

Border Banter

By Mike Pomper

Confessions of a wayward journalist

No sense trying to avoid it. I've got to 'fess up. In 1976, in a moment of weakness, I cast my Noyember ballot for Jimmy Carter.

Not that I had anything against Jerry Ford. He was okay in my book. But ol' Jimmy promised to try and reform the Washington bureaucracy, something I hold dear to my heart. And ol' Jerry I felt was too intertwined with the feds since he had been in Congress as a Representative for many years; not much hope there.

Anyway, we all know what happened. Carter's presidency was a massive failure. Historians probably will rank him in the bottom quarter of U.S. leaders. All I know is that Jimmy would get on TV and give really first-class speeches -- without followup. I'd just shake my head. And as for reforming the bureaucracy, if he tried it was to no avail.

At least I wasn't the only fella voting for Jimmy in 1975; he made suckers out of a lot of us.

The choice was clearcut in 1980 -- Reagan had my vote all the way, especially after he, too, suggested a need to reform Washington. After watching Carter, I didn't have high expectations for Reagan, but didn't have anything to lose.

So I was pleasantly surprised when my federal employee-neighbors in Virginia came home, moaning and complaining of job "freezes" and "What's that Reagan up to?"

At the time all I could do was shrug my shoulders and raise my eyebrows; conservatives are an endangered species among the Land of the Bureaucrats.

Now, I can say what I think -- and what I thought at the time: Wunderbar!

Reagan actually was trying to make a dent in the swollen rolls of federal employees. How successful was he? I'd give him an "A" for effort and a "C" for accomplishment. It's very difficult to work against the bureaucracy. My neighbors would explain how they shifted positions from areas where there was no freeze (like the Department of Defense) to departments where there was a freeze. That's how they got around Reagan's edict.

And that should also tell you how the government is really run.

I do believe some federal posts were eliminated, but not many. Many were added back after the freezes were quietly ended. After living in the Washington area for five years, I believe it would be accurate to say that the Washington bureaucracy could be cut at least 10 percent across-the-board without any detrimental effect on government service.

I can make that statement based on the amount of work my neighbors told me that they did -- far less than 100 percent of their time was occupied with work. I'll never forget that one U.S. department that allowed its employees to have TVs on their work desks. As the World Turns -- as you work.

One of the big problems is that many bureaucrats are paid according to the number of employees under them. The more employees, the more money they make. Thus, it's in their best interest to keep the federal rolls swollen. And as far as I can see, there's no President or Congress capable of doing anything about it.

Here's an example of this problem:

A friend of mine was promoted to a top-level post dealing with Social Security problems. She was able to handle the caseload given her in a morning's time. So she asked her boss to double her load. He looked at her and said, "No way. If I give you more work, I would have to cut the number of employees who work for me. And then my salary would be cut."

That's how the U.S. government awards efficiency -- or should I say "inefficiency."

Series starting

Starting next week, the State Line Tribune will present a series of periodic features on our area's churches. The series will begin with the Hamlin Memorial United Methodist Church in Farwell.

And the winner is . . .

Mike Martin, right, top prize winner in the first week of the football contest, receives a check for \$7.50 from Johnnie Rundell, manager of Farwell Insurance, one of the contest

sponsors. Martin was one of four contestants who picked 10 of 12 scores right, and was closest to the tiebreaker.

Big increase in participants

Martin captures 1st football contest

The 26th annual Merchants Football Contest began last week, starting the season with the tiebreaker score deciding the weekly winner.

Four contestants chose 10 winners in the initial week of the contest: Mike Martin and Rex Cumpton, both of Farwell; and Mamie Howard and Cindy Landers, both of Clovis.

Martin won the first place prize of \$7.50. He was nine points off on the tiebreaker. Mrs. Howard won the \$5 check by being off 16 points on the tiebreaker. Cumpton and Ms. Landers were both 19 points off the tiebreaker.

None of the 282 contestants -- up from 239 who began the 1983 contest -- picked the tie between Clovis and Palo Duro. The other game most missed was the Dallas Cowboy-N.Y. Giant struggle, won by the Giants. The four contestants who had 10 right all missed on that game.

Contestants with nine right were: Charles Dannheim, Diane Dannheim, Ronnie Dunsworth, Jenoyce Ford, Ronnie Galvan, Jay Goettsch, Gia Hardage, Mona Hardage, Roy King, J. Don Kube, C.L. Mahaney, Eddie Meeks, Edwina Owen, Gaye Roberts, Dale Sikes, Lonnie Smith, Lloyd Smith, Kristy Spearman, Monte Spearman and Brian White.

The grand prize of the 12-week contest will be two tickets to the

Dallas Cowboys-Washington Redskins game Dec. 9 in Dallas. The prize also includes lodging at the Regent Hotel, transportation to and from the stadium, and \$50 spending money -- to the person with the most points at the end of the 11 remaining weeks.

Thus, persons still can enter the contest and have a chance at the grand prize even though they missed the first week. Entry blanks are on the contest page in today's newspaper and are available at the Tribune office.

All totals are on display at the Tribune office during normal business hours. All entries must be turned in at the Tribune office before 5 p.m. Friday (today) or if mailed, must bear a Friday postmark.

Results of the games listed for the contest last week include: Texico over Cloudcroft, Happy over Bovina, Friona over River Road, Palo Duro tying Clovis, Lazbuddie over Smyer, Texas-Arlington over West Texas State, Oklahoma over Stanford, Brigham Young over Baylor, Boston College over Alabama, the Giants over the Cowboys, the Saints over the Bucs, the Dolphins over the Patriots and Farwell 10 and Wilson 0 in the tiebreaker.

All entrants must be 12 years of age or older. Only one entry per person is allowed.

Franka: U.S. students show more happiness

Franka Bungarten, a foreign exchange student, has only been in Farwell since Aug. 25, but already she knows "it's totally different" from Krefeld, Germany, her hometown.

"It's like a complete turn. The first thing I noticed is the food is different and the clothing," she said.

In Germany, Franka said, "We are taught languages and philosophies, not things like typing and home economics." Franka has studied French, Latin, Greek and English along with her own language German.

Although Franka is registered as a senior at Farwell, when she returns home she will have two more years of mandatory school.

Another area in which the schools are different is athletics. "We don't have a school team - here everybody is interested in the Steers."

"It's not school related but more a hobby. Everyone in Germany is in a club which they attend when not in classrooms. I am in gymnastics," Franka said. She is currently involved in the same at Farwell High School.

"Everyone is so friendly here, so warm. The students show more happiness in school too," Franka said.

Franka's hometown has a population of 250,000 people so coming to Farwell was a drastic change for her. She noted she does miss being able to go to the theater and cinemas.

In Germany people can not get their driver's license until they are 18 years old so Franka was accustomed to riding her bicycle a lot. Another difference about teenagers Franka noted is that "in Germany everyone is aware of world situations, here the students are not. I think it is important to know what is happening - it has its reasons."

Franka was greeted at the Lubbock airport by Vernon and Cynthia Thigpen and family, the family she is staying with, Walter Hughes, Rotarian, Mr. and Mrs. Eddie Corn and their children and Trina George.

"It was real emotional," Franka said. "I was glad to see someone waiting for me - I didn't feel so alone."

About becoming a foreign ex-

Community Center open house set

Open house for the Farwell Community Center is scheduled for 2 to 4:30 p.m. Sunday. Charles Aycock is heading the open house committee.

