## Grand Jury Returns 29 Indictments

Parmer County Grand Jury was in session Monday and Tuesday of this week, returning 29 indictments, reports Parmer County Sheriff Charles Lovelace. Lovelace released the following information pertaining to only 19 of the indictments because several persons indicted are still at large.

Fred Constancio, Friona, and Rudolfo Corella, Roswell, N.M., were indicted on two counts of robbery and assault in connection with the recent robbery of an assistant manager at the Piggly Wiggly store in Friona. Bond was set at \$50,000 each and both men are still in custody, reports Lovelace.

Other indictments returned by the grand jury include: Joe Segovia Jr., Bovina, forgery; Fulgencio Ortiz, Farwell, sale of marijuana; Danny Harris, Bovina, sale of marijuana, \$2500 bond; Pedro Rocha, Bovina, two counts sale of marijuana, \$2500 bond each count; Ronald Rush Looney, Bovina, sale of marijuana, \$2500 bond; Robert Pesch, Bovina, sale of marijuana, \$2500 bond;

Also, Alvino Hernandez, Bovina, sale of marijuana, \$2500 bond; Walter Gutierrez, Hereford, assault, \$5000 bond; Arturo Ortiz, Friona, burglary, \$5000 bond; Ralph Rameriz, Friona, burglary, \$5000 bond; Roberto Rocha, Bovina, assault on minor, \$5000 bond; Vickie Yruegas, Farwell, two counts of forgery, \$2500 bond each count; Gene Davis and Bruce Duncan, Muleshoe, three counts burglary, \$2000 bond each count; Fred Salinas III, Friona, burglary, \$2000 bond;

And, John Alfaro, Clovis, theft, not in custody; Barty Jack Bartlett, Bovina, possession and growing marijuana over four ounces, \$7500 bond.

Arrestments for those indicted will be January 26, reports Lovelace. At that time trial dates will be set.

The following people served on the grand jury: Jerry Wayne Engelking, William Volley Hodges, Isom Ansley, Dennis Anthony, Billie Flo Brown, Nadine Paine, David White, Sarah B. Alexander

Owen, Lenardo Ovalle; Also, Frederick William Uphoff, Doris Ford, Norman Ray Taylor, Michael T. Buchanan, Dale Eugene Gober, Nickie Kim Nickels, Travis Stone, Wesley Barnett, and Jean Paul Jarman.

Sheriff Lovelace said that Bill Morgan, Friona, Deputy Sheriff, investigated two cases involving maiming of animals and vandalism. Four hogs kept in a pen on the Harley Merritt place located on the

west side of Friona were "cut up pretty bad" reports Lovelace. He added that the animals have survived the attack.

Vandals also tore down the High Plains Feed Lot sign on the west side of Friona and drug it approximately one and one-half miles.

Lovelace reported that a hired hand working for Dale Vise of the Oklahoma Lane community was swindled out of \$35 by a man claiming to have worked on the cess pool

on the property. The Augustine Rivera place on the Bert Williams farm three miles southeast of Farwell was burglarized and a portable television set was stolen, reports Lovelace. The Rivera family was not at home at the time of the incident and until they do return Lovelace said he will not know if anything else was taken. He added that the culprit broke a window in the back door of the house to gain entry.

For City Hall - -

## Farwell Council Okays Heating, Cooling Unit

Farwell City Hall will have a new heating and air conditioning unit installed in the near future. That decision was reached at Monday night's commission session by commissioners Fred Chandler and Johnny Curtis in the absence of Mayor Walter Kaltwasser who is hospitalized in Lubbock.

Lee Hutchins reported to the Council that he could install a new heating and cooling unit in approximately two and one-half days. Cost of the unit and installation will be \$3100. It was explained that since the present heating system was not functioning properly it constituted an "emergency situation" thereby eliminating the need for advertising for bids.

It was also the general feeling of the Commissioners that it was better to replace the entire system - both heating and cooling - rather than to just replace the heater now and have to replace the air conditioner in a few months. They noted that the present cooling system was also not functioning adequately, resulting in repair prob-

lems and adding additional Freon twice a year.

Fire Chief Hutchins and Joel White, assistant fire chief, met with the council to discuss keeping the old ambulance as a back up vehicle. The Commissioners said they were not adverse to keeping the vehicle if the cost of insurance and maintenance would not be prohibitive. However, due to the absence of Mayor Kaltwasser no decision was reached Monday night.

Hutchins also reported that he has received a check for \$2500 from the Parmer County Commissioners Court for fire protection for the county for this year. It was noted that last year's check has been placed on Certified Deposit, but no decision was made concerning the present allotment.

A discussion was held relative to billing the Santa Fe Railroad for expense of extinguishing fires near the railroad which are started by trains or employees. It was reported that area towns follow the practice of billing Santa Fe for such fires. The Commissioners approved the idea and set the price at \$200

per call. In the future the cost of the fires will be billed to the railroad along with a letter explaining the situation.

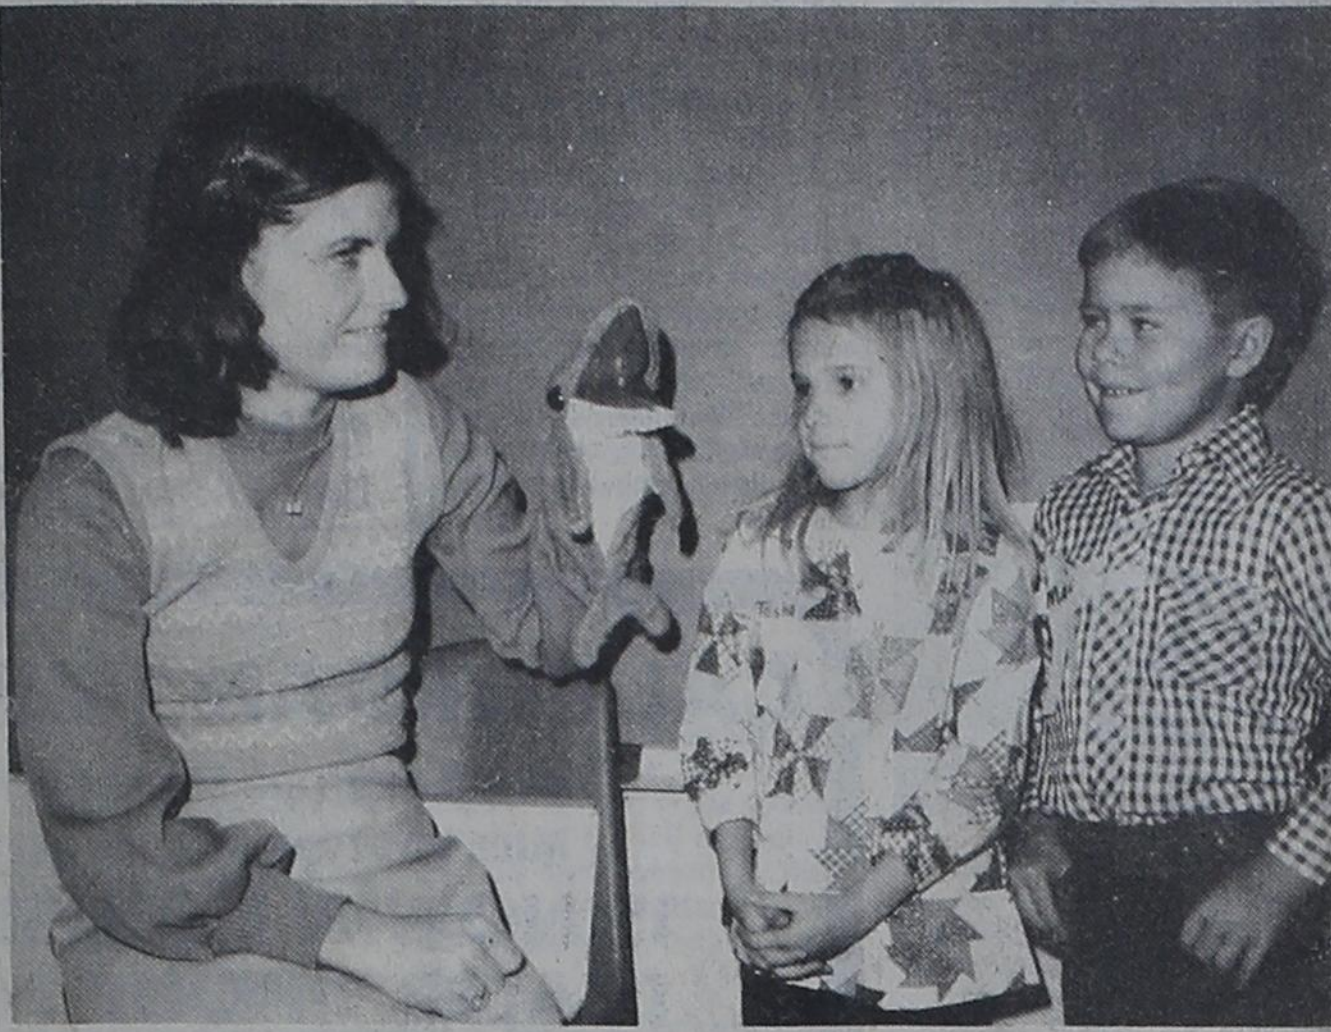

Dee Hammit, water superintendent, said that an inspector had inspected the city's water facilities this week. Everything is in good shape, according to Hammit, who added that the inspector indicated that in the coming years the city might be asked to install a fence around the ground storage tank.

It was announced that Doug Landrum has retired as head of the sanitation department. Jack Landrum, who has worked for the city for several months, assumed the duties of department head this week.

Jack Landrum requested that a bracket and antenna be purchased so that the CB radio might be transferred to the vehicles used in his department. It was approved.

Janie Bowery, city clerk, was granted permission to attend a special workshop in Amarillo next week concerning revenue sharing.

City employees present were Mrs. Bowery, Hammit, and Landrum.

### Welcome To Kindergarten

Denise Runyan, new Texico kindergarten teacher, and Duso the puppet, have a friendly word of welcome for Tasha Rucker, daughter of Mr. and Mrs. Johnny Rucker, and Mac Spears, son of Mr. and Mrs. Buddy Spears, as they attended their first classes last week. Because of the large enrollment Mrs. Runyan was hired to share the teaching responsibilities with another kindergarten teacher, Alice Richmond.

## Texico Kindergartners Begin All-Day Sessions

By Shirley Gorman

Thursday of last week 32 five-year-olds dressed up, temporarily set aside their favorite toys and kissed their mothers good-bye as they trekked to Day One of Texico kindergarten.

