FORTY-SECOND YEAR

FARWELL, TEXAS, THURSDAY, FEBRUARY 12, 1953

NUMBER 18

FROM THE HOPPER By HOP

This is being written on Tuesday afternoon from Clovis Memorial Hospital, where I have been confined since Friday morning. When I will be permitted to return home has not yet been determined by my physician. Naturally, we are hoping and praying that it will not be too long.

Dear friends and well wishers have showered us with flowers, cards, and visits, all of which have been greatly appreciated.

My wife is my constant companion, special nurse and secretary. This marks the beginning of my eighth week in bed. Those of you who have had similar experiences can appreciate the dreariness and loneliness of the long days and nights.

Somehow, we all prove to neglect the great blessing of good health until it is suddenly snatched away from us. I am making a determined fight, and thru the mercies of God, I am hoping to be back on the active list before too long.

One of the most beautiful tributes I have ever read is contained in a letter received recently from Mrs. Paul Schmidt, of Earlville, Illinois, cousin of Mrs. Karl Gast of this city.

Mr. and Mrs. Schmidt spent nine months in Texico-Farwell, six years ago, and in her letter, Mrs. Schmidt gives her opinion of the Twin Cities in the following words: "People used to ask me, 'What kind of a town is Texico-Farwell?' I said, 'that all depends on what the town means to you. If it's high buildings, big factories, and beautiful parks, it just isn't. But if town means friendly folks, trying to live the kind of life The Master wants His people to live, loving and serving each other, then the town of Texico-Farwell is just tops.'"

Thanks, Mrs. Schmidt, for this glowing tribute. We of Texico-Farwell only hope that we are deserving of your compliments.

This spring and summer will probably see thousands upon thousands of acre feet of flood water tumbling down the two draws that cross Parmer County. What a shame that no concerted action has been taken to retain this badly needed water where it falls instead of allowing it to run off and create flood conditions down stream as it has in past years.

Another argument for the creation of dams in this county, is the fact that we may wake up some day to find that some large city to the southeast has been granted the water rights of Frio and Running Water draws, which would probably deny Parmer County the right to erect such dams.

Instances of this nature have been frequent in recent year, the most recent of which happened only last year, when the city of Lubbock, grabbed the underground water rights of thousands of acres of sand hill bad lands in Bailey County.

We'd better be looking after our own interests before it is too late!

I wish to send my thanks to the members of the Oklahoma Lane Methodist church, for the huge basket of beautiful flowers they sent me, some that were used in their new church at the dedication ceremony on Sunday morning. We were disappointed because we were not able to be with you in person.

Red Cross Drive Begins March 2

The annual Red Cross drive for Parmer County will begin March 2. Mrs. Jean Fitzsimmons, field representative, was in town Wednesday to help complete plans for the drive. Loyde Brewer is the county chairman.

The County quota is \$1500 and is gained by individual donation and contributions of organizations. Workers will be named for each community.

Mrs. Fitzsimmons explains that the quota is some higher this year because the national group is raising \$7 million more to step up the blood program—to collect more blood for the armed forces in Korea and for the processing of gamma globulin for prevention. "Red Cross will not distribute gamma globulin, it will go to the office of defense mobilizations," Mrs. Fitzsimmons says.

A meeting will be held in Bovina at 7:30 at the Legion hall, on February 24, to enlist workers. Any volunteer workers are asked to be present. A bloodmobile will then be in Parmer County on June 4, site to be given later.

"Most people in Parmer do not realize what the Red Cross does locally," says Brewer, "but it is the only organized charity in the county."

Mrs. J. H. Ross and Jim and Bob Williams were in Amarillo Monday to see the doctor.

Phone Company Meets With C-C's And Commission

W. H. Strickfaden and Rex Wagner, representing the Mountain States Telephone Company met with the Farwell city commission and a joint meeting of the Texico and Farwell chambers of commerce the first of the week in an attempt to clarify the coming "Extended area" telephone service March 1.

A discussion of about one hour in length took place Monday afternoon between the two men and members of the city commission. Little resistance was offered by the local body toward planned rate increases of local telephones, and most of the time was spent bargaining for a company franchise.

The city made it known that it is desirous of receiving a figure of around two per cent of the gross revenue derived from local telephone used by the company.

Strickfaden, in stating the company's policy, said that the company had made a practice of affording free telephone service to smaller cities such as Farwell instead of the two per cent figure.

He explained that it was the company's desire to cut down on the amount of bookkeeping which brought about the practice.

Mountain States is currently offering the city cash payment in lieu of free service of two telephones. This would amount to payment of \$256 in one year, which is a difference of \$16 from the estimated two per cent of gross on rates which will become effective March 1.

The commission went on record as accepting the offer, with some reservations which are yet to be worked out.

Farwell hopes to get a 10-year instead of a 25-year franchise, and also hopes to make the cash payment mentioned retroactive for services in 1952. Mountain States has not had a franchise to operate in the city since Farwell was incorporated two and a half years ago.

Strickfaden pointed out that negotiations were made by the company to clear up the matter on several occasions.

A clause which has been requested to be included in the franchise will read (loosely) like this: "cash payment in lieu of free telephone service which most nearly approaches a figure representing two per cent of the annual gross receipts . . ."

This would protect the city from any loss of revenue which will come as a result of growth. Likewise, the telephone company is protected in the other direction.

That evening, the two men sat in on a joint meeting of the Texico and Farwell chambers of commerce. A reiteration of the company's position was presented by Strickfaden.

M. C. Roberts, Texico mayor, asked Strickfaden "Just what can the city commission do if they don't like the rates?" The company representative replied by saying that it is possible for a city to counter-file with the state body which governs such decisions.

In this case, the body is the New Mexico Corporation Commission. Strickfaden said it was his understanding that the city would have to file within 30 days after the company's filing, however, in order to get on record.

When asked how long ago the company made its request for higher rates, he replied that he wasn't sure, but thought it was "about three weeks ago."

The most frequent complaint voiced at the meeting was not over March 1 rates, but dealt with the situation of telephone tie-ups which pulls the Texico community apart.

"We can't call either north or south of town without going through the operator and paying a toll charge," said Agrie Jones, school superintendent, "but we're going to be able to call Clovis free. Clovis is not a part of the Texico community, but those rural areas north and south of town definitely are."

Strickfaden agreed that it must have been an oversight of the rural telephone cooperative and his own company that this situation existed.

He said he would be more than glad to hear from Texico residents served by Mountain States who desire to present their views on the problem.

However, he requested that rural people not served by his company contact their own cooperatives in an attempt to help the situation. Following the meeting, LeRoy Faville, president of the Texico Chamber of Commerce, urged all telephone subscribers in town and the rural areas concerned to contact their telephone companies in hope of getting some relief from the problem.

Irrigation Day Is Popular

SPEAK TO FARMERS

About 75 men arrived at the county courtroom Friday morning for the third annual irrigation and soil fertility day, and by afternoon, attendance had jumped to about 115. The special program for the farmers was sponsored by Extension Service and Soil Conservation district.

"We had a good program and a good day," says County Agent Joe Jones, "although attendance was somewhat smaller than has been evidenced in the two previous years. A soil conservation day is planned later, and will feature a tour of a number of Parmer County farms. Date has not been set.

The Farwell Chamber of Commerce was host to a dinner for attendants to the meeting. Men were fed at the Farwell school lunchroom. Bob Anderson presented the welcome address.

Jay Boston, Castro county farmer, told about his personal experiences in planting wheat under irrigation and he stated that the preparation of land for irrigated wheat is quite different from the procedure for the dryland crop.

The land is watered and fertilized both spring and fall.

Roy Euler, farmer of Black, gave the same type address, but emphasized legumes in the farming operation. Both Boston and Euler discussed overseeding of wheat with hu-

bam clover in the spring, and both recommended the practice, because after wheat is harvested, the clover remains to be grazed and to build the soil.

M. K. Thornton, agricultural chemist with the soil testing laboratory of Texas A & M, talked about fertilizer and its roll in producing high yields.

This Is Real News!

Next week will mark the retirement of the most faithful employee The Tribune ever had. The grumbly old Campbell printing press, in service since 1885, is to be replaced by a bigger, faster C. B. Cottrell.

