### Don't Forget The Pancakes Saturday!

Texico-Farwell Lions will be serving up the second fund-raising pancake supper Saturday night at the Texico school cafeteria. Admission is 75 and 50 cents, and money from the benefit will help pay for glasses for children who need them but whose parents can't afford them. Sharpening up their kitchen technique are Paul Wurster, Lions president, Lenton Pool, and Cecil Dykes.

## H. Harding Lions Boss

Hurshel Harding, Farwell attorney, was elected new president of the Texico-Farwell Lions Club Monday night. He succeeds Paul Wurster, Farwell businessman, in the "boss Lion" position. Elected to serve with him are Elmer Teel, 1st vice-president; Cecil Dykes, 2nd vice-president; Herbert Potts, tail twister; John Zahn, Liontamer; and Cary Joe Magness, secretary-treasurer. Elected to the board of directors for two years were James Ussery and Cliff Nicholson. One-year directors are J. D. Atwell and Woodrow Lovelace.

These officers will be installed at a special meeting in June.

Twenty-two club members met at the City Cafe to elect officers and transact business. Their chief concern was fund-raising. Last week's benefit pancake supper was attended lightly and Lions don't figure to much more than meet expenses.

The second pancake feed will be Saturday evening at the Texico school cafeteria, lasting from 5:30 until 8:30. Emphasis was placed on ticket sales and boosting attendance at the supper.

## Cancer Crusade Continues In May

Cancer Crusade in Farwell will continue through May, according to an announcement this week from Mrs. Sam Rundell, who heads the drive.

Women of Farwell Study Club have been conducting the drive and workers have contacted many local citizens, although some of the women still have people to contact.

Mrs. Rundell says that anyone who would like to contribute may mail checks to her at Farwell. Checks should be made payable to "Cancer Crusade." "We appreciate all the help that has been given us on the drive, and especially the contributions that have already been mailed in," says Mrs. Rundell.

## Parents Asked To Buy Books, See Program

The "buy a book" program for the new Farwell elementary library is Friday, May 1.

The program, which will feature children in the first six grades, is slated at 8 p. m. in the auditorium. After entertainment for a little over an hour, patrons will be invited to tour the new elementary school building which is now completed. Actually, the program is free, but parents are asked to help build the grade school library by buying one or more books.

A list of 950 recommended books are to appear in the basic collection, and will be used by approximately 300 students. Average cost when purchased through the school will be \$2.

Program for the benefit will include:

GRADE FOUR: "Star Spangled Banner" and "Flag Salute," class and audience; "America the Beautiful;" "Alaska, Our Forty-Ninth State" (skit); "Aloha Oe," guitar solo by Judy McGill; "Hawaii, Our Fiftieth State" (skit); and "Texas, Our

Texas."

GRADE FIVE: Beginner band--"Barcarolle," "Melody from the Opera" and "Red River Valley;" and "Mocking Bird Hill" sung by the class.

GRADE ONE: rhythms--"Dance of Greeting," "Chimes of Dunkirk" "Shoo Fly" and "Paw Paw Patch" with the last two vocals by the third grade.

GRADE THREE: "Cycle of the Seeds," action song; "The Hula

Hoop Song" by the third grade girls featuring Ty Phillips and Linda Thomas, pre-schoolers; GRADE TWO: folk games--"I see You," "Little Brown Jug," and "The Swing" with the third grade girls assisting in vocals.

GRADE SIX: "I Am the People" by Carl Sandburg, a choral reading.

Tour of the new grade school building.

## Wagonwheel Opens, Buck Bradshaw Moves

Two significant business developments will take place in the Twin Cities this weekend. The Wagonwheel will open for business, and Bradshaw's Grocery & Market will move and change its name to Buck's Superette.

An opening sale has been scheduled for Friday and Saturday, May 1 and 2, at the

Wagonwheel, by the owners, Cary Joe and Patricia Magness. Further details of this event may be found in an advertisement on inside pages.

Mrs. Magness will manage the Wagonwheel, which is located in the Thomas Building on the south side of the highway in Texico. Novelties, curios, sou-

# New Car Give-Away Back in News Again

The Farwell Chamber of Commerce's proposed new car give-away is back in the news again this week. This was the main topic of interest at the Chamber meeting Tuesday night.

Several weeks ago the Chamber attempted to stimulate some kind of promotion to increase retail trade, and the idea of giving away a new car as a business incentive was adopted.

In the meantime, progress to actually getting the program underway has been slow. Tuesday

night, though, it was revealed that 20 Farwell businesses are ready to back the promotion in the amount of \$50 each. The goal sought by the Chamber in business participation is 40, and it was decided at the meeting that Texico merchants will be contacted to see if they want to participate to make the promotion community-wide. Chamber members present expressed the belief that some of the Texico businessmen would join in.

The \$50 will go toward pur-

chase of a new car. Expenses of promoting and conducting the event will be in addition and will be born by individual merchants. Those include the cost of tickets to customers.

It is hoped that the goal of 40 can be reached within a short time and that the promotion can soon be set in motion, with the giving away of the new car probably to be this fall.

Businesses already agreeing

to participate are Roberson Shamrock Station, Farwell Hardware, State Line Tribune, J. H. McDorman Laundry, Three-D Drive - In, Henderson Grain & Seed, Inc., Worley Grain Company, Midget Cafe, Piggly-Wiggly, State Line Food Mill, Buck's Superette, Rose Drug and Gift, Security State Bank, Woodrow Lovelace, Texico consigne, City Cleaners, Fern's, Paul Wurster, Conoco consigne, Meeks Service Station, and Aldridge & Aldridge.

## Wolverines Third In District 6-B, State Meet Next

Fort Sumner's talented Foxes easily outdistanced Tatum and Texico in the District 6-B track meet last weekend, but the Wolverines will be well represented in the state meet at Albuquerque this week.

Fort Sumner gathered in 142 1/2 points for a lions share of the district meet. Tatum edged Texico for second place with 66 1/2 points, and the green and white tincnads came home with 46 1/2. There are nine schools in the New Mexico district and seven competed Saturday.

Here's how the Wolverines fared:

## Personal Articles Stolen Sunday

Personal articles were stolen from the homes of Claude Coffey and J. A. King Sunday night. The Coffey's live near Highway 60 about three miles east of Farwell, and the Kings live on Mabry Drive about three miles west of Texico.

Sheriff Chas. Lovelace, who investigated the Farmer County burglary, says the crime occurred while the family was attending church. Clothing, food, appliances, and other articles were taken. "They stole some of about everything they had," said the sheriff of the breakin.

Officers agree that whoever took the belongings were also the ones who entered the King home while the family was away and also burglarized personal effects there.

Last week Emanuel Webster, 47, Friona, was convicted in county court of possession of unstamped liquor. He pled guilty before Judge Loyde Brewer and was assessed a fine of \$250 and costs, and given 30 days in jail.

Webster was picked up in his home Sunday a week ago.

John M. Bussell, 42, also of Friona, charged with theft of calves from W. D. Cooper, north of Friona, appeared before Judge Brewer and had his bond set at \$5,000. He is in jail now and will await the action of the next session of the grand jury.

