Roddam, Mrs. Williams Win Football Contest

As has been the case in many of the past Area Merchants Football Contests, this year's competition ended with two contestants tying with the same number of games called correctly. The top winner was determined by the tiebreaker point spread throughout the 12 weeks of the guessing game.

Jerry Roddam emerged as winner of two tickets to the Cotton Bowl plus \$50 and Beulah Williams won the two tickets to the Sun Bowl plus \$25. Roddam and Mrs. Williams ended the struggle with 97 games called correctly; however, Roddam had been 37 points closer in the tiebreaker predictions than had Mrs. Williams. He was a total of 262 points off all year while his nearest competitor was 299 off.

This was Roddam's first year to enter the contest; however, Mrs. Williams has been a consistent participant, having entered the contest since its beginning 20 years ago.

On hand Tuesday to present the winners their tickets and checks were Bill Wooley of Wooley-Hurst, Inc., Muleshoe; and Craig Hillestad of Farwell Equipment, Inc., two of the contest sponsors.

Also present to lend support were Nicky Liethen, grandson of Mrs. Williams who supposedly "helped" his grandmother in correctly predicting each week's winners. Roddam was accompanied by his wife Elaine, a faithful contest entrant for many years and 1972 and 1973 Second Prize winner, who was properly enthusiastic over the "big win."

In the weekly winner's circle this week is Bobbie McFarland who correctly predicted the outcome of nine of 11 games and was only seven points off the tiebreaker. Paul Brigham, who entered the contest for the first time this season, won second place by

also calling nine games right and missing the tiebreaker by 13 points. Diane Actkinson and Jack Allan Kirkland tied for third with nine games called correctly and missing the tiebreaker by 20 points each.

Others who also predicted nine winners were Johnny Actkinson, Leslee Hughes, Wil-

Week's Best Guesser

Bobbie McFarland called nine games correctly in last week's football contest and missed the tiebreaker score by only seven points to win first place in the weekly guessing. She accepts the \$7.50 check from Benny Haney of Capitol Foods, one of the contest sponsors. Second place in the weekly contest went to Paul Brigham who entered the contest for the first time this season and correctly called nine games and missed the tiebreaker by 13. Diane Actkinson and Jack Allan Kirkland tied for third place money by calling nine games but missing the tiebreaker by 20 apiece.

Commissioners Request More Auto Tag Monies

Parmer County Commissioners Court, meeting in regular session Monday, approved a letter to be sent to state officials relative to the distribution of automobile tag money, okayed payment of a new pickup, renewed and purchased CD's and inspected the Lazbuddie damsite.

The Court approved the \$5937.29 payment for the new pickup for the county extension agent. The bid had been accepted earlier in the year. They also renewed one Certificate of Deposit for \$25,000 and took \$25,000 from the Right-of-Way Fund for another CD, totaling \$50,000.

Jack Patterson, newly-elected commissioner for Precinct Two, visited with the Court. The Commissioners later in the afternoon inspected the damsite at Lazbuddie.

The following is a copy of the letter which the Court approved to be sent to Bob Price, Texas state senator, and Bill Clayton, Speaker of the Texas House of Representatives.

"The Commissioners Court of Parmer County takes this opportunity to communicate with you relative to the distribution of automobile tag money. The formula, as we understand it, followed at the present time and has been the same for some 29 to 30 years, is that the County may retain the first \$50,000.00 and 1/2 of the next \$125,000.00. The other 1/2 of the \$125,000.00 plus all

over the \$175,000.00 goes to the State under the present formula.

"This allows our County to retain \$112,500.00 of all of the tag money taken in. Last year, the Assessor-Collector received over \$336,000.00. The money retained by Parmer County is distributed to the road precincts over our County equally. This gives each precinct only some \$28,000.00 to be used in the maintenance of the roads of the precinct.

"We would point out that the cost of operating the equipment and the cost of the equipment itself, and the labor to operate such equipment, has skyrocketed the last few years to the extent that the

precincts are almost unable to operate. We do not know where this tag money goes on the State level; however, we understand that there is considerable surplus in State funds from various sources.

"Based upon the above and other information, we would like to strongly recommend that you institute proper legislation to alleviate this situation, by allowing the counties to retain the first \$300,000.00 and 1/2 of any receipts over and above \$300,000.00.

"If proper legislation could be introduced and passed in the session commencing in January 1979, it could relieve the financial situation for many precincts and counties.

Santa Asks For Letters

Say, boys and girls in the Twin Cities, Santa Claus says that so far he has received only a few letters from youngsters in the Texico-Farwell area telling him what they would like to have for Christmas. He is anxious to hear from you right away in order that he and his little elves may begin making the toys and gifts on your "want lists."

So that Santa may have enough time to get everything ready for Christmas eve, he asks that all letters be sent to him in care of the State Line Tribune no later than Monday, Dec. 18. Tribune staffers will copy the letters and publish them in the special Christmas edition. However, the "originals" will be forwarded to the North Pole.

Don't forget, kids. Write your letters to St. Nick today and mail them to the State Line Tribune, Box 255, Farwell, Tex. 79325.

Happy Ticket Takers

Jerry Roddam, second from left, and Mrs. Beulah Williams beam smiles of approval as they accept their winning football game tickets from two of this year's contest sponsors. Bill Wooley, left, of Wooley-Hurst in Muleshoe presents Roddam with two tickets to the Cotton Bowl plus a check for \$50 for winning first place in the 20th annual football guessing game. At right, Craig Hillestad of Farwell Equipment presented two Sun Bowl tickets and a check for \$25 to Mrs. Williams who was the second place winner. The two entrants each called 97 games correctly; however, Roddam was closer on the tiebreaker scores to win the top prize.

Drilling Underway - -

'Wildcat' Oil Rig Set Up Near Lariat

by Shirley Gorman

A "wildcat" oil well is being drilled on the Vernon Jamison place near Lariat. The land was leased by U.S. Petroleum Company and the "wildcat" well is being operated by Forster Drilling Co. of Midland. Norman Ballard of Lovington, N.M., is the "tool pusher," the man who runs the entire rig.

The oil rig, requiring two and one-half days to "set up" (including moving from Midland), began operation three weeks ago. If it produces commercial oil, it will be one of the first for Parmer County.

As of this week the well was down approximately 6,000 feet with 8200-8500 feet the established goal. Within the next two weeks the drillers should be down to that level. The oil found then, if any, will be tested to determine if it is worth bringing forth, Ballard said.

The Forster Drilling Site

Number Two is referred to as a "wildcat" well because it is being drilled in a "field that has not proven itself," Ballard explained.

A 137-foot derrick marks the site of the well, easily visible for miles around. Three high powered butane motors operate the rig which is maintained seven days a week by three crews of five men each.

Besides the regular crews, a geologist is also available to test the rock samples which are brought up from the bowels of the earth of the oil rig.

