SIXTY-SEVENTH YEAR

20 CENTS

The grand finale of the 20th Annual Area Merchants Football Contest is drawing to a close. This week and one more tells the tale of who is the premier pigskin picker on the High Plains.

At this juncture of the contest Ouija boards, seances, nocturnal apparitions, visions and hunches all come into play in an endeavor to pierce the veil of weekend football games.

Also, some strategy is called for on the part of those just behind the leader. Obviously a contestant cannot gain on the leader if they pick exactly the same games, so therefore, by picking an upset, a game may be gained in the standings. By like reasoning the leader that goes entirely by the "favorite" without due and deep regard of the upset possibilities can oft times wind up that vital one game off the pace.

No matter what stroke of brilliance is employed by the some 20 entrants still in the grand prize running we will all know in two more weeks who wins.

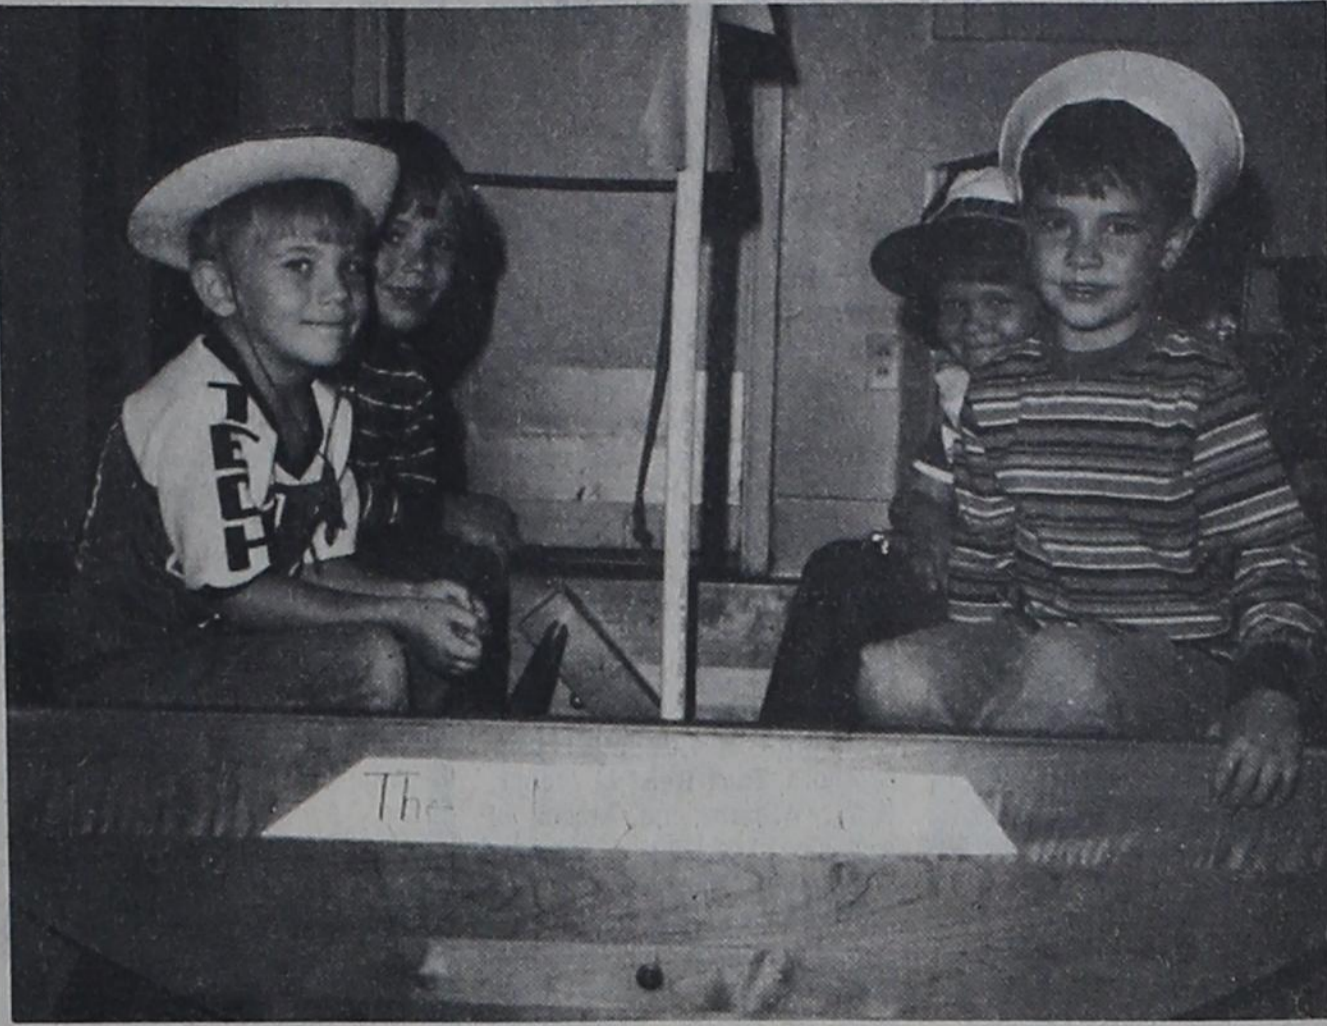

We were not on our sports toes last week so missed the fact that Smyer was forfeiting its games. This caused us to get a "no count" game on the contest slate. In making up our weekly game roster we are reminded of several observations long propounded by the sages; namely, nothing is as easy as it looks, if there is a chance that several things can go wrong the one that will hurt the most will be the one to go wrong, and lastly it's impossible to make anything foolproof because fools are so ingenious.

Last week we sprang a quickie spelling test on our faithful readers and heard some favorable comment so will put forth a modest grammar test this week.

Below are ten sentences. Each contains at least one mistake. Can you find the errors?

1. The truck slammed into a cement post, and it's cargo scattered across the highway.
2. His face turned livid, purple veins straining against the scarlet flesh.
3. The veterinarian complained that he'd never treated a Canadian goose.
4. Flaunting the law is the first step toward anarchy.
5. The foundation is non-sectarian, non-political and non-profit.
6. Police said the victim had been strangled to death with a length of wire.
7. Mr. Perkins complained of feeling giddy and nauseous on his first jet flight.
8. Named after Mr. J.L.M. Smithson, the Smithsonian Institute is located in Washington, D.C.
9. All those kudos didn't phase the veteran impressario.
10. The sheriff said the marshall was an imposter.