## Glasscocks Go To Funeral

Mr. and Mrs. Mose Glasscock were in Augusta, Kans., over the weekend to attend funeral services for her uncle, J. S. Chisman, 83, who passed away Thursday. He had been ill for some time.

The Glasscocks left Farwell Friday night and returned Sunday afternoon. Services were Saturday in Augusta.

## Texico High Graduation Exercises Set May 10, 14

Dates for the Texico High School baccalaureate and commencement services have been set.

Baccalaureate will be Sunday, May 10 at the High School Auditorium. Guest speaker for the evening will be Rev. Earl M. Nowlin, pastor of the First Methodist Church of Clovis.

Musical selections which feature a graduation theme will be sung by the high school chorus, and the Church of Christ Bible Choir quartet from Eastern New Mexico University. Reverends C. C. Morgan, William Hardwick, Charles Jones, and Robert C. Hutsell will give the evening prayers.

Graduate escorts are Connie Tharp and Mary McDaniel, and

the processional and recessional will be played by Peggie Teel.

Commencement exercises will be Thursday, May 14, and will also be in the school auditorium. Speaker for the service will be Dr. C. B. Wivel, director of the College of Education at Eastern New Mexico University. The invocation will be by Murray White, ex-school board member, and the benediction by Wesley Engram.

Students on the program include Monte Singleterry, valedictorian, "My Purpose Holds;" David Lockhart, salutatorian, "Courage for Freedom;" Anita Moss, "Class History;" and Darlene Day and Ann Spies, "Class Will."

Music will be furnished by the high school choir, under the direction of Fred Danforth, and also by the Baptist Church trio. John Hadley, president of the Texico school board, will present the diplomas, and Paul Frederick, high school principal, will present special awards.

Graduate escorts are Harlo Wall and Gayle Potts, and D'rene Danforth will play the processional and recessional.

Class sponsors are Mr. and Mrs. Buck Doran. Other seniors are Jerry Bowers, Jerry Reid, Bobby Stover, Johnny Hammit, Billy Hammit, Billy Thigpen, Joe Watts, Teddy Roth and Raymond Hadley.

Members of the newly chartered Key Chapter, National Honor Society, Farwell, include (seated) Mrs. R. B. Tucker, counselor; Jeanette Lindop, June Ritchie, Mike McManigal, and Dickie Williams; (standing) Juanita Range, Wilma Norton, Gwenda Lee Parker, Linda Crume, Darlene Hromas, Alice Ramm, Mrs. Frank Seale who accepted the award for her son, Benjy Dial), Patsy Sprowls, Jerald Gober, Judy Billingsley,

Tommy Wurster, Emalee Tucker, Tommy Williams and Jean Reed. The eighteen charter members maintained an A average for a year, to be eligible for the society and were presented in a special assembly Friday morning with their parents as honor guests. Dickie Williams has been named president; McManigal, vice-president; Miss Lindop, secretary; and Miss Ritchie, treasurer.

The local county agricultural agent, referred to lately as John Foster Jones, is due to depart tomorrow for a "first-class, all the way" trip to Europe. He will go to Italy and try to sell the Europeans on the idea of using more grain sorghum in their feed rations.

This is a very laudable enterprise, and an honor of the highest to have John, or rather Joe, to represent us. Since he won't be around to feel red-faced about this, we'd like to go ahead and give Joe a big congratulations for being selected to do the job. We are all surely proud of him and have confidence in his ability to get the job done for us.

More details of Joe's trip are in the Farm and Home section, where they should be, but we're like to use this column for some of the "inside story." If Drew Pearson can do it, so can we.

Joe has been working mighty hard on a big speech he's to give at the International Feed Manufacturers Association convention in Rome. One of the toughest things for Joe to decide is just how to begin.

He's heard that the Italians are a demonstrative and emotional people, so he thinks he'll start off his speech by walking up to the podium, throwing up his hands in an embracing gesture, and saying something like "Vive Italiano!"

He asked us if this didn't mean, loosely translated, "long live the Italians." We told him we thought so, but since we speak only a little Spanish, know but three French words (none of which should be printed here), and absolutely not a syllable of Italian, he's making a mistake if he relies on our judgement.

Then Joe thinks that since foreign exchange is getting to be so popular, he'll suggest that we Americans will all eat more pizza if the Italians will agree to feed more milo. This might be a good angle.

We confessed, when Joe first told us of his command performance at the world-wide convention, that we thought Joe might get a little nervous with such a big assignment. This is, after all, a really up-town affair.

After thinking it over, though, we've decided that Joe will be able to manage very well. It won't be the first time that he's been faced with a tricky situation and won out with his home-spun suavity.

Nothing ever fazes Joe and we don't think diplomatic protocol will be any different, no matter how frightening it might seem to some of us.

Joe is proud to have come from the sticks of Central Texas and grew up near Evant, a small town in Coryell County, not far from Hamilton. He wasn't, of course, acquainted with big city ways, and so had some adjusting to do in later years when he grew up and eventually went off to college.

Joe didn't bat an eye when he strolled onto the college campus that eventful fall day, clad in his blue-striped overalls and with his pencil and nickel Big Chief writing tablet in his pocket. He was ready for schoolin'.

He didn't let this bother him, and he didn't let it bother him either that he was so poor that when he went on his first date he felt like he needed to spend all his time standing up because he didn't want to sit down and ruin the crease in his clean dress trousers.

Joe got to go to the college dances all right, but it wasn't just for a social outing. He and a buddy always had to stay late after the dance and sweep up when everyone had gone home. That was one way of making a little pocket money.

With such a solid background as this we sure don't expect our county agent to meet any problem he can't handle with ease when he gets to Europe soon.

This column is nearly always written well in advance of regular news deadlines, for the simple reason that there's very little news value to it, and so we didn't get a chance to comment on the very nice way in which the old Sage of the Sandhills responded to our request to let us hear from him.

He was kind enough to send us a dandy, and to preserve the mood of the letter, we are reproducing it as it appeared.

# Mules Kick Steers 7-2 in Baseball

Scoring six runs in the fifth inning, the Muleshoe Mules handed the Farwell Steers their third consecutive loss Tuesday, April 28, in a baseball game here in Farwell. M. Lee struck out seven men and gave up only two unearned runs on three hits as he led his team to a 7-2 victory over the Steers. Williams started for Farwell giving up three runs on three hits and struck out five men. Rundell relieved Williams in the fifth and gave up the remainder of the Muleshoe runs.

Billingsley started the fifth inning by walking and moving to second on a passed ball. After Lee struck out, King walked to put men on first and second. At this time Rundell came in to pitch. Sheppard beat out a bunt to load the bases. Splawn walked scoring Billingsley. Oliver hit a double to left field to score two runs and put men on second and third bases. Roddam hit a blooper over Huffaker's head to score two runs and scored himself when Rundell overthrew second base in an attempt to get Roddam. The next two men were retired to end the inning and conclude Muleshoe scoring. Other than the fourth and fifth innings, the Mules did not get a man past first base.

With one out in the bottom of the fifth, Dial got to first by virtue of an error. Smith walked to advance Dial to second. Huggins flied out to center field for the second out. Rundell then doubled to left scoring Dial and Smith for Farwell's only runs.

Oliver and Sheppard led Muleshoe hitting with two hits apiece. Other than Rundell's hit, Huffaker hit a double and Martin hit a single for Farwell's only hits.