The Cottrell isn't exactly shop-shiny itself, but it doesn't quite date back to carpet-bagger days. Conversion to the newer press will make for a bigger, better-looking Tribune in the future, which will mean that Tribune subscribers will be getting more than ever for their money.

The old press, which like its brothers and sisters, is called a "Country" Campbell. This nickname was given the machine because it saw so much service in small-town, "country" printshops all over the nation.

The new press, which weighs in at a tidy 14,000 pounds, should be ready for operation next week. However, change-overs from one press to another seldom are effected without delay, and the staff hopes you'll understand what we're going through if your paper is a mite tardy next week.

Water District Men Release Permit Rules

Parmer County Water District committeemen, following a meeting Monday, announced the following standing rules for well permit application approval:

1. Applicant must be present when each committee man signs.
2. Application must be made in name of land owner (His legal representative may sign, indicating that he is authorized to do so).
3. Application should be typed or printed when presented to first committeeman.
4. Well driller or contractor should help applicant fill out application.
5. Distances between proposed well and existing well, or adjoining well site should be measured when distance is under 600 yards.
6. High points on all adjoining quarter sections should be known and indicated.
7. Provide correct legal description of land.
8. If application is for a well closer than one fourth mile to existing well or adjoining high point, affected party should accompany applicant to interview first committee man.

The committee, for the convenience of applicants, will be on hand at the community cotton meetings scheduled for the next two or three weeks.

It is hoped that this will expedite issuance of permits that are urgent.

Parmer County Committee men are: Tom Caldwell, D. B. Ivy, C. V. Potts, Bruce Parr and Raymond Euler.

Fireboys Called Out To Extinguish Barn

The Texico-Farwell fireboys were called out about 1:15 Thursday morning to extinguish a barn fire on the farm of the Donald Rolands. The barn was already gone, according to firemen, but they kept the blaze from a large feed stack nearby.

It was not known how the fire started, and an estimate of the damage had not been made by press time.

And That Ain't Bull . . . At Least Not to Them

The longest line gets the biggest T-bone, might be a statement that could be well applied to the Texico-Farwell Lions' Club.

It seems that the club divided into teams to sell tickets on the TV set given away recently, and the losers were to treat the winners. And, they were true to their word, for twenty T-bone steaks were dished up at the meeting Thursday night, along with french fries, hot rolls, and salad.

It may be that the losers didn't enjoy their meal so much as the winners, because of the thought of bills ever-present in their minds, but it was delicious. Members of the losing team will be practicing on a smooth "line" before they engaged in another contest against these slick salesmen.

Mrs. Jimmy Allman was assisted by Shirley Stover, Bobbie Richardson, and Kathryn Curd in serving and preparing the meal.

Otis Huggins of Southwestern Public Service, provided an outstanding film for the program entitled, "Power for Freedom."

Carl Schmitt, president of the group, states that the next meeting will be on February 17.

Engineers Stake 875 Miles For Telephones

After many delays and changes in plans, the West Texas Rural Telephone Cooperative Inc., is now in actual construction. The engineers have staked 875 miles for the building of rural telephone lines. The contractor has some 500 miles of poles hauled and 250 miles of wire strung.

"Our installer crews have installed some 300 telephone instruments in homes," Leo Forrest, project manager, says.

Contractors are now hauling the poles north of Friona. From there, they will move to south of Friona, Bovina, and Oklahoma Lane or Farwell area.

Firemen Axin' Questions About Missing Chopper

Volunteer members of the Texico Fire Department are scratching their heads this week as they ponder the disappearance of a red-handled fireman's ax.

Their belief is that the tool was lost from its cradle when the truck returned from a run to the Donald Rolland farm home southeast of town Thursday morning. The ax had been used there.

At any rate, the boys say they would like to get it back if anyone has found it.

Kick-Off Banquet Slated Monday Night in Bovina

Parmer County Farm Bureau directors and officers have been busy the past several weeks preparing for the 1953 membership drive which begins Tuesday February 17, according to local officials. Monday night, February 16, about thirty-five selected workers and their wives and guests from the various communities will gather at Bovina Legion Hall where the fourth annual kick-off banquet will be held, with the Half-Century club serving the meal.

Guest speaker this year will be Jake Fulford, Meadows, Texas, president of Terry County Farm Bureau. Mr. Fulford is a successful farmer of that area and reportedly an interesting and informative speaker in Farm Bureau circles.

Following the meal and entertainment, community chairmen will present teams of workers with the list of farmers whose dues are not paid past April 1st. Tuesday morning, these men and women will be out working with the intent of contacting every Parmer County resident by nightfall.

The same awards for top soliciting teams will be awarded as last year, with the additional provision that women working with top teams will be awarded cash in the amount of the value of prizes presented to men. These range from \$10, \$7.50, on down. Checks are being received daily at the office in Friona, and these payers names will be credited to the team working in that block Tuesday. "If you want to save your team a little work and driving, go ahead and send your check in," says Carl Schlenker, drive chairman.

February 23, Monday night, the annual victory meeting will be held in the Friona school auditorium, where prizes will be awarded as team winners are recognized. Appearing on the program will be Dr. Bill Davis, head of the department of Government of Texas Technological College. He will make an illustrated talk entitled, "Our American Heritage." Light refreshments will follow the program, to which the public is invited.

IS SERIOUSLY ILL

Alex Bateman, former resident, is a Veterans hospital patient in Amarillo, and has been seriously ill, according to reports received here this week.

"Soil fertilizer and water are important for high yields," he says. Charles Whitfield of the Amarillo Experiment Station was featured in a talk on control of bindweed. He talked about both mechanical and chemical controls and invited the farmers to visit the Experiment Station.

"Irrigation Practices and Methods" was the subject of Bob Thurmond, extension irrigation specialist of Lubbock, who emphasized pre-watering and storage of water in the soil. He said that water underlying the soil is worth more than the soil itself.

E. M. Trew, extension agronomist, presented illustrative slides, and told about pasture management. He maintained that management is probably more important than plants used in pasture improvement.

John Box, irrigation engineer of Lubbock, presented a discussion on cotton and grain sorghum under irrigation. As an illustration, he said the Lubbock experiment station last year put eight inches of water in the soil before planting cotton, and with no post-watering, production was 500 pounds of lint cotton per acre.

With the same pre-irrigation measure, and one post-irrigation of about 3½ inches of water in July, production was 606 pounds per acre. With pre-watering and two post-planting applications, to total 15 inches of water, the yield was 648 pounds. This shows that pre-planting irrigation is most valuable in cotton production, Box added.

He then told about grain sorghum production and gave the critical periods when the plants must be watered. "Pre-irrigation is not as effective on grain sorghum, but post-irrigation is essential," he says.

To conclude the day, Willis Hawkins, district director of High Plains Underground Water District for this vicinity, outlined the program for the district.

Regular Snows Keep Hope For Wheat Crop Alive Here

The fourth important snow of the season, though not as large as its three predecessors, whipped into the High Plains Tuesday on the tail-end of a blue norther.

The howling north wind, which everybody had expected to arrive some time Monday morning or afternoon, did not make its debut until 8:15 p.m., but its arrival was so sudden there was little doubt over the exact time it got here.

Moisture in the form of a light rain, followed by pebble-like sleet, preceded the snow. The flakes pelted down most of Tuesday afternoon.

Moisture ranges between a quarter and one-third inch locally. No severe icing conditions such as accompanied the last storm were felt.

TO BE IN APRIL

The first Saturday in April, will be the date for the school board election for the local school district. Further announcement will be made later.

Water Well Permits Gaining Attention

A simple, letter-size application blank, free to everyone, is getting lots of attention this week among actual and prospective water well owners in the 13-county High Plains Underground Water Conservation District No. 1, in West Texas. It is the new "Application for Water Well Permit" effective February 1. Approval of these applications by local county committees is the basis for regulation of water well spacing in the 13 affected counties.

These free forms may be obtained from four handy sources: (1) county committeemen, (2) county agents, (3) pump companies, or (4) water well drillers. Complete blanks are to be filled out in triplicate and submitted to the five-member county committee for action. Approval by three of the five-member committee is the "go ahead" sign to start drilling.