The bright smiling faces - slightly awed by their new surroundings - were greeted by Alice Richmond, who is beginning her fourth year as kindergarten teacher at Texico Schools. Due to the large enrollment, Mrs. Lueta Rae Clark, a substitute teacher at Texico, was engaged to assist with the new arrivals.

To alleviate the over-crowding situation George Herring-

ton, elementary principal, said that another teacher was hired for the five-year-olds. Denise Runyan of Clovis had taught kindergarten in Grady and just prior to accepting her new position at Texico Schools, she was the five-year-olds teacher at Our Lady of Guadalupe, Clovis. Mrs. Runyan began her new duties last Friday.

Herrington said the students were divided into two groups, with each teacher assigned 16 pupils. He said no aides were hired for the kindergarten because they felt it was more beneficial to have another fully accredited teacher share the teaching duties.

According to the Texico principal they expected 36

pupils to enroll for this semester, but he added that the enrollment will probably remain at 32 for the rest of the year.

Herrington said this kindergarten class is the biggest since the present fourth graders were five-year-olds. Last year's enrollment was 23, compared to 26 and 16 the previous years.

These new kindergarten students will attend classes all day long just like their older brothers and sisters. They assume the normal schedule at 9 a.m. and conclude at 2 p.m. - slightly before the older children are dismissed.

The two kindergarten classrooms are located side by side in close proximity to the principal's office.

Herrington added that the five-year-olds attending the all-day sessions for one semester have many advantages over their counterparts in other school systems who attend half-day sessions for two semesters. According to him, the January kindergarteners are approximately four and one-half months older and thus have that much more maturity in handling the classroom situation.

He explained that the kindergarten pupils living in the country ride the bus with the older pupils, eliminating the need for special busing. They also eat lunch at school, Herrington said.

He went on to say that a big "plus" was that these pupils are already going to be accustomed to the normal school routine by next year.

## \$23,000 Unclaimed In Capital Credits

Deaf Smith Electric Cooperative is attempting to locate past members who have not received their Capital Credit checks totalling approximately \$23,000.

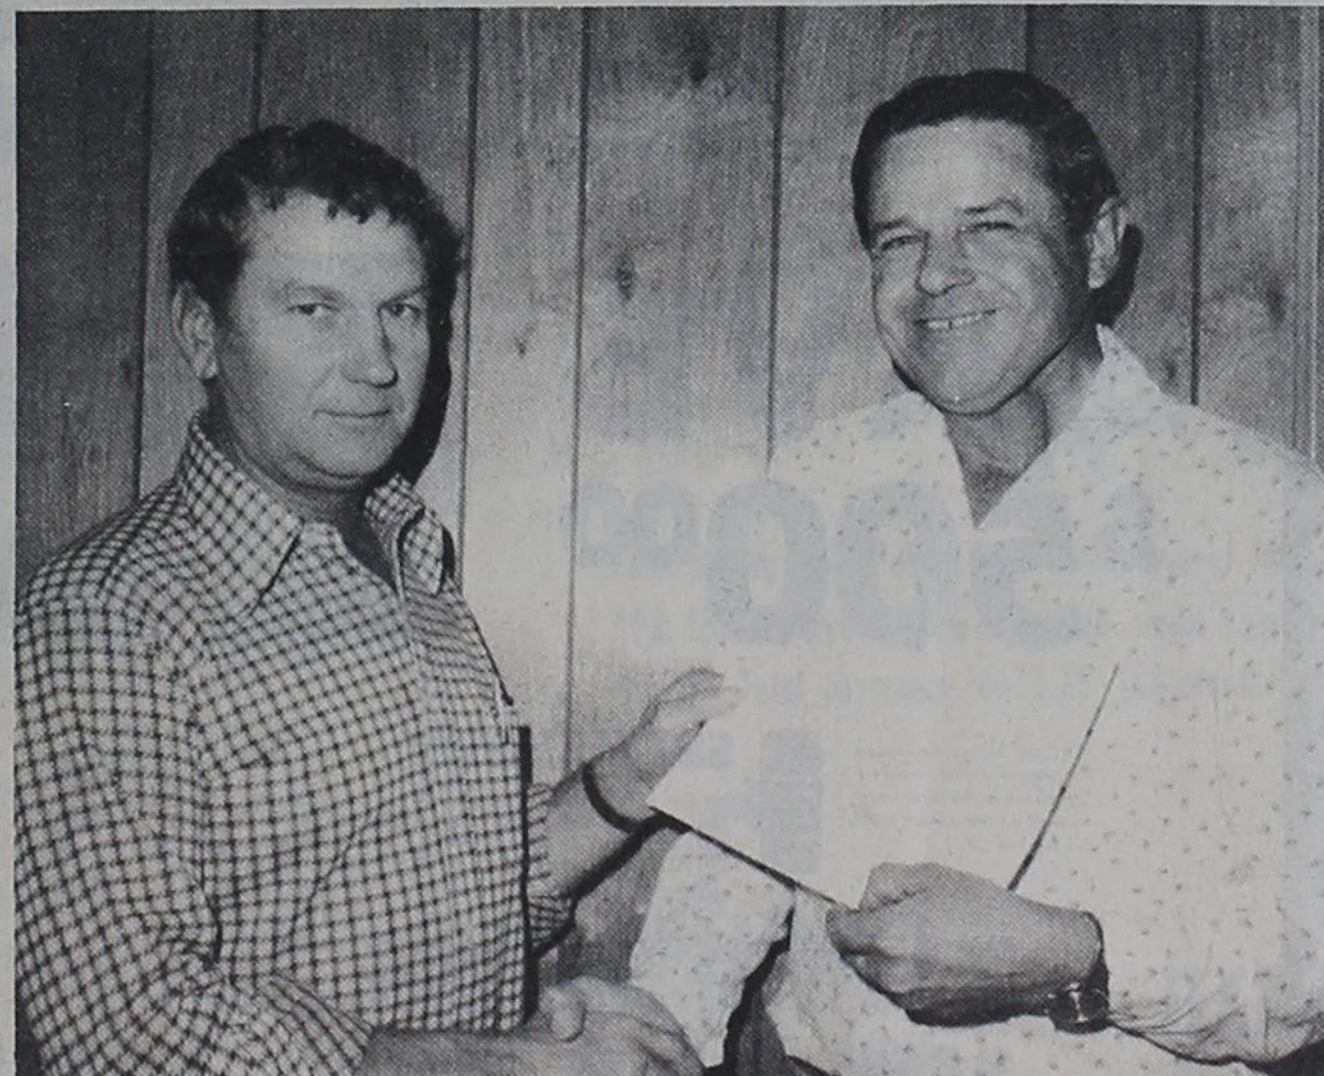

These individuals were members of Deaf Smith Electric Cooperative during the 1959-63 time period. These patronage dividend checks represent from 15-20% of the total dollar amount a particular member paid this Cooperative for electric service during these years.

Deaf Smith REC is a non-profit organization and all

excess margins above operating costs are returned to members after a period of approximately 12 years. During this period the money is used to help finance construction for new electric facilities.

If you know of the present location of people whose names are listed elsewhere in this paper, please help Deaf Smith REC help our former members by contacting us at once.

Please call or write Deaf Smith Electric Cooperative, P.O. Box 753, Hereford, Texas 79045 or call 806/364-1166.

### Receives Certificate

Martin Chandler of Farwell, right, receives a certificate of appreciation from David Grimsley, chairman of the Parmer County ASCS Committee, for "developing techniques and methods to aid in making compliance by aerial observation in District 3 and other parts of Texas a success." The certificate is signed by Leonard C. Williams, state executive ASCS director.

**PURELY PERSONAL**

The Cowboys Doomsday Defense prevailed over the Denver Orange Crush. However sloppily, the 'Pokes did win the big one in the big dome. We couldn't help but compare the game conditions in the New Orleans dome to recent games played under the open sky. It sure makes a powerful argument for enclosed sports arenas.

The Pro Bowl comes up next weekend and that will end another long long football season. We reckon we'll just have to find some work to do on Sunday afternoons between one and six. However, there is the suspicion that the good wife will have a ready made list of things to keep us well occupied for the next several months at least.

\*\*\*\*\*  
We understand that a large representation of farmers from Parmer and Bailey counties traveled to Washington, D.C., this week to participate in some form of farm demonstration. We figure "Foggy Bottom" is a much more fruitful place to get political attention than Clovis or Littlefield. We think there is a distant possibility of the farm situation finally receiving the serious attention from the Carter Administration that it deserves.

We do not know what the exact demands will entail, but if the spokesmen for the farmers have a thought-out, reasonable plan that can be implemented, their chances of success will be infinitely better than if they just present a flat demand with no indications of how their demands can be accomplished.

It is our opinion that prices paid to the farmer for their products can be raised considerably without significant raises in the price to the ultimate consumer. We feel that this is particularly true of foodstuffs produced primarily from the various food grains.

It is our understanding that the cost of the raw grain material is in most instances a minor part of the final cost of the product. For example, we hear that if the price of wheat were doubled, the added cost to a loaf of bread would be in the vicinity of another penny. To some degree we think this would hold fairly true across the whole spectrum of grain-related foods.

In addition to demanding higher prices for their products the farmer needs to demand that the government reduce the tax and regulation costs imposed on the businesses that handle foodstuffs. The farmer must also demand that the government actively discourage outrageous union labor demands upon the industries that purvey the nation's food.

In short, we think that the nation's farmers can gain 100% of parity in the market place without a large jump in overall food costs to the American consumer. We think that the farmer will receive a price that would represent 100% of parity provided the government is as interested in the farmer as it is in the big labor organizations.

A step toward helping the farmer gain a fair price for his products might be for somebody in the federal bureaucracy to develop some common sense in the Environmental Protection Agency. Possibly a drastic reduction in the powers of OSHA to harass industry and businessmen would see a reduction in farm costs as well as costs to all consumers. It might be possible that a comprehensive and fair tax program would be instrumental in bringing about a balance between the farmers selling and buying.

Really the things the government could do to restore the economic balance on the farm are almost legion. The question is will they do it in time to save American agriculture. We hope the demonstration in Washington is a catalyst toward that end.

## County Issues Checks To Fire Departments

Parmer County Commissioners voted on January 9 to issue a check for \$2500 each to Bovina, Farwell and Lazbuddie for county fire protection.

They also decided that compensation for county employees and officials be on a salary basis for the year 1978.

In other business it was decided that the January Term of Court be set from January 1 through June 30 and that the July Term of Court be set for July 1 through December 31. A \$30 renewal for "Information on County Gov-

ernment" was approved along with a \$550.88 payment for the 1978 dues to the Panhandle Regional Planning Commission.

