Iuleshoe

The annual Muleshoe FFA Parent-Member banquet will be held Tuesday, April 20, at 7:30 p.m. in the High School cafeteria.

Lazbuddie FFA Banquet is scheduled Friday, April 23 at 7:30 p.m. in the Lazbuddie School cafeteria. ***

Kay Lynn Prather, 18 year old daughter of Mr. and Mrs. Donald Prather is reported doing well in Methodist Hospital following surgery the first of the week.

Easter weekend visitors in the home of Hazel Cunningham were her son and family, Mr. and Mrs. Cecil Cunningham, Misty and Farrah, from Aztec, N.M.

LIBRARY WEEK CELEBRATION .- These youngsters are only a few of many local and area children who frequent the Muleshoe Area Public Library in a year's time. Many educational and entertaining children's books are available, as well as films which enhance learning for youngsters such as these. National Library Week has been proclaimed by Governor Bill Clements for the week of April 18 through the 24. Local activities will evolve around the theme "Libraries Are Full of Wonder."

11,000 Additional Acres **Filed In Oil, Gas Leases**

Treadwell; Parliamentarian

sate GTE for Muleshoe residents being able to call out on nearby exchanges with no toll charge.

According to Rodriguez, where a resident is now paying \$6.95 for a one line residential phone, if the increase is effected, will be paying \$8.30 for local and \$1.15 for EAS giving a combined total of \$9.45 for the one line residential phone.

Presently, business rates for a one-line phone are \$18.30. When and if the rate increase is effective, they will be raised to \$22. for the local portion, plus \$3.05 for EAS, with a total of \$25.05 for the one-line business phone. The spokesman also said that these prices would fluctuate with the type of equipment, the number of phones and lines required by the individuals and businesses.

These increases in the Muleshoe area would mean an approximate 11.4 percent increase for commercial rates and 3.7 percent increase on private residential rates.

In testimony filed this week with the State Public

Utility Commission, Texas

Municipal League rate ex-

perts challenged the re-

quest of General Tele-

Miss. King, Spencen Exchange Wedding Vows

Skokie Jean King of Seagoville, formerly of Sudan, and Edwin J. Spencer of Dallas, exchanged wedding vows Saturday, March 20 at 4 p.m. in the United Methodist Church of Seagoville. The Rev. George Strickland of Crandall read the double ring vows.

Vows were exchanged before a pair of brass candelabrum trees holding winter white candles and decorated with greenery and peach ribbon. To complete the altar decorations was a unity candle enhanced with foliage and peach ribbon which was lighted by the groom's and bride's mothers as they were seated, and by the couple following the pledging of wedding vows. Peach and brown satin bows marked the pews.

Wedding music was provided by Linda Hurst, pianist of Dallas and Janice Campbell, vocalist of Garland.

Escorted and given in marriage by her father, the bride wore a traditional gown of old ivory silk satin. The all over lace appliqued bodice featured an oval yoke, long tapered sleeves of appliqued lace and were edged in the same Swiss net as the oval yoke.

The full circular skirt belled from an empire waist and was encircled in appliqued lace and Swiss net flowing into a full train. Completing her ensemble was a silk satin capulett seeded in pearls, which fell to the waistline. The bride carried a tapered bouquet

thing old were pennies minted in the years of the couple's births; something borrowed was a gold necklace from Stephanie Coppinger, cousin of the bride. Elaine Perry of Portales, N.M. was matron of honor. Bridesmatron was Gwenna Gore of Circleback. Both

are sisters of the bride. Heather West of Brownfield, niece of the bride, served as flower girl. Ringbearer was Spencer Evins of Littlefield, nephew of the bride. Wayne Robison of Houston served as best man. Groomsman was Robert Sims of Seago-

ville, cousin of the bride. Candlelighters were Ricky King, brother of the bride, and James Simms of Seagoville, cousin of the bride. They also served as ushers.

The bride presented a long stemmed white rose to her mother as she was escorted to the altar and one to the groom's mother as she left the altar.

