SIXTY-SEVENTH YEAR

20 CENTS

At Annual Banquet --

## Farwell C of C Honors Man, Woman Of Year

Man And Woman Of Year

Fred Chandler and Julia Symcox, both active in many community projects, were named Man and Woman of the Year at Farwell's Chamber of Commerce banquet last Thursday night. Although plaques

for the honorees were not available in time for presentation at the banquet, the recipients have now received them. The honorees are holding the colorful bouquets of flowers and flags which were

on the speaker's table at the banquet. The Winter Olympics provided the theme and decorations for the annual affair which was attended by 150 persons.

"Welcome to Farwell's Olympic Village" echoed the theme of the nation and was featured at the Farwell Chamber of Commerce banquet last Thursday night when Julia (Mrs. Vernon) Symcox and Fred Chandler were named Woman and Man of the Year for 1980.

Members of Theta Rho chapter of Epsilon Sigma Alpha sorority provided decorations which centered on the Winter Olympics theme with toboggan caps and red and blue streamers decorating the white-covered tables and murals and pictures of appropriate Olympic and winter sports scenes decorating the walls.

Eddy Nicholson, dubbed the nation's "Armchair Philosopher," proved an entertaining and thought-provoking talk while he encouraged his listeners to "get back to the basics."

The banquet was staged at Farwell School cafeteria where 150 persons were served a meal of steak, salad, baked potato, hot rolls, cobbler, coffee and tea. Chandler, Johnny Atkinson and Joe Jones prepared the steaks and

the cafeteria staff prepared the remainder of the meal and did the serving.

Mrs. Symcox, born in Walnut Springs, Tex., moved to Oklahoma Lane at a young age and was reared in that community where she graduated from the Oklahoma Lane School. A mother of seven children and grandmother of 25, this individual was responsible for construction of the gazebo in Farwell City Park during the past year.

Farwell's Man of the Year, Chandler was born and reared in the Hollene and Rosedale communities in New Mexico, moving to Farwell in 1965. A big booster of youth events in the Twin Cities, he has served as president and coach in the

Little League organization and is a familiar figure at all the local livestock shows where he serves as bookkeeper for the sales.

Tom Nichols was master of ceremonies for the banquet and Atkinson introduced the evening's guest speaker.

Nicholson's ideals of "living well, laughing often and loving much" seemed to reflect those of the audience as did his expressed desire to "get back to the basics."

Leonard Harper, minister of Farwell Church of Christ, offered the invocation and Rev. Duane Knowlton, pastor of Hamlin Memorial United Methodist Church, provided the benediction.

Ed and Juanita Hardage

provided dinner music and Dutch Quickel introduced the out-of-town guests.

Quickel also recognized the outgoing chamber directors and introduced those who will be directors in 1980, including Lee Hutchins, Joe Hughes, Don Williams, Otis McMillan, Fred Chandler, Johnny Atkinson, Jerry Monk, Johnny Curtis, Ricky Stewart, Tom Nichols, John Getz, R.W. Anderson and Dutch Quickel.

In a brief progress report Quickel, chamber secretary, said that Farwell had gained several new businesses during the year and announced that a building will soon be under construction to house new telephone equipment in Farwell.

## Nichols To Head Farwell Chamber

Tom Nichols will serve as president of the Farwell Chamber of Commerce and Agriculture during the coming year.

Nichols was elected chamber president at a Tuesday morning meeting of the directors of the organization.

Serving with Nichols will be

Johnny Atkinson, vice-president, I.W. Quickel is chamber secretary and R.W. Anderson is treasurer.

In other business at the Chamber meeting Otis McMillan, Farwell Postmaster, reported that all 632 boxes at the Farwell Post Office are cur-

rently rented and that soon 220 more boxes will be installed to accommodate the needs of the growing community.

Because of the directors meeting Tuesday morning the C of C did not meet for its regular session Tuesday at noon.

Julia Symcox, Fred Chandler --

## Chamber Honorees Active In Community Projects

The duo named Farwell's Woman and Man of the Year at last week's Chamber of Commerce banquet, Julia Symcox and Fred Chandler, are both vital cogs in the community's wheel of progress.

Both are on the scene when a community project involving youth or the aged or for those in between need assistance. A perfect example is the annual Border Town Days activities which would not be complete without these two persons on the scene, Mrs. Symcox dividing her time between serving at a club or organization's booth, assisting with her club's candidate for the queen contest or just helping with a younger grandchild who is enjoying the day's events at the park.

Chandler may have served as the parade marshal (he has done that a number of times), helped to prepare and serve the meal, helped stage the old fiddler's contest as well as participating in it, and then have energy left to entertain everyone by just playing the fiddle or guitar in an impromptu pickin' session.

Mrs. Symcox hasn't lost her interest in youth just because all her children are grown and married with families of their own.

She is an active member of the Oklahoma Lane Baptist Church where she serves as church organist. She has taught almost every age group in the church through the years and still teaches a Sunday School class. She also sings solos on special occasions and if the church needs cleaning, she does that, too.

Mrs. Symcox has been a member of the Farwell Study Club for only five years, but club members say that after she became president of the group, the activities of the club accelerated unbelievably.

Farwell Study Club sponsored a queen contestant for the Border Town Days celebration and one year the club sponsored the contest itself.

Under her guidance, the

World of Flags was presented to the Farwell School, contributions were made to Girls Town and Boys and Girls State and the ball was started rolling to get funds to send a band student to Europe after this student had been selected a member of "America's Youth in Concert 1979."

But Mrs. Symcox's biggest project was the building of a

gazebo in Farwell City Park. One of her greatest wishes was to see a structure built where more activities could be held and the idea of the gazebo was born.

When she first presented her idea to the Farwell Study Club the first reaction was, "this project is too big - it cannot be done." However, she was not to be discouraged by this kind

of talk and she persuaded the club to donate \$100 to the project to get it started.

The persistent lady then went to every club and civic organization in the community and to many individuals presenting her idea and asking for support. In less than six months a beautiful and most serviceable gazebo in Farwell (Continued on Page 2)

My Second Birthday

Sonya Curtis is celebrating her second birthday today (Friday) although she is actually eight years old. Sonya, the daughter of Mr. and Mrs. Jimmy Curtis of Farwell, was

born on February 29, 1972, and has only had one other actual birthday since Leap Year (a year when February has 29 days) occurs only every four years. Sonya, a second grader

in Mrs. Patschke's room at Farwell Elementary, will celebrate her "second" birthday in style today with a party for family and friends at the home of her parents.

Here it is the end of February and we have not had any great calamities of nature. We have not had any real big snows, just some that helped the moisture picture, and a little touch of wind.

Now this little touch of wind may be a slight exaggeration because we traveled to Odessa, Texas, last Thursday and did see a lot of real estate changing location. We dropped due south of Muleshoe, through Morton, Plains and Denver City to Seminole. This area turned to cotton last fall and it is turning to sand dunes this spring.

However, this state of affairs is nothing new for those folks and they seem to weather the weather pretty well. They are still ginning their cotton crop at the same time many farmers are preparing the land for a new season. It is a tribute to the ingenuity of the farmer and the hardness of the soil they till.

\*\*\*\*\*  
The price of gasoline is high and probably will get higher. We overheard some grumping about the price of gas while the morning headlines blared a story about the major oil companies supposedly overcharging the public.

We don't know about the overcharge bit but do know two things, one is that right now the value of major oil company stock is declining and with this still being a relatively free country you can go out and buy some stock in a major company and get in on these big profits.

If our oil companies are making such "obscene" profits why aren't more people buying the stock and sending the price up instead of down?

\*\*\*\*\*  
By the time that this is read the political dust will have settled in New Hampshire and possibly several political fates will have been sealed. It is too bad that so many extraneous political issues have been aired without much really having been said about the foremost political problem facing this country - inflation.

The President has been hiding in his Rose Garden and all the other candidates have been tilting at windmills while inflation in 1980 is off to a running start.

Laws already on the books provided for automatic increases, effective Jan. 1, in Social Security taxes and the federal minimum wage, which will drive up employers' costs and help push up prices.

Under a law passed in late 1977, Social Security taxes have been rising sharply. Over a 10-year period Congress provided for automatic increases totaling around \$227 billion.

In 1979, for example, the tax rate and the maximum amount of earnings taxed both went up, which raised the combined tax for employer and employee to \$2,808 a year. In 1980, the tax rate remains the same, 6.13 percent. But taxable earnings go up sharply from \$22,900 to \$25,900. This means a yearly tax of \$1,588 each on employer and worker - or a boost of \$184 for workers earning \$25,900 or more.

The federal minimum wage similarly has been going up under a law passed in 1977 when the wage floor was \$2.30 an hour. The Jan. 1 increase made the new minimum \$3.10 an hour - a 35 percent increase since Jan. 1, 1978.

But this is only one side of the coin - what might be called inflation by legislation.

