

Texico Member Of ENM Water Group

The community of Texico was admitted to membership into the Eastern New Mexico Intercommunity Water Supply Association at a meeting held in Portales Monday. The Texico town council, in a meeting on Tuesday evening, approved a resolution to join the association and appointed a three-man committee composed of Bill Christian, Mayor W.D. Howard and H.H. Billingsley to serve as a board of directors for the project and work with other members of the association during the planning stages of the project.

W.D. Howard and R.W. Anderson, representing Texico and Farwell, attended the meeting in Portales on Monday and found that it is estimated that the two towns will need approximately 788 acre feet of water (450-500 acre feet for Farwell and the rest for Texico). Cost of the water would be 25¢ per 1,000 (if both towns are admitted).

At this time, lawyers are looking into the legality of Farwell being admitted to the association since it is an out of the

state community. State Engineer Steve Reynolds said that although New Mexico has laws prohibiting the transporting of underground water into another state, there are no such laws regarding surface water such as the Ute Reservoir.

R.W. Anderson gave it as his opinion that Farwell will be admitted to the association. He said, "Should the local wells go dry we are sunk unless we are in the association."

The Ute Reservoir project is being built by the Bureau of Reclamation at a cost of \$68 million with the cost divided among the communities to be serviced by the pipeline which will carry water to the communities.

Cost of the project to individual communities would be prorated with the amount borrowed for the project paid back over a 50-year period. Approximate cost of the project to the Texico - Farwell area would be \$400,000 (if both communities are admitted) slightly higher should Texico alone be admitted).

Other New Mexico communities which have formally committed themselves to complete the pipeline study and eventually seek loans to build the project include Eunice, Roswell, Hobbs, Jal, Lovington, San Jon, and Tatum. Portales and Clovis have asked for additional time to study the project, although they wish to continue their memberships for the present.

Rains Continue

According to Bill Dollar at State Line Grain, Texico-Farwell had .03 inch of rain on Tuesday evening and the rains were continuing to fall throughout Wednesday morning. Total rainfall for the year now stands well over 16 inches, with showers of the past week adding around an inch of moisture.

In all of the areas around Texico-Farwell, the rains continued to fall on Wednesday morning with moisture also reported for the past week.

Burglary Suspect Questioned

Curry County Deputy Sheriff Loyd Niece and Parmer County Sheriff Charlie Lovelace were in Lubbock Sunday where they questioned one Eugene Doyle Whorton, who had been arrested earlier by Lubbock police, in connection with the August 3 burglary of Rip's Western Wear.

According to Deputy Niece, nine pair of boots, two western suits and several pair of pants, taken in the burglary, were recovered in Lubbock; however, it is not known at this time if the man will be charged with the burglary. He has been charged with possession of stolen property.

The man was arrested by Lubbock police after they became suspicious when he attempted to sell some of the stolen articles.

Although several thousand dollars worth of merchandise was taken in the burglary only about \$400 worth of the merchandise was recovered on Sunday. Local law enforcement officials are still investigating the incident and are seeking the whereabouts of the other merchandise.

Graveside Rites For Jones Infant

Graveside services were held at Bailey County Memorial Park Thursday for the infant son of Mr. and Mrs. LaVon Jones. The little boy, Steven Gene, lived only a few hours after birth on Wednesday, August 9.

The Rev. Woodrow Williams, pastor of Oklahoma Lane Methodist Church, officiated at the services and interment was directed by Claborn Funeral Home of Friona.

Survivors in addition to the parents, Mr. and Mrs. LaVon Jones; are a sister, Kelly Renee; paternal grandmother, Mrs. Grace Jones; and maternal grandparents, Mr. and Mrs. Walter Verner.

Missionary To Speak At Methodist Church

Miss Linda Schulze, Methodist missionary recently returned from Southeast Asia, will be guest speaker at Hamlin Memorial Methodist Church Wednesday, August 23, at 8:00 p.m. This program will be preceded by a covered dish supper for families and friends of the church, beginning at 7:00 p.m. (C.D.T.). Guests will be welcome. Those who cannot attend the supper are invited to the 8:00 p.m. program in the church sanctuary.

Miss Schulze served as a Special Term Missionary in Hong Kong for three and a half years with the Board of Missions of The Methodist Church. During that time she was engaged in education and social work.

Upon completion of her term in Hong Kong, Miss Schulze was asked by Church World Service, an organization of cooperating evangelical churches, to come to South Viet Nam to help in setting up welfare projects in and around Saigon for the thousands of war refugees in the area.

In Saigon she was assigned to work for six months with Viet

Tribune Wins General Excellence Award

The State Line Tribune was cited for its general appearance at the meeting of the West Texas Press Association held the past weekend in Big Spring.

The newspaper was presented with a third place award for "general excellence" in towns of 3000 population or less. Winner of the first place award in the same division was Earth News.

Not only was the local paper given an award in this division, but in addition, the judges in making the awards, mentioned

the Tribune as outstanding in all categories, including news writing, news pictures, editorial and column writing. No certificates are given for honorable mention. In these categories, the paper was in competition with dailies and semi-weeklies.

Mr. and Mrs. John Getz, publishers of the paper, were in Big Spring to accept the award for the Tribune and its staff. They returned home Sunday evening.

GENERAL EXCELLENCE AWARD -- John Getz, publisher, and Chris Moss of the editorial department of the State Line Tribune, are most delighted with the "general excellence" award received by the local paper at the West Texas Press Association meeting held in Big Spring last weekend. This marks the first time the local publication has received such an award from this Press Association. The paper also received high praise in other categories in which it was in competition with dailies and semi-weeklies.

Farwell Principal Announces Elementary Enrollment Date

Principal Jack Williams announces that students of the Farwell Elementary school will not enroll until the first day of school (Sept. 4). All students who were in attendance on the last day of school of the 1966-67 school year will already be assigned to a homeroom; however, students who were not in attendance on that day are requested to report to the principal's office for pre-enrollment.

Principal Williams also announces that lunchroom tickets will be in use during the school year, - with the same procedure in purchase of tickets followed as in previous years;

A. The student must either purchase a daily chip (\$.35); a weekly ticket (\$1.75); or a monthly ticket (\$7.00). The school will not be able to sell a part of any ticket.

