Eight Inches - -

## Recent Snows Aid Area Agriculture

Since last week area farmers have received approximately eight inches of snow and slightly less than one inch of actual moisture. While the recent snowfalls may have proved inconvenient for city residents and travelers, they have been a godsend for area agriculture.

Parmer County Extension Agent Mack Heald said that while the moisture is "far less than we need" it is very beneficial to wheat and barley

crops. "The snow is also putting needed moisture under ground which will be great for summer crops," he added.

According to Heald, approximately six to eight inches of actual moisture are needed for area crops. "The recent weather is a good start," he said.

The first snow of the year struck the Twin Cities last Tuesday and by the following morning nearly four inches had accumulated on the ground. Just when area residents thought the winter spell was over - at least for a while - another four inches of snow fell beginning Monday night

and ending the following morning.

As Texico and Farwell residents prepared to meet the new day - Tuesday - they were greeted by a thick blanket of white snow, frigid temperatures and slick and hazardous streets.

The highways were so treacherous that the Farwell varsity basketball games scheduled for Tuesday night were postponed until Thursday. Through it all, however, children in the area schools and their teachers braved the harsh elements to attend classes as usual. But when school was out, the youth

enjoyed making snowmen of all shapes and sizes and the usual snowball fights.

Clovis received about four inches of snow Monday night and in addition a misty rain brought traces of moisture Tuesday afternoon.

Amarillo reported two inches of snow from this week's system, or .13 inches of precipitation.

Cloudy, overcast skies added to the typical winter scene in the Twin Cities, but by Wednesday the sun had begun to peek from behind the winter haze, and the - sometimes inconvenient but very beneficial - snow began to melt.

### Lutherans Set Lent Services

Six weeks of Lenten services will begin next Wednesday, Feb. 8, at St. John Lutheran Church, reports Rev. Herman J. Schelter, pastor. The special services will begin at 8 p.m. Thereafter they will be held at the same day, time and place for the next six weeks.

Rev. Schelter said the Lenten services center around the Savior and His passions and death for the sins of the world.

## Arraigned In District Court

Several persons indicted by a recent Parmer County Grand Jury were arraigned Thursday of last week before District Judge Pat Boone Jr. in 154th District Court. Included in the list of arraignments were Rololfo Corella, 24, and Fred Constanco, 48.

The two men are charged with the armed robbery of Joe Tongate, manager of the Piggly Wiggly store in Friona. Tongate was robbed of nearly \$20,000 in cash and checks as he closed the store Friday, Jan. 6.

Tongate was knifed ten times and received a gash over his left eye by the assailant who was hiding in Tongate's vehicle.

The trial date for Corella and Constanco was set for

February 20 by Judge Boone. In lieu of \$50,000 bond they remain in Parmer County jail.

Trial dates were also set for several other persons who were indicted at the same time as Corella and Constanco. Charges range from marijuana violations to burglary and assault. These other cases are also to be tried February 20 in the 154th District Court session.

One case was disposed of last week - that of Paul Gene Davis of Muleshoe who pleaded guilty to a charge of burglarizing a dwelling and two counts of burglarizing a

motor vehicle. Judge Boone also gave Davis a five-year probation sentence and he was ordered to pay all damages and court costs.

Parmer County Sheriff Charles Lovelace will serve as Davis' probation officer.

In other law enforcement activity, Sheriff Lovelace reported that his office is investigating irrigation well batteries which were taken from the Gilbert Kaltwasser farm in the Oklahoma Lane Community. Sheriff Lovelace said the incident occurred Friday night.