Following the ceremony, a reception was held in the home of Mr. and Mrs. Bob Sims, aunt and uncle of the

bride. For travel, the bride wore a turquoise knit suit. The couple will make their

Thirty members and 72 guests attended the annual Sudan FFA Parent-Member banquet on Saturday night, March

home in Seagoville.

Out of town guests were registered from Sudan, Littlefield, Brownfield, Portales, N.M.; Circleback, Bosier City, La., Fort Worth, Lubbock and Houston.

A rehearsal supper was held at the home of Mr. and Mrs. Bob Sims of Seagoville, aunt and uncle of the bride.

Lisa Wood Named To All-Stars

Lisa Wood, 17 year old daughter of Mr. and Mrs. Dan Wood was named by the Amarillo News Globe as one of two area girls to the Class 1A All State first team in Girls' Basketball.

Lisa led the Sudan Hornets to a 27-2 season record losing only to Nazareth two times, by a thin margin in both games. She had an average of 21.3 points per game.

Being recognized as an All State performer is the highest honor a high school athlete can receive.

TOPS Weekly Meeting

The Muleshoe TOPS Chapter TX #34 met on Thursday, April 15 at 6:30 p.m. in the meeting room of Bailey County Electric.

Edna Haynes, president, called the meeting to order. Fern Gregory gave the opening prayer. The TOPS pledge was recited and the fellowship song sung. Rose Sain, secretary, read the minutes of the previous meeting.

Leavell Parker, weight recorder, called the roll, with 31 members present.

Weekly best loser, Jim Ella Clemens, was crowned. Josie Pedrosa was named first runner up and Brenda Murphy, second runner up.

Each member told of the things her secret pal had done for her this week.

Laverne James, Wanda Kemp and Jonnie Ivy led the club in songs from the TOPS song book.

The meeting was dismissed with the goodnight song.

marble, zinc and production. Many manufacturers of electrical power, food processing, transportation equipment, hardwood floors and mach-

inery are centered in Texas.

MAY DATE SET -- Mr. and Mrs. Bill Jennings of Lazbuddie are proud to announce the engagement and approaching marriage of their daughter, Darshan, to Jay Lynn Blackburn, son of Mr. and Mrs. C. J. Blackburn of Grady, N.M. The bride-elect graduated from South Plains Junior College and is currently attending Texas Tech University. The prospective groom graduated from South Plains Junior College and will be a graduate of Texas Tech University in May. The wedding is planned for May 29 at 7 p.m. in the Lazbuddie Methodist Church. No local invitations are being mailed.

of peach and white roses.

Following tradition, the gown and veil served as something new; something blue was the blue satin and lace garter made by her sister, Teresa West; some-

Miss May, Canter Engagement

Announced

Mr. and Mrs. Ralph May of Sudan announce the engagement and approaching marriage of their daughter, Marilyn, to Scott Carter, son of Mr. and Mrs. Ralph Carter of Littlefield.

The ceremony is planned for Saturday, June 5 at 7 p.m. in the Sudan First Methodist Church.

Scott is a 1978 graduate of Littlefield High School and is currently engaged in farming. The bride is a 1981 graduate of Sudan High School. She is a sophomore at Texas Tech University and is presently employed by Plains National Bank in Lubbock.

WOTS Group Celebrates Second Birthday

Kay Madry and Betty Moore of Earth were the hostesses for the April 15 luncheon of the WOTS group which was held at Summit Savings and Loan community room, 304 Main, Muleshoe.

3

On this date, WOTS celebrated its second birthday. The table appointments were in red and white. A birthday cake, baked by Lydia Wright, was also decorated in red and white, centered the dessert table.

Membership in WOTS now stands at nearly 100 with three honorary members, while the guest cards show approximately 80 guests

Ladies Golf Association **Meeting Held**

The Muleshoe Ladies Golf Association held their regular luncheon meeting Wednesday, March 17. Marsha Watkins served a Mexican plate to 17 members and five new members, Patsy Poynor, Lynn Box, Jeanell Turner, Melba King and Sandy Turner. Plans were made to purchase new carpet for the ladies locker room. Those on the committee are Claudine Elliott, Jeanetta Precure and Cookie Bamert.

Jeanetta Precure, cotournament chairman, announced the Ladies Invitawho have joined in at theluncheons.

