Thanksgiving Day --

Wolverines To Play For State Champs

The Texico Wolverines with their 11-0 record and top state ranking head for Hagerman this Thanksgiving Day to play for the Class A State Football Championship.

It was just a year ago on the same holiday that the Wolverines saw their state title hopes vanquished by the same Hagerman Bobcats who defeated Texico 35-19 in a game played at Wolverine stadium.

Coach Topliff says that the boys really want this win and he feels "really good" about the upcoming game. "The team has really grown up since the first of the season and I think they can handle themselves well enough to stay in there and win," he added.

This is the first undefeated season ever recorded in Texico's history and to bring home the state championship would be icing on the cake for everyone.

Game time is 7 p.m. MST and the Wolverines and coaches will leave Texico by chartered bus about 1 p.m. All fans are encouraged to attend the game and show the team their full support.

Bobcat Ambush

The Texico Wolverines are planning to substitute bobcat for the traditional turkey this Thanksgiving Day. Aiming to put the bobcat [Hagerman variety] on the endangered

species list are Clyde Bibbs, kneeling, and John Kelley, members of the Texico football team which is sporting a 11-0 record this season. The state

title tilt will be played in Hagerman on Thursday at 7 p.m. MST. All Texico fans are urged to attend the cat skinning.

105 Prospective Jurors Called For Duty

A slate of 105 prospective jurors has been summoned to hear 13 criminal cases Monday and Wednesday of next week in district court at the Farmer County Courthouse in Farwell. Judge Pat Boone Jr., will preside.

Cases on the docket include: Larry G. Downey vs. Junior Miranda (Collision; Property Damage); Alfonso L. Reznik vs. Raymond L. Reznik, et al, Wesley Reznik (partition); George Irvin vs. St. Paul Insurance Company (Workers' Compensation); Commercial Union Insurance Company vs. Mariano Rodriguez (Workers' Compensation); Commercial Union Insurance Company vs. Mariano G. Rodriguez (Workers' Compensation); Eloi F. Newman vs. Amarillo Hardware Company, et al (Removal of Cloud on Title); Ronnie Stevick vs. Tim Boekman (Stop-payment on check); Taylor Petroleum, Inc. vs. John Moody (Account).

Also, Melvin Southward, et al vs. Jo Boozer & Howard Beesley (Breach of Lettuce Purchase Contract); Nachurs Plant Food Company vs. Albert Martin (Conversion); Lee Romo vs. Friona Farmers Coop Gin (Account); James Stewart vs. Commercial Union Insurance Company (Workers' Compensation); and Parmer County Implement Company vs. Alfred R. Ford (Deficiency After Repossession and Sale). Charles Lovelace, Parmer County Sheriff, has released the following list of names as Petit Jurors to report Monday, Nov. 26, at 1:30 p.m., to the Parmer County Courthouse, in the District Court Room.

Doris Reeves, Sue Procter, Gene W. Hardage, Donald Ray Verner, Joseph Albert Rush-

ing, Oakley Stevenson, Lovelle Childs, Joyce Coffman, Joe Paul Heflin, Gary Kent Glasscock, Irene Lucille Gober, Teresa G. Kendrick, Frances Meyers Houston, Lawrence Eugene Null, Janis Salyer; Also, Cathie Rae Trimble, Gerry Mike Cortese, Geary A. Brodgen, El Delaney Brown, Max Don Verner, Manuela Beavers, Mike Mariscal, Johnny A. Weaver, Mary Hull, Mrs. David White, Milburn Trewett Cash, Debra Rector, William Edward Smock, Lesley Ray Curtis, Rance Verna Brown;

And, Joe Bradford Jones, Kyle Ray Harris, Barbara Dee Rhodes, Gwendolyn Corn, Mildred May, Joe Charles Bradburn, Wanda Templar, Jessie Douglas, Chad Raymond Byerley, Sharon Jones, Bobby Dean Redwine, Marca Morris, Everett Louis Gee, Dennis Ray Slagle, Brenda E. Gully; Also, Jerry Wayne Shelton, Lora Mae McFarland, Ronald Glenn Harkey, Byron Wayne Putnam, Curtis Stephen Birchfield, Edward S. White, Jr., Steven Eddie Foster, Pamela Bell, Helen L. Beaver, Paula Wilson, Oral Kunselman, Jr., Leonardo Gomez Ovalle, Jr., Edward O'Hair;

And, Maria Davila, Linda Jean Martin, Helen Alice Mazurek, Pearl McLean, Judy Hodnett, Reta Mimms, Winifred Lee Hurst, Avis Haile, James Wesley Barnett, Erdice Watkins, Marilyn Winegeart, Ray Earl Castleberry.

Summoned to report as Petit Jurors on Wednesday, Nov. 28, 1979 at 9:30 a.m. are the following persons: Calvin Rufus Talley, Harold J. Murphree, James Richard Cocannour, Charlotte Donaldson, Clara Looper, Juanda

Murphy, Greg Don Martin, Linda Rushing, Glenna Kay Holt, A.W. Gober, Alice Barber, Letha Clark; Also, Thomas Wayne Beauchamp, Ernest Woelfel, Lezi Ann Williams, John Raymond Cook, Ted Magness, William David Martin, Lester Leroy Mayfield, Gladys Wright, Yo-

landa Garza, Robert Beavers, Gary Don Stone, Earl Roberts; And, Johnye Merle Eubank, Martha Stewart, Jesse F. Landrum, Barbara Knowlton, Dennis Ray Willard, Robin Gregory, Randy Gerles, Gregory Davies Price, Josephine Bujnosek, Robert Rolland Lusk and Ira T. Page.

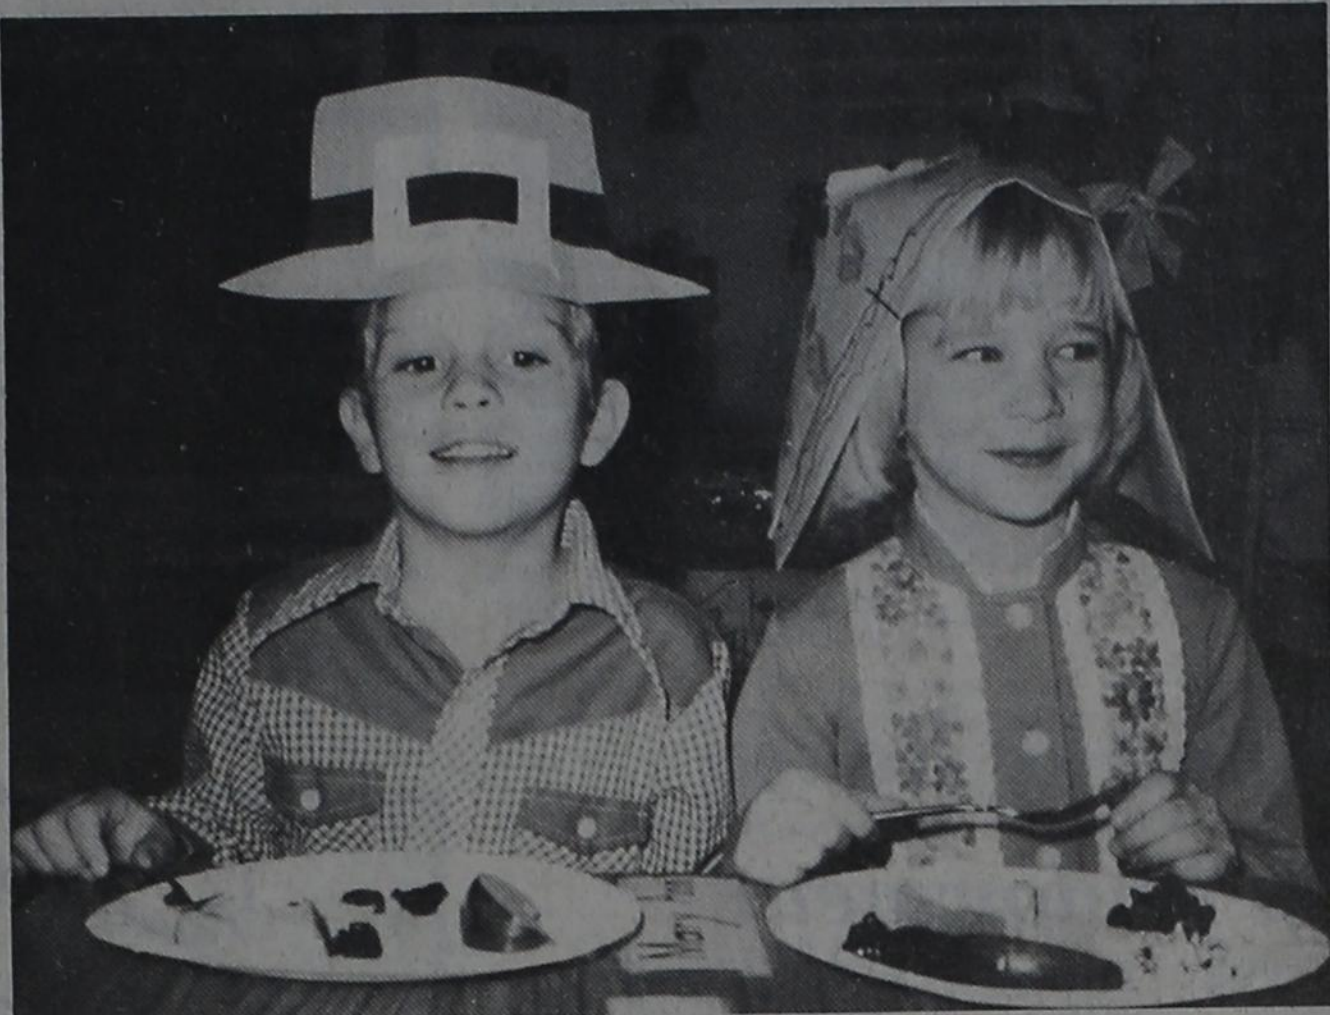

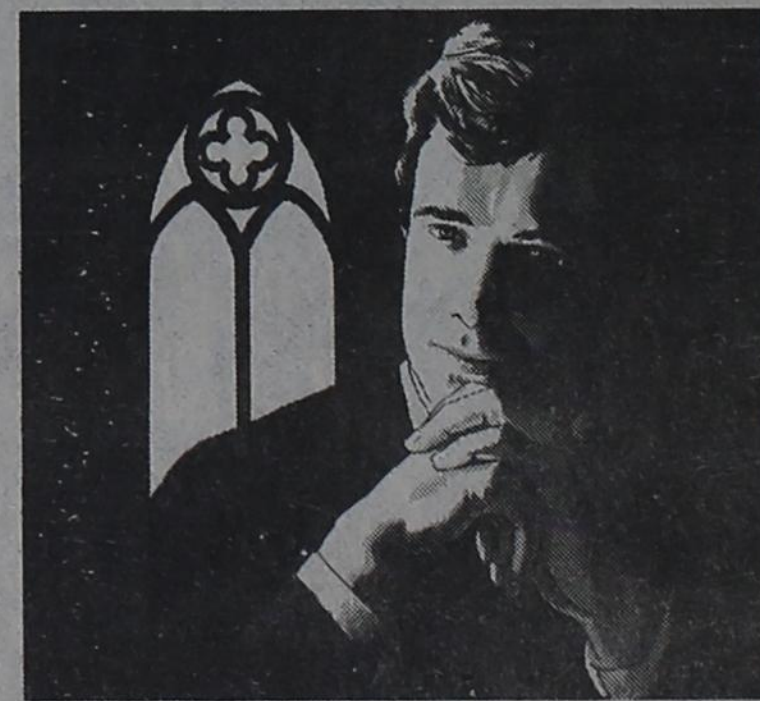

Methodists Plan Harvest Festival

Hamlin Memorial United Methodist Church of Texico-Farwell is planning its annual Harvest Festival of Thanksgiving for the weekend after Thanksgiving this year.

To begin on the evening of Sunday, Nov. 25, the special services will continue through Monday evening and will have as the guest speaker, Rev. Leonard Gillingham, pastor of First UMC, Albuquerque. Rev. Gillingham is a former pastor of Kingswood United Methodist Church, Clovis.

A special church-wide Thanksgiving meal will kick off the services starting at 8:00 p.m. November 25 with worship services to follow at 7:00.

On Monday morning at 7 o'clock the Methodist Men will host the congregation at breakfast and Rev. Gillingham will again speak. The series of services will be concluded with a Monday evening program at 7:30. Everyone is cordially invited to any or all of the services.

Pilgrims Feast

Just as the Pilgrims did many years ago, the kindergarten students of Mrs. Marcia Cole in Farwell feasted on foods such as cranberry sauce, home-churned butter and pop-

corn, which the students prepared themselves. Britt Mitchell, son of Gaynell Mitchell and Amanda Curtis, daughter of Mr. and Mrs. James Curtis, dressed in their

Pilgrim costumes, patiently wait while the other Pilgrims and Indians of the class serve their plates before enjoying their Thanksgiving meal.