Committeemen are acting as fast as possible to keep abreast of the current rush for drilling approval. When this rush slackens off, they will meet weekly to process future applications. Information on how to fill out application blanks may be secured from committee headquarters, 1110 Lubbock National Bank Building, Lubbock, Texas.

According to T. J. McFarland, manager of the High Plains Water Conservation District No. 1, this whole plan is aimed at benefitting the individual well owner. He observes, "Wells too close together hurt the owner, his neighbor, and sometimes affect the entire community. This program permits spacing regulations to vary according to the problems of different counties. This seems to be the best way to protect everyone's interests."

Parmer County committeemen are Bruce Parr, Friona; Tom Caldwell, Route 1, Farwell; D. B. Ivy, Route 1, Friona; C. V. Potts, Route 2, Friona; and Raymond Euler, Friona.

Junior Red Cross Enrollment Is 100 %

According to George E. Meyer, Junior Red Cross Chairman for the Parmer County Chapter of the American National Red Cross, Parmer County is "one hundred per cent" in Junior Red Cross enrollment; every room of every school of the county having enrolled. The Friona schools with principal John Parrish of the elementary division and Billy Kelly of the secondary school lead the schools of the county in the amounts given. The total receipts for the Junior Red Cross fees was \$82.71, received as follows: Bovina Schools, \$12.65; Farwell, \$21.65; Friona, \$39.19 and Lazbuddy, \$9.68.

The schools enrolled are receiving the official publications of the national organization, which give

highlights on the program, according to Mr. Meyer. There is also a movie in sound which describes the work of the junior division of the Red Cross which may be had without rental charge by contacting Mr. Meyer at Friona. Mr. Meyer states that he is anxious to have every youngster of every school of the county see the film.

The next step in organizational procedure of the Junior Red Cross is the naming of the representatives from the schools, one from the elementary and from the secondary, who will be members of the Junior Council.

In addition to registration fees paid, the national organization, the juniors of the county make a gift of \$15 to the National Children's Fund, which goes to work with children and young people throughout the world.

Tennyson Gives Facts On School Problems

Charles H. Tennyson, executive secretary of the Texas State Teachers Association, said today that plans for easing the critical class room shortage will be seriously handicapped if local school districts are required to pay a bigger share of the minimum foundation program, School Administrators say.

"Local schools already are paying more than 40 per cent of the cost of public education in Texas," Tennyson said, "although those who want to rearrange the school financing pattern cite only the figures showing that local schools pay about 20 per cent of the minimum foundation program cost. They fail to cite the cost of current operations and repayment of bonded indebtedness."

The big difference in percentages lies in the fact that the minimum foundation program does not represent total school costs. Local school districts must pay many additional expenses themselves, including the cost of new buildings and facilities.

"Approximately 33,000 children in our elementary schools must attend classes for less than a full day because of the classroom shortage," Tennyson said. "Our local school districts are putting as much money as is feasible into new buildings. Many plans for new school construction may have to be scrapped in local contributions to the minimum foundation fund are increased."

The limit on local contributions to that fund now stands at \$45,000,000. "Many other states granted financial aid to local schools for construction purposes," Tennyson said, "but in Texas the need for buildings and facilities must be met by the local communities themselves."

W. H. "Pop" Spurlin, who has been quite ill for the past month, is back at his business at Spurlin Service Station in Farwell this week.

METHODIST WEEK OF DEDICATION

The annual Week of Dedication in all Methodist churches begins on Sunday, February 15th and ends with The Day of Dedication observance on Sunday, January 22.

On February 15th at the 11 o'clock service at The Hamlin Memorial Methodist church, the pastor, Rev. Miller H. Stroup will bring a message on the subject, "What Lent Means to Protestants."

The Sunday school hour is 10 a.m. Loyde Brewer is the general superintendent.

The Junior-Intermediate Methodist Youth Fellowship will meet at 6:30 p.m., and the Senior Methodist Youth Fellowship will meet at 7:30 p.m.

The second monthly family night covered dish supper will be held at 7 p.m. on Monday, 16th. The ladies of the Wesleyan Service Guild will serve as hostesses. Covered dishes are to be brought as follows: A-E, dessert; F-O, meat dish; P-Z, vegetable and bread or salad and bread.

After the supper, three motion pictures will be presented. The first one, for the children, is a Woody Woodpecker cartoon, "The Cracked Nut." The travel picture, in full color, is "Viva Mexico." The feature picture of the evening will be a religious picture, "Samon Peter, Fisherman," based on Mark 1:16-39.

Farwell Juniors Play Several Games Recently

Farwell junior basketball teams have played several neighboring schools in practice sessions in the past weeks, Shelby Jobs, coach, says. In tilts against Bovina, both eighth and ninth grade teams were defeated by their opponents, but the local girls were in the lead at the final whistle.

Monday night, the juniors played Friona on the local court and the youngsters from Farwell topped the visitors in all three sessions. The junior high girls topped the opponents 17-6, with Loveta Perrin racking up 10 counters. David Willard was high pointer in the junior high boy's game with 14 points. Score was 31-10.

In the freshman boy's game, count was 26-20 and Bert Williams hit 12 points for the locals.

County Total in Dimes Drive Reaches \$2,316

Though all monies are not turned in and reported, the total to date for the March of Dimes is \$2,316.06 in Parmer County, Raymond Euler, county chairman, says. By towns and communities, funds were reported as follows: Rhea, \$233.74; Lakeview, \$9.65; Lazbuddy, \$148.00; Black, \$122.58; Bovina, \$380.37; Farwell, \$644.00 and Friona, \$697.72.

"The final total will be published as soon as it is known. Raymond Euler wishes, as campaign chairman, to express his deep appreciation to all city and community chairmen and workers, as well as those who contributed funds. "It is a joy to work in a campaign so worthy as March of Dimes, particularly when practically everyone within the county is concerned with the success of the project," says Euler. "The complete

and enthusiastic support of the newspapers, State Line Tribune, Friona Star, and the Muleshoe Journal in Bailey County, in publicizing the campaign and its progress contributed immeasurably to the success of the drive," added Euler.

"We have built seven buildings for our unattended dial stations. The building for the Oklahoma Lane Exchange is located about 1 1/2 miles west of Lariat, just north of the railroad. A telephone subscriber in the Oklahoma Lane exchange may talk with a subscriber in Farwell exchange without any charge. This is called extended area service," Forrest continues.

Engineers anticipate having all staking of lines complete this week.

Recent conferences with Mountain States Telephone Company officials have resulted in agreements on dialing, directory listings, service or trouble calls.

Anyone interested in a telephone in the Oklahoma Lane (Farwell) area will still be considered, Forrest adds. It may be possible to serve late subscribers on original contract if application and equity are received before poles are hauled. Call or write to the West Texas Rural Telephone office in Hereford.

Third Graders See School Film

Third grade pupils and their teacher wish to thank Mrs. John Lockhart for the film, "Swab the Choppers." It was a very interesting film on the care of the teeth. The children have been studying about teeth and are working for certificates which will be given those who have brushed their teeth regularly and have made all corrections that should be made. They also wish to thank Mr. John Adams for showing the film.

The third graders welcomed Katherine Adams to their class last week. Katherine had been attending school in Portales.

Visitors in the third grade room this month were Mrs. R. D. Patton and daughter, Gwendlyn. They surprised everyone by serving homemade cookies.

Third graders are planning individual valentine boxes for their Valentine party. Each child is decorating his own box and placing his name on it. When the valentines are brought to school they will be placed in the proper box. At the time of the party each child will open his box and enjoy his valentines.

For decorations this month the children have made snowmen carrying valentines, valentine ladies, and Washington hatchets. Large valentines with streamers of red and white ribbon and small hearts fastened to the ribbon are used to encourage the children to do excellent work. A heart is added for each perfect lesson.