The fourth quarter report as presented by the county treasurer was approved.

A check in the amount of \$426.68 to the Texas Association of Counties for Unemployment Compensation for the first quarter of 1978 was approved.

It was decided to advertise for a new half-ton pickup for Precinct 1.

## Charlie Jefferson Buried Wednesday

Funeral services for Charlie Jefferson, 78, of Bovina were conducted Wednesday in Bovina Church of Christ with Cecil Bunch, minister, officiating. Burial was in Bovina Cemetery under the direction of Parsons-Ellis Funeral Home in Friona.

Mr. Jefferson died Monday. He was born in Tarrant County and had lived in Bovina 57 years. He married Lorene Robards in 1929 at Clovis.

He had served as county commissioner of Parmer County Precinct 2 since 1950.

Surviving are his wife, two daughters, Mrs. William Gromowsky of Bovina and Mrs. Dick Green of Denver; two sisters, Mrs. Mattie Randall of Albuquerque and Mrs. Gene Lamb of Memphis; a brother, Harry of Paris, Ark.; four grandchildren and two great-grandchildren.

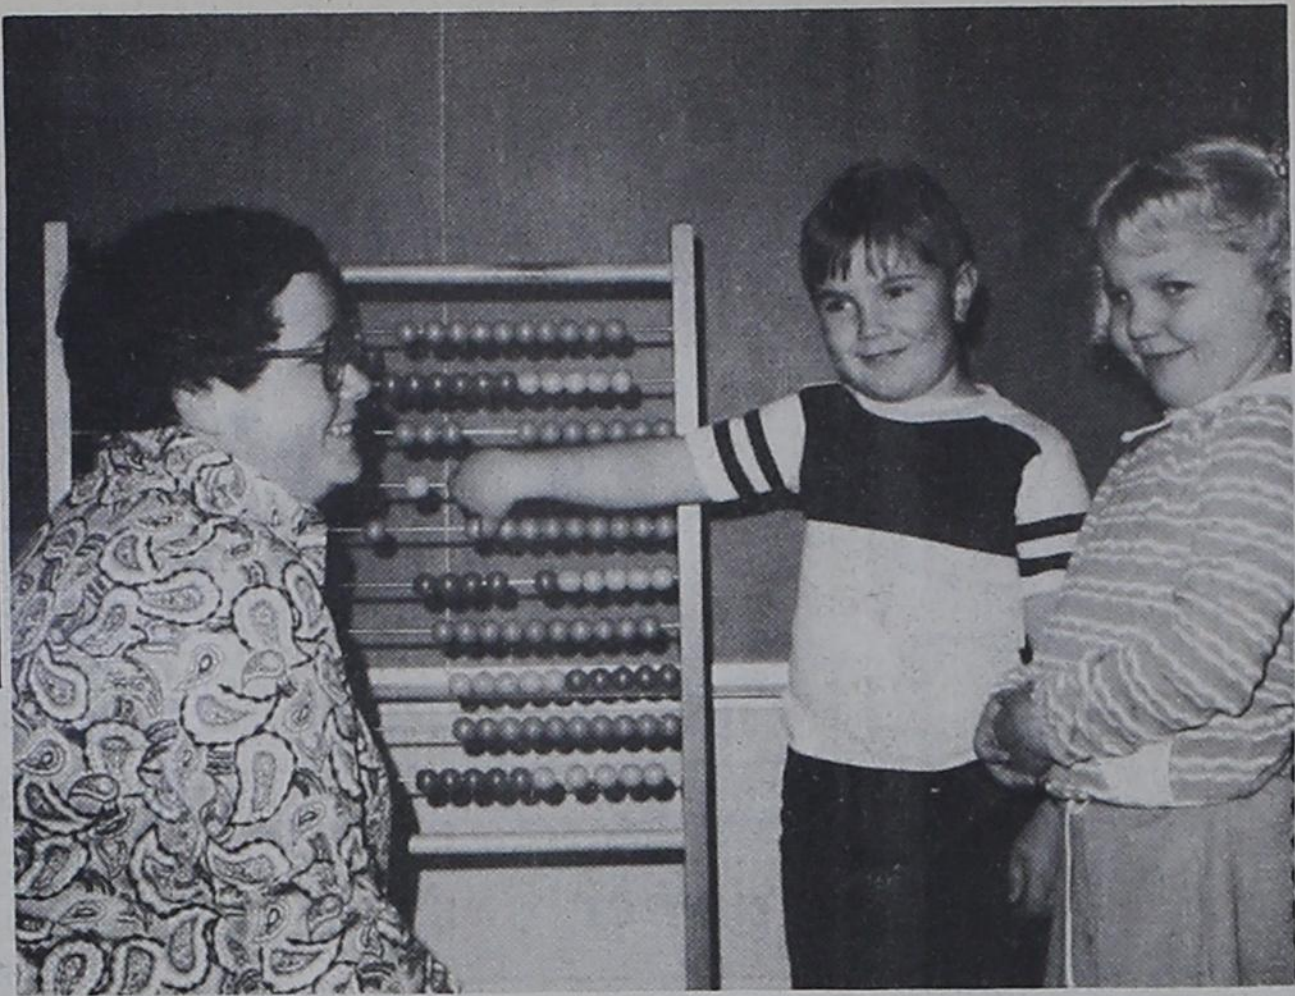

Pallbearers were Elvin John-

ston, Paul Fortenberry, Loyd Killough, Billy Marshall, Jim Briggs and Buck Lloyd.

### Services Held

Graveside rites were held Tuesday afternoon at the Portales cemetery for Matthew Jack Kirkland, infant son of Mr. and Mrs. Jack Allan Kirkland of Farwell. Matthew Jack was stillborn Sunday, Jan. 15, at the Portales hospital.

The family services were conducted by Rev. Lewis Johnson of Clovis, pastor of the West Camp Baptist Church. Survivors other than his parents include a twin sister, Kaci SuAnn; grandparents, Mr. and Mrs. Jack Kirkland of Farwell and Mr. and Mrs. Richard Hart of Abilene; great-grandparents, Mrs. Andrew Green of Clovis, Mrs. Della Kirkland of Amarillo, and Mr. and Mrs. Thomas Cooper of Abilene; and a great-great-grandmother, Mrs. Bessie Calloway of Spearman.

### First Lesson

Alice Richmond, who is beginning her fourth year as Texico kindergarten teacher, is giving an abacus lesson to Terry Whitener, son of Mr. and Mrs. Howard Whitener, and Monia Ann Potts, daughter of Mr. and Mrs. Walter Potts. The first classes for the 32 five-year-olds began January 12. They will attend all-day sessions in keeping with the regular school schedule.

### Around The Twin Cities

Parmer County Commissioners Court will convene Monday, Jan. 23, at 11 a.m. CST in the county courtroom.

Texico City Council will meet Tuesday, Jan. 24, at 6:30 p.m. MST in the City Hall.

A public hearing will convene at Farwell City Hall Tuesday, Jan. 24, at 6 p.m. CST regarding a variance to the zoning of the City of Farwell to allow parking of a mobile home on lots 31 and 32, Block 41.

Of course, he admitted, there is the problem of having the five-year-olds tire faster than their older counterparts, but he felt that once they get used to the new schedule "they will be okay." He added that that is why many school systems adopt the all year routine broken into half-day classes.

Herrington explained that last year was the first school year in which Texico operated only one semester of kindergarten beginning in January. In previous years the special classes for five-year-olds were conducted from as few as

three weeks to the present schedule.

"It seemed that each year the classes were extended until we evolved to this routine," Herrington said.

Students in Mrs. Richmond's class include Angelic Cardoza, Todd Cash, Leonor Chavez, Visty Curry, Amanda Easley, Leshila Harpold, Kelli Hicks, Louie Judah, Teresa Meier;

Also, Monia Ann Potts, Brian Powell, Jeanette Robinson, Monica Salguero, Ryan Spearman, Jennifer Williams and Terry Whitener.

Mrs. Runyan's pupils are Rosalba Anaya, Valerie Cavallero, Jason Christian, Leslie Cox, Tiffany Dickerson, LaShana Foreman, Lisa Harrison, Karen Horner, Bryon Martin;

### FIRE CALLS

Farwell Volunteer Fire Department answered a call January 11 to a small butane fire south of the Joe Blair residence in Farwell. The hose of the butane tank burned, but no other damage was reported.

Tuesday night the ambulance transported a local woman to the hospital in Muleshoe.

Texico Volunteer Fire Department did not report any fire calls or ambulance calls this week.

# Texico's This, That And The Other

By Tonye Harrington

Mr. Schwartz' class has a new tree crab to add to their aquarium. The class is working on a play entitled, "The Toothache Mystery."

Several elementary students attended a Baptist GA Convention at Melrose Saturday, Jan. 14. They were accompanied by Mrs. George Hill and Kim Pearce.

Science Fair Projects began last week. The Science Fair will be March 9.

Coach Paul Tolliff's 105 8th grade class is starting on history projects on the subject of colonial era.

The first and second grades are making winter pictures.

A Monster Make-Up program, sponsored by Texico National Honor Society, will be presented to the students, and anyone else who wishes to see, January 25, at 1 p.m. Prices are 25 cents for elementary students, and 50 cents for junior high students, high school students, and visitors.

Whit's photographers will be at Texico on Wednesday, Jan. 25, to take group pictures.

Class officers, class favorites, Mr. and Miss THS and attendants, FFA, Student Council, publications, bus drivers, cooks, custodians, and Chess Club will be among the groups photographed.

Thirty-two students enrolled in kindergarten last week. Mrs. Alice Richmond and Mrs. Denise Runyan will be teaching the two groups.

The FFA Parliamentary Procedure team gave a demonstration at the Texico Women's Club monthly meeting on Monday.

A new, non-school sponsored organization, Young Christian Athletes, had their organizational meeting Friday after school. Approximately 15 people attended. Officers were elected, including:

president, Farril De-For; vice-president, Howard Horne; and secretary-treasurer, Karen Hadley. Also, a program committee and a publicity committee was formed. Coach Billy Carlyle is acting as advisor for the group. To be eligible for membership, a student must participate in at least one sport and be in grades 9-12. High school cheerleaders may also join.

## President's List

Mark Howard, son of Mr. and Mrs. W.D. Howard of Texico, and a freshman at West Texas State University, achieved a 4.0 grade point average for the fall semester, and has been named to the President's List. Mark is a 1977 graduate of Texico High School.

# 1977 Wolverine Yearbook Receives A-Plus Rating

The "1977 WOLVERINE," the Texico School yearbook, received an A-plus rating from the National School Yearbook/Newsprint Association, it was learned recently at Texico High School.