- Here are the answers:
1. cement is an ingredient of concrete, which is what the post was made of. Also, "it's" should be its.
 2. livid means pale or putty colored; therefore his flesh could not be scarlet.
 3. veterinarian is the noun, veterinary the adjective. Also, it's always Canada goose.
 4. flouting should replace flaunting.
 5. none of the three non-words needs a hyphen; each is one word.
 6. to death is redundant. Strangled means unto death.
 7. nauseous means disgusting; needed is nauseated.
 8. the proper name is Smithsonian Institution. Is located adds only excess baggage to the sentence.
 9. kudos is singular; phase should be faze; impressario is the correct spelling.
 10. marshall should be marshal; imposter should be impostor.

A 'Pilgrim' Voyage

Just as the Pilgrims did centuries ago these four Farwell Kindergarten students are attempting to "cross" the Atlantic Ocean in the Mayflower. The erstwhile sailors are, from left, front: John Ford, son of Mrs. Dorothy Ford; Todd Embry, son of Becky Embry of Farwell and Lee Embry of Lazbuddie; back: Darren Haseloff, son of Mr. and Mrs. Richard Haseloff; and Richie Gulley, son of Mr. and Mrs. Larry Gulley. The make believe voyage and the ship, The Mayflower, are all part of learning about the first Thanksgiving. The children are students of Marcia Cole.

Farwell City Council Raises Sewer Rates

Farwell City Council at its Tuesday evening meeting raised the base sewer rate for both residential and commercial establishments by \$1. Effective with the next billing notice, residential rates will be \$2.75 plus 15 cents for each outlet over four. Commercial rates are the same with the exception of service stations which will now pay \$6.25 per month.

The action by the Council was precipitated by the need to build a new sewer plant within the next few years. The additional dollars received from the higher rates will be saved toward the day when Farwell will need to construct the new plant.

In other action the Council passed Ordinance Number 88 which makes it illegal for anyone within the city limits to "drink, consume, or possess for the purpose of consuming, any alcoholic beverage on any street, alley, park or parking lot within the City of Farwell."

The ordinance further makes "possession of an open or broken seal container evidence of illegal possession, providing for seizure and arrest without warrant for violations."

The ordinance also creates a penalty of a fine not to exceed \$200 for each violation. A complete copy of the new ordinance is published elsewhere in the Tribune.

Bob Lydick of Lydick Engineers and Surveyors, Clovis, met with the Council concerning street repairs made recently. Commissioner Fred

Chandler said that in general the job was "well done," but that certain places had not been "cleaned up" or had been left "too rough." Lydick assured the Council that he would contact the company which had done the work to see if necessary changes could be made to correct any deficiencies in the work.

There was also some question as to whether the company was going to install the speed bumps on Avenue H near the high school. Reportedly, city officials had been told that they would install the bumps. Lydick said he would also ask about the bumps, and would request that the company get in contact with the City of Farwell concerning the matter.

Lydick also stated that "except for a few places" the work was good. A discussion concerning the "dog situation" in Farwell followed. School officials have asked the city to help in getting rid of the packs of dogs which hang around the schools, especially the elementary school.

In the past Doug Landrum has served as the city's dog catcher, but Tuesday night he resigned, saying, "nothing I have done so far works, so I wish you would get someone else to do the job."

City Marshal Ronnie Mitchell said he would assume the responsibility of trying to clear up the situation. Jerry Kizer, new part-time city employee, also expressed a willingness to assist with the

solution of the problem.

During the discussion one important point brought forth was that many people do not take the responsibility of keeping their own dogs contained. Landrum said that while he was dog catcher he picked up several dogs, but after the owners paid the fines they let them run loose again.

John Johnson, sanitation superintendent, reported to the Council that people are "dumping dead animals in the small load pit." The Council gave him permission to post a sign near the dump ground stating that dead animals may not be dumped there.

Attending the Council session were Mayor Walter Kaltwasser, Commissioners Johnny Curtis and Fred Chandler; city employees Landrum, Mitchell, Dee Hammit, Johnson, Kizer and Janie Bowery.

Wolverines Advance In State Play-offs

Texico Wolverines will host the Tatum Coyotes tonight (Friday) at 7 p.m. MST in the semifinals of the Class A state championship playoffs.

Clovis FM radio station KKQQ (Channel 99.1) will again broadcast the game beginning at 6:30 p.m. MST with the pre-game show.

Texico won the right to advance in the playoffs by defeating the Capitan Tigers, 47-0, last Friday night. That game was also played in Texico. The teams to play flip each week to determine in which town they will meet, and in the past two weeks Texico has been given the nod by the turn of the coin.

The winner of the Texico-Tatum match will meet either Melrose or Hagerman the following week in the state finals. Both Melrose and Hagerman play tonight at Melrose in another semifinal game.

Resets Meet

Texico City Council did not meet Tuesday night due to the weather. The next regularly scheduled meeting will be Tuesday, Nov. 28, at 6:30 p.m. MST at the City Hall.

Fog, Rain, Cold Settle In Area

Old Man Winter flexed a frosty finger Friday and sketched a dreary, blustery cold and very damp and foggy scene which has intermittently plagued the Twin Cities and surrounding area ever since.

For a brief spell Monday temperatures warmed up, the fog lifted and it appeared to begin to dry up. However, the break in the weather was short lived as a dense fog again greeted Texico and Farwell residents Tuesday morning as they prepared to begin their day's activities.

By late Tuesday afternoon a light drizzle was also falling in the area and the temperatures had dropped considerably, causing residents to don caps, gloves and scarves - not to mention heavy coats - as they went about their daily duties.

When the latest blast of winter moved into the area Friday, it played havoc with high school football teams who were forced to play in such cold weather that holding onto the ball was sometimes a serious problem. The very brisk wind which also accompanied the cold snap tested the mettle of Texico and Farwell fans as they also braved the elements to see their favorites play.

Farwellites followed the Blue and White to Vega where equally cold weather conditions greeted them. Texico fans watched the Green and

White play at home, but the cold wind which pestered them throughout four quarters of play was just as hectic.

The cloudy, dreary overcast skies cast a pall over Saturday's activities and the colder temperatures kept people inside unless they had a very good reason for venturing forth into nature's icy grip. However, a few determined individuals proceeded to participate in the scheduled ESA Walk-a-Thon, regardless of the cold and dampness.

Weather conditions did not change Sunday as a dense fog continued to hang over the area, rendering highway traveling difficult. A not too uncommon sight throughout the weekend were specks of light peeking through a dense white haze, the only indication that a vehicle was traveling the area roads.

Grand Jury To Probe Texico Missing Funds

According to an Associated Press release Wednesday, New Mexico Attorney General Toney Anaya said information on alleged improprieties in the handling of public funds in Texico will be presented to a Curry County grand jury December 1.

