

Whenever I have occasion to hear a gifted orator like Dr. Leon Hill, the Baptist minister who spoke to the Farwell ex-students Saturday night, I am usually left with mixed emotions.

Speakers like the illustrious Amarillo preacher, with their humor, wit and eloquent prose, are always entertaining, but at the same time they can certainly deflate your ego.

That is, providing you peer beyond their humorous witticisms and try to get to the meat of what they are saying.

In his talk to the exes, Dr. Hill made several references to "the day we live in," and all of them were quite funny at the time. Most everybody laughed, and I did too, but at the same time I knew that the good minister was making fun of me personally with many of his remarks.

Like when he commented on the time he listened to the nation's "Top 20" songs on the radio, "If they were the top 20, I wonder what the bottom 20 were like," mused Dr. Hill.

"These songs are so bad that they have to rewrite them to throw them away," he said.

This anecdote was funny all right, and if I were to be truthful, I'd have to say that Dr. Hill couldn't have been more right in his observations. At the same time, though, he was stepping on my toes.

It's people like me, who buy and listen to some of these senseless musical recordings, who place them in the "Top 20." And as the minister so graphically pointed out, the popular recordings of today are symbolic of an age in which our thinking is "90 per cent obsolete."

His method was a subtle way of doing it, but Dr. Hill was telling me what a perverted sense of musical appreciation I must have to even be capable of listening to such trash as today's modern music.

The "Top 20" reference was just one of many the speaker made to the "crazy times" in which we live, but most all of them would hit home if the listener would let them.

"People talk of going to the moon, but you couldn't even get them in the front seat of a church," Hill said, following up with the observation that there was a real dearth of "great men" in the world today.

"There are no Lincoln's in America any more."

Why can't I be like 'ole Abe? I asked myself, and the only thing I could come up with was this:

In place of a log cabin, a candle, and a book, as a product of this modern age, I have too many modern conveniences which make for other interests. There just isn't time to become a learned man like Abe Lincoln was.

.....

Another one of Dr. Hill's statements that bothered me was one I didn't even catch. He made one caustic comment on "Chester and Mr. Dillon," and while I didn't hear all of it, I didn't like it one bit.

It just so happened that I was late getting to the banquet. There were several reasons for my being late, and one of them was that I just had to catch the end of "Gunsmoke" on TV.

.....

Seldom do you find men like Dr. Hill, who can poke fun at you, admonish you to change the error of your ways, and at the same time keep you laughing throughout the course of an evening.

THREE "OLD-TIMERS" recall the good old days at Farwell School during the ex-students reunion at the school cafeteria Saturday night. Graduates of the class of '21, the men are, left to right, John Aldridge, Farwell; W. Lee Moore, Pampa; and Leroy Berggren, Farwell.

## 90 Exes Gather; Carpenter Prexy

Ninety ex-students of Farwell, Oklahoma Lane and West Camp schools gathered for the annual reunion at the Farwell school cafeteria Saturday night and to hear an address by Dr. Leon Hill, Baptist minister from Amarillo.

Dr. Hill, a glib-tongued speaker, entertained the gathering with caustic witticisms on the state of the nation and world today and admonished everyone in the audience with, "It's your tomorrow--make the best of it."

In a business session following the speaker's address, Harold Carpenter was elected president of the organization for the coming year, succeeding Mrs. C. C. Christian, who headed the exes association during the past year and was master of ceremonies at the banquet Saturday night.

Serving with Carpenter will be Herman Geries, vice-president; and Mrs. Gerald Curtis, secretary. Besides Mrs. Christian, other retiring officers were Merrill Rundell, vice-president, and Doris Ford, secretary.

Due to what Mrs. Christian termed "a disappointing turnout," there was discussion on discontinuing the annual get-together or

possibly having the banquet less frequently. However, the majority of those attending were in favor of continuing it as an annual affair and they voted to have it again next year.

Special recognition was made to five members of the graduating class of 1950-51, to four members of the oldest class present, and to the former student coming the greatest distance for the reunion.

Four members present from the "Class of '21" were Raymond McDaniel, Oakland, California; W. Lee Moore, Pampa; Leroy Berggren and John Aldridge of Farwell.

Since McDaniel was a member of the oldest graduating class and also came the greatest distance, recognition was also made of the former student coming from the second most distant point. Recipient of this award was Kenneth Thompson of Houston.

Exes attending the banquet were served a barbecue dinner. Preparing and serving the meal were Mrs. Charlie Hromas, Mrs. Myron Hillock, Mrs. Thelma Black, Mrs. Noble Goldsmith, Mrs. O. C. Harriman, Mrs. Shorty Hughes and Mrs. Mildred Erwin.

### Heltons Attend P-TA Conference

Mr. and Mrs. Joe Helton attended the District #4 P-TA conference held the past week in Clovis. A large part of the evening was spent in hearing reports from each unit represented.

Mrs. Helton presented the Texico P-TA report on total membership, magazine subscriptions, proposed project, and also presented a copy of the yearbook for the district files. The Texico unit had sold more subscriptions to the P-TA magazine than any other unit in the district. Texico is also the newest unit in the district.

Mrs. Polly Price, state P-TA president, gave a brief talk on P-TA legislation. There was also discussion of the state convention which will be held in Clovis in the spring.

A short musical program was presented by a Clovis High School choral group under the direction of Harry Barton.

SPECIAL RECOGNITION went to two former students of Farwell who came the greatest distance for the reunion. Kenneth Thompson (left), class of '45, attended from Houston, and Raymond McDaniel, class of '21, was here from Oakland, California.

## Five Steers Named To District Team

Champion Farwell dominated the offensive unit of the all-district 3-A football team, placing five men on the squad, and three of the same five players also won berths and the defensive unit.

Coaches of the five schools unanimously named Quarterback Benji Dial and End Bill Owen of Farwell to the "dream team," and the other three Steers selected were Fullback Jerry Lovelace, Halfback Carroll Huggins and Tackle Floyd Trantham.

Lovelace was one of the three players in the district unanimously selected for the defensive unit. Other Steers who also made the defensive team were Dial and Owen.

The all-district selections were made the week following regular season play when coaches from all member schools met at Hale Center. The team was released this week, following Farwell's final playoff game against Stinnett.

Steer players receiving honorable mention on offense were Jim Cain, tackle; Jim Clements, center; Tommy Williams, quarter-

back; and David Lindop, end. Defensive honorable mention went to Cain and Trantham, tackles; and Clements, linebacker.

Next to Farwell, on the offensive team Hale Center had three players, Sudan two, and Kress and Springlake one each. On defense Farwell, Hale Center and Sudan each had three representatives, Kress had one and Springlake had two.

Players besides those from Farwell who made the team were as follows:

Offense--End Max Lynch of Sudan; tackle J. A. Nivens of Hale Center; guards Huckabee of Kress and Don Smith of Hale Center; center Sandy Sanders of Springlake, and backs Perry Ritchey of Hale Center and Gary West of Sudan.

Defense--End Ronny Johnson of Springlake; tackles Nivens of Hale Center and Jim Ford of Sudan, middle guard Garrett of Kress, and linebackers Richey of Hale Center, Lynch of Sudan and Hal Hudson of Springlake.

### Mrs. Ray Ford Receives Doll

"Miss ESA," the doll which was given away by the local ESA sorority Saturday afternoon, was awarded to Mrs. Ray Ford of Farwell. The doll and a complete wardrobe were given away as a money-raising project to aid in paying for Christmas projects of the sorority, says Mrs. John Getz, president.

Mrs. Getz expressed special appreciation to Southwestern Public Service Co. for displaying the doll, and to Mrs. Ruby Meeks, who did so much in making the project a success.

# United Fund Drive Lags

"The Curry County United Fund Drive is lagging and it needs the support of everyone if it is to be successful," That was the statement of one board member of the United Fund Drive, who urged Texico citizens to get behind the drive and to give generously to its support.

Board members who met in Clovis Tuesday night pointed out that it was "13 drives or one," explaining that if the United Fund drive fails, each of the member organizations will have to conduct their own individual drives.

