SIXTY-FIFTH YEAR

15 CENTS

Some time it takes awhile for a good deed to come to the surface. Last week a good deed paid off in saving a human life. Some time ago the community, through an anonymous donation, acquired a Data Scope and Defibrillator for the use of our doctor. We are very happy to report that it saved a life last week.

According to Dr. Jerry Don Gregory, a patient suffered cardiac arrest while in the medical clinic. By the prompt starting of Cardiac Pulmonary Resuscitation and shocking the heart with the defibrillator, the patient was revived. We can also report that the patient is now on the road to mending and the heart specialists in Lubbock who eventually took over the case complimented Dr. Gregory and all who were involved in the emergency.

The machine had been used prior to this as a diagnostic tool and has been very helpful in detecting a malfunction of the heart. We now know that it can save a life. We give a deep vote of thanks to Dr. Gregory, our Volunteer Fire Department, and to those who are responsible for the machine being in our medical clinic.

Thanks to the last-second heroics of "Jolly Roger and his Stamping Cowboys" there was no tie game on the football contest this week. However, according to the entries we scored, the Houston upset of the Aggies ranked right up with the victory the Patriots pulled on the Steelers.

There were only 11 contestants who figured the Patriot game and only several more who called for Houston. Unfortunately for these seers, their other guesses did not rank them up with the winners. If the Patriots knock off the L.A. Rams this week they are entitled to some sort of a medal for confounding the experts and beating three of the toughest teams in pro football.

We wonder where the reading of books for pastime has gone in Farwell? Reading books for pleasure seems to be on the decline here. We received a report from the High Plains Bookmobile listing the youngsters who participated in the Bookmobile Summer Reading Club. Farwell has listed DeAnn Curtis, Jana Been, Cynthia Curtis and Jason Fulewider. By comparison, Sudan has listed 14 youngsters and Springlake-Earth has 15. It did list Homer Anzaldua from Lariat as being one of the few who received an award for reading 12 or more books. Homer, along with Tracy Moore from Bovina were the only ones from Parmer County who qualified for this distinction. Good show, Homer!

We can't help it. We just have to expose the almost unimaginable lengths to which our liberal bureaucracy goes to enforce "Rights."

In New York state, under their new Human Rights Law, Queers, Lesbians and just plain old "Shack Jobs" can now qualify for a "family membership." For example: health clubs, concert associations, country clubs, bridge clubs or any group that offers a "family membership" must accept any two people living together. The law also prohibits discrimination on the basis of marital status in public accommodations, employment, housing and credit. What a repulsive can of worms this opens up. Imagine, if Mrs. Astrobucks advertised for a live-in couple to act as maid and valet and two fruitcakes showed up. New York is slowly creeping up on California as the center of screwball living.

We recently read two unconnected items that somehow maybe should be together. Item one: Last Sunday a band of terrorists invaded a hotel in Syria and took a group of people hostage. The Syrian Army stormed the hotel and freed the captives. Monday morning bright and early a trial was held, they were convicted of terrorism and by (Continued on Page 2)

Fire Fighters At Work

Members of the Farwell Volunteer Fire Department are pictured fighting a blaze which broke out late Monday evening in a house located at 201 Second Street. The house is owned by Charlie Christian. Lee Hutchins, Farwell fire chief, said the fire apparently broke out in the corner of the living room near the television set. According to Hutchins, the cause has not been determined. He added that the fire was contained in the living room, and caused extensive smoke and heat damage to that area of the house.

Candidates Chosen - -

Preparations Underway For Farwell Homecoming

Preparations are underway at Farwell High School for the annual homecoming celebration set for Friday, Oct. 8.

High school girls selected the King candidates and the football team selected candidates for Queen.

A candidate was selected from each class and the at-large candidates were selected from all the classes.

Voting for the Queen and King was to be this week, but the results will be kept secret until the crowning of the candidates. The homecoming royalty will receive their crowns during the pre-game pep rally set for 2:50 p.m. on October 8.

The at-large Queen candidate is junior D'Lynn Eubank, daughter of Mr. and Mrs. J.

W. Eubank. Other candidates include senior Sherri McCully, daughter of Mr. and Mrs. Bill Hagler; junior Penny Hughes, daughter of Mr. and Mrs. Walter Hughes; sophomore Roxie Chandler, daughter of Mr. and Mrs. Martin Chandler; and freshman Carole Perkins, daughter of Mr. and Mrs. James Perkins.

Russ Jones, junior, is the at-large King candidate. He is the son of Mr. and Mrs. Joe Jones. Other contenders for the King's crown are senior Steve Meeks, son of Mr. and Mrs. Leon Meeks; junior Richard Yruegas, son of Mr. and Mrs. Basilo Yruegas; sophomore D. D. Foster, son of Mr. and Mrs. Lewis Foster; and freshman Mark Owen, son

of Mr. and Mrs. Jerry Dee Owen.

The traditional bonfire to kick off the celebration will be Thursday night, Oct. 7, south of the high school. Jack Williams, high school principal, said the bonfire will begin "when it gets dark enough."

Other homecoming events include a chicken supper sponsored by the junior class. Serving time in the cafeteria will be from 5 p.m. to 8 p.m. Tickets cost \$2.50 for adults and \$1.50 for children 12 and under. They can be purchased from members of the junior class or at the door.

The homecoming contest will pit the Farwell Steers against the Boys Ranch Roughriders Friday night at 8

Rat Population Still Is Problem

According to The Reader's Digest Great Encyclopedic Dictionary, a rat is "a destructive and injurious rodent of world-wide distribution, larger and more aggressive than the mouse." The dictionary also states that rats are carriers of bubonic plague and endemic typhus.

Farwell is fast becoming a metropolis for the disease-carrying rodents with a heavy population building up.

According to City Marshal Ronnie Mitchell, total public cooperation is needed if the problem is to be dealt with before it gets out of control.

He added that several areas in town already have numerous burrows and a flourishing rat population which is increasing rather than decreasing.

The local marshal said that garbage, debris-covered property and heavily-weeded areas attract pests and encourage them to establish their domain there. Another attraction is chicken feed stored in houses within city limits.

Mitchell said that Wednesday, Sept. 22, representatives from the Texas Department of Health Resources spent the day in town viewing the situ-

ation. They stressed that rats carry fleas which in turn carry illnesses which can be transmitted to human beings.

In order to clean up the problem of rat infestation Mitchell strongly suggests that residents clean up trash heaps, cut weedy areas and remove chicken coops to areas outside of the city limits. Chicken feed should be stored in metal containers.

Section 4 of the Public Health Code clearly sets the guidelines for handling garbage and refuse within the city limits.

"(a) A premise occupied for residential, business or pleasure purposes shall be kept in sanitary condition."

Section 21 says "every person, firm, or corporation possessing any place that is infested with rodents shall as soon as such condition comes to their knowledge, proceed and continue in good faith to endeavor to exterminate and destroy all such rodents by the process of poisoning, trapping, fumigation, or any other appropriate means and shall immediately proceed to provide every possible practical means of stopping in any such place."

Mitchell explained that the city can file on any person who violates the code and refuses to correct the situation. He added that citizens may also file on their neighbors if their premises are health hazards.

Mitchell emphasizes that the key words to solving the rat dilemma is "cut off their food and water supply and cut the weeds."

Lazbuddie Homecoming Celebration Set Tonight

A barbecue supper in the school cafeteria sponsored by the senior class will kick off tonight's (Friday) homecoming celebration at Lazbuddie High School. Serving time will be from 6 to 7:30 p.m. and after the football game.

On the menu with the barbecue are beans, potato salad, homemade pie, hot rolls and iced tea. Tickets are \$2.50 for adults and \$1.75 for children 12

Nine was the magic number for local football game predictors the past week as nine was the highest number of games called correctly in the fourth week of the Merchants Football Contest. In one of the lower-scoring weeks of the contest, many tallies of three and four games showed up, narrowing the distance be-

tween first and second place leaders to one point.

Charles Hargrove, Farwell, took top money of \$7.50 this time by choosing nine winners and by guessing the Texico-Melrose tiebreaker within three points. Tying for second and third place were Vernon Thigpen and Tex Smith who each called nine games right and

missed the tiebreaker score by 13 points. Others calling nine winners were Kirk McFarland and Nelda Wilhite.

Louise Hancock, who held the leader's position all alone last week, only called six games correctly this week and barely stayed in first place slot which she now shares with Leigh Ann Kirkland who

called eight games right this week. They each have called 35 games correctly.

Contestants in second place, only one point behind the leaders with 34 games right, are Donald Jones, Thad Phillips, W.M. Roberts, Eddie B. Smith and Missy Taylor.

Close behind in third place with 33 points are Susan France, D'Lynn Eubank, Becky Inge, Wallace Inge, Ruth Newell, Tex Smith, Vernon Thigpen, Beulah Williams, Clay Williams and Dorris White.

