

In Quarter-Finals Tonight - -

Texico Wolverines District Champs

The Texico Wolverines, ranked the top Class A team in New Mexico, captured the District 2-A Championship Friday night when they ran over the visiting Melrose Buffaloes.

This year's Wolverine team with its 9-0 record became the first in Texico football history to finish a regular season undefeated. Last year's state champion runners-up were defeated early in the 1978 season by Christ the King High School of Lubbock, then went

on to win the district championship and finally lost in the state finals to Hagerman.

Coach Paul Topliff and his charge meet the Tatum Coyotes in quarter-final action tonight at Tatum at 7:30 p.m. MST. The two teams met two weeks ago and the Wolverines had an easy time for a 40-0 win.

But Topliff says that since that time the Coyotes have played Hagerman, the 1978

state champs, and lost only by two, 14-12. Up until that time, Topliff says, no team had been able to score within two points of Hagerman; so he feels that Tatum played an admirable game, especially since the Coyotes played Hagerman that close even without the services of their #1 quarterback.

The Texico coach said that as far as playing well against Melrose, "the team did not." "They took the Melrose team a little too lightly and played

the poorest first quarter they have played this season," Topliff said. Melrose played a good first quarter and hit well throughout the game, but they just could not hold back the "Mean Green."

When asked about the upcoming tilt with Tatum, Coach Topliff said, "There are no tomorrows. This is it. If our kids are flat and lose this game, we go no further." Topliff indicated that some

of the team had been rather flat and without external emotion for the last couple of weeks and that he hoped that they realize they can do something special for their team, their school and themselves if they can win this game and advance to the state playoffs.

"It doesn't matter how bad a coach wants to win. It is up to the team, and I think my boys want to win bad enough to do it," Topliff added.

The Wolverine coach says he expects tonight's game to be a very physical game and that he hopes his team will be ready to hit and execute so that they won't get beat.

All Wolverine fans are urged to try and make the trip to Tatum to help support the Green and White in the quarter-final match.

Radio station KICA in Clovis will broadcast the game live starting at 7 p.m. MST.

Halloween has come and gone and we have not heard of any serious depredation visited upon the community. We take this as a good sign for all concerned. However, there lingers one rather nasty mystery as to who stole the Farwell kindergarten youngsters' pies.

It was a mean trick that produced 48 sad and doleful young tykes when the theft was uncovered. It was the general consensus that some thoughtless persons need a good and severe bellyache.

Well, here we sit with our national thumbs firmly implanted in our collective posterior while a savage band of Iranian hooligans trample our flag and hold our diplomatic personnel hostage.

We are stuck in this embarrassing position for at least two reasons, both attributable to our pay-raise hungry United States Congress. First, we just plain do not have the military capability to defend United States honor or personnel and second, we still have to grovel before the oil exporting bandits.

Our military has gone down hill for the past decade primarily due to the policies espoused by such sterling leaders as Senators Church, Byah, Kennedy, McGovern, et al. If you think that the Iranians have stuck it to us just wait until the morning Russia decides to make us eat international humble pie.

Probably before that time such strong supporters of the United States as Libya and Venezuela will give us an ultimatum to walk their chalk line or have our oil cut off. We will have no recourse but to toady to them also.

Energy and oil could be licked if Congress would bite the bullet and take some necessary steps such as adding at least 10% to our fuel supply through the use of fuel alcohol. It would also help if the administration would quit blackjacking our oil companies and adopt sensible regulations that would help them get us oil internally.

As far as the military goes, the current administration has systematically sacked every new weapons system presented in the past several years. Their belated answer is a preposterous scheme of choo choo trains scurrying all over the productive land in the western United States pulling an out-moded missile-like a caboose. While this exorbitantly costly plan may deter Russia for a while, until the Congressional Record publishes the train schedule, it does absolutely nothing to protect us from situations such as we currently face.

Our ray of hope lies in the fact that at least a dozen fairly competent men are running for the Presidency next year. Let's hope that the American public picks one who cares about the honor, prestige and actual safety of this country.

While we are on the subject of fuel we just returned from a trip to the northern climes of Minnesota. While going to and fro we passed through Iowa and Missouri where in common with Minnesota we noted extensive wood cutting operations in progress. Burning fireplace lumber apparently looms large in their home heating picture.

Boy, are we shorted out here on the baldies when it comes to fire wood. A new industry might be to build long south-facing brick walls and begin producing "prairie kindling" for home consumption. As long as our native ingenuity holds out we are certain that homes will be heated, the only question is how?

Some people's idea of making a mark in the world is writing obscenities on windows at Halloween.

1979 District Champs

Texico Wolverines won their second consecutive district championship Friday night when they upended the Melrose Buffaloes 47-0. The Green and White will face the Tatum Coyotes tonight (Friday) in quarter-final action in Tatum beginning at 7:30 MST. Wolverines are, from left, top row,

James Hadley, Mark Powell, Ron Kirby, John Kelley, Britt Crooks, Shawn Perkins, Joe Martinez; second row, Richard Flowers, Clyde Bibbs, David Cavallero, Herbert Bibbs, Robert Thornton, Ricky Foreman, Jimmy Love; third row, Montie Powell, Brian Reithal,

Kent Harding, Dale Johnson, James Robinson, Jeff Duns-worth; front row, James Kelley, Todd Gerles, Willie Bibbs and Neil Snipes. Not pictured are the coaches Paul Topliff, Roy King and Robert Uilbarri. [Texico School Photo]

Farwell School - -

Equalization Board To Meet November 23

At the regular meeting of Farwell School Board Monday night members voted to have an Equalization Board meeting on Friday, Nov. 3. The pre-hearing for the board meeting will be Wednesday, Nov. 21. Both meetings will be in the Farwell School Administration building.

J.W. McMorries discussed the tax appraisal with the Board and members then set the date for the equalization meeting. The Board voted to set the tax rate for the 1979 school year at \$1.10 per \$100 valuation of property.

The Board voted to cast all of their allotted votes for Gilbert Kaltwasser for the Parmer County Tax Appraisal Board.

Principals from the three

schools gave reports from their buildings. The only problem reported was recent vandalism at the school. Measures will be taken to find the responsible parties and proper action will be taken by school officials.

Coach Randy Adrian met with the Board and reported on the new re-alignment of the University Interscholastic League for the 1980-81 and 1981-82 schools years. He also discussed the completion of the football schedule.

In other business the group voted to allow some release time for teachers to work up their curriculum guides and to give teachers a free day on February 29 rather than having an in-service day. That day would be used for the extra work that will go into

this project.

The Board voted to offer eight IBM typewriters for sale by sealed bids to be opened at the next meeting of the Board on December 10. They voted not to offer any school buses for sale by sealed bids at this time.

Board members present were Wilbert Kalbas, Billy Mayfield, Doyle Ford, Jim Walker, Caroline Anderson and Joe Hughes. Also present were Superintendent W.M. Roberts, principals Don Malone, Jerry Owen and Tom Knoy; tax consultant J.W. McMorries; administrative assistant James Craig; tax assessor-collector Dorothy Eason; coach Randy Adrian; and bus foreman R.T. Langston.

Voter Turnout Light - -

Parmer Co. Defeats 2 Of 3 Amendments

Voter turnout was very light in Parmer County on the Texas special election with less than one percent of the registered voters going to the polls to vote on three postponed constitutional amendments on Tuesday. Only 401 of 4,519 registered Parmer County residents cast their votes.

Farwell precinct voters went along with the rest of the county in passing only one of the three amendments and defeating the other two. They passed amendment number three and defeated amendments one and two.

Amendment number one which was introduced to

change the term of office for notaries public and to change the procedure of application was defeated in all but one of the eight county precincts.

Rhea, precinct 7, passed the amendment in a 10 for, seven against, vote while others defeated it with the following votes: Black, precinct 1, 2 for, 7 against; Friona, precinct 2, 24 for, 61 against; Bovina, precinct 3, 26 for, 69 against; Farwell, precinct 4, 21 for, 63 against; Lazbuddie, precinct 5, 33 for, 38 against; Oklahoma Lane, precinct 6, 11 for, 17 against; Lakeview, precinct 8, 1 for, 6 against.

Amendment number two which was established to allow legislative review of the state agency rule-making process was defeated by all but two precincts in the county. Precinct 6 in Oklahoma Lane and Precinct 2 in Friona were the only two to pass the amendment. Oklahoma Lane voters passed it on an 18 to 10 vote and Friona voters passed it on a 45 to 40 vote. Voting in the other precincts was: Black, 2 for, 7 against; Bovina, 31 for, 64 against; Farwell, 23 for, 58 against; Lazbuddie, 28 for, 43 against; Rhea, 6 for, 11 against; Lakeview, 3 for, 4

against. Amendment number three which was introduced to establish a guaranteed loan program for the purchase of farm and ranch land by persons at the entry-level of agriculture was defeated by only one precinct in the county.

Friona voters voted the amendment down with a very narrow margin of 44 to 43. Black precinct passed the bill 7 to 2, Bovina passed it 63 to 30, Farwell passed it 44 to 40, Lazbuddie passed it 60 to 12, Oklahoma Lane passed it 22 to 6, Rhea passed it 13 to 4 and Lakeview passed it 4 to 3.

Sheriff's Dept. Investigates Thefts, Break-Ins, Vandalism

Parmer County Sheriff's Department has investigated several cases since the last report, according to Sheriff Charles Lovelace.

Tide Chemical of Farwell reported that rocks had been thrown through windows of their building. No entry was made and nothing was missing from the premises.

An attempted burglary was reported to the sheriff's office by I.W. Quickel in Bovina. Entry was not made and the only damage done was a cut screen and a broken bathroom window.

Longhorn Spray Service of Lazbuddie reported a break in. Approximately \$750 worth of spray chemicals were reported stolen.

Live Longer Laundry of Farwell was vandalized, but the only thing harmed was the candy machine which was broken into and robbed.

Wayne McClaren reported the theft of tools, fishing tackle

and a fishing box which was taken from his barn at Twin Lakes near Bovina. Approximate value of the loss was \$200.

The theft of two tires and two wheels from Bob Thurman, valued at \$50, was reported to the sheriff's office. Investigation led to the discovery of the stolen objects and the arrest of Bill Cardin, age 17, of Texico. Cardin was

Animal Not Found - -

Woman Recovering From Dog's Attack

Mrs. Alma Boss of Texico was bitten by a dog on the afternoon of October 24 as she walked south on First Street after having had a prescription filled at Rose Drug.