This is the first year that Curry County has undertaken the one organized drive for all the charity organizations and on Wednesday, 50 per cent of the \$65,000 goal had been pledged.

In Texico, the Texico Woman's Club has been conducting the drive and they currently are contacting all of the business places. Through the businessmen, they hope to get all employees to pledge at least one day's pay to the cause.

"We do not plan to conduct a house-to-house canvass unless this other plan fails," said Marcella Davidson, secretary of the United Fund organization at Clovis.

She pointed out that there were several ways that persons could pledge money to the fund. They can make one lump sum contribution now, pledge several smaller ones to be made monthly after the first of the year, or use the employee payroll deduction plan where they work.

All of these factors are being explained by the Woman's Club in talking to the various merchants.

Mrs. Davidson explained that the purpose of the United Fund drive was to do away with all of the smaller ones conducted by the individual organizations. None of the member organizations will conduct separate drives if the United drive is successful, she emphasized.

Member organizations are the American Red Cross, Salvation Army, Tuberculosis Association of Curry County, Curry County Polio Association, Curry County Health Association, Mental Health Association, Boy Scouts, Girl Scouts, New Mexico Boys' Ranch and Senior Citizens Organization.

## Rattler Poison Deadly

"Take away four plays and that was a close ball game," said one impartial observer in the press box, following the Farwell-Stinnett regional playoff game last Thursday at Borger.

That one statement pretty well sized up the game all right, but any way you look at it, the mighty Rattlers from the northern Panhandle had too much power for the stout-hearted Steers who played valiantly, but lost to the state's top-ranked team, 33-0.

The Rattlers, normally a ground team, surprisingly took to the air and it was four long pass completions that broke the backs of the Steers. Two of the downfield aerials were good for first half touchdowns and another one set up the Rattler's fourth TD.

Stinnett's passing, along with the fine running of Donnie Anderson, and a stout, overall defense, sent the Rattlers reeling to their 12th straight win of the season and into the state quarter-finals against Plains this Friday night at Lubbock.

The loss gave Farwell a 9-3 record for the season. The Steers had plenty of breaks early in the first period, but were unable to take advantage of them. Stinnett fumbled the opening kickoff on its own 35 and Farwell's Jerry Lovelace recovered. The Steers moved to the 22 before a pass interception stopped them.

Again the Rattlers fumbled and Quarterback Benji Dial pounced on the pigskin at the 38. This time Farwell moved to the 15 before being stopped.

Six plays had netted Stinnett only 15 yards when Quarterback Larry Anderson dropped back and heaved a pass to brother Donnie. The tall, 190-pound halfback leaped high to bring down the aerial and then galloped the distance to the goal line. Larry Anderson booted the extra point to make the first quarter score 7-0.

Neither team was able to move against the other until

(Continued on page 6)

## Basketball Takes Sports Spotlight

With a successful football season behind them, the Farwell Steers this week turn their attention to basketball.

As the season gets under way, Coach Calvin Murray has 20 athletes trying out for varsity berths and among them are seven lettermen back from last year's team which won 20 while losing 11.

"This year's squad shows more experience than any reporting group in several years," Murrays says, and he is fairly optimistic about prospects for the coming season, which will include a district race that could possibly be one of the most heated in some time.

Heading the list of returning lettermen are Benji Dial, 6-1 senior; Jerry Lovelace, 6-0 junior; and Tommy Williams, 6-0 senior. Other lettermen are Tommy Wurster, 5-10 senior; David Lindop, 6-0 junior; Maurice Smith, 5-10 junior; and Donald Dale, 5-11 junior.

Another junior returnee Coach Murray is depending on to bolster the Steer cause is Floyd Trantham, a 6-4 junior, who saw limited action at the end of last season. With Trantham in the lineup, the Steers should have what Murray terms, "fair height and above average experience."

Even though prospects are bright for the Steers roundballers this year, the Blue and White will have some stiff opposition in district play. Sudan, defending district champion, lost only one starter from last year's team and has eight returning lettermen back in the fold. Also, Hale Center, the newest member in the district, is expected to field a tough team.

Sudan won the round-robin games in district play last year and Farwell won the 3-A tournament. In a playoff game the Hornets won out 42-38 and then went on to win second place in the regional tournament.

Two starters on the Farwell team last year were lost via graduation. They were Mickey Rundell and Larry McDorman. Besides the lettermen, boys who are competing for berths on the team this year are Robert White, Mike Nelson, Erroll Johnson and Mike Billington, juniors; David Routon, Joe Reed, Barry McCuan, Chas. Roberts, Billy McDonald, Clifford Nicholson, Ricky Cooper, and David Watkins, all sophomores.

Also, Leon Lovelace, a 6-3 freshman who started for the Steers in their opener against Friona Tuesday night, will be on the varsity squad and may see a lot of action. Lovelace was pulled up from the freshman squad as a starter when Farwell's two tall boys, Dial and Trantham, were unavailable for the Friona game.

Dial had just had a tonsillectomy and Trantham was out with the flu.

Another player Murray thinks will probably help the team later is Max Field, a 5-11 junior, who will be eligible at the start of the second semester. Field is a transfer student from Clovis.

## Wolverines Seek Wins Four, Five

Texico's Wolverines will be seeking the fourth and fifth straight wins of the season when they play host to two highly-regarded foes this week end at the Texico gym.

The Grady Bronchos will invade the Wolverine premises Friday night as they attempt to stop Texico's three-game winning streak. With a flock of lettermen, fair height and good speed, the Bronchos will provide some stiff opposition for Coach Paul Frederick's team.

A B team game will kick off Friday's activities at 7:30 and during the halftime of this game, the Texico High School marching band will make its first appearance of the season.

Ft. Sumner's Foxes, rated the pre-season favorite in District 6-B, will provide the opposition Saturday night and they will probably give the defending champion Wolverines their first real test of the season.

The teams have one common opponent to date, both having met and defeated Dora. The Wolverines won over the Coyotes, 43-31, and the Foxes recorded a 54-40 win against them.

The B team game is also scheduled for Saturday night, beginning at 7:30. Admission to all of Texico's home games is 25 cents for students, 50 cents for adults and \$1.25 per family.

## Santa Claus Is Coming To Town

Santa Claus has placed the Twin Cities on his schedule for a visit December 17, says Mrs. John Getz, president of ESA, organization sponsoring his visit.

Plans are well underway for the annual visit of Santa, with the bearded gentleman and bags of treats for the youngsters to be brought to town on a fire truck, after his arrival from the North Pole. Santa will take time to visit with the children for several hours during his visit here.

Treat bags are purchased by ESA and contain fruit, candy and gum. About 1000 bags of goodies will be distributed by Santa and the local chapter, says Mrs. Getz.

## Christmas Lights To Go Up

The Twin Cities will take on a festive air this week end when the traditional colored Christmas lights go up on Main Street.

Farwell's Chamber of Commerce will underwrite the cost of the Christmas decorations on the Texas side of the line and the Texico Fire Department is sponsoring the installation on that side of the line.

Otis Huggins of Southwestern Public Service Company will be in charge of the light installations, which will kick off the holiday season in the Twin Cities.

Other than giving the okay on the Christmas lights at its meeting Tuesday night, the Chamber of Commerce also started preliminary planning for the annual banquet and election of new Chamber officers for the next year.

A three-man committee, comprised of Elmer Hargrove, chairman, Sam Aldridge and C. C. Christian, was appointed to nominate the new officers, and Chamber President Bob Anderson and Secretary Dutch Quicquel are working up a list of committees to make preparations for the banquet, scheduled in February.

Miss Kathy White Represents District At State Convention

Miss Kathy White was in Las Cruces Nov. 19-20 to participate in the "Young Artists of New Mexico" concert held in connection with the New Mexico State Music Teacher's Association convention.

While at the convention, Miss White participated in a music theory quiz session in which she received recognition as one of the high four out of a group of 30.

