

What a good time we had last Saturday in the Twin Cities. Our parade was one of the best ever with the Clovis Shrine Club drum and bugle corps and the combined Farwell-Texico band students providing martial music.

There was certainly a goodly number of floats and it was difficult for the judges to make a first, second and third place judgement. It's too bad everybody couldn't have won, but there is always next year to look forward to.

This year's Old Fiddlers contest was well received and gave the park patrons some excellent fiddle music! The combo of Ed and Juanita Hardage, D. Walling and Fred Chandler played some foot patting music until well after five o'clock and this delighted the crowd.

This year's edition of Border Town Days with the High Plains Rodeo sponsored by the Jaycees has slipped into history and if you missed the fun this go around, make your plans to be here next year.

There is an old saw that says, "Waste not, want not." There is an observation that says waste a lot and the government is gonna' take it over and really mess it up.

The handwriting is on the wall. Writing in the spring edition of the "Texas Tech Law Review" a lawyer of 40 years' experience, Garland F. Smith, calls for court action to end dominance of the "absolute ownership" principle concerning underground water.

It appears to us that this is the forerunner of state control of High Plains underground irrigation water. We think that in addition to allocating future irrigation water we can look forward to massive amounts of our farm water being pre-empted by population centers such as Lubbock and Amarillo.

Always remember that the cities have the voting power and the politicians always do what is popular, never mind if it is right or just -- only popular.

An example of visceral feeling over cerebral thought occurred recently in Washington, D.C., when President Carter said to a meeting of Western Governors that farmers and ranchers will have to raise more and more grass-fed cattle in the next five to ten years. The reason given by the administration was that the land presently in corn and milo for cattle feed would need to be planted in wheat to feed starving people.

Well, this specious thinking has been shot down several times by the farming and ranching industry, but like the Phoenix it arises again and again in official governmental circles. Right now we have two years' supply of wheat in storage and a "bankrupt" price on the market. There are now hungry people in the world and we are being denied export market for our wheat.

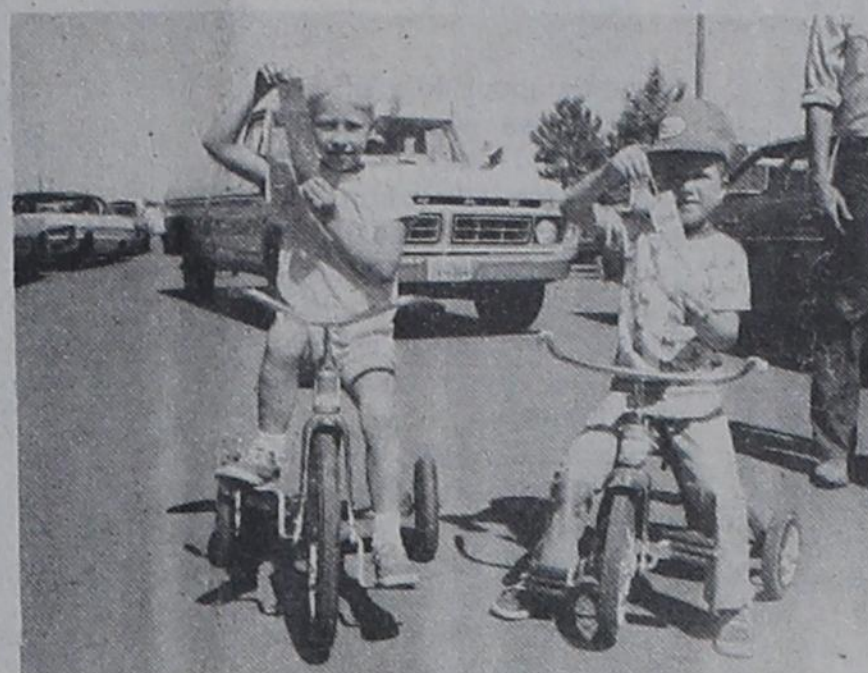

Ag. Secretary Bergland told the assembled governors that the move toward grass-fed beef was not the policy of the government now, but that it would come to pass. While this may not be the policy of the Administration at this moment, if they are think-

(Continued on Page 2)

Family Picnic Fun

One of the high points of the Border Town Days celebration was the family picnic last Saturday afternoon at Farwell City Park. Among those enjoying a bite to eat while relaxing and visiting with friends are Marsha and Craig Hillestad and their 10-month-old son, J.D. Taking it easy while observing the park festivities is Johnny Curtis, seated in the background.

Win Trike Races

Displaying the coveted ribbons won in the four- and five-year-old tricycle races sponsored by Epsilon Sigma Alpha sorority are Kathy Lingnau, daughter of Mr. and Mrs. Edwin Lingnau of Farwell, first; and Chris Aycock, son of Mr. and Mrs. Charles Aycock of Farwell, third. Not pictured is Jeremy Jones, son of Mr. and Mrs. Donald Jones of Farwell, who came in second.

Water Polo

Last Saturday was a wet day for some energetic residents of the Twin Cities as youngsters lined up to participate in the water polo match sponsored jointly by Texico and Farwell volunteer fire departments. Water polo antics were fun for all, contestants and onlookers alike. Other LTD activities, including games and contests were enjoyed at Farwell City Park following the parade.

Shriners March

Some 22 members of the Clovis Shriners Drum and Bugle Corps stepped lightly and played lively to add a special highlight to the LTD parade Saturday afternoon. Parade watchers were most appreciative of the music provided by the Shriners and some were heard to comment, "they sure make a lot of noise to be so few in number."

Parmer County - -

Schools To Benefit From Land Funds

Parmer County School Districts will benefit from the recently-passed Texas Education Bill in that it allows the districts in the county to draw money from the permanent school fund. This was brought out by County Judge Paul Fortenberry at the July 25 session of the Commissioners Court.

The amendment to allow this was added to the education bill by Senator Max Sherman and was supported by House Speaker Bill Clayton.

The county's schools will be able to draw from yearly interest on the nearly \$800,000 fund, says Judge Fortenberry, adding that the annual interest yield is "about \$60,000." Schools will draw the money pro-rata, according to their average daily attendance figures. Monies received from this permanent fund will not affect the money received by each school district from the state's Foundation School plan.

Judge Fortenberry planned to write letters to Senator Sherman and Speaker Clayton expressing appreciation for supporting

this portion of the education bill. The county's permanent school fund is on deposit and drawing interest at Friona State Bank. It was reported that \$134,500.00 from the permanent school fund will be placed on deposit, maturing March 31, 1979.

In other business the Court resolved to request the Board of County and District Indebtedness (in care of Jesse James, State treasurer) to return

\$31,466.71 to Parmer County's lateral road fund. Money will be used for lateral road improvements.

Judge Fortenberry reported on a "Green Thumb" meeting he attended in Tullia. The program is primarily for older citizens who have limited means of income, says Fortenberry, adding that no action was taken.

Election officials were appointed for the year 1977. The precinct number (Continued on Page 2)

August 24, 25 - -

Farwell Schools Set Registration Times

Dates and times of registration for students planning to attend Farwell School have been released by the school principals.

All students will be registering August 24 and 25 and classes will begin the following Monday, Aug. 29.

Registration for high school students will be as follows: seniors, Wednesday, Aug. 24, 10 a.m.; juniors, Aug. 24, 2 p.m. Sophomores will register at 10 a.m. Thursday, Aug. 25, with freshmen to register at 2 p.m. the same day.

In junior high the 8th graders will register Wednesday, Aug. 24, at 9 a.m. with the 7th graders to register at 1 p.m. August 24.

Students in kindergarten through 3rd grade will register on August 24 and those in 4th, 5th and 6th grades will register August

25. Elementary Principal Jerry Yows says that if your child attended Farwell Elementary last year it is not necessary to fill out a new registration card; however, you should check to see in which room your child will be and check to see that his cards are filled out properly.

A list of supplies needed by the elementary students may also be picked up at that time or a list will be sent home with the students on the first day of school, Yow says.

New students entering the elementary for the first time should report to the principal's office for registration. Birth certificates for kindergarten and first graders are necessary for admittance, Yows says, and new students must have immunization records

Even though the 1977 edition of Border Town Days is past history, the two-day event will long be remembered by Twin Cities and area residents.

The festive occasion provided something for everyone from rodeo competition to family fun in Farwell City Park.

It all began Friday night at Farwell Arena with the first performance of the High Plains Rodeo. The Jaycees, who sponsored the rodeo for the second year in a row, also staged a greased pig contest for local youngsters to enjoy. A special treat was provided by Mike Norris of Texico who attempted to ride a bull Friday night. He almost, but not quite, made it to the whistle.

The final performance of the rodeo was staged Saturday night. Further LTD activities

began Saturday afternoon with the parade sponsored by Texico-Farwell Lions Club. The main streets in both Texico and Farwell were quite a sight as entries of every make and description participated in the parade. Hundreds of persons lined the streets to see the various floats and marchers.

The local club presented awards to the top three parade entries. The first place award went to the Oklahoma Lane Home Demonstration Club for their "Life is a Patchwork" float. Second place was garnered by Texico Woman's Club for their float entitled "Dare To Dream." Texico Variety's carousel float won third place honors.

Other entries included antique cars, bands and vehicles representing various local businesses. A combination Farwell and

Texico Schools bands and the Clovis Shrine Drum and Bugle Corps marched and played in the parade. Farwell Convalescent Center entered a "We're Not Getting Older, We're Getting Better" float. Many Center residents and staffers rode in the parade.

As all the entries slowly advanced from Texico to the eastern edge of Farwell onlookers patiently waited to catch a glimpse of each decorated vehicle. Many spectators (especially the youngsters) were treated to bubble gum and candies tossed to them from passing floats.

Following the parade, persons converged on Farwell City Park for another chapter of Border Town Days. The first event was the old fiddlers contest which began after a 45 minute delay. After all ten contestants played, four

winners were named, including Hutch Gardener of Rogers, N.M., first; Ted Clark of Rogers, N.M., second; Dink Essary of Portales, third; and Mitzi Robertson of Maple, Tex., fourth.