B. The instructors will keep the tickets and punch them each morning at lunch room count. Parents will be notified via student when a new ticket is needed.

C. Please have the proper change or a check made out to

the Farwell School Lunch Room for the proper amount on the first day of school. This money must be kept separate from other school payments.

The school insurance and the workbook - enrollment fee may be paid in one check. School insurance will cost: A. At school plan, \$5.00; B. 24 hour plan, \$12.00. School insurance is non compulsory; however, it is strongly recommended that each child have some kind of health insurance. Workbook-enrollment fee is \$3.25 per year. This must be paid on the first day of school.

Williams again reminds parents that they are to make the lunchroom check and the insurance-workbook-enrollment fee check separate.

The elementary instructors have prepared a list of necessary supplies for the students grades one through five:

Grade I; primary pencil, crayons (box of eight); Big Chief tablet, scissors-sharp-pointed; Elmer's glue; cigar box, Kleenex (regular size), eraser (5¢ size).

Grade II: 1--red checking

pencil; 1--29¢ bottle of Elmer's glue; 1--package of crayons (box of 16); 2--#2 pencils; 1--12 inch ruler; 1 cigar box for supplies; 1 green soap eraser, 1 large box of Kleenex.

Grade III: 2--#2 pencils; 1 ruler, 1 green eraser; 1 bottle Elmer's glue; 1 box crayons (24); 1 pair scissors.

Grade IV: 2 pencils #2; eraser (5¢ green soap), ruler, notebook paper, glue (39¢ Elmer's); crayons (16 colors), scissors, red checking pencil, map colors (12 colors), 3X5 spiral notebook for assignment book.

Grade V: Kleenex, paste or glue, pencils, eraser, ruler, notebook paper, crayons, and scissors.

All students in these grades are asked to please not bring ink pens (these will not be allowed).

Principal Williams has set aside August 29, 10 a.m. until 12 noon for counseling with parents in regard to student placement. This meeting will be held in the office in the elementary school building.

Kindergarten Registration Set

Mrs. Bill Craft, operator of Craft Kindergarten, announces that registration will be held for the children who plan to attend classes at her home, 510 First Street, Friday, Sept. 1, 9:30-10:30 a.m. Parents of children are asked to come with their children for enrollment.

Regular classes will begin on the following Tuesday, Sept. 5, 8:30 a.m. and students will be dismissed at 11:15 a.m. These same hours will continue each day, Monday through Friday. All holidays for the kindergarten children will be the same as those observed by the public school, in order that families may make plans for holidays.

Each child will need one small box of crayolas, two pencils, one pair of round-end scissors, one bottle of Elmer's glue, one small box of Kleenex, and one cigar box or similar box for supplies.

Merchandise Shoot

The local Lions Club will hold a "merchandise" shoot August 27 at the trap, north of Texico on the State Line road. Funds raised at the shoot will be used for various projects of the club, including "Sight Conservation."

In Texico --

First Graders Need Birth Certificates

Jim Rogers, principal of the Texico elementary school, announces that any child who will attain the age of six years before January 1, 1968 and lives in the Texico school district is eligible to enter school this fall.

However, when the student is brought to school (on the first day) to register he must have a birth certificate (proof of age) and will need to have had all of his immunizations against certain diseases as required by state law.

Any child planning to enter school must be immunized against poliomyelitis (a complete series); smallpox - vaccination within the last five years; diphtheria and tetanus series completed, or a booster within the last three or four years. Although measles vaccination is not required, it is recommended if your child has not had measles. Measles almost always result in two weeks absence from school-and can be serious.

In addition, Rogers indicates that each child should have a thorough physical examination by the family physician and dentist before entering school. A school nurse will check each child periodically and follow-ups will be made with vision, hearing and other defects brought to the attention of the parents. In addition, each parent should list the name of the

family physician when registering the child (in case of accident) in order that if a parent can not be reached, the proper person would be called.

Students who will be in first grade should have the following list of supplies. Big pencil-primary; crayons - eight colors; tablet-wide line; scissors; white paste (not liquid); and a small box of Kleenex.

All other elementary teachers will list the supplies they wish their students to have when they register.