"We've been on it for several months," Anaya was quoted as saying.

According to Anaya, the audit showed apparent improprieties in the handling of public funds. He said the information contained in the audit could not be released because of the grand jury investigation.

The AP story quoted Anaya as saying that Curry County District Attorney Bill Bonem has been kept informed of all

developments in the case.

An audit conducted earlier this year turned up an alleged \$27,500 in missing city funds. An investigation into the missing money was launched at that time.

The Tribune contacted Bonem late Wednesday night. The only statement that he would make is that representatives from the attorney general's office would meet with his office next week to discuss the matter.

"To say anything else at this point would be premature," Bonem said.

Also contacted was Texico City Attorney Harry Patton who said he had not been informed officially of the grand jury probe. He added that he had been aware that there was "difficulty with the audit" but he was not sure about the alleged missing funds because the audit has not been released as yet.

Manford Turnbough, Texico mayor, when contacted, said he was aware only that further investigations into the missing funds were to continue.

NM American Ag Meets Thurs.

A state called meeting of the New Mexico American Agriculture Movement was to be Thursday at 7:30 p.m. MST in the Portales High School Auditorium.

Blast Destroys Church

An explosion and subsequent fire destroyed the New Light Baptist Church in Farwell Tuesday around 11 p.m. Cause of the blast has not been determined. Units from both the Farwell and Texico Volunteer Fire Departments were called to the scene, but the building was a total loss. Reportedly, residents east of town heard a "sonic boom" type noise just before the fire siren went off.

Brrr! It's Cold

Temperatures remained near the freezing mark early Wednesday morning as these three Farwell Elementary students trekked to classes. Bundled up for the cold weather are, from left, Bill Knoy, son of Mr. and Mrs. Tom Knoy; Mike McCracken, son of Mr. and Mrs. John McCracken; and David Woods, son of Mr. and Mrs. Carliss Woods. They are students in Nancy Alana's fourth grade class. Besides the severe cold a light drizzle also accompanied the early blast of winter.

Scores Plummet In Weekly Grid Contest

Just as the mighty blast of trumpets leveled the walls of Jericho during Biblical times, a breakdown in gridiron expertise toppled scores in the 20th Annual Merchants Football Contest last week.

Last week - as happened once before this year - scores came tumbling down as a record number of people missed several games.

Instead of the perfect slates as had been recorded during the past two weeks, the three top winners managed to call only nine correct games.

Myrna Lingnau garnered first place by virtue of being 27 points off on the tiebreaker score. Carolla Smith won second place by missing the tiebreaker by 30 points. William Dannheim claimed third by being 40 points off on the tiebreaker. The three winners were presented the weekly checks of \$7.50, \$5 and \$2.

Besides a general case of "bad guessing" everyone who entered last week's contest missed at least one game no matter which team they selected. The problem arose

with the fourth selection on the entry form - Smyer at Lazbuddie. Smyer forfeited the game, making Lazbuddie the winner, but since it was announced in the area's Friday morning papers, it was necessary to count the game as a wrong guess no matter which team was picked.

The three victors also erred in two other choices. Myrna sided with Oklahoma over Nebraska and she also picked the Giants over the Redskins. Carolla picked Friona over Olton and West Texas over Drake. Dannheim also erred in choosing Friona and West Texas to win.

Twenty-four contestants called eight games correctly. They were Anne Norton, Marilyn Rains, Jim Berry, Bonnie Warren, Rhonda Kirkland, April Coffman, Mike Grissom, Leigh Ann Woods, Darwin Green, Earlene Porter, Beulah Williams, Johnny Actkinson, Billy McClenny;

Also, Tim Lusk, Delbert Lingnau, Joann McDonald, Darren Darby, Otto Lingnau, Carl Kirkland, Leonel Jaime, Bobbie McFarland, David

Dannheim, Truman Kittrell and Mike Boling.

Karen Lusk still maintains the contest lead with her slim one point hold on first overall with 82 points, while Jack Kirkland, Robin Roberts, Jerry Roddam and Beulah Williams are close behind with 81 points.

In third place with 80 points are Lorine Dannheim and T.J. Kittrell.

Fourth place belongs to six persons who have 79 points: David Dannheim, Jack Allan Kirkland, Sheree Montgomery, Carlton Newell, Champ Porter and Marilyn Rains.

Those in fifth place with 78 points are Fred Curtis, Mike Grissom, Greg Hromas, Mrs. E.A. Key, Nicky Liethen, Eugene Lonsdale, Ridley Lonsdale and Larry McDorman.

With only two weeks remaining in the contest it is still anyone's guess who will win the top two overall prizes. Grand prize includes two tickets to the Cotton Bowl game on New Year's Day plus \$50. Second place winner will receive two tickets to the Sun Bowl game in El Paso on December 23, plus \$25. Although only the top leaders have a chance at the two top prizes, anyone can still enter the contest and earn the weekly money of \$7.50, \$5 or \$2.

Proficient Picker

Participants in the 20th Annual Merchants Football Contest "fell down on the job" last week as even the best guessers managed to pick only nine games right. Myrna Lingnau claimed the first place check of \$7.50 by guessing nine games correctly and missing the tiebreaker by 27 points. Jim Reed, sales manager of Cal Jordan Implement, one of the contest sponsors, presents the winning check. Carolla Smith claimed second place by missing the tiebreaker by 30 points, and William Dannheim finished third by being 40 points off on the tiebreaker.

Few Turn Out For CF Walk-A-Thon

Only a few hardy souls braved the chilly, damp and dreary weather Saturday afternoon to walk, jog or do a combination of both in the Walk-a-Thon sponsored by Theta Rho Chapter of Epsilon Sigma Alpha sorority. Proceeds from the event go to Cystic Fibrosis, the sorority's state philanthropic project.

Margaret Aycock, spokesman for the organization, said that due to the poor weather only a few of those originally registered participated in Saturday's event. She said that everyone else was told to "pick a pretty day" and either walk or jog as many laps as the intended to, then report the number to a member of the sorority.

Thursday's Walk-a-Thon were Sallie Chandler, one and one-half miles; Otis McMillan, two and one-half miles; Melinda McMillan, two laps; Hurshel Harding and Jack Allan Kirkland, five and one-half miles; Jim Berry and Barry Williams, five miles; Jackie Perales, 30 laps; and Janis Perales, 35 laps.

Jerry Yows jogged Friday afternoon but no record of his number of laps was available. Hubert Ellison walked 22 laps Monday afternoon.

Everyone expressed appreciation to Neil Stewart who furnished donuts for the meeting.

Those attending were board members D. Smith Day, Arlye Crooks, Roy Richardson, Herman Gerles, and Ronny Curry; Superintendent Jim Pierce, Max Carter and Marcia Leavell.