The dog, reported to be a large black animal with white ring around its neck, has not been found this week, accord-

ingly to local law enforcement officials.

According to Mrs. Boss, the dog ran out at her and she at first scared it away with her purse. The animal then came up behind her, biting her on the back of the leg. As she hurried on, the dog then jumped against her back, knocking her to the ground.

In her fall, Mrs. Boss apparently dropped the sack holding her prescription, but was not aware she had lost it because the dog had frightened her so badly. In addition to the dog's bite, Mrs. Boss suffered skinned and bruised knees when she was knocked down.

A while later someone drove over the sack, noticed it was medicine and returned it to the

subsequently arrested and ordered by Judge Paul Fortenberry to pay a \$50 fine plus court costs.

The Troy Christian home was burglarized on the night of Farwell Homecoming. Approximately \$500 worth of women's clothing was taken.

A theft at the Parmer County Barn in Bovina was reported by county commissioner Jack

Patterson. Estimated amount of equipment stolen was \$50.

On October 24, Mrs. Alma Boss, of Farwell, reported that she had been knocked down and bitten by a big black dog. A search for the dog was made but to date he has not been found. The occurrence happened behind Rose Drug as Mrs. Boss was attempting to walk home.

drug store. Personnel there remembered her having been there and were worried about what might have happened, so went to her home where they learned of the dog's attack.

Mrs. Boss then went to the Farwell City Hall and the Parmer County Sheriff's office where she reported the attack and described the dog. She was taken to a physician in Clovis for treatment of the wound and law officers began the futile search for the dog, but it was not located.

The animal was reported still at large at press time, and according to family members Mrs. Boss was not planning to undergo the series of painful rabies injections.

Farwell Band Takes No. 1 In Marching

The Farwell High School Steer Band, under the direction of Lynn Burton, earned a Division I rating in the

University Interscholastic League Marching contest Tuesday in Jones Stadium at Lubbock.

Farwell's twirlers also competed with solo and ensemble routines at Tuesday's contest with each girl receiving a Division II on her solo routine while the ensemble routine earned a Division I, according to Burton.

Twirlers are Kay Geuther, Lisa Howard, Tammy Obenshain and Betsy Black.

This is the second year in a row that the Steer unit has won a top rating in marching competition. Other schools competing in the Class A division along with Farwell were Spur, Plains, O'Donnell, Hale Center, Kress, Crosbyton, Hart, Springlake-Earth, Anton, Ropes, Shallowater, Bovina, Whiteface, New Deal, Ralls, Lorenzo, Petersburg and Seagraves.

Judges for the contest were Harris Brinson from Angelo State University, Mike Marsh from Fort Stockton and Lynn Low from Mexia.

Burton said that the comments from the judges about the Steer band were "good." After arriving home and being complimented on his band's performance, Burton hurriedly said, "Give all the credit to those kids. They were great."

Pleased As Punch

Farwell Steer Band Director Lynn Burton was "pleased as punch" over the band's Division I rating it received in the UIL Marching Contest conducted Tuesday at Jones Stadium in Lubbock. For the second consecutive year the

Steer musical-marching contingent has earned a Division I rating from the judges. Burton was quick to say "Give all the credit to the kids." He also said that the judges' comments about the Steer Band performance were "good."

Farwell Kindergarten Studies Thanksgiving

The kindergarten classes of Farwell Elementary Schools are beginning their unit on Thanksgiving and winter. They will be learning of the tradition of Jack Frost and of what different animals do in order to prepare for winter.

The students will also build a realistic fireplace out of their cardboard building blocks and will furnish the south room of the kindergarten building as a Pilgrim kitchen would have been furnished. The children will gather firewood, cook in the fireplace with a large brass pot, stir their meals with a wooden spoon, iron doll clothes with a flat iron and do many other activities that their forefathers might have done, says Marcia Cole, kindergarten teacher.

The kitchen will be open to the students to play "make believe" and to "live" as a Pilgrim family might have lived.

Other activities will include making a mural in proper sequence beginning with the Mayflower and ending with the first Thanksgiving. The week before Thanksgiving, they will begin cooking for the "feast."

They will make cranberry sauce, bake bread, have raisins, apples and popcorn. A visit to a bee hive to get honey for the feast is also scheduled. Students will also be studying Pilgrim farms and discovering the differences in the early farms and farms of today.

Accepts Winner's Check

Clara Billingsley, left, of Clara's Restaurant, one of the weekly football contest sponsors, presents last week's first place check of \$7.50 to Rhonda Ketcherside of Farwell. Rhonda had a perfect entry of 12 correct predictions and zero points off the tiebreaker score. Lisa Howard with 12 right and 14 points off the tiebreaker took second place and Sarah Marsh won third place with 12 right and 20 points off the tiebreaker.

Frances Birchfield Gets Service Award

Mrs. Frances Birchfield, cashier-bookkeeper for Southwestern Public Service in Farwell, received a 10-year service award at a dinner at the Roswell Inn in Roswell, N.M., on Thursday evening, Nov. 1.

Mrs. Birchfield accompanied Mr. and Mrs. Gerald Dorrough of Clovis to the dinner at which all the Clovis-area SPS employees were honored. Mrs. Birchfield, who has worked for 11 years in the Farwell office, received a pin and a plaque for her efforts. The service awards were presented by Berl M. Springer, president and chief operating officer of the electric company.

This was the fourth and last of the service award dinners held throughout the company's territory for 1979. A total of 322 employees with a combined service of 5,325 years were honored at the dinners and awards programs.

Parmer Farmers Union Sets County Convention

Parmer County Farmers Union will have its county convention Saturday, Nov. 10, at 8 p.m. in the Bovina school cafeteria. A catered family-style meal will be served and entertainment will be provided by Cecil Caldwell, "the dancin' fiddler," and his band.

The resolutions committee will make suggestions for additions, corrections, or deletions of the recent Policy Statement. The membership will take action to submit the Parmer County Policy Statement to the state office. County ideals will be presented at the state convention in Corpus Christi on Jan. 10-12, 1980.

Officers will submit names of persons to serve as the board of directors for one and two year terms.

All members within the county and any other persons interested in the betterment of the farming industry are invited and urged to attend.

Ford, Sikes In First -

Women Take Winners' Circle In Contest

Last week's gridiron contest was dominated by the female gender as the three top weekly places were claimed by women.

Rhonda Ketcherside of Farwell had a perfect score of 12 correct guesses and a perfect pick on the tiebreaker to take first place prize money of \$7.50.

Lisa Howard, also of Farwell, took second place with 12 correct predictions and a 14-point miss on the tiebreaker for a check of \$5.

Sarah Marsh, another Farwell woman, had 12 correct guesses and was 20 points off the tiebreaker for third place and \$2 winnings.

The only other person to make 12 correct calls was Julie Koenig. She was 25 points off on the tiebreaker score.

Persons calling 11 games correctly last week were Karyn Blain, Bill Boling, Mike Boling, James Castleberry, Joyce Coffman, Dennis Dollar, Gina Eubank, Jerry Ford, Rocky Ford, Randy Gerles, Gay Goetsch, Doyle Green, Donald Jones and Reba Kirkland.

Also, Mark Liethen, Delbert Lingnau, Max Lonsdale, Virginia Mathis, John Meador, Theodore Mesman, Carlton Newell, Terry Newell, Charlie Pitts, Dorothy Quickel, Billy Roberts, Gaye Roberts, Mrs. W.M. Roberts, Vergie Shaw, Dale Sikes, Carolla Smith and Wanda Walker.

Several of these people would have had 12 correct if they had not missed the outcome of the Morton-Dimmitt game. The Browns-Eagles game was another one that was most often missed in last week's contest.

Overall leaders in the contest are Doyle Ford and Dale Sikes who are tied for first place with 74 points.

In second place with 73 points are Mrs. E.A. Key and her son-in-law, Champ Porter, both from Clovis.

The Kirklands dominate third place with Jack Kirkland, Jack Allan Kirkland, Reba Kirkland and Sue Kirkland each having 71 points.

Those sharing fourth place with 70 points are Rocky Ford, Delbert Lingnau, Donnie McDonald, Gaye Roberts and Mike Woods.

Contestants are reminded to be sure to get their entries into the Tribune office by Friday or if mailed they must bear a Friday postmark. A few entries have had to be disqualified because of late postmarks in the last few weeks.

Around The Twin Cities

Parmer County Commissioners Court will convene at 11 a.m. CST, Monday, Nov. 12, in the county courtroom.

Farwell City Council will meet Monday, Nov. 12, in the City Hall.

At Annual Meeting - -

Curry Co. FB Hosts Ag Expert

Agricultural research and its importance in the world was the topic presented by Dr. Koert Lessman, director of New Mexico State University's agricultural experiment stations, during the annual meeting of Curry County Farm and Livestock Bureau last Thursday evening.

Lessman presented a slide program to show how the nation has progressed from animal-powered farm equipment to technical equipment, fertilizer and hybrids in today's farming program.

Lessman announced that a meeting is tentatively scheduled for the first week in December to bring New Mexicans up to date in the grain fuels industry.

After Lessman's presentation a business meeting was held. A speech was given by State Farm Bureau president, L.E. "Pete" Davis, on the issue of natural gas prices for

irrigation and the bureau's cost to fight service cost hikes.

Officers elected for 1980 were Hubert Qualls, Jr., president; Dewey Pierce, vice-president; Billie Ware, secretary-treasurer; Beth Hovey, chairwoman; LeAnn Monroe, vice-chairwoman; and Faye Plank, information officer.

Reports were given by Andy Norton on rural crime prevention, Billy Dictson on the audit reports, Beth Hovey on the women's committee activities, Butch Priest on the Young Ranchers and Farmers group, and Bob Taylor on the insurance report.

Several resolutions were discussed and adopted by the COFLB and Mrs. Jimmie Donahey was presented an engraved silver tray in appreciation for her many years of service to the organization as office secretary. Mrs. Donahey is retiring from that job this year.

FIRE CALLS

Farwell Volunteer Fire Department answered four fire calls during the past week. On November 3 they made a run one mile east on the Amarillo highway to extinguish a stubble fire that had gotten out of control. No damages due to the fire were reported.

On November 4 the department responded to a call in the 500 block of Ninth Street to put out a fire in some weeds in the alley.

