

Sometime early Tuesday morning, November 1, fall fell. We had the suspicion that it would ride in on a wild north wind. On the day before, we had our front yard raked and eleven tubs of leaves removed. That 'ol norther would have done it free. Also the previous week we had noted the beauty of the tree in Junior Snider's front yard. By the time the paper came out on Thursday the wind had virtually stripped ye tree and a number of folks asked what we were talking about.

Well, at this time of the year we have to talk, write and take it one day at a time. This is again one of the times of the year that the Panhandle weather can change within a matter of a few hours. Otis McMillan remarked that it was refreshing to live in a climate with significant weather changes. We agree with Otis, in fact we have to, we came out here 30 years ago and got too poor to move so developed a liking for the Ol Baldies out of self defense.

Still looking for somebody or something to pin the inflation problem on?? If you have passed up your favorite Congressional chum you have missed the boat. Brother Congressman is at the head of the list of paycheck robbers. We suspect that he is at least three fourths of a step ahead of George Meany.

For example: Goodyear Tire and Rubber Co. says it spends \$30 million a year to comply with government regulations. General Motors contends it used the equivalent services of 25,300 full time employees. The cost of this GM in one year was \$1,334 billion, and that does not include taxes.

In sheer bulk, Washington's body of regulations is big and getting bigger. The Code of Federal Regulations, which contains only the basic, standing rules set down by the bureaucracy, already packs a shelf 15 feet long with 60,000 pages of fine print.

It is estimated that just complying with this mass of rules and regulations from an administrative standpoint costs U.S. Business \$20 billion each year.

Guess who forks up the 20 bill????

Now, Brother Bureaucrat did not just develop like a weed in the garden. No sir. Brother Bureaucrat was an act of Creation. He was created by your friendly concerned politician and each year receives a life-sustaining transfusion from the public treasury, thanks to that same self-serving concerned politico.

Brother Bureaucrat is just like pornography. Take the profit out of pornography and it will go away. Quit paying the bureaucrat and he dang sure will go away.

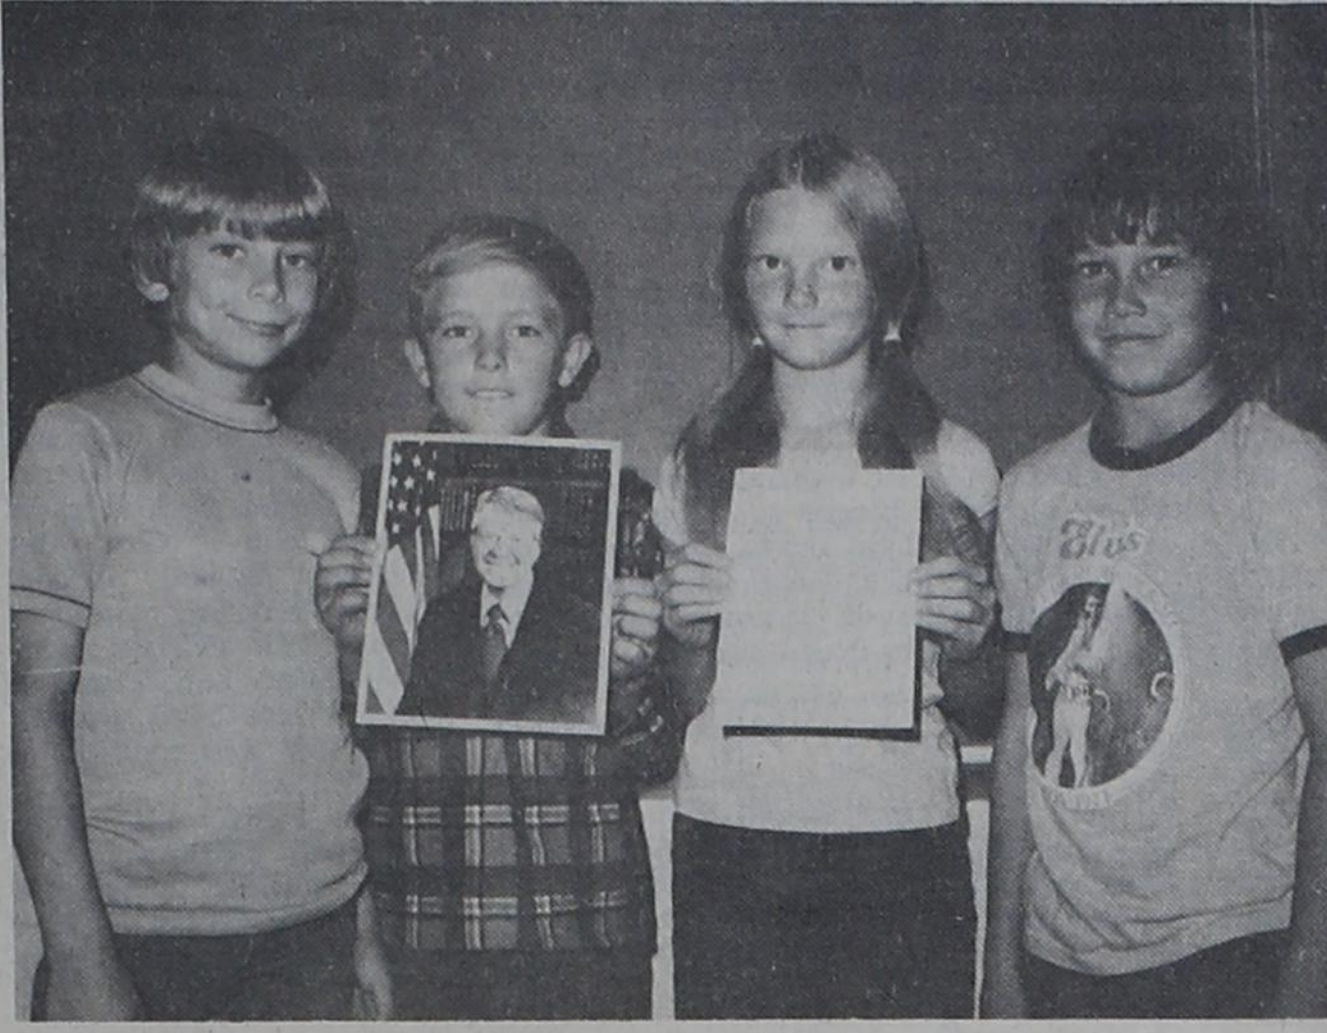

This governmental regulation of all our lives is the prime pusher and puller of inflation. Yet every State Legislature and each session of Congress is busy passing more laws. It passeth all understanding.

We note with interest that the space shuttle program has released an itinerary of future projects. One new program will call for the shooting of 16 head of cattle into orbit. This will be known as the herd shot around the world.

Yes, you did hear about the merchant who would not hire the dirt farmer? No? Well, the merchant was afraid the fellow would soil the till.

President Answers Letters

These Farwell fourth grade students, from left, Jeffrey McClenney, son of Mr. and Mrs. Bill McClenney; Bobby Ford, son of Mr. and Mrs. Jerry Ford; Cheryl Stanton, daughter of Mr. and Mrs. John Stanton; and Carroll Smith, son of Mr. and Mrs. Joe Smith, proudly display the letter and personal picture they recently received from President Jimmy Carter. It was all part of a class project to invite the President of the United States to come to Farwell and visit the elementary school. The children are students of Mrs. Don (Nancy) Alana.

President Carter Answers Farwell 4th Grade Letters

What do you do if you are a fourth grade teacher and you want your pupils to learn about letter writing and also about the first family of the land? If you are Mrs. Don (Nancy) Alana, who teaches fourth grade at Farwell Elementary, you assist your pupils in writing and sending letters to President Jimmy Carter.

And that is just what the local class did several days ago. Since then replies have been pouring in. The students were mainly interested in

learning about the first family; so they invited President Carter to come to Farwell and visit their school. Since he could not oblige he sent pictures of himself and his family instead.

One student received a picture of Mrs. Carter and another was given a picture of Amy. Most of the pupils received personal cards or letters in response to their requests.

However, four pupils received one letter addressed to

all of them and a picture of President Carter to share with their class. Today the picture and the letter have found a place on the classroom's bulletin board.

The four students who jointly received the letter are Jeffrey McClenney, son of Mr. and Mrs. Bill McClenney; Bobby Ford, son of Mr. and Mrs. Jerry Ford; Cheryl Stanton, daughter of Mr. and Mrs. John Stanton; and Carroll Smith, daughter of Mr. and Mrs. Joe Smith.

Texico City Council Discusses County Police Protection

The Council has been informed that the Commissioners Court will meet in a specially called meeting to discuss the police protection situation in Texico, but no date has been set for the meeting.