Wednesday, April 22, the Bovina Mustangs beat the Steers 12-8 for the Steer's third loss. Riddle was the starting and winning pitcher for Bovina. Martin was the starting and losing pitcher for Farwell.

Brandon, Isham, and Riddle led the Bovina hitting attack with two hits each, one being a home run by Riddle. Martin and Williams got two hits each for Farwell with Huffaker contributing his second home run of the year.

Mr. and Mrs. Felix Monroe were recent visitors in the home of Mr. and Mrs. A. J. Hamm of Ft. Smith, Ark. Hamm is their son. Mrs. Monroe has also been visiting an aunt, Mrs. J. N. Brewer of Amarillo, who has been ill for some time.

## Anita Moss, Ursel Doran Win "Good Looks" Awards

A long kept secret was revealed Tuesday night at the Wolverine Varieties Show when the most beautiful and most handsome boy and girl of Texico High School were crowned. Winning the coveted honor were Anita Moss, daughter of Mr. and Mrs. Jim Moss, and Ursel Doran, son of Mr. and Mrs. J. Buck Doran.

Setting for the coronation was a garden made up of silver trees with glitter sprinkled pastel leaves. The contest was judged by Miss Norma Lozier, a student of Eastern New Mexico University who was recently judged one of the 10 best dressed college co-eds in America. Miss Lozier commented on each student who placed in the contest. Her comment on Doran was "like a John Whitcomb drawing," and her comment on Miss Moss was "a true beauty, a sculptured look."

Runners-up were Connie Tharp and Jerry Reid, second; and Darlene Day and Gary Singleterry, third. Doran was presented a red rose boutonniere and Miss Moss was presented a dozen long stemmed red roses by the annual staff.

Dedication of the 1959 Wolverine followed the coronation. It was dedicated to Mr. and Mrs. Agrie Jones who have served the Texico school as superintendent and commercial teacher, respectively, for ten years. David Lockhart, editor of the 1959 annual, presented the Joneses with the first year book to be unpacked.

The book was in appreciation of Mrs. Leroy Faville, teacher in the Texico school system for 12 years. Seven of her original first grade class will be graduated this year.

Other special honors were revealed in the annual. They include, in the favorite section: most popular, Anita Moss and Raymond Hadley; band sweetheart, Connie Tharp; best personality, Darlene Day and Jerry Bowers; FFA sweetheart, Sharon Thompkins; and FHA Prince Charming, Jerry Reid. Best all-around, and honor chosen by the teachers, was Monte Singleterry.

Class favorites were also revealed. They are: Anita Moss and Hadley, seniors; Bobby Gooch and Mary McDaniel, juniors; Trudy Lambert and Bill Reid, sophomores; Glenda Billingsley, Allen Taylor, and Don Reid, freshmen; Judy Tharp and Willie Stover, eighth grade; Jackie Hughes and Billy Camp-

bell, seventh grade; Dickie Devoll and Kathy White, sixth grade.

Also Jimmy Goolsby and Linda Hudson, fifth grade; Susan White, Linda Dunn and Keith Crooks, fourth grade; Janet Wilson, J. B. Taylor, Gregory Burns and Patricia Thompson, third grade; Rex Richardson and Diana Fought, second grade; Charlie Tipton, Tanya Thompkins and Al Gonzales, second grade; Larry Don Duncan and Yvonne Spies, first grade; and Bobby Lockmiller and Glenda Kelley, first grade.

In the honors section listed in Who's Who, a title given those outstanding in certain subjects, were: Monte Singleterry, math, English, and typing; Mary McDaniel, English and bookkeeping; David Lockhart, journalism; Gale Hadley, home ec; Gary Singleterry, agriculture; Donna Kay Osborn, drivers training; Darlene Danforth, home ec; Anita Moss, shorthand; Joanne Brown, bookkeeping; Dwight Turner, English; Gayle Potts, home ec; Michael Trotter, typing; Peggie Teel, social science; and Glendon Moss, English.

Others getting special recognition in the honors section were boys and girls state delegates, Anita Moss and Bobby Stover, best citizens, Darlene Day and James Halsell; best sportsmanship, Raymond Hadley and David Lockhart; and DAR Pilgrim, Anita Moss.

Also receiving recognition in the honors section were Travis Taylor for designing the school flag and Anita Moss for being one of the top five Betty Crocker Homemakers in the state, as well as in the school.

In the sports section favorites and honors revealed were basketball king and queen, Anita Moss and Raymond Hadley; and the best athletes, Anita Moss, Raymond Hadley, Mary McDaniel and Jerry Reid.

# Of Interest To THE WOMEN

Judy Hillock Weds  
Millard Murray

Oklahoma Lane Baptist Church was the scene of the marriage vows for Miss Judy Kay Hillock, daughter of Mr. and Mrs. Vernon Symcox of Oklahoma Lane, and Millard Lee Murray, son of Mr. and Mrs. Harry Murray of Reedsville, W. Va.

The marriage was read April 15 at 7:30 p. m. with Bro. Jimmy McGuire performing the double-ring ceremony. Background for the vows was a large mirror edged with leaves of ivy and flanked by five tall apricot tapers. Stands were entwined with ivy and large baskets of chrysanthemums and gladioli were in the foreground.

Jackie Foster of Cannon Air Force Base served as best man and maid of honor was Miss June Ritchie of Farwell. Bridesmaids were Misses Janice and Gloria Hillock, sisters of the bride, and Phyllis Christian was flower girl. Presiding at the guest register was Miss Fern Smith.

The bride's attendants were attired in beige and green ensembles fashioned with fitted bodices, full skirts, and round necklines and carried white bouquets centered with an apricot flower and tied with white streamers. Each wore a headband of white satin.

Serving as candlelighters were Steven Hillock, brother of the bride, and Scotty Rundell, a cousin. Ringbearer was James Symcox, also a brother of the bride. Serving as ushers and as groomsmen for their friend were Willie Moore and William Bahen, both of Cannon Air Force Base.

Background music for the ceremony and traditional marches were provided by Mrs. J. B. Sudderth, who also accompanied a duet by Carolyn and Gwenda Lee Parker.

The bride was given in marriage by Mr. Symcox. For her wedding, she chose a gown of white lace over taffeta, with the princess lines extending into a billowing skirt of ballerina length. Her wide V-neckline and

short sleeves complemented the design. Tiny white flowers held the tiered veil and she carried a bouquet of apricot carnations atop a white Bible with streamers of white satin trailing from the arrangement. The bride's gown was styled by her mother.

Traditionally, she carried something old--the two wedding rings belonging to her grandmother, and rings belonging to her mother and dad. She wore a teardrop pearl necklace belonging to Miss Jolene Donaldson; something blue was a garter and her wedding ensemble was new.

For a wedding trip to Reedsville, the bride chose a costume of beige and black.

At the time of her marriage, Mrs. Murray was a senior at Farwell Schools, where she has been a member of the basketball team and Future Homemakers of America. Her husband is a 1957 graduate of the Morgantown, W. Va., schools.

