Area Termed Risk In Nuclear Attack

"Farwell is a risk area in case of nuclear attack," Laurence T. Ayres of Austin told a group of people Wednesday morning at a meeting at the courthouse in Farwell.

Ayres is a Nuclear Civil Protection Officer for the Disaster Emergency Services Department of Public Safety. He was assisted by Richard Morgan, also of Austin, and several Civil Defense representatives from New Mexico.

Also attending the meeting were Parmer County Judge Paul Fortenberry, Farwell Fire Chief Lee Hutchins and representatives from Bovina and Friona.

Ayres said Texico and Farwell were risk areas because of Cannon Air Force Base being located only a few miles away. In the event of a nuclear war the air base as well as the city of Clovis is expected to be hit with nuclear strikes.

According to Ayres, there are 33 target areas and 34 risk areas in the state of Texas.

He explained that "priority one" targets are SAC or former SAC bases. Support bases are second in line to be hit during a nuclear attack. Other strategic areas also targeted for strikes are population or manufacturing centers.

The plan Ayres was in town to discuss is the Nuclear Civil Protection and Crisis Relocation. He explained that the plan would only be implemented if authorities had three days in which to evacuate people from the target or risk areas.

Ayres said that under no circumstances would the president of the United States order the plan to be implemented if three days would not be available for its implementation. He also said a small percentage of people probably would not leave their homes in case of an evacuation. In national weather emergencies, Ayres said this has proven true.

Should the U.S. be threatened by a nuclear war the evacuation and relocation plan is expected to save 80 million persons, he said.

Ayres said that different counties in Texas have been

designated "host" counties and in the event of an evacuation would accommodate persons leaving the risk areas. In the event of a nuclear incident, Ayres said the residents of Farwell would evacuate to Bovina and Friona.

According to the basic

evacuation plan, residents in Texico would travel north on the State Line Road to Pleasant Hill and Highway 18, and continuing north from there. However, it was noted that Parmer County would be able to accommodate some Texico residents if they

"spilled over" into the county rather than proceeding in the other direction.

Accommodation of evacuees is not expected to be a problem, Ayres said. He and Morgan are meeting with local officials in each county to get

Farwell City Council Approves Pocket Pager

Farwell City Council Monday night approved the securing of a telephone "pocket pager" for City Marshal Ronnie Mitchell. The portable unit is designed to enable persons to contact Mitchell easily when he is away from a telephone.

The unit is being rented from Mobile Phone of New Mexico at an initial cost of \$37 for the first month and \$30 for each succeeding month.

To contact Mitchell through the pager, simply dial 769-5586, a Clovis mobile phone number. A voice on the other end will say, "This is Clovis Dial-A-Page, please leave message."

The person calling then has 15 seconds to deliver his or her message. Mitchell said that when giving names, addresses or telephone numbers it is best to repeat them twice to be sure he hears the information properly.

Mitchell said the unit is simply a radio receiver and does not allow him to answer the person back. However, once he has the information he can either call back or go by the person's home, Mitchell said.

The pager is battery operated and comes equipped with a battery recharger.

Mitchell asks that everyone write the number - 769-5586 - down and keep it near their telephone so that in case of an emergency it is available at all times. He said the City Hall has telephone stickers on which the number may be written and then attached to the telephone.

He said he encourages everyone to learn that mobile phone number and to get into

the habit of calling him. Mitchell said the pager works within a radius of 18 miles of the Clovis office of the company.

Mitchell said that usually during the hours of 8 a.m. - 5 p.m. he can be reached at the City Hall, 481-3620. His home number is 481-3237. However, he said he will use the pager whenever he is away from the telephone. Anyone who cannot reach him at either the City Hall or at home should

definitely dial the mobile phone number, Mitchell said. He says also that the Clovis Police Department utilizes the "pocket pagers."

Due to Christmas Day being on Monday, the next Council meeting is slated for Wednesday, Dec. 27, at 4 p.m.

Attending this week's meeting were Mayor Walter Kaltwasser, Commissioners Fred Chandler and Johnny Curtis; city employees John Johnson, Mitchell and Dee Hammit.

Beep For City Marshal

Farwell City Marshal Ronnie Mitchell demonstrates that from now on he is only a "beep away" from those who need his services. Mitchell is holding the new telephone pocket pager which the City Council recently leased from Mobile Phone of New Mexico. Anyone who needs Mitchell and cannot locate him at the City Hall or at home should dial 769-5586 and transmit their message via the receiver. Mitchell encourages everyone to keep that number near their telephone and to use it whenever necessary.

Mails Letter To Santa

With Christmas just a few days away, all the little boys and girls in Texico and Farwell are anxious to mail their letters to Santa Claus. Little Kristy Adams, 2, daughter of Mr. and Mrs. Bill Adams of Farwell is mailing her letter this week to avoid the last minute rush. Kristy is being assisted by her dad, partially shown, who is opening the chute of the special mail box just for Santa letters, which is located at Farwell Post Office.

Eight Inches Snow, Cold Blanket Area

When they were not slipping, sliding and skidding along streets and highways, residents of Texico-Farwell and surrounding area were busy digging out from under an eight-inch coating of snow and bundling up to keep warm in the below freezing temperatures.

The cold, arctic weather drama began to unfold last Thursday when a thin blanket of snow and very cold temperatures greeted residents as they prepared to begin their daily routines. A typical blue norther had struck late Wednesday, drastically dropping the temperatures.

Gradually the snow began to fall again Thursday afternoon continuing throughout the night and part of Friday. When it was over the Twin Cities had received approximately eight inches of snow.

Since the temperature continued to remain below the freezing mark for several days thereafter, the white "gift" from a sometimes capricious Mother Nature stayed around

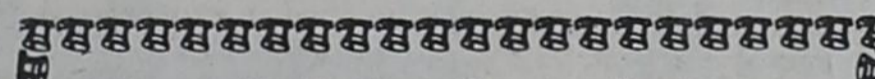

for a while, contributing to hazardous driving and playing havoc with scheduled events.

By Tuesday of this week the sun had shone warmly for several hours, the snow melted and the iced streets began to turn to slush; however, many areas remained hazardous as the slush turned to slippery ice when temperatures fell at night.

Since the snow was "so dry"

Parmer County Agent Seth Ralston said all it left behind was about a half-inch of moisture. Ralston said the snow was beneficial to wheat fields but delayed cotton stripping, as well as grain sorghum and sugar beet harvest.

He said that the cotton deteriorates more each day it is forced to stay in the ground due to the weather.

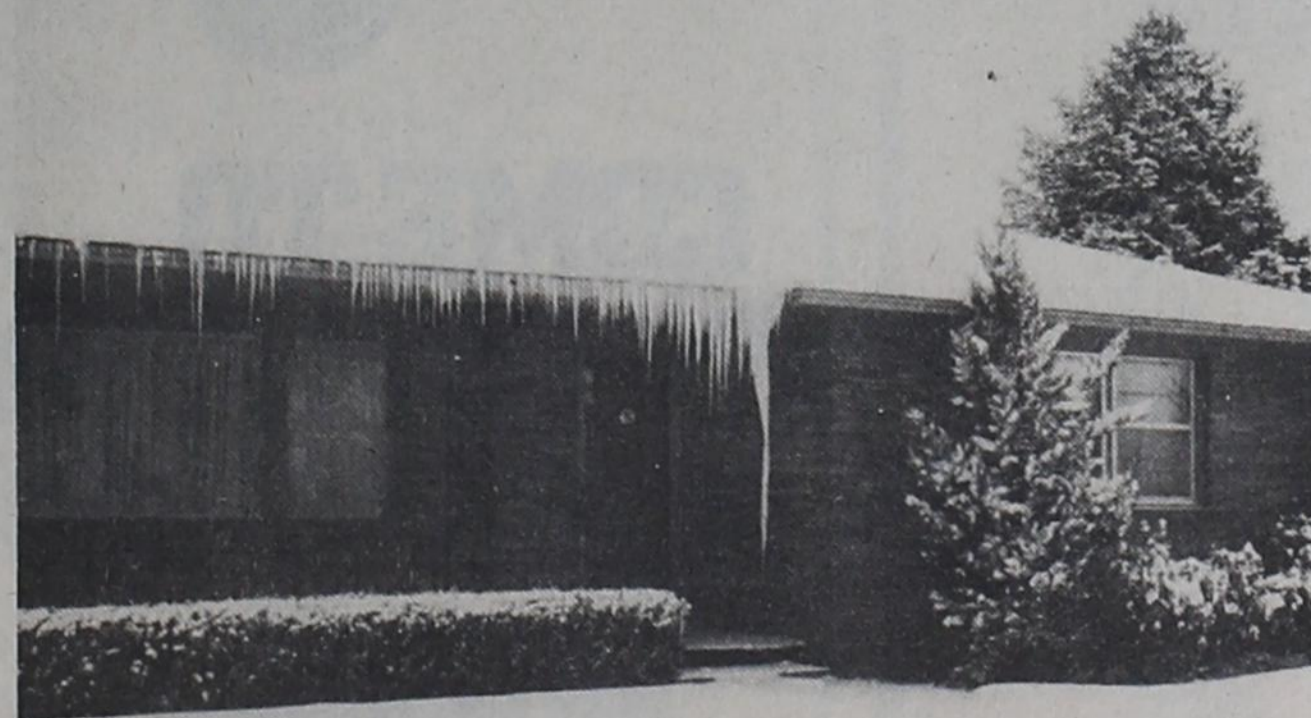

Last Call For Santa Letters

Christmas is only a few days away and Santa Claus reports that he still has not heard from all the boys and girls in the Twin Cities. Don't forget to write Santa. Time is running out.

