Preparing For Progress - -

National FFA Week Set February 17-23

Texico and Farwell chapters of Future Farmers of America will join other FFA chapters across the nation to observe National FFA Week February 17-23. This year's theme is "Preparing For Progress."

Purpose of a national FFA week celebration is to provide chapters an opportunity to make the general public aware of their vocational agriculture and FFA programs.

During FFA Week, individual chapters will be stressing their involvement in agriculture, involvement in leadership training, involvement in working together cooperatively, and involvement in preparing for future careers.

Building for a better tomorrow through various activities, programs and projects is the main purpose of FFA members. By creating a better atmosphere in which to live and work, they are making a significant contribution toward preparing for the future.

Team effort as well as individual work is stressed by the FFA program. Making members aware of the need of concern for the future of our country and the world is important in that they can help to make this a better place for us all to live with this awareness.

Texico's FFA chapter consists of 39 members. Chapter officers are Jeff Dunsworth, president; Jeff Day, vice-president; Beth Kelley, secretary; Robert Thornton, treasurer; Mark Powell, sentinel;

and Ron Kirby, reporter.

The Texico FFA chapter plans to help make improvements on the K.K. Runnels Memorial Park by building picnic tables or helping in

some other way.

"FFA helps young persons become better leaders and citizens, and gives them practical experience in working with others and in speaking

before an audience," Eddie West, Texico FFA advisor, said.

"Greenhands have green-hand creed contests in which (Continued on Page 3)

Basic Electricity

Kent Harding, left, and Gary Cain, students at Texico High School, begin dismantling the wire and switch boxes which they had mounted on this structure for the purpose of familiarizing themselves with

basic electricity and wiring. Although they may not be fully prepared to become electricians right out of high school, they will have a strong foundation which will come in

handy later in life. Courses at Texico High School work hand in hand with the FFA chapter in order to better prepare students to become citizens of the future.

Farwell FFA, 4-H - -

Winners Named At Stock Show

In spite of the inclement weather several persons were present Thursday evening to observe as Farwell FFA and 4-H youngsters received ribbons and trophies for their entries in the 15th annual Farwell Junior Livestock Show.

Three classes of animals were shown - swine, steers and lambs, with the swine class having the largest number of entries.

The show, the first to be held at night, was in the Preston Martin fertilizer building in east Farwell. Sponsoring the show and preparing the building for the activities were the Farwell Jaycees, assisted by FFA and 4-H members. Also assisting with the show were Worley Mills, Inc., Sherley-Anderson-Pitman and Security State Bank. These groups provided the manpower, trophies, ribbons and support for the show.

Fred Chandler was announcer for the show and Gina Eubanks, FFA Sweetheart, and Karyn Blain, Plowgirl, passed out the ribbons and trophies.

Judge for the event was Roy Neal Jones, county agent from Morton and also a purebred swine producer from Cochran County.

Top award in the barrow division went to Mark Owen who won the Grand Champion trophy with his heavyweight Cross entry. Brent Green's medium weight Duroc won Reserve Grand Champion. Green was also presented the Showmanship Award.

Kevin Owen won Grand Champion with his entry in the gilt division with his Class II

Cross, and Blake Kelley won Reserve Championship.

Winners in the Market Lambs division were Johanna Mesman who won Grand Champion with her entry and who also won the Reserve Championship in that division. Richard May won the Showmanship award in the Market

Lamb competition.

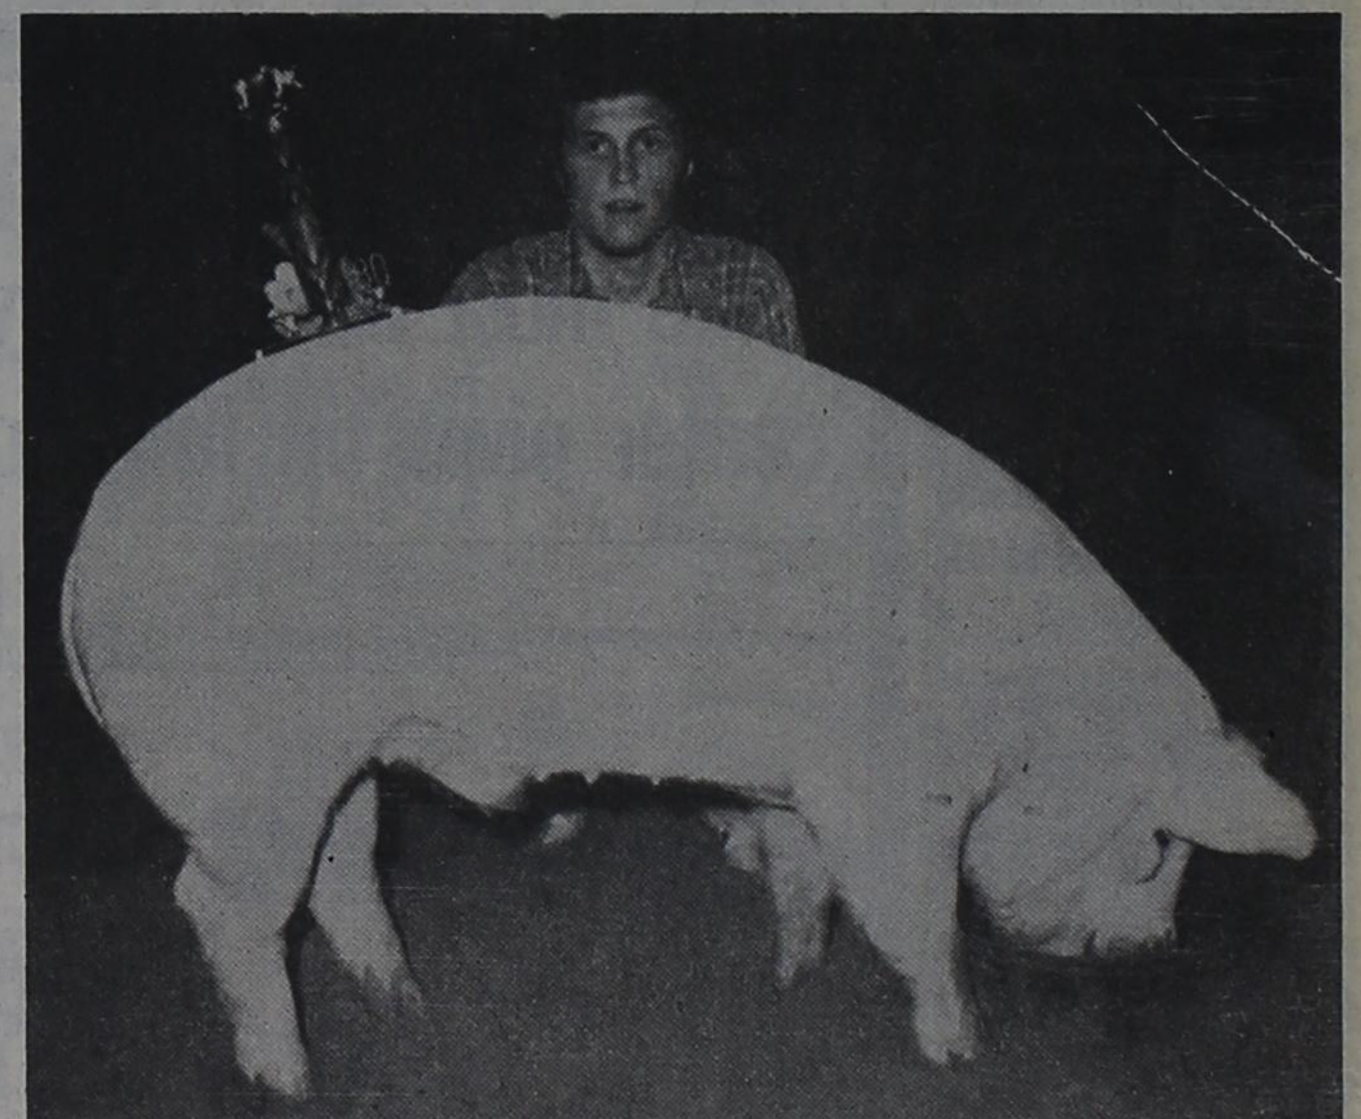

Gary Haseloff won Reserve Champion, Grand Champion and Showmanship in the Market Steers Division and also in the PeeWee Class Division.

Amber Rhodes picked up the Breed Champion prize with her Chester entry in the Market

Swine division, and Bernie Mesman won Reserve Breed Champion prize.

Rusty Smallwood and Tommy Mesman had the top entries in the York class of the Market Swine division, with Smallwood's entry winning Breed Champion and Mes-

Wins Many Awards - -

Mark Owen of Farwell poses with his heavyweight Cross barrow that was named Grand Champion of the barrow division at last week's Junior Livestock Show at Farwell.

Mark's entry won breed champion in the Cross class and his Hampshire heavyweight also won breed champion in that division. Mark also showed another heavyweight Cross to

third place. A senior at Farwell High, Mark raises swine along with his father, Jerry Owen, and younger brother Kevin.

The legs on this grain elevator of Worley Mills Inc. in the Pleasant Hill community were blown down the evening of Thursday, Feb. 7, when winds reached velocities of 45 to 50

miles per hour. Ray Ford surveys the damaged towers and conveyors which he estimates will easily take several thousand dollars to repair.

Elevator Damaged

Area Damage Heavy - -

Winter Storm Wreaks Havoc

Heavy damage was inflicted in the area by last Thursday's winter storm which began like a spring thunderstorm complete with thunder, lightning and brief hailstorm; then hovered over the area throughout Friday finally dumping three to four inches of snow that night before moving on to the south east.

High winds accompanying the rapid temperature drop were credited with damage from eastern New Mexico across the state line and on into Bailey County.

Damage was first reported at Melrose where the Walter Jones home lost its roof, windows were broken out and a wall was moved out several inches. Jones' pickup was turned completely around; however he reported that it received only minor damage. A trailer home was also overturned there and a garage at one residence was blown into another house causing considerable damage.

Reports there were that the apparent twister was preceded by high winds and dust that reduced visibility to almost zero.

Power was out in the area overnight causing the Melrose school to remain closed Friday. Grady school was out Friday because of drifts of snow up to 16 inches.

Busers could not pick up students living north of Texico; however classes were held as usual.

At Pleasant Hill the Worley Mills, Inc., elevator received heavy damage when two legs and conveyors they supported were ripped from their concrete bases and left in a tangled mass.

Ray Ford, manager at the elevator, said that this is the first time that the Pleasant Hill elevator has had to file an insurance claim since "there has never been a fire or any kind of major damage to the structure during the 25 years or so he has been working there."

The storm then moved eastward carving a path of destruction through an area in the Oklahoma Lane vicinity. Heaviest reports of damage were to a home and equipment at the Gene McGuire farm

where residents believed the winds to be tornadic.

It was reported that a large plate glass window was blown from the house and slammed into a wall some 15 feet south. Some 10 cotton trailers were destroyed; a combine was blown 50 feet across listed rows in a field; a well house was destroyed along with the pump; a partially filled fuel tank was blown approximately one-half mile while a nearby 200-gallon tank that was empty was untouched. Gated irrigation pipe was picked out of a pipe stand and scattered for about a mile around the field.