Under the present plan Fenn could be switched from a city marshal whose salary is paid by Texico, to a deputy sheriff, whose salary is paid by Curry County. According to City Attorney Harry Patton, New Mexico law provides that two municipalities such as Texico and Curry County, can work together to provide law enforcement for Texico. One possibility under this proposed arrangement is for

Texico to provide a car for Fenn while the county pays his salary.

Patton said that even though Fenn's salary might be paid by the county in the future, Texico could continue to collect traffic fines as long as they retain a municipal judge.

It was noted that if Fenn becomes a deputy sheriff his primary duties would be to the county. Patton pointed out that because the state highway runs through Texico the state would be able to assign an officer to patrol the city from time to time.

According to Patton the state could write traffic tickets in Texico and have them adjudicated in Texico's

municipal court.

Thigpen pointed out that in the past when Fenn was out of town the state assigned an officer to patrol the city.

However, at this time the ultimate outcome of the proposal and its ramifications is not known. Pending a decision from the Curry County Commissioners Court, Thigpen said, "we will continue to maintain the police department as we have in the past."

In order to help relieve the city's financial problems Joe Caywood resigned his position as the Texico representative to the New Mexico Council of Government organization. It was reported that the Clovis representative to the Council of Government might also be able to represent Texico if the Clovis City Council and the representative endorse the

Lions Sponsor Turkey Shoot

Texico-Farwell Lions Club is sponsoring a turkey shoot at the trap north of town on the State Line Road Sunday, Nov. 13. The shoot will be from 1 to 5 p.m. CT and participants may shoot for turkeys or slab bacon, says a Lions member.

The local Lions will also be having their annual light bulb sale on November 14. They will be making their house-to-house canvass from 5:30-7:30 p.m. CT on that date.

Jaycees Slate Rifle Program

Farwell Jaycees are sponsoring the first of four shooting education programs tomorrow (Saturday) at 10:30 a.m. CST at Farwell School's old gym. The remaining programs will be conducted on the next three successive Saturdays at the same time and location.

Robin Mahaney, Jaycees training chairman, will conduct the program which is open to all boys and girls between the ages of 7-14.

Bob Simpson, Bob Price - - Run-Off To Decide State Senate Race

State Representative Bob Simpson of Amarillo and former U.S. Congressman Bob Price of Pampa will face each other in a run-off election for State Senator from the 31st District, as a result of the special election held Tuesday.

According to Texas election law, the date of the run-off election must be set by the governor. After receiving the official election returns, Governor Dolph Briscoe has five days in which to announce the run-off. The election must be scheduled no sooner than 15 days nor later than 25 days after the governor's proclamation.

Other candidates who failed in the victory bid are Jim Brandon, Mel Phillips and Burk Whittenburg, all of Amarillo. Simpson, Phillips and Whittenburg are Democrats and Price and Brandon are Republicans.

The five candidates were in a race to succeed Max Sherman, who resigned the State

Senate post to become president of West Texas State University.

Weather conditions in the Northern Panhandle played havoc with travel and as result of the hazardous driving conditions, ballot boxes in some areas were delayed in arriving at their site of tabulation.

Simpson may have been one of the front runners in the district-wide election returns, but that did not prove to be true in Parmer County. He pulled only 144 votes to place fourth out of the five places. Phillips received the most

votes, 251, and Price came in second with 232. Brandon placed next with 175, and Whittenburg came in last with 102.

Of the 143 votes cast in Farwell, Price received the bulk with 40, and Brandon came in with 35. Local voters cast 31 ballots for Whittenburg, and 17 each for Phillips and Simpson.

Voters who braved the winter-like weather which struck the area Tuesday all seemed to favor five of seven constitutional amendments on the ballot.

The Texas Election Bureau

released the following figures at 9 p.m. CST Tuesday night. At that time returns were in from 162 of 254 counties, with 89 complete.

Amendment 1: Criminal Appeal, 66.6 percent for and 33.4 percent against.

Amendment 2: Veteran's Land Fund, 57.4 percent for and 42.6 percent against.

Amendment 3: Bail, 82.2 percent for and 17.8 percent against.

Amendment 4: Property Tax, 50.6 percent for and 49.4 percent against.

McFarland Still Ahead - - Top Three Contestants Win With Perfect Score

Either the picks are getting easier or local contestants are getting smarter because four pigskin prognosticators managed to correctly call all 12 games in last week's Area Merchants Football Contest. But the tiebreaker score was another matter as no one seemed to be able to anticipate the tight 3-0 score in the Farwell-Hart District 3-A battle.

A little case of deja vu was also in order as Shirley Langford again claimed the top honors with a perfect score of 12. She was 18 points off the tiebreaker. Second place was claimed by Beverly Obenshain who also had a perfect score and was 32 points off the tiebreaker. Marilyn Rains won third place honors with 12 correct calls and being 45 points off the tiebreaker. The top three winners will receive checks for \$7.50, \$5, and \$2, respectively.

Danny Underwood also had a perfect score and missed the tiebreaker by 52 points.

Several proficient guessers hit on 11 of 12 guesses including Phil Brannan, Kristy

Chandler, Rowdy Chandler, Charles Dannheim, Jerry Darby, D'Lynn Eubank, Gina Eubank, Ray Ford, Randy Gerles, Dondra Gerles, Carl Dean Goettsch, Doyle Green, Joe Jones;

Also, Gilbert Kaltwasser, Ann Liethen, Mark Liethen, Mack McFarland, Kirk McFarland, Carlton Newell, Ray Norton, Champ Porter, Bill Roberts, Cindy Watts and Eugene Guss.

Rusty McFarland, the phenomenal armchair quarterback, still holds on to the number one overall spot with a total of 98 points. McFarland has maintained the lead since the second week of the contest and for the past few weeks he has held onto first place with only a one-point margin.

Second place belongs to Jerry Dee Owen who has 97 points, and third place is held by Joe Jones with 96.

Five contestants with 94 points are in fourth place, including Liz Kaltwasser, Leon Langford, Mark Owen, Champ Porter and Steven B. Smith.

Two persons are in fifth place: Carl Dean Goettsch and Ray Norton with 93 points

each. James Castleberry and Jack Allan Kirkland are in sixth place with 92 points each.

The race grows even tighter as the contest winds down and with only two weeks remaining all leading prognosticators are sharpening their pencils and consulting their favorite football swami lest they be found wanting in the final round of the guessing game.

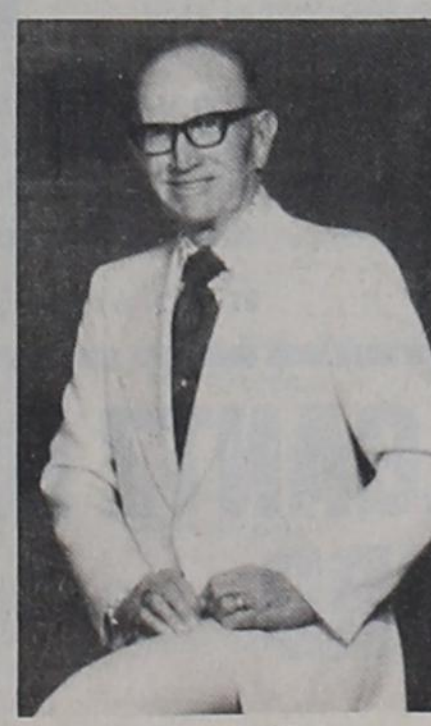

Even though McFarland still leads by one point it is not too late for someone to pull off an upset surprise victory. After all, stranger things have happened in the land of "annual football contests."

And even if loyal contestants feel they are already out of the running for the top honors the three weekly prizes are still up for grabs. Anyone who can study the picks and come up with the winning combination may find themselves on the receiving end of one of the weekly checks.

So don't forget to clip an entry from the Tribune or come by the newspaper office and fill out a blank. It's never too late to play pot luck in the weekly guessing arena.

Second Place Winner
Beverly Obenshain of Farwell receives the weekly second place check from Bob Anderson of Security State Bank in Farwell, one of the sponsors of the Area Merchants Football Contest. To take the runner-up slot in the weekly guessing match Mrs. Obenshain called a perfect score and was 32 points off the tiebreaker. She received a check for \$5. For the second time this year Shirley Langford called 12 games right to take first place honors. She missed the tiebreaker by only 18 points. Third place went to Marilyn Rains who also had a perfect score and was 45 points off the tiebreaker.

