Farwell Jr. High Band Places 3rd In Parade

The Farwell Jr. High Band received a third place trophy during their participation in the Eastern New Mexico Homecoming Parade, Saturday, Oct. 6.

Bands participating in Class E competition were Berrendo, Sierra, Farwell and Bovina. First place went to Berrendo Middle School of Roswell and second place went to Sierra

Middle School of Roswell. Other bands participating in the parade were Goddard High School, Portales High School, Clovis High School, Clayton High School, Sundown High School and Melrose High School.

Judge for the parade was Pat Henry, band director at Carlsbad High School.

SHERIFF'S REPORT

Parmer County Sheriff's Department has only investigated one case this week, according to Sheriff Charles Lovelace.

Ray Dobbs, owner and operator of the Live Longer Laundry in Farwell, reported that someone had broken into the laundry. Upon investigation it was found that the door had been pried open and the building had been entered by an unknown person or persons. Approximately \$32 worth of damages, loss of candy and money were incurred in the break-in.

Chamber Cancels Meeting

Mrs. Pearl Luce Buried Wednesday In Hagerman

Funeral services for Mrs. Pearl Luce, 95, of Clovis were conducted Wednesday, Oct. 10, from Emmanuel Baptist Church in Portales, with Rev. V. Ray Allen of Bethel Assembly of God Church, Clovis, officiating.

Interment and graveside services were held in the Hagerman, N.M., cemetery.

Mrs. Luce was the mother of Leon Luce of Texico. She died October 8 at Clovis High Plains Hospital. She was born July 29, 1884, in Pear Valley, Texas, and came to the Clovis-Portales area in 1924. She resided in Portales until 1952

when she moved to Clovis. She was preceded in death by her husband, G.N. Luce, in 1951 and by one son, Leonard Luce.

Survivors include three daughters, Mrs. Ophelia Walker and Mrs. Hattie Gentry, both of Clovis, and Mrs. Christine Gifford of Phoenix, Ariz.; two sons, J.W. Luce of Portales and Leon Luce of Texico; four sisters, one brother, 30 grandchildren, 77 great-grandchildren and 26 great-great-grandchildren.

Grandsons served as pallbearers.

Services In Clovis For Farwell Woman's Sister

Funeral services for Mrs. Betty Kay Alexander of Clovis, sister of Mrs. Don Cantrell of Farwell, were conducted from the Sandia Baptist Church in Clovis on October 5, with Rev. Hoyt Welch officiating.

Burial was in Lawn Haven Memorial Gardens with Steed-Todd Funeral Home in charge.

Mrs. Alexander, 47, died in Lubbock on October 2. She was born April 8, 1932 in Hartman, Ark., and had been a resident of Clovis since 1964.

She was attending classes at Eastern New Mexico University majoring in accounting and was also a tutor there. She was a Band Booster, a Cub

Scout Den Mother, and a member of Sandia Baptist Church where she was active in the teaching program.

Survivors include her husband Lester; two sons, Buster Alexander of the home and Bill E. Guynes of Shawnee, Okla.; four daughters, Colene and Janie of the home, Mrs. Noel Pickard of Clovis and Shirley Ann Humphrey of Connecticut; three sisters, Mrs. Don Cantrell of Farwell, Mrs. O.D. Dotson of Clinton, Conn., and Diana Hansen of Niantic, Conn.; and one brother, George Edward Eaton of Clovis.

Winners in each division in the senior high included: Berta Loera, Doyle Duncan, first; Shanna Jones, David Hughes, second; Teresa Doolittle, Willie and Herbert Bibbs, third (a tie in the boys' division).

The high school's "Favorite Teacher" competition included an unusual twist. Instead of knowing the names of the individual teachers, students cast their penny ballots in cans identified only with pictures of the teachers, pictures that were made when the teachers were infants, preschoolers, or elementary age. Winners were scheduled to be revealed at the end of the week.

Tonight, all alumni are asked to please register at a special table near the main gate as they enter for the

Farwell School Board Holds Routine Session

Members present at the Farwell School Board meeting on Tuesday night, Oct. 9, were Joe Hughes, Bill Martin, Jim Walker and Wilbert Kalbas.

Other persons present at the meeting were W.M. Roberts, James Craig, Don Malone, Jerry Owen, Mrs. Jean Patschke, Linda Geries, Brenda Gulley, Betty Jean Castleberry, Kathryn White and Pam Monk.

The board discussed early dismissal for first and second grade students, and in a vote taken on the issue the board agreed to leave the dismissal time at 3:30 p.m. as it is now.

Don Malone, elementary principal, gave a report on the

elementary school activities and the open house held in conjunction with Public School Week.

Jerry Owen, junior high head teacher, gave a general report on activities at the junior high.

Kalbas and Roberts gave reports on the State Conventions of Texas Association of School Boards and Texas Association of School Administrators which they attended in San Antonio on October 6-8 at San Antonio Convention Center. They termed the conventions as good meetings.

In final business before the board, financial reports and bills were studied and approved.

Texico To Purchase Band Uniforms, Horns

In regular session of the Texico School Board Tuesday night, the Board voted to buy 12 new band uniforms to compensate for the larger number of band students and to buy some new horns for the band.

School board members present for the meeting were Arlye Crooks, president; Ronnie Curry, Herman Geries, Mike Spearman and Greg Martin. Others present were Paula Leighton, Jerry Sadberry, Marcia Leavell and Superintendent James Pierce.

In other business the board agreed to allow the bus contractor to use a feeder bus on the route that goes into Roosevelt County. This decision was made pending approval by the State Transportation

Authority.