Send all letters to Santa Claus, C/O the State Line Tribune, P.O. Box 255, Farwell, Tex. 79325.

The Tribune will copy all letters and send the "originals" on to the North Pole in time for Santa and his elves to

receive them. Deadline for mailing all letters to Santa is Monday, Dec. 18. All letters to Santa mailed to the Tribune will be published in next week's special Christmas edition.

Icicle's Galore

Rows and rows of pretty icicles - like these photographed on Carrie Christian's home in Farwell - were quite a common sight last week as Old Man Winter deposited approximately eight inches of snow in the area and plummeted temperatures in the low teens and even below zero on Saturday morning.

Winter Wonderland

With nearly eight inches of snow on the ground and temperatures in the teens and dropping to below zero, the snow-covered boat in the picture hardly looks inviting. However, once the winter season is gone and heat waves descend on the area again (in a few months) the Bill Kents will once again enjoy summer boating activities.

Schools Set Holidays

Texico and Farwell schools will dismiss classes next Wednesday, Dec. 20, for the Christmas and New Year Holidays. Texico classes will conclude at 2 p.m. MST and Farwell will let out at 2:30 p.m. CST. Both schools will resume classes Wednesday, Jan. 3, at the usual hour.

Special Fund Set For Child

A special fund has been set up at Security State Bank, Farwell, to assist with medical expenses for Michelle Foster, three-year-old daughter of Mr. and Mrs. Buddy Foster of Farwell.

Michelle underwent surgery at Lubbock's Methodist Hospital approximately three weeks ago and must undergo extensive medical treatment.

Persons wishing to donate to the Michelle Foster Fund may do so by contacting the bank at Farwell.

Had we been a well digger we would have crawled into our hole last weekend to warm up. We do not recall such a cold snap striking the Old Baldies so early in the winter season. Let's hope this is not an omen of coming January and February weather.

However, we talked to a friend in Lubbock who played golf there while we were snowbound in the Twin Cities. As we read about the storm it looks like our area was the hardest hit with both snow and cold temperatures. The law of averages will catch up with us and just maybe we can expect a weather break when other parts of the plains catch a "blue norther."

While the recent elections are still fresh in our memory we will pass on one we picked up in one of the area papers.

Seems this defeated candidate ran a "thank you" ad after the election. It went something like this. "I wish to thank the 400 people who urged me to run for office. I want to thank the 500 people who endorsed me for office. I want to thank the 300 people who said they voted for me for office. More especially I want to thank the 72 folks who actually voted for me for office."

To those of you who can reasonably expect to be alive in the year 2000 let me ask a question. From whence do you expect the energy to come to provide you with an equal or better standard of living than you enjoy today?

Unless a titanic disaster occurs we can expect a world population in excess of six billion people by the year 2000. Each one of this immense horde of people will be expecting his or her share of the remaining world's supply of fossil energy. The United States simply cannot continue to expect to monopolize the world's supply of petroleum as it currently does.

In short, in a mere 21 years viable alternatives to fossil fuels must be found. At the present, technology for energy extraction from the sun or the wind or the tides is woefully inadequate to more than supply a trickle of the torrent necessary.

There is only one sane and practical way and that is by the use of the atom. Yet, today basic research and development is stifled in the United States by edict of its own government. Forsooth, in the field of nuclear or atomic energy the crazies are in control of the government.

Quite the contrary view currently prevails in the Soviet Union and other countries of the world. For example, Russia stated that it would, along with its satellites, continue research and development of the fast breeder reactor. This has been banned by Uncle Sam and our friends at S.P.S. pulled out of their commitment recently due to governmental action.

Well, you folks, in the year 2000 unless you take action soon you are doomed, or condemned, to a frigid future. Think about it now - don't be like the grasshopper was when winter came.

Remember there is still time to prepare for the future by taking an active part in the governmental process. This means, at least, to go and vote. Vote not only for national elections but vote in ALL the elections. It is as important to have sane representation on the local and state levels as it is nationally.

Our young folks' future will depend to a very large extent upon their participation in the political process today.

Remember the politicians axiom: The total intelligence of the population remains constant. It's only the population that grows.

 their "input" into the local situation and its particular problems should such an evacuation be ordered.
 Hutchins noted that in case of an evacuation the Farwell Convalescent Center could pose a problem, adding that additional transportation would have to be made available to transport the residents to a "host" area.
 Maps have been prepared detailing where people living in the state should go in case of an evacuation. Ayres said the maps are "camera ready" and would be printed and distributed prior to the evacuation.
 The maps tell people in certain areas where to go and which highways to use as well as what supplies to take with them.
 Again Ayres stressed that the plan calls for an orderly evacuation rather than to have millions of people throughout the United States wandering around in a state of panic.
 Ayres said it would also be possible to order the evacuation even if just a strong threat of a nuclear attack existed. However, he stressed that they are not anticipating trouble of this kind but are merely preparing a way to handle a nuclear incident in case it should ever happen.
 "We don't have all the answers," Ayres said. "We are working with local officials to help iron out all the details of the evacuation should it ever be ordered."
 Ayres said the program has been in operation for about 4½ years, adding that Texas has been one of the states to take the lead in working with it.
 A big question is what would the people in Farwell and Texico, as well as elsewhere in the state and United States, do if a nuclear threat or attack is so sudden that the authorities do not have three days to implement the evacuation plan.
 In that event, Ayers said, that people would have to rely on community shelters. In Farwell, designated shelter sites are the courthouse, the old jail and the elevators.
 Ayres said that in 1962 all the shelters had been stocked with supplies guaranteed to last for 10 years. However, he said that most of the supplies lasted longer than that.
 Currently no shelters are stocked with supplies, Ayres said. Five years ago Congress decided not to okay the cost of new supplies for the shelters as part of the budget.

Fortenberry Hears Cases

Parmer County Judge Paul Fortenberry has tried two cases since the last report. Daniel Escobar, 27, of Texico and Roberto Diaz, 20, of Farwell were each fined \$250 plus court costs for driving with a suspended driver's license.

Discuss Nuclear Evacuation

Parmer County Judge Paul Fortenberry, left, and Farwell Fire Chief Lee Hutchins, right, attended a meeting Wednesday morning conducted by Richard Morgan and Laurence T. Ayres, (center) both of Austin, concerning the evacuation of Farwell during a nuclear incident. The evacuation plan would only be implemented in the event that authorities have three days in which to put it into operation. Should that time factor not be available, persons would be expected to use standard shelters at the courthouse and elevators.

Commissioners Appoint Duggins To Council

Parmer County Commissioners Court met Monday in regular session. The Commissioners appointed Baker Duggins of Friona to the advisory council for the CETA program. Paul Cato of the Panhandle Community Action Program met with the Court concerning how the CETA funds have been utilized.
 The Commissioners okayed taking \$50,000 from the general funds for the purpose of purchasing two CD's of \$25,000 each.
 A letter was read from the Bailey County Electric Co-operative Company pertaining to the adding and enlarging of their electric transmission and distribution system and its possible effects on the environment.
 The Commissioners enjoyed the noon meal at the home of Laura Jacobs, Parmer County Extension Agent. Both Miss Jacobs and Seth Ralston, extension agent, presented their reports.

Board Of Trustees Has Final Meeting

Parmer County Judge Paul Fortenberry reported that the Parmer County Board of Trustees held its final meeting Tuesday. The Board will be discontinued after December 31. Fortenberry said that action was prompted by the state legislature's decision to discontinue funds.
 Fortenberry said he will no longer serve as the ex-officio school superintendent. In the future, Fortenberry said, he will administer the available school funds and the County Commissioners will administer the permanent school fund.
 During the meeting the Board approved purchases and the budget for the last four months.

Vera Coffelt Rites Conducted Saturday

Funeral services for Vera Coffelt, 72, resident of Farwell Convalescent Center were conducted Saturday at graveside in the Melrose Cemetery under the direction of Steed-Todd Funeral Home with Rev. David Crow and Rev. Elvyn Lambright officiating.

Mrs. Coffelt died Thursday. She apparently wandered away from Farwell Convalescent Center early that morning and was found a short time later across the street.

Floie Copeland, assistant administrator, said a medication aide had checked Mrs. Coffelt at 6:30 a.m. and found her asleep in her room. Sometime within the next 45 minutes Mrs. Coffelt apparently left the Center and walked across the street. She was found a short time later by an employee of the Center who was returning home after working the night shift, Mrs. Copeland said.

The Farwell ambulance took

Mrs. Coffelt to the hospital in Muleshoe where she was pronounced dead on arrival.

Mrs. Copeland explained that the doors of the Center may not be locked because that would violate the Life Safety Codes which govern the standards and regulations of nursing homes. Such rules and regulations are set forth by the state of Texas.

Mrs. Coffelt was born Oct. 13, 1906, in Tillman County, Okla., and had resided in Melrose for 43 years. She was a member of the First Baptist Church in Melrose and operated Coffelt Food Store there 30 years. She retired in 1969.

Survivors include her husband, Everett, of Melrose; one daughter, Mrs. Alyce Willis, of Carlsbad; two sisters, Mrs. Edith Hensley of Murchison, Tex., and Mrs. Virgie Perry of Modesto, Calif.; one brother, Glidden Jackson, Los Angeles, Calif.; two grandchildren and two great-grandchildren.

Fifty-Year Mason

John R. Armstrong of Farwell was awarded a gold Masonic pin in recognition of his half century in Masonry. Wendol Christian, right, Deputy District Grand Master of the 100th District of the Texas Grand Lodge, presented the pin and a certificate at the lodge meeting Tuesday night. Presiding over the meeting was Jerry Darby, Worshipful Master of Farwell Lodge #977. Armstrong became a Master Mason in November 1928 and has served as Lodge secretary for three years.