The yearbook received a total score of 961 points from a possible 1000. The book was judged according to the principles of good yearbook practice. "The A-plus yearbook is reserved for those A books that the judge feels is deserving of special recognition," reports Jim Davidson, director of the NSY/NA.

Proficiency points are given to books displaying unusually high standards of excellence in the areas of coverage, copy, photography, design, cohesion, and creativity. The 1977 WOL-

VERINE received extra points in the copy and design areas.

Staff members of the yearbook included: Larry Rolan, Joe West, Jackie Reid, Mark Howard, Don Cherry, Richard Hadley, Mike Snodgrass, Mike Williams, Deborah Stephens Autrey, Becky Potts, Charlene Whitener, Justin Gaddis, Charlie Smith, Ken Richardson, Floyd Cherry, and Doug Osborn. Mrs. Katherine West is the advisor.

"We are very pleased with the results of the annual critique since the 1977 WOLVERINE was our special 75th anniversary historical book. The judges even count misplaced commas, so the book

was closely judged. We had a few photography problems, but many of the photographs were copies that student photographers made of some very old pictures," said Mrs. West. "We have received several 'A' scores before, but this staff is the first to have scored an A-plus," she added.

## Portraying Area Homemakers

By Shirley Gorman

Mrs. Ed (Brenda) Goode of Texico, our area homemaker this week, is a friendly and

gracious woman who loves people. The former resident of Jonesboro, Ark., — a city the size of neighboring Clovis, is very happy to be in Texico.

### Busy Homemaker

Mrs. Ed (Brenda) Goode of Texico, our homemaker this week, keeps very busy holding down two jobs in Clovis, running a household, and in her spare time she likes to do macrame. One of the finished products is the plant hanger she is holding. The Goodes moved to Texico two years ago from Jonesboro, Ark.

### Texico Woman's Club Has Program

Texico Woman's Club met Monday night in the home of Mrs. Arlye Crooks with Mesdames Howard Leavell and Truman Kittrell serving as hostesses.

Eddie West, Texico Vocational Agriculture teacher, and the Texico Freshman parliamentary procedure team conducted a demonstration of correct parliamentary procedure for the club members. Team members include Allen Hall, Dwight Brown, Montie Powell, Jimmy Love, Richard Flowers, John Kelley and Ricky Foreman.

During the business session members decided to make renewed efforts to sell their cookbooks. It was also reported that they are collecting

used wigs for the M. D. Anderson Clinic in Houston. Anyone wishing to donate a wig is asked to contact Mrs. Crooks.

Those present were Mesdames O.B. Coffey, Howard Leavell, Truman Kittrell, Raymond Hadley, Ronnie Curry, Lewis Cooper, Mike Spearman, Joe Caywood, Arlye Crooks, Lonnie Tharp, and Aileen Teel.

A health department representative will be the guest at the February meeting.

Members met last month in the home of Mrs. Louise Engram for an exchange of gifts and a Christmas program. Mrs. Engram played the piano and everyone sang carols.

### 50 Years In Ministry

### Luncheon To Honor Rev. J.J. Terry

Rev. Jesse James (J.J.) Terry of Bovina, who has twice served as pastor of Oklahoma Lane Baptist Church, will celebrate his 50th anniversary as minister and pastor for the Southern Baptist Convention on the fifth Sunday of January, 1978.

The actual celebration though will be held Sunday, Feb. 5, at the fellowship hall of the Bovina Baptist Church, where Rev. Terry is assistant pastor.

All friends and relatives of Rev. Terry are invited to bring a covered dish and to enjoy the luncheon and fellowship. Visitation will be conducted throughout the afternoon.

Rev. Terry was baptized, licensed and ordained to the ministry of the Southern Baptist Convention at the Whiteflat Baptist Church in Whiteflat, Tex. He preached his first sermon on the fifth Sunday in January, 1928.

During the 50 years, he has served as pastor at the following Baptist churches: Dickens, Dry Lake and Friendship (all half time churches), 1935-36; Oklahoma Lane, 1936-39; Whiteflat, 1940-43; North Grosebeck, 1944; Oklahoma Lane, 1945-50; Grady, 1950-55;

Also, Dora, 1955-59; Enochs, 1959-65; Spade, 1966-71; Hedley, 1971-75; and Bovina, 1977 (assistant pastor).

"The people have all been so friendly to us," she said. The Goodes were transferred to this area two years ago when the Texas International office in Jonesboro was closed. Goode is the manger of TI in Clovis.

"We had a choice of here or Dallas," Mrs. Goode said, "And we certainly did not want to live in a big city. We have never regretted the move," she said.

The Goodes have three children — Eddie, a college student in Jonesboro; Barry, a sophomore at Texico High School; and Beth, a sixth grader at Texico Junior High.

The eldest son was a senior in high school two years ago when the family was notified that Goode was being transferred. "Rather than disrupt his education we decided to let Eddie live with his grandparents and finish school there," Brenda explained.

Now Eddie is planning to enter the pharmacy school in Little Rock, Ark. "The competition is very stiff," Mrs. Goode explained, adding, "Only 36 students are accepted each year."

The move to Texico required many adjustments according to our homemaker. Arkansas had always been home to them and they were used to living only 600 feet above sea level. Upon settling in Texico the new arrivals had to adjust to the "high altitude."

"After making the adjustment we realized that we actually feel better in this part of the country," Brenda said.

When they first moved to this area they started encountering people who always waved at them, she said. "At first we thought they were confusing us with someone else, but later we came to realize that everyone is friendly here."

It helped the newcomers make the adjustment. And thus far living in Texico has been a good omen for the Goodes.

Our homemaker says Barry enjoys school and especially likes playing football for the Wolverines. Beth had a few more problems getting settled into her new school, because for her the transition was not only from state to state, but also from a grade school atmosphere to a junior high school setting. But so far things are working out.

About a year ago Brenda says she decided the children were old enough for her to go back to work. As a result she is now employed at a rent-a-car firm in Clovis, a job which keeps her busy. Recently she also took on another task — that of cleaning the airplanes which lodge overnight at the Clovis airport.

It requires a lot of work keeping abreast of two jobs and running a household, but somehow Brenda manages to find the energy and the time to get things done.

Another member of the family who has recently been in the limelight is Dia, a female Doberman pinscher, who shocked everyone by giving birth to 14 puppies. In spite of the fierce reputation

all Dobermans seem to have, Dia is a "pussy cat," if you will pardon the expression. She is very, very friendly and gets along great with everyone, including children.

However, Brenda says that Dia and a neighbor's cat have a running feud going as the fearless and somewhat reckless feline invades Dia's yard just to steal her food. Naturally the Doberman is not about to put up with that so the stage is always set for a confrontation or two between these two beasts.

Brenda says that Dia is so alert that even when she's asleep inside the house she knows that the cat has come into the yard.

According to our homemaker Dia is basically a house dog and very good watch hound. "I am glad to have her because Ed sometimes has to be away from home for a few days at a time," she said, adding, "Dia is an extra bit of security."

Whenever she has free time our homemaker likes to do macrame and work in the yard. This past summer they kept a garden and she canned and put up lots of pickles and taco sauce for the first time.

Our homemaker has three recipes which she has consented to share with our readers.

#### ICE BOX SALAD

Prepare 1 large strawberry gelatin as directed and let set until firm.  
Cream together:  
1 8 oz. cream cheese  
1 c. sugar  
Mix with set gelatin then add:  
1 c. pecans (chopped)  
1 c. mandarin oranges, drained  
1 c. crushed pineapple, drained  
3 bananas sliced  
1 c. miniature marshmallows  
2 c. coconut  
Let set until firm.

#### WASSITY

1½ lbs. lean ground pork  
1½ lbs. lean ground beef  
1 stick oleo  
½ lb. cheese (any kind)  
2 cans cream of mushroom soup  
2 pkgs. bow tie noodles  
Mix together pork and ground beef with butter. Add soup and cheese. Then add cooked and drained noodles. Put in large baking dish and top with corn flakes. Bake at 350 degrees for 30 minutes.

#### STRAWBERRY PIZZA

crust:  
1 stick oleo melted  
¼ c. powdered sugar  
1 c. plain flour  
Mix and press into pizza pan. Bake at 350 degrees for 10-13 minutes.  
Filling:  
8 oz. cream cheese  
1 can Eagle Brand milk  
Cream together and add ½ c. lemon juice.  
Topping:  
2 pints strawberries (sweetened)  
3 or 4 T. corn starch  
Cool until thick. Top with whip cream.

## Farwell Class Of '70 Gathers For Reunion

The 1970 graduating class of Farwell High School held its reunion December 23 at the school cafeteria.

Decorations included highlights of the school days in snap shot display, a blue and gold decorated Christmas tree, a mural depicting the seniors - yesterday, today and tomorrow.

The atmosphere and decorations provided the informal setting for visiting with classmates, spouses and guests.

Debra Redwine, Lazbuddie, and Sheila Howarter, Albuquerque, called the class roll, with each member present giving a brief summary of the

events in his or her life since May, 1970. Greetings were also read from those unable to attend.

A brief business meeting was conducted in which it was decided to conduct the 10-year reunion during the Christmas holidays of 1980. Ruth Ann Bennett of Farwell was elected chairman of the event.

Those attending from Farwell were Messrs. and Mmes. Gary Davis, Ricky Bennett, James Chadwick, Bobby Foster, Carl Goettsch, James Sides, J.R. Sewell, Mark Williams, Eddie Winegeart and Jay Herington.

Attending from out-of-town were Messrs. and Mmes. Bobby Redwine, Lazbuddie; Doug Harriman, Coahoma, Tex.; Tim Martin, Clovis; Dale McCleskey, Ruidoso; Donnie Carthel, Debuque, Iowa; Will Stalcup, College Station; Wilton Cox, Monahans; Meredith Anderson, Laguna Park, Tex.; Cheryl Boling, Hereford; Sheila Howarter, Albuquerque; and Bob Wiman, Lubbock.

Guests present were Dan Prince, Lubbock; Mr. and Mrs. Bobby Chadwick, W.M. Roberts, superintendent; Mr. and Mrs. Bob Anderson, class parents; and Mr. and Mrs. Jerry Owen, class sponsors, all of Farwell.

## Ellen Wurster Gives Program

Eunice Crume and Lillian Aldridge co-hosted the Monday night meeting of Farwell Study Club which was held in the home of Mrs. Aldridge.

Ellen Wurster presented a program on hidden talents. Several items which people have made were on display.

Refreshments of sandwiches, cookies, coffee and punch were served to Gertie Foster, Ophell McDonald, Ellen Wurster, Jewell Scott, Carrie Christian, Julia Symcox, Mrs. Aldridge and Mrs. Crume.

