Parmer Co. To Get Probation Officer

Parmer County Commissioners Court announced Monday at its regular meeting that the county would be getting a probation officer in the near future. The new officer will be headquartered in the county courthouse in the present law library. The library will be moved to the former office of the justice of the peace on second floor. The probation officer will operate under the jurisdiction of the 154th District Court.

Extension Agent Seth Ralston met with the Court to discuss 4-H activities, shows and the purchase of a portable scale to weigh pigs and sheep. He is to look into prices and report to the Commissioners in the near future.

Repairs are needed on the walls in the law library and in the highway patrol office;

therefore it was decided to have the walls repainted. Judge Paul Fortenberry said the money was available through the Permanent Improvement Fund.

Commissioners also approved the county's share of the court reporter's salary to be increased to \$257.32 per month. They also agreed to pay the county's portion of financing for the Central Plains Mental Health and Mental Retardation Center in the amount of \$2150 for the period of 9-1-78 to 8-31-79.

Commissioners approved the 1977 audit which was completed by the Brown and Graham Company, certified public accountants.

Next Commissioners meeting on September 11 will be the annual inspection of the Bovina Dam Site.

Evangelist To Speak At Church

Oklahoma Lane Baptist Church has slated a revival for September 4-10, announces Rev. Moody Smith, pastor. Daily meetings will be at 10 a.m. and 7:30 p.m. Rev. Smith cordially invites everyone to attend.

Little George Haven, founder and director of the Cowboy Camp Meeting, will speak during the revival.

Haven, who stands only four feet, 11 inches tall, is a former cowboy and Grand Ole Opry star. Once billed as the "smallest stunt cowboy actor and rider," he took part in 100 movies before becoming an

evangelist in 1950. He has worked with Stuart Hamblin and Pee Wee King on the Grand Ole Opry. Havens has preached throughout the U.S., Canada, Mexico and Cuba.