She was accompanied to Las Cruces by her parents, Mr. and Mrs. Murray White, and two Clovis music teachers, Mrs. Aldrich and Mrs. Norma Prothro.

A great honor in being chosen winner of this district as it is comprised of a large area which includes Texico, Elida, Clovis, Ft. Sumner, Santa Rosa, Grady, Meirose, Portales, Tucumcari and the surrounding areas.

# The Women's Page

BETTIE BALDRIDGE, Society Editor ---Phone 481-3681

Jeanette Hughes, Abilene Christian College senior from Farwell, has been nominated by ACC students for the title of Miss ACC. The identity of the student finally chosen will be kept secret until announcement is made in the yearbook this spring. Miss Hughes, an elementary education major, is the daughter of Mr. and Mrs. B. V. Hughes. She graduated from Farwell High School in 1957. At ACC, Miss Hughes is a member of Delta Theta, women's social club, and is a cheerleader.

## Dec. 20 Date Set For HD Party

Ten members of the Oklahoma Lane Home Demonstration Club answered roll at the Nov. 21

meeting by telling what they would do Thanksgiving and what they had enjoyed most in the club programs the past year.

During the business meeting members were told of the 4-H toy exhibition to be held at Hub Dec. 1. The group voted to purchase twenty cane bottom chairs for use in the community building. Plans were made for the Christmas party which will be held in the community building Dec. 20 at 7 p.m.

Mrs. Harold Travis and Mrs. Cecil Dykes served refreshments of cookies, coffee, punch, and assorted crackers and fillings from a table decorated in the Thanksgiving theme.

The next official business meeting will be the second Thursday in January. Club members extend an invitation to any one interested in joining the club for the coming year.

## Study Club Members Entertain Husbands With Holiday Dinner

On Monday evening, Nov. 21, members of the Farwell Study Club and their husbands enjoyed a Thanksgiving dinner in the Homemaking Cottage. A traditional turkey dinner was served and there were appropriate seasonal decorations.

Following the dinner, the men began games of "42" while President Audrey Terrell conducted the club members in a short business meeting. It was decided to again send a small

donation to the Christmas seal drive. An invitation to a Christmas Fantasy to be held Dec. 1-2 in Plainview was read by the secretary.

## Birthday Party For Joyce White

Joyce White was honored on her sixth birthday with a party Monday afternoon in the home of her parents, Mr. and Mrs. Joe White.

Colors of brown and white were carried out. The chocolate birthday cake was iced in white and trimmed with brown rosettes; it bore the inscription, "Happy Birthday Joyce." Chocolate and vanilla ice cream was also served.

Favors of blow horns, hats, balloons, and bubble gum were given to the guests: Linda and Sandy Hart, Caroline Anderson, Susan Symcox, Ty Phillips, Randy Alexander, Janyce Craig, Jacqueta Crooks, Hal Graham, Lynne White and the honoree, Joyce White.

Mothers present were Mmes. Bunk Phillips, Bob Anderson, Bob Hart and W. H. Graham.

The hospital in Wichita Falls is again asking for a box of suitable gifts for their 3,000 patients, many of whom are children who would perhaps have no Christmas without the help of such organizations. A box is being sent from the club.

On December 19 the club will meet for its annual Christmas party and gift exchange. Hostesses on this occasion will be Mesdames Ella Ruth Williams, Beulah Williams, Edith Blair and Grace Snider. The location for this meeting will be announced at a later date.

## Baker Family Holds Reunion

All the children of Mr. and Mrs. H. E. Baker gathered at their home in Meadow Thanksgiving day.

Present were Mrs. U. L. Lesly and three daughters, Farwell; Mr. and Mrs. Royce Baker and three children, Lubbock; Burl Baker, Camp Hood; and Adrian, Buddy, Stanley, and Judy of the home.

One visitor, Carl Pence, from Ft. Hood was present. He is a former Farwell resident.

## Stories Celebrate Two New Members Join Homemakers

Mr. and Mrs. George Story, Texico, enjoyed a family reunion in Enid, Okla., Friday through Sunday. All of Mr. Story's sisters were present. A brother who lives in California was unable to attend.

The group gathered at the home of their 76 year old sister, Mrs. Lizzie Alexander. Mrs. Alexander has just recently been released from the hospital where she had been confined since receiving a broken hip in April.

Others present for the reunion were Mr. and Mrs. O. L. Gammon, Cherokee, Okla.; Mrs. Ethel LeCrone and daughter, Norman, Okla.; and Clarence Roberson, Okmulgee, Okla.

Mr. and Mrs. Story spent Thanksgiving in Amarillo with their children, Mr. and Mrs. Everett Story and family, and Mrs. John Hicks and family.

Visitors in their home in the early part of the week were Mrs. John Hicks, Hereford; Mrs. Claud Hicks, Amarillo; Mrs. Ann Story, Enid; Mrs. Ed Jermynne, Elkhart, Kansas; and Mr. and Mrs. Roy Coker, Friona.

"Heart Diseases" was topic for the program brought to the Texico Modern Homemakers Club when they met Nov. 22 at the Texico Fire Station with Mrs. Melvin Burns as hostess. Mrs. Joe Bradley, county health nurse, lectured and showed a film on the heart. She was assisted by Mrs. Lillie Mae Daughtrey.

The club members wish to express their thanks to the Texico firemen for making the Fire Station available to them for their meetings.

The next meeting will be Dec. 13 at the REA building in Clovis with Mrs. Bill Dudley as hostess. Mrs. Eula Mae Madole will demonstrate the making of Christmas candles. Eight members, two new

Showing At The

Dial 481-3220

Friday & Saturday Dec. 2 & 3

Sunday & Monday Dec. 4 & 5

members, Mrs. Marshall Gates and Mrs. Preston Martin, and two visitors, Mrs. Russell Johnson and Mrs. J. Curtis, were in attendance.

## Auxiliary To Help Needy Family

Mrs. Fred Danforth was hostess for the Texico Ladies Auxiliary meeting Monday night at the fire station with seven members present.

Plans were made to assist a local family at Christmas. Anyone wishing to make a cash donation or help with a food basket may call the president, Mrs. Perry Winkles.

Refreshments of cup cakes, pop, and Christmas candy were served from a red covered table featuring Santa Claus and poinsettias.

The Christmas party will be held Dec. 22 with Mrs. Don Fought as hostess.

## Shower Given For Mrs. W. Watkins

Mrs. Willie Watkins was honored with a pink and blue shower the afternoon of Nov. 22 in the home of Mrs. John Lindsey.

The gift table was laid with a blue cloth in which small baby gifts were pinned and was centered with a small doll in a canopy bed.

Prizes for the games were baby items which the winners presented to the honoree.

A dessert plate of fruit salad, individual cakes decorated with storks, mints, coffee and punch was served by the hostesses, Mesdames Lindsey, Billy Watkins, W. L. Bowers and Ned Nuttall.

# heat off... heat on... heat gone!

# GAS IS FAST!

In just 1½ seconds you can go from no heat to full heat and back to no heat with a modern gas range. Only gas gives you such instant heat. Turn any top burner on and gas starts immediately to boil water, fry bacon, heat vegetables. Turn it off...heat's off! There's no "hangover heat" to linger in kitchen air. And modern gas gives you infinite degrees of heat in between highest and lowest settings . . . or maintains constant temperatures indefinitely on the Burner-with-a-Brain. Gas is fast, safe and economical . . . and kitchens stay cooler, cleaner, too. Enjoy truly modern cooking . . . ask for a demonstration of the beautiful new automatic gas ranges at your favorite gas appliance dealer.

"Gas puts modern living at your fingertips"

**SOUTHERN UNION GAS COMPANY**

ALL HERE--The nine children of C. E. Crume and their families were all here for a Thanksgiving reunion. Pictured are front row (left to right) Hugh, Mrs. Mary Cason and C. E. Crume. Back row--Joe, Vance, Charles, Barney, Bill, Van and Paul.

