# Shriners, DQ's To Aid Children

Saturday, March 29, will be a special day in Farwell and across Texas as the state observes "Shriners Hospitals for Crippled Children Benefit Day" as proclaimed by Texas Governor William P. Clements Jr.

More than 60,000 Shriners from the 13 Shrine Temples in Texas will be involved in the day's activities, an annual event for raising funds in behalf of the state's three Shriners Hospitals for Crippled

Children. "Have a Treat! Help a Child" will be the theme when almost 500 Dairy Queen restaurants across the state will dedicate Saturday to helping severely burned children.

Farwell's Dairy Queen manager Velma Fletcher says that the local establishment will be participating and will donate all the day's net proceeds to the Shriners as will all the participating members of the Texas Dairy Queen Trade

Association. The State Line Tribune will also donate its net proceeds from the sponsored advertising in this week's issue.

In conjunction with the local activities, the Clovis Shriners Drum and Bugle Corps will be making appearances in the Twin Cities from 11 a.m. to 1 p.m. CST, playing at various locations in town as well as at the Dairy Queen.

Shriners will don their oriental fezes and be on hand

outside the Dairy Queen restaurants to help attract people to the restaurants as well as to accept individual contributions.

The Texas Dairy Queen Trade Association is the first organization outside of the Shrine itself to become identified with the raising of funds for the state's three Shriners Hospitals for Crippled Children on their annual Texas "Benefit Day," an event proclaimed each year by Texas's gover-

nor. The state's three Shriners Hospitals include two orthopedic units in Houston and Dallas and the Burns Institute in Galveston.

The Burns Institute was founded in 1963 and was established in its own permanent hospital building in 1966 at Galveston. This hospital was the first of three such Shriners hospitals in the United States. The other two Burns Institutes are located in Boston and (Continued on Page 2)

To Be Here

Saturday

Clovis Shriners Drum and Bugle Corps will be in the Twin Cities Saturday to help promote the "Shriners Hospitals for Crippled Children Benefit Day" being observed throughout Texas on that day. The local Dairy Queen restaurant is joining other DQ's across Texas in donating the day's net

proceeds to the Shriners for benefit of the three hospitals the organization supports in the state. The Drum and Bugle Corps will be playing at various locations in town from 11 a.m. to 1 p.m. CST. Donations from individuals will also be accepted by the Shriners.

## Gasohol Co-op Slates Feasibility Hearing

The High Plains Grain Products International Cooperative will have a hearing on the recently-completed feasibility study concerning proposed construction of an area gasohol plant on Wednesday, April 9, at 8 p.m. in the Muleshoe Civic Center.

An office for the local GPI Cooperative will open at 113 West Ave. D in Muleshoe on April 1.

Members of the Cooperative are the only persons who will be admitted to the hearing at which time it will be determined what size plant will be constructed, who will engineer the project and where the plant

will be located. A decision to continue with this phase of the project must be made by May 1.

Persons who are not yet members of the local Coop may sign up for membership anytime between now and the April 9 meeting by contacting Bert Williams or Guy Austin in Farwell, Grady Sorley in Bovina or Doug Bales in Muleshoe. On May 1, 1980 the High Plains GPI will become a closed cooperative.

Williams, Austin and Sorley, who are on the board of directors for the local group, were in Washington, D.C., recently to see the feasibility

study done by the A.D. Little Company of Cambridge, Mass. The directors are highly enthusiastic about prospects for the plant and say that "it looks like a really profitable venture."

Don Crenshaw and Dr. Narcotti of the Little Company will be presenting the approximate two-hour study to the Cooperative's members at the Muleshoe meeting.

The directors encourage all Coop members to try to be present for the hearing on the study so that they will know what to expect. They report that the presentation is most interesting and informative.

## Former Dallas Cowboy To Speak At Annual Banquet

Don Perkins, former member of the Dallas Cowboy football team, will be the featured speaker at the annual Texico Chamber of Commerce banquet which will be held Monday, April 14, at 7:30 p.m. (MST) in the Texico school gymnasium.

Another highlight of the evening will be the announcement of Texico's "Man and Woman of the Year."

Tickets for the banquet are available from any Chamber member at a cost of \$5 each. A limited number of the tickets will be available so everyone is urged to purchase theirs as soon as possible.

Menu to be served at the banquet will include roast beef, green beans, salad, baked potato, hot rolls, cherry cobbler, tea and coffee. Ed and

Juanita Hardage will provide the dinner music.

Perkins was a member of the Dallas Cowboys for nine years, 1960-68. He retired as the fifth leading rusher in the history of the National Football League and is currently ranked tenth.

The father of four children, Tony, 19; Karen, 16; Randy, 15; and Judy, 12, is trustee of the National Foundation March of Dimes.

He has served as guest speaker at various awards programs, graduations and banquets, and has been inducted into the High School Hall of Fame in Waterloo, Iowa; the Albuquerque Sports Hall of Fame and the Dallas Cowboys' Ring of Honor at Texas Stadium.

Everyone is urged to attend the banquet and enjoy hearing Perkins speak as well as the other highlights of the Chamber banquet.

