

Leneau Will Build Five New Homes

Announcement was made today that Charles Leneau, who several months ago purchased the Hillcrest development in southern Farwell, will build five GI houses there soon.

FROM THE HOPPER

Billy Ellis of the Texas Tech athletic department is trying to compile a history of area football. He has written us wanting to know if we can dig up some old-timey scores.

Other years the schools may have played are: 1927, '28, '30, '31 and '36. I want to complete my records by Aug. 1, so if you can check these out for me at your earliest convenience, I'll be very grateful.

Add to your collection of the world's most flattering words: "Haven't you been losing a little weight lately?"

The summer sun has brought out the kid in the editor, and he got brave enough to take his two young sons in swimming Sunday afternoon.

Some things he learned: It's farther across the swimming pool than it could possibly have been ten years ago.

Twenty minutes of the hot summer sun would be plenty for the pale shoulders of some people.

The Clovis pool capacity must be 5,000.

The 8-foot-deep water isn't deep enough for diving off the high board; even for hard-headed fellows like editors.

Some very pretty girls are among the coming generation.

Sliding down the slide is not recommended for adults.

If you want to get drowned, stay in shallow water. Three hundred 10-year-old boys will be glad to drown you.

Don't wear the swimming trunks you bought when you were 28 inches in the waist. If you do, you'll look like you have an inertube on, whether you do or don't.

As a matter of fact, the best piece of advice for anybody over 21 is to find a placid spot away from all the commotion and be sort of a private life guard. It's the only way to save your dignity. We recommend it.

All summer long we have been begging the wife to go camping with us, and she has steadfastly refused. Since we don't cater to cooking for ourselves, and the dreary chore of food preparation sort of takes the sheen off the prospect of any trip we can think of, we've spent all our spare time in our own backyard this year.

Just about the time we had the wife cajoled into thinking maybe a trip to the woods with her brood would be something less than fatal to everyone in the party, the headlines screamed, "Dam About To Break—Campers Warned To Evacuate."

That did it. We'll never get her off the reservation.

We had something in mind about like the peaceful little Alamosa River Valley in southern Colorado.

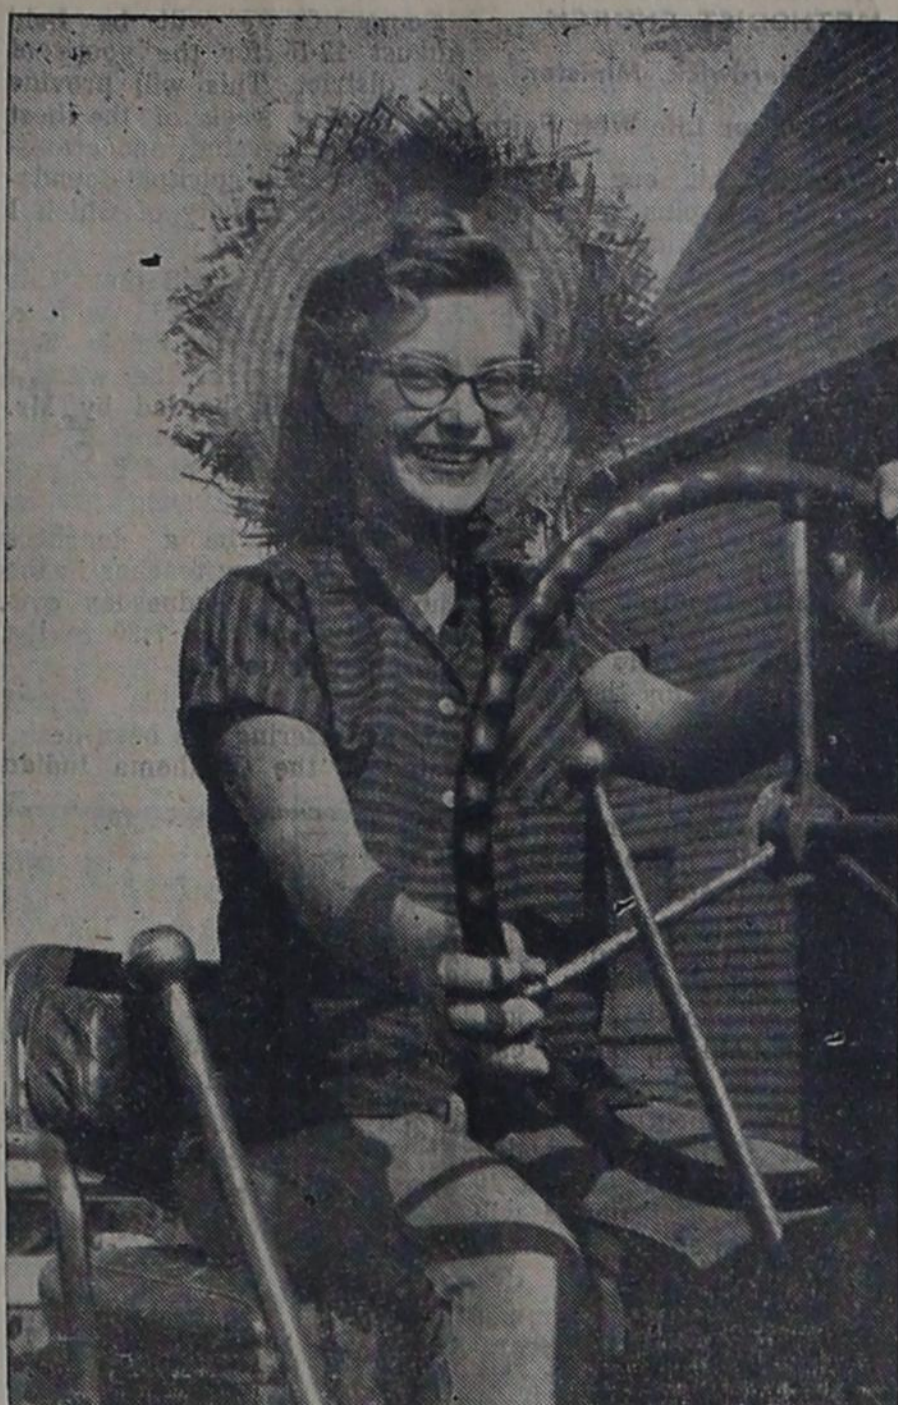

We are for the forgiving spirit, don't misunderstand us. But the trouble lately seems to be that the general public pours its affection on some of the biggest bums that have ever been in the field of entertainment.

We've somehow come to admire as "daring" or "different" the behavior of certain personalities who drink, get into fights, evade the police, and disrupt peaceful living in general.

Maybe that is why it isn't too surprising to see a young woman lie her way through beauty contests to finally emerge as Miss (Mrs.) America. "We needed the money," she says simply, and that makes everything okay, we suppose.

Now she can hardly catch her breath for the booking agents, the autograph seekers, and the people who just want to stare at her in admiration.

Doesn't that beat all?

THE FIRST TIME — Petite Wilma Norton is the first Farwell entrant to ever win the Parmer County Farm Bureau queen contest. Miss Norton was crowned Saturday night (see story in High Plains Farm & Home). She is the daughter of Mr. and Mrs. Lester Norton.

Lazbuddie Votes On Tax Saturday

Qualified voters of the Lazbuddie School District will say "yes" or "no" to a request by the school board this Saturday that they adopt the provisions of Public Law 116 which will make possible an increase in school taxes by 10 percent.

The law, if adopted by the Parmer County school, would give the Lazbuddie school board the flexibility to alter the tax rate, within stated limitations, and increase the money now earmarked for "maintenance" purposes it says must be derived to meet increasing expenses in running the school.

Several reasons are responsible for the precarious financial situation of Lazbuddie and other area schools in this respect. For one thing, the county "economic index" was increased by the state this year, which means that it now costs Parmer County school districts more money to participate in the state aid to education program.

Baseball Season Nears End

Baseball season for the three Texico-Farwell small fry teams draws to a close this next week with four games in the next five days. The Pony Team is to play Friona there today (Thursday), the Pee Wees and Little Leaguers meet Lazbuddie here tomorrow, and the Pony Team closes out the campaign at Springlake Monday.

As the season goes into its final games, Texico-Farwell has one team with a 3-3 record, one standing at 3-4, and another at 1-6.

The Pony Leaguers have the best record in spite of being hampered with a shortage of material all season long. Due to several pony-age boys playing in a Clovis league, more than half of the local games have seen Little Leaguers in the line-up.

It is not known by the local coach just what the standings are in the five-team Pony loop, but should the local squad be able to win both its last games, the team may have a chance for the crown.

The sites and times for the playoff will be determined after Friday's game. The original plan had been for the winners of each half to clash in a best two out of three series for the championship.

The third Texico-Farwell team participating in a league is the Pee Wees, made up of seven- and eight-year olds. They have had a rough time of it all season, losing their first six games, before breaking the ice, with a 6-5 win over Bovina last Friday.

Due to a shortage of Pee Wees for the Bovina game, two Little Leaguers were used in the lineup.

Also at Bovina, the Little League team dropped out of the tie for first place, by dropping a 9-8 decision in eight innings. It was the second straight loss for the locals after winning three straight.

TO CONCLUDE SEASON—Pictured above is the Texico-Farwell Little League baseball team which will finish regular season play Friday afternoon against Lazbuddie. By winning the final game, the team will earn the right to play Bovina in a playoff for the league championship. Front row, left to right, Jimmy Wakefield, Jackie Dyer, Murrell Smith, Danny Huffaker, Robert Keith, Jim Morton, and J. D. Atwell, coach. Back row, Hal Ed Helton, Bob Scott Anderson, Carl Davis, Bobby Hapke, Vernon Thigpen, Van Crume, and Leon Lovelace.

THE STATE LINE TRIBUNE

"OFFICIAL PUBLICATION OF PARMER COUNTY"

FARWELL, TEXAS THURSDAY, JULY 25, 1957 NUMBER 41

Grand Jury Summoned

A special session of the Parmer County Grand Jury has been called for Monday, July 29, at the courthouse in Farwell. The session has been called by District Judge E. A. Bills and a list of 16 jurors, who have been summoned to be on hand, has been released by the county clerk.

Up for investigation are approximately 10 criminal cases, says Tom Atkins, Parmer County deputy. Those indicted by the jury will be tried by Judge Bills. Possibly, some of them will be tried Monday, Atkins says.

The reason for summoning the jury at this time is due

to the number of persons presently in custody at the county jail for various offenses. Some of the persons, charged with the offenses, are out on bail, but some have been in the jail for some time, says the deputy.

CHAMBER TO MEET

Regular meeting of the Farwell Chamber of Commerce will be next Tuesday night, July 30, at the city auditorium. Business will be mostly routine, except for a discussion on a highway loop, proposed for the city, says Wilfred Quickel, chamber secretary. The meeting will be at 8 o'clock.

This will be the first session of the grand jury for the April term. Usually, the jury is called at the start of the term, but in April, there were no cases to be investigated, so it has been postponed until now.

Since there are no civil cases pending, requiring a jury, the petit jurors have not been summoned.