MR. AND MRS. LEWIS COOPER

## Ann Ledbetter, Lewis Cooper Wed In Double Ring Ceremony

Ann Ledbetter and Lewis Cooper, both of Texico, were married Tuesday, Jan. 10, in the prayer room of Central Christian Church in Clovis. Richard Sutherlin, senior minister, officiated at the double

ring ceremony witnessed by family members and close friends.

Parents of the couple are Mr. and Mrs. Joe Caywood of Texico and Mr. and Mrs. M.M. Cooper of Portales.

Attendants were Mr. and Mrs. Bill Thigpen of Texico.

The bride wore a floor-length gown of deep mauve styled with long sleeves and a sweetheart neckline accented with drape which fell to the hem. Her cultured pearls were borrowed from her sister, Mrs. Gene Arnold of Clovis, and she wore a pink carnation corsage.

Guests were registered by June Arnold, niece of the bride, and Marsha Wright, niece of the bridegroom.

The Clovis home of Mr. and Mrs. Arnold was the scene of a reception for the couple. The table was covered with a lace cloth crocheted by Mrs. Caywood and underlaid with pink. Centering the table was the three-tiered cake baked and decorated by Mrs. Arnold. Misses Debbie Ledbetter and

Terry Vinson, daughters of the couple, served. Also assisting were Mrs. Alvin Rolan of Texico, sister of the bride, and Mrs. Gerald Wright of Clovis, sister of the bridegroom.

Out-of-town guests in addition to Miss Ledbetter of New Mexico Tech at Socorro and Miss Vinson of Gallaudet College in Washington, D.C., included Ricky Ledbetter of Portales, son of the bride.

Mr. and Mrs. Cooper are making their home in Texico where he is employed with Helton Oil Company and Mrs. Cooper operates Texico Variety Store.

## To Austin

Mr. and Mrs. W.M. Roberts, Farwell, were in Austin last week where Roberts, Farwell School Superintendent, attended the School Administrators Advisory Conference on Education. While there they also visited their grandson, Rodney Roberts, and Mr. and Mrs. Tom Coburn.

James Craig, Farwell Schools administrative assistant, was also in Austin last week to attend a Tax Assessors-Collectors conference.

## Oklahoma Lane HD Elects New Delegates

Oklahoma Lane Home Demonstration Club met January 12 in the home of Mrs. Roy Donaldson. They appointed committees for the coming year and elected Nelda Wilhite and Susan Franse as delegates to the Parmer County Home Demonstration Council, replacing Beverly Foster and Lucy Cenicerros who resigned.

Members also compiled the yearbook and planned programs for this year.

Refreshments were served to Mesdames Mike Camp, Johnny Curtis, Billy Dollar,

Buddy Foster, Bobby Foster, Jimmy Franse, Jimmy Mace, Robin Mahaney, Ben Mesman, Vernon Symcox, Terry Travis, and Delton Wilhite, and Laura Jacobs, assistant county extension agent.

The next meeting will be January 26 in the home of Mrs. Delton Wilhite.

## Family Night Party Held At West Camp

The West Camp Community held its monthly family night get-together Saturday at the community center with Mr. and Mrs. Wilbert Kalbas and Mr. and Mrs. Dean Hukill serving as host couples.

Those attending enjoyed various card and table games, and refreshments of cookies, cake, pie, punch and coffee.

C.E. Grant, committee chairman, acknowledged the host couples and asked for volunteers for next month.

Mrs. Robert Hunt, treasurer, reported that the community garage sale made \$110 and a donation of \$468 was received from Beck Gin - C.E. Grant. Community residents voted to purchase card tables and chairs for the community center.

Attending were Messrs. and Mmes. Ernest Ramm, George Wheeler and Curtis, Jimmy Carpenter, Willis James, Raleigh Mason, Bob Byrd, Joe Sinnacher, Barry Wilson and Brandon, Robert Hunt, Boyd Landers, Dalton Harris and Guy Austin.

Also, C.E. Grant, Kevin and Laurie, Mrs. Alline Bell, Dusty Rhodes, Weldon Kriegel of

Bovina, and the hosts and families, Mr. and Mrs. Wilbert Kalbas, Sharon and Alan, and Mr. and Mrs. Dean Hukill and Dana.

### Correction

In the story about the Friendship Sunday School Class in last week's paper, a line of copy was inadvertently omitted.

The story should have read: The Friendship Sunday Class of First Baptist Church in Farwell met Monday in the home of Estellene Billington of Farwell for a covered dish luncheon.

Service Program January 11. Mrs. Dee J. Brown was in charge of the presentation on the north central missions.

Nora Day presided over the business meeting during which it was decided to plan a luncheon February 13 for all the senior women in the church.

Those attending were Mesdames Harvey Hudnall, Olan Schlueter, Dee J. Brown, Mary Dorris, Vernon Kirby, Barney Kelley, Ophelia Billington, Joel Henry, Nora Day and Anson Bowers.

Mrs. George Hill gave a report on the supplies needed

for children's homes and camps.

On January 4 the WMU held a Bible study. Mrs. Kelley was in charge of the program entitled, "Growing In Power and Persistence."

Mrs. Day conducted the business meeting.

Those attending were Mesdames Hudnall, Brown, Kirby, Horne, George Hill, Phill Elliott, Day and Bowers.

## Daughter Born To J. Kirklands

Mr. and Mrs. Jack Allen Kirkland of Farwell announce the birth of a daughter, Kaci SuAnn, born Sunday, Jan. 15, at the Portales hospital. Kaci is a twin of Matthew Jack Kirkland who was stillborn.

The young lady weighed six pounds, four ounces at birth and was 19 inches long.

Maternal grandparents are Mr. and Mrs. Richard Hart of Abilene and paternal grandparents are Mr. and Mrs. Jack Kirkland of Farwell. Great-grandparents include Mrs. Andrew Green of Clovis, Mrs. Della Kirkland of Amarillo, and Mr. and Mrs. Thomas Cooper of Abilene. Kaci also has a great-great-grandmother, Mrs. Bessie Calloway of Spearman.

Kaci and her mother Reba are reported to be doing fine and are expected to be home Thursday or Friday.

SLOW COOKING gives stew beef the taste of stroganoff and a "can't wait to eat" aroma. Served in a noodle ring with a molded carrot salad, Beef Blanquette provides a hearty summer meal. Texas Department of Agriculture home economists suggest a light dessert of cold sliced peaches. (Photo from National Livestock and Meat Board)

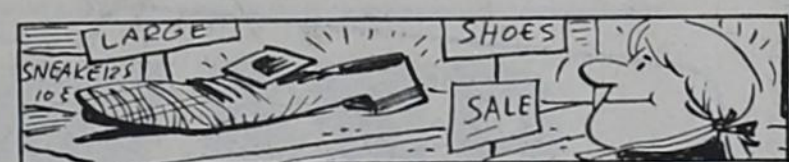

### BEEF BLANQUETTE

- 1 1/2 lb. boneless beef for stew, cut in 1-inch pieces
- 1/4 c. flour
- 2 tsp. salt
- 1/8 tsp. pepper
- 3 T. lard or drippings
- 1 bay leaf
- 1/4 tsp. nutmeg
- 12 small whole onions
- 1/4 c. water
- 1 package (16 ounces) fine noodles, cooked and well drained
- 3 T. melted butter or margarine
- 1 can (4 1/2 ounces) whole mushrooms, drained
- 1/4 c. sliced stuffed olives
- 1 c. dairy sour cream

Combine flour, salt and pepper. Dredge meat in seasoned flour. Brown in lard or drippings. Pour off drippings. Add bay leaf, nutmeg, onions and water. Cover tightly and cook slowly 2 1/2 hours or until meat is tender. Combine noodles and melted butter or margarine. Pack in a greased 1 1/2-quart ring mold. Place in a slow oven. (300°F.) 10 to 15 minutes. Discard bay leaf from beef mixture. Fold in mushrooms, olives and sour cream. Cook just until heated through. Unmold noodle ring. Garnish with parsley and fill center of ring with meat mixture. 6 servings.

For additional beef recipes, write the Texas Department of Agriculture, John C. White, Commissioner, P.O. Box 12847, Austin, Tex. 78711.

Thomas Jefferson's shoe size was 12 1/2.

## Band Calendar Project Termed 'A Success'

"The 1978 Farwell Band Calendars have been delivered and the money making project is a success," reports Pat Rose, project chairman. If anyone has as yet not received their calendar or has detected an error, they are asked to contact Mrs. Rose at 481-3633. She said she feels that the high school band students did a "great job" selling the ads

and names, considering it was the "first time they had ever done this."

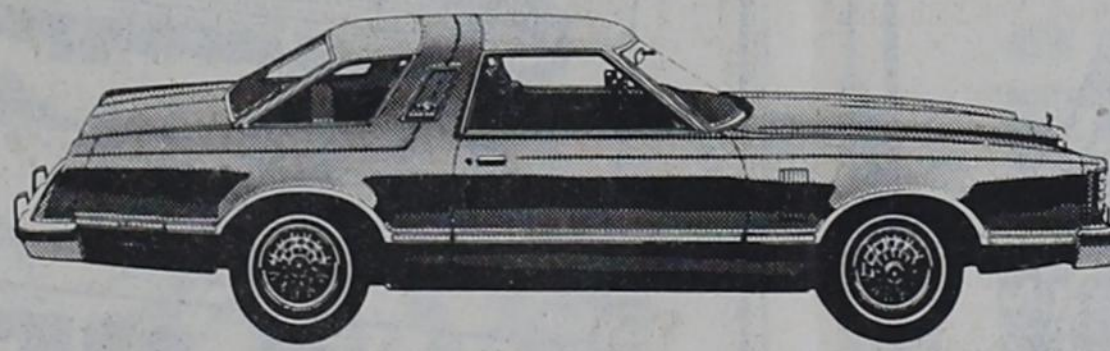

Mrs. Rose extends her thanks to everyone who helped to make this year's drive a success.

She is not sure of the exact amount but she said that approximately \$1000 would be utilized to purchase equipment for the school bands.

## This I Know - - -

by Leonard Harper  
Minister  
Farwell Church of Christ

"EMOTIONAL DEPRESSION is developing into an epidemic." This is the conclusion of Dr. Harold M. Visotsky, chairman of the department of psychiatry at Northwestern University.

In support of conclusion, he said, "An individual cannot live in a condition of emptiness for very long. If a man is not growing toward something, his potentialities stagnate. They turn into morbidity and despair, and eventually into destructive activities."

