"OFFICIAL PUBLICATION OF PARMER COUNTY"

SIXTY-SIXTH YEAR

County Farm Meeting

Set Monday In Friona

O suns and skies and clouds of June and flowers of June together, Ye cannot rival for one hour October's bright blue weather.

If this thought has not occurred to you this past week then you just do not appreciate the best month of the year.

We read an article recently in our Publisher's Auxiliary trade paper about a number of ways to save money. Many applied to newspapers only, but several were general management suggestions.

One suggestion was to save and re-use manila envelopes. This could lead to a substantial annual savings. Yes, we do this to a small extent. However, we have a manila envelope we recently received from one of our politicians that is going to be hard to re-use. It contained a political column and it really could have been sent to us in a regular nine inch envelope and for 13 cents. It came in an 11 inch by 17 inch envelope with 24 cents postage attached. By the way, this politico's pitch is frugality in government. He's nuts if he expects my vote.

Another suggestion was to save press releases and use the back of same for office writing. This we started five weeks ago by saving one particular government agency's handouts and using them for our personal foolscap. Right now we have a stack of paper two and five-eighths inches high and have used off the stack for five weeks.

Another suggestion, and this we hesitate to practice, was to put a 25 watt light bulb in the john and eliminate reading by employees. We have a big bulb but no heat. This accomplishes the same end.

Don't forget this Saturday evening winds up the weeklong Moonlight Madness promotion staged by the local Farwell and Texico merchants. They will have a special sales area just east of Bob's TV and will have the big drawings there at 9 p.m.

We applaud these business people for their efforts to promote shopping in the Twin Cities. It is always better to shop at home if at all possible, but we also realize that many items are not available in our smaller shopping district. Yet, we are always amazed at the wide diversity of family needs that are being offered locally.

Speaking of promotion, we note the Madery's Flowerland ad this week that plugs National Mother-In-Law Week. Now some enterprising promoter came up with a good idea. A Mother-In-Law is also somebody's Mother and this gives a family two excuses to buy a gift for the occasion.

Mothers-in-law have long been the butt of a lot of crude humor and maybe there is a vast reservoir of guilt feelings that could also prompt a

special gift at this time. All told, the National Mother-In-Law Day was a good idea from both the sales and promotion standpoint as well as the opportunity for all Americans to say "We Love You" to their collective Mothers-in-Law.

Did you hear about the fellow at NASA who was in charge of showing film clips of the space programs to the public? Well, it seems that due to his extensive campaign of showing these films to the various clubs in the Houston area he developed a severe case of laryngitis and soon became known as the hoarse foreman of the Apollo clips.

Earns Top Money

Craig Hillestad of Farwell Equipment Co., one of the football contest sponsors, presents a first place winning check of \$7.50 to Shirley Langford who called all 11 games correctly last week and guessed the exact score on the tiebreaker. Shirley's husband Leon earned third place honors with 11 correct guesses and a seven-point miss on the tiebreaker. Vickie Yruegas, who also had 11 correct picks, was only two points off the tiebreaker, and received the second place money of \$5.

Actually, all of the three top winners called a "perfect score" last week as only 11 of the 12 games were counted. In picking the games for last week's contest an error was made and as a result the number three game was "thrown out." LL Football Meeting **Draws Little Response**

"Four adults besides us attended Saturday's Little League Football organizational meeting," reports Mrs. Dwayne Williams of Texico, whose husband is the chief proponent of the project.

The meeting was conducted at Farwell's Fire Station.

Mrs. Williams said she knew of four others who had

Fourth place contenders include James Castleberry, Joe W. Jones, Ridley Lonsdale, Champ Porter and Steven B. Smith who each have 65 points.

Those in fifth place are Don Geries, Robin Roberts, Albert Smith and Mrs. Albert Smith with 64 points each.

Since a mere five points separates fifth place from first place it is rather doubtful that even Jimmy the Greek would be willing to pick the two top overall winners at this stage of the contest. The only "sure thing" at this point in the contest are the prizes which include a choice of two tickets to either the Cotton Bowl or Sun Bowl and \$50 for the top winner and two tickets to the Sun Bowl and \$25 for the runner-up.

