Former Resident, T. E. Levy, Dies

Funeral services were held at 2 p.m. Wednesday afternoon at the Church of Christ in Muskogee, Oklahoma, for T. E. Levy, a former resident of Farmer county.

The Levys came here around 1925 and he farmed near Farwell. He served several terms as county commissioner and was an elder of the Church of Christ here.

Surviving are his wife, Florence, of the home; two sons, Leonard of California and Keith of Oklahoma City; and two daughters, Mrs. Seth Rollins, Bakersfield, Calif., and Mrs. Herbert McDaniel, Tulsa, Okla.; and ten grandchildren. A niece, Mrs. Roy Leslie, lives at Clovis.

HARD AT WORK on the Oklahoma Lane Baptist Spanish Mission last week, were Harold Carpenter, Rev. Carl Coffey and Walter Verner. Work on the building was going at top speed last week, in an effort to complete the building by February 19, for opening services.

Wilson Attend RLCA Meeting

Mr. and Mrs. Loren S. Wilson, Texico, attended the RLCA Pecos district meeting Feb. 11, held at the Chew Den in Roswell. This was the first Pecos district meeting since 1953.

District officers were elected and the carrier president, Ralph Rodriguez, Santa Fe, and Secretary Wilson discussed the various bills now pending before Congress that are of vital interest to rural letter carriers.

Mrs. Wilson, auxiliary president, outlined the national auxiliary program and the ladies discussed their progress with the projects. The importance of the auxiliary members writing to their congressmen regarding the bills that are important to the letter carriers was stressed.

The Wilsons also visited Mr. and Mrs. Richard Lotz, executive board members, while in Roswell.

Flame Cultivation Meeting Tuesday

A meeting and flame cultivation is scheduled for 7 p.m. Tuesday night at Helton Oil Company in Farwell.

Bill Price and B. T. Lusk, field engineers for Gotcher Engineering and Manufacturing Co., will be on hand to discuss with farmers this new method of weed control.

Joe Helton, owner of the firm, invites all interested persons to attend the meeting.

MRS. JOHNSON RETURNS HOME

Mrs. Barbara Johnson arrived home from California Sunday afternoon with her parents, Mr. and Mrs. Johnnie Chappell. Her condition is good and she is no longer confined to bed.

Mrs. Johnson, who was severely beaten recently by her husband in their San Francisco apartment, says that she wants to thank everyone for their many acts of kindness.

Life Is Worth Your Living

By Robert O. Tomlinson

What is good preaching, or what are the primary requirements of a good sermon?

One of America's great preachers says there are three qualities for a good sermon: 1. Is it Christian? Does it represent faithfully the Christian interpretation of life? Is it rooted in the noblest elements of the Christian tradition? Does it set its course in the keeping with the "mind of Christ" rather than with the currents of contemporary? The voice of the Church needs to be genuinely Christian.

2. Is it interesting? A preacher need never be dull. What good comes of preaching if no one is listening? Life is the greatest interest to people, and the preacher is dealing with life at its best. Nothing could be more interesting.

3. Is it compelling? Does it beget action? What are the results? Does it send people away seriously determined to do something about it? Are men made new creatures, born to new life--to life worth while? Is it Christian, is it interesting, and is it compelling? If so, it is a sermon which can properly be called a good one. If you will hear a good sermon often enough, you will find that the gospel of Christ does give life worth living. Attend Church Sunday.

Junior Play Nets \$154.75

"Hail, The Hunkering Hero," the Farwell junior class play presented last Saturday night to a capacity crowd, netted the class \$154.75.

The five act comedy was based on the activities of a hill billy boy who was recruited to college to play football and subsequently became a hero in spite of his backwoods actions.

Proceeding the play, Mike Getz, master of ceremonies, presented gifts from the junior class to Dempsey Alexander and Mrs. Roy Woodard, directors, and Mrs. Nell Walling, make-up director.

During intermission, the inmates entertained with several musical selections.

Those participating in the play were Floyd Trantham, Karen Schell, Jerry Lovelace, Dickie Gerles, Bobby Tomlinson, Carolyn Watts, Carolyn Routon, Jackie Williams, Jim Cain and Jimmy Clements.

Also Scotty Turner, Mike Billington, Mike Nelson, Max Fields, Johnny Sproles, David Lindop, Zell Billingsley, Peggy White, Carolyn Birchfield, Joan Potts, Jolene Donaldson and Jean Hicks.

MRS. JACK GOLDSMITH

Miss Trinkle, Jack Goldsmith United In Informal Ceremony

In a recent informal ceremony in the 10th and Pile Street Church of Christ in Clovis, Miss Sarah Jo Trinkle, daughter of Mr. and Mrs. C.P. Trinkle of Clovis became the bride of Jack Goldsmith, son of Mr. and Mrs. N.H. Goldsmith of Farwell.

Joe Wilson, pastor of the church, performed the simple double-ring ceremony before members of both families and close friends of the couple.

For her wedding Miss Trinkle chose a dress of pastel blue designed with a fitted bodice and softly flared skirt. She wore matching accessories and had a pink camellia corsage.

Something new and blue was her wedding ensemble, and she carried a penny minted in the year of her birth in her shoe as something old.

Her only attendant, Jeanie

Rierson, was attired in a dress of soft blue cotton. Her corsage was pink camellias.

Attending Goldsmith as best man was Larry Reeves of Clovis.

Goldsmith was a 1959 graduate of Farwell High School and is now employed as a butcher at Jamisons' Food Market in Clovis. His wife attended school at Clovis.

The couple is making their home at 1300 Main in Clovis.

Mrs. J. H. Stone returned to her home in Farwell last week after an extended vacation in California and Arizona. She left the first part of last November and visited in the homes of a son, H. H. Stone, and two brothers, Elmo Harrison and C. W. Harrison.

Sutters Present Program On Boys Ranch To Texico Club

Mr. and Mrs. Andy Sutter of Clovis were guests at the Texico Woman's Club meeting held Monday night at the club house. Mr. Sutter, who is treasurer of the New Mexico Boys' Ranch, spoke about the ranch while Mrs. Sutter showed slides.

Sutter spoke on the different things the boys are doing, the improvement of the grounds, requirements for the boys who are admitted, and the new swimming pool the New Mexico Federated Woman's Clubs presented to the ranch. He also gave a financial report, stating that the ranch was now out of debt. For those who wish to assist, Sutter said the two most needed items were three-quarter size bed sheets and boy's levis.

