"OFFICIAL PUBLICATION OF FARMER COUNTY"

8 PAGES

FIFTY-SECOND YEAR

10 CENTS

With their heads in the clouds, Billy Campbell and Wayne Huddell admire their 1962 East Plains Athletic conference championship trophy.

Championships are made of this, Tom Rickstrew, catcher, and Emmitt Autrey batter, get in some strenuous workout. The Wolverines have two wins.

Oklahoma Firm To Install TV Cable System

Sides TV Sales and Service of Sayre, Okla. has been granted a 10 year franchise by Farwell City Commission, to construct and maintain a television cable system in the town.

The franchise is dated Sept. 17 and gives the business permission to construct, erect, operate and maintain poles, wires, cables, and underground conduits and other fixtures necessary or proper for maintenance and operation of a Farwell television cable system or television re-broadcast system.

The agreement indicates that construction must begin within 30 days, with completion on or before Dec. 25. Also included in the franchise is the provision that the system must be in operating condition upon 10 days notice from the city, if difficulties should arise after the system is installed.

The company agrees to provide three broadcasting networks in a manner comparable to cities similarly situated as Farwell. The city of Farwell receives 2 percent of the gross receipts as a franchise tax.

Fee for tie-on to the cable is \$100 with a monthly rate of \$5.50 to be charged for service. In the event no tie-on charge is collected, monthly rate will be \$7.50.

Interest in installation of a TV cable system has been high the past few weeks, with several companies bidding for the franchise. The city commission has met weekly to review applications for the franchise.

First Home Game For Steers Friday; Mom And Dad Night

Tonight (Friday) at Steer Stadium will not only mark the first home game of the season, but the game has been designated as "mom and dad" night and members of the Steer squad will pay tribute to their parents. Mothers and dads will be seated in a special section of the bleachers, with the section marked above the 50-yard line, under the press box, says Coach Dempsey Alexander.

Boys will meet parents under the north goal post at 7:55 and boys will escort parents to

the bleachers. Game time is 8 p.m.

Steers will meet Seagraves, which Coach Alexander predicts will be the "toughest ball game of the year," for the Steers. The team is now ranked number 3 in the state, and last week topped Muleshoe 8-6.

Farwell tied the visitors last year 14-14. Alexander adds that Seagraves doesn't carry boys on the varsity squad other than juniors and seniors. The line will average 190 pounds and

backs about 165. Alexander feels that Seagraves now will rank as good or better than Stinnett when the Steers met that team in 1961.

"I hope we can stay in reasonable distance of them and give them a good ball game," the coach adds. Roy Donaldson will be out of the lineup with a knee injury, other than that, the Steers will be full strength.

Roster for the Steers includes; Jerry Childs, left end; Alan Busbice, left tackle; Andy

Alcra or Darrell Crook, left guard; Ronny Henson, center; Johnny Actkinson, right guard; Gilbert Dale, right tackle; Butch Ford, right end; Leon Lovelace, quarterback; Danny Lindop, wingback; Jerry Herrington, fullback; Jerry Field, right halfback.

Defensive changes will be Danny Huffaker, halfback and Darrell Crook, guard. Those will probably be the only changes on defense this week, adds Alexander. Bobby Field started at defensive halfback last week.

Gates to the field open at 6:30 for automobiles with a 50¢ fee charged for cars taken inside the field.

Texico Boys Take Second Win, Defending Crown

Texico Wolverines, with a softball championship to defend, kept their eyes on the crown again Friday, by rolling over Logan 20-6, to give them two wins for the season. The winning pitcher was Billy Campbell, who was relieved by Mike Spearman in the last two innings. Johnny Green is coach. The Wolverines are defending

champs of the East Plains Athletic conference.

Emmitt Autrey and Campbell had five bats and five hits, and each scored four runs each. "It was one afternoon when everything the boys did was

One Delinquent Account Remains

Only one delinquent sewer account remains to be collected for 1962, according to Janie Bowery, city secretary.

Mrs. Bowery estimated that possibly 15 overdue accounts were on the books at the beginning of 1962. She mailed statements to past accounts, and now has only the one remaining bill to collect for the past year.

Miller To Hold Revival Services

Revival services will begin September 23 and last through the 29th at the Colored Mission Church in Farwell. Brother Miller from St. John's Baptist Church in Clovis will be the speaker.

Texico Girls Top Logan

Texico girls softball team won over Logan Friday afternoon 21-10, with Sue Starbuck and Pauline Taylor as winning pitchers.

Mary Creek, Vivian Duncan and Millie Autrey had 4 for 4, 4 bats and 4 hits, and Mary Creek scored four times, Duncan and Autrey scored three times each, and all other starters racked up at least one count for the girls.

The girls now have a 1-1 record. Next game is Sept. 24 here, against Melrose.

ESA To Hold Rummage Sale

Saturday at 3 the Theta Rho chapter of ESA will hold another rummage sale to raise funds for their philanthropic projects. Those wanting to donate items can contact Mmes. Mitz Walling, Don Williams, Hugh Mosely, Joe Roark, or any other ESA members.

The sales have begun successfully. Items that are especially needed are bed clothing, curtains, men's and children's clothing.

right" comments Coach Green, as he reviewed the win.

The Wolverines play San Jon today (Thursday) here, and will go to Dora Sept. 27. Game time is 2:30.

The East Plains Athletic conference takes in schools from Causey to Logan, says Green. San Jon, Dora and Elda are tabbed as teams that will be "tough" this year, Green adds.

Barbecue Tonight

The members of the Quarterback Club are sponsoring a barbecue tonight, (Friday) before the Farwell-Seagraves game. Serving will begin at 5 at the Farwell School cafeteria. Prices are \$1.50 for adults and 75 cents for children.

Graduates From Naval Training Base

Ricky Cooper of Farwell was among those graduating from the Great Lakes Naval Training Base in Illinois. Attending the exercises were his parents, Mr. and Mrs. L. L. Cooper, and sister, Leslie.

Ricky has been assigned to the Navy's Class A school of torpedo technicians. He will be home for two weeks before school starts in October.

Farwell Wins Over Bovina 46-0

A herd of Farwell Steers were too much for the Bovina Mustangs Friday night in a non-district clash on the losers' field as the visitors stampeded to a 46-0 win.

It was Farwell's ball game from the opening whistle. The Steers scored the first time they had the ball and racked up 20 points in the initial quarter.

The Mustangs, suffering from injuries and sickness, were able to make only one serious scoring threat, late in the third quarter. A highlight of the game was a 100-yard kickoff return by Farwell's Danny Lindop as the second half began. Lindop took a handoff and sped down the west sideline for the 100 yard gallop and six points.

Farwell kicked off, recovered a fumble on the kickoff on Bovina's 32, and scored five plays with Quarterback Lindop on Lovelace going the last 20 yards. The second time they had the ball, it took the Steers eight plays to score, and they were hampered by three penalties on the way.

Halfback Jerry Field set up the score on a 25 yard scamper to the Bovina five. Jerry Herrington put the ball on the one and Field went over from there. Lovelace placekicked the point, score 13-0.

Following the kickoff, the Steers recovered a fumble on the Mustangs first play from scrimmage. Field took a lateral 24 yards to the four and Lovelace went across. Lovelace's kick was true for 20-0 at the quarter.