Ol' Man Upset played his part in the low-scoring contest with most guessers being foiled on the Pittsburgh Steeler loss to New England. Only 11 entrants chose the Patriots as victors. In the college ranks, the local prognosticators were fooled on the Texas A&M - Houston outcome, and a majority of contestants also thought West Texas State would top Southern Illinois. Closer to home, more than half the entrants thought Vega would beat Claude, further lowering scores in this week of guessing.

Although this week showed several lower numbers of games called right, this year's contest leaders are guessing at a high percentage, the first place leaders hitting 74.5 percent correct. Those in third place are guessing correctly at 70.25 percent. In years past, contest winners had to guess at 70 percent to win the overall prize; so this year's crop of guessers are rating high with eight weeks left to nab the two tickets to the Cotton Bowl or Sun Bowl, plus \$50. Second place winner will receive two tickets to the Sun Bowl plus \$25.

Even if it may be a little too late to get into the overall winner's circle, persons may still vie for the weekly prize money for eight more weeks. Top prize each week is \$7.50. Second place winner gets \$5.00 and third place winner receives \$2.00. So get an entry blank and enter this week's contest. Pick the team you think will win each of the 12 games listed, pick a score for the tiebreaker game and be sure to get the entry to the Tribune office by 5 p.m. Friday. Or, if you mail your entry, be sure it is postmarked Friday. Anyone 12 years of age or older is eligible to enter.

Texico Council Conducts Meet

Texico City Council met for a short business meeting Tuesday night.

The Council unanimously agreed to utilize the services of Richard Pettigrew of Clovis as engineer whenever needed.

An application for a project grant under Title III of the Older Americans Act was approved. The project will be for Texico-Farwell senior citizens.

In other business it was decided to request more bids on cleaning up the city lots. The bid received was rejected because the Council felt it was too high.

Bills were approved for payment.

Attending the meeting were Mayor Manford Turnbough, trustees Bill Thigpen, Marie Christian and Max Carter; city employees Billy Hammit, Mickey Fenn and Clara Wiehl.

Farwell City Council had several items on the agenda for discussion at its regular meeting Monday night at City Hall.

In discussing the rodent problem in the city, City Marshal Ronnie Mitchell reported that they were "gaining a little" on the situation. He commended city employees for their efforts in cleaning several problem areas in town.

Douglas Landrum, head of the Sanitation Department, said one of the tractors used by the department is in need of repair and tires. After a brief discussion, the Council decided to let Landrum see about repair work to be done on the tractor and about buying some used tractor tires.

Cecil DeFoor, City Municipal Judge, said he felt that an ordinance on indecent exposure should be incorporated into the city's governmental system. He added that the ordinance against disorderly conduct does not provide a severe enough penalty. The current maximum penalty under the present ordinance is a \$200 fine. Following a brief discussion, the Council decided to table any further action until after they had contacted the Texas Municipal Judge.

DeFoor also reported to the Council that he will be moving to Texico in a few weeks. The Council will check into existing laws to determine whether or not he will still be eligible to serve as Municipal Judge.

Landrum reported that some-

REV. WINFORD MACK

Assembly Of God Church Schedules Revival Meeting

Texico Assembly of God Church will have revival services at the church Sunday, Oct. 3 through Friday, Oct. 8, according to the church pastor, Rev. M.R. Brumfield.

Winford and Gloria Mack, former pastors of the First Assembly of God Church, Clovis, will be conducting the services which are scheduled at 7:00 p.m. MDT on week nights and at 10:15 a.m. and 6:30 p.m. Sunday.

Rev. Brumfield invites everyone to attend these services to share in this ministry of gospel music and preaching.

Rev. Mack, his wife Gloria, and their two children, Sterling and Tara, have traveled across America to participate in revival crusades. He has also pastored several churches during his ministry. Rev. Brumfield says that many persons probably will recog-

nize Rev. Mack by having heard his "Streams of Faith" messages on a local radio station.

Persons desiring to attend the worship services need transportation they should call 482-3280.

Wins Weekly Prize

Charles Hargrove, left, won the weekly first prize money by calling nine games correctly in last week's football contest. Hargrove edged out four other contestants who also predicted nine games correctly but were too far off on the tiebreaker. Hargrove miscalculated the tiebreaker score by only three points to win the \$7.50 check which is being presented to him by James Montgomery of Plains Equipment Co., Clovis, a contest sponsor.

Farwell Chamber Has Regular Meeting

The Farwell Chamber of Commerce met Tuesday to discuss an update of the "highway situation". According to Pudge Rose, Texico is interested in the proposed underpass-overpass for the Twin Cities. The Texico Chamber of Commerce has invited the Farwell Chamber of Commerce and City Council to attend a joint meeting Monday, Oct. 11, to discuss the proposal.

The Chamber agreed to maintain the same Weighmaster system they have used in the past. They supervise the weights of the Lariat, Bovina and Farwell elevators.

Dutch Quickel reported that he attended a recent meeting in Muleshoe sponsored by the Texas Industrial Commission and Southwestern Public Service. He said they are prepared to help any community which is interested in attracting industry to locate within their limits.

At Workshop

Two Farwell teachers were among those representing area schools at the recent District XVI Workshop in Amarillo.

Delores Vaughn, president of Farmer County Chapter of Texas State Teachers Association, and Betty Turner were on hand for the dinner and workshop which covered such subjects as professional rights and responsibilities, publicity, membership, presidents, legislation and others.

Those attending the workshop will report on the program at the November meeting of the local unit of TSTA.

1976 Tax Roll Approved By Commissioners Court

Hugh Moseley, Farmer County tax assessor-collector, presented the 1976 tax roll at the Monday morning meeting of the Farmer County Commissioners Court. The tax roll, showing a valuation of \$29,313,825, was approved.

The Court also approved a request by Roberto Tienda to place a natural gas line under a county road. Farmer County Judge Paul Fortenberry was authorized to borrow \$7,000 from the Farm-To-Market Fund. The loan will be for a 90-day period and will be repayable out of current funds.

Other discussion included a general update on the "road situation." It was reported that the two paving projects are progressing on schedule

and that the contract for the middle section of Highway 214 will be let October 13.

In other action Billy Suderth was reimbursed the \$283.03 he spent to attend the Veterans Service Officer Convention in San Antonio.

The Court elected to pay for the gasoline for the vehicles which will transport 4-H Club members to Dallas for the state fair. They also voted to pay for the gasoline and room and board for Jana Pronger, Farmer County Extension Agent, who will also be attending the fair.

Further discussion was held relative to the question of re-evaluation. Johnny Atkinson, Farmer County attorney, met with the Court concerning the matter.

noon of that day they were publicly hanged, and left to dangle for several hours. Gruesome, but effective.

Second item: Last year thieves stole over 1,000,000 automobiles in the United States at a loss to the public of over \$4,000,000,000. Maybe we

ought to take a leaf out of the Old West or from Syria and forthwith try, and if found guilty, hang the auto thieves. That, too, would be gruesome, but it would also make our property a whole lot safer in the USA.

We realize this is not a practical solution to crime, but somehow, someday, a solution to the rising tide of lawlessness must be found and implemented if private property is to be kept safe in this country.

brief question and answer session following the close of regular Council business.

Charlie Rose, spokesman for the group, said that attending the civic meeting was part of the requirements towards obtaining the "citizenship in community" merit badge. Attending the meeting were Mayor Patschke, commissioners Fred Chandler and Ralph Franse; Janie Bowery, city clerk; city employees, Landrum and Roger Menning; City Marshal Mitchell; and the following Boy Scouts: Rose, Alvin Lopez, Robbie Phipps, Rocky Menning and Domingo Rubio.

Giant trash bags may hold a lot, but they are also mighty awkward to carry when filled. (Just ask the person who has to carry them out for pickup.)