Those who have been called up for jury duty Monday are Buck Ellison, Joe Magness, Virgil Teague, U. S. Aken, Aubrey Brock, Clarence Meeks, James Robinson, Guy Latta, H. J. Charles, Joe McWilliams, Clarence R. Mason, R. L. London, R. E. Wilson, Donald Watkins, Ansel L. Ashford,

and John L. Ray. Twelve of the 16 will make up the jury.

Mrs. Williams Has Fractured Foot

Mrs. Johnnie Williams is recuperating from a bone fracture in her left foot, and will be wearing a cast extending to her knee for the next six weeks.

One More Day For Swimming

The summer youth program for Texico-Farwell comes to a close Monday with the last swimming trip to Muleshoe, says program director, J. D. Atwell. The two buses will leave here at 9:30 for the final session of what has been the most popular part of the summer program.

Prior to today (Thursday), thirteen trips had been made to the Muleshoe pool and more than 700 youngsters have paid admissions for swimming.

Auction Concludes At Furniture Mart

An auction, conducted to close out business for the Smart brothers at the Texico-Farwell Furniture Mart, concluded Saturday night. The five-night sale attracted large crowds and many items were sold, says Ben Smart, manager.

As to the success of the auction, Smart says, "It was as good as could be hoped for at this time of year." In spite of quite a number of items being sold during the sale, it was impossible to sell all of the furniture in only five nights, and there are still quite a few pieces of furniture yet to be sold, the store manager says.

For that reason, business is still being conducted at the store this week, and Smart plans to be here until all the furniture is sold, either to furniture dealers or individuals. Just how long the store will be open under the present management, Smart does not know.

Bill Glenn Home From Hospital

Bill Glenn is reported to be feeling "fair" this week after having been confined to the hospital in Clovis Monday through Friday of last week.

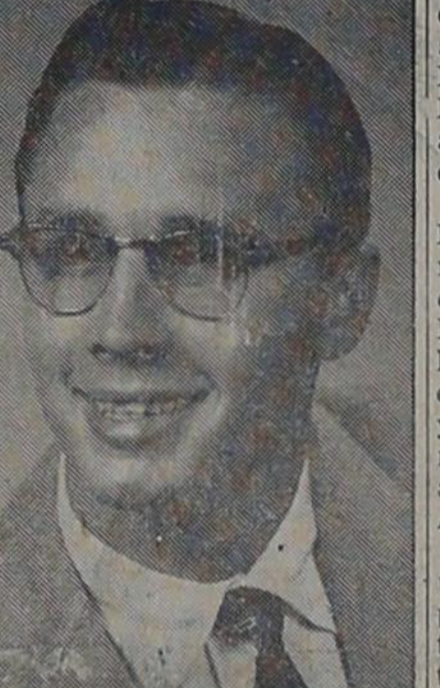

Physicians have not yet determined the cause of Glenn's illness, but he is to re-enter the hospital next week for further tests and examinations. Family members say that he is able to be up and around some while confined at home.

Youth-Led Revival Planned

Of interest to all young people of this area is the youth-led revival to be held at the Texico Baptist Church this weekend.

Starting tomorrow (Friday) night at 8 o'clock (CST) the meeting will continue through Sunday evening with the youth groups taking complete charge of the services.

Jerry Poteet of Texico is to be the evangelist for the meet-

JERRY POTEET

ing and Edwin Peoples of Sweetwater will be the song leader and music director.

"Deeper With God" is the theme of the youth meeting and all young people and adults are cordially invited to attend and enjoy the fellowship of the meet. Young people are especially urged to come to sing in the youth choir.

Jerry is a junior student at Hardin Simmons in Abilene and is a member of the ministerial council, the Life Service Band and is vice-president of the BSU there for the coming year. He is studying Bible and speech and is making plans to be a chaplain.

Peoples is also a junior at Hardin Simmons where he is a member of the ministerial council, the Life Service Band, BSU and Missions. He has been leading music for revivals and other meetings since he was 13 years old. He is presently the music and educational director at the First Baptist Church of Aspermont.

Following the services on Saturday evening, the young people are invited to remain at the church for a period of entertainment and refreshments.

Hardings Uninjured In Accident

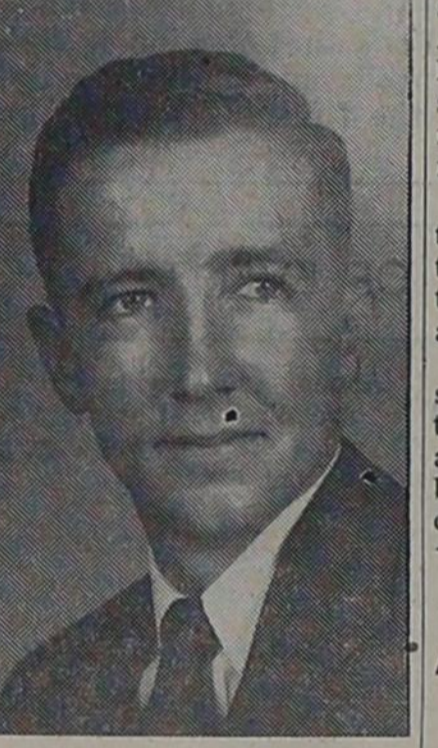

Mr. and Mrs. Nathan Harding escaped serious injury when their car and house trailer overturned near Bowie, Tex., Thursday night at 9:30 as they were enroute from Denton to Farwell to visit their parents.

Harding says the accident occurred when the trailer's right wheels ran off the pavement and he tried to ease it back up onto the road. He says there was an eight inch drop from the paving to the shoulder of the road, causing trailer and car to overturn when he started back onto the pavement.

The trailer was declared a total loss and the car was damaged to the extent of \$600, says Harding. Both were insured.

The Hardings arrived here Saturday afternoon and plan to visit their parents, Mr. and Mrs. D. O. Rolland and Mr. and Mrs. N. R. Harding, for several days before going to Odessa where they both plan to teach school this fall.

Miss Ellen Cain returned home recently from El Porvenir Christian Camp where she attended a two-week vacation church school.

EDWIN PEOPLES

Youth Activity Week Is Termed Success

Youth Activity Week conducted last week at the Oklahoma Lane Methodist Church was considered quite successful and promoters of the three day event were well pleased with the attendance and participation.

An average attendance of 60 was recorded with young people from Farwell, Texico, Muleshoe, Oklahoma Lane, Progress, Bovina and Y-L Churches attending.

The meeting opened Thursday night and was concluded Saturday evening. A chuck wagon supper at the church climaxed the final session.

Speakers for the meeting included John Herrington of Farwell, Jerry Poteet of Texico, Dr. and Mrs. T. J. Glenn of Farwell and Rev. E. L. Hall, pastor of the First Methodist Church of Muleshoe.

Park Almost Ready

A second barbecue grill was completed this week at the Texico City Park which is a project of the Texico Woman's Club. A concrete play area 32x60 is being built this week by Frank Doshier, whose bid was recently accepted by the city council and mayor. This area can be used for volleyball, shuffle board, roller skating and such, says Mrs. Curtis Miller, club president.

The concrete pipe, concrete for a base, metal grills and stove pipes are being donated by Gifford-Hill-Western in Farwell of which Ed Combs is manager. C. H. Webb of the same company has donated his labor in the late afternoons to help build these grills.

"We wish to thank Mr. Combs and Mr. Webb, as well as Gifford-Hill-Western for the material and work," says Mrs. Miller. "We appreciate these gentlemen taking an interest in our small town and helping to add improvements."

An outdoor supper and party is being planned for all members and their families and special guests in appreciation for their help, and as an official opening. Tentative date is being planned for sometime next week.

"Swings are to be delivered from Clovis and set up in concrete on the east side of the park; two redwood tables will be placed in the grassy area on the south; and we'll be ready for our opening," Mrs. Miller continued.

The city council, composed of J. E. Stone, Joe Helton, Olan Schlueter, N. W. Peyton and Mayor Ira Levins, along with their recreation board, made the purchase of the swings, tables and the concrete area possible, as well as help on the (Continued on Last Page)

Farwell Delegates Return

Returning home last Friday night were three Farwell delegates to the state FFA convention at Ft. Worth. The three-some spent last Wednesday, Thursday, and Friday at the conclave of FFA boys and instructors and they report a "very worthwhile trip."

Making the trip from here were Robert "Prof" Morton, instructor; Morris Reed, FFA president; and Jackie Stancell, secretary.

Highlights of the meeting, according to the local delegates, were the election of state officers, the naming of the state FFA sweetheart, and a tour of the stockyards and Swift Packing Co. Voting delegate for the election of officers from the local chapter was Reed.

