

# To Name Banquet Speaker

Plans are almost complete for the annual banquet of Farwell Chamber of Commerce which is scheduled for Saturday night, February 14.

Wilfred Quickel, chamber manager, says the only thing still undecided is who the main speaker will be. An announcement of the speaker will possibly be made at a regular meeting of the chamber Tuesday night in city hall.

Entertainment at the banquet will be by Mrs. Shelby Jobs' music department. The meal will be prepared and served by members of Band Mothers organization.

The banquet will be in the school cafeteria and will begin at 7:30.

Nine directors for '59 were elected at the last meeting of the organization. Those nine will elect a president and vice president from the group.

Directors are Clay Henson, Neil McBride, Jim Terrell, Hurshel Harding, C. C. Christian, Pat Patrick, Cecil Dykes, Bill Prince, and Cary Joe Magness.

The president and vice president will be made known at the banquet, Quickel says.

# Texico Hosts District FFA

Adoption of a budget was the main item on the agenda of a district FFA meeting in Texico last Wednesday night.

Over 100 FFA members and advisors were present.

Presiding was the district president, James White from Floyd. He and the district secretary, Don Sanders, also of Floyd, were guests of the local chapter all day Wednesday.

Entertainment was by the Teen Tones, high school five band directed by Fred Danforth. Refreshments were served to representatives from Floyd, Clovis, Portales, Melrose, Elida, Dora, and Texico.

A special guest was L. C. Dalton, state supervisor from New Mexico State University, College Station. James Pierce is advisor for the Texico Chapter and Raymond Hadley is president.

Funds approved for the budget will be used for awards in district contests in the spring.

# Steers Score 94 In Springlake Win

As far as Farwell's Steers were concerned, Sprinklake's gym turned to baskets during a district 3-A game Monday night. The Steers racked up an amazing total of 94 points as the Wolverines could manage for only 49.

It was the third district win for the Steers. They are undefeated in district play. They are tied for the district lead with Anton, which also has a 3-0 record.

Anton and Farwell will have the opportunity to decide which is better Friday night. They play at Anton--both boys and girls teams.

Coach Calvin Murray's Steers scored at least 20 points in each quarter Monday night, with the second five men playing several minutes in each half. Farwell led at the quarters, 20-9, 40-21, and 68-36.

Johnny Lovelace was top pointmaker. He had 28, Dickie Williams made 20, Benjy Dial 12, Larry McDorman eight, Freddy Magness seven, Mickey Rundell six, Phillip Berry, Gerald Christian, and Jimmy Martin four each, and Owen Huffaker one.

Coach Murray says that's the most points a Farwell team has scored in one game during the six years he's been here.

that it was all their game.

A trip to Nazareth Friday night saw the Steers win, 56-32, and the girls lose, 55-38.

Lovelace and Williams again paced the Steers with 15 and 10 points respectively. Dial made eight, Huffaker six, Magness and Christian four each, Martin three, and Berry, Rundell, and McDorman had two each.

Karolyn Parker led the girls' losing effort with 14. Jeanette Lindop made 11, Beverly Hubbell seven, June Ritchie six, and Emalee Tucker one.

Farwell made school teams divided with Bovina Monday. The girls won 36-21, while the boys went under, 40-20.

Freshman boys, coached by J. D. Atwell, are entered in a Clovis tournament this weekend. They play their first game against Melrose Friday at 11:30 in Marshall Junior High gym.

In three outings this season, the fish have won one game--from Lazbuddie--and lost two--to Marshall Junior High (Clovis) and Texico.

Coach R. B. Tucker's girls also picked up a Monday night win over Springlake, 37-26. It was the first district win for the girls and left their record 1-2.

Karolyn Parker and Beverly Hubbell led the scoring with 12 and 11 points respectively. Jeanette Lindop made eight, June Ritchie and Emalee Tucker two each, and Janice Rountone one.

The girls trailed at the end of the first quarter, but after

Chili Supper Set By Class

A chili supper in the basement of the Methodist Church is the next project of members of the Young Adult class of the church, according to an announcement made this week. Date of the affair is Wednesday, January 28.

Monday MOD Coffee Day

Alton Milstead, owner-manager of Texico Hotel Cafe, announces that Monday's receipts for coffee at that firm will be given to the March of Dimes.

Price of a cup of coffee that day will be 10 cents, Milstead says. "That's the only day all year we sell coffee for a dime," he explains.

Support the March of Dimes in your community.

2 Girls Receive Awards

Patsy Sprowls '59 Homemaker At Farwell

Winner of the title, Betty Crocker Homemaker of Tomorrow, in Farwell school for 1959 is Miss Patsy Sprowls, daughter of Mr. and Mrs. Mem Sprowls.

The 17-year-old senior earned the title by making the highest score in a 50-minute written examination on homemaking knowledge and attitudes taken by senior girls.

Her examination paper will be entered with other school winners from all over the state in competition for the state title and a \$1,500 scholarship, an educational trip April 4-10 with her school advisor to Washington, D. C., colonial Williamsburg, Va., New York City and Minneapolis. State winners will compete for the national title.

In addition to being active in school affairs, Miss Sprowls has also been a candidate for Friona Maize Days queen for the past two years.

The Betty Crocker Homemaker of Tomorrow for Farwell is serving the Future

# Burglars Fail In Bovina Attempt

A pair of burglaries highlighted Parmer County Sheriff's department activities last week.

An attempt at burglary at Bovina Implement Co. all but failed Tuesday night of last week. Burglars broke into the building on Highway 60 in Bovina through a back door.

They attempted to open the firm's safe with hammers, screwdrivers, punches and other instruments, but failed. A gasoline credit card receipt which Sheriff Chas. Lovelace found on the floor near the beat-up safe led to the arrest of Claude Yates, Jr.

Yates moved to Amarillo about a year ago from Bovina. He was arrested in Amarillo Wednesday. Yates implicated two accomplices in the crime. Both have police records. Warrants have been issued for their arrest.

After being brought to jail in Farwell, Yates admitted a burglary in Plainview January 1. He was turned over to Hale County sheriff's department. As far as Parmer County is concerned, he has been bound over to the grand jury. His bond is set at \$2500.

After failing to open the safe, the burglars took \$1.45 from a cigar box in the building.

Sherman's Cafe in Friona was burglarized shortly after closing time Friday night. An estimated \$35 was stolen from the cigarette machine in that firm, \$4 in nickels and a cigar box-full of pennies were taken and the burglars were unsuccessful in an attempt to open

# Texico Favorite In EPC Tourney

Texico's Wolverines slaughtered a pair of teams over the weekend as they warmed up for East Plains Conference Tournament which begins this (Thursday) afternoon at Melrose.

The Wolverines are favored to win the tourney. They have the best record of the teams entered. In the opening game, they meet Logan. If they win their first game, they will play in the semi-finals Friday night at 8 (Texas time).