Tri Deltas To Observe Founding Of Sorority

Traditionally during the month of November, members of Delta Delta Delta gather to celebrate the Thanksgiving Eve founding of the sorority in 1888 at Boston University.

High Plains Alumnae Chapter members plan to celebrate 90 years of Tri Delta love and friendship with a brunch Saturday, Nov. 18. Tri Deltas from Hereford, Farwell, Dimmitt, Lubbock and Roswell have been invited to the brunch which will begin at 11 a.m. at Colonial Park Country Club in Clovis, according to Founders' Day chairman, Rosine Titus.

Alumnae chapter president Carolyn Pressley will read the Founders' Day Proclamation from the national president, Jeanne Johnston Grimes. The program will consist of a slide presentation on the founding of Delta Delta Delta. This presentation was provided to the High Plains chapter in recog-

nition of its second place national convention award for collegiate/alumnae relations.

Following the program, a traditional candlelighting ceremony and roll call of chapters will be conducted.

Table decorations will feature three dimension deltas of silver, gold and blue, the sorority's colors. The gold side is centered with a white circle imprinted with a pine tree, a Tri Delta symbol, and a quotation by the founder, Sara Ida Shaw. A gold replica of the Stars and Crescent badge is centered on the silver panel, and the blue delta is decorated with multicolored pansies, the official flower. The deltas were designed by the chapter's district chairman, Barbara Seward of Albuquerque, and were used at the national convention in New Orleans last June.

At each person's place will be a small oyster shell holding a white candle and a pearl, Tri Delta's jewel. The candles will be individually lighted during the roll call in recognition of the founding of Tri Delta's 114 collegiate chapters.

The singing of Alpha Theta Phi will conclude the 1978 Founders' Day celebration.

Area Tri Deltas are invited to make reservations for the brunch with Sarah Goudy, 762-5402, or Carolyn Pressley, 762-3919 (after 6 p.m.). The cost of the brunch is \$4 and may be paid at the door.

4-H Gold Star Winners Be Feted At Banquet

Two outstanding 4-H'ers from Parmer County will be special guests of honor at the District 2 4-H Gold Star Awards Banquet at Coronado High School Monday night, Nov. 20, in Lubbock.

Johanna Mesman, daughter of Mr. and Mrs. Ben Mesman of Farwell, and Mike Schueler, son of Mr. and Mrs. Herbert Schueler of Rhea, will be honored at this banquet.

The program begins at 6:30 p.m. in the high school's cafeteria. Billy C. Gunter and Catherine B. Crawford, district agents for the Texas Agricultural Extension Service, said some 450 persons, including parents, distinguished guests and special friends of 4-H, will be on hand to congratulate the youths.

A boy and girl from each of the 20 counties in District 2 are eligible to receive this highest county award each year. The award is based on outstanding achievement, leadership, and contribution to the county 4-H program.

The event is sponsored annually by the following 12 member-owned electric coop-

eratives serving District 2: Bailey, Dickens, Lamb, Deaf Smith and Swisher counties, and Lea County New Mexico. Also, Caprock, Lighthouse, Lone Wolf, Lyntegar, Midwest and South Plains electric cooperatives.

Speaker for the special occasion will be J.B. Wheeler, president of Hale County State Bank, Plainview. Bob Etheredge, farm director of KCBDTV, Lubbock, will be master of ceremonies. Katrina Reid,

former chairman of the District 2 4-H Council, will narrate the presentation of awards.

To qualify for the special award, a 4-H'er must be at least 13 years of age, have completed at least three years of club work and be currently active in 4-H. The Gold Star Award is intended to stimulate winners to higher achievements and to encourage other young people to participate in the county 4-H program.

Longhorns Stampede Steers For Second District Loss

by Radney Robertson

In an effort to keep their hopes of a district championship alive, the Farwell Steers hit the road Friday night to tangle with the Vega Longhorns. But the effort was all in vain as the home team shut out the visiting Steers 39-0.

Old man winter and fumbleitis plagued the Steers throughout the game, with the strong north wind hindering the punting game and the severe cold making the ball easy to cough up.

The Longhorns scored 18 points in the first half and followed up with 21 in the second half to rack up 39 total points to defeat the Steers. Vega held the Blue and White scoreless. The loss dropped the Steers to 2-2 in district and 4-5 for the season.

The Steers received the opening kick-off from Vega and began downs on the 27-yard line. On first and 10 Raul Garza picked up a first down on the 43-yard line as he ran for 16 yards. But on the next offensive play the Blue and White fumbled and Vega recovered, taking over on the Steer 47.

Steer defense was able to hold the Longhorns short of a first down and Vega was forced to punt. The kick took a Longhorn bounce and was downed on the one-yard line where the Steers began first and 10.

Unable to move out of the hole, the Steers punted on fourth and one from the 9-yard line. A Vega defender was able to get a hand on the kick, shortening its distance severely. The ball traveled a measly four yards, and the Longhorns lined up first and 10 only 13 yards from paydirt. Three plays later Rick Jones went in

from four yards out for the first T.D. of the night. The PAT attempt was no good, but Vega had jumped ahead, 6-0.

On their next possession the Steers began on the 30-yard line and moved to the Vega 47 before another fumble stopped the offensive progress. The Longhorns were able to penetrate to the Farwell five-yard line before the defense could halt their drive. The ball went over on downs and the Steers once again took over deep in their own territory, this time on the five-yard line.

Max Lonsdale dashed for 10 yards which set up a Steer first down on the 15-yard line. But the offense couldn't manage enough yardage for another first and were forced to punt. The Longhorns set up play from the 39-yard line.

On third and five from the 34, Randal Gilbraith set up and connected on a screen pass to Joe Rodriguez who dashed 39 yards for another T.D. PAT attempt was unsuccessful and Vega led 12-0.

D.D. Foster fielded the Longhorn kick-off and returned it 20 yards to the 45-yard line. The Blue and White crossed midfield and entered Longhorn territory at the 46-yard line. But it wasn't far enough for a first down, and Vega regained possession on their own 46 as the ball went over.

On first and 10, Joe Rodriguez broke loose and scrambled 46 yards for yet another Longhorn score. The PAT was again unsuccessful, but the Longhorns had widened their lead, 18-0, as the first half came to an end.

Farwell had first possession of the ball in the second half after receiving the Vega kick-off and setting up on their own 37. Rowdy Chandler plowed through for 11 and

eight-yard gains, moving the Steers to the Vega 41-yard line. The offense continued its drive all the way to the Longhorn 21-yard line before Vega was able to hold the Steers on fourth and three and regain possession on their own 21.