Almost A Family Affair --

Kirklands Take Lead In Contest

With only one week of guessing remaining in the annual Area Merchants Football Contest the lead has again changed hands and finds three members of the Jack Kirkland family, Jack Allan, Reba and Sue, all holding 90 points each for a share of first place. They are joined by Dale Sikes who also has 90 correct guesses on the year.

Last week's guessing topped the contest leader, Doyle Ford, from the top position which he had maintained for several weeks. Ford only called six games correctly to put him into a tie for second place along with Mrs. E.A. Key and Champ Porter who each have 89 points.

With four persons holding onto the top place and only one week left to get points, it looks as if once again the tiebreaker scores might be the determining factor in who wins the grand prize.

Sue Kirkland won first place weekly money last week by being the only entrant to call 11 games correctly. This moved her all the way up from

fourth place in the overall contest.

Jack Allan called 10 right to move from third place. Dale Sikes, who shared second place last week, also called nine correctly to move up, and Reba Kirkland predicted nine correctly to move from second place.

Other weekly winners were Wayne Spears who correctly predicted 10 games and missed the tiebreaker by one point to win second prize; and Randy Cain, the third place weekly winner who correctly predicted nine games and missed the tiebreaker by four.

Others calling 10 correct games were Modine Whittington, 7 points off the tiebreaker; Jack Allan Kirkland and Maurice Smith, both 10 points off; Ann Liethen, 13 points off; James Castleberry and Tim Lusk, both 16 points off; Otto Lingnau and W.M. Roberts, both 20 points off; Carl Dean Goetsch, 21 points off; Leigh Ann Woods, 23 points off and Karyn Blain, 40 points off.

In second place overall with

89 points are Ford, Mrs. E.A. Key and Champ Porter. Third place holders with 87 points are Jim Berry, Tim Lusk and Donnie McDonald.

In fourth place with 86 points are Ray Ford, Carl Kirkland, Jerry Roddam and Albert Smith.

In fifth place with 85 points are William Dannheim, Jack Kirkland, Wanda Walker and Leigh Ann Woods.

Ten persons are in sixth place with 84 points. They are Frances Birchfield, Don Gerles, Carl Dean Goetsch, Rhonda Kirkland, Delbert Lingnau, Gaye Roberts, Joyce Sikes, Richard Sikes, Wayne Spears and Mike Woods.

So it looks like one of the Kirklands may be taking that trip to the Cotton Bowl unless this last week of competition is their undoing.

Everyone will be studying forecasters' predictions on this week's picks before they make their choices, and the outcome of this week's contest tells the whole story as to who will win "all the marbles."

Wins First Place

Sue Kirkland receives first place weekly prize money of \$7.50 from Johnnie Williams of one of the contest sponsors. Sue called 11 games correctly

last week to take top weekly money as well as moving into a first place tie with three other persons in the overall contest. Other weekly winners were Wayne Spears of Bovina

who called 10 games right and missed the tiebreaker by one, and Randy Cain who called 10 right and was four points off the tiebreaker.

URELY
ERSONAL

by John

We almost cannot believe it. We are writing for the third consecutive week about the situation in Iran. It boggles the mind to realize that for this length of time the government of the United States has stood passively by while an irrational band of terrorists has held citizens of the United States hostage.

This massive display of official cowardice ought to lay to rest any claim to "leadership" by the various contenders in the upcoming Presidential election. So far we haven't had any leadership from anybody, except for the people. In this case the citizens are miles ahead of their politicians.

For starters we would suggest that an immediate massing of the military be started. We would immediately shut off all foods, goods, money or any other form of commerce with Iran. We would apply pressure to get our so-called friends and allies to do the same. We would go to the United Nations and forcefully expose the moral and legal bankruptcy of what passes for the government of Iran. We would demand that the world take notice of this violation of international law and protocol.

We would take sanctions and other diplomatic and financial measures against those who did not immediately follow our lead. We would let the world know that when Uncle Sam is unhappy everybody else is going to be unhappy.

The United States has every moral and legal right to expect this world-wide cooperation. If our embassy and diplomatic personnel can be treated in this fashion then all other country's foreign representatives can be treated the same. This international banditry cannot be countenanced by a civilized world. This is a direct attack on all forms of relations between governments. If it is allowed to go unpunished we are just that much closer to war on a global scale. Communications between countries must be maintained on a protected and civilized basis.

Last Thursday was an unmitigated disaster around the Tribune. Our printing plant had press troubles and as a result we did not make the post office on time. This created a furor around the innocent Post Office. We apologize to our readers for the late delivery last week. Yet, we are somehow pleased to know that in spite of it all our paper is eagerly looked for each week.

Getting out this little paper is no picnic.

If we print jokes, people say we are silly.

If we don't they say we are too serious.

If we clip things from other sources, we are too lazy to write them for ourselves.

If we don't, we are too fond of our own stuff.

If we don't print contributions, we don't appreciate true genius.

If we do print them, the paper is full of junk.

If we make a change in the other person's writing, then we are too critical.

If we don't, we are asleep.

Now, likely as not, someone will say we swiped this from some other publication.

Tech Ag Scholars

Allan H. Carruth, left, president, and E.C. "Dick" Weekley, right, general manager, both of the Houston Livestock Show and Rodeo, meet three of the Texas Tech University agricultural sciences students

that the show's scholarship program helps support. The students are, left to right: Thad Rains, freshman, son of Jack Rains, Bovina; Velvet L. Smith, agricultural education freshman and the daughter of

Billy B. Smith, Burton; and Michael S. Windham, agricultural engineering sophomore and the son of Scotty Windham, Lazbuddie. [TECH PHOTO]

Crop And Livestock --

Reports Needed From Ranchers And Farmers

The Parmer County Soil and Water Conservation District along with the Soil Conservation Service would like to encourage all farmers and ranchers in Parmer County to fill out a questionnaire they will be receiving soon.

This cooperation provides the necessary data which, in turn, returned to farmers and ranchers and others in the form of accurate estimates, which are so essential in making the wisest production and marketing decisions.

Each farmer or rancher receiving a questionnaire is urged to fill it out carefully and return promptly to the Agricultural Statistician in Austin. Individual reports are confidential and used only for state and county estimates.

Letters To The Editor

November 19, 1979
 State Line Tribune
 Farwell, Tx.

Dear Editor:
 Saturday morning as I went out to get my daily newspaper, I saw that eggs had been thrown on our driveway. As I was looking at the paper there was a picture of two dying babies, because of hunger. Wouldn't it be great if the cash of even the eggs,

much less the eggs, butter and biscuits that were thrown at people's windows and driveways, would be used to feed hungry peoples?
 At this Thanksgiving time, I thank God for food, warmth, family and friends. Please, let's keep our little town of Farwell a place of love and not unkind acts and obscene words.
 Name withheld by request

**Parmer County --
 Election Officials To Receive Pay Increase**

In regular session of the Parmer County Commissioners Court the commissioners voted to raise election officials pay to \$3.00 per hour. Commissioners also voted to renew a general fund certificate of deposit of \$50,000 for 30 days and to renew a revenue sharing c.d. for the jail in the amount of \$37,931.54 for 30 days.

application of Thomas E. Nichols to run a gas line and an electric line under a county road, and voted to publish a notice relating to the court's intention to take applications for county judge.

It is the intent of the court to select a replacement for Judge Paul Fortenberry at their meeting on December 10 if suitable applications have been rendered.

A general discussion was held on county activities and it was noted that offices in the courthouse would be closed (except the sheriff's office) on Thursday and Friday, Nov. 22 and 23, in observance of the Thanksgiving holiday.

Farwell Men Attend Ground Breaking

A dream started becoming a reality for five men from Farwell as they observed recent groundbreaking ceremonies of El Rancho De Los Ninos in Guatemala. Jim Walker, Jerry Monk, Ralph Franse, Herman Geris and Gary Singleterry flew from Dallas to New Orleans and then on to Central America to attend the ceremony. They left Friday, Nov. 9, and returned on November 12.

mind of Bo and Jeanne Bartley who are former residents of Farwell. The Bartleys live in Guatemala City and are going to be the parents at the home after its construction. The local men visited the Bartleys and toured Guatemala City as well as the area where the children's home will be. They have many interesting tales to tell of their trip and the sights they saw and will be sharing them with us in the next few weeks so that we can pass them on to our readers in the Christmas edition of the Tribune.

Houston Livestock Show & Rodeo Adds To Scholarship Endowment

The Houston Livestock Show and Rodeo, committed to funding scholarships now amounting to more than \$1 million in Texas colleges and universities, has added \$50,000 to its \$100,000 scholarship endowment at Texas Tech University.

Allan H. Carruth, president, made the presentation November 7 at a luncheon at Texas Tech. He said financial need is the prime requisite for students receiving scholarships from the endowment.

The scholarships are awarded usually in the amount of \$400 per year to students studying agricultural sciences at Texas Tech. Ten were awarded in 1979-80, according to Dean Samuel E. Curl of the College of Agricultural Sciences. In addition, the organization funds 27 four-year scholarships, established before the creation of the endowment in 1978.

Houston Livestock Show and Rodeo, operated annually by 4,000 volunteers, also is fund-

ing \$25,000 in research at Texas Tech. The research is related to learning ability in horses, crop residue utilization by cattle, reproductive problems in swine and vocational agricultural teaching programs.

Attending the presentation with Carruth was General Manager E.C. "Dick" Weekley of the 10,000-member Houston organization. Carruth is actively engaged in ranching and raises Santa Gertrudis cattle.

Weekley said that it is the volunteer aspect of the Houston Livestock Show and Rodeo that permits it to fund such substantial support to agricultural education and research throughout Texas.

"Volunteers of the organization are interested in the show and rodeo, of course," he said, "but they have a greater interest in encouraging youth to study agriculture and provide a promising future for ranching and farming in Texas."

In accepting the check which

raises the endowment to \$150,000, Curl commented on the benefits.

"Many students in the College of Agricultural Sciences have benefited from the generosity of the Houston Livestock Show and Rodeo," he said. "The college has been able to attract and hold these outstanding young men and

women because this organization perceives so well today what agriculture will need tomorrow - good minds that are well disciplined."

Weekley said that West Texans are active participants in the Houston Livestock Show and "take home their share of the blue ribbons."

ESA Lists Donors To Walk-A-Thon Project

According to Jan Marsh, spokesman for Theta Rho chapter of Epsilon Sigma Alpha sorority, some \$2000 has been realized by the chapter in their fund-raising Walk-a-Thon sponsored several weeks ago.

Chapter members expressed appreciation to all who participated in any way, including those who walked, jogged or ran and especially to those who donated money to the worthy causes being benefitted.

Among those making contributions to the event were Carrie Christian, Mr. and Mrs. Steve Foster, Ophell McDonald, Helton Oil Company, Mr. and Mrs. Donald Christian, Mrs. Doll Aldridge, Mr. and Mrs. Jesse Coburn, Mayme Dempster, Mr. and Mrs. Uvon Ford, Louise Roark, Kim Marsh and Karyn Blain;

Also, Interstate Fertilizer, J.O. Morris Motor Repair, Rip's Western Wear, Gregory Produce, Mr. and Mrs. Bert Williams, Mr. and Mrs. Don Williams, Mr. and Mrs. Mark Williams, Mr. and Mrs. Mike Spearman, Mr. and Mrs. Elmer Hargrove, Mr. and Mrs. W.M. Roberts;

And, J & G Shaklee Distributors, Jewel Spinks, Capitol Foods, Mr. and Mrs. Donald Jones, Monsanto, Kelly Green Seeds, Tri-County Tire, Horn-Clayton Insurance, Mr. and Mrs. Leon Billingsley, Worley Grain, Lovelace Oil Co., Karolene Inman, Mr. and Mrs. Otis McMillan, Mrs. Tom Trujillo, Phyllis Quintana, Pita Gutierrez, Judy Encinas, Mr. and Mrs. M.A. Snider, Jr.;

Also, S/Sgt. William Zude, Castor Feed Yard, Mr. and Mrs. Hugh Edwards, Snazzy Pig, Ruth Stobb, Security State Bank, Mr. and Mrs. Troy Christian, Mr. and Mrs. Charles Aycock, Mr. and Mrs. Johnny Atkinson, Mr. and Mrs. John Getz, Mr. and Mrs. Ted Magness, Hamlin Overstreet, Mr. and Mrs. J.T. Atkinson, Jim Berry's office, John Pressley, Mr. and Mrs. Mitz Walling, House of Color, Lee's Electric, Mr. and Mrs.

