Four Jurors Selected For Murder Trial of A. Faulkner In Man's Death Here in 1929

Death Penalty Not To Be Asked Prosecution Indicates; Blow from Pipe Held Agent of Death

Four jurors had been obtained at 1:30 p. m today in the trial of Allan "Red" Faulkner, charged with murder in the death of H. Rubin.

The jurors were G. C. Broughton, J. L. Miller, Dee Foster and H. E. Dunning. Twenty three veniremen, of a special venire of 60, had been examined when Duning.

Ginnings to December 1 Practically same as

WASHINGTON, Dec. 8 CP- died was alleged at the time to This year's cotton crop was esti-have been caused from a piece of mated today by the department of pipe or a blunt instrument. mated today by the department of agriculture at 14,243,000 bales of 500 pounds gross weight, based up on December 1 conditions. Last month 14,438,000 bales were estimated. Production last year was 14,828,000 bales.

The estimated yield per acre is 150.8 pounds for this year, compared with an estimate of 154.2 pounds a month ago and 135.0 pounds produced last year.

The data will not ask the death penalty in the case. District Attorney James Little are assisted by Clyde E. Thomas in the prosecution. Sullivan and Sullivan

The properties of the country of the country of the properties of

much as 20 per cent in retail prices mown a drop of as much as 20 per cent in retail prices mown the people have deep confidence. The entity way to handle this campaign is to gather all the important facts connected with the road-building program and lay the road-building program and lay the post-building program and lay the table, face up."

Judge Morrison is eminently correct It is the only way.

In this case—because such a fair proposition and so many concessions have been made by the state highway commission, because Howard county needs the road so bardy, and because Howard county needs the road so bardy, a