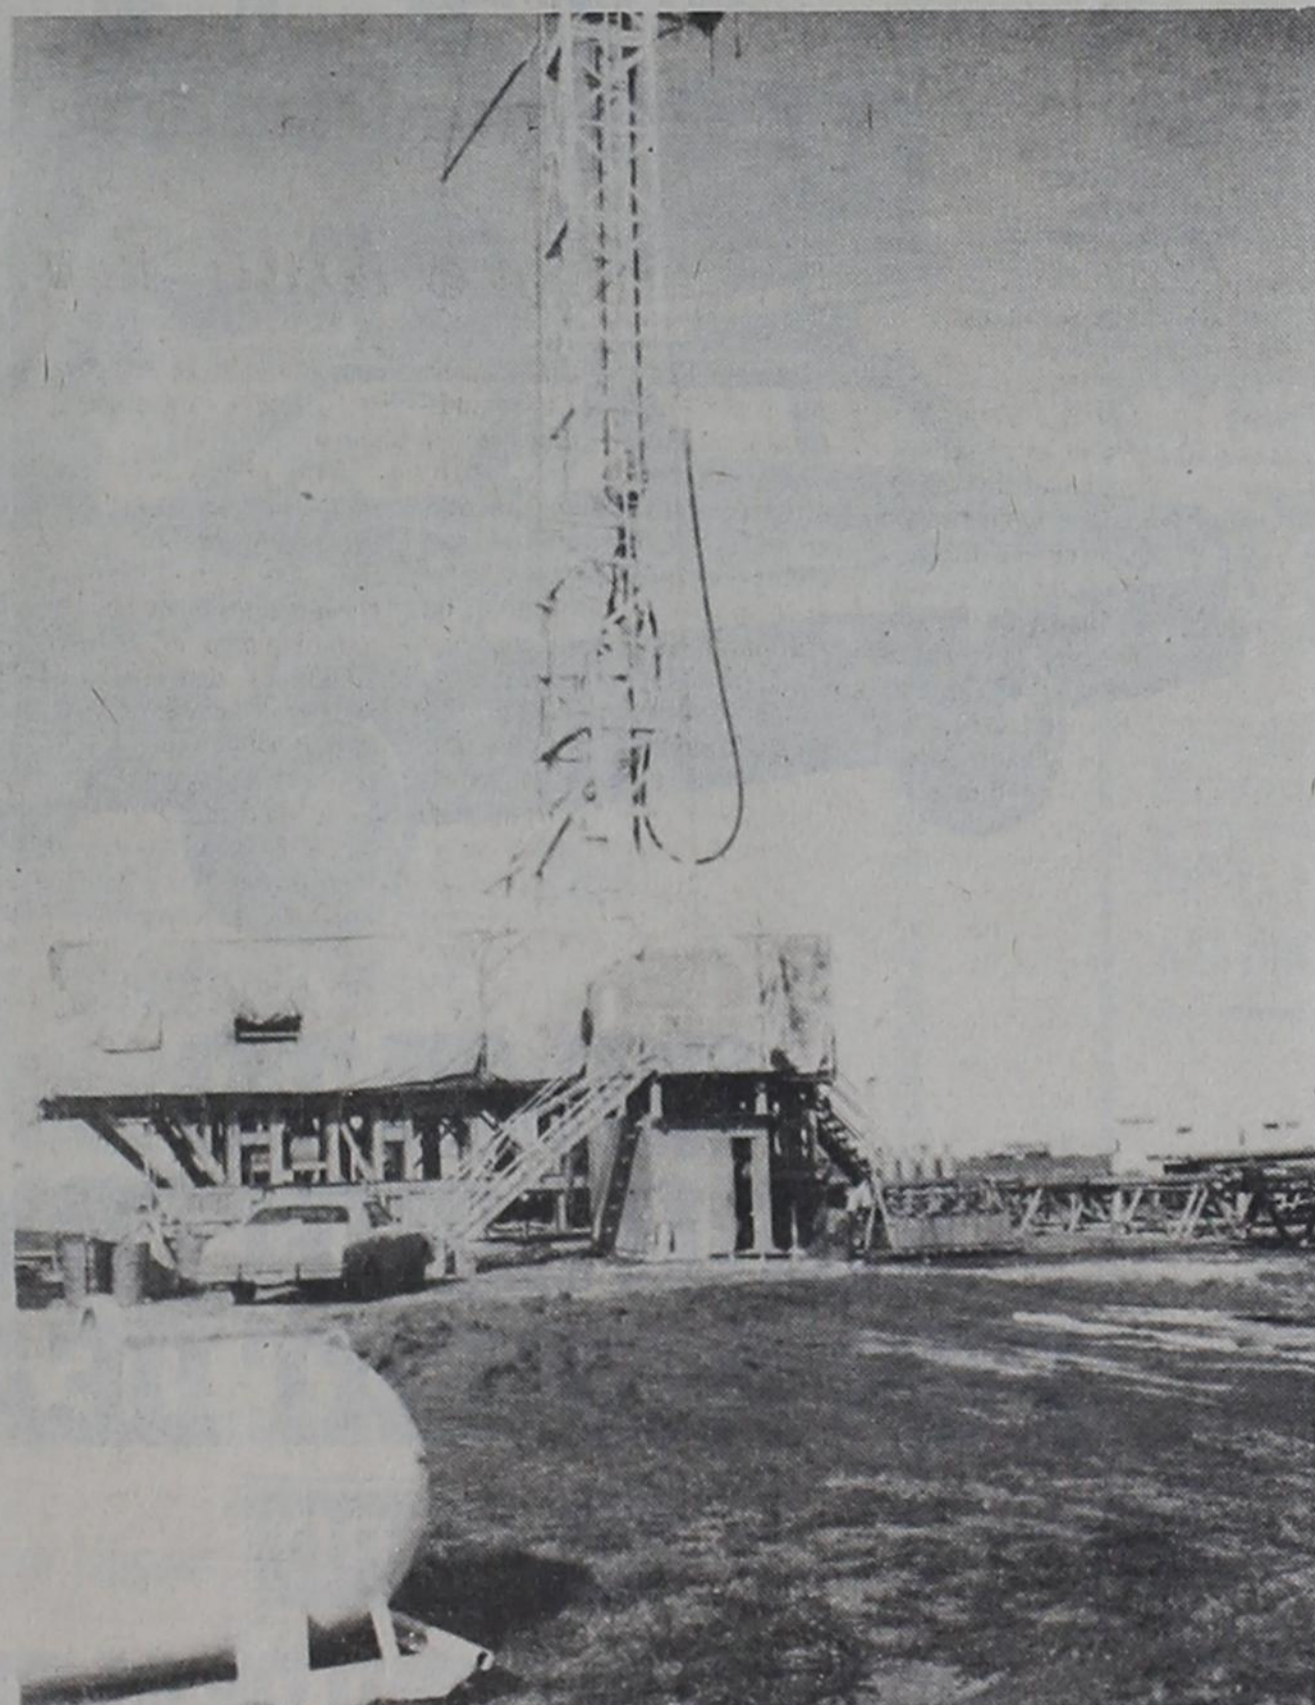

Since discovering a pocket of gas is a possible danger, Ballard said the rig is equipped with a "blow out preventer" which would alert them to any problem and shut down the rig before an explosion could occur.

Ballard said if good quality oil is found, the wildcat rig might become a working well. But that could not be determined at this early date.

Sometimes gas pressure within the earth pushes the oil to the surface and additional pumps are not necessary, explained Ballard. In those instances a pipe is usually connected to the oil flow and the oil automatically rises to the surface.

Other wells have to be equipped with a special pump which sucks the oil from the ground. Ballard said the latter description would probably fit the "wildcat" well on Jamison's place, provided that good oil is found. Once the initial rig was set up the "spudding in" phase of the operation began. First a 17 1/2 inch bit is used to begin the hole. The plunge is 400 feet into the earth.

The casing is run next. Each joint weighs several hundred pounds and is 12 3/4 inches in diameter. Seventeen joints are established in the hole. Cement is then run through the casings, sealing them in place. (Continued on Page 11)

'Wildcat' Well

This Wildcat well was established near Lariat on the Vernon Jamison place a few weeks ago. The land was leased by U.S. Petroleum Company but the drilling contractor is Forster Drilling Co. of Midland. If the well produces a good grade oil, it will be the first time such a well has been established in Parmer County.

The 20th Annual Merchants Football Contest ended in a tie for two of the contestants. We broke the tie with the point spread on the 12 tiebreaker games used during the season. Calling a close score for the tiebreaker paid off for Jerry Roddam this year.

Going into the last week there were four persons vying for the top spots, but old man upset knocked two of those out of contention. Jack Kirkland was one of those tied at the end of 11 weeks, but Jack didn't listen to Jack Allan. Poppa only got four right and Jack A. correctly looked at nine. This nine count for Jack would have garnered him the first place slot hands down. We guess that falls under the T.S. (Tare Sugar or sumpin) category.

We will admit to a personal boo boo when we picked a wrong game. The gremlins get in our gears from time to time. We will lay it off to gremlins rather than admit to advancing senility.

However, some of the upsets that occurred were, to say the least, unexpected. In picking games for the last week we are limited to high school playoffs, some college games and the Sunday pros. In this case Seagraves let our seers down. We would personally have chosen the Eagles, with a 10-0 slate they looked rougher than Dirk West's stucco bathtub. Also, Muleshoe had already been plowed under by Idalou and only a born again optimist would have picked Baylor over Texas. Incidentally, we do not recall a Baylor pick over the Longhorns.

This year's contest also proved the value of perseverance because Beulah Williams only lost the top spot on the tie breaker score. Beulah, to the best of our knowledge, has been in the contest from the year one. It's good to see grannies so hep.

Also, this year finally proved that Ray Ford could outpick Jenocye. Maybe he did eons ago, but this year he did a masterful job of outscoring his canny spouse.

Perseverance isn't always rewarded. Joyce Coffman has a penchant for forecasting the games. Sorry to say, during this season Joyce failed to correctly call the few ties that occurred over the course of the season.

Next year we will try to come up with some kind of "family" plan and prize. Maybe we could pit the Kirklands against the Lingnaus or the Smiths against the Geries or the Roddams against the field or maybe the Ray Fords vying with the W.M. Robertses.

After 20 years of the Cotton Bowl we will try to change the format for next season's battle of the football wits.

One observation about football forecasting derived by some long dead sage: Nothing is as easy as it looks and you cannot forecast beforehand which side of the bread to spread.

.....
We need to pause and pay a deserved "well done" to the Southwestern Public Service Company. Several weeks ago they were recognized as the outstanding electric utility in the United States for the past year.

We believe that it was a very much deserved honor. Admittedly, the cost of electricity has gone up recently but what hasn't? We can still plug in our appliances in the firm expectation of power at the plug. Many parts of the U.S.A. cannot say the same.

We can still plan on personal and business expansions without fear of blowing a fuse. In short, SPS has done a great job of providing energy to the Golden Spread and in building and planning far into the future for our comfort. Ole to SPS.

Farwell Senior Plays On Stage Saturday

Farwell Senior Class will present three one-act plays tomorrow (Saturday) at 8 p.m. in the auditorium. Admission fee is \$1 for elementary students and \$2 for adults and junior high and high school students.

Randy Long, high school speech teacher, is the director of the plays.

