NOVEMBER 17, 2005 NUMBER 15 94th YEAR 50 CENTS

## Gabe Rodriguez wins 11th contest

Only one of the hundreds of entrants in last week's Area Merchants Football Contest got 11 of the 12 games picked correctly.

For that excellent feat, the winner of the first place cash prize of \$20 went to Farwell School coach Gabe Rodriguez.

Five participants had 10 games right, and two of them had the same low totals off the tie breaker (New Deal 21, Morton 0). Off that score by 14 each were Belva Bowers and Ginger Trimble, both of whom received \$7 checks.

Also with 10 right, and their totals off the tie breaker, were Michelle Agee, 16; Lance Bradley, 19, and Dorris White, 24.

Results of last week's games were:

Seagraves over Hale Center, Wheeler over Happy, Iowa State over Colorado, Missouri over Baylor, Washington over Arizona, Auburn over Georgia, LSU over Alabama, Minnesota over Michigan State, New England over Miami, Jacksonville over Baltimore, Buffalo over Kansas City, and Chicago over San Francisco.

There is only one week left in the contest with the overall champion receiving \$200 in cash and the two tickets to the Dallas Cowboys -- Kansas City Chiefs game in December.

Here's a look at the Leader Board -- with one game left:

92 points -- Yselta Kittrell, Debbie Weir.

90 -- Ginger Trimble.

89 -- Terry Brigham, Derrick Chandler, Robin Gregory, Darren Haseloff, Kinzi Woods, Leigh Ann Woods.

88 -- Scott Brown, Todd Lingnau.

## Ware stepping down as Bovina commissioner

Texas elections are on tap for next year.

The filing date for local candidates begins Dec. 3 and ends Jan. 3.

Here's a look at the positions that will be on the local ballot:

County Commissioner for the Bovina area -- Tom Ware, a Democrat, will not seek re-election after serving 20 years in the position.

County Commissioner for the Lazbuddie area -- Elvis Powell, a Republican, will seek a second term.

County Treasurer -- Altha Herington, a Democrat, will seek re-election.

Farwell area Justice of the Peace -- Pam Haseloff, a Democrat, will seek re-election.

## On sports

Sports column today, folks. A little bit of this and that.

First of all, I want to congratulate the Lazbuddie football team.

Mostly young kids, it was difficult to go out there and give their best, knowing the other teams were stronger from bigger schools. I mean, it was freshmen vs. seniors for

the most part.

But the Lazbuddie kids hung in there and finished the season, and I know they will grow from the experience.

And I'm not talking about just football. They have learned a key life lesson -- don't quit, don't give up. That's how boys become men.

I don't care what the Lazbuddie won-loss stats were. All I know is that they earned all of our respect. They didn't quit.

Job well done, guys!

Farwell's Steers also had a good season. I know Coach Thompson wishes a couple of those close losses had gone the other way. But that's sports.

The Steers were out

there hustling throughout, and barely missed a state playoff berth.

I will miss watching Matthew Edwards, a senior, play the game like it should be played.

Also, a job well done, guys.

The Dallas Cowboys have come a long way since last year's downfall, when they were blown out of several games.

No, they may not be strong enough (yet) to win the Super Bowl, but they are competitive with anybody, and have a good shot to make the playoffs.

And yes, they gave me indigestion with some of those barnburners. I can do without that.

One thing about owner

Jerry Jones, whether you like him or not, he puts out the bucks to get the best team on the field he can.

That sure beats the opposite.

Our area teams have had all sorts of success lately. It seems like every other headline says "so-and-so heads to state..."

It speaks well of our local athletic programs, and the Tribune is proud to report their successes.

Since some of our teams are still in the playoffs, we will comment on them later.

But:  
1) Way to go, Farwell Lady Blue cross country runners, getting to state for the 2nd straight year. Chanel Castillo's 20 place finish was within a minute of winning the whole thing.

2) Way to go, Texico Lady Spikers, for taking state runner-up.