## Farwell Bands Add New Instruments

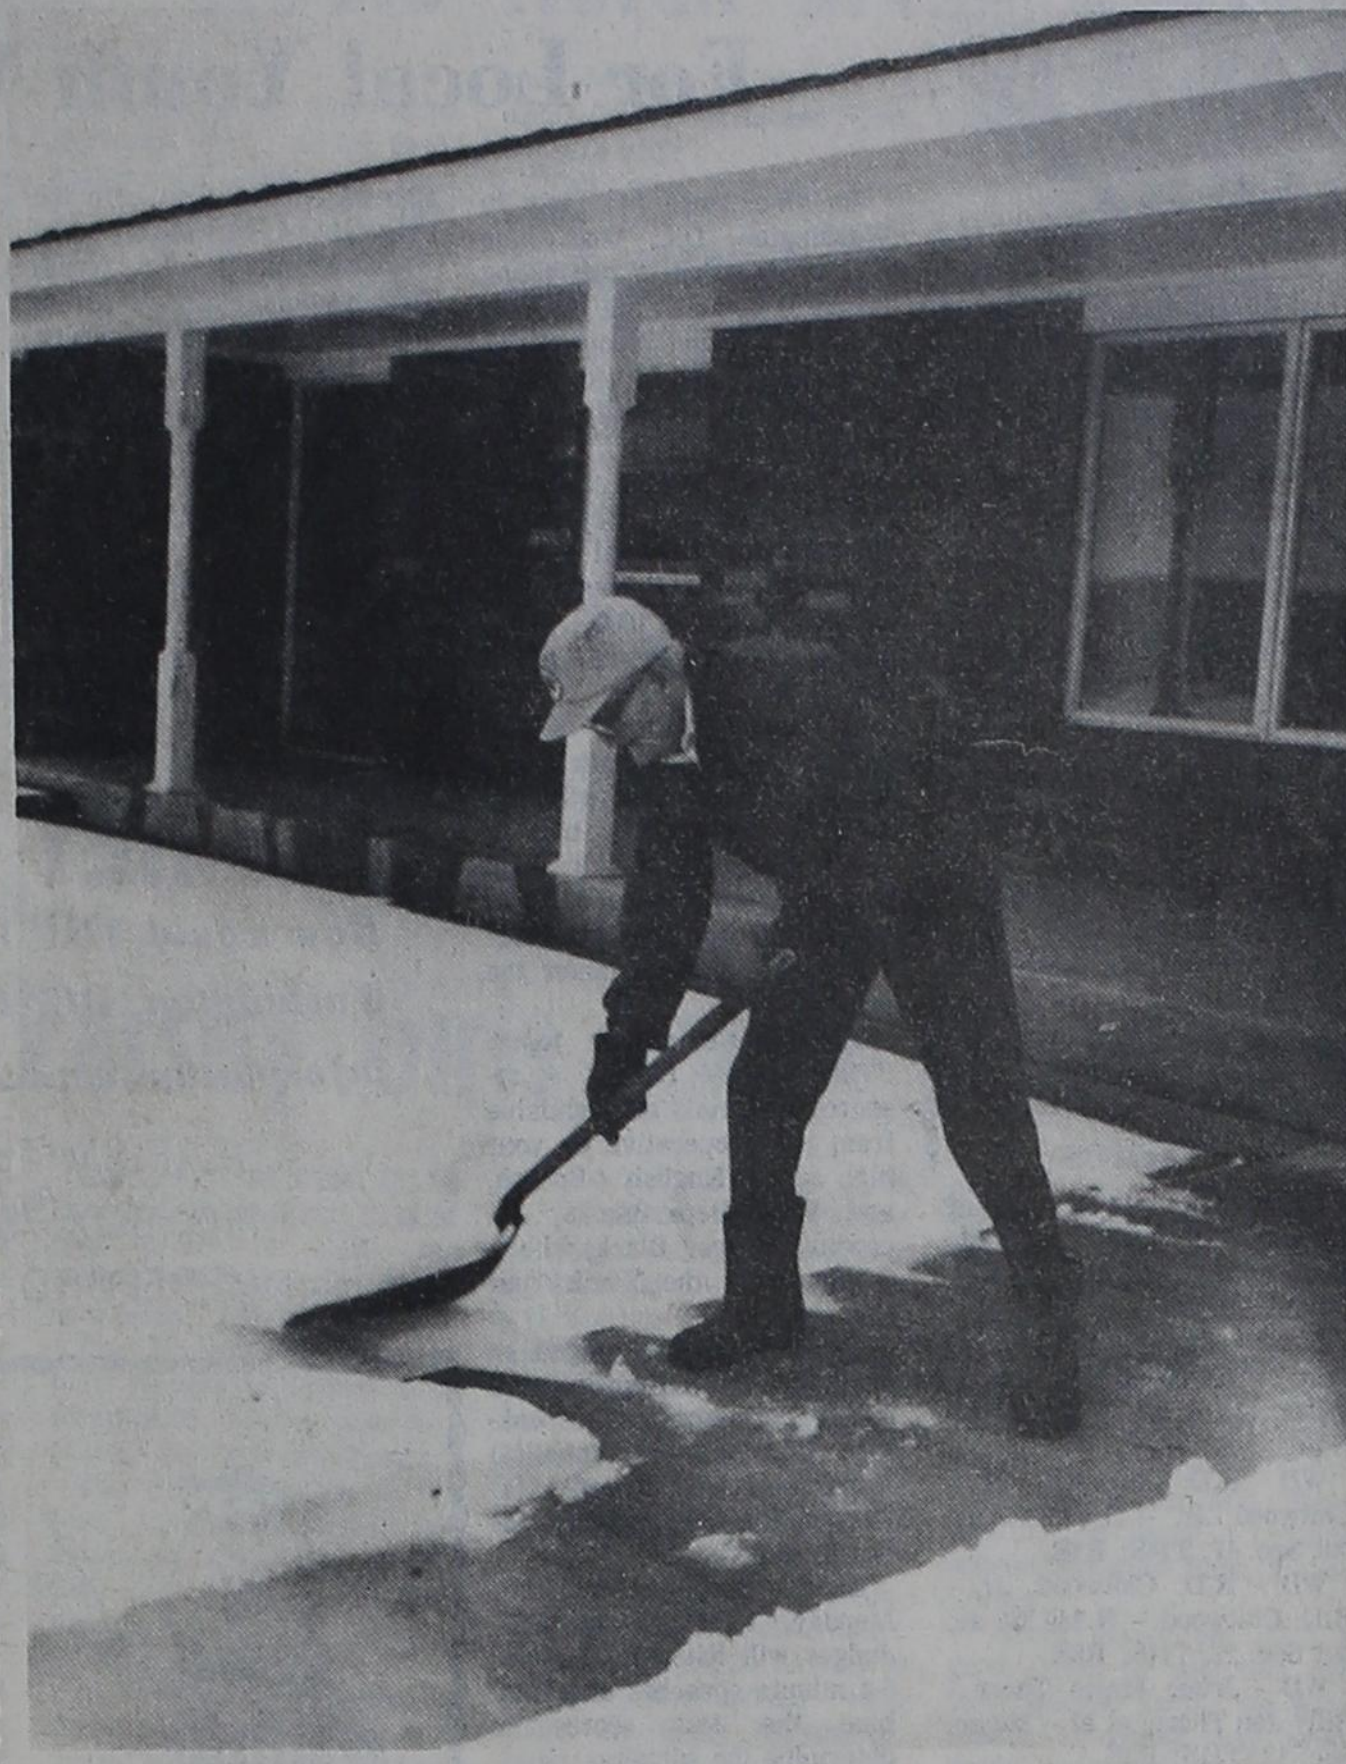

Several pieces of equipment have been purchased this school year for Farwell band students, reports band director Lynn Burton. The instruments were bought recently with funds earned by band boosters.

The new equipment includes a percussion cabinet, bongos, temple blocks and timbales. According to Burton, the funds have also been used to pay for

some repairs throughout the year.

Other worthwhile projects funded by the band boosters include giving \$25 scholarships to twirlers and drum majors who attend band camps during the summer.

In past years the band boosters have also purchased a contra bass clarinet, alto horns, bassoons, a xylophone and junior high band sweaters.

### Digging Out

Frank Edwards of Farwell was just one of many residents of the Twin Cities who were out shoveling snow off sidewalks Tuesday. The nearly four inches of snow which blanketed the county came as quite a surprise to local residents who awoke Tuesday morning to snowpacked streets and very slick and hazardous driving conditions.

## Farwell Jr. Stock Show Slated For February 11

The annual Farwell Junior Livestock Show will be staged Saturday, Feb. 11, at the agriculture farm located in east Farwell. As in the past few years the Farwell Jaycees are sponsoring the event, with Mike Haseloff serving as superintendent.

The show, featuring entrants from FFA and 4-H Club members, starts at 1 p.m.

Trophies and ribbons will be awarded in three categories: barrow, steer and lamb. Worley Mills will furnish the various trophies.