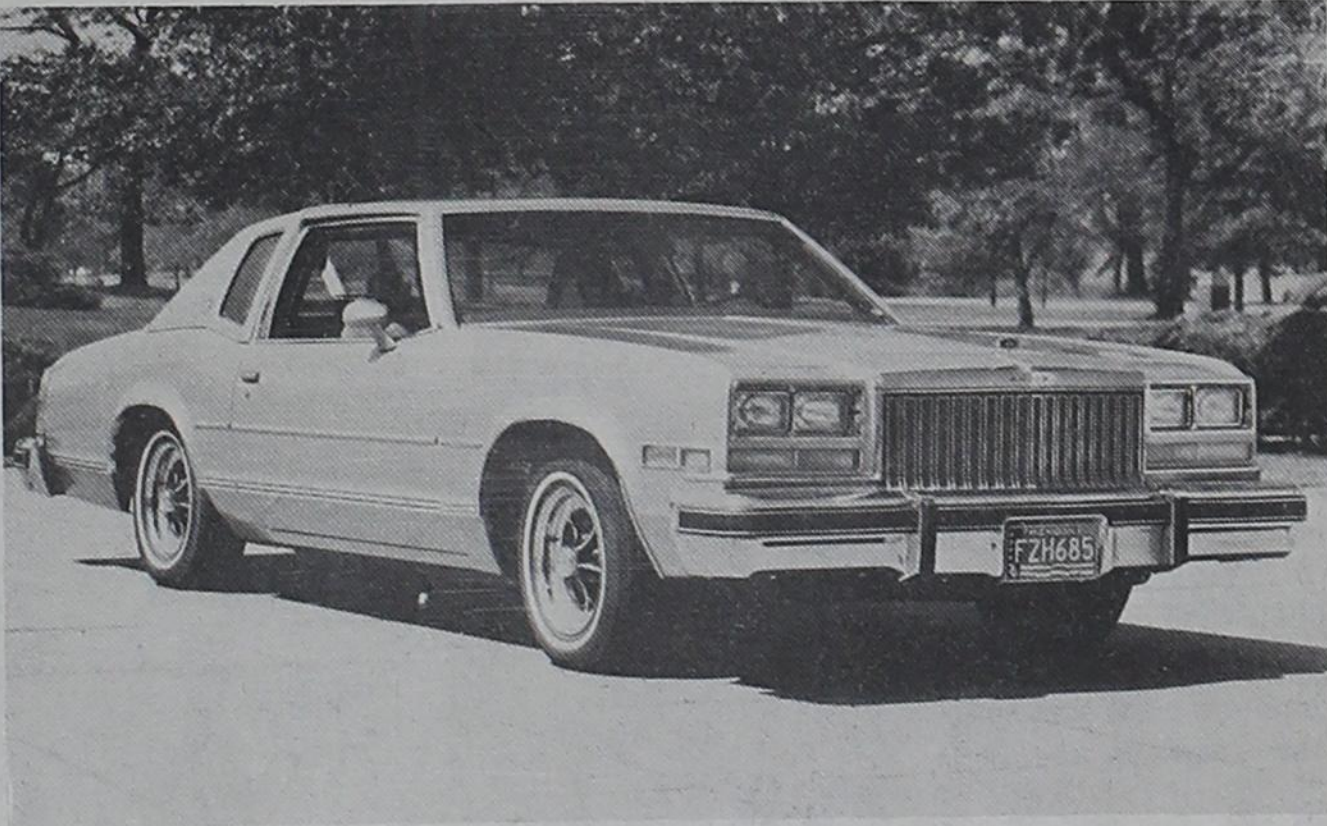

On the other hand, a home trash compactor compacts up to a week's refuse for a family of four in one easy-to-carry bag.

Have you ever wondered what one of these bags weighs? The answer, say experts for KitchenAid — one of the country's leading producers of appliances — is usually about as much as a medium-size suitcase, when packed.

County 4-H Fair Winners Announced

Band Wins Trophy

Drum Major Mike Smith is holding the fourth place trophy which the Farwell Steer Band earned Monday at the Annual South Plains Fair Parade in Lubbock. Forty-four bands marched in the parade and Farwell was among 13 bands competing in Class A competition.

Steer Band Captures Fourth Place Trophy

Farwell High School Band took fourth place honors in the Annual South Plains Fair Parade in Lubbock on Monday. A total of 44 bands participated in the parade with 13 bands involved in Class A competition. Hale Center placed first; Lubbock Christian High School took second place honors; and the third place spot was earned by Petersburg.

Farwell Band Director Lynn Burton praised the efforts of the Steer band and said, "They are doing a good job this year in preparing themselves for competition." He added that it is a "good band to work with."

The next competitive event for the Steer Band will be the UIL Marching Contest to be held in Jones Stadium in Lubbock on November 2.

The Junior High Band will travel to Friona Saturday to march in the annual Maize Days Parade. On October 16 they will participate in the Harvest Festival Parade in Brownfield.

The Eighth Annual Farmer County 4-H Fair was staged September 16 and 17 in the Farmer County Community Show Barn at Friona. Judging began at 10 a.m. Friday with J. K. Adams, Muleshoe, former extension agent, judging vegetable, fruit and crop entries. Mrs. Ralph Wilson and Mrs. C. V. Potts, both of Friona, judged Art & Craft entries with Mrs. Bill Paige, Mrs. Edwin Morrison, Jr., and Mrs. Buel Monroe of Hereford judging clothing, canning and baking entries.

A total of 39 4-H'ers and adults exhibited in this year's annual event. This is the second year that the fair has been open to adults.

Points are awarded to each individual on the basis of the number of blue, red, white or pink ribbons he or she earns. Special awards to high point individuals in each division and a traveling trophy is presented to the club accumulating the greatest number of points.

Winners this year are: crops - Mike Schueler, Rhea; gardening and canning - Linda Gohlke, Farwell Senior Club; arts & craft - Carrie Schueler, Rhea; baked goods and clothing - Johanna Mesman, Farwell Junior. Farwell Senior 4-H Club was named high point club.

Letter To The Editor

State Line Tribune
John & Joann,
Thank you for permission for sixth graders to use the early copies of the Tribune. They were economists, comparing early prices with today's prices. Some wished they lived "in the good ole days".

Dear Mr. & Mrs. Getz,
Thank you for letting us come and look at your Tribunes. They are really neat. I wish the prices were low like they were in 1947. We really enjoyed being at the Tribune.

Sincerely,
Frances Boling
Dear Mr. and Mrs. Getz,
Thank you so very much for letting us come to the Tribune. It was fun looking at the old newspapers. You were very nice letting us come.

Your friend truly,

Dear Mr. & Mrs. Getz,
Thank you for letting us see the old old Tribunes. I enjoyed looking at the way people dressed and how they had hair cuts and the prices of food and prices of dresses. Thank you very much.

Sincerely,

Dear Mr. & Mrs. Getz,
Thank you for letting us visit the State Line Tribune. I really enjoyed looking at the old Tribunes. I was really amazed at the prices then and now.

Sincerely,

Rain Falls On Twin Cities

Monday afternoon the skies parted and a cool rain fell on the Twin Cities area. Temperatures dropped considerably from the usual warm summer weather and local residents experienced their first hint that cooler winter weather is not too far away.

Farwell received less than an inch of moisture while neighboring Texico reported almost an inch of rain. While the gentle rains were beneficial to the recently seeded wheat crops, they proved a detriment to corn harvesters.

Several cities in the Panhandle and South Plains experienced the inconsistency of Mother Nature. Hail, the size of half dollars, was reported in the Hereford area and reports of crop damage was issued by farmers. Other damaging hail reports came from Morton, where golfball-size pellets fell and from Sudan where marble-size hail fell.

Lubbock received more than an inch of rain Monday and almost two inches fell at Amarillo. Clovis reported receiving almost a half inch of rain.

Farwell Junior Varsity

The 1976 edition of the Farwell Junior Varsity football team was to have hosted the Shallowater JV Thursday night at Steer Stadium. The JV Steers had a 2-1 record going into that game. Team members are, left to right, front row: Brent Black, Willie Martin, Max Lonsdale, Joe Costello, Steve

Hargrove, Robert Lucio, Craig Walls, Peter Cantu, Craig Kaltwasser; second row: Robin Roberts, Mark Owen, Steve Powell, Dwayne Obenshain, Mark Miller, Leonel Jaime, Troy Coleman; back row: Gary Lee, Kayle Watts, Timmy Ellison, Richard Winegeart and Mike Boling. Royce Baker is coach.

Steer-Mustang Clash Scheduled For Tonight

Farwell High's Varsity Steers travel to Shallowater tonight (Friday) to take on the Mustangs at 8 o'clock in a non-conference encounter.

The Blue and White, 3-0 for the season, are hoping to keep that record intact.

The local team was idle last week and Head Coach Van Tom Whatley commented that they took advantage of the free date to develop some new offensive plays, adding that they expect to use more of a passing game against Shallowater.

When the local squad takes to the field tonight, they will be running from a Houston Veer offense rather than a straight T, says Whatley.

Shallowater will be the largest team the Steers have faced thus far, Whatley says, noting that the Mustangs average some 205 pounds per man. However, the coach says, they are not "real quick."

Whatley reports that Max Lonsdale is out of the lineup with a broken leg and that Russ Jones, who suffered a pulled tendon in his ankle, is expected to be at full strength when the Steers play tonight.

COACH SEZ

(Editor's Note: The following coach's comments are the last in a series made on individual Steers at the start of the season.)

VICK CHRISTIAN - Vick is a junior offensive end up from the junior varsity. His inexperience shows, but he could be a good offensive lineman before district play starts.

CLAY ROBERTS - A junior tackle, Clay has all it takes to be outstanding except aggressiveness. Once he learns to be about half mean, he will be a fine player.

RADNEY ROBERTSON - A sophomore offensive tackle, Radney is very inexperienced, but a smart youngster with a good attitude. Radney is going

to be a big youngster who can move. With experience, he will be some player.

RICHARD YRUEGAS - A junior offensive guard - I wish I had 11 more just like him. Richard is probably our best offensive lineman. He is very coachable, but most of all, he likes to play the game.

BRUCE MAYFIELD - Sophomore offensive guard. Bruce is inexperienced, but could see considerable action on the varsity. He is really dedicated.

TERRI McCULLY - A senior center, Terri is the snapper on punts and extra points. He probably doesn't realize his value to our team. He will also play a lot of defense for us. Terri is a winner. He will perform when the chips are down.