NHS Initiates

The Farwell High School chapter of the National Honor Society initiated new members Tuesday morning. Sponsor, Mrs. A. C. Clarke, opened the program. A prayer was led by Johnny Actkinson and then candles representing scholarship, character, leadership, and service were lit by the NHS officers. President is Janice Prince; vice-president, Jane Bradshaw; secretary, Janice Meeks, and treasurer, Jerry Fields.

The new members are Jane Hubbell, Ronnie Smith, Doyle Johnson, Maudie Stancell, Theresa Quickle, Delton Willhite, and Diane Lovelace. The old members are the officers, Sherry Austin, Alan Busbice, Johnny Actkinson, Mary Coffey, Linda Phillips, and Donna Dunn.

All members must maintain an average of 89 1/2 or above. After the initiation ceremony, a report was given by Jane Bradshaw on a citizenship seminar that she attended in Huntsville. At the seminar, lectures were given on Communism. Those attending learned about life in Russia and something of the methods by which Communist propaganda is being spread throughout the world.

DWI Case Heard

One DWI case was heard in county court this week, according to sheriff's officials, with Troy Bridgeman of Muleshoe, pleading guilty Monday.

He was fined \$100 and costs in Judge Loyde Brewer's court. He was picked up Saturday night.

Showing off the new signs which have been placed on four streets leading to Farwell Schools are Ronny and Randy Walker, twin sons of Mr. and Mrs. E. A. Walker. The fourth graders stand near the northwest corner of the elementary playground. Other signs are located on the northeast corner of the playground and two signs at each end of the street running in front of the school. The Farwell city commission authorized purchase of the signs at the request of residents living near the school.

Drive Nets \$100 For Cystic Fibrosis

A total of \$100 was donated to the cystic fibrosis drive at a coffee conducted by members of Theta Rho chapter of ESA, the initial function of the group Tuesday morning.

Three restaurants will donate all coffee receipts on designated days, to the drive, according to Mrs. Mitz Walling and Mrs. Pike Jordan, philanthropic chairmen of ESA. Cystic fibrosis is the state project for ESA.

Teachers To Hold Meeting

Tuesday, September 24, the Farwell County Teachers will hold their first annual meeting in the Farwell School cafeteria. There will be a guest speaker, and a dinner will be served.

IN LOCAL FOOTBALL CONTEST

Rundell And Dale Tie

A tie for first place was recorded in area business football contest, with Weldon Rundell and Gilbert Dale tying for first place. Not only did they miss the same game predictions, but both predicted Farwell would top Bovina 30-6. Leon Watson placed second and William Dannhelm was third place winner. Four contestants moved into the top place for the overall contest, with Rundell, Mrs. Dorothy Bauer of Clovis, last week's winner, and Mrs. Billy White and Jim Clements accounting for 14 points

each. In this week's contest, both Rundell and Dale missed the Sundown-Hale Center games and the Pittsburgh Steers-Philadelphia Eagles games, since both games ended in ties. Both second and third place winners missed the same games.

Watson picked Farwell over Bovina, 34-12. Dannhelm guessed Farwell would be victors, 34-13.

Eleven contestants have a total of 13 points. The contest is sponsored annually by area businesses.

A ceremony was held recently at Texico High School to initiate these new members into the National Honor Society. From left to right they are Mike Spearman, Gwenette Lovett, Linda Hadley, Cynthia Spence, Kathy White, Sara Beth Walker, and Emmitt Autrey.

New members of the Farwell National Honor Society are from left to right Jane Hubbell, Teresa Quickle, Maudie Stancell, Diane Lovelace, Ronnie Smith, Doyle Johnson, Delton Willhite, and sponsor, Mrs. Frances Clarke.

Ball Park Underway By Lions

Many people have contributed time, money and supplies and work is progressing on the Lions Club sponsored ball park north of the Santa Fe depot, but much work remains to be done, says Johnny Green, who is working with the project.

Plans are to complete the ball park, and install lighting, with sponsors hoping to have the field lighted by next season, says Green. Anyone wishing to help with the project is asked to contact Green, Paul Wurster, James Craig or any member of Lions.

According to Green, lumber is needed for the forms for the dugouts, grass seed is needed and a tractor and drill to drill the seed. Green figures that about \$4500 will be required to light the field.

Much work has already been done, says Green, as he expresses appreciation to all those who have already contributed to the project. Santa Fe Railroad gave the land for the field and Southern Union Gas provided 200 feet of pipe for the backstop. Helton Oil provided 120 foot of pipe for the foul line fence, lumber was given by Kemp Lumber for the concession stand.

Clovis Fence Co. gave 400 foot of fence and paid for transportation to get the fence to the ball park and Curry County maintainer filled the holes and ditch. Miracle Manufacturing Co. furnished labor and welding materials for the backstop and with Red Prather's Phillip 66 furnished most of the labor for the erecting the backstop.

Gifford Hill Western gave the cement for the holes and are digging the dugouts and furnishing cement for this project. N. L. Tharp bladed the diamond and Joe Blair floated the area. Bud Peyton dug the holes for the backstop. Hoist used in construction of the backstop belongs to Mountain States Telephone and Cover Shop made the bases. Home base and pitcher's plate was made by C. H. Webb and Jack Wardlow aided in digging dugouts.

Others who have helped at the park include Ed Farmer, Lloyd Cain, Jim Pierce, Jim Ussery, Dutch Quickle, Otis Huggins, Joe Helton, Elmer Teel, James Craig, Vernon Thigpen, James Calder, Bobby Hapke, R. E. Crooks and Ralph Franse.

Cash donations have been made by Southern Union Gas, Woodmen of the World, Texico Fire Department, Farm Bureau and a visitor to the Lions club.

Lions To Sell Light Bulbs

Light bulb sale, sponsored by Texico-Farwell Lions Club, is planned this Saturday, beginning at 9 a.m., says John Getz. A house-to-house canvas is let by the group.

Getz says 60, 75 and 100-watt bulbs are available in any combination. Charge is 25¢ a bulb.

Legal Notice

NOTICE TO BIDDERS OF CITY'S INTENTION TO LET CONTRACT OR CONTRACTS FOR MAKING CERTAIN IMPROVEMENTS TO THE CITY'S WATERWORKS SYSTEM, TO-WIT: CONSTRUCTING AND INSTALLING A WATER TOWER, AND TO ISSUE TIME WARRANTS NOT EXCEEDING \$35,000 IN PAYMENT OF ALL OR A PORTION OF THE COST THEREOF

SEALED PROPOSALS addressed to the Mayor and City Commission of the City of Farwell, Texas, will be received at the office of the City Clerk, City Hall, Farwell, Texas, until 5:00 o'clock P.M., on the 4th day of October, 1963, for furnishing all labor, materials and equipment and performing all work required for making improvements to the City's Waterworks System as follows:

Furnishing and installing a 125' height watersphere type tank, 100,000 gallon capacity of pickled steel construction, tank of 1/4 inch and base of 1/2 inch steel, on concrete foundation to be located on

Block 31 in the City of Farwell, Texas

all in accordance with specifications and plans approved by the City Commission, on file in the office of the City Clerk, and at such time and place all such proposals will be publicly opened and read.