A red table cloth with milk glass serving pieces helped to carry out the Valentine motif

of the serving table. An arrangement of red and white snapdragons and sweet peas in a milk glass bowl centered the table. Refreshments consisted of heart shaped cookies iced in red and red punch with floating white hearts.

Hostesses were Mmes. John Adams, Judge Stone and Leroy Faville.

Others attending were Mesdames Elmer Teel, Gerald Wilkinson, Jim Pierce, Buck Doran, B.D. Younger, Russell Johnson, Perry Winkles, Johnny Green, Avis Patterson, and Ralph Standefer.

Mrs. John McFarland and Mrs. Darrell Norton took their niece, Candy Barton, who had been visiting them, back to her home in Abernathy recently. Candy is the daughter of the Bob Bartons.

Bill Roberts Are Parents Of Son

Robin Jay is the name Mr. and Mrs. Bill Roberts of Farwell chose for their first son, born Feb. 12 at Parmer County Hospital. He weighed 7 pounds 14 ounces.

The Roberts have three daughters, Sherry, Melody and Beverly.

Mr. Roberts of Earth is the paternal grandfather and maternal grandparents are Mr. and Mrs. Homer Whitlow of Kress.

Miss Bradshaw Has Party On 15th Birthday

A birthday slumber party in the Asa Smith home Friday night, honored Jane Bradshaw on her fifteenth birthday.

Hamburgers, pickles, olives, potato chips, dips, pops and birthday cake were served buffet style from a lace covered table. The tiered birthday cake was iced in white and inscribed with the words "Happy Birthday" in pink. Tiny Japanese umbrellas were party favors.

Attending the party were Misses Sylvia Smith, Jane Bradshaw, Darla Robertson, Jane Hubbell, Sherry Austin, Janice Prince, Brenda Dale, Linda Nelson, Vickie Moss and Melody Coffman.

John Adams, Dickie Adams, Ed Combs and Fred Danforth went fishing last weekend.

Couple Reside In Plainview After Recent Marriage

Now residing at 1404 Lexington in Plainview after their January 21 wedding are Clive Huggins and his bride, the former Mrs. Jeanne Huggins.

Huggins is the son of Mr. and Mrs. Otis Huggins of Farwell and his wife is the daughter of Mr. and Mrs. Don Gladman. The simple wedding ceremony was performed in the First Christian Church in Plainview by Rev. Arthur Digby Jr.

For her wedding the bride chose a beige suit with beige and brown accessories and carried a bouquet of pink roses.

Maid of honor was Donna Gladman. She was attired in a

beige dress of silk organza and wore white accessories. Larry Marks from Colorado was best man.

Traditional wedding music was provided by Cheryl Jameson who sang "Walk Hand in Hand With Me," and "The Lord's Prayer," accompanied by Mrs. Pat Kelly at the organ.

Bridal Shower Fetes Mrs. Jack Goldsmith

The Lee Thompson home was the scene of a recent bridal shower honoring Mrs. Jack Goldsmith, the former Sarah Jo Trinkle of Clovis.

The serving table was covered with a white crochet cloth and centered with a floral arrangement in the bride's chosen colors of blue and white. Blue punch, coffee and individual squares of blue and white cake were served to the guests.

The honoree was presented with a unique corsage made up of kitchen gadgets. The hostess gift was a service for eight in the bride's pottery.

Hostesses for the social were Mesdames Lee Thompson, J.W. Herrington, Lewis Sharp, C.M. Meeks, Bob Hammonds, Charlie Hromas, Myron Hillock, O.C. Harriman, B.V. Hughes, W.T. Meeks, Joe Crume, and Lexie Branscum.

Attending and sending gifts were Mesdames R. D. Dale, Mable Reynolds, Ebb Randol, V.C. Venable, D.O. Rolland, Jerry Darby, G.L. Medley, W.E. Martin, Ted Sheets, Phillip Crume, Earnest Black, Doris Williamson, Wanda Lemons, R. E. Williams, Jim Curtis, Cyrus Dale and Rhea Huffaker.

Also Mesdames Jim Young, Bobby Crume, Russell Johnson, Glen Lesley, Bobby Lesley, Grady Harrington, N.H. Goldsmith, Buck Bradshaw, Preston Martin, Doyle Goldsmith, Margie Meeks, C.L. Mahaney, Mildred Erwin, Mary Crume, Ralph Humble, Leon Meeks, E. G. Blair, G.C. Meeks, D.P. Jameson, Alice Tucker, Lucile Britain, Ted Ruckman.

Also Misses Iris Goldsmith, Freida Meeks, La Dean Jameson, Phyllis Trinkle and Pat Trinkle.

Mr. and Mrs. Russell Johnson of Texico visited over the weekend in the home of their son and daughter-in-law, Mr. and Mrs. Jerry Johnson in Canadian. Their daughter and her husband, Mr. and Mrs. Jack Hesser from Stillwater, Okla., were also visiting with the Jerry Johnsons.

Meeting On Fertilizer Placement Scheduled

Proper placement of fertilizer will be the topic of discussion at a meeting designed for farmers and fertilizer dealers of the area next Thursday from 2 to 4 p.m. at the Oklahoma Lane Community Center.

Harvey Walker, associate agronomist, Texas Agricultural Experiment Station at Lubbock, whose subject will be fertilizing cotton. He will also discuss when the best time for applying fertilizer is, and the placement and source of application.

Elmer Hudspeth, agricultural engineer, agricultural research service from the Bushland station, who will talk on fertilizer equipment.

Five representatives of the Texas Agricultural Extension Service will be on hand to lead discussions on various phases of soil fertility, says Parmer County Agent Joe Jones.

Bill C. Gunter, area agronomist, Texas Agricultural Extension Service from Lubbock, will talk on seedling disease.

The use of sprinkler irrigation is the Parmer Soil Conservation District is becoming more important all the time. Farmers in the district are becoming more conscious of the fact that much of the water used in their present irrigation system is being wasted and not used by crops.

Among the agricultural representatives who will be on the program are Dr. Alex Pope, research agronomist of the Southwestern Great Plains Field Station at Bushland. He will speak on fertilizing grain sorghum and wheat, discussing the best time for applying fertilizer, placement and source of application.