What about "unlegislated" pressures on inflation. In a 1980 forecast, Dr. Richard S. Landry, deputy chief economist of the U.S. Chamber of Commerce, says

"High rates of inflation and increases in nominal wages are increasing the tax burden of both individuals and corporations at alarming rates.

"Without sizeable cuts in Federal taxes next year, personal income taxes are (Continued on Page 2)

## Texico City Election Slated Next Tuesday

Tuesday, March 4, is the date voters in the City of Texico will go to the polls to cast ballots in the municipal election to elect a mayor, municipal judge and two city councilmen.

Ten persons have filed to have their names on the ballots in the election to fill the four positions. Voting hours are from 7 a.m. to 7 p.m. in Texico City Hall. There are 200 registered voters in the City of Texico, according to Marie Christian, city clerk.

Officials for the election will be Ophelia Billington, judge, with Mary Jones as alternate. Clerks will be Bernice Thigpen and Thelma Venable with Nannie Goforth serving as alternate.

John R. Hadley and Max L.

Carter are running for the office of mayor. The present mayor, Manfred Turnbough, chose not to seek re-election to that office; however, he did file for a post as city councilman. Others seeking the office of councilman are Billy Thigpen, incumbent, and Donnie C. Morris, J. Howard Duncan, Joe Caywood and Truman Kittrell. Two posts are to be filled with the term of Thigpen and that of Marie Christian expiring. Mrs. Christian is not seeking re-election. Other trustees are Lewis Cooper and Vane Doshier.

On the ballot for the office of municipal judge are Howard Billingsley, incumbent, and Juanita Autrey.

Mrs. Christian reported early this week that as of

Monday, Feb. 25, only four absentee ballots had been issued and that only two of those ballots had been returned. Absentee voting concludes today (Friday) at 5 p.m. MST and persons wishing to vote absentee are reminded that they must fill out an application for a ballot, fill it out and return it to the clerk's office for approval before a ballot may be issued.

## Texico Girls To Regional

Texico Wolverine girls will take their show on the road tonight (Friday) to play in the regional tournament in Weed. Despite their loss to Elida in district competition last weekend they are still eligible for regional play and will face the Weed girls tonight at 8 p.m.

The Wolverines have a 21-4 record for the season and hope to defeat Weed to keep their berth in the regional contest. If they defeat Weed they will then play the winner of the Elida-Carrizozo game which is scheduled to be played at 6:30 tonight.

The playoff game will be at 8 p.m. Saturday night with the winners of the two games vying for the championship.

## Pleasant Hill Baptists Set Revival March 3-9

Pleasant Hill Baptist Church will conduct a revival on March 3-9 with services nightly at 7 o'clock (MST). A youth fellowship will be Friday night, March 7.

Evangelist for the revival will be Hugh Frazier, who served his first pastorate at Pleasant Hill for about 5 1/2 years. Bro. Frazier was reared around Roswell, majored in religion at ENMU in Portales, attended Southwestern Semin-

ary at Ft. Worth, pastored at Dora for two years and then moved to University Baptist Church in Portales where he has served as pastor for 11 years.

Music during the revival will be led by Clyde Powell of Portales. Everyone is welcome to attend the services and are urged to do so by Bro. Bob Reid, new pastor of the Pleasant Hill Baptist Church.

## Oklahoma Lane --

## Baptist Church Slates Revival March 2-9

Oklahoma Lane Baptist Church will hold a revival March 2-9 with services being held Sunday at 11 a.m. and again at 6 p.m. and services each night Monday through Saturday at 7 p.m.

Evangelist for the revival will be Rev. L.C. Godwin, associate pastor at Hillcrest Baptist Church in Amarillo. He came to Amarillo and the Panhandle country in 1920 with a dance band from the west coast.

"I was converted in 1924, went back to California to complete my education in Los Angeles Bible Institute and became pastor of Vega Baptist Church in December 1928. Twelve years later I became pastor of Groom Baptist Church, and started pastoring First Baptist Church in Panhandle in 1945," says Rev. Godwin.

In 1952 he came to Amarillo and served as supply and interim pastor in many churches until he became associated with Hillcrest two years ago.

Serving as minister of music during the revival will be Geary Brodgen. He is presently serving in that capacity at First Baptist Church in Friona where he has served since 1976.

Brodgen has been allowed many opportunities to sing in meetings both secular and

sacred with the greatest blessing, he says, being singing for the Texas Baptist Evangelism Conference in Ft. Worth. He also enjoyed directing the music and singing for the Pastors' and Laymen's Conference of West Texas at Wayland Baptist College in Plainview.

He is a member of the Texas Singing Men and has recorded with them. He also had the privilege of making a gospel music album, "I Will Serve Thee."

"Everyone is invited to come to the revival any or every night," says Howard Rhodes, pastor of Oklahoma Lane Baptist Church.

**Lazbuddie Exhibitors Sweep Livestock Show**

Vandi Tarter of Lazbuddie FFA had the Grand Champion in the barrow show with her 244-pound Duroc entry. Reserve Champion barrow was exhibited by Mark Petchinsky, Friona FFA, who also had the champion crossbred barrow.

The barrow show was the most competitive with a total of 312 entries, a record number. The judging took a total of eight hours, from 8 a.m. until 4 p.m. Friday.

The judge was Marcus Phillips of Hereford, a vocational-ag instructor. Sean Mason of Lazbuddie

exhibited the grand champion sheep, a medium wool entry which had earned breed champion honors in preliminary judging.

Reserve champion lamb was exhibited by Tim Garner of Bovina, whose 126-pound lamb had been reserve champion in the medium wool division behind Mason's animal.

Philip Jesko of Lazbuddie had the Grand Champion Steer with his 1156-pound Angus. Jesko's animal had earlier won the light heavyweight class in preliminary judging.

Jeff Jesko won the Reserve

Champion honors with a 1217-pound Hereford Cross steer.

Other class winners were Holly Tatum of Friona and Doug Roming of Bovina.

Other breed champion honors in the barrow show were won by Tommy Mesman, Farwell, Yorkshire; Matt Howell of Bovina, Chester White; Sharlet Johnson, Bovina, Berkshire; Russell Windham, Lazbuddie, Hampshire; and Sherrie Seaton, Lazbuddie, Poland China.

In the sheep show, Guy Ellis of Friona had the champion fine wool cross, Brian Glover of Lazbuddie had the champion fine wool lamb, and Sheldon Mason of Lazbuddie had the champ Southdown.

Showmanship awards were won by Charles Johnson of Bovina 4-H in the barrow division; Ben Landrum, Friona FFA, in the lamb show, and Phillip Jesko of Lazbuddie FFA, who exhibited the Grand Champion, won in the steer division.

Herman Boone, vocational-ag teacher at Spearman, judged the steers, and Denny Belew of Anton, judged the lambs.

At the auction sale held on Saturday, buyers paid out a total of \$142,484.29 to the young showmen. This included \$88,792.03 paid by buyers of floor animals, and \$53,692.26 in premiums.

Friona State Bank bought the champion steer, which brought \$1.33 per pound with add-ons; Pro Auction bought the champion barrow at \$4.02 per pound, and Foster Fertilizer paid \$4.59 for the champion lamb.

The show and sale were held at the Community Center and Showbarn located in Friona.

Farwell winners in the show were:

expected to increase a massive 15.6 percent despite a predicted fall in inflation-adjusted wages."

What else is there in the way of built-in inflation for 1980?

What about 1979's inflation? Even if inflation slows down below the current level of 13 or 14 percent, economists agree, prices will not fall below the level at the start of the current surge several years ago. In other words, past inflation will feed 1980's.

While unable to agree on a uniform price increase, OPEC

ministers at their year's end meeting in Venezuela left no doubt that crude oil prices would be rising again and adding to prices at U.S. gasoline pumps. The producing nations were at loggerheads over how high to raise prices. At the start of the new year they began raising prices in a leapfrogging fashion.

What happened to the good news?

Never underestimate a woman unless you're guessing her age or weight.

Mexico State. In May 1965 he moved to Farwell where he is employed at Sherley-Anderson-Pitman elevator. He and his wife Dickie have two sons and a daughter.

Chandler helped to organize the local summer baseball programs for Twin Cities youth, serving as president of the group and assisting in many ways through the years besides coaching teams etc.

When his children were in school he served as class parent and has been president of the Jaycees. He has served as president of the Farwell athletic booster club and is head cook when the club honors the athletes at their annual banquet.

He is active in the Rotary Club, the Chamber of Commerce, and is serving his third term as councilman on the Farwell City Council.

He loves music and plays several instruments, and while in college helped pay his way by playing base fiddle with the group called "The Aggie Ramblers."

Now he enjoys playing with area groups and is always on the stage at the Fiddlers Contest during Border Town Days, assisting with the program and participating in the event. He also likes to ski, play golf and farm.

He does the bookkeeping for the sales at the local livestock shows and supports the youth by attending their ball games and other athletic events. And he also occasionally takes a turn caring for his grandchildren.