At the Wendol Christian home the roof was damaged and wrought iron columns on the porch fell away as the winds lifted the porch allowing the columns to become dislodged. The wrought iron posts narrowly missed falling into a large picture window in the house.

Several power/telephone poles were blown down or broken in the melee and power was out in the area for several hours. At mid-week it was

reported that power had been restored even where the lines were down although crews had not finished the repair work. Phone service was also disrupted north and south of Farwell.

Roof damage was also reported at the Jerry McClaran home and a barn was destroyed at the Cyrus Dale farm.

Moisture from the snow measured about 1/4-1/2 inches and was welcomed by farmers for their winter wheat and cropland being readied for spring planting.

Streets in the area were slippery and travel was discouraged in most directions from the Twin Cities Friday night and early Saturday.

However, Ol Sol made his presence on Saturday and Sunday and again Wednesday with most traces of snow being melted by late Wednesday as residents listened to weather prognosticators predicting that there may be more snow on the way to the area this weekend . . . same song, third verse etc.

Farwell - -

Chamber Banquet Slated Thursday

The annual Farwell Chamber of Commerce banquet is scheduled for Thursday night, Feb. 21, at 7:30 o'clock (CST) in the Farwell school cafeteria.

Highlight of the banquet will be the presentation of Farwell's "Man and Woman of the Year." Making the presentation will be last year's honorees, Maxine Williams and W.M. Roberts. New Chamber officers and directors will be announced, and a progress report for the past year will be given.

Carry over and new directors of the Chamber for 1980 are Lee Hutchins, Joe Hughes, Don Williams, Tom Nichols, Otis McMillan, Fred Chandler, Johnny Actkinson, Johnny Curtis, Ricky Stewart and John Getz.

Entertainment for the eve-

ning will be the featured speaker, Eddy Nicholson, who is nationally known as America's Rocking Chair Philosopher. Nicholson tries in his country humor, stories and songs to sell the happy life, laughter and the good side of bad times. His unique, down-to-earth style and satire on our fast moving society makes for good after-dinner entertainment. Showing his audiences how to live and love and "enjoy life up to the elbows" is his way of getting people to take life in stride, say Chamber members.

Tickets for the banquet are \$7.50 and are available from any Chamber member. Everyone is urged to purchase their tickets now and to attend the banquet for a good steak dinner and to enjoy the program and entertainment.

SURELY PERSONAL

by John

We are fed up with seeing pictures of supposedly citizens of the United States burning the American flag. Isn't this against the law? If not we forcefully suggest to the fat-heads in Washington, D.C., that they pass at least one more law, to make this a crime. They have passed eleventy-million laws strangling, hindering, taxing and bewildering the put upon citizenry; surely they could pass just one law protecting our national flag and honor.

Professionalism is getting harder to define. In days of yore the medical and legal fields were generally looked upon as the "professions." Today there are a myriad of occupations trying to squeeze under the "profession" umbrella. We think we have found one organization unwittingly easing itself out of the "professional" field.

We are referring to the Texas State Teachers Association. We feel that "union" status is not compatible with a professional organization and if the recently announced program of equity for teachers is passed in its entirety by the Texas Legislature the TSTA will be a true union and not a professional organization.

At least three of its four goals are synonymous with union activities and goals. Their sections on teacher employment, group insurance and collective bargaining smacks of trade unionism. Their section on salaries is a blue-print for added inflation and is also compatible with the union aim of increasing the benefits of its members at the economic expense of the general public.

We find particularly deplorable these words about salaries. "And addressing the increases of the cost-of-living due to inflation." This is one of the prime reasons that inflation is roaring along at a 13% to 14% annual rate now. Too many people are insulated from the effects of their unwise political selections by wage escalator clauses now.

If a person's salary will automatically increase as inflation increases then the thrust is to support candidates that will espouse economic programs encouraging inflation. After all, why should a person give a damn about the impact of wild government spending if it ultimately means more money to that person???

Well, not everybody can have the best of two worlds, but it looks as if the TSTA is going to give it a good shot. With their approximately (Continued on Page 2)

Little League To Meet Feb. 18

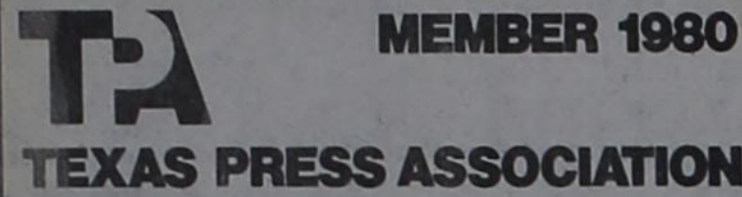

There will be an organizational meeting for all persons interested in the summer Little League baseball program for Twin Cities boys and girls.

The meeting will be Monday, Feb. 18, at Clara's Restaurant at 7 p.m. (CST) and all interested persons are urged to be present.

Anyone interested in coaching a baseball team or in having their child participate in the summer program should be at this important meeting.

Boys and girls who are eight years of age by August 1, 1980 will play in the Pee Wee League while those who are 10 to 12 years old will play in the Little League.

If you are interested in keeping the summer baseball program alive for the Twin Cities youth, please come to this meeting.

116,000 members in the State of Texas it looks, dismally enough for the poor taxpayer, like they can succeed.

The key to political success is power voting blocs that get their members out to vote. This TSTA group broke an apparently long standing tradition in 1978 and supported John Hill in the Governor's race. Hill lost and Clements won but the die was cast by the TSTA and it opted for the same

political tactics as other labor unions then and it looks like it fully intends to do so in the next election.

We are firmly opposed to the trade unionization of the teaching profession and are adamantly opposed to the cost-of-living gimmick as a greedy-gut device that smacks of the "I got mine and the hell with you" attitude.

Hardly a heroic posture for the moulders of today's youths and tomorrow's citizens.

Council Names Roberts To Manage Cemetery

A lengthy meeting in executive session between the Farwell City Council and two city employees, Berl Johnson and Earl Roberts, on personnel matters stretched a routine business meeting into a longer than usual session Monday night.

After the executive session broke up, it was announced that a decision had been made by the council to pay Roberts a 20 percent commission on all the cemetery lots that he sells. Roberts was also named manager of the cemetery and will have control of all entrances into the cemetery.

No report was given on the meeting between Johnson and the councilmen.

In further action the council reviewed the matter of some Certificates of Deposits and decided to combine several small certificates into a larger

one.

Also on the agenda was the matter of some repairs to be made on the trash trailer and repairs on the water tanks of a fire truck. The council gave the go ahead for these repairs to be made and also authorized the purchase of a new billing machine to be used in the City Hall. Approximate cost of the machine and installation is expected to be around \$4,000.

Bills were reviewed and approved for payment by the council just prior to adjournment.

Parmer County Jail Nearing Certification

A report to Parmer County Commissioners Court by an inspector from the Texas Jail Standards Commission during the court's last meeting showed that with only a few small, minor adjustments to be made that Parmer County jail is very nearly ready to be certified by the commission. "We should have these adjustments made and ready for our final inspection in two or three months," stated Parmer County Judge Porter Roberts.

Encouraged by the good report on the jail the commissioners passed a resolution to

Jr. Stock Show Winner . . .

(Continued from Page 1)
man's winning Reserve Breed Champion.

The Owen brothers, Mark and Kevin, took the honors in the Cross class of the swine division with Mark's entry winning Breed Champion and Kevin's entry winning Reserve Breed Champion.

In the Berks class of the swine division, Suzahn Inman won Breed Championship with her entry, and Teresa Rose's entry won Reserve Breed Champion.

Mark Owen took the spotlight again as his heavyweight Hampshire won the Breed Champion, and Brent Green's entry won Reserve Breed Champion.

In the spots class, Teresa Rose's entry won Breed Champion, and Suzahn Inman's entry won Reserve Breed Champion.

Other winners in the barrow division were:
Chester: Randy Davis, third; William Martin, fourth; Billy McClenney, fifth; and Jeff McClenney, sixth.

York: Gary White, third; Teresa Rose, fourth; and Danna Haseloff, fifth.

Crosses: (lightweight division) John Knowlton, first; Grover Halsell, second; Todd Meeks, third; Danna Haseloff, fourth; and John Knowlton, fifth; (medium weight) Brent Green, first; Steve Gerries, second; Darren Darby, third; Donald Lovelady, fourth; K.C. Eubanks, fifth; and Randy Herington, seventh; (heavyweight) Mark Owen, third; Blake Kelley, fourth; Rusty Smallwood, fifth; Kerry Ford, sixth; Danny Davis, seventh; and Grover Halsell, eighth.

Berks: Teddy Mesman, third; and Charlie Rose, fourth.

Durocs: (lightweight) Steve Gerries, first; Roger Johnson, second; Kenneth Key, third; Randy Davis, fourth; Tommy Mesman, fifth; and Brian Langdon, sixth;

Also, Durocs: (medium weight) Darren Darby, first; Kevin Owen, second; Jason

Snider, third; Steve Gerries, fourth; Dondra Gerries, fifth; K.C. Eubanks, sixth; Bernie Mesman, seventh; and Kenneth Key, eighth;

Durocs: (heavyweight) Gary White, second; Blake Kelley, third; Danny Davis, fourth; Dondra Gerries, fifth; and Blake Kelley, sixth.

Hampshires: (lightweight) Kerry Ford, first; Gary White, second; Jack Smallwood, third; and Randy Herington, fourth; (medium weight) Brent Green, first; Darren Darby, second; Todd Meeks, third; Gary White, fourth; K.C. Eubanks, fifth; Teddy Mesman, sixth; (heavyweight) Mark Owen, first; Steve Gerries, second; Dondra Gerries, third; Kevin Owen, fourth.

Spots: (lightweight) Teresa Rose, first; Suzahn Inman, second; Charlie Rose, third; Amber Rhodes, fourth; Steven Smith, fifth; Billy McClenney, sixth; (heavyweight) Rusty Smallwood, first; Danny Davis, second; Randy Davis, third; William Martin, fourth; and fifth; and Teddy Mesman, sixth and seventh.

Texico Council Names Election Officials

Texico City Council met in regular session Tuesday night with Manford Turnbough, Bill Thigpen, Vane Doshier, Lewis Cooper, Marie Christian, Mickey Fenn, Garlan Edge and Calvin Young present.

Election judge and clerks as well as alternates were selected for the upcoming municipal election to be held March 4.

Ophelia Billington was selected as Election Judge with Mary Jones serving as her alternate. Election Clerks selected were Bernice Thigpen and Thelma Venable with Nannie Gorfth serving as alternate.

Calvin Young was hired by the city as a part-time

Wins Showmanship

Richard May, Farwell FFA member, proudly displays the trophy he won for the Showmanship Award in the lamb division of last week's Farwell Junior Livestock Show. May is a junior at Farwell High and is the son of Mr. and Mrs. Lonnie May.

Rites Held Sunday For R.C. Davis Sr.