RANDOM THOUGHTS

By Jo Sondra Magerus
 I don't think enough credit is given to the girls and boys who "warm the bench" at basketball games. People say "Oh, the subs aren't important. They don't need to practice, because they don't get to play anyway." But, stop and think, suppose there were no substitutes, and one of the players were injured in a game. Wouldn't it be better to have a less capable player to go in than none at all? Yes, I think the subs aren't as strong as its weakest link. Everyone has to help form the chain in order to have a winning team.

I saw a motto the other day that went like this, "Push, pull, or get out of the way!" I think that could apply to almost anything in life, but especially to the people who are continuously finding fault with our school. They should either push and pull to make it better or get out of the way, so their constant degrading remarks won't hinder its progress.

There are two things that make me feel better, having a good cry and buying something new. This last week the blues have had me feeling

so low that I had to peep over the top of my shoes to see out. So, I had a good cry, and bought material to make a new dress, and I felt much better! This may not work on you, if not I suggest seeing a Jerry Lewis movie, or listening to one of his records. My favorite of his numbers is "I Keep her Picture Hanging Upside Down ((cause I can't stand the sight of her face.))" If anyone else sang a song like that, it would be strictly "corn," but Jerry has the gift of making "corn" into something really funny.

By the way, perhaps you, too, are gifted in making people laugh, with a good voice, or other talent. If you are, plan to enter the Business Education Club Talent Show on February 17. You might take home one of the cash prizes. And, the world might discover a great entertainer!

Thursday everyone went around in a "deep brown study" all day, for that was 6 week's test day. When the last bell rang that afternoon, everyone slammed their books in their lockers, and rushed home to loaf or do something not requiring "brain power."

I would be presuming too much if I said, I were going to rest my brain for a while. What brain? So, I'll say, "I'm going to loaf for a while, and I'll see ya next time."

Second Grade Enjoys Record

The second grade children enjoyed their new Cinderella record they received from the record club this month.

They have been busy this week making valentine decorations for their room. They have made heart-shaped flower pots filled with valentine flowers and valentine calendars.

Their jig-saw maps of the United States have also been completed. Each child was given a map with the states made on colored paper. They cut the states out and pasted them in place on their large map.

Sue Doolittle Injures Ankle in Ball Game

Sue Doolittle, Texico freshman, injured her ankle while playing in a ball game during the past week. She was unable to attend school for a while.

Members of the freshman class have been studying hard the past week since tests are to be given soon.

Familiar Facts For Faculty Fans

Miss Joyce Laing is the latest addition to the Texico School faculty. Miss Laing, a lovely brunette with sparkling brown eyes, hails from Chariton, Iowa. She attended Simpson College in Iowa during the first semester of her freshman year, and then transferred to Eastern New Mexico University where she will graduate this August.

Italian spaghetti is the choice food for Miss Laing, and blue is her favorite color. She likes to see Robert Mitchum and Loretta Young on the screen, and as to songs, "How High the Moon" is tops with her. Plymouth is her favorite car.

Her childhood ambition was to be a teacher, and her present plans are to teach. But, in the future she would like to have a career as a blues singer.

Her activities at ENMU include: President of Kappa Delta Alpha, member of the band, member of the choir, dance band vocalist, and Tau Beta Sigma, honorary band sorority. She has formerly been a madrigal singer, and taken part in many of the college productions, the latest of which was "Swanee '53."

Gala Talent Show Planned

February 17 is the date set for the Business Education Club Talent Show, according to a statement released today.

Show will feature acts, songs, and stunts by high school groups throughout Curry County. Schools which have been invited to enter are: Grady, Field, Ranchvale, Rosedale, and Farwell, along with various clubs and organizations from Texico School.

Acts will be judged, and prizes of \$10, \$5, and \$2.50 will be given to the three top winners.

Curtain time for the production is 8:00 p.m. and 25 and 50 cents will be the admission.

Mrs. Elva Jones, sponsor of the group, says, "Everyone who attends will be assured of two hours of fine, wholesome entertainment."

Sixth Grade Prepares For Valentine's Day

Members of the sixth grade are preparing for Valentine's Day. They have been putting up posters, and

have made pictures for the border around their room.

The sixth grade has had a very good attendance this week, with the exception of Billy Ferguson who has been away because of a death in his family.

Bobby Stover has an unusual mustache this week. His chin is bound up because of an infection.

Most of the sixth grade boys will play in the tournament at Elida. Those participating will be: Buster Harriman, Jerry Reid, Raymond Hadley, Eldon Thotcher, Lee Gonzales, Billy Thigpen, David Lockhart, Monte Songleterry, and Bobby Stover.

The sixth grade has been having a map study of the world. They are putting the names of the cities and countries on the map.

First Grade Has Valentine Box

Members of the first grade are happy to welcome Jan and Ann Adams, twins, who have recently enrolled here. They have been attending school in Portales.

The children are planning to have a valentine box and party in their room on Friday, the 13th.

They have made valentine calendars for a border decoration. Miss Laing, music teacher, is teaching them a valentine song.

Carl Glenn Davis has been absent due to a tonsilectomy. He had the operation in Amarillo.

Janice Meeks has been absent with a case tonsillitis.

A weather chart is being kept by the class. A clear day is noted by drawing a picture of the sun, a cloudy day by drawing a picture of a grey cloud, rain is noted by an umbrella. Other weather conditions will be expressed by pictures in a similar way.

SENIOR OF THE WEEK

Our honored senior this week is Jeanine Donahey who was born July 30, 1934 at Pleasant Hill.

Steak fingers is her favorite food, and Gordon McRae and Doris Day take top honor as actor and actress. Her favorite sport is skating, and the person she likes best is Eddie Hicks. "My Baby's Coming Home" is her favorite song, and blue the color she likes best. And she prefers to ride in Ford car.

Jeanine's ambitions include: childhood, to be a nurse; present, to graduate; and future, to be a housewife.

Fifth Grade Loses Student

Members of the fifth grade are sorry to lose one of their students, Donald Blair, who has moved to California.

Several students have had a perfect attendance record this six weeks. They are: Joanne Brown, Wendell Doshier, Gale Hadley, Don Johnson, La Donna Stewart, Connie Tharp, Joan Wheeler, and Charles Stockton.

Several experiments with bacteria and molds are being made by Larry Powell, Mary McDaniel, Gale Hadley, Otha Leslie, Betty Walton, Phyllis Kelly, and Joanne Brown for study in the science class.

Sugar is a pure chemical as well as an emergency food. Its product is ten times that of the next largest volume bulk chemical.

Subjects she is enrolled in are: band, home economics, and journalism.

Her activities include: member of home economics club, reporter of press club, pep club, majorette of band, and she's on the Wolverine's Tale Staff.

Asked about her pet peeve she replied, "people who interfere."

Fourth Grade Pupils Prepare for Valentine's

Members of the fourth grade are having fun getting ready for Valentine's Day. They have made a border of clowns for the bulletin board above the blackboard. The large bulletin board shows a patriotic theme.

The fourth graders are sorry that Lee Spear's dog, "Troubles," was run over by a car. Lee reports that he believes Troubles will live, but will be crippled.

We are happy to have Ellen Cain back in school after a week's absence because of illness.

Seventh Grade Welcomes Pupil

The seventh grade welcomes another new pupil, Donal Adams, who came from Portales. This brings the total number of pupils in the seventh grade to twenty-eight.

The seventh grade had their six weeks tests last Thursday.

Bobbie Richardson was honored on her fifteenth birthday with a surprise party in the home of Naomi Hapke.

Numerous games were played and refreshments of jello with whipped cream, hot chocolate, and cake were served.

THINGS DON'T LOOK SO HOT

Speaking of the weather, at least, things don't look so hot right now. But don't be fooled into thinking that you should put off draining your transmission and differential until summer is here.

Oil in those vital parts takes a beating just like the oil in your engine. Play it safe, and avoid big repair bills.

Only **HUDSON**, with the lowest center of gravity among American cars, can handle such tremendous power so safely!

HUDSON HORNET Four-Door Sedan

Come try the mighty power and matchless roadability of a Hudson

No other car can perform, or ride, or last like a Hudson because no other car has "STEP-DOWN" DESIGN.