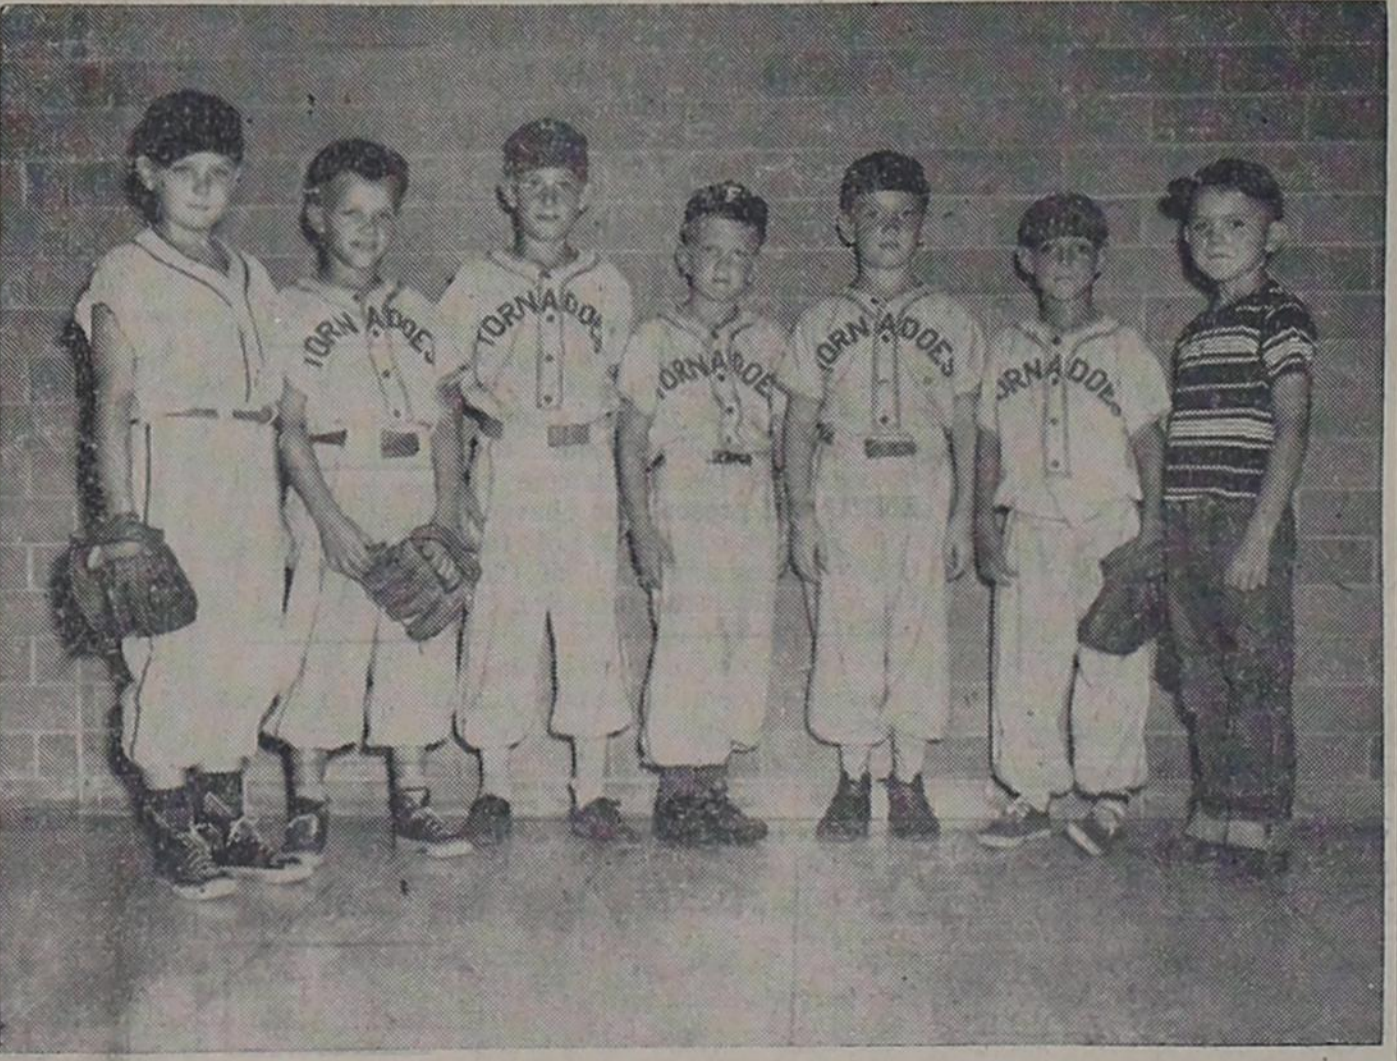

Elected state president for the coming year was Billy Penn, of Hudson. He was picked from 10 nominees, one each from the 10 areas in the state, says the local president. In addition to the president, the other nine candidates will serve as vice-presidents for the year and hold various other offices. The candidate from this area was W. R. Collins, of Idalou.

Linda Keeling, Kilgore, was the winner of the sweetheart contest, winning over nine other contestants, reports Reed. Linda Latimer, Littlefield, who represented this area, was among the top four, he says.

Most all of the programs were conducted by the boys themselves, and outstanding of the various programs was an address by the national FFA president, according to Reed. Also on hand for the meeting were the state presidents from Tennessee and Florida.

More than 4,000 delegates attended the convention, representing over 1,000 FFA chapters in the state. Headquarters for the meet was the Will Rogers coliseum and the delegates were housed in various hotels in Ft. Worth. The local representatives stayed at Hotel Texas.

Other than the programs, tours, and the conducting of state business, the meeting included contests, a fun night, a feed by the Northside Businessmen's Association, and the conferring of Lone Star Farmer (Continued on Last Page)

SNAP LOSING STREAK—Still willing to play ball last Friday afternoon after losing six straight games this season, were these six Pee Wees. They make up Texico-Farwell's first Pee Wee entry in the Parmer County League. Unable to crack the win column all season many players started losing interest and it was hard to field a team with the seven- and eight-year olds. However, in the next to the last game of the season Friday these players, along with the help of two Little Leaguers, broke the ice with a 6-5 win over Bovina. From left-to-right, Mike Camp, Larry Gregory, Tommy Wakefield, Timmy Crume, David Meeks, Ricky Lunford, and Dale Camp, manager. Not present for the picture was Louie Bradshaw, who also played in the game.

THE TRIBUNE'S EDITORIAL COMMENT

What Happened?

Over a year ago, the subject of a permanent cemetery for Farwell was a major topic of discussion at meetings of the local Chamber of Commerce. Several people showed interest in doing something about the run-down condition of the graveyard south of town, and a new cemetery project was launched.

At that time a developer from a neighboring city was contacted and he offered to make the necessary improvements on a plot of ground for half of the proceeds from the sale of lots. No ground was available then, so a committee was appointed to see about obtaining some land.

Up to that point, the project seemed to move smoothly. Just why it bogged down at this point, we don't know, but during the past year little has been done. A report at one meeting showed that the committee had functioned, and a site (the old cemetery location) was donated for this purpose.

Since that time, the topic has been talked about by the Chamber, but no one has been interested enough in the project to bring it to a head.

Some have thought that rather than pay an outsider for developing the land, the Chamber could do it on its own.

This would be fine if enough of the group were willing to devote a little time and effort at the project. If not, it might be best to hire some outsider to do the job, rather than let it ride along with nothing being done.

According to reports, everything is all set—the land has been acquired and someone could be hired to develop

the site. All that is needed is for an association to be formed, a board of directors appointed, and a decision made one way or another about the developing.

Like so many other projects, many people have ideas and think that a cemetery would be worthwhile. When it comes to taking it upon themselves to put it over, though, no one takes the lead.

Rather than let this project fizzle when it is so near completion, why doesn't someone become interested in it again and see that the job is finished. All the preliminary work has been done—only the finishing touches have to be added.

jottin's
from Jeanne

We've been having some excitement in our neighborhood! We didn't think much about it when two-year-old Hal came in and announced that they had a "big worm". But when we went outside and found that the "find" was not only a snake, but a rattlesnake, we got a little shaky.

Sharon Coffman had killed the reptile and although he was a little fellow, he had had time to grow a rattle and a button.

The Grahams dined in style over the weekend on the most luscious strawberry shortcake. Charlie Hromas, our neighbor across the street, paid us a visit and not only renewed his subscription, but brought us a big bowl of fresh berries from his patch.

It was late Thursday afternoon when he came over, and the berries were so tempting, we rushed in the kitchen and popped a cake in the oven and the Grahams had their favorite dish, strawberry shortcake, for supper.

We had a brief note from Loucile Foster this week too. If you remember, she is now at McMurry College. She tells us that "we are having a very

hot summer, and were enjoying the new building immensely until, the air conditioner went off, through some motor trouble."

We have the perfect solution. If it gets too uncomfortable, we would gladly welcome Mrs. Foster back to our community. Now that our boys are getting a little older, we have wished for her many times. We always admired her for her work with the kindergarten when she was here. She could accomplish so much with pre-school youngsters.

Library Opens First Time Tuesday

A total of nine books were checked out during the first day the library in Texico, was open to the public. The library, sponsored by the Texico Woman's Club, was open for the first time this past Tuesday afternoon. It will continue to be open from 3 to 5 p. m. each Tuesday.

Mrs. Curtis Miller, Woman's Club president, says that the library is certainly a progressive step for the town and that the club is glad to have made such a step during its "less than a year existence." She reminds those interested in the library that although the number of books on hand is small, there is a large variety from which to choose.

Besides the books, including those for adults, junior high and high school students and even some for pre-schoolers, the library also has magazines.

HAMLIN MEMORIAL METHODIST CHURCH

W. H. Hardwick, Minister

Undersird Your Life With Faith

We finally hit our 150 in Sunday School—plus four. We can average this kind of attendance with the continued interest, work, and consecration of our teachers and our people.

The closing session of our vacation Bible school was well attended with 104 to see the children in a short program. As we prepared to view the displays of the classes the lights went out—and stayed out. They were finally repaired Monday afternoon. The displays were excellent. The teachers are to be congratulated for their wonderful work.

Another air conditioner has been installed in the basement this week to help make our class sessions more comfortable. Your pastor has been "scrounging" enough of these coolers to cool the whole basement. We still need one more small one to complete the job. If you can help us, please call the pastor.

WCS zone meeting will be held at Trinity Methodist Church in Clovis July 30 at 10 a. m. (MST). The theme will be "The Woman and The Church."

The Conference Laymen's Retreat will be held at Sacramento Methodist Assembly August 24. The fee is \$6.50 and it will be the best money you can spend. You will be a better layman for attending and your church will be better

from your leadership.

Senior Camp will be held August 12-16 for the youth of this district. This will provide you with a week of the best fellowship, learning, and atmosphere for solid spiritual foundation of any activity of which I know.

The M. Y. F. will meet this Sunday night at 6:15 with a sack lunch and cold drinks. The lesson will be in the witness area and will be led by Mr. and Mrs. Wilfred Quickel. We have fine leaders and fine programs for our young people.

There will be a teachers meeting of every teacher in the church school Wednesday evening, August 7, at 7:30 in the church basement.

Our Vacation Bible School mission offering has been designated to the Oklahoma Indian

Mission to help some of the children there. A film on this interesting group of Christians will be shown later on. Thank you for your support.

The New Mexico Annual Conference pastors school will be held at Sacramento from July 29 to August 2 and your pastor will be out of town at that time. Each of you are asked to be active that week in inviting someone to attend church and Sunday School with you. We will be looking for an overflow attendance on August 4 due to your love and labor.

Advance notice is given to the members of the official board that our regular August meeting will be held Monday night, August 5, at 8 p. m. in the church.

TAKEN FOR GRANTED

We Americans take many important things for granted, because we have such a high standard of living. One of these things is electricity in the home.

It's truly a wonderful servant, but it needs to be used with care. Chances are your home has wiring meant for much smaller loads than it is now carrying. Ask us for an estimate on re-wiring your house.

Another Broom Sale Planned by Lions

At the regular meeting of the Texico-Farwell Lions Club Monday night, the group voted to have another Caravan Sales this fall. The Lions have requested that the caravan, which is sponsored by the Texas blind, be here September 6-7.

If it is possible to have the sale on those dates, complete plans for the sales campaign will be worked out later. This will be the second such project conducted by the local Lions. The first sale was conducted last September and sold were all types of brooms, ironing board covers, mops, door mats, and many other miscellaneous items.

Other business for the club Monday night was the electing of Cary Joe Magness as tail-twister for the year. He replaces L. B. Penick, who is

News From
LAZBUDDIE

By MRS. CLYDE MONK

Gary Matthews In Hospital

Derrell Matthews had his tonsils removed Saturday morning and was dismissed from the Methodist Hospital in Lubbock on Monday. Gary Matthews, who has been hospitalized for two weeks after surgery, still has hopes of being dismissed this week. He and the family will remain in Lubbock with Miss Evelyn Matthews and Mr. and Mrs. Gordon Bullard for a few days. Mr. and Mrs. C. C. Matthews visited with the boys in Lubbock over the weekend.

Supper Honors Guests Saturday

Mr. and Mrs. Charles Stafford from Waxahachie spent the weekend with her parents, the Glen Scotts. On Saturday night the Glen Scotts had a backyard barbecue supper in honor of the Staffords. Those enjoying the supper and visit were Mr. and Mrs. Hubert Elliott and family, Mr. and Mrs. Leonard Elliott and family, Mr. and Mrs. Alfred Scott, the Glen Scotts and the Staffords.

John Littlefield and Carrol were boating at Monument Lake Sunday afternoon.