City Park was ready in time for the 1979 edition of Border Town Days. Costs of the gazebo was approximately \$3,000 and it was already paid for when completed.

At the Border Town Days celebration, considered one of the biggest and best, the park gazebo was dedicated to this hard working, energetic lady who saw a need and said, "This can be done."

Chandler was born in Holene, N.M., and attended school at Rosedale graduating from high school there. He then went to college at New

**Services Set Friday For Hazel Thurston**

Word was received Wednesday morning of the death of the sister of Charlie, Woodrow and John Lovelace all of Farwell.

Mrs. H.L. (Hazel) Thurston, 75, a resident of Hereford, died at 6 a.m. on February 27 in her home following a short illness.

Mrs. Thurston was born in Vernon, Tx. on September 4, 1904 and was married to Rev. Herschel L. Thurston on June 18, 1924 in Farwell.

She and her husband moved to Deaf Smith County in June 1959 from Dalhart. She was a homemaker and an active member of the First United Methodist Church of Hereford where her husband had been minister prior to his retirement.

Survivors include her husband, H.L., of the home; one son, R.W. (Bob) Thurston of Denver City, Tx.; two daughters, Mrs. Ann Williams of Plano and Mrs. Norma Ellis of Ft. Worth; five brothers, W. Ed Lovelace of Vernon, Charlie, Woodrow and John Lovelace of Farwell, and Arlon

Lovelace of Santa Fe, N.M.; three sisters, Mrs. Mary Ann Burkhead of Albuquerque, Mrs. Iona Hamilton of Lubbock and Mrs. Merle Norris of Clovis; and eight grandchildren.

Funeral services are scheduled for Friday (today), Feb. 29, at 2 p.m. at First United Methodist Church in Hereford. Dr. Jordan Grooms of Amarillo, Dr. V.N. Henderson of Lubbock and Rev. William McReynolds, pastor of First United Methodist Church of Hereford, will officiate.

Burial will be in West Park Cemetery in Hereford.

**FIRE CALLS**

Texico and Farwell Volunteer Fire Departments had a very quiet week as neither department received any fire or ambulance calls.

**Chamber Directors**

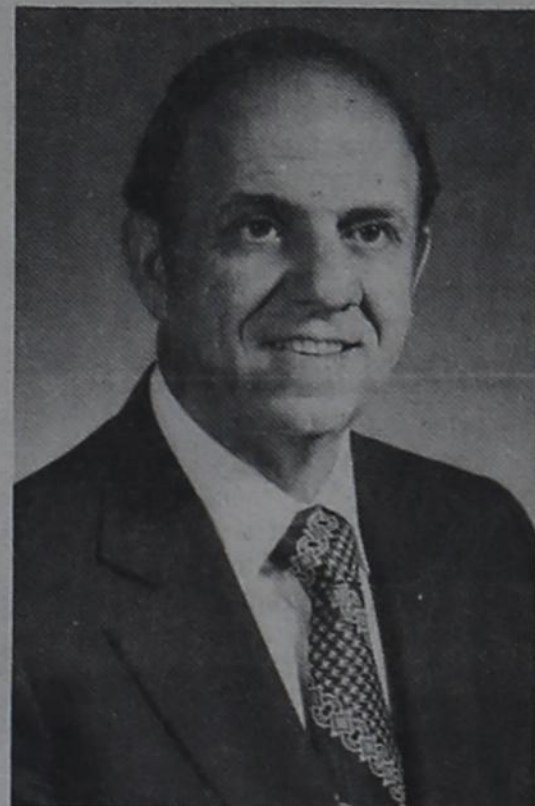

Directors of the Farwell Chamber of Commerce present at last Thursday's Chamber banquet were, from left, Tom Nichols, Don Williams, Johnny

Actkinson, Johnny Curtis, Fred Chandler, Jerry Monk and Otis McMillan. Banquet attendants heard Eddy Nicholson present a humorous and thought-

provoking message and saw the presentation of Julia Symcox and Fred Chandler as Woman and Man of the Year.

## Commissioners Okay Conservation Work

Among the items approved during the regular meeting of Farmer County Commissioners Court this week included the approval of four areas of soil conservation work within the county.

Commissioners also drew up specifications for bids for additional road machinery and approved the purchase of a pickup truck for the county agent. It is to be purchased from Friona Ford Sales.

In other business Chief Deputy Bill Morgan reported that the jail only needed some additional wiring and welding to bring it up to standard. The commissioners agreed to go ahead and complete this work.

It was also decided that the office of the county treasurer needed more wiring and new carpet.

Other business was routine, including the paying of monthly bills.

## Committee Names Three For School Board Ballot

The committee selected to place names on the ballot for the upcoming Farwell School Board election met Monday night and placed the names of Jim Walker and Billy Mayfield, incumbents, and Vernon Thigpen on the ballot for the April 5 election.

Anyone who desires to run for the office of school board member and is eligible to hold the office may do so whether or not his name was selected

by the committee. Persons wishing to file an application to run must pick up a form at the office of Superintendent W.M. Roberts and return it to his office by 5 p.m. Wednesday, March 5, the filing deadline.

Members of the committee making the selections were Clarence Kube, Ted Magness, Connie Ray, Walter Hughes, Darrell Stephens, Joel White and Don Gerles, with Hughes serving as chairman.

## Texico Council To Amend Ordinance

Texico City Council met in regular session on Tuesday night and tended to several orders of business.

Present for the meeting were mayor Manford Turnbough, trustees Bill Thigpen, Vane Doshier, Lewis Cooper and Marie Christian, and city employees Billy Hammit and Mickey Fenn.

Discussion of Ordinance 201, which pertains to solid waste, was discussed and a decision was made to amend the ordinance upon the advice of city attorney, Harry Patton.

The council handed down a decision that all maintenance work must first receive approval by the council before it is done and Calvin Young is to be trained by Howard Billingsley

to operate the maintainer. These decisions were made unanimously by the council.

A problem of persons driving through the KKR park and ruining the grass was discussed by council members and a decision was made to erect a fence of steel posts and cable to prevent this.

Purchase of hot mix from K. Barnett for street patching and a legal type typewriter from Curtis Smith Office Supply were approved unanimously by the council and the job of insulating the city building was awarded to Lee's Electric of Farwell.

Final action by members of the council was approval and payment of bills.

## Library Will Sell Old Books

Pat Graham, librarian at Farwell High School, says that she has cleaned out book shelves at the library and is disposing of a large selection of older books in order to make room for some new books.

The old books are going to be sold for 25c each and everyone is welcome to come and go through them and make their selections.

The books will go on sale on March 3 and will remain on sale through March 7. Persons wishing to purchase books may do so by coming to the library during school hours, 9 a.m. to 3:30 p.m. CST.

## City Council Has Brief Meet

The regular meeting of Farwell City Council Monday night was brief and routine with only the ordinary business of approving and paying bills on the agenda.

Mayor Walter Kaltwasser and Councilman Johnny Curtis reviewed the expenditures of the city and approved payment of the expenses in the absence of Councilman Fred Chandler.

## Dr. Nader To Speak Here March 2-3

A two-day session of special Lenten services will be observed by Hamlin Memorial United Methodist Church of Texico-Farwell on March 2 and 3.

Here to preach at several services during those two days will be Dr. Sam Nader, pastor of the First United Methodist Church of Lubbock.

Starting the special event will be an evening worship service at 7 o'clock on Sunday, March 2, when Dr. Nader will present his first message.

At 7 o'clock the following morning he will speak at the Methodist Men's breakfast. All are welcome to attend the breakfast meeting and will be served a light breakfast of rolls, juice and coffee.

Ladies of the church are in charge of a salad luncheon at noon that day from 12 to 1 p.m. when Dr. Nader again will present a message. He will close his series of services here on Monday evening with the regular worship period at 7

p.m. Everyone in the area is cordially invited to come to any or all of these services to hear this well-traveled and popular speaker. A nursery will be provided for all the services.

### REC, Phone Group Have Annual Meets

Bailey County Electric Cooperative Association and the Five Area Telephone Co. of Muleshoe held their annual meetings on Saturday, Feb. 23, with 200 persons in attendance at each meeting.

The REC had its meeting at the Communities Activities Building in Morton while the telephone company had its meeting at the Muleshoe Civic Center.

Newly-elected directors for the telephone company are Robert Byrd from District 1 and Jack Angeley from District 3. J.F. Furgeson was elected board president; Angeley was elected vice-president; and Ray O'Brien was

elect secretary-treasurer.

In the REC meeting three new directors were named, including Lewis Wayne Shafer from District 4, Glenn Lowe from District 5 and Ernest W. Trull from District 7. Other directors making up the seven-member board are Joe Embry, J.W. Herington, Tommy Kirk and Guy F. Kelley.

Embry was elected new board president; Shafer was named vice-president; and Herington was elected secretary-treasurer.