## Lazbuddie School Board backs Burch

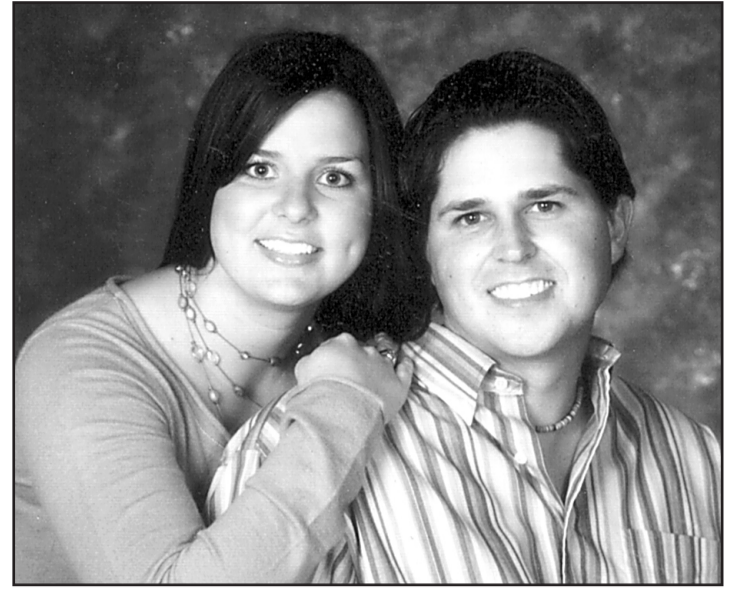

The Lazbuddie School Board on Friday supported Kirby Burch to serve on the Parmer County Appraisal District Board, replacing Keith Hicks, who has resigned.

In other business, the board:

-- Hired Schwartz Eichelbaum, with various offices in Texas, as its legal counsel.

-- Approved Leslie Radford as a substitute teacher.

-- Hired Ilene Pearce as a bus driver.

Brenna Belew and Keith Burch

## Belew to wed Burch

Brenna Lyn Belew and Keith Martin Burch will marry on July 15, 2006, at St. Luke's United Methodist Church in Midland, Texas.

The bride-elect is the daughter of David and Janie Belew, of Midland. She is the granddaughter of Alice Belew Meyers, of Odessa, and Elizabeth Mitchell, of Van Horn, Texas and the late Ross Mitchell.

The groom-elect is the son of Kirby and Vickie Burch, of Lazbuddie. He is the grandson of Hazel Burch, of Clovis, and the late Fred Burch, and Lillian Street and M.C. Street, of Muleshoe.

Brenna will graduate from Texas Tech University in May 2006 with a bachelor's degree in chemical engineering and a bachelor's degree in business administration.

Keith is a 2001 graduate of Texas Tech with a bachelor's degree in agronomy. He is completing his master's degree in crop science. He farms in Lazbuddie.

## Kymerly Helton competes in Miss Teen New Mexico pageant

Kymerly Helton, Miss Clovis Teen New Mexico USA, participated in the recent Miss Teen New Mexico USA Pageant in Las Cruces, N.M., Oct. 27-29.

She is the daughter of Hal and Gloria Helton and is a senior at Clovis High School.

Each year, the contestants raise money for charities. The Hurricane Katrina Victims Relief Program was selected this year.

Contestants were asked to bring a basket full of items that represent the State of New Mexico, such as jewelry, pottery, paintings and food items..

The auction was open to the public and each contestant presented their items by showing and telling about them.

The monies raised were matched by the Miss Universe organization to the Red Cross on behalf of the Miss USA Pageant system.

## Dodge ball tournament scheduled

A dodge ball tourney is planned Nov. 25-26 at Texico School.

There will be 3 divisions (each team must have at least 3 females) -- adults, teens and kids. Entry fees are \$200, \$125 and \$75, respectively.

Prizes in the adult division are \$1,000 and \$500; and teen division, \$500 and \$250.

Games will start off in pool play, then go to a double elimination tourney.

Applications are available at Xpressions and Thrifty Nickel in Clovis.

Kym Helton

This year's contestants raised the most donations ever -- over \$11,000 was given the Red Cross for the hurricane relief program.

The New Mexico pageant opened with a Hollywood theme. Contestants were judged by modeling a cocktail dress, swim suit, a formal evening gown an outfit

that best represented the individual's own personal style.

They were also judged and interviewed by a panel of judges, ranging from former pageant winners to professional business representatives.

This was Kymerly's first pageant to participate in and she placed in the Top 10

#### Letter to the Editor

Dear Mike,  
I just returned from the observance of Veterans Day at the Farwell School and wanted to drop you a quick note.