At the same time, a reception for Farwell's foreign exchange student, Franka Bungarten, and the new Farwell doctor, Dr. William Green, will be conducted.

"This is a very informal, come-and-go, type affair," Aycock said.

Ladies of the Epsilon Sigma Alpha sorority will furnish refreshments.

Aycock said, "This is not a fund-

raising event for the center. It is just a time for everyone to come and see what has been accomplished at the center and meet the new people."

As a part of the open house, posters will be placed throughout the center indicating which projects are incomplete and the funds that are needed to finish them.

Among the projects still to be completed are the kitchen, floor tile, air conditioner motor and stands, tables, and restroom work.

Funds raised by individuals and

Dr. William Green

Farwell gets a doctor

Dr. William T. Green will open a family practice at the Farwell Clinic around the first of October.

Dr. Green said, "All we are waiting on is for the federal paper work to be processed."

Having been in Saudi Arabia for the past four years, where he was in practice for an oil company, Dr. Green must have his federal license renewed which "just requires some time," he said.

Dr. Green attended high school in Muleshoe and attended college at Texas Tech. He attended medical school at the University of Texas S.W. in Dallas.

He practiced medicine for 20 years in Dallas before going to

Saudi Arabia.

Dr. Green is certified by the American Board of Family Practice.

"We've traveled all over the place but we have come home to settle down. We'll be permanent here," he said.

Dr. Green and his family reside in Clovis. "When I started looking for a place to start practice, the Farwell Clinic had an opening. I thought it was a good opportunity and besides I know many of the people in this area. I've been acquainted with some of them for 30 years."

Dr. Green's wife, Ann, is an RN nurse anesthetist and will be working part-time in the clinic.

DR. WILLIAM GREEN

Retirement apartments?

Tom Nichols, president of the Farwell Hospital District Board announced that bids for a 450-sq.-ft. expansion at the Farwell Clinic are being taken. The expansion will house office space, a reception area and waiting room for dentist Dr. J.R. Ivins.

Plans for the bids are available at the clinic.

Nichols also said that the hospital board is considering building retirement apartments in Farwell. At a

Sept. 6 meeting, the board members visited the Golden Acres Retirement Apartments in Portales, which include 100 units.

If a facility is built here, Nichols said it would be located south of the Farwell Convalescent Center owned by the hospital district.

A master plan for the units is being drawn up by an architect. Once they are completed, information will be released to the public and meetings scheduled to see if the

interest warrants further action. If the apartments are built, Nichols said, residents of the units would have access to the services of the center along with outside services.

The Portales unit was originally started by the Retired Teachers in New Mexico and the apartments were 97 percent full at construction and completely full with a waiting list two weeks after construction, Nichols said.

School sup't Roberts resigns

Longtime Farwell School Supt. Willie Roberts announced at Monday's School Board meeting that he will resign, effective June 30, 1985.

Roberts has served two stints as superintendent, totaling 25 years. Before that, he was Farwell High principal for 5 years, and also served as superintendent at the former Oklahoma Lane Schools.

He turned in his resignation now to give the School Board ample time to find a new superintendent for

next year.

The School Board also approved the tax rate for the 1984 tax year at \$1.25 per \$100 assessed valuation, up four cents from the current year.

Two cents will be added to the interest and sinking fund -- 15 cents -- and two cents will be added to the operating fund -- \$1.10.

In other business, Edward Wees met with the board regarding the homecoming dance after the foot-

ball game. The board approved plans for the dance at the Community Center.

Carol Coburn and Dorothy McReynolds were hired as special education teachers.

The board agreed to divide the taxes on the frozen tax rolls between the operating fund and the interest and sinking fund on the same percentage as is applied to the regular roll.

FRANKA BUNGARTEN

change student Franka said, "There is some prejudice against the U.S. in Germany and I wanted to see for myself the country and the people so I could make my own decision. I also wanted to become more independent."

Another reason noted by Franka was "English was always the hardest language for me. Since most countries use English it was not good that I was so bad."

Franka said, "I hope to see a lot of America."

The Rotary Club will have a meeting in Silver City where all foreign exchange students and their new families will meet.

Franka's trip is a project of the Texico-Farwell Rotary Club.

Community Center regulations adopted

Regulations for the Farwell Community Center were adopted by city commissioners Monday.

A committee appointed by the commissioners had presented their idea on what the rules and regulations should be for the center. Their proposal came after research of other community centers in the vicinity.

Commissioner Jerry Monk said, "I feel pretty comfortable with the people on the committee and think we should give their proposal a try."

Following discussion and a review of the proposed rules, a motion was made, seconded and passed to accept the rules presented with one change made. The change was made in fees quoted for use of the large arena.

It originally read: \$20 minimum fee with \$1 per person charge. The city commission changed it to read; \$20 minimum fee or a charge of \$1 per person for admission charged

events.

The commissioners decided that a Board of Directors will be appointed at their next meeting.

Insurance coverage of the community center was briefly discussed. Mrs. Bowery will check into rate costs and give the results to the commissioners at a later date.

The commissioners also discussed the current rates for use of the dump ground.

Commissioner Fred Chandler said, "The pit is only a couple of months old and already it is half full."

It was the decision of the commission to leave the current Farwell resident rate as it is, at a cost of \$2 for pickup loads; \$5 for bobtail or tandem loads; and \$10 for semi loads.

However, rates for non-residents were raised to \$25 for pickup loads; \$75 for bobtail or tandem loads; and \$100 for semi loads.

County taxes hold line

Following some discussion of the proposed budget for 1985, the Parmer County Commissioners Court approved to set the tax rate for 1984 at \$3.12 per \$100 valuation. This is the same rate as was used for 1983.

Serving as chairman of the court during the Sept. 10 meeting was Ernest Anthony, commissioner.

Approved by the court was the payment of \$100 to Blackwell Funeral Home of Friona for the use of its facilities for an autopsy.

The court also approved the payment of \$227.50 to Richard Collard, attorney ad litem, in a mental case hearing.

Payment of an \$18 doctor bill for a foster child was approved and also, payment of \$2,139 for the August

boarding care bill for foster children. The money will be reimbursed to the county by the state.

Anthony was authorized to sign the Statement of Assurance Certificate form for Entitlement Period 16. This is on Revenue Sharing funds and assures that Parmer County will comply with all requirements in order to qualify for Revenue Sharing payments.

Sheriff Bill Morgan met with the Court to discuss using the county courtroom the week of Oct. 8 for a school to certify jailers. Since Oct. 8 is the date for the regular Commissioners Court, Sheriff Morgan asked if the court could meet on Oct. 5. The court approved the date change for

The frog and pan of water

In trying to wind up the affairs of our former ownership of the Tribune, we are reminded of the story of the frog and the pan of water. If you drop a frog into a pan of hot water, he jumps out. If you put him in a pan of tepid water and very gradually turn up the heat, you can boil the frog without him jumping out of the pan.

So it is with the American businessman. He has been slowly boiled in a vat of government red tape until he has been boiled without knowing it. Slowly, slowly over the years, layer after layer of debilitating red tape has accumulated until we are all virtual slaves of "Big Brother" without knowing when it happened. It is only when we go to free ourselves in one fell swoop that we realize how much of our business time was spent as a non-paid accountant and collector for Uncle Sam.

Nothing like retirement to shrink a body's hat band. After years of receiving tons of mail each day we were reduced to getting two bills and three 'occupant' stuffers for our entire week's supply of reading material.