The board also voted to raise the minimum pay for drivers of activity buses from \$7.50 to \$12 a trip. Along the same line of discussion it was decided to transport boys and girls in the same buses to activities whenever possible. It has been the practice of the school to transport them in separate vehicles, but high cost of fuel makes this non-feasible at this time.

It was voted and agreed upon to hire a diagnostician for the school for the 1980-81 school year instead of participating in the SHARE program as has been done the past four years.

November 7 was designated as a teacher and staff inservice day between the hours of 1:00 and 3:30 p.m.

Rescue Green Tomatoes Before First Frost

Green tomatoes, picked before the first frost, can be used many ways that add more flavor to them and will prevent losing them to winter frost, says a foods and nutrition specialist with the Texas Agricultural Extension Service, Texas A&M University System.

"Green tomatoes aren't as top quality as the vine-ripened red flavorful ones, but they can be a delicious accompaniment to any meal. Try this method - especially good with Mexican food - slice, dip in buttermilk and flour, salt them and deep fat fry. The flour, salt and pepper and the fat add flavor to the green tomatoes," she said.

"They are also delicious as ingredients in relishes or chow chow, mincemeat, marmalade, spiced green tomatoes and green tomato pickles.

"But remember to harvest them before the first frost, because after they've been touched by frost, they aren't suitable for eating," the specialist said.

GREEN TOMATO-CABBAGE RELISH
 4 quarts (about 24 to 28 medium-sized) chopped green tomatoes
 4 quarts sliced cabbage
 3 cups chopped onion
 1 cup chopped sweet red pepper
 1/4 cup salt
 1 teaspoon ground allspice
 2 teaspoons celery seed
 2 teaspoons mustard seed
 2 cups brown sugar
 1 quart vinegar

Sprinkle layers of tomatoes, cabbage, onion, and sweet pepper with salt. Let stand overnight; drain. Add allspice, celery seed, mustard seed, sugar and vinegar. Boil 25 minutes or until there is just enough liquid left to moisten ingredients well. Pack into clean, hot, sterile jars. Fill jars to top; seal. Process in boiling water bath for 10 minutes.

SWEET PICKLE RELISH
 4 quarts green tomatoes
 4 quarts onions
 24 sweet red and green peppers
 2 bunches celery
 2 ounces mixed pickling spices
 5 pounds sugar
 2 quarts vinegar

Cut and seed the tomatoes. Halve the onions and peppers. Let the tomatoes, peppers and onions stand overnight in salt water. The next day, grind these vegetables with the celery. Squeeze out as much juice as possible. Tie the pickling spices loosely in a cloth bag. Bring the sugar, vinegar and spices to a boil; then add the other ground, drained vegetables. Cook until the onions are tender and mixture is clear. Remove the spice bag. Pour into hot sterilized jars and seal. Process in boiling water bath for ten minutes.

INDIA RELISH
 6 pounds (22 medium) green tomatoes
 1/2 pound (3 medium) onions, peeled

1 large stalk celery
 1/2 pound (2 medium) sweet red peppers, quartered
 1 medium green pepper, quartered
 1 1/2 cups granulated sugar
 1/4 cup distilled white vinegar
 1/2 teaspoon ground cinnamon
 1/2 teaspoon ground cloves
 1/2 teaspoon ground allspice
 1/2 teaspoon turmeric
 1/4 teaspoon cayenne pepper
 1 1/2 teaspoons celery seed
 3 tablespoons salt

Wash, trim vegetables. Quarter, remove stem end from tomatoes; put all vegetables

through medium grind of food grinder. Drain excess liquid. Heat sugar, remaining ingredients to boiling. Add vegetables; simmer ten minutes, stirring occasionally. Continue simmering while quickly packing one hot, sterilized jar at a time. Fill to one-eighth inch from top. Be sure vinegar solution covers vegetables. Seal each jar at once and process in boiling water bath for ten minutes.

GREEN TOMATO MARMALADE

Wash green tomatoes, trim, and cut into small pieces or slices. To four pounds of the prepared tomatoes, allow two pounds of sugar, one-half teaspoon of salt and five lemons. Remove the peel of the lemons, cut into thin slices, and boil for five minutes in one cup of water. Discard the water and repeat the parboiling if the bitter flavor in the rind is not desired. Slice the lemon pulp and remove the seeds.

Combine the tomatoes, sugar, salt, sliced lemon and drained peel. Heat slowly and stir until the sugar is dissolved. Continue stirring and boil for one hour, or until the mixture is somewhat thick and the fruit clear. Pour at once into hot sterilized jars and seal. Process in boiling water bath for ten minutes.

GREEN TOMATO CHOW CHOW

4 1/2 cups green tomatoes, after running through chopper
 1/2 cup cabbage
 2 medium-sized onions

2 medium-sized sweet green peppers
 3 cups vinegar
 1 1/2 cups brown sugar
 1 cup raisins
 1 teaspoon cinnamon, ground
 1 teaspoon whole cloves
 1 teaspoon mixed spices
 2 tablespoons salt

Put all ingredients together and cook for 30 minutes. Pack in sterilized jars and process for 15 minutes at simmering temperature.

GREEN TOMATO MINCEMEAT

1 peck green tomatoes
 5 cups brown sugar
 4 cups raisins
 2 cups beef suet
 1/2 cup vinegar
 2 tablespoons salt
 2 tablespoons ground cinnamon
 1 tablespoon nutmeg
 2 cups chopped apples
 1 tablespoon ground cloves

Slice the tomatoes thin, or put them through a food chopper, allow to drain. Cover with cold water, place over fire and boil for five minutes. Drain well, add suet, vinegar, fruit and seasonings, return to fire, and allow to simmer for 30 to 45 minutes. Pack while hot, and process in hot water for 20 minutes.