Tournament finals are scheduled for Saturday night. To win the meet, the Wolverines, second place winners last year, will have to win three games. One loss puts a team out of the running.

Friday night at Dora, Coach Paul Frederick's boys slammed the host team, 68-32.

Raymond Hadley and Jerry Reid were high scorers for the winners with 18 and 13 points respectively. Wesley Engram looped nine, Bobby Stover six, Bobby Walker five, Monte Singleterry and Don Johnson, four each; David Lock-

# Stock Show Fund Drive Begins Monday

Funds for the annual spring fat stock show sponsored by Lazbuddie FFA will be collected next week.

Chapter advisor Jack Black says that third year students will make the drive Monday and Tuesday. Each boy participating will have a letter of introduction and Black urges each donor to ask to see the letter.

Goal for the drive is \$400 which will be used for the show and for the annual school fair in October. The two events are financed by donations from local businessmen and citizens in the school district.

Frank, infant son of Mr. and Mrs. Glenn Phillips, was admitted to a Lubbock Hospital Monday for a series of tests. Information on his condition was available at press time.

LICENSE PLATES--4000 passenger car license plates will go on sale in Parmer County February 2. The number shown here, BW 2075, stacked among boxes of other plates will be the lowest issued in the county. The '59 plates will be white with black numerals and the now-familiar lone star will be used to separate the letters from the figures.

# School Gets Texico Money

Agrie Jones, superintendent at Texico Schools, expressed appreciation this week to Texico town board for giving their percentage of the one mill tax refund to the school.

Because of this gesture, Jones says, the old building and auditorium have been completely rewired, doing away with the old-type wiring and putting in new safety wire and switches. The old building has been re-lighted throughout, and extra lights installed in the auditorium. Bids were being accepted Tuesday for redoing the ceiling in the old gymnasium.

Jones explains that had the town board received their half of the refund, the school would have gotten about \$1050 with an equal amount going to the commission. But when the town fathers relinquished their share, the school was able to receive the refund for the entire school district, instead of the town only.

Therefore, according to Jones \$3000 which could be used for emergency repairs only was available to the school. Since the wiring and lights had been condemned for years and since the ceiling in the old gym had far outlasted its ex-

# Hairdos Help March of Dimes

Have your hair done and help the March of Dimes!

This is the unique way that Mrs. Tom Paul McCuan has designated her contribution to the present drive for funds for the MOD.

Monday, January 26, all money taken in at Tom Paul's beauty shop in Farwell will be donated to the March of Dimes drive. Appointments may be made now.

Monday is usually the "day off" for Tom Paul, but she decided to "let the washing go" and plan the current project.

Too, coffee will be served during the day, and all citizens are invited to have coffee at the beauty shop and place their contributions in the fund.

# Helton, Jones Attend Recent Phillips Meet

Joe Helton, Phillips 66 jobber here, and Don Jones, of Jones 66 Service, attended the largest closed circuit telecast sales meeting ever held in the petroleum industry in Amarillo last week.

They were among some 20,000 Phillips sales people who watched the sales meeting on TV screens in auditoriums, theaters, and hotels across 45 states.

K. S. Adams, Phillips chairman, had commented that the sales department's theme, "The Best Year of Our Lives," was well chosen, stating, "Your continued emphasis on the best for Phillips customers--unequaled service plus top quality product, backed by research--will again pay off in '59 and in the years ahead."

The program included an economic outlook for '59 and the announcement of expanded sales and service plans to help dealers, distributors, and salesmen better serve the driving public.

The telecast originated at Bartlesville, Okla., the company's headquarters. Sales planning and promotion for '59 were the chief topics discussed.

(Continued on last page.)

# Texico Senior Anita Moss Wins 2 Titles

A versatile senior from Texico, Miss Anita Moss, has been the recipient of two awards, the Betty Crocker Homemaker of Tomorrow award and the Daughters of American Revolution Good Citizen title, in Texico schools.

Miss Moss, who has attended Texico Schools for her entire education, is the daughter of Mr. and Mrs. Jim Moss. She is active in all phases of school activity.

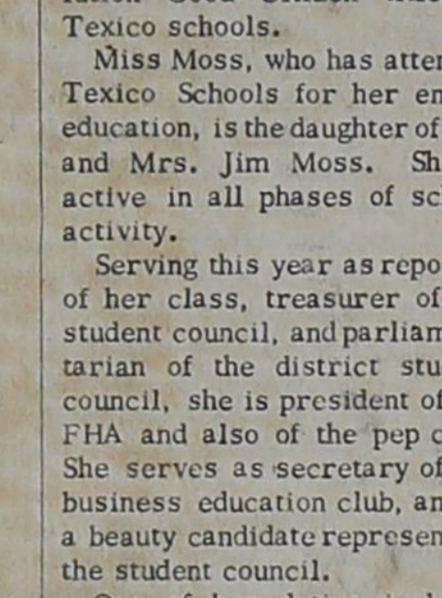

Serving this year as reporter of her class, treasurer of the student council, and parliamentarian of the district student council, she is president of the FHA and also of the pep club. She serves as secretary of the business education club, and is a beauty candidate representing the student council.

One of her duties includes working a school period a day in the office of Mrs. Buck Doran to gain practical business experience.

Winner of the Betty Crocker Homemaker title was decided from tests taken by senior girls of the school. Miss Moss's entry will also be in state competition. Winner of the state contest will compete for the honor of All-American Home-

# Stock Show Fund Drive Begins Monday

Funds for the annual spring fat stock show sponsored by Lazbuddie FFA will be collected next week.

Chapter advisor Jack Black says that third year students will make the drive Monday and Tuesday. Each boy participating will have a letter of introduction and Black urges each donor to ask to see the letter.

Goal for the drive is \$400 which will be used for the show and for the annual school fair in October. The two events are financed by donations from local businessmen and citizens in the school district.

Frank, infant son of Mr. and Mrs. Glenn Phillips, was admitted to a Lubbock Hospital Monday for a series of tests. Information on his condition was available at press time.

TAKING SHAPE--Sub-freezing temperatures of late make thoughts of swimming remote. However, construction on Texico's pool continues. Concrete walls for the pool were poured last week. This pool is being constructed for the community by N. L. Tharp. It is located four blocks north of Wheeler Avenue on the state line. Louis A. Marot is contractor. It is scheduled to be completed by the time swimming season arrives.

# Of Interest To THE WOMEN

## "Americanism" Is Theme Of Farwell Study Club

"Americanism" was the topic of the program presented by Mrs. John Aldridge for members of Farwell Study Club Monday evening, when the group

met in the home economics cottage for a regular program. Mrs. Aldridge defined Americanism as "devotion and loyalty to the United States—to its traditions and its customs. Americanism is you!" she added.

She then reviewed points on the American heritage, fundamentals of Americanism and presented points on "what is Americanism?" She listed privileges of those born in America to further emphasize her talk.