On November 5 the department was called to extinguish flames of a stubble field fire two miles east of Farwell. On November 6 they responded to a call to 607 Third Street to the residence of Mrs. C.C. Christian where her roof had caught

fire from embers from her fireplace. Damage was reported to be minor.

The department had no ambulance calls.

Texico Volunteer Fire Department responded to a call from the Farwell Fire Department to assist them in putting out a stubble field fire two miles east of Farwell on November 5.

On Wednesday, Nov. 7, the Texico department answered a call to a wreck at the intersection of Wheeler and Garwood to free a victim from one of the cars involved in the wreck. The victim was transported by the Texico ambulance to Clovis High Plains Hospital.

FRANKLIN WEBB

In Who's Who

Franklin Webb, a senior at Mt. Vernon, Tex., High School has been named to the 13th annual edition of Who's Who Among American High School Students, 1978-79, the largest student achievement book series in the nation.

Franklin, the son of Mr. and Mrs. Leon Webb, completed eight years at Texico Schools before moving to Texas with his family.

His grandparents are Mr. and Mrs. Creed Webb of Pleasant Hill.

Businesses, Offices To Close Mon.

Various public offices and some businesses in the Twin Cities will be closed Monday, Nov. 12, in observance of Veterans' Day.

Both Texico City Hall and offices in the Parmer County Courthouse will be closed. However, the sheriff's office will be open as usual according to Parmer County Sheriff Charles Lovelace.

The Farwell City Hall will also be open for business as usual.

Farwell Postmaster Otis McMillan states that mail will be put up in the postal boxes, but there will be no rural or window service on that date. Texico Postmaster Louise Engram reports that the Texico post office will have no service on that day.

Both the Texico Branch of Citizens' Bank and Security State Bank in Farwell will also be closed in observance of the holiday.

Chimney Fire

A fire in the chimney at the home of Mrs. C.C. Christian, at 607 Third in Farwell, last Tuesday night, was quickly extinguished by the Farwell Volunteer Fire Department. Cause of the fire was attributed to debris in the chimney.

There was only very minor damage reported. A spokesman for the fire department urges everyone having a fireplace to have their chimneys swept before starting a fire in it each year.

Kindergartners Upset Over Missing Pies

Farwell kindergarten classes worked long and hard last week making preparations for their Halloween party which was held last Wednesday. Preparations included scraping pumpkins for jack-o-lanterns and using the pumpkin to make pies for refreshments. The pies came up missing just prior to the party and many inquiries have been made about it.

Below is a letter sent to the parents of the kindergarten students by their teacher, Mrs. Marcia Cole.

We have had many inquiries regarding the missing pumpkin

pies. All we can tell you is that Mrs. Cole left and locked the kindergarten room at 4 p.m. Tuesday ... she went to the store and returned to put the whipping cream in the refrigerator about 4:30 at which time all eight of the pies were there. Mrs. Ancira unlocked the outer door at 8:00 Wednesday morning, and someone was in the kindergarten from that time until we started to serve the pies ... and when we went to get them there was only one of the eight in the refrigerator.

We realize that the children were upset ... and we were upset also. We were not aware that the pies were gone until

we got ready to serve so as the children probably told you we simply had tasting time with our whipped cream and fortunately the cafeteria had Halloween cookies and gave us enough for each child to have one.

/s/ Marcia Cole.

In Abilene

Mr. and Mrs. Marlon Inman and Suzahn of Farwell attended the Parents Weekend activities at Hardin-Simmons University in Abilene, Tex., this past weekend. Their son, Brent, is a freshman at H-SU having graduated from Farwell High in 1978. Accompanying the local family to Abilene were Lisa Holland and Larry Wheeler from Clovis.

At Bellevue

Mr. and Mrs. W.M. Roberts of Farwell were in Bellevue, Tex., from late Thursday until Sunday where they visited her mother, Mrs. Stella Jones.

On Friday night Roberts attended the football game between Decatur and Bowie and enjoyed seeing the Decatur team win since the Decatur coach is Bobby Actkinson, former Farwell resident and graduate of Farwell High. His parents are Mr. and Mrs. Theo Actkinson.

Getzes Visit In Minnesota

Mr. and Mrs. John Getz of Farwell returned home Sunday evening from a 10-day trip to Rochester, Minn., to visit with their son and family, Dr. and Mrs. Mike Getz and sons Mark and John.

Prior to their departure on Thursday, the local Getzes received word that Rochester had 5 1/2 inches of snow on the ground the first of that week, a record for October, but by the time they arrived the snow was gone and weather was in the 60's.

"Some foliage color was still in evidence" but they were about a week late to see the peak of color. However, they reported they were glad they left the Panhandle before this area's early snow.

They also reported that before they left Minnesota the temperatures dropped bringing one day of light blowing snow.

"A man often pays dear for a small frugality." Ralph Waldo Emerson

Take CPR Course

Farwell Jr. High students have been taking a CPR life-saving course this past week under the instruction of American Heart Association volunteers, Pat Fleming and Linda Black. Boys shown in top picture with one of the life-like mannequins used in the course are, from left, Dario Hernandez, Dustin Winter, Jimmy Garza, Michael Zaragoza, George Jaime, Raymond Garcia, Santiago Lucio, Raymond Sierra, Cesar Marquez and Felix Lucio. Girls shown in the other picture are learning the tech-

niques of external cardiac compression for infants. Pictured are, from left, Sheila Smith, Sherry Derrick, Olivia Mendoza, Shayline Jones and Tonya Derrick.

Farwell -

Jr. High Students Taking CPR Course

Farwell Jr. High school has been sponsoring a CPR course for seventh and eighth grade students this week and last week.

Students are being taught the basics in life support for unwitnessed cardiac arrest.

Pat Fleming and Linda Black, volunteers from the American Heart Association, are instructors for the course and have a seven-hour course they are presenting to the students.

Objective of the course is to teach the usual early signals of

heart attack and an emergency plan of action. Life-like mannequins are used for practice, and strict supervision is given so that each student may learn the correct techniques to use in this life-saving system.

Students are taught to observe for unconsciousness, and to open the airway of the victim and check for breathing. Should the victim not be breathing, the students have learned how to administer artificial resuscitation, check for a carotid pulse and as a final step, to administer external cardiac compression.

Farwell Teacher Attends Math Conference

Karolene Inman, who teaches fifth and sixth grade math at Farwell Elementary, was accompanied by her husband, Marlon, when she attended the 26th Annual Conference for the Advancement of Mathematics Teaching in Austin, October 25 and 26. Some 1100 math

teachers from Texas were in attendance at the conference. Conference coordinator was Dr. Alice R. Kidd, mathematics consultant for the Texas Education Agency. Dr. Kidd presented the new TEA guidelines for math. Emphasis was on concepts and problem solving skills for kindergarten through eighth grade.

Other conferences demonstrated such areas as use of calculators in the classroom to reinforce math skills, problem solving activities for fractions, decimals, the metric system, and overcoming math anxiety.

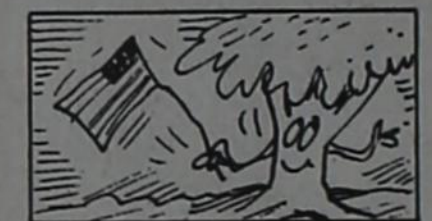

La Leche

League To Meet

There will be a meeting of the La Leche League, for mothers or mothers-to-be, on November 12 at 7:30 p.m. at 32 Paseo Village in Clovis. Women who have considered breast feeding their babies but have questions about it are welcome to attend this meeting.

For further information about this league call 762-5454 in Clovis.

Of the 200 known species of oak, 75 are native to the United States.

Pleasant Hill 4-H Tours Milk Plant

The Pleasant Hill Pals 4-H club met for its September meeting at Safeway Milk plant to go on a tour of the plant.

After the tour they held a short business meeting to make plans for the October meeting. Members present were Brette Southard, Jubal Pierce, Keri Pierce, LaShauna Kelley, Robin Pierce, Beth Kelley, Zandy Kelley, Lori Pierce, and Melissa Singleterry. Leaders were Bertha Kelley, Allen and Helen Kelley, Beverly Pierce, Alice Pierce, Anna Southard and Kay Singleterry. Visitors were Davy Vaughn, Penny Pierce, Martin Singleterry and Kim Pierce.

The club had its October meeting at the Community Center. The meeting began with a Halloween costume

parade and prizes were given for the best costumes. Several games were played after the concert.

When the meeting began, president Zandy Kelley reminded members that officers for the coming year would be elected at the November meeting.

Justin Barnes gave his demonstration on "How to Show a Sheep." Leader Bertha Kelley passed out completion pins to members. She also announced that the new leader for the club is Mrs. Alice Pierce.

Refreshments were served by Alice Pierce and Kay Singleterry. Special guests were Sharon West and Gary Hathorn.

Delta Kappa Gamma Meets In Bovina

Delta Kappa Gamma sorority met at Bovina State Bank on Thursday, Nov. 1.

The program entitled "Architects of the Future" was presented by Margaret Duggins and Iona Cook.

Lois Miller, president, was in charge of a short business session.

Refreshments were served to approximately 30 members.

including Farwell teachers Lynn Roberts, Judy Howard, Karolene Inman, Billie Carlyle, Jean Patschke, Pat Owen, Liz Phillips, and one former Farwell teacher, Hattie Coffey.

Next meeting of the group will be on December 6 in the parlor of Hamlin Memorial United Methodist Church in Farwell.

Convalescent Center Chit Chat

Activities director of Farwell Convalescent Center, Becky Embry, reports "We had a very good turnout for the Halloween carnival last Tuesday night. We wish to thank all the volunteers and families who donated their time and efforts to make this a good party."

"We are fixing to begin work on a quilt that we will be raffling off for Christmas. We are also starting on Christmas decorations and still need donations of candles, paraffin and tomato sauce cans to use in our projects."

Visitors to the Convalescent Center last week included Mr. and Mrs. Carl Jackson of House, who visited with Opal White.

Dick Markcum of Lubbock, Mr. and Mrs. Grant Ross, Georgia Gordon, Mr. and Mrs. Byron Shields and Bea Shields, all of Portales, visited with Willie Shields.

Mr. and Mrs. Sam Cox and Janet of Nogal and Mrs. Annie Hardey of Dora visited with Thelma Kittrell.

Mrs. R.J. Cook and Mrs. Bob Parsons of Ft. Sumner, Debbie Parsons of Las Cruces, Mrs. Annie McKay of Logan, Mr. and Mrs. Benny Stockton and Miss Connie Nash of Portales, Gary Cook of Friona and Joe Bowling of Santa Fe all visited with Mr. and Mrs. E.T. Dunn.