Hudson is the best performing, safest car on the road today—but you needn't take our word for it. Just look at the record:

In 1952, competing with all other makes in stock-car events, Hudsons just like you can buy from us won 47 victories in 60 starts . . . and Hudson was named Champion in all three major racing associations!

Naturally, there's a reason for this record performance. And that reason is Hudson's exclusive "step-down" design . . . which provides the lowest center of gravity

among American cars. That's why Hudson can handle its mighty power so safely.

For a new driving thrill . . . with the utmost in safety . . . try the fabulous Hudson Hornet, or its lower-priced running mate, the spectacular Hudson Wasp. Stop in soon!

Oklahoma Lane WMU Has Book Review

Ladies of the Oklahoma Lane WMU met in an all-day meeting at the Baptist church recently for a book review. Mrs. W. M. Turner gave an interesting review of "The West Is Big," a book showing the development and needs of missionary work being done in the western part of the United States.

Sandwiches, cookies, candy, coffee and tea were served at the noon hour.

Since time did not allow the conclusion of the book review, Mrs. Turner completed it at the following W. M. U. meeting at the church.

Then the members carried out their scheduled community mission program, visiting some who are unenlisted, some who were sick, and some who are new in the community.

ESA To Sponsor Boys Ranch Program Soon

Members of Epsilon Sigma Alpha decided to sponsor a program by boys from Boy's Ranch in Amarillo, March 20, at the Farwell school auditorium. Cal Farley will accompany the boys and give a short talk, with the affair. Site of the presentation will be the Farwell school auditorium.

Tickets to the show, which will feature western music by the young people, will be sold for 50c for adults, 25c for school age children and 10c for pre-schoolers. Sixty per cent of everything taken in will go to the Boy's Ranch, Mrs. Sonny Graham, president of ESA says, and the remainder of the money will be used for work in our own communities.

A meeting of ESA was held Monday night in the home of Sylvia Watkins.

Girls decided to work on slogans to be entered in a contest sponsored by the international ESA. Plans were also begun for a tea on March 29 at the local Legion hall, when chapters from adjoining towns will be present, and Roy Hahn of ESA International will be special guest.

April 13 was set as the date for election of officers, so new club officials could attend the New Mexico State convention in Hobbs the weekend of April 18. Girls also decided to enter a contest to name the state bulletin.

Next meeting will be a social function. Girls will meet at the home of Jeanne Graham at 7 o'clock and go from there to the El Monterey in Clovis for Mexican food. They will return to the Graham home for a special program on Hobbies, under the direction of Julia Symcox.

Present for the Monday meeting were Jeanne Graham, Margie Crooks, Gloria Miller, Gladys Kaltwasser, Julia Symcox, Wilma Liner, Nell Walling, Dardanela Helton, Rosa Roberts, Iris Thornton, Wynema Cochran, Elizabeth Kaltwasser, Dorothy Quickel and the hostess.

CARD OF THANKS

We want to thank Texico-Farwell fire department and a group of boys from Muleshoe, also everyone else who assisted in putting out the fire that destroyed the barn and other buildings on our farm last week.

Bridal Shower Honors Mr. and Mrs. Young

A bridal shower honoring Mr. and Mrs. George Young was held in the home of Mr. and Mrs. Sterling Donaldson Tuesday afternoon, Feb. 3, at 2:30 o'clock.

The bride's chosen colors were carried out in the table decorations. Centering the white linen covered table was a pastel floral arrangement on a round mirror with miniature bride dolls on either side.

The names of the couple, George and Fred, were written on the beautifully decorated cake which carried out her chosen colors. Punch was served from a crystal punch bowl by Mrs. Luther Grissom.

Mrs. Young was assisted in opening the gifts by her husband.

Hostesses for the occasion were Mesdames Grissom, Frank Edwards, Barto Massey, Claude Watkins, W. M. Turner, Dan Routon, Wade Carpenter, W. E. Verner, Sterling Donaldson, Clarence Johnson and Dick Geris.

Attending the shower were Mesdames Delbert Garner, C. W. Grissom, James Roach, Bill Johnson, Levi Johnson, Sam Sides, Bill Foster, O. C. Petree, Ollie Peoples, Bill Meeks, Ed Meeks, R. S. Smaltz, Windbourn Hardage, Clarence Christian, Harold Carpenter, Wendol Christian, E. H. Young, Ed McGuire, Bob Caldwell, and the Rev. Barto Massey.

Several gifts were sent by some who were unable to attend.

J. T. Harding Honored With Birthday Dinner

Mr. and Mrs. H. H. Carlyle Jr. had turkey and the trimmings in their new home in Lubbock recently in honor of his uncle, J. T. Harding, who celebrated his birthday.

Friends & Neighbors

The 25th in a series of informative articles revealing little known facts about well known people in and around Texico-Farwell and nearby communities. Our sole purpose is to promote better acquaintances—in the hope of promoting better friendships.)

(Picture of Mr. Means not available.)

This week, our interest is centered on Mr. and Mrs. Les Means, owners and operators of the Home Grocery and Market in Texico.

Mrs. Means moved to this area at the age of six from Young County Texas. She went to school at Bovina until school busses began operation at Farwell, and then finished her schooling at Farwell Schools.

She was a member of a family of 11, and recalls that she hardly sees how they managed, when they first moved out here. "There were about 25 of us living in a 5-room house," she says, "and I just don't understand how we did it, but we did." She also says that, looking back, she can see how much fun the large families had, and feels sorry for children, who have no brothers and sisters.

Mae and Les met at a dance south of Clovis. Following this meeting, they went "steady" for almost two years before their marriage. The ceremony was performed by a Justice of the Peace at Portales. Mae remembers that her dress was a red crepe one with a long waist, and a skirt shorter than the waist.

The couple made their first home on a farm three miles north west of Texico, where they lived for four years. Then they moved to Texico where Les operated a recreation hall. He also worked at the White Elephant Bar, one of the two bars in town at that time.

In 1939, they moved to Clovis where both were engaged in various occupations, among which were work at the Air Base, and as a used car salesman. While living in Clovis, Les received a broken leg when he was kicked by a horse, and was in the hospital for about three months.

In 1944, they returned to Texico and bought the old Cranfield Wagon Yard where they opened the Home Grocery. They have been operating it since, except for two years when it was leased out.

Les' daughter, Inez, graduated from High School at Texico and then attended business school in Clovis before her marriage. She now has one daughter, Sandra Kay, age 13, whose picture is displayed prominently in the Means' store.

Having a horse break his leg has certainly not changed Les' love for

horses. He has always been interested in them, and during the last five or six years, he has had several race horses. Les spent five months at Ruidoso during the racing season last year and received recognition with his filly, Santa Anna Girl.

Mrs. Means is a member of this what really counts."

Golden Circle Class Meets in Peyton Home

Golden Circle Class of the Baptist Church met with Mrs. N. W. Peyton Monday night with the president, Homerlane Shaw, presiding. Lucille Stover gave the devotional, and the members discussed clothing for the child the class has adopted.

Mable Martin resigned as group captain, and Iona Chappell was named to replace her. The next meeting was set for March 16, to avoid interference with a study course at the church.

Sunshine' friends were revealed and at the close of the meeting, Mable Martin was honored with a farewell shower. She and her family are transferring to the Oklahoma Lane church.

FROM OKLAHOMA

Mr. and Mrs. James Smith of Ardmore, Okla. were here over the weekend visiting Mr. Smith's mother, Ethel Lois Tindol. Also, her other son, Avis Smith of Ft. Sumner, Leonard Bryant of Clovis, Charles Steel of Lubbock, and Bessie Lucas of Texico.

Mr. and Mrs. Jack McManigal and Mike were in Happy over the weekend to visit his relatives.

The Means say, "We've been extremely lucky to have had no sickness in our family, and although we have gone through some rough days together, we've been happy, and that

Mrs. Kaltwasser Feted With Dinner

Mrs. Gilbert Kaltwasser honored her sister-in-law, Mrs. Walter Kaltwasser, with a birthday dinner Sunday.

Guests included Mr. and Mrs. Karl Kramer of Clovis; Mr. and Mrs. A. H. Haseloff and family; Mr. and Mrs. Henry Haseloff and family; Mrs. J. A. Kaltwasser; Mr. and Mrs. Walter Kaltwasser and family, and the host and hostess and daughter.