Mr. and Mrs. Adrian Weir visited last Tuesday with Mr. and Mrs. Jim Traweek at Wilson.

Charlotte and Theresa Seaton were both hospitalized in the Muleshoe hospital the first of the week. Darrell Mason is also on the sick list.

Mrs. Lorene Wilson and Leon, accompanied by Mrs. Juanita Jarman and Jo Dean from Muleshoe, are spending this week at Hot Springs, N. M.

Social Events of Interest

Mrs. Sam Jobs, Jr.

Miss Nancy Gibson Weds Sam Jobs, Jr.

The Central Methodist Church of Bridgeton, New Jersey, was the scene of the recent wedding of Miss Nancy Snelling Gibson, daughter of Mr. and Mrs. Leslie Winfield Gibson Sr. of Bridgeton, and Sam Shelby Jobs Jr., son of Mr. and Mrs. Sam Shelby Jobs Sr. of Farwell.

Wedding vows were exchanged by the couple in a seven o'clock ceremony with Rev. Ralph E. Clough, pastor of the Calvary Presbyterian Church of Bridgeton and Rev. W. Gordon Lowden, pastor of the Central Church, officiating.

Church decorations included three candelabra entwined with white and pink roses and ivy, holding pink tapers. Other arrangements of palms and fern completed the wedding setting.

Organist was Harold Wright who accompanied the soloist, William Waksuki, who sang "The Lord's Prayer," "Through the Years" and "Walk Hand in Hand."

The bride was given in marriage by her father. Her gown of summer taffeta and imported Chantilly lace was styled on Princess Eugenia lines. The Chantilly lace bodice featured long sleeves. Insets of pink scroll around the empire waist formed two wide panels which met in a fan bar in the back to form the chapel train. Inverted pleats were featured in the very full skirt. Her shoulder-length veil with scalloped edge was attached to a small pleated head piece. Her bridal bouquet was a cascade arrangement of white and pink roses.

Mrs. Geoffrey Hedden was her sister's matron of honor. Her white organdy gown with shaded pink roses, was styled with a portrait neckline, basque waistline and a full, ballerina length skirt. She carried long stemmed pink roses.

Bridesmaids were Misses Louise Henderson and Margaret Carl, both of Bridgeton, and bridesmatron was Mrs. Paul M. Ford of Easton, Pa. Serving as junior bridesmaid was Miss Nancy Garrison of Bridgeton. Their dresses were identical to that of the matron of honor, and they carried long stemmed Happiness roses of deep pink.

Sheryl Gibson, a niece of the bride, was flower girl. She wore a gown of white organdy over pink featuring a bodice of tiny tucks, petal collar and embroidered applique of pink and green at the waist and one shoulder. She carried a basket of roses and rose petals.

Leslie W. Gibson III, nephew of the bride, was ring bearer.

Geoffrey Hedden served as best man, and ushers were Paul M. Ford, Leslie W. Gibson Jr., brother of the bride; William Demkowski, and William Jost.

The bride's mother wore a sheath gown of tiered pink Chantilly lace with a square neckline, tiny sleeves and was trimmed at the waist with a pink satin inset, a large rose and streamers. She carried green slipper orchids on her handbag.

Mother of the groom wore a lavender Chantilly lace gown with three-quarter length sleeves with lavender accessories. Her corsage was of white orchids.

A reception was held in the garden at the home of the bride's parents following the ceremony. Japanese lanterns lighted the garden and the tables were graced with pink cloths and single hurricane lamps with pink candles and ivy.

For traveling the bride chose a coffee and cream colored striped knit sheath with natural burlap coat with brown and white accessories.

Following their trip, the newlyweds are making their home at 20 Caton Drive, East Syracuse, New York.

The bride attended West Chester State Teachers College, trained in x-ray technology at the Presbyterian Hospital in Philadelphia, and has served as registered medical secretary in the office of Dr. Sherman Garrison Jr.

Jobs attended Texas Technological College in Lubbock, served three years with the air force and is currently employed by General Electric as an electronics engineer in heavy military electronics equipment, Product Service Division, Syracuse.

Thirty-Five Attend WSCS Social

Another of a series of "diminishing" socials sponsored by the WSCS of the local Methodist Church was held at the church Monday evening. About 35 persons attended the meeting which was highlighted by the showing of colored slides by Robert Armstrong who is serving with the Navy.

Included in the pictures were scenes of Hawaii, the Philippine Islands, Japan, and Hong Kong, and the inner and outer portions of the submarine to which Robert is assigned.

Hostesses for the social were Mesdames John Armstrong, W. H. Graham Sr., Paul Wurster, Joe Helton, B. N. Graham and Anne Overstreet. They served cake and coffee to those attending.

The "diminishing" socials started several weeks ago and are being used as a money-making project for the WSCS. Each guest at a social is to be hostess to a similar event to which she invites one less than the previous hostess invited.

Monday evening the ladies each invited four guests; so the four guests of each of the ladies sponsoring Monday night's get-together will invite three guests to her social.

Local Girls Finish Modeling Course

Among the girls from Texico-Farwell who participated in a recent six-weeks modeling course in Clovis were Gloria Johnson, Darlene Day, Sharon Hendrix, Sandra Pendergrass, Connie Tharp, LaDonna Stewart, Belva Christian and D'Ann Garrett.

The climax to the course was a program presented Tuesday morning at Eugene Field School in Clovis. The girls modeled their own clothes and wrote their own script for the program.

Among those attending the program from here were Mrs. Ival Hesser, Mrs. Russell Johnson, Mrs. Nora Day, Mrs. Lee Doshier, Mrs. Callie Pendergrass, Miss Betty Sue Dollar and Miss Betty Pendergrass.

WSCS Meets With Mrs. E. G. Blair

WSCS of Hamlin Memorial Methodist Church held its regular meeting in the home of Mrs. E. G. Blair on Wednesday morning at 9.

Mrs. B. N. Graham, president, conducted a short business meeting at which time Mrs. Elmer Teel was elected promotion secretary of the organization.

The group also signed a card to be sent to Mrs. Curtis Jones who is ill.

"The Heart of a Stranger" was the topic of the program which was led by Mrs. J. R. Thornton. Assisting with the presentation of the program were Mesdames James A. Cox, Ralph Humble, E. E. Booth, G. W. Atchley, Eddie Smith, N. L. Tharp, W. H. Hardwick, B. N. Graham, W. H. Graham Sr. and Ruby Dixon.

Others attending besides those mentioned above were Mrs. Lena Yoder, Miss Laura Temple, Mrs. W. N. Foster and Mrs. Anne Overstreet.

The hostess served refreshments of coffee and doughnuts to the guests as they arrived. After the meeting, the women flower garden.

ESA Holds Informal Dinner Saturday

Members of Theta Rho chapter of ESA entertained Saturday evening with an informal dinner honoring their husbands at a Clovis restaurant. A fried chicken dinner was served.

Attending the dinner and get-together were Mr. and Mrs. Don Williams, Mr. and Mrs. Bert Williams, Lt. and Mrs. Mark Liethen, Mr. and Mrs. Mitz Walling, Mr. and Mrs. W. H. Graham Jr., Mr. and Mrs. John Getz, Mr. and Mrs. Joe Helton, Mr. and Mrs. Wilfred Quickel and Mr. and Mrs. Gilbert Watkins.

Mrs. Cain Hostess To Class Meet

Mrs. Ernest Cain was hostess to a meeting of the women's class of the First Christian Church of Clovis at her home on Thursday of last week.

Attendees enjoyed games throughout the evening and prizes were presented to the winners.

After the meeting, the hostess served refreshments of homemade ice cream and cake to the 16 members attending.

Miss Agnes Meissner To Wed E. Gloyna

Mr. and Mrs. G. P. Meissner of Farwell announce the engagement and approaching marriage of their daughter, Agnes Louise, to Emmett L. Gloyna, son of Mr. and Mrs. Herman Gloyna of Kress.

The wedding will be Sunday evening, September 8, at 6:30 o'clock at St. John's Lutheran Church of Lariat. All relatives and friends of the young couple are invited to attend the wedding and reception.

The bride-elect is a 1955 graduate of Farwell High School and for the past two years has been attending Texas Tech. Gloyna was graduated from Kress High School and is currently attending school at Tech where he is a senior engineering major.

Young Adult Class Has Social Thursday

The young adult class of Hamlin Memorial Methodist Church met for a class social at the home of Mr. and Mrs. Bunk Phillips Thursday evening.

After a sack supper, a short business meeting was held to discuss the class project for the coming year. Members of the hostess committee furnished cold drinks and Spudnuts for the meal.

Attending were the host and hostess and Mr. and Mrs. Glenn Phillips, Mr. and Mrs. M. T. Glasscock, Mr. and Mrs. John Lovelace, Mr. and Mrs. Joe Helton, Mr. and Mrs. Paul Wurster.

Also, Mr. and Mrs. R. W. Anderson, Mr. and Mrs. Judge Barker, Mr. and Mrs. Mark Fairman, Mr. and Mrs. Wilfred Quickel, Rev. and Mrs. W. H. Hardwick and Mr. and Mrs. John Getz.

Richard Paines Visit Schlueters

Rev. and Mrs. Richard Paine and daughters, Dianne and Debbie, of Midland, visited last week with her parents, Mr. and Mrs. Olan Schlueter, in Texico.

While here, the entire group went to Conchas Lake for fishing, boating, and picnicking. From there, they went on to the mountains where they enjoyed the cool weather for a few days. They report that the men caught some nice trout while fishing in the mountain streams. The Paines returned to Mid-

Girls Honored On Birthdays

Miss Connie Tharp, daughter of Mr. and Mrs. Ray Tharp, was honored on her 15th birthday with a party on Tuesday evening, July 23.

The group met at the Tharp home and then went to the Muleshoe swimming pool for a swim session. After returning to the Tharp home they enjoyed playing games.

Attending were Christy Bowers, Darlene Day, Phyllis Kelley, LaDonna Stewart, Fern Smith, Jerry Bowers, David Lockhart, Jimmy Moore, Billie Smith, Travis Taylor, Butch and Judy Tharp, Ben and Anita Zachrel, the honoree and Mr. and Mrs. Tharp.

The Tharps also entertained their daughter Judy on her birthday on July 12. The evening started for Judy's party with a swim at Muleshoe and the girls in the group enjoyed a slumber party at the Tharp home after the swim.

Attending were Carol Bell, Carol Compton, Jean Morris, Jeanne Hadley, Betty Ruth Lockhart, Tommy Wakefield, Leon Kelley, Weldon Walker, Mary Richardson, James Watts, Kenneth Bowers, and Judy and her family.

Texico 4-H Girls Planning Program

Texico 4-H Club girls are making plans for their achievement program which is to be held at the Women's Club building on Friday evening, August 2.