Mike Norris, Joe Blair & Sons; And, KZOL, Lennie Engram, Edith Crawford, Mr. and Mrs. Howard Carlyle, Annette Black, Teresa Montoya, Mr. and Mrs. Joel White, Mrs. Rosa Roberts, Dickie Magness, Mr. and Mrs. Bill Craft, Mr. and Mrs. Raymond Martin, Mr. and Mrs. Claude Coffey, Farwell High School Coaches;

Also, J.B. Sudderth Realty, Cunningham Venture Foods, Edwina Owen, Hollis Leslie, Charlotte Pierce, Mr. and Mrs. Bill Roberts, Farwell Farm Supply, Betty Whitson, Farwell Insurance Agency, Mr. and Mrs. T.J. Kittrell, Mr. and Mrs. Gerald Curtis, W.W. Hoskins, Ray Sena, Emertereo Alvarado, Joe Maez, Ed Mullins, Mr. and Mrs. McDonald, Butch Wilson, Jack Owens, Bill Holder, Floyd Dutton, Reuben Costillo, Jim Melton, Ed Stallings;

And, Bill Cooper, Earl Vian, Johnny Washington, Armondo Maez, Gary Hoadley, Dolores Thomas, Robert Moreno, Rudy Apodaca, Larry Longo, Orlando Lopez, Hope Salazar, Christoval Lopez, Dan & Manuel Syrum, Robert Maez, Bill Sena, Eddie Padilla, Mrs. Emma Trujillo, Odie Perez, Sally Truitt, Dolly Robertson, Jeff Boone, Joan Frederick, Ismoel Cordova, Debbie Strickland;

Also, Dorothy Reid, Dorothy Bender, Bonnie Vaughn, Hair Emporium, Paul Salazar, Donna Lewis, S.A. Sena, Bill Liston, Pearlene Flower, Ray Sena, Southwest Designs, Anna Wyatt, Gina Aultman, Maria Jones, Helen Kincaid, Karen Dodge, Pauline Beavers, Andy Anderson, Teresa Jumroontat, Christina Knapp, Zane Axe, Shorty Smock, Ron Dwire, R.V. Goldsmith;

And, Kit Pettigrew, Bud Leonard, O.L. Thompson, Richard Kelton, Hershel Hare, Wayne Gilliland, Bennie Mendoza, Margaret Futral, Bill Thigpen, Don Roddam, Bobby Davis, Jim Pierson and Steve Wright.

Walk-A-Thon Winners

Children's division winners in the recent Walk-A-Thon sponsored by Theta Rho ESA were David Woods, left, and Corey Jones. David walked the most

laps in the children's division and Corey raised the most money. The sorority reports that almost \$2000 was realized in the money-making project

and expresses appreciation to all who participated in the event, either by walking or by donating money to those who did walk. [ESA Photo]

Sheriff's Dept. Investigates Rural Theft, Vandalism Case

Parmer County Sheriff's Department has investigated only one case this week, according to Sheriff Charles Lovelace.

Investigation was made into a theft and vandalism case that was reported by Richard and Tony Lupton, 12 miles southeast of Friona.

They reported that two 55 gallon drums of Coop LPG, 30-weight irrigation engine oil in blue drums with red tops had been stolen from their barn, as well as a yellow Porter rope applicator and three hand pumps. In addition to the thefts they reported that

all the glasses had been broken out of a John Deere combine and a cotton stripper.

The tires were also punctured on the stripper and the butane tank on the combine was open and a carburetor had been smashed on an irrigation motor. A hose had been cut on an overhead diesel tank and about 450 gallons of diesel was lost. An approximate total of \$3456 worth of damage was estimated.

Sheriff Lovelace says that

the department is still working on the case and that although physical evidence was not available they have a suspect. He also stated that he thinks this vandalism has a connection with similar cases that are being investigated by the sheriff's department in Castro County and that the two departments will be working together on the cases.

In Albuquerque - -

New Mexico F&LB Meet Scheduled Nov. 27-29

The 60th Annual Meeting of the New Mexico Farm and Livestock Bureau, the state's largest agricultural organization, will be held November 27-29 at the Hilton Inn in Albuquerque.

"Sagebrush Rebellion" is expected to be one major topic of discussion during the three-day convention as farmers and ranchers work to develop policies and resolutions which will guide their organization in 1980.

Slated to speak at the convention are Dr. Clayton Yeutter, president of the Chicago Mercantile Association, and Cecil Miller, president of the American Farm Bureau Federation, the world's largest agricultural organization.

Also on tap for the convention will be a tour of energy research projects at the Sandia Laboratory. Farmers as all Americans have become more conscious of energy research in recent years and the tour will let Farm Bureau members

see first hand the advances being made.

Several awards will be given out at the convention including the Distinguished Service to Agriculture, Farm Family of the Year, Outstanding Young Farmer and Rancher for New Mexico, the State winner of the Young Farmer and Rancher Discussion Meet will be named, as well as election for the Board of Directors for Districts 1, 3 and 5. Also elected will be the State Chairman of the Farm Bureau Women's Committee.

Other activities during the three-day convention will be meetings of special interest Farm Bureau Committees including Farm Bureau Women, Young Farmers and Ranchers Committee, and several commodity committees which include: Livestock, Public Lands, Wheat-Feed Grains and Peanuts, Dairy, Cotton and Alfalfa.

One of the highlights of the convention is expected to be the convention banquet held Wednesday evening, Nov. 28.

The featured address will be made by Federal District Judge Edwin Mechem, former governor of New Mexico and former attorney for the Farm Bureau.

As a sidelight to the convention, John Augustine, Jr., Executive Director of the New Mexico Farm and Livestock Bureau for 33 years, will be making his last official appearance at a Farm Bureau Convention. Augustine will retire from Farm Bureau on January 1, 1980.

On Thursday, Nov. 29, the delegates to the convention will adopt policy resolutions which guide the operations of the Farm Bureau for the coming year. Topics expected to come up include the Sagebrush Rebellion, governmental agricultural policy, state tax policy, marketing programs, water policy, and research programs.

Current Farm Bureau policy supports the ceding of the control of all federal lands in New Mexico back to state government.

SCHOOL LUNCH MENU

At Farwell

MONDAY - Porkkett w/gravy, mashed potatoes, buttered mixed vegetables, sliced peaches, hot rolls, butter, milk.

TUESDAY - Corn dogs w/mustard, lettuce & tomato salad, potato rounds w/catsup, brownies, milk.

Portraying Area Homemakers

Mrs. Edward (Gwen) Corn, our area homemaker this week, is a native of this area and although she has lived in other towns is glad to be living in Farwell. She and her husband moved here in August of 1978 from Friona. They have a new home and Gwen says they made up the plans for the house themselves.

Gwen's parents, Mr. and Mrs. Wendol Christian, live in Oklahoma Lane and Ed's parents, Mr. and Mrs. Charles Corn, live in Bovina.

Their two small children, Clay, 4, and Christi, 2, keep Gwen busy and she has many hobbies which keep her busy also.

Gwen was a home economics

instructor, teaching for three years in Amarillo, and for five years in Bovina. She says, "With that kind of background it is natural that I would like to sew, do cross stitch, hook rugs and try crafts of all kinds." Gwen also belongs to Farwell Young Homemakers and Theta Rho Chapter of Epsilon Sigma Alpha Sorority. She serves as parliamentarian of the homemakers club.

Ed was previously a teacher but is now farming. The family enjoys snow skiing and although Gwen says she hasn't been able to enjoy it for the last few years because of the small children she says they are looking forward to this season since the children are

large enough to enjoy it, too. The family also enjoys barbecuing out doors in the summer-time.

Gwen has consented to share these favorite recipes of hers with us.

Gwen says this is a thoroughly tested recipe as it has been handed down from one to another in her mother's family. And if it has been tried by all the 10 Donaldson sisters, it's bound to be good!

1 No. 2 can crushed pineapple
2 cups sugar
5 tablespoons flour
Dash of salt
Red food coloring
6 Bananas
1 1/2 cups pecans
Whipping cream
3-9" baked pie shells

Drain juice off cherries and pineapple. In saucepan, add sugar, flour, and salt to fruit juice and cook until thickened. Add enough red food coloring for nice red appearance. Add cherries and pineapple and continue cooking until re-thickened. Cool completely. Add chopped bananas and pecans. Pour into baked pie shells. Serve topped with whipped cream. *****

With the holidays coming up and parties to take refreshments to, this recipe should

come in handy for many of our readers.

HOLIDAY CHEESE BALL
24 oz. cream cheese
6 oz. blue cheese
2-6 oz. glasses Old English sharp cheese
1 tsp. onion or garlic salt
1 tsp. Accent
1 tablespoon Worcestershire sauce

Have cheeses softened to room temperature. Blend together all ingredients. Roll into ball and then in parsley and chopped nuts. *****

AMERICAN LASAGNE
1 1/2 lb. ground beef
Garlic salt
Salt
Pepper
1/2 tsp. oregano
1 can (6 oz.) tomato paste
1 can (20 oz.) tomatoes

Hot boiled wide Lasagne noodles (8 oz. uncooked)
6 oz. pkg. Swiss cheese, cut up
1-12 oz. carton cottage cheese
Brown beef and season with garlic salt, salt, and pepper to taste. Add tomato paste, tomatoes, and oregano. Cover and simmer 20 minutes. In oblong baking dish, alternate layers of cooked noodles, meat sauce, cottage cheese, and Swiss cheese. Bake in moderate oven, 350°, 20 to 30 minutes. Serve with grated Parmesan cheese.

Busy Homemaker

Gwen Corn, wife, mother of two, and a former school teacher, lists her hobbies as any kind of needle or craft work. She has many of the items that she has made displayed throughout her new home in Farwell. Her two year-old daughter Christi en-

joys wearing her Farwell Steer T-shirt to show her support of the Steers. The shirt was purchased from the Farwell Young Homemakers, of which Gwen is a member, when the club sold them as a money-making project.

We are Thankful...

Annual THDA Luncheon Held At Oklahoma Lane

The annual THDA luncheon hosted by Oklahoma Lane Extension Homemakers Club with members of the Rhea Extension Homemakers as guests was held November 15 in the Oklahoma Lane Community Building.

Door prizes were awarded and Betty Lucero of a Clovis beauty shop presented a program on "Who Do You See When You Look In the Mirror."

Attending from the Rhea club were Mesdames Ruth Drager, Ona Patterson, Helen Potts, Cecelia Schueler, Mar-

tha Schueler and Velma Schueler.

Oklahoma Lane Extension Homemakers attending were Mesdames Pauletta Curtis,

Beverly Foster, Susan Franse, Angelia Mace, Anita Ralston, Nedda Travis, Nelda Wilhite and Laura Jacobs, Extension County Agent.

Convalescent Center Chit Chat

by the
Convalescent Center Staff
Charles Askins spent a few days in the hospital this last week. We are glad to have him back.

Still in the hospital are Dorothy Coke and Nina Dickenson. We hope to have them back soon.

The quilt on which we are selling tickets is now on the frame. Come by and see it. Tickets are on sale now. See one of our volunteers or come by the Center and get a ticket. Drawing will be December 18 at 7 p.m.

Charles Askins had visits this last week from his daughter, Venorra DeWees from Oklahoma City, and

granddaughter, Lanell Frick from Sealy.

Harold Mardis had Mr. and Mrs. Cliff Mardis as visitors last week.

Mr. and Mrs. Cecil Muniz, the sister of Mrs. Velma Robertson, visited from Los Angeles and Mrs. Tillie Montreya, a friend also from California, visited.

Annie Best and a daughter of Portales visited Cora Baker this past week.

Mrs. Lucille Taylor from Albuquerque, Pancho Niely from El Paso, and Margurite Cook from Ft. Sumner all visited Mr. and Mrs. E.T. Dunn this week. Mr. and Mrs. Bud Fletcher and Edna Bell from Melrose also visited the Dunns.

Sonja Wilburn Initiated Into Education Society

Sonja R. Wilburn, daughter of Mr. and Mrs. Duane McDaniel, Farwell, was initiated into the Mu Kappa Chapter of Kappa Delta Pi at Southwestern Oklahoma State University, Weatherford, Okla., November 15.

Members of the society must have a 3.00+ GPA, and exhibit high standards in professional leadership which enables one to grow in the field of

education.
Miss Wilburn, a senior physical education and commercial art major, is active in SEA, WRA, Women's "O" Club, and is current president of PEMM Club.

She is also active in Art Guild, Fellowship of Christian Athletes, and has lettered four years in women's varsity tennis, basketball, field hockey and softball.

Lazbuddie Young Homemakers Meet, Plan Holiday Socials

Lazbuddie Young Homemakers met on Thursday, November 1, in the Home Ec room of the Lazbuddie School. President, Mrs. Darrell Mason, called the meeting to order.

Plans were made for the Christmas social, and the date was set for Saturday, Dec. 15, at 7:30. Mrs. Jim Collum and Mrs. Harrol Redwine volunteered to pick out the gifts for each child, and Mrs. Bobby Redwine and Mrs. Kevin Hall will bring the stockings. Mrs. Robert Gallman agreed to see that Santa Claus arrives as scheduled.

The social will be held in the Home Ec room, and refreshments of sandwiches, chips, and desserts will be served. It was decided that each couple

will bring two gag gifts. Volunteers to help decorate were: Mrs. Clay Mimms, Mrs. Bill Morris, Mrs. Jim Collum, Mrs. Darrell Mason, and Mrs. Harrol Redwine.