R.C. Davis Sr., 65, of Church of Lazbuddie and was a veteran of World War II having served in the Air Force.

Funeral services were conducted Sunday at Singleton-Ellis Chapel of the Chimes in Muleshoe. Officiating were Johnny Timms of Tipton, Okla., and Andy Rogers, minister of the Lazbuddie Church of Christ. Burial was in Earth Memorial Cemetery at Earth.

Mr. Davis had lived in Parmer County since 1966, moving here from Earth.

He was born March 20, 1914 in Hopkins County, Tex., and married Robbie Tate on April 13, 1940 in Hugo, Okla. He was a member of the First Baptist

Church of Lazbuddie and was a veteran of World War II having served in the Air Force.

Survivors include his wife Robbie; one son, R.C. Davis Jr. of Oklahoma Lane; one daughter, Peggy Creitz of Vega; three sisters, Mrs. John Pickel, Mrs. Lee Hughey and Mrs. Nina Thompson, all of Dallas; one brother, Willie Davis of Wichita Falls; and four grandchildren.

Brother Dies

Woodrow Hyatt of Sulphur Springs, Tex., brother of Mrs. Bessie Landrum of Farwell, was buried Sunday at Sulphur Springs.

Survivors besides the local woman are Hyatt's wife, Lois; two sons, Irving of Dallas and Raymond of Sulphur Springs; and one daughter, Mrs. Ronny Wright, also of Sulphur Springs.

Census Meeting Slated

A meeting open to the general public concerning the upcoming 1980 census is scheduled for February 22 at 8 p.m. in the Friona Community Center.

According to Fred and Daisy Beversdorf, coordinators for the meeting, its purpose is to give persons the opportunity to get together and share the various answers and alternatives that they have concerning the upcoming census.

"Many persons are wondering about the legality of the questions that will be asked by the census takers and they hear threats of punishment for those who refuse to answer more than the Constitution requires," says Beversdorf.

Everyone attending will be given an opportunity to express their views and it is hoped a large crowd will be present.

Fire Calls

The past week was a relatively quiet one for the Texico and Farwell Volunteer Fire Departments.

Texico had only one call which was on February 11 at 10:43 a.m. for an ambulance to 320 Garwood. J.E. Stone had fallen on the ice and was transported to a hospital in Muleshoe.

Farwell Volunteer Fire Department had a fire call on February 6 at 3:23 p.m. to 304 Avenue G where a grass fire was burning in the yard of the Billingsleys.

pay Tago Industries, Inc., for the work that they have done on the jail.

In other action, soil conservation work in Precinct 3 was approved for eight places, and a radar unit for the highway department in Friona which has been giving trouble was approved for replacement by the court.

Earnest Anthony, precinct 1

commissioner, and Judge Roberts reported on a County Judges and Commissioners Conference which they attended at Texas A&M on February 5, 6 and 7. Judge Roberts reported the conference as "very informative and well worth the trip."

Final action by the court included approval and payment of county bills.

Final action by the court included approval and payment of county bills.

SHERIFF'S REPORT

Parmer County Sheriff's office has had two thefts reported since last week, according to Sheriff Charles Lovelace.

Jimmy Castleberry of 909 Third in Farwell reported the theft of approximately \$650 worth of tools from his pickup which was parked at his residence. It is thought that the

theft happened two to three days prior to a report being made. Investigation into the theft is being made by the sheriff's department.

Approximately \$600 worth of tools were reported stolen from the shop of Joe Talley on his farm five miles northwest of Friona. Investigation into this theft is also being conducted.

Around The Twin Cities

Texico Woman's Club will meet at 7 p.m. (MST) on Monday, Feb. 18, in the Community building.

OTHER NOMINATIONS FOR DIRECTORS CAN BE MADE AT MEETINGS.

DRAWING FOR DOOR PRIZES IN BOTH MEETINGS

National FFA Week . . .

(Continued from Page 1) they are given the opportunity to present their memorized creed before a group of people.

"Participating in FFA also gives the member a chance to learn parliamentary procedure," West added.

Complementing their learning process in FFA is the student's study of various fields in the vocational-agriculture department.

Students at Texico can learn the basics of woodworking, welding, electricity, plumbing and small gasoline engines. In the area of agriculture, students can learn how to raise livestock such as sheep, swine, beef and dairy.

"Some of the students raise animals along with these livestock classes," West said.

"A student could conceivably become a farmer from the knowledge he gains from classwork, being a member of FFA and working on his parents' farm," he said.

"As far as the welding, plumbing, etc. goes, a student wouldn't leave here a professional, knowledgeable in all aspects of the particular trade, but he would have a solid foundation in one or more of these trades," West emphasized.

"Welding is my specialty and consequently we go deeper in our study of it," he added.

"In giving the students experiences with the different trades, we hope that we can guide some of them in a particular direction as far as getting a job," West said.

Although the Farwell FFA chapter does not have any special activities scheduled for National FFA Week, they spent a lot of time readying their livestock that was exhibited at the Farwell Junior Livestock Show Thursday, Feb. 7, and have been preparing for the Parmer County Livestock Show and

Sale at Friona which is Wednesday through Saturday, Feb. 13-16.

The Farwell FFA chapter's advisor is Richard Montgomery. Officers include Rusty Smallwood, president; Richard Winegeart, vice-president; Donna Geris, secretary; Phillip Hagler, treasurer; Robert Thurman, sentinel; and Gary White, reporter. Gina Eubank is this year's FFA Sweetheart and Karyn Blain is Plowgirl.

"We try to practice what we preach in FFA," Montgomery said.

"The members enter stock shows and judging contests and most of the scholarships for which ag students may apply require that they be an FFA member," he pointed out. "Complementing the FFA program are courses taught at Farwell High School which include welding and mechanics, feeding and caring for livestock, plant science and soil management," he said.

"We take field trips occasionally and recently traveled to the Hamby Plant in Plainview where we received a tour of the facilities in which farm plows and implements are manufactured.

"We saw their production line and everything. We're thinking of this as an annual or at least every-other-year field trip," Montgomery said.

"Some of the FFA members will attend the Houston Stock Show, one of the biggest of its kind in the world, February 25-March 2.

"This show will give the youth a chance to see some different breeds, but more importantly, it will allow them to observe different judges as they judge livestock. Just by watching someone else judging you can learn some different philosophies in judging.

"Judging keeps changing, it's something that you can't learn just in a day or so," Montgomery emphasized.

Livestock Education

Jack Smallwood, Farwell High School FFA member, feeds his Hampshire which he is raising in conjunction with livestock

classes in which he is enrolled at school. He hopes that being in FFA, taking classes, plus practical experience will

prepare him to be a hog farmer some day. He also aspires to attend Texas A&M and become a veterinarian.

Welding Skill

These three students practice their welding skills on this metal barn which they are building at Farwell High School. They are, from left, Todd Meeks, Gary White and

Kerry Ford. Skills like welding will be helpful to these young men whether or not they become future farmers. This barn will be used to house livestock.

Farwell School Board Sets April 5 Election

The last meeting and approving and paying the bills a date was set for the 1980 School Board election. This election will be Saturday, April 5, when voters will elect two trustees. Board members whose terms are expiring are Billy Mayfield and Jimmy Walker.

Clarence Kube, Ted Magness, Connie Ray, Walter Hughes, Darrell Stephens, Joel White and Don Geris were nominated as a committee to place names on the ballot for the

Farwell School Board met in regular session with the following members and guests present Tuesday night: Caroline Anderson, Bill Martin, Doyle Ford, Billy Mayfield, Joe Hughes, Jim Walker, Wilbert Kalbas, W.M. Roberts, James Craig, Sarah, Kim and Marla Marsh, Kay Ray, Don Malone, Randy Adrian, Tom Knoy, Betty Jean Castleberry, Patsy Lonsdale and Karolene Inman.

Following the routine business of approving minutes of

election. Hughes was selected to serve as chairman of the committee.

In other business, the Farwell Youth Commission was given permission to install lights on the tennis courts with the provision that some device is to be used to control the time that the lights burn.

Approval was also given by the board to the tentative senior trip itinerary for May 30-June 6 with the provision that some disciplinary rules are drawn up by the group and presented to the board at the next regular board meeting.

Building activity reports were given by principals Tom Knoy, Don Malone and Jerry Owen.

Contracts for Tom Knoy, Jerry Owen, Don Malone and Randy Adrian were renewed for a period of one year by the board.

In final business, Tom Knoy presented a five-year plan of the current self-study in math and the proposed plan was adopted by the board and is to be forwarded to Austin.

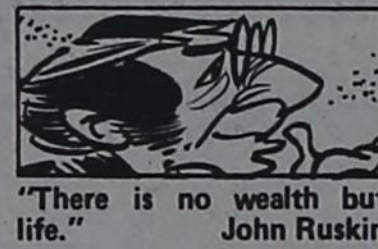

FmHA Personnel To Attend Meet

The Parmer County office of the Farmers Home Administration will be closed three days from February 19 to February 21 to permit the employees to attend a multi-district FmHA meeting at Lubbock.

Billy R. Boling, FmHA county supervisor, said the office will reopen for regular

business at 9 a.m., February 22.

Boling said the FmHA, as the rural credit agency of the U.S. Department of Agriculture, attracts private capital to rural areas as well as makes direct loans to farmers, homeowners and small town.

'Cupid In Command'

Farwell third graders presented a Valentine play for fellow schoolmates and parents on Friday, Feb. 8. The play, entitled "Cupid In Command," centered on the true meaning

of Valentine's Day, — expressing love to that special person. Shown acting in the play are, from left, Becky Anzuldua, Darla Armstrong back to camera, Leanne

Harper, Jaime Mendoza, Preston Hightower, Jeffrey Stewart (background), Rueben Ortega, Nancy Knoy, a third grade teacher, sponsored and directed the play.

Recruit Kids To Help At Home

Working mothers and single parents might not realize it but they have a backup house-keeping crew at home.

Leo Yates, Extension family life specialist at New Mexico State University, says that children can and should be taught to assume some of the household chores and then be expected to carry out their assigned tasks.

One important key to the success of turning less-than-willing daughters and sons into productive helpers is "the schedule." Pasted to the

refrigerator door, the listing of who does what and when, helps keep expectations in perspective. "Dad's and Mom's names should also appear!" Yates says.

Another good guideline is to offer some on-the-job training. Take a "recruit" with you when you sort laundry, fill the washer and load the dryer. These tasks might take longer in the beginning, but these extra minutes are well spent in the long run.

Be patient and ready with

encouraging words. Now is not the time to criticize. Be prepared to settle for less-than-perfect results at first.

Reward your helpers. The time saved for working parents may mean additional hours they'll have to spend with the children on weekends, Yates says. With the housekeeping "savings" do something together as a family — a movie, breakfast in a restaurant, a trip to the library or a Saturday afternoon on the town.

Charity SS Class Hosts Housewarming

Members of the Charity Sunday School class of First Baptist Church Texico met on February 5 at the home of Mozelle Kirby for a surprise housewarming for the Kirbys.