SPICED GREEN TOMATOES

6 pounds of small whole green tomatoes
 4 pounds of sugar
 1 pint of vinegar
 1 tablespoonful of cinnamon
 1/2 teaspoonful of cloves
 1/2 teaspoonful of allspice
 1/2 teaspoonful of mace
 Small green fig or plum tomatoes are suitable for this pickle. Scald and peel. Make a

syrup of the sugar, vinegar, and spices. Drop in the whole fruit and boil until the tomatoes become clear; pour all into trays, cool quickly; pack cold into jars, strain syrup over them, seal and process.

GREEN TOMATO PICKLE

1 gallon of green tomatoes
 1/2 dozen large onions
 3 cupfuls of brown sugar
 1/2 lemon
 3 pods of red pepper
 1 pint of vinegar
 1 pint of water
 1 tablespoonful of whole cloves
 1 tablespoonful of allspice
 1 tablespoonful of celery seed (crushed)
 1 tablespoonful of mustard seed
 1 tablespoonful of ground mustard
 1 tablespoonful of whole black pepper

Slice the tomatoes and onions thin. Sprinkle over them one-half cupful of salt and let stand overnight in a crock or enameled vessel. Tie the pepper, cloves, allspice, and celery seed in a cheese-cloth bag. Slice the lemon and chop two pepper pods very fine. Drain the tomato and onions well. Add all seasoning except one pepper pod to the vinegar, then add the tomato and onion. Cook for one-half hour, stirring gently at intervals to prevent burning. Remove spice-bag to prevent darkening product. Pack in pint jars and garnish with slender strips of the red pepper, placing them vertically on the opposite sides of each jar. Process for 15 minutes.

Center Chit Chat

Farwell Convalescent Center has six new residents. They are Crump and Margaret Melugin from Clovis, Dorothy Coke from Farwell, Lacy Hardage from Muleshoe, Clay Henson from Farwell and Alice Ploudre from Clovis.

The Center also has a new activity director, Becky Embry. Activity director consultant is Mary Ann Rush of Clovis.

Residents having birthdays in October are Ruby Hulse, Lacy Hardage and Annie Dunn.

Both Elizabeth Osborne and Dick Dunn are presently hospitalized in Clovis High Plains Hospital. Mary Stephens is hospitalized in Lubbock.

Many visitors to the Center were recorded this week. Visiting Willie Shields and Cora Baker were Mr. and Mrs. Jimmy Golden and Mr. and Mrs. Claude McAfee. Also visiting Cora Baker were Mrs. Thomas and Mrs. Annie Best from Portales. Other visitors to Willie Shields were her son and his wife, Byron and Beatrice Shields of Portales; her brother, Grant Ross, and his wife from Portales and her daughter and husband, Mr. and Mrs. Harbey R. Latta, of Alamogordo.

Visiting Velma Robertson from Clovis were her brother-in-law and his wife, the W.H. Robertsons.

Maude Wilson went to

church at the Farwell Baptist Church Sunday with her niece, LaMoin Williams.

Kay Smith of Lubbock visited her grandmother, Thelma Kittrell. She was accompanied by her two young daughters.

A daughter and son-in-law from House visited Opal White last week.

Annie Dunn's birthday was October 5. Helping her celebrate were Margurite Cook, her daughter from Ft. Sumner; and three sisters-in-law, Nancy Bell, Ina Bowlin and Bertie Woods, all from Ft. Sumner. They brought Annie a cake.

Donations of a popcorn popper and prizes are needed for the bingo games held for the residents. They really like to munch popcorn while they are playing. Such things as perfumes, handkerchiefs, scarves and jewelry make nice prizes. Please see if you can't find something to donate. We are nearly out of items to use.

Anyone who has any kind of program they can present to the residents is urged to contact Becky Embry at 481-9027.

Around The House with Laura Jacob
 Assistant Parmer County Extension Agent for Home Economics

If you are at the scene where a person is badly burned, there are some things you can do to prevent further complications until emergency medical help arrives.

EXTINGUISH FLAMES
 First, make sure that the flames on the person are out. The advice of "stop, drop, and roll" is a good rule to follow. The natural reaction of a person on fire is to run, but that provides more oxygen for the flames.

The person should stop, drop to the ground and roll. A blanket or other covering thrown around him will also smother the flames.

REMOVE SMOLDERING CLOTHING
 Remove any smoldering clothing. The longer it remains in contact with the skin, the more severe the burn will become.

However, do not remove the clothing over the head - pulling a burning or smoldering tee-shirt over the head could cause the hair and face to become burned.

Pull the clothing directly away from the skin.

COVER VICTIM
 Once you are sure the fire is completely out and no smoldering clothing remains, cover the victim with a clean linen cloth.

No salves or ointments at this time are recommended.

Actually, the burned area is sterile and it is necessary to keep it from infection from the surrounding environment.

Don't put soaked sheets on the victim. This can increase the chance of hypothermia or loss of body heat which is very critical at this time.

DON'T GIVE FLUIDS
 Don't give a severe burn victim anything by mouth, although they may ask for it.

The reason for this is a condition called acute gastric dilation which may happen after a trauma.

In this condition, the stomach fills with air and fluids. Giving the victim many fluids by mouth will only add to the problem.