In April 14, a farewell lunch was held at the Dinner Bell Cafe for Neg Walker. She is a esident of Sharon Springs, Kansas, and says she hopes to be back in June of this year. There were 10 ladies present at the luncheon.

Those attending Thursdays luncheon included Kay Madry, Lois Martinec, Betty Moore, Mildred Williams, Nora Flanary, Faye Wellborn, Deborah Sir, Teresa Carney and Norma Linda Saldivar, Bonita Jones, Marv Smith, Jo Ann Flanary, Ruth Davis and Jason, Edna Haynes and Brenden, Linda Glenda Cogliandro, Duncan, Dell Aycock, Lydia Wright, Rose Bowman, Pat Cummins, Colleen Agnew and Bet-

ty Barker. Guests present included Freda Majors of Sharon Springs, Kansas; Lorna Moravec, Meg Walker, Martha Baker, Bertha Walkener, Darrell and Gayle Turner, Johnny and Deborah St. Clair, Bruce Woods, Magann Rennels, Pay-Lamb.

GTE...

Cont. from Page 1 The Municipal League's analysis concluded that General Telephone's request for \$110 million was far in excess of the amount justified to keep the company financially sound. The cities' study of the company's books indicated that General Telephone was legitimately entitled to a rate hike of just \$23.3 million -- about 21 percent -of the amount asked.

The increase recommended by TML would give General Telephone a rate of return of about 16 percent, compared to the 18 percent that the full amount requested by the company would provide.

TML also was critical of the company's proposal to charge far higher rates to some of its customers than those in neighboring exchanges. Under the company's plan, a given telephone customer could be charged nearly double what his neighbor pays, simply because of a slight difference in location.

Additionally, TML urged the utility commission to properly measure -- and regulate -- the profits that flow from General Telephone of the Southwest to its parent corpporation, General Telephone & Electronics, in Connecticut. Under the rate application now pending before the commission, profits paid out of the pockets of Texas consumers would be passes along to the national headquarters of the company, with no benefit to in-state telephone users. Earlier this year, in Feb-

ruary, the Austin Court of Civil Appeals upheld contentions by Texas Municipal League lawyers that the amount of Texas-based profits channelled to General Telephone's national

Cont. from Page 1

The Jennyslippers voted a \$100 donation to the Friends of the Library. On Saturday, April 17, the Jennyslippers will co-sponsor, along with the Youth Activities Committee, the annual Jerry Lewis Muscular Dystrophy Skate-Athon. Hotdogs and refreshments will be served during the day for this event and the Jennyslippers will be on hand to supervise the skaters.

On Friday, April 23, Jennyslippers will be handling MDA pledges at the Civic Center skating night. Also, plans are underway for the annual July 4 celebration in Muleshoe.

The Welcome Committee is in full swing under the direction of Linda Guelker, chairman, and all members should paln to participate in meeting area newcomers.

The next meeting will be held at noon on May 11 in the library building.

Seafood ...

Cont. from Page 1 Trans Alaska Seafood, Inc. Pre-order blanks are to be found in the Sunday Bailey County Journal.

The arrival date is set for April 27 and orders may be picked up directly from the truck from 11 a.m. until 7 p.m. Orders may be purchased from the truck that day. No deposit is necessary. The location of the truck will be on the Muleshoe State Bank parking lot.

Lazbuddie...

Cont. from Page 1 for re-election.

Transfers were approved for the 1982-83 school year. The board in addition to the regular monthly business, discussed and approved an adult computer basic language class to be offered in the computer lab of the Lazbuddie ISD (formerly the tax office). Any one interested in taking the course to be offered on Monday nights should contact Dennis Owen at 965-2156.

The course will begin on April 26, and run for four Monday nights for two and one half hours. There will be a charge of \$35 per person for the course.

Library...

Cont. from Page 1 will be on display for bids. Persons interested in this set may place their bids with the librarians on duty. On Friday, April 23 at 4 p.m. the "Library Family of the Year" will be named and honored. This distinction is usually bestowed on a family who all use and enjoy the library through-

out the year. Librarian Anne Camp states that many films are available at the library and may be checked out. A tornado film will be available all this month.