Out-of-town guests for the wedding included Mr. and Mrs. Otto Hillock and family, Mrs. Stanley Baldwin, Mrs. Charlie Kock, Mrs. Earl Taylor, Mr. and Mrs. Art Hutchins and Lee, Mr. and Mrs. Cecil Cain, Terry and Sam, Mrs. Bert House, Mrs. R. M. Merriman and Terry, David Potter, Dwayne F. Sturtevant, Dan M. Hargrove, Melborn Kawalewski, John T. Shaw Jr., all of Clovis;

Lana Tillman of Grady, Marcy Sanders and Roland Hillock of Portales; Kathy Rundell of Yakima, Wash., and Barbara and Virginia Rea of Bovina.

Mr. and Mrs. Sam Rundell returned Monday from Walnut Springs where they had visited relatives since Friday. The country was pretty and green, according to the local people, who remarked on the recent rains. The bluebonnets were also in full bloom, and dotting the countryside.

## Mrs. Teel Heads Methodist WSCS

Mrs. Elmer Teel was named president of WSCS of the Methodist Church when members met for a business and social meeting Wednesday of last week in the home of Mrs. E. G. Blair. Mrs. W. J. Mathews was co-hostess.

Other officers include Mrs. A. D. Smith, vice-president; Mrs. W. N. Foster, recording secretary; Mrs. W. H. Graham, treasurer.

Secretaries of the various phases of work are Mrs. B. N. Graham, promotion and spiritual life; Mrs. Curtis Jones, youth and student work; Mrs. Felix Monroe, children's work; Mrs. J. R. Thornton, literature and publications; Ruby Dixon, supply work; Mrs. Grace Sanders, status of women; Mrs. Johnny McDonald, Christian social relations; Mrs. W. H. Graham, missions.

Mrs. Teel presented a report on the WSCS conference in Hobbs in March and Mrs. B. N. Graham read conference by-laws to be effective the coming year. Mrs. W. N. Foster presented the report of the nominating committee.

Mrs. Jones was in charge of the program on "Rapidly Growing Nations," assisted by Mesdames W. H. Hardwick, Foster and W. H. Graham. The meditation was on "Faith."

Coffee and cookies were served to those named above and Mesdames Anne Overstreet, J. A. Cox, Ralph Humble, Albert Thomas, N. L. Tharp, Lena Yoder, Miss Laura Temple and one visitor, a sister of Mrs. Jones.

## Clive Huggins Feted Friday

Clive Huggins, home on leave from the Marines, was honored with a dinner party Friday evening in the home of Mr. and Mrs. Mem Sprows, with their daughter, Patsy, as hostess.

Guests for the social occasion included Joanne Schell, Owen Huffaker, June Ritchie, Jerry Owens, Joyce and Glyn McDorman, the honor guest and the hostess.

Following the dinner, the group attended a show.

Miss Merle Crandall and Miss Betty Olson were overnight guests of Mrs. B. O. Faville Saturday night. Miss Crandall is a niece of the local woman. The women were enroute to California from Sarasota, Fla.

Guests Friday night and Saturday in the home of the Raymond Martins were her aunt and uncle, Mr. and Mrs. Brent Deaton of Gallup, N.M.

## Bridal Shower Fetes Mrs. Truman Kittrell

Mrs. Truman Kittrell, the former Audrey Hapke, was honored with a bridal shower Monday afternoon in Texico Woman's Club Building.

## Sikeses Return From Florida

Mr. and Mrs. Oliver Sikes returned April 20 from a winter trip to Florida, where they had been visiting for about three months.

They left their home here January 18 and went to San Diego and Los Angeles in California, then continued to San Bernardino and around the coast to Florida.

They spent most of the time in the central part of the state, but did visit both coasts. They were also guests of an aunt in Waldo, Fla. This is the third winter\* that the Sikeses have vacationed in Florida and say they "really enjoyed it."

The local people have traveled in all the states in the 48 except Wisconsin and Delaware.

and Anita, Granny Ross, S. G. Billington, Fred Danforth, Jimmie Allman, Agrie Jones, LeRoy Faville, Bud Peyton, Curtis Miller, B. A. Rogers, Avis Patterson, Buck Doran, Charles Stockton and Miss Opal Kittrell.

## Rites Note Two Special Events

New officers were installed and four members received their jewel pins in candlelight ceremonies directed by Wilma Limer, outgoing president of ESA, at a Clovis restaurant Monday evening.

Following a salad supper, Mesdames Bill Prince, Bill Glenn, J. D. Atwell and Miss Jimmie Lou Wainscott were honored. Installation rites were then conducted.

Mrs. Bert Williams is new president and Mrs. John Getz is vice president. Serving as secretary will be Mrs. Prince and Mrs. Ken Hanks will be new treasurer. Mrs. W. H. Graham Jr. is parliamentarian, and educational director is Mrs. M. C. Roberts.

Outgoing officers include: Mrs. Limer, president; Mrs. Joe Jones, vice president; Mrs. Williams, treasurer; and Mrs. Hanks, secretary.

Several members of the local chapter plan to be in Albuquerque this weekend to attend the state convention of ESA.

## MRS. SMART IMPROVES

Mrs. Bettie Smart is reported to be improved this week, although she will be hospitalized for a while, according to the attending physician. The local woman was seriously ill over the weekend. She is the mother of Jim Bob Smart of this community, and of Ben Smart, former resident.

## Two FHA Groups Present Skit At State Meet

Delegates from Farwell and Lazbuddie presented a skit on the program for the state meeting of Future Homemakers of America in Dallas over the weekend.

Mr. and Mrs. Glenn Lust took the Farwell delegates to the meeting. Mrs. Lust is FHA sponsor. Girls going were Jolene Donaldson, D'Ann Garrett, Judy Herrington, Linda Birchfield.

Lazbuddie girls traveled by chartered bus from Amarillo and included Beverly Smith, Geraldine Broadhurst, Penny Grusendorf, Glenda Robinson, Rosemary Agee and Mrs. Albert Clark, sponsor.

Girls presented a skit "Romeo and Juliet" on Saturday morning before installation of officers. They were commended for their performance by Miss Esther Sorenson, area supervisor, in a letter received early this week.

While there, the Farwell group visited Nieman Marcus, SMU and TCU campuses, and the botanical gardens in Ft. Worth.

Meetings were held at Fair Park music hall in Dallas, and between 3000 and 4000 delegates were registered.

## Newlyweds Live In Wichita Falls

Mr. and Mrs. Jack Watts announce the marriage of their daughter, Anita Louise, to Cleatus Norman Gibson, son of Mr. and Mrs. Norman Gibson of Middleburg, Kan.

The simple double-ring ceremony took place in Jolly, April 1. Attendants for the couple were Mr. and Mrs. Dean Gibson, brother and sister-in-law of the groom.

The couple is at home in Wichita Falls, where the groom is employed on the W. H. Hammons ranch.