DAN GEUTHER - A junior guard, Dan has had some problems adapting to my system because theirs was quite a bit different. When he learns the proper techniques, he could be an asset to our team.

LEONEL JAIME - Freshman center. He will see a lot of action on the J.V. so he can get in some playing time. He will be a good player in time.

RUSTY McFARLAND - A junior tackle, he is my type of player. He is a very aggressive young man with a super attitude. He tries to do anything you ask him to do and never doubts himself or his coaches. A real winner.

STEVE MEEKS - A senior tackle, Steve is coming on real strong at this time. Steve is learning to be a little aggressive and he is a very dedicated individual who hates to make mistakes. This helps.

ROWDY CHANDLER - Sophomore end and quarterback. Rowdy is "tough." He can play wherever he wants to. He has a lot of ability and is very unselfish.

MIKE GOETTSCH - Senior fullback and linebacker. Mike probably has more raw football talent than anyone we

have. Mike has had a tendency to "dog it" a little in the past and he knows it, but he has done nothing but go full speed ahead this fall. When our offensive line begins to jell, I think Mike will show us a thing or two.

BENNY YRUEGAS - Freshman halfback. Benny is very confused right now, but when he catches on to the new system, he will be able to help us.

KENT GOLDSMITH - A senior end with "a heart as big as a washtub." What Kent doesn't have in ability, he

makes up with his heart. He is small and quick. He does his job and that's all we can ask.

MAX LONSDALE - Freshman halfback. "He is a tough little nut." Max makes mistakes because he is a freshman, but he is one of the very few freshmen I have coached who can play varsity ball.

CHIP CRAFT - Senior halfback and defensive end. Chip is small but tough. He will be a real asset to us in the coming season. He is also a player who wants to win badly.

What's Cooking Farwell School

MONDAY - Steak fingers, scalloped potatoes, blackeyed peas, cole slaw, cowboy bread, butter, applesauce, milk.

TUESDAY - Pork chops, potatoes, gravy, sweet peas, lettuce and tomato salad, chocolate cake, plain gelatin, bread, milk.

WEDNESDAY - Barbecue beef, potato salad, ranch style beans, cole slaw, peach half, bread, milk.

THURSDAY - Hot dogs, buttered hominy, peanut butter and crackers, pears, milk.

FRIDAY - Chicken croquettes, whole buttered potatoes, green beans, celery sticks, hot rolls, butter, plums, milk.

School Lunch Schedule at Texico

MONDAY - Bean burritos, chili and cheese, lettuce and tomato salad, buttered corn, fruit cobbler, milk.

TUESDAY - Hot dogs with chili, onions, pickles, Tater Tots, orange sauce on applesauce cake, milk.

WEDNESDAY - Spaghetti and meat sauce, green beans, hot rolls, half apple, milk.

THURSDAY - Steak and gravy, buttered rice, celery sticks, hot rolls, fruit gelatin, milk.

FRIDAY - Salmon loaf, green peas, hot rolls, fruit cup, chocolate milk.

Marriage Licenses

Two marriage licenses were issued by the Parmer County Clerk's office last week. Those receiving the licenses were Deolando Roy Alonzo and Sandra Diane Eskew and Homer Beltran and Carol Olivarez.

Farwell Junior Varsity Loses To Muleshoe JV

Farwell's Junior Varsity lost to Muleshoe, 33-12, in the September 23 game played at Muleshoe.

The future Steers were down 14-0 at the half, but came back in the third quarter to score two touchdowns. Mark Owen made a 50-yard touchdown run and Gary Lee scored from one yard out. Neither PAT was good.

Head Coach Royce Baker said the team played a "weak

first half." He added that they were not "mentally ready." He commented that the JV team played a much better second half.

Coach Baker said that Muleshoe had a "fine large team." "We made mistakes that first half and they really cost us," he added.

The Junior Varsity was slated to play Shallowater Thursday, Sept. 30, at Farwell.

Wolverines Play 'Best Game' In Second Victory Of Season

Texico's Wolverines earned their second victory of the season by defeating Melrose, 16-6, Friday night at Melrose.

Head Coach Paul Topliff said, "We knew we had to win to be successful this year." He cited the game as the "best hitting" venture of the season.

He commended the efforts of the offensive and defensive linemen and said Coach Roy King "deserves the credit because he works mainly with them."

Topliff said his team played

well "until the last three minutes." He added that "too many errors occurred during that short period."

During Friday's game Texico earned 252 total yards while Melrose gained 171 yards. The Wolverines earned 158 yards on the ground and 94 yards in the air. Their opponents gained 77 yards rushing and 94 yards passing.

The Wolverines had 14 first downs to 11 for Melrose.

Texico had 15 penalties for 140 yards and Melrose had 10 for 90 yards. Topliff said the

penalties are really beginning to hurt them now. Texico had over 100 yards rushing nullified through penalties, he said.

He added that the team contained their opponents well. The new head coach said, "We were bigger and they were quicker."

He called Friday's clash "our best game until the last few minutes."

Topliff praised Dwain Hill, sophomore, who made 13 carries for 62 yards and intercepted a pass. He also blocked well.

The coach said the backs also blocked well and commended their efforts.

The Mean Green's next outing is against Jal in the first district match to be played at Wolverine Stadium tonight (Friday) at 7:30 MDT.

Topliff said Jal is "big and strong" and expects the game to be a "hard-fought contest." He added that the average weight of Jal's tackles is 185-190 pounds.

The Wolverines mentor said he feels his team is physically prepared to meet Jal, who suffered a loss last week to

Wink, Tex. He added that if his team is mentally prepared they will be ready to face Jal.

Topliff said he feels they are lucky in that they are entering district competition healthy. "We have no serious injuries besides a few bumps and bruises," he says.

Texico Wolverines Stop Buffaloes For 16-6 Win

by Susan Snodgrass

Texico scored in the second and fourth quarters Friday night to win their second game of the season, downing the Melrose Buffaloes 16-6 at Melrose.

Melrose scored first, getting their only points of the contest in the first period. The score came on a pass from Craig Downey to Doug Rogers.

Texico came right back and scored early in the second period on a handoff from Homer Ashley to Steve Turner. Joe West carried the ball in for the two-point conversion. Ashley scored the Wolverines' second TD in the fourth stanza and the point-after-touchdown was made on a pass to Turner.

Melrose returned the opening kickoff to the 35-yard line. They gained 17 yards in four plays then were set back by Jimmy Reid who smothered the quarterback for a seven-yard loss. When the Buffs punted, Ashley returned the ball to his own 35. A penalty hampered this drive by the Wolverines and they were forced to punt, giving Melrose the ball on their own 34. A clipping infraction set the Buffs back an additional 15 yards, but this was soon gained back on a 21-yard pickup. John Burgett, Jimmy Reid, Scioli and Joe West teamed up to sack the quarterback for a six-yard loss on the next down; however, on the next play Downey connected on a TD pass to Rogers with 5:48 left in the first quarter. Burgett blocked the extra point attempt and Melrose was on top 6-0.

Texico started their drive on their own 20 following the Buff kick which carried into the end zone. A pass to Hill was good for eight yards; Askew gained four. Hill carried again for five, Turner gained 20 and West picked up four before two consecutive losses by the Texico backs forced them into a punting situation.

Melrose took over on their 22 and gained six yards on the ground and 15 more yards on a Wolverine penalty; however, they could not muster another first down and the first period ended with Melrose ahead 6-0. The Buffs punted to open the second quarter and Texico set up shop on their 31. An incomplete pass was followed by an 18-yard run by Hill. West then gained 15 and Askew ran for 17, but eight of those yards were lost on a fumble. Texico drew a five-yard penalty which was offset by a 15-yard mark-off against Melrose.

With 10:13 left in the period Turner carried for the Wolverine TD, and West ran for the two extra points, putting Texico ahead 8-6.

Ashley and Jimmy Reid stopped the Buffalo kick return at the Melrose 31. The Buffs were set back another five yards on a penalty and then Reid recovered a fumble to put the Green and White back in business. The Melrose defense stiffened and shoved Texico back for 17 yards in losses in two plays. On each of the next two downs, the Wolverines picked up 10 yards, making them short of first down yardage by inches.

Melrose took over on their own 15 and after failing to make a first down, were forced to punt. Ashley returned the kick to the 37. Texico gained one first down, but on the next series were set back on a 15-yard penalty. After a three-yard loss and two incomplete passes, Texico punted into the end zone.

Starting from their own 20, Melrose managed only 13 yards in six tries and punted once again with Texico starting play on the 48. A pass to Turner for 37 yards moved the Wolverines and another pass completion put the Green and White on the Buff one-yard

line as time ran out in the first half with Texico leading 8-6.

Texico returned the second half kick to the 40, but after three downs were forced to punt. The Melrose ball handler muffed the kick which was recovered by Scioli and Turner. Melrose contained the Wolverines on the next series and Texico again kicked. The Wolverines were penalized twice on the punting play for illegal procedure, but they held the Buffs to one first down and received the ball once more, this time on the 25-yard line. A clipping penalty put Texico back 15 yards, but a pass to Hill was good for 22 and a handoff to Askew was good for another six. Hill carried again for seven and Ashley went for five. West picked up 15 on an end sweep, then a fumble, recovered by Mark Howard, was good for a yard pickup. The Wolverines continued to march on the ground as the third quarter ended.