Also appearing on the program will be Jim Valentine, area soil chemist from Lubbock. He will give a short report on soil tests which have been made in Parmer County.

The objective of irrigation is to apply water at a uniform rate over area in order to get the most effective use of what water you have. A sprinkler irrigation system properly designed and operated will give an even application of water no faster than the soil will take it up and will eliminate waste of soil and water by run-off.

SOIL CONSERVATION DISTRICT NEWS

The use of sprinkler irrigation is the Parmer Soil Conservation District is becoming more important all the time. Farmers in the district are becoming more conscious of the fact that much of the water used in their present irrigation system is being wasted and not used by crops.

On the steeper slopes many farmers are having trouble getting enough water in the soil; then on the sandier soils many find that the soil is taking water too rapidly thus reducing acreage that can be irrigated. Sprinkler irrigation is not only good for irrigating the steep or sandy land but it is also effective on tighter and level land.

The objective of irrigation is to apply water at a uniform rate over area in order to get the most effective use of what water you have. A sprinkler irrigation system properly designed and operated will give an even application of water no faster than the soil will take it up and will eliminate waste of soil and water by run-off.

With proper design one can irrigate more acres properly with the same amount of water over the furrow type irrigation being used now using the same amount of water.

The sprinkler is a very versatile type of irrigation since it can be used on most soils and on the steeper slopes.

If you would like to have information on a sprinkler system contact the local SCS office.

Castor Beans, Kafir Acreage Due Increase

Contracts which will open the way to more acreage of castor beans and kafir in the Curry and Farmer County areas are now being made by Golden West Seed Company of Texico.

Pat Patrick, manager of the firm, says he hopes to write contracts with farmers for 5,000 acres of castor beans and 4,000 acres of kafir, in addition to limited acreage of sudans, cane, hegarl and other seed crops.

None of these crops have been grown on a very large scale in this area in recent years, but Patrick believes that any of them can be more profitable than grain sorghum.

Last year Golden West contracted 2,000 acres of castor beans with farmers in the area. While it was a rather poor year for the bean growers, the average yield was around 1100 and 1200 pounds. Some were as high as 1600 pounds.

The price paid for the beans was \$5.25, thus grossing the farmer around \$60 per acre. Yields were lower than had been hoped for, and this was attributed to the unusual cold, wet weather.

It was also a bad year for cotton, and for best results, castor beans require the same type of weather conditions as does cotton.

Patrick believes that high yields of castor beans can be grown in the area and that the crop can be a profitable one. He says that many yields in the Plainview area, where they have been growing castor beans for quite a few years, have been higher than 2,000 pounds per acre.

Contracts being entered into this year call for the same \$5.25 per hundred weight.

On kafir, the contracts call for a payment of 15 cents above the farm stored loan. "On the 1960 basis, this would be a \$1.63 per hundred weight," Patrick says.

Golden West has entered into an agreement with the Corn Producers Co. of Corpus Christi, a firm which will use the kafir for starch.

Kafir, which once was a big crop in this area, should yield right along with many of the milo varieties grown here,

Patrick believes. Farmers should have little trouble getting 5,000 pounds per acre, the Golden West manager says.

On sudan, another crop which Golden West will contract this year, "We would take as high

as 2,000 or 3,000 acres," Patrick says, provided that the seed produced could be certified.

Acreage on cane, hegarl and other seed crops will be on a limited basis, he says.

WITH THE COUNTY AGENT

JOE JONES

Soil sample reports continue to come in. The total to date is nearing 200. In most instances some phosphate is being recommended even on grain sorghum. This is a surprise to some, and of course, others were expecting the need for phosphate to be reflected by the analysis.

The importance of phosphate placement cannot be overlooked, so in line with the need for correct placement of fertilizer, a meeting with research people is being arranged where this subject will be discussed.

Working with Mr. A. L. Black, chairman of the 4-point soil fertility Committee, we have arranged a program to be held in the Oklahoma Lane Community Center, Thursday, afternoon February 23, beginning at 2:00 p. m. The community center is located 6 miles west of Clays Corner, or 13 miles east of Farwell on Farm-to-Market Road 145.

Dr. Alex Pope, research agronomist Southwestern Field Station, Bushland, Texas, will discuss time, placement, and sources of plant food on grain sorghum and wheat. Mr. Harvey Walker, associate agronomist, Texas Agricultural Experiment Station, Lubbock, will discuss time, placement and source of elements on cotton. Mr. Elmer Hudspeth, agricultural engineer, Agricultural Research Service, station at the Southwestern Great Plains Field Station, will discuss fertilizer equipment.

Mr. Billy C. Gunter, area agronomist, Extension Service from Lubbock, will discuss seedling diseases of Cotton. Mr. Jim Valentine, area soil chemist who heads up the Extension Soil Testing Laboratory at Lubbock, will give a short report on Farmer County soil analysis. Hope to see all of you out to this program that will be getting down to this very important part of our farming operation. Yes, the placement of fertilizer elements.

Shipment of the small seedling trees is to begin this week. You should have received notice when they are being shipped, but this is not always the case. You should have your place prepared and everything ready. Be sure you read the

instructions we sent you real close. You can do a lot of work and make an awful lot of plans and end up with only dead trees and shattered plans, if care is not exercised when setting the trees. Be sure to check with the post office or freight station soon after you receive your notice of shipment. Trees must not lay over in hot buildings for very long.

I have 50 lbs. of poison oats for prairie dog work, if any of you need to get rid of your dogs. The 50 lbs. costs \$11.50.

The regular monthly meeting on farm and home management will be held in the meeting room of the Friona State Bank, 1:30-3:30 p. m. February 20th. Miss Mildred Webb, area home management specialist, stationed at Lubbock, will present a portion of the program on "Your Food Dollar." You ladies should be especially interested in this part of the program. Other management topics and Farm Record will be discussed at this meeting.

The number of farm and urban families, homemakers and youth receiving assistance from the Cooperative Extension Service of the USDA and Land-Grant Colleges and Universities last year set a new record. More than 13 million people took advantage of the agency's "out-of-school" education program to help solve farm, home and community problems--an increase of 7 percent over the previous year.