S.O. BILLINGTON

S.O. Billington Services Held Friday

Sterlyn O. Billington, 69, of Farwell died Tuesday afternoon, Nov. 1, in St. Joseph's Hospital in Ft. Worth after an apparent heart attack. Mr. and Mrs. Billington were attending the Texas Baptist Convention in Dallas at the time of his death.

Funeral services were conducted Friday morning at First Baptist Church, Farwell, with Rev. Dudley Bristow, pastor, officiating. Interment was in Sunset Terrace Memorial Gardens with Steed-Todd Funeral Home in charge.

Mr. Billington was born in Erick, Okla., on March 13, 1908, and came with his parents to the Farwell area in 1933. He began his longtime barbering career here with a chair in the shop of the late Bob Kyker.

In 1937 Mr. Billington opened his own barbershop in a building next door to the old post office building. An uncle, Emmitt Billington, worked with him for a time at this location.

After his marriage to the former Estellene Magness, they opened their barber and beauty shop business in a building on the north side of Avenue A and lived in quarters at the rear of the building.

A few years later they built

the building and living quarters where their business is now located.

In March of 1944 Mr. Billington was called into service with the U.S. Navy and closed up his business to serve his country, taking his wife and two small daughters, Lavoyda and Katherine, to California where he served for 15 months. A short time after he entered the service the Billingtons' son, Mike, was born.

When they returned to Farwell they re-opened their barber and beauty shop and have continued to work their since that time.

Mr. Billington was an avid church leader and was ordained a deacon in the Baptist Church of Texico on October 1, 1950.

He was one of the four original deacons of First Baptist Church, Farwell, and was a charter member of this church. He spent many hours working for his church here as well as the church around the world, attending countless conventions, meetings and such for the work of the church.

He is survived by his wife, Estellene of the home; two daughters, Mrs. Lavoyda Williams of Houston and Mrs. Katherine Traxson of Fort Worth; one son, Michael Billington of Fort Worth; two brothers, Jim Billington of Carson City, Nev. and Victor Billington of Lubbock; two sisters, Mrs. Inez Montgomery of Elsinore, Calif., and Mrs. Juanita Musetti of Hacienda Heights, Calif.; and four grandchildren. He was preceded in death by his parents, three brothers and two sisters.

Pallbearers were deacons of the church: Joe McWilliams, Ray Castleberry, Tom Atkins, Clarence Johnson, Dick Gerles, Herman Gerles, Donald Watkins, Willie Hardage, John Range, Neil Stewart and Otis McMillan.

Honorary bearers were all friends.

Twin Cities Basketball Underway Next Week

Texico and Farwell athletes put away football gear and head for the gyms to start the 1977-78 basketball season next week. Texico Wolverines got the jump on their Twin City counterparts and started workouts last week, having finished their football season somewhat earlier than the Steers who wind theirs up tonight (Friday).

Farwell's varsity and junior varsity Steerettes see first action of all the teams next Tuesday night, Nov. 15, when they travel to Morton for games starting at 6:30.

The Steers, along with the Texico boys and girls teams, see their first action November 18. The Farwell varsity and junior varsity boys and girls teams play Olton there while the varsity girls, varsity boys and junior varsity boys from Texico host the Grady teams.

Texico's junior varsity girls will play their first game November 29.

Texico Junior High basketball action begins Tuesday, Nov. 15, when the 7th and 8th grade teams host Grady. Next Friday, Nov. 18, the 8th and 9th teams will meet Marshall Junior High at Clovis.

Farwell Junior High teams begin their season November 28 when they host Hart.

At Texico, Coach Billy Carlyle says he is really proud of his varsity boys and feels "they have a chance to be competitive this year." Although it's difficult to predict a season's outcome no matter what the circumstances, Carlyle says, "we have the capability to be a contender for the state title." The Wolverines have been concentrating on conditioning and ball handling drills during their first week of workouts.

New Officers Installed At Texico 4-H Banquet

New officers for Texico 4-H Club were installed, and members received pins Monday night at the Annual parent-member banquet at a Clovis restaurant.

Bill Runyan, Assistant County Extension Agent, spoke to the group and presented a slide program on the wide variety of values and skills that 4-H clubs teach.

Keith Hadley, president, served as master of ceremonies, and was installed for his second term of office. Other officers installed included Lynn McDaniel, vice-president; Nickie McDaniel, secretary; Monty Leavell, treasurer; and Lisa Crooks, reporter. Mrs. Kay West installed the new officers.

Jim Pierce, 4-H leader, presented membership pins. Those receiving the pins and the number of years they have been members, included: Mike

Snodgrass, Susan Snodgrass, 9 years; Monty Leavell, Richard Hadley, 8 years; Keith Hadley, 7 years; Britt Crooks, 6 years; Terry Curry, 5 years; Also, Jeff Tharp, Danny Reid, Lisa Crooks, 4 years; Steven Smith, Kevin West, Jeff Dunsworth, Ronnie Dunsworth, Alan Hadley, Steve Kittrell, Gary Cain, 3 years; Judi Robinson, Sheila Smith, Karen Snodgrass, Jeffrey Holland, James McDaniel, 2 years; Nickie McDaniel, 1 year.

Banks To Close

The Security State Bank in Farwell and the Texico branch of the Citizens Bank of Clovis will close today (Friday) for Veteran's Day.

Other offices to close today include both the Texico and Farwell city halls and Parmer County Courthouse.

Amendment 6: Electronic Bank, 35.9 percent for and 64.1 percent against.

Amendment 7: Judicial Committee, 59.4 percent for and 40.6 percent against.

Parmer County and Farwell voters favored — by votes of 568 to 310 and 77 to 59, respectively, — the first amendment which would increase the size of the Court of Criminal Appeals to nine judges.

County voters narrowly favored the second amendment by a vote of 448 to 427. Farwell voters nixed the proposal, 83-57. This constitutional amendment would provide for an additional \$200 in bonds or obligations of the State of Texas for the Veterans' Land Fund.

Thigpen said that Patton will present their suggestion to the proper Clovis authorities and further discussion was tabled pending the outcome of the meeting.

The Texico trustee also reported that they have "hit a snag" in the construction of the new fire station. According to Thigpen, the state fire marshal "does not like the idea of building living quarters into the fire station." Thigpen said the fire marshal's negative attitude toward their proposed fire station building plans has called a temporary halt to the project.

He indicated that they were going to ask the state attorney general to rule on the decision since no further work can proceed on the station until a ruling is made.

Another item on the council agenda included trying to determine a more feasible way for trash to be collected in Texico. Presently George Davis of Clovis has contracted to collect refuse in Texico. Thigpen said the present garbage rates cover the cost of the project, but he added that they are trying to determine if they can handle the situation themselves without having to engage an outside contractor.

No decision was reached and the issue was tabled until the next regular meeting of the Council.

Those attending the meeting were Mayor Manford Turnbough, trustees Thigpen, Marie Christian, Vane Doshier and Max Carter; city employees Fenn, Clara Wiehl, Billy Hammit and Patton.

vored the third proposal — 798-102 — that would (among other provisions) permit denial of bail to a person with a felony offense who had been already twice convicted of a felony offense. Local voters also approved the proposal by a margin of 125-16.

Parmer County defeated the fourth proposal by a slim 475-401 vote. Farwell also voted 88-53 against the amendment which would authorize tax relief to preserve certain cultural, historical, or natural history resources.

The fifth constitutional amendment was soundly defeated by a county vote of 517-355 and a Farwell vote of 105-33. It would authorize the formation of marketing associations.

Amendment six was defeated 588 to 293. Farwell voted 102 to 37 against. This amendment would allow electronic banking.

The seventh proposal was vetoed 484-203 and 83-54, for county and local tabulations respectively. This amendment would (along with other provisions) change the name of the State Judicial Qualification Commission.

A total of 918 Parmer County residents cast their ballots in Tuesday's election. A breakdown by towns is as follows: Farwell, 143; Black, 34; Friona, 423; Bovina, 150; Lazbuddie, 81; Oklahoma Lane, 28; Lakeview, 31; Rhea, 28.

The absentee votes cast in the election were included with the Farwell voting box tabulation.

SHERIFF'S REPORT

Parmer County Sheriff Charles Lovelace reports that a coat valued at \$30 was taken from the Mike Chaney Fertilizer Plant, located five miles from Friona. Dan Powell, owner of the coat, is an employee of the firm.

Lovelace said a suspect, Martin Mireles, 24, of Muleshoe was taken into custody and charged with the theft. According to the sheriff, Mireles was fined and charged court costs as well.