I have always wanted to attend one of these, and let me tell you it was a very moving experience for me. When Lee Hutchins said how fast our veterans were passing on, I couldn't hardly wait to get up front and shake some hands and tell them thank you.

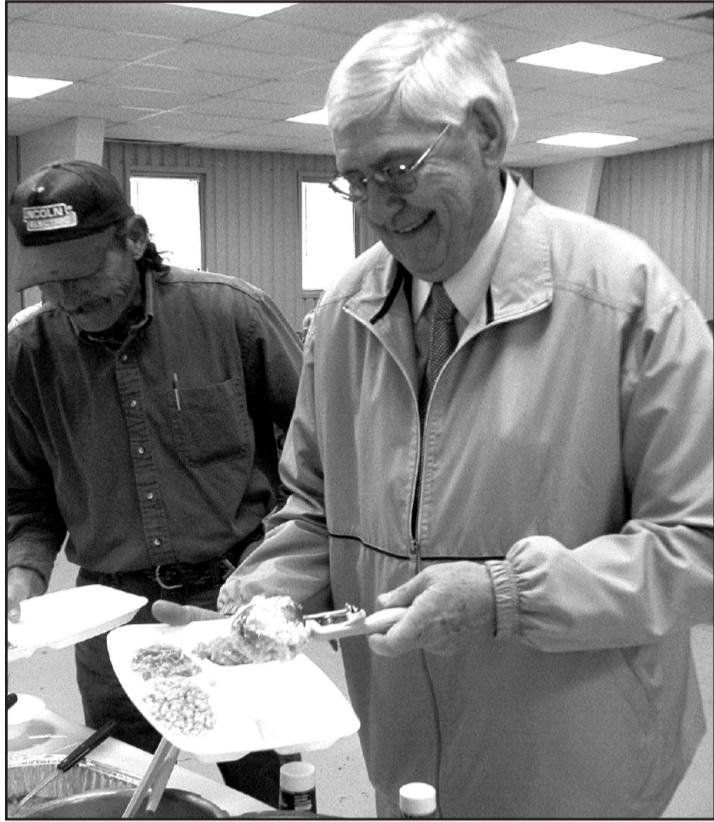

So, to all our Vets, a big thank you from myself and my family. I may never know all your names, but I'll never, never forget your sacrifice.

May God Bless America.  
Sam Webb

Farwell's R.C. Davis had a shot to win a new PT Cruiser.

He, along with 3 others, had their named picked to enter a contest last week to see who could stay in the vehicle the longest (although breaks are given).

R.C. and a young man from Portales were the last two left.

But on Tuesday afternoon, R.C. was knocked out of the contest when he returned from a break late.

The car was in front of McDonald's Restaurant on Mitchell Street in Clovis.

The contest was sponsored by Plateau, Big Valley Ford and a radio station.

# Lady Spikers 2nd at state

It was a great season for the Texico Lady Spikers, who finished state runner-up in Class 2A on Saturday in Albuquerque.

Texico, which finished the campaign at 20-6, lost to undefeated Ramah (25-0), 25-23, 25-9, 27-25.

Stat leaders were:

Kills - Stephanie Bailey, 12; Erika Autrey, 6; Lori Richardson, 5; Bryn Mayfield, 3; and Sarah Johnson, 3; blocks - Autrey, 4; aces - Johnson, 5; assists - Mayfield, 19.

Coach Michael Littlejohn said, "We didn't play as well as we did in our first two matches. Ramah played very aggressively as well as relaxed. We played well at times and had our chances, but we just didn't make the plays when we had to. Our girls played hard but things just weren't working as well as they had been. Ramah plays their best match of the year on the right day."

\*\*\*  
In the state semi-final game, the Lady Spikers kayoed Tularosa, 25-23, 23-25, 25-14, 25-19.

Stat leaders were:

Kills - Bailey, 20; Richardson, 17; Autrey, 7; Johnson, 4; blocks - Bailey and Autrey, 2 each; aces - Brittany Anderson, Richardson and Bailey, 2 each; assists - Mayfield, 38.

Littlejohn said this was a rematch from the Cloudcroft Tourney semi's -- the only loss Tularosa had until this

## Band keeps busy

It's been a busy time for the Farwell School Band. Last Thursday, they played at the Veterans Day ceremony at Farwell High.

On Nov. 12, three of Farwell's young musicians performed at Frenship Middle School, with the All-Region Jazz ensemble.