"The Cleanest Town In The West" by Earl J. Dias is about the easy-going sheriff of Red Gulch who never gets his hands dirty. Then two strangers rob the stage, and it's up to Sheriff Crackdown to find the varmints. The setting is in the 1870's.

Characters in the play are D.D. Foster as Crash Crackdown, sheriff of Red Gulch; Rowdy Chandler as Fizzy Higgins, soda bartender at the Red Gulch Hotel; Roxie Chandler, Delilah Allure, hostess at the Red Gulch Hotel; Robin Roberts, Cactus Pete, the stagecoach driver; Brenda Jones, Cynthia Nylon, clerk in

the general store; Also, Kayle Watts, Wildcat Saddlesore, deputy sheriff; Kirk Magness, Laramie Luke, a tall stranger; Randy Gerles, Dude Rascal, a short stranger; and Vicki Vinton, Ma Jitters, head of the Wells Fargo Office in Red Gulch.

Second play in the offering is "The Mice Have Been Drinking Again" by Cleve Haubold. The play concerns Jerry and Julie Reed who are a happy young couple living in a small apartment in an old Victorian house in San Francisco. Their relationship, however, is blighted by Julie's cousin Roxanne Conch, a scatter-brained pest, who lives with them.

Action of the play concerns Jerry's determination to get rid of Roxanne "by fair or foul means" and of the hilarious results of his efforts.

Cast members include Radney Robertson, Jerry Reed; Toby Curtis, Julie Reed; Val Bass, Roxanne Conch; and

Kelly Mitchell, Harold D. Leffler, a would-be guru.

"Antic Spring" by Robert Nail is a modern play that does without properties, thus placing emphasis on pantomime and character portrayal. The scenery consists of six chairs which represent a touring car.

In the car are six young high school students. Focus of the play is on the relationship of these oddly assorted people, put to the trials and tribulations of a picnic.

Characters are Rowdy Chandler, Elbert; Wendy Stancell, Ginger; Brenda Jones, Blossom; Randy Gerles, Robert; Sam, Rance Williams; and Paula Christian, Gwendolyn.

Senior Play Preparations

Vicki Vinton, left, and Brenda Jones, along with other Farwell seniors have been busy preparing the stage and rehearsing for the three one-act plays to be presented by the class tomorrow (Saturday) night at 8 p.m. in the auditorium. Brenda portrays Blossom in "Antic Spring," and Vicki is Ma Jitters in "The Cleanest Town in the West."

Project Christmas Card To Begin

Farwell Elementary School's "Project Christmas Card" canvass is scheduled to begin Monday, Dec. 4, and will continue until Friday, Dec. 8.

"Project Christmas Card" was started several years ago to enable the elementary school to obtain equipment which otherwise would not be bought with school monies. This year, all proceeds from the project will be used for playground equipment.

To take part in the project, all anyone has to do is to donate all or a portion of the money they would normally spend to send Christmas cards locally.

In return for this donation,

their names and names of family members will be included in the Christmas greeting which is published in the Christmas edition of the State Line Tribune.

Serving as chairman of the city canvass is Margaret Aycock. Co-chairmen for the country canvass are Eva Dean Stephens and Myrna Lingnau.

A meeting for all workers has been scheduled for today (Friday) at 10 a.m. in the elementary school library.

Anyone wishing to donate

and has not been contacted by the December 8 final deadline may do so by contacting any of the chairmen, or the Elementary School at 481-9131. Those who do not have children in school may send their donation to Farwell Elementary School, Box F, Farwell, Tx. 79325.

"Winter Wonderland" will be the theme of Texico's annual Variety Show on Friday, Dec. 1, at 7 p.m. (MST) in the Wolverine Gymnasium.

The production, sponsored by the Wolverine yearbook staff, will feature numerous vocal acts, instrumental numbers and skits.

"Many of the acts will feature Christmas music, so the show should get the holiday spirit really started," reports Pam Cain and Traci Gaddis, co-directors.

Special guest performers will be the Bill Hudson Family from Canyon. Santa Claus will also be a special guest. He will be visiting with youngsters following the show.

Climaxing the entertainment portion of the show will be the crowning of Mr. and Miss THS of 1978-79. Steve Turner and Christi Harrington, the 1977-78 royalty, will crown the newly-elected honorees.

Class favorites and Most Popular Boy and Girl will also be revealed. Junior and senior

high students voted two weeks ago, but the results of the election are traditionally not revealed until the Variety Show.

Admission will be \$1.50 for adults and \$1.00 for students. No advance tickets will be sold.

Convalescent Center Chit Chat

As Reported by the Center Staff

Rev. Carrell Watkins, pastor of the Calvary Baptist Church, conducted services Sunday afternoon at the Center.

Lois Massey is in the hospital in Muleshoe. Everyone wishes her a speedy recovery.

J.R. "Pop" Walton has returned after a lengthy hospital stay.

The cooks at the Center did a terrific job on the delicious Thanksgiving dinner, reports Floe Copeland. The tables in the dining room were pulled together to make it really like a family meal. Many residents who had no families or were unable to go out, had friends or family come in to eat with them. Everyone was "stuffed."

Floe's Quote: "It's not doing the thing we like to do, but liking the thing we have to do"

that makes us blessed." Goethe.

The first, second and third grade Girls in Action of the First Baptist Church of Clovis last Wednesday evening presented several residents with large bags of assorted stationery, all occasion cards, Christmas cards, pencils and pens. The girls have been bringing the items each week for the past month. They then sorted them and delivered them personally as a GA requirement.

GA leaders are Mrs. Copeland and Jackie Caron. The girls also entertained the residents with songs.

The local Boy Scouts brought homemade cupcakes for all the residents to enjoy last Monday.

The local Girl Scouts brought pine cone turkeys to

place throughout the Center for Thanksgiving.

The Center celebrated the monthly birthday party Tuesday night of last week. Farwell Young Homemakers furnished the cake. Many visitors dropped in for the event.

The Center's Thanksgiving visits and visitors are as follows:

Visiting Mary McDerman were Mrs. Beverly Fitz of Clovis and her son, Carroll McDonald of Lubbock, and grandson, Allen McDonald of Bellview, N.M.

Cora Baker was out with Jan Marsh in Farwell.

Numerous visitors spent time with Dick and Annie Dunn: a grandson and wife, Mr. and Mrs. Greg Bowlin of Little Rock, Ark.; a granddaughter, Diane Bowlin of Ft. Brag, N.C.; a daughter and husband, Mr. and Mrs. R.J. Cook of Ft. Sumner; Mr. and Mrs. William Hill, Clovis; Peggy Owens and family of Alamogordo; Bill Stockton of Portales; Mrs. Chatman of Clovis; and a grandson and family, Mr. and Mrs. Gary Cook and children of Amarillo.

Thelma Price was out with her daughter, Wynona Scaggs of Clovis.

Visiting Ruth Myers and Harold Mardis was his son, Harold Cliff Mardis of Muleshoe.

Ollie Utzman spent Thanksgiving Day with her daughter, Billie Blain of Farwell.

Maud Wilson spent the day with her sister, Mary Bryant. Lyra Holland enjoyed Thanksgiving with John Holland in Clovis.

Cora Lunsford went to Muleshoe to visit her daughter, Jeanne Gable.

"Pop" Walton's visitors included Alvin Walton and Mrs. W.A. Cure of Olton.

Annie Hill spent Thanksgiving Day with her daughter and husband, Mr. and Mrs. Floyd Trantham of Clovis.

Ruby Hulse visited her daughter, Cathryn Bogard in Clovis. Bertha Kaltwasser spent Thanksgiving with her son and wife, Mr. and Mrs. Walter Kaltwasser of Farwell.

Visiting Chloe Crawford was her grandson, Cliff Norris.

Visiting the Poteets were M.T. Travis and Ruth Darby of Amarillo.

Domitilla Madrid spent the day with Lucy Madrid and family in Texico.

Christa Gohlke went to church in Lariat; then to the home of her son and family, the Hubert Gohlkes, for Thanksgiving Day.

C.H. Whitener visited his daughter, Margie Watkins.

Annie Callahan visited her sister and family, the Bill Murdicks.

Bobby Hix visited his mother and family, the L.V. Knights in Bovina. Also visiting were Hix's daughters from Eunice, N.M.

Talented Little Misses

Two seven-year-old girls from Farwell, Kathy Lingnau, left, daughter of Mr. and Mrs. Edwin Lingnau, and Leslie Monk, daughter of Mr. and Mrs. Jerry Monk, competed Saturday in the West Texas Cowgirl Modeling and Talent Competition and Pageant. Both of the talented misses brought home several trophies for their efforts.

Local Girls Win Several Trophies

Two Farwell misses, Kathy Lingnau, daughter of Mr. and Mrs. Edwin Lingnau, and Leslie Monk, daughter of Mr. and Mrs. Jerry Monk, competed Saturday in Lubbock at the West Texas Cowgirl Modeling and Talent Competition and Pageant. They both received several trophies.

Divisions included ages up to six, 7-10, 11-15 and 15 and older. Leslie and Kathy are seven-year-olds.

Leslie garnered four modeling trophies including a second in long party dress, third in denim, and two fourths in back-to-school and sportswear.