REASSURE VICTIM
 Reassure the person that help is on its way and comfort him as much as possible.

"Truly absurd is the man who never changes."

Frances Barnhart envied girls who could wear fitted clothes - especially bikinis.

Thanks to Pat Walker's, she now has a 24" waistline

And that, she says, is something she never dreamed was possible. But then, lots of dreams come true at Pat Walker's Figure Perfection Salons. International - and yours could be among them. Here's Ms. Barnhart's story.

I have been a housewife and mother for 10 years. I decided it was time for a change - to get out of the house and get a job. Hearing that a Pat Walker's Figure Salon was coming to [my] area, I got very excited and knew that I would enjoy that type of work.

I never asked about I had a weight problem, so I attributed my 33" waist to a large bone structure. I envied all the girls who could wear fitted clothes and especially bikinis. I had always worn long blouses and cover-ups to hide my large abdomen. When I did diet, I always lost weight in all the wrong places - my arms, ribs and bust - but never where I needed it - my waist and tummy.

At Pat Walker's I learned I could sit out all the foods I enjoyed without gaining up anything except the 27 lbs. I lost. The beautiful part of it is that I did it with help from my co-workers and most enjoyable, with my patrons. It's nice to know there is a place you can go when you need help with a figure problem and where people understand.

Wolverines Outfox Foxes 56-12

Wolverine Quarterback James Hadley threw for three touchdowns and ran for three touchdowns Friday night in the Texico game against the Ft. Sumner Foxes. This and the combination of 204 yards and 2 touchdowns by Herbert Bibbs was instrumental in the 56-12 victory over the Foxes.

Seven passes for 145 yards and two touchdowns by end Shawn Perkins and one aerial touchdown by end David Cavallero clinched the game for the Wolverines.

Ft. Sumner was the first team on the score board with a 28-yard run; however, the pass for the extra points failed.

A one-yard plunge by Hadley tied the game, but the kick for the extra point failed so the score after one quarter was 6-6.

In the second quarter of play, Hadley hit Perkins for two touchdowns and the Wolverines had a 20-6 lead.

The Foxes running back, John Bridges, streaked down the side line for a 48-yard touchdown but again the pass for two points was no good.

This left the Wolverines with only an eight-point lead.

Just before the half Texico moved the ball on a scoring drive with Hadley passing to Cavallero for nine yards. The pass for two points by Britt Crooks was good and the half time score was Wolverines 28-Foxes 12.

Although Bibbs was unable to get more than 17 yards in the first half he made a 19-yard touchdown run in the second half.

In the last quarter of the hotly contested game, Hadley scored twice and Bibbs finished the scoring with a 60-yard run. With only five minutes remaining spirits and tempers were running high and Wolverine coach, Paul Toppliff, was ejected from the game by one of the officials.

This game's statistics gives Bibbs a total of 900 yards rushing for the year and he has scored nine touchdowns in five games.

The Wolverines did not play a perfect game as they had two touchdowns called back and they were penalized 10 times for 130 yards; however, they were able to compensate for these by getting into the Ft. Sumner end zone eight times, giving them the 56-12 margin.

In commenting on the game coach Toppliff stated, "We're glad it is over. Neither myself or the boys looked forward to this game because there is such bitter rivalry. I was really surprised by the score. We didn't expect to score that high. I really think that the boys did a real good job of controlling their feelings against the Foxes."

Although statistically the Wolverines played a poor first

half and did lots of things wrong, coach Toppliff said he thought the team played a real good second half by making some major adjustments. "They played like a number one rated team in the second half," commented Toppliff.

The Wolverine coaching staff indicated that there were lots of good individual efforts made in the game.

James Hadley captured the honor of Offensive Wolverine of the Week. Coach Toppliff said, "James played an outstanding game. I think he did fine under the circumstances under which he played."

Honorable mention was also requested by the coach for offensive players Herbert Bibbs who had 22 carries for 204 yards and two touchdowns and for Shawn Perkins who had seven carries for 145 yards and two touchdowns.

John Kelley was named Defensive Wolverine of the Week for his contributions to the team. "John has really improved and is getting better every game. In my opinion he is the most improved member of this year's team," stated Toppliff.

David Cavallero with his five unassisted and eight assisted tackles and Ricky Foreman with his one unassisted and 10 assists were also given honorable mention by the coach for their defensive contributions to last week's game.

Shawn Perkins was given the

Hardest Hit Award. He had two really good, hard hits to earn himself this esteem. Toppliff said.

It looks like the ball is up for grabs, but Wolverine David Cavallero came down with the James Hadley aerial and scored for Texico. Two Ft. Sumner Foxes were on the scene but were unable to keep Cavallero from making the reception in a crowd. [Photo by Steve Kittrell]

Wolverines Of The Week

JOHN KELLEY Junior center-noseguard John Kelley pulled in the honor of Defensive Wolverine of the Week after the Texico-Ft. Sumner game. The coaching staff of the Wolverines gives John credit for being the most improved player on the team. "He has really been a pleasant surprise to me," states coach Paul Toppliff, who adds, "he is getting better every game."

JAMES HADLEY Citation as this week's Offensive Wolverine of the Week was given to senior quarterback James Hadley. He had 13 runs with 77 yards gained and he ran two touchdowns across. Eleven successful passes out of 21 attempts totaled 217 aerial yards for Hadley and resulted in three passing touchdowns. He was described by the Wolverine coaching staff as having "played an outstanding offensive game."