Matt Ancira played the trap set, Jourdan Kirkland played the piano, and Juan Carlos Vidaurri assisted on trumpet and percussion. Their program went very well. These young people rehearsed for 6 hours on Saturday and were excited about the opportunity to make the jazz band, said band director Bill Shelly.

He said more emphasis will be put on this opportunity next year and he hopes Farwell will be well represented again. And Shelly thanked everyone who attended this concert.

On Nov. 19, the Legends in Blue will perform at Portales High auditorium at 8 p.m., and the performance will be enhanced with the singing of Jana Stanfield.

Farwell will perform an arrangement of "Listen for the Whispers."

Tickets may be bought at the door or by calling Shelly at 481-3371.

game.

"It was a blast to play in, coach in and to watch. It was like two fighters trading blows, neither team would blink. We finally gained the advantage in Game 3, and that carried over to Game 4 when we got a big lead," said the coach. "This was probably our best match of the year; the girls had so much energy."

Tularosa finished their season at 23-2 -- two losses to Texico.

\*\*\*

In the quarter-final, Texico crushed Eunice, 25-5, 25-19, 25-21.

Stat leaders were:

Kills - Richardson, 17; Bailey, 10; Autrey, 7; blocks - Autrey and Zandi Queener, 5 each; Richardson and Anderson, 4 each; aces - Johnson, 4; Bailey, 3; Autrey and Mayfield, 2 each; assists - Mayfield, 34.

\*\*\*

Seeding for the state playoff was done according to pool play results at Cibola High School on Nov. 9.

In pool play, Texico finished first -- they beat Questa, 15-13, 15-12; and split with Crownpoint, 11-15, 15-9, and Tularosa, 8-15, 15-7.

# Lady Blue 5th at state

From Coach Corey Conkin:

The Farwell Lady Blue had another great season, culminating in a 5th place finish at state on Saturday.

The trip to the state meet in Austin was a bit shy of the goal the team had set up for themselves, but not at all was it a total upset.

Chanel Castillo, a sophomore, was the top finisher at Old Settlers Park with her career best time, 12:41, for 20th place in the 2-mile run.

Clocking in 17 seconds behind her was Salida Edwards, a junior, with an excellent time of 12:58, a 33rd place finish.

In the team standings, the Lady Blue had set their sights high, wanting to come home with a state medal. Although they did not do so, they bettered their standings from 2004's 10th place finish to a super 5th place finish this year. Their team total came out at 117 points, a score a mere 16 points shy of the 3rd place medal winning spot.

I can't express how extremely proud I am of all these girls. They competed so well all year, winning two meets and finishing 2nd or 3rd at the majority of the rest of their competitions. Despite struggling with some key injuries and long-demanding hours of running workouts, these girls persevered and can now call themselves the No. 5 team in the state of Texas.

Their will and determination have again been an inspiration to me as their coach. I look forward to next season already. This season is a stepping stone of even greater things to come.

Other Farwell results at state were:

Megan Langdon, 13:04, 37th; Melinda Castillo, 13:12, 41st; Brenda Cano, 13:27, 53rd; Talethia Nolte, 13:33, 56th; Shelby Christian, 13:55, 69th, and also attending were Bea Garcia and Lauren Beaubien.,

Mark Barnes, Farwell, 302 votes; Curby Burch, Lazbuddie, 671 votes; and Daryl Kirkpatrick, 397 votes.

The method allows all the part of the county to have directors on the board. Those picked will serve two-year terms, 2006-2007.

In other business, the commissioners:

-- Approved two items for the proposed Lariat - Visser Dairy going in north of Progress on County Road DD:

- 2) An agreement by the Muleshoe Economic Development Corporation to issue bonds.

Amy at A-Me-D's reported that the Texico Thanksgiving Dinner on Sunday made \$1,023 at the door.

Amy said they will continue to take donations at the restaurant throughout the coming weeks.

Funds raised will go toward Christmas presents that will be delivered to Texico-Farwell youths by the Texico Fire Department on Dec. 17.

The class parents of the freshman class at Farwell High School are taking orders for hardwood smoked pork loins through Nov. 30. The pork loins will be prepared and delivered on Dec. 9 and 10.

This is a fun and festive

arts and crafts show featuring local and regional craftsmen and artisans, unique one-of-a-kind gift ideas and delicious baked goods.