At each of the meetings the employees of Bailey County Cooperative and Five Area Telephone served refreshments during and after the sessions.

## Farwell Couple Injured In Clovis Car Accident

Three persons, including a Farwell couple, were injured in an automobile accident in Clovis last Saturday.

Injured were Tracie and Alan McCleskey of Farwell and Oscar W. Marlow of Muleshoe. Mrs. McCleskey suffered a broken pelvis and was admitted to Clovis High Plains Hospital in Clovis, while McCleskey received a concussion and was transported to Lubbock for treatment. Marlow was taken to Clovis High Plains with suspected neck injuries.

The accident occurred when the McCleskey vehicle, traveling east on Mabry Drive collided with a vehicle driven by Marlow when Marlow was attempting a left hand turn, according to police reports.

The McCleskey car struck the other auto, ran into a ditch and overturned, police reports indicated.

Marlow was cited for driving under the influence of drugs and failure to yield to oncoming traffic when making a left turn.

McCleskey's mother, Loyce

McCleskey of Farwell, reports his condition is improved and he has returned home and hopes to go back to work some time next week. Mrs. McCleskey is still a patient at the Clovis hospital but is improved and hopes to return home sometime the first part of next week. Marlow's condition is not known at this time.

### SHERIFF'S REPORT

Parmer County Sheriff Charles Lovelace reports that the sheriff's office investigated a house burglary Tuesday. The burglary occurred at the Hubert Gohlke residence in the Oklahoma Lane area.

A calculator, woman's wrist watch and pistol were reportedly taken in the burglary. Sheriff Lovelace reports that two men have been taken into custody in connection with the burglary. They were picked up in Hobbs, N.M., and are being detained there. However, none of the stolen items have been recovered at the present time, according to Lovelace.

Refreshments of chips, dips, cookies, pie, nuts, coffee and tea were served to the group by hostesses Frances Lovelace and Alma Sledge.

Those present at the meeting were Eunice Crume, Gertrude Foster, Linnie Mae Crook, Ellen Wurster, Frances Kube, Julia Symcox, Carrie Christian, Lela Atchley, Ophell McDonald, Frances Lovelace, Alma Sledge and Nina Glascock.

## Scouts Say Thanks For Cookie Sales

Girl Scout Troop #159 and Brownie Troops #143 and #385 from Texico and Farwell expressed appreciation this week to everyone in the Twin Cities for their generous support of the 1980 cookie sales.

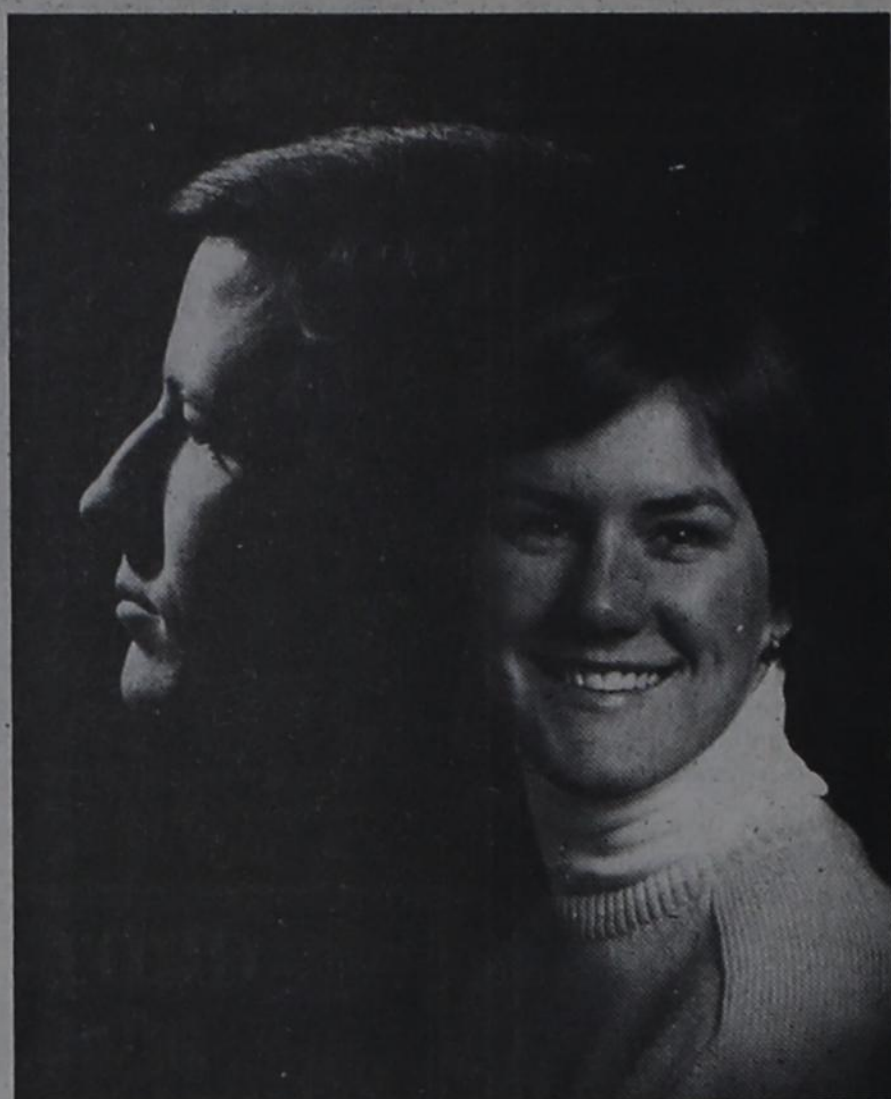

A spokesman for the Scouts and Brownies said that some 122 cases of cookies were sold in the Twin Cities this year and that number was "remarkable for a community the size of Texico and Farwell."

"We sincerely appreciate the

support and cooperation for everyone in Texico and Farwell who purchased cookies from the girls," the spokesman continued.

Monies earned through the cookie sales all stay within the council to help the girls with various projects throughout the year.

The girls still have a few assorted boxes of cookies for sale and anyone interested in buying these may call Anita Ralston at 481-9446.

# Double-Ring Ceremony Unites Paula Martin, Kent Vaughan

Paula Rolyn Martin of Farwell and James Kent Vaughan of Earth were united in marriage Saturday, Feb. 2, in a double-ring ceremony solemnized in the Farwell Church of Christ. Leonard Harper, church minister, officiated at the candlelight service.

The bride is the daughter of Mr. and Mrs. Preston Martin of Farwell and the bridegroom is the son of Mr. and Mrs. Loyd Vaughan of Dimmitt.

The center aisle of the church was lined with lighted votive candles, laced with greenery and bows of lime green. An arch of 15 ivory candles and two arches of seven ivory candles formed the setting for the ceremony. The candelabras were laced with greenery and banked with palms of emerald greenery.

Guests were registered by Kim Magness of Abilene. She handed out the wedding programs at a table covered with ivory lace over a cloth of lime green. The table was accented with three lime green candles, a picture of the bridal couple, and the bride's book. Background for the table was a bulletin board done in lime green with white letters reading "Paula and Kent, Feb. 2," accented with wedding bells.

Escorted by her father and given in marriage by her parents, the bride wore a formal length gown of candlelight silk organza and lace. The entire gown was patterned in peal-encrusted floral appliques of peau-de-angel lace. A heavily appliqued empire bodice featured a deep scoop neckline with long narrow lace sleeves ending in a flared double ruffle at the wrist.

Scalloped braid of graduating sized pearls edged the neckline. The semi-circle A-line skirt was cut to floor-length in front, tapering to create a chapel length train in the back. It featured beaded applique lace scattered throughout the skirt. Encircling the entire edge of the skirt were two organza ruffles.

Completing the ensemble was a manta of silk illusion which was attached to a peau-de-angel covered profile

cap edged with matching lace and seed pearls.

Following wedding tradition, the bride carried a handkerchief belonging to the late Mrs. Winnie Mae Fogerson for something old; her veil, made by Joye Breedlove, aunt of the groom from Littlefield, was something new; something borrowed was a pearl necklace borrowed from her mother, Mrs. Doris Martin; and something blue was her garter.

She carried a nosegay of white silk roses which was trimmed with net and green leaves atop a white Bible which was given to her by Mrs. Bettie Martin.

The bridegroom wore an ivory royale tuxedo with ivory accessories. The groom's attendants, the fathers and the minister wore black tuxedos with ivory accessories.

Karan Newsom of Lubbock attended the bride as matron of honor and Beverly Roberts, also of Lubbock, was bridesmaid.

The bride's attendants wore identical floor length dresses of lime green delaine qiana designed with straight sleeves and v-necklines. The dresses were accented with gathers flowing from the waistline to the floor in the back. They carried oriental fans of beige lace, accented with lime green silk flowers at the base of the fans.

For her daughter's wedding, Mrs. Martin wore a formal length gown of Dior blue with a matching long coat. She wore a white orchid corsage and matching accessories. Mrs. Vaughan wore a formal length gown of dusty rose. She also wore a white orchid corsage with matching accessories.