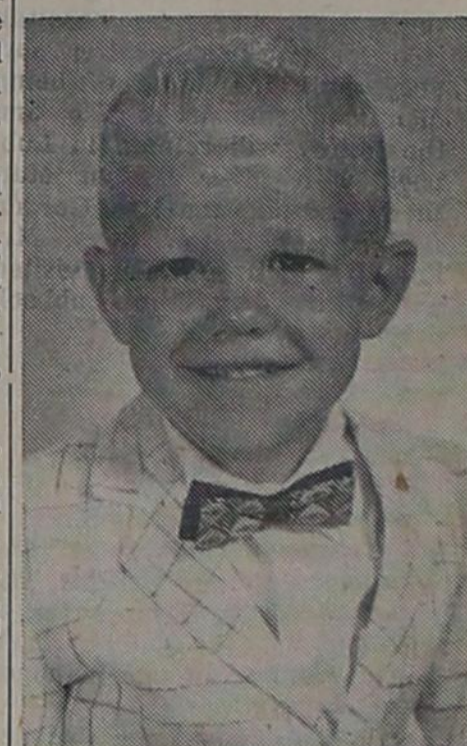

All parents of the girls and other interested persons are cordially invited to the program. Girls will display the projects they have made during the past year, including sewing, baking and leathercraft.

A program will be presented by 4-H members and refreshments will be served.

The girls are having their final meeting of the summer tomorrow (Friday) afternoon at

the home economics building to complete their projects and record books. The leaders, Mrs. John Hadley and Mrs. Fred Danforth, remind all girls to be present for this meeting and to bring their projects and record books so that the leaders may help with the completion of these at this time. The meeting will be at 2:30.

Mr. and Mrs. Joe Helton and Hal Ed were in Amarillo on Sunday to attend a family reunion at the home of her parents, Mr. and Mrs. J. E. Whatley.

Terry Joe Craft Feted on Birthday

Terry Joe Craft, son of Mr. and Mrs. Bill Craft, was honored on his third birthday with a dinner given at the home of his grandparents, Mr. and Mrs. T. P. Kittrell, on Sunday, July 21.

Present to enjoy the birthday dinner, complete with ice cream and a birthday cake, were Mr. and Mrs. Buster Kittrell, Ken and Kay, Mr. and Mrs. T. J. Kittrell and David Lynn, Mr. and Mrs. Bill Craft, and Mr. and Mrs. T. P. Kittrell. Mr. and Mrs. Durb Kittrell visited with the group in the afternoon.

Among those from Farwell and Oklahoma Lane who were in Walnut Springs during the weekend to attend the annual Rundell family reunion were Mr. and Mrs. Cecil Rundell and children, Mr. and Mrs. L. D. Rundell, Weldon Rundell, Mr. and Mrs. Myron Hillock and children;

Also, Mr. and Mrs. Sam Rundell, Mr. and Mrs. Robert Rundell, Mrs. Vernon Symcox and children, Mrs. Dick Doshier and children and the Bill Dollars.

Leads Bible Study

Mrs. E. J. Keith led the Bible Study lesson at the regular meeting of the Farwell WMU on Monday morning. Others present were Mesdames Joe McWilliams, Bruce Blair, Calvin Blain, Joe Reed and Jim Terrell.

From Illinois

Guests in the home of Mr. and Mrs. Sam Lewis in Texico this week are their daughter, Mrs. Lester Busch, of Rantoul, Ill., and their great-granddaughter, 14-month-old Kathy Knowles, daughter of Mr. and Mrs. Richard Knowles, also of Rantoul.

Mr. and Mrs. J. H. "Johnny" McDonald and family left Tuesday for a vacation trip to Truth or Consequences, N. M. The family plans to be at the New Mexico vacation spot until the latter part of next week.

Mrs. Lena Yoder Is Feted Recently

About 55 relatives of Mrs. Lena Yoder of Texico gathered at the park in Clovis recently to help her celebrate her 82nd birthday.

Six of her nine children and one step-son were present along with nine grandchildren and 17 great-grandchildren.

A basket lunch was enjoyed at noon and the afternoon was spent visiting and taking pictures. Besides local relatives, guests attended from Oklahoma City, Minco, Okla., and Albuquerque.

Honored at Supper

Mrs. Billie King honored her son and family, Mr. and Mrs. Jerry King of Denver, Colo., at a backyard supper at her home in Clovis on Friday evening of last week.

Other guests were Mr. and Mrs. W. H. Graham Jr. King and Graham were college chums.

With Parents

Leon McDaniel of the United States Navy is here visiting his parents and sister, Mr. and Mrs. Charles McDaniel and Mrs. Ronny Ferguson. McDaniel, who is with a submarine division has just completed a training course at New London, Conn., and will report for further duty at San Francisco on August 1.

Mr. and Mrs. Jerry Johnson returned to their home in Carlisbad on Saturday after vacationing here for two weeks with their parents, the Ival Hessers and the Russell Johnsons.

Mr. and Mrs. Johnson were honored at a picnic supper at the home of Mr. and Mrs. Gene Fields one night last week and were also guests of honor at a supper held Wednesday night

in the park in Clovis. Those attending the get-togethers besides the honorees were Mr. and Mrs. Ival Hesser and Jack, Mr. and Mrs. Russell Johnson, Gloria and Don, and Ellen Cain.

Mr. and Mrs. Arnold Russ of Los Angeles, Calif., announce the arrival of twin daughters on Tuesday, July 16.

The Russes formerly lived in Texico and Mrs. Russ will be remembered here as Miss Wanda Huber.

Arnold Russes Have Twin Daughters

Mrs. Paul Huber and Shirley left here by train on Thursday to visit with the Russes.

Companion Sunday School class of the Texico Baptist Church will hold its regular monthly meeting on Thursday night, August 1, at the home of Mrs. Hazel Stallings. Members are urged to be present.

Meets Next Week

Guests over the weekend in the home of Mr. and Mrs. J. R. Thornton were their daughter and son-in-law, Mr. and Mrs. Rondal Price of Amarillo.

Mr. and Mrs. O. C. Harriman and sons returned home Sunday afternoon from a trip to parts of Oklahoma.

Visiting on Wednesday of last week with Mr. and Mrs. John Lovelace and Marsha were her parents, Mr. and Mrs. J. R. Nabors of Abernathy.

Jimmy Hardage, son of Mr. and Mrs. Walter Hardage, is visiting this week in the home of Mr. and Mrs. D. K. Roberts in Sedona, Ariz.

Weekend guests in the home of Mr. and Mrs. Joe Jones were his sister and family, Mr. and Mrs. L. Z. Edwards and children of Winters.

Mr. B. N. Graham and Howard Graham spent the past weekend visiting in Morton with Mr. and Mrs. Raymond Ross and children.

Johnsons Return Home Saturday

Mr. and Mrs. Jerry Johnson returned to their home in Carlisbad on Saturday after vacationing here for two weeks with their parents, the Ival Hessers and the Russell Johnsons.

Mr. and Mrs. Johnson were honored at a picnic supper at the home of Mr. and Mrs. Gene Fields one night last week and were also guests of honor at a supper held Wednesday night

News from PLEASANT HILL

MRS. ROBERT SERVATIUS

Mrs. Taylor Has Party Tuesday

Mrs. L. D. Taylor was hostess to a party at her home on Tuesday afternoon. Those attending were Mrs. Corda Battey, Mrs. Robert Servatius, Mrs. Cecil Osborne, Mrs. Don Sides, Mrs. Maurine Horton, Mrs. Durward Bell, Mrs. Elsie Neely, Mrs. Juan Eskew, Mrs. Vernon Sharp, Mrs. Homer Redwine, Mrs. Roy Richardson, Mrs. Peggy Singletery, and Janet Sharp, Judy Donahay, Pauline Servatius, 12 small children and the hostess.

Two Girls Feted On Birthdays

Misses Glennis Fahsholtz and Genevieve Clark were honored with a birthday supper given by their mothers, Mrs. Edwin Fahsholtz and Mrs. Alvis Clark on Sunday night in the Fahsholtz home.

Attending were Petty Clark, Pat and Jackie Fahsholtz, Wayne and Glennis Fahsholtz, Genevieve Clark, and the hostesses.

Here Sunday

Sunday guests in the Robert Servatius and L. D. Taylor homes were Mr. and Mrs. Jap Anderson and children, Ada, Ginger, Billy and Jimmy Dale. Anderson is a brother of Mrs. Servatius and Mrs. Taylor. Ginger and Ada Anderson remained here to visit with Miss Pauline Servatius until Thursday when Mrs. Servatius and Pauline returned them to their home.

Mrs. Cecil Osborne, Linda and Karen, of Friona visited Monday with Mrs. Buck Taylor. They spent the afternoon shopping.

Miss Judy Donahay is spending a few weeks with her grandparents, Mr. and Mrs. Mason Neely.

Mrs. Mamie Hightower is enjoying having her grandson and granddaughter spend a few weeks with her.

Guests last week in the Amos Shockley home were Mr. and Mrs. Dorman Shockley and daughter who were enroute to Ruidoso. Myrtice Shockley, daughter of the Amos Shockleys, went with them to the resort town and her parents plan to join them there Sunday.

Mr. and Mrs. Haney Tate of Ranchvale are vacationing in Colorado.

Marla Eldridge of Ranchvale is visiting with the Juan Eskews while her parents are on vaca-

Hapke Discharged From U. S. Navy

Mr. and Mrs. Frank Hapke arrived here from Long Beach, Calif., last Wednesday night. Hapke just recently received his discharge from the U. S. Navy where he was a First Class Radioman aboard the U. S. S. Frontier. He has served with the Navy for the past four years, and received his first class rating just prior to being discharged. The couple plans to make their home here at the present time.

YOUR CONVENIENT CAR SERVICE CENTER

We're located right in the middle of town . . . and on the corner at that! It's easy to just drive in and let us take all your car care worries away.

Our products, plus our service, team up for really top-notch auto care. All the gang at Jones Service Station welcomes you.

NOTICE

PROSPECTIVE HOMEOWNERS

We take pleasure in announcing that arrangements have been made to begin the construction of five new homes in the Hillcrest Addition of southern Farwell. These homes will be built by the Charles Leneau Lumber Company of Muleshoe, and will be of the highest quality.

Our first five units will be G-I financed houses. We will then construct FHA units. Two and three bedroom homes are available. The price range will be between \$10,000 and \$15,000. They will be built on beautiful Sandia Drive. Purchase price includes curb, paving, utility connections, etc.

You are invited to learn further details concerning this new opportunity in home ownership by visiting our office or telephoning. We would be more than pleased to tell you how easy it now is to OWN YOUR OWN HOME. We suggest you investigate this at your earliest possible convenience.

Cotton Bug Meets Booked Next Week

Cotton bugs in Parmer County will get a searching look next week by farmers and agricultural leaders. Insect meetings have been called by County Agent Joe Jones for Tuesday, Wednesday, and Thursday, July 30, 31 and August 1.

"Cotton throughout Parmer County has made very good progress the last few weeks," says Agent Jones. "The crop as a whole is still 10 days to two weeks behind last year's crop. This is due to the cool, wet weather that caused seedling diseases and held the crop back.

"If cotton continues to make progress, there is good reason

to believe we should make another good crop this year. Blooms began to show up in early cotton a few days ago, and all cotton should be blooming within a few days."

On the subject of insects, the agent reports that they are "pretty well under control" except for some fields which have a "moderately heavy" infestation of young bollworms. Fleahoppers and lygus bugs are scarce.