Next meeting of the Charity class will be on March 1 when members are to meet at

LaVilla Restaurant in Clovis at 8 a.m. (MST) for a breakfast meeting.

Texico Baptist Women Have Royal Service

Mrs. Kirby opened the class meeting with prayer and Lisa Morris presented the devotional on "Opportunity" using as scripture Galatians 6:10 and Matthew 28:19.

The "Baptist Women" of Texico First Baptist Church met at the church January 9 for a Royal Service program and Bible study.

Margaret Horne, Velma Kelley, Bobbie Gilliam and Gracie Dane. Mrs. Schlueter dismissed the Royal Service with prayer.

Refreshments of punch, coffee and cookies were served and then those present took a tour of the Kirby home.

Mrs. Mora Schlueter, chairman, was in charge of the Royal Service program. Mrs. Lois Hudnall, pianist, played "Hark, the Voice of Jesus Calling." She was also in charge of the call to prayer and asked several members to read the names of missionaries having birthdays on that date.

Mrs. Kelley was in charge of the Bible study and opened with reading Isaiah 45:1-8 and taught the lesson on "The God of Israel is the True God."

Attending were Shelva Robinson, Verlene LaRue, Ann Duncan, Doris Taylor, Robbie Johnson, Frances Boling, Glenda Fisher, Mozelle Kirby, Bobbie Gilliam, Silva Compton, Mary Dell Brown and one guest Bernice Thigpen.

Mrs. Nora Day led the prayer. "The Missionary call: What is it and How Do You Get It?" was the program topic. Participating on the program were

Helen Bowers, director, was in charge of a short business meeting, and Mrs. S.G. Jones dismissed the meeting with prayer.

Common Sense Tips

Hints For Homeowners

DISHWASHERS

An automatic dishwasher takes care of one of the most disliked jobs in the kitchen. This popular appliance is fast becoming a necessity for many busy families.

Here are a few tips from Whirlpool home economists to help you get the most from your dishwasher.

Preparation—Pre-rinsing of normal food soils is usually not necessary. However, before placing items in the dishwasher, remove bones, large pieces of food, and empty cups and glasses.

It may be necessary to loosen and scrape cooked-on foods in pots and pans. For best cleaning action, place pots and pans in the bottom rack with the soiled surfaces face down. Use only a detergent made especially for automatic dishwashing.

Texico Observes FHA/HERO Week

by Rhonda Tharp

Members of the Texico FHA/HERO began observation of FHA/HERO week on Sunday, Feb. 3, when about 20 girls attended services at the First Baptist Church of Texico, and went to a Clovis restaurant for lunch.

Monday was a work day where members worked on various projects in preparation for the rest of the week. For Tuesday, an ice cream social was scheduled after school in

honor of the faculty and the staff.

"The girls made homemade ice cream and sugar cookies for the social," commented Kendale Burch, advisor.

Wednesday, the group dressed in red and white, FHA colors, and viewed a film presentation entitled, "Using Today to Build Tomorrow."

Thursday the group was scheduled to "dutch-treat" at a pizza place, and Friday was dress-up day.

Birthday Honoree

Mrs. Nellie Wall, center, was honored for her 88th birthday on Sunday, Feb. 3, in the home of Mr. and Mrs. Roy Richardson, north of Texico. Among family members present were her six children, from left, Willie, John and D.E. Wall, Vera Martin, Lena Stephenson and Lola Richardson.

Mrs. J.E. Wall Feted At 88th Birthday Party

Mrs. Nellie (J.E.) Wall of Route 3, Clovis, observed her 88th birthday on February 6. The birthday dinner and family reunion was Sunday, Feb. 3, at the home of Roy and Lola Richardson, north of Texico.

Fifty-six relatives and friends gathered for the occasion. Mrs. Wall's six children were with her for the birthday celebration.

Those present were Mrs. Vera Martin, Mrs. Dorothy Duff, Kelly and David, and Carl Oldham, all from Cleburne, Tex.; Clifton and Lena Stephenson from Hayward, Calif.; Mrs. Charlie Wall, Mrs. Sue Richards, Russell, Tommy and Mark Richards, Deloris and Richard Hudson, Mike McGuire, Gary Howard and Mr.

and Mrs. Lloyd Ward, all from Portales.

Former neighbors attending were Mr. and Mrs. Fred Andrews and son Willy, Mrs. Charlott Montgomery and children, Lynnsey and Blayonn, from Melrose; Mr. and Mrs. Garland Screws of St. Vrain; Also, Mr. and Mrs. Gary Blain and Gia from Amarillo; and Mr. and Mrs. Steven Kaltwasser of Farwell.

Others present were Mr. and Mrs. Scotty Turner, Jason and Monica, Mr. and Mrs. Ted Richardson, Ken Richardson, Mr. and Mrs. Thomas Crump and Kathleen, Mr. and Mrs. D.E. Wall, Twila and Wanda, Mr. and Mrs. Willie Wall, Lynn and Nikie McDaniel, Mr. and Mrs. John Wall, Jean Gossett and Dana Curry.

60th Anniversary

Mr. and Mrs. J.E. Embry of Route 1, Muleshoe, will be observing their 60th wedding anniversary on Saturday, Feb. 16.

J.E. Embry and Lula Wright were united in marriage in Tillman County, Okla., on February 16, 1920. They moved to their present home at Route 1, Muleshoe, on November 15, 1929.

The couple has five children, including Joe, Calvin and Chester Embry and Mrs. Gerald (Lula Maye) Shanks, all of Muleshoe; and Floyd Embry of Farwell. They also have 12 grandchildren and 15 great-grandchildren.

Daughter Born To D. Autreys

Mr. and Mrs. Doug Autrey of Milan, N.M., are parents of a daughter, Megan Bree, born on Tuesday, Feb. 12, at Presbyterian Hospital in Albuquerque.

The young Miss Autrey weighed five and one-half pounds and was 19 inches long. She has one sister, Jeanee Nicole, who is three and one-half years old.

Maternal grandparents are Mr. and Mrs. E.R. Coffman of Farwell and paternal grandfather is Everett Autrey of Milan. Mrs. Arra Coffman of Friona is a great-grandmother of the new arrival.

On Dean's List

Two Farwell students, Wesley D. Hukill and Dianna L. Hartzog, are among the 619 students named to the Dean's List for the fall semester at West Texas State University, Canyon.

The Dean's List includes students whose grade point averages total at least 3.84 for the semester.

Wesley is a senior agricultural business and economics major and Mrs. Hartzog is a sophomore elementary education major.

On Honor List

Dwayne Shults, son of James Shults of Hobbs, N.M., and Mrs. Jennie Goldsmith of Ruidoso, has been named to the dean's honor list for the 1979 fall semester at Abilene Christian University.

Shults, a sophomore psychology/Bible major, scored a 3.71 grade average. He is a 1978 graduate of Farwell High School.

A total of 611 students qualified for the dean's list by enrolling in at least 12 semester hours and achieving a grade-point-average of 3.45 on a 4.00 scale.

Bev's Healthful Hints

(Most Often-Asked Questions On Nutrition) by Beverly Torbert

Q. I heard about this man who adds sea water to his regular water after he purifies it. Why? And how much?

A. He uses sea water to add minerals and trace minerals to his diet.

There are some startling facts concerning sea water. Your blood stream, for instance, contains the identical minerals found in sea water. When emergency blood transfusions were necessary, and no blood was available, doctors have successfully used sea water for the transfusions. If the human body were squeezed like a lemon, the approximate eleven gallons of water obtained would have the same minerals in the same proportion as sea water!

Sea water that's safe to drink should be obtained 30 or more miles out to sea and at the greatest possible depth or obtained in a filtered, unheated

form from a health food store. The amount to use appears to be four teaspoons added to each half gallon of your drinking water.

Please send questions to: Beverly Torbert 620 Commerce Way Clovis, N.M. 88101.

The above material should not be construed as making claims, endorsements or criticisms. This is merely a relating of facts taken from research done by a number of nutritionists, doctors, scientists, and the author's own experiences.

Theta Rho Members Plan Social

Members of Theta Rho chapter of Epsilon Sigma Alpha sorority made plans for their Valentine social when the sorority met January 28 in the home of Caren Spearman in Texico. Plans for the social, an outing to a dinner theatre on February 28, were finalized at the chapter's business meeting on February 11 in the home of Wessie Edwards.

Co-hostess for the meeting on January 28 was Jeannie Norris. Presenting the program was Dr. Coy Little of Clovis.

Attending this meeting were Diane Actkinson, Margaret Aycock, Gwen Corn, Altha Herington, Deb Williams, Voncel Cunningham, and one guest, Mrs. Jerry Cook. Jan Marsh co-hosted the February 11 meeting at which time chapter members voted to donate funds raised for Cystic Fibrosis in the fall Walk-a-Thon to a Clovis child requiring financial medical assistance.

Plans were also discussed for decorating the Farwell cafeteria for the upcoming Chamber of Commerce banquet.

Present were Joyce Williams, Maxine Williams, Jeanie Norris, Jan Marsh, Judy Jones, Altha Herington, Robin Gregory, Caren Spearman, Margaret Aycock, Gwen Corn,

Dardanella Helton, Nell Walling, Lillie Christian, Pam Norton, Becky Norton, Tommie Snodgrass, Wessie Edwards, Dot Christian, LaMoin Williams and Deb Williams.

Student Council To Sponsor Penny Drive

Farwell Student Council, in an effort to raise money to purchase Christmas decorations for the City of Farwell, is planning a "penny drive."

The drive will pit the four high school classes - freshman, sophomore, junior, senior - against each other to see which class can collect the most pennies.

The class winning the drive will be allowed to have lunch one day at a local restaurant

during the regular lunch hour.

In other Student Council activities, the organization honored members of the varsity girls and boys basketball teams with a pie and ice cream social at the Joe Smallwood home last Tuesday night.

Attending besides the basketball players were the varsity cheerleaders and Student Council members.

Mrs. Nora Miller Hosts Class Meeting

Members of Ruth Sunday School class of First Baptist Church of Texico met January 17 for their regular monthly meeting in the home of Mrs. Nora Miller.

Class president Mrs. Mora Schlueter was in charge of the meeting with Mrs. S.G. Jones leading the group in prayer.

Mrs. Schlueter then presented a devotional taken from the 13th chapter of First Corinthians. A poem, "I Am The Way," was read by Mrs. Allie Burris.

Mrs. Weldon Dane read a letter from the Clifford Danes who are missionaries to Brazil. Dane is a distant cousin of

Weldon Dane of Texico. Mrs. Dane gave the secretary's report and the treasurer's report - was given by Mrs. Ann Schloss.

After a short business session Mrs. Schlueter gave the dismissal prayer. Margaret Horne then led in special prayer for persons in the church who were ill.

Refreshments of fruit cake, cheese crackers, mixed nuts, mints, punch and coffee were served to Mesdames Horne, Burris, Schlueter, Schloss, Jones, Dane, Miller, Lois Poteet, Kathryn Bourlon, Mitie Starnes, Mammie Hightower and Hettie Harrison.

Hear the Word

Therefore, I say unto you, Take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on. Is not the life more than meat, and the body raiment?