Mack Heald, county agent, will be in charge of the 4-H Club entries and Richard Montgomery, Farwell vocational agriculture teacher and FFA sponsor, will be in charge of FFA entries.

Lanny Tucker, Hart vocational agriculture instructor, will serve as stock show judge.

There will be three Duroc classes, one Hampshire class; two Chesterwhite classes; one class for Polands and spots; and two classes of Cross-breeds.

Showing sheep from the FFA will be Yalonda Martin, Theodore Mesman, Alan Warren, Todd Meeks, Richard May and Tommy Mesman. Classes in this category will include finewool; finewool cross; and two mediumwool classes.

Tommy Mesman will show an Angus steer for the only FFA entry in this category; however, others are expected to be competing from the 4-H Club.

Other upcoming competition for local and county youths will be the Parmer County Stock Show and Sale February 16-18 in Friona.

Local FFA members competed in Hereford Jan. 26-28, bringing home six ribbons. The winners included David Kube, fifth place, middleweight Duroc; Mark Miller, eighth place, lightweight Cross; Richard Winegeart, 17th place, lightweight Cross;

Also, Richard May, seventh place, lightweight fine wool; Todd Meeks, seventh place, light middleweight medium wool; Alan Warren, 14th place, lightweight medium wool.

## Council Okays Three Drug Abuse Workshops

Farwell City Council met Monday night to discuss a lengthy agenda. Heading the agenda was a report from City Marshal Ronnie Mitchell to the effect that he has gathered enough information on drug abuse to conduct a series of three workshops on the problem. Concentration will be placed on marijuana as Mitchell said it is the "prevalent local problem."

The sessions will begin next Thursday, Feb. 9, at 7:30 p.m. CST at the City Hall. Succeeding workshops will be held on the next two Thursdays at the same time and location.

Mitchell said the workshops are for adults and he strongly urges all parents of Farwell youngsters to especially attend the sessions. Besides reading material, films and discussions, a question and answer session will be conducted during each workshop.

In other business before the Council, Paul Haden requested that the Public Hearing regarding a variance to allow a mobile home to be parked on lots 31 and 32 of Block 41 be held a second time because "the public was not informed properly as to my proposed use of the lots in question."

As only Mayor Walter Kaltwasser and Commissioner Johnny Curtis were present, it was decided to table the issue until the next full Commission meeting.

### Around The Twin Cities

Farwell School Board will meet Monday night, Feb. 6, at 8 p.m. at the superintendent's office.

Parmer County Home Demonstration Council will meet Monday, Feb. 6, at 10 a.m. at the county agent's office.

### Feeding Show Animal

Despite snow or rain or sleet or cold winds, show animals must be fed. Grover Halsell, Farwell FFA member, braved the elements Tuesday afternoon to care for his Duroc barrow which will be entered in the Farwell Junior Livestock Show February 11. Halsell got little thanks for his efforts to tend his animal in the inclement weather - the creature bit his master on the leg during Tuesday's feeding session. Farwell FFA members and local 4-H members will enter animals in three classes (barrow, lamb and steer) at the annual event.

### New Band Equipment

Lynn Burton, Farwell Schools band director, is pictured with several pieces of new equipment which were purchased this year with funds earned by Farwell Band Boosters. The new pieces are, from left, bongos, temple blocks and timbales. The new percussion cabinet is in the center.

**P**URELY  
PERSONAL  
by John

Ah Snow, beautiful snow, sparkling snow, gleaming snow but more importantly - just wet snow. Our snow fall this week is one of those unusual ones for the High Plains. No wind blowing, so no drifting and the flat farm land got the full benefit rather than the barrow ditch.

We don't know what the balance of the week will bring, but for us if every morning from now 'till Valentine's Day was as beautiful as this Tuesday morn it would just be Greeat!

We noted that Farwell Hardware even had a table of galoshes - it isn't often they sell big in the Twin Cities.

Some years ago Tennessee Ernie Ford made a big hit with a song called "Sixteen Tons" of number nine coal. One of the plaintive verses said, "Saint Peter don't call me, I can't go, 'cause I owe my soul to the company store." By September 30, 1978 we will all owe our souls to the company store. At that time, each man, woman and child will owe the United States government a little over \$4,000 each.

How did we get this far in hock? Well, it was not any long and tortuous process. In fact, it is only a fairly recent occurrence. It took 167 years for the government to go as much as \$100 billion in the red. At the conclusion of WW2 we were \$200 billion behind. It then took us 19 years to sink to a \$300 billion level. The \$500 billion mark was reached in 1975 and at the conclusion of this fiscal year it will reach the \$800 billion figure.

Franklin Roosevelt once said, in a fit of political oratory, that "we owed it to ourselves." The corollary of that remark might be that we could just cancel our debt to ourselves and nobody would be hurt. Unfortunately, "ourselves" turns out to be millions of citizens who have put their life savings in government bonds (Federal IOUs). Thousands of banks, savings and loans, pension funds, trust funds and other keepers of the peoples money hold those IOUs. Immediate canceling of government bonds and other federal paper would bring immediate economic collapse; so a more subtle form of debt cancellation must be had. This is taking the form of inflation.

Inflation is a lot slower but just as certain a way to cancel the public debt. This way we can rob the old, the aged, the retired people and the pensioners. Also, we can rob our future generations of the value of their work.

The political dissatisfaction of the elderly can be politically offset by appealing to the yet more numerous beneficiaries of our federal largess. The unborn cannot even protest, much less vote, so they are prime targets for our morally bankrupt politicians.

We believe that this huge debt and the factors that produced its rapid growth are behind all our present economic and social woes. Our problems will not be resolved in Washington, they can only be resolved within the corporate heart and mind of the present day citizens of this country. Whether they will or not is a very debatable point.

### Two Selected To Run For Board

The committee on selecting nominees to run for trustees of the Farwell Independent School District Board met Monday night to nominate Doyle Ford and Joe Hughes for re-election.

Anyone else who is interested in running for a school board position can get on the ballot by filling out the necessary form at the office of Superintendent W.M. Roberts. Filing deadline is March 1.

## Farwell School Buys Two New School Buses

Two new school buses have been added to the fleet of Farwell Independent School District, replacing two older buses which will be sold in the near future, reports Superintendent W.M. Roberts.

Roberts and R.T. Langston, bus foreman, traveled to Conway, Ark., Friday to pick up the buses, returning Saturday. The new vehicles were purchased through the State Board of Control, Roberts said.