Mrs. J. D. Atwell led the club collect, and the short business session was in charge of Mrs. Sam Rundell, president. Members voted to assist the county chairman in the March of Dimes drive which is now underway.

The meeting was closed with a prayer by Mrs. Sidney Cox. Hot cider punch and tiny party sandwiches were served with pink and green mints, noting the club colors. Pink and green napkins accented the color motif. Hostesses were Mesdames Calvin Murray, Bill Garrett and W. H. Graham. Thirteen members attended the meeting.

## Future Bride Honored

Friends complimented Miss Bobbye Richardson, who is to become the bride of Odis Hartwig of Portales tonight, with a miscellaneous shower Monday night.

Hostesses at Texico Baptist Church were Mesdames Murray White, Bud Pearce, Ray Sharp, A. E. Hapke, Almer Powell, W. T. Watson, and Tena Roth. White cake squares, punch,

**Watch For The Big 9¢ Sale At STONE'S VARIETY Coming Soon**

nuts and mints were served from a lace covered table with crystal appointments. Centerpiece was an arrangement of snapdragons and jonquils accented by black musical notes around a tiny bride figurine.

Mother of the honoree, Mrs. Jess Richardson, assisted in opening the gifts.

Signing the register were Mesdames F. S. Thigpen, Letha Morris, B. A. Kelley, J. O. Ford, M. H. Poteet, Leroy Faville, Louise Mathews, W. L. Bowers, T. H. Richey, Anson Bowers, Frank Doshier, Russel Johnson, Vernon Symcox, Rada Winkles, Joe L. Morgan, Curtis Miller, Loyd Cain, Reda Wilmeth;

And Meses Verlene Thigpen, Betty Lockhart, Darlene Day, Phyllis Kelley, Christy Bowers, Connie Sharp, Carmelita Doshier, Marilyn Doshier, Janice Adams, Wanda Morgan and Laurie Cooper.

Many who were unable to attend sent gifts.

shower Thursday afternoon. The courtesy was at the home economics building in Farwell with Mesdames E. W. McGuire, W. T. Magness, Joe White, A. T. Watts, L. L. Norton, Alvin Mace and Mitz Walling serving as hostesses.

A pink lace cloth covered the serving table which was centered with a graceful pink bowl containing a large pink candle with silver pine cones and frosted pink grapes mounded around the design. Pink birds stood behind the arrangement with a ribbon banner bearing the words "Gerald and Barbara," attached to the figurines. Hot spiced tea and cookies iced in blue were served with mints and nuts.

Miss Christian was presented a corsage of pink carnations and Mrs. Everette Christian of Farwell and Mrs. Dottie Clancy of Clovis, mothers of the bride and the bridegroom, were given corsages of white carnations.

Those attending and sending gifts were Mesdames Tom Snell, Henry Hartsfield, Wayne Petty, John Carter, Scott Sismore, Orval Jameson, Myrle Herrin, H. E. Chandler, Joe Norman, Oleta Nippert, Ethel Norton, Don Carter, J. B. Willet, Randolph Bevell, Alice Maddox and T. J. Cox, and Mesdames Donna and Alita Carter, all of Clovis;

Mesdames Joe Barton, Jackie Barton, Jack Barton and Bob Barton of Abernathy; Jo Lack-

## Informal Ceremony Unites Miss Christian, G. Clancy

An informal ceremony was performed Saturday uniting Miss Barbara Christian, daughter of Mr. and Mrs. Everette Christian of Farwell, and Pvt. Gerald Clancy, son of Mr. and Mrs. E. Clancy of Clovis.

The double-ring wedding vows were read at First Methodist Church parlor in Clovis, at 3 p.m. Officiating was Rev. Earl M. Nowlin, pastor of the church.

Miss Belva Christian, sister of the bride, was the bride's only attendant. She wore a street-length sheath of pink silk and cotton, with a matching pink hat and gloves, accented by a corsage of white carnations tied with blue ribbon. Serving as the bridegroom's attendant was Orval Jameson of Clovis.

The bride chose a silk sheath of azure blue, accented by a small bandeau of feathers and flowers, and matching blue gloves. Other accessories were

black. Traditionally, she wore something old, her mother's wedding band; new was her bridal ensemble; borrowed were pearl earrings and necklace belonging to her sister, Mrs. John McFarland of Farwell; and she carried a blue handkerchief given to her by a close friend, Mrs. Josephine Loague of Clovis. She also wore a blue garter given her by Mrs. Lee Nippert, sister of the bridegroom.

A penny which was minted in 1937, the year of her birth, was worn in her shoe. An orchid corsage completed her costume.

A wedding supper at a Clovis restaurant followed the ceremony. They left immediately for a wedding trip en route to their home in El Paso.

Mrs. Clancy attended Farwell Schools and received her high school diploma from Santa Fe,

N.M. schools, in 1955. Her husband was graduated from Clovis schools in 1953, where he was a member of the winning state basketball team. He attended the University of New Mexico in Albuquerque, and is now in the Army stationed in El Paso.

Attending the wedding were parents of the young couple; also his sister and children, Mrs. Nippert; and her sisters and their families, the Bob Bartons of Abernathy, and the Darrell Nortons and John McFarlands of Farwell.

## Turners Given Farewell Party

Honor guests at a salad supper in the Amos Tatum home Saturday night were Mr. and Mrs. W. M. Turner. The Turners have moved to Texline where they own a farm and are building a home.

Present for the farewell party were Messrs. and Meses, Clyde Magness, Clay Henson, Jack McManigal, and Walter Hardage.

GLEANNERS HONOR FRANK SEALES Mr. and Mrs. Frank Seale, who were married recently, were honored with a supper by members of the Gleaners class of the First Baptist Church, Farwell. Mrs. Seale is teacher of the class.

**Shower Honors Mosses**

Texico Woman's Club building was the scene of a bridal shower honoring Mr. and Mrs. Jimmy Don Moss of Portales Thursday night. Moss is the son of Mr. and Mrs. Jim Moss and is now attending Eastern New Mexico University.

The serving table was laid with a white lace cloth over aqua with an arrangement of yellow button chrysanthemums and cattails for a center decoration. Yellow tapers were emphasized by tiny wedding bells.

Coffee, hot tea and punch were served with white cake iced in aqua and gold, the honoree's chosen colors. Crystal service was used and napkins depicted a bride and bridegroom in silver.

The honoree, the bridegroom's mother, and his sister, Miss Anita Moss, were presented unique corsages designed from kitchen tools which were given to the bride after the social.

Hostesses were Mesdames John Adams, Judge Stone, John Lockhart, Levi Reid, Milton Henson, Ival Hesser, Jack Hesser and Russell Johnson.

