NEW 2157 2165

Superior grain yields with a good grazing bonus. Excellent straw strength, too!

Our researchers were impressed by the tremendous pasture production and grain yields from these new varieties during testing. And now that the varieties have stood the test of actual production on many farms under many conditions, the proof is in!

They grow off well and show strong resistance to SBMV, leaf rusts, fungal leaf blights, and the Hessian fly.

- New 2157 gives you good, early grazing, then stays with you through the winter. And the grain yields are right up there with anything you care to compare it against. Choose 2157 for dryland or limited water production.
- New 2165 works with your irrigation program to make the most of all you put into the crop. Pasture comes on strong in the fall and grain yields are among the best you'll find, bar none.

No matter what anyone says,
nothing is
"just as good as a John Deere."

"And ours is just as good as a John Deere." How many times have you heard that? When one manufacturer is so clearly the leader, that's the ultimate claim any competitor can make. But when you put all claims aside, there's nothing like a John Deere tractor with Caster/Action™ mechanical front-wheel drive and 15-speed Power Shift transmission. No combine can match the productive efficiency of a Titan II. And the superior seed/soil environment created by Max-Emerge™ planters is literally legendary. But so is the dealer support that's provided with everything in The Long Green Line™. Don't take our word for it. Ask anyone. We're happy to be judged by what we're known for.

Sheranette Smallwood and William Martin

Approaching marriage

Joe and Jackie Smallwood of Farwell announce the engagement and approaching marriage of their daughter, Sheranette, to William Martin, son of Bill and Yaunda Martin of Lariat.

Wedding vows will be exchanged Sept. 7 at 7 p.m. in the First Baptist Church of Farwell.

The bride-to-be is a 1984 graduate of Farwell High School and attended

Eastern New Mexico University. She is employed by Aldridge, Harding, Aycock, and Actkinson Law firm in Farwell.

The prospective bridegroom is a 1980 graduate of Farwell High School and is currently farming.

William and Sheranette invite all friends and family to attend their wedding and the reception to follow. No local invitations will be sent.

Above, Martin Chandler, president of the Farwell Community Center Board, presents a new VCR to Colleen Stover, of Farwell, who won

the drawing for it. Proceeds go to the center; over \$1,000 was raised through the giveaway.

Square dance kicks off BTD

Border Town Days activities were kicked off last Thursday night with an old fashion square dance.

As many as 12 squares of dancers (ninety-six people) danced on the floor together. There were also many spectators who came to view the intricate steps and fancy dress of the dancers.

The square dance was sponsored by The Muleshoe Squares square

dancing club from Muleshoe, but it drew dancers from a large area. Dancers came from Muleshoe, Sudan, Friona, and Farwell, Texas, and Portales, Fort Sumner, Rogers, and Clovis, N.M. among other places.

Fred Chandler of Farwell was one of the callers for the evening—he even sang the calls for "Elvira" Bobby Graham was the other caller.

Henry attends meeting

Kenneth R. Henry of Henry Insurance Agency, recently attended the orientation meeting in Kansas City, Mo. of Marketforce International, the insurance agency franchise network.

Henry Insurance is the only Marketforce affiliate headquartered in the Texas counties of Parmer, Castro, Swisher, Bailey, Lamb and Hale.

By means of this Marketforce

affiliation, Henry Insurance provides services to their clients that formerly were in the reach only of the largest national insurance brokers in the country. These services include engineering services, expanded surety bond facilities, insurance information interchange, advertising, and a wide spectrum of auxiliary services designed to make this agency even more professional in its services to its clients.

Williams restored 1940 Plymouth

Felix Williams of Norwalk, Calif., returned for Border Town Days this year and brought with him his restored 1940 half-ton Plymouth pickup, which he drove in the parade.

Williams had found it at Luns-

ford's in 1977. He assembled it the past two years.

Gladys Hardage of Farwell is his sister-in-law. Tina Scolaro, his granddaughter, from Anaheim, Calif., came with him.

Texico workouts planned

Two-a-day workouts for the Texico Wolverine football will get underway Aug. 12 with sessions at 8 a.m. and 5 p.m. (MDT).

The team will be meeting Aug. 11 at 2 p.m. (MDT) and will be issued gear and insurance.

The Wolverines will have a scrim-

mage game with Clovis sophomores Aug. 23 or 24.

The season will open with the Wolverines playing Estancia Aug. 31 there.

The Texico coaches for 1985-86 football season will be head coach David Lynn, Roy King, and Borde Williams.

Golf tourney planned

The 16th annual Penny Anderson Men's Partnership Golf Tournament is set at the Farwell Country Club, Aug. 17 and 18.

Golfers wishing to enter this year's tourney may still do so by calling the Country Club at 481-9910.

The entry fee will be \$80 a team plus cart fee.

Saturday night after the first day of competition, participants will be treated to dinner by Walter Hughes and Company.

Workouts to start

Prospective football players for the Farwell Steers will begin two-a-day workouts on Aug. 12, according to Monte Barnes, athletic director and head football coach.

Sessions will be held at 8 a.m. and 6:30 p.m.

Two pre-season scrimmages have been set this month; with Plains Cowboys at Plains on Aug. 23 and the Dimmitt Bobcats at Farwell on Aug. 30.

The shoes and shorts will be issued on Aug. 7 at 9 a.m.

Farwell school, gym vandalized

The Farwell elementary school and old gym were broken into earlier this week and vandalized.

A fire extinguisher and radio — belonging to a teacher's aide — were stolen. The damage, and time needed for cleanup, is estimated at several hundred dollars.

Anyone with information on who the vandals might be are asked to call School Supt. John Grigsby at 481-3371.

Tourism topic

The Farwell Chamber of Commerce again discussed the possibility of placing a tourism center in Farwell Monday.

Chamber Secretary Dutch Quickel reported he has contacted the state and tourism brochures are available but no racks are available at this time.

He also said that Farwell United Drug has agreed to allow the racks and brochures to be placed in its lobby.

The Chamber discussed getting an area adjacent to the drug store property or perhaps seeking the use of some of that property itself, for some picnic benches and where the "Texas" sign could be placed.

An advantage to using the drug store area is that parking is available there.

Texico physicals set

Physicals will be given at the Texico Wolverine Gym by Dr. Green, on Aug. 8 from 9 a.m. to noon, and from 1 to 5 p.m.

This will include high school boys and girls as well as junior high.

The cost will be \$10 per student.

Thornton, Jesko attend business sessions

Jim Thornton and Lucia Jesko, both seniors at Texico High School, attended Business Awareness Week in Las Cruces, N.M.

To start the week, they began companies at set prices and competed with eight others. They saw what could happen if you didn't handle your money correctly in business.

Jim's company came in first and Lucia's came in fifth.

"I learned a lot more than he thought and would go again," Jim said. Jim plans to go into business management or restaurant management.

Lucia plans to major in dentistry. She learned more in a general way, she said.

On Thursday Jim's group toured the Holiday Inn. They saw the banquet facility, the international computer and they saw how the management worked.

Allsup's land just cleared

The property owned by Allsup's, just west of the railroad tracks dividing Texico and Farwell, has been cleared to improve the looks of the lot, said Jack Crow director of advertising and public relations for