## Sheriff's Dept. Solves Recent Area Burglaries

Many of the recent area burglaries reported to the Parmer County Sheriff's department have been cleared up this week, according to Sheriff Charles Lovelace.

Although no names are being released at the present time warrants are being issued for two suspects and one person is now in custody in the Curry County jail in Clovis in connection with the burglaries, the sheriff said.

Items stolen in seven different burglaries have been located and recovered and other burglaries are expected to be solved with the break in this case.

Approximately 75 percent of items taken in recent burglaries of Twin City Machine Works of Farwell, Gregory Produce of Lariat, and Laz-

## Farm Bill Signed

President Carter has signed a 1980 Farm Bill which calls for an increase in target prices and an extension in the disaster payments program through the 1980 crop year, according to Prentice L. Mills, Parmer County ASCS Executive Director.

This action raises the target prices for wheat, corn, barley and sorghum to producers who plant within their farm's Normal Crop Acreage (NCA).

Target prices for producers who plant within their NCA are: \$3.63 per bu. for wheat, \$2.35 per bu. for corn, \$2.50 for sorghum, and \$2.55 for barley. Targets for farmers exceeding their normal crop acreages are: \$3.08 per bu. for wheat, \$2.05 for corn, \$2.45 for sorghum and \$2.29 for barley. The cotton target price is 58.4¢ per lb.

This new act extends the disaster payments program thru the 1980 crop year for producers of wheat, feed grains, upland cotton and rice. Because of the fact that disaster payments are based on target prices, the producer who stays within his farm's NCA will have a higher disaster payment rate than does the farmer whose plantings exceeds his NCA.

The maximum amount that any one person may receive in disaster payment is \$100,000.00.

buddie School have been recovered so far, according to Lovelace.

"We got lucky when we ran across some tools that were branded with the name 'Laz-buddie Vocational Ag' on them and investigation just led us to the discovery of a lot of clues and answers," stated Lovelace.

The tools had been taken from the Lazbuddie School last Friday night and the burglars hadn't had time to get rid of

them. They were found in the Clovis home of one of the suspects.

"The stolen property as well as physical evidence taken at the scenes of each of the burglaries are pretty conclusive evidence that we have the right people," Lovelace said.

In other sheriff's department activities this week Roger Brooks Huron was located and arrested in San Antonio on a warrant that had been issued for him by Parmer County

Sheriff's office five years ago. Huron had been convicted of robbery by assault and was an inmate of the Parmer County jail when he broke out and escaped in February 1975. A search for the man proved useless until the discovery of his whereabouts five years following his disappearance.

Deputy Sheriff Bill Morgan will travel to San Antonio to transport the prisoner back to Parmer County where he will (Continued on Page 2)

## County Accepts Bid For Motor Grader

Among business attended to by the Parmer County Commissioner's Court during the regular meeting Monday included hearing the treasurer's report, transferring of funds, and opening of bids on a new motor grader.

Following the reading and approval of the minutes from the previous court session and the presentation and approval of bills for payment the court heard a treasurer's report from Parmer County treasurer Benna Felts.

The commissioners voted to place FICA funds into a 90 day certificate of deposit and to convert \$20,000 to each county precinct from the right-of-way fund with the remainder to be put in certificates of deposit.

Bids were opened for a road grader for Precinct 2 with Deckard Equipment Co. of Amarillo and West Texas Equipment Co. of Lubbock being the only two firms submitting bids.

Commissioners voted to accept the bid of Deckard Equipment Co. for a six-wheel drive motor grader meeting the advertised specifications with a trade-in difference of \$70,621.

The court also okayed the purchase of a camera for use by the county extension agents' office and the payment of membership dues to the Texas District County Attorney Association for the county attorney.

Discussion on the arrangements and place of the Justice of Peace in Bovina was held by the court and a decision was made to let the situation stay as they stand at the present time.