"Bollworms, lygus and fleahoppers are the insects most likely to get the young squares and small bolls," warns Jones. During the meetings, which will be held at seven places in the county, farmers, ginners, and others will go into the fields for on-the-spot checks, identify insects found and discuss control measures.

Here is the meeting schedule:
TUESDAY—Lariat Store, 8:30 a. m.; Clay's Corner, 10:30 a. m.; Lazbuddie Store, 2 p. m.
WEDNESDAY—Bovina Farm Chemical, 8:30 a. m.; Hub Store, 10:30 a. m.; Tri-County Gin, 2:30 p. m.
THURSDAY—Rhea Parish Hall, 8:30 a. m.

4-H Club Members Plan Annual Trip

The hot summer days will soon be left behind by scores of Parmer County 4-H Club boys, who will strike out soon for their annual New Mexico mountain camp-out.

Deadline for making arrangements to attend is August 1, emphasizes County Agent Joe Jones.

The boys will be gone August 5-8 this year, and as is the custom, will camp out near Cowles. Only members who have completed a project during the year will be allowed to participate.

Cost per member is \$7.

Jones is searching for more adult leaders. There's no deadline on them, he says. They'll be accepted up until the trucks begin to roll out at 7 Monday morning, August 5.

Prospects Still Good For Most Crops

Most crops in the Parmer County area continue to look good this week, especially cotton that was up early and feed that has had adequate water.

There are some "mean spots" in the agricultural picture, however, and these appear wherever there is dryland or irrigated crops that haven't been able to get enough water.

Scattered showers over the weekend were beneficial to some parts of the Farwell-Oklahoma Lane area, but the moisture has not been general enough to allow most farmers to catch up on their watering.

The first blooms on early cotton appeared last weekend, and considerable feed is beginning to head.

SOIL CONSERVATION DISTRICT NEWS

The Parmer County SCD supervisors held their regular monthly meeting in the Black community last week. During the meeting some of the problems of water control were aired as a means of effective mosquito control.

Also during the meeting, the first week in September was selected as Soil Conservation District Week in Parmer County. The climax of the week will be an annual banquet to which all will be invited. The location of the banquet has not been decided as yet.

We have reached the time of year when it is easy to tell what kind of a job of irrigation a farmer is doing. The kind of weather we have been having sure makes it show up.

In a large number of fields the crop is suffering to some degree from lack of moisture. In many cases this is caused by not having enough water to irrigate as often as it should be watered. On the other hand, much of the cause is poor use of water that is available.

It certainly looks bad to pass a field and see the crop suffering from lack of moisture and at the same time see wasted tail water running off of the farm. One is made to wonder why farmers continue to let this happen. A simple way to stop this would be to decrease the rate of application or change the size of the tube.

Some farmers have been asking about planting vetch between sorghum middles. The seeding rate per acre should be from 10 to 14 pounds of good seed. The planting dates range from July 15 to October 15. The District has special adapted seeders for this job. You may rent one by contacting one of the District supervisors.

This is National Farm Safety Week. Here are a few figures to impress on our minds the importance of SAFETY on the farm:

In 1955 farming had a grand total of 1,100,000 injured. Deaths for the same period were 13,000 from all causes. This year we are told that we can expect 1,100 farmers to be killed on the farm by tractor accidents alone.

Although the tractor is a farm machine and should not be operated on the highway, one third of these tractor fatalities will occur on the highway. Sixteen per cent of the people killed by tractors will be children under 10 years of age. The monetary loss according to the National Safety Council is \$1.5 billion each year.

Let's practice farm safety every day in the year. The life you save may be your own.

Wilma Norton was a mighty happy girl when she won the county-wide Farm Bureau queen contest Saturday night. Odis Echols of KCLV, Clovis, is on the left, and Gilbert Kaltwasser, FB president, is on the right.

Miss Norton Is Queen Of FB

After long deliberation by the judges, Wilma Norton, Farwell, was named queen of Parmer County Farm Bureau Saturday night in Bovina School Auditorium.

Jonnie Hand, Friona, was runner-up in the annual contest. A total of 12 girls from over the county participated. Odis Echols, Clovis radio personality, was master of ceremonies of the show. He asked the girls various questions about themselves and about the farms on which they live. The girls each made talks on the advantages of being a member of Farm Bureau.

Doris Wilson, Bovina, and her music students provided entertainment for the program.

Miss Norton was sponsored by Farwell Hardware and Worley Grain Company. Miss Hand's sponsor was Galloway Implement Co.

Other contestants and their sponsors were Toni Bruns, Lazbuddie, Fleming and Son Gin; Janice Miller, Friona, Ware's Department Store; Nita Beth Estes, Bovina, Gaines Hardware; Arlene Clayton, Bovina, Charles Oil Co.; Naomi Hubbell, Oklahoma Lane, Schaffer Gin; Faye Rounton, Farwell, Lariat Elevator; Kay Hartzog, Bovina, Lawlis and Ely Gin; Marie Houston, Lazbuddie, Clay's Corner Grocery; Avis Williams, Bovina, Joe M. Brown Gin; Carolyn Hinkson, Lazbuddie, Lazbuddie Butane Co.

Mrs. J. T. Jones, Bovina, was in charge of the program.

Miss Norton was awarded a \$100 check from the Farm Bureau by Gilbert Kaltwasser, Farwell, FB president. Other contestants were also presented prizes.

Carrots Expected 'Within 30 Days'

If you're fond of high quality beef, and if you have a freezer locker or home freezer, now is a good time to put beef in the freezer. The Department of Agriculture says this is usually the time of year when grain-fed beef, which produces the most steaks and roasts, is most abundant.

Give new flavor to a green salad by sprinkling it lightly with crushed oregano. Toss with a wine vinegar French dressing and sliced avocado and tomato.

Modernize your favorite barbecue sauce recipes by using the new moisture-free instant minced onion. You'll be adding true onion flavor without any tears or oniony fingers. Use one tablespoon instant minced onion to replace each small raw onion.

Cream cheese, chopped watercress and chopped ripe olives accented with a little lemon juice and Worcestershire sauce make a tasty filling for rolled tea sandwiches.

Mix apricot whole fruit nectar, ripe banana and ice cream to frothy smoothness in an electric blender. It's an exciting between meal snack for children to sip through gaily colored straws.

Butter Crisp Topping is delicious on ice cream. Mix together ½ cup ready-to-eat rice cereal crumbs, ½ tablespoons each brown sugar and butter and ¼ cup slivered almonds. Stir in shallow pan over medium heat until mixture is crisp.

Federal Hill, Ky., was inspiration for Stephen Foster's song, "My Old Kentucky Home."

THE PARMER COUNTY IMPLEMENT CO.
NEWS
 "The Place Where Most People Trade" Friona, Texas July 24, 1957

Chatter at our house—Why are mothers our boss? How long is an hour? What is too tired? How much is a lot? How about an ice cream cone? Why do I have to wash both hands?—just one is dirty. Do I hafta go to bed? But I like frogs. Hey, will somebody saddle the horse? Hey, will somebody unsaddle the horse? When do we eat? Do I hafta get up now? But why can't I go, too? But I want a piece of candy now!

You haven't driven the best pickup until you have driven an International. We have the size and color you want.

On Friday, the 19th, we left Friona for several days (we hope) of rest and fun in the mountains near Tres Ritos, New Mexico. Our mother and daddy plan to rest and the boys plan to have fun. It is easy for the boys with trees and streams and squirrels and chipmunks and pine cones but it is harder for our folks to rest since everybody is always lost or hungry.

Sure our shop is busy, but if you call for Ben Woody at 2091 he will get your work done as soon as possible and all our shop work is guaranteed.

About 190 children are attending vacation Bible school at the Methodist Church this week and last week. The Congregational Church also conducted their Bible school last week.

Favorite poetry of ours—One thing that most young mothers find awfully hard to do, is learning that their neighbors have "perfect" children too.

We are still selling a lot of sodium chlorate. More farmers are ridding their farms of Johnson grass and bindweed with sodium chlorate every year. We suggest you try some now.

Ogden Nash: "O adolescence! I'd like to be present I must confess when thine own adolescents adolescence."

We've added another salesman to our staff and invite you to call on him before you buy any farm machinery because he can save you money. He is Eddie Meil who has lived near Friona for a long time and he is anxious to help you in any way he can.

We read that worry kills more people than car wrecks. Just proves you'd better take a ride instead of worrying and may we suggest a ride in a beautiful '57 Oldsmobile. You can drive with confidence in your '57 Oldsmobile. You can relax, enjoy every mile you drive; your safety is in good hands.

Mr. and Mrs. John Gaede left recently for Cassville, Missouri, to visit with friends and to attend the wedding of their son, Maurice. Maurice married Miss Darla Sue Ball, Saturday, July 20. Maurice attended school in Friona during grade school and two years of high school and is well-known in Friona. Miss Ball visited here last spring.

The best balers are International balers. We have a good price on our balers now plus free twine to tie your first 1,000 bales. Why not own one of the world's most dependable balers?

Questions at our house this week—When will I be old enough? Why can't the wind blow up instead of across? Granddad, do you have any chew-gum? How do they make X-ray? When will I get a salary? When will I get a swimming?

Texans are friendly even when you slam Texas, just so you smile when you do it.

Need some sweeps or knives? Ours are the best and we have the kind you need.

WANTED: FARM LISTINGS

We have not one, but several people looking for land in Parmer County

Your farm listed with us will be advertised in several counties, where all of our new people are coming from.

We will use every effort to sell your farm.

List Your Farm With Us Today For Sale.

Sudan is a minor cash crop in the area, but it's mighty important to the farmers who raise it. One of the prettiest fields in the county is this 20-acre patch on the J. T. Jones farm near Bovina. Jones has 64 acres in sudan in all this year. Showing the growth of the crop is Joe Jones.

Phosphorus And Nitrogen Team For Better Wheat

Extensive tests conducted at the Walter Kaltwasser farm between Lariat and Oklahoma Lane this year indicate that nitrogen and phosphorus make an ideal "team" for increasing wheat yields in sandier soils.

Treatment	Yield
N P K	27.5
0-0-0	35.9
40-40-0	28.4
0-80-0	36.9
40-80-0	48.4
80-80-0	58.5
120-80-0	53.7
160-80-0	41.2
200-80-0	48.8
80-40-0	48.4
80-80-40	51.8
80-120-0	49.0
80-160-0	50.4
80-200-0	

Note that the unfertilized wheat yielded 27.5 bushels per acre. Wheat fertilized with 120 pounds of nitrogen per acre, plus 80 pounds of phosphate per acre yielded 58.5 bushels. Variations of other formulas can easily be seen.

Notice that phosphorus alone increased yields very little, but when teamed with nitrogen, the difference was very evident. The wheat was also irrigated, and the figures shown with this story are the result of an average of four replications. The results are especially significant to farmers in the Lariat-Farwell area, plus some parts of Oklahoma Lane and some parts of the Lazbuddie community. In general, the southern part of Parmer County is overlain with sandy-natured soil of the type involved in the tests. The fertilizer used in the test was of the dry type, and was put in with a dry fertilizer rig (in bands) just prior to seeding. The figures used in reporting the tests are all "net." That is, it would take 600 pounds of ammonium sulphate or 400 pounds of ammonium nitrate to get 120 pounds of nitrogen per acre. Anhydrous ammonia yields 82 percent nitrogen.