Also discussed was the Thanksgiving project for the senior citizens. Fruit baskets will be delivered to each senior citizen by Mrs. Lloyd Bradshaw, Mrs. Kevin Hall, Mrs. Jim Collum, and Mrs. Kirby Burch.

Mrs. Bobby Redwine gave a brief explanation of the three amendments and encouraged everyone to get out and vote.

The meeting was adjourned and refreshments were served. The door prize was won by Mrs. Dale Vise.

Louise Wilson presented an exciting program on Christmas crafts. She helped each member make poinsettia napkin rings with felt and Santa Claus tree ornaments with egg shells. She also showed many other Christmas decorations that she has made.

Members present were: Mesdames Jerry Barber, Kirby

Engagement Announced

Mr. and Mrs. J.W. Herington of the West Camp Community announce the engagement and approaching December marriage of their daughter, Karan Kay, to Darrell Gene Newsom, son of Mrs. Faye Newsom of Brownfield, and Gene Newsom of Lubbock. The bride-elect is a graduate of Farwell High

School and South Plains College and will be a December graduate of Texas Tech University. The prospective bridegroom is a graduate of Brownfield High School, attended Abilene Christian University and will be a December graduate of Texas Tech University.

UMW District Prexy Installs Officers

United Methodist Women of Texico-Farwell's Hamlin Memorial United Methodist Church met at the church on

November 14 for installation of new officers and a pledge service.

Mildred Moyer, UMW president of the Carlsbad District, was installing officer. Mrs. Moyer also gave an informative talk on where the money from the 1979 UMW Pledges had been spent.

The local UMW decided to make a \$25 donation to Methodist Home at Waco in addition to the money collected on the money tree which will be available at the group's Christmas party on December 12. Time and details for the party will be announced later.

Dardanella Helton was in charge of the pledge service. Lillie Christian, accompanied by Dot Christian at the piano, sang, "Jesus Calls Us O'er the Tumult" and "A Charge to Keep I Have."

Happy Thanksgiving From Farwell Kindergarten

The following newsletter and Thanksgiving wishes were sent out this week by the Farwell Kindergarten teachers Marcia Cole and Eva Ancira:

Our Thanksgiving Feast is over, complete with hats and kitchen cleaning, and now we will begin our Christmas unit.

The week following the Thanksgiving Feast we will clean our flower beds out and plant the bulbs for next spring. This is hard work for the children but it somehow gives them great pride in how the grounds and the beds look around the school. We will rake, pull and load the debris in the truck to be hauled away, and it never ceases to amaze the children ... and the adults as well ... that planting an ugly

bulb in the fall produces fragile and beautiful flowers in the spring.

We as teachers would like to take this opportunity to wish you a happy and blessed Thanksgiving ... we hope your child has added to your personal appreciation of the day and the significance that it was meant to have ... for indeed we have much for which to be grateful.

We are grateful for the opportunity to have your children to teach ... they are always a blessing to us and we are looking forward to our Christmas program ... plan to come and bring all your neighbors and friends.

Again, a Happy Thanksgiving to you and yours!

Young Homemakers Have Annual Thanksgiving Dinner

The Farwell Young Homemakers held their annual Thanksgiving dinner on Saturday, Nov. 17, at the home economics cottage.

The tables were decorated in fall colors and the menu consisted of turkey and all its trimmings.

Husbands of the members

attended the dinner and all enjoyed playing "crazy bridge" following the meal. President, Tina Sides, announced there would be a potluck supper on December 1 for all county Young Homemakers and Young Farmers in the Friona Community Center.

Couples attending the Thanksgiving dinner were Messers and Mmes. Richard Montgomery, James Sides, Steve Pierson, Buddy Foster, Mike Camp, Ricky Bennett, Ed Corn, Gary Foster, Terry Travis, Seth Ralston, Robert White, Larry Gulley, Miller Cunningham and Max Eubanks.

Holiday Fashion

Holiday fashion for fall/winter '79 means glamour and glitter, says Beverly Rhoades, a clothing specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

FABRIC, COLORS

Favorite fabrics are silks, crepes, velvets, charmeuse, metallics, failles, taffeta, light-weight wools and satin. Oriental and floral prints are better than ever.

Shiny, bold colors include hot reds, blues, purples, silver, gold, the ever-popular black and many more.

STYLES

Fluid one- or two-piece dresses touched with glitter or bead trim add sparkle to the season. Slim, shimmery pants team up with glossy tunics, quilted or shaped jackets or camisole tops.

Soft sweaters, bowed or ruffled blouses, and jackets top slim pleated or hem-slit skirts. Also, look for fuller pleated or gathered skirts this season, especially in failles and taffetas.

COORDINATE

Plan your holiday wardrobe carefully. Unless your schedule calls for repeated special activities requiring evening dress, coordinate your holiday attire with your current wardrobe.

Coordinate new slim satiny pants with a solid or print velvet, velveteen or plush corduroy jacket or blazer you already have. Colors may match or contrast. Add a sparkling belt for waistline emphasis.

If you have slim pants or a slitted skirt, top with a short, shaped jacket in a brightly quilted fabric. Or try a dramatic oriental-style jacket.

Freshen up slim pants with a gold-flecked sheer tunic and a shimmery gold or color-contrasting belt.

To a bowed or ruffled blouse, add a long, romantic taffeta or faille skirt. A cinch, crush or sash belt in coordinating or contrasting color will add a special touch.

With any long skirt or dress from seasons past, add a rich velvet jacket. The newest ones have a peplum - retrospective of the 40's and 50's.

Team this combination with any soft blouse. Use tone-on-tone or softly blended color combinations or use striking color contrasts.

ACCESSORIES

For the more daring holiday female, wear a feather boa with any sleek dress or pant combination.

Other fun accessories include rhinestones, bugle beads, pearls, drop earrings in big geometric shapes and boldly colored bangles.

Marriage Licenses

Parmer County Clerk's office has issued two marriage licenses since the last report.

Receiving the licenses were Michael Kent Gast and Janis Suzann Thomas; and Glenn Evans Reeve, Jr. and Margaret Carolin Vaughn.

You are cordially invited to a
bridal shower honoring
Karan Herington,
bride-elect of
Darrell Newsom

Turnovers Costly - -

Longhorns Upend Steers In Season Finale

After the Vega-Farwell game that wound up the season with the two teams tied for second place on the district ladder, most of the statistics looked about even - except in the turnover department where the Steers had a whopping 10 miscues while their opponents only had three.

Turnovers cost the Steers the game in which a victory would have given them sole possession of the runner-up spot in District 3-A, a position not to be taken lightly after having been picked to finish dead last in the district race.

The Steers had to kick to open the game and Vega started out on their own 25. The Longhorns picked up a quick first down, then were held to a fourth and seven situation and punted the ball out to Farwell's six-yard line.

Max Lonsdale, on his way to an over-100 yard night, picked up a first down on his first carry of the game, but on the next series a fumble by Waverly Coates on first down was recovered by Vega at the Steer 25.

Rick Jones and Fred Fangman alternated running the ball with Fangman carrying for the first down at Farwell's 12-yard line. On a second and eight call Brad Cannon went in for the first score of the night. The PAT kick was good and Vega lead 7-0.

Boyd White returned the ensuing kick for 20 yards and the Steers had first and 10 on their own 39. Lonsdale carried for nine yards on two tries then White was thrown for a loss to make it fourth and less than one; however, on the try for the yardage on fourth down, Farwell was assessed a clipping penalty and the Steers were forced to punt it away.

The Vega receiver signalled a fair catch, but the ball was fumbled and recovered by Farwell at the Vega 37. Coates picked up 11 yards on second and nine, but an illegal motion penalty made it second and 14 and on the next play a Mark Owen aerial was picked off by Cannon and Vega was back on offense on their own 39.

Leonel Jaime broke through to stop Vega's R. Galbraith for no gain and a pass went incomplete on second and 10. On third and 10 Scotty Cook made only eight yards, and the Longhorns had to punt.

Farwell started out on their own 22 with Lonsdale carrying

to the 32 for a first and 10. Coates fumbled on the next play and Vega again recovered and started this drive on the Farwell 35.

Farwell's defense came to life and after seven yards gained on two carries, Willie Martin smeared the Longhorn quarterback and Chris Bristow recovered the bobbled ball for the Steers.

Lonsdale carried for nine as the first quarter of play ended. Lonsdale then picked up another first down and carried for four on the next play. James Castleberry went for two on second down, but a third down pass attempt was picked off and Farwell's "Bad Day at Black Rock" had indeed begun.

Vega set up shop on their own 20 and had first down mileage in three carries. On first and 10 a pass completion to Jones put them in possession on their 42. A nine-yard carry and a completed pass gave them first and 10 on Farwell's 40.

Martin and Mac Langford teamed up to stop the runner for a loss of one on first down then Martin stopped Rob Groves for no gain on second down. A third down pass completion was nullified by a 15-yard clipping infraction putting the down at one, but the yardage to be gained at 45.

Jaime broke up the intended pass and the Longhorns were assessed 15 more yards on an illegal receiver downfield making it first and 60.

A pass completion was good for only 10 yards after Owen tackled the receiver. Another pass completion was prevented on second down when the would-be receiver was hit by Owen to jar loose the ball. On third and 50 the quarterback was sacked by Langford making it fourth and 54.

Vega punted and Farwell was unable to make a first, but faked a punt on fourth and five; however the attempted pass went awry and the ball went over on downs as Farwell also received an illegal receiver downfield penalty which was declined.

Farwell held the Longhorns to minus two yards on the next series, but on the punt, the ball hit a Farwell receiver and the ball was recovered by the Longhorns at the Farwell four-yard-line.

On first down Groves went into the end zone for the 'Horns

second TD of the night with two minutes left in the half. The PAT kick was no good and Vega held a 13-0 lead.

White received the kick for the Steers on the Farwell 35 and on first down the ball was fumbled, but an alert Byron Mayfield picked the ball up for a six-yard gain. Lonsdale made two consecutive first downs out to the Vega 39. Coates picked up six, Owen was held for no gain and a third down pass went incomplete. A fourth down pass was caught out of bounds and the ball went over.

Vega managed to run one play before the first half ended.

Castleberry made a good return of the kick as the Steers received the ball to open the second half. Farwell managed to get nine yards on two carries by Lonsdale before an offsides penalty made it third and six.

Lonsdale then carried 16 yards for a first on Vega's 45. Lonsdale carried for 22 yards after Castleberry had gained one, but on the next series, Lonsdale was stopped for a loss of three on first down and held for no gain on his next carry. Farwell did manage the first down on a pass completion from Owen to Richard Carpenter, making it first and goal from the Longhorn 10. On second down Lonsdale ran in for the TD to put Farwell on the scoreboard with 6:50 left in the third quarter.

On the PAT try, Farwell's kicker Langford was injured on a late hit after the kick and Farwell drew an in-motion penalty. However, Langford was able to stay in the game and managed to kick the PAT from five yards back and Farwell had seven points.

The unnecessary roughness penalty against Vega was marched off on the kickoff and Langford booted it out of the end zone.

Mayfield, Langford and Coates were instrumental in halting this Longhorn drive after a gain of nine yards and Vega was forced to punt.

Farwell started offensively from their own 42 and Lonsdale picked up nine and White went for the first on a seven-yard gain. Coates managed seven and on second and three Lonsdale was stopped for no gain and on third down a pitchout to White was bobbled and Vega once again recovered

the ball. From Farwell's 46 the 'Horns managed to move in for a score on four plays and then completed a pass for a two-point conversion to put the Longhorns out front 21-7 with 2:06 left in the third period.

Castleberry again returned the Vega kickoff and Farwell had possession on their own 36. Lonsdale carried three times and Coates went three yards for a first down on fourth and one. Castleberry picked up seven as the third quarter came to an end.

Lonsdale carried for two and on third and one, Coates lost the handle on the ball and once again Vega recovered.

On this series the Longhorns had to give the ball up when a fourth and inches try was stopped by the Steer defense. Owen went for good yardage to the Longhorn 22, but a clipping penalty made it first and 25. Lonsdale picked up six yards, but two incomplete passes forced a punting situation. Vega was penalized for having 12 men on the field to give Farwell a fourth and three.

Lonsdale got the nod and made the first down. He got three on the next down and then White went for 15 and the Steers were threatening at the Vega 15. Lonsdale was given the ball for three successive downs making a first at the four. Lonsdale was stopped for a yard loss then Coates was stopped for another yard loss and then Lonsdale was thrown for a three-yard deficit and a fourth and goal pass from the nine was incomplete and the ball went over.

Vega was held without a first down and on the punt, Ricky Armstrong went through to block the ball which bounced into the hands of an alert Boyd White who ran it into the end zone for a TD. The PAT try failed and Farwell trailed 13-21 with a little over two minutes left to play.

An onside kick attempt was covered by Vega and they were on offense again, this time at the 50. A pass on first down went incomplete and on second and 10 Farwell was offside giving the Longhorns a second and five. Jones then took off on a long scamper and was finally dragged down by Owen at the Steer seven.