Funeral Services Held For Howard Carpenter

Funeral services for Howard Carpenter, 68, of Lubbock were held Friday, Dec. 8, in First United Methodist Church of Muleshoe. Rev. Bill Fleming, pastor of St. Luke's United Methodist Church of Lubbock, and Rev. Wesley Putnam, of Lazbuddie United Methodist Church, officiated.

Burial was in Bailey County Memorial Park under the direction of Singleton-Ellis Funeral Home of Muleshoe.

Mr. Carpenter died December 6 in St. Mary's Hospital in Lubbock after a lengthy illness.

He was a native of Lazbuddie, and lived in Muleshoe

before moving to Lubbock 10 years ago. He was a retired farmer.

Survivors include his wife, Minnie; three daughters, Jimmy Frank Briggs of Lazbuddie, Susie Hammonds of Albuquerque and Mary Jean Ross of Fort Worth; four sisters, Harriet Johnson and Maudie Blomshield, both of Lubbock, Mrs. Bob Wright of Haxtun, Colo., and Mattie Ruth Connally of Austin; three brothers, J.D. Carpenter, Jr. of Lazbuddie, Clifford Carpenter of Houston and Joe Carpenter of McAllen; and six grandchildren.

Theodore Kaiser Rites Conducted In Missouri

Funeral services for Theodore Kaiser, 81, of Kansas City, Missouri, were conducted Saturday, Dec. 9, in Kansas City.

Mr. Kaiser died December 9. He was reared in the Lazbuddie area. Burial was in Hannibal, Mo.

Survivors include his wife, Marie; and two sisters, Susie Jesko of Clovis and Katherine Priboth of Littlefield.

Mr. Kaiser was preceded in death by a brother, Fred, two years ago and by a sister, Theresa, many years ago.

Chambers Set Banquet Dates

Farwell Chamber of Commerce set April 20 as the date for its annual banquet. The date was set at the Chamber's combination November and December meeting Tuesday noon at Clara's.

Max Sherman, president of West Texas University, will be the guest speaker.

Texico Chamber of Commerce set March 20 as its banquet date. This action came during the Texico Chamber's monthly meeting Monday night. Other banquet details are being worked out.

Texico School Board Sets Feb. 6 Election

Texico School Board met Tuesday night and adopted a resolution for a school board election to be held February 6. The terms of Roy Richardson and D. Smith Day are expiring.

They also accepted a bid from Mays Carpet in Clovis for carpeting the libraries in the elementary and high school buildings and the high school office.

In other action the Board agreed to purchase a book-keeping machine for the central office located in the high school to be used for budget reports etc.

The Texico Educational Association invited the Board to attend a Christmas party next Tuesday in Clovis.

Those present were Arlye Crooks, Ronnie Curry, Roy Richardson, Marcia Leavell,

Jim Pierce, Herman Geries, Mrs. Latham, James Harding, Kenneth Shaw, Paul Topliff and Billy Carlyle.

Around The Twin Cities

Farwell Hospital District Board will meet Tuesday, Dec. 19, at 8 p.m. CST in the Farwell Convalescent Center.

Texico Woman's Club will meet Monday, Dec. 18, at 7 p.m. MST in the community building.

Farwell School Board Approves 1978 Audit

At its Monday meeting Farwell School Board approved the audit report for the year ending August, 31, 1978. Jack Allan Kirkland presented the report.

The Board voted to accept the recommendations of the auditor regarding internal control. That means that in the future, W.M. Roberts, superintendent, will sign all payroll and activity checks.

The Board rejected three bids on the sale of the 1971 International school bus and decided to offer the bus for sale again in March.

James Craig was authorized to send out notices of bids for new roofs for the elementary, junior high, cafeteria and gym.

The Board also voted to pay the janitor from school funds for duties performed at athletic contests and that organizations operating the concession stand should be responsible for clean-up work at the concession stand.

They approved the employment of Jane Stephens as high school secretary.

Because of the conflict with the mid-winter administrators meeting in Austin the January board meeting has been set

for January 15.

Principals reported on the activities of their respective schools.

Those attending were Gilbert Kaltwasser, Joe Hughes, Ted Magness, Billy Mayfield, Wilbert Kalbas, Doyle Ford and Jim Walker, all school board members; and W.M. Roberts, James Craig, Tom Knoy, Jerry Owen, Jerry Yows, Janice Fant, Debbie Janizech, Jeanne Bartley, Jack Allan Kirkland and Jim Berry.

Convalescent Center Chit Chat

As Reported by the Center Staff

REMINDER: "Please bring your stocking stuffers early as we need to divide them into the proper stockings before the Christmas party," says Floe Copeland, assistant administrator.

Friday afternoon plans were finalized for the residents' Christmas party to be next Thursday, Dec. 21, at 6 p.m. The Texico FHA girls will provide cookies for the occasion. Auxiliary volunteers are asked to bring eight sandwiches each, cut into small fancy finger shapes. Family members are asked to bring chips, dip, paper plates, cups and napkins. Each letter mailed out to families will have a note enclosed detailing what each should bring.

The Center will provide punch and coffee for everyone. Gladys Kaltwasser is in charge of the program. Bobbie and Sydney Chadwick will lead everyone in singing familiar Christmas carols. Shana Blain will sing a solo and Sharla Stewart will read a Bible scripture. After the program, snacks will be served and Santa Claus will hand out the gifts and stockings.

All of the Auxiliary volunteers and anyone else who would like to help is asked to be at the Convalescent Center by 5 p.m. to help set up the tables and make final preparations for the party. Everyone is certainly looking forward to a big party, reports Mrs. Copeland.

Center staffers will have their Christmas party and gift exchange Tuesday, Dec. 19.

Dinner will also be served.

Texico-Farwell Rotary Club has donated a living Christmas tree and a regular tree. Don and Maxine Williams donated another tree, plus did all the work of putting them up etc. However the living tree cannot be planted until the ground thaws.

The local Girl Scouts, under the leadership of Jan Marsh, came to carol for the residents Friday. They were the first carolers this season. Mrs. Copeland says she hopes they will have many more before the season ends.

Floe's Quote: "If at first you do succeed try to hide your astonishment."

Rev. Harvey Whittenburg, pastor of the Oklahoma Lane United Methodist Church, conducted services at the Center Sunday.

Visiting Cora Baker were her son-in-law and grandson, Wesly Bails and Wesly of Portales.

Visiting the J.A. Osbornes were their daughters, Mr. and Mrs. Hubert McClure of Albuquerque and Violet Fisher of Panama City, Fla.

Joe Bolin took his father-in-law, Dick Dunn, to the dentist in Clovis Monday.

Due to the recent inclement weather not many visitors have stopped by the Center. Everyone thought the snow was lovely and especially enjoyed the snow ice cream made by Linda Winegeart, activity director.

Jarrold Franse Has Birthday

Jarrold Marc Franse, son of Mr. and Mrs. Jimmy Franse of Farwell, celebrated his first birthday on November 21. He observed the occasion with a party on that day at the home of his parents.

Refreshments of birthday cake, which was shaped like a

train, and ice cream were served to the honoree, his parents, his grandparents, Mr. and Mrs. Vernon Symcox; and Mr. and Mrs. Lee Hutchins, Geretta, Carl and Daniel;

Also, Judy Murray and Harold of Hereford; Janice Snell and Linda, Katrina, Jimmy, Jesse and Rebecca of Muleshoe; and Mr. and Mrs. Jack Allan Kirkland and Kaci of Farwell.

Lock Gifts In Car Trunk

Lock Christmas gifts in the car trunk during shopping trips, advises a consumer information specialist.

Packages left inside a car "on display" make tempting items for thieves - even if the car is locked, warns Claudia Kerbel with the Texas Agricultural Extension Service, The Texas A&M University System.

For those who must leave the car for only a few minutes - and who feel they cannot take time to lock gifts in the trunk, be sure to close all the car windows and lock all the doors.

INSURANCE COVERAGE 'IF'S'

It is risky, also, to depend on an insurance policy to cover any loss from stolen

property, unless that type of coverage is actually part of the policy.

A loss may be covered in a homeowners "package" policy, and it may be covered if the shopper has a personal-property floater type of policy.

However, the loss may be covered only if the thief forces the vehicle open in spite of locked doors.

To Celebrate 40th Anniversary

Mr. and Mrs. John R. Wall of Texico are celebrating their 40th wedding anniversary this year. They were married on December 23, 1938 in Portales.

John and Juanita have five children, Harla Jean Gossett, Clovis; Patsy Turner, Texico; Roy O. Wall, Ponca City, Okla.; Sherry Blain, Amarillo; and Ronnie E. Wall, Brunswick, Maine. They have seven grandchildren.

The children and grandchildren are hosting a reception in honor of their parents on Saturday, Dec. 23, at the First Federal Community Room, 801 Pile Street, Clovis, from 2 to 5 p.m. MST.

All friends and relatives are invited to attend. No local invitations will be sent. No gifts, please.

Engrams Visit In California

Mr. and Mrs. Edward Engram returned to their home in Farwell on December 11 after a month-long visit with relatives in California.

The local couple left here November 11 to go to Fullerton, Calif., to attend the 50th wedding anniversary celebration of his sister and brother-in-law, Mr. and Mrs. Jess Lewis. The reception was hosted by the daughters and grandson of Mr. and Mrs. Lewis.

Other relatives on hand to observe the occasion included Engram's sister-in-law, Mrs. Louise Engram of Texico; a sister and family, Mr. and Mrs. R.A. Boddy and Bill Boddy of Santa Fe, N.M.; another sister and family, Mr.

and Mrs. Ernest Yoder of Fullerton, with whom the Engrams stayed during their visit; and a cousin, Mrs. Velma Warner of Fallbrook, Calif.