Deanna and Wesley Earl Bales, David Short, Edna Burnett and Annie Best, all of Portales, visited with Cora Baker.

Mrs. Montgomery, Baby Honored With Shower

Melody Ann Montgomery and her mother, Mrs. Richard (Sheree) Montgomery were feted at a baby shower on November 3 at the Oklahoma Lane United Methodist Church. Decorations on the table included a floral arrangement of a white bootie holding yellow and white mums. Hostesses Louise Christian, Tammy Willard, Loy McLellan, Gwen Corn, Anne Norton, Ginny Blankenship, Ruth Anne Bennett, Bobbie Pierson, Lorine Whittenburg, and Annabel Hillock presented baby and mother with a baby stroller. Refreshments included punch and a cake decorated in blue and yellow with a small playpen with a baby in it. Pink and yellow mints in the shape of baby shoes were also served. Grandmothers of the baby present at the shower were Mrs. Johnnie Rundell of Oklahoma Lane and Mrs. Jan Montgomery of Abernathy. Also present for the shower were the baby's great-grandmothers, Zula Rundell of Oklahoma Lane and Mrs. S.L. Montgomery of Lubbock.

Farwell Seniors At WTSU

West Texas State University's annual College Day attracted 1,039 students from 25 Panhandle area high schools to talk with representatives of more than 40 colleges and universities from Texas, Kansas, Colorado and Oklahoma. Debbie Word, WTSU admissions advisor, center, talks with two prospective WTSU students. They are, from left, Lucretia Turner, daughter of Mr. and Mrs. Charles Turner, Farwell, and Julie Mason, daughter of Mr. and Mrs. Donald Mason, also of Farwell. Both are seniors at Farwell High School. (WTSU Photo)

Sorority Makes Plans For Annual Breakfast

Final plans have been made for the third annual hunters' breakfast sponsored by Texas Alpha Rho Lambda Chapter of Beta Sigma Phi on the first day of pheasant hunting season. This year's breakfast will be in Farwell School cafeteria on Saturday, Dec. 8, from 5 to 8 a.m. CST. Alpha Rho Lambda members finalized plans at their Tuesday night meeting in the home of Pam Smith. Gloria Hutchins presided at the business session and Kendale Burch introduced Lou Scioli of Texico who presented a program on "Sculptured Nails."

Annual County Bazaar In Friona This Week

The annual "Christmas in November Bazaar," sponsored by the Parmer County Family Living Committee will begin at noon, Friday, Nov. 9, and continue Saturday, Nov. 10, at the Community Center in Friona.

All booths have been sold and it appears that there will be a wide variety of arts and crafts available. Many exhibitors who have been in the Bazaar in the past are returning as well as several new exhibitors being present. Exhibitors from three states will have items for sale.

A style show will be presented at 4:30 p.m. Friday. Microwave demonstrations will take place at 11 a.m. and 2 p.m. on Saturday.

The Christmas Bazaar, as with all Texas Agricultural Extension Service programs, is free and open to the public, and is available to everyone without regard to race, color, religion, sex, age, or national origin.

The Bazaar is open to the public from noon until 7 p.m. on Friday and from 9:30 a.m. to 4 p.m. on Saturday.

Terry Travises Have Daughter

Mr. and Mrs. Terry Travis of Farwell announce the birth of another daughter, Candace Renee, who was born Thursday, Nov. 1. Candace weighed seven pounds, 15 ounces. She was welcomed home by a sister, Brea, who is two years old.

Maternal grandmother is Mrs. Nelson Foster of Oklahoma Lane and paternal grandparents are Mr. and Mrs. Harold Travis of Farwell.

Great-grandparents are Mrs. Ethel Brown of Portales, Mr. and Mrs. W.N. Foster of Farwell and Maude Pruitt of Clovis.

At the pheasant hunters' breakfast there will be a drawing every half hour for a box of shotgun shells to be given away. Also to be given away at the breakfast is a painting by Robin Gregory which she donated to Farwell Volunteer Fire Department on which they will soon be accepting donations for tickets.

Proceeds from the breakfast and donations for the painting give-away will all go to the fire department to aid in purchasing the "Jaws of Life" machine.

At the conclusion of Tuesday night's meeting members honored Sheree Montgomery with a baby shower for her new daughter, Melody Ann.

Refreshments were served to Terri Baker, Kendale Burch, Pauletta Curtis, Charlotte Donaldson, Gloria Hutchins, Kattie Johnson, Mary Ann Lingnau, Sheree Montgomery, Cynthia Thigpen, Joan Johnson and two guests, Lou Brooks and Lou Scioli.

Around The House with Laura Jacobs
Assistant Parmer County Extension Agent for Home Economics

Texas flounder -- though delicious baked or broiled -- makes up a fancy seafood dish with the addition of a crab-meat stuffing.

However, don't shy away just because you've never stuffed a fish.

The following recipe for "Blue Crab Stuffed Flounder" tells just how easy it is.

BLUE CRAB STUFFED FLOUNDER
6 pan-dress flounder (3/4 pound each)
Blue Crab Stuffing
1/3 cup lemon juice
2 teaspoons salt
3/4 cup melted margarine
Paprika

Clean, wash and dry fish. To make a pocket for the stuffing, lay the fish flat on a cutting board, light side down. With a sharp knife, cut down the center of fish along the backbone from the tail to about one inch from the head end. Turn the knife flat, and cut the flesh along both sides of the backbone to the tail allowing the knife to run over the rib bones.

Place fish in a single layer on a well-greased baking pan. Prepare Blue Crab Stuffing, and place loosely in fish. Combine lemon juice, salt and margarine, and mix well. Brush fish with sauce. Bake at 350 degrees F. for 25

to 30 minutes or until fish flakes easily when tested with a fork.

Sprinkle with paprika. Makes six servings.

BLUE CRAB STUFFING
1 pound flaked blue crab meat
2 slices bacon
1/2 cup chopped onion
1/2 cup chopped celery
1/4 cup chopped bell pepper
1 clove minced garlic
2 cups crushed cracker crumbs
1 tsp. dry mustard
1/2 tsp. salt
2 Tbsp. chopped parsley
Dash cayenne pepper
1 beaten egg
1/4 cup milk
1/2 cup melted margarine
1 tsp. Worcestershire sauce

Remove remaining shell and cartilage from crab meat. Cook bacon until crisp. Crumble and set aside. Saute vegetables in bacon grease. In large bowl, combine cracker crumbs and dry ingredients. Add all other ingredients and mix thoroughly. Stuff mixture into fish and bake as directed above.

MORE RECIPES
For more seafood recipes, send a postcard with your name and address to Seafood Recipes, Texas Agricultural Extension Service, Rm. 442 Kleberg Center, College Station, TX 77843.

Farwell Grads Of '69-'70 Return Here For Reunion

Farwell School Homecoming 1979 provided the opportunity for members of the class of 1969-70 to get together for a time of reminiscing and "catching up" on one another's activities.

Several class members and their families participated in the activities sponsored by the Student Council and later attended the homecoming ball game.

Later in the evening they met at the home economics building for a reception and

visitation period. Punch, homemade cookies and candies were served as notes were read from class members who were unable to attend.

Plans were begun for the 10-year reunion of the class to be held during the Christmas holidays of 1980.

Those attending included Cheryl Boling, Mr. and Mrs. Eddie Winegeart, Paul and Phillip, Mr. and Mrs. J.R. Sewell, Mr. and Mrs. James Chadwick, Eric and Troy, Mr. and Mrs. Bobby Redwine and

Jarah, Mr. and Mrs. Wayne Kube, Mr. and Mrs. Gene Sheets and Brandon, Mr. and Mrs. Israel Armendariz, Mr. and Mrs. Mark Williams, Mr. and Mrs. Ricky Bennett, Reace and Roslyn, and Mr. and Mrs. Bob Anderson who were class parents of this group.

Anyone who knows the address of any of the following former class members is asked to contact Ruth Anne Bennett at 825-3822: Donna Black, Gloria Gonzales, Travis Everett and Johnny Wheeler.

Young Homemakers Have Program On Decorations

At the regular meeting of Farwell Young Homemakers Tuesday afternoon roll call was answered by members telling their most disliked household chore.

Reports on pecan sales and the Christmas bazaar were given by Reba Kirkland, and Barbara Knowlton gave a report on the FHA Halloween booth. Bobbie Pierson gave a report on the Zoo Committee.

A date was set for the club's Thanksgiving social which will be November 17.

Each Young Homemaker brought canned goods for a Thanksgiving basket which will be given to a local family.

The club decided to participate in the FHA Sarah Coventry party which is scheduled for November 19 and to sponsor a campaign in the Farwell School system to collect Campbell Soup labels to buy school equipment. The class collecting the most labels will be treated to a party by the club.

Louise Wilson of Friona presented a program on Christmas decorations to the group.

She showed samples of wheat weaving, nativity scenes and tree ornaments.

Following the program by Mrs. Wilson, members made napkin rings and egg shell Santa Clauses.

Members present at the meeting were Reba Kirkland,

Drill Team Earns Money

The Texico Drill team and their sponsors went to the farm of Lonnie Curry last Saturday and spent the day picking corn to earn money to finance their trip to summer camp for drill team and flag corps members.

"Teach thy tongue to say, 'I do not know.'" Talmud

Ruth Ann Bennett, Patsy Camp, Bobbie Pierson, Beverly Foster, Gwen Corn, Sheree Montgomery, Karen Austin, Donna Grissom, Linda Foster, Sharon Eubanks, Tina Sides, Brenda Gulley, Vonceil Cunningham and advisor Barbara Knowlton.

Drill team members working last Saturday were Dana Curry, Tonya Dunsworth, Melissa Singleterry, Brenda Morris, Valda Cavallero, Dana Morris and Christi Barfield. Sponsors accompanying and helping the girls were Ann Southard, Rita Dunsworth and Carol Brock.

Marriage Licenses

Parmer County Clerk's office has issued two marriage licenses since the last report.

Receiving the licenses were Ronnie Glenn Stevick and Carolyn Maxine Hutson; and Johnny A. Hernandez and Dorothy Telles.

Hospital Notes

E.A. Walker of Farwell returned home late last Wednesday after spending three weeks in the Veterans Hospital in Amarillo for medical treatment. He is reported to be doing fine.