Homecoming Game --

No. 1 Wolverines To Meet No. 3 Tigers On Home Turf

The Capitan Tigers, sporting a 4-1 mark for the season, travel to Texico tonight (Friday) to try to maintain their #3 ranking while trying to take away Texico's #1 rating in the Wolverines homecoming game. Texico completely dominated the Tigers last year, defeating them 33-0.

One of the top three clubs Texico will have to face this year, the Tigers have allowed only 13 points thus far this season. In their game with last year's Class A state champs, Hagerman, they completely shut down the Bobcats, winning that one 13-0.

Hagerman defeated the Wolverines in the state championship battle at Texico last November and may possibly be the team facing the Wolverines should they reach that rung of competition this year.

Comments on the Capitan Tigers by Coach Paul Toppliff of Texico included high praise for the new coach of that team. He

said, "The Tiger coach is a fine coach. He is really one of the best. This will be a good game."

The Wolverines have been scouted by the Tigers and this could prove to be somewhat of a disadvantage for Texico, since they have not seen their opponents in action this year.

"Richie Sanchez, Tiger running back, has outstanding speed and could present a problem for us if we aren't ready for him," stated Toppliff.

"The Capitan defensive line can be formidable so we will have to anticipate and be ready for them. A good football team can wear their opponents out in the second half of play, and I think that is what we may have to do to stay on top of the Tigers," said Toppliff.

"I would like to personally thank the Wolverine fans for their tremendous support of the team. There was a full house at the Ft. Sumner game and the boys really needed that type of support. I hope that

since this week's game is homecoming that we will have this type of support again. It means a lot to the team," expressed Toppliff.

Texico Volleyball Girls Play At Dora And Elida

by Becky McDonald and Jacque Tatum

"Fans at our volleyball games can usually anticipate seeing an exciting game," said Texico Coach Mike Littlejohn. "We are still making too many mistakes and missing too many opportunities to bury our opponents, but our girls always seem to fight back."

"With our recently adopted slogan, 'Ya Gotta Believe,' the girls seem to be convinced they can win, and they do," added the coach.

In the junior high matches, the Texico Junior High fell to Dora in two matches, 16-14 and 15-7. Texico Junior Varsity volleyballers defeated Dora, 15-8 and 15-9. The THS Varsity squad won two out of three games with scores of 15-9, 6-15, and 17-15.

Last Thursday, the teams traveled to Elida to take on the Tigers. Texico Junior High dropped the first game, 12-15.

then came back to win two games, 15-6 and 15-8. The Junior Wolverines' record stands at three wins and four losses.

The Varsity Wolverines defeated Elida by scores of 15-9, 11-15, and 15-12. The Varsity record presently reads five wins and three losses for the season, with a district record of four wins and two losses. Although the junior varsity team did not play at Elida, they have compiled a perfect 7-0 record.

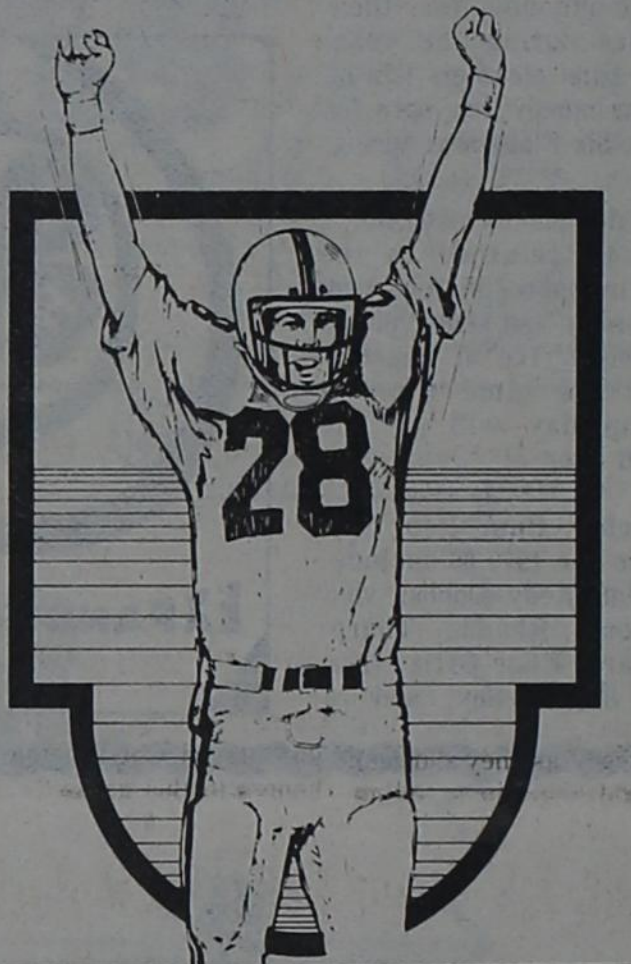

The Wolverine teams traveled to Floyd on Tuesday, and they will be playing again Saturday at San Jon.

Pass To Perkins

Shawn Perkins was on the receiving end of this James Hadley pass to put another TD on the board for the Texico Wolverines in the Ft. Sumner

Texico battle Friday night at Texico. The pass play covered 30 yards in the Wolverines' 56-12 victory over the Foxes. [Photo by Steve Kittrell]

Texico's This, That And The Other

by Members of the Journalism I class

Students in Mrs. Wanda Turnbough's second grade class constructed paper weights by coloring white sand and putting it in jars. The class also organized a television program that included a story, commercials and a newscast.

Billy Joe Potts, Texico senior, won first place in the 10,000 lb. pro-stock class A tractor pull in Ft. Worth, Tex., Sept. 21-23.