Kathy finished third in the pageant. She also placed fourth in talent competition, performing a novelty dance to the music from "Hard Knock

Life" taken from the Broadway musical, "Annie."

Kathy also finished second in denim; third in long party dress, back-to-school, and sportswear; and fourth in disco and short party dress.

Both girls are students of Tu Tu King, a ballet, modeling and gymnastics instructor who teaches classes once a week in Farwell. She also choreographed the dance which Kathy performed.

Farwell Study Club Has Thanksgiving Dinner

Farwell Study Club had its annual Thanksgiving Dinner November 20 in the club house. Tables were decorated with lighted kerosene lamps.

Rev. Herman Schelter, pastor of St. John Lutheran Church, Lariat, gave the invocation.

The speaker, Rev. Moody Smith, pastor of Oklahoma Lane Baptist Church, used Psalms 116 as his scripture reading. He compared the first Thanksgiving with the modern observance of the holiday, using electric lights to stress his point of change.

Members present were Gertrude Foster, Eunice Crume, Nina Glascock, Ellen Wurster, Frances Kube, Wessie Edwards, Hattie Coffey, Julia Symcox, Sal Vincent, Edith Crawford, Lela Atchley and Jewel Scott.

Guests included Elmer Scott, Claude Coffey, Vernon Symcox, Will Foster, Cecil Atchley, Rev. Harvey Whitten-

burg, pastor of Oklahoma Lane United Methodist Church, and Ruby Meeks.

Honorary members present were Mesdames Moody Smith, Herman Schelter and Harvey Whittenburg.

Hostesses were Frances Kube, Lela Atchley and Eunice Crume.

Deanne Day and Ted Richardson will exchange wedding vows Saturday, December 2 at 6 p.m. MST and 7 p.m. CST at the Farwell Church of Christ.

All friends and relatives are cordially invited to attend the ceremony and the reception to follow at the church.

Delores Ruth Ramm and Billy J. Owen, Jr. were united in marriage Saturday, Nov. 11, at 7 p.m. in St. John Lutheran Church at Lariat. Rev. Herman Schelter, pastor, officiated at the double ring ceremony.

Parents of the couple are Mr. and Mrs. Ernest Ramm of Muleshoe and Mr. and Mrs. Billy J. Owen, Sr. of Eloy, Ariz.

Charles Turner of Farwell provided musical selections on the organ for the ceremony. Tina Gerles of Texico, cousin of the bride, sang "We've Only Just Begun," "Whither Thou Guest" and the "Wedding Prayer."

The wedding guests were registered in the foyer of the church by Frances Brown of Muleshoe.

The altar was graced by two bouquets of Red Rover mums, apricot carnations and leather fern. Flanking both sides of the altar were two spiral candelabra holding cream colored tapers. The couple's memory candle was centered on the altar. A small candle arrangement graced each window on the side aisles of the church.

Escorted by her father and given in marriage by her parents, the bride was attired in a traditional white A-line, empire waisted gown of sheer organza. The gown featured a Princess Anne neckline trimmed with venise lace and accented with seed pearls and full bouffant sleeves. Venise lace enhanced the bodice and skirt with a full scalloped cathedral train. The finger tip illusion veil with Juliet cap and butterfly blusher was edged with venise lace and sprinkled with seed pearls.

The bridal bouquet was dogwood blossoms, lilies of the valley and English ivy intertwined with apricot ribbon atop a white Bible.

For something old, the bride wore a 63-year-old necklace which belonged to her paternal grandmother, Mrs. Eddie Ramm; something new was the Bible she carried, a gift from her sister, Alta Ramm. She borrowed her wedding dress and veil from her sister, Nancy Davis. Something blue was the traditional blue garter, a gift from the ringbearer, Brian Haseloff.

To complete her attire, the bride wore a pair of diamond

earrings, a gift for her 18th birthday. The diamonds came from her mother's first set of wedding rings.

Attending her sister as matron of honor was Mrs. Linnie (Nancy) Davis of Plainview. Serving as maid of honor was her sister, Alta Ramm. Renee Owen of Eloy, Ariz., sister of the bridegroom, was the bridesmaid.

The bridal attendants were attired in formal length gowns of spice Qiana. Their dresses were fashioned with a scoop neckline and blouson bodice which had an open sleeve giving a capelet effect. The dresses were tied at the waist by a tiny self fabric ribbon and the skirts fell to the floor in tiny accordion pleats.

Each attendant carried apricot silk roses, lilies of the valley with apricot streamers atop a white lace covered Bible. Susan Blaloch of Wichita, Kans., cousin of the bride, served as flowergirl. She wore a dress styled similar to the bridal attendants, with cream colored lace edging, made by the bride.

Serving the bridegroom as

best man was Ron Lyons of Clovis. Groomsmen were Clayton Ramm, brother of the bride, and Larry Lee of Eloy, Ariz. Brian Haseloff of Farwell was the ringbearer.

The bridegroom wore a beige tuxedo edged in tan velveteen and complemented with a beige ruffled shirt and bow tie. The groomsmen and ringbearer wore identical tuxedos with apricot ruffled shirts.

Ushers were Linnie Davis of Plainview, brother-in-law of the bride, and Craig Kaltwasser of Farwell. Their tuxedos were identical to those worn by the groomsmen.

Mrs. Ramm, mother of the bride, was attired in a formal length gown of rose pink chiffon accented with white accessories. Mrs. Owen chose a formal length gown of yellow, apricot and brown floral print, with white accessories. Both mothers wore corsages of white jafet orchids and stephanotis.

Following the ceremony, a reception was held in the parish hall of the church. The table was covered with a white re-embroidered net cloth over apricot. The center of the

Mr. and Mrs. W.T. Magness returned to their home in Farwell Sunday after a month-long visit with his mother, Mrs. Mamie Magness in Edinburg, Tx., and with other relatives in the Rio Grande Valley area.

Joining Mr. and Mrs. Joe Helton in Texico for Thanksgiving dinner were their son and wife, Mr. and Mrs. Hal Helton of Clovis; her mother, Mrs. J.E. Whatley of Amarillo; her nephew and family, Mr. and Mrs. Jerry Whatley, John and Todd of Tucumcari; and her sister-in-law, Mrs. Troy Whatley, also of Tucumcari.

Thanksgiving visitors in the home of Mr. and Mrs. Prentice Mills were their daughter and family, Mr. and Mrs. Richard Aiello, Cindy and Angie of Amarillo. Weekend visitors were her sister and husband, Mr. and Mrs. Verlin Towe of Silverton.

November 9-17, Mr. and Mrs. Mills enjoyed a trip to Lake Whitney near Waco, the Lake of the Pines and then to Tulsa, Okla., where they visited her sister, Evelyn Jarnagin.

Mr. and Mrs. Joe Sanders of

Plainview visited Mr. and Mrs. Elmer Scott of Farwell Saturday. They all helped Scott celebrate his birthday.

Arriving Wednesday to spend the weekend with the Ted Magness family were her parents, the L.B. Hensleys of Walnut Springs, and their daughter, Kim Magness of Abilene. They were joined on the weekend by other relatives who came to attend the wedding of Kristi Magness and Monte Spearman, including Mrs. Magness' brothers and families, Mr. and Mrs. L.B. Hensley Jr., Susan and Debbie of Waco, and Mr. and Mrs. Leidon Hensley, Dean and Shae of Odessa; also, her nephew, Neilan Hensley of Canyon; Cindy Greene of Arlington and Barbara Purnell of Odessa.

Outstanding Youths Honored By 4-H

Outstanding youths from 20 South Plains counties held the spotlight in Lubbock, Monday night, Nov. 20, at the annual 4-H Gold Star Banquet.

Honored from Parmer County were Johanna Mesman, daughter of Mr. and Mrs. Ben Mesman of Farwell, and Mike Schueler, son of Mr. and Mrs. Herbert Schueler of Rhea.

Forty boys and girls received the highest county award offered in the 4-H club program -- the Gold Star Award -- at the program in the Coronado High School Cafeteria. And with it, each received the acclaim of parents, fellow 4-H'ers, government officials, Extension leaders and other community leaders.

Twelve member-owned electric cooperatives serving Extension District 2 were hosts for the event. The 4-H program in Texas is directed by the Texas Agricultural Extension Service.

The award recipients were encouraged by J.B. Wheeler of Plainview to continue to capitalize on their opportunities for education. Wheeler is president and chairman of the board of the Hale County State Bank.

"This is a fun time, but it also is a formative time that will go with you the rest of your lives," Wheeler told the youths.

He said they had the best start possible, coming from agricultural communities with friendly neighbors, and from

families with loving and devoted parents. Wheeler noted that retiring U.S. Rep. George Mahon came from a similar background, and urged the youths to emulate Mahon with lives of service to their fellowman.

"Above all," Wheeler urged, "don't forget the catalyst for life...Jesus of Nazareth."

Master of ceremonies for the banquet was Bob Etheredge, farm director for KCB-D-TV, Lubbock. Guests were welcomed by Parker Wetsel, general manager of Midwest Electric Cooperative, Inc., Roby, on behalf of the sponsoring cooperatives.