All loyal, true Cowboy fans are in for a long and agonizing season. The

County

the Commissioners to meet.

The court approved payment of a \$8,174 bill for the roofing of the Law Enforcement Center. This was a base bid amount accepted July 9, 1984 from Leaway Roofers of Hereford.

A report was given by the Commissioners that they had inspected the dam sites and found everything to be in order at the sites.

An audit report for year ending December 1983 was presented to the Commission by Bernie Gowens. The court approved to accept the audit report and to pay \$7,500 for the 1983 audit and preparation of the budget for 1985.

The court approved and ratified the following soil conservation work with the work to be performed when the machines are in that area and not demanded for use on the roads: Precinct No. 1 - Joe Bob Johnson and Precinct No. 4 - John Mitchell, Elvis Powell, Terry Parham and D.M. McGuire.

big brouhaha over quarterbacks was just a sham. The thing that is missing for the 'Pokes is both an offensive and defensive line. The only coach the cowboys have ever had needs line play like ham needs eggs. Hogeboom or White, it doesn't make any difference if they are playing behind a sieve masquerading as a pro football front line. On offense or defense, the boys in the Cowboy trenches are playing like a bunch of sandlotters.

Last week Johnny Carson had some fun on his program about the problems with the waste ejection system of the space shuttle Discovery. He made a comment about what would happen when the frozen blob of waste descended and possibly landed on a guy on the ground. It was a semi-comic remark and drew laughter from the studio audience.

We found out where it landed. It lit square on the television audience that was watching the NBC program "Summer Sunday U.S.A." The blob turned out to be Mudd. Roger Mudd that is. This was a 60-minute program of unpaid Mondale propaganda. Oh yes, they evenly divided the time between Reagan and Mondale. Unfortunately, half the time was devoted to denigrating Reagan and half to serving up soft Mudd balls to Mondale so he could air his views under very favorable circumstance.

Inasmuch as beauty is in the eye of the beholder, we are sure that Robert Strauss has a much more favorable view of network television reporting than we have.

Texico band second

The Texico band, grades 6-12, recently traveled to Albuquerque where they participated in the New Mexico State Fair parade. The band took second place.

Jerry Sadberry said this is the second year the band has participated in the event. Last year, Texico took first place.

Judging is based on appearance, marching and playing, Sadberry said.

State forces Parmer's 'dump' hand

The State of Texas' interference in Parmer County affairs has given the county commissioners their heartburn.

After threats to sue from the state health department, the commissioners recently voted 3-1, with Raymond McGehee opposed, to close the Lazbuddie dump.

Since then, the commissioners say, the situation has deteriorated. Signs posted to say the dump is

closed have been torn down twice, people are still using the dump, dead animals have been placed there (something that wasn't per-

mitted when the dump was open and watched over by an attendant) and garbage is being put in nearby draws.

The problem began a couple of years ago when an official of the health department's regional office

in Canyon stumbled upon the dump, a mile east of, and a half-mile south of, Lazbuddie. The health department declared it a health hazard due to flies, rats, etc.

The state wanted the dump closed or the trash buried in a regular landfill. The commissioners say the county cannot afford a landfill so they kept the dump open but made sure trash was pushed back (after it was burned).

McGehee stressed that local residents were not complaining about the dump and he felt it was not a health hazard to the community.

The land where the dump is located is owned by Billy Bob Sherley. His father had given a lot of land to the community for schools, churches, cemetery, etc., as a public service. The dump property is

for "use and benefit of the community."

But the state recently threatened to sue Billy Bob (with a daily fine) if the dump wasn't closed. The commissioners therefore decided to close the dump to protect the landowner who has given land for community benefits.

McGehee said the only alternative open to Lazbuddie folks is to haul their garbage 20 miles to Muleshoe, and pay for it being handled there.

Richards to visit

Don Richards, Democratic candidate for Congress, will be in Parmer County Tuesday.

Richards will be at Lake Side Auto Parts in Friona at 6:45 a.m. and at Lariat Gin at 8:30 a.m.

Landfill abatement under way

Texico city councilmen told state health department officials at Tuesday night's meeting that they are trying to comply with directives to clean up their landfill operation.

The state has sued for "non-compliance." So the city has opened a new trench on higher ground, improved the fence and is paying more for labor in trying to meet the state standards.

But the health department officials were coy about saying whether the city operation was up to par now.

County Commissioner Shorty Burkett said he would bring up Texico's problems at next week's meeting and see whether the county could "loan" a bulldozer to the city periodically and whether an overall county project could be worked out.

In other business, the council agreed to have Luis Garcia, a town maintenance employee, work on patching street potholes. Garcia also got a pay raise.

The council discussed some building problems in the community but

wouldn't push for litigation against some homeowners due to the cost involved. Councilman Lewis Cooper will talk with the homeowners involved about finishing their projects.

Ernest Helton

Ernest Porter Helton, 79, of O'Keene, Okla., died Sept. 3.

Services were conducted Sept. 5, in First United Methodist Church in Groom with the Rev. Jerry Moore officiating. Burial was in Groom Cemetery by Higler Funeral Home of Canton, Okla.

Mr. Helton was born in Jack County. He had served in the Army Air Force in WWII. He was a Mason and member of First United Methodist Church of O'Keene.

Survivors include seven brothers, Tom of Richland, Wash., N.E. of O'Keene, Nath of Groom, Allan of San Antonio, Carroll of Borger, Joe of Texico, and Claude of Beaumont; and a sister, Mrs. Charles L. Fields of Groom.

Our Heartfelt Thanks

We would like to express our sincere appreciation and heartfelt thank you for your care and support during the illness and loss of our dear son.

Thanks to all our friends of this community for your love.

Thank you from the bottom of our hearts.

Big Lick Award

Doug Thornton, left, a senior, and Mark Meeks, a junior, have been awarded the Wolverine Big Lick Award this week. Thornton, an offensive tight end, received the award for being the most consistent lineman, exceptional blocking and

being the leading tackler during last week's game. Meeks, center and defensive end, received the award for making a big play on defense, seven tackles and getting a quarterback sack.

Shaw appointed voting delegate

Members of the Texico School Board named Kenneth Shaw, high school principal, to serve as the voting delegate for the New Mexico Activities Association.

During its meeting on Monday, the board discussed an Open House scheduled for 7 p.m. (MDT) Oct. 30 at the school.

Jim Pierce, superintendent, said all parents are encouraged to attend and discuss with the various teachers their students' grades and hap-

penings of the school.

Pierce also said any suggestions the parents have to help better the school activities are welcomed.

The board approved hiring an aide for the special education department. Pierce said the state still has to approve the move.

A bid from Jones GMC Pontiac in Clovis was accepted for a pickup truck which will be used by the Vo-Ag Department at Texico,

Pierce said.

Also discussed were the upcoming in-service days, Wednesday and Thursday. All teachers from Texico

and Melrose, Grady and Fort Sumner will meet in the Educational Complex at Texico.

Pierce said members of the Texico School Board will attend a District School Board meeting Oct. 15 in House.

Upcoming sports

FRIDAY, SEPT. 14

Farwell Steers play Petersburg, in Petersburg, 8 p.m.

Texico Wolverines play Capitan, in Capitan, 7:30 p.m. MDT.

Lazbuddie Longhorns play Hart, in Lazbuddie, 8 p.m.