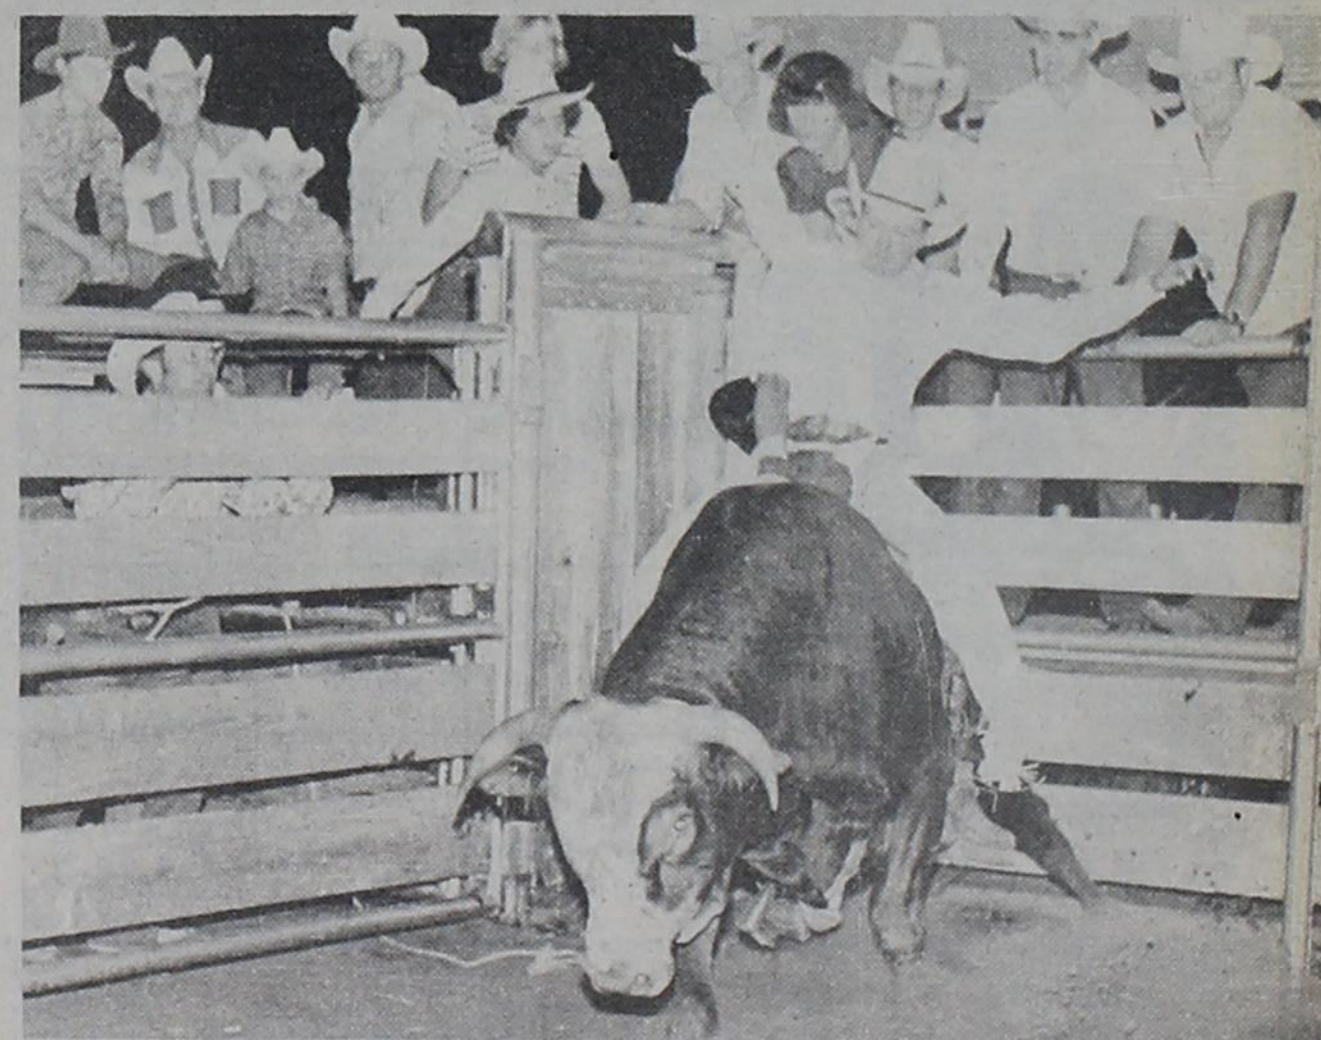

Epsilon Sigma Alpha sorority sponsored races and contests for children and adults as family fun continued in the park. The winners are as follows:

Three and under tricycle races: Mike Lingnau, first; Brandon Lingnau, second; and Joe Norris, third.

Four and five-year-old tricycle races: Kathy Lingnau, first; Jeremy Jones, second; and Chris Aycock, third.

Five to eight-year-old bicycle races: Jeff Actkinson, first; David Woods, second; Brian Powell, third.

Nine to 12-year-old bicycle races: Danny Powell, (Continued on Page 2)

Ride 'Em Mike

"Those were the longest three seconds of my life," and "that's sure a hard way to earn a 100 bucks" were comments of Mike Norris, Texico, shown here still atop the bull he chose to ride (for a short time) at Friday night's rodeo performance. Norris is not really a rodeo performer, but as a loyal Jaycee, he announced that he'd ride a bull in the rodeo if someone would donate \$100 to the Jaycees. No sooner said than done, friends quickly coughed up the \$100 and Norris kept his word and climbed aboard this critter. Norris said he was told he stayed on the bucking animal some three and one-half seconds; however, he feels sure it was at least 10. At the time the photo was taken, he made the ride look easy. Now he says he wants to try it again!

Local Man's Mother Buried Wednesday

Funeral services for Naomi Anna McMillan, 73, of Lorenzo, mother of Otis McMillan of Farwell were conducted Wednesday at Lorenzo First Baptist Church. Rev. Gerald Mounce, pastor, and Rev. R.L. Owens, pastor of Lorenzo Assembly of God Church, officiated. Burial was in Lorenzo Cemetery under the direction of Carter Funeral Home of Falls.

Mrs. McMillan died Tuesday in Crosbyton Clinic Hospital after a brief illness.

The Chatsworth, Ga.,

native married O.E. McMillan, Sr., in Desdemona, Tex., Sept. 7, 1919, and moved to the Lorenzo area in 1927 from Amarillo.

Survivors include her husband, O.E. McMillan, Sr.; three sons, O.E., Jr., of Farwell; Thomas of Lorenzo; and Hershell of Lubbock; two daughters, Mrs. Roy Shoemaker of Falls and Mrs. Roy Alston of Plainview; three sisters, Mrs. Velma Wrenn of Happy, Mrs. Ella Collier and Mrs. Nancy Collier of Canyon; 13 grandchildren, 12 great-grandchildren and one great-great-grandchild.

Border Town Days . . .

(Continued from Page 1) first; Roger Hobbs, second; and Carol Smith, third.

Frog race: Corey Jones, first; David Woods and Nicky Liethen (tied for second); and Jeff Betty, third.

Balloon toss: Kay Geuther and Brent Green, first; Shana Blain and Dudley Bristow, second; and Eric Williams and Richard May, third.

Oklahoma Lane H.D. Club sponsored a football throwing contest which added fun and challenge to the day's events. Also on tap was a water polo match sponsored jointly by Texico and Farwell Volunteer Fire Departments. Local youngsters eagerly lined up for

their chance to participate in the water antics. Getting a good soaking on a hot day was considered lots of fun.

To quench thirst on the hot day many organizations operated booths and sold cold drinks. ESA sold lemonade and iced tea both at the park and during the parade. Beta Sigma Phi sorority sold snow cones.

Other booths were operated by Farwell Future Homemakers of America who sold Mississippi Mud Cakes, peanuts, popcorn and stationery, and Farwell senior class who sold "Sloppy Joes" and brownies.

Many families brought picnic lunches to share at the park. An added treat

S.G. Jones Rites Conducted Friday

Funeral services for S.G. Jones of Farwell, 84, were conducted Friday, July 29, at the First Baptist Church in Texico with Rev. Joel Horne, pastor, and Rev. Leroy Looper of Albuquerque, N.M., officiating. Interment was in Sunset Terrace Memorial Gardens under the direction of Steed-Todd Funeral Home.

Mr. Jones died July 28 at the hospital in Friona. He was born March 18, 1893, in Leonard, Tex. He was the son of James A. and Laura Lacy Jones.

He married Grace Ethridge on June 7, 1914. He was a deacon and member of the First Baptist Church in Texico and had led singing

S.G. JONES

there for about 40 years. Mr. Jones was a retired farmer and had lived in Farwell for 15 years. He was preceeded in death by two sons; three brothers, John, Elzie, and Jack Jones; and two sisters, Mrs. Iva Burns and Mrs. Mae Ethridge.

He is survived by his wife, Grace, and five children: Nolan Jones of Hereford; Carol Jones of Norwalk, Calif.; Dale Jones of Ft. Worth, Evelyn Burchel of Dilley, Tex., and Frances Boling of Farwell; two sisters, Geneva Pinkerton of Ft. Worth and Lou Goode of Leonard, Tex., two brothers, Dewey Jones and Bill Jones, both of Ft. Worth.

Pallbearers were his grandsons Elwood Jones, Paul Dan Jones, James Carrol Jones, Johnny Boling, Terry Burchel and Dale Jones, Jr.

Display Annuals

Justin Gaddis, left, and Charlie Smith, members of the yearbook staff at Texico High last year, hold a copy of the "76-77 Wolverine," which arrived last week. Copies of the yearbook, which features the 75th anniversary of the town and the school, were to be distributed Thursday. "The Wolverine" blends the past and present of Texico and chronicles the events and activities of the school year just passed. Justin is the son of Mr. and Mrs. Fred Gaddis and Charlie is the son of Mr. and Mrs. Dean Smith.

THS Yearbooks Available Now

The "1977 Wolverine," Texico's school yearbook, will be distributed Thursday, Aug. 4, from 1:30 to 4 p.m. and 6 to 8 p.m. (MDT) in the high school building.

"Anyone planning to pick up a book for someone else should bring written authorization," said Mrs. Kay West, journalism instructor.

A few extra copies of the book will be available after August 15 on a first-come, first-served basis. Anyone wanting additional copies should contact Mrs. West or the school office and ask that their names be added to the "want list."

The 1977 yearbook is a commemorative edition celebrating the 75th anniversary of the city and the school. Photographs and copy in the opening section and in other portions of the book give highlights of Texico's

history. The book utilizes a blend of modern type face contrasted with old-style type to carry out the theme, "Texico's 75 years of yesterdays in the school and in the city have blended into today — and now, we look forward to tomorrow."

The yearbook staff designed the cover which carries the inscription "Looking back, we see how far we've come." The 168-page annual includes coverage of all school activities from the first day of school through graduation.

Joe West and Larry Rolan served as co-editors, while Jackie Reid and Mark Howard were co-advertising editors. Staff members included Richard Hadley, Mike Snodgrass, Mike Williams, Deborah Stephens Autrey, Becky Potts, Charlene Whitener, Justin Gaddis, and Charlie Smith. The photography staff included Don Cherry, head photographer; Ken Richardson, Doug Osborn, and Floyd Cherry.

Today there are said to be between three and four million vegetarians in the United States.

Land Funds . . . (Continued from Page 1)

and location is listed first with the presiding judge and alternate presiding judge listed second and third.

Precinct 1, Black: Louise Roberson and Ethel Bengger; Precinct 2, Friona: Mrs. Ray Landrum and Mrs. Ira Holt; Precinct 3, Bovina: J.E. Sherrill, Jr., and Mrs. Elton R. Venable; Precinct 4, Farwell: Albert

Purely Personal . . .

(Continued from Page 1) ing of it then it is only a matter of time until it is official government policy. This is a sure bet and one we will hate to win.

To close on a note of prosperity we see where the sales tax collection for Farwell for the period ending July 1st was up 160% over last year's same period report.

Isn't you glad you live in the Twin Cities?

Smith and Mrs. Albert Smith; Precinct 5, Lazbudie: C.C. Matthews, Jr., and Alton Morris; Precinct 6, Oklahoma Lane: Clarence Johnson and Harold Carpenter;

Also, Precinct 7, Rhea: Raymond Schueler and Jack D. Patterson; Precinct 8, Lakeview: Otho Whitefield and Mrs. Russell O'Brian.

The Court also agreed to go on record complimenting Mrs. Vernon Estes of Bovina for her reports of the International Women's Year meeting she attended in Austin a few weeks ago.

The Tax-Assessor-Collector's report of delinquent taxes for 1976 in the amount of \$12,684.69, consisting of \$5,285.79 as Insolvent Persons and \$7,398.00 Land and Lots was approved and executed.

The 1978 budget hearing has been set for September

12, 1977 at 2 p.m. CDT.

Jana Pronger, county home demonstration agent, was praised for her work in taking a group of 4-H youngsters to Six Flags, and was reimbursed for expenses incurred in the trip. Also approved was purchase of draperies for

Miss Pronger's office.

Discussion was held relative to the possibility of the county obtaining some equipment through the "excess property" program and the PRPC. The county has requested two 1/4 ton trucks and four 2 1/2 ton, but whether or not they will be received is not known.

N-SERVE* HOW IT WORKS

N-SERVE blocks bacterial action that would quickly convert ammonium fertilizer to nitrates. Nitrates are subject to rapid loss through leaching and denitrification. This blocking action keeps nitrogen in the soil longer so that it becomes available slowly as it's needed. This reduces the crop stress that would occur from temporary nutrient shortages if you had to rely on side-dressings to maintain a steady nitrogen supply.

First In A Series - -

Texico-Farwell Booklore

Elliott S. Barker began his career as a professional photographer in Texico more than seventy years ago, but it wasn't long before he changed both his occupation and residence.

Barker finished high school in Las Vegas, N.M., in 1905, and then worked on his family's nearby ranch until a relative persuaded him to attend Bissell College of Photography in Effingham, Ill., for six months.

"After that (in 1906) I went into business with my brother-in-law, John Phillips, at Texico, New Mexico, on the broad, treeless Staked Plains," wrote Barker in a magazine article several years ago.

He soon found that living on the plains and working in a photographic darkroom didn't suit him at all.

"After a year of it I became so homesick that I gave up the deal and went back to my beloved mountains, horses, and dogs," he continued.

Animals rather than pictures dominated his permanent career.