### Crume Family Meet Here For Thanksgiving

All the children of C. E. Crume were together for the first time in about 14 years when they gathered in the home of their father and Mrs. Crume for Thanksgiving festivities. Nine children and their families enjoyed a Thanksgiving

dinner of turkey, ham and all the trimmings. Those present were: Mr. and Mrs. Hugh Crum, Niles, Calif.; Mr. and Mrs. Vance Crume, Judy and Prissy, Hereford; Mr. and Mrs. Charles L. Crume, Corky and David, Artesia; Mr.

and Mrs. Barney D. Crume and Patsy and Mr. and Mrs. Bill Crume, DeLayne and Carter Lynn, all from Lubbock; Mr. and Mrs. Hayden Cason, Wayne and Cindy, Friona; and Paul Crume, Dallas.

Also Mr. and Mrs. Joe Crume, Donald, Dean, and Darlene; Mr. and Mrs. Van Crume, Van II and Tim; Mr. and Mrs. Bobby Crume and Kathy; and Mr. and Mrs. Phillip Crume, all of Farwell.

Relatives from Clovis who visited in the afternoon were two of Mr. Crume's sisters, Mrs. B. M. Temple and Mrs. T. J. Miller, and Mrs. Glenn Green and Mrs. Joyce Kleypas and Teri.

### Jarrell Family Holds Reunion

A reunion of the W. H. Jarrell Sr. family was held Nov. 20 in the home of Mr. and Mrs. John Hightower of Pleasant Hill.

Those attending were W. H. Jarrell Sr. and Mrs. Ruth Hinson, Vista, Calif.; Mr. and Mrs. Elton A. Neal and son, Joe, Los Angeles; Mr. and Mrs. Douglas Jarrell, Abilene; Mr. and Mrs. Tom Crews and Mr. and Mrs. Arvel Jarrell, Coleman.

Also Mrs. Carl Reynolds and son, Kenneth, and daughter, Bill, Lubbock; Mr. and Mrs. Joe Jarrell and Mr. and Mrs. Spencer Jarrell, Clovis; and Mr. and Mrs. Ayera Jarrell, Texico.

### Texico Residents Attend Dinner

Mr. and Mrs. J. C. Place of Portales entertained with a "get acquainted" dinner at their home recently. The immediate family of Harry Baker, their daughter's fiance, were guests.

Those attending were Mr. and Mrs. R. L. Magness and family of Clovis; Mr. and Mrs. E. D. Baker, Amarillo; Mrs. Irene Baker and Mr. and Mrs. Fought and family of Texico.

### Reunion Attended By Local People

Mrs. Riley Boss and Mr. and Mrs. Roger Grissom of Texico attended a Thanksgiving reunion dinner of the Purselley family Saturday. The dinner was held in the home of Mr. and Mrs. Lawson Williams of Clovis.

Others attending were Mrs. Loyd O. Roberts and family, Hobbs; Mr. and Mrs. Myrl Leckie and Reatha, Carlsbad; Mr. and Mrs. Jimmy Paine and family, Los Alamos; Mr. and Mrs. Jack Davis and Jacky, Roswell; Mr. and Mrs. Reese

Bennett and family, Portales; Mr. and Mrs. C. B. Purselley, Mrs. Cora Williams, Mr. and Mrs. Clark Mitcham and family, and Miss Sylvia Koenig, all of Clovis.

### Mrs. Hines Visits In California

Mrs. R. S. Hines left this week for California where she will spend the next several months visiting her children and their families, the Samuel Hines of Lompoc, and the Walter Westbrooks of El Monte.

### Dorans Visit In Lovington

Visitors in the home of Mr. and Mrs. Buck Doran for the Thanksgiving holidays were their son Ursel and his friend Robert Schmiedeskamp from New Mexico State and their daughter and family, Mr. and Mrs. Royce Dunlap and children from Alamogordo; Also Dr. James L. Crory of Santa Fe.

The group went to Lovington Friday to see Doran's nephew, Benny Doran, play in the Lovington-Aztec state championship football game. They enjoyed a second Thanksgiving dinner with the J. D. Dorans on

their ranch near Lovington, and also visited with Mr. and Mrs. E. L. Harbison of Lovington.

### Neighbors Enjoy Dinner Together

Mr. and Mrs. Riley Boss and Mr. and Mrs. Bunk Parks had a joint Thanksgiving dinner in the Boss home Thursday.

The two families have been neighbors for 40 years and this is their first time to celebrate Thanksgiving together.

Tom Randol was an afternoon visitor.

### New Grandchild For F. Doshers

Mr. and Mrs. Frank Doshier received word last week of the birth of their 17th grandchild. Parents of the new baby are Mr. and Mrs. Bob Hunden of Westminster, Calif.

The little girl was born November 14 at Anaheim Memorial Hospital and weighed 7 lbs. and 13 oz. She has been named Tammy Sue. The Hundens have another daughter.

Mrs. Hunden is the former Shirley Doshier. Paternal grandparents are the Bill Hundens of Orange, Calif.

### Teachers Bring Reading Program To Farwell P-TA

An entertaining and informative program on methods of teaching reading in the elementary grades was enjoyed by 86 Farwell P-TA members at the regular November meeting.

The program was presented by elementary grade teachers, assisted by three high school teachers. They gave a comedy skit on "Why Johnny Can't Learn To Read" and each individual teacher gave a talk on how she teaches reading in her own grade. A poem

entitled "Thanksgiving" was given by Mrs. Walter Kaltwasser.

Mrs. Cain's first grade won the room count.

The hospitality committee served applesauce cake, coffee, and punch.

The time and date for the next meeting has been changed. It will be held Thursday, Dec. 15, at 7 p.m. High School students will have a panel discussion on "Material Values."

### Roland Hillock Makes Field Trip

Roland Hillock of Farwell was one of four geological students of ENMU who recently made a field trip with the Roswell Geological Society. Dr. William King, associate professor in geology, accompanied them.

The group made a study of geological formations in the northern Franklin and San Andres Mountains near Las Cruces. The Andres Mountains are on a bombing range and opportunities are very limited for exploration, according to Dr. King, and he felt fortunate that the students could participate in the trip.

Others going were Calvin Craig, Hobbs; Elwood Hamilton, Lamesa; and Sam Wells, San Juan Pueblo, N. M.

### Rattler Poison--

midway in the second period when the Rattlers took a Steer punt and returned it to the Farwell 48. On the third play from that point, Donnie Anderson broke over left tackle, going 44 yards for his second TD.

After a Farwell fourth down attempt failed late in the first half, the Rattlers took over on the Steer 36. With 13 seconds remaining, Larry Anderson heaved his second pass of the night, this time hitting Halfback Malness Gibson for a score. The kick was good and the halftime score was 20-0.

The Steers were fired up at the start of the second half, taking the ball on their own 30 and moving to the Stinnett 45 before a jump pass from Dial was intercepted.

It wasn't until late in the period that Stinnett put together its first sustained drive on the ground, moving from their own 44 to paydirt just as the quarter ended, making the score 26-0.

Their final TD came midway in the final quarter, with key plays being two long passes from the arm of Larry Anderson, one good for 21 yards and the other for 34 yards. The second one was complete to the four-yard line and from there Larry drove over for the final score.

Although outweighed and outclassed, the Steers weren't outplayed. Time after time, the hard-charging Farwell defense broke through and dropped the big Stinnett backs for losses. Leading the Steer defensive play were Tackle Floyd Trantham and Linebacker Jerry Lovelace.

As was anticipated, the Steers did do a lot of passing and Quarterback Dial completed 13 of 23 attempts. However, many of them were for short gains, and even losses, and four of the passes were intercepted.

### Life Is Worth Your Living

By Robert O. Tomlinson

The New Testament says that in coming into fellowship with Christ, we experience a change so great that it can be adequately described only by calling it a "new birth." It was new life in Christ.

This was the experience of the early church and it is recorded in the twenty-seven books of the New Testament. These words were not guess work, but they were the record of how this new power which Christ brought into the world was changing the lives of men and women and making old things new.