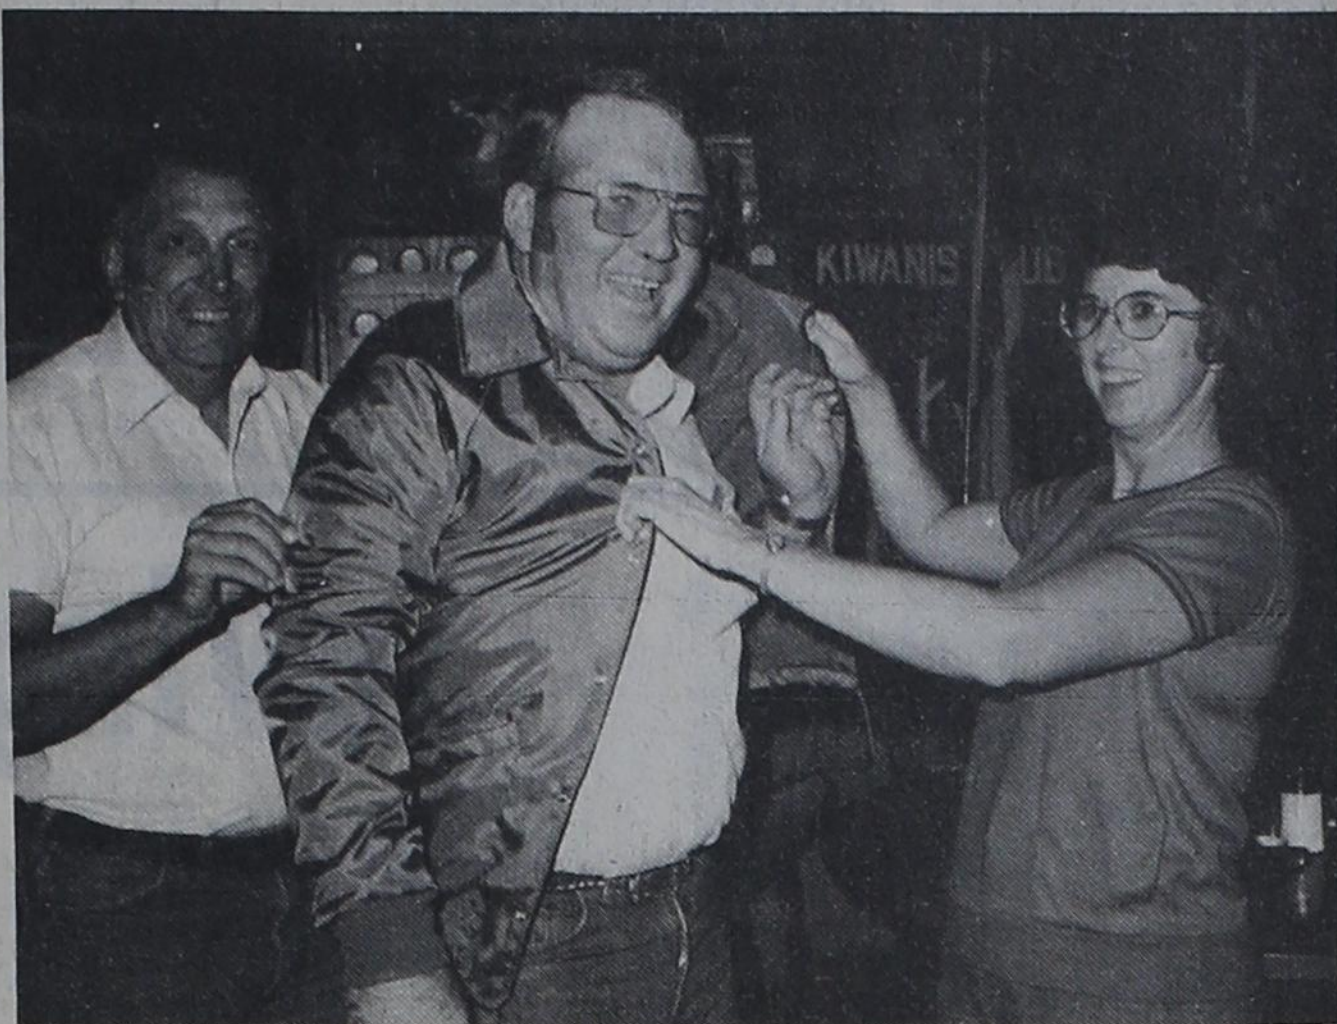

During the week of meetings at the Oklahoma Lane church, Havens will sing his own original compositions, "Blue Galilee" and "Holy Caravan."

In 1967, Havens conducted the first Cowboy Camp Meeting at Flying H Acres Ranch, where they live - for 10 days - just as the cowboys did more than 100 years ago. As

First Day Smiles

Tammie Caron, daughter of Mr. and Mrs. Steve Caron, and Kyle Stancell, son of Mr. and Mrs. Bennie Stancell, are all smiles as they sit expectantly waiting for the first day of classes to begin at Farwell Elementary. Pictured in the back is first grader Jimmy Armstrong, son of Mrs. Myra Armstrong. They are pupils in Judy Howard's class.

New Playground Equipment

Michael Harrison, left, son of Mr. and Mrs. Alfred Harrison, and Abel Lopez, son of Mr. and Mrs. Alvino Lopez, Jr., are pictured having fun on the "modulogs," Farwell Elementary's newest playground equipment. The equipment was purchased with funds from last year's Project Christmas Card. The boys are second graders in Nancy Burch's class.

The best crack of the week came from Tony Mendoza, our Santa Fe Station agent. In addition to other activities Tony is the secretary of the Border Town Days committee. Last week at the BTD committee meeting Tony was reading the minutes of the previous meeting. The minutes contained a list of the civic clubs that were present for that particular session. On the lists of attendees were the Alpha Rho Lambda chapter of the Beta Sigma Phi sorority and the Theta Rho chapter of Epsilon Sigma Alpha sorority.

Tony got about half way through these jaw buster names when he paused and remarked, "Gee, these are all Greek to me, wish they were in Spanish."

The extra warm weather this summer coupled with escalating fuel costs brought many howls of anguish from local home owners. This little essay from the Gaines County News should find a sympathetic audience.

Accident Scene

Texas DPS Trooper Jim Bishop investigated this accident Thursday afternoon which injured two persons. Scene of the accident was five miles northeast and one mile east of Farwell at an unpaved intersection. Benito Olivarez of Mathis, Tex., was headed north in a 1976 Chevrolet Blazer pulling two trailers loaded with cabbage, and Billy D. Bryant of Clovis was traveling west in a 1978 Pontiac Grand AM when the collision occurred. Bryant and his passenger, Larry Duncan, also of Clovis, were taken to Parmer County Community Hospital in Friona. Duncan was treated and released, but Bryant was transferred to the Clovis hospital. Olivarez reportedly was not injured. Officer Bishop said he cited Olivarez for failure to yield the right-of-way at an unmarked intersection.

Every year since that first historic meeting, Havens had held his campouts sometime during the summer.

Cycle-Car Accident Results In Injury

DPS Trooper Glenn Fant investigated a motorcycle-car mishap Saturday evening near Loop 292 and Avenue D in Farwell in which a local resident was injured.

Corine Green, a passenger on a 1978 Kawasaki motorcycle driven by Leamon Wayde Stancell of Muleshoe, was injured when the cycle collided with a car. Mrs. Green was taken to Clovis Memorial Hospital by the Farwell ambulance where she underwent foot surgery. Mrs. Green returned home Monday and is reported to be "resting and getting better now."

The wreck occurred when Stancell was traveling south on the Loop behind a 1966 Chevrolet driven by Cleo A. Sanchez of Clovis. As Sanchez allegedly turned left onto the dirt road near the Ag Farm, Stancell allegedly attempted to pass.

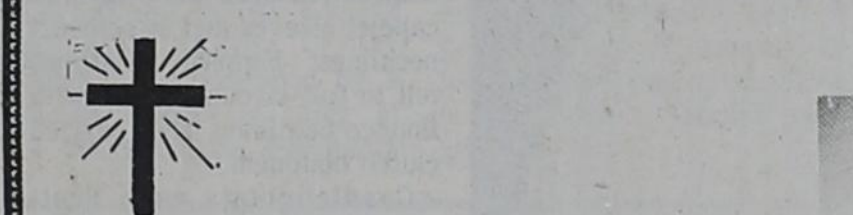

Fant cited Stancell for "driving on the wrong side of the intersection" and not having a motor cycle license. Sanchez was cited for having an expired operator's license.

Friday afternoon Farwell City Marshal Ronnie Mitchell investigated a three-vehicle accident which occurred at Fourth Street and Avenue C. No injuries were reported but the vehicles involved did receive extensive damage.