PLANS AND SPECIFICATIONS may be examined without charge in the office of the City Clerk, City Hall, Farwell, Texas.

A CERTIFIED OR CASHIER'S CHECK, or an acceptable bid bond, in an amount not less than five per cent (5%) of the total bid shall accompany each bid as a guaranty that, if awarded the contract, the bidder will promptly enter into contract with the City of Farwell, Texas, and furnish bonds on

the forms provided.

THE SUCCESSFUL BIDDER will be required to furnish a Performance Bond and a Payment Bond, each in the amount of the contract, written by a responsible Surety Company authorized to do business in the State of Texas, and satisfactory to the City Commission, as required by Article 5160, V.A.T.C.S., as amended by H.B. 344, passed by the 56th Legislature, Regular Session, 1959.

BIDDERS are expected to inspect the site of the work and to inform themselves of all local conditions.

ATTENTION OF BIDDERS is directed to the provisions of House Bill No. 54, Chapter 45, passed by the Forty-third Legislature, at its Regular Session, requiring that not less

than the general prevailing rates of per diem wages for work of a similar character in the locality where the work is performed, shall be paid all laborers, workmen and mechanics employed in the construction of public works.

IT IS THE INTENTION of the City Commission of the City of Farwell to issue time warrants to the contractor or contractors in payment of all or a portion of the cost of the above mentioned improvements, not to exceed the principal sum of THIRTY FIVE THOUSAND DOLLARS (\$35,000), said warrants to bear interest at a rate of not to exceed FIVE PER CENTUM (5%) per annum, and to mature serially, the maximum maturity date to be not later than December 31, 1973.

The City will make arrangements for the contractor to dispose of the warrants herein mentioned at their face value, and the contractor must agree to deliver the warrants at face value to the party with whom the City has made such arrangements.

The City reserves the right to reject any or all bids and to award the contract to that bidder or bidders, who in the opinion of the City Commission, offers the proposal to the best interest of the City.

FRIENDS

We could tell you why you'll be pleased when you select the Security State Bank as your bank, but we'd rather have our own friends and customers tell you about us.

Ask them, for example:

- "Is it a friendly bank?"
- "Will my business really be welcome?"
- "Can I talk things over confidentially?"
- "Can I have complete confidence in it?"
- "Will I like banking there?"

We'll rest our case with our customers---if you are not already a customer, we hope to be seeing you soon. Our banking services can be tailored to your particular requirements.

Womans Club Discusses Building

One topic of discussion Monday night at the first meeting of the Texico Woman's Club was concerning the rules for

use of the Woman's Club building, says Mrs. Wesley Engram, president.

Rental income on the building in 1962 was \$30. Upkeep and utilities last year totaled \$68.22. Thus the club has a deficit of \$38.22, Mrs. Engram says. It was voted that every-one without exception pay \$5 for use of the building -- club sponsored affairs only are exempted.

Hostesses for the Monday night meeting were Mrs. John Hadley, Mrs. Bob Lebow, and Mrs. Rip Snodgrass. Jackie Hughes, Girl's State delegate, gave a report on her trip. Year-books were handed out and then regular business matters were discussed. The rest of the time was spent visiting and enjoying cake, punch, and coffee.

About 14 were present, Mrs. Eddie West was a guest. Officers are Mrs. Engram, president; Mrs. Charles Stockton, vice-president; Mrs. John Hadley, secretary; and Mrs. Elmer Teel, treasurer.

Fred Barker Feted On 74th Birthday

Fred Barker of Texico celebrated his 74th birthday with a family dinner. Present were family members and brothers and sisters from East Texas. Present were the Elmer Langfords, Fred Barkers Jr. of Friona, Lester Harrelsons of Fort Sumner, Weedy Coffmans of Farwell, Leon Langfords of Pleasant Hill, Wilson Barkers of Cleburne, M. O. Browns of Cleburne, and Miss Bernice Brown of Dallas.

Those calling who couldn't attend were Mr. and Mrs. Robert Widener of Holtville, California; Sharon Wilson of Hobart, Oklahoma; Frankie Coffman of Ft. Collins, Colorado; and Mr. and Mrs. Jim Moss of Texico.

The Women's Page

Chris Moss, Society Editor --- Phone 481-3681

Mrs. Thigpen Honored With Stork Shower

Monday night, Mrs. Bill Thigpen was honored with a stork shower held in the basement of the Texico Baptist Church. Hostesses were the Texico Fireman's Auxiliary members, Mmes. Russell Johnson, C. H. Webb, Roy Snodgrass, Rip Snodgrass, Elmer Teel, Sam Lewis, John Adams, Otis Huggins, and Tena Roth.

The serving table was covered with lace. Pink floating punch, cake decorated with pink and blue rosebuds and mints were served. Mrs. C. H. Webb served punch; Mrs. Russell Johnson served the cake, and Tena Roth registered guests.

Those attending or sending gifts were Mmes. F. S. Thigpen, Kenneth Doolittle, H. H. Billingsley, Dennis Raney and Starla Gay, Leon Billingsley, John Adams, Russell Johnson, C. H. Webb, Windborn Hardage, Jerry Trower, Herb Potts and Joan, James Pierce, C. E. Stockton, Olen Schleuther, F. N. Lewis, Sam Lewis, P. T. Doolittle, Dorothy Mason, Sam Hunkill, Joe Helton, Rip Snodgrass, Roy Snodgrass, and Jimmy Al-man, Irene Dyer.

Also Mmes. Allie Burris, Bertha Hardage, Carol Martin, Elmer Teel, Lois Rundell and Judy, Tena Roth, Lucille Hardage, Clarabelle Smith, Kathleen and Patricia, Sharon Hendrix, Judy Jones, and Grandmother Billingsley.

Also Mmes. Stanley Stewart, Ed Combs, Leroy Faville, and Nora Day.

Farwell FHA To Hold Initiation

The Farwell chapter of the Future Homemakers of America will have initiation ceremonies Monday, September 23, at 7 p.m. The formal installation will be held October 14. The program committee has planned the year's activities. All girls interested in FHA are invited.

STEPHEN DOOLITTLE Celebrates Birthday

Little Stephen Leroy Doolittle celebrated his second birthday September 19. He is the son of Mr. and Mrs. Kenneth Doolittle of Texico. Grandparents are Mr. and Mrs. F. S. Thigpen and Mr. and Mrs. T. T. Doolittle, all of Texico.

Norma Sanders Married In Clovis

Norma Lee Sanders, daughter of Mrs. Grace Sanders of Texico, and Ozro Huff of Hereford were married September 3, in Clovis. Huff is engaged in farming. The couple is at home at 1315 Axtell in Clovis.

Mrs. Rundell Is Hostess

Mrs. Zula Rundell was hostess to a dinner in her home in Oklahoma Lane Sunday. Attending were Mr. and Mrs. Sam Billingsley, Mr. and Mrs. Claude Primrose, Mr. and Mrs. Buddy Jones, Mrs. Ella White, Mrs. Grace Jones, Mrs. Condy Jones, Mr. and Mrs. Earl Billingsley, Mrs. Ruby Dixon, Laura Temple, and also Mrs. Ella Montgomery of Johnson City, Texas.

Mrs. Montgomery has been a guest of Mrs. Dixon and Laura Temple during the past week.