Later in their stay the local family joined a caravan of persons who went to Yuma Reservoir for a fishing excursion; visited Disneyland and Knotts Berry Farm; and made a trip to Las Vegas.

They returned home by Las Cruces, N.M., where they visited their daughter, Jo Beth Williams, before returning home Monday night.

Mrs. Louise Engram returned home by way of Wichita, Kansas, where she visited a son and family, the William Engrams.

Hospital Notes

Gary Cain, son of Weldon and Pat Cain of Texico, was to undergo surgery Thursday at the Shriners' Hospital in Houston. He will remain hospitalized for several weeks. The address of the hospital is 1402 Outer Belt Drive and the zip code is 77030.

G.L. Medley of Farwell was taken by ambulance to the hospital in Muleshoe about noon Tuesday. Mr. Medley apparently suffered a stroke and was being treated in the Intensive Care Unit at Muleshoe at mid-week.

Michelle Foster, three-year-old daughter of Mr. and Mrs. Buddy Foster of Farwell, remains hospitalized at Methodist Hospital in Lubbock where she is recuperating from surgery performed approximately three weeks ago. Michelle is able to be up some of the time, but it is not known how long she will remain hospitalized.

Dr. V. Scott Johnson of Clovis underwent surgery

Monday of this week and is in Room #234 at Methodist Hospital in Lubbock. Family members report that he will remain there about 7-10 days and is "in good spirits" this week.

Meal Tempters

Holidays will be upon us before we know it, and here's an appropriate recipe that will add excitement to the seasonal family fare. It's called Cider-Cranberry Molds and it particularly good with the new blackberry flavor gelatin.

Combine ¾ cup apple cider with ¼ cup water in a saucepan and bring to a boil. Dissolve a 3-ounce package of gelatin in the boiling liquid. Add ¾ cup cranberry juice cocktail and pour into individual relish molds. Chill until firm, about 3 hours. Unmold.

Garnish it with prepared whipped topping and serve it as a dessert; or use it as a relish to accompany fish, meat or poultry. It makes about 3 dessert or 5 relish servings.

Kristi Magness, Monte Spearman Wed In Candlelight Ceremony

Kristi Lynn Magness and Monte Lee Spearman were united in marriage in a candlelight ceremony at Hamlin Memorial United Methodist Church at 5:30 in the afternoon, November 28.

The bride is the daughter of Mr. and Mrs. Ted Magness of Farwell and the bridegroom's parents are Bea Spearman of Clovis and John Spearman of Pleasant Hill.

Rev. W.T. Perry of Jal, N.M., formerly of Farwell, officiated as the couple repeated the double ring vows.

Forming the wedding setting on either side of the altar were nine-branched candelabra holding ivory tapers with bouquets of apricot colored fuji mums and spider mums and fern interspersed throughout the candelabra. In back of the altar table were two three-branched candelabra decorated with greenery and holding ivory tapers. Palms interspersed throughout the altar area and a memory candle encircled with English ivy on a gold and white pedestal completed the decor. Family pews were marked with large bows.

Mrs. Donald Christian of Farwell played traditional wedding selections at the organ.

Kirk and Karen Magness, brother and sister of the bride, served as candlelighters prior to the ceremony.

Given in marriage by her father, the bride wore a formal gown of ivory dacron organza. The fitted bodice featured a front and back yoke of French Chantilly lace dotted with seed pearls and outlined by ruffles of crystal pleating. The stand up collar was formed by embroidered lace and a ruffle of crystal pleating.

The long sheer sleeves featured wide cuffs of embroidered lace and pearls and were edged in narrow ruffles of crystal pleating. The long skirt, which flowed into a chapel train, was edged in a wide ruffle of crystal pleating with a like ruffle several inches above the hemline forming a scallop around the skirt. Miniature lace covered buttons were featured to the back waist which was accented with a narrow sash of satin.

Her two-tiered fingertip veil of ivory illusion was edged in embroidered French Chantilly lace and was attached to a cap of lace dotted with seed pearls. The lace edging was repeated in appliques on the veil.

She carried a cascade bouquet of sonia roses and champagne carnations. For bridal tradition, something old was a lace-trimmed handkerchief carried by her maternal grandmother, Mrs. L.B. Hensley, at her wedding in 1926. Something new was her bridal ensemble; something borrowed was her pearl earrings belonging to her paternal grandmother, Mrs. Joe W. Magness; and something blue was a garter.

Maid of honor was Kim Magness of Abilene, sister of the bride. Other bridal attendants were Peggy White, cousin of the bride; Karen Magness, sister of the bride; and Leigh Ann Woods.

They wore identical dresses of apricot crepe featuring ivory lace front yokes and stand-up collars of matching lace ruffles. The long fitted sleeves and cummerbunds were also edged in ivory ruffled lace. They carried bouquets of apricot carnations and apricot streamers.

Serving as best man was Jerry Long of Portales. Groomsmen were Mike Spearman of Texico and Bob Spearman of Pacifica, Calif., brothers of the bridegroom; and Kirk Magness, brother of the bride. Ushers were Bill Patton and Larry Whitehurst, both of Clovis.

The bridegroom wore a brown tuxedo with an ivory shirt and a sonia rosebud boutonniere. His attendants and fathers of the bride couple all wore brown tuxedos with apricot shirts and apricot carnation boutonnieres.

The bride's mother wore a long dress of dacron organza featuring a floral blouson bodice in shades of apricot, ivory and blue with a straight accordion pleated skirt of apricot with floral border print at the hemline. The bridegroom's mother wore a long knit dress of deep apricot featuring an overblouse of lace knit. Both wore corsages of sonia rosebuds.

Following the repeating of the Lord's Prayer and the benediction, the couple lit a memory candle prior to leaving the sanctuary.

Hostesses at a reception in the church parlor were Joann Getz and Peggy Snider.

The bride's table was covered with an ivory cutwork cloth over an ivory floor length underskirt and was centered with the couple's memory candle encircled by the bouquets of the bride's attendants.

Columns separated the tiers of the four-tiered ivory cake which was decorated with ivory roses and small apricot bows. The confection, made and decorated by Mrs. Wilma

Barnes of Clovis, was topped with a cluster of four wedding bells of pale apricot satin edged with pearls and high lighted with sprigs of lily-of-the-valley.

Silver and crystal appointments were used to serve the cake and apricot punch. Nuts, mints, and napkins imprinted "Monte and Kristi," completed the table decor.

Presiding at the table were Cherie Hensley of Odessa and Margaret Hensley of Waco, aunts of the bride; and Susan and Debbie Hensley of Waco, cousins of the bride.

For a wedding trip to Red River, N.M., the bride changed to a pants outfit of brown slacks, floral blouse and coordinating gold satin quilted vest. Her corsage was of miniature bronze mums.

The couple is at home in Clovis where the bridegroom is employed by a radio station. The bride is employed at the Parmer County ASCS office in Farwell.

The bridegroom's father hosted a rehearsal dinner at a local restaurant on November 27.

Creative Gift Wrap Is Program Topic

Creative Gift Wrapping was the topic of the program presented at the Monday afternoon meeting of Farwell Young Homemakers at the Farwell School home ec building. The program was given by Beth Thompson and Billie Vaughn of Friona.

The program included pointers in four categories for creative and decorative gift wrapping, including budget, moderate, average and expensive. Those present were shown how to make fluffy and plain bows, carnation bows and points and how to use all types of items in gift wrapping, including sticks of gum, Life Saver candy mints, cookie cutters, pom pom fringe, pom pom figures, hot place mats, hot pot holders and all types of crocheted items.

Following the program, a business meeting was conducted by Bobbie Pierson, club president. It was reported that all the pecans had been sold and that T-shirts were still available in most sizes. Club members will be selling the shirts at the Farwell basketball games during the next few weeks.

It was announced that the Area Activity Day would be Tuesday at Dimmitt. Attending from the Farwell chapter

were Tina Sides, Sharon Eubanks, Anita Ralston and Bobbie Pierson.

The group voted that in lieu of having a bake sale to raise money for the Michelle Foster Fund, the members would each donate \$25 from the treasury to the fund at Security State Bank. Anyone wishing to donate to the fund should contact the bank.

Members have purchased a rug for the home economics cottage living room and have plans to do additional decorating at the building to make it more presentable for school and community functions.

Club member Joyce Williams is still convalescing at Lubbock and members are sending her a crafts kit.

Announcement was made that the State Young Homemakers meeting will be in January at Waco. The local chapter advisor, Janice Fant, and members Sharon Eubanks and Bobbie Pierson are planning to attend. The club will pay the motel expenses for the two voting delegates.

Hostesses for Tuesday's meeting were Nedda Travis and Donna Grissom who served refreshments of fudge, hot punch and a peppermint-chocolate dessert.

Guests included 15 members

of the Farwell FHA chapter and Rhonda Kirkland and Ginnie Blankenship. Members attending were Janice Fant, Sharon Eubanks, Sheree Montgomery, Dorris White, Linda Foster, Reba Kirkland, Bobbie Pierson, Tina Sides, Gwen Corn, Ruth Anne Bennett and the hostesses.

Next meeting will be January 8 at the home economics building when the program on emergency first aid tips will be presented by Sarah Owens, school nurse.

Theta Rho, ESA Plans Christmas Projects

Theta Rho chapter of Epsilon Sigma Alpha sorority met Monday in the home of LaMoin Williams. During the business session, members decided to provide Christmas food for families in need and candy for shut-ins and residents at Farwell Convalescent Center.