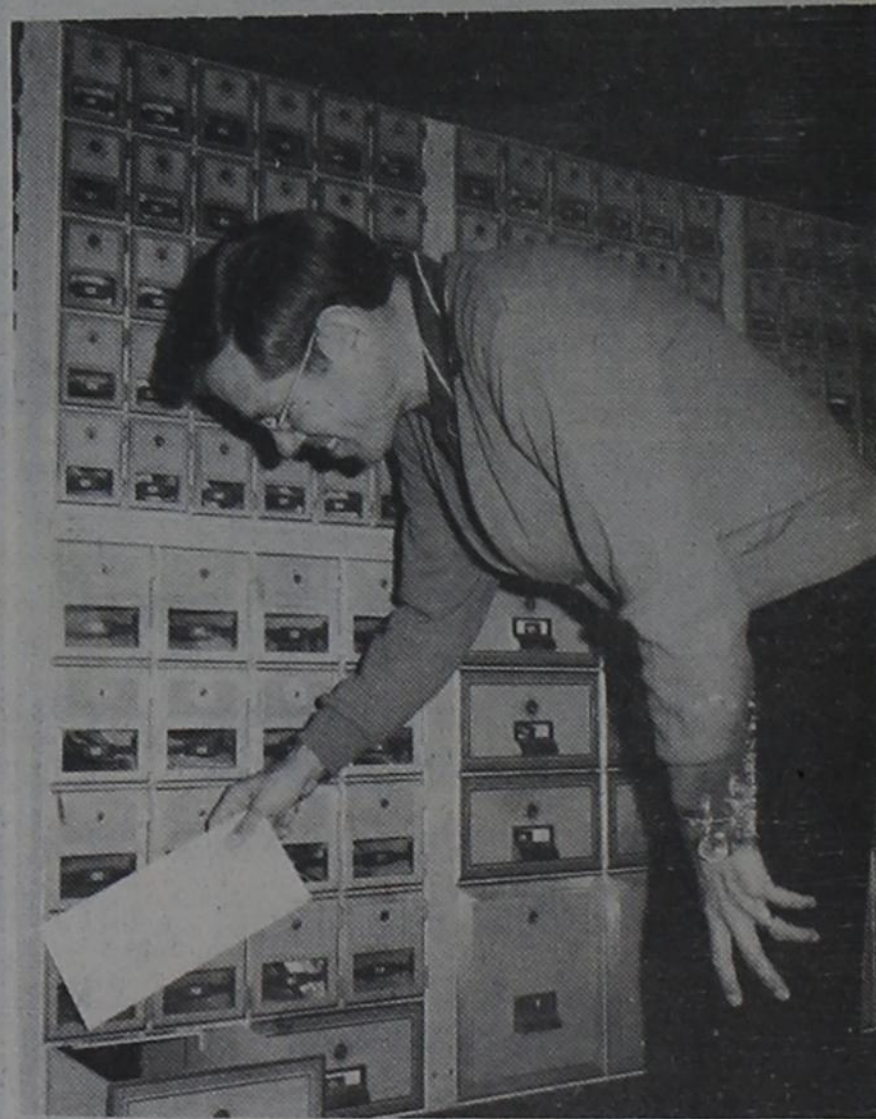

Redistricting of the county was again discussed by the commissioners but a decision was made to "sit tight and let things remain as they are until after the completion of the 1980

census."

Soil conservation work on 48 places in four precincts were approved and ratified by the court.

It was reported that County Judge Porter Roberts and Commissioners Ernest An-

thony and Jack Patterson and their wives attended the West Texas County Judges' and Commissioners' convention in San Angelo and that the men thought the trip very worthwhile and the meeting well attended.

## Countdown Begins

Today [Friday] is the day that the 1980 census forms will be distributed to area residents as they are placed in post office boxes and rural mail boxes by postal employees. Dudley Bristow of Farwell ponders what questions lie ahead in the large envelope which was left in his box. The census forms

are to be filled out and returned to the Census Bureau in Amarillo on April 1, the day that has been declared National Census Day. Persons who do not return the forms by mail will be required to answer the questions during a personal interview with census takers.

It's not the Cat's meow, but "Newman" the feline obligingly suffers the ordeal of receiving his annual rabies shot at the Twin Cities Rabies Clinic sponsored last week. Dr. G.H. Kendall, Clovis veterinarian, administered the rabies vaccine to some 41 animals during the afternoon clinic at Texico City Hall. Newman, named after actor Paul Newman because of his blue eyes, belongs to Melvin Winter of Farwell. Because of his 'ol blue eyes he might have been named Sinatra.

**Rites Conducted For Mrs. Laura Taylor**

Funeral services for Laura "Toots" Taylor, 65, of Muleshoe were held Saturday, March 22, at 2:30 p.m. in the First United Methodist Church of Muleshoe, officiating was Rev. David Hamblin, pastor, assisted by Rev. Harold Aney, pastor of Three Way Baptist Church. Burial was in Bailey County Memorial Park.

MRS. LAURA TAYLOR

Mrs. Taylor died March 19 in West Plains Medical Center at Muleshoe. She was born June 2, 1914, in Bronte, Tx., and came to Muleshoe in 1949 from Eldorado. She married A.G. Taylor on October 12, 1930, in Lovington, N.M.

She worked for Cobb's Dept. Store in Muleshoe for 12 years, and was a member of the First United Methodist Church.

Survivors include her husband, A.G.; two sons, Gus Taylor of Amarillo and Tommy Taylor of Baton Rouge, La.; two daughters, Mrs. Pat Sowder of Goodland and Mrs. Nonnie Bryant of Albuquerque, N.M.; two sisters, Mrs. Olga Whalen of Ft. Worth and Mrs.

Nolia Walls of Farwell; a brother, Buck Gregory of Farwell; eight grandchildren and three great-grandchildren.

Pallbearers were her nephews, including Joe Whalen, Greg Whalen, Larry Gregory, Randy Gregory, Mark Anderson and Pete Taylor.

**Aid To Children . . . (Continued from Page 1)**

The work of the Burns Institute of the Shriners Hospital for Crippled Children is unique and the sole service of its kind in the world. Since its inception, it has treated more than 8,000 severely burned youngsters. Last year alone, the Burns Institute in Galveston treated approximately 400 severely burned children (with only one fatality).