Sheriff Lovelace also reports that someone broke into the home of Mrs. Clint Cox of Bovina and stole over \$200 worth of electric dryers, electric razors, and steam rollers and a heating pad.

agri-facts

by John Ricci

Some thinking concerning the saving of energy is downright ridiculous. Recently a group in Washington recommended in a 225-page report that we do away with mechanized agriculture as we know it and return to the way Grandpa used to do it. They said we'd save energy, improve the environment and end unemployment if we'd switch from tractors and trucks to horses and mules. Earle E. Gavett, a USDA economist, called such a move "Biologically impossible and sociologically impractical." First, we'd need 61 million horses and mules to make the switch. We'd have to use 180 million acres of prime farmland to feed them, half of the total we now have in all crops. And the move would likely create a tremendous labor shortage. We have roughly 4 million farm workers now. We'd need 31 million with a horse and mule agriculture.

Rep. Bill Clayton Brings Government To People

Office On Wheels

State Rep. Bill Clayton, right, and district assistant Bill Sarpaluis of Hereford, will travel Clayton's legislative district in Bailey, Castro, Cochran, Deaf Smith, Lamb, Oldham, and Parmer counties, in a mobile office to provide assistance to constituents. The van will make regular stops in every town and community in the seven counties.

If you can't bring the people to the government, take the government to the people, is the philosophy State Rep. Bill Clayton is using for his District 74 constituents. Clayton is establishing a district office for the sprawling seven county legislative area which he serves. But, in an effort to bring the helping hand of government as close to home as possible, the office will not be in a fixed position. Driving a converted van, Clayton and his district assistant, Bill Sarpaluis, will make regular stops at convenient downtown locations in each of the towns in the district. The mobile office will be in Farwell Nov. 15 and 29, 9 a.m. to 12 noon; and Dec. 13 and 27 from 9-12. Other schedules are: Lazbuddie, Nov. 22, 2-5 p.m. and Dec. 27, 1:30-4 p.m.; Bovina,

Nov. 15 and 29, 1:30-4 p.m., and Dec. 13, 1:30-4; Friona, Dec. 6 and 20, 1:30-4 p.m.; and Muleshoe, Dec. 6 and 20, 9 a.m.-12 noon. Because his duties as Speaker of the House require a part of his time to be spent at the Capitol in Austin, Sarpaluis will do the traveling alone when Clayton is away. "Since I became Speaker in 1975 and had to stretch my time, I have felt that something was needed so that people in the district could have contact with my office other than by telephone or when I had a chance to visit. "The mobile office will solve that problem by giving people in the district towns the chance to stop by and visit on a regular basis. We will be coming to answer questions and want to be helpful in solving problems involving

state government," Clayton said. The van, a 1971 Dodge, has been modified as a traveling office. Painted signs on the sides and front make it instantly recognizable. Citizens can also contact Clayton's office by telephone. The Austin number is 512-475-3311 and the number in Hereford is 806-364-7041. Before taking the position with Rep. Clayton, Sarpaluis taught vocational agriculture and operated the dairy at Boys Ranch. He and his wife, Donna, and four-year-old son David reside in Hereford. The mobile office is a rarity among Texas legislators. The circulating office will be the first and only such office to service a state representative's entire legislative district.

District Court - -

Jurors Summoned To Hear Civil Cases

A slate of 107 prospective jurors has been summoned for Monday and Wednesday of next week to hear nine civil cases in the district court of Judge Pat Boone Jr., at the Parmer County Courthouse in Farwell. Cases on the docket include Edward T. Hernandez v. The Northern Assurance Company of America, worker's compensation; Jose A. Aguirre v. This I Know - - -

by Leonard Harper
Minister
Farwell Church of Christ

The expression "Holding Our Own" is well known to all of us, and is used frequently; usually in an encouraging sense. In this writing, it is being used to refer to the life elements which are essential to our well-being.

The changers of things may have eliminated this expression, and the idea it presents, from the human scene. Many people keep saying, "We live in a changing world", as if they thought everything was changing.

The truth is, there is not as much change as many folk want to think there is. Most change is superficial and peripheral, NOT BASIC. There are no new vices, and no new virtues.

Those who have begun the Christian life in the Lord's church are instructed, "Whereunto you have attained, by that same rule let us walk (live)." (Phil. 3:16). There is something for us that is unchanging, dependable and enduring.

The true, the good, the pure, the decent, and the time-tested right do not change.

The unsound view that everything which concerns us is changing, that nothing is fixed or certain, is the principal cause of present-day misery and despair.

Let us fashion our lives by obeying God's revealed truth, and then be busy "holding our own."

Texico Board Asks To Handle Finances

Texico School Board voted Monday night to petition the state finance office to let them become their own physical agent. James Pierce, superintendent, explained that in that event the school system would handle its own money. However, he pointed out that the county treasurer would continue to collect the school taxes. The only change would be that the school system would have its own account and handle its own money. In the event that this proposal is okayed by the state, Pierce said that Marcia Leavell would become business manager for the school system.

The Board also decided not to have any dances on the school grounds except for the Junior-Senior Prom. However, Pierce said it was up to the juniors and seniors to decide if they wanted to continue to have the yearly function. Pierce also announced that four members of the Board would attend the state school board meeting in Albuquerque December 2-3. Planning to attend are D. Smith Day, Roy Richardson, Ronny Curry and Herman Gerles.

The Board also voted to change Billy Carlyle from the migrant program to the special education department and to change Mrs. Ima Gene Sweeny from the special education department to the migrant program. In other business they agreed to purchase a pickup which will be used for general school activities and needs.

First Shutout - -

Steers Gore Longhorns For Slim Loop Victory

Farwell Steers invaded Hart Longhorn territory Friday night and when the rip snorting District 3-A battle was over the Blue and White had picked up a 3-0 victory. The narrow win was the first time Farwell had defeated their arch rival in several years. It was also the first Steers shut-out this year.

The victory evened the Steers' loop record at 2-2 and put them 5-4 for the year. The Longhorns dropped to 1-3 in district and 4-5 for the year.

Robin Roberts saved the day for the Steers as he kicked a 27-yard field goal in the second stanza to provide the game's only score. But the low score hardly tells the tale as a

perservering Steer defense held the 'Horns to a mere 44 total yards and four first downs in the entire game.

The Steers went on an offensive rampage, picking up 16 first downs, rushing for 296 yards and passing for 10. However, throughout the night every time the Blue and White knocked on Hart's door - with the exception of Roberts' field goal - a penalty or miscue nipped the scoring effect.

The 'Horns also zeroed in on two Farwell fumbles and hauled in a Russ Jones' pass to further stymie the Steers' scoring ventures. In addition, Hart's Clay Hanes booted eight punts, averaging 44 yards each to set the Steers

back in their own territory to start their drives.

Leading rushers were Keevin Kelley who carried 17 times for 117 yards and Vick Christian who sprinted 19 times for 109 yards. Leading in overall tackles were Rowdy Chandler, 10; Benny Yruegas, 9 and Dan Geuther, 7.

Hart kicked to Farwell to open the game and the Steers fielded the ball on the 33 where they commenced their first drive. However, the Blue and White fumbled on the Hart 40-yard line and the 'Horns took over. The first stanza was relatively uneventful as neither team was able to sustain a scoring drive.

Things changed in the second act as Farwell began its single scoring drive on their own 24. They maneuvered the pigskin to within two yards of a touchdown when a holding penalty forced the ball back to the 17. Faced with a fourth and 10 situation Robin Roberts cranked up his boot and sailed the pigskin over the goal post for a quick three points.

Early in the third quarter Carlos Lucio caught the Hart quarterback who was in the process of throwing a pass. Russ Jones intercepted the aerial and ran in for six points; however, a holding penalty nullified the Steers' only TD of the game and Hart regained possession of the ball.

Late in the final stanza Hart punted to Farwell, but after signalling for a fair catch,

Max Lonsdale could not hold on to the ball. With two minutes left in the game Hart took over on their own 40.

Farwell regained the ball on downs, but time ran out before the Steers were able to put together a scoring drive.

Earns Yardage

Steer back Vick Christian goes for good yardage against the Hart Longhorns in their District 3-A clash played at Hart Friday night. Christian passed the century mark in yardage gained, netting 109 yards on 19 carries. Despite Christian's individual output and over 300 yards total offense, the Steers were unable to score a touchdown, winning the loop tilt 3-0 on a second quarter field goal. (Photo by Tim Ellison)

Says Coach Whatley - -

'Attitude Of Players' Put Steers On Top In Hart Game

"It was the attitude of the kids that gave us the winning edge over Hart," commented Steer Boss Van Tom Whatley following Farwell's narrow 3-0 District 3-A victory over the Hart Longhorns Friday night in Longhorn country.