The sorority's Christmas social will be December 17 at a restaurant in Clovis.

Friendship SS Class Meet In Geris Home

Friendship Sunday School Class of First Baptist Church of Farwell met Tuesday evening, Dec. 12, in the home of Pearl Geris for a Christmas supper.

Dick Geris gave the prayer of thanks. After the meal and gift exchange, visiting was enjoyed.

Class teacher Beulah McWilliams was presented a crystal bowl by Leatha Jo Roberts from the class members.

Members present were Mesdames Dickie Magness, Estelene Billington, Elsie Tarr, Edith Crawford, Hattie Coffey, Jewel Scott, Roberts, McWilliams and Geris.

Guests present were Elnora Kube, Elmer Scott, Claud Coffey, Willie Roberts, Joe McWilliams and Dick Geris.

Better than mistletoe: Your perfect figure.

Pat Walker's can make your holidays the happiest ever!

Wouldn't it be wonderful to whirl through the holiday season looking and feeling great, no longer burdened by excess weight? You can, you know. Joyce O'Bar offers beautiful proof that the Pat Walker program is as effective as it is pleasant.

The lovely Mrs. O'Bar radiates enthusiasm for the Pat Walker program—and with good reason. Without Pat Walker's, she says, she never could have achieved her present measurements. She relates her experience:

Through the years I have tried almost every diet plan available, only to gain what I lost. Today, after being a patron of the Pat Walker Salon for two years and maintaining my [new] weight, my friends and family know what the program has done for me.

Personally, it is figure perfection! I have lost 32 pounds and 53 inches. I wear size 7-8 clothes; before Pat Walker's program, I wore size 14. Today I'm 36-24-36 and will continue my treatments for firming and toning.

Pat Walker salons offer complete privacy in elegant surroundings. (Other features include) passive exercise, no disrobing and an individualized program for each patron. This is the only way I could have accomplished losing the pounds and inches where I wanted and maintaining my weight. No matter what your size or age, if you care for your appearance this program can work for you. I cared... I'm a believer!

Joyce O'Bar

Pleasant, effective and SAFE

Pat Walker has the program you can believe in, too: its benefits have been confirmed repeatedly during a distinguished 26-history of success in weight reduction for women (AND men) throughout the world.

Here you can reach your weight goal without rigid diets or strenuous exercises. Our professional counselors work with you from your very first visit, helping you trim down to the figure that is right for YOU.

And safe passive exercise on the Symmetricon, equipment exclusive to Pat Walker, tones body tissues, improves circulation and helps correct your posture. You lose weight and inches where you should, regardless of previous failure to lose.

Call NOW for your free treatment

Come in for a complimentary treatment and figure analysis, and let us explain how easily you can attain the slender figure you've always wanted. There's no obligation, of course. Just call or come by to reserve time for your courtesy appointment.

Defeat Adrian - -

Farwell Teams Lose In Tulia Tourney

The Farwell Steers and Steerettes each won only one of three games in the Tulia tournament last weekend. The Steers lost the first round game to Tulia, 75-52, but bounced back to defeat River Road, 82-58. In the third match Farwell lost to Lockney, 62-47. The Steerettes dropped the first game to Tulia, 45-42, but came back to win the second game over Kress, 44-38. They lost their third game to River Road, 49-36.

The Steers and Steerettes defeated Adrian Monday, 55-42 and 39-35. The junior varsity boys and girls also bested Adrian, 37-31 and 39-29.

The Steers lost to Friona Tuesday, 58-54. The Steerettes were also defeated, 38-27. The JV boys lost 58-25 and Friona narrowly slipped passed the JV Girls, 42-41.

Double figure scorers for the Steers in the Tulia game were Kayle Watts, 14, and Rowdy Chandler, 12. Others adding points were Mark Owen, 8; Randy Geries and James Castleberry, 6 each; Robin Roberts, D.D. Foster and Radney Robertson, 2 each.

Leading rebounders were Geries, 7, and Chandler, 5.

"We played a much better game against Tulia this time," Coach Mike Martin said. "We are showing improvement."

High point men in the River Road game were Chandler, 15; Watts and Owen 13; and Castleberry and Robertson 10 each. Others scoring were Roberts, 8; Geries, 6; Foster, 5; and Lonsdale, 2.

Leading rebounders were Chandler, 9; Robertson, 7; and Geries, 6.

"It was our best game of the year. Our shooting has improved," Martin said.

Highest point getters in the Lockney game were Chandler, 17; and Owen, 12. Also scoring were Roberts, Watts and Foster, 4 each; Geries, Castleberry and Robertson, 2 each.

Chandler and Watts were leading rebounders with 9 and 8.

"We did not play well. The team lost its composure under fire. We have to work on

that," Martin said.

Paula Christian dominated the boards in the Tulia game with 27. Also scoring were Lisa Hughes, 6; April Coffman, 5; and Karyn Blain and Gina Eubank, 2 each.

Paula was leading rebounder with 16.

Against Kress Paula hit the bucket for 19 points. Jana Berry was next high scorer with 12. Also scoring were April 6; Lisa H., 3; and Yolanda Martin and Karyn, 2 each. Paula had 13 rebounds.

In the River Road game Jana was high scorer with 15. Others making points were Lisa H., 8; April, 6; Paula, 4; and Karyn, 3. Karyn was high rebounder with 8.

Double figure scorers in the Adrian game were Chandler and Watts, 12 each; and Owen, 10. Also making points were Castleberry, 8; Foster, 7; Roberts, Geries and Robertson, 2 each.

"We played well in spite of a cold third quarter," Martin said. "We played good defense."

Watts was leading rebounder with 12.

April was the leading scorer in the Adrian game, hitting the boards for 16 points. Next highest scorer was Jana with 11. Also scoring were Paula, 4; Lisa McClenney, 3; Lisa H. and Karyn, 2 each. Paula was leading rebounder with 9.

"We did not play well at the Tulia tournament. Turnovers kept us out of the last two games we lost," commented coach Larry McDorman. "The win over Kress helped us realize that we can win with a cut down of mistakes. The girls are starting to shoot better from the outside and this will hopefully pull some pressure off Paula inside."

"April and Jana have been playing well the last few games. Both scored well against Adrian. We played better defense. Also, Lisa H. and Vicki Vinton have backed up the first five players well. Both are quick and aggressive. When one or two of the girls play well it picks us up

teamwise," he said.

Highest scorers in the Adrian Junior Varsity game were Janene Berry, 16; and Karen Magness, 10. Others scoring were Tracy Williams, 6; Ginger Ellison, 4; Lari Curtis, 2; and Robin Vinton, 1. Ginger Ellison led in rebounds with 10.

For the JV boys Craig Kaltwasser was high point man with 16. Also scoring were Richard May, 8; Byron Mayfield, 5; Richard Carpenter, Boyd White, Kevin Shultz

and Brent Green, 2 each. Leading rebounder was May with 11.

Leading scorers in the Friona game were Chandler, 14, and Watts, 15. Also scoring were Owen, 7; Castleberry, 6; Foster and Robertson, 5 each; and Roberts, 2.

"We played well at times. We had several chances to win but had crucial turnovers at the wrong time. Our shooting continues to improve," Martin said.

Janen was leading scorer for the JV girls in the Friona

game with 20. Others adding points were Lari, 8; Robin, 6; Ginger, 3; Karen and Tracy, 2 each.

Upcoming games include the following. The JV boys and girls will play in the Spring-lake-Earth tournament this weekend and the freshman girls will see action in the Muleshoe Tournament, also slated for this weekend.

The Steers and Steerettes participate in the Friona tournament this weekend and will play in the Muleshoe tourney Dec. 28-30.

7th Girls Win First Game

The Farwell 7th grade female cagers broke into the win column this season with a narrow 10-9 victory over Vega Monday. Following the example of fellow roundballers, the 8th girls also got past Vega by a slim one point margin 12-11.

The 7th Yearlings bested Vega, 18-15, but the 8th Yearlings lost 29-9. Thursday of last week they lost to Muleshoe, 37-16.

Scoring points in the 7th girls game were Lezie Castleberry, 5; Suzhan Inman, 4; and Cassie Chavers, 1.

"The girls were excited to win their first game," commented coach Bill Phillips. "Defensively we played a super game. Cassie Chavers and Earlene Rudd played exceptional defense. The game was won on a basket tossed by Lezie in the last six seconds." Scoring points for the 8th

girls were Sandra Height, 9; Sandra Coates, 2; and Tammy Obenshain, 1.