SATURDAY, SEPT. 15

Texico Lady Spikers play Cloudcroft tournament, in Cloudcroft.

Trapshoot set

The Lions Club is sponsoring a Trapshoot on Saturday, Sept. 15 at 1:30 p.m. The Trapshooting range is located one-half mile north of Farwell on State Line Road. Silver dollar prizes will be awarded. Proceeds go to local club projects.

Texico Junior scrimmages

Texico Coach Scott Parker said, "We're kind of a young team but, all in all, I was pleased with the Sept. 6 scrimmage."

Texico's first junior high unit was involved in 20 plays with the Gattis Cubs. The Cubs scored once, Texico didn't.

The second unit then played 10 and Texico scored twice. The first unit then played again and Texico scored twice and the Cubs scored one time, Parker said.

He said, "It really turned out to be about a tie."

Texico junior high needs to

execute offensively better, but defensively they know where they should be, Parker said. "We're going to be all right."

Parker said the scrimmage was good for the team because "it's a little different when you're playing bigger bodies."

Texico junior high's first game is Thursday (Sept. 13) with Portales eighth grade. The game will be held at 4 p.m. (MDT) in Texico.

COMBEST COMMENTS

By Larry Combest

WELCOME TO OUR CAMP

In my first column I talked about my trip August a year ago to start my campaign for my party's nomination for Congress. Last week I made the same trip to visit all counties and county seats and to talk to Democrats and Independents in our District.

I want to make certain that all Democrats and Independents throughout the 19th District know they are welcome in our camp. They are not only welcome, we openly solicit their support now, and their advice and counsel after we get to Washington.

I hope all conservative Democrats will always remember the rousing cheer that went up from the Democratic delegates in San Francisco when Jesse Jackson said that they must ride the party

of the "boll weevils," or conservative Southern Democrats. The sentiments of the Democratic delegates were made very clear by that cheer, and by the fact that Mr. Mondale did not take issue with what the Rev. Jackson said.

Indeed, Mr. Mondale evidently agreed whole heartedly with Jesse Jackson, because he turned to a liberal from the Northeast as his running mate.

It is plain that the only thing the liberal leadership of the Democratic Party wants from conservative Democrats is their money anytime they can get it, and their votes in November. After that they are expected to go back to work, pay their new taxes, and keep quiet.

In short, there is no place now in the liberal Democratic leader-

ship for a conservative and should one get elected to represent his district he can expect to go sit quietly in the corner or suffer the outrages of Tip O'Neill and his fellows. He must "go along to get along" with his party's liberal national leadership or he, and his district along with him, will be punished.

This is why I ask for, and value so highly, the support of all conservative Democrats and Independents in our District: So that we may have a Representative who can stay in touch with the people of West Texas and, at the same time, in tune with his party's leadership; a Representative in Washington who can vote with us 100 percent of the time; a Congressman who owes nothing to Tip O'Neill and everything to the people of West Texas.

I welcome all conservative Democrats and Independents to my campaign. My door will always be open to you.

Larry Combest is a fourth generation West Texan. He worked as a farmer, teacher, for the A.S.C.S. and for Senator John Tower for seven years. He is a candidate for U.S. House of Representatives 19th District.

Paid For by Combest Congressional Committee

Steers of the Week

Roger Robertson was chosen for offensive Steer of the Week for his play in the game against Wilson. Robertson made two touchdowns, two extra points and made 123 carries for 125 yards. He is a senior and is running back and defensive back for the Steers.

Eric Williams was chosen for defensive Steer of the Week for his play in the game against Wilson. Williams had one interception. Williams, a junior, plays defensive back and offensive end for the Steers.

No voting

Texico voters in District 66 will not be required to have a special election primary.

A recent ruling which reapportioned 16 House Districts involved Texico as far as boundary changes but the community will not have to hold a special election because the candidates are unopposed in their division.

Originally it was stated that all 16 districts involved would have to hold a special election Sept. 18. Secretary of State Clara Jones made a decision that unopposed candidates in the districts will not have to have the special election.

It now stands that only 10 of the 16 districts will hold the special Sept. 18 election.

Coffee time

Please stop by the Tribune office any time from 9:30 a.m. to noon Friday, Sept. 28, for a cup of coffee with John and Joann Getz.

As you know, they are "retiring folks," and we'd like to help celebrate those great upcoming years with this coffee.

Dannheims visit Pennsylvania

Willie and Lorine Dannheim recently returned from a three-week trip to Pennsylvania.

The Dannheims left Aug. 15, traveling to Amarillo where they visited with their son, Charles and his wife, Eileen, for a couple of days.

On Aug. 17, the Dannheims traveled to McLoud, Okla. where they visited their daughter, Linda, and her husband, Frank Fipps and their sons.

On Aug. 18, the Dannheims and Linda continued their trip traveling through Missouri and Ohio. While in Missouri they visited the Fantastic Caves.

When they reached Levittown, Pa., they stayed in the home of their son, William Jr. and his wife, Dorothy. While there they did some shopping, saw different things and different people and prepared for the wedding of their granddaughter, Janice Ellen Bergin.

Janice and Robert Frances Rossi were married Aug. 25, at the St. Joseph Church. A large reception was held in the Imperial Room in Croysden, Penn. following the ceremony.

Mrs. Dannheim said it was an all

day affair and very beautiful.

Aug. 26, the Dannheims attended an American Legion picnic where there was everything imaginable to eat.

Aug. 27, they attended the Philadelphia vs. San Diego baseball game in Philadelphia. "We enjoyed that a lot, we had never seen anything like that before," she said.

Before leaving, the Dannheims did some more sight-seeing and went out to eat seafood.

They left for home Aug. 29, and on their way visited the Canton, Ohio Football Hall of Fame. "Willie really enjoyed that," she said.

While in Springfield, Mo. they visited the Exotic Animal Paradise where "there is every kind of animal imaginable," Mrs. Dannheim said. She said the area is nine-miles long and they were there two hours driving around seeing the different animals.

From Aug. 31, to Sept. 4, the Dannheims visited with Linda's family in McLoud, Okla.

The Dannheims arrived home at 8:45 a.m. Sept. 4.

Mrs. Dannheim said the trip was just wonderful and her granddaughter's wedding was beautiful.

Solar fun

Texico students of Dale Schwartz' fifth grade class, from left, Angela Dotson, Brandon Chumley, Traci Folk and John Crouch enjoy some solar fun as they prepare solar burgers. The entire class brought

hamburgers, vegetables, fish sticks and even pork chops to see how well the sun would cook them. This solar oven project has been a regular occurrence in Mr. Schwartz' class for about eight years.

Family gathering noted

Beulah K. Hobbs of Farwell met her daughter, Vickie, and grandchildren, Kimberly and Kyle Calkins, at the airport in Lubbock Aug. 13.

They visited with Vickie's aunt, Ethel T. Arwine, at Knox Village and then drove to Ruidoso where they spent two weeks at the home of Greg and Camille Carey and James and Cindy Hobbs.

The arrival of Beulah, Vickie and

grandchildren made a total of six grandchildren present for Mrs. Hobbs to enjoy time with. A favorite place to visit was in the backyard near a lounge chair under a tree.

Mrs. Hobbs was also in Ruidoso in July, when her other two grandchildren, Josh and Greg Moeller and her oldest son, Walt, and his wife Sherry were there visiting for two weeks from Laguna Niguel, Calif.