Throughout his long life, Barker has been a staunch supporter of wildlife conservation and fire prevention.

It was during his lengthy tenure as state game warden of New Mexico that he supervised the recuperation of Smokey Bear, a cub badly burned in a fire at Lincoln National Forest, N.M. As a pet project, he launched Smokey Bear's campaign of fire prevention.

Barker, an instrumental figure in securing passage of the Wilderness Act and a former president of the International Association of Game, Fish and Conservation Commissioners, was recognized in 1976 as a co-founder of the profession of wildlife science with an honorary doctor of laws degree from New Mexico State University.

Camp Elliott Barker at Eagle Nest, N.M., was named in his honor by Girl Scouts of Sangre de Cristo Council.

His name is also indelibly linked with the Pecos Wilderness in the Santa Fe National Forest, where he directed numerous trail rides for the American Forestry Association.

Barker's name is bylined on several articles and books. Of particular interest here are those mentioning Texico.

His early, unsatisfactory experience in Texico is recalled in a 1970 article, "Pioneer Life on a Mountain Ranch, 1889-1908," in

Frontier Times.

This article comprises the fourth chapter in Barker's book, **Western Life and Adventures, 1889-1970**, published by Calvin Horn in 1970.

Tracing his life from the age of three, this autobiography with a reference to Texico was reprinted by The Lowell Press in 1974 under the title, **Western Life and Adventures in the Great Southwest**.

Barker describes Texico in 1906 as "a lively little pioneer town" in his contribution to **The Westemers: A Roundup of Pioneer Reminiscences**, a 1969 book compiled by John Myers Myers for Prentice-Hall, Inc.

Incidentally, J. I. Phillips was the photographer who made most of the photos appearing in the Feb. 13, 1908, pictorial edition of **The Farwell Times**, which has been reproduced in facsimile format in **A History of Parmer County Texas**, a 1974 book edited by Nelson Lewis for the Parmer County Historical Society and published by Nortex Press of Quanah.

Perhaps he is the John Phillips who was Barker's brother-in-law in Texico.

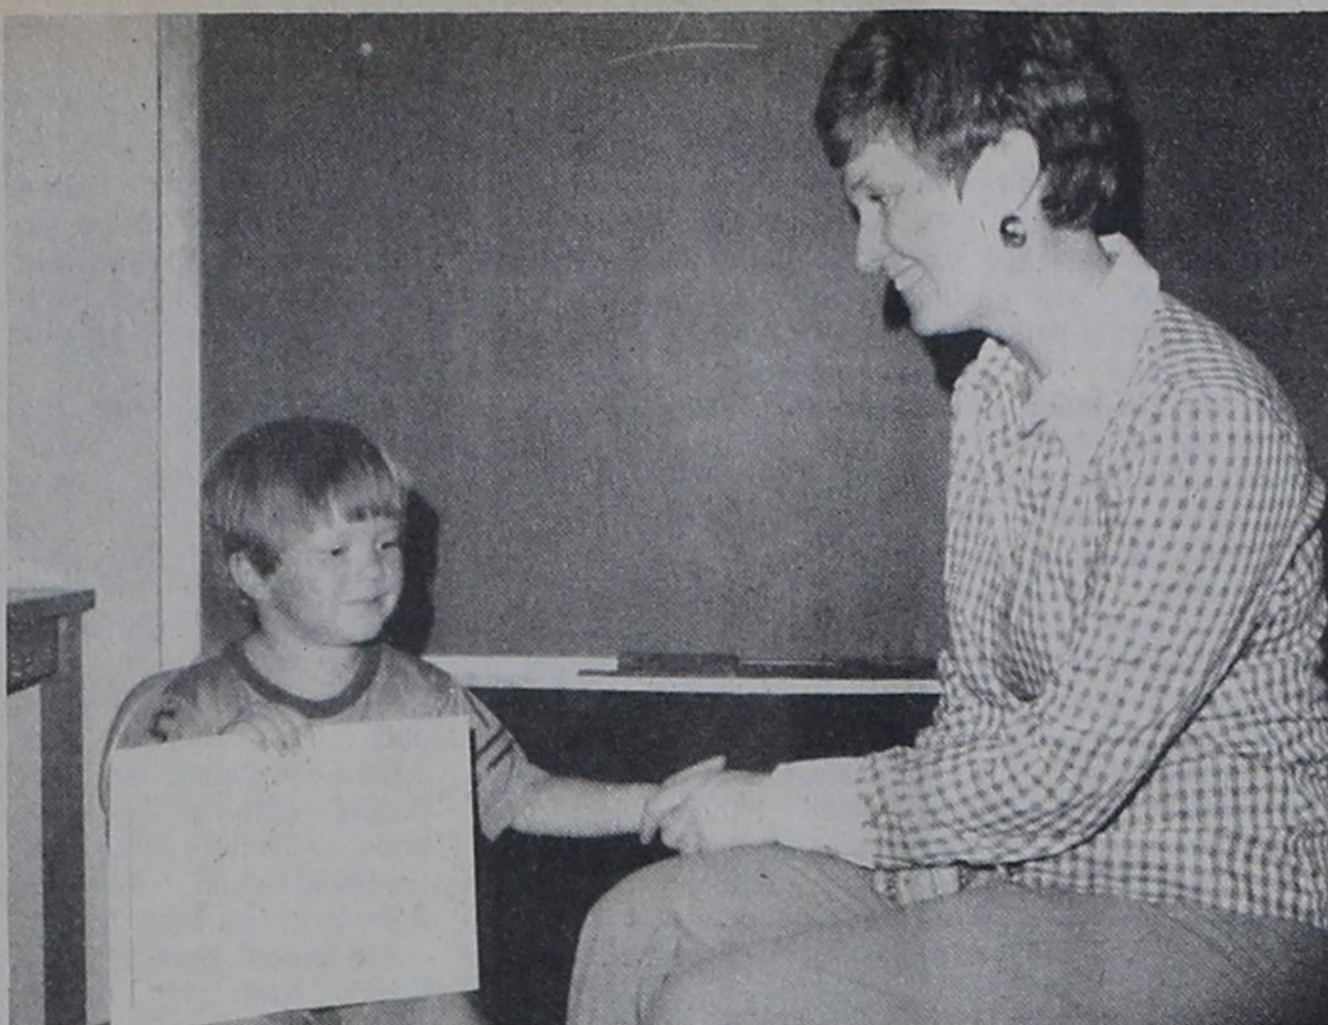

Longevity and talent in a variety of fields are shared by the 90-year-old Barker, who lives at Santa Fe, N.M., and other members of a remarkable family --- C.C.C.

Texico Band To Report

Jerry Sadberry, Texico band director, asks all eighth through 12th grade band students to report to the band hall Tuesday, Aug. 9, and Thursday, Aug. 11, for music orientation for the coming year. The sessions will be conducted from 6:30 p.m. to 8 p.m. MDT each day and will emphasize reading new music, Sadberry says.

Boosters To Meet

Texico Booster Club will have a meeting and "watermelon bust" for all the players, parents and interested fans next Wednesday, Aug. 10, beginning at 8 p.m. MDT at Texico High School.

Richie Reads

Richie Gulley, four-year-old son of Mr. and Mrs. Larry Gulley of Texico, proudly accepts a certificate for having participated in the summer reading program at Farwell Schools during June and July. Presenting the certificate is Pat Owen, one of the co-ordinators for the program which featured films, story telling sessions, and the opportunity for participants to check out books from the libraries at Farwell Schools. Those in charge say they were well pleased with the turnout for Farwell's first program of this type.

James Symcox Will Present Concerts

James Symcox of San Marcos, formerly of Farwell, and son of Mr. and Mrs. Vernon Symcox of Farwell, will be giving a

series of vocal concerts in this area next week. The public is invited to attend.

Symcox will begin recording with Rainbo Sounds,

Inc., of Dallas in September.

Symcox's schedule of area concerts is as follows:
Aug. 7: Community Church, Muleshoe, 11 a.m. CDT.

Aug. 7: Lazbuddie United Methodist Church, 6:30 p.m. CDT.

Aug. 7: Calvary Baptist Church, Farwell, 8:30 p.m. CDT.

Aug. 8: Texico-Farwell Lions Club, 7 p.m. CDT.

Aug. 9: Farwell Convalescent Center, 6:30 p.m. CDT.

Aug. 14: Hamlin Memorial United Methodist Church, Farwell, 11 a.m. CDT (He will be featured along with the choir of the church.)

Aug. 14: Oklahoma Lane Baptist Church, 6 p.m. CDT.

Aug. 14: Emmanuel Baptist Church, Portales, 8 p.m. CDT.

AROUND THE TWIN CITIES

Texico Chamber of Commerce will meet Monday, Aug. 8, at 6:30 p.m. MDT at the community building.

6:30 p.m. MDT in the City Hall.

Texico school board will meet Tuesday, Aug. 8, at 7 p.m. MDT in the high school principal's office.

Members of the Community Senior Citizens Center of Texico-Farwell were to have a pot luck supper Thursday night at the community center.

Parmer County Young Farmers will meet Monday, Aug. 8, at 8 p.m. CDT at the Bovina Agriculture Building.

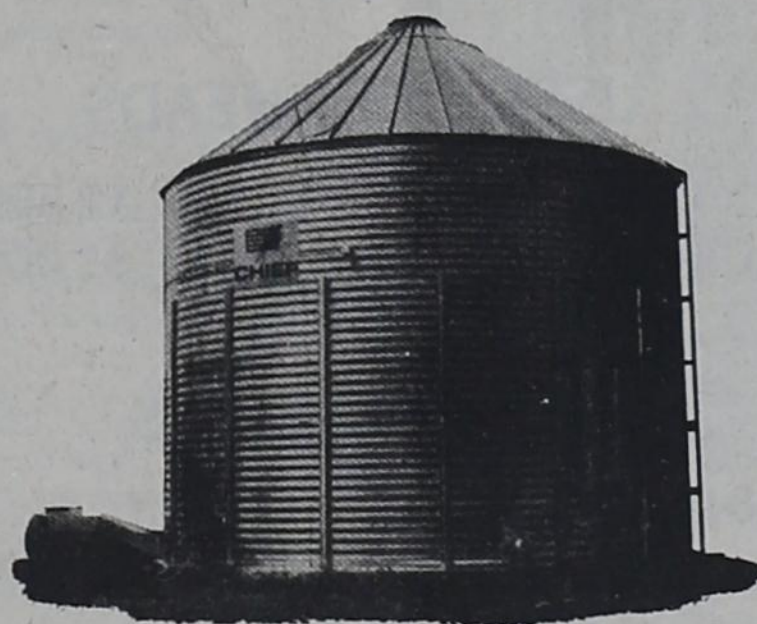

Farwell School Board will conduct its regular meeting Monday, Aug. 8, at 8 p.m. CDT in the superintendent's office.

Texico City Council will meet Tuesday, Aug. 9 at

Summer Reading Program Termed Successful

"This year's summer reading program has been such a success in the elementary and junior high schools that we are already thinking about ideas for next year's program," says Mrs. Pat Owen, coordinator of Farwell's first summer reading endeavor.

Children who participated in the two-month long program received certificates at the close of the sessions Wednesday, July 27. Reading sessions have been conducted each Wednesday since the end of school at each of the three libraries at Farwell Schools.

Those participating on the elementary level saw films, participated in story telling sessions and checked out books during the morning sessions. Films and other activities were also featured in the junior high library.

Mrs. Owen says that response from the community was simply overwhelming, adding that they could never name all the volunteers who assisted, but expressed appreciation for all their efforts.

"We could never have carried on the program without the efforts of Mrs. Janice Fant in the elementary," Mrs. Owen stated, adding that cooperation from the parents and members of Friends of the Library was also deeply

appreciated. Special thanks was also expressed to Mrs. Carrie Anderson and Mrs. Ann Corn in the high school section and to Mrs. Frances Boling who conducted the junior high program.

Following presentation of certificates Wednesday morning, those attending were served refreshments of cookies and punch.