The buses were put into service this week, increasing temporarily - the total to 10 buses. However, after two buses are sold, the bus system will have only eight buses as usual.

### Snow Mural

Late Monday night snow began falling on Texico and Farwell and by Tuesday morning approximately four inches had accumulated. The Ben Ashton home on Second Street in Farwell - just like all the other homes and buildings in the two towns and surrounding communities - were "buried" under the sheet of snow.

## Kent Gerries Services Conducted Tuesday

Funeral services for Kent Gerries, 73, of Farwell were conducted Tuesday afternoon from Steed-Todd Memorial Chapel with the Rev. J.L. Bass officiating. Burial was in Sunset Memorial Terrace under the direction of Steed-Todd Funeral Home of Clovis.

Mr. Gerries died Monday at Clovis Memorial Hospital. He was born Oct. 19, 1904 in Gowrie, Iowa, and came to the Lariat community in 1916. He moved to Sacramento, Calif., in 1937 where he worked as a U.S. Postal Service mail carrier for 40 years. He returned to Farwell in September

of 1977 where he resided with his brother, Fred Gerries. He was a veteran of World War II serving with the U.S. Army.

Survivors include two brothers, Fred and Dick Gerries, both of Farwell; two sisters, Mrs. J.B. Huckaby of Midland and Mrs. O.W. Milburn of Austin; seven nephews, among them Herman Gerries and Don Gerries, both of Farwell.

Pallbearers were Mr. Gerries' nephews Bill Milburn, Jack Huckaby, Don Gerries, Randy Gerries, Dickie Gerries and Herman Gerries.

# 'Red Hot' Steers Notch Sixth Conference Win

When you are hot you're hot. And with the District 3-A tournament two weeks away the Farwell Steers certainly seem to be on a red hot winning streak. The well-oiled basketball squad pulverized Hart Friday, 80-29, much to the thrill of Steer fans who attended the home game.

The Blue and White slipped ahead in the first quarter and maintained a devastating lead from the second period on. They were 24 points in the lead at halftime and in the smooth sailing after that - all the way to the sound of the final whistle.

The Steers now stand 6-0 in loop play and 16-8 for the year. They have won 12 games

in a row.

The Steerettes also faced Hart last Friday, losing 59-51. Farwell JV girls and Hart squared off that same night and it was the local girls who emerged as the 31-15 victor.

The games originally scheduled to be played Tuesday night at Steer Gym were rescheduled for Thursday night due to the weather. Full game reports will be printed in next week's Tribune.

High scorers for the Steers were Russ Jones with 20 points and Kevin Kelley with 14. Others adding to the score were Kayle Watts, 10; Rowdy Chandler and Radney Robertson, 8 each; Robin Roberts

and James Castleberry, 6 each; Clay Roberts and Mark Owen, 4 each.

"This was one of those games in which we could do nothing wrong and they could do nothing right," Coach Bert Roanhaus said. "Everyone did a super job. This is the most points we have scored in a game all year."

"We hit 50 percent of our field goals connecting on 39 for 78 points. Only two points came on free throws. I am pleased with the overall effort and just happy to win another game," Roanhaus concluded.

Steerettes earning points were Jamey Berry with 20;

Paula Christian, 16; and Yalonda Martin, 15. Rhonda Walls led in rebounds with 5.

"We played our best game as a team," commented Coach Bob Askey. "The forwards shot 70 percent from the field."

JV girls scoring were Jana Berry, 10; Sharmy Christian, 4; Lisa Hughes, 3; Karyn Blain, Gina Eubank, Dondra Geries, Kim Marsh and Robin Vinton, 2 each; Carole Perkins, Lori Curtis, Tori Hardage and Judith Schilling, 1 each.

"We made only 9 of 29 free throws so we have to improve in that area," commented Coach Larry McDorman.

Tonight (Friday) the Steers, Steerettes, and JV Girls will travel to Vega. Farwell teams will host Bovina Tuesday, Feb. 7. Friday Feb. 10, the teams host Springlake-Earth. The District 3-A tournament will be held in Hereford February 16-18.

## Bulletin

Due to the inclement weather the Tuesday night games between Kress and the Farwell varsity teams which were to be played in Farwell were postponed until Thursday of this week. The games were to begin at 7 p.m. CST.

The junior varsity games cancelled Tuesday were not rescheduled.

## Farwell 8th Girls, Boys Net 2nd, 3rd In Tourney

Farwell 8th grade girls and boys gave a good account of themselves in the Springlake-Earth tournament January 26-28, winning second and third place, respectively. To win the runner-up honors, the 8th girls outlasted Nazareth, 43-42, in a tough overtime game; glided past Bovina, 25-13, with ease; but fell to unbeaten Sudan, 35-28.

The Yearlings also got off to a good start overpowering Nazareth, 38-27, in the first game; however they lost the second match with Bovina, 57-22. But the junior high team came back in the final game to narrowly slide past Springlake-Earth, 30-28.

Diane Coleman turned in 22 points in the Nazareth game followed by Ginger Ellison, 8; Darissa Ford and Karen Magness, 6 each; and Donna Meeks, 1.

In game two, Janene Berry was high scorer with 14. Also adding points were Magness, 6; Ford and Dana Hukill, 2 each; and Ellison, 1.

In the losing effort to Sudan, the high scorers were Berry and Magness with 8 each, followed by Ellison, 6; and Ford, Meeks and Sandra Rudd, 2 each.

Coach Bob Askey said the girls played "very well" in the first two matches, but tended to deteriorate in the final game. However he said he was pleased with their tournament standing.

Darrel Goldsmith hit the bucket for 22 points in the Bovina game, followed by Coates with 10; Green, 4; Steve Smith, Kelley Alana and Doug Cole, 2 each; Billy McClenney and Bowie Howard, 1 each.

Against Springlake-Earth, Daniel made 18 points. Also adding points to the board were Coates, 8; and Green and Smith, 2 each.

The junior high teams played Monday night at Bovina but no reports were available on the games.

The junior high teams close out their season Monday, Feb. 6, against Springlake-Earth.

In last week's issue of the Tribune the name of a 7th grade basketball player was listed incorrectly. The correct name is Wade Kent.