Entertainment was provided by Kim Wills, Borden County 4-H'er, at the piano. Other 4-H'ers on the program were Martha Beavers, Scurry County; Otis Johnson and Linda Sellers, both of Gaines; and Katrina Reid, Dawson County, former District 2 4-H Council chairman.

A boy and girl from each of the 20 counties in the Extension district are eligible to receive the Gold Star Award each year. It is based on outstanding achievement, leadership and contributions to the county 4-H program. To qualify, a 4-H member must be at least 13 years old, have completed at least three years of club work, and be currently active in 4-H.

The Gold Star Awards were presented by Mrs. Catherine Crawford and Billy C. Gunter, district Extension agents.

Parmer County Honorees

Johanna Mesman of Farwell and Mike Schueler of Rhea were honored as Parmer County's Gold Star 4-H members at a banquet in Lubbock on November 20. They were among 40 boys and girls to receive the highest county award offered in the 4-H program. Johanna is the daughter of Mr. and Mrs. Ben Mesman of Farwell, and Mike's parents are Mr. and Mrs. Hubert Schueler of Rhea.

Rhea H.D. Club

Hosts THDA Luncheon

The Annual County THDA Luncheon was held Thursday, Nov. 2, at the "Old House" museum at Rhea.

Members of the Rhea Home Demonstration Club served as hostesses to the Oklahoma Lane Club for a luncheon of barbecue beef, pinto beans, potato salad, relish plates, assorted breads, cherry cobbler with ice cream, and coffee and tea.

Helen Potts of the Rhea Club was presented with a pin for serving three years as THDA chairman. Mrs. Potts was recently honored during the 75th Anniversary of Farm Demonstration work.

Angelia Mace and Reta Dollar gave reports on the State THDA Convention held in Dallas in October.

Phyllis Landrum presented a program on the care of house plants. She brought several plants from her Friona greenhouse.

Members and guests attending the luncheon included Sarah Dean, Velma Schlenker, Ruth Drager, Cecelia Schueler, Martha Schueler, Donna Schueler, Ann Schueler, Helen Potts, Judy Potts, Krita Potts, Laquita Garner, Laura Bartlett Carol DeLeon, Gay Taylor, Ona Patterson and Velta Anderson.

Also, Patsy Camp and Klay, Justin DeLeon, Tammy Potts, Pauletta Curtis, Susan Franse, Laura Jacobs, Rosella and Phyllis Landrum, Colleen Stover, Wynnell Ruszenas, Judy Schlenker, Mary Mesman, Reta Dollar, Julia Symcox, Nelda Wilhite and Angelia Mace.

Clovis Coin Club Slates Fall Show

The Clovis Coin Club will host its fall coin show this Saturday and Sunday at the Holiday Inn. Show times are Saturday, 9-7 and Sunday, 9-5.

Admission is free. Every hour on the hour an Eisenhower dollar will be given away. The grand door prize will be a \$5 gold piece.

K. Benderman Has Birthday

Krista Marie Benderman, daughter of Mr. and Mrs. J.B. Benderman Jr. of Dallas and granddaughter of Mrs. Lillian Benderman of Texico celebrated her first birthday on November 13 with a party at the home of her parents. Her maternal grandparents are Mr. and Mrs. Vernon Riegleman of Red Wing, Minn.

Mrs. Benderman went to Dallas on November 17 to visit her son and family and reports that Krista was still enjoying the "aftermath" of her birthday party even then. Mrs. Benderman, who returned home Sunday, also visited in Lubbock with her sister and brother-in-law, the Olen Herriages while en route to Dallas.

The local lady also reports that her daughter and family, Mr. and Mrs. Bill Harlan have returned from Spain to make their home in San Antonio. The Harlans have lived in Rota, Spain, for the past 10 years and are expecting to see a great many changes in the United States since that time.

Nine Teams See Action In Farwell Basketball

Farwell's aggregation of basketball teams, including 7th and 8th boys and girls teams, freshman girls team, JV boys and girls teams, and the varsity Steers and Steerettes have all seen action during the past 10 days to get the 1978-79 roundball season underway for the Blue and White.

The JV boys, varsity girls and varsity boys kicked off the season with home games against Whitharral Tuesday night, Nov. 21. The boys teams had managed only a couple of days practice after closing down the gridiron season; however, that apparently was enough for the JV boys who came away with the only home victory of the night, edging the Panthers 25-24.

The Steers lost a close one, 45-42, and the Steerettes bowed to their visitors 50-41.

The junior high teams traveled to Hart Monday night of this week to start their season. The 7th boys were the only Farwell victors, besting their opponents 31-23. The 7th girls were edged 20-19 while the 8th girls were defeated 24-8. The 8th grade boys were beaten 33-8.

In Muleshoe Tuesday night of this week the three girls teams - Steerettes, JV and freshmen - were all defeated by the Mulettes. The boys did not play because the Muleshoe boys are still in the football playoffs.

The freshman girls lost 35-6, the JV girls were defeated 39-30, and the Steerettes went down 61-41.

Kayle Watts was high point Steer in the Whitharral game with 17 points to his credit. Also scoring were Rowdy

Chandler, 6; Max Lonsdale, Robin Roberts, James Castleberry, 4 each; Mark Owen, 3; and D.D. Foster and Radney Robertson, 2 each. Chandler was the leading rebounder with 11.

The Steers hit 19 field goals and 4 free throws and had a total of 32 rebounds.

High scoring Steerettes were Yolanda Martin and Paula Christian with 10 each. Also scoring were April Coffman, 7; Jana Berry, 6; and Kim Marsh, Lisa Hughes, Sharmy Christian and Lisa McClenney, 2 each. Farwell committed 28 fouls to 16 for Whitharral.

"We were a little unsure and very nervous for the first game," coach Larry McDorman said. "Our passes were not good and we were not moving the ball," he continued.

Paula was the leading scorer in the Muleshoe game with 15. Also scoring were Lisa M., 8; April, 6; Yolanda, 4; Karyn Blain, Jana, Sharmy, and Lisa H., 2 each.

"Early mistakes got us behind," McDorman said. "We played well after settling down in the second quarter. We are still throwing the ball away too much. We just never get it together. Our outside shooters are not putting the ball up, but this will come with confidence. We did play better than when we played Whitharral. We only shot 29 percent from the field, but 65 percent from the free throw line," he continued.

Craig Kaltwasser with 10 points was the leading scorer for the JV boys in the Whitharral game.

Also scoring were Boyd White, 8; Gary White, 4; and

Byron Mayfield, 3. "We hustled well and played excellent defense in the fourth quarter," coach Glen Morton said. "Gary White did an excellent job with four steals."

Scoring for the 7th Yearlings were Alan Eubank, 10, Manuel Cantu, 9; Raymond Sierra, 4; and Paul Fulcher, 8.

Eighth yearlings scoring were Wade Kent, 5; and Frank Cantu, 3.

For the 7th girls Lezlie Castleberry made 17 and Suzahn Inman, 2.

Point getters for the 8th girls were Kelly Davis, 6; and Sandra Haight and Jennifer Williams, 1 each.

Janene Berry was high scorer for the JV girls with 19. Also scoring were Ginger Ellison, 8; Karen Magness, 2; and Janie Cantu, 1.

Scoring for the freshman girls were Sharon Kalbas, 4; and Kay Geuther, 2.

The Steers, Steerettes, and JV boys and girls will travel to Tulia today (Friday) for games beginning at 4 p.m. Monday, Dec. 4, the junior high teams will travel to Kress while the four high school teams will host Olton in games beginning at 4 p.m.

Cartrite Youth Dies From Wreck Injuries

Kirk Cartrite, 19-year old son of Mr. and Mrs. Wayne Cartrite and grandson of the late Mr. and Mrs. E.G. (Blackie) Williams of Farwell, died November 22 of injuries sustained in a one-car accident November 19.

Cartrite was born June 19, 1959 and was a popular Sunray youth, active in FFA, the Rodeo Club and United Methodist Youth. At the time of his death he was a freshman at Clarendon Junior College where he served as an officer on the ag judging team and the Rodeo Club.

Funeral services were conducted Saturday, Nov. 25, at the First United Methodist Church in Sunray with Rev. Todd Dyess, pastor, officiating. Interment was at Lane Memorial Cemetery in Sunray.

Survivors include his parents; two brothers, Arthur Wayne of Sunray and Dalton of Canadian; a sister, Vickie of Canadian; his grandmother, Mrs. Cartrite of Sunray; and several aunts and uncles.

Attending the funeral from Farwell were Mr. and Mrs. E.R. Coffman and Gaye.

ROBIN ROBERTS

Named To Who's Who

Robin Roberts, son of Mr. and Mrs. Bill Roberts of Farwell, has been selected to be included in "Who's Who Among High School Students." Roberts, a senior at Farwell High, is rated among the top five percent of the nation's seniors. He was chosen on the basis of his scholastic and academic abilities.

Jr. High Roundballers Gallop Past Marshall

Texico Junior High basketball teams traveled to Clovis Monday of last week to play Marshall Junior High, winning all five games.

The 8th and 9th girls won 28-21 and 61-29. The 7th, 8th and 9th boys also won by scores of 36-20, 48-12 and 61-23.