Among those receiving certificates of participation on the elementary level were Emmitt and Michelle Autrey, Kelly Anderson, Sonya Birchfield, Jeff and Greg Atkinson, Chris Aycock, Ladd and Kelly Brown, Audra and Cynthia Beavers, Eric Burton, Todd and Renee Bartley;

Also, Jim Caron, Amy and Andria Chadwick, Sonya, DeAnn and Amanda Curtis, Sherri Curtis, Donnie Caron, Sharon Dyer, K.C. Eubanks, Christy Curtis, Ella Eubanks, Bobby Ford, Chris and Dean Fant;

And, Lisa and Steve Gerles, Tami Goldsmith, Richie and Amy Gulley, Dana and Darren Haseloff, Geretta, Carl and Daniel Hutchins, Clarissa Hobbs, Jeremy and Corey Jones, Amy Johnson, Blake and Clint Kelley, Kathy Lingnau, Kristy Lovelace, Tonya and Paul Meeks;

Also, Royce and Shawn Menning, David Moseley, Angie Morris, Shiloe Mitchell, Leslie Monk, Stephanie Morris, Wayne and D'Ann Pierson, Kerri and Bobbi Parker, DeeAnne Ray, Kandy Robbins, Teresa Rose, Jeffery Stewart, Cole Sorley, Twila Stanberry, Shelley Smith, Cheryl, Sandra and Selene Stanton, Doug Tims, Jason Turner, Sheryllyn and Todd Thigpen, Richard Turner, Angie and Dana White, David Woods, Marty Walker, Alicia Herrera, Toni Galvan, Anna Ramirez and Michelle Herrera.

Those participating in the junior high reading sessions and receiving certificates were Wanna and Rocky Menning, Roger Hobbs, Johanna Mesman, Polly Turner, Andy Hughes, Kelly Alana, Jay Anderson, Royce Menning, Eric Williams, Tracy Williams, Shana Blain, Darrell Goldsmith, Kevin Owen and Clay Williams.

Fire Calls

Farwell Volunteer Fire Department responded to a call Sunday to Oklahoma Lane Baptist Church. The insulation had burned off several electrical wires, but no damage was reported.

Texico Volunteer Fire Department emergency vehicle transported two residents to the hospital in Clovis July 29.

agri-facts

by John Ricci

The economic well-being of our Nation depends upon a strong, viable agricultural community. Here are some facts to ponder: Agriculture, the Nation's biggest industry, employs some 4.3 million workers, almost as many as the combined employment of the transportation, steel and automobile industries. One out of every five jobs in private employment is related to agriculture. About 2 million people have jobs providing the supplies farmers use for production. Eight to 10 million people have jobs storing, transporting, processing and merchandising the products of agriculture. There are about 2.8 million farms left in the U.S. and the farm population totals around 8.3 million persons. And yet, some 215 million Americans and many additional millions throughout the world depend upon these relatively few farms and farm families for much of their food and fiber.

Connie McDonald Weds John Edward Thomman

In a candlelight ceremony, Saturday, June 25, in the Lazbuddie Methodist Church, Connie Lynn McDonald became the bride of John Edward (Jet) Thomman. Officiating at the double-ring ceremony was Rev. Nolan Sumner of Levelland. Assisting was Rev. Frank Matthews of

Lazbuddie. The bride is the daughter of Mr. and Mrs. Don McDonald of Lazbuddie and the groom is the son of Mr. and Mrs. Bob Thomman of Levelland. The bride is the granddaughter of Mrs. J.H. McDonald of Farwell. The couple repeated their vows before a kneeling

bench and an arch of pink candles entwined with greenery. Two spiral candelabras holding pink candles decorated with greenery flanked each side of the altar. Pink satin bows marked family pews. As the candles were lit by Johnny McDonald, Lazbuddie, brother of the bride, and Jimmy Menefee of Friona, cousin of the bride, Keith Brasher of Levelland played "Maldens Prayer" and "Somewhere My Love" on the fiddle. As the grandmothers and mothers entered, Miss Kim Hayden of Earth, on the flute, accompanied by Mrs. Wayne Moore of Lazbuddie at the piano, played "Colour My World." Kristy Brock of Levelland sang "Wedding Song," "Time In A Bottle" and "Wedding Prayer." Miss Brock sang "Evergreen" as the unity candle was being lit by the couple. She was accompanied by Mrs. Moore. Organist was Mrs. David Gallman of Muleshoe, who played the traditional wedding march.

Given in marriage by her father, the bride was attired in a formal length gown of dacron organza fashioned with a high neckline on a sheer bodice and long fitted sheer sleeves trimmed with silk Venice lace. The full A-line skirt extended into a chapel length train also accented with the matching lace. Her sheer bridal hat was trimmed in illusion with a finger tip length veil of illusion down the back attached with

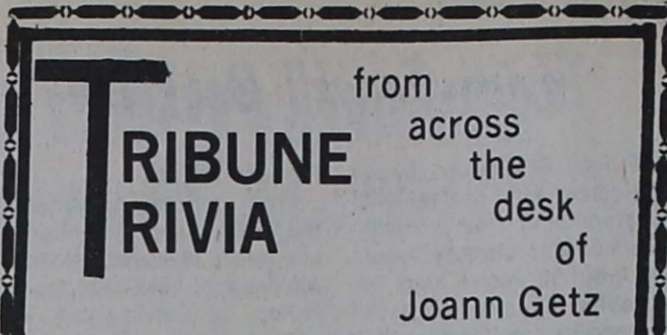

sheer roses. She carried a cascading bouquet of pink roses, stephanotis and baby's breath with pink streamers atop a white lace covered Bible. For the traditional something blue, she wore a blue garter. Something old was a cameo brooch that belonged to her great grandmother McDonald. Something new was a pair of diamond earrings, a gift from the groom, and something borrowed was her grandmother's ruby engagement ring. The bride also wore pennies minted in the years of their births.

Mrs. Donnie McDonald, sister-in-law of the bride, was matron of honor and Dana McDonald, sister of the bride, was maid of honor, both of Lazbuddie. Other bridal attendants were Kelly Hayden of Earth, Mrs. Dave Engelking of Muleshoe, Mrs. Tom Willis of Levelland and Mrs. Kevin Hall of Friona. They all wore pink dacron dotted swiss formal length dresses with a deep square neckline, short doublebell sleeves accented with wide waist bands onto full gathered skirts. Their sheer pink picture hats were

trimmed in pink ribbon attached to pink silk roses. They each carried nosegays of pink silk roses with baby's breath and long pink streamers. Serving as best man was Steve Alexander of Levelland. Groomsmen were Boogie Webb and Larry Don Pugh, both of Levelland, Roy Don Hendley, Lubbock, Terry Christenson, Melrose, N.M., and Rodney Logsdon of Memphis, Tex. Ushers were Donnie McDonald of Lazbuddie, brother of the bride, Daniel Maye of Levelland and Marshall Kyle of Ft. Sumner, N.M.

The groom wore a white tuxedo with pink ruffled shirt and white bow tie. The other attendants all wore grey Prince Henry style tuxedos with white shirts and ascot ties. Flower girl was Jonessa Jennings of Lazbuddie. She wore a pink sheer dacron dress with white flocked flowers made identical to those of the bridesmaids. Serving as ring bearer was Brian McDonald of Lubbock, cousin of the bride. He wore a tuxedo identical to those of the groom's attendants.

For her daughter's wedding, Mrs. McDonald chose a mint green formal length dress with a chiffon overlay. Mrs. Thomman chose a floor length orchid knit dress with long full chiffon sleeves and a short chiffon cape. They both wore a white gardenia corsage. Following the ceremony, a reception was held in the Fellowship Hall of the church. The bride's table was laid with a white lace cloth over white taffeta with a floor length sheer

In spite of the lack of leadership of the Farwell Chamber of Commerce and the Texico Chamber of Commerce, the Twin Cities' Border Town Days was a huge success.

There was tremendous participation and, fortunately, individuals and groups did their things. The big problem was that the right hand didn't know what the left hand was doing; however, everyone seemed to enjoy all events and the community turnout was fantastic.

We commend the Texico Chamber for their float entry in the parade - it was outstanding - and we applaud the Farwell Chamber for the cold watermelon served in the park. This was great as far as it went.

This is a Twin Cities celebration and we feel it should have had some leaders. Without leadership, it was highly successful - just think what the celebration could have been with the two chambers to ramrod it or with a BTD committee in charge. And, where were the mayors of our twin cities? They should have ridden in the parade in a lead car. The chambers of commerce should be the ones to take the lead in promoting our twin cities, and this celebration is the best opportunity throughout the years for putting Texico-Farwell on the map.

We should be grateful to the Farwell Jaycees for staging the rodeo, around which we can have our celebration. Prior to the Jaycees, it was the Arena Association that made the rodeo and celebration possible, and their efforts are appreciated. We just shouldn't let it stop there.

Every other town that one can think of has a community celebration (one of the most successful is the Melrose Old Timer's Day, so size of the community doesn't mean a thing). It just takes planning and leadership.

And, hope it doesn't stop here. Think we should have a Border Town Days Queen. Realize that it couldn't continue with a Rodeo Queen, as there just aren't enough girls who ride horses or have their own horses available. But a BTD Queen could reign over the rodeo, lead the parade and appear at many community functions throughout the year. With the beauty of our gals, she would be quite an asset to any function.

Let's start planning for next year's celebration long before time of staging. It can be bigger and better.

The first world globe was made in 1491. It showed Japan in the mid-Atlantic between Europe and Africa on the right and India and Asia on the left.

MR. AND MRS. JOHN EDWARD THOMMAN

Golden Anniversary

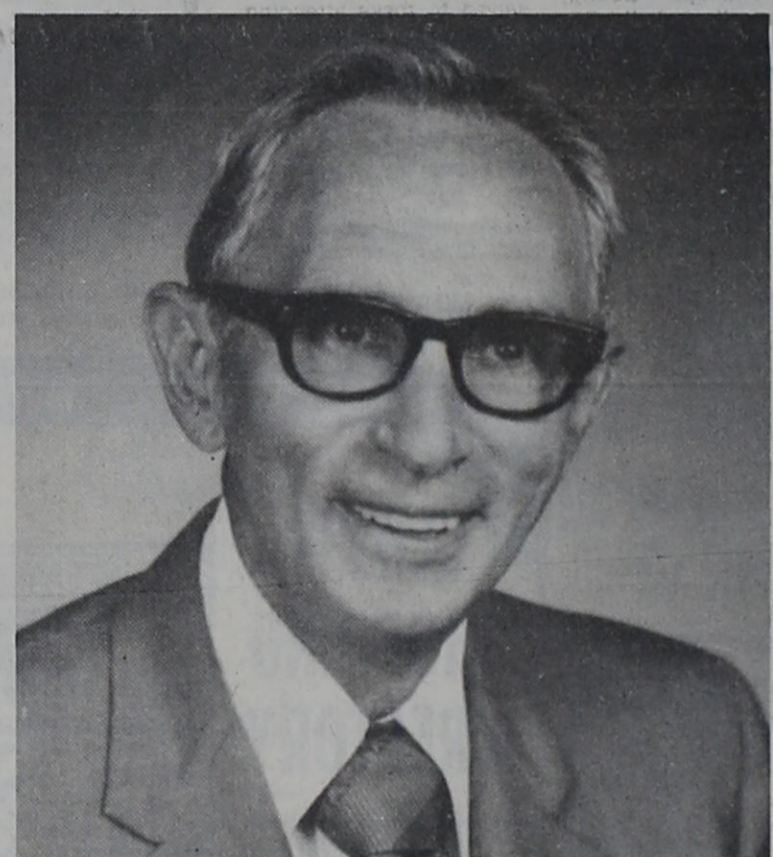

Mr. and Mrs. Claude Curry will celebrate their 50th wedding anniversary Saturday, Aug. 6, at their home southeast of Clovis. The celebration will be observed with an old-fashioned barbecue at noon followed by a reception to which all friends and relatives are invited. The Currys' children will host the occasion. They are Mr. and Mrs. Gayle (Claudean) Urbach, Mr. and Mrs. Malvin D. Curry, Mr. and Mrs. John (Violet) Plant, Mr. and Mrs. Ronnie Curry, and Mr. and Mrs. Lonnie Curry. Claude Curry and the former Anna Dillard were married by "Uncle" Sam Tipton, a Baptist minister at West Camp, September 17, 1927. The couple has resided at the same home southeast of Clovis since their marriage. In addition to five children, they have 14 grandchildren and three great-grandchildren.