Robbing Peter? We understand daylight-saving time originated when an old Indian chopped off one end of his

blanket and sewed it on the other to make it longer. -Flying K, Kingsville.

BINGHAM-NEIMAN REALTY RIBBON CUTTING -- Members of the Muleshoe Chamber of Commerce gathered at Bingham-Neiman Realty's new offices in Muleshoe for ribbon cutting ceremonies on Thursday, April 15. Chamber President Bluce Woods and Mayor Charles Bratcher did the honors for the event.

San Jacinto Day Celebration

The annual San Jacinto Day celebration will be held Saturday, April 24 at the San Jacinto Monument southeast of Houston. San Jacinto Day, April 21, is a Texas Heritage Day which commemorates the Battle of San Jacinto fought in 1836.

A barbecue will begin at 11:30 a.m. on the park grounds followed by formal ceremonies with keynote speaker, U.S. Congressman Jack Fields. The program is sponsored by the Sons and Daughters of the Republic of Texas and the Texas Heritage Project.

The skirmish at San Jacinto, considered one of the most decisive battles of the world, was the concluding military event of the Texas Revolution The freedom from Mexico the Texans won in this 8 min-

ute battle assured the establishment of the Republic.

Borger Fun Run Set April 24

The American Heart Association and the Borger Chamber of Commerce will be sponsoring the 5th Annual Coors Light 10K and 3 Mile Fun Run on April 24. The location will be the Borger Shopping Plaza and starting time will be 8:30 a.m. Awards will be given to the first three finishers in each division in 10K and the first three finishers in the Fun Run.

All runners will receive a T-Shirt. Registration fee is \$5. For more information, contact Ronnie Morrison at 273-6453.

parent should be limited. The decision resulted in savings of \$10 million to General Telephone's Texas customers.

General's recent rate increase request, which was filed January 29, is its third in three years. In 1980, the company asked for a \$58 million increase and received \$31 million. In 1981, the company asked for \$45.3 million, but the utility commission approved just \$2 million. The Texas Municipal League is representing Muleshoe and 89 other cities that are aintervenors in the GTE rate case now before the state utility commission. Utility experts

hired by the TML cities have scrutinized GTE's books to determine the proper balance between the company's justifiable revenue needs versus the needs of telephone customers for quality service at equitable rates. Jobless increases to 9 percent

Page 8, Bailey County Journal, Muleshoe, Texas, Sunday, April 18, 1982

Scanning Social Security

Q. I am a student who was entitled to child's benefits before August 1981, and I will begin college in January 1981. When will my benefits end?

A. You may continue to receive benefits through April 1985, but your be--nefit will be reduced by 25 percent of the August 1981 amount each year starting with August 1982, and benefits will not be paid during May, June, July and August starting in May 19-82.

Q. I read in the newspaper that all seniors must be enrolled in college by May 1, 1982 in order to receive benefits. Is this true?

A. In order for the seniors to continue receiving benefits they must not only be enrolled as a full time student by May 1, 1982 but must be attending college as a full time student by May 1, 1982.

Q. My son will not be able to be a full time student in college by May 1, 1982, because the college will not accept him until he has graduated from high school. He will not graduate until June 7, 1982. What must I do? Will I be notified?

A. The Social Security Administration is not sending out any forms that say 'If you're in school and you want to beat the changes in the law, here's what you should do.' The intent of Congress is to stop paying student benefits.

Q. I am a widowed father. I became entitled to benefits in September 19-81. My only child will be 16 years old in March 1983. When will my benefits end?

A. Your benefits will terminate in March 1983 providing your child is not disabled. Q. I started getting wife

benefits in October 1978. My youngest child became 15 in August 1981. When will my benefits stop? A. Because you were en-

titled to wife's benefits before the date of enactment, August 1981, you will have a grace period of either two years from the date of enactment or your child's at-

cials will appear during prime time programs, soap operas,

talk shows and the news.

Twenty-two top consumer

markets will also receive a

heavy scheduling of spot TV

ads. Emphasis will be placed

on moderate to heavy beef

users, who represent two-

thirds of all consumers and 85

percent of all beef eaters.