Farwell Residents Attend Luncheon

The Hereford Delta Kappa Gamma members hosted a salad luncheon meeting for Delta K1 Chapter members in the Community Center in Hereford Saturday to begin the new year's work.

Miss Della Stagner, president of the Hereford chapter, called the meeting to order and preliminary work was completed. The general assembly was followed by committee workshops in which work was completed prior to the luncheon. Mrs. Genevieve Howe read the club collect.

Following the luncheon, roll call was answered by 35 members, naming a recently read book and giving a brief sketch. A list of these books was compiled later and will be made available for each member.

Mrs. Sophie Snare, Mrs. Leta Kaul, Miss Erma Walker, and Miss Della Stagner gave highlights of the state convention in San Antonio last June. These reports were both inspirational and informative.

The president had named a new committee, to be known as a courtesy committee. She explained the duties of this committee which is made up of one member from each town represented in the chapter. Mrs. John Boling will represent Farwell.

Those attending from Farwell are Mmes. Claude Coffey, E. G. Williams, and John Boling.

School Lunch Schedule

Monday: Whole kernel corn, spinach, pickles, corn bread and butter, milk, and chocolate pudding.

Tuesday: Chicken salad sandwich or plimento cheese sandwich, french fries, pork and beans, bread and butter, milk, and cake.

Wednesday: Meat loaf with catsup, buttered potatoes, mixed vegetables, rolls and butter, milk, and peaches.

Thursday: Hamburgers, potato chips, tomato and lettuce salad, onions, pickles, and applesauce.

Friday: Salmon, baked potatoes, green beans, cheese slices, rolls and butter, milk and pumpkin pie.

Schell-Lovelace Repeat Vows

Karen Sue Schell, daughter of Mr. and Mrs. Virgil Schell, and Thomas Eugene Lovelace, son of Mrs. Gene Lovelace and the late Mr. Lovelace, were married in a private ceremony in Hereford, September 11. After a trip to Red River, the couple is at home in Farwell.

JOTTIN'S By Jeanne

I had a sneak preview of the new Southwestern Public Service building last week and it is a beauty. Spacious and attractive, the building features birch paneling on the interior and of course, the lighting is most attractively planned.

The employees in the local office are anxious to get moved, but don't know yet when the big day will be. It shouldn't be too long.

The new voice you news reporters have heard at The Tribune, belongs to Linda Crume, who is helping to keep things moving this week.

Iris Goldsmith, who aided us for a few weeks, has returned to her classes at Abilene Christian College. We were happy to hear that Linda was home and could assist in keeping things running smoothly here at the office.

Chris Moss, the Tribune society editor, returned to the doctor last week, and reports that it won't be too many weeks before she is back with us.

I had a request to reprint the recipe for Kool-aid punch which I had included in this column quite some time ago.

Make a syrup of 1 cup water and 2 cups sugar. Cook until Add one quart of ginger ale, 1 pkg. of Kool-Aid (strawberry is delicious and pretty), 1/2 cup lemon juice, 2 cups pineapple juice, 10 cups of water.

Coffee Honors Carrie Hardage

The Friendship Class of the First Baptist Church of Farwell hosted a coffee honoring Mrs. Carrie Hardage who is moving to Lubbock. The affair was held in the home of Mrs. Clyde Magness Monday morning. Doughnuts and coffee were served.

Those attending were Mmes. Dick Gerrie, J. L. Bass, Harden Reed, Bruce Blair, Bill Moss, Clay Henson, Sterlyn Billington, Mitz Walling, Willie Hardage, Johnnie Williams, Dora Johnson, Clytie Dial, and Clyde Magness. Besides the honoree, another guest, Mrs. Bill Kirk of California, attended.

A salad supper in the home of Mrs. Bruce Blair highlighted the first meeting Monday of Farwell Study Club. Members in the picture are Mesdames Lenton Pool, C. C. Christian, John Boling and L. R. Vincent.

Farwell Study Club Has First Meeting

The Farwell Study Club opened the new club year with a salad supper at the home of Mrs. Bruce Blair. Hostesses were Mmes. Blair, Ann Smith, Partin Austin, and R. S. Shuman. It was guest night and several guests attended.

After a supper of various kinds of salads, the ladies enjoyed the singing of the Club Collect by Susan Blair who was accompanied by Diane Love-

lace at the piano. Mrs. Clytie Dial presented a short program on "Federated Women's Clubs."

During the business meeting, the yearbooks were distributed to the members and projects for the coming year were discussed.

Guests attending were Mmes. Cricket Taylor, Beulah Hobbs, Amos Tatum, and J. B. Benderman. There were 15 members present.

HOSPITAL NOTES

Mrs. V. L. Martin entered the Friona Hospital last week. She is reported to be doing well.

Mose Glasscock, who is hospitalized at Methodist Hospital in Lubbock, is reported to be some improved. His wife, who has been at his bedside, was in town briefly Tuesday and reports that he is recuperating from encephalitis.

Tim Crume, son of Mr. and Mrs. Kirt Crume, returned to school this week, after an illness of several weeks. He is doing well, his father reports.

Mr. and Mrs. T. Y. Scott of Amarillo were guests in the Russell Johnson home. Mrs. Scott is a niece of Johnson. They had not seen each other for 30 years.

Stich And Chatter Club Meets Thursday

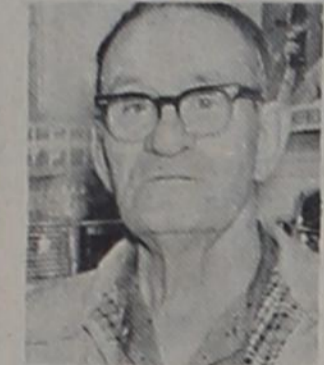

Twelve were present Thursday in the home of Mrs. Corel Hulsey for a meeting of the Stich and Chatter Club. Mrs. Kitty Newton brought some handwork which was discussed. The rest of the time was spent playing games and enjoying refreshments.

Those attending were Maggie Robertson, Nanny Hines, Fairy Stovall, Hattie Thomas, Kitty Newton, Dora Johnson, Mamie Dyer, Hedwig Gast, Jeannie Cox, Viola Birchfield, Corel Hulsey, and a guest, Mrs. Shultz from Brownfield.

Officers for the club are Mrs. Corel Hulsey, president; and Mrs. Dora Johnson, secretary-treasurer.

The next meeting will be an all-day meeting at the home of Mrs. Susie Jesko in Clovis.

Uncle Ray's 'Hot Air'

Little Girl: "Daddy, will you tell me a bedtime story?"

Union Leader: "Once upon a time and a half . . ."

"Fore!" shouted the golfer, ready to play, but the woman on the course paid no attention.

"Fore!" he repeated a bit more loudly.

"Try her with three ninety-eight," suggested his partner, "and then watch her move."

When they mention bargains, think of Uncle Ray's Big Little Store for your needs.