Hospital notes

Joe Blair of Farwell is confined at the Parmer County Community Hospital in Friona.

He was admitted last Friday and is being treated for a kidney infection.

Sheriff's report

According to reports from the office of Parmer County Sheriff Bill Morgan, Joe Lewellen of Friona reported on Sept. 10 that a roto tiller had been taken sometime last week. It was valued at \$350.

Tax seminar to be held

State Comptroller Bob Bullock said today Parmer County residents with questions about changes in state tax laws can get answers during a special seminar to be held at 10 a.m. to noon on Sept. 20 at the County Court Room in Farwell.

"The state sales tax rate is going up and a number of new items and

services will be taxable for the first time beginning Oct. 2," Bullock said. "We are holding seminars across Texas so that these changes won't come as a surprise to anybody."

Comptroller representatives will explain the changes and answer questions during the seminar. The meeting is open to the public.

First meeting held

The Texico FHA/HERO Chapter held their first meeting Sept. 5, with 31 people in attendance.

During the meeting, they discussed selling two different items, Irish Acres pecans which are on sale now, and Lincoln House items which will be sold later on in the year.

Also discussed was how much to charge for dues and their first concession stand.

New officers for this year's FHA/HERO Chapter are Melissa Singletary, president; Tonya Dunsworth, vice-president; Melanie Furrow, secretary; Leah Kelley, treasurer; Tammara McDonald, historian/reporter; Tracey McDonald, recreational director; Jeff Campbell, parliamentarian; and Maria Jimenez, district vice-president for District F; and advisor, Mrs. Kendale Burch.

Fire calls

The Farwell Volunteer Fire Department made an ambulance run at 8:13 a.m. Sept. 7 to the Parmer County Community Hospital in Friona. A Farwell man was transported.

The ambulance made another run at 10:03 a.m. Sept. 8 to the Farwell Convalescent Center. The report did not indicate if any transports were made.

The Farwell fire trucks responded to a fire 1 1/2 miles east of Farwell at 10:10 a.m. Sept. 8. Reports indicate the small fire was out when the department arrived.

Texico and Pleasant Hill Volunteer Fire Departments reported no calls since the last report.

If you knew

what SPS is doing to keep your cost of electricity as low as possible

...You'd be impressed.

For example, the way we build power plants

SPS builds its coal-fired power plants for a lot less than most other utility companies. How? With careful management, good workers, and by using our own engineers to design and oversee construction. And you get the benefit.

Working to justify your trust

Births announced

Ranie Branson

Danny and Kathy Branson of Farwell announce the birth of their first son, Ranie Joseph. He was born Sept. 2, weighing eight pounds and seven ounces.

Ranie was welcomed home by his two sisters, Nicole and Natasha.

Paternal grandparents are Mr. and Mrs. Larry Branson of Farwell and maternal grandparents are Mr. and Mrs. Dean Weeder.

Paternal great-grandparents are Mrs. Ranie Branson of Grand Junction, Colo., and Mr. and Mrs. Vernon Meeks of Springer, N.M.

Maternal great-grandparents are Mr. and Mrs. Hubert Johnson of Golden, Colo.

pounds and two ounces.

Russell's paternal grandparents are Mr. and Mrs. Bill Bean of Midland; his great-grandparents are Mr. and Mrs. Bost of Portales and T.A. Southard of Artesia; his paternal great-grandparents live in Oklahoma.

Monte and Pam live in Crane.

Wesley Davis

Wesley and Cindy Davis of Farwell are parents of their second child, a boy, born Thursday, Sept. 6, 1984, at West Plains Medical Center in Muleshoe.

The new boy has been named Wesley Jeff. He weighed 8 pounds, 4 ounces and he was 20 1/4 inches long at birth.

He has one sister Candy, 3 years old.

Maternal grandparents are Cyrus and Freda Dale, and paternal grandparents are R.C. and Verna Davis, all of Farwell.

Great-grandparents are Luella and Claud Boyett of Mangum, Okla., Robbie Davis of Lazbuddie, R.D. and Lora Dale and Rosie Martin, all of Muleshoe.

Annual dedication

Pat Owen, left, was recipient of the Farwell yearbook dedication for 1984-85. Shelley Ford, annual editor, presented the yearbook to Mrs.

Owen during dedication ceremonies held Aug. 27, in the school auditorium. Mrs. Owen is a junior high reading teacher in Farwell.

Visits Quickels

Dutch and Dorothy Quickel of Farwell were visited this past week-end by Mrs. Quickel's sister, Iris,

and her husband, Rondal Price. The Prices were visiting from Amarillo.

Archbishop visits area churches

In conclusion of a brief visit to churches in Texico, Clovis and Portales, Archbishop Robert Sanchez hosted a dinner for priests from the local churches and Cannon Air Force Base. The dinner was held Sept. 2 at a restaurant in Clovis.

During his service at Texico, Archbishop Sanchez praised the warm spirit of community in Texico. In his Homily, Bishop Sanchez used the text, "Whom Do You Say That I Am?" and stressed the central place of Christ and His teach-

ings in the everyday life of the practical Christian.

Privately, the Ordinary stressed the importance of reaching out toward diverse groups within the congregation by a bilingual liturgy and by missionary talks.

Bishop Sanchez invited the local priests to be present at the General Assembly of the Diocese from Oct. 15 to Oct. 18, in Taos, New Mexico.

During the Assembly, relationships between laity and clergy will be treated.

Theta Rho Chapter meets

Theta Rho Chapter of Epsilon Sigma Alpha met at El Monterrey restaurant Monday night. They were guests of Rosa Roberts, chapter sponsor and educational director.

Following a delicious meal of Mexican food, accompanied with good conversation, the group moved to the home of Rosa Roberts where plans for the coming year were presented by president, Leslie Lunsford. The plans were discussed and accepted by the group.

The annual pheasant hunt was only one item on the schedule of a very busy year.

Also discussed were plans to serve refreshments at the open house at the Farwell Community Center Sept. 16.

Those present at the meeting, besides President Lunsford and Rosa Roberts, were Altha Herrington, Kim Norton, Susan Johnson, Margaret Aycock, Denise Christian, Dot Christian, Lillie Christian,

Gwen Corn and Robin Gregory.

Also, Dardanelle Helton, Terri Nichols, Nell Walling, Joyce Williams, Angelia Mace, LaMoin Williams and Joyce Correll.

Ginger Crume, who was president of Theta Rho in 1965, and has moved back to the Hereford area, was a surprise but, very welcome guest.

Marriage licenses

Since the last report three marriage licenses have been issued from the Farmer County Clerk's office.

Receiving the licenses were Christopher Gikas and Peggy M. Snyder; Terry Lee Tubbs and Jamie Suzanne Soistman; and Johnny Lynn Berry and Sandra Jean Ackroyd.

Prayer Week slated

The First Baptist Church of Farwell began their "Week of Prayer" for State Missions and the "Mary Hill Davis Offering" Monday. Both continue through this Sunday.

Why is a week of prayer needed? A pamphlet issued by the church said strong mission work in Texas is a must. More home missionaries serve in Texas than in any other state, according to the Home Mission Board.

Continuing education, action and

prayer support are needed in the churches for missions, and money from the Mary Hill Davis Offering funds the work of the state Woman's Missionary Union which provides the training, literature and programs essential for missions emphasis in the churches, the pamphlet said.