Commercials will be shown

during spring, summer,

BIC will try to reach "light

users," the third of the

population that consumes 15

percent of the beef, through

winter and fall.

tainment of age 18, whichever comes first. Since two years from the date of enactment (August 1983) comes before your child's 18th birthday (August 19-84), your benefits will end in August 1983.

Q. I receive Supplemental Security Income. I got married a month ago. Do I have to report this to the social security office or wait for them to contact me?

A. The law requires you to report any changes in your circumstances which could affect your SSI payment. Your SSI payment may be reduced by up to \$100 for each failure to report a change affecting your SSI payment. You are also subject to a fine or imprisonment or both if you knowingly make a false statement or knowingly conceal or fail to report an event.

Q. I am a high school student, and I plan to work this summer. I do not have a social security card. What must I do?

A. You will need a certified copy of your birth or baptismal certificate. You will also need identification. You can use your student ID or a library card. Come into or call

your local social security office so that you can complete the application. It usually takes from four to six weeks for you to receive your social security card. Plan to apply as soon as possible if you will be employed this summer.

Q. My friend died in October 1981. His wife preceded him in death, and they had no children. I took responsibility for the funeral and burial. I also paid for the funeral. Am I eligible for the lump-sum

A. The 1981 amendment redefines who is eligible for the lump-sum death payment. Based on deaths occuring on or after September 1, 1981, the lumpsum death payment can be paid only to (1) a wife living in the same household (2) a widow or widower (3) or child who is eligible for benefits on the deceased's earnings record for the month of death. The lumpsum can no longer be paid to funeral homes or people who paid for the burial.

Deadlines set for cotton planting

AUSTIN-Farmers in infested areas must have all cotton planting completed by their designated planting dates, Agriculture Commissioner Reagan V. Brown has announced.

"Planting dates are set in certain parts of the state as part of the control program of the Texas Pink Bollworm Act, administered by the Texas Department of Agriculture," Brown said. The program includes planting and plow-up dates determined to be the most beneficial in fighting the pest. Planting dates are: Lower Valley, March 31; South Texas, April 20; Edwards Plateau, May 10; Upper Coast, May 20; South Central, May 20; East Texas

HOUSING AND LOAN OFFICIALS -- Officials from FmHA and members of the Board of Directors of the Senior Citizens Housing Complex in Muleshoe were on hand last Wednesday as ribbon cutting ceremonies were performed at the new facility in Muleshoe.

Check-off program to aid beef sales

AUSTIN--Texas cattlemen are contributing more than \$1 million to a \$7 million national advertising campaign in an attempt to increase beef sales. The campaign by the Beef Industry Council (BIC) of the National Livestock and Meet Board is more than seven times larger than the industry's previous efforts. The promotion, "Nothing Satisfies Like Beef," will begin April 12 with radio and television commercials, advertising in national consumer magazines, billboards and posters.

In Texas it is being financed by a voluntary 25-cent-perhead check-off fee Texas

with the largest number of cattle in the country, is contributing more than any other state. Agriculture Commissioner

Reagan V. Brown applauded the beef industry for uniting to promote their product. "It is high time that we get the message out that beef is good for you," said Brown. "Cattle costs have outstripped prices for two years. Promoting beef aggressively may help to turn these figures around."

Part of the funds are going into research and education, "which can provide practical, long-term solutions," the commissioner added.

The Texas Department of Agriculture will cooperate with the Beef Industry Council in distributing posters, recipes and other information to retail outlets around the state.

Retail promotion is an important part of the campaign. Last fall beef sales increased 5-24 percent during a trial premotion in stores in six cities. Stores that did not

participate experienced no change. Television beef commer-

ANNUAL PERCENTAGE RATE FINANCING

Maybe you're like a lot of people who would buy a new Oldsmobile right now if only...

and Mel

If only finance rates came down. If only monthly payments could be lower.

If only finance charges could be reduced.

A lot of the "if onlys" have been eliminated with the 12.8 annual percentage financing, 12.8%. It applies to new Oldsmobiles ordered or bought from stock now and delivered through May 31.