CHRISTIANITY

Is The Bulwark of Our Way of Life

THE VALUE OF SCRIPTURE
By Carroll Jackson

In ignorance man frequently overlooks his greatest possession. The test of ages reveals that this is true. The recent Supreme Court ruling to bar Bible reading in classrooms further reveals this truth. Well did the prophet say, "My people perish for a lack of knowledge." (Hosea 4:6)

The value of the scripture is very real, if one will think seriously upon the subject for a while. Granted that God is revealed in nature, or His "elder scriptures" as someone has said, but the full meaning of God can only be appreciated after one has studied the source that God has given man. Apart from the scriptures can man know anything about Christ? It is admitted that Christ was with God in creation, but apart from the scriptures, how could a man learn about Christ? A co-agent with God and Christ is creation was also the Holy Spirit; yet, apart from the scriptures how could one come to know anything about Him? The full nature of the God-head and their relationship to all of humanity comes only through the revealed source that we know as the Bible.

In light of this fact, though, it is sometimes amazing when one encounters a person who seems to be an authority on the Creator yet knows nothing or little about the source that reveals Him! There are far too many today who are willing to accept what someone says about God rather than study for themselves, directly from the source, about God. In our society, who is there who would recognize a critical leader of education who had not first studied about education? To be accurate in the appraisal and criticism of any field, we recognize that a person have first of all acquainted himself with the specific field involved. Is there any less a need in the field of religion?

For years our society has boasted that the Bible is our best selling book. I wonder, though, how many know anything about what this book says?

The only way we may appreciate the fullness of the God-head is by what this source reveals. What do we know about God?

Okla. Lane Club Has Meeting

The Oklahoma Lane Home Demonstration club met Thursday in the Community Center. Plans were made to purchase a shuffleboard game for the center.

New officers were elected. President is Mrs. Edmund Kitten; vice-president, Mrs. J. D. Terry; secretary, Mrs. Henry Haseloff; treasurer, Mrs. Vernon Symcox; council delegate, Mrs. Joel White; and parliamentarian, Mrs. Walter Kaltwasser.

Hostess for the meeting was Mrs. J. D. Terry. The next meeting is scheduled for October 10. The county agents to present the program.

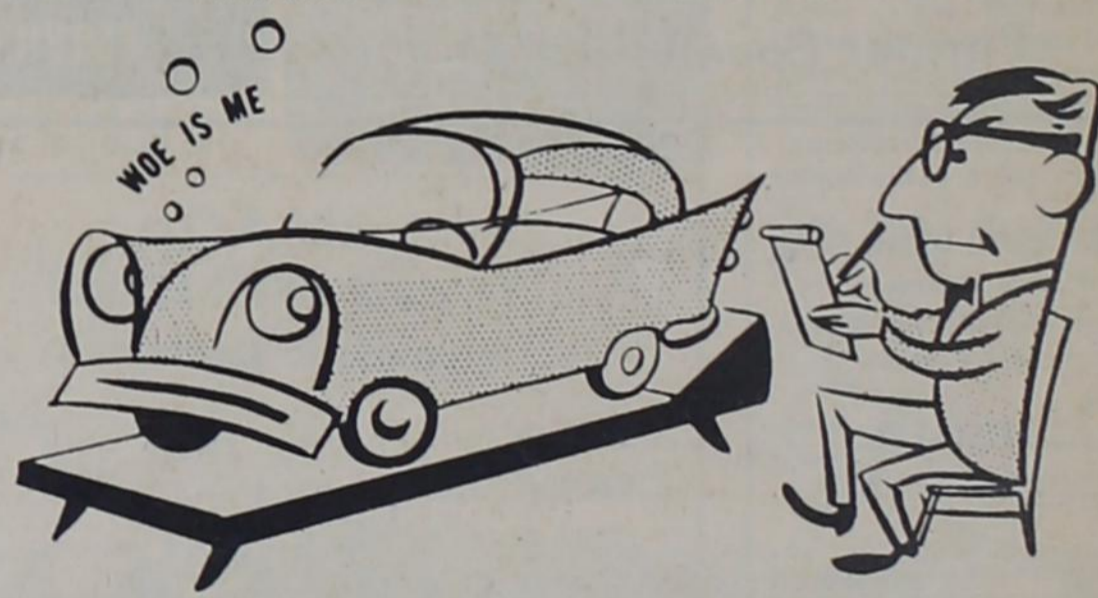

Motor sluggish? It's often ignition trouble. Drive in, let us check your wiring, points, spark plugs, generator. We'll put new pep in your motor!

IRRIGATION MOTORS PICKED UP AND REPAIRED

Karl's Auto Clinic

Smokey And Fred
481-3687 Farwell

If your car could tell you its troubles . . .

Bothered by pounding headaches? Hard to get up in the morning? Oppressed by that "tired" feeling? Your car's troubles might be traced to an inadequate "diet".

Better prescribe a "tonic" of Flite-Fuel or Sixty-Six Gasoline.

Phillips 66 motor fuels have what it takes to make your car "feel" better fast. And perform better! You'll notice faster starting . . . no stalling . . . livelier acceleration . . . smoother power!

Get all the performance your car was designed to give you. Fill up at your Phillips 66 Station.

Progress Report Heard On Running Water Draw Project

Several Parmer County persons attended a called meeting of the Running Water Draw steering committee and other interested parties in Plainview. Frank Gray, Lubbock, chairman of the State Soil Conservation District Board, attended the meeting, along with Congressman George Mahon, and state representative Bill Clayton. Those attending from Parmer County were Bruce Parr, A. L. Black, John Littlefield,

Bill Lyles, Judge Loyde Brewer and Jimmie Smith. The main purpose of the meeting was to present Gray with a total of \$70,000 in commitments for financing the draw project. It was the theory while raising the commitments from the various counties that this might help the project's priority. Gray wouldn't commit himself on how soon any actual work might be done on the project,

but did say "Very soon we will have to get the planning started, and also very soon we will see dams on the draw, as we now see in this picture (referring to a picture of the Brady Creek Watershed, displayed at the meeting.)" F. F. (Flip) Calhoun, chairman of the steering committee, commented that he hoped to see the planning committee at work by January.

THE HIGH PLAINS FARM AND HOME

TOPPING COTTON on the Spencer Hough farm is Lloyd Rector. The operation lets the sun to bolls which have formed, allowing them to mature, and not be slowed down, while ridding the plant of its top, which continues fruiting up until frost.

Weatherman Predicts Drought For Texas

Farmers in the bone dry, parched areas of Texas are apt to find little comfort in predictions of a Denver meteorologist. "By 1972 or 1975 we're likely to have seen a drought on the Great Plains more severe and more sustained than the droughts of the 1930's and 1950's", according to Dr. Walter Orr Roberts. A director of the high altitude observatory at the University of Colorado, Dr. Roberts made his long-range forecast shortly after the end of the disastrous 1950-57 drought. And now after a six year interval, several South and Central Texas counties are once again being designated as drought disaster areas.

Some hope can be gained from a New Englander, Dr. Hurd C. Willett of the Massachusetts Institute of Technology. This summer, Dr. Willett said the Southwest should begin to get some relief from its present dry spell before the end of 1963. He qualified his prediction as "off the cuff", however, based on a cursory glance at the statistical pattern of dry cycles. In some respects, Texas is in much better shape to withstand the ravages of a drought than it was at the start of the long scorcher of the 1950's. The Texas Water Conservation Association figures show that in 1950, Texas had only 63 reservoirs with 5,000-acre feet or more capacity which held a total of 7,400,000 acre-feet of water. Stock and irrigation needs during the seven-year drought depleted this supply alarmingly. Today, however, Texas now has 116 such reservoirs with a total usable conservation storage capacity of 14,932,000 acre-feet. Twelve more are under construction which will have 9,055,000 acre-feet capacity when completed. Should another long drought be on the way, Texas will have approximately three times more water in reserve than it had 13 years ago. These figures are reassuring but do little to help farmers in dry land areas which are heavily dependent upon annual rainfall to make a crop. This includes a majority of the Texas cropland. But at least, efforts to increase our storage capacity in recent years has done much to provide adequate municipal water and much livestock supplies.