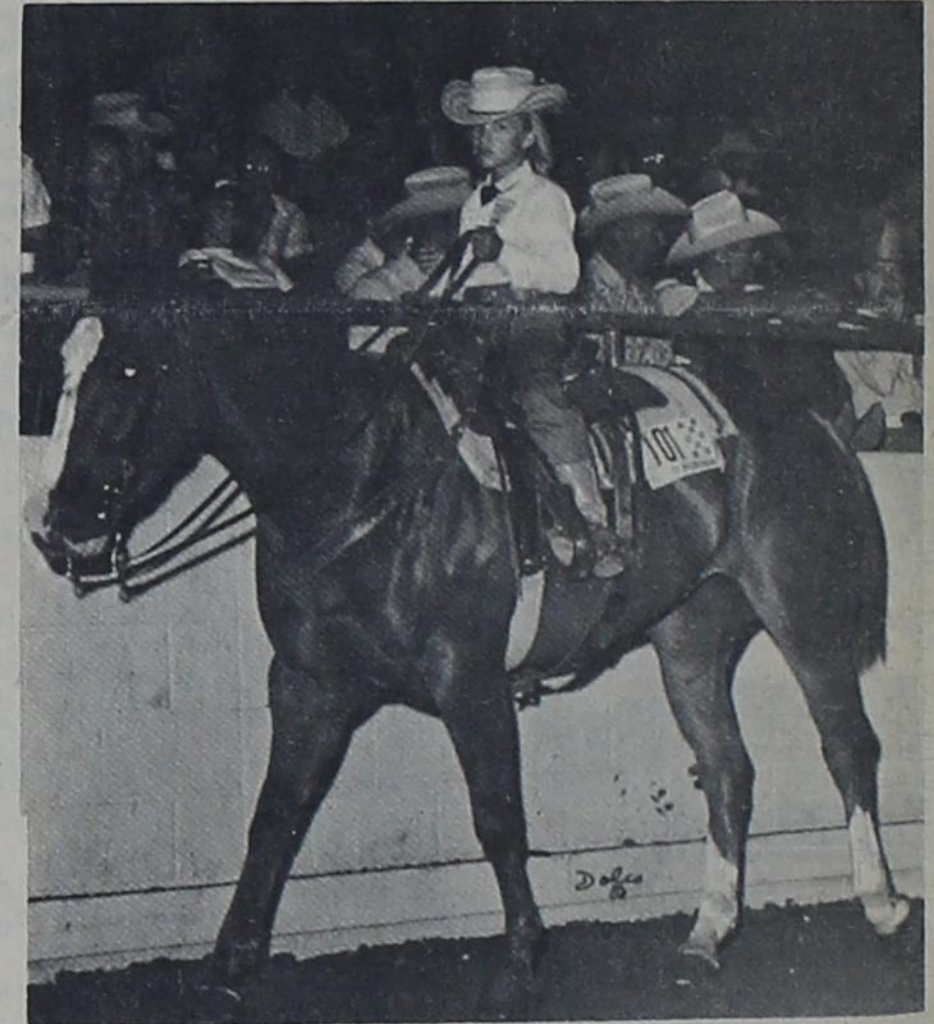

All Texico students will register on August 28.

Dedication Set Monday

Texico Woman's Club is inviting all residents of Texico to attend the dedication ceremony for the Town Park Monday night, August 21, 8 p.m.

Mrs. James Pierce, president of the Woman's Club, will act as master of ceremonies for the dedication ceremony, and Mrs. Murray White will give the dedicatory prayer.

After the dedication ceremony, everyone is invited to stay for refreshments of home made ice cream and cake, courtesy of the Woman's Club members.

LAURA DOSHER is caught in a serious moment as she tries to decide just what the judges may be thinking as she rides her horse "Texas King Dandy" in the Western Pleasure class at the state 4-H Club horse show.

URELY PERSONAL

By John

This past weekend we had the pleasure of attending the summer meeting of the West Texas Press Association held in Big Spring. We have attended a number of conventions in both Texas and New Mexico over the past few years, but this convention had one feature that impressed us greatly -- this was the welcoming committee of their Chamber of Commerce. They have a group within their Chamber called the "Ambassadors" who wear a distinctive red blazer and officially greet newcomers and conventioners.

At the first official function, all convention registrants passed through a double line of these "Ambassadors" who shook hands with each person and gave a personal welcome to their city. This was quite impressive. As a follow-up, a member continued to represent the chamber and attended other functions. Our convention was fortunate to have a charming couple by the name of Harry and Joyce Sawyer with us. This couple made an excellent impression for their city. Big Spring can be proud of this method of caring for city visitors.

This is an example of great civic pride and a recognition that a community can grow only as much as local people within the area support it and work for it. We as a community can take a lesson from Big Spring and remember that good will and hard work are a prerequisite for community growth. If you as an individual are interested in the Twin Cities, then you as an individual must be prepared to work for community betterment and not leave it for someone else to shoulder your share.

We will also mention that The Tribune won a third place in the General Excellence contests. We are pleased to have received this award as it is given on the total quality of the paper. This includes news, pictures, columns, editorials, features and make up. This indicates we are giving our subscribers, our advertisers, and our community a quality publication, and this we try hard to do. As we have stated in the past, we enjoy hearing from the public and welcome criticism. This paper is paid for by the public and we want it to be a reflection of our community as well as a valuable civic asset. Hearing from people will greatly assist us in accomplishing this task.

On August 27, the Lions Club will hold a merchandise shoot at their trap range just north of town. This is an excellent sport as raising money for the Lion's charities. This local organization spends well over \$1,000 a year in charitable works in this area alone. A part of their money support a world-wide organization that accomplishes much good on a world-wide basis. So, bring your old blunderbuss out to the shoot and have some fun as well as having a small part in many of our local charities.

We want to thank the Bovina Riding Club for participating in our parade the other week. Let's return the favor to Bovina at the Bovina football game and display our neighborliness by sitting over on the Bovina side of the bleachers. This will not only display great neighborliness, but get the Farwell fans off those practically non-existing visitor bleachers.

Set Booster Club Father-Son Watermelon Feed

All Farwell football players, Booster Club members, and fathers of the players are urged to attend a meeting of the Booster Club, Tuesday night, Aug. 22, 7 p.m. at the football field. A film will be shown, players introduced, and the position they will be playing revealed, and in addition, watermelon will be served. Coach Booth will also give a brief address.

Regular meeting date of the Booster Club this year will be each Monday night, 8:30 p.m., at the Gateway Cafe. All members and those interested in becoming members should be sure to attend the meeting on August 28.

FORD MOTOR COMPANY IN THE EARLY 1930's -- Can you identify any of these men? We could find the identity of only a part of the group including, far left, Mr. Nabors (Mrs. Ernest Lokey's dad); Z. W. Petree (father of H. H. Petree); Karl Gast, Buster Gast, Val Baumgart, A. J. Ham and Euel Smith, if you know the identity of the rest please let us know and we'll pass it along. At time this picture was made, the Ford Motor Company in Farwell was owned by Gateway Auto of Clovis.

Entered as second class matter at Farwell, Texas, 79325, under the act of March 3rd, 1879, Published every Thursday.

America Waits For A Reply

If the majority of Negroes in America are really the responsible citizens that it is hoped they are, then they better get busy and publicly condemn America's black Castro, Stokely Carmichael, before he indirectly leads them down the road to ruin. Apparently many things can be tolerated by the American public, including the never ending bleedings of Dr. Martin Luther King, but Stokely is going too far. Call it "white backlash" if you will, but America will soon lose all compassion for any minority race which embraces an alien philosophy of government, especially a philosophy which denies the existence of God, and which teaches that the sole purpose of the individual is to contribute to the betterment of the state.