A Nacogdoches county 4-H boy, Benny Goodman of Douglas, topped all competitors in the 1960 statewide Texas Hybrid Corn Program. His yield was 139.5 bushels from his acre of Texas 30 and was made under irrigation. The top dry-land yield was made by Victor Degner of Hill county, 129.2 bushels from an acre of Texas 28.

HD Agent's Gossip

BY MISS ETTIE MUSIL

Now is the time for all rose growers to come to the aid of their rose bushes. That is, if they need pruning. Early spring is the best time of the year to prune roses. The kind and amount of pruning to be done varies with the types and varieties of roses.

On hybrid tea and floribunda roses pruning should be done to cut out dead wood. Sometimes weak and spindly canes or stems need to be removed to allow stronger stems to become stronger or new stems to form and grow.

To shape a more attractive rose bush you may prune all good stems or canes to about 24 inches from the grounds. Of course, you don't want to cut all canes across like a table. This shape would not show a natural appearance.

Proper pruning should always be practiced for producing the greatest number of flowers. Don't just cut to be cutting the stems. Always cut about one-half inch above a leaf bud. If you wish the bush to grow outward, cut the stem above the leaf bud on the outside of the stem. When the leaf or stem begins to grow it will bush outward. Naturally, cutting the stem above a bud, on the inside of the bush will force the bush to appear bushier.

If you wish more information about growing roses you may ask for the free bulletin, "Roses for Texas." Such information is

included as selecting the best location where the plants will receive at least 6 hours of sunlight a day and not planting too close to trees. Other information tells about type of soil and drainage, pictures of how to plant, how to prune climbing roses, what kind of mulch to use, diseases and insects common to roses and what to spray or dust to use to prevent or cure these conditions. Write or call me now to send you a copy.

We were all so proud of all the 4-H boys and girls who received the award medals and year pins. It was very inspiring to see about 200 parents, friends, guests, and 4-H boys and girls witnessing this great annual occasion Saturday night, in the Oklahoma Lane Community Center. I would like to congratulate all the girls and boys who were on the program for the good job each one did.

Linda Gleason, 4-H Council Chairman, served as Mistress of Ceremonies, Keith Black led the pledge of allegiance to the Flag, Mike Hinkson led the 4-H pledge, and Reba Lesly closed the program with the 4-H prayer.

Johnny Mabry and Janis Billingsley discussed colored slides of 1960 4-H projects and activities while Mr. Leon Billingsley, adult leader, operated the slide projector. We were happy to have County Judge Brewer present the medals and pins to the 4-H honorees.

As Joe W. Jones, county agricultural agent, showed the movie, "The Unchained Frontier," I thought of outstanding 4-H boys and girls in the district, state or national having similar opportunities to travel as the wheat queen had in the movie. Much hard, determined work

goes into worthy 4-H boys and girls before they are eligible to receive awards and recognitions. We hope to develop leadership in more boys and girls in the future years. Adult leaders decorated the community center and 4-H girls brought cookies for refreshments.

Wall Surface Materials Studied

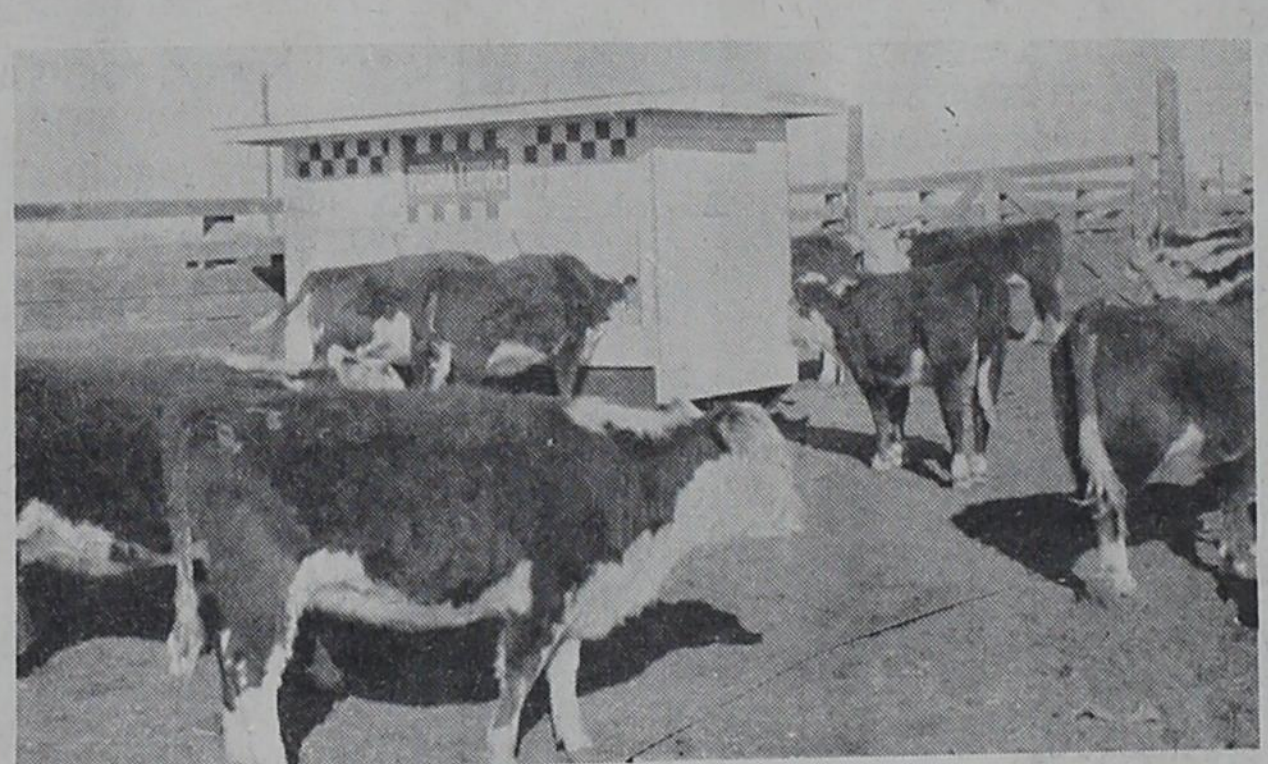

Anyone planning to build a new home or renovate their old one would do well to spend the few minutes necessary to read a recent publication of the Texas Agricultural Experiment Station. This publication is a report of studies conducted to determine the scrub-resistance characteristics of kitchen and bathroom wall-surfacing materials.