Anyone who has not entered the guessing arena is encouraged to do so as the top three weekly prizes are eligible to anyone who can "out prognosticate" his fellow friends and family members.

She said they still believe people in the Twin Cities will support the organization and as the next step they plan to contact all the parents of the boys who signed up to play in the Clovis League several weeks ago.

"We plan to conduct a telephone campaign to determine just how much enthusiasm there is for the project," Mrs. Williams said.

We feel that once the idea takes hold, people will come out and support it, but for now no one seems to want to get in on the organization of Little League Football," she said.

"What we really need is someone with experience in this area to help us plan our course of action," she said.

She said the absentee voting will continue until November

The special election was called for two reasons. First, voters will decide who will fill the state senatorial vacancy created by Max Sherman who recently resigned to assume the presidency of West Texas State University.

Five candidates are seeking the position, including Democrats Bob Simpson, Burk Whittenburg and Mel Phillips, Jr. The two other candidates are Republicans Bob Price and Jim Brandon.

Voters will also be asked to decide the fate of seven proposed constitutional amendments.

No 1: The constitutional amendment increasing the size of the Court of Criminal Appeals to nine judges, and permitting the court to sit in panels of three judges.

No 2: The constitutional amendment to provide for an

bonds or obligations of the State of Texas for the Veterans' Land Fund and to allow surviving widows of veterans to purchase tracts under certain circumstances.

No. 3: The constitutional amendment permitting denial of bail to a person charged with a felony offense who has been theretofore twice convicted of a felony offense, or charged with a felony offense committed while that person was admitted to bail on a prior felony indictment, or charged with a crime involving the use of a deadly weapon where there is evidence such person has been convicted of a prior felony offense; providing for a 60-day limit to that person's incarceration without trial; and providing for that person's right of appeal.

No 4: The constitutional amendment authorizing tax relief to preserve certain cultural, historical or natural history resources.

No 5: The constitutional a-

additional \$200 million in mendment authorizing the formation of agricultural or marine associations which may mandate the collection of refundable assessments for improvement of production, marketing, or use of their products.

of Texico, our area homemaker this week, grew up in Iowa, attended college in New Mexico and married her husband in Clovis. She is an active mother who believes in staying busy

The Pierces have three children ranging in age from eight to four years. Jubal, the eldest, is in third grade at Texico Elementary School. Seven-year-old Robin is a second grader, and little Penny, who is four, stays home and helps her mother.

Alice has a degree in home economics education which she obtained from New Mexico State University at Las Cruces. Upon graduation she obtained a position as assistant Curry County extension agent and was stationed at Clovis.

Our homemaker also worked in Roosevelt County. Besides being involved with the 4-H Clubs and other organizations Mrs. Pierce says she also worked with older women. In all, Alice spent five years in the extension service.

Pierce has a degree in vocational agriculture from New Mexico State and a master's degree from Eastern New Mexico University at Portales. After they were married the Pierces lived for a year in Roosevelt County and a year in California before settling near Texico.

Now that Pierce has become a farmer he has given up teaching vocational agriculture, says Alice, because he felt he could not do both. Now, in addition to farming and raising horses, Pierce also teaches general science at Gattis Junior High in Clovis.

Both Dewey and Alice were active during the recent Curry County Fair - he as a roper and she as the superintendent of the canning division. Pierce garnered a trophy for his efforts and our homemaker was very busy booking entries, arranging for judges and releasing entries during the

large garden and has spent many hours canning and freezing vegetables. Most recently she put up tomatoes.

When not involved with homemaker chores Alice works around the farm especially with the horses and cattle. With Dewey in school during the week a lot of the responsibility falls to Alice and Penny who delight in doing such things as fixing fences etc.

Besides horses and cattle the Pierce family has three dogs and 24 cats. "Misfit" is a special pet. He is a small dog who was "dumped" near the Pierce home one day. He made his way to their front door and has been Penny's special pet ever since. Mrs. Pierce says people from town often come to the country to "dump their dogs."