# Texico Varsity Girls Spook Demons

Texico's varsity and junior varsity girls teams matched skills with Dexter Friday and the varsity and JV Boys tackled Eunice Saturday, winning only one of the four contests. That lone victory went to coach Kathy Culshaw's Wolverines who spooked the Dexter Demons, 50-43. Thereafter, the losses came in threes with the JV girls losing 33-36 and the varsity and JV boys losing 97-56 and 68-66, respectively.

Tonye Harrington put 16 points on the board for the girls in the win. Others adding to the score were Teresa Turner and Lori Harrington, 10 each; Christi Harrington, 7; Flo Orozco, Jana Jesko and Kerri Donahey, 2 each; and Celia Johnson, 1.

Top rebounders were T. Harrington, 6, Turner and Orozco, 3 each.

The Green and White hit on 13 of 37 field goals and 24 of 36 free throws to claim the victory. "The girls played well as a team," Culshaw said.

The Texico girls are now front runners in district 7-AA competition, having won four of their last four loop games.

The Wolverines take to the road tonight (Friday) and tomorrow (Saturday) when they meet Dexter and Melrose.

In the JV girls' loss to Dexter, the local girls connected on only 23 percent field goals and 33 percent free throws. Kelly Dobbs with 10 was high scorer. Also adding points were Kerri Donahey, 6; Celia Johnson, 4; Roxanne Cherry, Beth Kelley and Lori Harrington, 2 each. Donahey was leading rebounder with 16. "The girls had a slow first

half and just could not catch up," Culshaw said. "Kerry Donahey had an excellent night pulling down 16 rebounds and scoring six points," she added. Kelly Dobbs also had a good night playing heads up ball and scoring 10 points," Culshaw concluded.

On Friday, Feb. 10, the JV Girls meet Jal at home.

In the Wolverine boys catastrophic loss to Eunice, Steve Turner managed to turn in 20 points. Other points were added by Ricky Orozco, 9; Duwain Hill, 7; Don Duncan, 6; Eloy Ortiz, Robert Lacy and Keith Hadley, 4 each; James Hadley, 2. Leading rebounder was Turner with 11.

"Everybody is sick," commented coach Billy Carlyle. "We were lucky to play at all. I hate to lose this badly, but we have had very little

practice and everyone is coming down with something. We'll just have to do the job next time," he said.

High scorer in the JV boys two-point loss to Eunice were Britt Crooks, 21; Neale Haile, 14; Jimmy Reid, 13; David Cavallero, 12; Lyndon Donahey, Jeff Sharp and Steve Kittrell, 2 each. Leading rebounders were Reid, 8; and Crooks, 7.

"Every player put forth a good effort to pull this one out," Carlyle said. "We were behind 11 points and eventually took the lead for a while. We almost came back to win. I'm proud of the team," Carlyle said.

The varsity and JV boys have a busy schedule this week as they tackle Dexter tonight (Friday) at Dexter and play at Melrose tomorrow (Saturday).

For the Yearlings, David Daniel pumped in 20 points in the opening conflict with Nazareth. Others scoring were Waverly Coates, 14; Brent Green, 4; and Darren Darby, 2.

Season Nearing End - -

# Texico Junior High Wins Nine Of Eleven

Texico Junior High teams were kept busy January 26-28, playing nine games over the three-day period.

In last Thursday's games, the Texico 7th boys lost, 29-28, to Ft. Sumner; the 8th girls clobbered Tucumcari, 40-8; Ft. Sumner rolled past Texico's 8th boys, 40-27; Ft. Sumner also beat the 9th boys, 67-59; and the 9th girls obliterated Tucumcari, 45-16.

A combination 7th and 8th girls team totaled their Dexter counterparts, 38-11, in the only junior high game played Friday.

Saturday's action found the Texico 7th boys crushing Melrose, 52-34, while the 8th boys blasted their Melrose alter egos, 68-31. In the final game the 9th boys bested Melrose, 81-44.

2. Bibbs and Cavallero tied for most rebounds with 11 each.

"This was a difficult loss to accept," commented Coach Cecil Davis. "We got behind at the end of the first quarter and could not overcome the deficit. Earl Bibbs rebounded and scored well. Paul Salguero did a good job on defense."

In the 8th girls game with Tucumcari Thursday, Ruth Scott pulled in 17 points to take high scoring honors. Also hitting the bucket were Tracy Dobbs and Jo Hill, 7 each;

Lisa Crooks, 5; and Jill Jesko and Kerri Gaddis, 2 each. Leading rebounders were Scott and Hill, 5 each.

According to Coach King, "The 8th girls show improvement with each game. Lisa Crook played her best all-around game, she was in control on the floor and finally started driving toward the basket," he said.

Texico 8th grader Tony Tubbs scored 9 points against Ft. Sumner on January 26. Others adding to the score

were Jeffrey Day, 6; Todd Geries and James Kelley, 4 each; and Jeff Dunsworth and Gary Cain, 2 each. Tubbs was leading rebounder with 6.

"This was a physical game," Coach Davis said. "Ft. Sumner tried to intimidate us with bodily contact and a loosely officiated game. The Wolverines did not shy away and were more aggressive than the young Foxes. The hustle was great, but the offense lacked scoring punch."

# Auxiliary Members Honored At Banquet

Members of the Farwell Convalescent Center Auxiliary - which observes its first anniversary this month - were honored with an appreciation banquet Monday night at a Clovis restaurant. In addition, newly elected officers were installed and volunteer pins and certificates were presented to the Auxiliary members.

Gladys Kaltwasser, Auxiliary volunteer, gave the invocation and Floe Copeland, activities director, introduced three special guests from the Department of Health. They were Randy Barnett of Lubbock, medical, social consultant; Joe McGuire of Amarillo, medical, social supervisor; and Jim Couzzourt of Canyon, medical, social worker.

"We are proud of the work you are doing," commented Barnett during a short address to the Auxiliary. "This small area of the state produces more volunteer hours than other larger areas," he continued. "We live in a youth-oriented society today and we are proud that you women have a right sense of value concerning the elderly people in your area," Barnett concluded.

Couzzourt also spoke for a few minutes saying "it takes a special person to be a volunteer." The Amarillo man said "it has been my privilege to observe this Center since it opened in August of 1977. Farwell is very special and if I could I would discover the ingredient which makes it so and spread it all over the state."