JONES '66 SERVICE Where Customers Send Their Friends FARWELL, TEX. - PH 1V 6-3662

Having read your editorial in The State Line Tribune 16th inst, wherein you asked: "What has happened to the old Sage of the Sandhills?" this is my reply. Having whipped past sheriffs of both Parmer and Curry Counties, One Bank in Texas and One Bank in New Mexico, and their officers, and all the "Bellycrawling-Pie-Counter-Politicians" in both the Democrat And Republican Parties, who new run-from-me, like coyotes in my pasture; I have somewhat retired from my former activities because of my age. However, if they desire to get after me again, I am still much alive, and there is not a damn thing in their way on my part. My mother named me for a preacher, and to make sure I would make a preacher she cracked the First Lease, she caught out of my head on her Bible. The sincere, she made a mistake, for I have made everything but a preacher. As my years go passing by the Bible, more and more, proves itself to be true, because, "The things I once loved I now hate and the things I once hated I now love." I do not now, love money anymore. The I now realize more than ever before, the necessity of money in this life, money is not, my God, anymore. I care nothing about the ways of this world anymore. All I now desire and crave is the necessary comforts during the rest of my life, and these, I am now, getting. It is my demand I be buried here on my ranch with no ceremonies of any kind, whatsoever. I already have my Tombstone, ready Set-Up. It is a large Black-locust, stump-post, I planted as a small bush about 52 years ago. When this little bush grew into, a beautiful tree with beautiful foliage and beautiful blooms in the springtime, when God's wild flowers bloom in the Sandhills, the little birds sing, and the little calves play, on his cloudless days, my only daughter new living, Kathleen, would climb-up in, this beautiful tree with its beautiful foliage and beautiful blooms, and try imitate-and-mock, the mockingbird, which everyday, and continually, sang, above her, in the beautiful foliage, and beautiful, blooming, flowers, of this beautiful tree. This is why, I picked-out, this rugged, large, black-locust-stump, as my "Tombstone." Some how, I feel a little like, I believe "Paul" did when he realized he had reached the end of his road, and said: "I have run a good race fought a good fight." Please bear in mind, anything I write you and sign my name to it I assume all responsibilities, of whatever, kind, or nature, and the I have no objection to publication, if you so, desire; I am neither asking you to publish, nor will I pay to publish, unless I so tell you. You can be assured you have my good feeling, kind regards, and good wishes. Yours Sincerely, (K.K. Runnels)

HOPPERS--

DAUGHTER BORN

Mr. and Mrs. W. O. Hawthorne are parents of a daughter born Sunday morning and weighing 8 pounds, 4 ounces. The family has two other children. The father is employed at Christian-Stone Motor Co.

Date for the annual junior-senior banquet at Farwell schools has been set for May 9.

Texico Honor Roll Listed

The honor roll for the past weeks has been released by officials at Texico Schools. Kit Doran, Betty Lockhart, Donna Kay Osborn, Beth Ellen Peyton and Dwight Turner are freshmen listed on the roll. Sophomores are Jeannine Campbell, Leslie Dyer, Glendon Moss, Patricia Patterson, Gary Singleterry and Joquetta Wall. Juniors included are Joanne Brown, Mary McDaniel, Valeria Meier, Gayle Potts, Peggy Teel and Bobby Walker. Five seniors made the honor roll: David Lockhart, Anita Moss, Teddy Roth, Monte Singleterry and Bobby Stover.

Sports Banquet Saturday Night

Farwell's all sport banquet, to be May 2 in the school cafeteria, will feature Joe Kerbel, one of Texas Tech's two new assistant coaches. All athletic lettermen will be special guests for the occasion. One of the highlights of the evening will be the presentation of awards to the outstanding players, and the Chamber of Commerce Award. Tickets are on sale to fans at the school.

Students Attend Lubbock Contests

Six students from Farwell High School attended the Region 1 Interscholastic League Meet in Lubbock over the weekend. Students winning places in typing were Darlene Hromas, fourth and Emalee Tucker, sixth. There were 25 entries in the typing events. In the one-act play division there were seven entries. Winning first was McLean, and second, Stinnett. Members of the play cast were Ruby Hillock, Wilma Norton, Juanita Range, and Gwenda Parker.

IN LUBBOCK HOSPITAL

Mrs. Fred Barker Sr. of Friona was recently admitted to Methodist Memorial Hospital in Lubbock where she will undergo treatment. Mrs. Barker is the mother of Mrs. Jim Moss, Mrs. E. R. Coffman, and Mrs. Elmer Langford, all of Texico-Farwell.

Carroll Foster, 6, son of Mr. and Mrs. Nicky Foster, was scheduled to return to his home Wednesday, after being hospitalized for about a week.

Martha Blair, Judy Hillock

Misses Martha Blair and Ruby Hillock have been chosen head cheerleaders at Farwell for next year, with Carolyn Rouston, Jo Potts, Joan Potts and Bonnie Cochran as other leaders. Tryouts were held last week in the auditorium with seven Eastern New Mexico University girls as judges. Three of the visitors were cheerleaders. Ten girls vied for the four positions.

Girls who have been selected cheerleaders for consecutive years automatically retain the positions while they are in school. Misses Blair and Hillock were in this category. Miss Rouston will be serving for the second time, and is therefore permanent leader for the remainder of her schooling.

Good Crowd Sees Operetta

About 200 people were on hand Friday night when the Texico third and fourth grade music classes presented "The Sleeping Beauty," an operetta in three acts.

Taking part in the performance were Larry Burns, Zedene Burris, Susan White, Keith Crooks, Roddy Pearce, Jackie Billingsley, Tommy Beavers, J. B. Taylor, Linda Dunn, Betty Davis, Clara Ortiz, Tula Ortiz, Marsha Pal-mateer, Linda Barnes, Judy Walton, Jane Lansdale, Karen Autrey, Ruthie Beavers, Pam Roberts, Patricia Thompson, and Janet Wilson.

Also Bill Kerby, Beverly Winkles, Greg Burns, Jill Billington, Ronnie Wall, Tanya Thompkins, Ricky Devoll, Patricia Hassel, John Burford, Linda Hukill, James Cunningham, Loretta Lansdale, Manuel Trujillo, Sabina Gonzales, Jimmy Webb, Myrle Arnold, Donnie Morris, Sharon Peyton, Douglas Autrey, Alicia Ortiz, Larry Combs, Sherri Wall, Gary Burris, and Mary Guerra.

Farwell Juniors Take Tests

Junior students at Farwell were tested in general achievement this week, says Mrs. R. B. Tucker, counselor. The following areas were included on the tests: English, math, science, social studies and vocabulary. The national test results will be available for the beginning of school next year when each senior will have the scores interpreted and comparisons can be made between local and national groups. Three juniors from Bovina also participated in the testing, which represented about three hours actual work time. The tests are a part of Farwell's guidance program.

## Better Corn Production Shown "In a Nutshell"

Increased interest in corn production for the 1959 growing season has recently developed in this area. The available information on corn production can be summarized as follows:

1. Land: Should be of medium to high fertility and fairly level to insure good water penetration.

2. Fertilizer: 100 to 150 pounds of nitrogen either pre-plant or sidedressed early, and on sandy lands or land that has previously given response to phosphate: 60 to 80 pounds of P2O5.

3. Planting: Plant as early as practical, usually from April 10th to May 1st. Earlier planting gives more opportunity to harvest before corn falls down.

Plant at a rate to get 16,000 to 18,000 plants per acre or one plant every 8 or 9 inches in 40 inch rows (usually 10 to 12 pounds per acre).

4. Irrigation: Moisture requirements are critical at silking and tasselling and the corn will probably need one irrigation after silking to develop ears. Corn will require three to five irrigations depending upon maturity type of hybrid, rainfall, type and contour of land.