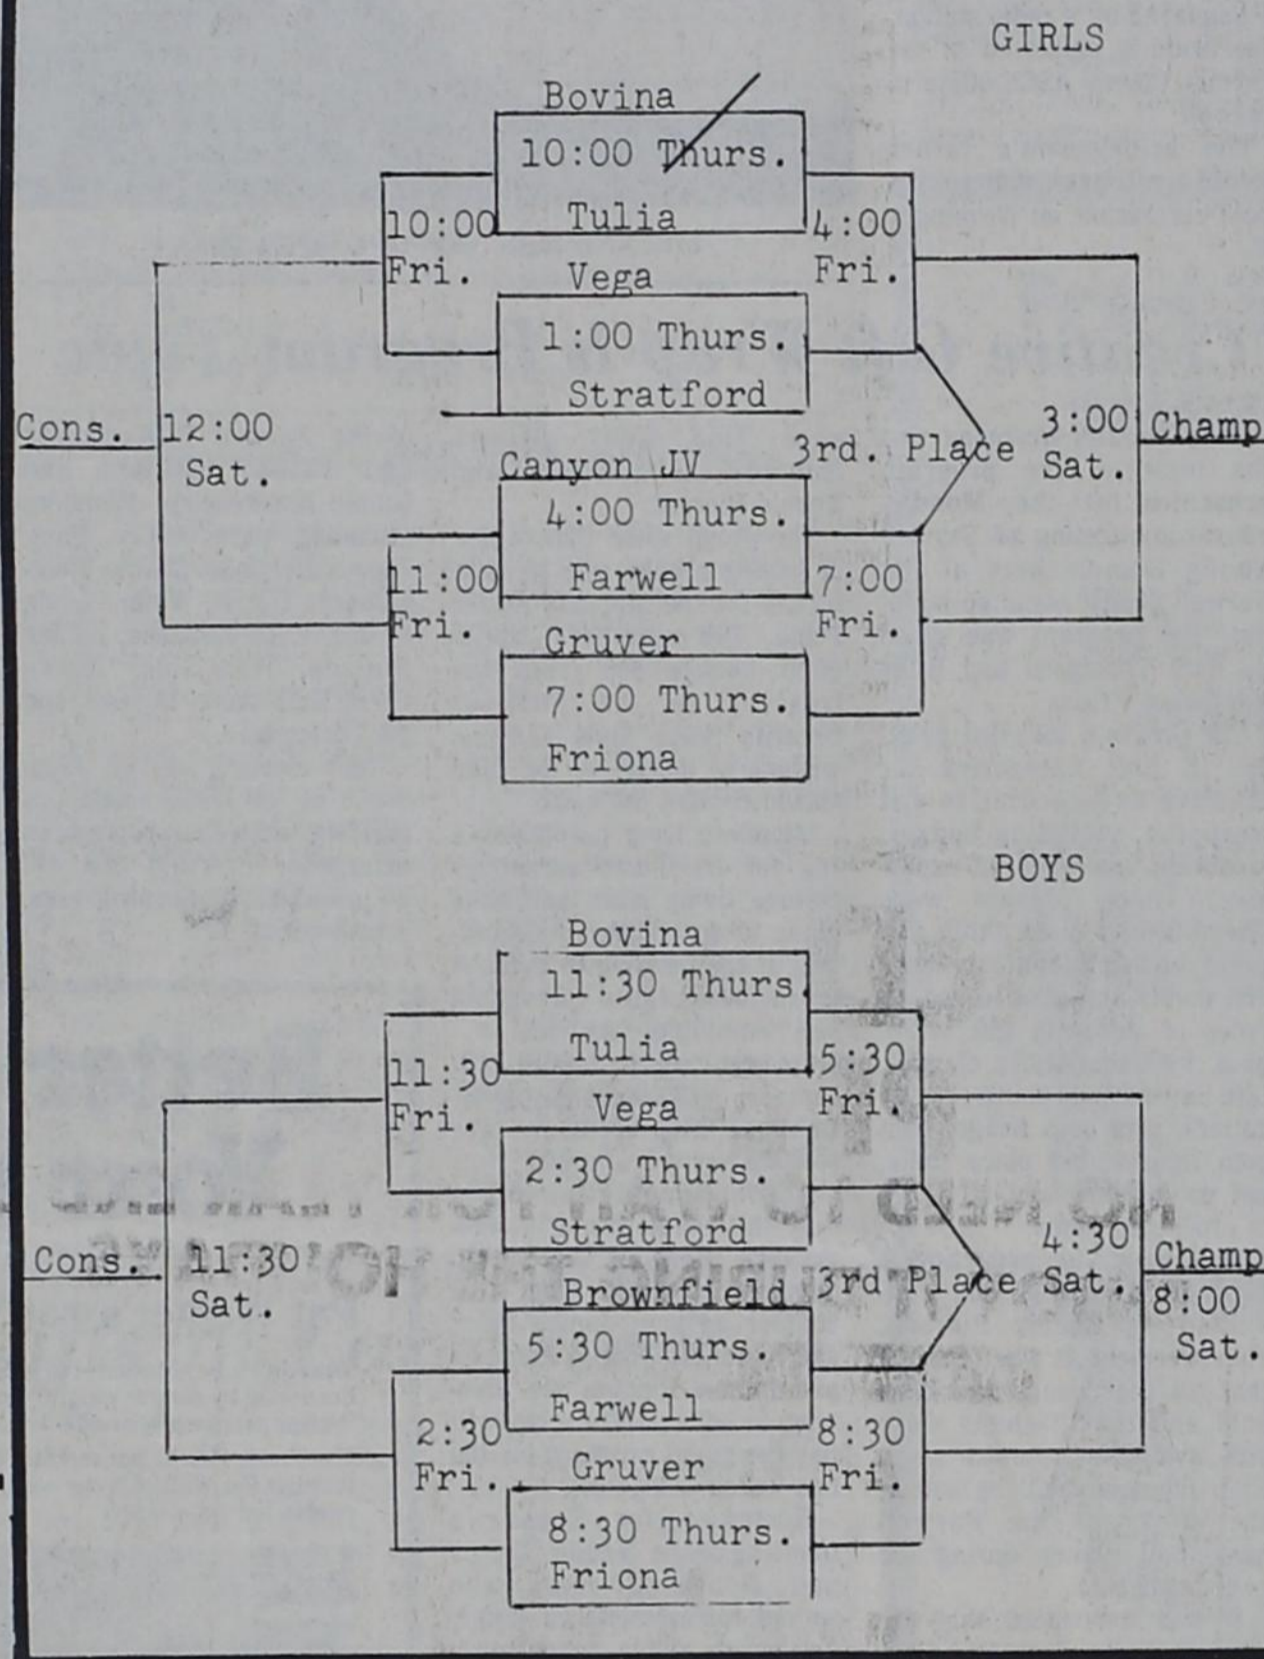

"This was a great win for the girls," Phillips said. "Nothing could help their confidence more than a win. Defensively it was a super effort by all the girls."

Scoring for the 7th boys were Alan Eubank, 9; Manuel Cantu, 7; and Paul Fulcher, 2. Making points for the 8th Yearlings in the Vega game were Elcio Silva, 7; and Wade Kent, 2. Scoring in the Muleshoe game were Frank Cantu, 9; Silva, 5; and Jay Anderson, 2.

Coach Royce Baker did not comment on the junior high boys games.

The junior high teams will play their final games before the holiday break next Monday, Dec. 18, at Bovina.

Texico Varsity Cagers Win Three Of Six Games

Texico varsity girls and boys cagers have won three of their last six games. The girls ripped House, 73-13, December 5. During the Dora tournament last weekend they beat Logan, 51-46, Friday night, but lost to Floyd, 50-36, Saturday. The final game was postponed

until Monday night of this week. The Wolverine varsity boys sneaked past House, 72-63, December 5, to open their basketball season. Thursday of last week the Clovis JV defeated the Wolverines, 88-46, and Grady defeated them,

65-57, last Friday. Leading Wolverine point getters in the girls game with House were Tonye Harrington, 24; Lisa Coffey, 13; Teresa Turner, 11; and Lori Harrington, 10. Also scoring were Schree Rucker, 7; Jana Jesko and Celia Johnson, 4 each.

Leading rebounders were Tonye, 13, and Lisa, 11. "Everyone played well," coach Roy King said. "I was very pleased with our scoring balance. We had four girls in the double figures. We have to improve on our free throw shooting. This will get us beat

when we play better teams," he said. Double figure scorers in the first round of the Dora tournament were Tonye, 20; Lori, 12; and Lisa, 11. Others adding points were Jana, 4; and Schree and Teresa, 2 each. Lisa was leading rebounder with 17.

"We played without much emotion," King said. "We had a 10-point lead, then lost it by taking bad shots and losing the ball. Our free throw shooting hurt us again. Lori Harrington played an outstanding game for us," he continued.

Tonye was high point player in the second tournament game with 14. She also made 13 rebounds. "We got into foul trouble early against Floyd," King said. "Lisa and Tonye picked up three fouls in the first half. We also cannot win against a good team hitting only 12 of 34 free throws and nine of those were bonus shots. We hit 35.3 percent of our free throws and 23 percent of our field goals. We didn't handle the full court press very well and we didn't hit the open man," King said.

High point men in the House game were James Hadley and Eloy Ortiz, 16; Britt Crooks, 12; and Keith Hadley, 10. Others scoring were Neal Haile, 7; and Jimmy Reid, 5. Hadley was the leading rebounder with 13.

"This was not a bad first game for us," coach Billy Carlyle said. "House had a good shooting fast team and we got a good workout from it. The game was close to the final buzzer and I feel that we

Junior High Beats House Lose To Grady, Melrose

The Texico combined 8th and 9th grade girls basketball team trampled House December 5, 58-24. The 9th grade boys lost to Grady JV Friday, 70-63 and the 8th and 9th team lost to Melrose Saturday, 74-57.

Double figure scorers for the girls were Ruth Scott, 18; Tracy Dobbs, 12; and Tammy Landis, 10. Others adding points to the board were Jo Hill, 6; Pam Hoyl, 4; Jill Jesko and Sharlet Taylor, 3

each; and Lisa Crooks, 2. Leading rebounder was Ruth with 12. ***** High point men in the Grady JV game were Herbert Bibbs, 24; and Jeff Day, 12. Also scoring were Todd Gerles, 7; Tony Tubbs, 5; Mike Arnold and James Kelley, 4 each; Willie Bibbs, 3; and Kent Harding and Jeff Dunsworth, 2 each.

"Herbert Bibbs, the only sophomore to play, played outstanding offense," coach Cecil Davis said. "The young Wolverines jumped out to a 20-12 lead, but the Broncos countered with 35 points during the second quarter. Texico lost three of the four quarters, but lost the game during the second quarter. The effort and full court man-for-man press was entertaining for the home crowd.