Signing the guest register were Mesdames C. C. Christian, Curtis Jones, Frank Doshier and Carmelita, Gene Coffman and Sharon and Melody, Homer Dykes, B. O. Faville, Leroy Faville, Pat Patterson and Patricia, Bill Moss, D. O. Rolland, Grayson Roberts, Joe Helton;

Also Mesdames Paul Crooks, Cecil Dykes, M. H. Poteet, Curtis Miller, and Misses Christy Bowers and Linda Lance.

**Pleasant Hill 4-H Members Receive Pins**

Pleasant Hill 4-H Club members received a number of awards at the annual Curry County 4-H Recognition night last Thursday night in First Methodist Church, Clovis.

Entertainment included an accordion solo by Veda Wilson. Speaker was Borden Ellis of New Mexico State University.

Medals and awards were presented by Phil Crystal, county agricultural agent, and Mrs. Lillie Mae Daughtrey, extension agent.

Donna Kay Pierce received a citizenship award and dress review medals were presented to Glenis Fahsholtz, Veda Wilson, Darlene Boatwright, and Elaine Pierce Boatwright. Miss Pierce and Mrs. Boatwright also received junior leader pins.

Three members—Jimmie Goolsby, Judy Lovett, and Mrs. Boatwright—earned awards for gardening; Mrs. Boatwright received an award for canning projects, and Dianne Baldrige earned a dairy foods award.

Sears' cash awards for gardening went to Jimmie Goolsby, Terry Lovett, Judy Lovett, and Don Baldrige.

**TWINS ARRIVE FOR WILLIAMSES**

Rebecca Annette and Gregory Andrew are the names of twins born to Mr. and Mrs. Glenn Williams of Booker recently. The new arrivals are grandchildren of Mr. and Mrs. E. G. Williams of Farwell.

The little girl weighed 6 lbs. 4 ozs. and the boy weighed 7 lbs. 1 1/2 ozs. They were born in a Canyon hospital.

**Church Slates Mexican Supper**

Serving at a Mexican supper tonight will begin at 6 tonight in Texico Woman's Club Building. The affair is a regular money-making project of the congregation of United Pentecostal Church.

Plates are \$1 and feature enchiladas and tacos, tea or coffee.

Proceeds will be used to furnish the recently-completed building of the congregation.

**Hospital Patients Improve**

Several local medical patients have shown improvement this week, with Mrs. Bessie Steele of Texico slated to be released from the hospital today.

Kim Magness, year-old daughter of Mr. and Mrs. Ted Magness, is also doing well, and will possibly be released from the hospital this weekend.

**Spurlins Return From Funeral In Arkansas**

Returning Saturday from Hot Springs, Ark., where they had attended the funeral of Mrs. Vanell Lucas were Mr. and Mrs. W. H. Spurlin. They were accompanied by Mr. and Mrs.

Sonny Spurlin of Alamogordo and Mrs. Roscoe Fenn of Arapahoe.

Mrs. Lucas died Tuesday night in Little Rock after the local people had been called

to her bedside because of her critical condition. She was a sister of Sonny Spurlin.

Funeral services were Friday in Hot Springs.

Don't let sulphation strangle your battery when you least expect it. Don't get stalled away from home . . . or even at home . . . by a battery that won't turn your motor over . . . a time you may need your car in an emergency. Instead, treat your battery with Formula KX-8, destroy that accumulated sulphation on the battery plates and restore your battery to full capacity, to full power for starting on coldest or hottest days or after long periods of idleness. Enjoy peace of mind, knowing that your battery will always deliver power to start your car under any conditions, will run all the electrical accessories in your car and will make your headlights brighter for added safety. Add Formula KX-8 today for the life and health of your battery!

**Formula KX-8 is Guaranteed to:**

- ★ Break down choking plate sulphation and retard its return
- ★ Improve recovery power of battery at high or sub-zero temperatures . . . keep battery at full charge, even when not in use

## H. D. Work Grows In Parmer County

Varied programs and a steadily growing membership was characteristic of the Home Demonstration Council in Parmer County in 1958. These facts have been gleaned from the annual report made by Jimmie Lou Wainscott, home demonstration agent.

Twenty-one women joined the 10 county organizations during the year. Programs planned by the County Home Demonstration Council included civil defense, family finance, yearbook, education, health and safety, recreation and citizenship. The council is made up of the president and a representative from each club.

In addition to general program topics, the clubs carried out a number of projects in conjunction with each of them. They included programs on family files and wills, precautionary measures to take in the event of disaster, blood typing programs in which the entire community was encouraged to participate.

Four driver's education programs were conducted in the summer. Eight clubs participated. A mosquito control campaign was a county-wide activity.

Recreation is an important facet in the HD council. Family fun was stressed this year

and each family was asked to offer children religious training, to share their experiences, and to try to have more family fun.

Club recreation included a county-wide luncheon in November, two or more family fun nights for individual clubs, and group singing at meetings.

Supplementing the programs outlined above were workshops for both members and non-members on such topics as beginning and advanced sewing, lampshade making, pressure cooker clinics.

Representatives attended a district meeting in Stratford and a state convention in Austin. Attending the former were Elizabeth Carmichael, Maxine Price, and Loreta Brookfield. State meeting delegates were Mesdames Price, Lee Renner, and Rene Snead.

Council activities were financed by a contribution from each club of \$1.75 per member. Remaining in the treasury was \$128.61 after some \$350 was expended for convention expenses, council officers' and County THDA Chairman's expenses, recreational, 4-H, and miscellaneous expenses. A similar plan for financing activities has been approved for next year.

Serving as chairman of the council was Mrs. Renner. Other officers were Mrs. Ellis Tatum, vice-chairman; Mrs. Rene Snead, secretary; Mrs. John Renner, treasurer, and Mrs. J. B. Young, reporter.

The agent's report concluded

with the observation that the council has served its purpose well and lived up to its responsibility of developing leadership, forwarding and extending Home Demonstration work among women of the county.

The agent attended Eastern Regional Extension Summer School at Colorado State University at Fort Collins. The courses completed were family financial management taught by Dr. Staley Hunter and rural recreation taught by Stewart Case.

### SOIL CONSERVATION DISTRICT NEWS

What is your land capable of doing?

The first step in conservation farming is to start using each acre of land according to its capabilities. Some land is best suited for cultivation, some is best suited for grass. On some of your land intense conservation measures may be needed; on the other land you may need nothing more than ordinary good farming methods. Each tract of land is different and is capable of doing certain things if properly treated. But each acre must be used for a job it is capable of doing and treated with the conservation measures it needs to keep it productive.

The kind of soil, the slope, the degree of erosion, and the climate mainly determine what land is capable of doing. But there are other factors that

## 4-H Clubs Plan Rural MOD Drive

Rural residents will be given an opportunity to contribute to the March of Dimes Saturday night when 4-H members all over the county make a house to house drive.