The show has been held the weekend before Thanksgiving for the past three years, but the new dates are proving to be a good choice for holiday shopping and getting everyone into the Christmas spirit.

It will be held at the Parmer County Community Center located behind the Fast Stop convenience store in Friona just off Hwy. 60.

Show hours will be 9 a.m. to 6 p.m. Dec. 2 and 9 a.m. to 5 p.m. Dec. 3.

Door prizes will be awarded, and there will be a full concession area.

The Farwell JV girls didn't play Happy last week due to Happy not having enough girls to form a team.

# Wolverines come from behind to beat Capitan in semi-finals; take on Fort Sumner for state title

By Buddy Vaughan

Down 16-13 to the Capitan Tigers in the state semi-final with just over 6 minutes remaining in the game last Friday night, the Texico Wolverines faced their biggest challenge of the season thus far.

The Wolverines had already turned the ball over four times and now they were deep in their own territory starting on the 4-yard line with their season on the line. Thoughts of "I don't want this to end tonight" were going through some fans' heads, including mine.

The first play was a QB sneak by Zane Anderson that gained one yard. On 2nd down, Weston Casey ran for another yard. Faced with 3rd down and 8, the tension was rising. Capitan had played a good game all night but their defense hadn't done that much damage to the Wolverines. It was the turnovers that had denied Texico any momentum.

Casey took the 3rd down handoff and broke through the line racing 73 yards to the Capitan 22-yard line. Four plays later, they were in the end zone with a 2-yard run by Justin Garrison and the Wolverines had their first lead of the game 19-16.

This proved to be enough to win as Garrison picked off the Capitan QB to end the game and set up the Wolverines fifth appearance in the state championship game in the past 5 seasons. Texico will play their rivals, the Fort Sumner Foxes, Saturday at 2 p.m. mt at Fort Sumner.

Texico took the opening kickoff and moved the ball to midfield before the Tigers forced a punt. The punt snap was mishandled and Capitan recovered the ball at the Wolverine 40-yard line. The Tigers went 3 and out after a couple of incomplete passes and a tackle for no gain by Aaron Vaughan.

The Wolverines quickly moved the ball down field to the 6-yard line highlighted by a 39-yard run by Dustin McDaniel. Garrison ran it in from 6 yards out for an apparent score but the referees ruled that he lost the ball on the 1 inch line and Capitan recovered.

The Tigers and Wolverines both went 3 and out on their next possessions. Texico turned the ball over again when the Capitan punt bounced and hit a Wolverine player at the 14-yard line. Carlos Meza knocked down a pass but on 3rd and 10, Capitan QB Tillman Freeman hit a receiver in the end zone making it 7-0 with 7:22 remaining in the second quarter.

Texico quickly answered with a 75-yard run by McDaniel on the first play from scrimmage. The Anderson kick was good and the score was tied at 7-7.

Capitan was forced to punt again after 2 incomplete passes and a knocked down pass by Vaughan. The Wolverines got two 1st downs before they turned the ball over on downs at the Capitan 44-yard line.

The Tigers moved the ball to the 15-yard line thanks to pass interference and roughing the passer penalties but Texico held forcing a 28-yard field goal attempt that was no good.

In the second half, the Tigers wasted no time scoring as they completed a 48-yard pass to the 7-yard line and scored four plays later with a 2-yard pass. The kick failed making the score 13-7 at the 10:13 mark of the 3rd quarter.

Again, the Wolverines answered quickly; this time in two plays. McDaniel mishandled a pitch but was able to scoop it up, reverse field, and run for 26 yards. Garrison took it in from 27 yards out tying the score at 13-13 after the kick failed.

Capitan moved the ball to the 10-yard line on pass completions of 28 and 25 yards and a late hit penalty. Ethan McDaniel made a good tackle for no gain and two incomplete passes forced a 27-yard field goal attempt.

## FJH Steers end season with win over Springlake-Earth

Farwell Junior High Steers ended its season with an 8-6 win over Springlake-Earth.