The true Christian will not be troubled with emotional depression. He knows that "things", such as money, cars, houses, and clothing, are important; but he also knows that these are not the whole of life. He knows that "An empty life filled with things is just as empty still."

CHRIST SAYS, "Take heed, and beware of covetousness: for a man's life consists not in the abundance of the things which he possesses. (Luke 12:15).

A life can be filled with the true, and the good, and the worthwhile. One's thoughts, actions, aims and goals can be meaningful and fully satisfying. When a life is so filled, there will be no "emotional depression."

A life of obeying God's instructions will be a strong, buoyant, joyful, effective and thoroughly sufficient one. It will be devoted to the glorification of God, and moving toward heaven.

**Steers Compile Perfect District Record**

According to the nursery rhyme, little boys are made of "nails and snails and puppy dog tails," but lately the Farwell Steers proved they were made of sterner material

as they corralled arch rival Kress Friday night, 62-43, and browbeat Vega Tuesday, 57-45, to claim their ninth consecutive win, upping their District 3-A record to 3-0.

The children's lyric also repurposes girls to be made of "sugar and spice and everything nice," but things were not so nice for the Farwell Steerettes Friday as they fell to Kress, 58-49. They also lost to Vega on the Farwell court Tuesday night, but no report of the game from the coach was available.

well when we needed to and I was pleased with that part," he continued.

He cited Jones, Kelley and Watts with "doing a fine job." High scorer in the Vega conflict was Jones with 26 followed by Chandler, 15, and Kelley, 10. Also adding points were Clay Roberts, Robin Roberts and Watts, 2 each.

In the first quarter the Vega Longhorns edged ahead by one point but in the next act the Blue and White took the lead, maintaining it throughout the game by a substantial margin. "The boys played well," Roanhaus said. "This was a very important district game for us."

He cited the following players with "doing a good job:" Russ Jones, Rowdy Chandler, Keevin Kelley, Kayle Watts, Clay Roberts, Vick Christian and Robin Roberts. "It was a team effort and a great win for us," he said.

In the Steerettes' loss to Kress, Paula Christian made 29 points followed by Jamye

Berry and Yalonda Martin, 10 each.

Christian also led in rebounds with 7.

Farwell Junior Varsity Boys took on Hart Tuesday of last week, winning by a comfortable 69-40 margin.

High scorers were Mark Owen, 23, and James Castleberry, 22. Also adding points were Radney Robertson, 16, Craig Kaltwasser, Max Lonsdale and Richard Carpenter, 2 each.

Robertson led in rebounds, making 14, followed by Owen with 12.

After that match the boys JV were 1-0 in district competition. They won over Vega Tuesday night, but no game reports were available from the JV coach.

The Steers, Steerettes and JV girls will travel to Bovina tonight (Friday) to meet the Mustangs in district play. The varsity girls and boys and JV boys will host Springlake-Earth next Tuesday, Jan. 24.

**8th Girls Win Consolation**

Farwell 8th grade girls won two of three games in the Bovina Tournament last week to claim the consolation slot. However, the 8th Yearlings lost two games back to back and were eliminated as tournament contenders.

Tournament action opened Thursday with the girls falling to their Canyon "alter egos," 29-15. Points were earned by Donna Meeks, 4; Darrisa Ford, 3; and Ginger Ellison, Kay Geuther, Sharon Kalbas and Karen Magness, 2 each.

The local girls came back Friday to easily defeat their hosts, 35-20. Top point getters were Ellison and Magness with 8 each. Next on the scoring ladder were Kay Geuther and Donna Meeks with 6 each. Also scoring were Janene Berry, Tammi Lovelace and Johanna Mesman, 2 each and Kalbas, 1.

In the final tournament match the 8th girls blasted Tula, 40-14. Berry pumped in 20 points to help cinch the victory and the tournament berth. Others adding points were Geuther, 8; Magness, 6; Ellison, 4, and Meeks, 2.

In Yearlings' action the 8th boys lost to Friona, 32-27, in the first round of the tournament. Scoring for the local boys were David Daniel, 12; Waverly Coates, 6; Blake Bucheanu, 5; Dale Siles, 2; and Brent Green and Billy McClenney, 1 each.

Hart smashed Farwell, 44-34 in the second game. Daniel was high scorer with 14. Also scoring were Bucheanu, 7; Green, 4; Steve Smith, 3; and Coates, Bobby Silva and Nicky Liethen, 2 each.

Farwell 8th grade girls outslugged Kress Monday night, 41-25. But that was all the good news forthcoming from the junior high teams as

the 7th girls and 7th and 8th Yearlings each went down in defeat to their Kress hosts.

In the single junior high win Janene Berry pumped in 16 points and Karen Magness added another 10. Also scoring were Kay Geuther, 8; Ginger Ellison, Darrisa Ford, and Donna Meeks, 2 each; and Sharon Kalbas, 1.

The 7th girls lost to Kress, 30-16. Earning points for the local girls were Sandra Coates, 10; Kelley Davis, 4; and Jennifer Williams, 2.

Kress blasted the 7th Yearlings, 24-16. Those scoring points were Frank Cantu, 12; and Elcio Silva, 4.

The 8th Yearlings lost a heart-stopping game, 24-23. Point getters were David Daniel, 10; Blake Bucheanu, 7; Waverly Coates, 4; and Brent Green, 2.

Upcoming games include hosting Vega Monday, Jan. 23, and the January 26-28 Springlake-Earth Tournament for the 8th girls and boys.

# Varsity Girls Fall To Ft. Sumner

Texico varsity girls split games in their last two outings, as Ft. Sumner surpassed them January 10, 60-51, and they pulled out a thrilling overtime, 46-45, victory over Jal Saturday.

Dexter beat the varsity boys, 67-59, Friday and Jal rolled over the Green and White, 67-50, Saturday. The boys junior varsity team also fared dimly in their last two games as Dexter slipped past them, 47-43, Friday and Jal demolished the Green and White, 80-39 in Saturday's game.

For the girls Wolverines Tonye Harrington pumped in 15 points in the Ft. Sumner game, followed by Jana Jesko, 12, and Christi Harrington, 10. Others scoring were Flo Orozco, 8, and Teresa Turner, 6.

T. Harrington led in rebounds with 13. Teresa Turner and C. Harrington each made 7 rebounds.

Team totals were 21 field

goals and 9 free throws.

"The varsity girls played an excellent ball game," commented coach Kathy Culshaw. "They pressed all evening and worked hard to keep up with the fighting Vixens. The Wolverines led Ft. Sumner twice in the third quarter, but could not hold the lead. By halftime both Turner and C. Harrington had four fouls each," she continued. "We lost three starters before the game was over. Regardless of the end result the girls played well together. Jana Jesko had an outstanding ball game both defensively and offensively," Culshaw concluded.

High scorers in the Jal game were C. Harrington, 18, and T. Harrington, 16. Also scoring were Flo Orozco, 4; Teresa Turner, Lori Harrington, Sheryl Day and Celia Johnson, 2 each.

Leading rebounders were C. Harrington and Orozco, 11 each.

Team totals included 19 field goals, 8 free throws and 40 rebounds.

"The girls played together as a team," said Culshaw. "At times in the second quarter they had a 10-point lead. The game see-sawed back and forth until we were forced into overtime," she said. "This was probably the most exciting game I've ever coached," Culshaw said.

The Wolverines are 3-0 in district play.

\*\*\*\*\*

Steve Turner made 24 points against Dexter. Ricky Orozco added 12 to the board and others scoring were Duwain Hill and Keith Hadley, 6 each; Eloy Ortiz, 5, and James Barfield, 4.

"We should have won this game, but nothing seemed to go right," coach Billy Carlyle said. "No one played very well the whole game," he added.

In the Jal match Turner hit

the bucket for 20 points, followed by Hill, 12. Also scoring were K. Hadley, 8; Orozco, 6, and Don Duncan, 3.

"We didn't play very good team ball," Carlyle said. "That's what we missed in staying up with this team. They out rebounded us terribly on both ends and we took some shots that we shouldn't have. We should do better next time," he concluded.

\*\*\*\*\*

For the boys JV, Neil Haile and Britt Crooks each had 10. Others scoring were Jimmy Reid, Jim Van Soelen and Steve Doolittle, and Clyde Bibbs, 4 each; David Cavallero, 3; Lyndon Donahey and Steve Kittrell, 2 each. Leading rebounders were Reid, 8, and Haile, 7.

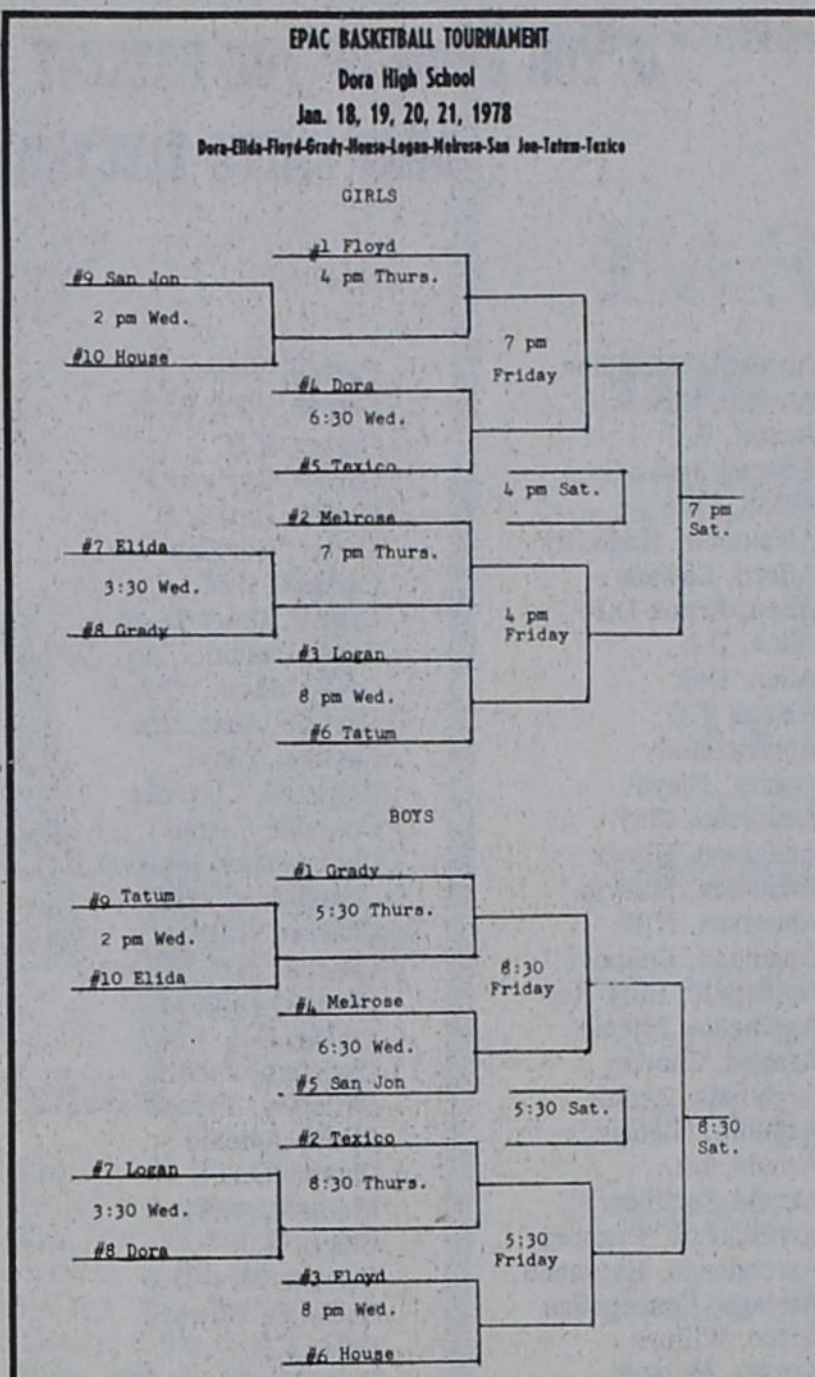

"We could have pulled this one out, but we should never have been in the position of playing catch up ball," Carlyle said. "I feel we were a much better team than Dexter."