Mrs. Ima Gene Swinney's Special Education class members toured the Citizens Bank of Texico and the Texico Post Office October 5.

Dale Schwartz's fourth grade science class collected four arthropods per student last week. Arthropods are insects without backbones. Each student mounted his insects on a specimen board for a semester grade.

Four drummers in the Texico Varsity Band attended a percussion clinic in Lubbock October 6. Members of the band who went were Dennis Chavez, Scott Elliott, Susan Robinson and Arthur Chavez. They were accompanied by Jerry Sadberry, band director.

Texico band members are selling magazine subscriptions to raise money for their activities during the year. Varsity band members will be using the money they earn for a trip to Six Flags next spring.

Class day photos made Oct. 1 should be returned to the school in approximately two-three weeks, and senior proofs will also arrive at approximately the same time. A make-up day will be announced later.

Bleacher Bum Pep Club officers for 1979-80 include: president, Kelly Dobbs; vice-president, Rhonda Tharp; secretary, Elsie Ortiz; treasurer, Beth Kelley; and re-

porter, Teresa Doolittle. Sponsor for the club is Mrs. Paula Leighton.

Mrs. Kendale Burch's geography 102 class saw a film on educational television last week titled "Life Zones."

Texico National Honor Society will be sponsoring portrait-style photograph sessions on Friday, Oct. 26, and Saturday, Oct. 27. Mr. Ronnie Warmuth will be the photographer. The picture session will be from 9 a.m. to 5 p.m. in the Wolverine Gym, but appointments are required.

A \$10.50 sitting deposit is required before the photographs will be made, but this deposit will be applied to the purchase price or will give the customer a minimum order of three 5 x 7's.

Anyone wishing to have portraits made should contact Mrs. Juanita Hadley, the NHS sponsor, or any NHS member for an appointment. Family groups, other groups, and individual sittings are all available.

Mr. George Herrington, Texico elementary principal, attended an Elementary Principals' Convention Oct. 5-6 at Albuquerque.

Members of Mrs. Joann Edwards' Resource Room classes are having daily multiplication drills to improve their speed and accuracy. The

Resource Room classes have a new aide, Sandra Peters from E.N.M.U., who will be assisting Mrs. Edwards two hours daily.

Mr. Ronnie Warmuth, high school math instructor, attended a Regional meeting of the National Teachers of Mathematics, a professional organization for mathematics educators, last Thursday and Friday at the Hilton Inn in Albuquerque.

The regional meeting was composed of work sessions, and sessions where the teaching of mathematics was covered in all areas from the kindergarten level through calculus and computer programming. The instructional staff for the conference consisted of college professors, lay people, and classroom teachers from all over the United States. The participants were primarily from New Mexico, Arizona, Colorado and Texas.

On Monday and Tuesday, Laura Horne and Rhonda Tharp represented the Texico FHA/Herz chapter at a Leadership Conference in Glorieta, N.M. They were accompanied by the Texico sponsor, Mrs. Kendale Burch.

Mrs. Vera Walters, wife of the high school history teacher, is recuperating at home now following her recent open-heart surgery.

Texico Man Wins National Award

Texico water superintendent Billy Hammit has received the National Award for Utility Operation from the Rocky Mountain Water Pollution Control Association. The national meeting was held in Jackson Hole, Wyoming, and although he was unable to attend the meeting, Hammit was very pleased to have received this honor.

In order to be nominated for this award Hammit had to be

recommended by the State of New Mexico Water Association. This recommendation depended upon personal investigation of Hammit's work by state personnel.

Hammit holds certification for water and waste water treatment in both Texas and New Mexico and has over 600 hours of accreditation. He has been a member of the Association for seven years, he has served on the state board

for four years and has been section president for one year. He has won this award on the state level three years in a row.

Joe Cleveland of Hobbs was the recipient of the National American Water Works Association Award.

In an earlier New Mexico State meeting of the association, Portales, Ft. Sumner and Roswell men were winners of sectional awards.

Admires Award

Billy Hammit, Texico city water superintendent, proudly displays the plaque given to him by Rocky Mountain Water Pollution Control Association. The national award for utility

operation was sent to Hammit after the national meeting of the association in Jackson Hole, Wyo., which he was unable to attend.

Malone To Direct Spelling Event

For the 32nd year, the Amarillo Globe-News and West Texas State University, Canyon, join together in sponsoring the National Spelling Bee.

Director for Parmer County has been named and is Don Malone, principal of Farwell Elementary School.

Malone is totally responsible for planning and directing the county event. He may conduct the Spelling Bee in an oral or written competition. However, the 1980 county winner will spell orally in regional competition in Amarillo on April 12.

This year's Regional Spelling Bee will be held earlier than in past years because the National Spelling Bee is now

scheduled for the week of May 25, rather than the first week in June. This came about because the National Spelling Bee is moving to new headquarters in Washington, D.C., and the new facility cannot accommodate the Bee group the first week in June. In all future years the Bee will move again to the first week in June.

The top county winner in area competition in Amarillo on April 12, 1980, will receive the all-expense paid trip to Washington, D.C., to represent the area in national competition. The Amarillo Globe-News awards this trip to the district champion and one escort.

Numerous other prizes will be given with approximately the top 12 receiving special awards. Every school boy or girl who competes, beginning at the classroom level, will be given a certificate, suitable for framing.