Rev. Harvey Whittenburg, pastor of Oklahoma Lane United Methodist Church, is hospitalized in Lubbock for tests and treatment. A late report of his condition was unavailable at press time Wednesday.

About 63 percent of all American families own their own homes.

D. Harrimans Have First Child

Mr. and Mrs. Doug Harriman of Coahoma, Tx., announce the birth of their first child. Their son, Joshua Kyle, was born October 31 and weighed six pounds and eight ounces.

Maternal grandparents are Mr. and Mrs. John Lee of Electra, and paternal grandmother is Mrs. Herschel Patterson of Earth, formerly of Farwell.

Doug is the brother of Mrs. Doyle Ford of Farwell and is a former Farwell resident.

Wedding Postponed

The wedding of Sandra Fleming and Johnny Odegaard, both of Clovis, has been postponed.

Wolverines Wallop Melrose To Take District 2-A Title

by Jeff Tharp

Texico Wolverines took their second consecutive District Championship after defeating the Melrose Buffaloes at Texico last Friday night. The Wolverines, after a 47-0 victory over the Buffaloes, finished their regular season play with a 9-0 record, the best regular season record ever attained by a Texico football squad.

Following the opening kickoff, the Melrose offense controlled the ball for 14 consecutive downs, until Texico's Shawn Perkins intercepted one of the Melrose passes. After the interception, the Texico offense drove 32 yards before being forced to punt. Following back-to-back penalties, the Buffaloes were forced to turn

the ball over to the Texico team.

After a scoreless first quarter, and only five plays into the second quarter, quarterback James Hadley threw a 15-yard pass to receiver Britt Crooks for the Wolverines' first score. The PAT was no good.

Following the kickoff, the Buffaloes were forced once again to punt the ball away. Upon receiving the punt, quarterback Hadley went to the air again with a 10-yard touchdown pass to Perkins. The PAT again failed.

After the kickoff, Hadley intercepted a pass which set the team up for their third score of the first half. In the third scoring drive, Hadley fired a 14-yard pass to Perkins. For the PAT, the Texico team

tried a run, but the run failed. When the Wolverines went in at halftime, they had held the Buffaloes scoreless, and racked up 18 points for themselves during the first half.

Only a few minutes into the third quarter, Texico's Herbert Bibbs went across the goal line on a nine-yard run. Bibbs, who has tallied up 1,487 yards rushing, is the second leading scorer in the state, topped only by a young man from St. Michael's school in Santa Fe, reports Coach Toppliff.

After the kickoff, the Wolverines again gained possession of the ball by forcing the Buffaloes to punt. After a 53-yard drive and 10 plays later, Texico's Robert Thornton ran the ball in from the two-yard line. The PAT was also run in by Thornton.

When the Wolverines kicked off to Melrose, Texico's Joe (Bear) Martinez recovered a fumble, setting the Wolverines up for yet another score. The score was to come after a 23-yard drive when Hadley hit Britt Crooks on a 10-yard pass in the end zone. The point after was run in by Herbert Bibbs.

The only score in the fourth quarter was on a three-yard run by Texico's David Cavalero. The PAT was kicked by Crooks.

The Wolverines, following their 47-0 victory over the Buffaloes have had the only perfect regular football season in the history of Texico High School. The Green-and-White squad with a nine-game winning streak, go to Tatum this Friday night to play the Tatum Coyotes in the quarter-finals of the state playoffs. In a regular game played October 26 against Tatum, the Wolverines defeated their opponents 40-0.

Several school records have already been broken this year by the Texico team. Quarterback James Hadley has caught nine interceptions, surpassing a 1978 record held by his brother, Keith, who had seven interceptions. Hadley has thrown for 1,167 yards with 51.2 percent of his passes being completed.

Bibbs has broken the school rushing record of 1,160 yards set by Steve Turner in 1977. Bibbs, who is a junior, broke the record during the Capitan game October 12, and his total has now climbed to 1,487 yards.

Following Friday's victory, Coach Toppliff commented, "I'm real pleased with the regular season play, and I'm glad the kids have accomplished one of their goals and had an undefeated regular season."

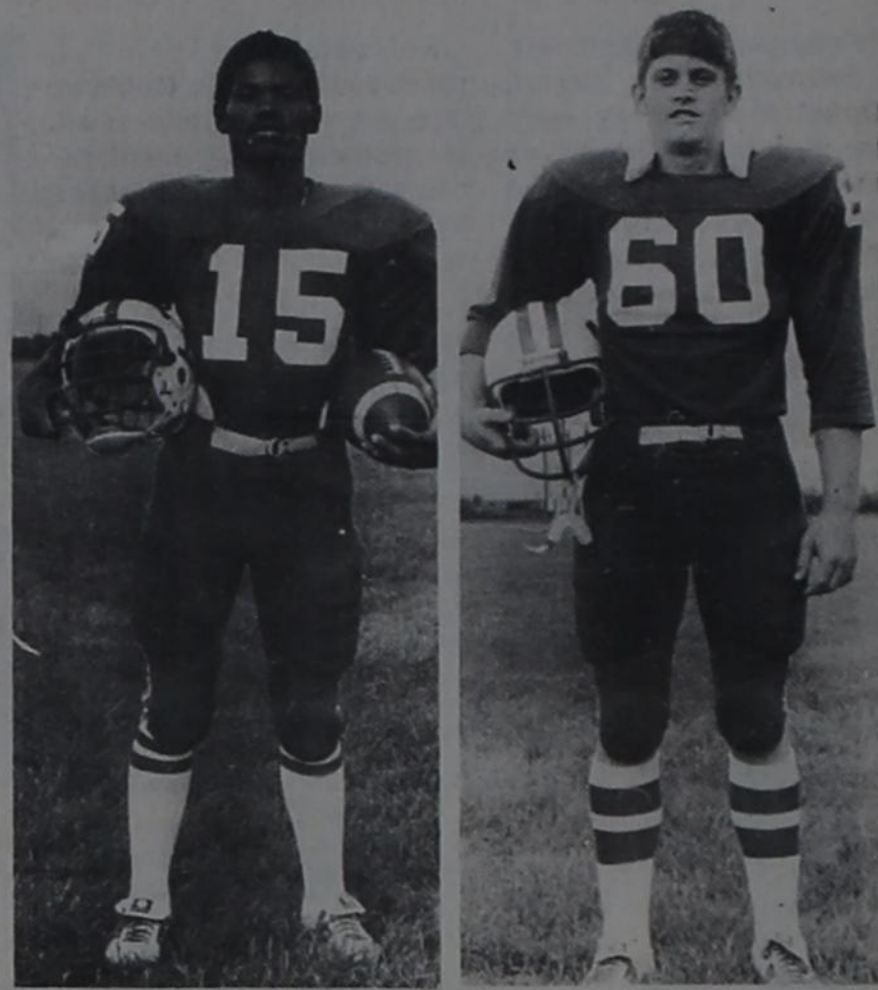

At halftime of the Friday game, parents of the football players were escorted to the center of the field by their sons for special recognition. Each player presented his mother with a long-stemmed white rosebud. Thirteen freshmen who will join the team next year were also recognized.

"I'm not sure if it's a school record or not, but Mr. and Mrs. Travis Bibbs deserve a little extra recognition. They had four sons suited out in Friday night's game," added Coach Toppliff.

Clyde is a senior, Herbert is a junior, Willie is a sophomore, and Earl is a freshman. Clyde is a guard, and the other three sons play the position of tailback or fullback.

Wolverines Of The Week

HERBERT BIBBS

RON KIRBY

Herbert Bibbs wins Offensive Wolverine of the Week for his great efforts last Friday night in the Texico-Melrose game. Herbert had a 175-yard rushing record in the game and scored a touchdown.

Ron Kirby had an impressive record of three unassisted tackles, eight assisted tackles, one fumble recovery and two quarterback sacks to win himself the honor of Defensive Wolverine of the Week.

Texico Spikers Tie For Second In District

by Becky McDonald and Jacque Tatum

The Texico varsity girls volleyball team finished in a three-way tie with Tatum and Melrose for second place in the District 6-A volleyball tournament last weekend.

The tournament concluded the varsity team's season with 11 wins-5 losses. Determination of the second-place team who would advance to regional playoffs was made by a coin toss, with Tatum winning the second place title. Floyd was the undisputed first-place winner.

In the tournaments, the Wolverines played the Melrose Buffaloes in the first game. The Wolverines, who took an early 9-2 lead, went on to win 15-5. Lori Harrington led the way serving nine out of nine and scoring seven points.

The second game started with both teams trading points. But with the score tied at five-all, Tracy Dobbs stepped to the line for six straight serves and five points. After that, Melrose scored one point, and Lori Harrington put the game away scoring the last five points for a final score of 15-6.

Coach Mike Littlejohn commented, "I was extremely proud of the girls tonight. Our serving was excellent as we were 42 of 46 for a 91 percent accuracy in serving." Individual serving went as follows: Lori Harrington, 17 out of 17; Jill Jesko, five out of six; Becky McDonald, five out of seven; Lisa Coffey, three out of four; Roxanne Cherry, three out of three; and Tracy Dobbs, nine out of nine.

Saturday night saw the girls once again traveling to Dora, this time for the semi-final match against the Tatum Coyotes.

The Coyotes jumped out in front early in the match to win the first game 15-4.

In the second game, the Wolverines turned the tables and won 15-6.

In the third and decisive

game, the stage was set for a very exciting game. Texico got off to a fast start as they posted an early 10-5 lead, but the Coyotes didn't give up as they fought back to take a 12-10 edge. Texico scored again, but that was to be the final point of the year for the Wolverines. Tatum scored the final three points to make the score Tatum 15, Texico 11.

Coach Mike Littlejohn commented, "In the first game we just never got it together, but the girls didn't give up and came back to take a superb 15-6 win in the second game. When the score stood 10-5 in the final game, I felt like we had the Coyotes on the run, but they fought back to take the win."

Coach Littlejohn evaluated the 1979 season by saying: "I'm super proud of the girls as they did an outstanding job. It would have been nicer to have won and gone to regionals, but I have no complaints or excuses for the way we played. When we walked off the floor I had my head up, as I knew we had played hard. It just wasn't meant to be this year."