"It was an important victory for us because the seniors had never beaten Hart during their high school grid careers," Whatley said. "We also proved we had enough pride to go out and win rather than just give up on the rest of the season," he said.

According to the Steer mentor this latest victory has "taken us over the hump and given us a chance to end the season 6-4. It was a crucial game for us because it prevented our whole season from being a disaster."

Whatley enthusiastically called the recent gridiron match "our best game of the year." He has reason to be proud as the offense rushed for over 300 yards and the defense held a tough Hart team to only 44 yards total and four first downs.

The Farwell coach also said they greatly appreciated all the fan support they received before, during and after the game. "I believe it helped us get ready for the Hart conflict," he said.

Roberts who booted the 27-yard field goal which gave the loop victory to the Blue and White. As a result Roberts has been selected as a "Steer of the Week."

He will share the honors with Keevin Kelley who earned 117 yards on 17 carries. Kelley started for ailing Tim Norton who is still nursing an ankle injury.

Kelley was also named the "outstanding offensive back" and the "outstanding secondary man." He shares the secondary honors with Max Lonsdale and Russ Jones. According to Whatley, these three Steers comprise the entire secondary and in Friday night's tilt they "covered the pass well and provided excellent run support."

Richard Yruegas earned the "outstanding forcing unit" honors by grading 95 percent in the Hart game. Whatley said it was "his best defensive game yet."

The entire offensive line consisting of Clay Roberts, D.D. Foster, Richard Yruegas, Dan Geuther and Rowdy Chandler were picked as the "outstanding linemen" in the Hart contest. Whatley said they graded over 90 percent each and "simply did a great job."

Kelley has also been selected as the Amarillo Globe-News Class A Player of the Week.

Steers Of The Week

ROBIN ROBERTS

KEEVIN KELLEY

For the first time this season two Farwell players--Robin Roberts and Keevin Kelley--will share the honors as "Steers of the Week." Roberts earned the honor his second time this year by virtue of kicking the field goal which gave Farwell the slim victory over a tough Hart team Friday night. Kelley was praised for his offensive showing in carrying the ball 17 times for 117 yards, making him the leading rusher of the game.

Kenneth W. Tidmore, Globe-News Sports Writer, said in Tuesday's edition of the Amarillo Daily News that Kelley was chosen for the honors on the basis of his "performance in a 3-0 upset of Hart Friday night." Going into the game Hart had been a 13-point favorite, according to the Harris Rating System.

Kelley has been the backup for Tim Norton, an outstanding halfback, this year. In Friday's game Whatley said Kelley "made a lot of yards on his own and did an excellent job of running with the ball."

Last season Kelley was the backup quarterback at Springlake-Earth and moved to Farwell during the spring.

The Steers will close out their season tonight (Friday) when they host the Springlake-Earth Wolverines. Game time for the final District 3-A match is 7:30 p.m. CST.

Hart Jr. High Rout 7th, 8th Yearlings

A tough-minded Hart 7th grade team routed the 7th Yearlings 28-0 last Thursday afternoon at Steer Stadium. The 8th Yearlings fared even worse as they went down in defeat 38-6.

According to Larry McDorman, junior high coach, the 7th graders "did not play well at all. We just could not get anything going."

In spite of the shut-out, McDorman praised Joe Garza for his "offensive and defensive efforts."

In the second quarter of the 8th Yearlings' gridiron action Waverly Coates scored the home team's single touchdown on a 30-yard run. The try for the extra point failed. At half time the future Steers trailed 20-6. Hart came back in the

second half to score another 18 points, clinching the victory.

The 8th Yearlings' offense had considerable trouble "getting anything going," McDorman said. Penalties, offensive line breakdowns and fumbles cost the home team needed points and curtailed any momentum almost as soon as the Yearlings generated it.

The score was 16-6 at the half and the 8th team was close to adding another score when a crucial fumble cost them the touchdown.

McDorman said, "we played well on defense. Even though Hart had a 200-pound tailback we stopped their running game." In order to win the Hart Junior High team took to the air and "simply passed over the Yearlings' heads," he said.

Two Bovina Women Attend WIFE Meet

Two Bovina women attended the National WIFE (Wives Involved in Farm Economics) convention held in Sidney, Neb., Oct. 28-30. Attending from Bovina were Erra Louise Jameson, president, and Ellen Estes, spokeswoman of the Parmer County Association. The national WIFE Association was organized according to parliamentary procedure and is now an organization. National officers were elected.

Several speakers were also present, including Virginia Smith, a congresswoman from Nebraska, who is also a farmer's wife; Howard Hjort, economic advisor to the USDA and Frank Le Raux, former sales manager of the USDA. Le Raux congratulated the women on the work they were doing and said they would succeed if they "kept it up." He said the picture was "rough and tough and must

stop." He added that the politicians are "making mince-meat out of the farmer." According to Le Raux, "they have to play the politicians' way and as long as all business rolls, things are rosy."

He pointed out that the best years for a farmer were during the Truman administration when the farmer received 107 percent parity. According to Le Raux, parity was 70 and 80 percent during the Eisenhower, Kennedy and Nixon administrations. He explained that the 63 percent parity of today is the lowest since the great depression where parity hit an all time low of 44.

He also pointed out that the "per capita carry over is as low as it ever has been according to population."

Le Raux said that 51 percent of food cost goes to labor. He said that the farmer in the United States has been subsidizing the consumer and every other nation in the world.

The guest speaker said President Carter has the authority to give the farmer the parity they need, adding, "you should keep after him until he does."

He said that men from agriculture are not wanted in key government positions because "they know that things will not work out the way they are originally planned."

WIFE representatives attended from many states, including Texas, Nebraska, Colorado, Kansas, California, Arizona, Oklahoma, Washington, and Montana.

LEONA WEBB

Leona Webb On Who's Who List

Leona Webb, daughter of Mr. and Mrs. Leon Webb of Scroggins, Tx., formerly of Pleasant Hill, has been chosen to be featured in the 11th annual edition of Who's Who Among American High School Students.

Leona, a senior at Winnsboro High School, completed 10 years of school at Texico before moving with her family to Scroggins.

Less than five percent of the juniors and seniors across the United States are honored in the current listing of Who's Who.

Leona is the granddaughter of Mr. and Mrs. Creed Webb of Pleasant Hill.

Renessa Bradshaw, daughter of Mr. and Mrs. Jerry Bradshaw of Lubbock and granddaughter of Mrs. Onie Bradshaw of Farwell, earned five trophies and four medals at the Mountain Top Twirling Festival held at Los Alamos, N.M., October 27-28.

Miss Bradshaw took first place honors in solo twirling, fancy twirling, two-baton twirling, flag twirling and the twirl-off. She also earned second place in best appearing, a third in hoop, and two fourth places in basic and military.

Mrs. Jerry Bradshaw and Renessa spent October 27 here with Onie Bradshaw before leaving for Los Alamos.

Lynn Coopers Have Daughter

Mr. and Mrs. Lynn Cooper of Texico are parents of a daughter born Tuesday, Nov. 8, at Parmer County Community Hospital in Friona.

The young lady, who has been named Kelly Diane, weighed 7 pounds, 6 1/2 ounces, and was 19 inches long at birth.

Maternal grandparents are Mr. and Mrs. Leon Luce of Texico and paternal grandparents are Mr. and Mrs. J.E. Cooper of Floyd, N.M.

Young Kelly Diane also has several great-grandparents.

Marriage Licenses

The Parmer County Clerk's office has issued two marriage licenses since the last report. Those receiving the licenses were Dean Austin Harkey and Marilyn Kay Jones; and Robert Alexander and Christine Faye Bails.

Hospital Notes

Dutch Quickel of Farwell was dismissed from the hospital in Friona on Tuesday after being confined for medical attention.

Mrs. Cora Lunsford was to have entered an Albuquerque hospital earlier this week for medical tests.

Mrs. Horace Eubank of Farwell returned home Tuesday after being hospitalized in Muleshoe for several days. Her condition is reported to be improved.

Ray Mears of Farwell was recently in the hospital in Muleshoe for medical treatment. He has since been transferred to St. Anthony's Hospital in Amarillo where he will undergo tests. He is reported to be "feeling better."

Plan January Wedding

Mr. and Mrs. Al Jolly of Clovis announce the engagement and approaching marriage of their daughter, Kathi, to Don Cherry, son of Mrs. Danalee Cherry and the late Wayne Cherry of Texico. The bride-elect, who is attending Eastern New Mexico University, is a 1977 graduate of Clovis High School. The prospective bridegroom is a 1977 graduate of Texico High School and is engaged in farming near Texico. The couple will repeat their marriage vows Friday, Jan. 6, at 6 p.m. MT at Kingswood United Methodist Church, Clovis. All friends and relatives of the couple are invited to attend the ceremony.