Behold the fowls of the air; for they sow not, neither do they reap, nor gather into barns; yet your heavenly father feedeth them. Are ye not much better than they?

Matthew 6:25-26

Texico Girls Win Two For 19-3 Season Record

In last week's action, Texico girls upped their record to 7-1 in district and 19-3 overall, with victories over Elida and Tatum.

These wins enabled the Wolverines to hold on to their one game lead over second place Floyd and a two-game lead over third place Elida, with only two games remaining in district play.

Friday night, the Wolverines completely dominated their opponents from Elida posting a 43-21 win. They doubled the Tigers in field goals, 20-10. The only thing that kept the score from being higher was free throws. The Wolverines didn't shoot a free throw until two

minutes to go in the game while Elida shot 22 for the night.

The Wolverines led 8-4 at the end of the first quarter and extended their lead during the second period to 13 points. The score at intermission was 20-11.

During the third period, Texico outscored Elida 8-3 and led 28-14 after three periods.

In the fourth period, Elida closed to within 11 points, mainly due to the foul problems that the Wolverines encountered.

"We had some good efforts," commented Coach King. "Lisa Coffey played her best game of the year, hitting on 8 of 13

shots from the floor and collecting 12 rebounds. Ruth Scott also played well, as she pulled down a season high 17 rebounds. All of our players have been a factor in our winning this year. Schree Rucker is playing better with each game, Lori Harrington is an outstanding shooter, Tracy Dobbs is our floor leader, and Becky McDonald has been a pleasant surprise as our first substitute from the bench," added King.

For the game Texico hit on 20 of 58 shots for 35 percent and 3 of 6 from the free throw line for 50 percent.

Scorers for Texico were Lisa Coffey, 16; Ruth Scott, 9;

Schree Rucker, 8; Lori Harrington, 6; and Becky McDonald and Lisa Crooks, 2 each.

Rebounders for Texico were Scott, 17; Coffey, 12; Rucker, 7; McDonald and Dobbs, 3 each; Teresa Golledge, 2; and Carletta Fitz, 1.

On Saturday night, the Wolverines completed a sweep of the weekend series, with a convincing 64-29 victory over Tatum.

Tatum stayed close early in the game, but was no match for the Texico girls once they got going. The Wolverines, using a full court press throughout the game, continually took the ball away from their opponents for easy shots.

Even though the Wolverines didn't set the nets on fire with their shooting, they did control the offensive boards, for second and third shots at the basket.

Texico was able to get the ball in to Scott during the second period and she came through with a 15 point performance during the quarter. Texico outscored their opponent 24-6 during this period and took a 36-15 lead into the dressing room at halftime.

It appeared that Tatum's game plan was to cut off the outside shooting of the Wolverines, but they forgot one thing, that Texico has a good inside game. With Coffey and Dobbs scoring and Scott controlling both boards, they upped their lead to 59-22 after three quarters.

During the fourth quarter, Harrington led the Wolverines

with 6 points, as Texico finished with a 64-29 victory.

"Tatum allowed us to get inside of their zone defense for easy shots," commented Coach King. "We didn't shoot very well, but we were in excellent position for the offensive rebounds. Scott probably got half of her 29 points on offensive rebounds," added King.

"We hope we are peaking at the right time of the year," commented King. "Our girls want to win as many regular season games as they can, but ever since their defeat in the State Championship game last year, their main objective has been to get back to the State Tournament and they know the only way to get there is to first get out of district and then the region," added King.

Texico was led in scoring by Ruth Scott with 29 points. She was two points shy of the Texico record of 31 points, set by Tonye Harrington last year. Others scoring for Texico were Coffey, 18; Dobbs and Harrington, 7 each; McDonald, 2; and Rucker, 1.

Leading the Wolverines in rebounding was Scott with 15; followed by Coffey, 12; Dobbs, 8; Rucker and McDonald, 6 each; and Harrington, 5.

Texico hit on only 22 of 86 shots from the field for a 25.6 percent and 20 of 36 from the free throw line for a 55.5 percent.

Texico has two games remaining on their regular season schedule. On Friday night they travel to Dora and on Saturday night they visit Melrose to close out the season.

Texico Players Of The Week

LISA COFFEY

RUTH SCOTT

JAMES HADLEY

Lisa Coffey, in two games last week, hit on 16 of 38 field goal attempts and scored 34 points for an average of 17 points per game. She also collected 24 rebounds for an average of 12 per game. "In the last two games Lisa has played the way I thought she would be playing all year," commented coach Roy King.

Ruth, in two games last week, hit 13 of 30 shots from the field and connected on 12 of 17 free throws for 38 points, which is an average of 19 points per game. She also collected 32 rebounds for an average of 16 per game. She had a season high of 29 points against Tatum and a season high of 17 rebounds against Elida.

James Hadley, senior at Texico High, is this week's player of the week. He has an average of 22 points per game for this season and lived up to that average in the Elida and Tatum games by scoring 22 points against Elida and 23 points against Tatum.

Texico Jr. High Basketball Results

Last Thursday, the seventh grade boys ended their season by defeating Tucumcari 20-16.

The seventh grade 'A' team finished the season with a 11-5 record after winning the Portales tournament.

Texico was behind at the end of the first quarter 6-2, and at the half they still trailed 8-6. By the end of the third quarter the Wolverines had taken control and led 14-12. They added six more in the fourth quarter to win 20-16.

Scorers for Texico were Paul Toppliff and Tab Tatum, 8 each; and Billy Bibbs and Danny Powell, 2 each. -- Montie Powell.

In action this past Thursday Tucumcari defeated Texico, 28-23, in the eighth grade boys match.

At the end of the first quarter Texico was behind 8-6. At the half the Wolverines had lost more ground, and Tucumcari led 18-13.

In the third quarter the Wolverines put in only 4 points, while their opponents scored 6 to put the Wolverines down 24-17. In the fourth quarter Texico outscored their opponents 6-4, but this was not enough to win the game, and the young Wolverines were defeated 28-23.

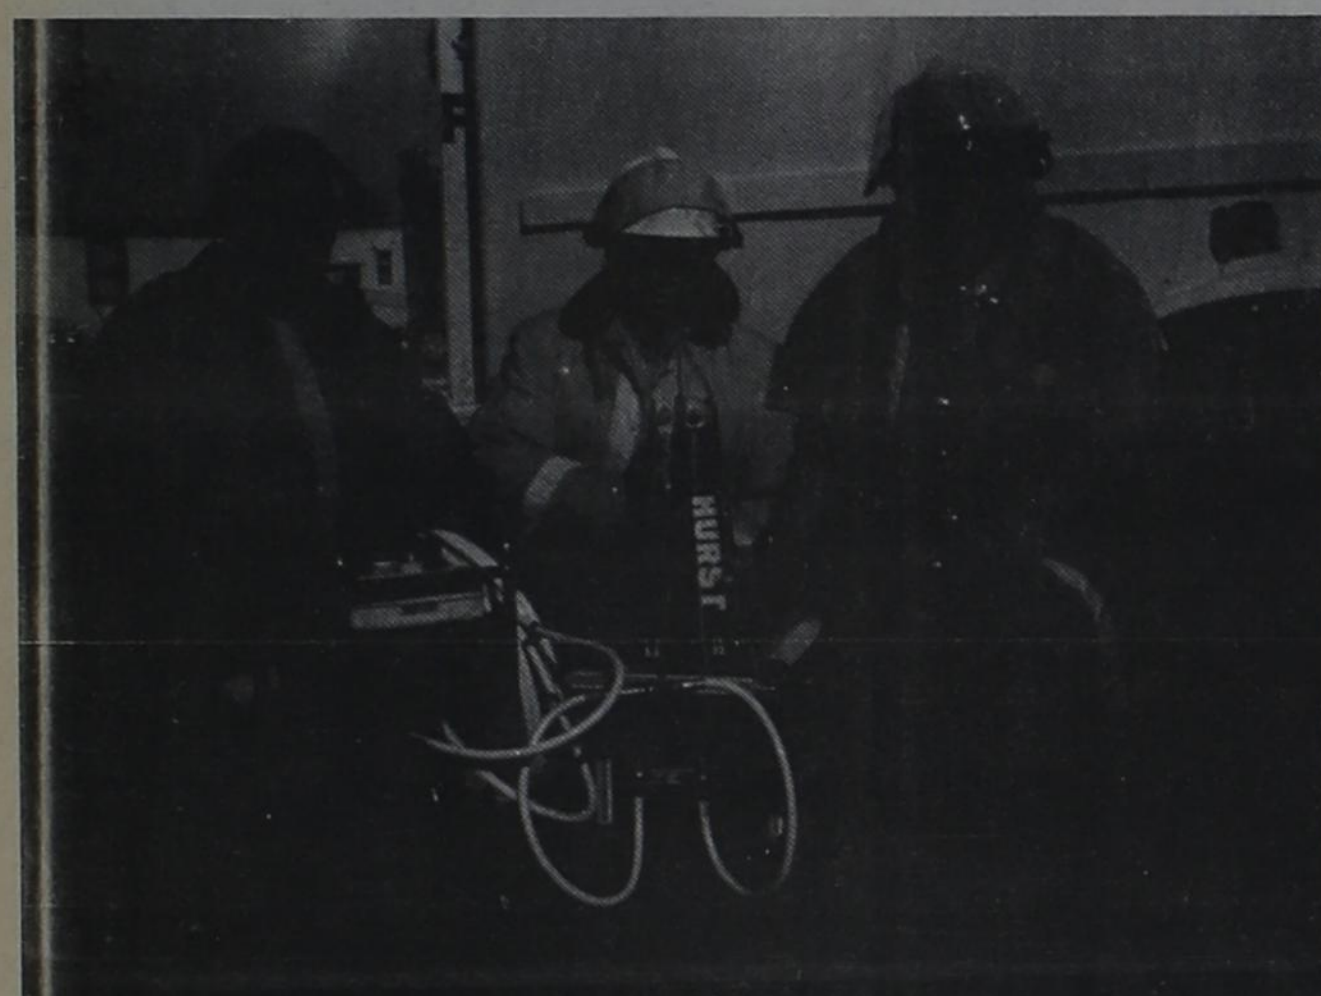

Texico Jr. Varsity Basketball Results

By Jacque Tatum and Becky McDonald

game this year, except for the Melrose game," added King. The coach said "The Wolverines, except for the second quarter, shot much better than we did in the Melrose game. We stood around and watched the game during the second period."

Scorers for the Wolverines were Tammy Landis, 16; Teresa Golledge, 14; Lisa Crooks, 11; Carletta Fitz, 6; Jo Hill, 5; Jill Jesko and Sharlet Taylor, 4 each; and Corrina Hungerford, 3.

The next JV game will be at Dora on Friday night at 5:00.

New Rescue Tool

Farwell Volunteer firemen Mike Camp, Joel White and Robert White (from left) pose with the department's recently-acquired "Jaws of Life" rescue tool. Thursday night several firemen met at a

wrecking yard to learn the proper use of the tool in cutting open a wrecked vehicle. Individuals, businesses, civic groups and other organizations assisted the volunteer firemen in securing the tool for the

department. Fire department members this week issued sincere appreciation to all who had any part in making the purchase of the tool possible.