The Longhorns then marched 79 yards for another score, this time on a nine-yard run by Gilbraith. PAT attempt by Bob Graves was good and Vega led 25-0.

The Steers began their next series of downs from their own 16. The offense was able to move to the 46 before they once again lost a fumble which set up another score for the Longhorns, this one coming on a 38-yard pass reception by Les Newbill. PAT attempt was good and Vega had a commanding 32-0 lead.

After returning the Longhorn kick-off to the 33-yard line, the Steers moved seven yards to the 40-yard line before losing the last of four second-half fumbles to Vega. The Longhorns capitalized once again as Newbill caught

another T.D. pass. The successful PAT gave Vega the last of their 39 points of the game.

The Steers were able to pose a scoring threat in the closing seconds of the game, as they began first and 10 from the 49. Mark Owen scrambled 30 yards for a first down on the nine-yard line. Chandler then moved four yards to the Vega five-yard line, but time ran out for the Steers and they were unable to get on the board as the game ended 39-0.

JV Game Cancelled - -

Farwell Yearlings Suffer Loss To Vega

A combined 7th and 8th Farwell Yearling team lost to Vega, 14-0, at Steer Stadium Thursday of last week.

Vega scored before half time, and lead 8-0. They added another six points in the third quarter to take the 14-0 win.

Coach Larry McDorman said the Yearlings played well. "We should have scored but didn't," he explained. "Quary terback Alan Eubank threw a pass to William Garza who scampered to the Vega three, but a penalty nullified the long gain."

"Everyone played hard and we had some good blocking,"

McDorman said. He cited Gary Haseloff, Robbie Armstrong and Wade Kent for their blocking efforts. He added that Garza and Raymond Sierra "ran the ball well."

The Yearlings were to close out their season Thursday at Hart at 5 p.m.

The junior varsity game with Vega was cancelled due to too many players being absent with injuries or illness, Coach Mike Martin reported. The JV team was to play its last game this Thursday at Hart.

STEER OF THE WEEK

BRUCE MAYFIELD

Bruce Mayfield was selected "Steer of the Week" - for the second time this season - following Friday's District 3-A game with Vega. The Farwell coaching staff cited Mayfield for "doing the best job both offensively and defensively."

Host Hart Tonight - -

Steers Ready For Gridiron Finale

"If we had made fewer mistakes we would have made a better showing against Vega," head coach Don Alana said following the Farwell Steers District 3-A loss to the Vega Longhorns Friday night.

"This same thing happened to us last year," he continued. "We played well Friday except for several miscues."

The Steers fumbled the pigskin away six times while recovering only one Longhorn fumble.

"Vega has a fine ball club," Alana said. "They made fewer mistakes than any club we have played this year."

In spite of the 39-0 shut-out, which killed the Blue and White's hopes of finishing higher than third place in loop play, the tough gridiron battle was marked by many fine individual efforts.

Bruce Mayfield was named "Steer of the Week," the second time this season, by virtue of being the player who performed best on both offense and defense. He also recovered one fumble. Alana said Mayfield did a "good job."

Rowdy Chandler was chosen "outstanding offensive back," carrying the ball 16 times for 80 yards and a five yard average.

Alana commented that Chandler "did very well as a running back."

Mac Langford garnered the "outstanding offensive line-men" honors for the second time this year. According to Alana, he "graded out at 90 percent and did very well on offense."

D.D. Foster was named the "outstanding forcing unit man." "Foster played one of his better defensive games against Vega," the Steer mentor said.

James Castleberry was picked as the "outstanding secondary man." "He was our most consistent secondary player," Alana said.

Mark Owen intercepted a Vega pass, upping his season's total interceptions to six. He leads the ball club in this category.

Owen also carried the ball six times for 22 yards and a 3.6 average. Raul Garza turned in the same statistics Friday night.

Max Lonsdale earned 84 yards on 16 carries for 4.4

average. Mark Ancira carried once for six yards and Kayle Watts caught one pass for six yards.

Even though the Blue and White and their coaches are disappointed that their greater district hopes were shattered Friday night, they are looking forward to tonight's (Friday) game with Hart with every intention of winning.

A victory would up the Steers' season record to 5-5. They would also finish 3-2 in district, garnering third place in loop competition.

Alana said it is always good to win the final game because "it's good for the seniors and it's a good carry-over to next season."

A 500 season is not what Farwell sought at the beginning of the 1978 grid season, but considering the team's inexperience and miscues along the way, Alana said it would be a "good" season for them.

"We have nothing to be ashamed of going into the last game," Alana said.

Advance In Play-offs - -

Texico Wolverines Claw Capitan Tigers

The Texico Wolverines, the top ranked Class A ball club in New Mexico, will host the second ranked Tatum Coyotes tonight (Friday) at 7 p.m. MST in the semifinals of the state championship playoffs.

Clovis FM radio station KKQQ (Channel 99.1) will broadcast the game beginning at 6:30 p.m. MST with the pregame show.

Texico advances in the playoffs soundly thrashing the

Capitan Tigers, 47-0. Tatum was to have played Navajo Mission Friday but Navajo Mission forfeited the game citing financial reasons.

Winner of tonight's donnybrook will advance to the state finals against either Melrose or Hagerman. These teams meet at Melrose tonight in another semifinal match.

Texico Quarterback Keith Hadley guided his team to the

shut-out victory by rifling five touchdown passes. He hit on 13 of 22 passes for 282 yards and ran for 62 yards on six carries.

Barry Goode ate up the turf with 174 yards on 25 totes. The Green and White racked up 588 total offensive yards.

Hadley's prime target throughout the night was his brother James who hauled in eight passes for 212 yards and two touchdowns. Keith's ef-

forts Friday night upped his touchdown passes to 24 for the year.

The "Mean Green" Texico defense completely stifled the Capitan offense, allowing them only 160 total yards.

The victory upped Texico's record to 9-1 for the year, while Capitan finished 4-5-1.

A record number of Texico fans turned out on a blustery, cold Friday night to watch the quarterfinal match.

Britt Crooks booted the opening kickoff to Capitan, but before the Tigers had time to mount their first drive an alert Keith Hadley picked off a Capitan aerial. It was Texico's 24th interception of the year.

Texico followed with good yardage gains, but a major penalty set the ball back. Barry Goode and Robert Thornton advanced the ball well and on the next play, Keith tossed a 29-yard touchdown pass to James Barfield. Britt Crooks added the PAT and Texico took a 7-0 lead.

Capitan took over on its own 22, but unable to move the ball, were forced to punt.

With 2:32 left in the first quarter, Keith fired an aerial to brother James who scampered 71 yards for paydirt. Crooks booted the PAT and Texico went ahead, 14-0.