Farwell Baptist has set a goal of \$1,000 to the Mary Hill Davis Offering for State Missions.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS
OF PROPOSED
CONSTITUTIONAL AMENDMENTS
GENERAL ELECTION
NOVEMBER 6, 1984

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 29 proposes a constitutional amendment that provides to state-chartered banks the same rights and privileges that are or may be granted to national banks of the United States domiciled in this state. For example, if national banks become authorized to maintain branch offices, this amendment would extend the same privilege to state banks.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide state banks the same rights and privileges as national banks."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that restructures the Permanent University Fund to provide: (1) for the expansion of the institutions eligible to participate in the bonding capacity of the fund to include the components of The University of Texas and Texas A&M University systems that have been added to those two systems of higher education since the Permanent University Fund was last restructured by constitutional amendment; (2) for the expansion of the purposes for which bond proceeds can be expended from new construction to include major repair and rehabilitation projects and the acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials; (3) for an increase in the bonding capacity from 20% (2/3 for The University of Texas System and 1/3 for the Texas A&M University System) to 30% (20% for The University of Texas System and 10% for Texas A&M University System) of the value of the assets (exclusive of real estate) in the Permanent University Fund in order to provide sufficient bond proceeds to care for the addition of 10 new institutions to those authorized to participate in the Permanent University Fund bonding program and to care for the expanded purposes for which the bond proceeds can be spent; and (4) for the dedication of the dividends, interest, and other income from the Permanent University Fund remaining after payment of principal and interest due on bonds and notes issued, to the provision of support and maintenance (over and above normal legislative appropriations) for Texas A&M University in Brazos County, Prairie View A&M University, and The University of Texas at Austin.

House Joint Resolution 19 also annually appropriates \$100 million in each fiscal year, beginning September 1, 1985 (from the first money coming into the state treasury that is not otherwise appropriated by the constitution) for the use of those

education which are not included in The University of Texas or Texas A&M University Systems and, therefore, not eligible to participate in the Permanent University Fund bonding program. The amount of this appropriation could be adjusted every five years by a 2/3 vote of the Legislature, but could not be adjusted in such a way as to affect outstanding bonding indebtedness. Each institution of higher education that is eligible to participate (i.e., those institutions of higher education outside The University of Texas and Texas A&M University Systems) would be authorized to expend directly its share (such share to be determined pursuant to an equitable formula) of the \$100 million appropriation for the purposes of acquiring land, constructing and equipping buildings or other permanent improvements, major repair and rehabilitation of other permanent buildings or improvements, and acquisition of major capital equipment (e.g., computers and laboratory equipment) and library books and materials. Additionally, each institution would be authorized to issue bonds backed by a pledge of up to 50% of its share of the \$100 million annual appropriation for the purpose of land acquisition, new construction, and major repair and rehabilitation projects.

Except in the case of fire or natural disaster and in other extraordinary cases, verified by a two-thirds vote of each house of the legislature, all institutions of higher education would be precluded from receiving appropriations of general revenue funds for the purposes of land acquisition, new construction, and major repair and rehabilitation projects.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to create from general revenue a special higher education assistance fund for construction and related activities, to restructure the Permanent University Fund, and to increase the number of institutions eligible to benefit from the Permanent University Fund."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 65 proposes a constitutional amendment which authorizes the legislature to provide for the payment of assistance to the surviving dependent parents, brothers, and sisters of officers, employees and agents of the state or its political subdivisions, including members of organized volunteer fire departments and members of organized police reserve or auxiliary units authorized to make arrests, who die in the course of performing hazardous official duties. Payments to surviving spouses and dependent children of agencies and institutions of higher

such officers, employees, and agents are already authorized by the Constitution.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for payment of assistance to the surviving dependent parents, brothers, and sisters of certain public servants killed while on duty."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 20 proposes a constitutional amendment which abolishes the office of county treasurer in Bexar and Collin counties if a majority of the voters in each of those counties vote in favor of abolishing the office of county treasurer in a local election to be held on the issue. All the powers, duties, and functions of the office of county treasurer in each of these counties would be transferred to the county clerk.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to abolish the office of county treasurer in Bexar and Collin counties."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 22 proposes a constitutional amendment which provides a new method of filling a vacancy in the office of Lieutenant Governor. The amendment requires the President pro tempore of the Senate to call together the committee of the whole Senate within 30 days after a vacancy occurs in the office of Lieutenant Governor. The committee would be required to elect one of its members to perform the duties of the Lieutenant Governor until the next general election. This individual would continue his duties as Senator at the same time that he performs the Lieutenant Governor's duties. If the Senator who is elected ceases to be a Senator before the next general election, another Senator must be elected according to the above procedure to perform the Lieutenant Governor's duties. The President pro tempore would be required to perform the Lieutenant Governor's duties pending the election of one of its members by the committee of the whole Senate.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the state senate to fill a vacancy in the office of lieutenant governor."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment that permits the use of public funds and credit for payment of premiums on non-assessable life, health, or accident insurance policies and annuity contracts issued by a mutual insurance company authorized to do business in this state. The constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company has limited life and health group policies of political subdivisions to non-mutual insurance companies. The amendment would permit mutual insurance companies to bid for those policies.

The proposed constitutional amendment will appear on the ballot as follows: The constitutional amendment to permit use of public funds and credit for payment of premiums on certain insurance contracts of mutual insurance companies authorized to do business in Texas."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment to change the membership of the State Commission on Judicial Conduct to include one Judge of a Municipal Court and one Judge of a County Court at Law, who shall be selected at large and appointed by the Supreme Court with the advice and consent of the Senate.

The amendment also provides additional grounds for removal from office of judges or justices of Texas courts, and provides additional disciplinary actions that could be taken in lieu of removal or censure. The amendment would extend the Commission's disciplinary authority to masters, magistrates, and retired or former judges who hear cases by designation. The amendment creates a tribunal to review recommendations of the State Commission on Judicial Conduct for removal or retirement of a judge or justice. The review tribunal would be composed of seven (7) Justices or Judges of the Courts of Appeals selected by lot by the Chief Justice of the Supreme Court. The amendment also provides for appeal of the review tribunal's decision to the Supreme Court of Texas and grants an accused judge the right to discovery of evidence.

The proposition will appear on the ballot as follows: The constitutional amendment relating to the membership of the State Commission on Judicial Conduct and the authority and procedure to discipline active judges, certain retired and former judges, and certain masters and magistrates of the courts."

PROPOSITION NO. 8 ON THE BALLOT

House Joint Resolution 22 proposes a constitutional amendment which increases the per diem of members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount set in federal income tax statutes as of January 1 of that same year as a deduction for ordinary and necessary business expenses incurred by a state legislator. Current per diem is \$30; the maximum deduction is now \$75.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to provide a per diem for members of the legislature equal to the maximum daily amount allowed by federal law as a deduction for ordinary and necessary business expenses incurred by a state legislator."

Estos son los informes explana-torios sobre las enmiendas propu-estas a la constitucion que aparaceran en la boleta el dia 6 de noviembre de 1984. Si usted no ha recibido una copia de los informes en español, podra obtener una gratis por llamar al 1/800/252/9602 o por escribir al Secretario de Estado, P.O. Box 12887, Austin, Texas 78711.

Texico nips Cloudcroft to open campaign

Texico Wolverines opened their football season with a non-district win of 7-6 over the Cloudcroft Bears last Friday.