Williams Family Has Reunion In Texico

Family members of the late Mr. and Mrs. J.S. Williams gathered for their annual family reunion July 15-17. Many of the week-end activities were held at the community building in Texico. They all attended church July 17 at 21st St. Church of Christ in Clovis.

Mr. and Mrs. Williams and their 11 children moved to this area in 1920. Ten of the children are still living and six are in the Texico-Farwell-Clovis vicinity.

One brother, J.B. Williams of Montgomery, Ala., was unable to attend, but everyone visited with him by telephone. They all enjoyed visiting and reminiscing about childhood experiences, and all say they are glad they could be together one more time and all are looking forward to next year's reunion.

Those attending were Mr. and Mrs. C.H. Williams, and Joe M. Williams, all of Refugio, Tex., Mrs. Faye Jones of Huntington Beach, Calif., Mr. and Mrs. Roy Williams, Mrs. Nannie Simpson, Mrs. America Crook, all of Clovis; Mrs.

Cora Lunsford and Mrs. B. Boyd of Farwell; Mr. and Mrs. J.E. Stone of Texico;

And, nieces and nephews, Mr. and Mrs. Billy Neal, William and Jeff, Mark Williams and his fiancée Vickie Glaser, Mr. and Mrs. Ricky Shumate, Mr. and Mrs. Bud Plaster, Dr. and Mrs. Jerry Crook, Keigm and Kevin, all of Clovis; Mr. and Mrs. Buster Lunsford of Farwell; Also, Mrs. Bobby Gable of Muleshoe, Mr. and Mrs. Charles Boyd of Austin; Mrs. Jerry Johnson, Kelly and Brenda of Lubbock, and Mrs. Mary Tice and Sherry of Corpus Christi.

Buddy Fosters

Have Son

Mr. and Mrs. Buddy Foster of Farwell are the parents of a son born July 28 at Parmer County Community Hospital in Friona. The new arrival, who has been named Micheal Brandon, weighed six pounds, 15 ounces, and was 18 and 1/2 inches long at birth.

He has one sister, Michelle, who is three years old.

Maternal grandparents are Mr. and Mrs. Weldon Tims of West Camp and the paternal grandparents are Mr. and Mrs. Wayne Foster of Farwell.

H.D. Club

Has Picnic

Oklahoma Lane Home Demonstration Club held a family picnic at Farwell City Park last Thursday evening. Ham, chicken, potato salad, bread, ice cream, cole slaw, lemonade, and cantaloupe were served to these attending.

Members and their families present were Mr. and Mrs. Mike Camp, Kara and Clay, Mr. and Mrs. Billy Dollar, Mr. and Mrs. Jimmy Franse, Mr. and Mrs. Jose Ceniceros and Angela, Mr. and Mrs. Robin Mahaney, Mr. and Mrs. Vernon Symcox and Terry and Leonard Hillock, Mr. and Mrs. Delton Wilhite, Lonnie Paul and Dustin, and Mr. and Mrs. Eddie Winegeart, Paul and Phillip.

Sister Visits

A recent visitor of Mrs. J.B. Benderman of Texico was her sister, Mrs. E.B. Mauldin of Amarillo. They took a trip to their old home place near House, N.M., and visited with friends they had not seen for 30-40 years.

Mrs. Benderman accompanied her sister to Amarillo where they visited another sister, Mrs. L.W. Mowry. After visiting there three days the Texico woman returned home.

MR. AND MRS. JEFFERY "J" JOHNSON

Sabrina Kittrell Attends FHA Meet

Sabrina Kittrell, daughter of Mr. and Mrs. Truman Kittrell of Texico, attended the Future Homemakers of America 1977 National Leadership Meeting July 11-14 at Seattle Center in Seattle, Wash. She was accompanied by Kendale Burch, Texico High School FHA sponsor.

Sabrina, who is active in the Texico FHA chapter, served as a National Delegate to the meeting. During her four days at the leadership meeting she participated in numerous sessions designed to help her operate more effectively in local and state Future

Homemakers' responsibilities. She also assisted in many of the program activities involving more than 1200 teenage delegates - chosen from over 450,000 members nationally.

Selection as a National Delegate to the meeting is one of the highest honors an FHA member can receive. Criteria for selection include exceptional leadership and involvement with local and state FHA activities.

Many of the 12,000 chapters nationwide are involved in special projects throughout the year.

Mrs. Landrum

Hosts Class

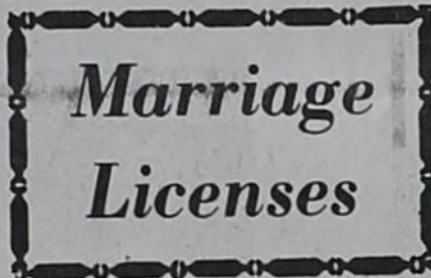

Friendship Sunday School Class of the First Baptist Church in Farwell met Monday afternoon in the home of Mrs. Bessie Landrum. Marie Cox opened the business meeting with prayer. Following the short business session, Beulah Williams gave the devotional.

Refreshments of frosted Coke and cookies were served by the hostess to Mesdames Estellene Billington, Marie Cox, Pearl Gerles, Elsie Hardage, Letha Jo Roberts, Jewell Scott, Beulah Williams, Sallie Chandler, Edith Crawford, the hostess, and a special guest, Mrs. Dudley Bristow.

Visit Mrs. Teel

Guests last week in the home of Mrs. Aileen Teel in Texico were her children and families, the Rev. and Mrs. Jerry Hill, John and Todd of Sand Springs, Okla., and Mr. and Mrs. Allen Teel, Jennifer and Kyle of Roswell.

Visiting with Mrs. Teel this week are her daughter and grandsons, Mrs. Gene Usrey, Steven and Mark of Shawnee, Okla. The Usreys are also visiting relatives in Portales during the week.

Parmer County Clerk's office has issued four marriage licenses since the last report. Those receiving the licenses were Danny Lee Campbell and Holly Hart; Robert Earl Owen and Sarah Cooper Alexander; Donald Lee Gustin and Mary Alice Schilling; Roy Don Rector and Sherri Jo Thorn.

Have Visitors

Recent visitors in the home of Mr. and Mrs. Elmer Scott of Farwell were his nephew and wife, Mr. and Mrs. John Grassman, Jr., of Oklahoma City, Okla., and a friend, Fred Grassman of Tinker Field in Oklahoma City.

The complete English vocabulary is said to consist of over a million words but it's doubtful whether anyone knows more than one-fifth of these.

Double-Ring Ceremony Unites Carolyn Herington, 'J' Johnson

Carolyn Jean Herington, daughter of Mr. and Mrs. L.C. Herington, Farwell, and Jeffery "J" Johnson, son of Mrs. Harold Wiggins and the late Robert Johnson of Dayton, Ohio, exchanged vows at 8 p.m. Saturday, July 16, at the First Baptist Church in Farwell.

The double ring ceremony, with Dr. Jerry D. Gregory of Muleshoe officiating, was performed by candlelight before an altar setting centered with a large fan-shaped arrangement of yellow gladioli and blue carnations backed by an arch and surrounded by spiral candelabras holding blue tapers. On each side was a nine branch candelabra with blue tapers and emerald foliage. Family pews were marked with large yellow bows.

The bride, escorted to the altar by her father, and given in marriage by her parents, paused at the parents' pew to hand a red rose to her mother.

The bride wore a floor length gown of white organza fashioned with a V neckline and empire waist. White lace daisies outlined the neckline and waist. The full skirt, trimmed with white lace daisies and edged in Venise lace fell into a chapel train. Bell sleeves also edged in Venise lace fell into a cape at the back. Her fingertip veil of illusion was attached to a crown of white lace daisies accented with sequins and tiny seed pearls.

Her bridal bouquet was a cascade arrangement of white daisies and yellow pixie carnations accented with white picot streamers and babies breath carried on top of a white Bible borrowed from her matron of honor. In other tradition, for something old the bride

wore a wedding band belonging to her maternal grandmother and a string of pearls belonging to the bridegroom's grandmother. Something new was a pair of silver rose earrings, a gift from an aunt, and her wedding dress. She wore a blue garter and a penny minted in the year of their births in her shoes.

As the couple left the altar they passed before a three-branch candelabra with blue tapers and emerald foliage to light a unity candle. The bride then handed a red rose to the bridegroom's mother.

Providing wedding music was Mrs. Joyce Hargrove on the organ and Mrs. Margie Watkins on the piano. Mrs. Hargrove sang "Sunrise, Sunset," and "Portrait of My Love."

Mrs. Marilyn Winders of Earth, served as matron of honor and Jane Sanchez of Farwell served as bridesmaid. Both wore long dresses made of yellow dotted swiss with puffed sleeves and a ruffled flounce. Their white picture hats had yellow streamers. Each carried a nosegay of yellow carnations and white daisies accented with streamers of yellow and white dotted swiss.

Serving as ushers and candlelighters were Keith and Randy Herington, brothers of the bride. An uncle of the bride, Duane Herington of Lubbock, also served as an usher.

Bruce Kinney of Clovis was best man. The bridegroom's brother-in-law, Gary Neher of Lexington, Ky., was groomsmen. Both men wore blue tuxedos with yellow shirts. The bridegroom wore a white tuxedo and white shirt.

For her daughter's wedding, Mrs. Herington chose a floor length dress of green dotted swiss. Mrs. Wiggins wore a floor length dress of soft blue. Both mothers wore corsages of yellow carnations. Mrs. Vada Miller, paternal grandmother of the bride wore a long dress of peach double knit. The bride's maternal grandmother, Mrs. Ollie Orr, wore a street length dark blue dress of double knit. Each wore a corsage of yellow carnations.

Janet Montgomery registered guests and Heather Neher, the bridegroom's niece, handed out rice bags.

Mrs. Onie Bradshaw of Farwell, accompanied by her daughter and granddaughters, Mrs. Janie Williams, Kathy and Karen, of Lubbock spent the weekend of July 15 in Albuquerque. They were guests of Mrs. Mary Crume, former Farwell resident, and also visited Mr. and Mrs. Tim Crume and children. The group especially enjoyed sightseeing in the mountains and reported that the weather was "nice and cool."

This week Kathy and Karen are visiting in Farwell with their grandmother.

Wedding Reminders

Trumi Donise Christian and Robin Kim Wiloth, both of Albany, will exchange wedding vows tomorrow (Saturday, Aug. 6) at 7 p.m. at Hamlin Memorial United Methodist Church, Farwell. Friends and relatives are invited to attend the wedding and the reception to follow at the church fellowship hall.

The bride-elect is the daughter of Mr. and Mrs. Donald Christian of Farwell and the prospective bridegroom is the son of Nita Wiloth and Rudolph Wiloth, both of Albany.

Wedding vows will be exchanged at 7 p.m. CDT Friday, Aug. 12, by Karen London of Farwell and Tim Lusk of Clovis. Friends and relatives are invited to the wedding which will be at First Baptist Church, Farwell, and to the reception to follow. Parents of the couple are Mr. and Mrs. Leon London of Farwell and Mr. and Mrs. J.D. Lusk of Clovis.

Friends and relatives are invited to the wedding of Susan Sheriff and Harold Collins, both of Clovis, Friday, Aug. 12, at 7 p.m. MDT at Central Baptist Church and to the reception which will be at the church chapel. Parents of the bride are Mr. and Mrs. Dwight Sheriff and the prospective bridegroom's parents are Mr. and Mrs. Dwain Collins, all of Clovis.

Mrs. Onie Bradshaw of Farwell, accompanied by her daughter and granddaughters, Mrs. Janie Williams, Kathy and Karen, of Lubbock spent the weekend of July 15 in Albuquerque. They were guests of Mrs. Mary Crume, former Farwell resident, and also visited Mr. and Mrs. Tim Crume and children. The group especially enjoyed sightseeing in the mountains and reported that the weather was "nice and cool."

This week Kathy and Karen are visiting in Farwell with their grandmother.

Cindy Meeks Has Birthday

Cindy Lue Meeks, who turned four years old Tuesday, Aug. 2, celebrated the event with a party at the home of her parents, Mr. and Mrs. Jimmy Meeks of Farwell, on Monday.

Decorations consisted of Walt Disney characters and the birthday cake was shaped like an elephant and decorated in colors of pink, purple, yellow and green. Ice cream was also served.