Lee Ann Jones Wins 1st, 3rd In Rodeos

Lee Ann (Mrs. Kyle) Jones of Bryan, Tex., daughter of Mr. and Mrs. Bert Williams of Farwell, recently took first and third place honors in collegiate rodeo competition.

At the All Aggie Rodeo at Texas A&M University Mrs. Jones came in first in the breakaway roping with a time of 5.5. She also competed against other college students at the University of Texas Rodeo, placing third in break-

away roping. During the contest she accumulated times of 4.2 and 3.0.

Mr. and Mrs. Pike Jordan and Charlie Christian of Farwell, Alta Mae Ellis of Clovis, and Mr. and Mrs. Dean Avara of Amarillo attended the Texas Cattle Feeders Convention last weekend in San Antonio.

Farwell FHA Chapter Has Meeting, Program

The Farwell Chapter of the Texas Association of Future Homemakers of America met in regular session Monday. Delia Dollar called the meeting to order.

During the business session, the local chapter elected to sell poinsettias. They may be purchased from any FHA member for \$5.

Misses Dollar and Sandra McMillan presented the program entitled "Pilgrim's Progress." It began with the landing of the Pilgrims and told of important events throughout the history of the United States including the landing of the first man on the moon.

Refreshments of brownies and hot chocolate were served by Carolyn Lovvorn, Julie Mason, Tonda Fulcher and Lucretia Turner.

Those attending included Delia Dollar, Jan Bradshaw, Sandra McMillan, Lisa Howard, Linda Gohlke, Val Bass, Paula Hukill, Lucretia Turner, Tonda Fulcher, Carolyn Lovvorn, Debbie Prather, Trudy Watkins, Wanda Menning, Alice Cantu, Julie Mason, Diane Roby and Mrs. Janice Fant, sponsor.

Visits Sister

Mrs. Dickie Magness returned to her home in Farwell Sunday after a trip to Sylvania, Ohio. She visited her sister, Mrs. Babe Partlow, and a niece and family, Mr. and Mrs. Chuck Smith, Robin and Diane, while in Sylvania.

Prior to flying to Ohio, Mrs. Magness spent a week in Plano visiting her daughter and family, Mr. and Mrs. Duane Herington and Stan. When she returned to Amarillo on Saturday she visited with her son and family, Mr. and Mrs. Cary Joe Magness, Ken and Teresa at Canyon, attended the Follies, and then returned to Farwell on Sunday.

In addition to being a source high in protein, peanuts contain large amounts of Vitamin B and iron, according to Texas Department of Agriculture home economists.

If you smell gas, act fast.

Strong odor? Go to another phone.
Call this number: 762-3371

We add a distinctive odor to natural gas, so it's easy to recognize.

If you smell a strong odor of natural gas indoors, don't hesitate. Get everyone out of the building. Open nearby doors and windows. Extinguish open flames. Don't flip any light switches, or use any gas or electrical appliances. And don't light matches. Go to a neighbor's phone, or a nearby pay phone to report the leak to us. We'll be right out.

Outdoors? Please report it.

We need your help in spotting outdoor leaks, too. Please call us if you suspect a leak. Even if it's on someone else's property, or on a public street. Until we get there, ask everyone to stand back. Don't smoke in the vicinity. And don't start car engines.

Faint odor? Call us anyway.

A faint odor of natural gas may mean something as simple as an unlit burner on

your gas range. Or a pilot light that's been extinguished accidentally. If it's anything more complicated, give us a call.

Not sure? Call us. There's no charge.

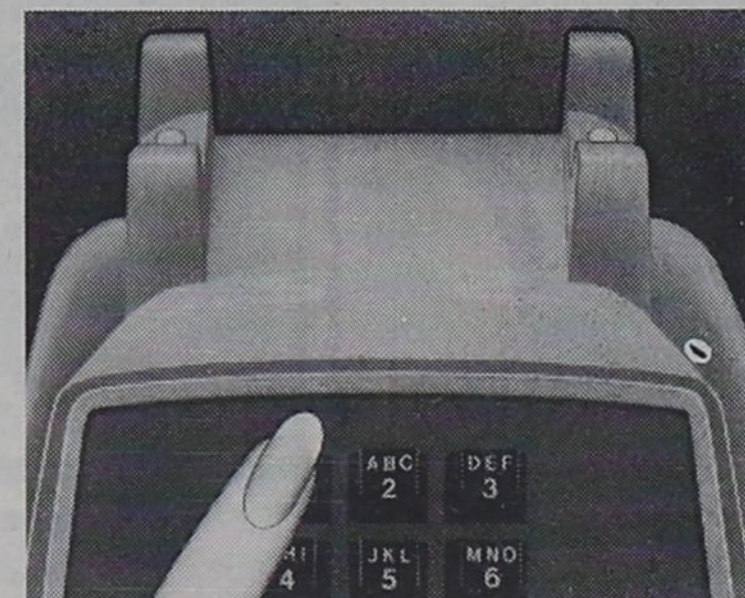

We're available to locate gas leaks 24 hours a day. So jot our number down with

your other emergency numbers. And if you ever smell natural gas, indoors or outdoors, please give us a call.

We'll be right out. And we'll appreciate your help. Because stopping leaks prevents possible danger and helps conserve valuable natural gas.

It's one more way we're working to keep natural gas the energy you can live with.

Receives Highest Award

Rev. Dudley Bristow, pastor of the First Baptist Church in Farwell, is pictured with the Legion of Honor award he received at the Texas Baptist Convention in Dallas last week. The award is the highest honor any adult can receive within the Royal Ambassadors program and Bristow is the first pastor to receive it. He has also been awarded two other awards in connection with his work with the Royal Ambassadors, the American Legion Award and the Key Service Award.

High School Honor Students Named

Texico High School has released the following honor roll for the first nine weeks of school:

Ninth grade: Lisa Coffey, Rebecca Eshleman, Carletta Fitz, Richard Flowers, Theresa Golledge, John Kelley, Nikie McDaniel, Laurie Miller, Schree Rucker.

Tenth grade: Kelly Dobbs, Kerri Donahay, Cindy Taylor, Robert Thornton.

Eleventh Grade: Georgia Eshleman, Debbie Flowers, Tonye Harrington, Duwain Hill, Barbara Holley, Celia Johnson, Mike Scott and Pam Southard.

Twelfth grade: Debra Coffey, Lyndon Donahay, Karen Hadley, Blake Haile, Christi Harrington, Richard Kelley, Robert Lacy, Monty Leavell, Terry Rucker, Raynette Shanks and Steve Turner.

Rev. Dudley Bristow Receives Highest Award

Rev. Dudley Bristow, pastor of the First Baptist Church in Farwell, was in Dallas last Monday to attend the Texas Baptist General Convention and to receive the Legion of Honor award, the highest honor any adult worker can receive in the Royal Ambassadors program.

Rev. Bristow is one of five men to be honored by the Texas Baptist Men and he is the only pastor to ever receive the award.

Mrs. Bristow, accompanied her husband to the convention, received an orchid at the awards banquet.

The inscription on the award reads as follows: "For dedicated service in the task of bringing young men and boys to God through Christ by fostering programs of Mission education and Mission action with a special emphasis upon personal involvement of the individual."

Rev. Bristow has been involved with Royal Ambassadors for a number of years both as a regional instructor for future leaders and a counselor for boys aged 6-17.

He has also received two other awards since becoming involved with the Royal Ambassadors program. He received the American Legion Award in 1966 and the Key Service Award in 1973. Both awards were also bestowed on

him by Texas Baptist Men.

The local Baptist Church has always had an active Royal Ambassadors program for younger boys, but until Rev. Bristow assumed pastorage of the church a program did not exist for the high school boys. Since coming to Farwell he has organized and currently serves as counselor for high school boys.

Herman Geris serves as director of the local Royal Ambassadors program and Raymond Martin is president of the Brotherhood which sponsors the total program for boys.

Young girls in the local Baptist Church belong to similar organizations such as Girls in Action and Acteens.

★ Apple Tree Sprouts Twice

Jess Richardson of Texico has three apple trees in his yard and like all good apple trees, they produce blossoms and apples once each spring - except for this year, that is.

It seems that one of the trees apparently decided that a repeat performance was in order and started blooming again about six weeks ago. A much surprised and flabbergasted Richardson discovered that about two dozen tiny red apples had sprouted a few days ago.

Richardson said he knows this is quite unusual, and he can in no way account for the strange behavior of his apple tree. Much speculation might be in order, but since Richardson admits he "is no expert" he is a bit leary about blaming the unusual situation on the gorgeous fall weather the Twin Cities has been experiencing these past few weeks.