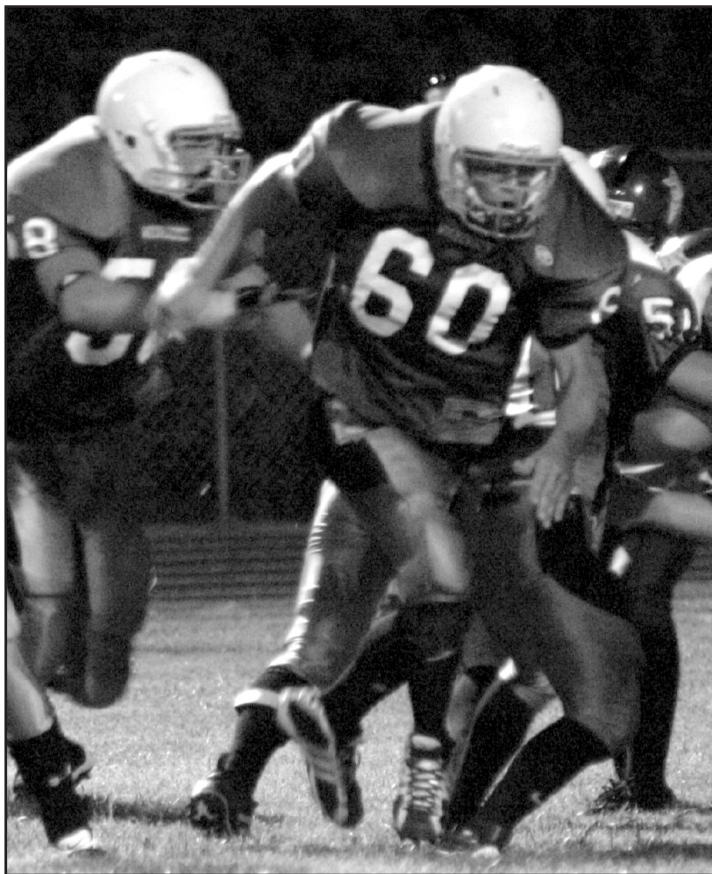

The 8th grade scored on a 6-play, 50-yard drive, culminated by a TD by Jake Ware. Mason Howard ran in the 2 extra points.

The 7th grade also played well on offense with Russell Schilling running for 30 yards and Landry Actkinson catching a 15-yard pass from Luke Carpenter.

This time it was good and the score was 16-13.

Texico and Capitan traded series several times as both defenses began to tighten up. Vaughan had a tackle for a 2-yard loss and another knocked down pass to force the Tigers last punt of the game.

The Wolverines, starting on their own 36, put together

### Wolverines of the Week

Coach Prokop named as Wolverines of the Week: offense - Dustin McDaniel, Weston Casey, Justin Garrison and the offensive line; defense -- Aaron Vaughan; and special teams -- Mario Posada.

a 14-play to the 9-yard line before a fumble gave the ball back to the Tigers. Capitan moved the ball out to midfield before they were forced to punt setting up the Wolverines game winning drive.

The Wolverines lost the state finals to the Foxes in 2001 and 2002 and Texico beat them last year in the semifinals 42-0. The Wolverines will be going for their third straight state championship. It should be a battle!

Basketball is in full swing:

The Farwell varsity teams host Grady on Nov. 18. Then the JV and vaarsity teams play at Melrose on Nov. 22. The 8th graders play in the Melrose Tourney Nov. 17-19. On Nov. 21, the JH girls host Sudan, while the JH boys play there.

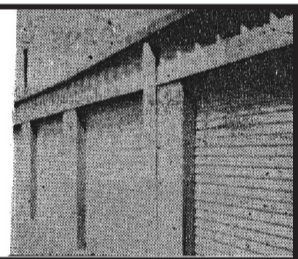

The Lazbuddie varsity teams are in the Bovina Tourney Nov. 17-19. On Nov. 22, the JV and vaarsity teams play at Hart. On Nov. 21, the JH teams open their season at Cotton Center.

Texico varsity teams don't open until Nov. 29. But the Texico JH girls teams host Farwell on Nov. 14, while the JH boys teams play there that day. On Nov. 21, the JH boys play at Muleshoe, while the JH girls host Muleshoe. And on Nov. 22, the JH boys host Portales while the JH girls play there.

\*\*\*

And congratulations to the Texico Lady Spikers on a great season! And good luck to the Texico Wolverines against Ft. Sumner in the state title game!