5. Cultural Practice: About same as for grain sorghum.

6. Harvesting: Corn should be harvested when moisture gets from 15% to 20%. Some reports indicate that corn can be combined with moisture ranging from 20% to 25%. This

practice reduces harvesting losses and permits earlier harvesting, but requires drying the grain.

7. Varieties: There are many good commercial white and yellow hybrids of early, medium and late maturity. Some of these are: Texas 17W, 26, 28 & 30; Asgrow 104; Conrads 3; Watsons 111; Funks G779W & 740; TRF 9 & 10; PAG 485; Dekalb 1002 & 1023; Northrup King KW5.

8. Expected Yield: 90 to 150 bushels per acre.

### SOIL CONSERVATION DISTRICT NEWS

Beginning on the fifth Sunday after Easter and continuing through the following Sunday, soil conservation districts through the nation will observe Soil Stewardship Week.

The National Association of Soil Conservation Districts promotes Soil Stewardship Week in hopes that it will be an influence in awakening man to his responsibility as stewards of the soil.

Quoted below is a very

moving thought by Nolen J. Fuqua, who was, until a short time ago, President of the National Association of Soil Conservation Districts.

"Sometimes when I am riding in a plane - often at altitudes of three or four miles - I look down upon the crops and grazing lands far below.

"I see broad areas scarred by gullies and the white or grey patches of sterile subsoil where no good topsoil is left.

"This thought usually comes to me: This must be the way that God looks upon what we have done with His gift of soil.

"The sight can only bring sadness to Him.

"And I think of the many more millions of people who year by year will move into our nation and our world. Statisticians say the population on this country has passed the 170,000,000 mark - a gain of 18 million in six years. Three million a year!

"If we fail in our stewardship, the time may not be too far distant when our blessed abundance which has been our strength may give way to scarcity. Then there may come years when good crops will not be enough to meet our needs.

"Looking at our farms and ranchlands from high above makes me more certain than ever that there is a divinely conceived charge to mankind to use God's land wisely, and to pass it on in better condition to the next generation.

"Can a nation be neglectful of its stewardship of the soil and still be a religious person?"

"This is God's earth. We ought to try seeing it as He sees it - and each of us may better realize our stewardship in the use of His land."

Remember Soil Stewardship Week May 3-10, 1959.

Work accidents on the farm kill 3,500 to 4,000 persons yearly, according to findings of the National Safety Council. Although there are more deaths in farming than in any other major industry, the death rate per 100,000 workers is not as high as in the construction or mining industries.

## County Agent Leaves for Trip To Italy; Will Promote Maize

Joe Jones, Parmer County's agricultural agent, has been selected by the Grain Sorghum Producers Association to represent that commodity at several very significant agricultural meetings in Italy this spring.

The purpose of his trip will be to help stimulate the increased use of grain sorghum in the feeding rations of that part of Europe. This is a phase of an educational and promotional effort being made by the commodity group through the Foreign Agriculture Service.

Jones has been preparing himself for the month-long trip for several weeks. His passport

A PREVIEW FOR THE BIG SHOW is seen by Bob Crozier of the Parmer County SCS, as he visited in County Agent Joe Jones' office Friday. The agent is running the slide projector and describing scenes taken in the Parmer County area that will illustrate a talk he will make at a feed manufacturers convention in Rome.

and necessary identification papers are all in order and he will leave Friday. From Amarillo he will fly to Chicago, then fly to New York, and the last leg of his trip will take him over the Atlantic to Rome. He will travel alone.

Jones will assist with staging a grain sorghum exhibit at the Samples Fair at Bologna. This will be designed to acquaint the visitors with just what grain sorghum is and how economically and efficiently it can be used as feed.

He will also appear before the International Feed Manufacturers in Rome to discuss utilization of grain sorghum in feeding rations. It is in the latter project that Jones has invested considerable time and effort.

During recent weeks he has toured the Parmer County area, taking slides and getting up-to-date information on how farmers and stockmen on the High Plains are making use of milo in their feeding.

Slides to be shown will depict feed lot feeding of beef, "pig parlor" types of swine feeding, and sheep feeding. Information for this presentation has been gathered from area farms.

In recent months the U. S. government has indicated an interest in stimulating consumption of feed grains overseas. A special working agreement was made between the USDA and the grain sorghum association to cooperate on a joint educational and pro-

motional program to that end. Jones' trip is a result of this plan to stimulate grain sorghum exports.

The local county agent will return home by way of Washington, where he will report to the Foreign Agricultural Service on the results of his trip.