Approximately 20 teams of youngsters, accompanied by adult leaders, will participate, making a special effort to contact families who do not have children in school. Contributions may be credited to the quota of the community in which the donor lives. In addition to the Saturday night canvass, the group plans a follow-up drive later in the week.

County 4-H MOD chairman is Cooper Young of Lazbuddie. Adult assistants include James Mabry in Friona, Ponce Billingsley in the Farwell-Oklahoma Lane area, J. B. Young in Lazbuddie, and J. T. Jones at Bovina.

The project is the outgrowth of a similar program planned and carried out by the Farwell Junior Boys 4-H club last year. The drive was so successful that the county 4-H council voted to sponsor it this year and enlarge it to cover the entire county.

may affect the capability of land, it may be rocky or it may be subject to overflow.

When a farmer makes a request to the Soil Conservation District board for assistance on conservation work, soil scientists, who make conservation surveys, study each tract of land. They consider all of the things that might affect its use and conservation. Then simple maps are made that show the capability of each acre.

These maps divide land into eight classes. The first four classes are suited for cultivation and the last four, not suited for cultivation. The best land for farming is Class I land. It is very good land that can be cultivated safely with good soil management practice only.

Class II is good land, but has some hazards in farming. It may have gentle slopes or moderate erosion.

Class III is suitable for cultivation, but has several undesirable features and requires intensive treatment.

Class IV land is fairly good land that is best suited to pasture but can be cultivated occasionally if handled with great care.

Class V land should be kept in permanent vegetation. It is nearly level but is too wet or stony for cultivation.

Class VI land is too steep, eroded, or shallow for cultivation and should be used for grass.

Class VII land includes the

very steep, eroded, or rough areas. This land should be used for grass with careful management.

Class VIII land is the land suited for wildlife or recreation. It is usually too steep and rocky for other productive use. With the use of these maps showing land classes, the Soil Conservation Service technician and the farmer are in a better position to decide what conservation practices are needed on the farm.

Interest in the Great Plains Conservation Program seems to be picking up. The SCS now has 16 applications from this District for participation in the Program. Those that have recently signed applications are Woodrow and Freda Finley of Texico, Jack Dunn of Clovis, A. J. Malouf of Lubbock and Dan Tabor of Dalhart. All of these own land in Parmer County.

Other farmers who were assisted by SCS technicians last week were R. Q. Silverthorn of Plainview, and Dewitt Precure and Reaford Wenner of Lazbuddie.

The SCS will be glad to assist the farmers and ranchers on any soil or water conservation problems that they might have.

NEW HOME of the Parmer County Farm Bureau is this attractive office building in Friona. It was occupied by the organization and Service Agent Raymond Euler two weeks ago. Garrett, Farwell, is contractor.

### Farm Bureau Open House This Saturday

Spacious, all-new office quarters of the Parmer County Farm Bureau will be open for public inspection Saturday, January 24 in Friona. The occasion is the formal opening of the new Farm Bureau building at 715 Main Street.

The opening coincides with the start of the 10th year for the farm organization in Parmer County.

Refreshments of coffee and doughnuts will be passed out all day Saturday to all who attend the opening.

In addition to the front office where insurance and other Farm Bureau activities are usually transacted, there is a meeting room for directors in the building, plus storage space.

This is the most modern and efficient office arrangement ever available to the organization.

Mrs. Sam Williams is office secretary.

Elmer Euler owns the building, and Bill Garrett was contractor.

A ninth-grader "floored" telephone folks recently with this portion of an essay entered in a contest. The youngster wrote: The telephone is very necessary in cases of emergency. For example, if your house is on fire, you can use the telephone to call the insurance company."

### NEWS FROM THE FARM BUREAU

By RAYMOND EULER

This Saturday is open house in the new Farm Bureau office. We hope you will come in, bringing your wife and children with you, to look over the new quarters, eat a donut, drink a cup of coffee and feed the kids a bar of candy or something. An ad in the Parmer County newspapers gives more details regarding the day.

As you no doubt know, many segments of the press are presenting a very much distorted picture of the cost of the federal agricultural program. The most common figure seen in so many news stories is \$8 billion being given to farmers to keep them on the farm.

The actual appropriation figure for 1959 is \$6,392,000,000 dollars. It should be remembered that a pretty good percentage of the monies charged to maintenance of agricultural production is returned, various agencies. There are usually some losses, but not all the money is given to somebody.

Also, money used to pay for farm commodities given, or sold at a loss to foreign coun-

tries should actually be charged to foreign aid, or some other phase of our program. A school lunch program costs a lot of money, but it aids city people much more than farmer, because there are more city folks with school kids eat the surplus foods that furnished with government money, and charged to agriculture.

Finally, agriculture represents 12% of the people; it 7.26% of federal expenses civil purposes, and much of 7.26% is used for the help of other foreign and domestic groups.

Farm Bureau is accused some groups of being interested more in good citizenship and preservation of freedom than in dollars for farm. This is true, but dollars farmers in countries with freedom are worth nothing, almost non-existent. Big business has never taken over country. . . Big government always does unless it is checked before it reaches that objective.

.....  
"Wisdom is too high for fool; he openeth not his mouth in the gate." Proverbs 2

The Harold Carpenters of Oklahoma Lane have both Red Cedar and Arizona Cypress evergreen trees on their farmstead. This double row of trees, purchased from the Texas

Forestry Service, is on the west side of the Carpenter home and serves as excellent protection from the prevailing south-westerly winds.

sages could be made from wash rags, pot holders, small kitchen utensils, or other useful gifts. Another idea that would work fine would be for each hostess to make an apron for the honoree, wear it to the party, then give it as a hostess gift.

To keep your ironing board cover in better condition, starch it before using it then put it on the ironing board while it is still wet. This will cause it to dry tight and smooth and the starch will help keep it clean longer.

For a long time Seven Minute Frosting has been one of our favorites, but we had never even heard of anyone making Brown Sugar Seven Minute Frosting until recently. Of course, we asked for the recipe and are printing it for you to try if you desire.

Brown Sugar Seven Minute Icing  
2 egg whites  
5 tablespoons water  
1 1/2 teaspoons light corn

**KERSHNER'S NEW MEXICO NURSERIES**  
1710 S. Prince Clovis, N. M.  
Phone PO 3-7721  
"Graduate Landscape Designer"

syrup  
3/4 cup white sugar  
3/4 cup brown sugar, firmly packed  
1 teaspoon vanilla  
Combine all ingredients except vanilla in top of double boiler, beating with rotary egg beater until thoroughly mixed. Place over rapidly boiling water, beat constantly with rotary egg beater and cook seven minutes or until frosting stands in peaks.

Remove from boiling water; add vanilla and beat until thick enough to spread.

Be sure your egg whites are room temperature for the lightest fluffiest frosting. This recipe will make enough frosting for tops and sides of two nine inch layers or top and sides of 8x8x2 inch cake generously or about 2 dozen cup cakes.