As time ran out in the first quarter, Capitan again took over on their own 20, but punted again several plays later.

James Hadley hauled in a pass, advancing the ball to the Texico 45; however, a penalty nullified the play. The Green and White could not put together a successful drive and punted.

Capitan again tried to put a drive together and this time succeeded in earning a first down. However, it was all for naught as the Tigers again punted the ball.

Goode fielded the Capitan punt to the Tiger 41, but again a holding penalty wiped out the play. On the next play Goode advanced the ball to the 46 and Keith passed to James who carried the pigskin to the Capitan 38. The Tigers were penalized for illegal use of hands.

Goode carried the ball three times advancing to the Capitan seven. Keith then found Barfield who scampered in six yards for the score. Crooks added the extra point and Texico increased its bulge to 21-0.

Capitan took possession of the pigskin on their 24; but even though they mounted

their first solid drive of the night, they were unable to score and punted the ball away.

With time running out in the first half, Texico was operating without a huddle in order to try and score again before the gun sounded. Keith found James in the end zone, but he was unable to hold on to the ball. Time ran out with the Green and White out in front, 21-0.

As the third period got underway, Goode returned a Tiger punt to the Capitan 37. Three plays later Goode barreled his way into the end zone. Capitan defenders caught the rugged Texico running back at the three, but the determined Wolverine bulldozed his way to pay dirt. Crooks toed the point after and Texico upped its score to 28-0.

Capitan took possession of the ball again, but a stingy Green and White defense refused to give an inch. Eloy Ortiz picked off a Tiger aerial for Texico's second reception of the night. The play was put into motion by Cavallero who deflected the pigskin to his teammate.

Several back-to-back penalties wiped out good Wolverine gains and threatened to choke off the scoring attempt; but Keith opened the game up again with another scoring pass to his brother James, this time for 37 yards. Crooks again toed the extra point and Texico was 35-0 in the lead.

Capitan punted after four plays.

Several plays later Keith found Ortiz who ran in from the 13. Crooks missed the PAT and the Wolverine lead increased to 41-0.

As the final quarter got underway, Capitan was again unable to put together a drive and was forced to punt.

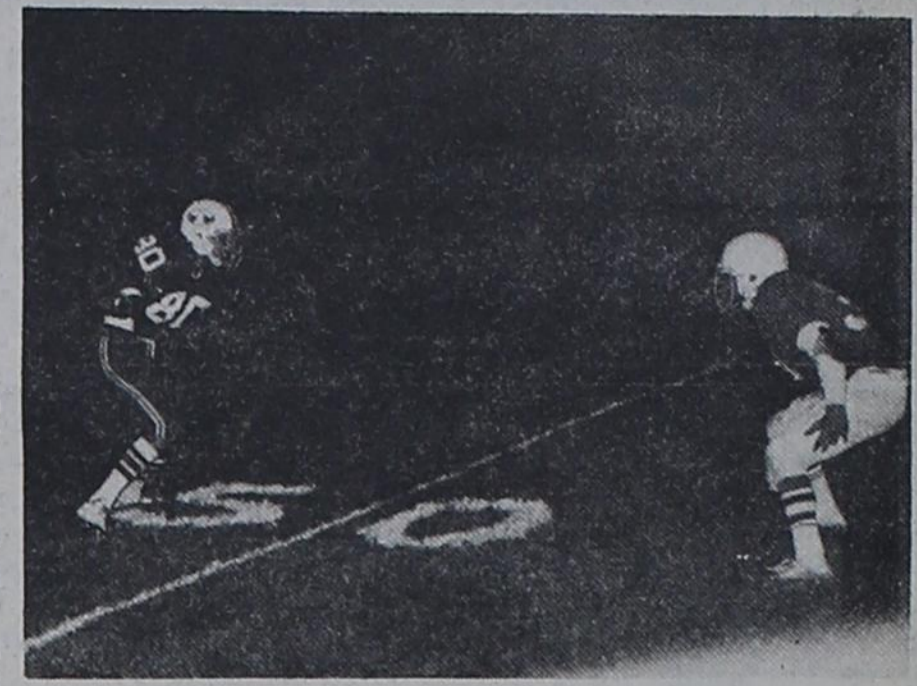

With 7:46 left in the game,

Texico was again knocking on Capitan's door, when they fumbled the ball at the 10.

Capitan took over but immediately Thornton intercepted the ball, the Green and White's third for the evening.

Several plays later freshman quarterback Todd Geries tossed to Herbert Bibbs who bounded 21 yards for the touchdown.

James Hadley attempted the PAT, but it was blocked, and Texico finished the game, 47-0.

One On One

Texico Wolverines tore up the turf Friday night against Capitan, rushing for 306 yards largely through the efforts of running backs like Eloy Ortiz (#80) who is shown attempting to dodge a Tiger defender. Ortiz made one touchdown. Texico racked up a total of 588 yards on offense. They advance to the state semifinals against Tatum tonight (Friday) at Wolverine Stadium. (Photo by Steve Kittrell)

Wolverines Gear Up For Semifinal Game

Coach Paul Topliff is justifiably proud of his Texico Wolverines who mauled the Capitan Tigers Friday night,

earning the right to advance in the Class A state playoffs. But even though the Green and White has experienced the

first real gridiron success in many a year, neither Topliff nor his boys are planning to rest on past laurels.

"Tonight's game with Tatum will be one of the toughest we will play all year," Topliff said. Even though they defeated the Coyotes, 27-7, on October 27 in Texico's Homecoming game, Topliff said he expected Tatum to "really be ready for us."

It's going to be a good battle as number one ranked Texico takes on number two ranked Tatum at Wolverine Stadium. Earlier in the year the Coyotes were rated number one.

Besides all that for incentive, Topliff said a "good, clean, old-fashioned rivalry" exists between Texico and Tatum. "We always like to compete against each other no matter what the sport," he explained.

During the past 10 years, Tatum has defeated Texico six times to three wins for the Green and White. One game ended in a tie. Since Topliff has coached the Wolverines they have defeated Tatum two out of three times.

Topliff said he expects the game to be a hard fought battle between two good teams. He also predicts that the game will be won or lost by only a few points.

To win the game and advance to the state finals against either Melrose or Hagerman, Topliff said the Wolverines will have to play with a lot of emotion. "Tatum is a physical ball club like us and it could go either way."