In the dreary defeat to Jal future Wolverine point getters were Cavallero, 9; Doolittle, 7; Crooks, 5; Reid, Haile and Farril DeFoor, 4 each; Van Soelen, Kittrell and Jeff Tharp, 2 each.

"The Texico JV has not played a very good ball game since before Christmas," Carlyle said. "I hope we pull out of the slump soon. I think this same team could have beaten Jal by 20 points before Christmas."

\*\*\*\*\*

The varsity girls and boys were to begin EPAC tournament action Wednesday at Dora High School with the fifth-seeded girls taking on fourth-seeded Dora Wednesday evening. The second ranked Wolverine boys were to play the winner of the Logan and Dora match Thursday. Action concludes Saturday. Tickets for the remainder of the games are \$2 for adults and \$1 for students.

# 7th-8th Girls Slaughter Sacred Heart

Texico's combination 7th and 8th girls basketball team slaughtered Sacred Heart, Clovis, 42-12, Saturday at Texico gym. The future varsity players connected on 16 field goals and 26 free throws to claim the victory. The local girls easily took a 15-0 lead in the first quarter and the outcome of the conflict was never in doubt from that moment on. They are now 7-0 for the season.

Ruth Scott made 8 field goals and 15 free throws to help spur her team to the win. Others scoring were Tracy Dobbs, 9; Jo Hill, 4; and Lisa Crooks and Sharlet Taylor, 2 each.

Rebounds were made by Scott, 17; Dobbs, 10; and Jo Hill, 8.

"We played our best game of the year," coach Roy King said. "We lost to this same team last year as 7th grad-

ers," he continued. "Both Scott and Dobbs had outstanding games," he said.

A combined 7th-9th grade girls team swept past Ft. Sumner, Tuesday of last week, 33-22. Points were made by Lisa Coffey, 9; Schree Rucker, 8; Tracy Dobbs, 6; Scott, 5; Jo Hill, 2; Teresa Golledge, Lisa Crooks and Becky McDonald, 1 each.

Coffey with 8 was the leading rebounder.

It was the first game for the 7th-9th team who have a combination record of 6-0. Coach King called the match "one of our best games of the year." He added that Rucker and Dobbs had "outstanding games."

The 8th girls played Marshall Junior High, Clovis, Jan. 10, winning, 25-19. Scorers were Dobbs and Scott, 9 each; Hill and Jesko, 3 each; and

Esther Esparza, 1. Rebounds were made by Scott, 12, and Dobbs, 6. The 8th record is 4-1.

The 9th grade girls tackled Marshall last Tuesday, easily besting their opponents, 35-14. Scoring points were Lisa Coffey and Sonya Thigpen, 8 each; Berta Loera, 6; Delinda Duncan and Schree Rucker, 4 each; Carletta Fitz and Becky McDonald, 2 each; and Laura Horner, 1.

Coffey was high rebounder with 9.

"Our full court press and 2-1-2 zone defense were really effective," King said. "It was a game in which all of our players got to play the second half. Sonya Thigpen, Berta Loera and Teresa Morris played their best game of the season," he said.

## Local Woman Visits New Orleans; Tours City, King Tut Exhibit

By Shirley Gorman

For Estellene Billington of Farwell, the recent holidays which have taken their place in history will not soon be forgotten as they provided her with another opportunity to view the old and the new New Orleans, La., and to tour King Tut's exhibit which was on display at a local museum.

The coveted trip was an extra special Christmas present from her children who wanted to give their mother a truly memorable Christmas present. They succeeded. Mrs. Billington was thoroughly delighted to visit New Orleans again and she particularly enjoyed the ancient exhibit from the dawn of Egyptian history. The local woman brought back with her a book which not only tells the complete history of the discovery of the tomb of one of Egypt's early pharaohs, but also displays numerous pictures and explanations of all the items included in the exhibit, which has been touring the United States for several months.

In addition to viewing the King Tut display, Mrs. Billington also toured the fabled Bourbon Street in New Orleans and visited the old and new sections of the city, stopping to observe all the hobby shops, restaurants etc., that they could fit into their schedule. They even took a surrey (horse and buddy) ride through Old New Orleans, visiting the Spanish and French quarters. She also saw the stadium in which the recent Super Bowl was played, but they did not tour the actual facility, she said.

Main highlight of the trip was seeing the exhibit and Mrs. Billington said she was truly amazed at the workmanship of the artifacts shown. She explained that everything was sealed in special cases. Tour members wore radios around their neck and heard explanations of each article or item which they saw.

In order to visit the display, she said they had to stand in line three hours to buy their tickets. The weather was cold and after purchasing their tickets they had to wait in a tent before it was their turn to enter the museum, she said.

Strangely enough, when former president Richard Nixon visited Egypt in 1974 he and Anwar el-sadat expressed mutual interest in having the exhibit of King Tut displayed

in America. The details were eventually worked out and the end result is that the exhibit has been on display in various cities of the United States for the past several months.

Funds collected by the exhibit are to be used to renovate the Cairo Museum - home of the King Tut exhibit. The work will be done over a period of years and the preliminary plans call for installing a fire control system and reinstalling the Tut exhibit in larger quarters.

Tut's real name is actually Tutankhamun and the search for his tomb kept many scholars and adventurers busy for many years. After a ten-year search - marked by futility much of the time - Howard Carter discovered in 1922 the tomb of the pharaoh who had reigned in Egypt over 3,000 years ago.

The tomb was located in the Valley of Kings just a few miles west of the bank of the Nile. Scholars and archeologists began excavating for the tombs of pharaohs in the 19th century, and up to the discovery of Tut's tomb, 33 royal tombs had been discovered. Before Carter's discovery it was believed that nothing more of any consequence would be found in the Valley.

However, Carter, who had spent 30 years in Egypt, believed otherwise and it was his sheer determination and faith in his work which helped to bring about the discovery of the tomb of Tut.

Besides discovering the tomb of the young pharaoh, Carter also determined that the royal burial grounds have been ransacked twice - perhaps just a few years after Tut himself was laid to rest inside the walls. The thieves stole precious stones and the oils which were used to preserve the dead.

Tut ascended the throne of Egypt in 1334 B.C., during the 18th Dynasty at the tender age of nine. While still a youth he was married to Ankhesenamun, third daughter of the famous Nafertiti. Tut ruled for nine years and when approximately 18 or 19 years old, died. The cause of death was unknown and evidently unexpected because scholars believe that Tut's tomb was actually a commoner's tomb hastily converted at the last minute to house his royal body and possessions.

Among the items found in Tut's tomb and included in the exhibit in New Orleans were the mummified bodies of two

stillborn children, perhaps a boy and a girl; a painted wooden statue of the infant sun god at the moment of birth, and alabaster chalices and vases.

Other pieces in the display were a ceremonial chair, folding stool and imitation leopard skin seat and a golden buckle depicting Tut returning from a battle.

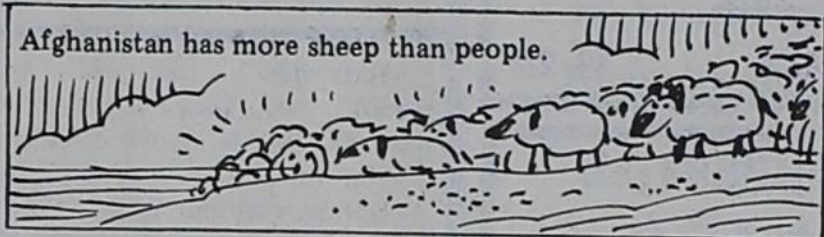

An ebony wood chair was decorated with ivory inlay. Since it was only approximately 28 inches high it is believed to be the chair Tut used as a child. Also shown were a crook and flail of the god Osiris, sometimes used by pharaohs for important ceremonies.

Mrs. Billington also viewed a gold collar inlaid with colored glass which was found on the chest of the mummy. Other objects included gold daggers, solid gold necklaces and numerous golden statues of Tut and other figures including a gold cobra which Tut evidently believed would help him in the journey in the underworld. A large barge probably towed for special occasions was also in the exhibit.

Visits King Tut's Exhibit

Estellene Billington of Farwell spent part of the Christmas holidays in New Orleans visiting the old and new sections of the city and touring the famous King Tut Exhibit. She was impressed with the expert workmanship of the objects she saw - all of which were centuries old. Mrs. Billington is holding a book which explains the history of the exhibit, King Tut's brief reign as pharaoh of Egypt, and all the items in the display.

## AN OPEN LETTER TO OUR FARMING FRIENDS

PIONEER HI-BRED INTERNATIONAL, INC.  
SOUTHWESTERN DIVISION  
BOX 788 • PLAINVIEW, TEXAS 79072 • PHONE (806) 293-5231

### An Open Letter To Our Farming Friends--

Charges are being made to the effect that Pioneer Hi-Bred International, Inc., is not sympathetic to the financial difficulties you are experiencing. I want to emphatically state that such is not the case. Nothing could be further from the true stand of Pioneer Hi-Bred International, Inc.

No company or organization is more aware of the contribution American farmers make to the economic health of the U.S. and to the survival of the world's population. In fact, Pioneer has spent untold manhours and dollars telling this story to the general public and to economic and governmental leaders...NOT for just the past four or five months, but from our company's earliest beginnings.