"Overall, I felt we had an outstanding season. We finished with 10 wins, five losses and tied for second in district. We finished the district tournament in third place with one win and one loss. Of the starting six we were very well balanced as we had two seniors, two juniors, and two sophomores with one senior, four juniors, and two sophomores on the bench ready to play. We will lose the three seniors next year, but we will have four freshmen who will move up from the junior high team so we will still be well-balanced."

"I told the girls early in the year that girls' athletics weren't for me, but they made me eat my words and now I wouldn't trade them for anything. I'm looking forward to next year, and I think the girls are, too," Littlejohn concluded.

Bibbs' Best

When the Texico Wolverine varsity players, their parents and 13 members of the freshman squad were honored at halftime activities of the Texico-Melrose game last Friday, six members of the Travis

Bibbs family, four of them in uniform, were on hand to be recognized. Posing with the Bibbs family at left is Wolverine coach Paul Toppliff. Next are, from left, Travis

Bibbs Sr., Clyde Bibbs, Mrs. Lois Bibbs, and Willie Bibbs. Kneeling are Earl Bibbs and Herbert Bibbs. And that's quite a contribution to the Wolverine football program.

Upcoming Sports Events In Texico And Farwell

Farwell Steers travel to Kress tonight (Friday) to play for District 3-A champs. Farwell and Kress are tied 3-0 in district 3-A. Game time is 7:30 p.m. CST.

40-0. Game time is 7:30 p.m. MST.

Farwell J.V., 8th and 7th teams were to battle Kress on Farwell turf Thursday with game time starting at 5 p.m. CST.

Texico Wolverines travel to Tatum to play in quarter-finals against the Coyotes. The two teams met two weeks ago in regular season play with Texico coming out the winner.

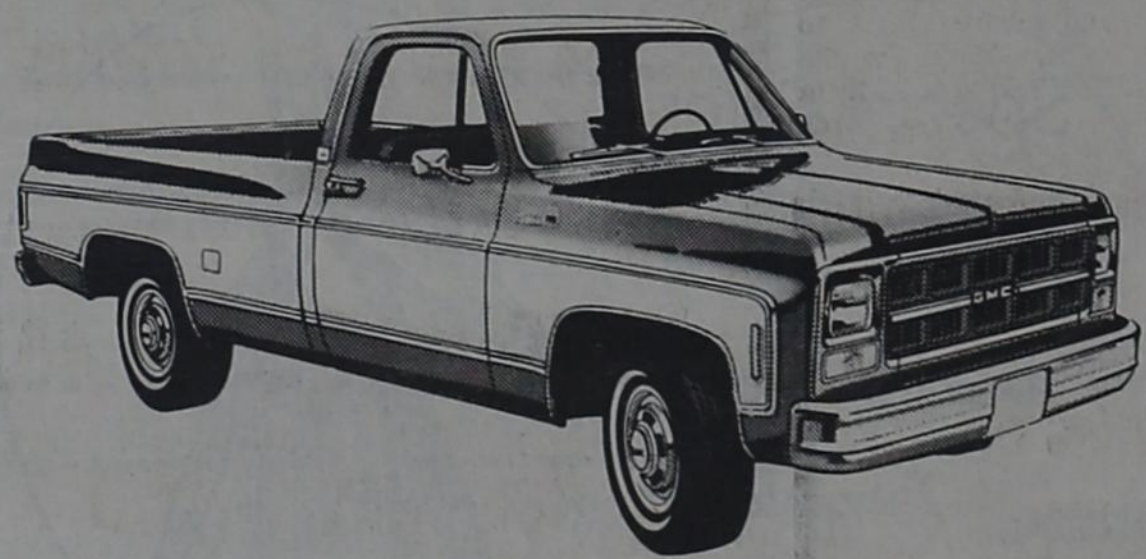

Lazbuddie will face Smyer on foreign turf at 7:30 p.m. CST.

Texico Jr. High boys basketball team will play Gattis Jr. High of Clovis at Gattis on Thursday, Nov. 15. Game time is 3:30 p.m. MST.

Texico Jr. High school girls basketball team will play host to Gattis Jr. High school girls at 4:30 p.m. MST on Thursday, Nov. 15.

Steers Shut Out Bovina For Third District Win

Farwell Steers shut out District 3-A rival Bovina 27-0 for their third conference win Friday night at Bovina.

The Steers scored in each of the first three quarters and held the Mustangs to a total of 67 yards while en route to their third consecutive victory, all district encounters.

The first touchdown was registered for the Steers in the first quarter of play when Max Lonsdale pushed it over from the one-yard line. Mac Langford kicked the extra point and the Steers went ahead 7-0.

In a spectacular play near the end of the second quarter, Langford hit the Mustang tight end who was carrying on a reverse and knocked the ball loose on the Steer 15-yard line. Langford recovered the fumble in the end zone for another Steer touchdown and then kicked the extra point, making the score Farwell 14-Bovina 0.

In the third period, quarterback Mark Owen threw a 25-yard pass to Richard Carpenter for a touchdown and again Langford kicked the extra point.

Later in the third period Owen made a 21-yard dash for the final Steer touchdown, but Langford was unable to kick the extra point.

The Steer defense was able to shut down the Mustangs in the second half of play as they had a minus two yardage record for the second half. Steer defenders put the pressure on the Mustang quarterback and sacked him five or six times during the game, according to Steer coaches.

Farwell kicked off to open the game and held their hosts to a fourth and 20 situation and then started their own offensive operations from the Mustang 43 after James Castleberry returned the Bovina punt.

Bovina got the ball back after Lonsdale fumbled on third down.

A combination of stiff Steer defense and penalties set the Mustangs back until they were forced to kick from their own end zone and the ball rolled dead at the Mustang 39.

Lonsdale, Owen, Castleberry and Boyd White shared the ball-carrying chores with Lonsdale finally going in from the one. Langford booted his first extra point of the night with two minutes and 13 seconds left in first quarter action.

Farwell kicked to the Bovina five-yard-line where Harvey Sheperd fielded the ball and returned it to his own 32.

The Mustangs managed four first downs before the Steers dug in and Waverly Coates sacked the quarterback for a 10-yard loss. An incomplete pass on third and long set up a punting situation.

Castleberry picked up the punt at the Steer 12 and returned it to the 18. After three downs the Steers were forced to punt from deep in their own territory and Chris Bristow tackled the runner at the Bovina 46. Two running plays netted five yards and again a third down pass went incomplete to force a Bovina punt.

Castleberry recovered at the 18 and Lonsdale, Owen and White carried the ball for yardage out to about the 40 before Owen punted the ball to the Bovina six-yard line.

Bovina started this drive with two minutes left in the first half and in three downs had gained a first and 10. With 49 seconds showing on the clock Langford knocked the ball loose from the Mustang ball carrier and fell on it for a TD. Langford then booted the extra point to give the Steers a 14-0 bulge.

Farwell kicked off and Bristow made the tackle on the return-man at the Bovina 30. After an eight-yard pickup on first down, Bristow and Byron Mayfield teamed up to drop the Mustang quarterback for an 18-yard loss and on third and 20, the pass went incomplete and Bovina had to give up the ball.

Farwell had time for a pass attempt which went incomplete, but gained yardage on a roughing-the-passer call and Langford then tried a field goal which was no good as time ran out in the first half with Farwell ahead 14-0.

Richard Carpenter received

the second half kickoff for the Steers returning it from the 25 to the 35-yard line, but an illegal procedure penalty against Bovina made a replay of the kick necessary. On this go-around Castleberry received the ball on his 20 and returned to the 37.

Castleberry and Lonsdale carried for first down yardage on this series then after a loss of one on first down, and a delay-of-game setback on second down the Steers had an incomplete pass on third and 16, but an interference call on the Mustangs gave the Steers possession on the Bovina 24. White carried for no gain on first down then Owen unleashed a 25-yarder to Richard Carpenter who went in for the third TD of the night for the Blue and White.

Langford again booted the extra point and Farwell led 21-0 with seven minutes, 55 seconds left in the third quarter.

The Mustangs took over on their own 20, but a holding penalty put them back to the 12 where they faced first and 25. Coates and Mayfield stopped Hawkins after a gain of five, but a pass completion still left them lacking two and a delay penalty made it fourth and seven and they punted out to the Farwell 38.

Lonsdale picked up 20 yards on a pitchout and Farwell continued to move with Castleberry, White and Lonsdale packing the ball. A personal foul penalty against the Mustangs aided the Steer drive to their hosts' 19-yard line where they had first and 10. Coates fumbled on first down try, but the ball was recovered by Owen. And on second and 12 Owen kept the ball and scampered 21 yards for the Steers' final TD of the game. Langford's kick was no good, but the Steers were ahead 27-0 with a minute and 41 seconds still left in the third quarter.

Bovina managed one first down after the kickoff and were at the Farwell 33 when time ran out in the third period.

Farwell's defense dug in, and again aided by a personal foul penalty against the Mustangs.

Farwell managed to make it fourth and 17 after a quarterback drop by Bristow.

The Mustangs faked a punt and passed the ball which was intercepted by Owen and David Daniel took over as quarterback for this drive. Farwell could not move the ball and after a delay of game setback against the Steers, Owen punted the ball.

Personal foul calls against both teams made a replay of the punt necessary and this time Bovina got the ball on their own 22. Three downs later the Mustangs punted to Castleberry and on first down Daniel fumbled the ball which was recovered by Bovina.

Willie Martin tackled Ricky Sheperd for a 16-yard loss on first down. A second down pass went incomplete and on a third and 26, Bristow and Langford dropped the quarterback for a 15-yard loss and Bovina punted to the 30.

A bobbled pitchout by Daniel was recovered for a two-yard setback and Lonsdale picked up seven. A delay of game penalty and pass incompleteness made it fourth and 10 for the Steers and Owen punted with a little over a minute left in the game. A roughing-the-kicker penalty gave the Steers a first on their own 35, but the offense could not get moving and Bovina recovered a fumbled

pitchout from Daniel to take over with first and 10 at the 20.

The Mustangs picked up four on the ground then threw two incomplete passes and with only seconds remaining, tried to go for it on fourth and, but fumbled the ball and Farwell took over.