Tammy Landis earned 20 points in the 8th game. She also accounted for 18 rebounds. Others who scored were Corinna Hungerford, 3; Pam Hoyl and Valda Cavallero, 2 each; and Sharlet Taylor, 1.

"This was a wild game as Texico played the last quarter with only four girls," coach Roy King said. "We were leading 28-7 when Tammy - the leading scorer and rebounder - was out of the game. Sharlet played well as she handled the ball most of the fourth quarter."

Ruth Scott was the leading scorer in the 9th girls game, making 29 points and 20 rebounds. Next highest scorer was Jo Hill with 12. Also scoring were Tracy Dobbs, 8; Lisa Crooks, 7; and Jill Jeske, 5. Hill and Dobbs each had nine rebounds.

"We looked good offensively," King said. "Sixty-one points is the most the girls have scored ever in junior high. We shot exceptionally well both from the field and from the free throw line. This group of girls could be the best junior high girls team ever at Texico," King said.

Highest scorers in the boys 7th game were Kevin West and Gilbert Sandoval with 10 each. Also scoring were Ronnie Landis, 8, and Ronnie Dunsworth and Dennis Chavez, 4 each.

"Everyone got to play and after the first quarter we

Texico Basketball Girls Defeat Clovis JV In Opener

Texico Wolverine Varsity girls opened basketball play Monday night at Clovis, defeating the JV girls 60-40.

Tonye Harrington was high scorer with 31 points. She also got 20 rebounds. Other scorers were Lisa Coffey, and Lori Harrington, with 8 each; Teresa Turner, 6; Schree Rucker, 4; and Flo Orozco, 3. Coffey also accounted for 10 rebounds.

The Wolverines made a total of 25 field goals and 10 free throws as well as 44 rebounds.

"We played extremely well for our first game of the season," commented coach Roy King. "We hustled outstandingly, especially on the press. This game served as a learning experience for some of the younger girls who had never played varsity basketball before," he continued.

"Tonye Harrington played exceptionally well," King said. The varsity boys did not play Monday night. Next action for the varsity teams will be Tuesday, Dec. 5, at 5 p.m. at House. The Dora tournament is slated for December 7-9.

Jr. High Roundballers Gallop Past Marshall

dominated the game," coach Cecil Davis said. "Gilbert Sandoval and Ronnie Landis played especially well on offense. Ronnie Dunsworth and Dennis Chavez were strong defensive players. Everyone played alert basketball and they are getting better each game."

They are 2-0 thus far into the season.

High point man in the 8th game was Felix Jimenez with 10. Also scoring were Duncan Doyle, 8; Lynn Tubbs and Paul Salguero, 7 each; Danny Reid, Tony Cavallero and Lloyd Williams, 4 each; and Jesse Orozco, 2.

"Felix Jimenez looked good on offense," Davis said. "Duncan Doyle hustled the offensive rebounds for easy shots under the basket. Paul Salguero really hustled and played a good defensive game. Lloyd Williams is developing into a good player. Lynn Tubbs hit five of seven free throws. Nine of the ten players scored," he continued.

They are also 2-0 for the season.

Leading scorers in the 9th game were Tony Tubbs, 15, and Jeff Day, 12. Others scoring were Jeff Dunsworth, 9; Craig Horne, 8; Willie Bibbs, 7; James Kelley, 3; Terry Curry, 5; and Kent Harding, 2.

They are 1-1 for the season. "Jeff Day and Tony Tubbs hit for double figures. Everyone on the squad scored," Davis said. Marshall led at the end of the first quarter, but the momentum changed and we took control of the game. It was really a rough game with Marshall committing 34 fouls to 15 for us. Some of their fouls were similar to

football tactics. Four of their players fouled out," Davis said.

Upcoming games include Yucca, December 2.

Most good farmers don't wait until planting time to buy Pioneer brand seed . . . not anymore.

The best farmers seem to think that having the seed with the greatest potential is too important to leave to chance. So ordering next year's seed as soon as they've seen this year's results is becoming a habit . . . practically a tradition.

Why? Because, when you compare Pioneer performance to brands that are always available and compare the advantages of ordering early to the disadvantages, you've got to pick up the phone and call this Pioneer dealer.

Bobcats Claw Wolverines In Class A State Finals

Shirley Gorman

The thrill of victory: 10-2 season and averaging 41.9 points per game while limiting opponents to 4.8 average. The agony of defeat: bowing to the tough Hagerman Bobcats, 35-19, in the New Mexico Class A finals.

The Hagerman jinx - alive and well and functioning properly - blighted the Texico Wolverines' aspiration of attaining a Class A championship last Thursday night before a capacity home crowd.

Following the sound of the final gun, Texico Wolverines and fans trekked back to their respective abodes with thought of previous victories and expectations for the 1979 season swirling through their minds.

In spite of the bitter loss to the defending Class A champs, the Wolverines have still compiled the best gridiron record ever recorded at Texico. The team's overall statistics speak for themselves as the Green and White have broken all previous grid school records.

But the one thing they did not break was their losing streak to Hagerman. Texico has never beaten the New Mexico team in the past 10

years. Thursday night the apparent Hagerman jinx was aided and abetted by the antics of tailback Casey Shaw who was virtually uncontrollable. The Bobcats also padded their tailback's efforts with some key aerial attacks which literally put the game "in the bag."

Shaw rushed for 210 yards on 24 carries. The Bobcats brought out the fireworks in the second quarter, exploding for four scores to negate Texico's 7 point advantage.

Hagerman won the toss and began the first period with an impressive drive deep into Green and White country before a fumble temporarily put the skids on their efforts. David Cavallero did the honors for the Wolverines.

But no sooner had Texico began its first drive than they fumbled the pigskin back to Hagerman. Three plays later the Bobcats punted.

Barry Goode carried the ball three times to the Texico 45. A Keith Hadley pass was incomplete on the next play and an offsides penalty against the Wolverines moved the ball back five yards.

Keith then passed to brother James Hadley for the first down. Robert Thornton gained three yards up the middle. Goode was stopped for no gain on the next play. Keith fired another pass to James, but it was inches short of the first down.

Keith made up the difference on a keeper play. Goode again carried, but was stopped for no gain. A personal foul call against the Bobcats moved the ball 15 yards closer to paydirt. Goode carried to the five on the next play. Then he moved the ball to the three

for the first down. Goode sprinted in two yards for Texico's first score of the night with 1:50 left in the first quarter. Britt Crooks booted the extra point and Texico went on top 7-0.

Crooks kicked off to Hagerman who returned the ball for a good gain. However a clipping penalty against the Bobcats moved the ball back to their own 15.

Early in the second quarter Rene Munoz caught a 49-yard pass from Jeff Pilley for the first Hagerman score. Munoz also toed the PAT and the game was a 7-7 tie.

On the Bobcat kickoff James Hadley returned the ball to the Texico 32. Goode gained five yards on the next two plays. However faced with a fourth and four situation - following an incomplete pass -- the Wolverines were forced to punt.

The Bobcats took over again on the Texico 39. Shaw carried to the five and teammate Eddie Medrano waltzed in for the score. The run for two points failed and Hagerman charged ahead 13-7 with 8:42 left in the half.

Texico once again tried to get some momentum working, but at the beginning of the ill-fated drive Shaw intercepted and carried the ball deep into Wolverine territory.

In a case of "turn about is fair play" James Hadley intercepted, but was ruled out of bounds. Hagerman then earned a first down at the Texico 35. They gained nothing on the next play and Thornton almost intercepted on second down. Faced with a third and 10 situation, Pilley fired the ball to Medrano and the 35-yard pass play was good for

the Hagerman Bobcats' third touchdown of the night. The PAT kick failed and with 3:37 left in the half Hagerman had increased its bulge, 20-7.

The Green and White was unable to move the ball on the next series of plays and punted. In a see-saw battle Texico recovered a Bobcat fumble and immediately thereafter the defending state Class A champs retaliated, intercepting the Wolverine aerial and dashing 30 yards for still another Hagerman touchdown. Antonio Becerra did the honors for the Bobcats.

Howard Horne blocked the PAT and with 1:55 in the half, the Bobcats had to settle for a 26-7 lead.

Texico again tried to get on the scoreboard before the end of the half, but "fumbleitis" struck again and the Bobcats ran out the first half clock.

The second half opened with the Bobcats kicking off to the Wolverines, but the Green and White fumbled midfield and Hagerman took over again. Pass interference was called on the Wolverines and immediately thereafter the Bobcats fumbled and Texico recovered on their own 14.

Just as the Green and White offense was revving up for a scoring venture, the Bobcats intercepted a Keith Hadley pass. Unable to punch the pigskin into the end zone, the determined Bobcats settled for a Munoz field goal and a 29-7 scoring duel.

But as the seconds ticked away in the third quarter, the Wolverines were not "down and out" yet as they geared up to add points to the scoreboard.

On the kickoff return, Herbert Bibbs dashed to the Bobcat 49 before being brought down. After one incomplete pass, Keith connected with brother James at the Hagerman 32. Goode and James then moved the pigskin to the 25 on the next two plays. Keith then connected with his brother for 19 yards and Texico's second score of the game. The run for two points failed and the Wolverines trailed, 29-13, at the end of the third quarter.