Those attending besides the honoree and her parents were Richie and Amy Gulley, Jory McIntosh, Levon McClelland and Tammy Sandoval, all of Texico, and Adam, Clarissa and Rodger Hobbs, Tonya Kay Long, Joy Morton, Nathan Richardson and Tanya Meeks, all of Farwell.

Winners Named In Golf Tournament

The annual Women's Invitational Golf Tournament sponsored by Farwell Ladies Golf Association and local merchants was held last Thursday and Friday at Farwell Country Club. Alice Vinton was the tournament chairman.

Twenty-eight teams registered to play in five flights. The first, second and third place winners in each flight are listed as follows.

Championship flight: Rosemary Thompson and Donna Avery, Amarillo, 142; Gail Kenyon and Anna Crooks, Clovis, 161; Carol Vinton, Farwell, Beverly

Winters, Vega, 162.
First flight: Marie Deane and Lynn Kimbrough, Amarillo, 170; Connie Shipman and Janel McPhail, Lubbock, 173; Gloria Cushingberry and Betty Wardell, Amarillo, 175.

Second flight: Marilyn Daniel and Mary Lynn Brown, Amarillo, 181; Verdell Hicks and Sis Deeds, Lubbock, 184; Sandy Fullerton and Sheri Moore, Levelland, 185.

Third flight: Mary Hudgins, Lakeview, Callie Compest, Panhandle, 185; Doris Herrington, Beverly Obenshain, Farwell, 187; Betty Hervey and Narcia Mes-

senger, Amarillo, 190.
Fourth Flight: Shirley Langford and Audrey Shottenkirk, Dimmitt, 197; Gladys Johnson and Mary Schaffer, 203; Nancy Rundell and Janie Sudderth, Bovina, 206.

Mrs. Thompson also earned longest drive and closest to the pin honors during the tournament Friday. In addition, she also shot a low score of 69 on Friday to break the course record. Mrs. Thompson is the Ladies Golf Champion for the state of Texas and is the Women's West Texas Champion.

Mrs. Cushionberry earned the "longest drive" honors Thursday and Mrs. Wardell captured "closest to the pin" honors during Thursday's action.

Sandwiches were served each day during the tournament and a special supper was served Thursday night.

Golf Winners

Ten players were named winners in five flights of competition at the annual Women's Invitational Golf Tournament played last Thursday and Friday at Farwell Country Club. The annual event was jointly sponsored by Farwell Ladies Golf Association and local merchants. First place winners in the Championship flight are seated, from left, Rosemary Thompson and Donna Avery, Amarillo. Other winners, standing from left, are Audrey Shottenkirk and Shirley Langford, Dimmitt, fourth flight; Lynn Kimbrough and Marie Deane, Amarillo, first flight; Mary Lynn Brown and Marilyn Daniel, Amarillo, second flight; Mary Hudgins, Lakeview, and Callie Compest, Panhandle, third flight.

Blair Gets ROTC Scholarship

Gary Blair, son of Mr. and Mrs. Joe Blair of Farwell, has been notified that he has received an ROTC scholarship at West Texas State University. He will be a sophomore this

fall at WTSU. This is a competitive scholarship of which only a few are given. Blair took both written and oral tests before a board of examining officers last fall.

McDonald - Thomman . . .

(Continued from Page 4)

flocked ruffle decorated with pink ribbons and bows. A crystal candelabra with pink candles centered with the bride's bouquet formed the centerpiece. The three-tiered white wedding cake was trimmed with white bells and pink roses topped by white doves and bells. Serving were Cassandra Cargile, Karen Cargile and Kim McDonald, cousins of the bride, all of Lazbuddie.

The groom's table was centered by silver candelabra and a fresh fruit arrangement on a white lace cloth. A chocolate cake with chocolate and white icing was topped with a coach and miniature groom and served from silver and crystal appointments. Gail Anderson of Colorado Springs, Colo., cousin of the bride, and Kathy Claborn, Levelland, served.

Debbie Menefee of Friona registered the guests. Elaine Cargile, Lazbuddie, handed out programs and Pam McDonald of Lazbuddie, passed out pink satin rose rice bags. They are all cousins of the bride.

For their wedding trip to Ruidoso, the bride wore a black and white printed sundress. She wore a corsage of pink roses.

Out-of-town guests attending were Mrs. Bernice Howat, St. Louis, Mo.; Leroy McDonald and Mr. and Mrs. David McDonald and family of Hereford; Mr. and Mrs. Bill McDonald and family, Lubbock; Mr. and Mrs. Jerry Langford, Olton; Mr. and Mrs. Sam Langford, Levelland; Mr. and Mrs. Dwain Menefee and family of Friona; Mr. and Mrs. B.O. Elder, Friona; and Mrs. J.H. McDonald of Farwell.

Members of the houseparty were Mrs. Dwain Menefee, Mrs. Preston Cargile, Mrs. John L. Seaton, Mrs. Eddie Haydon and Mrs. Richard Engelking.

The bride is a graduate of Lazbuddie High School and is presently attending South Plains School of Vocational Nursing. The groom graduated from Levelland High School and South Plains College. He is presently employed by Brooks Welding of Levelland, where the couple will live.

A rehearsal dinner, hosted by the groom's parents, was held June 24, in Muleshoe. A bridesmaids party was given in the home of the bride's grandmother, Mrs. J.H. McDonald of Farwell, Sunday, June 19.

Coach Topliff Comments On Wolverine Prospects

Paul Topliff, Texico's head football coach, is high on enthusiasm, pre-season expectations and the 30-33 boys he expects to turn out for football this year.

For the first time in its history Texico will play independent of any district in New Mexico. Wolverine coaches and players are looking forward to their upcoming nine-game schedule.

According to the current independent schedule, Texico will battle two 2-A schools and seven 1-A schools. Topliff says he is very pleased with the new schedule. He says that in a year or so Texico's enrollment will drop and they will become a 1-A school, adding that they will probably play several of these same teams in district competition in fu-

ture years.

Topliff is very enthusiastic about the boys and the upcoming season. With this new schedule he says they have a good chance to beat the 4-4 record set in 1973 - the best year since football was re-introduced at Texico eight years ago.

Topliff, who is beginning his second year as the Wolverine mentor, believes that football is 90 per cent attitude and 10 per cent preparation. He says the players are looking forward to this season and are beginning to develop a winning attitude.

The Texico coach says they "look great on paper," but are inexperienced otherwise. "If we stay healthy this year we should be very competitive," he adds.

Topliff has several approaches which he uses with his players. A common saying around the fieldhouse is that "nothing great is ever achieved without enthusiasm." Another point he emphasizes is "we have to believe." The Green and White head coach also tells his players "you are somebody because you are a football player." That is one motto we always try to live by, Topliff says, adding that "in order to win we have to believe we can win."

Topliff goes on to say "this year is critical to the three-year program we mapped out when we first took over as head coach." "We have been rebuilding the program and the team since last year and we are finally beginning to see the light at the end of the tunnel," he adds.

He feels that Texico's participation in the state track meets at the end of last school year was a

great boost to this year's football program. "Many of those boys are on the team now and besides bringing back several medals this has helped to establish a winning tradition," which, he says, is essential to the success of the program.

The coach is very enthusiastic about the improved attitudes of the players and speaks highly of all the backing and support they have received from parents, spectators, the school administration and school board.

Four returning lettermen will serve as team captains this year. They are Steve Turner, Dusty Casey and Robert Lacy, all seniors, and Terry Rolan, junior. Rolan will be an offensive and defensive tackle; Casey, offensive guard and offensive end; Turner, split end; and Lacy, defensive corner.

Other returning lettermen include, Homer Ashley, senior quarterback; Jimmy Reid, junior defensive linebacker and offensive tight end; Duwain Hill, junior offensive linebacker; Keith Hadley, junior defensive safety and kicker; Eloy Ortiz, junior wide receiver; Doug Scioli, senior defensive corner.

Several other boys are also expected to strengthen the team, including Charlie Smith, senior offensive guard and Ramauldo Martinez, junior tackle. Joe Martinez, a sophomore who was named the most valuable player during his freshman year, will have a "shot at the noseguard position." Wes Moser, who recently moved here from Oklahoma, will also "help the team out." He will be tried as a defensive nose-guard and offensive tackle.

Barry Goode, sophomore, is expected to be a "good running back." Two other sophomore bright spots are David Cavallero, linebacker, and Brent Crooks, offensive tight end. Other players include Tim Askew, Howard Horner and Mike Scott, all juniors, and Justin Gaddis, sophomore.

Topliff says they are "junior oriented" because 16 team members are juniors. He cited team strong points as the "close knit family feeling" which exists among the players, and their desire to play football. The offensive and defensive lines are "definite strong points," according to the Texico coach who

adds that the personnel is the "best we have ever had."

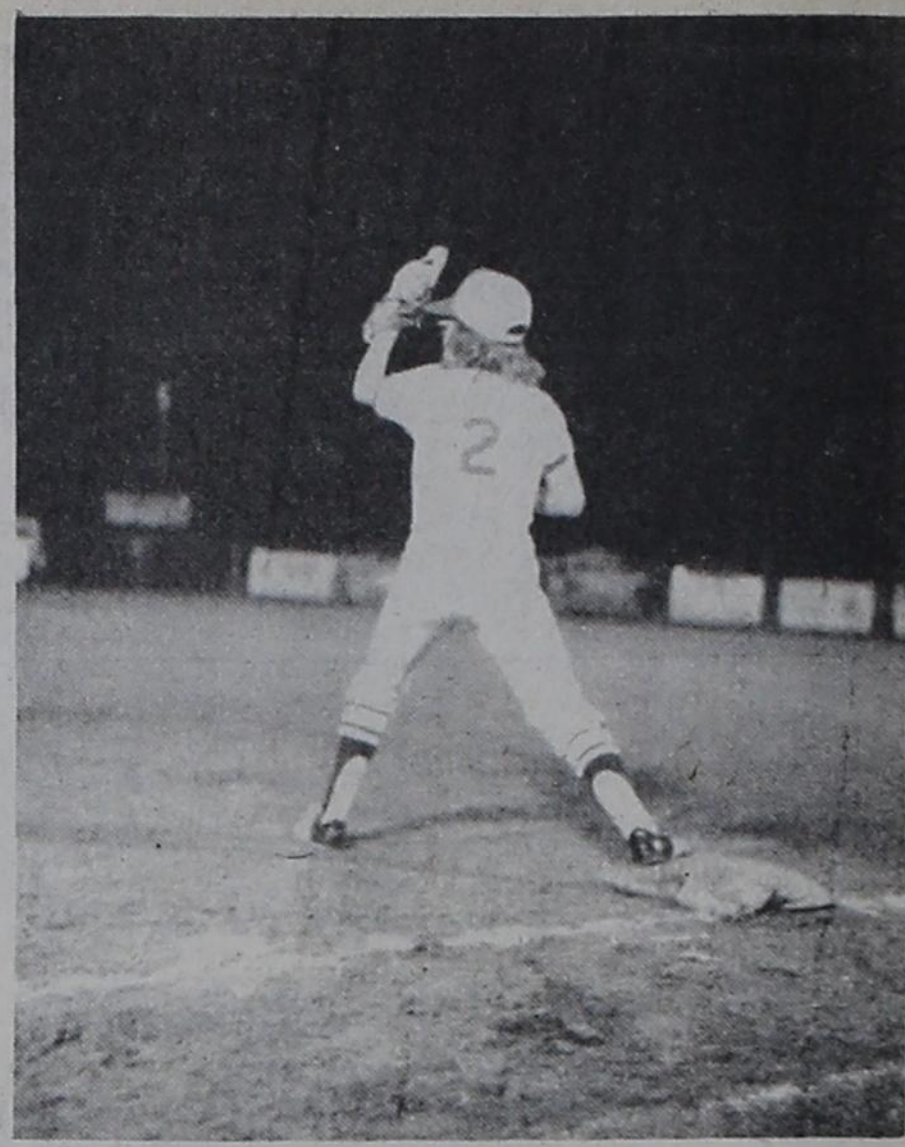

He said the entire defensive secondary will be back, but adds that they must improve over last year's record when they gave up 14 touchdowns in all. "With this many players we should be able to platoon more," Topliff says, adding that no more than five players should have to play both ways.