Steerettes Lose In Final District Game

The Steerettes lost their final game of the season in Springlake-Earth Friday night when they went down 33-48.

The girls got off to a bad start and were down by seven points at the end of the first half of play and just could not get on top of things well enough in the second half to pull out of the slump. They

scored 14 points in the last quarter of play but the Wolverines matched that with 16 points and made it impossible for the Steerettes to pull ahead.

High scorer for Farwell was Janene Berry with 12; followed by Ginger Ellison, 7; Robin Vinton, 6; Gina Eubank, 4; and Lori Turner and Tracy Williams, 2 each.

Top rebounder for the team was Ellison with nine rebounds followed closely by Karyn Blain with eight.

Ellison graded out at 75 percent on her free throws with six made of the nine attempts she made.

"I would like to thank all of the fans for their loyal support," stated Coach Larry McDorman.

Farwell eighth grade boys won the District 3-A Basketball Championship with their 27-25 win over Springlake-Earth Monday night. The young Steers have a 12-3 record for the season.

In Monday night's action, the boys were tied 6-6 at the end of the first quarter of play but took over the lead in the second quarter and retained that lead throughout the rest of the game.

High point scorer for Farwell was Raymond Sierra with eight points followed by Paul Fulcher and Manuel Cantu, 6 points each; Alan Eubank, 3; and Raymond Garcia and Johnny Daniel, 2 points each.

Top rebounder for the Farwell team was Eubank with 10. "We played extremely well and showed a great lot of poise under pressure," commented coach Royce Baker.

Farwell eighth grade girls basketball team won their game against Springlake-Earth, 22-16. Lezlie Castleberry really "showed her stuff" by scoring 19 of the 22 points scored by the Farwell team. Cassie Chavers was responsible for two points and Norine Jones scored one.

"The girls played well all year. They always tried their hardest and really could be good in the future if they continue to improve like they

Farwell Jr. High Basketball Results

have this year," stated coach Bill Phillips.

The eighth grade girls have a 12-3 season record and placed second in the district.

In further junior high action, the seventh grade boys won their game against Springlake-Earth, 30-25, while the girls lost a close match 12-14.

The boys took an early lead in the first quarter and maintained that lead throughout the game. The team record for the season is 6-3.

Roger Robertson was high scorer for Farwell with 13 points, followed by Steven Stancell, 7; Jesse Coburn, 6; and Todd Davis and Brian White, 2 each.

"The boys played real well," said coach Royce Baker.

High scorer for the seventh grade girls was Cynthia Ancira with 9 points, and Sheila Smith scored the other three points.

The girls had a one-point lead in the first quarter of play but the Springlake-Earth girls jumped ahead in the second quarter and kept the lead the rest of the game. Farwell girls have a 0-9 record for the season.

According to their coach, Bill Phillips, "the girls improved a lot and though they were basically smaller than all of their opponents, the girls never quit trying."

To Face Bovina - -

Steers Advance To District Tourney

Farwell Steers varsity basketball team made a super effort in their final game of the regular season last Friday when they won 44-43 over the Springlake-Earth Wolverines.

The win put the Steers in second place in District 3-A round-robin action. They will

wind up their season at the District 3-A Tournament this week in Hereford.

District Tournament action will start on Thursday, Feb. 14, at 4 p.m. when Bovina and Springlake-Earth girls will play.

Farwell and Bovina boys will

play at 5:30 Thursday night to decide who will be eliminated from competition for the district title. Winner of that game will play at 8:30 Friday night against the winner of the Vega and Springlake-Earth match which will be played at 8:30 Thursday night. Winner of the girls game will play the winner of the Vega-Hart game scheduled for 7 p.m. Thursday night.

In Friday night's action against Springlake-Earth the Steers were down by seven points at the end of the first half and down by five points at the end of the third quarter. However, they rallied during the final quarter of play and pulled the game out by one point in the final minutes of the game with a 19 point scoring spree.

Richard Carpenter was high point scorer for the Steers with 16 points; followed by Mark Owen and Richard May with 8 points each; James Castleberry and Craig Kaltwasser with 4 points each; and Boyd White and Byron Mayfield with 2 points each.

Carpenter was also top rebounder for the team with eight.

"The boys really played well," stated coach Mike Martin. "They just had a bad night of hitting."

Farwell Jr. Varsity Basketball Results

Farwell junior varsity girls placed second in district with a 10-8 record as they played their last game Friday night against

Springlake-Earth, losing that game 41-28.

"This was a super year for the girls based on early season expectations. They worked hard and played excellent defense all year. I am very proud of them because of their continued improvement," commented coach Bill Phillips.

In the Springlake-Earth game, Darrisa Ford was high scorer for Farwell with 7 points; followed by Jennifer Williams and Sandra Coates with 4 each; Kay Geuther, Judith Schilling and Sharon Kalbas, 3 each; and Donna Meeks and Kelly Davis, 2 each.

Top rebounder for Farwell was Coates with 10 rebounds.

The Physics Of Tennis

Cutting out a lot of the doubletalk about what makes a better tennis racket is what Dr. Howard Brody has been doing during the past year at the University of Pennsylvania, which has one of the strongest college Physics Departments in the world.

The physics professor patiently dropped hundreds of tennis balls on carefully monitored tennis rackets. Using a laser and an oscilloscope, Brody found that the flexing of the racket handle is too slow to give the ball much power. The ball is long gone before the handle snaps back.

Looser strings give the player more control because they allow the ball to stay in contact with them longer. Also, looser strings make each shot more powerful, because the strings turn the energy of the ball around more efficiently than the ball itself does when it flattens.

Another advantage of looser strings — less likelihood of "tennis elbow." This is because less of the impact of the ball hitting the racket is transmitted down the handle to the player's wrist and elbow.

Main Street, Lazbuddie

by Janet Wilke

BASKETBALL SEASON COMES TO CLOSE

Roundball season for the Longhorns and Lady Horns has ended as the teams played their final regular season games of the year Tuesday night against the Cotton Center-Elks at Cotton Center.

Playing their final basketball games for the Longhorns were seniors Quentin Mimms, Reggie Treider, Mickey Powell and Johnny McDonald. Lady Horns in their last regular season game were Angela Matthews and Terri Clark.

In games played with Spade last Friday the Horns fell to Spade 67-47. Steffan Moore had

14 points while Reggie Treider scored 13.

Spade won the JV boys game 42-38. Jeff Jesko led Lazbuddie scorers with 10; followed by Mark Lust, Terry Steinbock and Bart Elliott who each scored eight points.

The Lady Horns took a 58-28 win over the Spade girls with Barbie Ivy leading the Lady Horns with 19 points.

The girls will meet Sudan in the playoffs. More information later.

VALENTINE'S DAY ACTIVITIES

All the elementary classes

were "geared up" in anticipation of Valentine's Day Thursday. Several classes made cute wall decorations to adorn the corridor walls in the elementary building and all of the children were really looking forward to giving Valentine's to their friends and "loved ones."

JUNIOR HIGH GAMES

Last Thursday night the junior high teams hosted the Cotton Center teams with the Lazbuddie girls winning 38-14. The boys game was cancelled due to power failure.

In the girls game Carolyn Nail came off the bench to lead the scoring with eight. Other high scorers were Becky Schacher, seven; and Sharon Glover and Cynthia Zamora with six each.

There is no indication that the boys game will be made up.

COMING UP ...

Look forward to coverage of your favorite sport... whether it be golf, tennis or track. Many students at Lazbuddie High and Lazbuddie Junior High are involved in at least one of these spring sports; so keep a sharp eye out for the headline makers in these events.

Accounting leads in majors at UT

AUSTIN, Texas (Spl.) — What academic subject has the most majors at The University of Texas?

Accounting. UT's Accounting Department has enrolled 2,621 undergraduate majors, making the department the largest on campus and probably the largest of its kind in the U.S.

In addition, 168 UT students are pursuing the Master in Professional Accounting degree, and 44 are Ph.D. students.

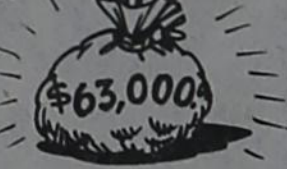

Despite its size, the Accounting Department has been ranked among the nation's top five for the quality of its faculty and programs.

New Provisions For Grain Entering Reserve After Jan. 7

Following the January 7 suspension of grain shipments to the Soviet Union, changes were made in the Farmer-owned Grain Reserve. These changes affect entry, loan rates, storage payments and release and call levels.

ELIGIBILITY: Only good quality corn, wheat, grain sorghum, and oats produced on participating farms are eligible.

LOAN RATES: 1979 national average loan rates per bushel are: corn - \$2.10, wheat - \$2.50, barley - \$1.71, oats - \$1.08, and sorghum - \$3.57 per hundredweight.

INTEREST CHARGES: Interest is waived for the 2nd and 3rd years of the 3-year reserve loan agreement. In addition, the first year interest will be waived for the first 512 million bushels of corn to enter the reserve.

STORAGE PAYMENTS: Annual payments per bushel are now 20 cents for oats and 26-1/2 cents for other grain.

RELEASE LEVELS: The release levels (when the producer may repay the reserve loan and sell the grain without penalty) for grains entering the reserve after January 7, 1980 are: corn, 125% of loan, \$2.63 bu.; wheat, 150%, \$3.75 bu.; sorghum, 125%, \$4.46 (cwt); barley, 125%, \$2.14 bu.; oats, 125%, \$1.35 bu.

CALL LEVELS: The call levels (when a producer has 90 days - 30 days under agreements made prior to January 7, 1980 - to repay the reserve loan or forfeit the grain to CCC) for grains entering after January 7, 1980 are: corn, 145% of loan, \$3.05 bu.; wheat, 185%, \$4.63 bu.; sorghum, 145%, \$5.18 (cwt); barley, 145%, \$2.48 bu.; oats, 145%, \$1.57 bu.

Farmers may: (1) elect to leave grain under the existing agreement or (2) visit the local ASCS office and execute a new reserve agreement under the new rules.

1. IF LEFT UNDER OLD AGREEMENTS: The new storage payments of 20 cents per bushel for oats and 26-1/2 cents per bushel for other grains also apply to grain left under old agreements (except for agreements approved prior to February 9, 1978).

An additional loan disbursement, based on increased loan rates, may be obtained for 1979 crop grain.

Release and call rules remain the same and release and call levels are: corn, 125% of loan, \$2.63 bu.; wheat, 140%, \$3.50 bu.; sorghum, 125%, \$4.46 (cwt); barley, 125%, \$2.14 bu.; oats, 125%, \$1.35 bu.

CALL LEVELS
Corn, 140% of loan, \$2.94 bu.; wheat, 175%, \$4.38 bu.; sorghum, 140%, \$5.00 (cwt); barley, 140%, \$2.39 bu.; oats, 140%, \$1.51 bu.

2. IF PLACED UNDER NEW AGREEMENT: In addition to higher storage payments and higher loan advances for 1979 crop grain indicated above, a new agreement would also mean new release and call level rules and an extended storage period.