To Name Officers

Class officers will be elected Tuesday evening when the Companion class of the Baptist church meets at the home of Rita Dollar, for a regular session. Aileen Pearce is in charge of the program.

Plan Initiation

Rainbow Girls will meet Monday night in Bovina and initiation will be held for Judy Garrett of Farwell. Balloting was the principal item of business at last session, Ann Whitley, Worthy Advisor, says.

In Means Home

R. C. McReynolds of Needles, Calif. was here over the weekend visiting his parents-in-law, Mr. and Mrs. Les Means and his parents in Clovis.

Monte E. Jones, son of Mr. and Mrs. Agrie Jones, Texico, arrived here Saturday night to begin a 30-day leave.

Monte has been serving aboard the USS Essex in Korean waters during the past months. He will return to Bremerton, Wash., where he will be stationed for about six months before returning to overseas duty.

Helping Mr. and Mrs. James Roach celebrate their 13th wedding anniversary Tuesday night were Mr. and Mrs. Harold Carpenter, Mr. and Mrs. Bill Meeks, Mr. and Mrs. Wendell Christian, and Mr. and Mrs. Lloyd Gober. The group had dinner in Clovis.

Mrs. M. C. Roberts will be hostess to a social for members of Texico-Farwell Woman's club in her home Monday evening, beginning at 7:30. All members are urged to be present.

Mr. and Mrs. Guy Cox are in Temple where he is undergoing a check-up.

Mrs. Jess Newton spent the first part of last week in Amarillo in the Orville London home.

Okla. Lane Methodist Church Dedicated

About four hundred people were present for the dedication of the Oklahoma Lane Methodist church, Sunday morning. William C. Martin, Bishop of the Dallas-Ft. Worth area, formally conducted the services.

The service opened with prelude music by Mrs. B. J. Foster, followed by, "The Call to Worship" by the choir.

Marvin L. Boyd, district superintendent, gave the invocation. "I Love Thy Kingdom Lord" was sung by the congregation, then the audience read the Canticles of the Church responsively, and they gave Gloria Patria and the Affirmation of Faith. Reverend Willard, pastor of the church, gave the offeratory prayer, following which was "Praise God From Whom All Blessings Flow" and a prayer by Reverend Huckaby of Bovina.

The people sang "The Churches One Foundation," and Supt. Boyd introduced Bishop Martin. Boyd pointed out the many responsible positions held by the Bishop, the latest of which is President of the National Council of Churches of Christ of America.

The Bishop spoke simply as he pointed out what conversion could do to tangible things as well as to man.

The Board of Trustees, Clyde Perkins, T. L. Kent, Lee Jones, Claud Primrose, and Clarence Christian, presented the building, which is to be known henceforth as the Oklahoma Lane Methodist church.

A basket lunch was served to 250 attendants in the Fellowship Hall, with Rev. Massey of the Oklahoma Lane Baptist church giving the thanks for the lunch.

Afternoon services were informal. Caryetta Grissom accompanied June Christian who sang "Bless This House"; and C. L. Grissom, a charter member of the church, gave the history of the church. It also included vocal numbers by the Farwell High School Chorus and octette, and a piano solo by Mrs. Shelby Jobs. The remaining time was spent in reminiscing by anyone who wished to speak.

The evening service was well attended by the local people and visitors from Bovina, as Reverend Roscoe Trostle, former pastor of the Bovina-Oklahoma Lane church spoke in the pulpit.

Mrs. Loucille Foster, spokesman for the church, says, "We wish to express our gratitude to those who did so much to make the occasion a

memorable one, and especially to Buck Bradshaw who gave bread to help with the lunch. Also for the friends of the church who sent floral offerings, and the State Line Tribune who publicized the date so well."

Baptists Have Good Attendance

George Newman, pastor of the Bethel Church out of Portales, conducted both morning and evening services at the Texico-Farwell Baptist church Sunday. A good attendance was reported with 223 in Sunday School and 110 attending Training Union.

ATTENDS FUNERAL

Ethel Lois Tindol attended the funeral of La Rita Joyce Perkins in Bovina last Thursday. While there she visited in the home of her aunt, Mr. and Mrs. L. C. Moore and Joe.

Schlueter Gives Report On Omaha Convention

Thirty-seven members and two guests were present when Texico Farm Bureau met in regular session Monday night at the school lunch-room. Olan Schlueter, local chairman presided, and Mrs. W. H. McDaniel, reporter, read the minutes. Schlueter gave an account of his recent trip to Omaha, Nebraska for the National Soil Conservation convention, read 13 of the resolutions of the convention and asked for comment. Mr. Knap and Mr. Cavitt of the Clovis Soil Conservation office, were present and explained the soil conservation setup. They presented pictures with explanations.

It was decided to meet at 8 o'clock in the future. Sandwiches, pickles, potato chips, coffee and pop were served. Men played "42" and women spent the evening visiting.

FARWELL BOYS TAKE RIBBONS AT EL PASO

Two Farwell FFA boys took hogs to the El Paso Livestock show the past week, and both will bring home winning ribbons, says Robert Morton, agriculture instructor.

Don Gerles received first and third place ribbons in the Berkshire and Crossbreed class, heavyweight division, and a third in the medium weight group. He also had a second place rating in pen of three in the same class.

Clarence Kube received a second place ribbon for his Hampshire hog in the medium weight group.

TREES ORDERED SOON

People who want trees for wind-breaks can order them for \$1.50 per hundred, County Agent Joe Jones says, but orders should be in by February 18. Delivery date is to be Feb. 25. Trees may be ordered by contacting personnel in the county agent's office.

PAYMENTS FAIR

Garbage payments in Texico are coming in reasonably well, W. L. Freeman, city clerk, says. Citizens must pay to have the garbage hauled away, or have a permit to haul their own, the clerk states.

SEEK BIDS

The Texico city council is advertising for bids to lay water lines in Texico, W. L. Freeman, city clerk, says. The bids will be opened this month. Further details will be released later, Freeman adds.

MOVED TO HOME

Rev. A. D. Moore, former pastor of Oklahoma Lane, who has been seriously ill for a lengthy period, has moved to a Masonic home, Earl Roberts reports. The pastor's right leg is paralyzed.

JeDon Porter Enrolled In 15-Week Course

2-Lt. JeDon Porter, son of Mr. and Mrs. John Porter, is now enrolled in a 15-weeks course designed to produce company grade officers well-grounded in the basic fundamentals and techniques of all infantry units, with emphasis on the development of capable company commanders, the Fort Benning publicity office says.

Porter is a former student of New Mexico Military Institute in Roswell.

TO BEGIN WORKOUTS

A few high school boys have begun workouts for track, says Shelby Jobs, but actual track sessions will not begin until about February 23. Grade school and junior high track is also planned. Annual meet will be in Friona.

RETURNS TO WORK

Bess Mansfield arrived Sunday and began work Monday morning at the sheriff's office, where she was formerly employed. She has been at the bedside of her mother.

Sugar are the first foods made in green plants by the action of sunlight.

NO KIDDING SALE

Every once in a while, somebody comes into our store with one of our ads and says, "No Kidding, now . . . do you really sell furniture at these low prices?" Well, all we can tell 'em is to come in and see for themselves. If you don't believe it either, just come find out. You'll be pleasantly surprised with our LOW LOW PRICES!

County Tournament To Be this Weekend

The Junior High gym in Clovis will have its doors open wide this weekend welcoming basketball teams and sports fans of local schools.

Grady Bronchos are seeded first in the boys division. Melrose Buffaloes, Rosedale Cowboys, and Texico Wolverines are seeded second, third, and fourth respectively. The Whirlwinds, undefeated in the conference, are seeded first in their bracket with Ranchvale second, Field third, and Forrest fourth.

In the senior boys bracket Grady will play Clovis Terrors at 3:30 p.m. Thursday. Rosedale will play Field at 6:00 p.m. Thursday with Texico playing Ranchvale at 8:45 p.m. Thursday. Melrose, first drawing a bye, will play the winner of the Texico-Ranchvale tilt 6:00 p.m. Friday. Winners of the Grady-Clovis, Rosedale-Field game will meet 8:45 p.m. Friday. The championship game will be at 8:45 p.m. Saturday.