The freshmen were just too short, but they were not out hustled. This game does not count on the won-lost record for the freshmen," he said. Tony Tubbs was the high point man in the Melrose game with 22 points. Others scoring were Day, 8; Dunsworth 7; Gerles, Arnold, Kelley and Paul Salguero, 6 each; Doyle Duncan and Danny Reid, 4 each; Tony Cavallero, Harding, 2 each.

"It was a very physical game with a lot of body contact. The young Wolverines were able to adjust to the loosely officiated game. Tony Tubbs dominated the boards with both his superior jumping ability and position," Davis said. "James Kelley, Jeff Day, Mike Arnold, Jeff Dunsworth, Todd Gerles and Paul Salguero were productive on offense. Even though we committed 26 fouls our defense was as impressive as in the previous game with Grady. I was worried that the young Wolverines couldn't play a tough game on Friday night and then return the next morning to play Melrose and represent themselves the way they like to perform. They did exceptionally well and it wasn't noticeable that they had played the night before," he said.

The junior high boys records are 9th, 3-1 and the 8th and 7th are 3-0. ***** Upcoming games include the 7th, 8th and 9th boys traveling to Bovina January 6 and the Clovis Tournament this weekend for the 8th and 9th girls.

Next action for the Wolverine boys is the Texico Invitational Tournament set for this Thursday through Saturday. They were to play San Jon Thursday at 8 p.m. The varsity girls will next play Grady at Grady, January 2.

Residents Snowed In

Texico-Farwell residents awoke Thursday morning of last week to a thin layer of snow on the ground and very cold temperatures. As the day progressed the snow continued until nearly eight inches were deposited. Due to slippery streets and hazardous driving conditions, most residents were content to leave their cars in the driveways and remain indoors for the duration of the storm. Pictured is the Lawrence Cooper home in Farwell.

Snow-Covered Tumbleweeds

Mother Nature changed her personality radically last week as she dropped nearly eight inches of snow on the Texico-Farwell area and kept temperatures below the freezing mark for several days. Scenes like this one were evident for several days until warmer temperatures finally melted away much of the winter moisture.

Christmas Story - -

Farwell Kindergarten To Present Program

Farwell kindergarten students will present their annual Christmas program today (Friday) at 10 a.m. in the auditorium. Both the morning and the afternoon classes will join together to stage "The Christmas Story."

NO. 4434

TO: ANY SHERIFF OR CONSTABLE WITHIN THE STATE OF TEXAS:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return date thereof, in a newspaper published in Parmer County, Texas, the accompanying citation, of which the following is a true copy:

CITATION BY PUBLICATION THE STATE OF TEXAS §

To George G. Wright, the unknown heirs of George G. Wright, Mrs. George G. Wright (whose christian name is unknown), the unknown heirs of Mrs. George G. Wright, Phillip Moore, the unknown heirs of Phillip Moore, the unknown wife and/or wives, if any, of Phillip Moore, the unknown heirs of

the unknown wife and/or wives of Phillip Moore, John Moore, the unknown heirs of John Moore, the unknown wife and/or wives, if any, of John Moore, and the unknown heirs of the unknown wife and/or wives, if any, of John Moore, defendants in the cause numbered and styled hereunder.

You are hereby commanded to appear before the honorable District Court, 154th Judicial District of Parmer County, Texas, at the courthouse in Farwell, Texas, at or before 10:00 o'clock a.m. on the first Monday next after the expiration of forty-two days from December 12th, 1978, the date of issuance of this citation, such date being the 29th day of January, 1979, by filing a written answer to Plaintiffs' petition that was filed in said Court on December 12th, 1978, numbered 4434, on the docket of said Court, and styled El Roy Wilson and wife, Faye E. Wilson, v. George G. Wright, et al; Phillip Moore, et al; and John Moore, et al, defendants.

The nature of this suit, briefly stated is one of trespass to try title, in which Plaintiffs, for cause of action would respectfully show the Court:

1. That on or about the 1st day of November, 1978, El Roy Wilson and wife, Faye E. Wilson, were lawfully in fee simple, seized and possessed of realty situated in the town of Friona, Parmer County, Texas, and legally described as Lots Three (3) and Four (4) in Block Forty-Five (45), in the Original Town of

Friona, Parmer County, Texas, as shown by plat of said Town of Friona, recorded in the Deed Records of the County of Parmer, Texas, in Vol. Five (5), page 241 et seq., together with all and singular the rights, hereditaments and appurtenances to said premises belonging or any wise incident and appurtenant thereto; are entitled to possession of said realty, which said realty contains less than 160 acres of land, and being the same land described in Deed from George G. Wright to Phillip Moore and John Moore, dated January 15, 1907, along with other lands therein described, and recorded in Vol. 6, page 64, of the Parmer County Deed Records; also the same property described in Deed from Pearl Kinsley, individually and surviving wife of R.H. Kinsley, deceased, to Edgar Boggess, dated January 3, 1948, and recorded in Vol. 66, at page 600 et seq. of said Deed Records; and also the same property described in Deed from Edgar Boggess and wife, Bessie Boggess to El Roy Wilson, dated December 18, 1952, and recorded in Vol. 76, page 171 et seq. of the Parmer County Deed Records; and

2. That Defendants unlawfully entered on said premises and ejected Plaintiffs therefrom, and unlawfully withheld from them the possession thereof. Plaintiffs pray for judgment for title and possession of said land and for other and further relief to which they are entitled, as is more fully

shown by Plaintiffs' petition on file in this suit.

If this citation is not served within ninety (90) days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve it and make due return thereof according to requirements of law, and the mandates hereof.

Issued under my hand and seal of said Court at Farwell, Parmer County, Texas, on the 12th day of December, A.D., 1978.

Checking For Mail

Students in Mrs. Karolene Inman's fifth grade class at Farwell Elementary School can now check for mail just like their parents. Students, Jeffery McClenney, left, son of Mr. and Mrs. Bill McClenney, and Andy Hughes, son of Mr. and Mrs. Joe Hughes, are pictured checking for mail at the special "post office" located in Mrs. Inman's room. Besides Christmas cards the children's papers are also placed in the postal boxes. This partial "post office" is constructed of old mail boxes obtained from a post office in Lubbock.

For Cards, Papers - -

Farwell Fifth Graders Start Own Post Office

Learning through practical experiences can be both fun and rewarding. That is what the fourth, fifth and sixth grade students at Farwell Elementary School are finding out.

If they want to learn more about the post office and how it works, what better way than to construct one of their own. That is just what they did.

The old mail boxes were located at a post office in Lubbock, purchased and transported in Mrs. Karolene Inman's fifth grade classroom.

Each student was assigned a box for his or her mail. Their mail usually consists of Christmas cards and their assignments.

Two fifth graders take turns each day being the "postmaster" and the "postman."

The "postmaster" checks each article to be sure it has a proper address as well as a return address. If not, back it goes to the sender to be corrected according to the specifications. The "postman" delivers the mail to the fourth and sixth grade rooms and to other persons in the elementary building.

All the mail is first placed in a drop box, and it is then sorted by the "postmaster."

The post office project was started last week but will be utilized throughout the rest of the school year.

The project was initiated as a means of learning more about the post office and how it works. But for the students it is also a fun experience - one they look forward to each day.

When the late Fritz Kreisler was honored on his 85th birthday for "distinguished service" he paid a public tribute to his wife: "Without the constant guidance, advice and help of my dear wife: I would not have achieved one-half the things I am said to have achieved."

The woman a queen of the home needs to realize and use her God-given position to (1) encourage her husband to do and be the very best of which he is capable (2) prepare her children for productive and happy lives by cultivating the right atmosphere for their growth and helping them form the right habits for good living (3) make the home a center of joy, spiritual values, and help.

There are many ways in which woman may do these things and here are some helpful hints toward that end.

1. REMEMBER YOUR IMPORTANCE IN GOD'S PLAN.
2. REGARD YOURSELF AS GOD'S AGENT FOR YOUR CHILDREN.
3. RECOGNIZE THE IMPORTANCE OF THE FAMILY.
4. MAKE YOUR HOME A CENTER OF JOY.
5. RESPECT YOUR HUSBAND AS HEAD OF THE HOME.
6. LET HOMEMAKING BE A LABOR OF LOVE.
7. TAKE A STAND FOR DECENCY.
8. EXPECT THE BEST FROM YOUNG PEOPLE.

There's something about a fire in a fireplace on a cold night that creates a feeling of well-being and warmth. But most of it is psychological, says NMSU Extension People. Only about five to 10 percent of the generated heat actually warms you. The rest goes up the chimney.

To add several tucks to a pattern that doesn't call for them, first pre-tuck the fabric and then cut out the pattern pieces to insure the correct size and placement, say NMSU Extension People.

When storing your summer clothes, be sure they are clean first, then never use plastic bags - they may melt. Do not

store cotton fabrics with starch in them - it's a favorite meal for silver fish and crickets, says NMSU Extension People.

Sheriff's Report

Parmer County Sheriff Charles Lovelace reports that his department is investigating another theft at the Friona ag barn. This time, six pigs weighing 100 pounds each were stolen, the sheriff says.

Alfonzo Garza of Bovina reported that his car was burglarized while it was parked at Missouri Beef Packers. A gun valued at \$100 was taken.

Farwell City Marshal's Report

Farwell City Marshal Ronnie Mitchell investigated an automobile accident Monday morning at Avenue G and Fifth Street. Freddy Moss of Texico was driving a 1968 Oldsmobile north on Fifth Street when Marlyn Hammit of Farwell, driving a 1971 Chevrolet, allegedly struck the left side of the Oldsmobile as Moss was pulling away from the stop sign. Both vehicles sustained damages but no one was injured.