Paul knew the names of persons who had their lives changed. He knew what manner of life they had lived before, and also knew the new life after Christ had made them a new creature.

If Christ could do this for those persons, then He can do it for persons today, and He does. He gives a new order of life to all who receive Him. This abundant life He gives is so great and good that the Word says, "Such a man shall never die."

There do come moments to all of us when something high and holy within us says "It must be so." So if we let go our doubts and fears and take this Christ and let Him come into our lives and make us new creatures, we do find life is worth living.

### Pie Supper To Be Tomorrow Night

There will be a pie supper at the Oklahoma Lane Center Friday, Dec. 2, starting at 7:30 p. m. Everyone is urged to attend and bring pies to be auctioned off.

Proceeds will be used to buy sack treats to be distributed at the community Christmas program. Further plans for this project will be made Friday night.

### Quickel Honored

L. W. (Dutch) Quickel, of Farwell, has qualified for Mutual of New York's National Field Club, a sales-honor organization.

Membership is awarded annually to about one-third of the firm's 3500 field underwriters for high standards of production and service of life and accident & sickness insurance.

### Burns Spend Holidays In Okla.

Mr. and Mrs. Melvin Burns and family spent the Thanksgiving holidays with her sister and family, Mr. and Mrs. Homer Wilkinson and four children at Ponca City, Okla.

They also visited an uncle and aunt, Mr. and Mrs. Zenia Lawson at Tonkawa, Okla., and Mr. Burn's mother, Mrs. Grace Burns of Texhoma, Okla.

### Texico P-TA Meets

The Texico P-TA will meet Monday night, Dec. 5, at 8 p.m. in the school auditorium.

The Christmas program will be under the direction of Mrs. Bud Pearce. The High School Chorus will present several Christmas numbers and Dr. Herbert Bergstrom, pastor of the First Baptist Church at Clovis, will be guest speaker.

### Uncle Ray's "Hot Air"

"The trouble with being a bachelor is that by the time you've played the field you're too old to make a pitch."

"A man can usually tell what kind of a time he's having by the look on his wife's face."

"Television is a truly remarkable invention. The same set that puts you and your wife to sleep keeps the neighbors awake."

"Uncle Ray" is open 7 days a week to serve you. Come see us.

## WORLEY GRAIN

Herb Potts, Mgr.—Farwell

# Meet The Teachers

Besides being a new teacher at Farwell, Mrs. Ed (Joyce) Scott is also a new bride. She started teaching here as Miss Evans and married September

10. She teaches the first grade, and many of her pupils just couldn't learn to call her by her new name, Mrs. Scott. Mr. and Mrs. Scott live at

MRS. ED SCOTT

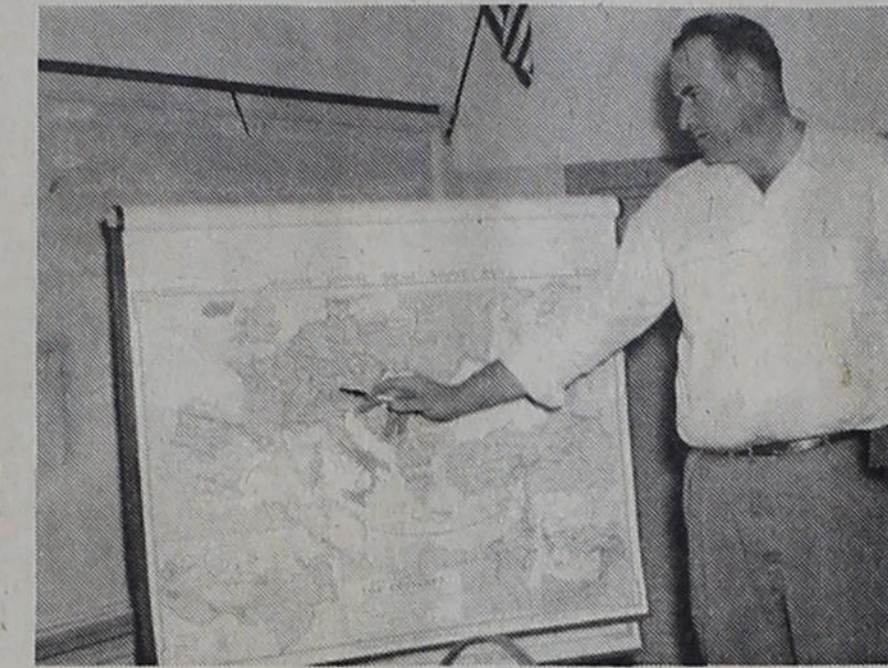

Portales and her husband is attending ENMU as a physical education major. Although Farwell is her first teaching position, she did practice teaching last year at the Lincoln Jackson school at Clovis.

She has attended Baylor and the University of New Mexico and received a BA in elementary education from ENMU in August of this year.

She is a member of the Baptist church and her hobbies are sewing and designing her own clothes.

"I like teaching first grade more than I think I would like any other grade. I have lots of fun with the kids and enjoy teaching them," states Mrs. Scott."

James Craig is the history teacher at Farwell High school. He teaches 7th grade Texas history, world history

JAMES CRAIG

and American history. He is also in charge of the library and drives a school bus.

Although this is his first year to teach, he is not unacquainted with school problems as he served for four years on the school board at Sunray.

His home was originally at Sunray and he attended high school there and at Plainview. He has farmed near Sunray for the past ten years.

Mr. Craig has a BS from Wayland College with a major in history. He also attended West Texas State.

He and his wife, Nell, and four daughters, Loyce, 9; Nella Beth, 8; Robyn, 6; and Jayme, 4; live on 6th street in Farwell.

Mr. and Mrs. Craig are members of the Hamlin Memorial Methodist Church and he is also a member of the Lions Club. He likes all sports, particularly fishing and hunting.

### FRIENDSHIP CLUB ENJOYS SUPPER

Friendship Club members entertained their husbands with a Thanksgiving supper at the Community Center. Baked ham and baked chicken and dressing with all the trimmings, were served.

Attending were the Levi Johnsons, the Owen Pattons and Patricia, the O. H. Joneses and Regina, the George Douglasses, the Howards, the Bob Pegrams, the Frank Verettes, the Jack Roaches, the Bernard Nelsons, Mrs. R. E. Blankenship, Ruth Ann and Lynn, and Mrs. Lora Brown.

### SIXTH BIRTHDAYS NOTED BY THREE

Three youngsters who recently reached their sixth birthdays were honored with a joint party recently at the Community Center. Mothers were hostesses.

Honored were Ricky Hardage, whose birthday was November 3, Debbie Engleking, whose birthday was Nov. 19 and Ted Young, who celebrates Nov. 23.

The three shared a red and white birthday cake which was the table centerpiece. The decorative motif included marshmallow men and balloons.

Attending were Tina, Sheree and Gay Rundell; Bobby, Buddy and Jack Foster; Debra, David and Donnie Garner; Jason Nelson; Beth Wylie; Sandra, Scott and Jill Watkins; Carrie Young; Randy Hardage; Davey Engleking; Kevin and Karla Hall; Kenny and Cheryl White; Donnie and Connie McDonald; Leann and Susan Farley; and Becky and Larry Broyles.

### FAMILY REUNION HELD SUNDAY

A family dinner was held at the Okla. Lane Community Center Sunday to honor Melborn Jones, Clarence Christian, and Miss LaNell Christian who had had recent birthdays. Host and Hostess for the affair were Mr. and Mrs. John McFarland and family.

Those present were: the Rochelle Christians, Clarence Hendersons, C. C. Christians, Lee Joneses, Donald Christians, Wendol Christians, Melborn Joneses, Troy Christians, Gerald Curtises, LaVon Joneses, Darrell Nortons, and Mrs. Gerald Clancy and daughter of Clovis, Gerald Christian of Lubbock, Mrs. Ann Smith and boys, and the Benny Darnells of Amarillo.

Bro. and Mrs. Carl Coffey spent Thanksgiving week with their son-in-law and daughter, Bro. and Mrs. T. J. Osburn, at Baton Rouge, La.