As every housewife knows, the walls of the kitchen and bathroom require much more cleaning than do other walls in the home. Because these walls are subjected to extra harsh treatment, it is wise to use coverings that are resistant to damage. Use of the proper covering in the first place can save unnecessary expenses for replacement or repairs later on.

In the tests, ten different types of wall-surfacing materials were scrubbed with three familiar brands of washing powder. To insure uniformity, the tests were made with a scrubbing machine. The cleansing powders used were non-abrasive, mild abrasive and moderately strong abrasive.

All wall materials tested had good resistance to scrubbing with the non-abrasive cleanser, and no damage to any of the glossy surfaces was noted. In contrast, the surface or the gloss of many of the materials was damaged by the stronger abrasives.

The ceramic tiles, porcelain-on-steel, stainless steel and vinylized fabric showed little damage from any of the three cleaners. Plastic tiles, flexible rubber and enameled steel showed some change after abrasive scrubbing. Pre-finished wallboard, enameled steel, thermoplastic laminated sheeting and copper tiles showed the most damage from abrasive scrubbing.

Annual Texas 4-H Roundup Set For June 6 And 7

The annual Texas 4-H Club Roundup will be held at Texas A&M College on June 6 and 7. The big day will be the 7th when hundreds of young Texans will vie for honors in the 25 judging and demonstration contests.

The two high ranking teams or individuals from each Extension District are eligible to participate in the statewide contest scheduled for Roundup. The district winners will be selected in district elimination contests held prior to the state meeting. The boys and girls who attend Roundup will be accompanied by either their county extension agent or agents or by adult leaders.

Many of the state winning teams and individuals later in the year will represent their state in national contests and will, therefore, have an opportunity to add further to their training and 4-H experiences.

Program details are not yet available but will be announced well in advance of the June meeting, according to Extension Service officials.

NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

Attending a District II meeting of Farm Bureau Leaders in Lubbock on Tuesday of last week were Herman Geries, Ernest Kube, F. D. Carter, Donald Christian, Raymond Schlabs, Vernon Symcox and M. T. Glasscock. The subjects to be discussed were National Cotton Council, Domestic Labor, Foreign Labor, Rights of Farmers in case of Labor Strikes, Sugar Beets, Membership and other business. We are glad for this good representative group of Farm Bureau men from Parmer County.

If you would be interested in browsing through Congressional Records of this session, we have them stacked in the front section of the office where there is a good seat for you to relax and read if you like.

"The way to destroy capitalism is to debase the currency. Through a continuing process of inflation, a government can quietly and unobservedly confiscate the wealth of its citizens." This quote is from Karl Marx and we quote it for the serious consideration of a few friends we have heard say they don't exactly like inflation, but that it is pretty good in some ways.

Farm Bureau Directors voted last week to solicit and use funds received to place bids on livestock at the Parmer County Fat Stock Show in March, as they did last year. Discussion centered around the fact that such bidding helped sale of the animals and provided the producers the incentive of more premium money in appreciation of their efforts in raising quality livestock.