According to Mitchell, the accident occurred as follows: Russ Jones was driving a 1977 Chevrolet pickup north on Fourth Street when he allegedly failed to stop at the stop sign and collided with Troy Coleman, who was driving a 1974 Chevrolet Impala west on Avenue C. The impact of the collision forced the Coleman vehicle to slide sideways, causing it to strike John Long's 1977 Chevrolet pickup which was parked in front of the Long home.

This I Know - - -

by Leonard Harper
Minister
Farwell Church of Christ

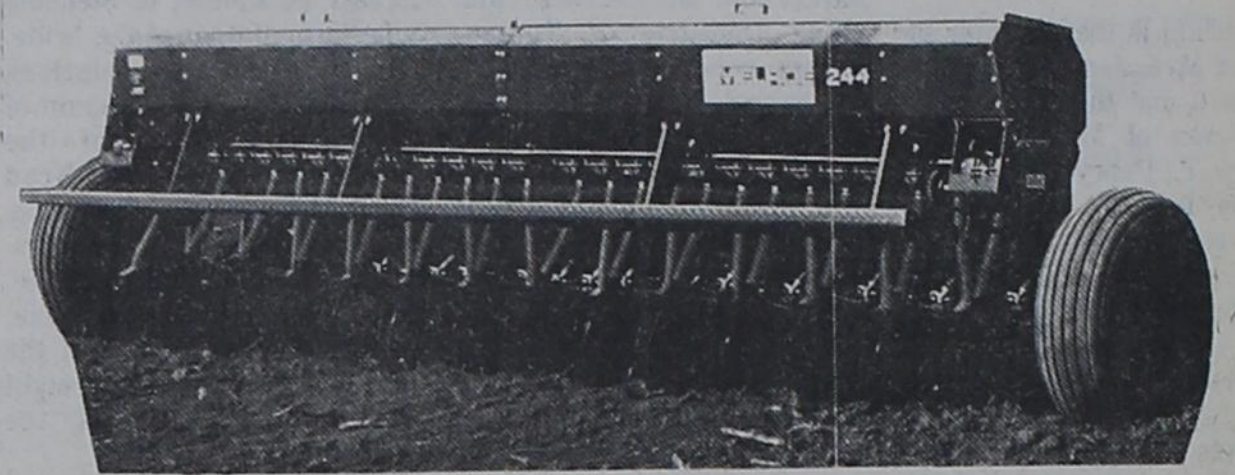

When faith has led one to be baptized for the remission of his sins, he is thereby saved and added by the Lord to the church (Acts 2:38, 41, 47). Does it follow, as some have taught, that since he is at that moment saved, he is always saved? What answer is given in the Scripture?

In I Corinthians 1:18 Paul lists himself among those "who are saved." Yet, in the same letter he wrote, "...I buffet my body, and bring it into bondage; lest by any means after that I have preached to others, I myself should be rejected" (I Cor. 9:27). The very fact Paul could be rejected is proof that having been saved was no assurance he would always be saved.

Hebrews 6:4-6 discusses how those who were once enlightened and made partakers of the Holy Spirit could so fall away that it was impossible to renew them to repentance. Indeed, they crucify the Son of God afresh and put him to an open shame. Such conduct, plus the fact they will never repent, assures us they will perish (Lk. 13:3, 5). Such souls were once saved but will finally be lost.

We are saved by the grace of God (Eph. 2:4-8). We are saved in Christ (Acts 4:12). Yet, Paul warns some if they pursue a certain course "ye are severed from Christ;" "ye are fallen from grace" (Gal. 5:4). You cannot be severed from Christ unless you are with Christ. You cannot fall from grace unless you were in grace. These souls once saved were warned they could lose the grace of God and the Son of God. HAVING ONCE BEEN SAVED IS NO PROOF THAT WE WILL ALWAYS BE SAVED.

The New Melroe End Wheel Drill For Precision Seeding

At first glance it may look the same, but the Melroe End Wheel Drill has changed... and changed where it counts. A close look will reveal a new special feed system that provides precision seeding, row after row. The new feed system features an all new specially designed feed cup to maintain an even flow, new diagonally fluted feed wheels that allow accurate seed metering, and a new improved clutch and chain drive system. Also, seeds are planted at an even depth. Furrow opener pressure springs are set at an angle, instead of vertically, for a more even seed penetration, regardless of ground profile. Take a look at some of the other built-in features. Like a simple, sturdy frame with limited obstruction. A grain box that holds a bushel and a half per foot. A cluster gear box that allows over twenty application speeds. Or furrow opener boots that are made of steel to stand up better to rocks. And steel footboards that fold up and out of the way. Scrapers are standard equipment. Drag chains are available. Check out the New Melroe line of end wheel drills. Sizes range from 10 to 14 feet with 6, 7 and 9 inch spacings. One of them is just right for your farm and crops.

SHERIFF'S REPORT

Farmer County Sheriff Charles Lovelace reported that his department is investigating several car thefts. One of the thefts occurred at Friona Motors when someone took a 1973 Ford for a "test drive" but failed to return the car.

Later, the vehicle was recovered at Missouri Beef Packers but the wheels and tires had been changed. The man who allegedly committed the theft and exchanged the tires is still at large, according to Lovelace.

Jesus Vargas of Bovina reported that someone pretending to be a mechanic stole his 1971 Chevrolet. Vargas told Sheriff Lovelace that he gave the man money to buy parts and loaned him the car with the understanding that he was to repair it. But he had not seen either the man, money or vehicle since then, reports the sheriff.

Lovelace said they are also investigating the attempted burglary of the Farwell Bus Barn. The culprits broke out four windows apparently trying to get into the building to turn the gasoline switch to the outside pump, Lovelace said. The gas pump was also damaged in the burglary attempt, amounting to approximately \$25.