11-11-05

**LIVE CATTLE:** Cash cattle prices jumped higher this week and traded at \$92 which helped to support the December contract off the open on Thursday. All other Live Cattle contracts did not make new highs on this move and prices dropped about \$3 into Friday's close. Most analysts believe this probably caught the top in cash for the next few weeks? Prices have been flat for the most part and are now expected to test the low end of their trading range around the \$89 level.

**FEEDER CATTLE:** The market also took another shot at highs made during mid October at \$115 basis the January contract and failed. The market dropped about \$2.50 from Thursday's high into Friday's low. All nearby contracts have failed to make higher highs than the mid October high with the exception of the back months (March, April & May). Expect softer market into Thanksgiving.

**CORN:** The market saw a little bump up on Friday as higher soybeans and wheat had helped to support prices. This market should be close to a bottom as harvest comes to an end. Historically, prices don't really begin to move until after the first of the year. The USDA raised production to 11 billion bushels this week. World demand will be the driving force going into next year.

**SOYBEANS:** This market is still range bound, but acts as though the bottom made in October will hold? A solid close above the \$6.00 mark basis the January contract should confirm a major low in place. Historically, prices usually don't begin their move up until after the first of the year.

**WHEAT:** The December KC wheat tested last weeks high of \$3.75, but failed. Friday's close was strong enough that prices may test this level again next week. A close above this point projects up into the \$3.83 and then a test of the contract high made just a few weeks ago at \$3.93. World demand for hard red winter wheat is strong and production is expected to be lower this season.

**COTTON:** The market has continued to drift lower with psychological support coming in around the 50 cent mark basis the December contract. Harvest pressure during this time of the year is normal. Trade talks between the US and China continues to go nowhere. Basically, this market has traded within a 5-6 cent range all year with little pops above and below the range.

Basketball is under way, although double check before you go to any boys varsity games because changes may be made due to football team in the play-offs.

But the Bovina Tournament is set for Nov. 17-19. Then the varsity and JV teams host Kress on Nov. 22.

On Nov. 14, the JH teams take on Sudan, then vie with Morton on Nov. 21.

Postmaster Randa Hodges reports a change in that post office drawers that had letters now will have numerals.

This is due to the new automated services that don't read letters, just numbers.

Here are a couple of the new addresses:

City Hall, Box 720; Parmer County Spraying, Box 670; First Baptist Church, Box 550; Church of Christ, Box 390; Caprock Cattle Feeders, Box 150.

Mrs. Hodges stressed that if you send letters to Bovina boxes that still have letters and not the new numbers, she won't send them back. So not to worry.

Congratulations to Isai Saucedo, who finished 14th at the regional cross country meet Nov. 5.

City Manager Ernest Terry went to Lubbock on Saturday to play chess against a 4-time women's world champion. Terry and lot of other area chess players were given the opportunity.

For the day, Terry won 2, lost 2 and had 1 draw.

One of the losses came at the hand of the champion, in 23 moves.

Over the years, he has played against 5 chess grandmasters and said the women's champ "was the strongest I have played against."

Going to Amarillo's Dick Bivins Stadium on Friday to support the Mustangs? Here are the directions:

It is right beside the Tri-State Fairgrounds. Coming in on I-27 from Canyon, get on I-40 East, go to the American Quarterhorse Association exit, go north under I-40. About four blocks to your first stop sign, turn right and you will drive right to the parking lot.

Please come out and show your spirit. The coaches and students have worked hard this season and I know they would appreciate seeing the stands as full as possible for this playoff game.

The Bovina School Board on Monday approved an E-Pals expenditure.

What this means is that the school will be setting up an Internet service whereby students and teachers can communicate on it.

In other business, the board:

- Hired Sherry Christian as middle school secretary.
- Received a report on the annual test given ESL students by elementary school principal Darla Sealey.

Texico folks listen to Ute Water Project presentation.