I refer, of course, to Carmichael's attendance of the Havana conference of the Latin American Solidarity Organization, at which he supported Fidel Castro's grand design of infiltration and subversion, and spoke himself of black guerrilla warfare, aimed at eventually tumbling the government of the United States of America. This is too much! Stokely Carmichael has advocated the overthrow of the United States government and as such, is guilty of high treason! No excuse will suffice, Stokely has made himself absolutely clear. By his own admission, he is working toward the day when bands of black guerrillas will run rampant through the cities of America, hurling bombs and shooting anyone who gets in their way, especially policemen and other guardians of law and order. He does not want to build a better America for the Negro, he wants to burn it down, to reduce it to ashes. He is not motivated by a desire to improve the lot of the Negro, he is motivated by an intense hatred of the white man. He wants to destroy the white man's world, and in so doing, he will destroy the world of the Negro as well. If the majority of American Negroes allow themselves to become so frustrated by their problems, that they too embrace this self-destruction philosophy, then their cause in America is lost forever. No amount of political double talk, no new civil rights legislation can save them. Once they lose the compassion of the American public, they are doomed, and they are dangerously close to this today.

It will not suffice to merely remain silent on the problem. Responsible Negroes must speak out, again and again. They must make it plain to all of America that what Stokely Carmichael is doing, he is doing on his own, and that they, indeed all responsible Negroes, condemn him for it. Above all, they must not allow further riots to take place, at any cost. If necessary, they must organize peace keeping squads in black neighborhoods, to insure that followers of Stokely Carmichael and Rap Brown do not succeed in their plans.

Even this is not enough. The responsible Negro himself must stop demanding and start asking, for in making demands, he automatically identifies himself with the Carmichael faction. The time for action is not next month or next year, it is now, today, the sooner the better. The American public is rapidly becoming fed up with the current state of affairs and only swift action by the responsible Negro can head off a massive condemnation of the entire civil rights movement. What will his answer be? The American public waits -- but not for long.

PUBLIC NOTICE
Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER ONE ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Section 9, Article VIII, Constitution of the State of Texas, be amended to read as follows:
"Section 9. The State tax on property, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty-five Cents (35¢) on the One Hundred Dollars (\$100) valuation; and no county, city or town shall levy a tax rate in excess of Eighty Cents (80¢) on the One Hundred Dollars (\$100) valuation in any one (1) year for general fund, permanent improvement fund, road and bridge fund and jury fund purposes; provided further that at the time the Commissioners Court meets to levy the annual tax rate for each county it shall levy whatever tax rate may be needed for the four (4) constitutional purposes; namely, general fund, permanent improvement fund, road and bridge fund and jury fund so long as the Court does not impair any outstanding bonds or other obligations and so long as the total of the foregoing tax levies does not exceed Eighty Cents (80¢) on the One Hundred Dollars (\$100) valuation in any one (1) year. Once the Court has levied the annual tax rate, the same shall remain in force and effect during that taxable year; and the Legislature may also authorize an additional annual ad valorem tax to be levied and collected for the further maintenance of the public roads; provided, that a majority of the qualified property taxing voters of the county voting at an election to be held for that purpose shall vote such tax, not to exceed Fifteen Cents (15¢) on the One Hundred Dollars (\$100) valuation of the property subject to taxation in such county. Any county may put all tax money collected by the county into one general fund, without regard to the purpose or source of each tax. And the Legislature may pass local laws for the maintenance of the public roads and highways, without the local notice required for special or local laws. This Section shall not be construed as a limitation of powers delegated to counties, cities or towns by any other Section or Sections of this Constitution."
Sec 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed on them the following:
"FOR the constitutional amendment allowing counties to put all county taxes into one general fund."
"AGAINST the constitutional amendment allowing counties to put all county taxes into one general fund."

NUMBER FOUR ON THE BALLOT

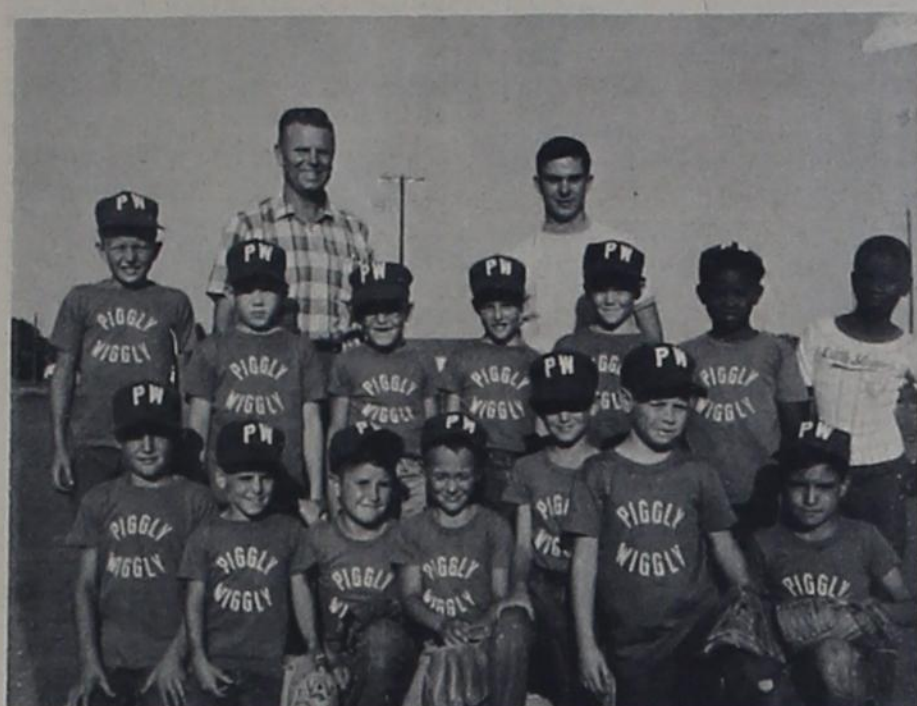

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That the Constitution of the State of Texas be amended by adding a new Section in Article III to be known as Section 52e, reading as follows:
"Section 52e. Each county in the State of Texas is hereby authorized to pay all medical expenses, all doctor bills and all hospital bills for Sheriffs, Deputy Sheriffs, Constables, Deputy Constables and other county and precinct law enforcement officials who are injured in the course of their official duties; providing that while said Sheriff, Deputy Sheriff, Constable, Deputy Constable or other county or precinct law enforcement official is hospitalized or incapacitated that the county shall continue to pay his maximum salary; providing, however, that said payment of salary shall cease on the expiration of the term of office to which such official was elected or appointed. New Crop Disease Suspected On High Plains

A disease new to the West Texas area is suspected in some corn and grain sorghum fields. The invader is believed to be maize dwarf mosaic virus, says Dr. Robert W. Berry, extension plant pathologist at Texas A&M University's South Plains Research and Extension Center. Fields heavily infected with the suspected virus have been found in the Hereford area, Deaf Smith County, as well as in parts of Parmer, Castro, Dallam, Moore, Donley, Hale, Crosby and Floyd counties.