The Shriners Burns Institute gives its treatment and care to all burned children of all races, and creeds with absolutely no cost to patient or parent. The Burns Institute in Galveston is one of America's 21 Shriners

Hospitals for Crippled Children. Eighteen of these hospitals are orthopedic units.

Once the individual "Have a Treat! Help a Child!" Day contributions from each of the participating Dairy Queen restaurants have been assembled, Doris Richeson of Graham, 1980-81 president of the Texas Dairy Queen Trade Association, will present this gift from TDQTA to Charles J. Claypool of Dayton, Ohio, the Shrine's current Imperial Potentate; C. Victor Thornton of Fort Worth, the chairman of the Shrine's Board of Trustees; and Gene Bracewell of Atlanta, Ga., the imperial oriental guide on the national Imperial Divan. This will be done in a formal ceremony at the Burns Institute of the Shriners Hospital for Crippled Children at Galveston.

**Services Held For Willie Goldsmith**

Funeral services for Willie James Goldsmith, 70, who died Thursday, March 20, at his home in Hartley, Tx., were conducted at 2:30 p.m. Saturday from the Church of Christ in Farwell with Leonard Tittle and Leonard Harper officiating. Burial was in Sunset Terrace Memorial Park in Farwell.

Mr. Goldsmith had been a resident of Hartley for the past year and a half and was formerly of Dimmitt. He and his wife, Belle, had previously lived in Texico for several years.

Survivors include his wife, Belle; four sons, Bill Goldsmith of Hartley, Bob Goldsmith of Florence, Ariz., Ted Goldsmith of Hereford, and Ed Goldsmith of Atlantic Beach, Fla.; one daughter, Karen

Kelly of Hartley; two sisters, Effie Young of Texico, and Dollie Young of Longbeach, Calif.; 14 grandchildren and three great-grandchildren.

Pallbearers were nephews.

go before the County Judge. It is expected that the man will be sentenced and transported immediately to the state penitentiary, Lovelace said.

The appeal that had been filed following Huron's original conviction on the robbery assault charge was automatically nullified when the subject escaped from jail, according to Lovelace.

Investigation was made by the Sheriff's Department on the report of a stolen purse made by Peggy White of Farwell. The purse was stolen from Miss White's car on Wednesday night while it was parked at Hamlin Memorial Methodist Church in Farwell. The woman said that the car was unlocked at the time of the theft. A small amount of cash, credit cards, driver's license, etc. were listed as the contents of the missing purse.

**Edna Davis Buried Saturday In Clovis**

Funeral services for Edna L. Davis, 69, of Clovis, mother of Cecil Davis of Texico, were conducted at 10 a.m. Saturday, March 22, from Steed Memorial Chapel in Clovis. Joe Wilson and Herb Miller officiated the services. Burial was in Lawn Haven Memorial Gardens under the direction of Steed-Todd Funeral Home.

Mrs. Davis died March 19 in her home. She was born March 23, 1910, in Arkansas and had been a resident of Clovis for 47 years. She worked as an LPN at a Clovis convalescent home until her retirement. She was a member of the 21st Street Church of Christ in Clovis.

Survivors include four sons, Joe Roy Davis and George E.

Davis, both of Clovis, Cecil Davis of Texico and Jimmy Davis of El Paso; three daughters, Patsy Gale Everson of Paynesville, Minn., Darline Stein of Franklinton, Pa., and Mildred Flores of Fresno, Calif.; three step children, Joe L. Laurence of Wichita, Kan., Francille Grant, Phoenix, Ariz., and Louise Purifoy of Wichita, Kan.; three sisters, Dollie Real of Colgate, Okla., Ollie Aston of McAlister, N.M., and Mary Staap of Hugoton, Calif.; 20 grandchildren and 12 great-grandchildren.

Pallbearers were Greg Burns, Tommy Doolittle, Bryan Davis, Steve Davis, Roy L. Davis and Wayne Davis.

**Gene Gulley Rites Held**

Funeral services for Gene Gulley, 81, of Progress were conducted Wednesday, Mar. 26, in Singleton-Ellis Chapel of the Chimes, in Muleshoe with Terry Bouchelle, minister of Sixteenth and Avenue D Church of Christ in Muleshoe, officiating. Mr. Gulley was a great-uncle of Larry Gulley of Farwell.

Burial was to be Thursday in Hillcrest Memorial Gardens at Las Cruces, N.M.

Mr. Gulley died March 22 in Prairie Acre Convalescent Home in Friona after a lengthy illness.

The Indian Territory native moved from Wellington to the Progress community near Muleshoe in 1929. He was a Baptist and a retired farmer.

Survivors include two stepdaughters, Joyce Johnston of Fort Morgan, Colo., and Ada Marie Wallace of Boise City, Okla.; three stepsons, Harold James of Boise City, Okla., Duffy James of San Diego, Calif., and Kenneth James of

**3184**

This hybrid's record for consistency has made it one of the most popular hybrids on the High Plains. In 77 comparisons over the last four years against competitive hybrids, 3184 has shown an average yield of 183.7 bu./A. with a yield advantage of 14.3 bu./A. over competitors. Bred with outstanding drought tolerance, 3184 can adjust ear size and kernel depth to match growing conditions. And strong stalks keep 3184 standing straight for speedy harvest. It's just what High Plains farmers need in a dependable, high-yielding corn hybrid. And its maturity makes it a good companion for 3183.