Tuesday, Lovelace said that Randy Carter, 17, of Muleshoe was tried in District Court before Judge Pat Boone Jr. for two counts of car theft. He received four years probation. Lovelace also reported that the Elvis Childs place two

miles east of Lariat was burglarized and a dishwasher stolen. Lovelace said the house has been empty for some time, and that this is the latest in a series of thefts which have occurred at the place.

Farwell City Marshal's Report

Farwell City Marshal Ronnie Mitchell reports that he is investigating the theft of four pigs from the ag farm. He said the pigs belonged to Don Geries and David Kube.

Mitchell has also assisted the New Mexico State Police in investigating a case involving an abandoned car found in Curry County last week.

Gary Matthews and James Isaac, both believed to be from Clifton, Tex., allegedly stole a car from Judy Humphreys, also of Clifton, while the two men then apparently came to Farwell where they allegedly purchased the body of a car in Texico and put the motor of the stolen car in it. Later, the Humphreys' car was reported abandoned in Curry County.

Mitchell said that Matthews left town early last week but that Isaac was working at Monsanto Company. However, when law enforcement officers went to the business to question the man, he escaped by foot into a corn field.

Elizabeth Pierce, D. Penry Exchange Double Ring Vows

Elizabeth Pierce became the bride of David R. Penry in a double ring ceremony conducted July 29 at the First Baptist Church of Texico, with Rev. Harvey Hudnall officiating.

The bride is the daughter of Mr. and Mrs. James B. Pierce of Texico and the bridegroom is the son of Mr. and Mrs. William T. Penry III of New Orleans, La.

The couple exchanged vows before an altar centered with a candelabra arch holding 15 white cathedral tapers. Two fifteen-branch candelabrum holding white tapers flanked the arch. Greenery and white gladioli, daisies and baby's breath were arranged just below the tapers and along the base of the candelabrum. Palms and other greenery completed the altar decorations.

Traditional wedding music was provided by the organist, Cheryl Boling of Farwell. Soloist Mrs. Greg Martin sang "The Theme from Summer Place" and "Can't Help Falling in Love." She was accompanied by pianist Kim Pearce of Texico.

Given in marriage by her father, the bride wore a gown of white Quiana and venise lace, designed by Mori Lee. The moulded bodice featured a portrait neckline defined in venise lace and sprinkled with tiny white seed pearls. The gown featured a chiffon capelet sleeve that trailed to a graceful floatback. The empire waistline was edged in the venise lace and seed pearls in front and dropped to a natural waistline in back. The A-line skirt swept to back fullness, forming a chapel-length train. The entire hemline and train was trimmed in a border of venise lace.

The bride completed her wedding attire with an exclusive chiffon hat designed by Priscilla of Boston. It was designed in three layers of fluted chiffon, and featured a wide chiffon hat band and a chiffon rose on the right side.

Her bridal bouquet was of white sweetheart roses, interspersed with baby's breath with white streamers atop a white Bible.

In keeping with tradition, the bride wore her wedding attire for something new; and for something old she wore an engagement ring which belonged to her late paternal grandmother, Mrs. Ernest F. Pierce, and an antique watch which had been given to her by her maternal grandmother, Mrs. J.W. Riley, of Andrews, Tex. She borrowed her mother's diamond pendant and she wore the traditional blue garter.

Teresa Doolittle of Texico was maid of honor. Serving as bridesmaids were Doris Graham of Fort Worth, cousin of the bride, Mrs. Ruthie Grissom Stratton of Clovis and Mrs. Kathy Northcutt Kibbe of Clovis, both former college roommates of the bride. The maid of honor and the bridesmaids were all identically attired in blue formal gowns of polyester organza featuring a portrait neckline and capelet sleeves. McGuire - Saylor Vows Exchanged In Muleshoe

Susan Diane McGuire and John Leslie Saylor were united in marriage Saturday, Aug. 19, at 7:30 p.m. at the Muleshoe Church of Christ. The double ring ceremony was performed by Glenn Harlin of Plains. He was assisted by Paul Scott of Muleshoe.

Parents of the couple are Mr. and Mrs. Donald McGuire and Mr. and Mrs. C.L. Saylor, all of Muleshoe.

Musical selections were sung by Mr. and Mrs. Rolla Randel and Mr. and Mrs. Bob Massey, all of Lubbock.

Pew markers of silk gypsophilia, yellow silk daisies, fresh white daisies and spring-eri marked the aisle leading to the altar. Ivory candles in a tree candelabrum, arch candelabrum, and the traditional cathedral candelabrum nestled amidst banks of salal, and commadore ferns decorated the altar.

Escorted and given in marriage by her father, the bride wore a white gown of sheer organza and venise lace. The moulded bodice featured a Princess Anne neckline which was embellished in tiny venise lace flowers. A capelet type sleeve was edged in the lace and drifted over the upper arm to form a minuscule flat back.

Her gown featured a sheer yoke in back and was sprinkled in the floral pattern of lace. The empire waistline was defined with a satin ribbon and swept to back fullness to form a chapel length train. The entire hemline and train was defined in three rows of venise lace.

The bride's veil of silk illusion fell from the back of a white picture hat. It featured white satin ribbon and was sprinkled delicately in venise lace.

The bride carried a long cascading bouquet of miniature roses in coral, tropicanna, and yellow silk roses with Alexander yellow roses, butterfly white roses, and gypsophilia.