Coates and Company stopped the runner for a yard loss on first down. And on second and goal Lonsdale and Bristow teamed up to stop the runner for still another loss and on third and goal from the 10, White and Castleberry made the halt on the runner. But fourth time was "charm" as Groves took it into the end zone for another six points with only 23 seconds showing on the clock. A run for a two-point conversion was stopped giving the Longhorns 27 points to Farwell's 13.

Farwell's desperation drive then lasted only one down as on a second and 11 situation,

Vega picked off another Owen aerial to end the ball game and the District 3-A season.

Steer Waverly Coates still hangs onto the ball after the play completion in Friday night action at the Farwell-Vega game. Lending assistance on the blocking as the play progressed was Leonel Jaime, also lying on the turf. The Steers wound up the season in a tie for second place with the Longhorns after Vega used 10 Steer turnovers to topple their hosts 27-13.

Has Everybody Gone??

Jaime Has 'Em

Leonel Jaime (#65) makes the tackle on Vega's Scotty Cook as fellow Steers Richard Carpenter (#85) and Boyd White (#40) hurry to the scene. The action took place during the second quarter of the

Friday night match between Vega's Longhorns and the Steers. The Steers and Longhorns wound up in a second place tie in District 3-A after the 27-13 loss by the Blue and White.

There's a superstition that says if you bite your tongue you will tell a lie!

Head For Finals --

Wolverines Top Mountainair 22-7 In Semi-Final Game

By Jeff Tharp
The Wolverines, after a hard-fought battle with the Mountainair Mustangs, won their ticket to the state finals. The Wolverines went to Mountainair and played a hard first-half, racking up 22 points before the half-time buzzer sounded to upend the Mustangs 22-7.

Mountainair won the toss of the coin and chose to receive. After the kickoff, the Mustangs went seven downs and 74 yds. before Texico's Dave Cavallero intercepted a pass, giving the Wolverine offense their first scoring opportunity.

Taking advantage of the interception, the Green and White went 80 yards in eight downs, before Texico's Robert Thornton went in from the one yard line. The PAT kicked by Britt Crooks was good.

Following the kickoff, the Mustangs held the ball for seven downs and 25 yards before being forced to punt.

After taking possession, the Wolverines went for 70 yards and another TD by Robert Thornton. The PAT was again kicked by Crooks.

Texico kicked off and the Mustangs returned the ball 61 yards, but on the first down, Herbert Bibbs intercepted a Mustang pass. The interception set the Wolverines up for 12 consecutive downs, and 54 yards before they were forced to punt.

After Mountainair received the ball, they were also forced to punt. The Wolverine offense

started their drive for what was to be their final score of the evening. After an 89 yard drive, the Wolverines scored again on a 23 yard aerial from quarterback Hadley to receiver Shawn Perkins. Hadley went to the air again for the PAT, with Britt Crooks receiving for two additional points.

After half-time Mountainair came back from the locker room with an aerial strategy that garnered them their first and only score on a 31 yard TD pass. The PAT was good.

When the Wolverines received the kickoff, on the first series of downs, Mountainair intercepted a pass giving the Mustangs another chance to score. But the Wolverine defense knocked the ball loose and Texico's Ron Kirby recovered. The Wolverines held the ball for 18 consecutive downs and let the clock run out, claiming the 22-7 victory and their chance to advance to the state championship game.

The Wolverines will be in a "do-or-die" situation when they travel to Hagerman Thanksgiving evening to meet the Bobcats at 7 p.m. MST.

Wolverine fans are optimistic that the game will not be a replay of last Thanksgiving's match for the state crown. The Bobcats defeated the Wolverines on the Texico field for the 1978 championship by a score of 35-19.

Hagerman has won three times in their bids for the state championship in the last five

years. They are entering this Thanksgiving's game with a 10-0-1 record, with their tie coming against Class AA's number-one ranked team, Estancia.

Even without a win on Thursday, the Wolverines have already surpassed all school records for the most consecutive wins. They will go into playoff action this Thanksgiving with 11 wins to their credit.

The previous best record was established by the 1978 Wolverines, who took the state's number two trophy, with a 10-2 record. The only blemishes on their record were from Lubbock's Christ-the-King School early in the season and from Hagerman in the championship finals. So far this season the Wolverines have defeated Mountainair twice, Christ the King, Vaughn, Hatch, Ft. Sumner, Capitan, Tucumcari J.V., Tatum twice, and Melrose.

Commenting on Friday's victory against the Mustangs, Coach Paul Topliff said, "We played a real good first half. I thought the Wolverines showed

a lot of class when they took the ball on the seven yard line and drove the ball down in an 18-play drive to run the clock out."

Wolverines Of The Week

JAMES HADLEY

BRITT CROOKS

DAVID CAVALLERO

James Hadley won kudos from his coach as Offensive Wolverine of the Week. James threw nine complete passes out of 17 tries in last week's game and totaled 189 yards passing. Special honorable mention went to Shawn Perkins who pulled in six passes for 172 yards and made one touchdown. He also set up two more Wolverine touchdowns. He has 978 yards in receptions for the season.

Britt Crooks shares honors with David Cavallero as Defensive Wolverine of the Week. Britt had one unassisted tackle and seven assisted tackles in last week's game. He also kicked for two extra points in the game and ran a PAT pass from Hadley to register another two points. Thursday's game against Hagerman for the State Championship will be the last game the 5'11", 180-pound senior will play for the Wolverines.

David Cavallero shares honors with Britt Crooks this week as Defensive Wolverine of the Week. David has two unassisted tackles and 10 assisted tackles in last Friday night's semi-final game against Mountainair. He was also named to receive the Specialty Teams Award of the week and the Hardest Hit Award. "Both David and Britt have played outstanding football in the last six quarters they've played," stated Wolverine coach Paul Topliff.

Let's Get It Together

Texico's Wolverines seem to be encouraging each other to "get it together" while getting ready to execute their game plan against the Mountainair Mustangs last Friday night. The Wolverines made it number 11 in a row when they defeated their hosts 22-7 and are to play in the state championship game against the Hagerman Bobcats Thanksgiving Day at 7 p.m. MST. Student Of The Week At Texico School

Robert Thornton is this week's "Student of the Week." He is a senior at Texico and participates in FFA, is Letterman's Club vice-president, plays football and is the senior class president. Robert attends church at Prince Street Baptist in Clovis, and his hobby is fishing. Robert is the son of Mr. and Mrs. Roy Thornton. (Selection of "Student of the Week" made by anonymous committee)

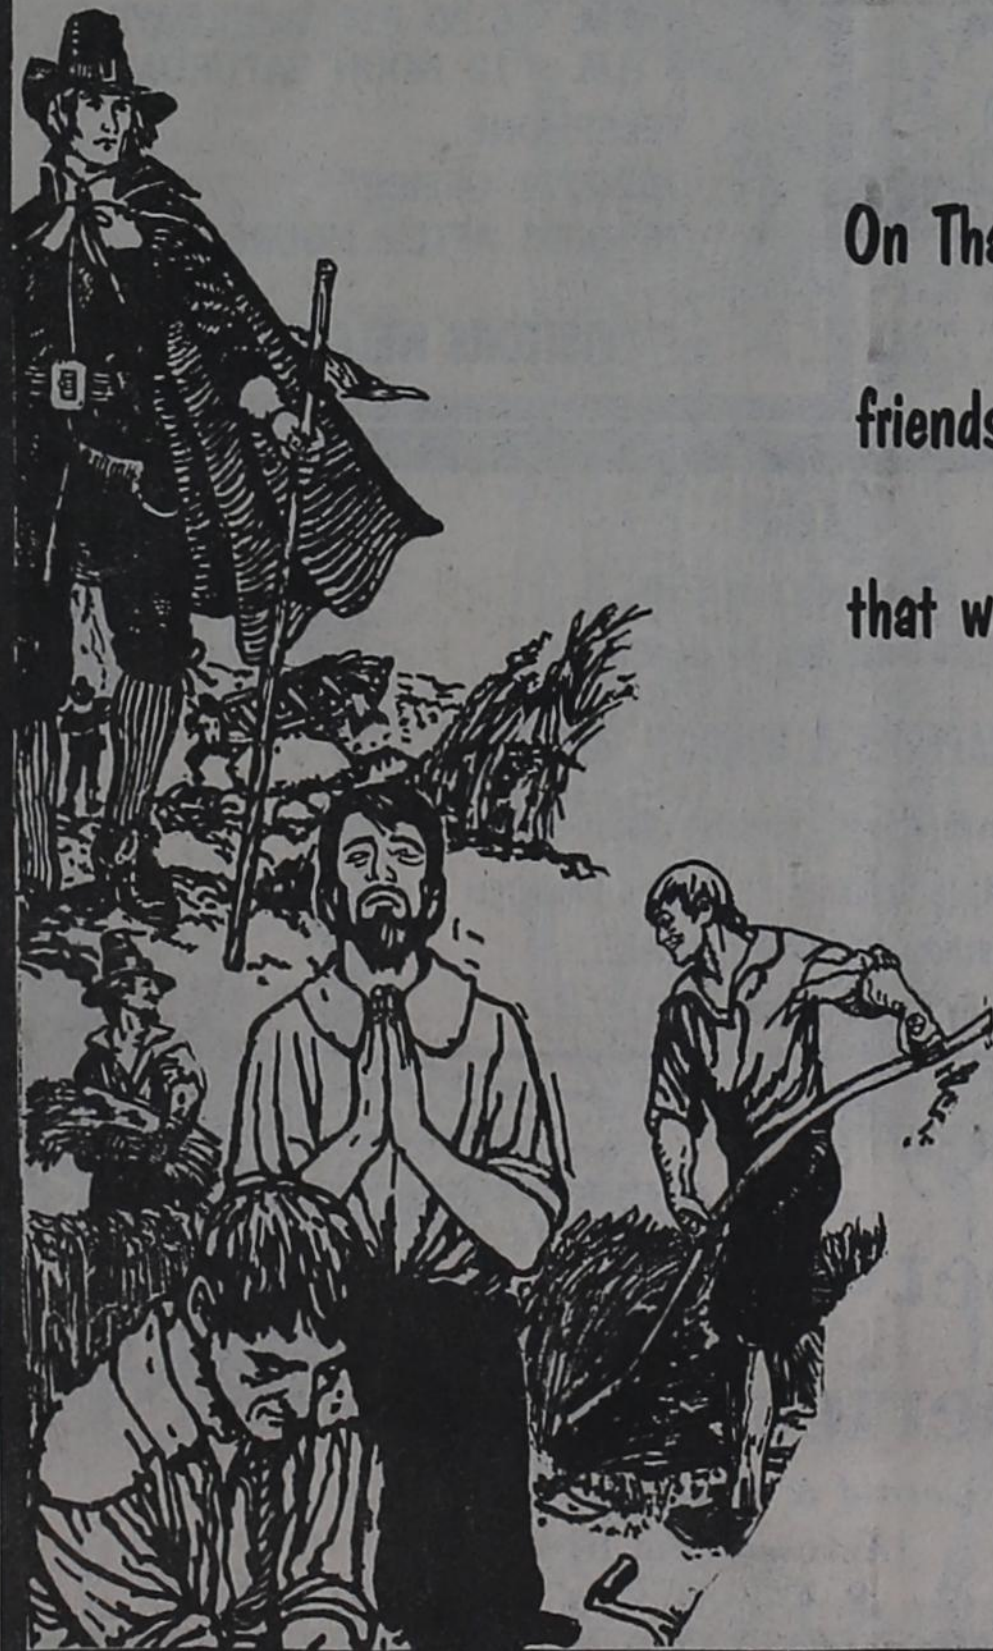

THANKSGIVING

In the spirit of our forefathers, let us all give thanks

On Thanksgiving Day let us all join together, friends and family, to give thanks for all that we have. Let us also remember all the

good times, shared throughout the year.

We wish all our neighbors and patrons a joyous and happy Thanksgiving.

Wolverines Travel To Hagerman Thursday

Texico Wolverines' semi-final victory over the Mountainair Mustangs last Friday night gave them the opportunity they have been working on for one entire year. They will meet Hagerman in the State Championship game on Thursday, Nov. 22, at 7 p.m. MST at Hagerman.

Ever since the Hagerman team beat Texico in the title game last year, the Wolverines have looked forward to a re-match. The game is to take place exactly one year from the time the two teams played before.

Coach Paul Topliff says he thinks the game will be a good game and he is sure that it is going to be the most physical game that his team has played all year. "Whichever team is the most physical and most controlled will come out the winner in this game," he stated.

Topliff has high praise for each of his players as individuals as well as a team. He gives them credit where credit is due and says that this year's team has more pride and class than any other team he has ever coached.

"They may get beat Thursday, but whatever happens they can be proud of what they have done this year. They set out with certain goals in mind and they have accomplished all those goals except the ultimate one. That is beating Hagerman in the State playoffs. I hope they can do it for their sake as well as mine," commented Topliff.