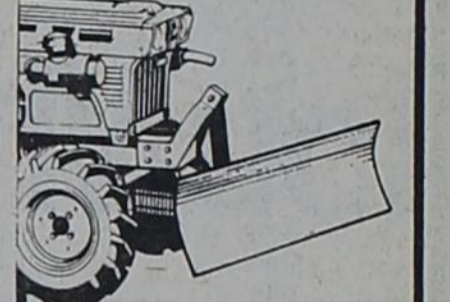

Topliff said he felt that when Texico and Tatum squared off

Most good farmers don't wait until planting time to buy Pioneer brand seed... not anymore.

The best farmers seem to think that having the seed with the greatest potential is too important to leave to chance. So ordering next year's seed as soon as they've seen this year's results is becoming a habit... practically a tradition.

Why? Because, when you compare Pioneer performance to brands that are always available and compare the advantages of ordering early to the disadvantages, you've got to pick up the phone and call a Pioneer dealer.

AND TO CAP IT OFF - Pioneer will acknowledge your early order by sending you a sprightly green, foam-lined gabardine cap.

KEITH HADLEY JAMES HADLEY

Amarillo Globe-News - -

Keith Hadley Named NM Player Of Week

For the second time this gridiron season Texico quarterback Keith Hadley has been named the Amarillo Globe-News New Mexico Player of the Week. He received the honor following the season opener with Mountainair.

"I think we have the best quarterback in Class A, maybe in Class AA," head coach Paul Topliff told the Globe-News.

The Wolverine helmetsman has completed more than 50 percent of his passes for 1,295 yards and 24 touchdowns.

Hadley's throwing arm backed by a well balanced offense and defense has guided

the Wolverines to an undefeated season against New Mexico teams.

Hadley again put on a spectacular aerial show Friday in the Capitan quarterfinal game, connecting on 13 of 22 aerials for an amazing 282 yards and five touchdowns. He also rushed for 62 yards.

Hadley's TD tosses were 6, 13, 29, 35 and 71 yards.

James Hadley, Keith's brother, was one of the New Mexico players receiving honorable mention for the Globe-News award. He hauled in eight aerials for 212 yards and two touchdowns. For the year he has more than 847 yards on 32 catches.

several weeks ago that neither team played at its fullest potential. "Tatum wasn't ready for us then, but I expect them to be tonight," he said.

Joe Martinez, offensive lineman, was named "Wolverine of the Week." "It was his best ball game," Topliff said. "He is the key to our running game."

Honorable mention was given to Keith Hadley, James Barfield, James Hadley and Barry Goode.

Doug Scioli was named the defensive "Wolverine of the Week." He made seven assisted and five assisted tackles. Honorable mention went to David Cavallero and Howard Horne with 13 each; Rob Kirby, 8; and Robert Thornton, 11.

Britt Crooks received the "hardest hit" award, and the special team honors were accorded to Johnny Maben.

Topliff praised James Hadley for his superior receiving

abilities. "He gave us super effort against Capitan," he said. "James is one of the best receivers in Class A ball. He really becomes a threat after he catches the ball."

"We went into the Capitan game wanting to throw," the Texico coach said. "The first time we played them we were flat (after defeating Ft. Sumner) and didn't get that first half; consequently, we did not throw much against them."

Topliff is pleased with the Capitan win because "all the players got some experience at being in a playoff game." He said he was also apprecia-

Farwell Boosters To Meet Monday

Some astronomers believe that Pluto is not a planet at all, but a runaway moon belonging to Jupiter or Neptune.

Farwell Booster Club will have its regular meeting next Monday night, Nov. 20, instead of Tuesday night because of basketball games being scheduled on Tuesday. Boosters will meet in the high school library at 7:30.

The film of the Farwell-Hart game to be played tonight will be in color and everyone is urged to come out to view the showing.

tive of the super support of the Texico fans.

"We've turned a lot of corners this year," Topliff said. "I don't want the season to end just yet, but if it did I would not be disappointed. In a sense we have done what we set out to do at the beginning of the season; that is, get into the playoffs. This year's players have already broken all the previous grid records at the school."

Whatever the outcome, Topliff and the Wolverines are set for Tatum's game tonight and for beyond that if that is what the Gridiron Muse has in store for them.

Hamlin Memorial United Methodist Church News

Worship services November 12th were complemented with a continued study session on Methodist doctrine and beliefs. This was followed by the bi-monthly Administrative Board meeting.

Monday morning the Men's Prayer Breakfast was held. Along with spiritual and body food there was good fellowship. The preacher did the cooking and Donald Jones brought the devotions.

Tuesday the minister was out of town attending a seminar on evangelism in the John Wesley style.

This coming Sunday is a special time as the Harvest Festival Revival will begin. At 6 p.m. a Thanksgiving Dinner is scheduled for the church in Fellowship Hall. This is to be followed by a worship service of renewal and praise and thanksgiving to God for our many blessings. The Rev. Ted Dotts of St. John's in Lubbock will bring the messages through Tuesday evening.

In getting ready for many activities, the church has generously supported efforts to redecorate the parlor and fellowship hall with painting and redoing furniture. Many individuals gave of their personal time and resources to do this project.

The church has arranged for a Family Retreat at Sacramento Assembly the weekend of February 24, 1979. It is planned that the caravan will leave Farwell at 4 p.m., Friday and return in the early evening the following Sunday. Costs will be \$23 per person over four years old for the weekend.

Subscriptions to "The United Methodist Reporter" are being taken at the office. A weekly, the Reporter costs \$4 a year. Denominational news, nationally and internationally, editorials, letters to the editor, essays, cartoons, etc. beautifully fill its pages. If you wish a subscription, please do not hesitate to contact the church.

All-District Band Members

Alan Baldrige and Pam Southard, Texico band students, were recently selected to participate in the First Eastern New Mexico All-District Band in Artesia, December 8-9. The Texico students auditioned November 12 along with hundreds of students from other New Mexico cities. Alan plays the trumpet and Pam plays flute. They are students of Jerry Sadberry, band director at Texico.

Texico Band Students Selected All-District

Two Texico High School band students were recently selected for the First Eastern New Mexico All-District Band in Artesia Dec. 8-9.

Pam Southard, flute, and Alan Baldrige, trumpet, were auditioned along with several hundred students from Roswell, Hobbs, Artesia, Portales, Jal, and Lovington, and were selected on the basis of their

performance of all-state music and the numbers to be played at the First All-District Band Concert.

By winning a position in the auditions, Pam and Alan earned the right to travel to Artesia on Friday, Dec. 8, where they will rehearse and prepare concert music for the All-District Band Concert at 3 p.m. Saturday in the Artesia High School auditorium.

Extra activities for the students Friday night will include swimming at the indoor high school natatorium, and a disco party in the high school auditorium.

Clinicians for the concert and clinic will be Dan Gibbs, director of the Monahans High School Band and Randy Vaughn, director of the Hereford High School Band.

