1-3 in Grady.

## Texico Jr. High Basketball Results

Texico 7-8 grade and 9 grade teams played their final games of the season last week in the Clovis Friendship Tournament.

The 7-8 grade boys played Thursday and Friday and were defeated both nights.

In the first game, the 7-8 grade team faced Yucca Junior High and were defeated 60-19. At the end of the first quarter, both teams were tied 6-6. During the second quarter, Yucca pulled ahead and had a 22-13 lead by the half. The third period saw Texico scoring only 4 points while Yucca increased their lead by 17. In the fourth quarter, Texico hit only one basket, while Yucca added 21 more, winning the game 60-19.

Leading scorer for Texico was Aaron Scott with 6 points, followed by Britte Taylor with 4, Michael Day and Cory McDaniel each 3, Terry Allen 2, and Mark Williams 1.

The next night the 7-8 grade team were defeated again, this time by Portales 44-21.

During the first quarter, Portales hit for 12 points, while Texico trailed with 3. By halftime, Portales was leading 22-10. During the third quarter, Portales scored 17 points, while Texico scored 7. Fourth quarter action saw Portales going on to win.

On commenting on his 7-8 grade team's showing in the tournament, Coach Mike Littlejohn said, "In the game against Yucca, we stayed with them until half way through the second quarter, when we got into foul trouble. They had too much talent and depth on the court, while our talent and depth was on the bench, due to fouls."

"In the game against Portales, we were not making our free throws. Portales is a much larger school and has a lot more depth than we have. Our final record is 9-6."

The 9th grade team played once in the tournament, taking on Tatum and losing, 53-29. Tatum racked up 25 points in

the first quarter, while Texico hit only 3. By halftime, Tatum had a sizeable lead over Texico, 37-8. During the third quarter, Texico picked up the pace a little, scoring 13 points, while holding Tatum to 6. During the final period, Texico scored 8 points, but Tatum scored 10, to take the win from Texico.

Leading scorer for the 9th grade was Tex Looney with 14 points, followed by Jubal Pierce with 18, Dean Reid 6, and Jesse Martinez 1.

"We had only six kids playing," said Coach Littlejohn. "We played really hard. We had

a lot of stick-to-it considering everyone played without many substitutions. All in all, our junior high teams had a good year, and we are really looking forward to next year."

## Texico Lady Wolverines Take Second 2nd In District Tourney

Texico Lady Wolverines made a good showing this past week throughout the district tournament at Melrose, taking second place and advancing to regional competition.

The Lady Wolverines went onto the court for the first time on Wednesday when they defeated Floyd 47-37, advancing them to the semi-finals. Texico led in scoring throughout the first three quarters, and although Floyd made a strong comeback during the fourth quarter, the Lady Wolverines won by 10 points.

Leading scorer for the Lady Wolverines was Lucia Jesko with 13 points followed by Valda Cavallero and Cheryl Scott with 10 each, Katie Tubbs 7, Kathy Harrison 5, and Coy Burk 2.

"I thought we played pretty well," said Coach Roy King, "even though Floyd controlled the tempo of the game. Lucia Jesko played an outstanding game. She hit four straight outside shots to get us going."

In game two of competition, the Lady Wolverines met Elida, winning again by ten points, 38-28. Texico led throughout the game to take the win, and advance to the district finals.

Leading scorers for the Green and White were Cheryl Scott and Kelly Lynn with 8 points each followed by Lucia Jesko with 7, Valda Cavallero 6, Helen Boorman 5, and Kathy Harrison 4. Helen Boorman led the team in rebounds with 9.

Coach King said, "This was Texico FFA/Hero Sets Work Day

Texico FFA/Hero organization is planning a work day for Saturday, Feb. 25, from 9 a.m. to 4 p.m. If you have a job to be done, please call 482-3305, 482-3852, or any member of FFA/Hero, by Friday night, Feb. 24.

February Safety Corner

**Livestock Housing Safety**  
The livestock buildings we work in and around every day soon become so familiar we may overlook unsafe areas. This is a good month to check your livestock housing for danger spots.

- Make good housekeeping a top priority. Clean up trash and junk from in and around buildings. Clean alleyways, pens and corrals.
- Eliminate tripping hazards. Use a brightly colored paint on those that cannot be eliminated.
- When handling moldy hay or feed, use a nuisance dust respirator to guard against "farmers lung."
- Never enter a manure pit or any tank that holds decaying organic material without an air-supplying respirator.