On Cloudcroft's first drive, the Wolverines recovered a fumble on the Bears' 36-yard line. The Wolverines drove 20 yards, on two plays by tailback Billy Bibbs, but had the first turnover of the game.

At the end of the first quarter, the Wolverines and Bears were scoreless.

The only scoring drive for the Wolverines was made in the first minutes of the second quarter with Ronnie Galvan carrying the ball across the goal line.

The extra point was executed by Danny Powell, putting the Wolverines in a 7-0 lead, which they held on to at halftime.

Offensively, both teams failed to come up with anything during the third quarter, with the opposing defenses trading quarterback "sacks."

Incomplete passes were the result of many scoring attempts during the game.

The Bears got their scoring opportunity during the fourth quarter with a Wolverine fumble at the 15 yard line. Capitalizing on the mistake, Heath Gould carried the ball

into the end zone making the Bears' first and only score of the evening.

A two point conversion attempt was broken up in the end zone and Texico remained on top.

When the Wolverines again fumbled deep in their own territory, the team defense came to the rescue intercepting a Bear pass, thus clinching the victory.

Keeping possession of the ball was a problem for both teams, with Texico having three give-aways and the Bears two.

Billy Bibbs led the Texico ground attack with 141 yards on 29 carries, for an average of 4.9 yards per carry.

Ronnie Galvan got 24 yards on five carries; Danny Powell, 20

yards on nine carries; and Charlie Bibbs for 11 yards on four carries.

Danny Powell was 1 for 8 in the passing department, completing a toss to Billy Bibbs. Powell was also intercepted once.

During the game a total of 201 yards was gained by the Wolverines.

The Wolverines received 12 penalties for a total of 80 yards.

The Bears gained a total 134 yards

with 15 pass attempts made, three of which were completed. The Bears had three penalties for a total of 15 yards.

Texico Coach David Lynn said, "I didn't think we played well at all. Of course, I guess it's understandable, we've got a lot of young kids."

Of the 12 penalties, Coach Lynn said, eight were for illegal procedure.

"We did play good defense. When

we had to stop them, we did. However, there were a lot of mistakes offensively," Parker said.

The next game for the Wolverines is today (Friday) with the Capitan Tigers. The game will be held in Capitan at 7:30 p.m. MDT.

Coach Parker said, "We're going to work harder and play better at Capitan."

TEA holds

ice cream social

Recently Texico Education Association members and families marked the beginning of the 1984-85 school year with an ice cream social at the home of Dale and Gerry Schwartz in Clovis.

In addition to homemade ice cream, iced tea and punch the group was served a cake featuring a large red apple and the legend "Welcome Back."

The informal gathering provided an opportunity for a sharing of ideas and for plain old fashioned visiting.

Attending were Wanda Turnbough, Kendale Burch, George and Jerri Herrington, Glen and Joan Edwards, Paula Leighton, Ima Gene Swinney and Juanita and Jessica Hadley, in addition to the hosts.

Steers win opener over Wilson Mustangs, 16-0

by Mark Cole

The Farwell Steers stormed into the ranks of Class A by notching their first win of the '84 season 16-0 over the Wilson Mustangs, at Wilson.

The Steers completely dominated the non-district game, outgaining the Mustangs in most offensive statistics, while the defensive unit refused to allow Wilson a score, and even came up with a safety.

The Steers started the fireworks early in the first quarter on Wilson's first possession when the Steer defense snatched away the first of its four Wilson turnovers for the game. On a 3rd and 9 play, defensive back Eric Williams came up with the interception and returned it 20 yards to give the Steers good field position on the Wilson 40.

The Steers needed only 2 plays to capitalize on the turnover. QB Blake Kelley quickly hit Williams for 15 yards to bring the ball to the 25. Roger Robertson then picked up his first touchdown on a 25-yard run, set up by the powerful right-side offensive line led by Jesse Anzaldua. Robertson also kicked the extra point to put the Steers on top 7-0.

The Steers came within striking distance several more times before half, but couldn't quite make it to pay dirt. The next scoring opportunity came with 8:47 in the 3rd quarter when Kevin Owen booted a

Errant pass

Wilson end Craig Morton watches the ball fly past on an errant pass attempt. Guarding on the play is

60-yard punt, clear to the 1 yard line. The Steer defense refused to let Wilson see any daylight, and held them close to their own end zone. Kevin Owen came up with big solo tackles for -1 and 0 yards. Robertson made the stop on 3rd, which brought

Steer Joe Jaime (30). The scoreboard in the background shows Farwell ahead 7-0.

up a 4th down punting situation. The Mustang center snapped the ball high and out of the end zone, which handed the Steers 2 more points.

Only minutes later the Steers got the ball back after a defensive stand led by Bobby Ford and Jesse Anzal-

dua. On this possession, the Steers moved the ball on an excellent sustained drive. Robertson ran for 6, 7, and 9 yards to start the march downfield. Bobby Ford and Kevin Owen both added short runs, before a 15 yarder also from Ford. From the 4 yard line, Robertson carried across the goal line for his second TD of the game. Robertson finished his night's work with 130 yards, two touchdowns, and 2-2 on Extra Points.

Today (Friday) the Steers face AA powerhouse Petersburg there at 8 p.m.

7	passes attempted	21	3	punts	6
3	passes completed	5	44	punt average	28

It's Petersburg next

With a win over Wilson, the Farwell Steers have burst into the 1984 football season.

Coach Monte Barnes said, "We were happy to win but I would like to have looked better doing it. Offensively we just haven't gelled yet."

Barnes said the Steers ended up playing more of a power game, offensively, than he had wanted to.

Defensively, "We played real well, especially in the secondary," he said.

Eric Williams had a fine game at safety, Barnes said.

He added, "I thought our kicking game was a pleasant surprise. We did an excellent job."

Barnes cited Leonard Hillock for an excellent job deep snapping for punts and extra points and Kevin Owen for a good night punting the ball.

He also mentioned Roger Robertson. "He looked good on the extra point kicks," Barnes said. And Carey Stancell did well kicking offensively.

Farwell plays Petersburg next.

Barnes said, "Petersburg lost 48-0 last week to Abernathy but Abernathy is an awfully tough team."

Petersburg is a better team than the score with Abernathy indicates and Barnes said, "We will have to play well against them."

Petition rumors in air

Rumors have been heard around Farwell that a petition is being circulated to change the current three-city commissioner system to five or more.

This change has been talked about for years in the community and is definitely not a new topic. So far, no

one has actually seen a petition circulating in the area.

About one month ago the legal offices were contacted to find out what the legal stance is on getting such a change accomplished - that's as far as it has gone, so it would appear.

Longhorns blank Smyer, 21-0

The Lazbuddie Longhorns opened the football season with a big 21-0 win over Smyer last Friday. Coach Bo Williams said, "We played real well. Offensively we played real well, defensively we were spotty."

Shannon Weaver was the best player on the field, Williams said. Shannon, the Longhorn right tackle, blocked well and made six tackles. Todd Daniels made a one-yard TD run during the second quarter of the game with Ben Williams making the extra point. The duo again scored in the third quarter with Daniels making a two-yard TD run, Williams the extra point. In the fourth quarter, Daniels scored again on a one-yard run, with Williams kicking the extra point. Longhorn player statistics for the game were Todd Daniels, 25 carries, 197 yards; David Schacher, 17

carries, 102 yards; Shane Bailey, 11 carries, 70 yards; Shannon Weaver, six tackles; and Ben Williams, six tackles. Coach Williams said, "We played it on the ground a lot." The next Longhorn game is scheduled today (Friday) against Hart at 8 p.m. in Lazbuddie. Williams said, "Hart is a Class AA team and it's going to be tough playing."