Dora Nittler, administrator, welcomed all the Auxiliary members and special guests. She then directed a few comments to all the volunteers. Mrs. Nittler stressed that all of their efforts on behalf of the residents are "greatly appreciated" especially by the residents who often find it hard to express those thoughts.

"They are concerned about you," she said, "and always wonder when you will come

next. The residents realize that all your efforts are voluntary and that makes them know that you love them."

Mrs. Nittler compared the Auxiliary workers to a well-known commercial saying that the "program would not be complete without you girls. You are the final touch, the topping."

Mrs. Copeland then distributed the pins and gifts to the Auxiliary members. Everyone received a pin but certificates were given only to those volunteers who accumulated 100 or more volunteer hours. Each one received a Texas Volunteer Pin. "The pin is for Texans who help Texans," she said, "They are worn by the First Lady's Volunteers, by Care Corps Volunteers, by some volunteer firemen and by various auxiliaries and individuals who give unselfishly of their time, talent, energy or material to help others."

Pins and certificates were presented to the following women: Carrie Anderson, Ruth Blair, Carrie Christian, Alvenia Cox, Martha Curtis, Sherry Curtis, Reta Dollar, Gertrude Foster, Nan Preston, Gladys Kaltwasser, Nadine Langston, Ann Liethen, Mary Mesman;

Also, Ophell McDonald, Madge Peiman, Dora Verner, Betty Gossett, Bonnie Williams, Maxine Williams, Nell Walling, Liz Kaltwasser, Nadine Langston, Faye Ford, and Ysleta Kittrell.

Those receiving the volunteer pins were: Vickie Hasehoff, Lorena Venable, Jan Marsh, Frances Kube, Jeannie Norris, Dot Christian, Sherry Harper, Snooks Meeks, and Gardys Johnson.

La Von Mills was welcomed as a new Auxiliary member.

Mrs. Copeland presented a short history of the organization. It was chartered in January of 1977 and officially became operational in February of that year. Presently the Auxiliary boast 34 active members, five associate members, and seven honorary members. According to Mrs.

Copeland, in the past year the women have amassed over 3,000 volunteer hours.

Recognition was also given to the three top volunteers who have earned the most hours. Alvenia Cox is in first place, but she declines to have her hours recorded. It was noted that Mrs. Cox is there "almost everyday and is always ready to help no matter what the task."

Next in line are Mary Mesman with 225 hours and Dora Verner with 200 hours. "We just could not get along without you, the auxiliary women," Mrs. Copeland said. She thanked them for all their efforts this past year including special projects like the family nights, open house, first anniversary, Halloween party, Christmas parties and "so on and so on."

Next Mrs. Copeland installed the new officers. She introduced both the outgoing officers, incoming officers and gave a brief description of the duties of each.

The newly installed officers include Martha Curtis, president; Dora Verner, first vice-president; Mary Mesman, second vice-president; Faye Ford, third vice-president; Ann Liethen, secretary-treasurer; and Nan Preston, corresponding secretary.

Mrs. Copeland said that the position of third vice-president was created recently and that the holder of that office is responsible for the beauty shop.

Outgoing officers include Gertrude Foster, president; Carrie Christian, first vice-president; Ysleta Kittrell, second vice-president; Ann Liethen, secretary-treasurer; and Martha Curtis, corresponding secretary.

At the close of the program, Mrs. Copeland presented "tokens of appreciation" to several persons. Ivy plants were presented to out-going officers, Mesdames Foster, Christian and Kittrell, and small red scented candles were presented to Mesdames Liethen and Curtis. Shirley Gorman of the State Line Tribune also received a candle and certificate of appreciation for reporting all the Center's activities, program and accomplishments.

Mrs. Copeland then gave large scented red candle to Jo Geuther, director of nurses, and to Mrs. Nittler. Small Snoopy dolls were given to Barnett and Couzzourt for "all their efforts on behalf of the Center."

A drawing was held for a special bouquet of flowers which was won by Gladys Kaltwasser.

## New Auxiliary Officers

These four women were installed as new officers of the Farwell Convalescent Center Auxiliary Monday night at an appreciation and awards banquet held at a Clovis restaurant. They are, from left, seated: Martha Curtis, president; Dora Verner, first vice-president; standing: Mary Mesman, second vice-president, and Nan Preston, corresponding secretary. Not pictured are Faye Ford, third vice-president, and Ann Liethen, secretary-treasurer.

## Rev. Terry To Observe 50th Anniversary

Rev. Jesse James (J.J.) Terry, assistant pastor of the Bovina Baptist Church and former pastor of the Oklahoma Lane Baptist Church, celebrated his 50th anniversary as minister and pastor for the Southern Baptist Convention on the fifth Sunday in January.

Rev. Terry was baptized and ordained to the ministry at the Whiteflat Baptist Church in Whiteflat, Tex. He preached his first sermon on the fifth Sunday of January, 1928.

He will celebrate his 50th anniversary this Sunday, Feb. 5, with a covered-dish luncheon at the Bovina Baptist Church. All friends and relatives of Rev. Terry are invited to bring a covered dish and enjoy the luncheon, fellowship and visitation in the Fellowship Hall of the church.

## Convalescent Center Chit Chat

As Reported by the Center Staff

"The appreciation banquet staged Monday night for members of the Auxiliary and special guests was a success," said Floe Copeland, activities director. "Almost all members were present as well as guests from Lubbock, Amarillo and Canyon."

The Auxiliary is in need of more volunteers. Anyone interested is asked to contact any member or officer of the organization or to call Mrs. Copeland at the Center.

Nora Edens and Nelson Hurst enjoyed a shopping trip and outing to Clovis last week in Mrs. Copeland's new car.

Last Sunday due to a misunderstanding no pastor was available for church services. Dora Verner played the piano and she and Alvenia Cox led everyone in singing.

Bessie Hardwick is a new admission. She is the wife of resident Charlie Hardwick and is expected to remain at the Center for a while as she is recovering from a broken ankle.

Nelson Hurst has a new afghan for his bed, courtesy of his sister Viola Harper of Portales.

The residents have really enjoyed the snow this week and Mrs. Copeland said Tues-

day that she was looking forward to making snow ice cream.

W.W. Vinyard, 98, who celebrated his latest birthday last Friday, is the oldest resident at the Center.

Floe's quote: "You can easily judge the character of man by how he treats those who can do nothing for him." James D. Miles.