Alice loves living in the country. "A slight disadvantage though," she says, "is that the children are not able to enjoy belonging to organizations etc. because they live too

Auxiliary Plans Activities

Farwell Convalescent Center Auxiliary conducted a meeting two weeks ago, at which time plans were made for the Halloween Party to be held October 31 and for the awards

banquet to be held in January. Three members, Gladys Kaltwasser, Ysleta Kittrell and Ophell McDonald, have been appointed to the awards banquet committee. A nominating committee was also formed with Nan Preston, Carrie Anderson and Maxine Williams serving as members.

New officers will be elected at the January meeting.

It was reported that the beauty shop is "shorthanded" at times. Volunteers are needed to cut the hair of men residents as well as women residents' hair. It was pointed out that whenever the beauty shop has to close due to lack of operators, the residents always miss it. It was stressed that "getting hair fixed" is a very important part of their

The Auxiliary plans to stage a Halloween Party Monday, Oct. 31. The residents will dress up as spooks and goblins and will have candy presents for the "trick or treaters." Refreshments and candy will also be served to grownups. Everyone is invited to come, says Mrs. Copeland, adding that the Clovis Senior Citizens Kitchen Band will perform at 7 p.m. They will also have a cake walk and probably a few other booths, too, she said.

Mrs. Copeland said everyone really appreciated the efforts of Auxiliary members, adding "these ladies really play an important part in our daily

It's possible that sunspot activity may affect crop yields and sunspot cycles may help predict yield deviations, an Economic Research Service study shows. This observation was from preliminary studies for 1866 through 1973 of wheat in Texas and Kansas, corn in Illinois and Nebraska, rice in Louisiana (1895-1972) and cotton in Texas. The ERS found lower than average yields associated with low sunspot activity, especially when it follows the high of a minor sunspot cycle, and higher than average yields during high sunspot activity. The ERS said Texas wheat yields declined 7% in periods of low sunspot activity while output rose 4% during highly active periods.

COOPERATIVES-They're What's Happening

Co-ops are really in style these days. Very possibly a group may be starting up a cooperative right this minute to obtain goods and services to help them live better, more economically, To some 50 million consumer-members of the nation's 40

thousand cooperatives, this new-old way of doing business is the way to go. Cooperatives have been successful business enterprises for more than a century.

Cooperatives meet many people's needs efficiently and thriftily. They market and purchase farm products and supplies, lend money. help people save money, provide health care, legal aid, electric and telephone service. There are food and furniture cooperatives, housing, student and nursery school co-ops, cooperative insurance companies, credit unions, funeral societies, TV and auto repair

There's probably a co-op or two or three in your life, whether you're a member or not. They're good for you!

Steers 'Play Super' Says Whatley

"We played a super game," beamed Farwell Coach Van Tom Whatley following the Steers' 21-7 District 3-A win over rival Bovina Friday night. "We got it all together and began to make things happen," he continued.

"We created several fumbles, intercepted the ball and overall the defense executed well," he added. "The backs also ran well and the offensive line did a good job of blocking," Whatley said.

The Steer gridmaster also noted that they committed "several mental errors," and he said "We should have scored at least three more

"That may hurt us in future district competition," he said. But in general Whatley said he was pleased with the efforts and aggressiveness of the Steers.

The Farwell coaching staff has singled out several players for praise, including Clay Roberts who has been named "Steer of the Week." According to Whatley, Roberts played "super on defense," creating two fumbles and blocking a player twice his size.

"Outstanding offensive lineman" honors went to Richard Yruegas who did an "outstanding job in blocking." Vick Christian, who scored

two touchdowns and intercepted a pass, has been cited as the "outstanding offensive

Max Lonsdale has been named "outstanding secondary man" by virtue of "knocking down two passes and providing excellent run support."

Carlos Lucio has been selected as the "outstanding forcing unit man." According to Whatley, Lucio played his "best defensive game of the

In regard to injuries Whatley said he expects them to be at "full speed next week." According to Whatley, Kayle Watts is still out with a virus infection but overall the players are healthy. STEER OF THE WEEK

CLAY ROBERTS

Clay Roberts has been selected as "Steer of the Week" by the Farwell coaching staff after his performance in the Farwell-Bovina game. According to head coach Van Tom Whatley, Roberts played very well on both offense and defense, creating two Mustang fumbles. "Roberts also did an excellent job blocking a player twice his size," Whatley said.