You could save on that Cutlass Supreme you wanted. That Delta 88. That Firenza, Cutlass Ciera, Omega or any other Olds model. The Olds you like financed

at just 12.8%. No ifs, ands or... onlys. And that's good news. Offer applies to qualified retail buyers at participating dealers. Dealer contribution to this special low rate may affect the final negotiated price of the vehicle.

See your participating Olds dealer for qualification details.

PRESENTING

OMEGA ES!

This is what a small car can be ... when it's an Oldsmobile! This newest, smallest Oldsmobile shows impressive quality throughout. Front-wheel drive, MacPherson strut front suspension. The fun-to-drive Firenza is ready for your test drive.

Cutlass Ciera. It's the first Cutlass with front-wheel drive. With all that Cutlass style, plus impressive traction. A 2.5 liter L4 engine with electronic fuel injection is standard. Cutlass Ciera, a new Cutlass up with the latest automotive technology.

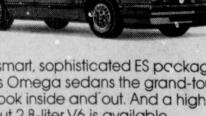

Some Oldsmobiles are equipped with engines produced by other GM divisions, subsidiaries or affiliated companies worldwide. See your dealer for details

This smart, sophisticated ES package gives Omega sedans the grand-touring look inside and out. And a high output 2.8-liter V6 is available.

A brand-new 4.3-liter diesel V6 joins America's best-selling diesel family. Available on all Cutlass Supreme and Cutlass Ciera coupes and sedans.

PLEDGES FOR THE FARM PAC-Many farmers and businessmen stopped on their way out of the Tuesday meeting spearheaded by AAM officials and Congressmah Kent Hance to sign their pledge cards for donations to the rural political action committee. Over 700 people were on hand for the conference in Lubbock.

**** Ruby Gore attended

A&M participating in Air Force project

GOLLEGE STATION -Three of the nation's leading engineering universities have responded to what the Air Force terms a "national need" for advancements in development of gas turbine engines the power behind military and commercial aircraft and many industrial powerplants. At Texas A&M University,

with the largest College of Engineering in the U.S., plans have been made for five to eight non-military engineering graduate students to be paid \$1,100 a month by the Air Force to study gas turbine engineering at the master's or doctoral level and to work with a major turbine manufacturer during the summer and after graduation. The students take on no obligation to serve in the armed forces.

The other institutions participating in the effort are the Massachusetts Institute of Technology and Purdue Uniersity.

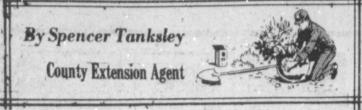

Four California national cemeteries will be reopened by the Veterans Administration this summer for the burial of cremated remains. The creation of garden niches to provide for the dignified use of land unsuitable for the interment of casketed remains permits the reopening of the West Coast cemeteries where the call to bury cremated remains is particularly strong.

NOTE: The performance of seeds or the crop produced therefrom may be adversely affected by factors beyond our control including environmental conditions, insects and diseases. The limitation of warranty and remedy attached to each bag of Growers Brand seed is a part of the terms and conditions of the sale thereof.

Page 10, Bailey County Journal, Muleshoe, Texas, Sunday, April 18, 1982

FERTILIZING THE HOME ORCHARD

When properly used, fertilizers promote better plant growth and increase yields. Improperly used, they may be wasted or do more damage than good.

Remember, fertilizers cannot correct poor soil structure, adjust an unsuitable soil pH, or compensate for poor plants or unadapted varieties.

Organic or inorganic fertilizers yield good results if used at recommended rates. Organic fertilizers are products of living things, such as manure and fish meal. However, use no more than 10 to 20 pounds of poultry and rabbit manure per 100 square feet of soil around trees or small fruits. These types of manure contain high nitrogen concentrations.

Even though nitrogen is the limiting element in most Texas soils, it must not be used in excessive

production. Also, excessive

vegetative growth makes

apple, pear and quince

more susceptible to fire

As a general rule, never

put commercial fertilizers

in the hole when planting.

Allow the root system to

become established and

the plant to grow before

fertilizing the first year.