Overplanting Allotments Can Cause Reduction

Overplanting wheat allotments this year can reduce a farm's future allotments, according to R. J. Mears, agronomist with the Texas Agricultural Extension Service. This effect on a farm's wheat history is one of several factors which farmers will want to consider in planning their 1964 crop operations. Mears calls attention to a provision of the law passed in 1958 which can affect a farm's

wheat acreage history. It directs that when no marketing quotas are in effect, farms exceeding allotments will receive that year's allotted acres as history for future allotments. Complying farms receive their base acreage as history, he says. The agronomist cited this example of how the provision would apply on a farm with a 100-acre wheat base and a 1964 allotment of 60 acres. If a farmer complies with his allotment, his wheat acreage credit for 1964 will be based on the 100-acre history. But if he exceeds his allotment, he will be credited with only 60 acres in computing his 1966 allotment. Overplanting for the 1964 wheat crop will not affect the 1965 allotment since national and state 1964 wheat acreage figures will not be available when allotments are determined. A farmer who overplants his 1964 allotment, Mears points out, can still avoid loss of base acreage history. He can dispose of his excess acreage by the deadline date for his county and still receive his 1964 base acreage as history credit in determining future allotments. By thus complying with his allotment, he also becomes eligible for price supports. Farmers are urged to check with the local ASC office for further information on the 1964 wheat program, says Mears.

On The Farm In Parmer County

By DERYL COKER County Agent

Farmers in our area are real progressive and in most cases will do or try anything that might net them more money per acre, but sometimes we get in too big a hurry and overlook some things. Lets not overlook the baking quality of the wheat that we plant. We have a very high quality wheat and at the present time mills buy it without any hesitation. It has been brought to my attention that a few farmers have brought wheat seed of the Gaines variety. This particular variety is a soft white winter type and is not recommended in our area. It is very low in protein and has a low sedimentation reading. It might be that you would not be able to sell it after you raised it, also overplanting wheat allotments this year can reduce a farm's future allotments. This effect on a farm's wheat history is one of several factors which farmers will want to consider in planning their 1964 crop operations.

Some 17 species of trees and shrubs will be available from the Texas Forest Service for planting by Texas landowners early in 1964. Application forms for ordering trees may be obtained from the County Agent. Delivered cost of the trees is \$1.50 per hundred. The trees and shrubs are grown under contract for the Texas Forest Service in climates similar to that in West and Central Texas so as to insure high livability. These trees may be obtained for soil stabilization, windbreaks or for Christmas tree plantings. However, they cannot be used or resold for shade or ornamental purposes. If you want trees, be sure and place your order this fall. There are not many fields of grain, sorghum, that haven't bloomed but any field that is in bloom or will bloom is in trouble, unless proper treatment has been taken. Every farmer in the county should familiarize himself with the sorghum midge, for as it looks now, we will have to live with this little insect. The only way to beat the sorghum midge is to plant early. Almost any variety planted by May 10 should be ahead of the midge. As it looks now I would certainly recommend that we all make plans to plant early in 1964. As of yet, not a great deal of wheat has been planted, so let's plant the varieties that are recommended. Recommended: -- Tascosa, Bison, Kaw, Aztex, Ponca, Warrior. Acceptable: -- Concho, Crockett, Commanche, Improved Triumph. A few farmers are going to plant a variety of wheat called Gaines, but let me remind you it is a white wheat and is not suited to commercial bakery flour. It is not recommended in Texas and its seeding should be discouraged by all wheat farmers, because it will greatly reduce the value of wheat from our area. Nearly everyone in the county has some water grass, and each year it is becoming more of a problem. On turn rows and irrigation ditches, Propazine at the rate of three to four pounds per acre should control it. In using Propazine every precaution should be taken because it will kill some crops. I will have more information on the use of Propazine later in the year.

Holly Sugar Corp. Declares Dividend

The Board of Directors of Holly Sugar Corporation has declared a quarterly dividend of 40 cents per share on the Corporation's Common Stock, payable November 1, 1963, to Stockholders of record September 30, 1963. The previous quarterly dividend was 35 cents per share. Dennis O'Rourke, President of the Corporation, said thus far this year the volume and quality of the Corporation's beet receipts and sugar production have been generally good. He said that the relatively high market prices of sugar during last spring have given way to prices only moderately above (Continued on next page)

what's it cost?

Just a penny and a half a day to do the dishes the clean, sanitary way. The electric dishwasher is another example of the many ways dependable electricity serves you daily. And, your electric service dollar buys more than ever before -- 24 per cent more. Probably your electric service bill is greater than it used to be but that's because you're using more. Add up the different ways electricity serves you -- you'll be amazed... and happy at the bargain you're getting.

ELECTRIC SERVICE...

the biggest bargain in your family budget!

Foreign Markets Critical To U.S. Wheat Growers

Acceptance of U. S. wheat in foreign markets is of critical importance to American growers since more than half of our total production moves into these markets according to the USDA. And increasing competition in the world markets has intensified the need for wheat of more dependable quality, the Department adds.

For the past two years, the USDA's Agricultural Marketing Service has been reviewing the official U. S. wheat standards, in cooperation with members of all segments of the wheat industry, State Departments of Agriculture and other agencies, and with state and commercial inspection agencies. Through a series of meetings, attention was called to the real purpose of the standards, that is, to constitute a measure of wheat value that can be used by the buyer and seller, in terms that will measure end-use value.

Noted in particular was the wide variation of quality in each of the grades. Consequently, on August 1, the USDA proposed a revision of the present wheat standards.

The proposed changes are: to set maximum limits in the numerical grades for total defects, such as damaged kernels, foreign material, and shrunken and broken kernels. To lower the limits of shrunken and broken kernels. Both these proposals would provide a cleaner, more merchantable product, according to the Department.

Another proposed change concerns dockage, or the material other than wheat removed by cleaning. It would require that dockage be stated by whole and half percent, instead of whole percent as at present.

Still another change would place wheat with more than 13.5 percent moisture in the "tough" category. Another change would recognize higher than normal test weights per bushel by providing for a special "heavy" grade.

The name for Western White Wheat would be changed to Mixed White Wheat, which is more descriptive of the subclass, in another change proposed. Discontinuing the smut dockage method for appraising the quantity of smut in a lot of wheat, since the scouring method to determine smut dockage is no longer in use, is another proposed change. And a further change would eliminate Western Red Wheat from the official standards since this wheat is no longer produced.

Wheat is one of the most important agricultural crops in terms of dollar value and in quantity exported, says the USDA. Therefore, wheat growers, processors, handlers, and

exporters stand to gain much from meaningful grades, and standards to describe those grades.