Farwell receives tax payment

Farwell City Hall recently received a check for \$2,328.22 from the State Comptroller's office for the September payment of local sales tax. Farwell is one of the 990 cities in Texas which levy the one-percent city sales tax. Janie Bowery, city clerk, said, "We took the one-percent city sales tax option several years back." A comparable payment to the prior year payment is \$1,303.02. Mrs. Bowery said, "Our economy has really gone up or so it would seem by what the sales tax shows. We've never had that much before." She said the sales tax only applies to certain type items. "Things like

food (from the grocery store) are not taxable and prescriptions are not taxable. The sales tax comes from other items besides these." Mrs. Bowery said what items are taxable will change in October. This is a result of legislation passed during the 1983 special session. The September checks represent taxes collected on sales made in July and reported to State Comptroller Bob Bullock by Aug. 20. Farwell payments, to date, are \$19,316.92. Mrs. Bowery said, "The money is put towards the general fund - then whenever something is needed the money is there."

Texico potholes blasted

How to solve Texico's growing street pothole problem was the main topic at Monday night's Texico Chamber of Commerce meeting. Present were Bill Christian, School Supt. Jim Pierce, Ann Cooper and Mayor John R. Hadley. The consensus was to ask town

residents to ask the city council to speed up action to fill some of the potholes. In other business, the Chamber members discussed fixing it so the picnic tables at the park could not be removed.

Plane makes emergency landing

A thrust crop dusting plane had to make an emergency landing near Farwell Saturday when an oil line broke. According to reports from the Parmer County Sheriff's office, the plane landed with no problems and there were no injuries. A small fire did erupt when the plane landed, but it was already out.

before the Farwell Volunteer Fire Department responded. The plane was being flown by Don Walker of Muleshoe. The plane belongs to the Aero Farm Chemical Inc. of Pleasant Hill. Reports from the business said the damages to the plane were minor ones.

In-service days planned

Sept. 19 and 20 have been scheduled as in-service training days for the faculty members of Texico Schools. All teachers are required to attend. Students will not attend classes these two days but will have regular schedule Tuesday, Sept. 18, and Friday, Sept. 21.

ASVAP testing

Seniors and sophomores at Farwell High School will be involved in Armed Services Vocational Aptitude Battery testing Thursday, Sept. 13. The testing, a part of the regular school testing program, will be conducted first, second and third periods in the auditorium. The ASVAB testing will be conducted by Councilor Harold Carlyle.

Parmer County Welfare Board recommends that area residents view

Child sexual abuse: What your children should know

It airs on four consecutive nights at 8 p.m. starting Sept. 17 on Channel 3 (KENW-TV), and shows you and your children how to prevent sexual abuse.

PUBLIC NOTICE

A budget hearing will be held on September 24, 1984 at 5:00 p.m. for all interested citizens of Parmer County. The following budget is proposed for the fiscal year of 1985. The total budgeted expenditures are expected to be \$1,585,142.00 of which Revenue Sharing moneys of \$131,899.00 or 8.32% of the budget, is estimated to be received during E.P. 16. The meeting will be held at Farwell, Texas in the County Courtroom for the purpose of discussion of the proposed budget. The proposed budget may be examined on weekday in the County Judge's office during regular business hours. All interested citizens will have the opportunity to give written and oral comment. Senior Citizens are encouraged to attend and comment. Handicapped persons needing assistance or aids should contact the County Judges office before the meeting.

BY ORDER OF THE COMMISSIONERS COURT.

Broom sale

Dutch Quickel, left, and Bill Whitesides helped promote sales at the annual Lions Club broom sale held Saturday in Farwell. Quickel said,

"The sale went pretty good this year, a total of \$980 was made." The money goes toward helping the blind.

Maize Days announced

"Celebrate Texas" is the theme for the 1984 Maize Days scheduled Sept. 15-22 in Friona.

The annual celebration will kick off with a Maize Queen talent contest at 2 p.m. Saturday (Sept. 15). The contest will be held in the high school auditorium with a \$2 admission fee.

At 7:30 p.m. Saturday, the Queen pageant finals will be held in the high school auditorium. Tickets are on sale at the chamber office, 621 Main, for \$3.50 each. All seats are reserved.

A Little Miss pageant is scheduled for 7:30 p.m. Tuesday, Sept. 18. The pageant, sponsored by the women's division of the Chamber of Commerce, will be held in the high school auditorium.

The Modern Study Club will sponsor a photography show. Entries are to be made Thursday, Sept. 20; judging and awards will be Friday, Sept. 21; and all entries will be on display at 618 Main on Saturday, Sept. 22. More information can be obtained by calling 247-3761 or 247-3350.

The Modern Study Club will also sponsor a country store, 618 Main on Sept. 21 and 22.

A Jack and Jill softball tournament will be sponsored by the Friona Young Homemakers on Sept. 21, 22 and 23. More information can be obtained by calling 247-2140.

Saturday, Sept. 22, will begin with a hotcakes and sausage breakfast at the high school cafeteria. The breakfast, sponsored by the American Legion, will be held from 5:30 to 8:30 a.m.

A Dixon-Six Mile Run will begin at 8 a.m. at Anthony's Corner.

At 10 a.m. the Maize Days parade will begin on Main St. Presentation

of prizes for parade entry winners will be held at 1:30 p.m. at the city park.

An "All You Can Eat" barbeque will be held from 11:30 a.m. to 1:30 p.m. in the park. The dinner of beef, sausage, ham, potato salad, beans, coleslaw, bread and tea will be catered by Savage's Hickory Pit of Hereford.

Advance tickets are available at the chamber office for \$5 for adults and \$3 for children under 10. There is no waiting line for those with advance tickets. Tickets may also be purchased at the park on Sept. 22, for \$5.50 for adults and \$3.50 for children.

A horseshoe pitching contest will be held at 2:30 p.m. on the north side of the park. The contest will be sponsored by the chamber.

At 3 p.m. the Friona Humane Society will sponsor a children's pet show. It will be located next to Gib's Cleaners.

Food booths, homemade ice cream and baked goods will be set up all day Saturday, Sept. 22, in the park.

At 7 p.m. roping will take place at the riding club arena, one mile west of Friona on U.S. 60. Stock for the roping will be furnished by Carl Alford. Further information can be obtained by calling 295-3638. The roping is sponsored by Friona Riding Club.

The Friona Evening Lions Club will sponsor a carnival in the city park Sept. 18-22 for Maize Days fun.

Allred coming

State Comptroller Bob Bullock has announced that Lloyd Allred from his Lubbock field office will be at the Parmer County courthouse on Sept. 19 from 2 p.m. to 3:30 p.m.

- Pick the team you think will win in each game and circle the WINNER'S NAME.
- PICK THE SCORE OF THE GAME OF THE WEEK and place your guess in the appropriate blank on the entry. Bring or mail the entry blank to The Tribune office by 5 p.m. Friday of this issue.
- Tabulations of individual entrants will be kept all season and at the end of the season Grand and Second Prize winners will be named.
- Only one entry blank may be submitted per individual.
- Tabulations will be available for public inspection.
- Contestants must be 12 years old or over.
- Game of the Week used as the tiebreaker only.