On the first play of the final quarter, Ashley carried seven

and one-half steps, putting the Green and White on the one-half yard line. Ashley scored on the next play, but the run was nullified by a penalty. On the next down, Melrose was penalized five yards and the ball was once again on the half-yard marker. Melrose held the Wolverines the next play, but then Ashley went over to make the score 14-6. The pass to Turner was good for the extra points and Texico led 16-6.

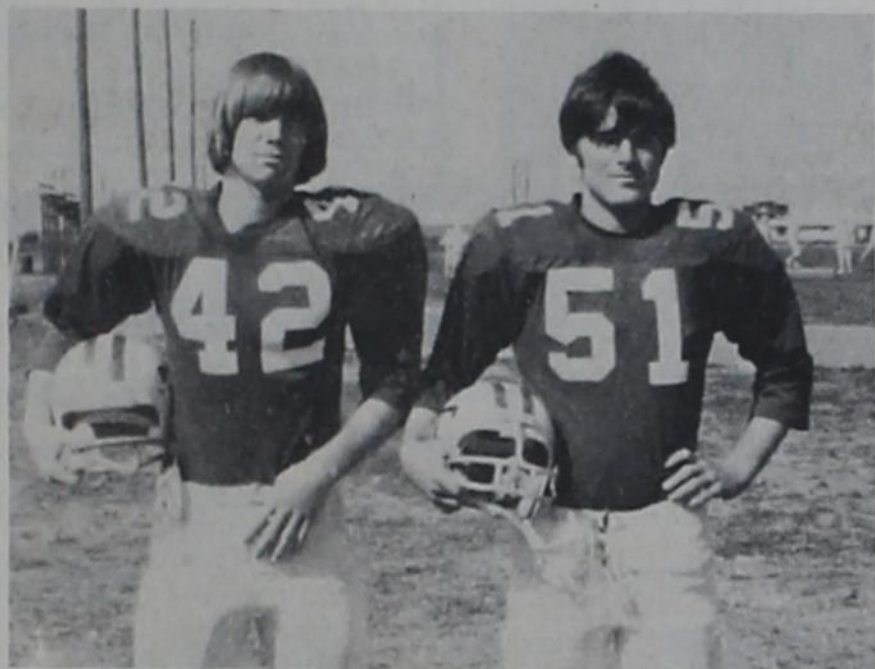

The Buffaloes started their next drive on the 30-yard line. A pass play for 30 yards was the highlight of this series. After gaining one more first down, Melrose was again forced to turn the ball over.

Texico could not manage a first down and kicked the ball out of bounds on the 44. Burgett burst through to set the Buffs back for a nine-yard loss on the first play of this drive. Two incomplete passes forced the Buffs to punt and Texico took over on the 27. Hill carried for 14 yards, Askew picked up a yard and

Hill gained two more before the Wolverines were set back 15 on a penalty. Turner gained a yard, but an eight-yard loss caused Texico to give up the ball on the 21. Melrose lost 10 yards then gained back five before Hill intercepted a pass and was stopped on the 15-yard line. A penalty against Melrose gave Texico five, but they still could not pick up first down yardage and punted to Melrose on the 45. Melrose was on the receiving end of a 15-yard penalty after a six-yard gain. Another play gained them two yards only to have it nullified on a five-yard set back.

As the game ended, Texico received a penalty for roughing the passer and an additional play was run. On a pass attempt Texico received a penalty and Melrose was given the penalty yardage and another play. The final play, a pass, was good for 12 yards, but a penalty against Melrose nullified this gain and the game ended with Texico victorious 16-6.

Wolverines Of The Week

Head football coach Paul Topliff and assistant coach Roy King have selected Steve Turner, left, as the offensive player of the week, and Doug Scioli as the defensive standout of the week. Topliff said that Turner is the most consistent player on the Wolverine squad. He cited Turner's touchdown-scoring run against Melrose as an example of "producing the big plays when we need them." He praised Turner for "playing well, game after game." Topliff said Scioli produced four or five of the hardest hits of the year against Melrose Friday night. He also commended the sophomore for his performance on kickoffs, adding that Scioli was always "downing the ball or making tackles." Both players perform well both offensively and defensively, according to the coaches.

Texico Junior High To Play Ft. Sumner

Texico's eighth and ninth grade team will see action Thursday, Oct. 7, when they

travel to Ft. Sumner.

Coach Cecil Davis said Ft. Sumner has a "tough team," but he adds that his boys have "a good chance" to win. He praised Joe Martinez, a ninth grader, who has developed into a "defensive standout."

Davis said they have been working on the offensive pass and expect to play a good rushing game against Ft. Sumner.

Last year when the Texico young warriors battled Ft. Sumner they came away with a 6-0 victory.

Davis said his players want to stay undefeated. He added that their goal is to better the 4-1-1 record of last year's team.

The October 2 game with Lazbuddie has been cancelled.

"Few are those who err on the side of self-restraint." Confucius

FIRE CALLS

Farwell volunteer fire department reported two emergency vehicle calls and two fire calls this week.

A Convalescent Center resident was transported to the Clovis hospital September 22. On September 23 a local resident was taken to the Friona hospital.

The local fire department answered a call to an automobile which was on fire September 25. The car was located six miles out on the Amarillo highway.

A house fire occurred Monday night in the 200 block of Second Street.

Texico volunteer fire department did not report any fire calls or emergency vehicle calls this week.

Head smut this year? WHAT ABOUT NEXT YEAR?

For the most part, head smut occurs in fields that have been planted to corn for several years. It appears that farmers with a head smut-infested field have a choice for the use of that field next year. They can plant the field to another crop or can, with reasonable safety, plant corn hybrids that offer resistance to the disease. Pioneer has three excellent hybrid corn varieties that show strong resistance to head smut. One of these is well known to area farmers and is the most planted variety in much of this area... Pioneer brand 3306. Two other Pioneer varieties... 3184 and 3195... which were planted widely in this area for the first time this year, not only resist smut but have even greater yield potential than the well-known yield champion, Pioneer brand 3369A.

A RECOMMENDATION

If you have a field that shows signs of head smut infections, plan to switch to one of the three Pioneer varieties that provide resistance to the disease and, at the same time, give you a shot at the best corn yield you have ever had. You should also consider Pioneer brand 3780. It's an earlier hybrid which shows moderate resistance to head smut and demonstrates extraordinary yield capability.

Talk to your Pioneer dealer now about ordering Pioneer varieties 3306, 3184, 3195 and 3780. It makes a lot of sense to plant all four.

Farwell FFA Officers

Directing the 1976-77 Future Farmers of America at Farwell High School are from left to right, front row: Brent Inman, reporter; Bryan Kube, treasurer; David Deel, sentinel; and Richard Montgomery, advisor; back row: Terry Miller, secretary; Larry Tims, president; and Daren Sudderth, vice-president.

Farwell FFA Elects Officers

New officers were elected and projects were discussed at the September 14 meeting of the Farwell Chapter of Future Farmers of America. Taking the reins for the 1976-77 school year are Larry Tims, president; Daren Sudderth, vice-president; Terry Miller, secretary; Bryan Kube, treasurer; Brent Inman, reporter; and David Deel, sentinel. Richard Montgomery is the FFA faculty advisor. Projects planned by the group include selling fruit and stadium seats.

Spirit Boosters

Fans of the Farwell Junior High football teams are led in their victory chants by six vivacious girls who each week don their school colors and perform various cheering routines. Cheerleaders for the 1976-77 school year are, left to right, front: Cydney Ford, head cheerleader; Polly Turner, and Sharmy Christian; back: Lari Curtis, Janene Berry and Tracy Williams.

Hospital Notes

Mrs. Pete (Tommie) Fulcher was admitted to Muleshoe Hospital Tuesday for surgery. She was dismissed Wednesday and reports that she is at home and is feeling fine.

Two tablespoons of peanut butter contain at least as much protein as one medium size egg or six ounces of milk.

Workheisers Are Grandparents

Mr. and Mrs. Kenneth Workheiser of Texico have announced that they are grandparents again, this time it is a granddaughter. Their son and wife, Mr. and Mrs. Floyd Workheiser of Clovis, are parents of a girl named Melissa Marie born Sept. 27 at a Portales hospital. She weighed six pounds, 14 ounces, at birth.

Melissa Marie has a brother, Floyd William, who is 15 months old. Maternal grandmother is Mrs. Grady Sutherland of Clovis.

Foods which provide protein of high nutritional value are fish, poultry, eggs, milk and cheese.

WMU Has Meet

The Women's Missionary Union of the First Baptist Church in Texico had its regular meeting September 23 at the church.

Mrs. Marie Wall was in charge of the program about the need of missions in New Mexico.