In the senior girls division Texico and Ranchvale drew byes. Forrest versus Grady 2:15 Thursday and Field plays Rosedale 7:30 p.m. Thursday. Texico plays Forrest-Grady winners at 7:30 p.m. Friday. Winners of the Field-Rosedale game will play Ranchvale at 3:30 p.m. Friday. The final will be played at 7:30 p.m. Saturday.

In the Junior boys division Grady plays Center at 1:00 p.m. Thursday. Melrose versus Ranchvale at 11:00 p.m. Friday. Clovis will meet Field at 2:15 p.m. Thursday and Texico will play Rosedale at 2:15 p.m. Friday. Winners of the Grady-Center and Melrose-Ranchvale games will play at 9:30 a.m. Saturday. Clovis-Fields and Texico-Rosedale winners play at 10:45 a.m. Saturday morning. The finals will be at 3:45 Saturday.

In the Junior girls bracket Field plays Rosedale at 11:00 p.m. Thurs-

day. Ranchvale will meet Center at 12 noon Thursday. Texico and Grady both drew byes for the first round. Grady plays the Field-Rosedale winner at 9:00 a.m. Friday while Texico will meet the Ranchvale-Center winner at 10:00 a.m. Friday. The final game will be at 2:30 p.m. Saturday.

Admission for the games will be 25 and 50 cents for day sessions, 25 and 75 cents for Thursday and Friday night session, and 50 cents and \$1 for the finals Saturday night.

Texico Teams Split Games with House

Texico Whirlwinds still retain their undefeated record in conference play after beating the House Cowgirls here Friday night 35-34. This is the fourth game of the season the Texico lasses have won by a mere one-point margin and the second game within a week in which Esther McDaniel made two free tosses to win the game.

Texico gained a lead and held it although narrow at points until the third quarter. The score at half-time stood 18-12 in favor of Texico; and it was 25-19 at the end of the third period. But the cowgirls began hitting in the last eight minutes and it seemed as though they couldn't miss. They outscored the Whirlwinds 15 to 9 in that time and in the last minute of play 32-31. But one of the House girls fouled Esther McDaniel and she stepped calmly to the free toss line and dropped two shots neatly through the hoop.

Texico scored again and then House scored, but the real crisis was reached with the making of the free tosses. This was the first game in which the Cowgirls had been defeated all season.

McDaniel was high point for her team with 18 points, while Runyan scored for House.

The second game of the evening, the Cowboys downed the Wolverines

Bracket Is Released For District Tourney

The bracket was released for the district basketball tournament planned February 19 and 20 in Vega this week. Both boys' and girls' games will be played to determine the top teams.

District champions will be determined by the tournament and conference games played during the year on a half-and-half basis. In the boys' division, if Adrian who now leads the conference should win the tournament, they will be named champion, but should another team win, a "sudden death" playoff would be scheduled Saturday, Feb. 21, to determine the top team. The same principal applies to the girls' division. Friona girls are now in the lead in the district.

Boys' Division

Friona drew a bye for the first round of play, and Adrian is pitted against Lazbuddy at 6:45 Thursday evening. Vega also drew a bye and Farwell plays Bovina at 9:15 Thursday. Friday afternoon, the winner of the Adrian-Lazbuddy tilt will play Friona at 1:30; and at 2:45, Vega will meet the top team of the Bovina-Farwell game. Championship match will be at 8:45 Friday evening.

Girl's Division

Vega and Adrian drew byes for the first round. Lazbuddy plays Bovina at 5:30 Thursday evening, and Friona and Farwell will clash at 8 o'clock. Friday morning, Vega plays the winner of the Lazbuddy-Bovina session, and at 10:45, winner of the Farwell-Friona tilt plays Adrian. The championship game will be at 7:30 Friday evening.

Farwell teams play the last conference games Friday night when they go to Bovina for games.

New equipment is being added to the Farwell grade school playground, says Kenneth Fields, grade school principal.

40-54. High point players in this game were Arlye Crooks for Texico with 23 and Franklin of House with 21.

THE **PARMER COUNTY FARM BUREAU**

For A Better Agriculture for Parmer County

AN INDEPENDENT ORGANIZATION FOR FARMERS

PROMOTES — PROTECTS THE INTERESTS OF AGRICULTURE

BRUCE PARR, PRESIDENT

Carl Schlenker, Vice-Pres. Hadley Reeve, Sec-Treas.

COUNTY COMMITTEE CHAIRMEN:
Legislative, Aubrey Ellison; Service, Raymond Euler; Resolutions, Roy Euler.

COMMUNITY MEMBERSHIP CHAIRMEN:
T. E. Lovett, J. J. McDonald, Vernon Symcox, Bill Buchanan, Earl Stevenson, Charlie Calaway.

Why We Believe a Good Strong Farm Bureau Will Help Parmer County

In a farming area such as ours, the economic prosperity of the whole region depends upon the welfare of agriculture. If the farmer gets a good price for his product, everyone profits. If the farmer suffers "hard times" we suffer too.

The Farm Bureau looks after the interests of farmers beyond the fences. It is a democratic organization of, by, and for the farmers and ranchers. The policy of the national organization, the American Farm Bureau Federation, is decided on the community and county level.

Farm Bureau is a tool that the farmer can use beyond the fences—in Austin and Washington.

Join Farm Bureau when the membership worker comes to see you. Farm Bureau membership doesn't cost ... it pays!

Friona Scalps Bovina In Conference Games

The Bovina basketball teams were hosts Friday night to the Chiefs and Squaws from Friona. They were conference games and Friona soundly trounced Bovina in both of the games.

In the evening opener, the Squaws defeated Bovina 61-42. Friona took an early lead and they had little trouble holding the lead and continuing to widen the margin. Bovina couldn't stop Friona's tall post forward, Magness, who counted for 24 points and high scoring honors. Friona led 38-16 at the half. Smith of Bovina was high scorer for Bovina with 19 points. Young of Bovina and Miller of Friona each scored 14.

In the boys games, it was much the same story, with Friona taking the lead and building up a wider margin all the way. They led 41-29 at the half and final score was 84-55. Robbins of Friona paced the scoring with 25 points. The Bovina scoring was pretty well divided with three boys scoring 12 points. They were Owens, Sudderth and Hawkins.

The last home game of the season will be played on Friday night when Farwell will come to Bovina for two games. Farwell defeated Bovina earlier in the year on the Farwell court and Bovina is going to be out for revenge. Everyone is invited to come out for this last game of the year and boost the teams.

GOSPEL MEETING PLANNED

A ten-day revival will start on Thursday, night Feb. 12th at 7:30 p.m. at the Bovina Church of Christ. Guy N. Woods of Nashville, Tennessee will be the visiting evangelist for the revival. Herman Henson of Bovina will be in charge of the singing. Services will be held twice daily at 8:00 a.m. and 7:30 p.m. Everyone is invited to attend these services.

Mrs. Bass Elliott, Vance and Gail spent several days last week in Nebraska visiting with her parents and other friends and relatives.

Funeral Services Held For Bovina Child

Funeral services were held last Thursday afternoon at 3:00 p.m. at the Bovina Church of Christ for LaRita Joyce Perkins. LaRita Joyce was the 6-year-old daughter of Mr. and Mrs. W. F. Perkins of Bovina. She was killed almost instantly on Tuesday evening when she was struck by an automobile as she crossed the highway near Bovina.

Leonard L. Ware officiated at the services. Pallbearers were Frank Smith, Bill Robertson, Stacy Queen and Billie Sudderth. Honorary pallbearers were R. T. Harbour, Bill Wilcox, Earl Richards, W. R. Jaquess, Tom Hudson and Clifford Leake. Burial was in the Bovina cemetery with Wolf & Roberts Funeral Home in charge of arrangements.

Survivors include the parents, one sister, Jacquetta Lee, Grandparents, Mrs. Clara Caldwell of Macomb, Oklahoma, and Mr. and Mrs. A. W. Perkins of Trosdale, Okla. and a great grandmother, Mrs. M. A. Dutton of Tribbey, Okla.