Mitchell cited Moss for failing to yield the right-of-way.

This time of the year everything seems to be happening all at once. Now more than ever disorganization can create havoc.

Lost recipes, missing music, bulging closets, a sea of newspaper clippings, vanishing warranty books, clutter everywhere!

Sound familiar? If so, you may be suffering from a common malady - disorganization. Disorganization can strike anyone and advanced symptoms include absolute chaos and growing despair.

This is not the time of year to be spending more time searching for things than using them. It's time to put your life in order and cope more effectively with everyday living.

Actually, only four things need organizing: space, things, time, and tasks.

Organize your storage space to take some aggravation out of your life. Kitchens and closets need periodic reviews. To make storage space usable, keep often-used items close to the area of use. Make

items easy to see and within reach.

Assess your clutter realistically. How much of it do you really need? Learn when to discard or recycle things - unless creating a national museum in your home is a family goal.

Set up a home filing system for readily accessible papers. Use different color folders for stashing papers, and don't forget about labeling those folders!

Learn to make the most of your time. Use a central family calendar to keep track of everyone's activities and responsibilities. Don't overorganize your time. Instead, use odd moments and waiting time for mini-projects.

Organize routine tasks, such as house cleaning. Make a list of house cleaning activities to be completed weekly, monthly, and annually. Schedule them on the calendar, then divide responsibilities among family members.

Soon all your friends will be saying you are the most organized person they know!

NOTICE

The City of Farwell, Water Department has been notified by the Texas Department of Health that the water being supplied by our system exceeds the maximum constituent level for Fluoride established by the Department's "Drinking Water Standards" which were promulgated as required by the "Safe Drinking Water Act", Public Law 93-523 (U.S.).

The limit for this area has been set at 1.6 milligrams of Fluoride per liter of water. The samples of water from our system contained 2.5 milligrams of Fluoride per liter. There is no immediate health hazard for drinking water containing Fluoride at this level.

The Fluoride may cause mottling (brown staining) of the teeth in children under 14 years of age.

All dentists in this area are aware of the Fluoride level.

The City of Farwell, Water Department has applied to the Texas Department of Health for either a variance or exemption from the Fluoride requirement while we search for alternate sources of supply and investigate available treatment techniques to lower the Fluoride to allowable levels.

"PAUL, THE PATTERN"

No conversion in sacred history is given so much attention as that of St. Paul. Besides the many references to it, we find three detailed accounts of it in the book of Acts. As Saul of Tarsus, the learned Pharisee, he had led his nation and the world in rebellion against God and the Lord Jesus Christ.

St. Luke says: "As for Saul, he made havock of the church" (Acts 8:2). The believers at Damascus feared Saul's presence among them, saying: "Is not this he that destroyed them which called on this name at Jerusalem?" (Acts 9:21). Paul himself later testified: "Many of the saints did I shut up in prison... and when they were put to death, I gave my voice [vote] against them" (Acts 26:10). "... beyond measure I persecuted the church of God and wasted it [laid it waste]" (Gal. 1:13).

There must have been an important reason why God saved this rebel leader. Clearly it was that He might make Paul, not only the herald, but the living example of "the exceeding riches of His grace" to sinners. Paul himself said:

"And I thank Christ Jesus our Lord... for... putting me into the ministry; who was before a BLASPHEMER, AND A PERSECUTOR, AND INJURIOUS; but I obtained mercy, because I did it ignorantly and in unbelief. AND THE GRACE OF OUR LORD WAS EXCEEDING ABUNDANT..."

"This is a faithful saying, and worthy of all acceptance, that CHRIST JESUS CAME INTO THE WORLD TO SAVE SINNERS, OF WHOM I AM CHIEF."

"HOWBEIT FOR THIS CAUSE I OBTAINED MERCY, THAT IN ME FIRST JESUS CHRIST MIGHT SHOW FORTH ALL LONGSUFFERING, FOR A PATTERN TO THEM WHO SHOULD HEREAFTER BELIEVE ON HIM TO LIFE EVERLASTING" (1 Timothy 1:12-16).

For homeowners with peach trees, fall is the best time to treat for one of the most destructive of all peach tree pests, the peach tree borer. A sure sign of the pest is the gum oozing down the trunk or branches of the tree. This insect is mostly a pest of peach but is also found infesting plum, cherry and apricot trees.

Actually, two borers commonly attack peach trees. The larval stage of the peach tree borer feeds within the tree's cambian layer in an approximately six-inch level above the soil line to six inches below. The lesser peach tree borer attacks the cambian layer of the upper portion of the tree's trunk and larger branches. The approach to controlling these pests is basically the same, but the method of application differs.

Two fumigants generally used for peach tree borer control are paradichlorobenzene (PDB) crystals or ethylene dichloride in the liquid form.

Using fumigants around peach trees is a delicate operation and should be done with great care and precision. Over-treatment can damage the tree. The crystals, when applied to warm soil, quickly volatilize into a heavy gas which penetrates through soil crevices into burrows of overwintering borers and kills them. Crystals should only be applied when the soil is dry and the temperature is 55 degrees or above.

When using PDB for peach tree borer control, weeds should be removed from around the base of the tree and the soil leveled one foot from the tree trunk. PCB crystals should be placed in a narrow groove encircling the tree about two inches from the

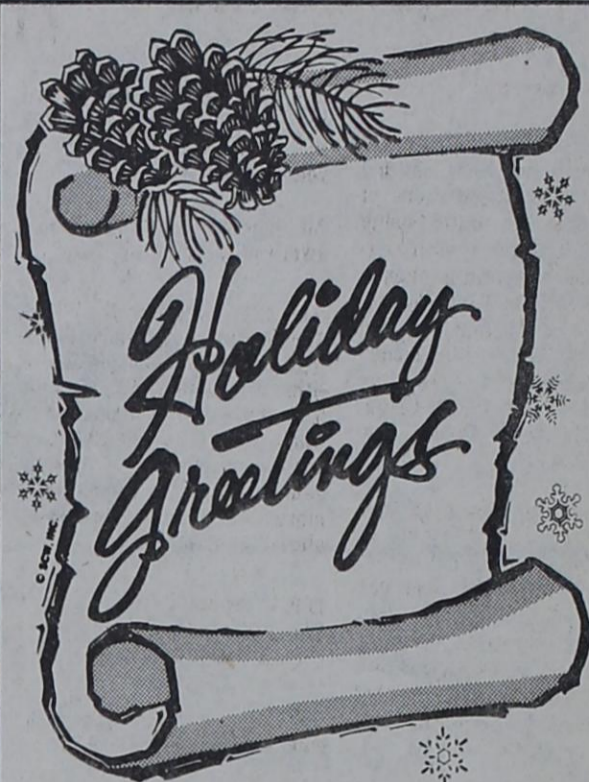

tree trunk. Care should be taken to keep crystals from directly contacting the tree. Clean soil should be placed over the crystals to form a cone-shaped pile about six inches high around the base of the tree. This soil should be removed from the base of the tree in late March or early April.

The amount of PDB to use is determined by age and size of the tree. In general, one-half ounce of crystals should be used for two- to three-year old trees, three-fourths ounce for four- to five-year old trees, and one ounce for mature trees.

Both PDB and ethylene dichloride can also be used to treat peach trees infested by the lesser peach tree borer. Affected areas, recognized by masses of gum mixed with frass and sawdust running down the surface of the trunk and branches, should be treated after the leaves fall from the peach trees. A mixture of four ounces PDB in one pint of miscible oil diluted in two pints of water or a smaller amount at the same proportions should be prepared. The mixture should be painted on the wounds and damaged areas, without encircling the trunk or limb. When using ethylene dichloride for either peach tree borer or lesser peach tree borer control, proper rates and application instructions will be found on the product label.

For the homeowner with peach trees infested with either the peach tree borer or the lesser peach tree borer, control measures can greatly lengthen the life of the trees.

Further information of the control of the peach tree borer is available at the county Extension office.

Wishing happiness and peace to you!

Suit Fund Begins For Boys Ranch

The annual drive to provide the 370 boys at Cal Farley's Boys Ranch with a new suit or clothing package has begun.

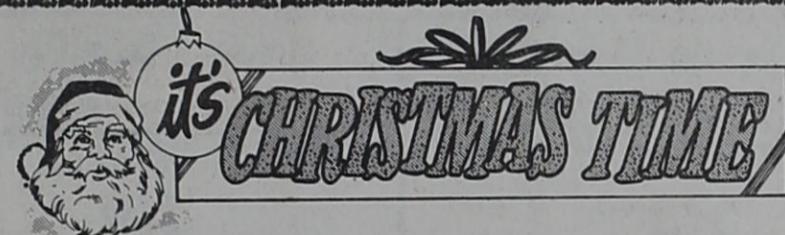

Providing new clothing for the boys through the Christmas Suit Fund has become a favorite way of Christmas giving for friends of the boys who contribute \$45.00 for this purpose. Special discounts by Amarillo merchants and dif-

ferences in prices of clothing for younger and older boys make the average cost of \$45.00 possible. The suits replace those that have been worn out or outgrown and, in many cases, they are the first new suits some boys have ever owned.

"The boys get to select their own clothing in Amarillo stores, and the suits will be worn by graduating seniors

next spring," Virgil Patterson, Ranch President, said, "A new suit is the best Christmas gift a boy can receive because it is a year-round reminder of those who really care."

Contributions to the Boys Ranch Christmas Suit Fund may be mailed to the Boys Ranch Office, P.O. Box 1890, Amarillo, Texas 79174, or taken to the offices at 600 West 11th Street in Amarillo.