For a tasty dessert on cold evenings hot gingerbread nearly always makes a hit with the men in any family. The following recipe takes only minutes to mix and is delicious served plain or with whipped cream or your favorite topping.

**Gingerbread**  
2 cups sifted all-purpose flour  
1 teaspoon soda  
few grains salt  
1 teaspoon ground ginger  
1 teaspoon ground cinnamon  
3/4 teaspoon ground cloves  
1/2 cup sugar

## Farmers Union Report

The bus for Washington is scheduled to leave Plainview January 23, loaded with a very enthusiastic group of Farmers Union members, ready to go up there and speak their piece as well as listen to the various aspects of the farm question.

This bus trip is a very important part of the Farmers Union program. Not only does it educate the members as to how our government is run and acquaint them with some of the channels and procedures of government, but it gives the legislators a very basic and grass roots view of agriculture by farmers.

Texas is the second state in the union in annual tornado frequency. Kansas is first.

2 eggs  
3 tablespoons vinegar and enough milk to make 1 cup  
1/2 cup melted shortening, cooled  
1/2 cup molasses  
Sift together flour, soda, salt, spices, and sugar. Beat eggs, vinegar and milk until blended; add shortening and molasses; stir until combined. Add all at once to dry ingredients, stirring only until blended. Pour into greased and floured 9x9x1 3/4 inch baking pan. Bake in 350 degree oven about 40 minutes or until center is firm to touch.

Soil Bank  
Grass Seeding  
Lynn Isham  
Ph. AD 8-2201 Bovina

Some have said that this group is the only group that they ever seen that completely represents the farmer, and this is a lot of help to them. That being the case they will have a lot of help for the next six months, because there will be an average of six bus loads of farmers from all over the nation unloading there per week, all members of the Farmers Union. This is bound to be quite an impact and will influence legis-

lation in behalf of the farmer. Clayton Graef, the county president, and Junior Matthews accompanied by their wives will represent this area.

An organizational meeting was held at the Hub Community Center last Monday evening for the purpose of organizing a membership drive for the Friona local. According to John Renner, one of the chair-

men, there were 20 members signed up in his territory north-east of Friona. Preach Edelman and Ranza Bogges signed up 18 east of town, so a hearty welcome to all new members is in order.

Congratulations to John, Preach, Ranza, and all the other boys on the drive. Thanks are also in order to T. O. Lesly and the Lazbuddie local for their help in this.

-- Bill Woolley

## NEWS

"The Place Where Most People Trade" Friona, Texas Wednesday, January 21, 1959

The children in our family are sure their mother is very old fashioned--reason--they found her trying desperately to put ink into a cartridge fountain pen.

Our shop is fully equipped to keep your farm machines in first class working order. Call 2091 and ask for Ben Woody when your farm equipment needs first aid.

Alan Beck says, "Five friends has every wife-- her marriage license, her wedding ring, her hope, her home, and her husband. Five enemies has every wife--wrinkles, ten pounds, Old Father Time, a sink full of dirty dishes, and an imaginary woman who may come along any day."

There's nothing so comfortable as the stretch-out room-- Roomiest Rocket ever built --more headroom--more legroom--more front seat shoulder room, and more trunk capacity. Why not see for yourself?

Alan Beck says, "A husband is the handiest thing invented. How else would a wife get furniture moved, the phone company hauled out, the dresser drawer unstuck, the zipper fixed, her back rubbed, her supper praised, or the tip of her nose kissed?"

Seems to us the Blaylocks would really need a few tranquilizer tablets during the girls basketball games. There

isn't much relaxing for them since they have a daughter who plays guard and one who plays forward on Friona's basketball team.

You can do back breaking jobs sitting down. Equip your new or present Farmall or International tractor with your choice of our complete line of attachments--from loaders to post hole diggers.

Don Lewis and three of his classmates from Midwestern University will present a musical variety show at the High School Auditorium, Saturday, February 7, at 8 p.m. These boys, who call themselves the Collegiates, have made quite a reputation as entertainers and their program will consist of popular times, old time favorites, as well as bop. The Collegiates will be sponsored by the Modern Study Club and the Seniors of 1959 will have charge of ticket sales.

Speed your hauling and handling job with McCormick Tractor trailers, boxes, and platforms. There are sizes and models to fit your hauling needs exactly--ruggedly built to last longer under the toughest kind of treatment.

Senior: We are coming to a tunnel. Are you afraid?  
Co-Ed: Not if you take that cigar out of your mouth.  
Many a former 'wolf' was trapped by a girl and has to spend some time now and then in the 'dog house.'

Your present tractor might be the sweetest running rig in the neighborhood, but does it really make your time count as big as it should? With today's labor scarce and costly, you can't afford a tractor that doesn't handle all of your work with a minimum of time and effort. For more work per hour, acres per day, return per dollar, you need a new IH tractor.

Company at our house for the weekend was Mrs. Gay Jordan and children, Beth and Jay, and Miss Lovella Cox of Lubbock. They also visited with Mr. and Mrs. V. R. Jordan.

We'd like to show you how the new Farmall can increase your farming efficiency--fast hitch--convenient instrument grouping and controls--tachometer--speedometer--hour meter--and torque amplifier all mean better farming. Ask for an on your farm demonstration.

Our Grandmother is spending a few days in Clovis with her daughter, Miss Lora Mae McFarland. Lora Mae fell at Christmas time and broke a pelvis bone and has been in the hospital until this week, but is home now and able to be up and about some and hopes to return to her teaching job soon.

Farmall tractors mean economy, ruggedness, dependability. There's nothing finer in the big power class!

## Just How Big Was That Crop?

The 1958 Parmer County grain sorghum crop may have been quite a bit bigger than was first anticipated. A hint of this came this week when Prentice Mills, manager of the ASC office at Farwell, reported that loans on the crop up to the first of the year were \$13,148,000.

That places the loans on the crop above the total gross estimated and reported in Farm and Home three weeks ago in the end-of-the-year farm roundup. Farm and Home that week set the total at \$12 3/4 million.

The "official" figures trickling down through the ASC records take on new meaning when

it is remembered that not all of the 1958 crop went into the loan. In fact, Mills estimates that probably not more than 70 percent of it did.

He feels that another \$1 million in loans will be made on the crop in January, to push the total for the crop year to slightly over \$14 million. If that is somewhere around 70 percent of the crop, the total gross for grain sorghum could have reached as high a point as \$17 or \$18 million.

If that proves to be the case, it will be far and away the greatest grain sorghum crop ever produced in the county—both from a yield and a dollar gross standpoint.

THERE'S MORE THAN ONE WAY TO SKIN A CAT, and more than one way to irrigate wheat. The most popular method on the High Plains is the lister furrow system, but if the slope of the farm is just right some farmers make good use of "flooding" or border techniques. Here water is spreading out into the first border of a wheat field. The filled rows on the left are not part of the wheatland.

to help get this done.