Belief in themselves and quiet determination have gotten the team this far and everyone in Texico would like to see the team bring home the championship. Hagerman is going to be a hard team to beat, but with good breaks, good attitude and the good team effort that they have shown so far this year, they could very likely do just that.

Hagerman's record speaks for itself. They have shut out Texico six times in the last 10 years that they have played. They have won the championship three years in a row and have won the last four out of five state championship games they have played. This year's

record for Hagerman is 10-0-1. Hagerman's senior tailback, Casey Shaw, has been named an All-State football player since he was in the ninth grade and the Wolverines will have to contain him to come out on top. Topliff said of the Hagerman team, "They have the finest defense in the state, and Jim Newton, the Cats coach, is a real fine coach."

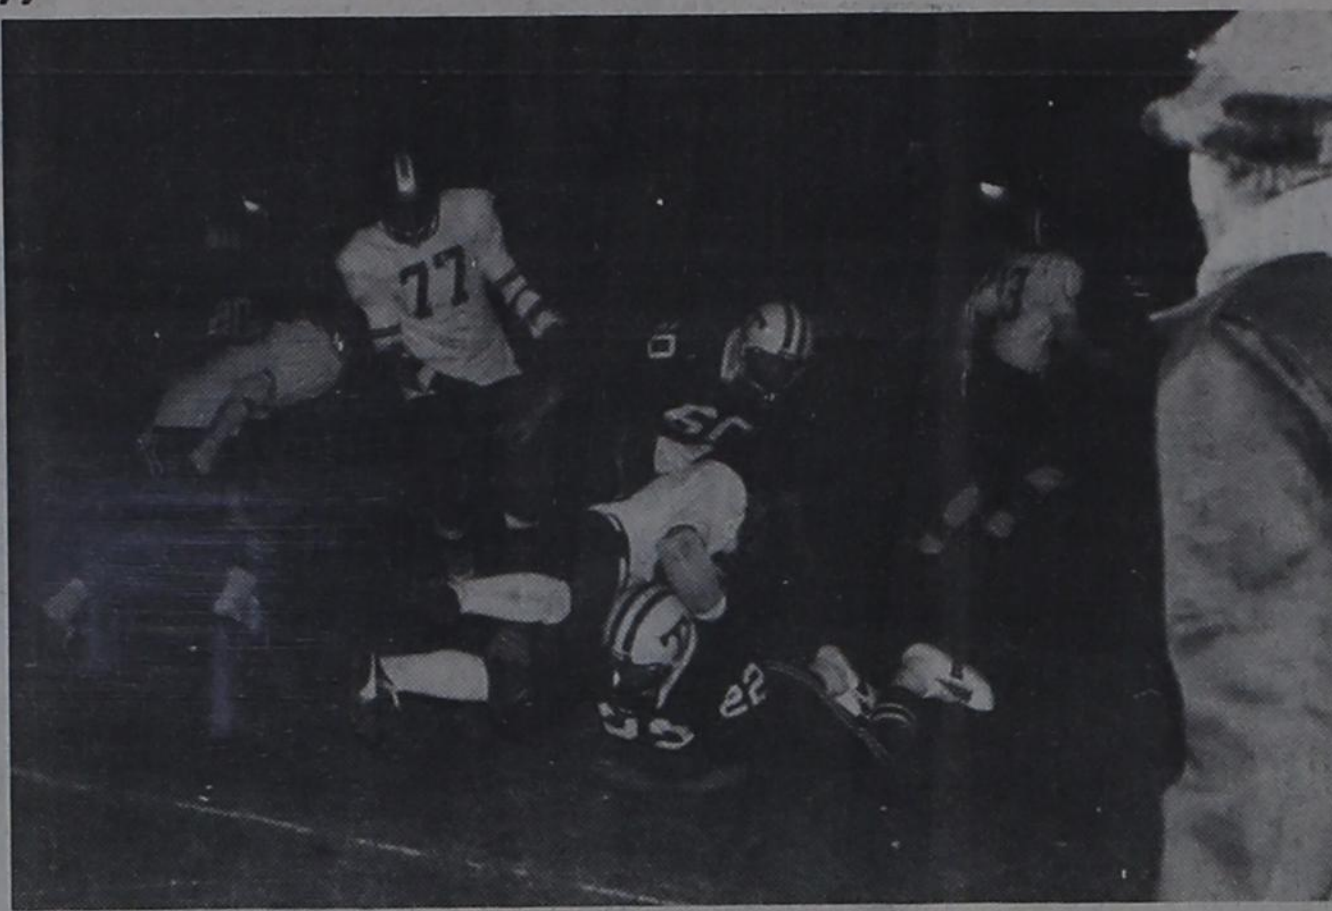

This will be the last game that the seniors will ever get to play for the Wolverines and they would like to come out with a perfect, undefeated season.

"If the defense can stay on the ball and not give up points, I feel that our team can truly prove that they are 'few but proud' and that quality and not quantity is what makes a winning team. I don't care as much about a win as I do a well-played game. I wouldn't want my boys to be embarrassed and I don't think they will be. I really have a good feeling about the outcome of this game," Topliff said.

In a summation of the Wolverines victory over the Mountainair Mustangs, Topliff said his team played a real super first half. Mountainair had a good ball club and was able to score against the Wolverines in the third quarter as none of their other opponents had been able to do this year.

"I thought that the fourth quarter of play was great. I was really proud of the boys' efforts," stated Topliff. The team was able to run out over seven minutes of play in the fourth quarter and carried out 18 consecutive plays to keep the Mustangs from getting control of the ball.

Topliff added that he was very impressed with the fan turnout at the Mountainair game and expressed his hopes that they will turn out at the Hagerman game to show the team that is representing the town of Texico that the fans are behind them.

Defense At Work

Wolverine Robert Thornton (#22) stops the Mustang runner with a good tackle in Friday night's game against Mountainair which Texico won 22-7.

The win put the Wolverines into the state finals and they will meet Hagerman, the defending champs, in a game at 7 p.m. MST on Thanksgiving

Day. Other Wolverines shown in the picture ready to assist in the defensive play are David Cavallero (#20) and Ron Kirby (#60). [Texico School Photo]

Texico Junior High Teams Begin Basketball

Basketball season for Texico Junior High began Thursday when the boys' team traveled to Gattis and the Gattis girls visited the Wolverine girls at home.

Texico tallied two victories in the boys' division, but in the girls' action, the Gattis visitors claimed both wins. For the boys, the 7th and 8th graders claimed their first wins; while the freshmen lost by only one point. In the girls' games, coached by Roy King, the combination 7th-8th team lost by only one point, while the freshmen did not fare as well. Mike Littlejohn will be coaching the eighth and ninth boys' teams, and Paul Topliff will be coaching the seventh grade boys.

The freshmen boys also lost by only one point with Gattis coming out on top, 39-38. Texico maintained a small lead throughout the first three quarters, but, in the last seconds of play, Gattis' Jimmy

Robinson scored to give the victory to the Cubs. Paul Salguero was high point man for Texico with 18 points followed by Earl Bibbs with 11 points. Others scoring were Lynn Tubbs and Tony Cavallero with four points each.

Texico's eighth grade team led Gattis 7-A players throughout the game, defeating them 40-24. At the end of the first quarter the Wolverines led 11-0, and, at the half, they led 21-6. Gattis scored only four more points in the third quarter, while the Wolverines dunked in 12 more points to make their lead, 33-10. Kevin West led the eighth grade scoring with 13 points, followed by Ronnie Landis with 10 points. Brad Steward and Dennis Chavez each contributed 6 points, while Joe Steward added 3 points, and Scott Elliott made 2 points.

The seventh grade team, in their first Texico basketball action, also came home with a victory, 24-20, over the Gattis 7-B team. High scorer was Billy Bibbs with 8 points.

With only 12 seconds left in the combination 7th-8th girls' game, the Gattis 8th graders managed to score and defeat

the Wolverines, 22-21. At the end of the first quarter, Texico led 13-3, and at the end of the half, they led 17-8. After three periods, Texico led 21-16, but in the fourth quarter they failed to score and Gattis caught up with them. Leading scorers for the Texico girls included: Tammy Landis, 9 points; and Sharlet Taylor, Corinna Hungerford, Cheryl Scott, Jennifer Hill, Elaine Horner, Karen Snodgrass, all with 2 points each.

In the freshmen girls' game, Texico led at the end of the first quarter 4-3, but at the half, they had fallen behind, 11-6. Texico drew close to Gattis at the close of the third quarter, 15-14, but Gattis scored 10 more points to Texico's 3 points in the fourth quarter to defeat the Wolverines, 25-17. Scoring for the Wolverines were Tammy Landis, 4 points; Sharlet Taylor, 4 points; and Corinna Hungerford with 3 points.

All three Wolverine boys' teams were scheduled to play Marshall on Tuesday in the Marshall Gym, while the next girls action is scheduled for the Marshall Kittens at Marshall on November 20.

PIONEER Harvest Hotline

Lionel Lane reports

Parmer Co. Results

Again this year Pioneer® brand seeds are delivering outstanding yields in field after field. But we know it takes more than one year's performance to tell the whole story. Look at these results, then ask your Pioneer dealer to show you records from several years. You'll see for yourself why Pioneer brand seeds have become famous for their consistency.

This proven, popular corn hybrid proved its consistency in this area as it out-yielded competitive hybrids by 543 lbs./A. in 37 tests. Jim Roy Wells of Friona reported that 3184 topped his test with 11,315 lbs./A. Dennis and Vernon Willard of Bovina reported a yield of 11,202 lbs./A., while Gene McGuire, who farms near Oklahoma Lane, reported 10,315 lbs./A with 3184. In addition to this hybrid's excellent yield potential, outstanding drought tolerance and excellent standability make it a good choice for Parmer County. It also has demonstrated outstanding tolerance to MDMV and head smut, in addition to its super stalk strength.

Farmers aiming at top yield from a high-performance corn hybrid have learned to count on 3195 in the Parmer County area. Troy Christian, who farms near Oklahoma Lane, recorded a yield of 10,811 lbs./A. with 3195, while R.J. Garner, who farms near Lariat, saw 3195 top his test with a yield of 12,043 lbs./A. Well-known for its outstanding disease tolerance and very good standability, 3195 has become one of the most popular hybrids on the High Plains. In 11 Parmer County tests this year, 3195 again proved its performance potential by averaging 10,350 lbs./A. Whether it's grown for grain or silage, 3195 is a good choice in Parmer County.

With Vega --

Steers End Season Tied For Second

In comments on last Friday's game against Vega, Steer coach Randy Adrian stated that although he thought the Steers team was a better team than the Vega team they didn't show it when it counted.

He said, "Turnovers killed us. They are what cost us the game." The Steers were trying to capture sole ownership of the runner-up spot in district competition but their 13-27 loss to Vega gave them a tie for second place with their opponent for the title.

The Farwell team was predicted at the first of the year to finish last place in the district so they were pleased with the final outcome of their season.

The Steers ended up with a 3-6 regular season record and a 3-2 district record. Kress was first in the district with a 5-0

record and Hart and Springlake-Earth followed second place Farwell and Vega for third place with 2-2-1 records. Bovina came in last with a 0-5 record.

Coach Adrian stated, "Even though we didn't finish in first place I'm still pleased with our district record. We were picked to place last and I feel we have accomplished a lot by not doing that."

Adrian further stated that he would like to thank everyone in Farwell who supported the team and that the fans were super and the support was appreciated by himself and the team very much.

The coaching staff did not grade the film of the final ball game so they did not name Steers of the Week for this week. However, Max Lonsdale did receive special praise for

the record he set in last week's game. Max had 829 yards rushing before going into the final game of the season and, with the 184 yards he totaled against Vega, his season record broke the 1,000 yard mark by 13 yards.

4-4 Record --

Farwell 8th Graders Shut Out Vega 36-0

Farwell's 8th grade football team shut out the Vega 8th graders 36-0 last Thursday at Vega to end their season with a 4-4 record. In District 3-A they tied with Kress and Springlake-Earth who had the same district records.

Farwell was beaten by Springlake-Earth in their second game of the season. Farwell then defeated Kress in their next to the last game while Kress had beaten Springlake-Earth earlier in the year to give the team the three-way tie.

"Without a doubt in my mind, the Farwell team was the best of the eighth grade

To Lorenzo --

Farwell Volleyball Girls Lose Out In Bi-District

Farwell volleyball girls played Lorenzo, the number four ranked team in the state, Monday night for bi-district championship. The Farwell girls, winners of District 3-A, lost 15-7 and 15-5, missing their chance of playing in the regional play-offs.

Coach Glen Morton said, "The girls were nervous and under pressure and their serving was bad and inconsistent. At times they looked

super out on the court but at other times they looked as if this was their first game."

Rhonda Dale, Terri Cole, Dolly Bermea, Tammy Hernandez and Trini Garcia, all seniors, were given praise by their coach who said they each played well. "I am very proud of them. Not many teams win district in only their second year of competition," added Morton.

One inch of rain contains the same amount of water as 10 inches of snow!