As the final period got underway, Hagerman took the kickoff on their own 19. An illegal use of hands penalty was called against the Wolverines and on the next play James Hadley picked off a Hagerman aerial and returned it to the Hagerman 40.

Goode carried to the 35 and two plays later Eloy Ortiz caught a Keith Hadley pass at the 14.

The Haldey brothers did it again, this time with a 14-yarder and Texico hit paydirt as the fourth quarter ticked away. Their first attempt on a two-point conversion failed, but a penalty against Hagerman gave the Wolverines another shot. Again the try failed and Texico trailed 29-19.

Texico came alive late in the game, but it was a case of "too little too late" as they were unable to play "catch up" ball against the aroused Hagerman Bobcats.

The "icing" on the Hagerman Class A championship cake came with 6:06 left in the game when Medrano darted 17 yards for paydirt. The PAT failed, but the Bobcats put the game out of reach, 35-19.

In the waning minutes of the game, Texico tried twice in vain to get into the end zone, but each time had to turn the ball over on downs. Hagerman ran out the clock, walking away with still another championship.

"But you were washed, you were sanctified, you were justified..." (1 Cor. 6:11).

The "new, improved" detergent does head-on combat with a popular name-brand. Two dirty plates are submerged, then retrieved. Wow! Look at that! The name-brand didn't work. But look what the new-improved stuff did. Sparkling. Dazzling. Not a streak. Incredible! That's the brand for me.

Pardon me if I appear skeptical. But I always have a feeling that the test may not be totally honest-that this miracle-cleaner isn't all it's cracked up to be.

But there is a perfect cleaning agent for the soul. It can take the filthiest life and make it sparkling clean, fit for heaven. Paul said...neither the immoral, nor the idolaters, nor adulterers, nor homosexuals, nor thieves, nor the greedy, nor drunkards nor revilers, nor robbers will inherit the kingdom of God (1 Cor. 6:9-10).

Then these blunt words, "AND SUCH WERE SOME OF YOU." Too bad. That's a rough list. Horrible sins. When a person gets trapped in those things there's no way out.

WRONG! The next sentence says: "But you were washed, you were sanctified, you were justified in the name of the Lord Jesus Christ and in the Spirit of our God" (1 Cor. 6:11).

Hallelujah! Complete cleansing. That's what the blood of Jesus will do for you. No other cleansing agent is in the running with that. Many human-designed disciplines have been employed to try to change man. None have worked very well.

But Jesus never fails. He "has freed us from our sins by his blood." "And now why do you wait? Rise and be baptized, and wash away your sins" (Acts 22:16).

Second In State

Texico Wolverines recently completed a successful grid season, finishing second in state Class A competition. Pictured with the second place trophy are, from left, James Pierce, superintendent; James Harding, high school principal and athletic director; Wolverines Eloy Ortiz, Doug Scioli, and Jimmy Reid; and Coach Paul Topliff. Even though they fell short of the championship, the Green and White compiled an impressive season record of 10 wins and two losses.

Texico's First TD

Texico Wolverines drew first blood last Thursday night against the tough Hagerman Bobcats in the Class A state championship game, when Barry Goode plunged in from the two-yard-line. However, executing the game's first score did not prove a good omen for the Green and White as they lost to the defending state champs, 35-19. Even though the Wolverines did not "claim the pot of gold" this grid season, they still compiled a respectable record of 10-2 - the best record for Texico in many a gridiron year.

'Not Looking For Excuses' - -

Topliff Sums Up Wolverine Loss

"We played poorly, we did not hit well and we lost the championship," stated head coach Paul Topliff following Texico's Turkey Day loss to the defending champions, the Hagerman Bobcats.

"I'm not looking for excuses," he continued. "It seemed that we saved our poorest game for the finals. We made some bad mistakes and that hurt us."

"We've done well this year (winning 10 of 12 games), establishing the best grid record that Texico has had in recent history," Topliff explained.

"We've turned a lot of corners this year, considering that during the past two grid years we had only won seven games. From that to the play-offs is a big step for us. Our day will come yet. We intend to be in the play-offs again next year."

Topliff concedes he is "disappointed" that the Wolverines fell one game short of their goal this season, but looking back on past Wolverine accomplishments helps to "soften" the impact, at least to some degree.

The Wolverines may not have claimed that "pot of gold at the end of the rainbow," but they certainly came closer to achieving that dream than any other Texico team.

While Topliff isn't "looking for any alibis" and willingly admits that "we just got beat," he does realize that many factors contribute to both winning or losing a game

or even a championship. "We were under a lot of pressure this year. All the publicity we received from the media hurt us," he said. "Hagerman also came into the game rated as underdogs and I think that helped spark them to another state championship."

"Besides, Hagerman has been in the play-offs three times in the last four years. They knew what to expect and how to cope with it. It was new to us," Topliff continued.

"I also think we got up one game too soon in a way. For the second Tatum game, we were high and we were hitting hard to prove it. We didn't have that kind of emotion against Hagerman and that helped beat us."

"I am proud of the Wolverines. They stick it out throughout the season. I don't think ending up second in Class A ball is too bad for a team that has come as far as the Wolverines have. There is always next year and we'll be right in there fighting our way to another finals match, hopefully with Hagerman. We won't let them out hit us again," he promised.

While attempting to analyze the Wolverines' loss to Hagerman, Topliff said he did not intend to take anything away from the Bobcats as they "are a fine team." The coach concluded, "on that Thursday night last week, they played better than we did."

Barry Goode was chosen the offensive "Wolverine of the Week." He carried the ball 34 times for 174 yards and scored

one touchdown. Howard Horne with 16 tackles was named the defensive "Wolverine of the Week." Honorable mention was given to David Cavallero and Jimmy Reid.

No one received the "hardest hit" award. Herbert Bibbs was accorded the specialty team honors for his "excellent kickoff returns."

To Our LP-Gas Customer:

Take a few minutes to read this, for the day when there may be only seconds to spare.

Special precautions to take.

- When regulator is not attached to cylinder valve, the connector must be protected against scratches and dents. A damaged connector will cause a leaking joint.
- Close the cylinder valve firmly when appliances are not in use.
- Do not use or store cylinders indoors or in an enclosed area.
- Make sure regulator vent and pressure relief valve are clean and well protected.
- Cylinders must not be overfilled.
- And don't be your own mechanic. Many accidents have been caused by unqualified people tampering with LP-gas cylinders, valves, regulators, lines and appliances. What you don't know can hurt you. So, contact your LP-gas dealer.

SHERIFF'S REPORT

Parmer County Sheriff Charles Lovelace reports that his department has recovered some of the items taken from the W.M. Massey farm four miles north of Friona. Three saddles as well as several bridles and blankets were taken. The blankets and bridles have been recovered, but the saddles have not been found.

Tony Bolinger, 21, of Lubbock has been charged with the theft. He was arraigned before Judge Paul Fortenberry and bond was set at \$10,000. Bolinger was living in Friona at the time of the theft. Lovelace reported that they also arraigned Bolinger for thefts which occurred in Lubbock. Parmer County held Bolinger at the request of the Lubbock law officials. Also at their request Fortenberry set bond for Bolinger at \$25,000, according to Lovelace.

A battery was taken from the Phil Garrett car which was parked at Farwell School. Several tools were taken from the Fred Curtis pickup over the Thanksgiving holiday, Lovelace said.

Two batteries were taken from an irrigation motor at the Toby Booth place.

A radio was taken from a tractor belonging to Bill Hunt. He lives in Muleshoe but the tractor was on his place near Lazbuddie.

Someone apparently broke the glass out of the door of the

W.E. Wilhite place in Farwell and stole \$93 in cash as well as an insurance book and several checks in a zippered bank bag.

An air hose worth \$10 was taken from the Paul Jones service station in Bovina. A small calf was taken from the Isidro Ortega barn in the Lariat area. A \$150 pistol was stolen from a pickup in the Lazbuddie community. Freeman Davis owned the pistol.

A 125-pound red pig was killed in its pen on the Jake Perea place near Black and was hauled away, Lovelace said. A few weeks ago four other pigs were stolen from Perea.

FIRE CALLS

The Farwell Volunteer Fire Department ambulance transported a man to the hospital in Clovis November 22. On that same day the fire truck washed down a gas spill at Farwell Hardware.

On November 24 the ambulance transported a resident at the Convalescent Center to the hospital in Muleshoe. On November 25 the Farwell and Texico ambulances were called to a wreck on Highway 60 and transported three men to the hospital in Clovis.

The Texico ambulance also transported a man to the hospital in Clovis November 25.

CHURCH ON FIRE

The Chicago newspapers carried an account several years ago of a large church, burned to the ground, at a loss of about half a million dollars. Our sympathy went out to the pastor and congregation who, at best, had to carry on for a time under makeshift arrangements.

But the account reminded me of the story of another church on fire. The crowds had gathered to see the fire engines pour water on the burning building, when one man spotted a friend in the crowd. "Hi, Bob!" he shouted: "This is the first time I've seen you at church!" "Well, responded the other, "this is the first time I've seen a church on fire!"