Accenting her bouquet was a handkerchief, which was a gift from her great-grandmother for something old. For something new, she wore gold earrings and necklace, a wedding gift from the bridegroom. Something borrowed was a miniature cameo which had belonged to her great-grandmother and her grandmother. She also wore the traditional blue garter. She wore pennies in her shoes dated in the year of the couple's births.

Attending the bride as maids of honor were Connie Harmon and Candy Moore. Mrs. Marty McGuire, sister-in-law of the bride, served as bridesmatron. They wore, identical gowns of maize chiffon. The moulded bodices featured three layered capelet sleeves and sweetheart necklines. Empire waistlines fell to full circular skirts with flounce hemlines. They carried clutch bouquets.

Candlelighters were Scott Saylor, brother of the bridegroom, and Wendy Jarmon, daughter of Mr. and Mrs. Gene Paul Jarman. Wendy wore a floor length pinafore dress in yellow and white lace.

She wore a wristlet of white daisies and yellow gypsophilia.

The flower girl, Jennifer McGuire, cousin of the bride, wore a long yellow dress of all over embroidery with ruffles at the neck and a deep ruffle around the skirt. She wore a wrist corsage of white daisies and yellow gypsophilia.

Attending the bridegroom as best man was Marshal Pool. Groomsmen were Garvin Thorn and Marty McGuire, brother of the bride. Ring bearers were Wes Jarmon and Chris McGuire, cousin of the bride. The bridegroom and his attendants wore pale beige tuxedos with deep beige trim and ivory shirts.

Ushers were Grady Tree, cousin of the groom, Kem Bales and Rusty Whitt. They wore black tuxedos with yellow shirts and boutonnières of yellow daisies and white gypsophilia.

Dani Dunham registered guests.

The mother of the bride wore a floor length chiffon dress in a floral pattern of shades of blue and white. The mother of the groom wore a floor length dress in deep aqua made of Quiana knit.

A reception followed the ceremony in the Muleshoe State Bank Community Room. Members of the house party were Mesdames W.B. Wagon, Jr., Eugene Black, Doug Bales, Louise Agee, John Neil Agee, Gene Paul Jarmon, Jess Pendergrass, Robert Blackwood, Guy Austin, Dorothy Scott and Mary Pool; and Miss Sandra Groves.

The bride's table was covered with a white flocked organza cloth. The white tiered cake was decorated with fresh and silk flowers in yellow and white. It was supported on white columns over a flowing green fountain. Guests were served cake and citrus punch from crystal appointments by Kim LaRue and Tammie Smith.

The bridegroom's table was covered with ivory cotton lace. It held a fresh fruit compote, finger sandwiches and coffee.

Darla McGuire, cousin of the bride, served from crystal, china and silver appointments. For a wedding trip to Dallas, the bride wore a white eyelet sundress and white jobette orchid corsage accented with seed pearls.

Special guests were Mr. and Mrs. J.C. Beaver and Donna Beaver of Farwell, the bride's grandparents and aunt; Mrs. Audrey McGuire, the bride's grandmother of Shallowater; and Sage Free, the bridegroom's grandfather of Big Spring.

Other out-of-town relatives were Mr. and Mrs. Randy McGuire of Lubbock, Mrs. Doyce Woods and Gib of Ralls, Wayne McGuire and Darla McGuire.

OKLAHOMA LANE BAPTIST CHURCH

Shannon McMillan, Greg Hargrove United In Candlelight Ceremony

Shannon McMillan and Greg Scott Hargrove were united in marriage Saturday, Aug. 26, at 8 p.m. in First United Methodist Church in Lubbock.

Parents of the couple are Mr. and Mrs. W.G. McMillan, Jr. of Lubbock and Mr. and Mrs. Elmer L. Hargrove of Farwell.

Dr. Sam Nader, senior minister performed the double-ring ceremony. The front of the sanctuary was lighted by brass candlesticks holding deep apricot candles and draped with baby's breath and springer fern. Two altar vases were filled with white spider mums, geber daisies, Peruvian lilies, and sonia roses.

Gordon McMillan, organ-master of First United Methodist Church, played the organ and John Hudspeth was trumpeter. The processional, "Trumpet Voluntary," and recessional, "Trumpet Tune" by composer Henry Purcell, was one traditionally used for weddings of English royalty. Pre-service organ selections were from Bach, Handell, and Marcello.

Given in marriage by her father, the bride wore a formal gown of candlelight chiffon and Alencon lace. The moulded bodice had a sweetheart neckline with stand-up Queen Anne collar covered in lace and embroidered in tiny seed pearls. Long candlestick sleeves, with lace over the hands, were overlaid by chiffon in the Juliet style. From an empire bodice the dress

formed a chapel length train of chiffon.

The bride's veil of silk illusion, designed by Priscilla of Boston, was attached to a lace and pearl beaded camelot capulet. Lace applique was sprinkled in a sunburst pattern over the headpiece and the entire full-length veiling was edged in tiny seed pearls, and lace applique.

The bride wore a garter belonging to Mrs. Robert Allen of Lubbock, which was worn by the bride's mother in 1950 and by more than 700 other brides. The garter featured a blue ribbon and a pocket in which a new penny was placed.

She carried a crescent bouquet of white roses, stephanotis and baby's breath, backed by springer fern and ribbon streamers.