We have a pamphlet of information for anyone who may be interested, and would be glad to cooperate in putting some of the detail work together. All that we ask is that whatever group or individual makes a nomination that they let us know about it so that we can have a story in Farm & Home. That's fair enough, isn't it?

If you need a little brushing up on what the Hohlitzelle Award is all about, it is "For the advancement of Texas rural life."

After the unknown benefactor of rural life has been found he will receive \$5,000 cash and a gold medallion, the substance of the award, in a ceremony at Renner during the Foundation's Annual Field Day and Awards Dinner on May 20.

"The Award will go to the farmer or ranchman who has made the most notable contribution to Texas agriculture during the 4-year period from Jan. 1, 1955, through Dec. 31, 1958," Dr. C. L. Lundell, director of the Foundation, explains.

"The purpose of the Award is to encourage and to give suitable recognition and financial reward to the recipient for his personal accomplishment in the field of rural life improvement."

Five committees cover the state. In the Panhandle-Plains area Dr. Gerald W. Thomas, Texas Tech chairman. Other members of the committee: Sid Payne, state Soil Conservation board, Tullia; Frank Moore, Plainview; and Guy W. Nutt, area conservationist, SCS, Amarillo.

Anyone who wishes may nominate a farmer or ranchman by sending the nomination to the chairman or a member of the regional committee not later than March 1.

The nomination should be accompanied by a full description of the nominee's achievement, together with any printed data which support the nomination.

Nominations may be made by individuals, groups or agencies; and the nominee may live either within or outside the region in which he is nominated.

### Support Price News Expected Before Long

Important news concerning the 1959 support levels of cotton and grain sorghum—the Parmer County area's biggest cash crops—is expected to be released soon.

Prentice Mills, ASC office manager, says he has been notified that January 31 will probably be the release date for 1959 support levels on cotton. The grain sorghum support will likely be announced two weeks after that.

Preceding any such "official" announcement is usually a lot of local speculation. Farm news followers this week are predicting that the cotton loan will be practically the same as 1958—perhaps slightly lower. No big revision is expected.

On the other hand, there is considerable excitement over the 1959 grain sorghum loan price, which will be figured on a basis altogether different from any previous year. Most observers believe the price will go up—perhaps as much as 15 cents a hundred. That would be termed a "substantial" raise by most growers, who have been thinking in terms of \$1.60-\$1.70 a hundred for three years now.

## H. D. AGENT'S CORNER

Jimmie Lou Wainscott

Saturday, Jan. 17, the County-Wide 4-H Club had a learning session on recreation in the home of Mr. and Mrs. Leon Billingsley. Folk games that Miss Moore, extension recreation, had taught were played and one new game was learned by the group.

4-H members present were Judy Billingsley, Barbara Rea, Virginia Rea, Judy Hillock, Gloria Hillock, Patsy Chitwood, Mary Anne Hardwick, Dick Chitwood and Joe Jones. Four guests were present. Parents present were Mr. and Mrs. Leon Billingsley, Mr. and Mrs. Gene Rea and Mr. and Mrs. Dee Chitwood.

This week is the week that I meet 4-H Clubs all over the County. My demonstration is on main dishes using Cheese. I thought you might like to know some of the information I am giving the girls in this demonstration.

Out of the great variety of cheeses, American Cheddar is the type most widely used in recipes. It is the usual choice for cheese sauces and luncheon and supper dishes. The natural Cheddar has a distinctive flavor which becomes sharper as the cheese ages. It may be grated, shredded, or sliced, and it melts readily.

American process cheese and American cheese food are other choices for cooking. The flavor of these types does not become sharper with age. Cheese, a protein-rich food, does not require cooking, but cooking increases the variety

of uses. High temperature or overcooking at moderate temperature, makes cheese stringy and tough and may cause curdling, particularly in sauces. Low temperature for relatively short cooking time is sufficient to melt the cheese. In lieu of low baking temperature for cheese soufflé (300 degrees F.) and other casserole dishes, a water jacket is often used to permit a slightly higher temperature with a shorter baking time.

One of the recipes is for:  
**Layered Cheese Casserole**  
Temperature: 350 degrees  
4 servings  
Baking time 40 minutes  
4 slices bread, 2 or 3 days old  
1/4 pound sharp Cheddar cheese, sliced  
2 teaspoons minced onion  
1/2 teaspoon salt  
1/8 teaspoon powdered dry mustard  
1/4 teaspoon paprika  
2 eggs, beaten  
1 1/2 cups milk

1. For easy service and an attractive top, cut bread slices into triangles, rectangles or squares.  
2. Arrange bread and cheese in three layers in well-greased shallow 1-quart baking dish with onion and seasoning between layers. Have bread on the bottom and the top layers.  
3. Blend eggs and milk and pour over the bread. Let stand

for 45 minutes.  
4. Place baking dish in a pan of hot water. Bake in a moderate oven (350 degrees) about 40 minutes or until bread is puffy and a knife inserted near the center of the dish comes out clean.  
5. Serve promptly from baking dish.

### 4-H'ers To Help March Of Dimes

In a county-wide 4-H meeting, members decided to help the younger clubs collect money Saturday to be given to the March of Dimes drive, when they met at the home of Jake Jones, says Richard Chitwood.

Also discussed were details on 4-H county achievement with County Agent Joe Jones and Home Demonstration Agent Jimmie Lou Wainscott to plan further work.

"Parliamentary Procedure was the title of the demonstration given by Barbara Rea and Joe Jones.

Present were Janice Hillock, Pat Chitwood, Judy Billingsley, Barbara Rea, Virginia Rea, Joe Jones, Janis Billingsley, Richard Chitwood, Cooper Young, Pat O'Brian, and Steve Young.

The following is a paid advertisement. The views expressed are those of the author only and do not necessarily reflect the views of Golden West Seed Co. If you care to differ with his views, that is your privilege and we would welcome your questions and comments. Dolph Moten has agreed to handle legal matters concerning this column and all we need now is someone to do our fighting.

Many farmers and other interested people have wondered at times if they did not receive Johnson Grass in their certified seed. This is entirely possible. In checking the purity of a sample, an analyst need check only 300 grams. If he finds no Johnson Grass seed, it would be his assumption that none exists. However, if he were to check say five pounds, there might be 20 Johnson Grass. This is a hypothetical case and the conscientious seedman is sure of his merchandise and in most cases if the tag says certified it means that it is free of all noxious weeds. In buying seed be sure of the reputation and integrity of your dealer. Then if you have problems he will stand behind you. Make this one of your musts this planting season--save the tags from all your seeds--this is important. Moses in his day stated 'Thou shall not sow thy vineyard with divers seeds, lest the fruit of thy seed which thou has sown, and the fruit of thy vineyard, be defiled.' Remember this: "Good seed are not cheap and cheap seed are not good."