Infected plants show a mottled pattern of light and dark green on the new leaves as they emerge from the whorl, explains Berry. In grain sorghum, infected plants will turn bright red or reddish-brown in cool weather. In corn, however, the mottling is primarily brown. Grain does not develop normally in crops infected by MDMW, points out the pathologist. On corn only a few grains may form on the cob while grain sorghum heads may be practically sterile.

This particular virus was first uncovered in South Central Texas last year in sweet corn and losses ranged from 10 to 50 per cent. MDMW overwinters in the rhizomes of Johnson grass and is transmitted by aphids, explains Berry. As the tender shoots of this grass emerge in the spring, the aphids begin feeding, acquire the virus and move to susceptible crops where they transmit the disease.

There appear to be some varietal differences, adds Berry,

but all varieties examined in the area are seemingly susceptible to the suspected virus. At this time there are no control practices which will be of benefit to susceptible crops, the pathologist explains. Many specimens of infected plants have been submitted to Dr. Robert W. Toler, virologist with the Department of Plant Sciences at Texas A&M, for positive identification of the disease.

Bake Show Set Monday In Bovina

The county 4-H bake show contest will be held Monday, August 21, at 9:30 a.m. in Community Room of First State Bank of Bovina.

Girls completing 4-H food projects are eligible to participate in the bake show, according to Cricket B. Taylor, home demonstration agent.

The Bake Show is sponsored by the Panhandle Wheat Growers Association.

County winners will compete in the District Bake Show on September 16, at the Tri-State Fair in Amarillo.

To remove a meat juice stain from a white or colorfast cotton tablecloth, first sponge the stain with cool water. Or soak the cloth in cool water for 30 minutes. Then rub detergent into spot and laundry the cloth in hot suds.

Wayland Registration Sept. 7

Dr. Roy McClung, president of Wayland Baptist College in Plainview, announced today that registration for the fall term will begin on September 4th, and the term itself will start on September 7th. There are a limited number of openings still available.

In making this announcement, Dr. McClung pointed out several vital factors which make Wayland Baptist College appealing to students.

"The private nature of Wayland Baptist College emphasizes the free enterprise segment of higher education. The place of the private school is well established and the need

WHAT CAUSES TOOTH DECAY?

1. The susceptible individual - different people have different degrees of susceptibility. These may be caused by heredity or result from nutritional influences during tooth development.

2. The oral bacteria - bacteria which exist in "farter" on teeth - which produce acid strong enough to eat away enamel and cause cavities.

3. The diet-food -- particularly carbohydrates (starches and sugars) must accumulate in the mouth in order for tooth decay bacteria to grow. Frequency of eating sweets especially between meals, is an important factor.

Wayland Baptist College will be operating this fall in recently improved facilities with the classroom space in Gates Hall completely modernized and each of the dormitories has been remodeled to give higher levels of comfort and pleasant group living.

M. Mayfield, J. B. Jennings United In Marriage

In a candlelight ceremony Saturday night, August 12, Marcella Mayfield, daughter of Mr. and Mrs. J.T. Mayfield, Lazbuddie, and Joe Bryan Jennings, son of Mr. and Mrs. J.B. Jennings, Lazbuddie, were united in marriage in the First Baptist Church, Lazbuddie.

Reverend Calvin Beach performed the double ring ceremony before an altar setting of two double tiered, fourteen branch golden candelabra holding white tapers, against a background of emerald foliage accented with yellow bows. These were flanked by two nine branch spiral candelabra arrangements of emerald foliage. The focal point of the setting was a white velvet kneeling bench with a single golden candelabrum at each end.

Musical selections were played on the organ by Cecil Bolton, Lubbock, who is the bride's organ instructor. The soloist, Harrol Dutton, Lubbock, sang "O Perfect Love," "We'll Walk With God", and the "Wedding Prayer."

The bride's mother wore a celery green sheath dress of silk and chose matching green and avocado accessories, accented with a corsage of green cymbidium orchids.

The groom's mother chose to wear a three-piece orange linen suit with orange and brown accessories. Her corsage consisted of brown cymbidium orchids.

Matron of honor was Mrs. Jimmie Burgess of Dimmitt, maid of honor was Linda Gleason, cousin of the bride, Lazbuddie. Bridal attendants included Tamra Jennings, sister of the groom, Bobby Jo Jones, Alicia Galloway, Earth; and Marianna Gammon, Wilcox, Ariz.

The attendants wore identical sleeveless, floor length dresses of pastel yellow peau de sole covered with organza. They featured a bias and bow trim with tiny buttons closing the deep organza yolk in the back. Their floor length veils were of yellow illusion and they carried cascading bouquets of yellow roses accented with English ivy and yellow streamers. The flowergirls were little Misses Laurie and Robin Burgess, Dimmitt. They wore dresses identical to the attendants.

The bride, given in marriage by her father, wore a formal length gown of imported silk organza and Swiss organza appliques over taffeta. The dress featured long petal-point sleeves with a sabrina neckline. Special trim of seed pearls and crystals were re-embroidered on the gown and flowing train. The dress was a controlled sheath designed on Empire lines. The detachable Watteau train cascaded to chapel length from the yolk applique with beaded Swiss organza flowers. The veil was a halo of organza flowers accented with seed pearls and crystals attached to a tier bubble of illusion which fell to full chapel length.