**3183**

Push this one for highest yields! In 43 comparisons on the High Plains in 1979, this hybrid averaged 192.1 bu./A. A sampling of yields from 1979 includes 216 bu./A. for Sheldon Rapp at Hooker, Oklahoma . . . 210.4 bu./A. for Larry Kemp of Muleshoe . . . and 196.7 bu./A. for Doyle Underwood at Dimmitt, Texas. 3183 has demonstrated very good standability and ear retention in this area. Excellent drought tolerance helps 3183 maintain outstanding consistency year after year. And it has been especially impressive on gray soils. Plant 3183 along with 3184. Spread genetic risks and get top performance, too.

## Pheasant Season Length Discussed

A sizeable crowd was on hand at a hearing at Farwell last week when the length of the 1980 pheasant season was discussed. The hearing was sponsored by the Texas Parks and Wildlife Department.

This year's season is slated to last one month as it did in 1979.

Jack Patterson, Parmer County Commissioner and president of the Parmer County Game Association said, "I don't know who recommended this, or what the purpose of the longer season is, but most of our people are opposed to it."

He added, "We started out with a two-day season and this was later increased to a seven-day season, and later to a nine-day season, and from that to a 16-day season, until last year it was increased to a 30-day season."

"I think this is getting too long. The bag limit has remained at two per day," Patterson said, adding, "We feel that our season should have remained short, and our bag limit increased. We have

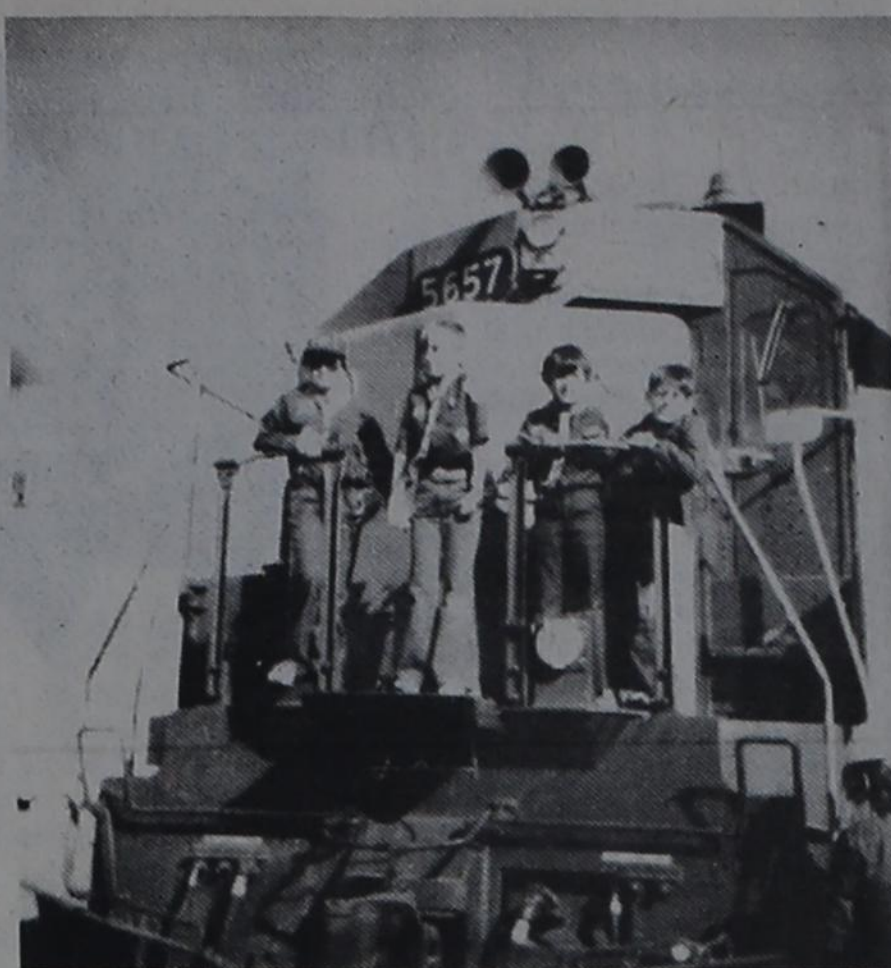

friends who come in from Central Texas, Houston, Georgia and so on and those hunters would rather have an increased bag limit than a longer season."

"We're farmers and we graze a lot of our stubble. So far, there have been good relations between our farmers and the hunters. That is until this 30-day season came along. Our cattle are going to be harassed during this longer season. It is getting to be a sore spot," he said.

Patterson continued saying, "I plan to do everything in my power as a commissioner, if they continue to put this 30-day pheasant season on us, to have this county pulled out of the regulatory commission. I feel that the other commissioners feel this way, also," he added.

There were no persons present at the meeting who voiced approval of the 30-day season.

Hearings were scheduled to be in all counties in the regulatory commission.