Mrs. Phill Elliott provided the music. Mrs. Nora Day presented a program about early missions in New Mexico. The meeting was concluded with a luncheon.

Attending besides Mesdames Wall, Elliott and Day, were Mesdames Anson Bowers, Dee Brown, Aileen Pearce, Mary Bradley, Velma Kelly, Harvey Hudnall, Tom Harlan, Joel Horne and E. G. Jones.

services. Attending were Bertha Kaltwasser and her daughter-in-law, Gladys Kaltwasser; Albert Kube, Domitalia Madrid, Effie Scott, Maude Wilson, Rufus Carter and Annie Callahan.

Rev. Brumfield and several women from the congregation conducted a Bible study class for residents Tuesday afternoon.

Last week residents enjoyed a game of Bingo. They also popped popcorn and prepared punch.

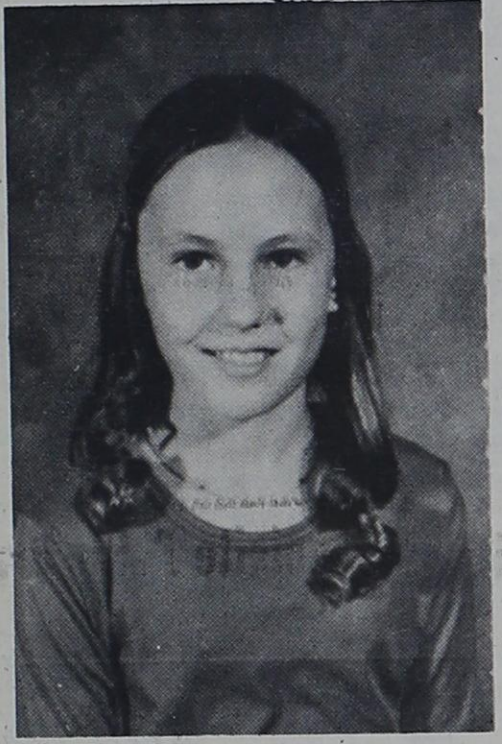

Tuesday afternoon Dr. Jerry Don Gregory conducted a cardio-pulmonary-resuscitation class for staff members. That night he conducted the same class for community residents.

Three nurses aides are attending a Medication Training School in Amarillo. They are Judy Hammit, Cindy Hess and Jane Osgood.

Mrs. Schooling Honored At Surprise Party

Mrs. Ernestine (Ma) Schooling was honored on her 74th birthday with a surprise party Tuesday night at a Clovis restaurant.

Twenty-seven persons attended the Dutch treat dinner and birthday party. The white birthday cake was trimmed in orchid and pink and was topped with a southern belle doll with full skirt.

Hostesses for the party were Bobbie Jones, Liz Phillips, Annette Black, Mona Hardage, and Peggy Jones.

Those attending were the honoree, her daughter, Mrs. Dorothy Gast; her granddaughter, Jackie Walker of Vega; Sarah Haseloff, Beth Black, Cary Marsh, Mildred Haseloff, Rubie Craft, Jo Schell, LaVon Mills;

Also, Edith Chandler, LaCretia Kelley, Liz Phillips, Sylvia Buchenau, Jean Travis, Wanda Reeves, Ethel Stone, Iola Griggs, Crystal Rowell, Terri Rowell, Nina Glasscock, Billie Fay Sluder and Mrs. Yearly of Ft. Worth.

First Place Victors

During the Farwell Jaycees family day held recently in Clovis, Mr. and Mrs. Robert White and their daughters, Angie, left, and Dana, captured the first place victory in the golf tournament held at a miniature golf course.

Second Place Family

Second place in the Farwell Jaycees family day golf tournament held in Clovis on September 19 was won by the Gene Beavers family. Mr. and Mrs. Beavers were "aided and abetted" by their children Melissa, Scott, center; and Joel.

Farwell Jaycees Host Family Day Tourney

Farwell Jaycees hosted a family day celebration at a miniature golf course in Clovis Sunday, Sept. 19.

As children were also involved in playing in the golf tournament, the teams played with a handicap. The Robert White family captured first

place honors and the second place victory went to the Gene Beavers family.

Delton Wilhite took first place by having the low gross score. He and Donald Jones were tied for the honors and during the sudden death play-off, Wilhite shot a "hole in one" to take first place.

Calvary Baptist Church Hosts Association Meet

Calvary Baptist Church of Farwell hosted the 22nd Annual Session of the Cavern Baptist Missionary Association of New Mexico September 24 and 25.

The Association elected Carrell Watkins, moderator; Marshall Gus of Hobbs, N.M., vice-moderator; Mrs. Gay Irvin, also of Hobbs, clerk-treasurer; and Mrs. Bill Reed of Clovis, assistant clerk-treasurer.

In other action, the Association voted to go on record as objecting to the proposed taxation by the Internal Revenue Service of benevolent and educational institutions owned by churches such as children's homes, old folks homes, col-

leges and seminaries. Objections were also voiced to Madaline O'Hair's proposal to the Federal Communications Commission that it is unconstitutional to use the airwaves for religious broadcasting, according to an Association spokesman.

Rev. Watkins preached the annual sermon Friday evening and Rev. T. R. Shannon, former missionary-pastor of Calvary Baptist Church, preached Saturday morning.

The Association voted to have its 23rd session at the Calvary Baptist Church in Artesia, N.M.

Churches from Hobbs, Roswell, Clovis and Farwell were represented at the meeting.

Tickets On Sale

Doris Ford, left, and Betty Jean Castleberry, members of Theta Rho Chapter of ESA Sorority, are holding tickets for the group's fund-raising "shopping spree" project which is now underway. A \$2 donation purchases one ticket or three tickets can be bought for a \$5 donation. Proceeds go to support the many philanthropic projects which the organization sponsors. The give-away will take place during halftime activities of the November 5 game between Farwell and Hart.

Visiting the Lenton Pools of Farwell Friday and Saturday were his sister and husband, Dr. and Mrs. Floyd Golden of Amarillo. A Sunday visitor in their home was Pool's brother, John R. Pool of Vaughn, N.M.

Mr. and Mrs. B.W. Tate of Loop, Tex.

Mr. and Mrs. John Getz of Farwell were weekend guests in Amarillo in the home of Mr. and Mrs. Ed Weber, from Friday until Sunday afternoon. The two couples attended the Country Squire Dinner Theatre Saturday evening at the Hilton Inn.

Before returning home Sunday afternoon, the Getzes visited with his aunt, Mrs. G. F. Branson, in Amarillo.

Saturday afternoon visitors in the home of Mr. and Mrs. David Hall, Bobbi and Kerri of Farwell were Mrs. Hall's sister and family, Mr. and Mrs. Donnie Wright and Kandi of Earth.

Mrs. Carrie Christian of Farwell recently returned from a two-week trip to Alaska. Weekend visitors with Mrs. Christian included her grandchildren, Trumi Christian of Albany, Tex., and Charles Christian of Abilene.

Sunday visitors of Mrs. Ophell McDonald of Farwell included her son and family, Mr. and Mrs. Don McDonald, Dana and Johnny, and grandson and wife, Mr. and Mrs. Donnie McDonald, all of Lubbock. Another son and wife, Mr. and Mrs. Leroy McDonald of Hereford, joined the family on Sunday also.

Several family members visited Rev. and Mrs. Moody Smith of Oklahoma Lane Community last Sunday. They included a daughter and family, Mr. and Mrs. Tom Sowers and Mark of Amarillo; another daughter, Becky Smith of Hugoton, Kan.; and Moody's two sisters and husbands, Mr. and Mrs. R. T. Mills of Seagraves, Tex., and

Jeremy Jones Feted At Party

Jeremy Jones, son of Mr. and Mrs. Donald Jones, was honored with a party on his fifth birthday, Sunday, Sept. 26, at the home of his parents south of Farwell.

Jeremy's maternal grandmother, Mrs. Leon Billingsley, made and decorated the special birthday cake which was made like a Bicentennial bicycle. The red, white and blue delicacy featured a rider

whose face was made from one of Jeremy's pictures.

The cake was served with homemade ice cream and punch to Jeremy, his parents, his brother Corey and sister Kristi; his grandparents, Mr. and Mrs. Billingsley, and Jeff and Greg Actkinson, Ladd and Kelly Brown, Bruce White, Lonnie-Paul and Dustin Wilhite, Mrs. Johnny Actkinson, Mr. and Mrs. Delton Wilhite and Mrs. Gary Brown.

HD Club Discusses Bazaar

Oklahoma Lane Home Demonstration Club met in the home of Mrs. Johnny Curtis September 23. Members answered roll call by telling old superstitions.

Mrs. Curtis conducted the opening exercises by reading a poem about plants.

Discussion was conducted concerning the bazaar to be held in Friona November 19

and 20.

Next meeting was set for October 14 in the home of Mrs. Buddy Foster.

Members present included the hostess, and Mesdames Buddy Foster, Robin Mahaney, Ben Mesman, Harold Lee Jones, Mike Camp, Bobby Foster, Jimmy Mace, Billy Dollar and Bruce Pierce of Bovina.