Public hearings have been scheduled during October to consider the proposals. These will be held at Kansas City, Mo., Oct. 1; at Minneapolis, Minn., Oct. 4; Portland, Ore., October 8; and Toledo, Ohio October 11. Those interested in submitting their views on the proposals may do so by October 31, to the Grain Division, Agricultural Marketing Service, U. S. Department of Agriculture, Washington D. C., 20250.

Holly Sugar--

those at this time last year. In the absence of adverse developments, Mr. O'Fourke said that Holly could expect earnings this year better than last year's.

The President stated that the Corporation is in the midst of a large new factory construction program at Hereford, Texas, which is substantially on schedule at the present time, and if completed as now anticipated, will be ready to process beets in the fall of 1964.

Cultivator Used To "Top" Cotton

A new use for the "Hi-Trac" cultivating machine was made near Friona last week. Lloyd Rector, who owns the machine along with his brother Floyd, put it to use in "topping" cotton on the Spencer Hough farm.

The cutting attachment has mainly been used to "top" maize fields. The Rectors have used it in about 1,000 acres of maize. It was the first time it had been used in cotton.

"With the cotton being late, this will trim off the late stuff in the top of the plant, and allow the bolls a chance to make good," Rector said.

He pointed out that in addition to giving the bolls more sunlight and helping the crop to maturity, the topping operation should help the grade considerably.

INDICATING DIFFERENCE in cotton plants which have been "topped" is Lloyd Rector, after taking as much as a foot off the larger plants with his topping machine.

At Home In Parmer County

By CRICKET B. TAYLOR
County HD Agent

Cricket

To represent Parmer County at the Texas Home Demonstration Association in San Antonio, September 18 and 19th will be Mrs. Walter Kaltwasser, Parmer County THDA Chairman for 1964 and Mrs. Ralph Price, Black Home Demonstration Club. In this conference representatives from Home Demonstration clubs from all parts of Texas will assemble to discuss programs and plans to improve home and community living. The Parmer County Home Demonstration Council made plans last Monday for their annual luncheon to hear reports of the Delegates. This will be held October 7, in Friona from 10:00 A.M. till 2:00 P.M.

Mrs. Walter Schueler of the Rhea community has assumed the responsibilities of a 4-H adult leader. She will work with the other adult leader, Mrs. Franklin Bauer in assisting 4-H members with project work, program plans and other 4-H activities in that club. The community 4-H clubs in Parmer County are starting now to plan for a very busy season.

Now that fall weather is in the air, our thoughts turn to wardrobe planning for warmer clothing. This means that sewing machines will be busy for those who sew. Do you need some information about sewing these lovely double knit fabrics?

DOUBLE KNITS for home sewing are relatively new, although jerseys are familiar to most women, points out Mary Routh, Extension Service clothing specialist with Texas A&M University.

While no special skill is required to sew double knit fabrics, an understanding of their characteristics can simplify and speed the handling.

Select a pattern with few seams, a rather easy fit, and no buttonholes. It is wise to avoid circular skirts and bias cuts, reminds Miss Routh. Weight of the double knit fabric should be chosen to conform to the design of the pattern. Hand if the knit fabric is "off grain" more than one inch, it should be straightened by pulling slightly on the bias while steam pressing it.

All knit fabrics should be shrunk before cutting — steam pressed at home or at the dry cleaners.

Double knits are made in tubular form and some are sold this way. Others are cut along the fold of the flattened tube and edges are overcast. The lengthwise edges should be examined before buying the fabric to see that they follow the grain line. In knits, the grain line is a continuous rib. In the finished process, some tubular knits twist as much as 4 to 6 inches. This cutting along the fold cuts across the continuous ribs the depth of the twist. To straighten such fabrics will cause some loss.

"If the tubular knit has not been cut, baste along the rib the entire length of the fabric, refold on this baste line and pull the fabric into a flat shape as it

Officers Elected At PCG Meeting

LUBBOCK -- Continued confidence in current leadership was the order of the day September 12 in the election of 1963-64 officers of Plains Cotton Growers at the producer organization's annual meeting.

W. O. "Mr. Bill" Fortenberry, President of PCG since its beginning in 1956 and to whom the meeting was dedicated, became Chairman of the Board of Directors; Wilmer Smith a New Home farmer and Vice President of Plains Cotton Growers since 1956 was elevated to President; Roy Forkner, Lubbock, former PCG Secretary-Treasurer was elected Vice President, and a long-time active director, John D. Smith, of Littlefield, was elected Secretary-Treasurer.

Fortenberry was honored at the meeting by the presentation of a large plaque and was cited as "Mr. Cotton" on the South Plains.

is steam pressed."

If you are interested in improving techniques and skill come by the Home Agent's office on the second floor of the Farwell Courthouse for further help and information. "Make Your Own Belts & Buckles" is a good bulletin available to those who sew.

FOOTSAVING EDUCATION

by James E. Edwards

Foot Care For Children #5

Principle #6
There should be firmness around the heel of the shoe. The sole should be flexible where the foot bends and the leather soft. Avoid heavy, clumsy shoes. A cloth lining in the toe section protects chafing of sensitive toes.

Principle #7

Young children should wear high shoes that lace up over the ankle. Save the sandals and Mary Janes for "Dress up".

Principle #8

I can't emphasize too much the fact that shoes should be replaced frequently with larger sizes. The need for larger sizes may occur as often as every month or two, especially in the very early years. At the age of 10 years, the rate usually slows down. Tight footwear can cause untold damage. Never permit your child to wear the wrong size of footwear. Discomfort deformed toes and toenails are a few results.

Residents Warned Of Securities Frauds

Two promoters, one of them under a three-year prison sentence, were in jail Monday in a crackdown on illegal stock selling in the Texas South Plains area.

C. L. "Ducky" McCaleb was jailed in Littlefield awaiting grand jury action on a charge that he assisted in offering for sale unregistered stock in Central Equity Corporation, a nursing home holding company based at Wichita Falls, without being licensed as a securities dealer or salesman. The complaint was filed by State Securities Board Investigator Rex Aycock.

McCaleb also was indicted in Lubbock three weeks ago for violation of the Texas Securities Act in connection with sales of stock in Roka-Bed Corporation. Securities Commissioner William M. King last June issued a Cease and Desist Order prohibiting sales of the stock.

Following issuance Saturday of a District Court order for execution of a three-year prison sentence and \$1,500 fine imposed on him February 11, 1963, W.C. "Johnny" Johnson is being held in jail at Littlefield for Carson and Sherman County authorities for trial on Securities Act charges. Johnson pleaded guilty at Littlefield to unlicensed securities selling, but Lamb County District Judge Pat Boone, Jr. postponed execution of the prison sentence and fine until January 1, 1964, under an agreement that Johnson repay \$11,500 received for the sale of securities and re-

frain from further securities sales. District Attorney Jack Young of the 154th Judicial District, which includes Lamb, Bailey and Parmer counties, warned prospective investors to investigate before buying securities from itinerant dealers. He suggested that they confer with the District Attorney's office, the State Securities Board in Austin, or the local Better Business Bureau regarding the securities offered and the salesman's credentials.

Commissioner King said that an unusually large number of cases involving questionable securities have come to his attention lately from the South Plains area. King cited the excellent cooperation the Securities Board is receiving from District Attorney Young and Lubbock County District Attorney Alton Griffin.