Gene Vaughan, brother of the bridegroom from Ft. Collins, Colo., served as best man and another brother, Danny Vaughan of Earth served as groomsmen.

Ushers were Brian Hamilton and Mickey Price of Earth, and Rex Lust of Dimmitt.

Music for the wedding provided by Greg, Tim, Kirt and Keith Martin, brothers of the bride; Bettie, Susie and Nancy Martin, sisters-in-law of the bride; Albert and Sue

Martin, uncle and aunt of the bride; and Dicky, Barbara and Dixi Martin, cousins of the bride.

Selections included "The Twelfth of Never," sung by Bettie Martin as the candles were being lighted; "Follow Me" by Dicky Martin as the grandparents, Mr. and Mrs. W.E. Martin and Mrs. Virginia Martin, were being seated; "Father Hear the Prayer We Offer," sung by the entire group.

"Sunrise, Sunset," was sung by Bettie and Greg Martin as the mothers were being seated; "Whither Thou Goest" was sung by the bride and accompanied by Greg and Bettie Martin; "The Wedding Song," sung while nephews of the bride walked down the aisle; "Faithful and True" sung as the processional; "The Wedding Prayer" sung by Bettie Martin; and "Be With Us, Lord" sung as the recessional.

Immediately following the ceremony, a reception was held in the fellowship hall of the church.

The bride's table was draped with a floor length white Alencon lace cloth. It featured a tall silver candelabra decked with white candles and babies' breath.

The four-tiered bride's cake was topped with lime green nosegays of daisies and lily of the valley. Silver and crystal appointments were used to serve the guests. Nuts, mints and finger sandwiches were served.

The bridegroom's table was laid with an ecru linen cloth and featured gold appointments. The two-tiered chocolate cake was decorated with two gold doves and was served with coffee, nuts and miniature sandwiches.

Serving at the bride's table were Kitty Hall, Wanda Batton, and Cindy Winkler, all of Lubbock, and Kim Magness of Abilene.

Serving at the bridegroom's table were Mrs. Gene Vaughan of Ft. Collins, Colo., and Mrs. Danny Vaughan of Earth, sisters-in-law of the bridegroom.

Handing out rice bags were Laurie, Leanne and Lisa Harper of Farwell.

Floating hostesses for the reception were Patsy Merritt, LeeNell Eubank, Joey Fly, Jackie Bailey, Wanda Mayfield, Cheryl Harper and Brenda Sims.

The bride changed into a navy blue suit with a white blouse and white shoes and a silk corsage lifted from her bouquet, before the couple left on a honeymoon trip to New Orleans.

The bride is a Farwell High School graduate and attended Lubbock Christian College and Texas Tech University.

The bridegroom graduated from Dimmitt High School, attended South Plains College and is presently farming at Earth where the new couple is at home.

## Little League, Pee Wee Games To Start May 5

Actual games in the summer baseball program for the Twin Cities will begin on Monday, May 5, at the Lions Park in Texico.

Youngsters who will be playing on Pee Wee or Little League teams will start their season at this time and the program will be concluded by June 19.

These decisions were reached at a Monday night meeting to organize the Little League program for the coming summer.

Randy Adrian was named president of the organization with Mike Spearman chosen as vice-president. Jim Walker is the player agent, Sydney Chadwick is secretary, and Joel White is the safety officer. Joe, Gwen and Tim Hughes will be in charge of concessions for the games.

Player tryouts for girls and boys interested in playing in the Little League have been set for April 12 and 14 with the player auction to be conducted

on the 14th. Boys and girls playing for the Pee Wee teams do not have tryouts.

In other business the group voted to secure another load of rock to be applied to the field before the season gets underway.

This year's season will be divided into two halves and if each half has a different winner, there will be a playoff game between the winners of each half.

Since there is a growing number of youth who wish to participate in the summer baseball program there is a big need for additional adults to coach the teams. If you are interested in helping the youngsters in the Twin Cities to have a successful baseball program this summer, please volunteer your efforts to help coach one of the teams. If you are interested, please contact Randy Adrian or Jim Walker.

### Dwayne Shults Receives Special Sales Awards

Dwayne Shults, a 1978 graduate of Farwell High School, and son of Mr. and Mrs. Doyle Goldsmith of Ruidoso, has been honored for his performance in the Southwestern Company's nationally known summer marketing program.

While in competition with thousands of students from all over the United States, Dwayne earned the company's coveted First Year Century Club award for ranking in the top percentage of student dealers in personal sales.

Dwayne won special recognition for individual effort by winning the Superstar Sales Case. This premium award is presented to those students in the Southwestern Program who work 80 hours and make 180 demonstrations each week of the summer program.

The Southwestern Program gives young people the oppor-

tunity to learn to communicate with other people, run their own business, and make money to pay their own way through college.

Dwayne is currently a sophomore at Abilene Christian University where he was on the Dean's List for the fall semester. He has been asked to return to the Southwestern program as a Student Manager in the company's summer program. His selection was announced after consideration

in the areas of initiative, self-motivation and determination.

# Wolverines Upset In District Tournament

Elida's Myra Stokes sank an eight-footer with 11 seconds left in the game to give the Elida Tigeresses a 31-30 upset win over the Texico Wolverine girls in the District 6A championship game at Dora Friday night. But despite the loss, Texico has a berth in the regional tournament this week-end.

The district tournament didn't go the way anyone expected as Elida knocked off both the favorites, Floyd and Texico. Both of these teams were 21-3 for the season.

The lady Wolverines got on the scoreboard first and held a 2-0 advantage for the first four minutes of the first quarter. But Elida came back with six unanswered points and took an 8-4 lead at the end of the quarter.

Texico, one of the better outside shooting Class A clubs in the state, finally got untracked in the second quarter. The Wolverines, behind Lori Harrington's six points, outscored Elida 9-2 in the first five and a half minutes of play. Elida came back with four points, but so did Texico and the Wolverines held a 17-14 advantage at the half.

Texico enjoyed its biggest lead of the game at 21-14 at the start of the third quarter. Elida then regrouped and outscored the Wolverines 8-4 the rest of the quarter and the Wolverines led 25-21 at the end of the period.

Ruth Scott and Lisa Coffey both went to the bench with four fouls during Elida's comeback. Both came back

during the last quarter, but their play was hindered by the foul count.

Texico maintained its slim lead for most of the last quarter but missed free throws appeared to be their downfall. The Wolverines went to the line three times in the last minute and 10 seconds but came up empty handed each time. They were finally overtaken by Elida with 11 seconds left, but still had a chance to win the game.

Texico called time out with 7 seconds to go and tried to pull off a miracle finish, but it was not to be when Elida's Charla Howard intercepted a pass with four seconds left and clinched the victory for Elida.

"We just have to forget about this game and get ready for the regional tournament," commented Coach Roy King. "They (Elida) just wanted the ball game more than we did. It seemed like they got every loose ball on the floor. The winning shot was put up by Stokes after Scott made a great block of the ball," added King.

"We had geared ourselves to playing Floyd and after they lost, I think everyone was a little overconfident, since we had defeated them twice already," commented King.

"We can't take anything away from Elida, because they played a very smart basketball game, but on the other hand, you don't expect to win many ball games when you hit on 14 of 49 shots from the floor and 2 of 9 free throws and most of

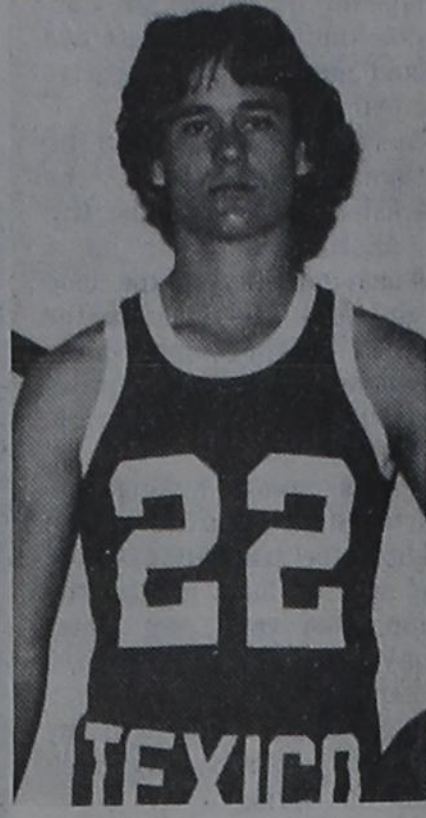

them were bonus free throws," King added.

Texico was led in scoring by Harrington and Scott with 8 each. Tracy Dobbs added 6; Lisa Coffey, 4; and Schree Rucker and Becky McDonald added 2 each.

Scott did an outstanding job on the boards as she finished with 18 rebounds, a season high. Coffey chipped in with 7; Rucker, Dobbs and Harrington had 3 each; Becky McDonald had 2; and Teresa Gollgedge had 1.