The bride carried the white Bible presented to her by the Lazbuddie Baptist Young Women's Auxiliary. It was topped with tiny white roses cascading from two white cymbidium orchids accented with English ivy and white satin streamers. For something old, the bride wore a diamond drop necklace which was taken from her mother's engagement ring. Something new was her dress, something borrowed were pearl earrings that belonged to Mrs. Jimmie Burgess. For something blue, she wore a garter given to her by Mrs. John Neil Agee, her cousin.

Best man was the groom's brother, Derrell Jennings, from DeKalb, Tex. Ushers included Sam Sadler, Tulla; Ronald Mayfield, brother of the bride; Robert Gallman, cousin of the groom; Max Eubanks, Dale Miller, Friona; and Sammy Harlan.

Guests were registered by Mrs. John Neil Agee, cousin of the bride, who was assisted by her daughter, Michelle. Following the ceremony, a reception was held in the Fellowship Hall of the Lazbuddie Methodist Church. The bride's table was covered with a white taffeta cloth accented at various points with wedding bells, yellow ribbon and English ivy. A nine branch candelabra and the bride's bouquet enhanced the table decor. Focal point of the table was the three-tiered wedding cake topped with white wedding bells and accented by yellow roses. Yellow punch was served from a crystal bowl, and silver appointments completed the decor. Mrs. Derrell Jennings, DeKalb, served the cake and Mrs.

MRS. JOE B. JENNINGS

Ronny Barnes, Canyon, poured the punch. For a wedding trip to Galveston, the bride chose an orange silk linen tunic with matching skirt. Orange and beige accessories completed her outfit. The white orchids were lifted from her bridal bouquet for her corsage.

The couple will be at home at 2232 Auburn, No. 86, Lubbock, after September 15. The bride and groom are both graduates of Lazbuddie High School. The bride attends Texas Tech where she is a member of Phi Gamma Nu honorary, the National Collegiate Association of Secretaries, and is a member of the Lubbock Chapter of the American Guild of Organists. She has served as organist at the First Presbyterian Church of Lubbock.

The groom is a student at South Plains College in Levelland where he is secretary-treasurer of the Agricultural Association of Texas Junior Colleges.

Visitors in the home of Mr. and Mrs. Elmer Teel during the past week have been their daughters, Mrs. Jerry Hill and children, Sand Spring, Okla., Mrs. Bill Glenn and children, McCamey, Tex., and Mr. and Mrs. Gene Usrey and son, Portales.

Freddie Magness was hospitalized in Clovis for a few days the first part of the week following a motorcycle accident in which he received a broken thumb and bruises and cuts.

MR. AND MRS. JOHNNY HOLCOMB

Linda Brand Is Bride Of Johnny Holcomb

Linda Lou Brand, Texico, became the bride of Johnny Eugene Holcomb of Fort Sumner in a double ring ceremony read by Rev. W.R. Preist, pastor of the United Pentecostal Church in Portales and close friend of the bride, on August 5 at the United Pentecostal Church in Texico.

Parents of the bride are Mrs. Everett Autrey of Texico and Floyd Brand of Tucumcari. Parents of the groom are Mr. and Mrs. Joe K. Holcomb of Fort Sumner.

The couple exchanged wedding vows in front of a setting of seven branched candelabra and greenery. Family pews were marked with nosegays of greenery and satin bows.

Earl Roberts, organist, played appropriate wedding music preceding the ceremony and also played the traditional wedding marches. Candles were lighted by Coy Bailey, Fort Sumner, nephew of the groom, and Georgia Autrey, Texico, sister of the bride. Ushers were Troy Bailey, nephew of the groom, Fort Sumner, and David Brand, Texico, brother of the bride. Bestman was J.C. Bailey brother-in-law of the groom from Fort Sumner.

Maid of honor was Brenda Brand, twin sister of the bride. Bridesmaid was Jane Brand, also a sister of the bride. Bridal attendants were attired in floor length gowns of blue embossed taffeta, designed with elbow sleeves, and batteau necklines. Their headpieces were in matching hue and they carried cascade arrangements of white carnations. The candlelight was attired similarly to other bridal attendants.

The bride, given in marriage by her father, wore a formal princess style wedding gown of white bridal satin designed with long fitted sleeves of lace, and a batteau neckline. The chapel train was attached at the shoulders with minute buttons. Her veil of tulle was held by a satin pillbox hat. The bride carried a Bible arrangement of white roses and carnations accented by streamers of satin ribbon. Following tradition,

the bride used for something old the Bible of her deceased maternal grandmother; new was her wedding gown made by Mrs. W.R. Priest; borrowed and blue was a garter, borrowed from her sister-in-law, Mrs. Emmitt Autrey.

Mrs. Autrey, mother of the bride, was attired in a suit of pink taffeta overlaid with white lace. She wore white accessories. Mrs. Holcomb, mother of the groom, chose a shirtwaist dress of beige shantung with which she wore bone and brown accessories. Both mothers complemented their attire with white carnation corsages.

A reception was held in the church fellowship hall immediately following the wedding. Serving table was covered with a white linen cloth and centered by a blue floral arrangement, flanked on either side by a crystal candelabra holding three blue tapers. The three-tiered wedding cake, decorated with blue lovebirds and roses and topped by a bride and groom figurine, was served with nuts, mints and coffee or blue punch. Crystal and silver table appointments were used. Presiding at the serving table were Mrs. N.W. Peyton, teacher of the bride, Regina Leverton, a close friend of the bride, and Dell Bailey, niece of the groom.

When the couple left for a wedding trip to Santa Fe and points in Colorado, the bride wore a burgandy linen A-line dress with black accessories. Her attire was complemented by a corsage of roses lifted from the bridal bouquet. The couple are at home in Fort Sumner.

The bride, who has been attending classes at the Texico school, will complete her studies at the Fort Sumner High School. The groom, a 1965 graduate of Fort Sumner High School, is employed as an orderly at the Fort Sumner Nursing Home.