Topliff commented that this year parents and spectators will have an opportunity to vote for the offensive and defensive "Wolverine of the Week." At each game ballots will be distributed and voting

books will be provided at each end of the stadium. Those votes, along with the voting of the players and coaching staff, will determine who receives the honors each week.

Workouts will begin Wednesday, Aug. 10, with a weigh-in at the varsity locker room. The following day two-a-day sessions will begin and equipment will be distributed a few days later.

Topliff will be assisted by Roy King who will coach the offensive and defensive lines. Cecil Davis, head junior high coach, will be in charge of the eighth and ninth grade teams.

First 'Basewoman'

Lezlie Castleberry, the only female member of the 1977 Texico-Farwell All-Stars team "womaned" first base during the last Wednesday night clash with their Cannon AFB counterparts. Lezlie scored one of three runs which the local team earned that night, but Cannon claimed the victory by an 8-3 margin.

Karen Hadley Attends Science Session

For the average high school student summer is a time to rest, relax and forget about books, studying, tests and all that. But Karen Hadley, daughter of Mr. and Mrs. Raymond Hadley of Texico, is not exactly an average student.

For two weeks (June 12-July 1) she attended a special summer science training program for New Mexico high school juniors at the New Mexico Institute of Mining and Technology at Socorro, N.M.

The session was grueling at times but also rewarding, Karen says, as she earned a "B" grade and three hours college credit. Under the program entitled, "Experimental Aspects of Public Health Biomedical Research," Karen studied six units - microbiology, animal physiology, immunology and biochemistry. The students were tested after each unit and com-

pleted 17 labs in 15 days.

An average day began with breakfast served promptly at 7 a.m. From 8:30 a.m. until 11:50 a.m. classes were conducted. Lunch was served until 1 p.m. and lab sessions were conducted until 5 p.m. or later, depending on the nature of the assignment.

Instructors included Dr. James Brierly, Dr. Gilbert Sanchez, Dr. David K. Shortess and Dr. James A. Smoake. Student lab instructors included Rodney Littleton, Margie Mason and Steve Lockwood. Guest lecturer Dr. Tokuda of the University of New Mexico presented an overview of immunology.

Besides class instruction, lab work, studying and taking tests, the students also visited the Lovelace Research Center at Albuquerque.

Recreation included vol-

leyball, basketball, golf, tennis, swimming, skate boarding, and rock climbing. Parties and dances were held on the weekend and the campus also had a theatre for movie going.

As the program is sponsored by the state of New Mexico, all expenses were paid, including supplies and transportation.

According to Karen, the same summer program is conducted at a college for two years and then the following year the type of program and the college hosting it are changed. She added that this past summer session was the second time for it to be offered at the university at Socorro.

The Texico student said she really enjoyed the course, adding that it had helped her to decide to "major in biology in college."

Identification Day Set Here Tomorrow

Farwell City Marshal Ronnie Mitchell announces that another "operation identification" day will be held at City Hall tomorrow (Saturday) beginning at 8:30 a.m. and concluding around 5 p.m. CDT.

He encourages everyone interested to bring any valuable item which they want marked, including bicycles, CB radios, lawn mowers etc. He emphasized that they will mark anything that is brought to them. Mitchell said he will be assisted by members of Texico-Farwell Boy Scouts Troop 200.

Children bringing items

are asked to bring one of their parents or guardians driver's license number with them as that is the number which will be engraved on the items. Everything will be marked with a special engraving tool.

Mitchell says that anyone who cannot come to City Hall tomorrow should call 481-3620 and other arrangements will be made.

He encourages everyone to take advantage of this service as it helps to discourage theft and in the event the item is taken it is easier to trace and recover.

Harrington Station - -

Electric Company Has Open House For Newest Generating Facility

Southwestern Public Service Company conducted an open house at its newest generating facility, Harrington Station, Saturday and Sunday, July 30 and 31. The plant, located northeast of Amarillo, one mile north of Nichols Station on Lakeside Drive, was open to the public on Saturday and Sunday afternoons.

Harrington Station is the first generating plant on Southwestern's system to use coal as its primary fuel. The first unit, rated at 356,700 kilowatts, was put into service in mid-1976 and is using about 3500 tons of coal per day. During some of the summer months this consumption will be in excess of 4000 tons per day.

The second generating unit at Harrington is under construction and is about

fifty percent complete. It is scheduled to go on the line next summer and will also have a capability of 356,700 kilowatts. Construction of the third unit of the same size will begin in the next few weeks and is scheduled for completion in 1980. All three of the Harrington generating units will use coal-fired boilers.

The coal used at Harrington Station is low-sulphur western coal, mined and brought in by unit train from Gillette, Wyoming. The trains have about 110 cars and are designed and built specifically to haul coal. Each train brings about 11,000 tons of coal to the plant on a twice-a-week schedule.

The boilers at Harrington Station are equipped with the most advanced equipment, available at this time, for preventing objec-

tionable products of combustion from reaching the environment. Both electrostatic precipitators and stack gas scrubbers were installed on the first unit at a cost of approximately \$20-million. The number 2 unit will utilize a fabric filter stack emission control system known as a "baghouse." This environmental control equipment is necessary for compliance with the Texas and Federal air control regulations.

The use of sewage effluent for boiler and cooling water - a practice pioneered by Southwestern Public Service Company at Jones Station in Lubbock, Nichols Station and Harrington Station in Amarillo - will continue to save millions of gallons of fresh water per day. The three plants use an average of 9-million gallons of sewage

effluent a day, saving enough fresh water to serve the residential, commercial and industrial needs of a city of 100,000 people. It takes about 450 gallons of water per month to generate the power for a residential customer using 600 KWH per month. The investment for water quality control equipment was about \$6-million.

Final Installment - -

Report On IWY Meeting Concluded

Editor's note: Two Parmer County women, Mrs. Ellen Estes and Mrs. Jimmy Briggs, attended Mrs. Briggs's Meeting of the International Women's Year in Austin recently. The following is the third part of a report written by Mrs. Estes. At the close of the second installment, Mrs. Estes had just related how resolutions proposed by the conservatives had portions thereof either changed or deleted. She continues -)

by Ellen Estes

One such resolution had to do with education; "Whereas the women of Texas believe the primary function of schools is to nurture and develop the intellectual capabilities of the student within the moral and ethical framework of our Constitutional Republic, and

"Whereas the teaching of American ideals and principles, as proclaimed in the great documents which established our republic and limited its powers as necessary to a basic education, and

"Whereas we reject the concept that the schools are to create a new social order, and "Whereas we maintain that life adjustment and social adaptations are not the primary goals of the schools, and "Whereas, the schools have become incapable of performing their primary functions, because their efforts are diverted in these directions,

"Therefore, be it resolved that the women of the state dedicated themselves to promoting the return of basic education with the school systems of the nation, and

"Be it further resolved that the goals of the women of Texas shall be that each student shall have the equal opportunity:

"To learn to read and write effectively; to master the basic computational skills; to understand the essentials, sources and history of the United States; to understand the principles and ideals of our American institutions; to develop rational and logical thinking processes, and finally, to develop the knowledge, and the communicative and manipulative skills necessary to either further his or her education or to successfully earn a living in the world of work."

When it reached the general session, it had been changed to:

"Whereas the women of Texas believe that the primary function of the school is to nurture and develop the intellectual capabilities of the student, and whereas the schools have become incapable of providing this academic development because their efforts are diverted to life adjustments and social adaptations which are not the primary goals of the school.

"Be it resolved that the women of Texas dedicate themselves to basic education to the school system."

One can see that this resolution is not the same at all; all references to morals and ethics, American history or constitutional principles and the idea that schools should not be used "to create a new social order" had been removed. One would conclude

that reading, writing, math, English, and other basics to education are not germane to IWY.

All resolutions having to do with quality education, home, family and morals were rejected. Among the resolutions that passed were an ERA resolution, 2 endorsing lesbian civil rights, one asking for "parenting techniques" to be taught in schools, and for career counseling to be implemented at the junior high level to encourage "non-traditional" careers for women, and urging the federal government to make money available to women's groups and other organizations as incentives for offering classes and other opportunities for women to "re-think and re-learn behavior."

There were numbers of resolutions pushing for federal financing, such as: pushing for "complimentary portrayals" of women on television; asking Congress for federal financing of U.S. House and Senate election campaigns to encourage more women to become candidates. In general, the resolutions are strong in giving more power to the federal government, toward government control, and more government spending.

These are but a few of the resolutions passed at this conference that will be presented to the national conference as being what the majority of Texas wants.

It was learned from Congressman Mahon's office that it had already passed the

plant design department, under the direction of Jim Matthews, manager, generation and design construction. Missouri Valley Constructors, Inc. of Amarillo, was the mechanical and structural contractor and Budwine Electric Service Company, Carlsbad, New Mexico, was the electrical contractor.

J.B. Bottoms was the

resident engineer for Southwestern Public Service Company during the construction of the first unit, and Jerry Hermesmeier is the plant manager. Bottoms will also serve as resident engineer for construction of the second unit.

Harrington Station was named in honor of the late Don Harrington, Amarillo

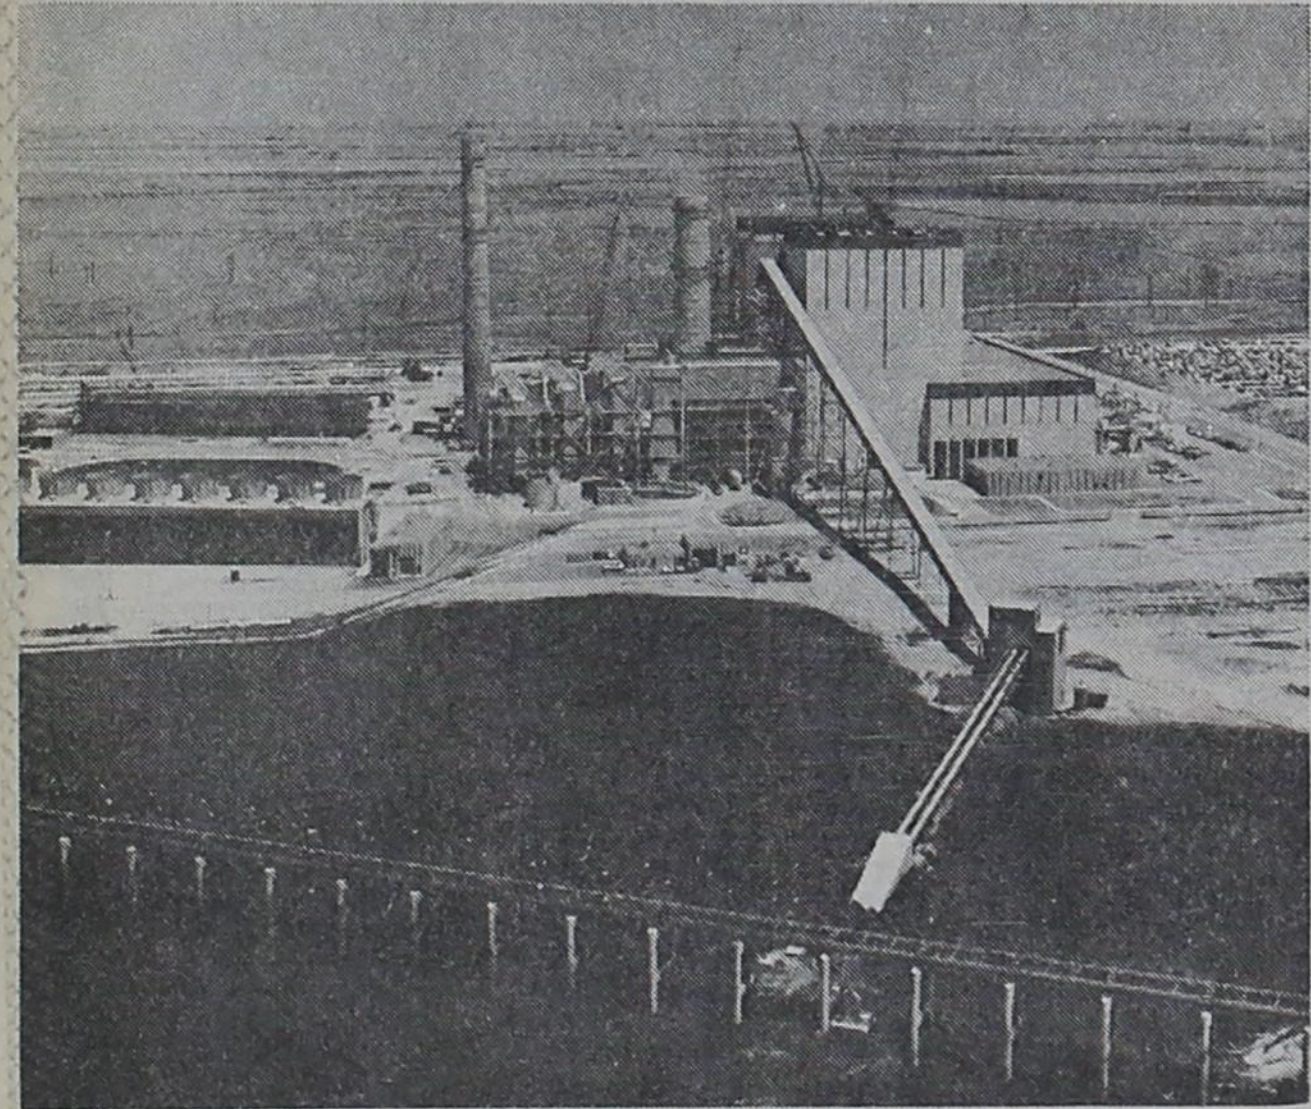

full House, and Mr. Mahon tried to stop the appropriation. There is no way to stop this bill in the Senate, because it is tied to another bill; just another example of the sneaky way things are done in Washington.