The bride's attendants wore identical gowns of apricot silesta with chiffon overlays. The empire waisted, full-length gowns featured spaghetti straps, were edged in venise lace, and covered by hip-length chiffon capelets. The attendants carried cascade bouquets of apricot roses, stephanotis, baby's breath, fern and ribbon streamers.

Tracy McMillan, a sister of the bride, served as honor attendant, and others were Melinda McMillan, a sister of the bride, Cindy Ross of Tyler, Nancy Wilkerson of Conroe, Lesa Laing of Plainview, Andi Drahn, Jayme Sedberry, and Shannan Lile, all of Lubbock.

The bridegroom and his attendants wore black summer tuxedos and vests, with formal white shirts and black tie.

Attending his son as best man was Elmer L. Hargrove, and groomsmen were brothers of the bridegroom, Brett and Kevin Hargrove of Farwell, Joel McCarty, Lubbock, John Thompson, Houston, David Brown, Bobby Heard, and Mark Hill, all of Dallas.

Ushers were Dan McMillan of Lubbock, the bride's brother, Gary Wright of Lubbock, Neal Blanton, Dallas, and Jay Johnson, Pampa. Candles were lighted by Dan McMillan and David Brown.

The bride's mother wore a formal length gown of deep raspberry chiffon and silk jersey with a jewel neckline, long sleeves, and a soft side drape. She carried a purse corsage of white Persian lilies. The bridegroom's mother wore a soft fuschia chiffon formal length gown with high, softly draped neckline, graceful over-capelet, and accordion pleated skirt. Her flower was a white gardenia.

The reception following the ceremony was held in the parlor of the church. The bride's table was decorated with a centerpiece of flowers duplicating those on the altar, and antique silver appointments belonging to the bride's paternal grandmother, Mrs. William Garrett McMillan, Sr., of Lubbock.

The bride's cake was served from a separate round table covered by a handmade white lace cloth over an apricot under-skirt. The four-tiered candlelight cake, decorated with shades of apricot roses, off-white lace, and accented by tiny bouquets of fresh flowers between each tier, was

especially designed for the bride by cake designer, Mrs. Betty Johnson. The lace-work was made in the Australian style and the cake was crowned by a lace gazebo, made of candlelight icing and filled with a tiny bouquet of fresh hill flowers, Rubian lilies and Kalanchos in apricot tones.

Appointments for the bridegroom's table were antique brass cathedral candlesticks with dark brown candles, and coffee was served from an antique brass samovar loaned to the bride for the occasion by Dr. and Mrs. Jack Dunn, of Lubbock. A centerpiece of flowers in brown tones and fresh grapes complemented the two-tiered chocolate cake, decorated with Thompson grapes and grape leaves, also designed and made by Mrs. Johnson.

Mr. and Mrs. Hargrove will honeymoon in the Virgin Islands, and will be at home after September 5 in Fort Worth, where Hargrove will be associated with the law firm of McDonald, Sanders, et al.

The bride was a 1978 graduate of Texas Tech University, with a BA Degree in English and biology. She was affiliated with Pi Beta Phi sorority, a member of the Tech Student Foundation, and a President's Hostess.

Wolverine Offensive Backfield

Texico quarterback Keith Hadley, center, will be handing the ball to one of these four teammates when the Wolverines go on offense this season. Texico running backs include, from left, Barry Goode, James Barfield, Eloy Ortiz, and Duwain Hill.

Wolverine Offensive Line

These eight Wolverines make up Texico 1978 offensive line. They are from left, kneeling: Howard Horne, guard; Jeff Christian, defensive end; Robert Thornton, center, guard; Ron Kirby, guard; standing: Joe Martinez, tackle; Doug Scioli, center; Jimmy Reid, guard; and Wes Mosier, tackle.

3-2 Score - -

Texico Wolverines Win In Clovis Scrimmage

Texico Wolverines scrimmaged the Clovis junior varsity Friday, winning by a 3-2 margin. They scrimmaged the same team Tuesday afternoon at Wolverine Stadium. The games had been re-scheduled from the dates announced last week.

James Hadley caught a 35-yard touchdown pass and a 10-yard pass for the second point. Eloy Ortiz hauled in a pass from 10 yards out for the third score.

Toppliff said they played

Clovis a total of 40 offensive and 40 defensive plays.

"We looked the best yet in a first scrimmage since I have been here," Toppliff said. "We were sharp contact wise and very aggressive. We should have won the scrimmage 3-0."

The Wolverines played without the resources of two of their squad as Joe Martinez was out with a knee injury and Barry Goode was down with the flu. Martinez is expected to be back in action in approximately four weeks,

Toppliff said.

The Wolverine mentor cited Ron Kirby for his efforts and Robert Thornton who performed well as the "Wolverine Man." Howard Horne was commendable as the nose guard and Jimmy Reid was good as a defensive tackle, having previously played linebacker.

"Our defense shot them down, but our pass defense is a little weak. We need to work on our corners, and our reading of passes and sweeps

needs to be quicker and more efficient," Toppliff commented.

He definitely feels that the Wolverines are capable of winning games right now and is proud of the job they did in the Clovis scrimmage.

"Our strengths as well as weaknesses showed up, but we pursued the ball well. However, we need to improve our running game, but our passing attack worked well," he said.

According to Toppliff, though, a serious problem is that "we are running out of depth fast." Injuries will be crucial so the Texico coach is hoping that the "bug" won't "bite" them this year.

But in spite of the loss of a crucial player and the temporary sidelining of two others, Toppliff said they are not "down in the mouth because we have definitely decided to play with what we have."