### Cubs On Tour

Local Cub Scouts toured the Santa Fe Depot in Clovis last week and were able to see first hand how the locomotive engines are operated. Pictured

on one of the engines are, from left, Todd Thigpen, Marty Walker, David Price and Tommy Anson.

### Local Cub Scouts Take Tour Of Train Depot

Texico-Farwell Cub Scout Pack 213 visited the Santa Fe Depot in Clovis Thursday, March 20, on their monthly tour. They rode the engine and enjoyed seeing the large locomotives.

Cubs going on the tour were Todd Thigpen, Marty Walker, David Price and Tommy Anson.

The Cubs are presently working on Indian costumes which they will wear during the Scout Craft Fair scheduled for April 12. They will be doing

an Indian dance during the fair. Members of the pack are selling tickets from now until time for the fair at the price of \$1 each. Part of the money received from the sales will go to fund summer activities for the pack.

Anyone wishing to support the local Cub Scout Pack may purchase a ticket from members of the pack or by contacting Marianne Price, Box 812, Farwell, or calling her at 481-9450.

### Hospital Board Hears Report From Dr. Ivins

Dr. J.R. Ivins, Farwell dentist, reported to the board of the Farwell Hospital District that business is on the increase in the local dental office and that he was pleased with the outlook of the practice. Dr. Ivins gave his report during the regular meeting of the hospital district board.

Dr. Ivins also reported that he would be going to the schools in Farwell and Bovina to present programs in individual classrooms on tooth care and prevention of tooth decay. In other business before the board, a request was received from Don Brewer to have an option to buy the Farwell Convalescent Center facilities.

Brewer has the Center leased, but now wishes the buyer's option. Board members chose not to make a decision on the request until further discussion could be held. This discussion will be during the regular meeting of the board in May.

Reports on the hot water situation in the Center were received by members of the board with the result that it is now believed that the problems have been solved.

Present for the meeting were board members Pudge Rose, LaMoin Williams, Troy Christian, Gwen Hughes, Ralph Franse and Lee Hutchins; Dr. Ivins and Georgia Eshleman Tharp.

### School, Hosp. Board Elections Set April 5

Elections for the Farwell School Board and the Farwell Hospital District Board of Directors are slated for Saturday, April 5.

Registered voters are to cast their ballots in the county courtroom of the Parmer County Courthouse in Farwell April 5 to elect two persons to the school board and four persons to the hospital district board.

Running uncontested in the school board election for three-year terms are Jim Walker and Billy Mayfield, incumbents. They currently hold school board offices of secretary and vice-president, respectively.

The five board members whose terms are not expiring are Wilbert Kalbas, president; Joe Hughes, Doyle Ford, Caroline Anderson and Bill Martin.

Running for the hospital board are incumbents Gwen Hughes, Bert Williams, Ralph

Franse and Troy Christian. Board members who are currently serving unexpired terms are Pudge Rose, Jim Berry, LaMoin Williams, Lee Hutchins and Robert White. The term of a hospital district board member is two years.

### New Stamp Machine Installed

Otis McMillan, postmaster of Farwell Post Office, advises postal patrons that a new stamp machine has been installed in the post office.

The new machine is equipped to dispense 15 cent stamps instead of only 10 cent, five cent and one cent stamps. Either one or two 15 cent

stamps are available. To buy a stamp, a nickel and a dime must be deposited; and for two stamps, a nickel and quarter.

McMillan explains that the nickel must always be deposited first for the machine to work, otherwise the machine will reject the coins.

Brazil in 1843 was the first country in the Western Hemisphere to issue stamps.

### Tribune Sets Rate Increase

Due to the increasing cost of production and postage, the State Line Tribune will increase its advertising and subscription rates effective April 1, 1980, says John Getz, publisher.

Beginning on that date, yearly subscriptions to the Tribune for subscribers in Parmer and adjoining counties will increase 60 cents to \$7.90. Out-of-town subscribers will pay \$10 per year.

Single copy price will increase from 20 cents to 25 cents.

Advertising rates will increase from \$1.20 to \$1.30 per column inch for open local display advertising. These rates will be reflected on the April advertising billing.

Wonderful instrument, your nose. It can tell you when supper's ready, or when you're near a desert rose. And it can even spot a potential problem like a natural gas leak.

That's because we add a unique aromatic chemical to natural gas that alerts your nose to a leak in or around your home.

So if you detect the faint odor of natural gas, first look around. It could be as simple as a pilot light out or a partially open burner valve.

But, if the odor is very strong, open a window, leave your house and leave the investigating to us.

We're available 24 hours a day to locate gas leaks and we'll be right out.

But don't use the telephone in your home and don't operate any electrical switches. Be sure to extinguish any open flame and never, never strike a match.

Help us keep natural gas one of the safest energies available. If you smell gas, indoors or out, listen to your nose.

Then use your head... call the gas company and keep this number handy.

**New Pastor  
And Family**

New pastor of the Pleasant Hill Baptist Church is Bob Reid. Members of his family include, from left, his wife, LaVaun, their son Gary, and daughter, Lisa. The Reids moved to Pleasant Hill from Ft. Worth and had previously lived in Missouri. Gary and Lisa are students at Texico School.