We write this as a special appeal to true, born-again Christians. Isn't it true that if believers were more "on fire" for Christ, more completely sold out to Him, those who are now disinterested

would be more apt to become interested and come to know Him as their Savior? We so soon lose interest or become discouraged, and quit. This is why the Apostle Paul, that tireless ambassador for Christ, wrote:

"Therefore, my beloved brethren, be ye steadfast, unmovable, always abounding in the work of the Lord, forasmuch as ye know that your labor is not in vain in the Lord" (I Corinthians 15:58).

This, we repeat, is his exhortation only to believers, for God will not accept our money or our good works, until we have first accepted from Him "the gift of God," which is "eternal life, through Jesus Christ our Lord" (Romans 6:23).

Accept that gift; trust the Christ who died for your sins and He will give you plenty to do - the most rewarding service any man can possibly render.

'Wildcat' Oil Rig . . . (Continued from Page 1)

at the top and the bottom. Then an 11-inch bit is used to drill down to 2886 feet and 8 5/8 inch casings are cemented into place using the same process. Approximately 250 bags of cement are used, according to Ballard. This week the drillers were using the 7 7/8-inch casings

and will continue until they reach approximately 8500 feet. During each work day the new casings are added several times with each new "connection" allowing the drillers to go approximately 30 feet deeper. In an average 24-hour period, 14 connections may be made.

Installing Casing

These drillers are busy "making the connection" or installing another casing at the wildcat well recently started on the Vernon Jamison place near Lariat. The connections are made several times during a 24-hour period, and each time allows the operation to dig about 30 feet deeper. The drillers will go down approximately 8500 feet looking for a good grade of oil.

Reserve Water Pit

To simplify removing "cuttings" or rock samples from the earth, the drillers at the wildcat well located near Lariat, use a muddy water mixture which is recycled through the oil rig and finally expelled into the reserve water pits as shown in the photo.

Farwell Council Discusses Yuletide Decorations

Farwell City Council discussed Christmas decorations at its regular meeting Monday night. While the city fathers all agreed that the decorations which the city has "are not very good," they said that they felt "something should be put up for the holidays." City employees were to try to rewire the existing decorations so that they might be put

up this week. It was suggested that possibly some civic organization might be willing to undertake the responsibility of purchasing adequate decorations next year for the City of Farwell. The Council also voted two to one to raise City Marshal Ronnie Mitchell's salary \$50 per month. Commissioners Johnny Curtis and Fred Chandler

approved the motion, but Mayor Walter Kaltwasser voted against it. Mitchell also asked the Council to consider the possibility of obtaining a "pocket pager" which could be leased for \$30 a month. Mitchell said that people sometimes have difficulty reaching him when he is not near a phone, and he hopes that this might alleviate

the situation. The Council agreed to "look into" the matter. Christmas bonuses in the amount of \$100 were approved for full time city employees, Mitchell, Janie Bowery, Dee Hammit, and John Johnson. Johnson reported that his CB radio no longer worked and obtained permission to have it repaired.

Fred Cantrell met with the Council concerning the drainage problem he has near his home. He said the water comes off Avenue C and "floods him out" whenever there is a rainfall.

Council members said the state highway department will be working in that area soon and that work should help the situation considerably. Cantrell was advised to work with the highway department to that end.

The Council set December 25-26 as the Christmas holiday for city employees. The scheduled meeting which falls on December 25 was changed to December 27 at 4 p.m.

Attending Tuesday's meeting were Mayor Manfred Turnbough, trustees, Marie Christian, Lewis Cooper, and Bill Thigpen; and city employees Mickey Fenn and Billy Hammit.

Texico Council To Draw Up Contract

Texico City Council decided at its Tuesday night meeting to draw a contractual agreement to be signed in the future by any organization which rents the Community Center.

The action was prompted by careless actions which recently resulted in a gas burner being left on for several hours. The rooms filled with gas, but no damage was reported. The trustees thought the contract

would prevent any similar incidents.

The Council also reviewed prices for a pickup and a police car.

It was decided that a fence will be installed around the site of the new well in the near future. A fire proof file cabinet and ledger drawer will also be purchased for the city hall.

It was announced that the street signs would not be

available until after the first of the year.

Fred Tharp of the Intercommunity Water Association reported on the Ute Dam water project. He said that the installation of flood gates at the dam site was not tied to the present water project.

The Council approved a letter in support of the IWA. In the future after the project is completed the cities which belong to the organization will be able to utilize water piped from the dam.

Attending Tuesday's meeting were Mayor Manfred Turnbough, trustees, Marie Christian, Lewis Cooper, and Bill Thigpen; and city employees Mickey Fenn and Billy Hammit.

Methodist Church News

Sunday, Dec. 3, is the first Sunday in Advent, the season when Christians celebrate the birth of Jesus Christ.

Members of the Pastor-Parish Relations Committee are reminded that their committee will meet immediately following worship services this Sunday evening.

Council on Ministries members are urged to attend a Sub-District "My Job Workshop" at First United Methodist Church of Clovis on Saturday, Dec. 2, from 9:30 - 11:55 a.m. MST.

Around the world, people are crying for an abundance of Life, Liberty and Happiness.

Thousands of these people are daily discovering a full and meaningful Life that sets them free and results in real Happiness. They are finding this through a supernatural relationship with Jesus Christ.

You have heard others talk about trying almost everything and finally "turning to Jesus." You have heard them speak of the satisfaction, joy and peace they have found.

You may have tried some form of traditional religion and failed to find the answer.

Wayne Bristow has made the discovery that mere religion will never satisfy. He has, however, found personal satisfaction through a genuine relationship with God through Christ.

Now YOU can enter into this relationship and supernaturally experience the qualities of life you are seeking.

Mr. Bristow has helped thousands of people on four continents to experience LIFE IN A NEW DIMENSION and has shown them how to turn from frustration to fulfillment.

Wayne Bristow can also help YOU get in touch with God. Hear each of his vital messages for genuine help at last!

Fatal Head-On Crash

One person was killed and two other seriously injured in a two-car accident which occurred near the Farwell city limits on Highway 60 about 2 a.m. Friday morning. Phillip Floyd Schueler of Friona and his passenger, Michael Southward, also of Friona, were eastbound on U.S. 60 when Lewis B. Plummer III of Hereford, allegedly traveling west in the eastbound lane, collided head-on with the Schueler vehicle. Schueler was pronounced dead at High Plains Hospital in Clovis. Earlier this week, Southward remained in the Clovis hospital in serious but stable condition due to internal injuries. Plummer, who was transferred to Lubbock Methodist Hospital, was listed in critical condition. Texas DPS trooper Glenn Fant who investigated the accident said "negligent homicide charges were pending against Plummer." The first photo shows the Schueler car, a 1970 Ford Mustang, and the Plummer vehicle, a 1978 Ford LTD, is shown in the second photo. Both the Farwell and Texico ambulances transported the victims to the hospital.

Officer

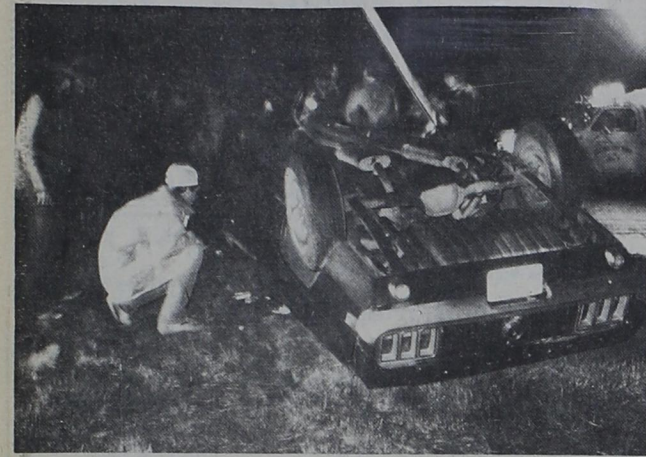

Investigates

Minor Accident

Texas Department of Public Safety officer Glenn Fant investigated a "fender bender" Saturday night which occurred 1.3 miles west of Bovina on U.S. 60.

According to Fant, Clare H. Stokes was traveling east on U.S. 60 in a 1973 Chevrolet station wagon when Ronnie Lightfoot of Amarillo, in a 1975 semi-truck, allegedly attempted to pass the Stokes vehicle and the car which was traveling behind her. As Lightfoot neared the Stokes vehicle he realized too late that it was turning left onto a county dirt road. The semi-truck struck the right rear of the Stokes car, Fant said.

No injuries were reported. Fant reported that he issued a citation to Lightfoot for "failing to control speed."

Fortenberry Hears Cases

The following cases were heard in Parmer County Judge Paul Fortenberry's court since the last report.

Antonio Rios, 18, of Bovina was fined \$100 plus court costs for carrying a concealed weapon.

The following were all fined \$100 plus court costs for driving while intoxicated: John Morris Fielder, 45, Clo-

vis; David Wood, 28, Portales; Jevier Casas, 18, Farwell; Herman Elycio, 24, Texico; and Frederick Beversdorf, 52, Friona.

Sergio Navaro Alanis, 22, Bovina, was fined \$400 plus court costs for DWI.