This season they will run the Pro I offense and the 5-2 man defense.

The Texico Wolverines have two mottos which sum up their attitude rather well: "The Beginning Has Just Begun" and "Texico Football Is Pride." For practice sessions they even wear tee shirts with the latter quotation written in green lettering.

Steer Stalwarts

These three Farwell Steers, from left, Bruce Mayfield, Raul Garza and Leonel Jaime, along with their fellow teammates have been busy working out daily since gridiron practice started two weeks ago. The Steers scrimmaged Tulia Friday and are slated to meet Olton next Friday in the season opener.

Steer Power

Farwell Steers have been busy working out since the middle of August in preparation for the first football game with Olton, September 8. These three Steers ready for action are, from left, Byron Mayfield, Max Lonsdale and Richard Carpenter.

Farwell Steers Play Tulia In Scrimmage

Farwell Steers, under the direction of new head coach Don Alana, traveled to Tulia Friday for a scrimmage match, battling their opponents to a scoreless series of plays. Even though neither team scored, Alana said, "We played very capable ball and broke two long plays. We have a certain amount of quickness." Tulia drove the ball some but each time failed to punch the pigskin in to score. They

gave up the ball on fumbles and were held on downs other times. The Steers drove once on long gainers but were also unable to score. "I am pleased with the effort," Alana said, adding, "We looked good." The Steer mentor said, "we will be able to compete this year as long as we don't lose key people." The Steers will not scrimmage this week. Rather they

will continue with regular workouts, preparing for the first game of the season with Olton on September 8. The Blue and White charges are put through their paces twice daily, and will continue to work on plays and strategy for upcoming competition. Assisting Alana is coaching the team are Royce Baker, Mike Martin, Glenn Morton, Larry McDorman and Bill Phillips.

Farwell Booster Club Elects New Officers

Farwell Booster Club elected new officers at its Tuesday night meeting. Heading the club during the coming year will be Leon Langford, president. Other officers are Eugene Lonsdale, vice-president, and Betty Jean Castleberry, secretary. In other business it was announced that future meetings of the Booster Club will be at Farwell High School

Library on Tuesday evenings. During pre-district football games the meetings will begin at 8 p.m., but during the district schedule the club will meet at 7:30. The south door of the high school will be open for admittance to the building. It was reported that of the 72 Steer jackets ordered by the club, over 50 have already been sold; therefore, it was decided to order an additional

28 jackets. Jackets may be purchased for \$22 each, or a jacket and a matching Steer ball cap may be had for \$25. An individual cap may be bought for \$4. Booster Club family memberships are \$10 each. Bumper stickers have also been ordered and will be given to persons purchasing memberships. Head football coach Don Alana showed the film of the Steers' recent scrimmage with Tulia, and also introduced the new coaches. Twenty-four persons were present for the club's first regular meeting.

Wooley-Hurst Hosts Field Demonstration

A good number of area farmers attended a large field demonstration, hosted by International Harvester dealer Wooley-Hurst Inc., Muleshoe, during his "Red Power Show-down Days" promotion. The local farmers also entered a special sweepstakes drawing held during the demonstration of IH's Series 86 tractors. Now, their names will be placed into a regional drawing. And the winner of that drawing will be eligible for a national drawing, September 27, featuring a 160 pt horsepower, two-wheel drive 1586 tractor as grand prize. In all, eight regional winners will be eligible for the top award as well as other tractor prizes.

Attending farmers learned about the Control Center, a departure from the add-on cab of the past, which is now an integral part of the tractor permitting maximum visibility and improved riding quality; improved transmission and Torque Amplifier with hi-lo range and 16 speeds forward, eight in reverse; and wet power disc brakes. "We wish all our farmers the best of luck in the Red Power Showdown Days sweepstakes," the dealer concluded. "And we thank those who attended and made the field day a complete success."

Also at the field day, the local dealer demonstrated "Red Power," a lineup of tractors from 100 to 160 pto hp. The field demonstration took place at Oklahoma Lane, on August 24.

THE LOVE OF THE TRUTH

In II Thessalonians 2:10, St. Paul declares that the apostates of the coming age will "perish, because they received not the love of the truth, that they may be saved." This is something worth considering very seriously.

God calls this present dispensation "the dispensation of the grace of God" (Ephesians 3:2). During this dispensation faithful Christians are proclaiming "the gospel (good news) of the grace of God" (Acts 20:24). This is the message of God's grace and love in giving Christ to die for our sins so that we might be saved from its penalty and power.

All, however, do not believe this glorious message or accept God's grace in Christ. These, the apostle declares, will be left behind when our Lord comes, at the close of this age, to catch His own away. Because they rejected the truth, and the love it proclaimed, God will give them up "that they might believe a lie," and put their faith in Antichrist, "that they all might be damned who believe not the truth" (II Thessalonians 2:8-12).

It was infinite love that brought Christ to Calvary to suffer shame and disgrace for our sins, and this love is being proclaimed in this dispensation of grace. But this dispensation may be brought to a close at any time and bring in the day of God's wrath. How important then to accept God's love and trust His Son without delay! "Behold, NOW is the accepted time... Behold NOW is the day of salvation" (II Corinthians 6:2).

Hamlin Memorial United Methodist Church News

Last weekend saw much activity at Hamlin Memorial. On Saturday the education department sponsored a workshop focusing on what to look for in curriculum materials. Stressed were the topics of theology, use of scripture, appropriateness for age-levels, art, and activities for students' participation. Rev. Knowlton led the workshop which included displays of curriculum materials from 11 different church publishing houses. Refreshments were served by Mrs. Ann Lovelace and Mrs. Lennie Mae Crook.