**Bob Reid Takes Pastorate  
Of Pleasant Hill Church**

Relatively new to the Texico-Farwell area are Bob and LaVaun Reid and their children, Gary and Lisa. They have just recently moved to the area from Ft. Worth and Bro. Reid has taken over the pastorate of Pleasant Hill Baptist Church. Originally from Missouri the Reids had lived in Ft. Worth for four and one-half years prior to moving to Pleasant Hill. Bro. Reid had attended Southwestern Seminary in Ft. Worth and been pastoring a church for a year in Bonham, Tx.

Reid is an art major as well as a Christianity major and surrendered to preach in 1970. He attended school seven years to obtain his degree. "I like to draw and paint and I am interested in mechanics when I have time for it," stated Reid. Mrs. Reid helped put her husband through school and says she has a PHT (Put Hubby Through) degree. She worked as a teacher's aide and in the day care and cafeteria

facilities of the seminary. "Now I just enjoy being able to go with him and visit with members of the church and other people," she said. Gary, 17, and Lisa, 16, attend school in Texico and are busy making adjustments always needed when a change of school is made. Gary is a member of the Wolverine track team and stays busy practicing each day. "The most adjustment we have had to make is getting used to the absence of trees and hills like we had back in Missouri," commented Reid, "but we are glad there aren't any ticks and chiggers," he jokingly added.

**At Press Meet**

Mr. and Mrs. John Getz of Farwell attended a meeting of weekly publishers of the New Mexico Press Association last weekend at Truth or Consequences, N.M. The workshop meeting was held at the Inn at Elephant Butte Lake. The Getzes returned home Sunday evening.

**Marriage Announced**

Mr. and Mrs. Fred Danforth of 1715 Live Oak Carlsbad, attended the wedding of their son, Howard, to Jeanette Buckman, daughter of Mr. and Mrs. Richard A. Buckman of San Marcos, Calif. The double ring ceremony was conducted March 15 in the First Methodist Church at San Marcos. Following the candlelight ceremony, a reception and dinner was held at the home of the bride's parents for approximately 75 relatives and

friends. The groom's parents hosted the rehearsal dinner in San Marcos. For their honeymoon, the couple went to Carmel, Calif., and will be at home at 1624 Coriander, Apt. C, Costa Mesa. The groom is employed by Hughes Aircraft in the electronics department. Danforths are former residents of Texico, where Howard attended high school and his parents were teachers.

**Mrs. Kelley Gives Program**

The Baptist Women of Texico First Baptist Church met at the church March 12 for the regular Bible Study with Velma Kelley, chairman, in charge. The program opened with Helen Bowers playing the piano. Her selection was "What a Friend We Have In Jesus." Mrs. Kelley led the group in prayer and then gave a lesson on "The Messenger Cares" using as her sub-topics,

"the messenger grieves," "the messenger prays," and "the messenger is involved," taken from various passages of Jeremiah. Mrs. Bowers dismissed the ladies with prayer after which she conducted a short business meeting. Present were Mesdames Lois Hudnall, Bobbie Gilliam, Mary Dell Brown, Nora Day, Helen Bowers, Velma Kelley and Gracie Dane.

**Marriage Licenses**

Parmer County Clerk's office has issued three marriage licenses since last report. Those licenses were issued to Jesus O. Carrera and Brenda S. Tawney; Charles Michael Adams and Betty Martinez; and J.E. Stone and Kathy Darlene Martin.

**Relatives Here**

Visiting in the Farwell home of Mr. and Mrs. A.N. Walls over the weekend were her sister, Mrs. Olga Whalen of Ft. Worth, and two nephews and their families, Mr. and Mrs. Joe Whalen and Mr. and Mrs. Greg Whalen. They traveled here to attend the funeral of Mrs. Laura Taylor, which was held Saturday in Muleshoe. Mrs. Taylor was a sister of Mrs. Walls and Mrs. Whalen.

**Santa Fe Family Night April 2**

"Salute to Santa Fe People" is the theme of a family night party for the railroad's employees and families in the Clovis area. The special night will be Wednesday, April 2, from 7 to 9-p.m. MST at the

Sacred Heart Church in Clovis. All employees and their families are invited to attend. There will be a slide presentation, favors for the children, and door prizes.

**Brian Ecksteins  
Have Daughter**

Brian and Estelle Eckstein of Beaumont are proud to announce the birth of their first child, a daughter, born Tuesday, March 18, at 1:30 p.m. in St. Elizabeth's Hospital in Beaumont. The new girl has been named Holly Beth. She weighed six pounds, 10 ounces and was 18 inches long at birth. Maternal grandparents are Mr. and Mrs. Floyd Embry of Farwell, and paternal grandparents are Mr. and Mrs. Brian Eckstein, Jr., of Portales. Maternal great-grandparents are Mr. and Mrs. E.E. Engeling and Mr. and Mrs. J.E. Embry, all of Muleshoe. Paternal great-grandparents are Mrs. Steve Eckstein, Sr., of Kansas City, Mo., and Mr. and Mrs. Truman Smith of Morton.