## James Mabry, Celia Berry To Be Honored at Banquet

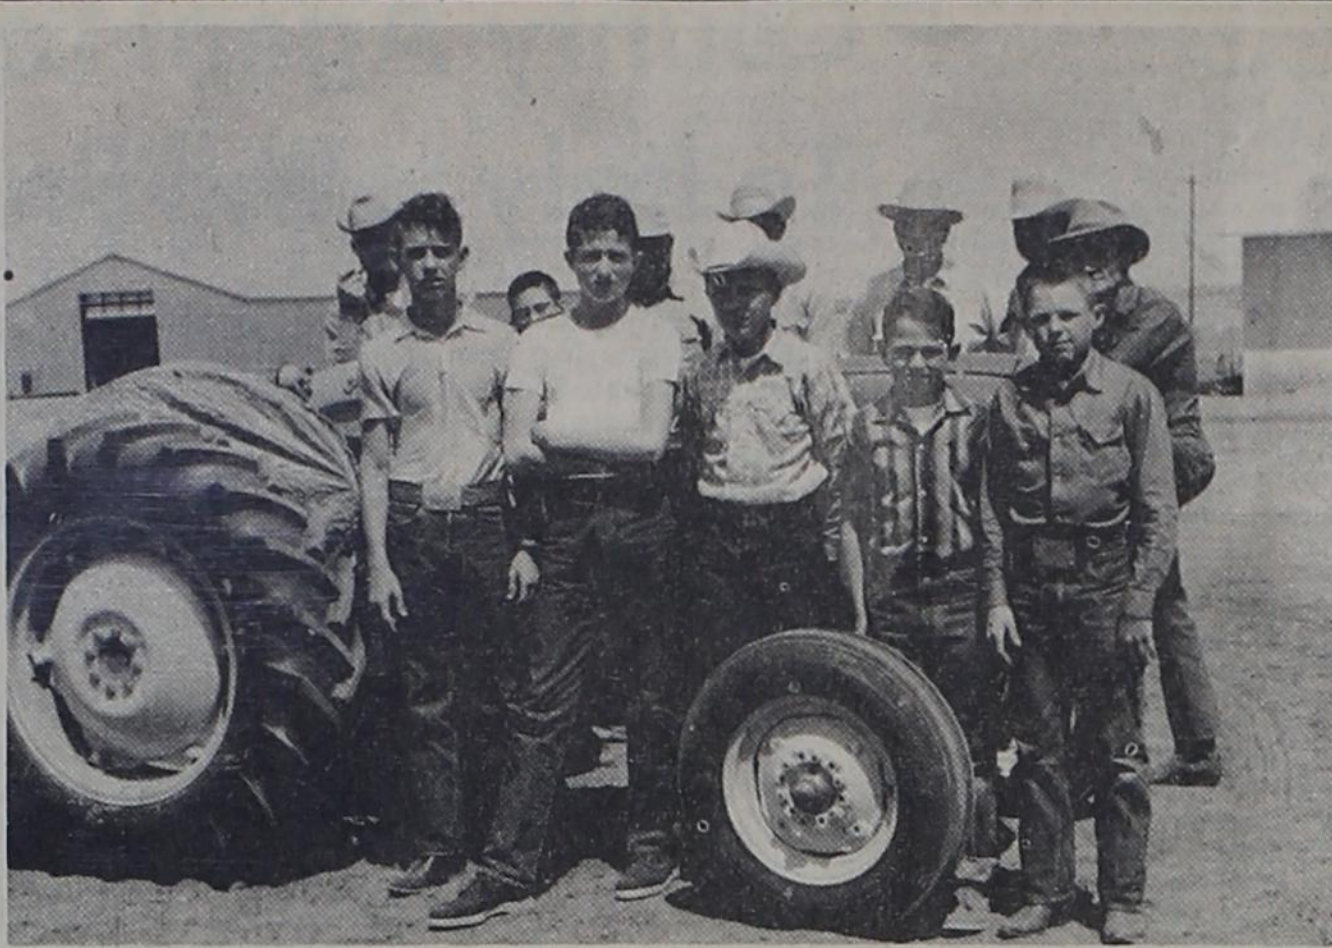

Two Farmer County people who won awards in the annual Ft. Worth Press "Save the Soil and Save Texas" conservation contest will be recognized at a special soil conservation banquet in Wellington May 16.

They are James Mabry, Hub farmer, and Celia Berry, Bovina High School student. Mabry was judged first place winner in the Region I contest, which included the Panhandle and South Plains area. He has the title, "Outstanding Conser-

vation Farmer of Region I" and will receive \$100 for the win. Miss Berry won second place in the regional essay contest, and will receive a trophy for this accomplishment. She was the winner of the Farmer County Soil Conservation District essay contest this year.

Mabry was picked by the local SCD as soil conservation farmer of the year.

Both will receive additional recognition at the annual Farmer County SCD banquet which will be held in the fall.

THE 4-H TRACTOR DRIVING CONTEST was in Friona Saturday morning. Boys who competed are on the front row. They are, left to right, Dwain Phipps, 2nd; Dwight O'Brian, 3rd; Gary Foster, 1st; Royce Gibson, 5th; and Gerald Foster, 4th. The boys were also given written and "daily check" examinations. In the background are county adult leaders in the 4-H tractor maintenance schools.

### NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

Well, full refund of road use tax on farm-used gasoline is assured for one more year. Hundreds of telegrams from members supporting Farm Bureau Legislative teams in Austin each year keep this the way it is. Now if we are successful in making it an annual, simplified procedure, it will be much better . . . . .

About twenty five Friona FFA

boys and Mr. Gee accompanied the weed committee to Bushland for the annual noxious weed demonstration last Thursday. Members and others working with the committee who attended were Raymond Schueler, chairman; J. T. Jones and Gus Schlabs, members; Joe Jones and Bill Nicholas, associate members. Friona State Bank paid for the meals for the FFA boys. Work is being planned for the season's operations in the county. We hope you will cooperate with every proposal to get rid of noxious weeds.

Wheat: Mr. James Dyess, Commodity Stabilization Service, testifying before a House subcommittee on wheat made the following statement with regard to the OVERSEEDING OF WHEAT: "The larger farms in 1958, those subject to penalty seeding above 15 acres, planted about two million acres more than their allotment . . . The small farms, those under fifteen acres, planted about 4.5 acres in excess of their allotment." So you can see where the bulk of the surplus came from.

More than thirty telegrams that we know of have been sent from Farmer County, in fact most of them right around Friona, urging influential people like the president, vice-president, secretary of agriculture, Senator Dirksen, and the Republican national chairman, Thruston Morton, to block Secretary of Labor Mitchell's plans to extend the Wage and Hours Act to agricultural and retail people. Meetings are being held in every area within the state in an effort to keep this thing from happening. Farm Bureau has always opposed this kind of move from the local, state and national level.

Roger Babson, economist, ended his last week's column thusly, speaking of the problem

of unemployment: "Also, all of us must be willing to fight the liquor evil, which is one of the causes of unemployment." CONSIDER THIS: Open rebuke is better than secret love. Proverbs 27:5.

## Fungicides Aid In Controlling Cotton Disease

Use of in-the-furrow fungicides at planting time may be an effective aid for controlling cotton seedling disease in some areas, says Harlan Smith, extension plant pathologist.

Cotton seedling disease is one of the major diseases attacking cotton in Texas, Smith pointed out. Last year it cost Texas farmers a little over 4 1/2 million dollars.

Information concerning use of in-the-furrow fungicides at planting time, a relatively new seedling disease control prac-

of unemployment: "Also, all of us must be willing to fight the liquor evil, which is one of the causes of unemployment."

## THE HAPPY HOMEMAKER

BY JUNE FLOYD

Homemakers in our area who raise gardens are already thinking in terms of fresh vegetables for the table with enough to fill the freezers and empty jars. It is interesting to listen to homemakers discuss the freezing and canning of vegetables.

Most of us have already learned which vegetables go best at our house canned or frozen. Then, there are always new methods of preparing foods for freezing that we are anxious to try. It isn't at all unusual for a family to enjoy a vegetable prepared by one method and reject the same vegetable prepared differently.

Since squash is one vegetable that the Floyds enjoy eating fresh, we have been most anxious to discover a method of canning or freezing it so that it will be eaten.

Recently Mrs. Weldon Stringer gave us a recipe for Scalloped Squash and it is being printed in our Star cook of the week feature. It is possible that a person could utilize canned

well. **TRACTOR DRIVING**--Gary Foster of Farwell.

squash in this dish, and if so, we plan to can squash this summer. . . . .

In a recent magazine article this question was asked, "Do you play games with your children?" The writer gave a number of good reasons why any mother should arrange to spend some time playing games with her children of all ages.

There are a large number of new educational games on the market that will teach as well as entertain. Those that are especially recommended are the ones that deal with words.

Outdoor games were recommended for exercise, fresh air and companionship. Maybe if more of us participated in outdoor games with our children instead of acting as referee when disputes arise there would be less confusion and we would have less umpire-ing to do. At least, it is something we should think about.

Most of us read and hear a great deal about mental health and realize that it is important to our physical well being to be well adjusted mentally and for this reason spend a great deal of time endeavoring to help our children become well adjusted adults.

In a recent issue of the Parents Magazine, the following article was printed. The suggestions were made by Dr. George S. Stevenson, medical consultant for the National Association for mental health. Ten Safety Signs For Good Mental Health

1. A tolerant, easy-going attitude toward yourself as well as others.
2. A realistic estimate of your own abilities--neither underestimating nor overestimating.
3. Self-respect.
4. Ability to take life's disappointments in stride.
5. Liking and trusting other people and expecting others

6. Feeling a part of a group and having a sense of responsibility to your neighbors and fellowmen.
7. Acceptance of your responsibilities and doing something about your problems as they arise.
8. Ability to give love and consider the interests of others.
9. Ability to plan ahead and set realistic goals for yourself.
10. Putting your best efforts into what you do and getting satisfaction out of it.