A series one into its only score of the of penalties against the Steers was a key factor in the Mus-The Steers, who led in all tangs' only scoring drive.

In the opening round of the second act Bovina's Ronny Cary went in from the one. Cary also kicked the extra point and Mustangs came within seven points of Farwell.

However, the Steers were not to be outdone as they put together a scoring drive on their next possession of the game. The Blue and White took the ball on their own 37 and marched 63 yards to paydirt. Christian scampered 26 yards to put another six points on the board. Roberts' kick was good and the Steers increased their lead to 21-7.

At that point in the second act both defensive units buckmarched to paydirt in five led down and neither team was able to score again.

"We played well, but not well enough to win," Wolverine boss Paul Topliff said following the Friday night loss at Eunice. "It was clearly our best game of the year and we should have won it," he continued.

A miscue inside the Eunice ten cost the Wolverines a score and perhaps the game as Eunice came away with a slim 6-0 decision.

"We received an emotional boost from Terry Rolan who played his first game in several weeks," Topliff said. "We also hit very well and I was really pleased with that prospect," Topliff commented.

"Eunice was our hardest hitting competition thus far and as a result we played our hardest hitting game," he said. "Even though we were outmatched we played a good game and never gave up at any point," Topliff comment-

Another miscue which cost the Wolverines heavily was a roughing the passer penalty in the second quarter which set up the Cardinals' score.

Several individual players put forth great effort according to Topliff and a few have been singled out for special

"Duncan has been in a tough situation, but he has handled it well," Topliff said. "He has made super progress as quarterback and his play selections Friday night were good. His technique is also improving and he is working on better

Defensive "Wolverine of the Week" honors were accorded to Joe Martinez, a sophomore, who, according to Topliff, "has played very good all year long." "He has worked at being a good performer and he has started every game this season," Topliff said.

The Texico coaches have selected Don Duncan and Joe Martinez as the offensive and defensive "Wolverines of the Week," respectively. "Duncan has made rapid improvement since assuming the quarterback role two weeks ago," Coach Paul Topliff said, adding, "he called a good game at Eunice." According to Topliff, Martinez is a superb sophomore who has started every game this year and "has played well all year."

Cardinals Edge Texico In Defensive Struggle

by Ben Roach

Texico travelled to Eunice Friday night in hopes of gaining another notch in their victory belt only to have their hopes shattered when Cardinal quarterback Dale Kelton connected on a 13-yard pass to end Don Spencer in the second quarter for the only touchdown of the game.

Another Cardinal touchdown was called back for a clipping penalty after halfback Ricky Ziegler ran over 80 yards for the score.

The outstanding Wolverine defense, led by Doug Scioli who had two fumble recoveries, three assisted and six unassisted tackles, allowed the Cardinal offense only one touchdown and prevented the extra point after the touch-

"We are close to having a big year at Texico and I think next year might be the one," Topliff said.

Texico has only two games left in its independent season. Tonight (Friday) they travel to Tatum. Game time is 7:30 p.m. MDT. Tatum is 4-2 for the year. "Tatum has a potent offense," Topliff said, "and we will really need to be ready for them." Tatum is rated in the top five of New Mexico 1-A teams.

The Green and White will play their final game of the 1977 season next Wednesday night, Oct. 26, at Wolverine Stadium when they host Albuquerque Indian. Game time is set for 7:30 p.m. MDT. Topliff said the game was originally scheduled for next Friday, Oct. 28, but had to be changed due to both schools being out for a two-day teacher's meeting in Albuquerque Thursday

Next Wednesday night will also be Parents Night. All parents of varsity players will be honored and a reception will be held in the school cafeteria following the game.

According to Topliff, they also plan to bring up a few freshman players to suit out for the final game of the season. He said he expected Wednesday of this week. For of game and athletic ability. the final game they will suit

"We feel that this will be a good opportunity for some of the freshman players to get a taste of what varsity ball is like. "Hopefully the learning experience will help them to be better prepared for next year," he said.