One year's interest charges must be paid by the producer. But those interest charges paid under old agreements are credited toward this requirement. However, for corn entering the reserve between October 22, 1979 and January 7, 1980, first year interest accruing after January 7, 1980 will be waived, providing new agreements are made prior to March 31st, 1980.

FOR ADDITIONAL INFORMATION: Producers with grain eligible for the reserve or already under agreement are encouraged to see their county ASCS officials and determine how the current grain reserve options and benefits apply to them.

Patriotic Musical

This group of 4th and 5th grade students at Farwell Elementary School presented a Patriotic musical, singing various songs for the Delta Kappa Gamma sorority on February 7, at Hamlin Memorial United

Methodist Church. The musicians are, from left, back: Ursula Dollar, Shonda Foster, Laurie Harper, Gena Barker and Camille Buchenau; middle: Kenny Adams, Jason Schilling, Bill Knoy, Melinda

McMillan, Joanna Casner and Elodia Ortega; front: Corey Jones, Marty Walker, Dee Ann Ray, Teresa Mitchell and Shelley Smith. Not pictured is Mrs. Billie Worley, 5th and 6th grade music teacher.

Parmer County Livestock Show And Sale In Progress

Many entries have been made in the Parmer County Jr. Livestock Show which is to be Thursday, Friday and Saturday, Feb. 14, 15, and 16, in Friona, says Seth Ralston, Parmer County Agent.

Three-hundred and twenty-eight entries have been made in the barrow class, while 140 entries have been made by lamb owners and 26 entries intending to show steers.

Thirty 4-H and FFA members from Farwell will be exhibiting animals in the county show. Most of these students have just finished showing their animals in the Farwell Jr. Livestock Show.

Youth from all over the county will participate in the county show.

Weigh-in for the entries was scheduled for 9 a.m. Thursday morning at the Community Center in Friona, located at 601 West 15th.

The barrow show is scheduled for 8 a.m. Friday and the lamb show will be at 2 p.m.

Friday, Friday night at 7 o'clock the steers will be shown.

Wrap-up of the show will be Saturday at 1 p.m. when local and area businessmen and other buyers will be on hand

for the annual sale of the show animals.

Everyone is invited to come out to the show and view the animals that the county youth have worked with during the past few months, says Ralston.

Texico Board Has Lengthy Agenda

Texico School Board tended to several orders of business during the regular monthly meeting Tuesday night.

On the agenda was the adoption of a school calendar for the 1980-'81 school year. The board set August 18 as the

day that school will convene after summer vacation with five holiday periods scheduled before school dismisses on May 22, 1981. These holidays are slated for Labor Day, November 27 and 28 for Thanksgiving, December 19

through January 4 for Christmas, March 9 through 13 for Spring Break, and April 17 and 20 for Easter.

In other business the board accepted a bid from Adair Bus Company in Clovis for a new activity bus and changed their next business meeting date from March 11 to March 4 due to the school's upcoming Spring Break slated March 10 through 14.

Alice E. Kingsolver was approved and hired as a bus driver for the school system and the board okayed the purchase of a new heating element for the cafeteria.

A referendum limiting the number of games in the sports program was acted upon by the board in an effort to cut down on travel and expenses. This action brought the number of football games from nine to eight and basketball games from 24 to 22, excluding tournament games. Volleyball games were brought from the present 18 games to 16 games.

In final action by the board, members voted to give a three percent salary increase to the faculty and staff this year to make up the cost of living increase.

Members and guests present at the meeting were Arlye Crooks, Ronnie Curry, Herman Gerles, Greg Martin, Mike Spearman, Paula Leighton, Joan Edwards, Ronnie Warmuth, James Harding, Ken Shaw, Marcia Leavell and Jim Pierce.

Texico CofC -

New Date Scheduled For Membership Drive

Bill Christian, president of Texico Chamber of Commerce, presided over the regular monthly meeting Monday night and reported that since the membership drive which was scheduled January 19 was cancelled due to bad weather a new date had been set for the drive.

This membership drive will be Saturday, Feb. 16. All members of the Chamber are asked to meet at the Texico Branch of Citizens Bank on that date to start the drive.

In other business, members

heard a report from Joe Caywood who attended the Melrose Chamber of Commerce annual banquet. Several members of the Chamber also announced their plans to attend the Farwell Chamber of Commerce annual banquet which is slated for February 21.

Plans for the Texico Chamber of Commerce banquet were discussed. The Texico banquet will be April 14 with Don Perkins, former Dallas Football player, as the featured speaker.

The Boston Palladium, an early 19th century newspaper, was the first to send reporters out to bring news in instead of merely printing news sent to the office.

Texico Science Fair Slated For Feb. 19

The Texico Science Fair has been slated for February 19, in gymnasium number two beginning at 1:30 p.m., according to Cecil Davis, Texico Junior High School science teacher.

Judging will take place on the morning of February 19 and will be completed by 1:30 p.m. There will be three judges.

The public is invited to view the projects in the gymnasium at 1:30 p.m. and the gym will close at 8 p.m.

Ribbons and trophies will be awarded.

Students and the projects they are entering are as follows:

Tim Meier and Bernadette Flores - NASA; Jesse Garcia and Charlie Bibbs - rockets; Rae Lynn Longo and Loretta Gonzales - What is an Appaloosa?; Melanie Furrow - cactus; Helen Boardman - What are pyramids used for?; Tonya Dunsworth, Chris Curry and Dana Curry - space travel; And, Melissa Singleterry - Curry County cactus; Lorri Breeden - What do you want to know about dogs? Joe Loera - airplanes; Maria Jimenez and Indolina Estrada - horses;

Duane Robinson - engines; Karen Anders and Lydia Viescas - bears; Johnny Torres and Elias Orozco - What is aviation?; Helen Lopez - spiders;

Also, Phillip Lambert and Sharon Anders - space; Steve Miller - solar system; Jeff Holland - reload cartridge (bullets, shells); Jay Robinson and Dale Autrey - heart attacks; Doug Thornton and Tab Tatum - airplanes; Troy Cochran and Wade Hicks - solar system; Carroll Smith and John Thomas - Is the telegraph system still useful?; Emilia Martinez and Cynthia Ortiz - history of dogs; Loretta Madrid - What is the history of cats?;

Also, Darlene Madrid - dinosaurs; Jody McDonald and Scott Hicks - dinosaurs; Stanley Cross and Jim Landis - wild ponies of Assateague; Mark Meeks - atoms and their isotopes; Tammy Doshier, Coy Jo Burk and Brenda Morris - study of perfume; Leah Kelley - how light affects leaves; Eldonna McCormack - cats; Katie Tubbs - Mars; and Wayne Wolfe - adobe.

Win Sales Award

Delton Wilhite, left, recently received a plaque in recognition for sales of Oro and Golden Harvest field seeds in 1979. Presenting the award to the Farwell farmer is Wayne Carpenter, district sales manager of R. C. Young Seed Company.

Texico's This, That And The Other

by Members of Journalism 1 paper on a variety of subjects.

Kindergarten students in Mrs. Janice Jenkins' class are studying the alphabet, painting with water colors, and learning nursery rhymes as part of their first school studies. Twenty-three students were enrolled on January 10.

Students in kindergarten, first and second grades viewed two films, "Fawn in Winter" and "Goldilocks and the Three Bears" recently.

Mrs. Richmond's and Mrs. Dunsworth's first graders are studying about dinosaurs. They are making a book which will include dot-to-dot drawings, colored pictures, and original paintings.

Kay Singleterry's class is using multiplication to draw dot-to-dot monster pictures.

English IV students are writing an indepth research

Texico Elementary received cable television January 16, to increase video reception and a wider range of program selection.

The 1980 Science Fair is set for Tuesday, Feb. 19, in the number two gym at Texico Schools.

The business department at Texico has a student teacher, Jan Osborn, a senior from E.N.M.U. She will be observing Mrs. Peyton's classes until March 17 and will teach accounting, Typing I, Typing II, and Intensive office from March 17 to May 10.

Melody Lee, also a senior at E.N.M.U., will be student teaching under the supervision of Mrs. Kendale Burch in the home economics department and in the sixth grade geography class.

Economize In 1980

"You can save money in 1980 by examining your spending habits before you buy," says Jackie Martin, Extension family finance specialist at New Mexico State University.

Change to a less expensive brand of product. There is virtually no difference in some products such as chlorine bleach, aspirin or rubbing alcohol. One survey found vitamins of similar content that varied in price from \$2.99 to \$8.79.

Cherry Pick! That is an industry term for those who buy only the goods on special (traffic builders). To cherry pick, watch the ads, make sure the item is really a bargain, and don't buy other things on impulse.

Trade down. Trying to get the buyer to purchase a fancier model or more expensive item is called "trading up." Buy only the features on appliances you will use.

Leave your credit card at home. Temptation and impulse buying are less of a risk when you rely on cash, Mrs. Martin says.

Rent instead of buy. If you only use a power saw occasionally, rent one from rental stores or a neighbor. If you only camp out a couple of times a year, rent a camper.

Sell it if you don't use it. You don't have to move to have a garage sale. If you only have a few items, get together with friends. For one or two large items like appliances, advertise in the newspaper or on free bulletin boards at work, grocery stores or community centers.

Change your mind. Don't buy. Think twice. Do you really want or need it? Many items can be given up with little or no real sacrifice, Mrs. Martin says.

Find out where your money goes. Money has its own rules and its first and clearest rule is that you have to keep track of it.

Cut down gift expenses. Buy less expensive gifts. Suggest exchanging letters instead of gifts. Invite someone to dinner instead of giving a gift.

Develop donation resistance. Give to your favorite charities, but don't feel obligated to donate to everyone that asks.

Check subscriptions to magazines. Do you actually read the ones you subscribe to? If not, drop them. Think twice before you commit yourself to record clubs or other buying clubs.

Be sales resistant. Don't let anyone talk you into some things you don't want. Show door-to-door salesmen to the door. Avoid home sales parties.

Malone Announces Spelling Bee Schedule

Don Malone, Farwell elementary school principal and director of the 1980 Parmer County Spelling Bee, has announced the following schedule of bee events:

On February 21 at 1 p.m. the Farwell fourth through eighth grades will have their individual room bees with the first and second place winners competing in the local bee March 4 at 1:30 p.m. in the Farwell School auditorium.

The first and second place winners in that event will compete in the County Bee slated for 9:30 a.m., March 11, also in the local auditorium.

In the County Bee, local students will be competing against the best spellers from Lazbuddie, Friona and Bovina.