The Wolverines now advance to the regional tournament tonight (Friday) and Saturday night. The Wolverines will play Weed, District 5A champions, at 8 p.m. tonight. Elida will play Carrizozo at 6:30 tonight. The winners of the two games will meet in the championship game at 8 p.m. Saturday night. The games will be played in Weed.

## Texico Player Of The Week

NEAL HAILE

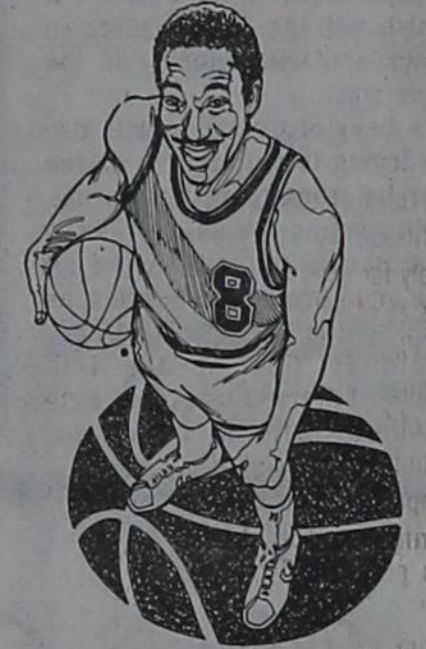

Neal Haile has been selected as Wolverine Player of the Week by his coach, Cecil Davis. Neal, a 5'11" senior forward, scored 14 points against Dora, 20 against Melrose and 12 against Grady. He is the son of Mr. and Mrs. Donald Haile of Lubbock.

## Texico Jr. High Basketball Results

Texico eighth grade basketball team had a good year, according to Coach Mike Littlejohn. They ended the year with a 10-6 record.

The Wolverines started out by winning their first six games before an injury or two slowed their progress, losing three games by three points or less. The scoring was led by Kevin West with 12 points per game, Ronnie Landis with nine, and Brad Maxwell with

seven points per game. Rebounding was led by Ronnie Landis averaging 11 rebounds a game with Brad Maxwell and Kevin West each averaging five per game.

## Texico Jr. Varsity Basketball Results

The Texico freshman basketball team didn't have as successful a season as had been looked forward to, but there were many bright spots in the 5-6 final record. Among those were a 45-point average per game compared to allowing the other team only 40.5 points per game.

The scoring was led by Earl Bibbs with 10.5 points a game. Paul Salguero and Doyle Duncan averaged nine points each per game. Bibbs also led in rebounding averaging 10 per game followed by Lynn Tubbs with eight per game, and Lloyd Williams and Doyle Duncan

with six rebounds each.

The 1979-80 Texico JV basketball team finished the season with a win at Melrose 49-36, and a loss at Grady, 54-38. The JV finished the season with an 8-6 record including a third place finish in the Tatum JV tournament.

Coach Mike Littlejohn felt the JV had a successful season. "Our defense did a fine job allowing 40 points per game average while the offense hit at a 49 point per game clip. The defense allowed 50 points or more only four times this season while the

offense broke the half century mark a total of six times."

The rebounding was led by sophomores, Tony Tubbs with ten per game; Jeff Dunsworth with eight per game, and Mike Arnold with 7.5 per game.

## Lazbuddie Senior Highlights

by Janet Wilke

Lazbuddie now has a "semi-celebrity." He is Dennis Steinbock, senior.

Dennis' picture appeared in the February issue of Texas Coach magazine. It was submitted by Lazbuddie coaches to show the correct form of throwing the discus, and the steps to achieve that means.

Dennis has been active in several areas of athletic endeavor in his four years at Lazbuddie High.

In his senior year in football, Steinbock was named to the All-State second team as a kicker. He was a unanimous choice as All-District kicker and made second team All-District as a defensive lineman and tight end. He was also named All South Plains Kicker.

Steinbock has also been active in track for the past four years.

Last year he was third in the discus, fourth in pole vault, and sixth in the high hurdles. (A teammate, Keihm Smith, placed higher in discus than did Dennis last year.)

A 5'11" senior, Dennis also

has been an avid golfer, and has placed in three of the last four district meets. It seems to run in the family, since last year the entire Lazbuddie golf team was composed of either Steinbocks or a relative, with the exception of one golfer.

Dennis has also expressed interest in cycle riding.

An active member of the Lazbuddie High School Student Council, of which he is vice-president, Dennis also helps his father, Max, in farming activities that are so much an everyday affair with the majority of Lazbuddie youths.

\*\*\*\*\*  
"Enjoy going to school while you can, because it is over too soon," is the advice senior Terri Clark offers to youngsters in Lazbuddie.

Terri is the 17-year old daughter of Mr. and Mrs. Wayne Clark. She has two older brothers, Danny, 22, and Loy Dale, 25.

In her four years at LHS, Terri has been active in several activities. She was head cheerleader for the Horns this year, making her third

consecutive year to lead cheers. She has also been active in basketball and track, lettering four years in each sport.

As a basketball player, Terri made the varsity as a freshman and was named to the All-District teams this year and last. She was also named to the All-Tournament team in the Lazbuddie tourney in 1979.

As a trackster, Terri has been a regional qualifier in the mile relay, 800 relay and in the mile run. Last year her mile relay team was a regional finalist. The team then consisted of seniors Judy Lust and Tammy Smith, sophomore Sherrie Seaton, and Terri.

In other activities, Terri has been active in FHA for the past four years, holding various offices. She is currently vice-president of the LHS chapter. Past offices include fourth vice-president, historian, and parliamentarian.

Terri is co-editor of the annual staff, and was elected to the prestigious honor of Homecoming Queen for 1979. She was also chosen as class favorite for this year and for her sophomore year.

She was a percussionist in the Longhorn band her freshman and sophomore years and is a member of the Student Council this year. She is a member of the Lazbuddie Church of Christ.

Plans for the future include attending Curry County Beauty School and becoming a cosmetologist.

Some of Terri's favorite things include fiction books, the color blue, fried chicken, small schools, and her new Thunderbird. She also prizes her jewelry.

Terri cites her parents as the people who have had the most influence upon her life. She also says her friends have exerted some influence on her.

If Terri could change anything about herself, she says that it would be her attitude about school. "It would be better. I wouldn't be tired of it," she added.

Terri has had some traveling experience in her life, as she and two other girls from this area attended the National

by Janet Wilke

Lazbuddie track coach Jim Noland is eagerly awaiting the coming track season since he has several lettermen returning from last year's district winning team.

Seven seniors will be returning for Lazbuddie this year, and almost all of them will be participating in more than one event.

Leading the pack will be Keihm Smith who will be tentatively entered in the discus, as he was last year, and shot put for field events, and 400 meter relay and mile relay for the running events.

Senior Tommy Hill will be entered in the shot put and should provide some depth with his strength, says his coach.

Also participating in the shot put and discus will be Robert Stanley.

Dennis Steinbock will be returning and should be a contender in the discus event as well as the shot put, and the pole vault.

Johnny McDonald will be running the 400 meter relay, mile relay, and the 400 meter dash, and will be joined by Quentin Mimms in all the events plus Mimms will also be entered in the high jump.

Rounding out the seniors will be Reggie Treider who is a

TERRI CLARK

FHA convention last year in Washington, D.C.

Of all of the things Terri says she will miss, athletics tops the list.

## Lazbuddie Thinclads Hope To Keep District Title

member of the mile relay team and will see action in the 400 meter dash, high jump, and long jump.

Only two juniors will be competing in track for Lazbuddie this year, but these two should add much strength to the team.

Russell Windham will be returning as one of the tracksters who made the trip to Austin last year as a regional qualifier in the long jump and the 300 meter hurdles. He will compete in the 300 meter intermediate hurdles and will also take on the 110 meter high hurdles.

Coming from Springlake-Earth, Steve Monreal will be eligible for track this spring and will be busy in the long jump, pole vault, 400 meter relay, mile relay, and 200 meter dash.

Eight sophomores will try for spots on the varsity track team this spring.

Blake Buchenau, who transferred from Farwell this year, will be competing in the 300 meter intermediate hurdles, 400 meter dash, and 100 meter dash.

Johnny Gonzales will offer strength in the 300 meter intermediate hurdles as well as the 110 high hurdles.

Ariel Sanchez will also be a contender in the 300 meter intermediate hurdles and in the 110 high hurdles. He will also see action in the long jump and pole vault.

Douglas Stanley is expected to see action in the mile run, and Joe Gonzales will be entered in the shot put and discus.

Lonnie Nail will run the 800 meter dash, and Terry Steinbock will be some help in the pole vaulting competition.

Sophomore Terry Jesko will finish out the 10th graders in track and will compete in the mile run.

A bevy of freshmen will also be trying to gain a spot on the varsity track team this spring.

In running events, Jeff Jesko and Bart Elliott will try the 300 meter intermediate hurdles, as well as the 110 high hurdles.