Topliff said the players are chosen on a seven point basis, including attitude, pride in these players to begin working school, pride in oneself, citiout with the varsity on zenship, desire to excel, love

7th Yearlings Earn First Win, 8th Yearlings Fall To Bovina

Farwell 7th Yearlings tested their mettle against their Bovina counterparts last Thursday at Steer Stadium and when the dust settled the triumphant home team had secured a 14-0 decision over their opponents - their first win of the season. The 7th Yearlings now sport a 1-4 record with four games left in as a quarterback and we only their season.

The 8th Yearlings did not fare as well as they lost to Bovina, 14-0, in their first defeat in three games. They stand 3-3 in seasonal play now.

Future contests include Kress (were to play here Thursday), Vega, Hart and Springlake-Earth.

Speech, hearing

AUSTIN, Texas (Spl.) -Speech and hearing disorders are the most frequent handicapping conditions among children, says a University of Texas audiology specialist who advises early treatment for such disorders.

Dr. Frederick Martin says hearing loss has to be looked upon as a language disorder because it affects the development of normal speech and

language patterns. Speech patterns of a child with impaired hearing are developed late and poorly, he says. Children often are diagnosed as being emotionally disturbed or mentally retarded when actually they have language disorders that stem from hearing loss, he

Farwell JV Triumphs Over Bovina

Farwell Junior Varsity captured win number four last Thursday when they buried the Bovina JV 20-6 before a pleased hometown crowd at Steer Stadium.

20-6 - -

Raul Garza put the Steer JV on the board in the first period with a five-yard scamper, but the run for two failed. Mark Owen earned the first of his two TD's when he bolted 40 yards in the second act to increase Farwell's lead, 12-0. Garza completed the run for the extra points and at the half the local JV led 14-0.

In the third act Owen struck again - this time from 35 yards out -- but the extra points try was no good and the score remained 20-0. However, the visitors scored late in the fourth act and the game ended

Farwell JV is now 4-2 for the season and 1-0 in district competition.

Baker, defensive standouts were Mike Hernandez, Mac Langford, Craig Walls, Willie Martin, Boyd White and Kerry

Offensive kudos go to Philip Hagler, Byron Mayfield, Mark Owen, Danny Underwood and Richard Carpenter, said Coach

"Overall we did a good job," he said. "For the second game in a row we played two good halves," Baker continued.

The JV mentor feels that in general the entire team has

improved and progressed tremendously from the first games of the season. He especially thinks the freshmen have come a long way.

The Farwell JV was to host Kress Thursday. Next Thursday they travel to Vega for the third district game. According to Baker, "Kress and

heat pump

"THE ELECTRIC SAVINGS MACHINE"

BUYING, BUILDING, REMODELING?

It's time to consider the heat pump. Southwestern Public Service Company can suggest the system that will give you the most for your energy dollar, and come up with some accurate information on installation and operating costs.

The heat pump is the electric savings machine. And usually a machine of such sensitive operation calls for a lot of space and some pretty technical installation procedures. NOT SO WITH THE HEAT PUMP! "Split systems" - most adaptable to homes - consist of an outdoor and indoor section, easily tucked away in a closet, garage, basement or attic. The single package unit looks very similar to a central air-conditioning unit that's placed outdoors. Both systems can be installed in most every home or office that has central air ducts. If you're buying, building or remodeling, it's time you said . . .

"Yes, the heat pump!"

Defendants The names of the parties to the cause are as follows: Kirt Martin is Plaintiff, and the Capitol Freehold Land & Investment Company, Limited, a corporation, whose place of business and address is unknown, its unknown officers and stockholders, successors, heirs and assigns, all of whose names and places of residence are unknown, J.F. McKay and E.G. Martin, whose residences are unknown, the unknown wives of each of the abovenamed parties, the residences of which are unknown, and if any of the above-named persons are deceased, then their unknown heirs, legal representatives and assigns, whose

names and residences are all unknown, and all unknown claimants, are Defendants. A brief statement of the

nature of this suit is as follows, to-wit: Plaintiff is suing in trespass

to try title to recover title to

and posession of: All of Lot 7, of Block 14, of the original town of Farwell,

Parmer County, Texas. In the alternative Plaintiff pleads and invokes the 5- and 10-year statutes of limitations as same apply to land titles in the State of Texas, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the seal of said Court, at office in Farwell, Texas, this the 6th day of October, A.D. 1977.