The past week we have had a large number of farmers in from over the area selling and buying Golden West products. Mark Nall of Floyd, Joe Simnacher of Muleshoe, Ruby Miller of House, Albert Chiles of Clovis, Fred Andrews of Melrose, Roy Rickstrew of Clovis, L. C. Goss of Portales, and Joe Terry of Portales were a few of our satisfied customers. And we also had one distinguished citizen of Farwell who was down loading and eating our peanuts. I wouldn't call any names, but I think he is the local manager of Southwestern Public Service.

Come see us. If we have time, we might buy you coffee or let you graze on our pile of peanuts.

**Sorority To Meet In Prince Home**

Mrs. Bill Prince will be hostess for the regular meeting and program of Theta Rho chapter of ESA Monday night at her home in Farwell at 8.

Mesdames Bert Williams and Don Williams are in charge of the program, and Dr. J. J. Glenn will be speaker.

A brief business meeting is scheduled for discussion of the district meeting of ESA to be in Farwell February 8. Chapters from several New Mexico towns will be represented and a number of state officers are expected to be present.

Tomorrow we'll be looking ahead again...

The new year is only a few weeks old. We ought to be looking ahead -- and tomorrow we will. But today you'll find a good many of us at Southern Union looking back. We just had a birthday.

On January 17, Southern Union was 30 years old. Many in the Company can remember clear back to our beginning in 1929.

Even then we knew the Southwest had a great future. We started building for big things to come. We kept on building to do our full part in keeping up with the growing Southwest.

In retrospect, people have different ways of measuring our growth. Some count the 320,000 homes, businesses, and factories to which Southern Union provides modern gas service. Others add up our 6,000 miles of gas pipelines. Still others point to the \$125 million we've invested in facilities, or to the 2,200 people we employ, or to the 69 cities where we are privileged to have a real share in community life.

But whatever we measure by, the past 30 years represents growth in our ability to better serve Southwestern families, business, and industry.

We intend to continue working so that the great Southwest can grow and prosper. With this in mind, it's time to get back to work. Time to start looking ahead again.

# Ladies Pitch In To Push MOD

Women's activities for the March of Dimes are in full swing according to Mrs. Mitz Walling, who is in charge of this phase of the drive in the county.

In Farwell, principal activity so far has included a number of fund-raising coffees given by various women of the community. Mrs. Walter Kaltwasser was hostess to a coffee Wednesday, and turned in \$30.00 to the drive; and Mrs. Joe Jones and Miss Jimmie Lou Wainscott netted \$32.15 at a similar occasion. Mrs. Walling and Mrs. Bill Glenn were hostesses to a social Tuesday receiving \$36.00. Mrs. Ernest Kube planned a coffee for this week, but results were not available by press time. Mrs. Tom Paul McCuan of

Tom Paul's Beauty Shop plans to give all her proceeds to the drive on Monday; and citizens are also invited to have coffee at the business and place contributions in the MOD drive on that day.

Mothers March is planned for next week by members of ESA, with further announcements to be given later.

## L. W. Graham Dies In Oklahoma

Word was received here Wednesday of the death of L. W. "Lute" Graham of Oklahoma City, brother of the late W. H. "Hop" Graham, former owner of The Tribune.

Funeral services were Thursday morning at St. Luke's Methodist Church. Graham, who had been ill since Christmas following a heart attack, had visited here often.

## Patrons Asked To Return Information

A little over a week remains before the deadline for completing the school census at Farwell, and all parents and patrons are asked to assist in completing the work. School fund allocations are based on census findings plus average daily attendance, says Amos Tatum, high school principal. All youngsters who will be six years old on or before September 1, 1959 are to be included in the survey. Families who have children who will begin the first grade in September, are asked to contact Tatum.

## Southern Union Observes Birthday

Southern Union Gas Company, which marks its 30th anniversary this month, began distributing natural gas in Texico-Farwell in 1929.

Elmer Teel, local manager, points out that the company has enjoyed a large amount of growth here as it has in the other areas it serves during the 30 years it has been in business.

An advertisement in this issue calls attention to the company's 30th birthday.

Scoring honors in the girls' game went to Rosemary Agee who had 28 and Sandy Johnson had 23 for the visitors.

Next two playing dates are open on the Longhorns' schedule giving them plenty of time to get in shape for a game with Nazareth there January 27.

## News From Pleasant Hill

By Mrs. Buck Taylor

Mr. and Mrs. Elmer Langford and Carolyn and a daughter-in-law, Mrs. Julie Langford, were in Welch, Okla., over the weekend to visit Mrs. Langford's sister and family, Mr. and Mrs. Lester Harrel-

son, Roy Byrds of South Dakota.

Mr. and Mrs. Weldon Dane and children were in Plainview to visit his father, W. E. Dane.

Sunday dinner guests of the Doyle Vaughans were Mr. and Mrs. James Readhimer and children and Lt. and Mrs. John Weiman and son of Clovis. The Weimans showed slides of Hong Kong and Formosa.

The Buck Taylors were Mule-

shoe visitors Sunday evening with his brother and family, the Howard Taylors; also with the Arlie Thomases.

Spending Sunday with the L. R. Tallys were their children of Friona—Mr. and Mrs. Joe Tally and David and Mr. and Mrs. Orbra Cole.

Visiting Sunday with Mr. and Mrs. W. D. Walton were the Steve Sheltons of Clovis and the T. F. Wests of Muleshoe.

Mr. and Mrs. J. M. Goolsby and children were in Portales Friday night to visit the Bud Crockers, formerly of this community. The Crockers were in an automobile accident Thursday when their car overturned on slick roads. No one was seriously injured.

Pauline and Eugene Servatius were in Rhea Friday night to visit their cousins, Bud and Marion Anderson, who received injuries in an auto accident Thursday on a Friona farm-to-market road. The boys, who were en route to school at the time of the accident, were hospitalized overnight.

## BAPTIST CHURCH NEWS

W.M.U. met Tuesday at the church for the regular royal service program. Missions in California was the topic.

Participating in the program were Mesdames Lynell Jones, Weldon Dane, Minnie Weatherford, Lucille Joplin, Dorothy Pierce, Lucille Singleberry, Ed Henry, and Corda Taylor.

During a business session, members voted to buy a baby bed for the nursery. Mrs. Pierce gave the closing prayer. Refreshments were served.

## LEARN CHINA PAINTING

A demonstration on Dresden painting was given by Mrs. J. F. Richie of Slaton when Pleasant Hill Home Extension club met Thursday at the community center.

A sack lunch was served at the noon hour.

Attending were Mesdames Ed Roberts, Bonnie Mobely, Gladys Mobely, J. M. Edwards, Elsie Neely, Maurine Winkles, Thelma Eskew, Maurine Horton, Minnie Weatherford, Geraldine Burford, and Clara Belle Smith. Next meeting will be January 29 at the home of Mrs. Burford, with a program on income tax.