If there is someone in your family who is allergic to milk and eggs, you will appreciate the following recipes.

**APPLESAUCE CAKE**  
 1/2 cup shortening  
 1 cup sugar  
 1 1/2 cups applesauce  
 1 1/2 teaspoons baking soda  
 1 teaspoon vanilla extract  
 1 15 oz. package raisins  
 2 cups sifted flour  
 1/2 teaspoon baking powder  
 1/4 teaspoon salt  
 Cream shortening and sugar. Add combined applesauce, soda and vanilla. Do not be concerned if mixture separates. It will blend as ingredients are added. Stir in raisins. Sift together flour, baking powder and salt, add to creamed mixture. Mix well and turn into greased 8X8X2 inch cake pan. Bake in moderate oven (350 degrees) 50 to 60 minutes or until cake is well done.

**BANANA CUPCAKES**  
 2 cups packaged biscuit mix  
 1/3 cup brown sugar  
 3/4 cup mashed banana  
 1/4 cup water  
 2 tablespoons melted shortening or salad oil  
 1 teaspoon vanilla extract  
 Combine biscuit mix and sugar. Add mashed banana and water alternately stirring after each addition. Stir in shortening and vanilla. Bake in greased cupcake pans or paper cups in moderate oven (375 degrees)

when you cook **ELECTRICALLY!**

Yes, results ARE easy to see when you cook electrically. The completely closed (and insulated) electric oven saves you money on roasts, keeps natural juices and flavor "locked in." Shrinkage is greatly reduced because of controlled electric heat. You serve with pride when you cook electrically because you're sure of the same, dependable results each and every time you use your electric range.

## H. D. AGENT'S CORNER

Jimmie Lou Wainscott

Have been practicing with the 4-H demonstration co. winners this past week. Monday worked with Charlotte Seaton and Johnnie Ivy at Lazbuddie on their vegetable demonstration. Wednesday I attended a family economics training meeting in Amarillo conducted by Mrs. Eula J. Newman, home management specialist from College Station.

Wednesday afternoon late I went to the Dee Chitwood home at Lazbuddie and helped Pat Chitwood with her dairy foods demonstration. Thursday after school I met Judy Billingsley and Janice Hillock and we went to Bovina and practiced with Virginia and Barbara Rea on their dairy foods and electric demonstrations. Then that night Linda Phillips and Phyllis Christian came to my home and we worked on their 4-H records that they have to turn in for their dairy foods jr. team.

My plans for next week are to go to Lazbuddie to practice with Johnnie and Charlotte again and to practice with Judy Koelzer and Peggy Carrol on their poultry demonstration; Wednesday to judge the women's advanced dressmaking review at Tulia; Thursday to prac-

## Unused Allotments A Community Concern

Cotton is a commodity which creates a good "multiplier" effect in the economy, says Bob Cherry, economist for the Texas Agricultural Extension Service, because most of the cotton farmer's dollar is usually dropped into the money stream of the community. Though the dollar's identity may be quickly lost, it tends to circulate through all the avenues of trade and commerce.

The loss of cotton income, on the other hand, can adversely effect a commodity's whole economy, points out Cherry. For that reason, adds the economist, communities can look upon unused cotton allotments as a matter of community concern. Last year, for example, about one out of each 20 allotted acres was neither planted nor put in the soil bank.

The law under which cotton farmers are now operating contains provisions for the voluntary release and reallocation of 1959 cotton allotments. Where the release is made, the released acreage is retained on the releasing farm as his-

... tice with Judy, Janice, Barbara, Virginia, Linda and Phyllis, Bruce and Janice Billingsley. Bruce and Janice have an electric demonstration.

I have a recipe that I got from Mrs. Agnir Draper, county home demonstration agent, Hereford, that her club women have really enjoyed. The Cherry Crunch contains things most of us have in the cabinet all the time and is really nice to serve a crowd. So thought you might like to try it too.

### CHERRY CRUNCH

- 2 cans Cherries
- 1 1/2 cups sugar
- 5 T. cornstarch
- 30 Graham crackers
- 3/4 cup sugar
- 1 1/2 stick butter

Thicken cherries, sugar and cornstarch. Put crust of creamed butter, sugar and cracker crumbs in 9x13 pan. Save 1/3 for top. Put in cherries. Top with meringue and sprinkle with some of crust. Bake at 375 degrees oven until brown.

### VITAMIN C IS NEEDED DAILY

An apple a day may keep the doctor away, but it takes an orange a day -- or its equivalent -- to provide the vitamin C recommended for maintaining good nutrition, according to extension foods and nutrition specialists.

A food consumption survey carried out by the U. S. Department of Agriculture showed that among more than 6,000 U. S. families whose food purchases were studied over a week's time, one in four was not receiving recommended quantities of vitamin C.

Citrus fruits are rich enough in vitamin C to yield a day's supply in one average serving such as a whole orange or a half grapefruit. Potatoes, tomatoes, peppers, Brussels sprouts and cabbage, as well as greens such as spinach, mustard and turnip tops also contain vitamin C. However, more than one average serving of these other foods is needed to provide enough of the vitamin daily.

Vitamin C is not stored in the body, remind the specialists. That's why you need to include it in your diet on a regular day-to-day basis.

An argument raised against auto seat belts is that it's hard for a person to get out of a wrecked car if he's wearing a seat belt. The argument says this could be fatal if the car caught fire or was submerged.

A National Safety Council survey showed approximately 3,000 rural residents die in home accidents every year, and 430,000 others are injured.

Fire losses on American farms have increased steadily since 1940. National Safety Council figures show the present farm property loss due to fires is more than \$152,000, 000 yearly.

... tory and is used in figuring future allotments as though it were planted. But, Cherry points out, it will not qualify a farm for an old farm allotment as having planted cotton in one of the three previous years. It is very important that released allotments be reapportioned and planted on other farms in order to hold county and state planting history. The released and reapportioned allotments must be planted if they are to remain a part of the acreage history for the county and state, emphasized Cherry. Released allotments may be reallocated to any old or new cotton farm on which additional acreage is needed and will be

planted. Any excess of released allotments in a county may be surrendered to the State Agricultural Conservation and Stabilization Committee for re-

apportionment to other counties only after each cotton farmer in the releasing county has received all of the allotment he can plant.

## 2 1/4 Bales per Acre With Ammono-Phos for Grow Power

Rev. Jack Jeter, Jack Morris, and Bud Crump, Manager of Parmer County Farm Supply

\*\*\*\*\*

In 1958 I had 76 acres of cotton. Thirty-five acres of this land was not fertilized and made a good bale to the acre. Forty-one acres was fertilized with 200# of Mathieson's AMMO-PHOS water soluble 13-39-0 and produced 2 1/4 bales per acre.

I chiseled my land 7" deep, drilled 200# of 13-39-0 and planted April 22nd. I irrigated three times -- the first time when the crop started fruiting and the last time on August 18th. I saved my bottom crop with an early insecticide program.

This year I will use 200# of Mathieson's 13-39-0 on all of my cotton. I only wish that I had used it on all of my cotton in 1958.