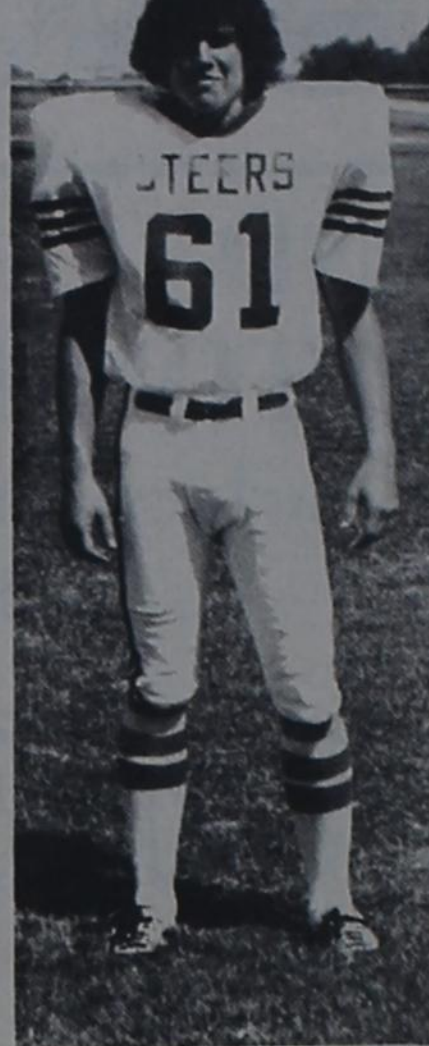

Farwell's QB just fell on the ball until time ran out to end the game with their third district victory.

RICHARD CARPENTER

CHRIS BRISTOW

WILLIE MARTIN

Richard Carpenter has been named along with Chris Bristow as Defensive Steer of the Week following last Friday night's game when the Steers shut out Bovina 27-0. Chris chalked up three quarterback sacks to his list of accomplishments in that game. Chris was also given the 'Big Hit' award this week while Boyd White was named to receive the 'Win Award.'

Chris Bristow shares honors this week as Defensive Steer of the Week following last Friday night's game when the Steers shut out Bovina 27-0. Chris chalked up three quarterback sacks to his list of accomplishments in that game. Chris was also given the 'Big Hit' award this week while Boyd White was named to receive the 'Win Award.'

Willie Martin won kudos from the Steer coaching staff for his efforts in last Friday night's game against Bovina. Willie graded out at 90 percent for his best played offensive game of the season, according to Coach Randy Adrian. Coach Adrian stated that he was real happy with the way Willie played Friday and named him Offensive Steer of the Week.

For District Championship - -

Steers Do Battle In Kress Tonight

With the Farwell Steers' 27-0 victory over Bovina last Friday night they are in a 3-0 tie for first place in district with Kress and will meet the Kangaroos tonight in a shoot-out for rights to represent the District 3-A teams at Bi-District. Game time is 7:30 p.m. on the Kress gridiron.

Kress maintained their 3-0 record by defeating Hart 32-22 last Friday night while the Steers were shutting out Bovina.

Steer Coach Randy Adrian stated, "The key to beating Kress when we play them for district championship tonight (Friday) is in stopping their running back, Eddie 'Magic' Johnson. Kress is a fine, well-coached ball club."

The game between Farwell and Kress should be a good, hard-hitting ball game. The score between Kress and Hart was six-all at halftime so lots of scoring was made in the second half, Adrian pointed out.

Coach Adrian urges all Steer fans to show the team their support by attending tonight's game. "No one expected us to come this far in district competition and we are real pleased," said Adrian.

In comments about last Friday's game against Bovina, Adrian said that the Steers played the best defensive game they had played all season. The Steers held the Mustangs down and allowed them to score no first downs in the second half and pushed them back for a minus two yards gain, Adrian said.

Pressure on the Mustang quarterback in the form of quarterback sacks was one of

the advantages the Steers took in order to shut the Mustangs out 27-0, he added.

Steer JV Romps Past Bovina 41-8

Farwell Steers junior varsity team got back into the win column when they romped over the Bovina JV last Thursday, 41-8, in what was termed by Coach Mike Martin as, "possibly the best game of the season."

Emilio Paez scored four touchdowns against the Bovina team and made two extra points while his brother Alex made yet another touchdown on a 45-yard pass from Emilio. Juan Diaz scored two extra points on a pass play and Brian Langdon kicked one

extra point. Rocky Ford scored a touchdown on a fumble recovery. Coach Martin stated that the defensive and offensive teams both played very well.

The JV was to play perhaps their toughest game of the season Thursday when they were to host Kress.

Jr. High Teams Victorious Over Bovina

Farwell Junior High football teams won both their games when they played Bovina last week.

The seventh graders shut out the Bovina team 22-0. Coach Larry McDorman said, "All

the boys played well and all of the boys got to play a lot."

Roger Robertson scored the first touchdown in the first quarter and Sammy Sanchez and lineman Greg Brewer both came in for touchdowns. Coach

McDorman cited all the backs, Rick Sikes, Brian White and Jesse Coburn for playing real well.

In the eighth grade game the Farwell team only allowed Bovina one touchdown and came home with a 16-6 victory. Two scores were made in the first quarter as Farwell's Paul Fulcher recovered a fumble in the end zone. Just before the end of the half Alan Eubank passed 45 yards to Jimmy Garza who made a great catch for a touchdown but the extra points were no good. Score at half time was Farwell 8-Bovina 6.

In the fourth quarter of play Raymond Sierra scored for Farwell on a pitch-out from quarterback Eubank. Todd Christian ran for the extra points.

Coach McDorman stated that all the backs ran well and that the linemen blocked real well on their sweeps and options.

The Junior high teams were scheduled to play the Kress teams here on Thursday.

Boosters To Sponsor Player-Parent Night

The Farwell Steer Booster Club is sponsoring a Player-Parent night for all football players, their parents, Steer fans and anyone else interested on Tuesday, Nov. 13.

A short program will be presented and all junior varsity, seventh and eighth, and varsity players and their

parents will be introduced.

This night is to give all the boys and the parents a chance to get acquainted with one another and to give fans an opportunity to know the players.

The meeting will be held in the Farwell School Cafeteria at 7:30 p.m. CST.

by Rhonda Tharp

Season Starts Soon --

**Texico Varsity Boys
Ready For Roundball**

With football teams heading for the playoffs, can basketball season be far behind? Texico's Wolverine varsity boys will be officially starting their season on November 26; however, they were to have a scrimmage this week to get in gear for the upcoming year.

In preparation for this year's basketball season, new varsity coach Cecil Davis has had an off-season basketball program in progress since the first day of school this year. Four seniors and seven sophomores have been involved in the program, Davis says.

Emphasis has been on ball handling, one-on-one, vertical jumping, rope jumping and full court scrimmage.

Seniors taking part in this program are Neal Haile, Rusty Jameson, Steve Kittrell and Jeff Tharp.

Sophomore boys taking part are Mike Arnold, Terry Curry, Jeff Day, Sammie Garcia, Craig Horne, Tony Tubbs and Bret Cross.

Home games for the 1979-80 varsity boys are scheduled as follows:

November 29 - Grady - the 1937 Hollene team and the 1940 Texico team will be honored at halftime

December 4 - House - the 1962 Texico team will be honored

January 5 - Logan - athletes from the Rosedale community will be honored

January 11 - Floyd - the 1967 Texico team will be honored

January 15 - San Jon - a program by the Flag and Drill team will be among halftime activities

January 19 - Dora - this will be homecoming night and the 1960 Texico team will be honored.

February 1 - Melrose - the 1979-80 team will be honored

February 8 - Elida - the 1975 Texico team will be honored

February 9 - Tatum - parents of the varsity players will be honored

Since basketball is a tournament game, the team will emphasize good performance in a tournament play, Davis says.

The Wolverines will be involved in four tournaments. The first tournament will be December 6, 7 and 8 at Lazbuddie. Other teams planning to participate are Adrian, Bovina, Lazbuddie, Three Way, Sudan, Dora and Elida.

The second tournament will be the Texico International Tournament on December 13, 14 and 15. In their own tournament the Wolverines will be hosting teams from Amistad, Farwell, Spade, San Jon, Logan, Lazbuddie and Melrose.

The third tournament will be the EPAC Tournament to be held at Dora on January 23, 24, 25 and 26. EPAC members are Texico, Dora, Elida, Floyd, Grady, House, Logan, Melrose and Tatum.

The fourth and very important tournament will be the District Tournament that will be in Portales or Dora on February 27, 28, 29 and March 1.

After the District Tournament will come the Regional and State Basketball Tournaments.

Inspect Addition

Inspecting and accepting the recently-completed addition to the ag shop at Texico Schools are board members, the ag instructor, school administrator, and the contractor who all met briefly for the tour prior to last Friday's football game.

From left are Mike Spearman, Greg Martin, Eddie West,

Arlve Crooks, Lonnie Curry, Ned Wright [back to camera], Jim Pierce [partially shown] and Herman Gerles.

'A Touch Of Elvis' Coming To Lubbock

"The Ron Furrer Show: A Touch of Elvis" will be spotlighted Monday, Nov. 12, at Lubbock's Country Squire Dinner Theatre.

Furrer presents songs and sounds of the Fifties - movie tunes, love songs, and rock and roll - in the style of the late Elvis Presley.

He has appeared at Houston's Astroworld for the past two summers, playing to capacity houses. He will soon appear at Six Flags' Magic Mountain in Los Angeles, and has performed in dinner theatres across the country.

He comes to Lubbock directly from an engagement in Dallas. Included in the evening's performance are such songs as "Love Me Tender," "You Ain't Nothing But A Hound Dog,"

and "Don't Be Cruel." Ron Furrer began his career with a "Tribute to Elvis," in which he sang songs made famous by Presley, but in recent years he has developed

a wide following of his own. Tickets for the Ron Furrer Show include dinner and performance, and may be purchased for \$11.50 at the Country Squire box office.

Plans Underway For Muleshoe Christmas Parade

The Llano Estacada Civic Club is coordinating the 20th Annual Christmas parade for Muleshoe.

We need the help of the people in the Farwell community to make this the BEST parade Muleshoe has ever had, says Glenna Rainey, publicity chairman.

The theme of this year's parade is "The Old Fashion Christmas." Cash prizes will be given for the top three floats.

The parade will be December 1, at 2 p.m. You will need to be at the Boy Scout grounds by 1 p.m.

If you or your organization would like to enter a float or participate in the parade, you should contact the sponsors of the parade, the Muleshoe Chamber of Commerce at 104 East Avenue C or phone

272-4248 from 8:30 a.m. to 5 p.m. You can also contact Delores Kelton, phone 272-3574 or Hazel Cunningham phone 272-3092.

Deadline for entries is November 23, 1979.