The "rock and roll" jam-boree preparations are underway. The big event - to be staged February 14 - is intended to raise money for the American Heart Association.

The following letter was written by Dora Nittler, administrator: Dear Community:

Farwell Convalescent Center has now admitted resident 100, but our present census is far below this number. But we believe that with the help of our friends, residents' families and the community, our census will continue to grow. As to why we have admitted 100

and still do not have a "full house" is due to many reasons.

First, many of our people have improved in health and have been able to go home. They will eventually come back to us as age and circumstances will cause them to need a nursing home again.

Second, some of our residents have gone on to the home beyond the sky. We miss them, but our sorrow is really for our own loss of a friend or loved one. We know they are in a far happier and blessed place.

We again ask that all our friends, residents' families and community members come by and visit with the residents and the staff. A good cup of coffee and friendly conversation go a long way toward making happiness for everyone.

Our residents enjoy visitors and the staff always appreciates the thoughtfulness extended to our people. As you know we have the greatest Auxiliary women in all of Texas and probably the U.S., too.

Dora Nittler.

## Enlightened Eating

by etiquette expert Marjabelle Stewart for Ore-Ida Foods

If there is one key to good manners, it is confidence. No matter what you do is frowned upon by Emily Post, Amy Vanderbilt and your mother-in-law... if you do it confidently, with assurance, things that might be considered major gaffes, had someone else attempted, will be accepted, at worst, as minor eccentricities. If you don't relish a Mad Hatter reputation, however, a basic knowledge of good manners will stand you in good stead.

Even something as simple as partaking of poultry can present gnawing problems. Unless it's served up ala king, it can be difficult to eat. Dissecting can be disconcerting. Now on informal occasions, one can just pick it up, pull it apart and pack it in. But if you're trying for class, that's crass. Instead...

Speare the whole, halved or quartered fowl with fork and

sever at the joint with your knife, cutting through connective tissue. Lay oddments to the side of the plate and concentrate on the meatiest portions. Hold steady with fork and slice meat from bone in the direction of the cut. Cut to comfortable size and eat. If any of the meat cannot be removed from the bone in this manner, abandon it and hope that the next course will satiate your stomach.

The friendly folks at Ore-Ida Foods (they're the frozen potato people) asked me to prepare a booklet to explain the ins and outs of eating elegantly. It's called "Ore-Ida's All-Right and All-Wrong's: Eating Manners for Big Potatoes and Small Fries." You can get your free copy by sending your name and address to Ore-Ida Foods, Inc., P.O. Box 80, Boise, Idaho 83707. It will do wonders for your confidence.

### SAY IT WITH PATCHES

Patches are no longer the hallmark of hobos—they now decorate the most fashionable jeans outfits, and identify teenagers of good taste.

Iron-on patches bring new life to favorite jeans and shirts.

Monogram patches in calico prints decorate pockets; slogans and greetings cover frayed knees; hearts and faces smile from lapels. These iron-ons are fun to collect when you are on vacation, and create scrapbook effects.

Iron-on patches are easy to apply with an iron such as the new Light 'n Easy® from General Electric. This new compact iron makes ironing a little more pleasant because it weighs only 1.6 pounds and yet does the same ironing jobs as heavier irons.

Now your teenager can wear those well-loved and well-worn jeans another year, with bright patches that create a fashionable new look.

Minister

Farwell Church of Christ

There is so much wrong, so many evils which threaten our well-being, and so many personal challenges and difficulties that we cannot afford to become discouraged. DISCOURAGEMENT WEAKENS US, and makes us less proficient in coping with the perverse conditions which exist.

DISCOURAGEMENT DEBILITATES US in the situations where are greatest possible strength is needed. We many not be able to eliminate discouragement, but we can make sure that it does not become so big that we are made ineffective in our living.

When we realize that discouragement is beginning to take over, we must get busy with our work; transfer our thinking to things which will encourage us; do something to help someone; and go to work making the faith-element of life stronger.

DISCOURAGEMENT DOES NOT STAND ALONE. It attracts such undesirable as a feeling of despair, a gloomy view, a lethargic outlook, a spirit of surrender, and a deep sense of loss. Everything becomes worse for us than the actual situation justifies.

We can overcome discouragement, by overcoming the causes of discouragement. This is done most effectively, when we learn and faithfully do God's will. When we are living a faithful Christian life, the life of baptized believers, in the Lord's church, we will be victorious. (1 John 5:4,5).

**TWO MINUTES WITH THE BIBLE**

BY CORNELIUS R. STAM PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60633

**THE PURPOSE OF THE LAW**

"Therefore by the deeds of the law there shall no flesh be justified in His sight..." (Romans 3:20).

It is strange that so many sincere people can so misunderstand God's written Word as to suppose that He gave the law "to help us to be good" or "as a rule of life."

The law was not given to help us to be good, but rather to show us that we are sinners and need a Savior. Romans 3:22,23, says that "there is no difference, for all have sinned and come short of the glory of God." How foolish, then, to look to the law for help. It is not the function of the law to help the criminal, but to condemn him. Thus the Bible teaches that the law was given:

"That every mouth might be stopped, and all the world might be brought in guilty before God" (Romans 3:19).

"For by the law is the knowledge of sin" (Romans 3:20).

"The law entered that the offense might abound" (Romans 5:20).

"That sin by the commandment might become exceeding sinful" (Romans 7:13).

"It was added because of transgression" (Galatians 3:19).

This leads us to the conclusion: "Therefore by the deeds of the law there shall no flesh be justified in His sight" (Romans 3:20).

This makes sense, for doing a few good things cannot right the wrongs we have done. Good is what we should do, hence should not expect additional credit for it.

But, thank God, "Christ died for our sins" (1 Corinthians 15:3) and "by Him all who believe are justified" (Acts 13:39).

"Therefore we conclude that a man is justified by faith without the deeds of the law" (Romans 3:28).

Therefore being justified by faith, we have peace with God through our Lord Jesus Christ" (Romans 5:1).

Against Ft. Sumner last Thursday, Herbert Bibbs, 9th grader, pumped in 22 points. Others hitting the boards were Ricky Foreman, 16; Allen Hall, 10; Montie Powell, 8; and John Kelley, 3. Leading rebounders were John Kelley, 15; Foreman, 11; and Bibbs, 10.