Mrs. Ford Hostess For ESA Meeting

Doris Ford was hostess to members of Theta Rho Chapter of Epsilon Sigma Alpha Sorority for a regular meeting Monday night.

Billie Woods of Clovis presented a slide presentation on various cosmetics and their uses and later conducted a question and answer program for sorority members.

During the business session a progress report was heard on the upcoming money-making project of the group. Members also agreed to assist a local doctor in conducting a

clinic for Swine Flu vaccinations when the vaccine becomes available. The date, time and place for this will be announced later.

ESA officers explained their duties, and new pledges Robin Gregory, Margaret Aycock and Barbie Clayton were introduced.

The hostess served refreshments of pecan pie, chips and dips, coffee and soft drinks to the guest speaker, the pledges and members Jeannie Norris, Dot Christian, LaMoin Williams, Linda Gerles, Betty Jean Castleberry, Lillie Christian, Dardanella Helton, Ann Liehen, Diane Actkinson, Maxine Williams, Nell Walling and Judy Jones.

Magnesses Attend School Reunion

Mr. and Mrs. Jack Magness of Edinburg, Tex., visited Thursday night with his brothers and families, Mr. and Mrs. Joe Magness and Mr. and Mrs. W. T. Magness, in Farwell. The Edinburg couple was en route to their home following a three-week tour to the Northeastern United States and Canada. On Friday, the

Joe Magnesses and Jack Magnesses went to Happy to participate in homecoming activities at Happy Public Schools. Jack Magness was honored as the ex-student having come the farthest distance to attend the reunion. During the ceremonies, Magness presented to the school a letter sweater he had earned there 50 years ago. Magness proudly boasted that he could "still wear the sweater after all these years."

Visits Parents

Visiting during the weekend with Mr. and Mrs. Donald Christian were their children, Miss Trumi Christian who teaches school in Albany, and Charles Christian who is a student at McMurry College, Abilene. They returned to their respective homes Sunday.

The Parmer County Committee for the Great Plains Conservation Program (GPCP) met last Monday.

A review of the three GPCP contracts that have been carried to completion and will go out of contract in December was made. These contracts were on J.P. Sims, John Hays, and Frank Hinkson. Conservation practices that will help conserve water and soil have been installed on these farms.

The committee was informed of the soil and water conservation that took place on the Orville Burnett farm. This farm has the most recent GPCP contract in the county. The parallel terraces that were constructed on this farm held all the soil, and the water that fell in early August.

The committee was informed that there is money available for GPCP contracts in Parmer County. For further information see or call Soil and Water Conservation in Friona.

A Question of Values

agri-facts
By John Ricci

"It's a small, small world" was one of the themes espoused during July 4th bicentennial celebrations. Realities of a shrinking world are most clearly evidenced by OPEC and American agricultural dominance in the field of foreign trade. Development and maintenance of this export market becomes continually more important to the prosperity of American producers. Two factors influence this much needed growth. One... the hunger of developing countries, faced with problems of over population. Secondly... the affluence of the developed countries, their demand for higher quality and greater variety. Both these demands are being met successfully by the American farmer... met because of his abilities to produce an unparalleled abundance of food and fiber.

LUNCHEON RICE BAKE

FOR THE BUNCH AT LUNCH - Tempting South of the Border Rice Bake to perk up a school day.

Mothers starting youngsters off to school have a fourth R to learn about. To reading, 'riting and 'rithmetic, they can add rice. It's an important subject because it's important to America, to health and to good eating.

American rice - extra good, clean and nutritious - can be used in many economical, good-tasting dishes that please the young as well as their parents. One quick and delicious recipe is South of the Border Rice Bake, great for school children who come home for lunch and mothers who stay home.

SOUTH OF THE BORDER RICE BAKE

- 3 cups cooked rice
- 1/2 cup finely sliced green onions with tops
- 3 tablespoons finely chopped green chilies
- 1 cup creamy cottage cheese
- 1 teaspoon salt
- 2 fresh tomatoes, cut in wedges
- Salt and pepper to taste
- 1 cup grated Cheddar cheese

Combine rice, onions, chilies, cottage cheese, and salt. Toss lightly. Turn into a greased 1-1/2 quart casserole. Arrange tomato wedges over rice. Season with salt and pepper. Top with grated cheese. Bake at 350 degrees for 30 minutes. Makes 6 servings.

Field Day Planned

A Brush Control and Range Improvement Field Day has been scheduled for Thursday, Oct. 7, at Pitchfork and 6666 Ranches, Guthrie, 13 miles west on Highway 82 at Pitchfork Hay Barn. The public is invited to attend.

General tours will be conducted from 8:30 a.m. to 10:30 p.m. Air conditioned buses will carry visitors on ranch tours originating at Pitchfork headquarters to view research and hear discussion of advances in chemical and mechanical control of mesquite, cedar, late-bush, sand shinnery, and rangeland reseeding by research scientists and range specialists.

Early visitors from 8:30 to 10:00 a.m. may participate in the complete tour. A short tour will be available from 10:00 to 11:30 a.m.

Latest developments in performance, application techniques and disposition of low-volume, low-pressure aerial spraying of herbicides for control of mesquite and annual weeds will be observed and discussed. Effects of new pelleted herbicides on mesquite, cedar and lote will receive attention. Guides will point out factors influencing longevity of treatment, selection of treatments and economics over a 25-year period of brush control.

Root plowing and seeding with Kleingrass using seedbed

At room temperature mercury is a liquid but it will not wet your fingers if touched.

prepared by smooth chaining, Ely chaining, roller chopping, and discing followed by ground seeding with TAES experimental drill or aerial seeding will be viewed and discussed. A low-energy grubber for maintenance control of small mesquite infesting previously cleared pastures will be in action. Choice of mechanical methods, effectiveness, longevity, costs and benefits will be given attention. Equipment will be on display.

Observations of brush control effects on livestock gains and the ease of handling livestock as well as the effectiveness of a 25-year control program will be made.

A catered meal, Dutch treat, will be served from 12:30 p.m. to 1:30 p.m.

Following a welcome of visitors to the Pitchfork and 6666 ranches, major topics of discussion will be: accomplishments in brush control research, future brush control effort by the Experiment Station, a report by the Brush Control and Range Improvement Association, effects of broomweed infestations on livestock performance, and remarks by members of the Agriculture Committee of the U. S. House of Representatives.

The day's events are sponsored by Texas Agricultural Experiment Station, cooperating with Pitchfork and 6666 ranches, Texas Agricultural Extension Service, Soil Conservation Service, R-PEP Rolling Plains Economic Program, Texas Section Society for Range Management, Department of Range Science, Brush Control and Range Improvement Association, and Soil and Water Conservation Districts and Private Industry.

Wicker Furniture Care
Wicker furniture is noted for its comfort and cool crisp appearance. But it does require some easy, basic care to keep it at its best.

A summer on the lawn can leave your outdoor chairs and tables with a veneer of barbecue soot, dirt, insect repellent, spilled food and other petty bits of grime. And wicker can suffer inside, too, from dust, routine spills, even scuff marks.

Restore wicker to its natural appearance by a thorough scrub-down with a sponge and Janitor In A Drum® industrial-strength cleaner. Dilute the cleaner in warm water according to the amount of dirt on the furniture; for heavy dirt build-ups, use a strong strength; for light ones, a weaker solution.

Don't rub wicker with a brush or scouring pad—bristles can scratch the furniture.

To restore sagging or squeaky wicker chairs to taut condition, hose them down when necessary. On unpainted or unvarnished wicker, warm water can be used for a complete soaking, while cold water is suggested for painted wicker.

Don't set a wicker item in the sun to dry after washing it or hosing it down. The sun dries it out to the point of cracking and splitting.

TWO MINUTES WITH THE BIBLE

THE FAITH OF JESUS CHRIST

...the righteousness of God... by the faith of Jesus Christ, unto all and upon all them that believe" (Rom. 3:22).

Note, the Apostle Paul here does not refer to faith in Christ, but the faith of Christ. Nor does he refer to what Christ believed, but rather to His worthiness to be believed, His fidelity.

We must not forget that faith is a reciprocal matter: it is two-sided. One is objective, it believes in another. The other is subjective, it is a trustworthy character. One refers to what a person does, the other to what he is. If I have faith in you (objectively) you should keep faith with me (be trustworthy, subjectively).

Seven times in St. Paul's epistles he refers to "the faith of Christ" and each time his purpose is to emphasize our Lord's worthiness of our complete confidence. That he does not refer to our faith in Christ is evident on the surface. In the passage above he declares that the righteousness of God, which is "by faith of Christ," is conferred "upon all them that believe" (Here's your faith in Him).

Similarly, in Gal. 3:22 he states that "the Scripture hath concluded all under sin, that the promise, by (the) faith of Jesus Christ, might be given to them that believe." Here again, we believe, because He is worthy of our confidence.

Again in Phil. 3:9, the apostle expresses his desire for a righteousness not of his own, "but that which is through the faith of Christ" - and then adds: "the righteousness which is of God by faith." Here's man's faith again! He has faith in Christ because Christ is completely faithful, completely worthy to be believed in. He paid the full penalty for our sins and is now in heaven dispensing the merits of Calvary - riches of grace, mercy and forgiveness.