Wanted: Weight-Lifting Equipment

A reminder comes from Steer Coach Randy Adrian that the Farwell Schools athletic department is still in need of weight-lifting equipment.

Adrian urges all who may have such equipment not being used to contact him about donating the equipment to the school.

Questions

Often Asked

About Your Eyes

By B.W. Armistead & Steven D. Smith
Optometrists - Littlefield

- Q: What is glaucoma?
A: Glaucoma is the result of an upset in the production & drainage of a fluid, the aqueous, which nourishes the inner eye. The aqueous may be produced in too great a quantity or, as is more common, the fluid does not drain properly from the eye. The result in either case is a build-up of pressure inside the eyeball called "intra-ocular tension."
- Q: Will glaucoma cause blindness?
A: Yes, if not brought under control. It is the number one cause of blindness in the world today.
- Q: How does glaucoma cause blindness?
A: The increased intra-ocular pressure ultimately injures the sensitive nerve tissue in the back of the eye (retina) and accordingly reduces vision. The vision loss is permanent.
- Q: Are there more than one kind of glaucoma?
A: Yes. The most dangerous type is the chronic (open angle) simple type in which a slow unnoticed build-up of pressure over a long period of time gradually steals vision without the patient being aware of it. There usually are no symptoms or warning signs. There is no pain except in the acute type.
- Q: How is glaucoma detected?
A: Glaucoma is most frequently detected during a professional vision examination. Optometrists check carefully for glaucoma during the "eye health" part of the vision examination and then actually measure the pressure within the eye with a special instrument designed for this purpose.
- Q: Do the glaucoma pressure tests hurt?
A: No, there is no pain when measuring the pressure within the eye.
- Q: Can glaucoma be prevented?
A: At the present time there is no known way to prevent glaucoma, but early detection is extremely important in its control. Usually blindness can be prevented if detected early enough. For this reason, it is important to have your eyes examined at least once each two years or more often if your eye doctor so advises.

THANKSGIVING

"While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease."
Genesis 8:22

The harvest each year should remind us of God's great promise to man. This promise was made right after the great flood, from which only Noah and his Ark survived. Just prior to the flood, all men lived so evilly that it grieved the Lord that he had made man on the earth.

Today the churches stand as a bulwark against evil. Attend regularly so that never again would man grieve the Lord as before.

The Church is God's appointed agency in this world for spreading the knowledge of His Love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Assistant Parmer County Extension Agent for Home Economics

Properly clean and care for your fireplace to put it in condition for months of winter-time enjoyment.

Fireplaces used year after year without cleaning can become unsightly and often dangerous due to the formation of soot deposits on the inside of the chimney.

Cleaning a fireplace tends to be a "dirty" job, but it's not hard.

It's possible to hire a "pro" for a chimney cleaning job, but an agile and determined do-it-yourselfer can do this task.

In addition, when it comes to cleaning the masonry or stone face of the fireplace, no one will do a better job than the do-it-yourselfer.

CLEANING CHIMNEY INTERIOR

If you use your fireplace frequently and burn resinous woods such as pine, spruce or fir, flammable deposits may form on the inside of the chimney making an annual cleaning a "must."

Check the unit with a flashlight to determine condition of the chimney walls. If they appear "furry" and flake off when brushed, clean them before the fireplace is used.

Cleaning the interior chimney requires agility and care because the operation is carried out from the rooftop.

Begin by placing a plastic tarp inside the fireplace to catch dropping debris. Then, fasten another piece of plastic over the opening and attach securely around the outside with duct or masking tape. This important step will protect furnishings against soot and dirt.

Cleaning equipment is sim-

ple and inexpensive.

If the house is single-story, try using a long-handled broom to dislodge the sticky deposits.

If chimney height prevents use of a broom, try a cylinder of chicken wire or a rock-and-straw filled burlap bag suspended by a rope.

From the roof, the cleaning device is lowered and raised to dislodge soot deposits from the interior wall of the chimney.

Precautions are in order if your home is old or has a poorly constructed chimney. Where this is the case, it is best to have the cleaning job done by a professional with modern suction equipment.

CLEANING FIREPLACE FACE

Black, sooty stain on the fireplace face is usually caused by overloading the fireplace.

Whether brick, stone or other masonry products are used, remove soot deposits by washing with either of two solutions:

- 1) one-half cup vinegar or acetic acid, one-eighth cup detergent, and one gallon water, or
- 2) for more stubborn stains, use one to two cups trisodium phosphate, one-half cup household bleach, one-eighth cup detergent, and one gallon water.

Apply either solution with stiff (natural or plastic bristle) scrub brush. Wear gloves and protective clothing to avoid skin irritation.

Once the stain is dislodged rinse well with clear water.

When masonry is completely dry and free of stain, a clear masonry sealer may be mopped or sprayed on to prevent deep penetration of stains.

Damaged Fence

A fire in the alley behind the William Brigham home at 705 Second Street in Farwell caused damage to a fence belonging to Brigham and to a wood pile in the neighboring yard. It is thought that the fire started when sparks from a trash barrel ignited dry grass and weeds and then spread. Extensive damage was done to

the fence; however, the Farwell Volunteer Fire Department was able to extinguish the blaze before more serious damage was incurred. Residents are urged to be careful with fires at this time of year when foliage is dead and dry and the likelihood of fires is more prevalent.

FIRE CALLS

Farwell Fire Department volunteer firemen and equipment have been kept busy this week with fire calls and ambulance runs.

November 15, the ambulance was called to Farwell Clinic, but was not needed to transport the patient - only the equipment was needed. On November 17, the department was called to 705 Second St., where a trash fire had gotten out of control, burning a wood fence and spreading down the alley to a neighbor's wood pile.

November 18, truck and firemen were called to Oklahoma Lane Gin to extinguish a burr pit fire. At 4:03 a.m. on November 19, they fought a

fire at the Doshier place on Ninth Street. They were also called to extinguish a cotton trailer fire five miles east on Highway 84, where the cotton burned but the trailer was saved.

Texico Fire Department made an ambulance run November 17 to 310 Mildred Street and transported a child to the Clovis hospital.

The department also helped extinguish the Oklahoma Lane Gin fire on November 18.

Around The Twin Cities

Farwell City Council will meet at 5:15 p.m. CST on Monday, Nov. 26, in the City Hall.

Farwell Chamber of Commerce will hold its regular monthly noon meeting, Tuesday, Nov. 27, at Clara's Restaurant.

Texico City Council will meet at 6:30 MST in the City Hall on Tuesday, Nov. 27.

FAITH Shows Us How Much We Can Be Thankful For!

Perhaps we have not counted
All our blessings one by one;
Perhaps we have not bothered
To Remember whence they come;
And maybe we have taken
Just for granted all the things
That the good Lord has created
And the hall of Nature brings;

The Autumn hills in glory robed,
A golden field of grain,
A sunset's dazzling splendor or
The Milky Way's great plain,
The starry sky's sublimity,
The ocean's mighty power,
The wonder of creation in
The petal of a flower

And so if we have failed to show
By word or act of deed
That we are thankful unto Him
Who fills our daily need,
May this day show we're grateful
When we add up all the sum
Of the blessings we remember
As we count them one by one.
--Willard G. Seaman

let us give our
THANKS...

Holiday greetings to our many fine patrons ...
we hope that you and yours enjoy a Thanksgiving
abounding in both material and spiritual blessings.
May we take this opportunity to say "Thank you"
for letting us serve you.

5-Year-Old Selected 1979 Prevent Blindness Child

Bryan Mauk, a five year old soccer enthusiast from Fort Worth, has been selected as the 1979 Prevent Blindness Child. He is one of the more than 36,000 Texas youngsters who were given vision tests last year by volunteers trained by the Texas Society to Prevent Blindness. When Bryan failed his screening, he was referred for a professional eye examination where it was discovered he suffered from amblyopia or "lazy eye."

"In amblyopia, one eye functions better than the other so that sight is gradually taken over by the strong eye while the weaker one becomes virtually useless," explained John V. Mumma, M.D., San Antonio ophthalmologist who is chairman of TSPB's Preschool Vision Screening Program.

"At the time Bryan was examined, the vision in his left eye tested 20/400. But three months later with glasses plus the patching of his good eye to force the 'lazy' one to work, his

vision improved to 20/30." "This enormous improvement can only be attributed to early detection," he went on. "In that, Bryan is lucky. Too often amblyopia isn't caught in children until too late to be corrected because parents don't realize - as the Mauks didn't - that children do not know whether or not they are seeing as well as they should and so don't complain."

"An estimated one in every 20 children has an eye problem that can be best corrected in the preschool years," he said. "For this reason we encourage parents whose children have never had a vision test to send for the society's free Home Eye Test for Preschoolers. The test can alert parents if their child needs the professional eye examination that the society recommends all children have before entering school." For the free test, write Prevent Blindness, P.O. Box 2020, Austin, Texas, 78768. Bryan is the son of Dr. and

Mrs. Richard Mauk of Fort Worth. He loves to play soccer and is proud of his glasses because they help him see things that "I never saw before," he says. He's also become a booster of vision testing. When friends comment on his new glasses, his ready reply is, "I wear them so I

won't be blind. How do you know if you don't need them? Have you ever been tested?"

The Texas Society is an affiliate of the National Society to Prevent Blindness, established in 1908 to prevent blindness through service programs, education and research.

Bryan Mauk

Board of Equalization Farwell Independent School District

Notice is hereby given that the Board of Equalization of the Farwell Independent School District will meet November 23, 1979, at 9:00 A.M., at the Tax Office, 705 6th Street, Farwell, Texas, and will meet from time to time thereafter for the purpose of determining, fixing and equalizing the value of all taxable property in Farwell Independent School District for the year beginning January 1, 1979. All persons having business with the board are invited to make an appointment to appear. By order of the Board of Trustees, Farwell Independent School District.

Suggestions For Your Thanksgiving Leftovers

Turkey Tomorrow

by Martha Logan

Turkey is traditional at holiday time, and the dishes that are made with what's left of the roasted turkey are often as enjoyable as the turkey itself. Turkey Curry On Rice, for example, is perfect for a special family meal or a small dinner party.

Diced cooked turkey is added to a white sauce seasoned with ground ginger and curry powder. Chopped celery and unpeeled apple are added for flavor, texture and color. The creamed turkey curry is served on hot fluffy rice with a variety of toppings to choose from such as slivered toasted almonds, toasted coconut, crisp crumbled bacon and chutney.

Turkey Curry On Rice

Yield: 6 servings

- | | |
|--|---|
| 2 cups diced, cooked Butterball Swift's Premium Turkey | 1 tablespoon curry powder |
| 1/2 stick (1/4 cup) butter or margarine | 2 cups milk |
| 1/4 cup chopped onion | 1/4 cup chopped celery |
| 1/4 cup flour | 1 cup chopped unpeeled apple |
| 1 teaspoon salt | Hot cooked rice |
| 1/2 teaspoon ground ginger | 1/2 cup each toasted slivered almonds, toasted coconut and crisp crumbled bacon |

Melt butter in saucepan. Add onion and saute about 5 minutes. Blend in flour and seasonings. Remove from heat. Gradually add milk. Stirring constantly, cook until mixture thickens. Add turkey, celery and apple. Cook about 5 minutes. Serve over rice with toasted almonds, coconut and bacon sprinkled on top.

TURKEY THE EASY WAY--Turkey parts preserve the flavor of Thanksgiving without the hours of slaving in the kitchen. Light and dark meat is available and leftovers are reduced to a minimum. According to Agriculture Commissioner John C. White, there has been no reduction in turkey production, and turkey should be plentiful in the market.

QUICK-MIXING IDEAS CAN SPEED HOLIDAY COOKING

Thanksgiving Day dinner takes many long hours to prepare and mere minutes to gobble up! How can you spend less time preparing the holiday dinner and serve leftovers that are as good to gobble as the first time around? Gold Medal® Wondra® flour makes it easier!

Quick-mixing Wondra can begin by getting your turkey gravy and vegetable sauces quickly to the table while everything else is still piping hot. You can do this easily because Wondra pours like salt--especially in the convenient Pour 'n Shake® canister--and it mixes instantly in cold liquids.

And no more worry about dull leftovers once Thanksgiving dinner is over. Instead of serving the same meal over and over again, use your imagination with Wondra to create a different main dish for every meal. Try using Wondra for sauces and pastries to make casseroles, meat pies, crepes, sandwiches, popovers and more. You'll find that it blends better and is easier to handle than regular all-purpose flour.

Discover the delicious ways to use Wondra in your everyday cooking in the "Cooking with the Greatest of Ease" booklet. Free copies of the Wondra recipe booklet are available by writing: General Mills, Inc., P.O. Box 6, Dept. 940, Minneapolis, MN 55460.