For farmers considering making practical use of the tests, County Agent Joe Jones suggests that they apply the phosphorus into their soil with chisels. Don't put it on the surface, he says, because it won't "water in." (He said, however, it might be possible to apply to the surface and then break the land.)

It is possible to split the nitrogen applications by applying 60 to 80 pounds in the fall before seeding, and 60 to 80 pounds in February as a top dressing. As for the phosphate, it must go on in the fall and be either chiseled in or turned under by breaking.

4-H Dress Revue This Saturday

Parmer County's annual girls 4-H Club dress revue is scheduled to be at the Bovina School auditorium on Saturday afternoon, July 27, at 3 o'clock.

4-H girls from Rhea, Black, Farwell, Friona, Lazbuddie and Bovina will model dresses, blouses and skirts which they have made in summer clothing workshops. The garments will be judged on construction at 9:30 a.m. and the appearance judging will take place at 1:30 p.m. The revue itself will be at 3.

Judges for the annual event are to be Mrs. Dortha Powell, assistant county home demonstration agent from Hereford, and Harriette Brummett, county home demonstration agent of Bailey County.

Girls from the Bovina clubs will decorate the stage for the presentation and Lexie Stevenson of Bovina will be mistress of ceremonies. Barbara Rea, also of Bovina, will present a demonstration on "Milk For All."

Each entrant will receive a ribbon according to her score plus an entry prize to be awarded by the County Home Demonstration Council and the County 4-H Council.

Four Parmer Women To State HD Meet

Four women of the Parmer County Home Demonstration Clubs will be in Houston July 30-August 2, to attend the annual state THDA convention at the Rice Hotel.

Those planning to attend from the county include Mrs. Joe Brummett of the Hi-Point HD Club who is the county THDA chairman; Mrs. A. S. Grubbs of the Lakeview club, Mrs. Ralph Price of the Black club and Mrs. Lee Renner of the Hi-Point club who is the only member attending who is not a delegate. She will work with the publicity committee at the convention.

Mrs. Brummett is to work with the registration and credentials committee while there. The local women will return from Houston on August 2.

NOTICE OF TAX ELECTION THE STATE OF TEXAS COUNTY OF PARMER AND CASTRO

LAZBUDDIE INDEPENDENT SCHOOL DISTRICT TO THE RESIDENT QUALIFIED PROPERTY TAXPAYING VOTERS OF LAZBUDDIE INDEPENDENT SCHOOL DISTRICT:

TAKE NOTICE that an election will be held on the 27th day of July, 1957, in the Lazbuddie Independent School District at the place, in the manner, and on the proposition set forth in the attached copy of an Order for Tax Election, duly entered by the Board of Trustees of said School District on the 8th day of July, 1957, said attached Order for Tax Election being made a part of this notice for all intents and purposes.

THE STATE OF TEXAS COUNTY OF PARMER AND CASTRO LAZBUDDIE INDEPENDENT SCHOOL DISTRICT

On this the 8th day of July, 1957, the Board of Trustees of LAZBUDDIE INDEPENDENT SCHOOL DISTRICT convened in regular session with the following members present, to-wit: Frank Hinkson, President; E. T. Ford, John Gammon, DeWitt Precure, Robert L. Jones, Harold Wilson, J. T. Mayfield, and the following absent: none, constituting a quorum and among other proceedings had by said Board of Trustees was the following:

There came on to be considered a petition signed by 24 persons asking that an election be ordered upon the proposition hereinafter set forth, and

It appearing to the satisfaction of the Board of Trustees that said petition is signed by at least twenty resident, qualified, property taxpaying voters of said School District, who own taxable property in said District, and who have duly rendered the same for taxation, and is otherwise in conformity with law, the Board is of the opinion that said petition should be granted, and said election as prayed for should be ordered.

THEREFORE, BE IT ORDERED BY THE BOARD OF TRUSTEES OF LAZBUDDIE INDEPENDENT SCHOOL DISTRICT:

That an election be held in said School District on the 27th day of July, 1957, which date is sufficient to allow posting notice of said election for 10 days prior thereto and which date is also within thirty days from the date of this order, at which election, in accordance with said petition, the following proposition shall be submitted to the resident qualified property taxpaying voters of said School District for their action thereupon:

PROPOSITION SHALL THE PROVISIONS OF SENATE BILL NO. 116, CHAPTER 528, ACTS OF THE LEGISLATURE AT ITS REGULAR SESSION, 1955, BE ADOPTED BY THE LAZBUDDIE INDEPENDENT SCHOOL DISTRICT OF PARMER AND CASTRO COUNTIES, TEXAS, SO THAT IT MAY HAVE THE AUTHORITY AND POWER TO LEVY AND CAUSE TO BE COLLECTED ANNUAL TAXES AND TO ISSUE BONDS AS THEREIN PROVIDED?

That said election shall be held at the following place in said School District, and the following named persons are hereby appointed officers for said election:

(a) At School Auditorium Building in Lazbuddie, Texas, in said School District, with George Crain as Presiding Judge, and Roy Daniel and Wesley Barnes, Clerks.

The ballots for said election shall have written or printed thereon the following:

FOR THE ADOPTION OF SENATE BILL NO. 116, CHAPTER 528, ACTS OF 54th LEGISLATURE AT ITS REGULAR SESSION, 1955.

AGAINST THE ADOPTION OF SENATE BILL NO. 116, CHAPTER 528, ACTS OF 54th LEGISLATURE AT ITS REGULAR SESSION, 1955.

THE HAPPY HOMEMAKER

BY JUNE FLOYD

A new product will soon be available that all homemakers who refinish walls or furniture will be interested in. It will produce a marbled effect when sprayed onto any flat surface and makes a washable finish. The colors are varied and long lasting and any color scheme may be carried out by using it. Beautiful multicolor effects may be obtained from one simple spray application. The spray attachment on vacuum cleaners can be used for making the application. As soon as it is available locally, at least one article in the Floyd home will get an application.

Immediately after said election has been held the officers holding the same shall make returns of the result thereof to the Board of Trustees of said School District, and return the ballot box to the Secretary of said Board for safekeeping.

The manner of holding said election shall be governed, as near as may be, by the Texas Election Code, except as modified by articles 2785, 2786, 2788, and 2955A, Revised Civil Statutes, 1925, and this Board of Trustees will furnish all necessary ballots and other election supplies requisite to said election.

The above order being read, it was moved and seconded that the same do pass. Thereupon the question being called for, the following members of the Board voted AYE: Gammon, Ford, Precure, Jones, Wilson, Mayfield, and the following voted NO: none.

Frank Hinkson, President, Board of Trustees ATTEST: Robert L. Jones, Secretary 41-2tc

County 4-H Girls Plan Annual Camp

August 1 and 2 will find many Parmer County 4-H girls attending the annual day camp at the Hub community center.

The two-day event is for all 4-H girls of the county and their mothers. Cost of the camp will be \$1.50 per person, which will pay for the hand work, two meals and other refreshments.

Those planning to attend should bring a picnic supper for the night of August 1st. They are also reminded to bring a bedroll or a cot if they have one, eating utensils, clothes for two days at camp, and a coffee can with a lid for a special cookout dinner on the second day.

Registration will be from 2 to 3 p. m. on August 1 and the camp will end at 2 p. m. on August 2.

The recreation committee is to meet on July 29 for special training for the camp session. Craft for the camp will include making key chains and coin purses from leather.

Another recipe which Lady Armstrong at Bovina sent us is wonderful for this time of year. It is for ice cream and is very simple if you have a mixer. Mixing by hand would get rather tiresome.

Ingredients:
 7 eggs
 1 1/2 cups sugar
 1 package Frostee vanilla
 1/2 teaspoon salt
 1 pint whipping cream
 Milk to finish filling freezer.
 Beat eggs at high speed at least five minutes or until really frothy. Gradually beat in sugar and Frostee. Beat at high speed until it is as thick as cake batter. Add salt, whipping cream and 1 tablespoon vanilla. Then add enough milk to finish filling freezer. If you prefer chocolate or strawberry ice cream, use Frostee in the flavor you desire.

To obtain the best service from your burners or units on your range, don't form the habit of using the front burner just because it is handy. By doing this there is more wear on this particular burner. The use of all of them should be rotated.

If you are using a recipe that calls for 1 clove of garlic, and you are using powdered garlic, it is well to remember that 1/8 teaspoon powdered garlic is equal to one clove.

It is generally agreed that there just isn't any way to make jelly and jam that tastes like it was made with fresh fruit without really using fresh fruit to make it. At least two families in our area will be enjoying jelly, preserves, and jam that was made from fresh fruit for a long time.

Mrs. Floyd Dutton, who lives east of the Hub, has spent a number of hours working up home grown apricots into good eating for her family in the future. Then Mrs. W. A. Foster and Pat spent one day visiting friends at Dimmitt. While there they mixed jelly making with conversation and the Foster pantry is well stocked with plum preserves and jelly.

Haven't heard anyone complaining about the postage increase which went into effect July first. Don't really know how many post office patrons are affected by it, but there was a rate increase on some services.

The only one that has affected us noticeably has been that now we pay a nickel for letters on which we guarantee the postage if they are returned to us. This service formerly cost four cents.

Kansas produces one-fifth of the nation's winter wheat.

BOTH HARD, SUN-BAKED SOILS and WET, STICKY SOILS PLOW EASY...

When your soil is so hard and sun-baked a moldboard plow won't penetrate it, or so wet and sticky a moldboard plow won't scour, try an MM TRA disc plow. You'll be amazed at the plowing job you'll do. The TRA holds a fixed depth from 3- to 14-inches in any firm soil without wheel weights. U-bolt mounting of the disc standards lets you vary width of cut to fit tractor power and field conditions while leaving discs at best penetrating angle. The TRA turns easily and has excellent trash clearance. Mechanical power lift raises discs for turning at the pull of a rope. Also available with hydraulic Uni-Matic Power. Heat-treated 26-inch discs are highly polished for efficient scouring and mounted on heavy-duty roller bearings for long life. 28-inch discs available. Simple crank and jack screw give quick, easy depth adjustment from 3- to 14-inches. TRA plows are available with 3 to 6 discs and in extra-heavy models.

Come in soon, check all the features of the MM TRA disc plow

This one *wants* you to get choosy! For Chevrolet loves to show what it's got inside, outside and in performance. Chevrolet is the only car in its field with Body by Fisher—sturdily put together, with a solid, substantial look. Fine finishing touches on every side confirm the craftsmanship that goes into its making. Chevrolet's response and performance are pretty special, too. There's a well-what-are-we-waiting-for spirit in the engine, especially when you show a Chevrolet a mountain. And you'll do a lot of looking to find comparable smoothness, steadiness and nimbleness on the road—at any price! See a Chevrolet at your dealer's—see how much more it has to spark excitement and your pride!

It gives you more to be proud of!