But whatever the reason Richardson is quite happy with the prospect of getting still another few apples before the season is finished. However, the freezing weather early this week even dashed those hopes.

Injuries, Bad Breaks Blight Wolverine Gridiron Season

By Shirley Gorman

Now that Texico High School's 1977 football season has passed into the annals of history, the time has come to reflect not only on the nine gridiron matches of the season just past, but also on the seasons of the past two years. The Wolverines, who played as an independent team this year, finished the season with a 4-5 record. Even though they only succeeded in tying the "most wins" record at Texico since football was reinstated nine years ago, that in no way tells the complete story of this young, but determined team.

It is true that the Green and White could have—and perhaps even should have—won more than four ball games this past year. Head coach Paul Topliff readily admits that. And if not for the mighty two-letter word "if," Texico might now be sporting a 7-2, 6-3 or at least 5-4 record.

That is the goal the coaching staff and team set early in the year and in spite of not quite reaching it, the Green and White came a long way since pre-season workouts in August.

For one thing, the defensive unit deserves to be christened the "Mean Green" as they gave up only 68 points in nine games as compared to 228 points last year. This past season the Wolverines lost many close—and sometimes heartbreaking—games, but the most points they were beaten by in a single game was 14.

Topliff has nothing but praise for the defensive unit

whom he said has "hit extremely well in eight games." Inexplicably, the Mean Green defensive players seemed to "lose control" in the Ft. Sumner contest and simply did not play a good aggressive ball game, as had been characteristic of the team this past year. The defense has given up an average of only 7.5 points per game this season.

This season was a far cry from last year when the Wolverines often gave up as many as 30-50 points in a single game. According to Topliff, the 1976 defensive unit actually hit hard in only two of the nine games.

The "boogey man" plaguing the Wolverines all season was an inconsistent offense which had numerous problems help-

ing maneuver the ball into the end zone. It is true they lost some squeakers, but four of the defeats were shut-outs.

It was evident early in the year that the offense was in trouble when Hagerman handed them a 14-0 loss. The defense was tough but the Bobcat defense was even tougher. The first of many injuries which were to haunt the Wolverines throughout the season occurred when Keith Hadley received a leg injury. As a result, he missed all but the final two games. This loss was particularly felt later in the year when Texico found itself facing critical games without the services of an experienced quarterback.

Injuries were a problem and so was lack of depth. However, Topliff said the depth

this year was adequate for a Class A school, which Texico will be next season. The problem was too many starters being hurt or out of commission at the same time.

Topliff said that the drop in Texico's enrollment means that in the future fewer boys will be coming out for football.

10-8 Record - -

Varsity Places 3rd In Regional Volleyball

Texico varsity volleyball split matches at Ruidoso Saturday to finish third in regional competition. The Green and White closed out the season with a 10-8 record.

Two Texico players — Jana Jesko and Lori Harrington — were named to the All-Regional team.

As competition got underway Texico lost the first match to Animas by scores of 15-11 and 15-12. In game one players scoring points were Debbie Flowers, 4; Celia Johnson and Lori Harrington, 3 each; and Jana Jesko, 1. Those scoring in the second game include Jesko, 6; Tonye Harrington, 3; Celia Johnson, 2; and L. Harrington, 1.

Texico then played a consolation match with Ruidoso who lost the first match to Dexter. The Wolverines took the first game 17-15 and won the match with a 16-14 second game victory. Earning points in the first game were Teresa Turner, 4; T. Harrington, 3; L. Harrington, 3; Christi Harrington, 3; Jesko and Johnson, 2 each.

L. Harrington led the scoring in the second game with 5. Others adding points were Jesko, 4; Kelly Dobbs, 3; T. Harrington and C. Harrington, 1 each.

Animas went on to take the regional competition by defeating Dexter. Both teams advance to state competition.

Even though Texico lost to Animas coach Kathy Culshaw said "the girls played better than I thought they could. We were really up for the games and everyone played hard and worked well together. However, the Animas spikes were just too hard to handle."

Falling to Animas was no disgrace, she said, because they also beat a powerful Dexter team for the championship.

"Climb Till Your Dreams Come True"

By Rose Chavez

Often your tasks will be many, And more than you think you can do. Often the road will be rugged, And the hills unsurmountable, too.

But always remember, The hills up ahead, Are never as steep as they seem. And with faith in your heart, Start upward and climb, "Climb till you reach your dream."

Texico Coaches Release Wolverine Statistics

Paul Topliff, Texico head coach, and Roy King, assistant, have released the following team and individual statistics for the 1977 Wolverine gridiron season.

The Wolverine offense netted 1928 total yards on 398 carries. Another 311 yards was gained on 30 pass receptions. The Green and White scored 21 touchdowns and three field goals to end the season with a 4-5 record. They also converted on seven extra points and six PAT runs for a total of 154 points.

The Mean green defense proved to be one of Texico's strengths as players executed 519 unassisted tackles and 264 tackles. They also sacked the opponent's quarterback seven times, recovered 21 fumbles and intercepted and returned the ball 13 times.

Steve Turner, senior, carried 225 times for 1160, averaging 5.2 yards per carry. He also made eight receptions for 39 yards. In addition, Turner hit paydirt nine times and earned 10 points in five PAT runs for a total of 64 points. On defense he negotiated 47 unassisted

tackles and 18 assisted tackles and one quarterback sack.

Barry Goode, sophomore, accumulated 357 yards on 70 carries with a 5.1 average per carry. He scored three touchdowns for 18 points. As a defensive player Goode completed 33 tackles and assisted on 17 others.

Duwan Hill, junior, made 227 yards in 50 carries for a 4.5 average. He also passed twice for 20 yards. In addition he went into the end zone four times for 24 points. On defense Hill earned 33 unassisted tackles and 11 assisted tackles plus one quarterback fumble, one fumble recovery, and three interceptions and returns.

Keith Hadley, junior, passed 12 times for 156 yards. On defense he had two unassisted and three assisted tackles. Hadley also recovered one fumble and intercepted and returned the opponents' pass one time.

Robert Lacy, senior, made 168 yards on 14 receptions. He also earned one touchdown and one PAT run for eight points. As a defensive tackle

he made 42 unassisted and 16 assisted tackles.

Britt Crooks, sophomore, kicked three field goals and seven extra points for 16 total points. On defense he made four unassisted and two assisted tackles.

James Barfield, junior, made six receptions for 86 yards and he earned one touchdown for six points. He also made one unassisted tackle.

Don Duncan, senior, carried seven times for 16 yards for a 2.3 average. He completed four passes for 24 yards. On defense he made eight unassisted and seven assisted tackles and had two interceptions and returns.

Tim Askew, junior, has a 5.7 season average gaining 17 yards on three carries. He also hit paydirt once for six points. Askew made four unassisted and four assisted tackles.

David Cavallero, sophomore, carried two times for two yards for a one-yard average. In the tackling department he made three unassisted and two assisted.

The first two numbers after the following players' names will indicate unassisted and assisted tackles: Terry Rolan, junior, 19, 8; Joe Martinez, sophomore, 43, 21; two quarterback sacks and two fumble recoveries.

Dusty Casey, senior, 19, 14; Jimmy Reid, junior, 65, 34; three fumble recoveries.

And, Jeff Christian, junior, 7, 6; one quarterback sack and three fumble recoveries. Wes Mosier, junior, 13, 8; one fumble recovery. Terrill DeFoor, senior, 34, 7; one quarterback sack and two fumble recoveries.

Also, Charlie Smith, senior, 3, 2; Johnny Maben, junior, 1, 5; Howard Horne, junior, 20, 12; one fumble recovery;

Also, Ron Kirby, sophomore, 5, 2; Clyde Bibbs, sophomore, 5, 2; Mark Powell, sophomore, 1, 4; James Hadley, sophomore, 1, 2; two interceptions and returns;

And, Robert Thornton, 3, 2; one quarterback sack and one fumble recovery; Adam Quintana, 0, 3; and Farril DeFoor, senior, 3, 1.

Farwell City - - Marshal's Report

Farwell City Marshal Ronnie Mitchell reports that four Texico and Farwell men have been indicted by a Curry County Grand Jury on charges stemming from the undercover marijuana investigation conducted in Farwell, Texico and Bovina several weeks ago.

Raymond Delgado of Farwell and Raul Esparza of Texico have been indicted for felony sale of marijuana. Charlie and Ruben Castillo, both of Farwell, have been indicted on charges of conspiracy to sell marijuana. Mitchell said that the Castillo brothers were indicted in Curry County because the alleged act occurred in Texico. The city marshal said all four men have been released on bond and are awaiting trial.