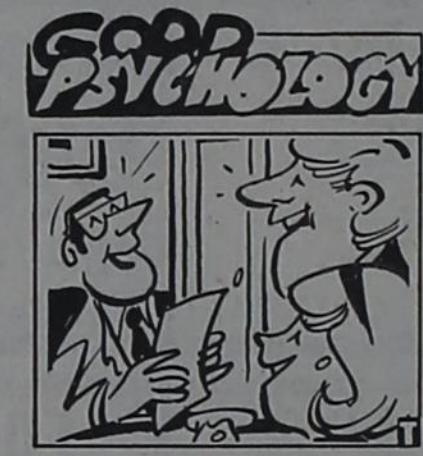

**Mrs. Gilbert Dale
Gets National Honor**

Mrs. Gilbert (Geletta Gail) Dale, who lives northwest of Muleshoe, has been selected for inclusion in the 1979 edition of "Outstanding Young Women of America."

The Outstanding Young Women of America program is designed to honor and encourage exceptional young women between the ages of 21 and 36 who have distinguished themselves in their homes, their professions and their communities. Accomplishment such as these are the result of dedication, service and leadership - qualities which deserve to be recognized and remembered.

Mrs. Dale and her husband live on a farm northwest of Muleshoe with their sons, Guy,

Gyle and Gared and an adopted son, Billy. Mrs. Dale is the daughter of Mr. and Mrs. J.L. Phipps of Muleshoe and is the daughter-in-law of Mr. and Mrs. R.D. Dale of Route 1, Farwell.

The counselling programs, shelter and guidance toward a better life offered to all by The Salvation Army can help many troubled people find answers to their problems, good feelings about themselves and peace of mind.

Judges Attend Seminar

Eighty-eight justices of the peace attended a 20-hour Texas Justice of the Peace Training Center Seminar October 9-12 in Amarillo. The seminars are held in compliance with Article 5872, Section b, Texas Revised Civil Statutes. The training

center is based at Southwest Texas State University. Among the judges attending were, left to right, Judge Albert H. Smith, Parmer County, Precinct 1; and Judge Wayne Spears, Parmer County, Precinct 3.

Littlefield Group To Host Flea Market

Littlefield Band Boosters are sponsoring a Flea Market Saturday and Sunday, Dec. 8 and 9 in the Lamb County Ag and Community Center on South Hall Avenue in Littlefield.

Among items to be sold are arts, crafts, collector's items, jewelry, coins, antiques, etc. Food will be excluded, as the Band Boosters will have the concessions.

Persons interested in leasing an 8 by 10 booth for \$25 each

are asked to write: Littlefield Band Boosters, Box 1254, Littlefield, Texas 79339. Persons may also secure an

application blank by calling 385-4311 or 385-5872. Deadline for entering is December 1, 1979.

Postmaster Repeats Holiday Mail 'Musts'

Farwell Postmaster Otis McMillan is reminding customers that for the best service this Christmas season they should use ZIP Codes, place their return address in the upper left corner of the envelope and use proper postage.

"By following these suggestions," Postmaster McMillan says, "Customers will be assured good mail service this holiday season."

It is important, the Farwell

postmaster says, that families "double check" envelopes and cards to be certain that proper postage is affixed. Envelopes without postage will be returned to senders, if possible, or delayed by postage-due procedures.

When the return address is placed on envelopes bearing holiday greetings, it also helps remind friends of one's current address.

And, if the family to whom a holiday message is sent moved more than a year ago, it cannot be forwarded. With a return address, Postmaster McMillan says, such letters are returned to the sender with a notation that the following "order" has expired.

TWO MINUTES WITH THE BIBLE

BY CORNELIUS R. STAM, PRES.
BEREAN BIBLE SOCIETY
CHICAGO, ILLINOIS 60635

THE LOGIC OF THE PLAN OF SALVATION

In I Corinthians 1:22 we are told that "the Jews require a sign, and the Greeks seek after wisdom." This doubtless is why God chose Paul, with his profound intellectual background and acumen, to proclaim "Christ crucified," the "wisdom of God" as well as the "power of God" (I Cor. 1:23,24). Paul was a gifted logician as well as a theologian, and nowhere is this more evident than in his Epistle to the Romans, where, by divine inspiration, he presents the logic of God's plan of salvation. Again and again, throughout the Epistle, he uses that word so prominent in mathematics and in logic: "therefore."

Therefore we conclude that a man is justified by faith, without the deeds of the law" (Rom. 3:21, 28).
"Therefore being justified by faith, we have peace with God through our Lord Jesus Christ; By whom also we have access. . . ." (Rom. 5:1,2).
"There is therefore now no condemnation to them which are in Christ Jesus" (Rom. 8:1).
"Therefore, brethren, we are debtors. . ." (Rom. 8:12).
"I BESEECH YOU THEREFORE, BRETHREN, BY THE MERCIES OF GOD, THAT YE PRESENT YOUR BODIES A LIVING SACRIFICE, holy, acceptable unto God, which is your reasonable service."
"And be not conformed to this world; but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God" (Rom. 12:1,2).

**Place At
State Fair**

Several Parmer County 4-H Club members exhibited swine at the State Fair of Texas held in Dallas, October 15-20. All barrows made the premium sale with Scott Johnson, top, showing the first place Middle-weight Yorkshire barrow, and Charles Johnson, bottom, exhibiting the first place Light-weight Crossbred barrow. The boys are sons of Mr. and Mrs. Billy Johnson of Bovina and are members of the Bovina 4-H Club.

**On The Farm
In Parmer
County**
By SETH RALSTON
County Agent

Farwell -- Two major reasons suggest the need for good soil sampling to have soil analyzed, County Extension Agent Seth Ralston said. A primary reason is so the producer can apply the proper amounts and grades of fertilizer to his cropland. The second major reason is that following a good production season, previously applied or accumulated fertilizer nutrients may have been utilized. A good soil sample and a soil test will then help maintain yield.

Proper Tools: "As with all things, proper tools to accomplish the task are required," the county agent said. "Suitable tools include the soil sample probe, the auger, and sharp shooter shovel. Also, a two-gallon plastic bucket is needed for mixing the sample to prevent contamination of the soil sample and therefore, erroneous soil analysis."

"Normally, the soil sample probe is best suited for sampling. The sandy soils are easily cored and sampled; however, with our clay loam soils, the core frequently gets stuck inside the probe. The remedy to this problem is to cut the nipple off the probe and sharpen the edge on a grinder," Ralston said.

Field Inspections and Considerations on mixed soils: Prior to going into the field, the overall appearance of the land should be inspected and if aerial maps are available; study them.

This procedure provides the producer an opportunity to sample problem sites separately so problems associated with depression areas, old fence rows, mixed soils, seep areas, and gullies can be identified, Ralston suggests.

If crops are present, inspect the uniformity of the crop and record growth differences. Also, note if any irregularities are repeated throughout the field fairly uniformly. This condition suggests that problems exist in fertilizer or herbicide application. A note of this condition can help correct the situation next year through proper equipment calibration.

Next, examine the field for areas of irregular growth. This situation can be attributed to low phosphorus levels, micronutrient deficiencies, or plant diseases. These sites should be sampled separately so the

cause can be identified. Sample weak areas the first time the spots are noticed. Historically, the trend is that next year, the spots become bigger and the case of the problem is even more puzzling to the producer, the Extension agent said.

Next, map all these unusual areas, note terrain features that will help locate problem sites and identify the farm for future reference.

County Extension Agent Ralston says to consider these points prior to sampling. How is the land plowed and fertilized? If the land is bedded, the best sample site is about half way down the bed. The sample on the bed prevents one from getting into high salt levels that form on the tops of the beds during dry spells. If stand problems due to salt have occurred, one should be sampling the top of the bed to determine salt levels and intensity of the problem.

Consider if the land was broadcast or band fertilized. Avoid sampling from last year's band, if possible.

The Presence of Hard Pans: "Sampling time is a good period to take notes on soil compaction and plow pans. If the soil prevents the probe from penetrating the soil, it is doubtful crop roots will penetrate. A good figure to keep in mind is a soil test probe will exert about 12,000 pounds per square inch if pushed into the soil by an individual weighing 200 pounds. If the probe does not penetrate, it is comparable to the penetration of a growing root on a vinyl tile floor," Ralston said.

Proper Sampling: Normally, a soil sample at plow depth is adequate which is about six inches deep. If a subsoil sample has never been taken, then take samples from several sites to look at nutrient status below the surface. Subsoil fertility status is very important in deep-rooted crops such as cotton.

Next, the question that needs answering is, "How many subsamples and what size field should a single sample represent?" If a field is uniform, then 10 to 15 subsamples per 100 acres should be adequate for a good soil analysis. Fewer subsamples and a larger area are possible if the field has never been fertilized, Ralston

**Questions
Often Asked
About Your Eyes**

By B.W. Armistead &
Steven D. Smith
Optometrists - Littlefield

Q: What is a cataract?
A: A cataract is any opacity or cloudiness of the crystalline lens of the eye.

Q: What and where is the crystalline lens?
A: It is a small clear lens, about the size of an aspirin tablet which is inside the eyeball. It is held upright just behind the colored section (iris) and the pupil of the eye.

Q: What does a cataract look like?
A: Except in very advanced cases, a cataract is very difficult to see without special equipment. In the light from an optometrist's instruments, it may have the appearance of tiny bubbles, dots, lines or cloudy areas.

Q: How is a cataract detected?
A: Usually, it is detected during the "eye health" part of a vision examination when lighted instruments are used to look into the eye.

Q: At what age are cataracts most often found?
A: Those in the over 55 group are most likely to develop a cataract, however, they do occur from birth on at any age.

Q: Can a cataract cause blindness?
A: Yes, it can.

Q: How is a cataract treated?
A: By surgical removal. There are no known drops or medicines that will dissolve cataracts.

Q: Is surgery usually successful?
A: Yes. Following surgery, your optometrists can prescribe either eyeglasses or contact lenses or both and restore vision to normal or near normal in most cases.

Q: What is an implant?
A: An implant is a small lens which looks similar to soft contact lens which is put into the eye when the cataract is removed surgically.

Q: Are implants successful?
A: Yes, in most cases and good vision is usually possible with properly fitted eyeglasses.

Q: How are cataracts prevented?
A: At the present, there is no known way to prevent the majority of cataracts which are mostly due to the aging process. Cataracts caused by birth defects, diabetes, radiation, injury etc. are prevented by the known protections against them.