Mr. and Mrs. Howard Garner and Mr. and Mrs. Jack Roach spent Thanksgiving week

in and near Merkel visiting relatives and friends.

### MRS. GRISSOM HAS CLUB MEETING

Nine members of the Farmette Club answered roll call Tuesday in the home of Mrs. Leon Grissom. They told five things they would like for Christmas-nationally, internationally, in the community, home, and individually.

Plans were made for the annual Christmas party which will be held in the home of Mrs. Harold Carpenter the night of Dec. 16. Mrs. Wendol Christian will serve as co-hostess.

After the business meeting, the ladies did individual hand work. The hostess served re-

freshments of chips and dips, ice cream, and coffee.

## Good Turnout At WSCS Dinner

A good turnout was reported at the annual Methodist WSCS dinner, according to Mrs. E. G. Blair. A Thanksgiving meal was served to townspeople, with funds used for WSCS projects.

Mrs. Blair expressed appreciation in behalf of the group, to all those who aided by preparing foods for the dinner, and also to those who attended.

## Junior FFA Team Third In Contest

Farwell FFA had two teams entered in the Littlefield District FFA Leadership contest which was held recently in Muleshoe.

The junior farm skill demonstration team placed third with their demonstration on marking off a foundation for a building. Team members were Joe White, Sidney Birdsong, Darrell Crook, and Delbert Lingnau. They will receive a banner at the district FFA banquet to be held Nov. 28 in Little-

field. The senior entry was a demonstration on welding given by Mike Getz, Mike Paine, and Jacky Williams.

## Bovina Man Fined For Drunkenness

Activity for the Parmer County Sheriff's Department during the past week was light, with only one arrest being reported.

M. D. Cruse, who lives near Bovina, was arrested Saturday night by Deputy Sheriff Henry Minter and was charged with drunkenness.

## 22 Million Bushels Sets New Record

In spite of the fact that widespread hail damage cut down on the overall total of this year's crop, grain sorghum production in Parmer County this year apparently hit another all-time high.

When everything is totaled--the amount of grain going into commercial storage, the grain being stored on the farm, and the grain that went into elevators outside of Parmer County--the overall production will probably be in excess of 22 million bushels.

A check with the 20 elevators in Parmer County this week revealed that the commercial grain businesses have handled about 19 1/2 million bushels. This amount, coupled with the more than 2 million bushels that went into storage granaries on the farms, pushes the total near the 22-million mark.

Considering that the Parmer county ASC office does not have a record of all "on farm storage," since not all of it will go into government loan, Parmer County Agent Joe Jones says that the overall county production will probably exceed 22 million bushels.

Last year's grain sorghum production was between 21 and 22 million bushels, so indications are that this year's overall crop is as good and probably a little better than the record high of last year.

"Up, up, up," has been the yearly trend in the production of grain sorghum in Parmer County and this year's yields would have been considerably higher than a year ago had it not been for the hail damage received in September.

Up until that time, the large amounts of moisture received during the growing season had been highly beneficial to the crops. But the hail did take its toll in every section of the county and for a while it ap-

peared as though the yields would be much lower than had been anticipated, and certainly lower than last year's "bump-er" crop.

Where there was severe hail damage, individual yields were quite low, but elevator men all over the county report that the overall average this year was "surprisingly high."

Some yields were exceptionally low, and in areas where there had been no hail yields went as high as 8,000 pounds. According to the elevator men, the overall average was somewhere in the neighborhood of 4,500 pounds.

Some of the elevator operators said they handled more grain than a year ago, others said they handled about the same, and few said they handled less.

One other form of grain storage that has been increasing during the past few years has been the "on the farm" steel structures. Prentice Mills, Parmer County ASC manager, says that this type of storage, on which his office will issue government loans, will total approximately 120 million pounds of grain.