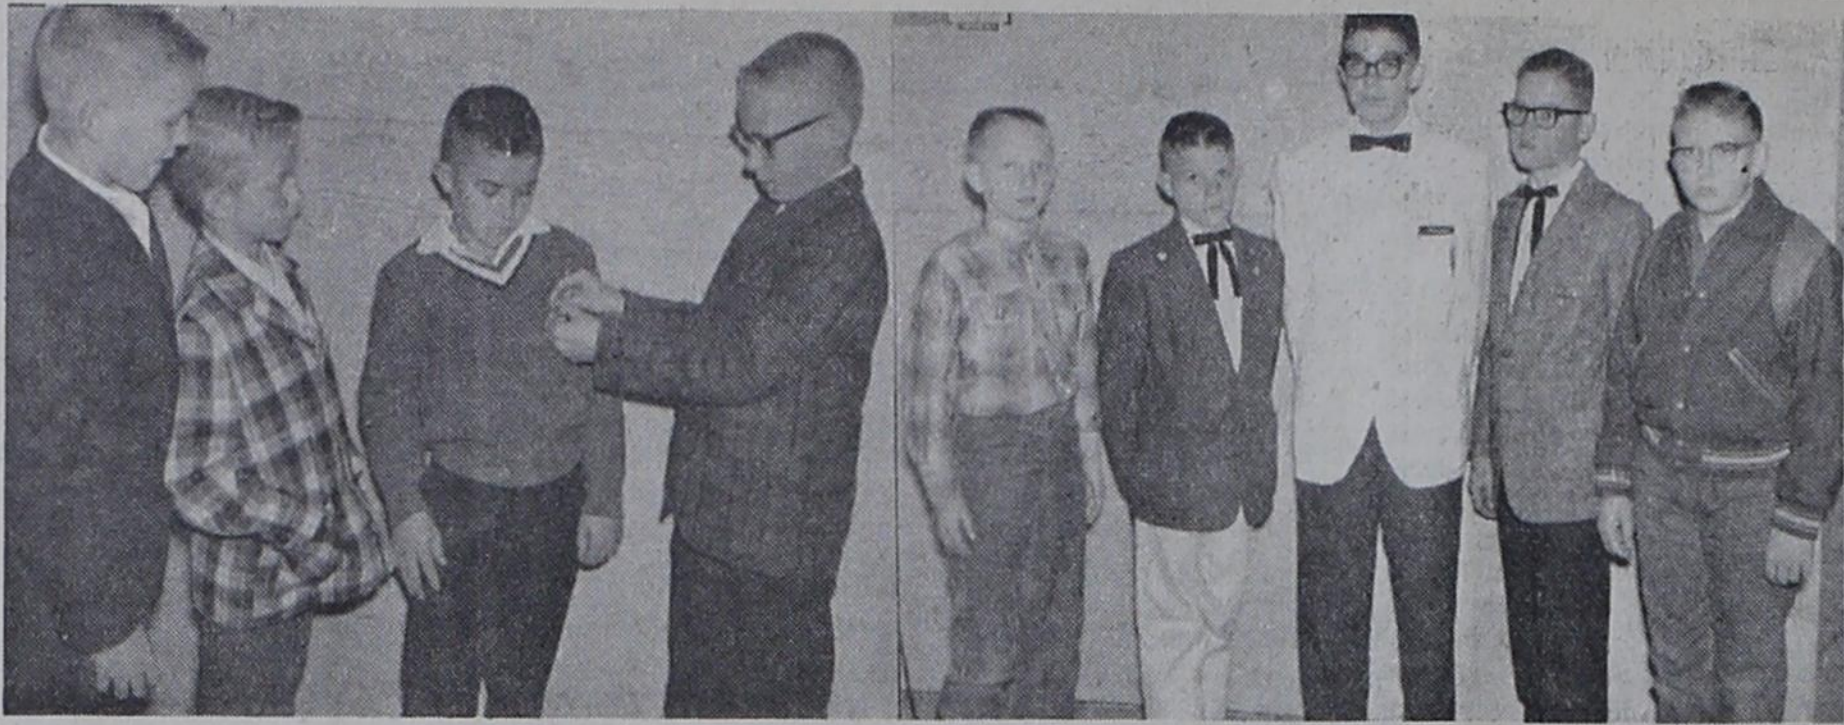

Vice President Donald Christian made a report on the state-wide Farm Bureau Membership meeting he attended in Abilene recently. He told directors that he inquired about a rumor that Farm Bureau was opposed to the sugar beet program being promoted in the state, and was shown that Farm Bureau policies favored, and had favored increase of the domestic sugar beet acreage for several years.

CONSIDER THIS: An angry man stirreth up strife, and a furious man aboundeth in transgression. Proverbs 29:22.

A clerk was helping an illiterate backwoodsman fill out papers to begin receiving Social Security payments.

"Do you belong to the Communist Party, or to any group that plans to overthrow the government?" asked the clerk. "Yup," replied the applicant. Taken aback at the old man's candor, the clerk asked: "Which one?" "The Democrats," was the reply.

The HAPPY HOMEMAKER

BY JUNE FLOYD

Are you making plans now for a vegetable garden? If so, study varieties of seeds carefully to determine whether they are suitable for you needs. Some varieties of peas and corn freeze much better than others. You can get a list of the better freezing varieties from the home demonstration agent.

If you make plans now, you will have plenty of time to have the seeds you want ordered if your dealer doesn't have them in stock.

For experimentation purposes this spring the Floyds plan to try some of the plant pots that are made of fertilizer. According to the advertisement concerning these pots, plants, you just plant them and they disintegrate. No fertilizer is needed to grow plants and much less water is required.

Snap fasteners are simple to put on if you put all the snap parts on one side of the garment first. Then use a piece of chalk on each fastener and rub against opposite side of material. This will insure your getting the snaps exactly opposite each other.

A simple to prepare one dish meal is:
TUNA-MACARONI CASSEROLE
1 cup uncooked elbow macaroni
1 10 1/2 ounce can cream of mushroom soup
1 cup milk
1 tablespoon chopped onion
1 tablespoon chopped pimiento
2 tablespoons chopped green pepper
1/4 teaspoon black pepper
1/4 pound cubed cheese
1 can tuna

1/2 teaspoon salt
Cook macaroni according to directions on package. Set aside. Combine soup, milk, chopped onion, pimiento, green pepper and black pepper. Place over low heat, add cubed cheese and stir occasionally until cheese is melted.
Mix macaroni and tuna in 1 1/2 quart casserole. Blend in cheese sauce. Bake in moderate oven (325 degrees) about 20 minutes.

For something different and very tasty, try this recipe for:
BAKED STUFFED FRANKFURTERS
2 cups soft bread crumbs
1/2 teaspoon salt
1 teaspoon sage
dash of pepper
1 small onion, finely chopped
2 tablespoons butter
10 frankfurters
5 strips of bacon
Melt butter in heavy skillet add onion and fry to golden color stirring occasionally. Meanwhile combine crumbs and seasonings in bowl. Add onions and mix well.
Split frankfurters lengthwise. Fill with stuffings and wrap

each half with strip of bacon. Fasten with a toothpick. Place in shallow baking dish and bake at 350 degrees for 30 minutes.

Want a variety of cookies in your cookie jar? If so, add the following recipe to your collection and use it often.
PUMPKIN-NUT COOKIES
1 cup butter or margarine
1 cup brown sugar, firmly packed
1 cup cooked pumpkin, mashed
1/2 teaspoon orange extract
1 egg
2 cups sifted flour
2 teaspoons baking powder
1 1/4 teaspoons pumpkin pie spices
1/4 teaspoon salt
2 cups chopped walnuts
Cream margarine and sugar together thoroughly. Add pumpkin, orange extract and egg, blending well. Sift flour with baking powder, salt and spices. Blend into first mixture.
Stir in walnuts. Drop into first mixture. Stir in walnuts. Drop by teaspoonful onto greased cookie sheet. Bake at 375 for 12 minutes. Makes about five dozen cookies.

WINNERS OF 4-H ACHIEVEMENT AWARDS in Parmer County include the boys pictured above. In picture at left are winners in the swine competition. From left to right are Larry Gregory, Bobby Gleason, Terry Parham and Timmy Foster. Winners in the beef division, pictured at right, are Bobby Redwine, Eddy Wood, Steven Young, Buddy Embry and Charles Shulk. Young was also winner of the gold star award, presented to the all-around boy in 4-H work.

FOOTSAVING EDUCATION
By James E. Edwards
Are pre-walking shoes important?
The harm done by outgrown pre-walkers is very important. The younger the child the softer the bones. Many children have the beginning of bunions before they wear any shoes because their feet were bound in the feet of outgrown pajamas.
Pre-walking children should wear shoes only when the house is cold enough that he needs mittens on his hands. Parents marvel at the way their babies flex their toes when they take their shoes off but they seldom think of the fact that using those muscles is the only way known to strengthen them. Even good fitting shoes discourage exercise.
We have a tradition that feet should be hurt and not seen. It comes to us from our ancestors whose feet were a sickening sight but have you noticed pictures of the royal family of England? The baby's bare feet hanging out? Hail the Queen! It ever becomes stylish to wear shoes only when shoes are needed we will all have healthier feet and shoemen will not be faced with the impossible task of making abnormal feet comfortable in normal shoes.

Bro. Herring Speaks At Church Valentine Banquet

A valentine banquet for the junior department of the First Baptist Church of Farwell was held Tuesday night in the church fellowship hall. Twenty-six members, seven adult leaders, and two guests, Bro. and Mrs. Carrol Herring from the West Baptist Church, were in attendance.