Never apply fertilizer after

June because late applica-

tions growth, thus pro-

High pH soils need an-

nual applications of iron

chelates to prevent iron

chlorosis. Trees suffering

from iron chlorosis have

yellow leaves (like nitrogen

deficiency) with green

veins. Make a soil appli-

cation of one tablespoon of

moting winter injury.

blight and other diseases.

iron chelate such as Sequestrene Fe-138 per inch of trunk diameter when symptoms develop.

ments for fig trees by the amount of growth made the previous year. The amounts. Nitrogen is required for plants' dark shoot should grow 12 to 18 green color, good vegetainches each year. In general, apply one pound of a tive growth and overall quality. However, excesscomplete fertilizer per year of tree age but not more ive amounts promote overabundant vegetative growthan 10 pounds. th at the expense of fruit

Pecans require just one pound of ammonium sulfate per inch of diameter of tree trunk on established trees. Fertilizers containing zinc are of little benefit in alkaline soils; add zinc to tree foliage by spraying zinc sulfate or NZN solutions.

Fertilize blackberries twice each season -- in early March and when harvest is completed, usually in June. Apply about 1/2 pound of 10-10-5 or 15-10-10 fertilizer per plant per

application. When applying fertilizer to large fruit trees, normally it's not necessary to dig holes in which to place fertilizer. A surface applica-

tion of fertlizer applied in bands at the tree dripline is sufficient. It's advisable to lightly cultivate and Gauge fertilizer requirebreak the soil surface and then to water in fertilizer if rainfall is insufficient. When applying a fertilizer around trees in which lawn grass is growing, apply a little extra to take care of the grass.

BIBLE VERSE

"And all the tithe of the land, whether of the seed of the land, or of the fruit of the tree, is the Lord's; it is holy unto the Lord.

1. Who was the author of the above command? 2. From what book is it taken?

3. What is the general characteristic of this book? 4. Where does the name originate?

Answer to Bible Verse

1. Moses. 2. Leviticus 27:30. 3. It has been called a "directory of the Old Testament worship.' 4. From that of the Levites, the priestly tribe of Israel.

A CONTRACTOR AND A **Letters** To **The Editor**

and a superior and a

TO THE EDITOR:

Thank you, Muleshoe! The Easter Seal Society greatly appreciates the generous gifts from the people of Muleshoe. Without your thoughtful support, we could not continue our many services for the disabled in this community. In times like these, when we all must carefully budget the help we give to others, your donations to disabled fellow Texams mean even more.

Checks ranging from a few dollars to many dollars continue to arrive at the Texas Easter Seal office, as area residents follow through on the record \$395

pledged locally during the recent Easter Seal Telethon.

Besides those who have donated funds, we thank the many volunteers who gave their time to work for us in the community. We are proud of the Lion's

Club's role as our partner in the effort to help the disabled people of Texas. Thanks, too, to the staff of Channel 11, who helped so much with the Telethon. More than 200 volunteers staffed the Telethon set at Channel 11 during the show that we held March 27 and 28. Pledges from here enabled the National Easter Seal Society to raise

a new record \$21 million.

Information For Veterans

Q -- 1 am in college under the VA Rehabilitation Program. Who pays for the tuition and books? A -- The VA pays the college directly for cost of tuition, fees and books for disabled veterans pursuing a vocational rehabilitation program authorized through Vocational Rehabilitation and Counseling staff

at VA regional offices. Q -- Can I use my entitlement for a home loan and go to school under the GI bill at the same time? A -- Yes. There is no restriction on receiving both of the benefits concurrently. However, VA education benefits are not considered as qualifying income for a long-term VA home loan.

Free Scheduled Maintenance **Outer Panel Rust-**. **Through Protection**

The 5/50 Power Train Protection Plan is a limited warranty which protects you against major repair bills should a covered component supplied by Chrysler Corporation prove defective in material or workmanship in normal use. In conjunction with the "basic" new vehicle limited warranty, it protects you for five years, or 50,000 miles (whichever occurs first) from the warranty start date.

The 5/50 Power Train Protection Plan covers the power train components listed below:

Engine: • Cylinder Block and all Internal Parts, Cylinder Head Assemblies and Gaskets • Core Plugs • Valve Covers and Gaskets • Oil Pan, Gaskets and Seals • Timing Case, Gaskets and Seals • Oil Pump and Gaskets • Intake and Exhaust Manifolds and Gaskets • Water Pump and Gaskets.