No company or organization is more aware of the economic pressures put on you, either. In fact, our success is directly tied to you. You're not just a customer. Many of you participate in the research that develops our products. Others of you help produce our seed. And then many of you also help market Pioneer brand seeds. To understand your problems is as basic to our business as is the research, production and marketing of our planting seed.

The man who founded Pioneer Hi-Bred International, Inc., dedicated his life to the welfare of the American farmer. It was our founder, Henry A. Wallace, who first produced and marketed hybrid seed on a large scale...which may be the greatest individual contribution in the history of agriculture. To suggest that the company he founded does not understand or support you, the farmer, is a serious error and a supreme injustice.

A letter written by an individual of the Garst and Thomas Hybrid Corn Company of Coon Rapids, Iowa--an independent company which distributes Pioneer brand products in Southwestern Iowa, Kansas, Nebraska, Colorado and Missouri--is being circulated among farmers. The comments in that letter do not reflect Pioneer policy and attitudes. The letter was NOT written by an official of Pioneer Hi-Bred International, Inc. It reflects ONLY the views of its writer.

I will not speculate about who is spreading this charge among you...or why it is being done. Farmers who know Pioneer, and the work we've done to support your cause, will know this charge is NOT true. If you don't know already, we hope you'll recognize that, through honest error or malicious intent, you are being misled if told that Pioneer Hi-Bred International, Inc., is not the farmer's friend.

Sincerely,  
*James W. Lindsey*

## FREEDOM LETTERS

An increasing number of Americans are trying to send a little bit of the "land of the free" to people in Russia.

They are doing so by sending letters to Soviet families and individuals--particularly dissidents, activists and people who want to leave Russia, and who have been told by the Soviet secret police, the KGB, "We can do what we want because the West has forgotten you." Letters from America can show the Kremlin our concern for freedom.

It costs only 22¢ to send an airmail and letters may be written in English. Anyone

MANY FAMILIES in Russia are heartened to receive letters from America, interested in participating in this program can write to Freedom Letters, 200 West 72nd Street, Suites 30-31, New York, N.Y. 10023 for free brochures.

**TWO MINUTES WITH THE BIBLE**

BY CORNELIUS R. STAM, PRES. BERLAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635

**"THE GLORIOUS LIBERTY OF THE CHILDREN OF GOD"**

We Americans have for many years celebrated our liberty as an independent nation on the 4th of July.

It does not follow from this, however, that all Americans are now free. Far from it! Think of the millions of alcoholics and drug addicts, bound with chains they only wish they could break. Think of the slaves to immoral passions, to violent tempers, to malicious backbiting, not to mention smoking and other habits they cannot control. No, the vast majority of Americans are slaves to - well, sum it all up in one word: *sin*.

If God is a righteous Judge - and He is - He must, of course punish sin. Rom. 6:14 says: "The wages of sin is death," but on the other hand, thank God, 1 Cor. 15:3 says: "Christ died for our sins." The Lord Jesus Christ was no sinner; He had committed no crimes; there was no wrong He had to pay for; He had no death to die. It was our death He died at Calvary, and we are saved from the penalty as we look at Calvary and say: "This

is not His death He is dying; it is mine. He is paying for my sin, I will accept this gift of God and trust Him as my Savior."

This is a wonderful truth: Death, the penalty of the law (i.e., the ten commandments) has no further claim on us. If it did we would be condemned all over again. This is why Paul says in Gal. 2:19: "I through the law am dead to the law." The law may put a man to death, but after that what can it do? Nothing. The law has put him to death (in Christ) and set him free from its own dominion.

Unsaved friend, God wants you to be free, really free. He Himself paid sin's penalty for you and wants you to rejoice in what Paul calls "the glorious liberty of the children of God." (Rom. 8:21), freedom from the condemnation of the law! Place your trust in the Christ who died your death and you will find how gloriously true it is that "If the Son therefore shall make you free, ye shall be free indeed" (John 8:36).

## Sewing Workshop Set Jan. 28, 29

A week-end workshop following the theme "Sew New for Spring/Summer 1978" will be offered at the Texas 4-H Center near Brownwood on Saturday and Sunday, Jan. 28 and 29. Assistant County Extension Agent Laura Jacobs notes that this week-end training opportunity is especially for adult 4-H leaders who assist youth in clothing and sewing projects.

Texas Agricultural Extension Service Area Clothing Specialist Mrs. Becky Culp of Amarillo will lead workshop instruction sessions. She will be assisted by three resource

instructors from the Abilene area. Topics for week-end participants include fashion trends for youth, fabric and notion trends, fashion/fabric coordination, sewing machine adjustments for today's fabrics, and contemporary sewing techniques.

Laura also points out that participants will need to take their own sewing equipment for use in the workshop sessions. For additional information about registration, Laura may be contacted at the County Extension Office, Courthouse, Farwell, phone 481-3619.

## SWCD News

Trees for windbreak planting need to be ordered by February 1.

Windbreak trees are available through the Parmer County Soil and Water Conservation District from the Colorado State Forest Service.

Most of the trees can be ordered either as bare rooted or as potted. The cost for the potted trees are \$12 for 30 trees. The cost on the bare root trees are \$16 for 100.

The top height on the conifers are: Bare root - 5'-12" top height, Potted - 4'-10" top height.

To participate in the program one must have at least two acres of rural land. Persons may make their orders known through the Soil Conservation Service in Friona.

We have received orders for over 1100 trees now. We plan to take orders for these trees up to February. If you are interested in these trees, come by the Soil Conservation Service or call the office number which is 247-2220 to make your order.

We expect delivery of trees to Friona in the mid of March through April.

overeater returns to gorging at the table.

People who eat small, frequent meals are more apt to lose weight than those who eat only one meal a day. Eating only one big meal a day makes dieters tired, irritable and unable to stay with the diet. Small meals give extra energy, let dieters feel satisfied, and they stimulate muscle formation while they depress fat formation.

Be concerned with your weight, but deal with it sensibly. You'll be better off in the long run.

Cookbooks, along with Bibles, were among the earliest books printed, and they still outsell any other kind of book.

**First "Comola"**

Edd Hardage of Farwell recently used two oak commode seats, the neck of an old guitar and lots of imagination and know-how to construct the "comola" he is holding. It is like any other electric guitar, except for the unique and somewhat irregular body design. It sounds just like a factory made model, too. Hardage, a long time musician, says he is never quite happy unless he is making music.

By Shirley Gorman

A commode lid is not particularly pretty -- however practical it might be -- nor is it useful for anything other than the original purpose it was designed for. But if an ordinary human being with an extraordinary imagination sets his mind to it, he can turn two very ordinary old oak commode seats into an electric guitar or "comola."

That is just what Edd Hardage of Farwell did. Of course, he credits his late brother Windbourn with conceiving the original idea -- based on a design he had seen. Then the musician in Hardage took over and in a few months he had built his first "comola."

The neck of the new instrument was salvaged from an old guitar. Everything was fastened together including the electrical cord and in short order Hardage had produced a guitar which sounds just like any other typical guitar.

Now that the "comola" is complete, including trial runs

to see how it compares with regular guitars, Hardage feels it is too heavy. Hence he plans to separate the two seats which he fastened back to back to make the original model. Perhaps the end result of this change will be still another "comola," but Hardage says he does not know for sure yet.

Besides the "comola" Hardage is equally proud of a few other pieces in his music collection, especially a 1904 pump organ which is almost like new.

He and his wife Juanita are musicians and together they often play for various functions, he manning the organ and she playing the piano.

They regularly play for the senior citizens in Clovis and Hardage says that once Dr. V. Scott Johnson of Clovis said, "you do them more good with your music than I do with a physical therapy program."

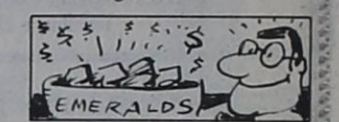

They enjoy playing and several times a year travel to locations in Colorado and elsewhere to perform for fairs etc. They also play locally.

Hardage broke into the music world years ago as a base fiddle player and he remembers many a gig with famous stars of country and western music. At one time he had his own band "Big Edd and the Joy Boys." Sometimes he still puts together a band of "joy boys" to play at fairs and other functions.

When he decided to give up the fiddle Hardage thought he was through with the world of music. But instead he found he missed it too much and took up playing the organ instead.

"I could never really stop playing," he said. "I just have to make music."

The Farwell man traded fertilizer for the first organ he ever owned. He is a self taught musician who thoroughly enjoys making music and having fun.

Some people believed that emeralds quickened the intellect.

**Texico Baptists To Show Special Film**

"Shiokari Pass," a new film from the producers of "The Hiding Place," will be shown at the First Baptist Church in Texico, corner of Hamlin and Turner Streets, on Sunday, Jan. 29. The one hour color release from World Wide Pictures will be shown once beginning at 6:30 p.m. MST.

"Shiokari Pass" is unique among World Wide Pictures productions. Although it has an English soundtrack, it was originally produced for showing to Japanese audiences. It was filmed entirely in Japan with a Japanese cast and crew, and depicts the delicate beauty of that country. The drama of the story unfolds against a backdrop of Japan's spring blossoms, snow-

capped mountains, and whispering native music.

A true story, "Shiokari Pass" is based on the international best seller by Ayako Miura. Nearly two million readers have been touched by this story of the abiding love of a young couple at the turn of the century.

Credited with creating a deeper understanding of the Christian faith among the Japanese people, the film tells

of the love of Nubuo for Fujiko, and of his willingness to be guided by his personal faith, no matter how great the cost of commitment.

From its gentle opening to its gripping, unexpected conclusion, "Shiokari Pass" is a profound demonstration of the power of love in one life.

Rev. Joel Horne, pastor, extends an invitation to each member of the community to attend this special showing

and added, "Shiokari Pass" is the kind of film that will be enjoyed and remembered by the entire family."

There will be no admission charge for the film program.

**In your home, electric and LP-gas appliances look alike. On your monthly bill, they don't.**

Appliance dealers will probably tell you that electric appliances cost less than gas appliances.

Fine. But running them month after month, year after year may be another story. Because that difference may quickly disappear when you compare operating costs.

Also, why not consider the many fine features offered by LP-Gas appliances: water gets heated quickly, clothes are dried to a fresh smelling fluff and when cooking you can adjust the flame instantly.

Whatever the job, it's done efficiently and dependably with the clean, blue Philgas flame. And because it's done efficiently, you just may end up saving money in the bargain.

Come by and let us show you all the ways LP-gas appliances can help you save. Because their real beauty is how they look on your monthly bill.