Jimmy Garcia, Joe Dan Tarter, Mark Lust, and Pete Monreal will be trying for

spots in the 800 meter dash event.

Elliott and Jesko will again team up for competition in the 400 meter relay, and Pete Monreal will run in the 100 meter dash.

Joe Dan Tarter and Pete Monreal will vie for places in the 200 meter dash, and Daniel Schacher and Martin Mendoza

will participate in the mile run.

Jeff Jesko, Casey McBroom, and Mark Lust will all try in the high jump. In the long jump, Daniel Schacher and Martin Mendoza will give it a go.

Contestants in the shot put from the freshmen will include Jimmy Garcia, Rickie Dale,

and Frank Jesko. Discus competitors will be freshmen Rickie Dale, Jimmy Garcia, Frank Jesko, and Joe Dan Tarter.

Pole Vaulters will include Bart Elliott and Pete Monreal.

If all things go well, Lazbuddie should be able to compete for the district track crown again this year.

# STATE LINE TRIBUNE

Letter To The Editor

Dear Editor: Recent notes from the Commission of Standards for the Teaching Profession indicate: "an overall decline of approximately 7% in initial teaching certificates issued in 1978-79 with higher declines in some specific teaching fields." The report projects that, "With a continuing diminution of the number of college students choosing teaching as a career, the possibility of a general shortage of teachers in Texas is very real." A supplementary report from the Texas Association of School Personnel Administrators gave the following reasons for the emerging teacher shortage; low salaries, increasingly better opportunities for women in other fields, school discipline and lack of student motivation, and a decline in public opinion regarding teachers and schools.

them, I found that they had left the field for more rewarding and/or appreciated professions. If we really did believe that the education of our kids was the most important work of our society, we would vote for the candidate who promised, not that he would save us money, but that he would work for the best educational system. There would be as much interest in Monday morning's math class as there is in Friday night's games. Parents would be as furious about declining test scores as they are about busing. We would riot in the streets about high school graduates who have to take remedial reading before they can begin college work.

I know that the problems aren't simple. But I wonder what would happen if we got up tomorrow morning and said, "Let's build the best school system in the country." I really think we could do it, if we wanted to ..."

Daniel Webster once said, "If we work upon marble it will perish. If we work upon brass, time will efface it. If we rear temples, they will crumble to dust. But if we work upon immortal minds, if we imbue them with high principles, with the just love of God and love of their fellow men, we engrave on those tablets something which no time can efface and which will brighten and brighten to all eternity." Webster was talking about teachers.

Rites Conducted For Mrs. Lucille Gillean

Funeral services for Mrs. Lucille Gillean, 66, of Clovis, who died February 23 at Lubbock Methodist Hospital, were conducted on Monday, Feb. 25, from Steed Memorial Chapel with Dr. H.E. Bergstrom officiating. Burial was in Texico cemetery under the direction of Steed-Todd Funeral Home.

Mrs. Gillean was born April 9, 1913 in Seymour, Tex., and came to New Mexico in 1922. She married James Gillean Dec. 27, 1933 in Clovis. She was a member of Texico Baptist Church.

Survivors include her husband James of the home; one daughter, Mrs. Joyce Merrill of Clovis; three sisters, Mrs. Inez Gillean of Clovis, Mrs. Jewel Maupin of Burlington, Wash., and Mrs. Goldie Schlumbaum of Seattle, Wash.; two brothers, James Sutton and Raymond Sutton both of Clovis, and three grandchildren.

Palbearers were Roy McDaniel, Earl McDaniel, James Harding, Keith Scott, R.L. Estes, and Walter Light. Honorary bearers were Paul Wilson, Roy Meador, and Raymond Meador.

Funeral Services Held For Mrs. Verna Harpold

Funeral services for Verna Pearl Harpold, 66, of Clovis, who died February 22 in Lubbock, were conducted February 25 from Central Baptist Church with Dr. Carl Scott officiating assisted by the Rev. William E. King. Burial was in Lawn Haven Memorial Gardens under the direction of Steed-Todd Funeral Home.

Mrs. Harpold was born April 21, 1913 in Trail, Okla., and came to New Mexico with her parents when she was 16 years old. She attended nursing school in Oklahoma City and married Elmer Harpold on Jan. 2, 1938. They engaged in

farming in the Texico community until 1945 and moved to Clovis in 1951. She was a member of Central Baptist Church, and a member of Fairfield Extension Club.

Survivors include her husband Elmer Harpold of Clovis; two daughters, Aloha Sterling of Wichita, Kans., and Beverly McAfoos of Clovis; two sons, Van Harpold of Harrisburg, Neb., and Vern Harpold of Clovis; a sister, Gladys Libengood of Huntington Park, Calif.; and a brother, Dallas Brown of Texico, 12 grandchildren and one great-grandchild.

Push this one for highest yields! In 43 comparisons on the High Plains in 1979, this hybrid averaged 192.1 bu./A. A sampling of yields from 1979 includes 216 bu./A. for Sheldon Rapp at Hooker, Oklahoma . . . 210.4 bu./A. for Larry Kemp of Muleshoe . . . and 196.7 bu./A. for Doyle Underwood at Dimmitt, Texas. 3183 has demonstrated very good standability and ear retention in this area. Excellent drought tolerance helps 3183 maintain outstanding consistency year after year. And it has been especially impressive on gray soils. Plant 3183 along with 3184. ### GOD HATH SPOKEN

In his farewell address to the nation Israel, Moses said:

"Ask now of the days that are past... since the day that God created man upon the earth, and ask from one side of heaven unto the other, whether there hath been any such thing as this great thing is, or hath been heard like it? Did ever people hear the voice of God speaking out of the midst of the fire, as thou hast heard...?" (Deut. 4:32,33).

Moses referred, of course, to the giving of the Law, when God spoke to Israel by word of mouth amid the lightnings and thunders of Sinai. In Israel's case alone "God spoke all these words" audibly. Never before had he undertaken to address a nation personally.

This was indeed a great honor for Israel, but God has since spoken to all mankind in an even more striking manner, for in Heb. 1:1,2 we read: "God... hath in these last days spoken unto us by His Son... who... when He had by Himself purged our sins, sat down on the right hand of the

Majesty on high."

At Sinai God spoke the words of the Law; but now, in Christ, He speaks of mercy and grace. There He spoke of the righteousness which He demands; but here He tells of the righteousness which He provides in Christ.

Some suppose that the absence of miraculous demonstrations, the want of divine intervention in the affairs of men, etc., indicate indifference on God's part, but actually this apparent indifference speaks to us of His love and grace.

Remember, the Psalms and all prophecy had predicted God's judgment upon men for their rejection of Christ; yet today the Son still voluntarily remains a royal Exile from the world, while neither He nor the Father do anything to avenge His cruel crucifixion. Meanwhile, still lingering in mercy, He sends His ambassadors to offer reconciliation to His enemies by grace through faith. Thus His silence actually cries: "The door of grace is still open. Be reconciled while you may."

Assistant Parmer County Extension Agent  
for Home Economics

Family savings pose a challenge, but it can be done. During the last decade the average household managed to save about six percent of their disposable income, but during 1979, the level dropped. Many families are not saving at all.

There are tactics that lead to savings success, however, for families who want to live in safe, liquid, regulated ways. Some families have made saving a habit. They pay themselves first -- a portion of every paycheck goes into savings regardless of other expenses. Other families need different tactics to force themselves to save.

"Coin play" is one. Coin savers set aside a jar or piggy bank or special drawer. Selected coins -- quarter, dimes -- are diverted into the jars. Some people empty their pockets at the end of every day and put all change into a jar. Family members may race to see who can fill a jar the fastest.

Sometimes labeling a jar, such as "Summer Vacation Money" or "Color TV Fund" helps the whole family join in the project.

Here's another idea: change a debit to a credit -- or a debt

to a savings. With this method, when a debt is finished, use the now-freed money for saving instead of spending. For example, when the refrigerator is paid off, save the amount that had gone for its monthly payment. "Crash Saving" is another tactic. Pick a time period during which nothing is spent that isn't absolutely necessary. Be sure to set limits to the time -- say two months -- and mark it off on a calendar. During this time, cut out movies, "eating out," babysitters, sales, beer, cigarettes -- and feel like a hero for the time involved. You can learn about yourself during this time, and probably you'll save a great deal. One advantage to this plan is that you may like the new lifestyle and make savings a permanent habit. Finally, there's the kick-a-habit savings idea. Save all the money you spend for coffee breaks or cigarettes or desserts or telephone calls, for example. In general, remember, it is possible to save -- even in inflationary times -- if saving is your goal.