Copies of the new 1980 "Words of the Champions" are now available from the Amarillo Globe-News at 30 cents each. To obtain this practice booklet, containing more than 500 changes, students, teachers and/or principals may order direct from the newspaper by writing the Spelling Bee Edi-

tor, Amarillo Globe-News, P.O. Box 2091, Amarillo, Texas 79166.

Rules, established by the national sponsors, the Scripps-Howard Newspapers, allow any student who has not reached his/her 16th birthday or gone beyond the eighth grade at the end of the current school term, to compete. Public, private and parochial students may enter.

The AGN-WTSU area promotes a Junior Bee for boys and girls in grades four, five and six. These county Junior winners do not compete in the district event unless the student wins both divisions. They are special guests at a luncheon preceding the April 12 spelldown at the Amarillo Country Club and will be given special trophies during the afternoon activities.

The luncheon will be given in honor of the Senior County winners. The 1979 Regional Winner, Rick Stout, will be guest speaker. He is from Dumas.

Additional information may be obtained from Mrs. Jeane Bartlett, the newspaper spelling bee editor, or Gene Parker, director of placement, WTSU, Canyon.

WORD of GOD

2nd Commandment

Thou shalt not make unto thee any graven image, or any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth.

Thou shalt nor bow down thyself to them, nor serve them: for I the Lord thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me.

And showing mercy unto thousands of them that love me, and keep my commandments.

STATE LINE TRIBUNE

At WTSU --

Farwell Students Among Scholarship Recipients

More than 150 West Texas State University students, who each received \$100 President's Honor Scholarships last year, have returned to campus for the fall semester.

President's Honor Scholars from Farwell High School are Yolanda Martin, daughter of Mr. and Mrs. Bill Martin of Route 1, and Lisa McClenney, daughter of Mr. and Mrs. Billy McClenney, also of Route 1, Farwell.

The 154 President's Honor Scholars, who were in a group of 213 recipients for the first year of the program, have joined 322 recent recipients.

Retention rate for the scholars from last year to this year is 72.3 percent, said Keith Winter, WTSU director of development.

"The program has been very successful," he said.

Recipients of the scholarships are chosen from the top students in area high schools who are members of National Honor Society or equivalent organizations. The scholarships are offered to entering freshman students.

For the 1979-80 academic year, invitations were extended to students in Texas High Schools and high schools in New Mexico, Oklahoma, southern Kansas and southeastern Colorado, Winter said. The 322 students represent 123 high schools.

"Salutatorians and valedictorians are always recognized," said Winter, "but the other top students are not. The program brings in good students with good ACT and SAT scores and they challenge the professors to do a better job."

Money for the scholarships has come from the President's Development Fund. Persons contributing \$100 or more, Winter said, have scholarships offered in their names.

The "healthy academic program" has encouraged professors to donate to the fund, Winter said.

Cost of the program for the fall semester of this year has been \$32,200 or \$100 scholarships for each of 322 recipients.

The program has generated \$833,000 for the university from the 154 students returning and

the 322 new students, according to calculations by Delton Moore, director of institutional research at WTSU. Moore used a "conservative figure" of \$1,750 per student to compute the benefits.

If the students remain at WTSU for four years, they will bring more than \$3 million to the university.

The number of students to receive the scholarships for this year is a 70 percent increase over last year's number.

Fall semester of 1978, the first semester of the program, attracted 213 President's Honor Scholars. By spring semester of 1979, 190 of those students had returned for a retention rate of 89 percent.

Of those 190 students, 154 have returned for the fall semester of 1979 for a retention rate of 81 percent.

What happened to 59 of the

original 213 who have not returned?

Winter's office conducted a telephone survey and found that 16 percent now work, 25 percent have married, 36 percent have transferred to other colleges and universities such as pharmacy school to receive training they required

and five percent plan to return to WTSU for the spring semester.

Of the 213 in the fall semester of 1978 and the 190 students in the program for the spring semester of 1979, the representatives grade point average was 2.89 on a 4.0 scale.

Questions

Often Asked

About Your Eyes

By B.W. Armistead & Steven D. Smith
Optometrists - Littlefield

Q: Do you do any charity work? By that I mean, do you take care of people who need your services but can not afford to pay?

A: Yes. Our policy is the same as it has been for many years. If a person needs our services and has been certified by the School Nurse, the Welfare Department, the Lion's Club Sight Conservation Committee, or some other authorized agency and funds are not available from any Governmental Agency, we will provide our services at no charge. We will supply a frame at no charge and bill the school or Lion's Club (or other organization mak-

ing the referral) for only the cost of the lenses.

Q: If I know someone, maybe a school child, who needs visual care, how do I help? What is the first step?

A: Contact the school nurse or a member of the local Lion's Club in your area. They then certify that the person is needy and refer them to us.

Q: Since the weather has had such a devastating effect on crops this year, and with the local economy in a slump, have you given any thought as to how you might help others needing your services?

A: Yes, we have. We realize that this has been an unusually bad year for our crops and that people we serve continue to need good visual care. So we have decided upon the following course of action to help our patients. From October 1, 1979 through December 31, 1979, the following policies will be in effect:

1. We will make available to our patients new, but discontinued, frames at a

savings of 50%. We have many current styles to choose from.

2. On second pairs of eyeglasses only, if the frame selected sells for \$20.00 or less, we will give our patients the second frame at no charge (free).

3. If the frame selected for a second pair sells for more than \$20.00, we will make the second frame available at a savings of 50%. Many of our patients need a second pair as a "spare" or in prescription sunglasses.

4. We will make every effort to cut costs where we can without curtailing the high quality of professional visual care we continue to provide for our patients.