Be Informed On Garden Bugs

Each year gardeners have the same problem of insect control in the home garden. County Agent Joe Jones has a leaflet on controlling insects, and if you haven't gotten one, you're reminded they are available. Here are a few things worth remembering:

Insecticides are poison and the Pure Food and Drug Administration has set the amounts of organic residue that is safe to have on edible crops.

The guide gives you the time in days that should elapse between using an insecticide and eating or freezing the vegetables.

On crops such as cantaloupes, cucumbers, watermelons, or other cucurbits, do not use dusting sulphur, DDT, Toxaphene, BHC, or Chlordane.

"All this, plus a lot more, is included in the leaflet," points out the agent.

THE PARMER FARMER

By LELAND BOYD

Did you see the story in "Nation's Agriculture" about Supima cotton?

The Texas, Arizona, and New Mexico growers of the long staple cotton got together two years ago and formed the Supima Association of America. They actually twisted the government's arm to lower support prices and let them compete!

In less than two years, consumption of their specialty increased 600 percent. If there's any comparable record for promotion of any other product, we haven't learned of it.

"The Champagne of Cotton" they have called their product, and to get a badly needed selling job done, they hired top advertising men in the country to stage a big promotion for Supima. High-art ads were run

in trade publications that went onto desks of the top dress designers in the country. The results have been astounding.

Something else: By increasing their market so successfully, the growers earned for themselves a delicious 98.6 percent increase in acreage.

This proves again that the market place holds the only real solution to the problems of agriculture.

Is it really cooler around alfalfa fields, or is it just one's imagination?

So far as we know, alfalfa doesn't have any magic properties that lower the temperature of the air, except that it transpires more moisture into the atmosphere than most plants.

Anyway, we notice that quite a few people plant alfalfa near their homes with the idea that it makes things more comfortable in the summertime. There may be something more to this idea than we know about.

The "new" crops of the Plains continue to draw all the headlines, but the truth is that this year again, this area is growing enough grain sorghum to make the world look level.

Corn, sesame, potatoes, sudan, alfalfa—none of these crops can hold a candle in acreage occupied to mighty milo. With anything like decent weather between now and harvest, look out for another big grain sorghum glut.

We've really got it.

Is it the writer's imagination, or are there more ground squirrels than there used to be?

It seems that the cute but pesky little varmints fairly abound by the roadside bar ditches and along irrigation runs. Maybe the soft dirt created by so much irrigation, and the abundance of food created by the same circumstance has increased the ground squirrel population.

After making an exit several years ago due to the growth of irrigation farming, seems like livestock and interest in livestock is returning to the Parmer County area.

A gauge, if it may be taken as such, is an announcement that a feed grinding service is being developed at Cummings Farm Store in Friona. E. H. and Doyle Cummings, father and son team that own and operate the firm, say they will offer a mixing-grinding service to livestock and poultry raisers, specializing in grain and concentrates and excluding roughage.

They say the reason they expect the service to be well taken is that farmers will have a chance to save money through using their own grain, mix it with concentrates, and market it for a higher price when sold through livestock.

Surely more profit would be realized from grain if grain prices remain about the same level, or lower, and hog prices remain the same. Noticed in a Ted Gouddy report of Fort Worth markets that the squealers topped at more than \$22 this week.

A swineherd nowadays is a money-maker, perhaps, but one can never foretell how many feeder pigs will be farrowed and fed from one year to the next.

More about livestock—C. W. Dixon now stocks about 37 head of slick Angus cattle, plus their offspring.

Has some reputable animals among the herd, as a couple of cows he owns were in the pen of champion Aberdeen Angus cows at the Texas State Fair last year.

Dixon says he hopes to develop some of the calves and sell them for herd bulls to ranchers around the High Plains and in New Mexico.

Several of the calves he has show that he has good material to work with.

From 1930 to 1950 California's population increased four times as fast as that of the whole country.

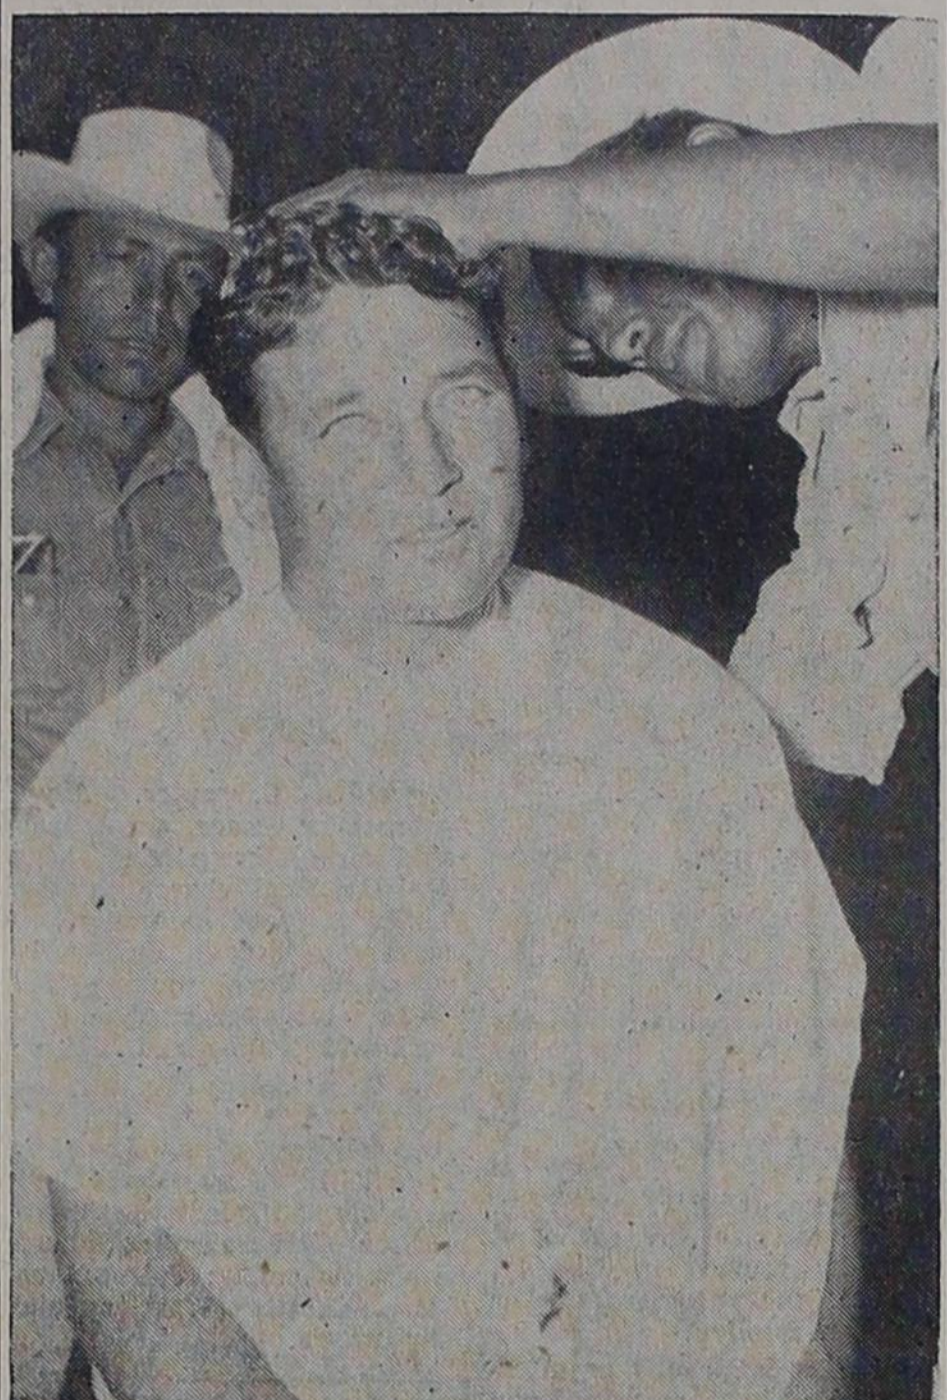

Nine Clubs Present For Council Meet

Nine of the home demonstration clubs of Parmer County were represented at the regular HD council meeting at the Bovina home economics building on Monday afternoon, July 22. Eighteen members were present.

Special guest for the occasion was Mrs. Edith Wilson, district agent of District I, who gave a

talk on what home demonstration and extension work can mean to HD club members and agents. She encouraged those present to perform their duties as council officers or club officers to the best of their ability and explained how they would profit from so doing.

Miss Jimmie Lou Wainscott, home demonstration agent, announced the 4-H girls dress revue which is to be Saturday at 3 p. m. in Bovina and the

Barbers become quite proficient in such fine personal arts as trimming hair while they are away from home. Here a laborer does the barber chores for his friend. The men are employed by Buck Gregory.

NEWS FROM THE FARM BUREAU

By RAYMOND EULER

All twelve of the young ladies who entered the Farm Bureau Queen Contest and appeared Saturday night were very charming. As always, we wish they could all win first place, but that is impossible.

According to the judges, who knew none of the contestants, Miss Wilma Norton, of Farwell, was tops in appearance, poise and personality. She is the daughter of Mr. and Mrs. Lester Norton of Farwell. She will appear on Cotton John's KGNC-TV program, Weekend Farm and Home, next Sunday at 12:30 (noon), as PCFB's nomination for Miss Farm and Home of the Week. We hope she wins.

Second place winner is Miss Jonnie Hand, of Friona, who is also an outstandingly charming young lady. She will be alternate entry for the district contest in the event of illness, or other cause preventing Miss Norton's appearing. Our congratulations to both of these fine girls.

Chairman of Farm Bureau's resolution committee, Harry Hamilton, is preparing for committee studies necessary to the formulation of resolutions embodying the suggestions of members. These resolutions will be prepared and presented for membership vote at the convention which will be held in early October.

There apparently aren't so many controversial subjects as there have been in the past, but there are still many things that warrant study and action to improve the agricultural and general economic situation in America. Your suggestions will receive careful consideration if you will make them known to any director, or leave them at the office.

Remember to file for your three-cent per gallon tax refund on farm-used gasoline before October 1st. Now is the best time to do it. If you don't have a card, we have them, or the post offices have them.

CONSIDER THIS: "Where there is no vision, the people perish; but he that keepeth the law, happy is he." Proverbs 29:18.

Alaska is the largest peninsula on the North American Continent.

Academics was the name given to a series of philosophers who taught at the Athenian Academy.

Watering down the row—instead of in the furrows between the rows—is sometimes practiced by area irrigators, especially where the land is steeply sloped. This is grain sorghum on the Conrad Nelson place, Lazbuddie. The plants retard the flow of the water, they have more moisture available, and tail water loss is reduced. There are some disadvantages, too, depending on individual circumstances. Sometimes weed troubles are increased, plant food is leached away and plants yellow because of "drowning."

WARNING:

Cotton insects are costly. Their sucking and chewing on tender plants may be cutting potential production.

Strike Back!

Timely eradication of cotton insects is easy through aerial application of insecticides.

Protect Your Crop

Keep a close watch for insects in growing crops. When insect numbers begin to build up, let BENDER AIR PARK liquidate them with aerial application of a recommended insecticide.