**Tax Credits Available For Energy Conservation**

A lot has been said lately about tax savings for individuals who installed energy-saving equipment in their home. Here's what the law says. Tax credits for 1979 on residential energy expenditures are available for expenses incurred Jan. 1, 1979 through Dec. 31, 1979. Qualifying energy conservation materials can gain you up to \$300 tax credit, provided by the Energy Tax Act of 1978. In addition, a separate credit not to exceed \$2,200 is available for installation of certain renewable energy source expenditures. Qualifying energy conservation materials include insulation, storm doors and windows, caulking, weather-stripping

and certain heating system modifications designed to conserve energy. Renewable energy source expenditures include those which use or transmit solar wind or geothermal energy to heat, cool or provide hot water for a residence. Energy tax credits can only be claimed on Form 1040, Form 5695, Energy Credits, should be used to compute the credits and attached to the tax return. If you should have any questions regarding credit eligibility, contact your local IRS office.

**At State Meeting**

Evalyn Anthony of Friona, right, visits with Reita Vander Zee of Bandera during the recent 22nd Annual County Judges and Commissioners Conference in College Station. Mesdames Anthony and Zee were among the wives accompanying their husbands to the

conference which was sponsored by the Texas Agricultural Extension Service and the Texas County Judges and Commissioners Association. Mrs. Anthony is the wife of Ernest Anthony, commissioner of Precinct One, Friona.

**On The Farm In Parmer County**

By SETH RALSTON County Agent

Since most crops have diseases that are carried through the nongrowing season on crop residue, farmers should practice residue management along with crop rotation to reduce the chances of diseases in next year's crop. Populations of disease-causing organisms build when a susceptible crop is present and conditions are favorable for development. Most rotation programs will lower pathogen populations. However, under intensified production when the same crop is grown year after year, special steps have to be taken to avoid organism buildup, often at a high cost. In minimum tillage systems, crops are usually rotated, and this helps keep certain disease organisms at a low level. However, a few have the ability to span more than one crop or to live in organic matter that comes from most any crop. Most disease-causing organisms require oxygen for sur-

vival. When crop residue is on the surface, they have no difficulty staying alive. Once crop residue is buried deeply, organisms that require little oxygen for survival go to work while disease-causing organisms soon die. Some producers like to maintain a certain amount of crop residue on the surface as a mulch for water conservation and wind erosion control. This works satisfactorily if residue is kept out of the seed furrow at seeding time. Otherwise, seeding diseases may be more severe. There is no one "best way" to handle crop residue under all situations. It depends on the crop involved and expected growing conditions. Growers should keep in mind, however, that diseases may be more or less severe depending on how they handle residue from previous crops. Diseases are generally less severe when practices are used that hasten decomposition of crop residue.

Advises County Agent --

**Operate Tractor Properly For Best Fuel Efficiency**

To get the most fuel efficiency from a tractor, tune it up, don't run it too cool, and don't use a tractor that's too big for the job, says Seth Ralston, county agent with the Texas Agricultural Extension Service, Texas A&M University System. A tractor engine that's operating poorly may be wasting up to 30 percent of its fuel. That means a 180-horsepower diesel tractor could be sending \$20 to \$30 up the exhaust stack in a 10-hour day. Most fuel waste originates in ignition systems of gasoline tractors and in fuel systems of diesel tractors. Dirty air filters, bad carburetion, incorrect timing and worn spark plugs are other fuel guzzlers. On diesel engine tractors, worn fuel injectors can cause unnoticed losses of fuel efficiency. Check fuel filters and replace them regularly, at least as often as the operator's manual suggests, and maybe more often under difficult conditions. If fuel filters are doing the job they are designed to do, they will eventually plug up or start passing sediment into the fuel. That could mean costly repair bills as well as lost fuel efficiency.

What about running a tractor too cool? Most operators concern themselves with engine temperature only when the water temperature gauge is on the hot side. But a tractor engine will wear out faster, develop less horsepower, and use more fuel when it runs too cold. Today's tractor engines work most efficiently when the water temperature is somewhere between 165 and 180 degrees. So, a faulty thermostat that allows the tractor to run too cool is almost as bad as one that causes the engine to overheat. Another minor tuneup item to check regularly is the fuel tank cap. It should be sealed tightly to keep out dirt, but at the same time be properly vented to allow fuel to flow freely. Regarding spark plugs, check them on a regular basis, even if you don't think they need it. You can't always tell by looking at a spark plug when it's going bad. The time-proven test of firing a spark plug outside the cylinder doesn't tell the whole story. How do you select the right tractor for the job? If you select one that's too big, you're simply burning excess fuel to produce unused power. You may be wasting nearly a third of the fuel you're buying. Most engineers say the best way to drive a big tractor pulling a light load is to "shift up and throttle down." This maintains ground speed while keeping the engine working efficiently. Slippage also wastes fuel,

but you have to have a certain amount. On most soils with most tractors, optimum slippage is about 15 percent. Less means you're pulling too light a load. More means horsepower is probably being wasted.

A lightweight generation of travel trailers designed for the cars of the '80s!

- ★ Lower, Lighter, Easier to Tow
- ★ Full Interior Height and Width
- ★ Tandem Axles, Improved Stability
- ★ Aerodynamic, Unibody Construction
- ★ Full Comfort and Conveniences

Here's how you put full space, comfort, and convenience in a light, low, easy-to-tow 16' or 18' package. The startling impression of roominess isn't imaginary. There really is 6'3" of headroom. And nearly 8' of width. And each LLT comes loaded with the luxurious furnishings and high-style appointments you probably thought we'd reserve just for our larger trailers.

Best part is you don't pay a single extra pound for all the extra space and beauty. Thanks to Thermo-Panel® and Unibody construction. And LLT's aerodynamic contours, low profile and tandem wide-track axles provide excellent road handling qualities.

Detroit has met your need for the small, super efficient cars of the future, today. Now, here are the travel trailers to match.

The brand-new LLTs. From Winnebago, naturally!

Just a few of the cars suited to towing your new 16 LLT or 18 LLT include:

## Farwell Students Win Scholastic Art Awards

Art students at Farwell High School fared well in the recent Scholastic Art Awards show at Western Plaza shopping mall in Amarillo.

The art students from Farwell submitted a total of 26 art and photography entries in the show which attracted 1,280 entries from all areas of the Northwest Region of Texas. Of that number Farwell gained six honorable mention awards, five medalists and three finalists. Kyle Kelley and Ruth Ann Whitesides had the entries which made finalists.

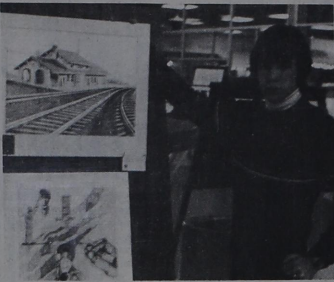

Kelley, senior and third year art student, received a medalist and finalist for a ski scene done in ink drawing and his pencil entry of the Santa Fe depot at Texico was one of five nominees for the Hallmark Award and will be sent to New York City for judging in the national award competition. His pencil entry earned a medalist and finalist award. Both his entries will go to national competition.

Ruth Ann Whitesides, also a

senior, received medalist and finalist for her design of a turquoise bracelet and it will also go to New York for the national awards. Ruth Ann also received honorable mention for her design which was based on the underwater world. She is a third year art student.

Lisa Darby, another senior and member of the third year art class, received honorable mention with her pencil designs.

Two members of the first year art class, Carolyn Lovvorn and Toni Spears, also received awards at the show. Toni received a medalist award in ink drawing and Carolyn received an honorable mention in ink drawing. Shirley East is art instructor at Farwell High School.

### Wins Art Award

Kyle Kelley of Farwell displays two works of art he recently entered in the Scholastic Art Awards show in Amarillo. Kyle's pencil entry of the railroad depot placed as a Medalist and as Finalist, and was also one of five nominees

for the Hallmark Award. The drawing will be sent to New York to be judged for the National Award. His snow ski scene in ink drawing also received Medalist and Finalist placements.

### Tennis Pro To Be Here March 16

Bill Matyastic, a tennis pro from Lubbock, will come to Farwell on Sunday, March 16, to give tennis lessons to all interested persons, according to Farwell tennis coach, Glen Morton.

Matyastic, former winner of the National Doubles Tournament and a professional tour tennis player, will give the lessons on the Farwell school tennis courts and is open to the public.

"Although this is not promoted by the school, several members on the Farwell tennis team will participate in this one-day clinic on their own," stated Morton.

Anyone wanting further information should contact Coach Morton at Farwell High School during regular school hours.

### Homecoming Queen

Kathy Booth, a junior from Farwell, was crowned Homecoming Queen for 1980 at Wayland Baptist College Friday night, Feb. 15. A 1971 graduate of Farwell High School, Kathy is a physical education major

and biology minor at WBC, where she is a starter for the Flying Queens basketball team. She is presently serving as sweetheart for Alpha Phi Omega fraternity, whom she represented during the Home-

coming activities. Kathy is the daughter of Mr. and Mrs. Toby Booth of Farwell. Escorting her in the photo is Kendall Thurman, a junior from Attec, N.M., and a member of the Pioneers basketball team.