Promotion Sunday was observed with students of the church school receiving attendance pins and certificates. The children and youth responded by singing hymns that they love to share. Mrs. Judy Jones introduced the teachers and classes while the teachers recognized each of the students for the congregation. The worship service was followed immediately by a fellowship dinner that commemorated the promotion ob-

servances and birthdays that came in August. That evening the worship service centered on the foot-washing that Jesus gave his disciples.

The church is currently considering pew Bibles as memorials. A pew Bible costs \$4.79 and a memorial book-plate will be provided. Should any person desire to participate in this worthy project, please call the church office at 481-3689, 9:30 a.m. - 1 p.m.

Attending a retreat for "Seasoned" Citizens at Sacramento, N.M., this week are Mrs. Carrie Christian, Mrs. Lennie Mae Crook, and Mrs. Dickie Magness.

Men's Prayer Breakfast was held Monday with Donald Jones doing the cooking honors. The devotions were brought by Bill Whitesides.

This coming Sunday evening after worship, the Administrative Board will meet in the parlor.

Why Pay More! Why Pay More!

Around The House with Laura Jacobs

Assistant Parmar County Extension Agent for Home Economics

When do the working people get a break? Back in 1894, President Grover Cleveland made Labor Day the official "holiday of the working people."

A little advance planning can keep you from "laoring" in the hot kitchen so you can celebrate Labor Day with rest and relaxation.

Cool, creamy gelatin salads can be made up a day or so before. Use your imagination. Gelatin does not have to be served as a light dessert. Instead of adding fruit, try grated carrots, chopped celery and nuts or cream cheese.

A colorful and delicious relish plate can be created with carrot and celery sticks, pickles, cherry tomatoes or tomato wedges and radishes. Cheese sticks, cucumber slices, bell pepper rings and olives add even more excitement to the dish.

For a main course, sandwiches are a hit with both the chef and the family. Instead of the regular cold-cuts, why not make a sandwich spread of tuna, chicken, egg, ham or roast beef salad? It can be

made the day before and stored in the refrigerator.

Green salads are a light, filling dish that are popular with most families. Some homemakers provide the salad ingredients and let everyone make their own. Provide a variety of dressings and you'll be sure to please everyone.

For dessert, tempt your group with cold wedges of watermelon or fresh fruit.

You can keep them cool with ice cream topped with sliced fruit, which has been prepared ahead of time. Be sure to dip sliced apples, peaches, and bananas in lemon juice to prevent them from turning brown.

Use caution in storing all make-ahead dishes. If they are meant to be kept cold, keep them cold. Refrigerate in tightly closed containers. This will keep them safe, as well as helping preserve flavors.

Be especially careful with dishes containing meat, milk and eggs. Keep them in refrigerator or ice chest. By keeping food safe, your family will enjoy the Labor Day holiday more.

Curry County Fair Begins Next Week

A host of activities, from a queen contest to exhibits, animal shows, western singers and a tractor pulling contest, will mark the 1978 edition of the Curry County Fair slated for next week, Sept. 4-9.

Monday, Sept. 4, opening day of the fair, will be highlighted by the crowning of a 1978 Fair Queen at 8 p.m. MDT at the rodeo arena.

Exhibits and animal shows are slated for the following day. Wednesday will be 4-H Club and FFA-FHA Day and all exhibits will be on display.

Cattle and horse shows are scheduled for Thursday. "School Day" will be Friday and one of the activities will be the junior livestock sale. Also on tap will be the national horse cutting contest, dog show and square dancing.

Saturday, "Pioneer Day" will include among many other varied activities, including horseshoes, washer pitching contests as well as quarter horse shows for adults and youths.

Tractor pulling contests are scheduled for Friday and Saturday, Sept. 8-9, at 6 p.m.

nightly and a carnival will operate every night of Fair Week.

All tractor pull contests will be at the fairgrounds. A garden tractor pull for youngsters aged 9-15 is set for Friday at 3 p.m.

The Class A tractor pull is sanctioned by the Texas Tractor Pullers Association. Competition will be in two classes - super stock and modified stock. A total purse of \$8,000 will be given away in prize money.

Four-wheel drive pickup pulls will also be held Saturday night.

Tickets for the tractor pull sessions are \$3 in advance or \$3.50 at the gate. Advance tickets may be purchased at the Taco Box in Clovis or at Clovis Chamber of Commerce.

A country and western band - Red Steagall and the Coleman County Cowboys - will provide musical entertainment. The family musical program will be staged Monday and Tuesday at 8 p.m. MDT at the rodeo arena.

Advance tickets are \$3 and may be purchased from the

Taco Box, Curry County Extension Office or the Clovis Chamber of Commerce. Tickets at the door will be \$3.50.

Stegall was born in Sanford, Tex., and graduated from West Texas State University with a degree in animal husbandry.

He was an agriculture chemist for several years before becoming a song writer and singer in California. Many noted artists have recorded his songs. Stegall himself became a noted singer with the release of "Party Dolls and Wine."

He formed the Coleman County Cowboys in 1975. The band members are all from Texas and share a common interest in agriculture as well as the heritage of the American West.

Other group members include Dave Price, bass man; Snuffy Elmore, fiddler; James Woods, band leader; Danny McGonagill, drummer; and Danny Steagall, guitarist.