Tickets On Sale Monday

Tickets go on sale Monday, Nov. 14, for the Fred Story Revue which is being sponsored by the Farwell School athletic department. Price of admission is 50 cents for school children and \$1 for adults. The show will be Thursday, Dec. 1, at the school auditorium. The first show will be at 2:30 p.m. with another presentation scheduled at 8 o'clock p.m. Highlights of the performances will be "Where Does the Duck Go?", "Fantasy in Flowers," the famous "Houdini Trunk," and the mystery of the "Oaken Bucket."

Everyone is urged to buy tickets early for this program of family entertainment. Tickets are available from any high school athlete. During the performance the days of Keller, Thurston, Blackstone and Houdini will return for a brief time. For those disbelieving skeptics, they will be invited on stage to assist in the performance of the famous Houdini Trunk.

Mitchell also reported that he answered a prowler call to the Farwell Convalescent Center at 1 a.m. CST Monday. According to him, an investigation failed to "turn up anything concrete."

Tuesday afternoon, Mitchell conducted a crime prevention and law enforcement session at the Rhea 4-H meeting. In addition, he also marked bicycles for identification. Mitchell also reported that he is investigating the theft of 15 junk batteries taken from Joe Hughes Auto Parts in Farwell. The city marshal said the batteries were stored behind the building, enclosed within a chain link fenced area.

TWO MINUTES WITH THE BIBLE
BY CORNELIUS R. STAM PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635

WHAT GOD IS DOING

The distress and confusion which prevails in the world about us does not upset the instructed believer in the Word of God. He understands the divine plan and knows what God is doing. He does not expect peace on earth while the Prince of Peace remains an exile from His own world. He has no illusions about this age, or about what statesmen and politicians can accomplish in this age, for God calls it "this present evil age" (Gal. 1:4).

The instructed believer knows too why God does not intervene in the affairs of men and why our Lord remains a voluntary exile from the world. "This present evil age," he knows, is also "the age of grace." It began when God saved Saul of Tarsus, the "chief of sinners" and the leader of the world's rebellion against Christ (I Tim. 1:13-16) and sent him forth with the "gospel [good news] of the grace of God" (Acts 20:24).

The instructed believer understands clearly that God is not saving the wreck that man has made. He is rather saving individuals from the wreck and uniting them, by the Spirit, to Christ and His Body, "For by one Spirit are we all baptized into one body..." (I Cor. 12:13).

The instructed believer knows too that this world will not always be a scene of trouble and sorrow, of war and bloodshed, of misery and death. He knows that after our Lord has recalled His ambassadors of grace from this world He will put down man's rebellion and set up His own beneficent reign, when government will be purified (Jer. 23:5), war and bloodshed will be abolished (Isaiah 2:4), health and long life will be restored (Isaiah 35:5,6; 65:20), the animal creation will be tamed (Isaiah 11:6-9), the desert will blossom as a rose (Isaiah 35:1,2,6,7) and Israel will become a spiritual blessing to the nations (Zechariah 8:13,23).

Meantime, the instructed Bible believer takes advantage of "the dispensation of grace," telling others how they may be "justified freely, by God's grace, through the redemption that is in Christ Jesus" (Rom. 3:24).

Texico High School Band Enjoys Trip To Carlsbad

The Texico High School Band traveled to Carlsbad Friday, Nov. 4, to participate in the Eastern New Mexico District Marching Contest.

The band, made up of students from grades seven through 12, left early Friday morning in order to arrive in Carlsbad in time to visit Carlsbad Caverns. The students were conducted on a three-mile tour of the world's largest underground attraction to a depth of over 800 feet below the surface of the earth. The temperature was a cool 56 degrees, but the damp 90 percent humidity in the caverns soon made it necessary for the students and sponsors to remove their coats.

On the way back from Carlsbad Caverns, the stu-

dents visited White's City Million Dollar Museum which displayed a collection of artifacts from Indian and pioneer days.

Just before sundown, a short practice of the band's contest show was scheduled. The students rounded out the day's activities with a swim in the large indoor swimming pool at their motel and then enjoyed bowling in Carlsbad.

The next day, the band visited the Living Desert State Park and Botanical Gardens. The park, located on Ocotillo Heights at the edge of Carlsbad, contains thousands of species of cacti and many animals native to the area. The students were able to feed some of the animals and view them in their natural habitats.

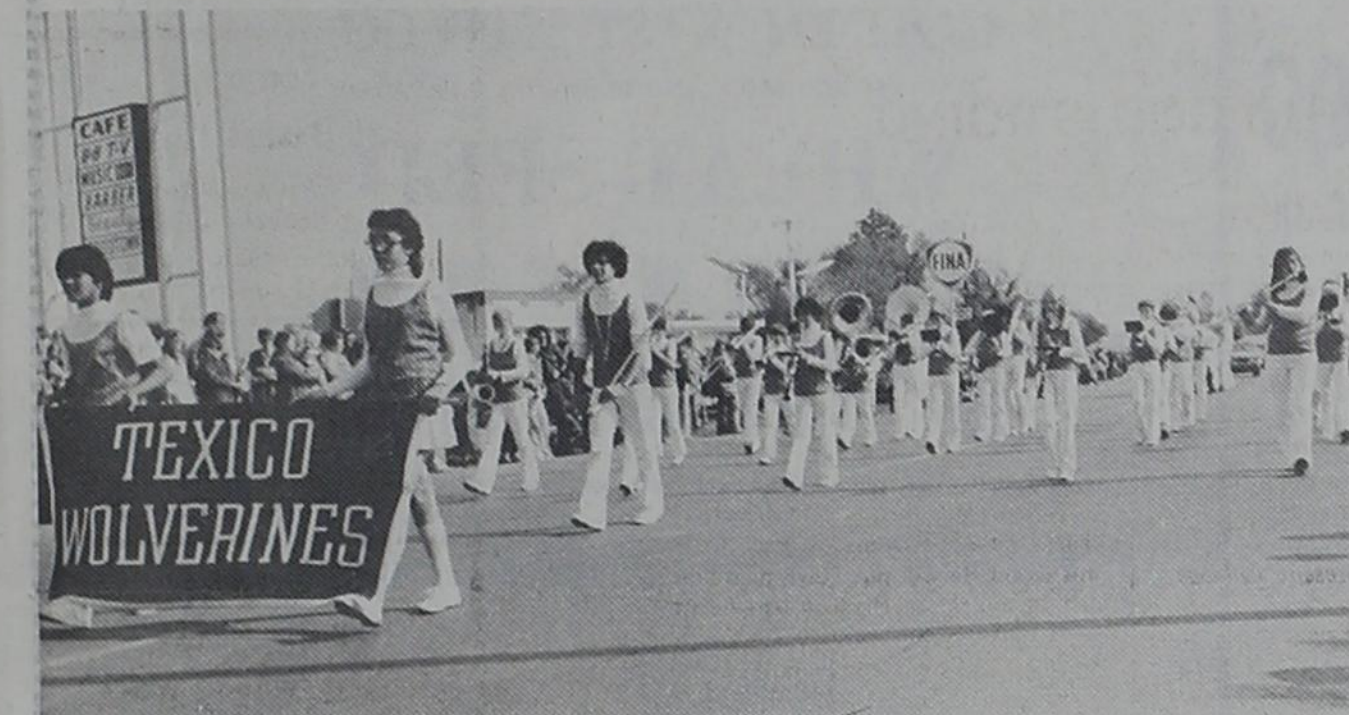

Saturday afternoon, the students participated with 25 other bands in the district marching contest and watched many other bands perform. The bands were hampered by stiff judging and criticism, but the students and band director came away with many new ideas to use in next year's marching performances.

The students were complimented by park officials and by the managers of the motel on their good behavior. Sponsors for the Carlsbad trip were Mr. and Mrs. Herman Gerles, Mrs. Anna Southard, Mrs. Pat Cavallero, Mrs. Lucy Harrison, Mrs. Juanita Hadley, Glenn Edwards, and Jerry Sadberry, band director.

Texico-Ft. Sumner Bands Combine

On October 7, Texico and Ft. Sumner football fans were treated to a special performance of a combined Wolverine and Fox band that played during halftime activities. The joint performance is part of an effort to further good will and sportmanship between the two schools. (Texico Schools Photo)

Texico Band On Parade

A combined sixth and seventh grade Texico band marched in the recent homecoming parade at Eastern New Mexico University at Portales. The ENMU event is just one of many activities the Texico bands engage in throughout the year. (Texico School Photo)