One item overlooked is the minimum age of 16. There were signs in some of the rest rooms directing those who were interested to lesbian groups and lesbian activities. There were displays of literature about the feminist movement.

Following is a quote from a letter inviting potential customers into EVE'S GARDEN:

"Eve's Garden is a positive, relaxed space where you can buy a variety of vibrators and sexuality books. No one item is best for everyone, so you may see, touch, compare all of our products, and make an informed and independent selection." Besides books, some of the products were displayed.

After the national conference the resolutions will be presented to President Carter and Congress as being what the majority of Women in the U.S. want. The ultimate goal of IWY is to have those resolutions legislated into law.

New Generating Plant

Public open house was held Saturday and Sunday for Southwestern Public Service Company's newest generating plant, Harrington Station, located northeast of Amarillo. Low-sulphur western coal is the fuel for the newest plant on Southwestern's system. The fuel is mined in Wyoming and delivered to the plant in 110-car unit trains on a twice-a-week schedule.

Pride, Desire, Effort - -

Whatley Sizes Up Season For Farwell Steers

Three little words -- pride, desire, effort -- are the theme of the 1977 Farwell Steers football season, says head coach Tom Whatley. As part of the pre-season preparations all Farwell coaches attended a week long coaching school in Dallas July 26-30. The school, conducted by the Texas High School Coaches Association, is an annual event, and had an attendance of some 7,000 this year.

The Steer mentor is very optimistic about the coming season as he will have

10 returning lettermen and seven returning offensive and seven returning defensive starters.

"Defense will be our strong point and we intend to emphasize it," he says, adding that "inexperience and lack of depth in our offensive backs are our weak points."

Last season the Steers sported an 8-2 record.

Whatley, who is starting his second year with the Steers, calls Russ Jones, quarterback, an "outstanding athlete," adding that he will be a "key man" for the

team. He comments that he expects Jones to "perform better than he has in the past."

Other returning lettermen include Tim Norton, offensive back, defensive end; Clay Roberts, offensive and defensive tackle; Dan Geuther, offensive center, defensive tackle; Richard Yruegas, offensive guard; Rusty McFarland, offensive tackle, defensive end; D.D. Foster, defensive linebacker; Vick Christian, offensive and defensive halfback; Carlos Lucio, offensive end, defensive halfback; and Rowdy Chandler, offensive and defensive end.

head junior high coach. He and Don Alana are in charge of the seventh grade team and McDorman and Roanhaus are in charge of the eighth grade team. Baker is the head junior varsity coach.

Whatley explained that coach Bob Askey does not have a team responsibility, but "will fill in as needed," adding that he also scouts for the team.

Scores First Run

Allen Hadley of the Texico-Farwell All-Stars team scored the first run in the ballgame last Wednesday night at Dickerson Park in Clovis as they tangled with Cannon AFB All-Stars in the district tournament. The local team's effort fell short of the victory bid as Cannon took the game 8-3. Cannon went on to win the tournament.

Texico-Farwell All-Stars Fall To Cannon AFB

Even though Texico-Farwell All-Stars played a "good game" last Wednesday night at Dickerson Park in Clovis they fell to the Cannon AFB All-Stars, 8-3. The Cannon team went on to take the tournament championship.

Coach J.W. Eubank said he was proud that Cannon only scored eight runs against them while defeating their other opponents in the tournament by as many as 14 and 18 runs. "Except for a couple of breaks or errors the game might have gone the other way," he added. Eubank commented that "the boys played a good hard game and worked real well together."

that "they did not hit as well as the Cannon All-Stars." Smith said that the Cannon players were "a little bigger and probably more experienced" than the local team.

He added that he enjoyed working with the boys and praised them for "trying their best." He also added thanks to all the parents and supporters who turned out for the game.

Members of the 1977 All-Stars team are Lloyd Williams, Joe Steward, Brad Steward, Allan Eubank, Allen Hadley, Frank Cantu, Manuel Cantu, Lezlie Castleberry, Tony Bradley, Ronnie Galvan, Johnny Daniels, Kevin West, Jeff Day, Joe Michael Sanchez, Bill Bibbs and Earl Bibbs.

Starting roster included Frank Cantu, pitcher; Allen Hadley, short stop; Johnny Daniels, left field; Lezlie Castleberry, first base; Jeff Day, center field; Kevin West, third base; Ronnie Dunsworth, right field; Alan Eubank, catcher; and Manuel Cantu, second base.

Former Resident Is Rangers 1st Baseman

Mike Hargrove, of the Texas Rangers is a household word to baseball fans, but should be even more familiar to Texico-Farwell residents who will remember that Mike and his parents, the Dudley Hargroves, resided in Texico-Farwell during 1959-60.

Mike attended Texico Elementary School in those years where he was in fourth and fifth grades and was an "A and B" student. The Hargroves now reside in Perryton.

TEXAS SPORTS/FILE

Rangers
FIRST BASEMAN

Mike Hargrove

HE'S A 28-YR. OLD LEFTHANDER FROM PERRYTON, TEX., AND VOWS TO IMPROVE UPON LAST SEASON'S CAREER LOW OF 58 RBIS AND 21 ERRORS.

HOWEVER, HE LED HIS TEAMMATES WITH A .287 BATTING AVG.

MIKE CREDITS HIS WIFE SHARON WITH INSTILLING A NEEDED DRIVE IN HIMSELF. "I'M A LAZY PERSON, BASICALLY," HE CLAIMS. HIS FANS MAY DISAGREE.

"YOU'LL REMEMBER HIS TAGS! HIS FIERY TEMPER SOMETIMES SHOWS," HE'LL FIGHT AT THE DROP OF A HAT," SAYS CATCHER, TIM SUNDBERG.

Ed Philpot ©

Board Approves Student Handbook

Farwell School Board, meeting in a called session Monday night, Aug. 1, approved the student handbook for the coming year. The handbook, prepared by principals of the schools, contains material for which students in grades 1-12 will be responsible. Each student in those grades will be given a copy of the handbook at the beginning of the school term.

The Board also officially adopted the revised school calendar with the school starting date set for August 29.

The resignation of Lilah

Green from the junior high school teaching staff was accepted and Delores Vaughn was named to be head teacher in the junior high. She will also be teaching junior high math.

A preliminary budget was presented, but no action was taken.

Next meeting of the board will be its regular August session scheduled for Monday night, Aug. 8, at 8 o'clock.

"Truth never grows old," Thomas Fuller.

This I Know - - -

by Leonard Harper
Minister
Farwell Church of Christ

None of us are supermen, and the difficulties which will certainly be part of our lives can be a real test. In addition to personal difficulties, there are many perplexing and discouraging elements in the world around us. **This is life, as we must live it.**

SOME PEOPLE GIVE UP. These vary from the suicides to the persons who just stop trying, and resign themselves to a miserable kind of existence. We can do better.

LACK OF DETERMINATION is the usual reason for the failures and disappointments. The will to do is not strong enough. We must not let this happen to us. We must keep trying, and we will; when we accept God's word as our guide for living.

We must keep trying, if we wish to keep living. We are not bound to succeed, in the full sense of succeeding, but we must keep trying. This is the highest spirit of living. God has not given up, and he is displeased if we give up.

Life is not easy, but setbacks, periods of disappointments, and other problems will be stepping stones for those who keep trying.

"LET US NOT GROW WEARY IN WELL-DOING." (Gal. 6:9)

Sheriff's Report

Several thefts and two acts of vandalism have been reported by Farmer County Sheriff Charlie Lovelace. Several tools were taken from the Melvin Southward farm southeast of Friona. A CB radio was stolen from a combine parked inside a barn on the Floyd Reeve place southeast of Friona and two other CB radios were taken from a tractor and a combine on the D.W. Plierson farm south of Bovina.

Sheriff Lovelace said \$2000 worth of flex planter boxes have been taken from the Ralph Shelton place four miles southwest of Friona. According to the local sheriff, the theft probably occurred sometime during the past few months as Shelton last used the equipment around the first of May.

In other reports, four sections of a rotary hoe valued at \$500 were taken from the L.M. Smith farm six miles east of Hub. A well house on the Eddie Winegeart place in Oklahoma Lane Community was broken into and a butane filler hose valued at \$50 was reported missing, Sheriff Lovelace said.

He also reported that \$2000 worth of equipment and tools have been taken from Watts Machine and Pump Co., in Farwell. According to Sheriff Lovelace no visible signs of breaking and entry were detected.

A hydraulic cylinder and hose couplings were taken from the Floyd Millikan place north of Friona. Sheriff Lovelace also reported that the Erith Hawkins farm and the Archie McCutchen farm near Bovina were vandalized.

The first umbrella in the U.S. is believed to have been used in Windsor Conn. in 1740. It produced a riot of merriment and derision.

Words are inadequate to express the gratitude and love we feel for all the prayers, flowers, cards, food and visits; the many calls and words of sympathy and other acts of kindness too numerous to mention. We love you all and may God bless each one.

NOTICE OF INTENT TO CHANGE RATES

The Five Area Telephone Cooperative, Inc. has filed an application with the Texas Utilities Commission of Austin, Travis County, Texas, for a rate increase on each of its six exchanges, Lazbuddie, Lariat, Bula, Needmore, Maple and Lehman. Said rate increase to become effective on the 1st day of August, 1977 or the date of approval by the Texas Public Utilities Commission, whichever is later.

The proposed rate increase was and is recommended by the Rural Electrification Administration acting for the Department of Agriculture in the percentage increase in gross revenue that the utility expects a requested rate schedule to furnish is 28.6%.

TWO MINUTES WITH THE BIBLE
BY CORNELIUS R. STAM PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635

THE TRUTH OF THE GOSPEL

Twice in Galatians 2, Paul speaks of "the truth of the gospel." In both cases the apostle had to speak out to defend the purity of "the gospel of the grace of God."

In verses 4 and 5 he refers to his contest with those at Jerusalem who would have brought the Gentile believers under the law of Moses. Among them were "false brethren," he says, "unawares brought in...to spy out our liberty which we have in Christ Jesus, that they might bring us into bondage. Unto whom we gave place by subjection, no, not for an hour, that the truth of the gospel might continue with you."

In the second case he refers to a controversy with Peter who, having enjoyed blessed fellow-

ship with Gentile Christians had been intimidated by some of his Jewish brethren into separating himself from the Gentiles. Concerning this, Paul writes: "But when Peter was come to Antioch, I withstood him to the face because he was to be blamed" (Ver. 11). Why was Peter to be blamed? Verse 14 answers: Because he "walked not uprightly according to the truth of the gospel," i.e., "the gospel of the grace of God," in which believing Jews and Gentiles are "one body in Christ."

How we should all thank God for Paul's strong defense of the gospel of grace, under which all who trust in Christ as Savior are baptized by the holy Spirit into the one true Bible Church (1 Cor. 12:13).