**Many County Youth Set For Houston Stock Show**

Forty 4-H members from Parmer County, 12 Farwell FFA members, and seven FFA'ers from Lazbuddie are set to participate in the 1984 Houston Livestock Show and Rodeo, February 18 - March 4. Early tallies of the 1984 Show entries indicate that this year's Show will be larger than ever before, with more than 32,000 entries expected to fill the Astrohall during the two-week run of the Show.

"With new events added, this year's Show promises to be our best and most versatile ever," noted Don Jobs, Jr., assistant general manager. "It provides spectators with a truly unique opportunity to see some of the finest livestock anywhere, gathered all under one roof." New events include a dairy goat competition, a mule and donkey show, and a miniature horse show.

Farwell 4-H Club entries include Lisa Gerles, Steve Gerles, Carl Hutchins, Geretta Hutchins, Suzahn Inman, Blake Kelley, Clint Kelley, Kevin Owen, and Eric Williams.

Oklahoma Lane 4-H Club entries include Scott Childers, Lucretia Foster, Robin Foster, Dana Haseloff, Darren Haseloff, Ray Haseloff, and Amy Jo Murray.

Lazbuddie 4-H Club entries include Scott Holt, Russell Redwine, Susan Redwine, and Vandi Tartar.

Bovina 4-H Club entries include David Boozer, Charles Johnson, and Sharlet Johnson.

Friona 4-H Club entries include Jennifer Cass, John Cass, Shannon Cochran, Ashlee Gee, Dustee Gee, Clint Hurst, Terri Loafman, Sindy Preston, Susie Preston, Chad Rhodes, Devera Rhodes, Brent Riethmayer, Corbin Riethmayer, Greg Salyer, Shelly Salyer, and Kassie

Weatherley.

Farwell FFA members include Raymond Ausburn, Erik Burton, Tyson Carpenter, Sean Childers, Randy Davis, Leonard Hillock, Carl Hutchins, Daniel Hutchins, Keith Smith, Rusty Stover, Angie White, and Dana White.

Lazbuddie FFA members include Guy Brockman, Wendy Jarmen, Wes Jarmen, Ginger Jesko, Sean Mason, Shane Mason, and Sheldon Mason.

While the focus for the next few weeks will be on the Show as the world's largest livestock show and rodeo and an entertainment extravaganza featuring 21 star performers, Jobs pointed out that the Show is much more.

"The Show is the Southwest's premier charity event, where all our net proceeds go to support the nation's largest agricultural scholarship program and some 28 research programs at nine Texas universities," he said. "Additionally, the rewards for young exhibitors who've invested so much time into getting their animals ready for the Show can be phenomenal. The prestige of a Houston blue ribbon makes Houston the toughest showing competition in the world."

Premium monies available for open and junior show exhibitors top more than half a million dollars in prize money and in premium auction prices paid in excess of market value. Volunteer committee members of the Show line up auction

buyers to insure that each junior market animal sold in the Show's four market auctions brings a price above the current market value of the animal.

And, as the Show holds the world's record price for all champion market animals sold at auction, it is evident that widespread community support translates into real dollars for these deserving young exhibitors who come from all over Texas to enter.

Junior livestock competition includes beef heifers, dairy cattle, breeding sheep, goats, commercial steers, breeding rabbits, market lambs, poultry, swine and steers. Also for 1984, there will be carcass contests for the market lamb, swine and steer shows.

Junior market barrows will be sifted at the Washington County Fairgrounds in Brenham on February 25 and 26. Sifted barrows are then loaded directly for sale through normal livestock auction consignment. Non-sifted barrows proceed to Houston and the livestock show competition.

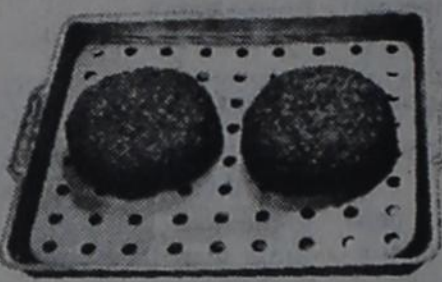

The junior livestock show schedule has been changed to accommodate the procedure change in handling barrows. The junior market barrow auction now will take place on March 1, as the first of the junior auctions.

The Houston Livestock Show opens on February 18; the rodeo begins the first of 16 performances on February 22; and all events conclude on March 4.