Shower Invitation

Friends are invited to a "come and go" shower honoring Jackie Gast, bride-elect of Jack Walker, Thursday, Aug. 24, 8-10 p.m. (CDT) in the home of Mrs. A.D. Kirk, 9th and Ave. G in Farwell. Hostesses for the bridal courtesy are Mrs. Kirk, Harold Travis, Bill Craft, Hugh Moseley, C.L. Mahaney, Claude Coffey, Pershing Busbice, Merrell Turner, Billy Meeks, Chase Chisman and Mabel Harmon.

Gayle Doolittle and Jerry Don Utsman left for California last week. Doolittle, who has worked for Helton Oil Company for a number of years, will remain in California to make his home in Long Beach. Utsman will visit relatives in several California cities and will seek employment in that state.

Informal Coffee Honors Mrs. Johnny Green

An informal coffee Tuesday afternoon at Clara's Restaurant honored Mrs. Johnny Green who is moving to California to make her home. Hostesses for the courtesy were members of the Texico Woman's Club.

A fall centerpiece featuring artificial fruits, vegetables and flowers centered the table. Other floral arrangements were placed throughout the room.

Attending the social were Mmes. Roy Snodgrass, Joe Helton, Truman Kittrell, Sylvia Burgett, Avis Patterson, Harvey Hudnall, Grayson Roberts, C.B. Stockton, Virgil Stewart, John Getz, and Chris Moss. Pie and coffee were served. The Greens are leaving for their new home on Sunday.

Shower Honors

Lana Mahaney

Lana Gay Mahaney, bride-elect of Gary Doshier, was honored for a bridal shower Saturday afternoon in the fellowship hall of Farwell Church of Christ. Yellow and white, chosen colors of the honoree, were used in room decorations.

Serving table was covered with a yellow linen cloth and accented by shasta daisies at the hemline. Centering the table was an arrangement of daisies in a milkglass container flanked by yellow candles in milkglass holders. White petit-fours iced in yellow, yellow mints, and nuts were served with mint punch. Presiding at the serving table were Jackie and Judy Megill, Sheri Roberts and Alicia Bourlon, Kandy Meeks registered the guests at a table centered by a minute arrangement of shasta daisies.

The honoree, her mother, Mrs. C.L. Mahaney, and grandmother of the groom-elect, Mrs. H.T. Edwards, were presented with corsages of white carnations. All of the hostesses wore corsages of shasta daisies. Mother of the groom-elect was out of town and could not be present.

Hostess gift was a set of cookware. Hostesses for the bridal courtesy were Mmes. Bill Bourlon and Alicia, Bill Roberts and Sheri, C.M. Meeks, Jerry Meeks and Kandy, W.F. Gable and Jackie and Judy Megill, Buck Bradshaw and Jackie Williams.

Out of town guests at the social were aunts of the honoree, Mmes. L.T. Davis, William Duncan, and Johnny Mahaney and Wade, all of Lubbock. Some 55 guests registered during the receiving hours and gifts were received from an additional 100 persons who were unable to attend.

FAREWELL -- Friends gathered Tuesday to wish Mrs. Johnny Green "God speed" as she prepares to leave for California to make her home.

Pantry Shower Honors Bride-Elect

The home of Mrs. W.F. Gable was scene for a "pantry shower" honoring Lana Mahaney, bride-elect of Gary Doshier, last Sunday afternoon when former classmates and close friends of the bride-elect gathered to honor her.

Hostesses for the social were Judy Megill and Sheri Roberts and Mrs. W.F. Gable and Mrs. Bill Roberts.

The guests had removed the labels from the canned foods which they brought and attached "clever sayings" which give a clue to the can's contents. Games and visiting were enjoyed after the honoree had opened her gifts and read the labels on the cans.

Assorted cookies and punch were served to Joyce Bass, Ginger Hughes, Susan Bass, Alicia Bourlon, Sheri Roberts, Janis Billingsley, Patty Tatum, Judy McGill, the honoree, and Mrs. Gable and Mrs. Roberts.

Yellow and white were used in room decorations and carried out in refreshments.