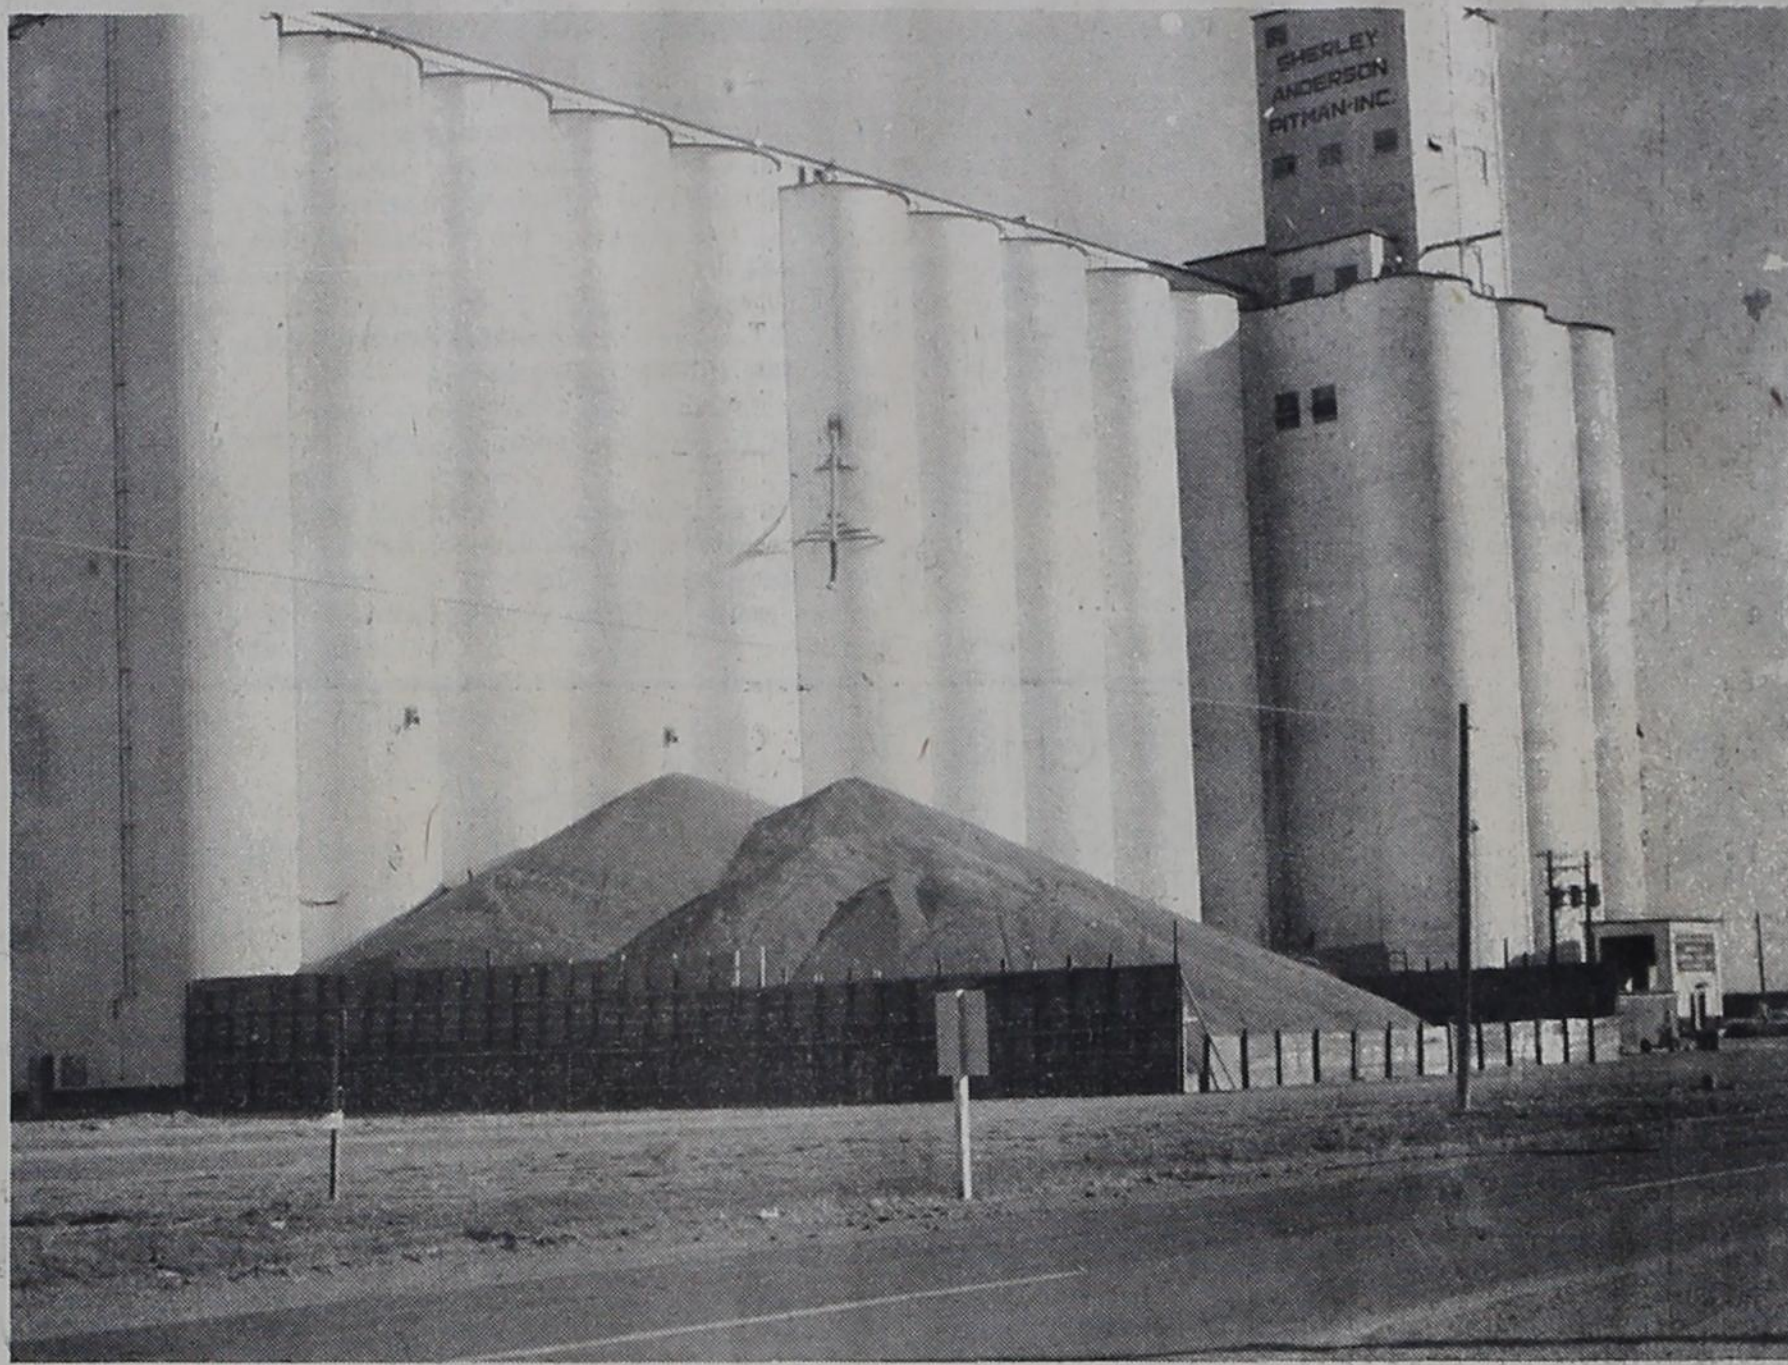

On Monday of this week Mills said that loans to farmers for farm storage had already been made on 50 million pounds of grain sorghum. Since the deadline for applying for these loans is not until January 31, he estimated that loans would be made on at least 120 million pounds.

Last year loans of this type storage were issued on more than 100 million pounds of grain.

Getting back to the commercial grain storage businesses, at Friona, Preach Cranfill of Continental Grain Company said that the harvest in that area was about the same as last year. "Had it not been for the hail it would have been better," Cranfill said.

A similar story was heard

# THE HIGH PLAINS FARM AND HOME

from the elevator men in the area around Black. Pete Braxton of Tri-County Grain said this year's harvest was "about the same" as last year's and Paul Fortenberry of Black Grain Company said it was as good if not better and "would have been much better had it not been for the hail."

Most of the grain men at Texco-Farwell said there was no way to compare this year's crop with last year's. There was probably more severe hail damage around Farwell than anywhere else in the county, and where there had been hail yields were quite low. However, where there wasn't hail, some of the yields were higher than they'd ever been before. Herb Potts of Worley Grain said that there was more grain than he had expected after the hail.

Hail damage in the Bovina area was not as severe as it was in places around Farwell, but what hail there was covered a large area. Therefore, representatives of the three elevators there were of the opinion that overall production around Bovina was a little less than a year ago.

However, one elevator reported handling more grain than a year ago.

All of the elevator managers were not available for comment, but a report on the amounts of grain handled was received from all the elevators but one.

From the totals reported, it appears that this year's overall production is the highest in

the county's history. This is in line with a general trend that has been taking place during the past decade.

The reason for the continued record yields being irrigation, fertilizer, new improved hybrid varieties, and each year more intensified farming procedures.

"The great delusion of the people is that Communist dictatorship can come upon them only through conspiracy and use of military power and that a revolution must occur."

--E. C. Riegel

"The very mark of capitalism is that supreme power in all economic matters is vested in the consumers."

--Dr. Ludwig von Mises

PLENTY OF GRAIN in spite of the hail, as attested by this picture of the Sherley-Anderson-Pitman elevator in Farwell. Widespread hail damage cut down on the overall total, but it didn't keep Parmer County as a whole from having another "banner" grain sorghum year. Elevators are still overflowing.

## Two Sugar Beet Meetings Slated

Two more meetings of interest on sugar beets are slated in the county during December, reports County Agent Joe Jones.

The first meeting will be in the Farwell City Hall at 7:45 on Thursday, December 8, and the second one will be at the Bovina School Cafeteria, also at 7:45, on Monday, December 12.

Representatives of the Texas Sugar Beet Association from Hereford will be on hand to discuss legislation awaiting the 1961 congress that may open the

door to production in this area, Jones says.

All farmers interested in the sugar beet program are urged to attend one of these meetings.

"No man is good enough to govern another man without his consent."

--Abraham Lincoln

## Engineer Suggests Irrigation Of Sloping Land Not Profitable

"We are wasting our valuable irrigation water by applying the water to land with 1% to 3% slope," James Valliant, Water Engineer at Halfway, said today.

Valliant is completing the first of several years' testing at the High Plains Research Foundation to determine the value of water applied to grain

sorghum on a level bench and on sloping land.

Three plots of the same area were planted in grain sorghum, one on a bench and the other two were planted directly down the slope varying from 1% to 3%.

The level bench received 16.9 inches of irrigation water per acre with no run-off. The grain sorghum yield was 5,800 pounds per acre.

One of the sloping areas received the same 16.9 inches of water but 2.5 inches per acre or 15% of the applied water was lost in run-off. The yield on this plot was 3,900 pounds per acre.

The second area on the slope was irrigated both pre-plant and during the growing season so that the soil contained adequate moisture at all times. This irrigation procedure required 24.5 inches of water per acre with 5.9 inches lost by run-off. Grain sorghum yield on this area was 3,700 pounds per acre.

"The loss in water run-off and top soil erosion alone would be enough to justify benching," Valliant said. However, the additional profits from the 2,000 pounds per acre increase on the bench yield makes benching profitable.

Weeds were controlled and the borders on the benches maintained with a custom-made bordering machine and by use of a propane burner.

## \$3,000 Grant To Research Foundation

High Plains Research Foundation of Plainview has been awarded a \$3,000 grant by International Minerals & Chemical Corporation for soil fertility and plant nutrition research.

The IMC grant is to study phosphate and magnesium needs of irrigated crops in the High Plains area.