NOTE: If you have had your eyes examined anytime during the past year (at our office or elsewhere) and would like to have a "spare" pair of glasses or prescription sunglasses, you can take advantage of these savings.

THE MAKER OF ALL MADE SIN FOR US

It is thrilling to trace through the New Testament and find the word "made," to see how our Lord Jesus Christ, the great Creator of all, humbled Himself, died on Calvary's cross and arose again from the dead to save and glorify us.

St. Paul says of Christ: "All things were created by Him, and for Him" (Col. 1:16), and St. John adds by inspiration: "All things were made by Him; and without Him was not anything made that was made. . . . The world was made by Him" (John 1:3,10).

How wonderful it is, then, that He, the Creator of all, came to be one with us—yes, one of us! John tells us again that the Maker of all was "made flesh" (1:14) and Paul declares that "when the fulness of the time was come, God sent forth His son, made of a woman, made under the law. . . ." (Gal. 4:4), that He "made Himself of no reputation. . . and was made in the likeness of men" (Phil. 2:6,7). In his letter to the Hebrews he adds that Christ was "made a little lower than the angels for the suffering of death" (2:9). More than that, he declares that our Lord was "made a curse for us" (Gal. 3:13) to redeem us from the curse of the law, and that God "made Him to be sin for us. . . that we might be made the righteousness of God in Him" (II Cor. 5:21).

Thus in one stroke, at Calvary, our Lord, the great Creator, bore the penalty for sin that would have sunk a world to hell, and for this "God also hath highly exalted Him" (Phil. 2:9) having "raised Him from the dead and set Him at His own right hand in the heavenly places, far above all. . ." (Eph. 1:20,21). "God hath made this same Jesus. . . both Lord and Christ" (Acts 2:36) so that now He has been "made higher than the heavens" (Heb. 7:26).

As a result the simplest believer in this mighty Savior is "made accepted in the Beloved One" (Eph. 1:6) and is "made the righteousness of God in Him" (II Cor. 5:21), "that being justified by His grace, we should be made heirs according to the hope of eternal life" (Titus 3:7).

Puppy Love

Strolling down the street with a garden cart full of puppies seemed to be the prime interest and concern of these two young girls as they passed by the Tribune office last Thursday afternoon. Following

closely behind the girls and cart was mother dog, Scuffy, who obligingly stepped into the picture and cart as they stopped long enough for the Tribune photographer to get this shot. Lovingly displaying

both Scuffy and her four puppies are, from left, Laurie Embry, daughter of Becky Embry, and Amy Gulley, daughter of Mr. and Mrs. Larry Gulley, all of Farwell.

Food Cost Forecast

"Good buys" in food will await Texas shoppers this fall, says Marilyn Haggard, a foods and nutrition specialist.

Several "price drops" and supply increases are responsible, she explains.

Miss Haggard is with the Texas Agricultural Extension Service, The Texas A&M University System.

PORK -- shows promise throughout the fall since prices fell six percent in June and supplies are 16-18 percent over August 1978 levels.

BEEF -- likely will remain stable due to a slower economy, although earlier forecasts promised higher prices.

CHICKEN -- saw a 16-percent drop in prices last June, and prices should stay very favorable due to a 10-11 percent supply increase over August 1978.

TURKEY -- prices should also be rosey for the fall.

EGGS -- prices will depend on meat prices.

Lower meat prices should result in a lesser demand for eggs -- so steady or lower egg prices are in the forecast.

FISH -- prices vary greatly from species to species, so compare cost per serving for the best buys.

MILK -- and milk products will require careful shopping for "specials," since prices generally rise in the fall due to the seasonal decline in production.

FRESH FRUITS AND VEGETABLES -- are generally at their best quality and lowest prices in late summer and early fall.

Look for plentiful supplies of peaches, grapes and pears. Fresh limes are a better buy than lemons -- the Florida lemon crop is 26 percent below last year.

Also, expect fall "specials" on citrus juices.

Raisin prices should drop in November as growers recover from a dismal 1978 crop. Miss Haggard says. Forecasters predict a 15 percent increase above last year's raisin crop.

Tasks Outlined For Fall Gardener

Fall brings its own special lawn and garden chores, says Esteban Herrera, Extension horticulturist for New Mexico State University.

If you are planning to plant a lawn, this is the best time because weed competition is greatly reduced. If you just want to patch and reseed bare areas, this is also a good time

for it. Try to get the grass seed mixture more suitable to your needs. You can find blends for shady areas, for heavy-use areas, for an all-purpose lawn and even for outstanding appearance.

Take cuttings of begonias and geraniums to bloom in the home during the winter. They

can be rooted in moist sand or vermiculite. You may keep the potted geranium or begonia through the winter by placing it in a sunny window until spring.

Houseplants that have been growing outdoors for the summer should be brought in while it's still warm weather. In this way, they will gradually adjust to the environment instead of being shocked later in the season with a sudden change from outside cool weather to artificial heat inside the home, Herrera says.

You should start forcing your favorite bulbs so you will have them blooming in late December and January. This is also the right time for planting bulbs, such as daffodils, outside so they will grow early in the spring.

Annuals, such as poppies, bachelor buttons and larkspur, can also be seeded now for early spring bloom. Be sure to mark the spots where bulbs are planted and annuals are seeded.

Legislature by special invitation, and performed for convocations and meetings of the Presbyterian Church, U.S.

The group crisscrossed the continent during its European tour last summer performing to capacity audiences in concert halls and cathedrals in England, France, Germany and Switzerland. The tour included performances with other American college choirs in four international music festivals.