## Ute Water Project boosted

On Tuesday, the Ute Water Project had a meeting at the Texico Community Center designed to shed some light on what the project meant to Eastern New Mexico. Points made included:

- The water level of the Ogallala Aquifer is estimated to be too low to pump by 2055.
- There has been a 20% increase in the project cost over the last 2 years. Waiting any longer means higher costs.
- To balance the amount of water coming out of the aquifer, New Mexico would have to retire up to 74,000 acres of farm land. The current estimated recharge rate of water into the aquifer is basically negligible.
- Dairies are not the biggest water concern to the aquifer. Much more water is taken out by farming.
- If this project is not accepted, the water pipeline will be offered to another part of the state. This could mean that when the aquifer runs out, there will be very few options to bring water into the area. If the pipeline is put in, Texico will be able to use wells to offset any water loss due to drought. It also means that the agricultural wells will last longer.
- The estimated average cost of each resident's water bill could be anywhere from \$31.51/month up to \$35.95/month. Right now, the average Texico water bill was reported to be \$25/month
- Bills have been introduced at the state and federal level to share the costs of this project. All of the cities have to sign onto the project before they will find out if there will be any extra money from the government.
- Parmer County has not been looked at to join the project, and help defray costs, because the politics of an inter-state project would be too high.

## Farwell OK's ordinance regulating some vehicles

The Farwell City Council on Tuesday adopted an ordinance governing the regulation of mini-scooters and electric vehicles on city streets.

Mayor Jimmie Mace stressed that the ordinance does not deal with golf carts. But state laws don't allow golf carts unless they meet certain standards.

Nobody from the public was present, and the ordinance passed without discussion.

In other business, the council:

- Cast its ballots for Mark Barnes to serve on the Parmer County Appraisal District Board.
- Approved a building application for D.E. Hammit -- a carport at 209 6th St.
- Bought a new vehicle for the water department.
- Tabled discussion of the city council vacancy, caused by the death of Don Geries.

## Bovina Clean-up!

On Saturday morning, the Bovina Chamber of Commerce, along with some help from the Tri-city Red Raiders football team, braved high winds and cold weather to clean up along the highway through Bovina. They picked up trash, dug out the curbs, cleaned up weeds, painted and mowed.

Adrian Reyes, Ryder Ledbetter and J.C. Marrufo do their part.

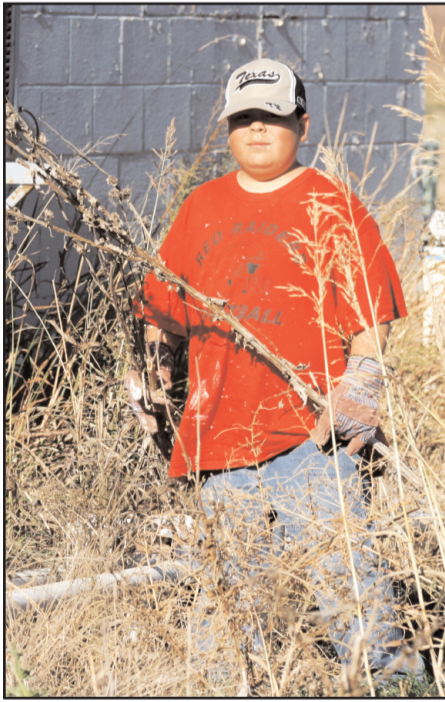

Robert Cervantes clears away dirt to find the curbs.

Sergio Perez, Justin Graham and Tyler Schilling take a break from painting a fence.

Brandon Kirkland, of Bovina Pump, and Amy Herrera paint the area around the historic marker on the highway.

Victor Moreno clears brush.

## City Council reviews planned sewer project

The Bovina City Council on Nov. 10 reviewed the planned sewer project. The city has taken out a \$1.7 million loan for the work. The consulting engineer explained to the council that different versions could be accepted, depending on how much the council wanted to spend. He believed that a cheaper version could be gotten for about \$1.3 million while a nicer plant would cost between \$1.5 and \$1.7 million. For example, an in-ground irrigation system would cost about \$71,000, while the council could opt for a hose above ground for \$40,000. Anyway, the bids to be sought will include various options, and the council can decide later on which version it wants. In other business, the council:

- Held the public hearing on the environmental impact of the new sewer plant. There were no comments made. The council has to wait until Dec. 8 to move ahead on this state government requirement.
- Agreed to buy a cascade compressor with the use of FEMA funds. This will be used by the fire department to fill up air bottles in smoky areas during fires.
- Discussed an amendment to the dance permit. The changes merely clarify the existing permit.
- Heard Marie Venable ask about getting rid of junk in the city. City Manager Ernest Terry replied that a Fritch, Texas, man has agreed to come and pick up junk the city has collected, such as vehicles and appliances. No fee is involved.
- Cast its votes to put Daryl Kirkpatrick on the Parmer County Appraisal District Board.