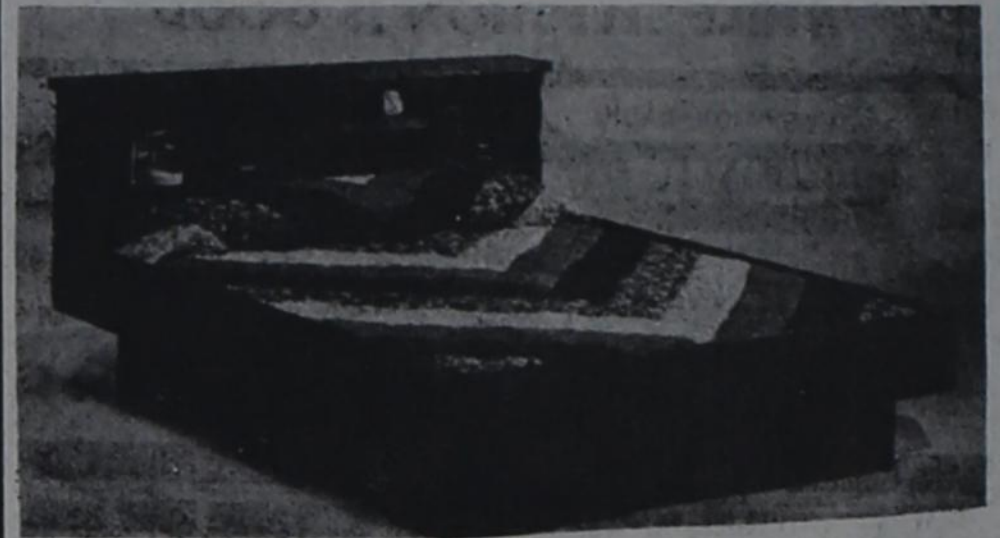

County winners will compete in the district bee to be in Amarillo, sponsored by the Globe-News on April 12 at 1:30 p.m. at Stephen F. Austin Jr. High School.

Grades 4-6 are in the junior division and grades 7-8 are in the intermediate division.

It takes 50 years to replace a forest destroyed by fire.

TWO MINUTES WITH THE BIBLE
BY CORNELIUS R. STAM, PRES.
BEREAN BIBLE SOCIETY
CHICAGO, ILLINOIS 60635

THE PRIVILEGE OF PRAYER

"He shall pray for thee" (Gen. 20:7).

Abimelech, king of Gerar, had taken Abraham's wife as his own, but had done so innocently. Sarah was a beautiful woman and Abraham, fearful for his life, had said: "She is my sister," and Sarah had vouched for Abraham's lie, telling Abimelech: "He is my brother."

But to save the errant couple from the consequences of their own sin God appeared to Abimelech, warning him that if he valued his life he would immediately return Sarah to her husband - "and he shall pray for thee, and thou shalt live."

What is this? Will God hear the prayers of guilty Abraham for innocent Abimelech? Yes, for Abimelech was a pagan who served other gods, while Abraham, with all his failure and sin, was God's own child.

Abraham's prayer would, of course, be a confession of his sin and a plea that it might not be laid to the charge of innocent Abimelech - innocent of this particular sin - but nevertheless it was Abraham, not Abimelech, who had access to God.

Many unsaved people point to the failures of God's children and say: "I would not be guilty of that." Nevertheless, such "good" people, are lost, while poor sinners who have trusted Christ for salvation are "accepted in the Beloved."

CUPCAKES FOR YOUR CUPCAKE--These Orange Pecan Cupcakes, are a sweet treat which will win the heart of any valentine, notes the Texas Department of Agriculture (TDA) home economist. For additional recipes using Texas Agricultural Products, write to the TDA, P. O. Box 12847, Austin, Texas 78711.

From the TAP Kitchen

ORANGE PECAN CUPCAKES

- 1/2 C. butter
- 1/2 C. sugar
- 2 eggs
- 1 3/4 C. flour
- 1 1/2 tsp. baking powder
- 1/2 C. milk
- 1/2 C. pecans, broken
- 4 oz. dates, cut in sm. pieces
- Grated orange rind from 1 orange
- 1 (6 oz.) can concentrated orange juice

Cream butter and sugar well. Have eggs at room temperature and add to butter mixture. Sift flour and baking powder together and add to mixture alternately with milk. Place dates on cutting board. Sprinkle with flour and then chop as finely as possible. Fold in pecans, dates and orange rind. Pour batter into cupcake cups in muffin pan. Bake at 350 degrees F. for about 30 minutes or until done. While still warm from oven, glaze the cupcakes with concentrated orange juice. Makes about 1 dozen cupcakes.

Fad Diets Dangerous And Usually Expensive

Are you 10 pounds heavier after the holiday season? If so, you'll probably make a "Lose Weight" New Year's resolution. Unfortunately, many people will unwisely turn to fad diets which supposedly offer a quick and relatively painless way to take off unwanted pounds," says Mae Martha Johnson, Extension food specialist at New Mexico State University. "However, the effect of most of these diets could be short-lived and even dangerous."

The fact that there are so many diets that are popular should tell you something, says Mrs. Johnson. "If any of the diets were really successful in keeping the pounds off, we

wouldn't have so many different ones to try."

New diets are discussed everywhere -- in magazines, paperbacks and social gatherings. It's up to you to spot and avoid dangerous fad diets.

Beware of any diet that claims to be a revolutionary new idea or claims 100 percent success. Fad diets also often use testimonials or the author's own experience rather than scientific research. Also shy away from any diet that claims persecution by the medical profession.

A good diet should include some servings from all four food groups -- meats, milk, fruits and vegetables and cereals.

Remember that weight control is really a matter of burning more energy than you consume. Burning 500 more calories per day than you eat will cause you to lose one pound per week. That may not sound like much at first until you realize that's 52 pounds by this time next year!

Finally, after you safely lose your weight, remember that a return to poor eating habits will cause the bulges to return. Avoid the habits which put the pounds on in the first place.

Public Notice

Mountain Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in El Paso, Anthony, Canutillo, Clint and other unincorporated areas within the El Paso vicinity, effective March 3, 1980.

It is expected that the requested rate schedule will furnish an increase of 14.4 percent of the company's intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality, and is available for inspection in the company's public business office at 500 Texas Avenue, El Paso, Texas.

Around The House with Laura Jacobs
Assistant Farmer County Extension Agent
for Home Economics

If your club or organization is looking for new program ideas, I may have an answer for you.

Throughout the year I will be offering training sessions for club programs. Send a representative from your group to the trainings and they will come back with some timely and informative programs for you. All of the programs will be conducted in the Extension office.

What is offered?
"Medicine-Mix-up," February 26, 1980 at 10 a.m. Learn to identify examples of drug/drug and drug/food interactions to avoid harmful effects.

"Cults May Hit Home," March 25, 1980 at 10 a.m. Examines the influence that cults could have on families.

And that's not all... I will be available to present programs to your clubs on other subjects.

"Funerals and Alternative Arrangements," available after February 15, 1980. This program deals with basic information of funerals as well as alternative services that are required by law and those that are not and other information families need to know to make wise decisions.

"Food Processors - The Newest Kitchen Wizard," available after March 15, 1980. This program provides information necessary for making satisfying consumer decisions about food processors. NOT a

Diabetes Meet

Slated In Clovis

The American Diabetes Association will host a meeting on Thursday, Feb. 21, at 7 p.m. (MST) in Clovis, for all interested persons in the West Texas-Eastern New Mexico area. The meeting will be at Kingswood United Methodist Church, corner of Main and Yucca.

Featured speaker for the evening will be Dr. James Waltner of Espanola, N.M., who is a pediatrician and director of camp DDD in New Mexico. Dr. Waltner is very involved in the prevention and treatment of diabetes in the adolescent and will present a short slide presentation about diabetes camp and the opportunities that it offers youth.

Anyone interested in attending this meeting is urged to do so. This meeting will be of particular interest to the adolescent and they are more than welcome to attend.

For further information contact Mrs. Ricky Bain, 985-2245.

food demonstration, but a comparison of the jobs a food processor, a blender, and a mixer can do.

"Light Up Your Life - Improve Your Home Lighting," available after April 15, 1980. Homemakers will learn the importance of good lighting and how to evaluate and improve the lighting in their home.

If you are interested, please give me a call at 481-3619 or come by my office on the second floor of the courthouse.

As with all educational programs offered by the Texas Agricultural Extension Service, these are available to all people, without regard to race, color, religion, sex, age or national origin.

I am looking forward to working with your group this year.

Trying to sell your house? You will want to do everything possible to make it attractive to potential buyers. Before putting your home up for sale, make a checklist of needed cleaning and repairs - then follow through with them.

The buyers' first impressions start before they enter your home. You may need to paint. If not, wash off the West Texas dirt with the garden hose. Be sure the roof, windows, screens, steps, gutters, fences, and driveway are in good repair. Keep the property tidy - trim, sweep, clear and clean! Be sure to haul away any debris.

Inside, rid the home of everything not needed. Buyers are always interested in closet and storage space. Neat, uncluttered closets look bigger.

Fix cracked plaster, leaky faucets, replace broken tiles, and secure loose hinges and doorknobs. Have floors shining and windows and light fixtures sparkling. Don't overlook the soil around doorknobs and switchplates.

Remember - a clean garage is a big selling point. Your home will be inviting to prospective buyers if it is clean and uncluttered inside and out. But, who knows? After sprucing up the place, you may not want to sell it after all!

Farmers, Ranchers Tax Deadline Is March 3

While most taxpayers have until April 15 to file their 1979 income tax returns, farmers and ranchers face an earlier filing date - March 3.

The March 3 date stands for agricultural producers who did not file an estimate of their income taxes and pay these estimated taxes by January 15. Those who did file an estimate have until the April 15 deadline to file final returns.

For Texas farmers and ranchers preparing their 1979 income tax returns, Dr. Ashley Lovell of Bryan, area economist with the Texas Agricultural Extension Service, Texas A&M University System, offers several considerations.

Filing requirements for 1979 are changed from 1978. For example, an individual must file a return if his gross income is \$3,300 or more and a married couple under 65 years of age must file if their joint gross income is more than \$5,400. If both are 65 or older, they may make \$6,400 before having to file a return.

For some businessmen, a more urgent deadline is January 31, the due date for Form 943 and Form W-2.

Form 943, "Employer's Annual Tax Return for Agricultural Employees," must be filed if you were required to withhold and pay social security tax, or if you withheld income tax under voluntary withholding agreements on farm labor wages during 1979.

Form W-2, "Wage and Tax Statement," must be provided to each employee to whom you paid wages subject to social security taxes or from whose wages federal income tax was

voluntarily withheld. Employees should receive Form W-2's by January 31.

For other changes and reporting requirements regarding 1979 income tax returns, Lovell suggests a copy of Internal Revenue Service Publication No. 17, "Your Federal Income Tax" (1980 edition).

Farmers and ranchers will want to get a copy of IRS Publication No. 225, "Farmers Tax Guide" (Revised October 1979).

Cover-Up

Twin Cities residents experienced another weekend of ice and snow from a winter storm that started Thursday and finally produced three to four inches of snow before ending early Saturday a.m. Although the sun came out to brighten the world on Saturday very little melting took place and everything outdoors remained covered with white.

**Clearing
The Streets**

Snow plows were out in force Saturday to clear streets after the area received almost four inches of snow from an icy blast that began late Thursday. Although the Twin Cities had its share of ice and snow covered streets to make driving hazardous, there was no severe drifting of snow in the immediate area as was experienced in the northeastern portion of Curry County.