SWISS TURKEY PIE

- | | |
|--|---------------------------------------|
| Pastry (below) | 2 tablespoons Gold Medal Wondra flour |
| 1 1/2 cups cut-up cooked turkey | 4 eggs |
| 1 cup shredded natural Swiss cheese (about 4 ounces) | 2 cups whipping cream |
| 1/3 cup finely chopped onion | 3/4 teaspoon salt |
| | 1/4 teaspoon sugar |
| | 1/8 teaspoon dried thyme leaves |

Heat oven to 425°. Prepare Pastry. Mix turkey, cheese, onion and flour; sprinkle in pastry-lined pie plate. Beat remaining ingredients with hand beater; pour over turkey mixture. Bake 15 minutes.

Reduce oven temperature to 300°. Bake until knife inserted 2 inches from edge comes out clean, about 30 minutes. Let stand 10 minutes before cutting. 6 servings.

- | | |
|----------------------------------|--------------------------------------|
| Pastry | 1/2 teaspoon salt |
| 1 cup Gold Medal Wondra flour | 1/3 cup plus 1 tablespoon shortening |
| 1 tablespoon toasted sesame seed | 2 to 3 tablespoons water |

Beat flour, sesame seed, salt and shortening in large mixer bowl on low speed, scraping bowl constantly, 1 minute. Beat in water, scraping bowl constantly, until all flour is moistened and pastry begins to gather into beaters, about 1 minute. Gather pastry into ball; shape into flattened round on lightly floured cloth-covered board. Roll 1 1/2 inches larger than inverted pie plate, 9 x 1 1/4 inches, with stockinet-covered rolling pin. Ease into plate; trim pastry and flute.

Another Fine Texas Recipe

TURK A LA ONION

- 4-5 lb. turkey parts
- 1 pkg. dry onion soup mix

Skin turkey; wash and pat dry. Place single layers of turkey in shallow casserole dish. Sprinkle onion soup mix over turkey parts. Cover casserole with foil. Bake in a 350 degree oven for 1 hour and 15 minutes. Uncover and cook 15 minutes longer. Serve natural juices with turkey; for gravy combine juices with sour cream and heat gently. Serves 5-6.

Another Fine Texas Recipe

TURKEY CASSEROLE

- 1 5-ounce package wild rice and herb mix or plain wild rice
- 1 15 1/2-ounce can French-style green beans, drained
- 1 10 1/2-ounce can celery soup
- 1/2 c. mayonnaise
- 1/4 c. chopped onions
- 2 c. turkey in small pieces
- 1 2-ounce jar pimiento, sliced
- 1/4 c. slivered almonds

Paprika
Cook rice according to directions, less five minutes. Mix all ingredients with rice and sprinkle with paprika. Bake 30 minutes at 350 degrees. Serves 8.

TURKEY STEW

- 4 c. chopped leftover turkey
- 3 10 1/2-ounce cans chicken broth
- 2 c. water
- 1 can (1 lb.) whole tomatoes
- 1 large onion, thinly sliced
- 4 c. peeled potatoes in thin quartered slices
- 1 10-ounce package frozen cut okra
- 1 17-ounce can whole kernel corn
- 1/4 c. butter or margarine
- 1 Tbsp. salt
- 1 tsp. pepper
- 1 Tbsp. sugar
- 1 10-ounce package frozen lima beans
- 1 small green pepper, chopped

In large kettle or Dutch oven add broth and water. Add tomatoes, onion, potatoes, sugar, lima beans, salt, pepper, green pepper and okra. Cook 30 minutes or until vegetables are tender. Add turkey, corn and butter. Cook five minutes longer. Serves 10-12.

Thanksgiving

District FHA Officers

Sharlet Taylor, left, and Tammy Landis of Texico High School were chosen District officers at a recent meeting of District F, FHA/HERO members. Sharlet was elected as vice-president of devotions and Tammy was elected as vice-president of recreation. Both of the girls are freshmen members of the Texico Chapter.

It's easy to see where many of our priorities are.

The children of today are looking to us for ways they can prepare for their own style of life... families... and job opportunities. To help, we'll need more electricity. It's true, electricity will play a big role toward helping expand the job market to include these adults of tomorrow. The modern use of electricity has contributed to a better educational system to prepare our young people for the new experiences yet to come. Almost 10 years ago, the folks at

Southwestern Public Service wanted to make sure there was enough electricity to keep today's wage earner working. They decided that the fuel used in their power plants should be coal because, coal would be more abundant and cheaper to use than the conventional fuel... natural gas. Now Southwestern Public Service has a new coal plant in operation and more on the way. Yes, coal plants will help stabilize fuel costs while providing a long-term, reliable, energy source to provide electricity.

It's good to be able to tell someone what they can depend on.

LEGAL NOTICES

DOCKET NO. 2915
APPLICATION OF BAILEY COUNTY ELECTRIC CO-OPERATIVE, INC. FOR A RATE INCREASE PUBLIC UTILITY COMMISSION OF TEXAS NOTICE OF PRE-HEARING CONFERENCE

On November 8, 1979, the Bailey County Electric Co-operative, Inc. filed with the Commission a statement of intent to increase its rates effective December 1, 1979. The Applicant proposes to increase its rates by approximately \$583,018 annually. The proposed revision of rates and schedules is attached to the Applicant's statement of intent and is available for public review at the Commission offices. The Applicant proposes to alter rates to all customer classes in all areas served by the Applicant. Applicant serves 5,877 total customers found in 10 general customer classes. Applicant serves in all or portions of the following counties: Bailey, Castro, Cochran, Lamb, and Parmer.

The Commission has jurisdiction over this matter pursuant to its general authority to review rates of public utilities, art. 1446c, Sections 16, 17, and 37, TEX. REV. CIV. STAT. ANN. (Supp. 1978). Pursuant to Commission Rules 052.01.00.024 (b) and 052.01.00.052, a pre-hearing conference shall be held at the Commission offices, 7800 Shoal Creek Blvd., Austin, Texas, at 9:00 a.m. on November 26, 1979. The scope of the pre-hearing conference shall include rulings on interventions, alignment of parties, establishing a

hearing schedule, pre-hearing discovery, and any other matters listed in Commission Rule 052.01.00.052.

Pursuant to Commission Rule 052.02.00.024(b), motions to intervene shall be filed by November 19, 1979. Protests to the application should be filed by December 27, 1979. Pursuant to art. 1446c, Section 43(d), TEX. REV. CIV. STAT. ANN. and Commission Rule 052.01.00.043(d) (4), the Applicant is directed to provide a copy of this notice to all municipalities affected by the proposed changes, the Commissioners' Courts of all counties in which the proposed changes would take effect, and to all affected persons by publication for three (3) consecutive days in the same newspaper or newspapers, in which section 43(a) notice was given. If such newspapers are published on a weekly or biweekly basis only, the notice need be published only once.

ENTERED AT AUSTIN, TEXAS, on this the 9th day of November, 1979.

PUBLIC UTILITY COMMISSION OF TEXAS
MARK H. ZEPPE
HEARINGS EXAMINER
 This application is an annual increase in adjusted gross operating revenues of the Cooperative of approximately 11.1%.

 SERAAN BIBLE SOCIETY
 CHICAGO, ILLINOIS 60635

TRUE THANKSGIVING

Many people entertain only vague notions about thanksgiving, just as they do about faith. They confuse faith with optimism, will power, presumption, imagination, and all sorts of other things. A doctor tells his patient that, but for his faith, he never would have come through his illness. Somehow the patient was "just sure" he would recover. A smiling mother encourages her married daughter to "have faith that everything will turn out all right." But faith is simply believing, and faith in God is believing God; believing what He has said. Faith is based on the written Word of God. See Romans 10:17.

But unregenerate men also have vague ideas about thanksgiving. A man escapes some great harm and thanks his "lucky stars." Another says: "I'm grateful for a healthy body," but to whom is he grateful? He doesn't say. In many cases it doesn't even occur to him to ask. He's "just thankful!"

How refreshing, then, it is to open our Bibles, especially to the Epistles of Paul, the "chief of sinners," saved by grace, and to see him giving thanks for specific blessings, and to a specific Person—God!

"Giving thanks unto the Father, who hath made us meet (fit) to be partakers of the inheritance of the saints in light: Who hath delivered us from the power of darkness, and hath translated us into the kingdom of His dear Son" (Col. 1:12, 13). "Thanks be to God for His unspeakable gift" (II Cor. 9:15). "Thanks be to God, which giveth us the victory!" (I Cor. 15:57). "Thanks be unto God, who always causeth us to triumph!" (II Cor. 2:14).

It is our prayer for all our readers that this Thanksgiving season and always you may be sincerely thankful for "the gift of God [which] is eternal life through Jesus Christ, our Lord" (Rom. 6:23). "He that believeth on the Son hath everlasting life: and he that believeth not the Son shall not see life; but the wrath of God abideth on him!" (John 3:36).

OUR "THANKS" FOR THANKSGIVING

For the happiness in our families today. For the beauty around us. For the friendships we've made. For the laughter, and the difficult times that have helped us grow. For the food on our tables. And for all the blessings we have received in the past year. Let us join in the tradition of the early pilgrims and give thanks in prayer.

Spice -- The Variety Of Life

Spice is the variety of life -- if you know how to use it in foods, says Dr. Rose Tindall, a foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

First, it helps to know just a bit about spices and herbs, she says. Most true spices come from the hot, steamy tropics.

Herbs and the aromatic seeds, on the other hand, thrive in temperate climates of the Mediterranean, Northern Europe and, more recently, California.

Spice history starts with Biblical days, and we can trace it through the Orient to Europe and then to the United States, now the prime figure in world spice buying centered in New York.

SPICE STORAGE
Flavors of spices and herbs depend on the volatile components they contain. So protect them from heat, strong light and moisture.

Resealed packages are good support the growth of bacteria and the mayonnaise does not have enough acid to prevent that.

for several months, but if you rub a bit of spice or herb between your palms and there is no aroma, then discard it.

USING SPICES, HERBS
If you aren't familiar with spices, then start with a standard recipe direction -- or, to experiment, use 1/4 teaspoon to each four servings.

Since dried herbs are stronger and more aromatic than fresh ones, use only 1/2 teaspoon of dried herb leaf for every two teaspoons of fresh minced herb -- or vice versa.

To unlock the flavor of dried herbs or spices, always add them to the liquid in your recipe.

Crush leaf herbs between your palms -- or with a mortar and pestle -- to release the flavor before adding them to the recipe.

For foods that cook a long time, such as stews, add the seasonings during the last hour to avoid losing aroma or extracting bitter flavor components.

Also remember that herbs or spices generally aren't supposed to be the major flavor in a dish, so use them only in quantities that will blend with the natural flavor of the food.

Dear Food Focus:

I want to make pecan pies for the holidays but I don't usually keep corn syrup. All the recipes I have call for it. Can I substitute sugar?

Sweet But Not Syrupy Dear Sweet:

You can make a very good pecan pie using brown sugar. Use one and one-fourth cups brown sugar, three eggs, one-fourth cup melted butter or margarine, one cup pecans and one teaspoon vanilla. Mix and bake the same as your regular recipe.

If you don't have brown sugar on hand, make your own by mixing molasses with white granulated sugar. For the equivalent of one cup of brown sugar, mix one cup of granulated sugar with four table-spoons of unsulphered molasses.

For the one and one-fourth cups of brown sugar called for in the above recipe use one and one-fourth cups granulated sugar with five table-spoons molasses. They don't even need to be mixed in a recipe of this type. They can be added separately to the other ingredients.

Dear Food Focus:

I've been assigned to bring sweet potatoes to our family Thanksgiving meal. Are sweet potatoes and yams the same thing or are they different?

Am They Yams? Dear Am:

In the United States the word "yam" is usually used to denote a moist-flesh type of sweet potato. A true yam is an entirely different plant, not grown in this country for food and not related to the sweet potato.

Sweet potatoes are native to the Americas and were cultivated by American Indians. The Spanish called them "batatas" from the original Peruvian "papa" meaning tuber.

There are two types of sweet potatoes grown in the United States. One has a dry mealy flesh which remains firm when cooked. The other type is moist-fleshed. It turns soft and moist when cooked and is sweeter in taste.

Sweet potatoes are very nutritious because they contain a good variety of nutrients -- carbohydrates, proteins, minerals and vitamins. A medium-sized sweet potato boiled or baked contains about 150 calories, more than twice the recommended daily allowance for vitamin A for an adult, 36 percent of the vitamin C as well as other vitamins and minerals.

Dear Food Focus:

After our Thanksgiving meal, we like to keep some food out for all day snacks. I have always thought that foods with mayonnaise might cause food poisoning if they were left out of the refrigerator. Now someone has told me that it isn't so. Can you clarify this?

Holiday Snacker Dear Holiday:

Recent research results have shown that mayonnaise does not support the growth of food poisoning bacteria. However, there are some other things to consider.

It is the acid (vinegar) in the mayonnaise which inhibits bacterial growth. Commercial mayonnaise contains a standard amount of vinegar. Homemade mayonnaise may contain lemon juice instead or less vinegar. Therefore, it may not be as acid.

Also many people confuse mayonnaise with commercial salad dressing which looks the same. Salad dressing has a lower fat content and consequently more moisture. This makes it a more favorable environment for bacterial growth.

The food that mayonnaise is usually mixed with will also