Mr. and Mrs. Morris Gray of Huntington, Ind. arrived Monday of last week for a visit with their son and his family, A2C and Mrs. James Tuggles and daughter.

Enroute to Farwell, the couple was involved in an accident in Amarillo. Their automobile was damaged in a collision, but neither of the visitors were injured.

Dial Named Hound of Week

Prior to the kickoff of the collegiate football season Saturday, one of the big questions at Eastern New Mexico was: Can a sophomore quarterback with less than 15 minutes collegiate experience be an adequate starter and provide leadership for a young ball club?

That quarterback, Benjy Dial, answered the question Saturday night with a solid "yes" when the Greyhounds slugged it out toe to toe in Las Cruces with the New Mexico State Aggies before losing 21-0. Dial is the son of Mrs. Clytie Dial.

In his initial start as a college quarterback, the youth from nearby Farwell, was selected unanimously by press box observers as the "Hound of the Week" for Eastern.

Each week throughout the football season a member of the Greyhounds is selected by press box members as "Hound of the Week" for his outstanding play in the game.

In his first starting role Dial racked up a total of 130 yards. He rushed for 68 and passed for 62. He also handled the kickoff chores and attempted a 31-yard field goal, but missed it.

Twice he was thrown for 10 yard losses attempting to pass which knocked 20 yards off his gross rushing total. Without these two losses he would have gained 88 yards against the

tough Aggie defense. Dial made most of his yardage on the run-pass option play. Throughout the game, he demonstrated good running ability on this play and should he pick up an extra block or two he may go all the way on several occasions before the season is over.

You can bet head coach Carl Richardson will have Dial running the play again this Saturday when the Hounds travel to Alpine, where they will tangle with the Sul Ross Lobos who lost a 7-6 heartbreaker to Western New Mexico last week.

When told Dial had been named "Hound of the Week," Richardson said, "I'm real happy for Benjy. He certainly deserves the honor. He handled the run-pass option real good and showed good running ability."

In the first quarter Dial rolled out to the right, failed to spot a receiver and scooted up the sidelines for 18 yards and into Aggie territory.

In the closing seconds of the first half he faked a hand-off to fullback Butch Anderson and scurried around left end for 19 yards to the Aggie 45. On the next play he flipped a short screen pass to halfback Richard James who traveled 43 yards before being downed on the 2-yard line. This was the final play of the first half.

Behind Dial in the ground gaining department for the Hounds were Anderson with 37 yards, and halfbacks Pete Jaquess with 28 and Norman Nelson with 17.

Visits With Son Here

Mr. and Mrs. Morris Gray of Huntington, Ind. arrived Monday of last week for a visit with their son and his family, A2C and Mrs. James Tuggles and daughter.

Enroute to Farwell, the couple was involved in an accident in Amarillo. Their automobile was damaged in a collision, but neither of the visitors were injured.

HE'S GOT YOUR NUMBER (or has he?)

If the phone you use is listed under another's name in the telephone directory, chances are you've been missing some important calls. The remedy is simple. Get your own name in the new directory by ordering a personalized listing. The low cost—only 50 cents a month—includes your name, address, and the number of the phone you use. For quick action, just call our business office.

HURRY! The new telephone directory goes to press soon.

If you plan to put an advertisement in the Yellow Pages, call our business office and ask to have a Yellow Pages representative get in touch with you.

RULES

1. There are 10 high school and/or college football games listed.
2. Pick the team you think will win in each game and circle the WINNER'S NAME.
3. PICK THE SCORE of the GAME OF THE WEEK and place your guess in the appropriate blank on the entry. Bring or mail the entry blank to The Tribune office by 5 p. m. Friday of this issue.
4. Tabulations of individual entrants will be kept all season and at the end of the season a Grand Prize winner will be named. Grand Prize winner will receive 2 free tickets to Cotton Bowl game plus \$50.00 expense money.
5. Only one entry blank may be submitted per individual.
6. Tabulations will be available for public inspection.
7. Contestants must be 12 or over.

Holds Crane Meet

Rev. Robert Tomlinson, pastor of Hamlin Memorial Methodist Church, is in Crane this week to conduct revival services.

During his absence Sunday morning, laymen were in charge of services. Wilfred Quickel conducted the service, with John Getz reporting on a recent workers study session in Clovis, W. H. Graham reviewing the annual conference which was held in Alamogordo the past spring, and Elmer Teel reporting on laymen's retreat held in the Sacramento mountains during the summer.

Top losers from seven area TOPS (Taking Off Pounds Sensibly) clubs were honored at an area meeting in Texico Tuesday of last week. Modeling the dresses worn to their first TOPS meetings are Mrs. D. J. Brown of Texico, Murl Dennington of Clovis; Mrs. Jack Smith of Muleshoe, Mrs. Rita Mast of Bovina, Mrs. June Brummett, Mrs. Frances Keim and Kathleen Lockmiller, all of Clovis. Twin City Tops in Texico-Farwell was hostess to the meeting.

LUTHERAN NEWS

At the 8:30 service, Pastor Bergmann, vacancy pastor, will bring the message. Ernest Ramm will be leader of the 9:30 Bible class.

Joe Scott Haseloff, son of the Henry Haseloffs, underwent a tonsilectomy last week and is recovering nicely.

We are happy to have the Harold Norrod family home with us again. Mrs. Norrod and the children have been visiting relatives in New York state.

The ladies are reminded of the fall rally to be held at Christ Lutheran Church on Thursday, September 26.

Our prayers and our sympathy go to Mr. and Mrs. Fred Ramm and family. Mrs. Ramm's niece died in an accident.

Dinner Honors

Richard Hapke

Richard Hapke of Lovington, formerly of Texico, was honored with a birthday dinner in the home of his parents, Mr. and Mrs. Alfred E. Hapke Sunday.

Guests were the Truman Kirtrell family, Lavon Chiles, and Carolyn Brake of Lovington. Also attending were Bob and Dorothy Hapke, brother and sister of the honor guest.

Schedules For Younger Teams

Football schedules for the freshman and junior high football teams at Farwell have been released.

Freshman schedule includes: Sept. 19, Clovis C there; Sept. 26, Friona here; Oct. 3, Marshall Jr. Hl. there; Oct. 10, Gattis Jr. Hl. Here, Oct. 17, Springlake, there; Oct. 24, Friona there; Oct. 31, Clovis "C" here, Nov. 7, open; Nov. 14, Sudan here. All games are scheduled to be played at 7:30 p.m.

Jr. High games are scheduled to be played at 6 p.m. The schedule includes: Sept. 19, Friona there; Sept. 26, Marshall 8th here; Oct. 3 open; Oct. 10, Gattis here; Oct. 17, Kress there; Oct. 24, Hale Center here; Oct. 31, Friona here; Nov. 7, Sudan there; Nov. 14, Springlake there.

Texico Seniors To Ice Show

Texico seniors are making plans to attend the Ice Capades in Amarillo Friday, with Mrs. N.W. Peyton and Paul Frederick as adult sponsors.

Also to accompany the group will be Mr. and Mrs. Grayson Roberts, Mr. and Mrs. Harvey Hudnall and Mr. and Mrs. Thurman Chandler.

The seniors plan to leave here about 1:30 in the afternoon and will attend the evening performance.