"Ricky Foreman played well on offense and defense," Davis said. "He did a good job of blocking their tall man off the boards. A few easy baskets that came from fatigue caused us to loose in the last quarter," he explained.

Scoring points for the 9th girls on January 26 were Lisa Coffey, 23; Teresa Golledge, and Delinda Duncan, 5 each; Schree Rucker, 4; and Berta Loera, Carletta Fitz, Becky McDonald and Laura Horne, 2 each. Leading rebounders were Coffey, 14 and Duncan, 10.

"We had trouble hitting," commented Coach King, "but at least we were not afraid to shoot. Teresa Golledge and Delinda Duncan had good games. We had 26 steals with Schree Rucker and Lisa Coffey getting 3 each."

High scorers in the Friday donnybrook with Dexter were Ruth Scott, 14, and Tracy Dobbs, 12. Also adding points were Sharlet Taylor, 5, and Lisa Crooks, 4, and Jill Jesko, 3.

"We played out of control the first half and scored only 12 points," King said. "Second half we played better basketball and made 26 points. Tracy Dobbs played an outstanding game. Jill Jesko also showed outstanding hustle."

In the 7th boys victory over Melrose Saturday, Earl Bibbs turned in 23 points to take scoring honors. Others scoring were Lloyd Williams, 6; Tony Cavallero, Danny Reid and Victor Madrid, 4 each; Paul Salguero, Allan Hadley, Doyle Duncan, Lynn Tubbs and Jay Duncan, 2 each. Cavallero was leading rebounder with 6.

"Earl Bibbs played his usual strong offensive game," Davis said. "Tony Cavallero rebounded well and Paul Salguero played exceptionally well on defense. All 11 players played and all scored," he said.

For the 8th boys, James Kelley and Tony Tubbs each turned in 17 points. Helping out were Sammy Garcia, 8;

Jeffrey Day, Todd Gerles and Jeff Dunsworth, 6 each; Craig Horne, 4; and Gary Cain and Kent Harding, 2 each.

"Tony Tubbs and James Kelley were outstanding on offense," Davis commented. "Sammy Garcia exhibited good rebounding skills. We had a hard time winning at Melrose and won by only 8 points so we were happy to win by the 37 point margin," Davis explained.

High point men in the 9th clash with Melrose were John Kelley, 25; Allen Hall, 22; and Herbert Bibbs, 19. Others scoring were Ricky Foreman, 6; Montie Powell and Mike Arnold, 4 each; and Richard Flowers, 1. Kelley was leading rebounder with 14.

"John Kelley was outstanding on rebounds and scoring," praised Coach Davis. "Allen Hall played a well-balanced game on offense, defense and rebounding. It is good to have three players scoring 20 points," he said.

Standings for some of the Texico teams are as follows: 7th boys, 7-2; 7th-8th girls combination, 7-0; 8th girls, 5-2; 9th boys, 3-6; and 9th girls, 9-3.

Upcoming action includes the 7th and 8th girls combination team battling San Jon Tuesday, Feb. 7, at San Jon. Also scheduled is the Portales Tournament tonight (Friday) and tomorrow (Saturday) for the 8th boys. The 9th boys will also tackle San Jon next Tuesday at San Jon.

### Gemini CARPETS

by: Bill Sena

**WHY CARPET?** Sometimes it's worth reminding ourselves of the many answers to that question. There are some very good reasons that go far beyond the basic purpose of esthetic appeal and luxurious appearance.

Easier housekeeping, for instance. Vacuuming is a quick and easy way to have your rooms looking fresh and clean. No mopping, no scrubbing, no waxing or polishing chores to worry about with wall-to-wall carpets.

Quiet is another important plus. Carpets muffle the sounds of children playing or television blaring, even party sounds that would otherwise be nerve-shattering. Footsteps fade softly on carpets, and the sounds you want to hear—good conversation, music, entertainment—are more of a pleasure to enjoy.

Want more? There's extra warmth and insulation, beneficial to the whole family and especially to young children who like to play or read the paper spread out on the carpet. There's safety, without feet slipping or skidding on polished floors. And there's the foot comfort and reduction of fatigue for the woman who puts in long hours at home.

Good carpeting puts it all together—beauty, comfort, warmth, easy care and quiet—for a lot less than you might expect. Look over our carpet displays, a wonderful world of color and texture that belongs in your home. For selection and savings, too, visit

## Parmer Among Top 10 In Wheat Production

Parmer County was among the top 10 wheat producing counties in Texas in 1977, Agriculture Commissioner Reagan V. Brown said today.

With a total harvest of 3,092,900 bushels, Parmer County produced 2.6 percent of the wheat grown in the state, Brown said.

Of the 89,100 acres planted in wheat, Parmer County farmers harvested 82,800 acres,

and realized a 37.4-bushel per acre average yield, he noted.

The state's winter wheat production for 1977 totaled 117,500,000 bushels. This boosted Texas into the No. 6 spot in the nation in total wheat production, Brown commented.

He stated that the low wheat prices which accompanied this near-record production have hurt Texas farmers, particu-

arly in the face of rising production costs.

"However, Texas farmers will receive a substantial share of the \$1.2 billion in federal wheat deficiency pay-

ments that will be paid out this year," Brown noted. "This should help ease the serious cash-flow problems our farmers have experienced because of the low grain prices."

The first wagon train arrived in California in 1841.

## Girl Scout Cookie Sale Continues In Area

The annual Girl Scout Cookie Sale continues this week. Local girls participating in the drive are members of either the Girl Scouts, Junior Scouts or Brownies. The sale officially began Friday of last week and will continue until Sunday, Feb. 12.

The Texico-Farwell Girl Scouts are among Girl Scouts from 18 area counties affiliated with the Caprock Girl Scout Council who are taking part in the drive. Joan Johnson is chairman of this year's local drive.

Six flavors of cookies are offered this year including chocolate chip, Savannah, Cheddarette cracker, chocolate and vanilla cremes,

chocolate mint and Scot-tea. Chocolate chip is a new flavor, replacing the lemon cremes which have been sold in past years.

Proceeds from the cookie sale will be used to support troop activities and council program activities, including the maintenance and improve-

ment of Camp Rio Blanco, a year-round campsite located east of Crosbyton.

Two-week camperships will be awarded to Scouts who sell 180 or more boxes of cookies. Other awards include one-week camperships, T-shirts, posters, patches and certificates.