Heading the study will be Dr. Thomas C. Longnecker, director of the foundation.

IMC research grants have provided more than one million dollars for agricultural studies.

"Only a free man can possibly be moral. Therefore if men are free to do what is right they must necessarily be free to do wrong. That is what we mean by moral responsibility."

--Everett Dean Martin

# The HAPPY HOMEMAKER

BY JUNE FLOYD

The following paragraph will probably hold a surprise for most homemakers.

"Every 46 minutes in 1959, fire claimed a life in the United States, according to the National Board of Fire Underwriters. There were an estimated 11,300 fire fatalities during the year."

Since a lot of fires usually occur during the Christmas season, we have selected two lists of suggestions that every homemaker should read and encourage each member of her family to read.

Christmas Safety Suggestions

(1) When you select your Christmas tree this year, choose a freshly-cut tree, with firmly attached needles.

(2) Keep the tree outdoors until just before Christmas. It will stay fresher in the cold air, and once you have it up, it will stay green longer. And, keep it standing in a pail of water.

(3) When putting up the tree, set it in the coolest part of the room, away from radiators, heaters, and the fireplace. This will not only reduce the pos-

sibility of fire, but will keep the tree from drying out.

(4) It is a good plan to use a tree holder which has a little bucket of water in which the trunk can rest during the holidays. A tree usually "drinks" more water than you realize, so keep water container filled at all times.

(5) Fireproof Christmas tree decorations are the best. Use decorations made of either glass, metal, or a fire-resistant material.

(6) Set up electric trains away from the tree. A spark from the train could set the tree on fire.

(7) Always use electric lights on the tree—never candles. Lighting sets should be checked before being placed on the tree, and those with frayed wiring should be discarded. When buying new sets, look for the tag or label showing listing by Underwriters' Laboratories, Inc. A switch some distance from the tree should be provided for turning the tree lights on and off.

(8) On Christmas morning,

fold and put away any gift wrapping you intend to keep. Other gift wrappings should be gathered up and thrown away promptly after presents are opened.

(9) Christmas tree lights should be turned off when the family is away from home.

(10) Inspect the Christmas tree from time to time to see how dry it is. If needles near the lights have started to turn brown, change the position of the lights.

(11) When the needles start falling, take the tree down and discard it outdoors.

(12) Even if the tree remains fresh, make plans now to dismantle it the day after New Year's and restore the room to its normal setting.

Baby sitters are commonplace in just about every home where there are children and if you are having one in during the coming Christmas holiday period, be sure the sitter is competent. The following list of rules were designed to keep your Christmas merry:

1. Know the sitter.  
2. Be sure the sitter is adequately trained and has a sense of responsibility and likes children.  
3. Be sure the sitter has met the children and any pets, especially the family watch dog.  
4. See to it that the sitter understands that in case of fire she should get the children out of the house, call the fire department and notify the parents IN THAT ORDER.

5. Show the sitter all exits and give instructions as to how to get the children out of the house in case of fire.

6. Instruct the sitter to keep the children out of the kitchen, if possible, and be sure that she knows that matches, electric cords, and appliances are not playthings.

7. Provide sitter with flashlights to use in case of light failure.

8. Parents should come home at the hour agreed upon, or telephone if unavoidably delayed.

# Five Parmer Countians To See Midwest Feeding

Sixty-six West Texans, determined to learn how Iowa farmers can profitably feed livestock for market, will leave Saturday, November 26, for Chicago and Des Moines.

Two special Pullman cars originating at Lubbock will be home for 44 West Texans, and another special Pullman carrying 22 will leave Fort Worth the same afternoon.

Going from Parmer County

are E. R. Legg, Farwell; and A. W. Anthony, G. W. Buske, Bruce Parr and C. W. Weatherly of Friona.

The tour is being sponsored by the Agriculture and Livestock Committee of the West Texas Chamber of Commerce. Dr. W. L. Stangel of Lubbock, chairman of the WTCC's committee and former dean of the School of Agriculture at Texas Technological College, is tour

director.

"There is no reason why West Texas cannot become the livestock feeding center of the nation," Dr. Stangel asserts. "We have grain sorghums and cottonseed meal and hulls and a far more moderate winter climate."

Among the six farms to be visited in Iowa is that of Roswell Garst near Coon Rapids... made internationally famous by the Communist Dictator Khrushchev. Feeding research facilities of Iowa State University will be included on the tour.

Livestock specialists of Iowa State University will accompany the touring group, according to Loyal H. Walker of Abilene, manager of the Agriculture and Livestock Department of the WTCC.

Before journeying into Iowa for the cornbelt feeding tour, the group will spend an entire day in Chicago attending the International Livestock Exposition. The WTCC delegation will see judging of the grand champion steer by Texas Tech's Stanley Anderson. Special seating arrangements have been made by show officials for the West Texas group.

As originally planned, the livestock feeding tour was to include one special Pullman from Lubbock and one other from Fort Worth; but popularity of the idea spread so rapidly, officials had to add another car from Lubbock.

The West Texas Chamber expects the project to produce significant findings leading to marked encouragement in the West Texas region for finishing more cattle and hogs for market.

# Santa's Bag Stuffed With Plentiful Foods

Santa's bag of gifts this December will include a bountiful supply of farm-produced foods, reports the Texas Agricultural Extension Service,

## SOIL CONSERVATION DISTRICT NEWS

The Parmer County Soil Conservation District in cooperation with Joe Jones, county agent, has scheduled a cattle feeders meeting next Tuesday, December 6, at 1:30 in the community room of the Friona State Bank.

Gaston Wells will tell "How and why we built the Moore County Feed-Lot," Bob Spencer, manager of the Clovis Chamber of Commerce, will report on the progress to date on the proposed Swift and Co. Slaughter Plant for Clovis. A. W. Anthony, Jr. will give the points of interest on the Midwest Feeders Tour that he attended.

Election of a Zone 2 Soil Conservation District supervisor will be held following the meeting. Zone 2 includes the area east and north of Friona. The supervisor elected must live in Parmer County and own land in Zone 2.

A new publication of the U.S. Dept. of Commerce on water use in the U.S., 1900-1980, predicts an increase in water use from 1958's 299,000 million-gallons-per-day to 494,000 mgd by 1980. Walter L. Picton, director of the water and sewerage industry and utilities division, estimates that the cost of development, construction for growth and offsetting obsolescence will cost \$219 billion in 1980. He figures that re-use techniques will supply part of this added demand.

From Oct. 6, 1960

College Station. Seven food items will be especially plentiful all month. These are cranberries, broiler-fryers, turkeys, onions, dates, peanuts and peanut products, and vegetable fats and oils.

Broilers and cranberries are the features of the December list.

Recent chick placements have been running 15 to 20 percent higher than a year ago, so it looks like marketings of live broilers will be unusually heavy in December. Fresh cranberries come from the 1960 record crop, which was a third above average.

The plentiful foods list is determined each month by the area food distribution division of the Agricultural Marketing Service. Items are eligible for listing, at the request of the food industry, when supplies exceed expected trade needs.

Consumers usually will find it profitable to watch for special sales on plentiful items at local stores, as the food industry cooperates with producers in attempts to move the abundance in normal trade channels.

"I'd like to bring Bill home to dinner tonight," the man telephoned his wife.

"To dinner tonight!" she screamed. "You idiot, you know that the cook just left, I've got a cold, baby's cutting his teeth, the furnace is broken and the butcher won't give us any more credit until we pay up..." "I know," the husband interrupted quietly. "That's why I want to bring him. The poor fool is thinking of getting married."

"Freedom is the faculty which enlarges the usefulness of all other facilities."

--Immanuel Kant

"Those who exaggerate in their statements belittle themselves."

--C. Simmons

"Material well-being is good, but only as it stems from morality and meaning. Reverse the priority of spirit over substance and you finally destroy even the substance."

--Edward W. Greenfield

Casper, Wyo.—Two members of the Casper PTA received traffic tickets on the way home from a panel discussion for junior high school students. Subject of the discussion: Safe driving.