Bro. Herring used the theme, "Remember the Creator in the Days of Thy Youth," for his speech. Mrs. Lois Smith served as Mistress of Ceremonies. The menu consisted of pigs in blankets, assorted relishes, potato salad, green beans, punch, cake and ice cream and was prepared by mothers of

junior department members. Five intermediate girls, Dona Dunn, Peggy Eason, Laura Gray, Susan Blair and Linda Langston, served.

The tables were covered in white and had red hearts placed down the length of them. The head table centerpiece consisted of a three dimensional large red heart edged in lace and set in styrofoam with smaller styrofoam hearts trimmed in ruffled red net and centered with a cupid on either side.

A white branch with red heart shaped suckers tied on with red ribbon and ceramic angels sitting at the base centered the end table.

'Stairway To The Stars' Is Theme Of Texico Sweetheart Banquet

"Stairway to the Stars," was the theme of the second annual sweetheart banquet held at the Texico Baptist Church Tuesday evening.

Decorations followed the same theme with one end of the banquet room having a small silver stairway leading upward. Blue and white fringed streamers fell from the stairway amid tumble weeds which had been sprayed white to resemble clouds. Tiny silver stars were sprinkled over the entire setting.

The ceiling of the room was draped with blue and white

streamers and had blue and white balloons placed at intervals.

Tables in the room were covered in white and each place was marked with a star-shaped menu. A unique floral arrangement, designed by Mrs. Willie Wall, centered the speakers table.

Serving the dinner of fried chicken, gravy, creamed potatoes, string beans, hot rolls, tossed salad, ice cream, cake, punch and mints were Mesdames J. J. Hudson and J. O. Morris.

Speaker for the occasion was

Rev. Orvel Brantley, pastor of the church.

The invocation was given by Leon Kelley and Billy Smith gave the benediction. Several musical selections were presented during the evening.

Master of ceremonies was Willie Wall.

Valentine Decorations Highlight Party Given Mrs. Perry Winkles

Valentine decorations highlighted a combination surprise birthday party and dinner given Mrs. Perry Winkles by members of the Ladies Auxiliary of the Fire Department Wednesday night at the Texico Fire Department meeting room.

Mrs. Winkles, president of the auxiliary, was presented with a large round mirror, after a baked ham dinner had been served to members and their husbands.

The heart-shaped birthday cake, baked by Mrs. Russell Johnson, was iced in white and inscribed with the words, "Happy Birthday, Rada" in pink.

Attending the social were Mr. and Mrs. Elmer Teel, Mr. and Mrs. Jim Pierce, Mr. and

Mrs. John Adams, Mr. and Mrs. Otis Huggins, Mr. and Mrs. Fred Danforth, Mr. and Mrs. Don Fought, Mr. and Mrs. Rip Snodgrass, Mr. and Mrs. Russell Johnson, Mr. and Mrs. F.S. Thigpen, Mr. and Mrs. C.H. Webb and the honoree and her husband, Perry Winkles.

Also attending were Donald Callouet, Janice Adams, Billy Thigpen, Glenda Billingsley and Don Johnson.

Garden Club Meets In Farley Home

The West Plains Garden Club met Friday afternoon in the home of Mrs. R.L. Farley. A Valentine exchange was the opening exercise.

During a short business meeting the president, Mrs. Farley, appointed a card and flower committee. To serve on the committee are Mesdames F.A. Grimsley, Edmund Kitten, and Grady King.

In keeping with the thought for the day--The sharing of blossoms brings hope to the one who receives, and gladdens the heart of the giver--members spent the afternoon making flower containers.

Seven members and one new member, Mrs. Henry Bass, attended the meeting.

Club members will meet with Mrs. Grady King on February 24 at 2:30.

ESA Collects \$220 For MOD

A near-complete report on the ESA's March of Dimes drive showed that \$220.37 had been collected and turned in to date when members of the organization met Tuesday night in the home of Mrs. Wilma Limer.

The money was raised in Farwell during the annual ESA Mother's March.

Following the business meeting, the hostess served refreshments of German chocolate cake, coffee, and individual heart-shaped Jell-O salads with whipped cream to Mesdames M. C. Roberts, W. H. Graham, John Getz, Joe Helton, Ted Magness, Doyle Brook, Mitz Walling, Bert Williams, Don Williams and John McFarland.

Modern Homemakers Make Art Corsages

Corsage making was the order of the day when ten members of the Texico Modern Homemakers met Tuesday morning with Mrs. Leroy Williams, 1019 Reid Street in Clovis.

Mrs. Jack Cole and Mrs. Vernon Allen demonstrated how to make rose and chrysanthemum art craft corsages.

The hostess served refreshments of coffee and heart shaped spudnuts.

The next meeting will be Feb. 28 in the home of Mrs. Paul Skaggs. Mrs. Lillie Mae Daughtrey will be in charge of a sewing machine clinic.

Hapke Completes Navy Radio School

Navy Radioman First Class and Mrs. Frank Hapke returned home this week from Bainbridge, Maryland, here he attended a 9-month radio school.

Hapke ranked third in his class of 19. He received instruction in electronics and maintenance and repair of radio equipment.

The Hapke's will be here until March 6 when he leaves for a new assignment with the Navy at Cutler, Maine. They are currently visiting with his parents, Mr. and Mrs. Alfred Hapke of Texico, her brother-in-law and family, Mr. and Mrs. Jim Bob Smart of Farwell; and her parents, Mr. and Mrs. Lloyd Sanderson of Portales.

MEMBERS OF OLDEST graduating classes attending the Texico Homecoming were Mr. and Mrs. Olan Schlueter. He graduated with the Class of '22 and she graduated the following year.

Miss White--

at Texico, and Miss White reigns as the first homecoming queen of Texico High School.

Activities began before the B team game with the invocation by Paul Crooks, a former student, after which Mrs. Bobbye Heartwig, past president of the student body, led the audience in singing the national anthem.

The welcome was given by Dwight Turner. During half-time activities, the band formed an 'X' in honor of x-students and the majorettes, Judy Tharp, Beth Peyton and Calaya Roberts, gave a twirling exhibition.