Lions Club Organized In Bovina Monday Night

Tom Kirkham, special representative for the Lions International Club met with 43 of the Bovina men and organized a Lions Club. The meeting was held in the School Cafeteria on Monday night. Lion members from Texico-Farwell, Friona and Muleshoe met with them. The Muleshoe Lions Club is the Bovina club sponsor.

There are 46 charter members in the Bovina club. Meeting dates were set for the second and fourth Thursday nights of each month.

Officers were elected in the meeting: president, O. W. Rhinehart; first vice-president Gene Ezell; second vice-president Frank Truitt; third vice-president, A. L. Hartzog; secretary-treasurer, W. E. Williams; lion tamer, Henry Minter; tail twister, Earl Richards. Two year directors elected were Roy Horn and E. L. Morrison and 15 month directors were Joe Wilson and Hubert Ellison.

The charter night has been set for March 10th.

Monetary Loss Noted By School Absences

"It would be a wonderful thing if we could impress everyone with the importance of being in school every day possible. Some people fail to be impressed with the idea that a day missed from school can never be recovered, Supt. W. H. Willoughby says.

During the month of January, there were 349 students enrolled in Bovina school but there was an average daily attendance of only 321 students. For financial purposes there were 18 pupils who might as well have not been enrolled. It costs the school \$1.00 every day a student is absent. The school lost \$360.00 during the month of January because of absences.

"So students, please try to be present every day that you are not sick," the administrator advises.

IS CLASS FAVORITE

Jamie Tidenberg, son of Mr. and Mrs. H. L. Tidenberg of Bovina, was chosen last week as class favorite by his classmates. Jamie is attending Clovis High School this year and is classed a senior. Jamie was elected by his classmates for this honor, from over two hundred students.

Yvonne Moody, student at Wayland College, Plainview, visited over the weekend with her parents, Mr. and Mrs. E. H. Moody.

BOVINA BAPTIST CHURCH

M. D. Durham, pastor

Sunday School 9:45 A. M.
Morning Worship 11:00 A. M.
Training Union 7:00 P. M.
Evening Worship 8:00 P. M.
Prayer Meeting 7:30 P. M.
WMU 2:30 P. M.

The church voted in conference last Sunday to make a loan for approximately \$8000 to help to get the new building in a shorter period of time. The committees are proceeding with their plans to recommend the beginning of the construction as soon as possible.

The intermediate GA organization was entertained with a banquet last Monday evening, Mrs. Pierson Adams was the guest speaker.

The church voted in regular conference to buy carpet runners for the aisles and to carpet a portion of the front of the auditorium.

Two people were added to the church in the evening service last Sunday. Last Sunday's attendance report was Sunday School, 152; Morning Worship, 193; Training Union 67; Evening worship, 159.

The pastor and Mr. Hodge Rigdon attended the worker's conference last Thursday at Tulsa. The regular associational youth rally met at the Avenue Baptist church Hereford last Saturday night. Those attending from Bovina were J. D. Kelley, Bertha Owens, Don Owens, Billie Ward, Millie Holden, Mary Sue Moody, Willie Mae Wilcox, Marcella Verner.

A cordial welcome awaits you at the Bovina Baptist church.

MAKE HOUSE CHANGES

There was a lot of moving and changing houses last week in Bovina. Mr. and Mrs. Rex Jaquess and family moved to their farm home. Mr. and Mrs. Killough moved into the Richards house where they had been living, and Mr. and Mrs. O. W. Rhinehart moved into the house owned by Frank Barnett, where the Killough's had been making their home.

SUPPER IS FRIDAY

"Don't forget to come by the school cafeteria on Friday, February 13th and enjoy a delicious Mexican supper. This supper is being sponsored by the FFA and the FHA with the parents of these students preparing the food," a spokesman says.

Proceeds from the supper will help defray expenses for these two organizations to attend the Fat Stock Show in San Antonio. Tickets for the supper will be \$1.00 for adults and 50c for children. "With this cold weather, Mexican food will be just the thing, so come by and enjoy a meal and attend the Farwell-Bovina ball games that night, the spokesman concludes.

HONOR ROLL GIVEN

The honor roll for the last six weeks for the junior high and high school included Keith Huggins, Kay Leake, Julia Kelso, Irene Dragger, Sandra Martin, Larry Ezell, Pauline Lloyd, James Williams, Jane Wasson, Dorothy Jones, Jerry Deleshaw, Margie Leake, Donald Barron.

Valentine Motif Used for Banquet

The Intermediate GA's and their parents were entertained with a Valentine banquet on Monday night in the educational building of the Baptist church.

The Valentine theme was carried out in the decorations with colors of red and white. The tables were covered in white with a red stripe down the center. The speakers tables were centered with white styrofoam hearts flanked with red candles. The remaining two tables were centered bouquets of white carnations in white vases tied with red ribbon.

Over the speakers table was a large red heart edged in white lace with "God Is Love" in white letters on the heart. Lights were used behind the heart for emphasis. The letters G. A. were formed on either side of the large heart in small red hearts.

Place cards were combined with nut cups and were small baskets made from doilies and pipe cleaners. A small heart on the handle had the guests name printed on it. Menus and programs were printed in white ink on red hearts.

Rev. M. D. Durham served as toastmaster. Charles Hawkins gave the invocation. Mrs. Charles Hawkins, WMU president, gave the welcome with Mrs. H. D. Bradshaw giving the response, Miss Wanette Turner and Miss Dyalthia Bradshaw presented a duet accompanied at the piano by Mrs. R. E. Everett. Miss Ruby Wilcox gave a reading.

Mrs. Glasscock, GA Councillor, gave a short talk and led the group in the GA song, "We've a Story to Tell to the Nations." Mrs. Pierson Adams brought the address for the evening. A. L. Glasscock gave the benediction.

The GA girls were in formal dress for the banquet. Present were Glenda and Doris Jaquess, Wanette Turner, Dyalthia Bradshaw, Sue Moody, Ruby and Willa Mae Wilcox and Paula Whitfield. Guests present were Mr. and Mrs. Charles Hawkins, Rev. and Mrs. M. D. Durham, Mr. and Mrs. A. L. Glasscock, Mr. and Mrs. Rex Jaquess, Mr. and Mrs. F. O. Turner, Mr. and Mrs. H. D. To Scout Session

Mrs. Fred Langer, Mrs. Eddie Redden and Mrs. Earl Richards along with Mr. Wilbur Charles attended the area Girl Scout meeting last Thursday night at the Girl Scout Little House in Clovis. They reported that they enjoyed the meeting very much and that it was most interesting and informative.

Adult Tailoring Class To Be Offered

The Bovina Homemaking program has been planned to include adult classes throughout the year as well as regular classes for high school students. For the first semester, an adult class in Basic Clothing has been offered, with twelve adult ladies being enrolled.

For the second semester, plans are made and the instructor is contacting adults interested in enrolling in a tailoring class. Indications point to a class of about ten adults starting a class of "Tailoring" beginning the second week in February. By the next week, announcements for the regular time and day of meeting will be announced.

Informative Program Given for PTA Members

The Bovina PTA met Monday night with a good number present. Mrs. Otis Ellison acted as chairman in the absence of Mrs. Cecil Berry, president. A discussion was held concerning the PTA project for the year, and it was decided that the committee would go ahead with plans.

Mrs. Bill Mayben and Miss Eva Simpson discussed PTA, what it stands for and PTA finances. A very interesting and informative talk was given by Highway Patrolman Kirkwood from Hereford on juvenile delinquency. Patrolman Culp was also present.

Next meeting will be March 9th.

Mrs. Downing Surprised With Shower Recently

Following their Bible Study on last Tuesday, the ladies of the Bovina Church of Christ went out to the beautiful new home of Mrs. W. H. Downing, seven miles northwest of Bovina, to surprise Mrs. Downing with a lovely pink and blue shower. The group presented Mrs. Downing with many lovely gifts and then served refreshments of punch, spiced tea and cake. Many who were unable to attend, sent gifts.