During July --

County Records Eight Accidents

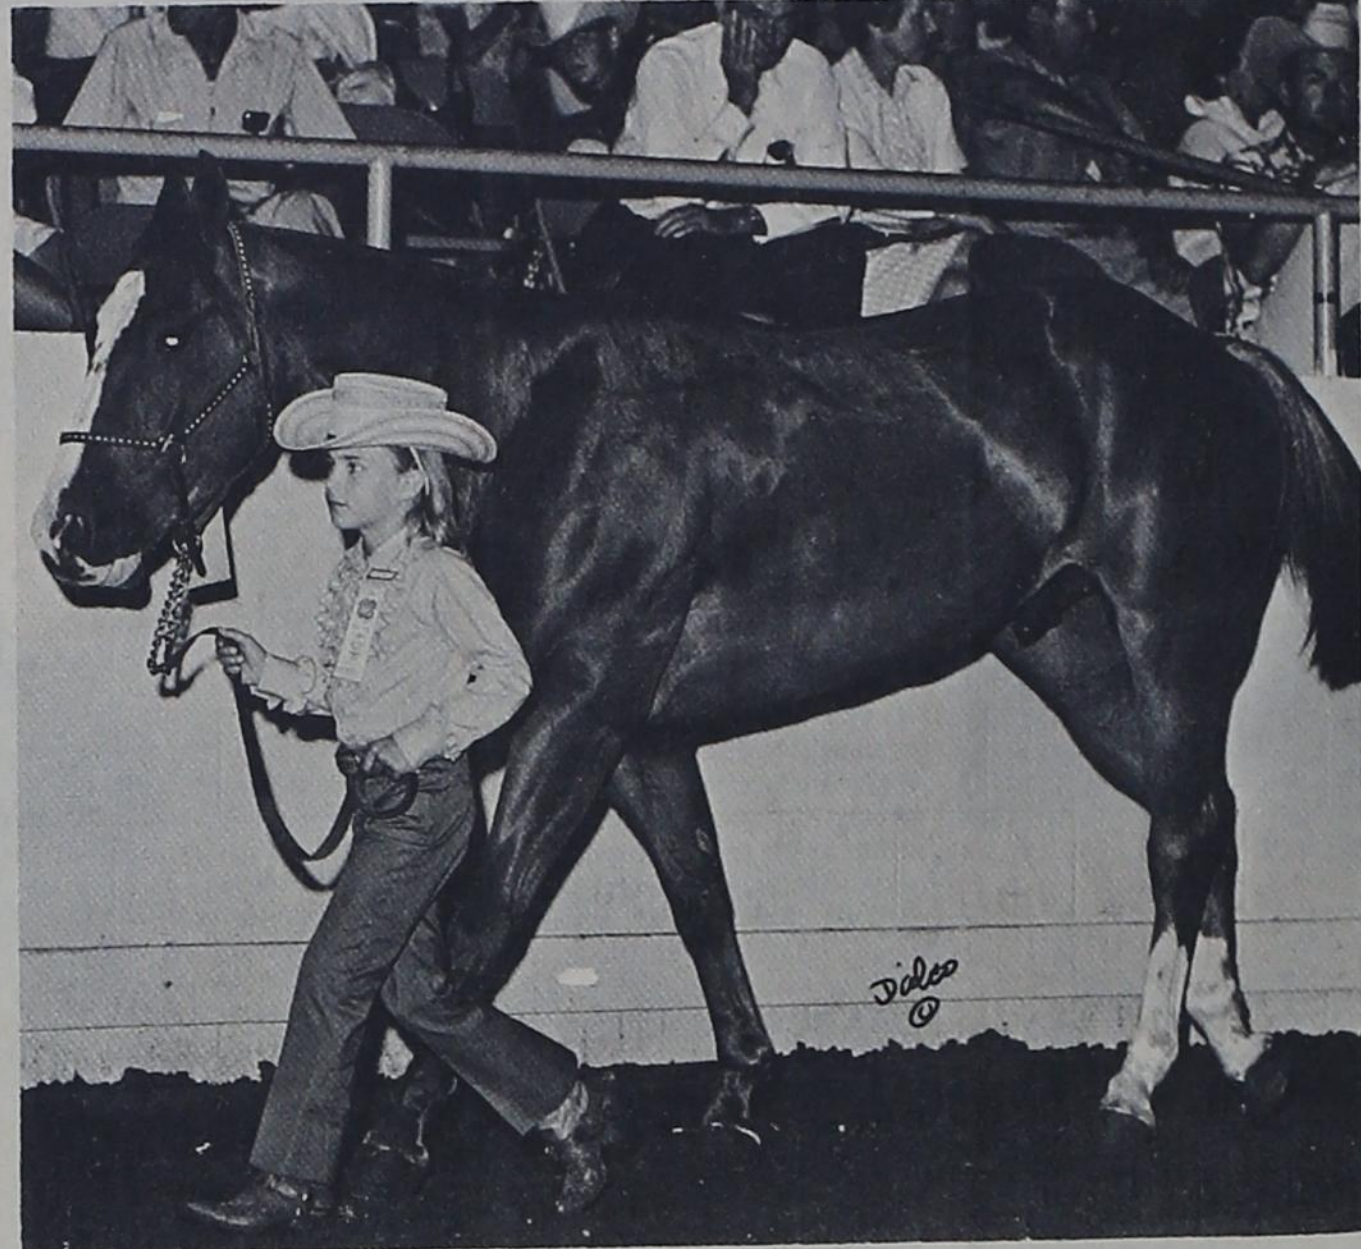

The Texas Highway Patrol investigated eight accidents on rural highways in Parmer County during the month of July, according to Sergeant W.E. Wells, highway patrol supervisor of this area.

These crashes resulted in three persons injured and an estimated property damage of \$5,755.

The rural accident summary for this county during the first seven months of 1967 shows a

total of 60 accidents resulting in three persons killed, 24 persons injured, and an estimated property damage of \$42,316. "School days" are almost here again. Many of the schools in this area will be starting classes before Labor Day. Many drivers have become accustomed to ignoring school zones and signs during the summer months with the thought, "why bother, school's out anyway."

Many parents will attempt to make the forth coming Labor Day their final vacation outing. "Don't let this outing be fatal," the Sergeant stated.

testant from Parmer County), brought home a total of 34 points from the state horse show (well ahead of last year's total). Some 20 boys and girls represented District I at the show, with 12 districts competing for honors.

In addition to Parmer County, other counties comprising District I are Gray, Dallam, Hemphill, Moore, Wheeler, Collingsworth, Potter and Hansford.

Other winners from District I were Sharon Johnson - Moore County, 6th in gelding over five years of age; Denise Loach, Gray County - 6th with a grade mare; Wanda Greene - Hansford County - 9th gelding over five years of age.

Boys and girls entering in the horse show may only enter in two events (thus Miss Doshier was eliminated from the pole bending events).

Superintendents for the various events were County Agricultural Agents from counties over Texas, including Andrews, Crane, Midland, Glasscock, Kinney, Pecos, Reagan, Brewster, Martin, Upton, Val Verde, Hudspeth, El Paso, Sutton and Culberson.

Judges were Jack H. Bates of Albuquerque, N.M., and Bob Johnson, Santa Rosa, N.M.

Why do people who can afford any central heating system almost always pick the least expensive?

95 percent of the centrally heated homes in this area that cost over \$50,000 are heated by natural gas. Obviously, their owners could have bought any system they wanted. Why natural gas? Because people with money demand the best, even if it happens to cost less. How is natural gas best? Five ways: (1) Fresh. Gas systems bring fresh air in from outside, heat it, and distribute it through your home. (2) Even. Gas systems circulate fresh air evenly to every corner of the house: no hot spots, no cold spots, no stale air, no odors. (3) Clean. Gas systems filter the air sky-blue clean. (4) Dependable. Gas is famous for its dependability: gas gets through

regardless of the weather. Gas lines are down underground where high winds and heavy icing can't get at them. (5) Economical. Gas systems heat for 1/2 the cost of electric systems, and even people with money do not object to saving money. And of course, you don't need expensive additional insulation when you heat with gas. Result of all this excellence: 95 percent of the over-\$50,000 centrally heated homes in this area are heated by natural gas. Happy P.S.: 95 percent of the centrally heated under-\$50,000 homes in this area also do it with gas!