Among the musical numbers to be performed are "Proud Heritage" by Latham; "Slavonic Rhapsody" by Reed; "Chant and Jubilo" by McBeth; "Feelings" by Lowden; "Barnum and Bailey's Favorite" by Sousa; "Introduction and Fantasia" by Mitchell; "The Planets" by Holst; "God of our Fathers" arrangement by Smith; and "Stars and Stripes Forever" by Sousa.

FIRE CALLS

Units from the Farwell and Texico Volunteer Fire Departments were called to the New Light Baptist Church in Farwell late Tuesday evening, but the building had burned to the ground by the time they arrived.

On November 9 the Texico ambulance transported a child to the doctor's office in Farwell and on Monday they transported a girl to the hospital in Clovis.

FAITH Shows Us How Much We Can Be Thankful For!

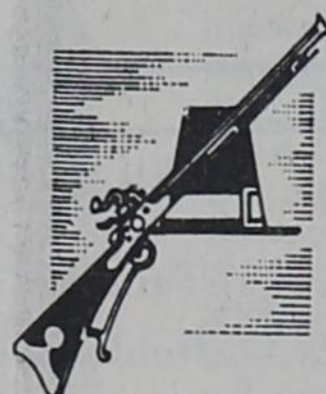

Perhaps we have not counted
All our blessings one by one;
Perhaps we have not bothered
To Remember whence they come;
And maybe we have taken
Just for granted all the things
That the good Lord has created
And the hall of Nature brings;

The Autumn hills in glory robed,
A golden field of grain,
A sunset's dazzling splendor or
The Milky Way's great plain,
The starry sky's sublimity,
The ocean's mighty power,
The wonder of creation in
The petal of a flower

And so if we have failed to show
By word or act of deed
That we are thankful unto Him
Who fills our daily need,
May this day show we're grateful
When we add up all the sum
Of the blessings we remember
As we count them one by one.

'Practice Makes Perfect'

By Tonye Harrington

(Editor's Note: The following poem was written by Tonye Harrington, Texico senior, at the conclusion of the girls volleyball season and beginning of the basketball season.)

The bell rang. Oh hurry!
No loitering in the halls,
To the locker room you scurry.

Get dressed before ten after,
Tie your shoestrings on the run.
You now have 45 minutes
To see what can be done.

Stretch out, get loose,
Don't want to pull a muscle.
Hit the lines, two or three times,
Hustle, hustle, hustle!

You have five minutes to
Run back and shower.
Look back!
What have you accomplished during the hour?

If not much, don't worry,
There's practice after school.
'Practice makes perfect',
That's the golden rule.

Your record is almost undefeated,
A great chance at District games.
Gather all techniques and ability,
To reach your goals and aims.

Do you have any support?
Look at the crowd.
Oh yes! Friends, relatives, and parents
Make you feel so proud.

This is it, this game tonight.
This is all the marbles.
Now show all enthusiasm,
And don't forget the rules!

All right, all right, let's get some spirit!
Don't let that mistake ruin you now.
You've practiced for so long.
Get it together and show them how.

Sweat collects on your brow,
The other team can win with one point.
No this can't be true! Not fair!
You're shaking in every joint.

It's over. The weeks pass before your eyes.
All the hard practice,
And getting home late,
You think of as your tear dries.

You can kick the locker,
Or pull off the door,
And besides hurting yourself,
Does that change the score?

Where do you put
The disappointment you hold?
Keep it inside, or cry it out,
You've been told.

Remember the good times,
Forget the past.
Start the new season,
Throw away the shadow that's been cast.

The bell rang. Oh hurry!
No loitering in the halls,
To the locker room you scurry.....

Different drills, different skills,
But goals all the same.
'Practice makes perfect',
That's the name of the game.

Texico's This, That And The Other

by Journalism I Students

Pam Southard and Alan Baldridge were named to the All-District Band last weekend at Artesia, reports Jerry Sadberry, sponsor. Selections were made by audition. Tina Gerries, a senior, also participated in the tryouts. Pam is a senior, and Alan is a freshman in the Texico Varsity Band.

Juniors will soon be selling tickets for a hand-made patchwork quilt. The drawing for the quilt will be December 16, at one of the home basketball games. The project is sponsored by the Junior Class parents. Donations are 50 cents per ticket.

The Edwards family moved to Hereford this past weekend. Moving from Texico were Roy, and eighth grader; Luanne, a freshman; and Joel, a sophomore.

Freshman FFA members will compete in the District IV Parliamentary Procedure, Greenhand Quiz, and the FFA Creed Contests at Clovis, Dec. 5.

The first and second place winners in each event will represent District IV at state competition in Albuquerque, Jan. 25.

The junior high cheerleaders and their mothers hosted an enchilada supper for the junior high football team last week at the conclusion of their football season.

Mrs. Ann Pearce's second grade class colored turkeys for Thanksgiving and also made Disneyland characters dressed in pilgrim's costumes in preparation for the holiday.

Mrs. Ima Gene Swinney's class has a new homonyms game that involves Snoopy and his doghouse.

Season tickets for basketball may be purchased from Mr. Harding, high school principal, or Mr. Shaw, junior high principal. The student season ticket will be \$8, and the adult pass will be \$12. The season passes are good for admission to all local junior high and

high school games.

"For adults who attend all local games, the pass will be about a \$15 savings over regular admission prices, and students will save about \$8," reports Mr. Harding.

In a recent yearbook workshop at Tucumcari, N.M., Texico Wolverine staff members competed in layout and copy writing against approximately 75 other yearbook staff members from various schools. Their entries were judged by professionals. Tonye Harrington, Celia Johnson and Traci Gaddis captured the first three places in the copy writing division. They received monetary prizes.

THANKSGIVING

"While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease."
Genesis 8:22

The harvest each year should remind us of God's great promise to man. This promise was made right after the great flood, from which only Noah and his Ark survived. Just prior to the flood, all men lived so evilly that it grieved the Lord that he had made man on the earth.

Today the churches stand as a bulwark against evil. Attend regularly so that never again would man grieve the Lord as before.

The Church is God's appointed agency in this world for spreading the knowledge of His Love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

HEAT PUMP

YOUR CONSTANT COMPANION FOR HEATING & COOLING EFFICIENCY

No matter what the weather outside, the heat pump works quietly... efficiently... automatically to keep your family comfortable. Since it pulls much of its heat right out of thin air, the heat pump actually saves energy as it works. In fact, it delivers as much as two units of heat for every one heat unit of electricity it uses. Costs are the lowest of any electric heating/cooling system available.

For year 'round heating and cooling efficiency, the heat pump is your constant climate control companion. Call us today for more information.