Transmission: • Case and all Internal Parts, Gaskets and Seals • Oil Pan • Torque Converter with Starter Ring Gear and Flex Plate • Clutch Housing • Flywheel.

Front-Wheel Drive: • Transaxle Case and all Internal Parts, Gaskets and Seals • Oil Pan and Differential Cover Torque Converter and Drive Plate with Starter Ring Gear Clutch Housing • Flywheel • Drive Shaft Assemblies Universal Joints, Housings and Boots.

Rear-Wheel Drivo: • Drive Axle Housing and all Internal Parts, Gaskets and Seals • Axle Shafts • Axle Shaft Bearings and Seals • Drive Shaft Assemblies • Universal Joints and **Yokes**

The 5/50 Power Train Protection Plan also includes the following benefits:

Substitute Transportation

If your servicing dealer must keep your vehicle overnight to repair a covered component, the 5/50 Power Train Protection Plan provides an allowance for substitute transportation up to \$15.00 per day, with a 5-day maximum (per occurrence).

Towing The 5/50 Power Train Protection Plan will pay for towing up to \$25.00 (per occurrence) if covered component fails, causing the vehicle to be towed.

Items Not Covered

A 5/50 Power Train Protection Plan will not cover repair or replacement of any component not specified above. The plan does not cover repairs required as a result of abuse, improper maintenance, negligence, accident, etc. To the extent allowed by Law: loss of use of vehicle, loss of time, inconvenience, commercial loss or consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary state by state.

Transferable Coverage

This feature can make your vehicle more valuable and easier to sell. Unexpired 5/50 Power Train Protection Plan coverage may be transferred to the next owner of the vehicle for a \$25.00 processing fee.

TEMPLO CALVARIO 507 South Main rev. J. L. Soto, Pastor Sunday 10:00 a.m. Sunday 7 p.m.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by

loving his preighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. for the sake of the wettare of numself and ins family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Sh

The State Property Tax Board reminds you that if you own farm or ranch land, you may qualify for significant tax relief. For details, contact your county appraisal district or local tax office before May 1st.

Tax Relief!

You can help protect your rights as a taxpayer by estimating and rendering the value of your property on a rendition form. Contact your county appraisal district or local tax offices before May 1st for details.

Homeowners may lower their property taxes by applying for exemptions before May 1st. The State Property Tax Board suggests you contact your county appraisal district or local tax offices for details.

A new pamphlet by the State Property Tax Board explains-property taxation in Texas and outlines your rights and remedies as a taxpayer. Pick up your free copy at your county appraisal district or local tax offices.

If you are 65 or over or disabled, you may qualify for additional property tax exemptions on your home. The State Property Tax Board says contact your county appraisal district or local tax offices for details.

The State Property Tax Board reminds you that the filing deadline for property tax exemptions in Texas is April 30. Contact your county appraisal district or local tax offices for additional information.

Texas taxpayers have the right to render their property . . . to provide local tax officials with their opinion of what their property is worth. For information, contact your county appraisal district before May 1st.

Bailey County Appraisal District 272-5501 Muleshoe

When changing pipes, be sure to look up before standing the pipe up.

When moving pivot systems, be sure to re-connect all external grounds to avoid the hazards of electric shock.

Many types of farm equipment are of such height and length that they become an excellent path to the ground should you fail to recognize the danger of an overhead line.

Use extreme caution when using metal, metal-reinforced or wet ladders around electrical wires.

When grazing around irrigation equipment, make sure all controls are covered to prevent livestock from damaging switch gear, control panels or breaking grounding connections.

Consider any overhead line dangerous. Keep objects at least 10 feet away from powerlines.

Report any potential powerline hazard to your electric power supplier.

To our many wonderful friends in this great little town, to our church family at First Baptist Church, to the dedicated nurses and doctors at West Plains Hospital, the family of Gerald Allison says thank you and God bless you for the prayers, the living care, the bountiful food supply the beautiful flowers and other kindnesses shown during our time of sorrow. We love you.

Mrs. Gerald Allison and Families