A reception was held after the ball games in the auditorium. Green and white, school colors, set the theme for the decorations. Heart-shaped spudnuts and coffee were served before the huge sheet cake decorated with hearts was cut in honor of Mr. and Mrs. Olan Schlueter, members of the oldest graduating class in attendance at the affair.

Carl Bulluck, from Las Cruces was recognized as the ex-student traveling the furthest distance to attend the function.

Guests were registered at the reception by Donna Kay Osborn. Presiding at the serving table were Judy Lovett and Cynthia Spence.

All plans for the homecoming were handled by the student council and their sponsors, Mrs. Buck Doran and Paul Frederick.

"In order to avoid confusion, invitations were sent only to out of town students who had no relatives living here," said Dwight Turner, president of the council.

Turner also thanked members of the band and their director, Fred Danforth, for providing music for the homecoming activities.

Civil Defense Meeting To Be February 28

A county-wide meeting on civil defense is scheduled for February 28, at 7 p. m. in the community room of the Friona State Bank, announces Farmer County Judge Loyde Brewer.

Brewer, who is the civil defense leader in the county, says the purpose of the meeting is to discuss the possibility of organizing a civil defense group here.

Community leaders from throughout the county will be invited to attend. "We will decide at the meeting whether or not we want a civil defense unit," Brewer says.

Lazbuddie News--

12; Cooper Young--Feb. 14; Allison Precure--Feb. 16; and James Gully--Feb. 18. Special birthday greetings go to Grandpa J. Paul who will be 94 years of age today (Feb. 16).

Mr. and Mrs. Travis Lloyd and Parsy from Bovina were Sunday guests in the T.O. Lesly home.

Mr. and Mrs. Less Bruns and family visited their daughter and her husband, Mr. and Mrs. Joe Pattie, in Amarillo over the week end.

Mr. and Mrs. John Littlefield were in Groom Sunday visiting his mother on her 84th birthday. To help celebrate the occasion, 22 visitors brought gifts and enjoyed a birthday dinner and large birthday cake.

Mr. and Mrs. Loren Howard from Odessa spent the week end with her parents, the J.D. Carpenters.

James Nolan, son of the J.E. Nolans, is in the Muleshoe Hospital and Clinic this week for medical care.

Mr. and Mrs. George Haskins Sr. visited Sunday with her sister and family, the W.T. Tims, in Lockney.

Mr. and Mrs. James Harvey and children visited in Plainview Sunday with his parents, the H.A. Harveys.

Mr. and Mrs. Charlie Watson, Benny and Leon, attended the Primitive Baptist Church services in Clovis Sunday.

Mr. and Mrs. Joe M. Villarreal and children recently moved to Muleshoe.

Mr. and Mrs. Clayton Ray Greaf, Lesa and Brent, are moving this week to south Texas.

Mr. and Mrs. Rufus Carter visited in Farwell Sunday with their daughter and family, the L. H. Bradshaws. Bradshaw, who owns the City Cafe in Farwell, cooked and served a birthday dinner at the cafe at noon Sunday for his wife, son and Mrs. Carter. The three all have birthdays in February.

Congratulations to Steve Young for being Farmer County Gold Star winner in 4-H. Steve, a freshman in Lazbuddie school, is the son of Mr. and Mrs. J.B. Young.

Mrs. Rufus Carter and Mrs. Glen Stephens visited last Friday with Mrs. Eugene Martin in Big Square.

Mr. and Mrs. John Agee were in Littlefield Monday to visit his father who is in the hospital. It is thought that he has improved some from the stroke he had suffered.

Mr. and Mrs. Joe F. Paul and children visited Sunday with the Ralph Pauls in Hereford. A birthday party was held in

Three County School Trustees To Be Elected

Three Parmer County school trustees will be elected for two-year terms during county-wide school elections on April 1.

Members of the board whose terms are expiring are J. L. Shafer, Precinct 1 (Friona), Joe Wilson, Precinct 2 (Bovina), and Clyde Magness, Precinct 3 (Farwell).

Deadline for filing names of candidates for this election is March 1, says County Judge Loyde Brewer. All names of candidates must be filed at the judge's office.

Also on the same day, several positions will be filled on each of the local school boards in the county.

Candidates names for positions on the Lazbuddie and Bovina boards must be filed at the judge's office and candidates for Farwell and Friona must file with the school board secretaries in each town.

One girl to another: "Of course I wouldn't say anything about her unless I could say something good. And, oh boy, is this good..."

Wolves Finish--

30 of Texico's points, while Reid had 8 and Kelley 6.

Against Elida Saturday night, the Wolverines pulled out all stops in rollicking to a 70-34 win in Texico's homecoming game.

Ten players got into the scoring columns as the Wolves romped to a 14-5 lead in the first period, increased it to 29-11 at the half and 50-19 at the three-quarter mark.

Kelley was high for Texico with 17 points and Turner had 10.

On The Line--

so he favored the Federal-aid highway program.

He signed a petition seeking Federal assistance in developing an industrial project to help the economy of his area. He was a leader in obtaining the new Federal building and a new post office and went to Washington with a group to ask Congress to build a great dam costing millions so that the area could get "cheap electricity."

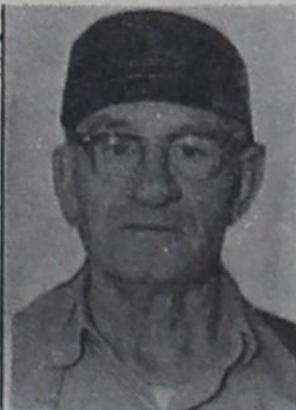

Then, one day, he wrote to his Congressman: "I wish to protest excessive Government spending and high taxes. I believe in rugged individualism. I think people should stand on their own two feet without expecting Government handouts. I am opposed to all socialistic trends and I demand a return to the principles of our Constitution."

Having gone from office to office, an elderly lady was finally permitted to see a high-up official at the Department of Agriculture. "But I want to see the Secretary of Agriculture!" she protested.

"He's out of town, but perhaps I can help you," suggested the official.

"Well," she hesitated, "I've got a tomato plant that looks kind of puny."

Uncle Ray's "Hot Air"

"Modern paintings are like women. You'll never enjoy them if you try to understand them."

About the only two things a child will share willingly are communicable diseases and his mother's age.

"Some girls break a date just by going out with him."

You can always find lots of good grocery buys at Uncle Ray's every day of the week.