But remember, "the faith of Christ" always precedes our faith in Christ. What good would it do to believe in Him for salvation if He were not wholly to be relied upon for this? But He can be trusted "to save unto the uttermost all who come unto God by Him" (Heb. 7:25). This is why Paul could say to the terrified jailor at Philippi: "Believe on the Lord Jesus Christ and thou shalt be saved" (Acts 16:31).

SAVING IS GREAT INVEST IN REAL ESTATE
"Sales and Loans Are Our Service"

On The Farm In Parmer County

By R. MACK HEALD
County Agent

Corn drying on the farm is still relatively new in this part of the country. Added to this new process are the different types of dryers and handling methods seen on farms throughout the county. Below are some parts from a publication that I borrowed from the Farwell Grain Exchange office. These facts are based upon studies conducted at the University of Nebraska.

A. Drying - Grain Drying:
1. Studies have shown that drying corn at high temperatures result in damaged corn. The higher the temperature, the more starch is lost to feed, which is what a lot of feed yards and consumers are starting to look at in this area.
2. No more than 8% moisture reduction should be made at one time. If too great a moisture reduction is made at one time, the result would be damaged corn. Most commonly called "stress cracks" which usually show up anywhere from the first 24 hours after corn has been dried and stored.

B. Holding Corn:
1. Hot air from bin aeration will dry corn, but it will also speed up the mold process and cause it to spoil much faster.
2. The most important thing we need to determine is to get enough air to hold the corn until we can get it to the dryer. So your size of aeration will be based upon the amount of time you need to hold the corn. There is also a limit on how long you can hold it, which we will get into later.

This chart shows the length of time that corn at moisture percentages can be stored.

1. Safe limits of storage time for corn:

Days	15%	20%	25%	30%
75*	116	12.1	4.3	2.6
70*	155	16.1	5.8	3.5
65*	207	21.5	7.8	4.6
60*	259	27	9.6	5.8
55*	337	35	12.5	7.5
50*	466	48	17	10
45*	725	75	27	16
40*	906	94	34	20
35*	1,140	118	42	25

The above number of days is the life of the corn before it begins its mold processes.

(B). The times given are those above which mold growth will cause enough loss in corn quality to bring about a lowering of grade.

PRACTICES THAT REDUCE DAMAGE

Corn drying studies started in 1959 and extending over the last five crop years were directed toward developing methods of operating batch and continuous-flow dryers that would produce dried corn

of acceptable market quality. The results of these studies suggest three practices that will help prevent the damage attributed to drying.

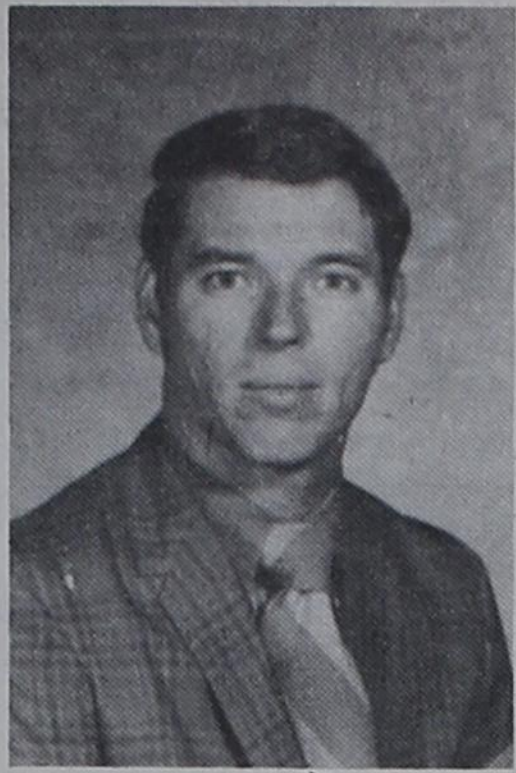

1. Stop rapid drying when corn reaches moisture level of 16 to 18 percent. This practice helps in two ways. First, moving the corn out of the dryer at moisture content of 16 to 18 percent helps prevent excessive grain temperatures that lower milling quality. As corn approaches moisture levels normal for storage, the rate of moisture evaporation decreases and the corn temperature increases. Second, interrupting the drying process when the kernel moisture content is 16 to 18 percent limits the formation of stress cracks in the corn, thus reducing its tendency to break when handled. (Stress cracks are fissures in the endosperm of the kernel caused by rapid drying or rapid cooling; stress cracks contribute to breakage of corn during handling.)

2. Allow the hot corn to temper and steam itself before cooling. If cooling is delayed until after a tempering period, the number of stress cracks is reduced and the dried corn is less brittle. In tests completed, either passing steam through the freshly dried corn or placing the hot corn in a container and allowing it to form its own "steam" was effective in reducing stress cracks.

3. Cool the corn slowly. Rapid cooling, especially if done immediately after rapid drying, also adds to the stress in the corn kernels and increases stress crack formation. Slow cooling with low airflow rates reduces stress in the kernels in addition to assuring maximum moisture reduction during cooling.

DRYERATION PROCESS
The three practices found to reduce damage from drying were combined into the process called dryeration. The process works this way: The corn is dried in a batch or continuous-flow dryer to a moisture level of 16 to 18 percent at fairly high air temperatures (200° F. and above). It is transferred immediately without cooling to a temporary storage bin equipped for aeration. The corn is allowed to set for a few hours and "steam" or temper itself before aeration is started. Cooling is accomplished in about 12 hours with airflow rates of around ½ cubic foot per minute per bushel. At these low airflow rates nearly all the heat in the corn is utilized to further dry the grain, and it is possible to reduce the moisture content two to three percent during the 12 hours of cooling.

Meet Your Teachers

A newcomer to Farwell High School is Royce Baker, head Junior Varsity coach. The six-year coaching veteran also assists with the varsity team. Besides his coaching responsibilities, Baker also teaches health, world history and fundamentals of math. He is a native of Wilson, Tex., and is a graduate of Angelo State University at San Angelo. He held previous coaching positions at Seymour, Tex., and Cooper High School in Lubbock. The new coach's hobbies are hunting and water skiing. He and his wife, Terri, have one son, Brandon, who is two years old.

ORANGE GUMDROP COOKIES

- | | |
|--------------------------------|-------------------------------------|
| 1 cup shortening | 1 tsp. baking soda |
| 1 cup granulated sugar | ½ tsp. salt |
| 1 cup brown sugar (not packed) | 2 cups quick-cooking oats |
| 2 eggs | 1-½ cups chopped Texas peanuts |
| 1 tsp. vanilla | 1 cup chopped orange gumdrop slices |
| 2 cups flour | |
| 1 tsp. baking powder | |

Cream shortening and sugars. Add eggs and beat well. Add vanilla, flour, baking powder, soda and salt. Mix well. Add oats, peanuts and gumdrop slices. Drop by teaspoons onto greased cookie sheet. Bake in 325 degree oven for 10-12 minutes. Yield: 5-6 dozen.

HONEY CRUNCHIES

- | |
|-------------------------------------|
| 3 cups quick-cooking oats |
| 1 cup flaked coconut |
| 1 cup chopped pecans |
| 1 cup all-purpose flour |
| 1-½ cups brown sugar, firmly packed |
| 1 cup butter |
| 1/3 cup Texas honey |

In large mixing bowl, combine oats, coconut, pecans and flour. Combine brown sugar, butter and honey in heavy saucepan and heat to boiling. Pour mixture over dry ingredients, mixing until well combined. Drop by teaspoonfuls into greased muffin cups. Bake at 350 degrees for 12-15 minutes or until browned. Cool in pans. Yield: 50 cookies.

Junior Woman's Club Sets Arts And Crafts Bazaar

Clovis Junior Woman's Club will sponsor its second annual Arts and Crafts Bazaar at the Curry County Fairgrounds on October 2 and 3. Artists and craftsmen from Clovis and the surrounding area will exhibit their work in the Commercial Building from 10 a.m. to 5 p.m. on Saturday and 1-5 p.m. on Sunday.

Displays will include jewelry, handmade dolls, needlework, macrame, oil paintings, watercolors, pastel portraits, books by local authors, Christmas ornaments and ojas.

In addition to the handiwork, there will be a bake sale, a fish pond for children and a

concession booth. In the afternoons, there will be demonstrations by Dani Tupper working in oils; pottery making by Jim McHenry and home decorating by Kaye Willmon.

An "Etcetera Booth" will be available for any artists or craftsmen to exhibit and sell up to four items. The fee is one dollar per item, per day. There are no reservations required at this booth. Exhibitors may bring items at 10 a.m. on Saturday and collect their money or their items at 5 p.m. that day.

A drawing for door prizes will be held at 3 o'clock

Sunday afternoon. One need not be present to win.

IT'S THE MOST!

The most serious vision problem among preschool children is "lazy eye." It is most effectively treated if detected before the age of six.