**Hospital Notes**

Turner Paine of Farwell returned home Sunday from Lubbock where he had been in the Methodist hospital for 11 days following double by-pass heart surgery. He is reportedly doing just fine and gaining strength every day.

Lora Mears of Farwell is confined to the hospital in Muleshoe where she is being treated for pneumonia. She is expected to be hospitalized about a week.

**In Appreciation**

For many years Ed and Juanita Hardage of Texico-Farwell have provided music for the Farwell Chamber of Commerce banquet without charge. In appreciation of this loyal service the Chamber

presented the couple with a plaque during Tuesday's regular C of C meeting. The Hardages are well-known music makers throughout the entire Southwest.

**Social Security News**

As a year ends and a new one begins, we think of W-2 forms and tax returns. People receiving social security benefits need to also think of filing a report of earnings before April 15, 1980.

Beneficiaries earning over the yearly limit should report to social security before April 15, 1980. Failure to make a timely report can result in a penalty.

Even though income tax returns are due by April 15, filing an income tax return is not the same as reporting earnings to social security. People who receive social security benefits and have earnings over the limit must report so that payments can be adjusted and corrected for the prior year.

There are different earnings limits depending on the age of a beneficiary. For people who were age 65 anytime in 1979, the exempt amount was \$4500. For those under age 65, the amount was \$3480. If a beneficiary was age 72 or over in all months of 1979, no report is needed as earnings do not affect payments at that age. People receiving disability benefits need to report any earnings received as soon as work starts.

## Texico Woman Enjoys Quilting As Hobby

The time honored art of quilting has possibly become a lost art for many persons with the advent of many new materials available for blankets and other bed coverings. These items have increased in popularity in recent years and homemakers have long since quit having to make quilts for their family's comfort. Time was when a home always had quilting frames up in some room so that the women always had the work at hand.

There remain some women to whom the art of quilting is still a much-loved one and they enjoy putting together works of art that are more enjoyable to the eye than they are serviceable.

One such woman is Rada (Mrs. Perry) Winkles of Texico who has just finished making her ninth quilt in less than one year. She designed her latest creation using a set of postage stamps as a pattern. This was entirely fitting since Mrs. Winkles works at the Texico Post Office and purchased the particular set of stamps when they were first

issued in 1978.

"I learned how to quilt from the very best teacher, my mother," said Mrs. Winkles. "I helped my mother by holding the thimble for her before I was hardly big enough to walk, and later on I always threaded the needles for her." Mrs. Winkles has also taught her daughter, Beverly, the art of quilting.

"I have quilted nine quilts since starting last fall, with Beverly's help, but this will probably be the last one that I will work on until next fall since the weather is getting warm and there is yard work to do," Mrs. Winkles said.

Besides quilting, Mrs. Winkles also embroiders, crochets, sews and hooks rugs. She has just completed a rug which she plans to enter in the Curry County Fair in the fall.

"I like to cook, too, and am really enjoying my new smooth-top cooking range. I like to decorate cakes and I can a lot of things during canning season," she said.

Camping is the favorite

pastime of the Winkles family, but she explains that with each of their jobs it is difficult to get away very often on a camping trip. "I used to work with 4-H kids and Cub Scouts but have given that up in the last few years," she added.

"I also enjoy going to visit shut-ins and older persons in the community to see if there is anything I can do to help them out," commented Mrs. Winkles.

Among her busy schedule Mrs. Winkles always finds time for her church work and is soon going to start teaching the fifth and sixth grade Sunday School class at Advent Christian Church in Clovis where she is a member.

Currently, their daughter, Beverly Ford, and two granddaughters are living with them, but will soon be moving to Anchorage, Alaska, where they will live for three years while Beverly's husband is stationed there. Perry and Rada also have a son, Max, who lives with his family in Texico.

### 50th Anniversary

Rev. and Mrs. J.J. Terry (Margaret Donaldson) will be celebrating their 50th wedding anniversary on Sunday, March 30, with a reception in their honor at the First Baptist Church in Bovina. The reception, being hosted by their children Melvin Terry and Ludene Davis, and their children will be from 2 to 4

p.m. CST and all friends and relatives are cordially invited to attend. Rev. Terry is a retired Baptist minister, having pastored many churches during his 52 years in the ministry, including those at Dickens, Whiteflat, Flomot, Oklahoma Lane and North Grosbeck in Texas and at Dora and Grady in New Mexico.

## ESA Rummage Sale Slated April 19

Theta Rho Chapter of Epsilon Sigma Alpha sorority met in the home of Maxine Williams Monday night with 19 members attending.

April 12 was set as the date of the rummage sale that will be held by the sorority in the Interstate Fertilizer building. Members of the club urge anyone having things they would like to donate to the rummage sale to please con-

tact them. Funds from the sale will go to Girls' Town in Borger to help replace the loss of clothes and belongings lost in a recent fire at Girls' Town. Clothes fitting girls between the ages of 8 and 18 will also be donated to the home.

Rosa Roberts presented a program on her "Wonderful World of Travel" featuring highlights of a recent trip she

took. She showed slides from Florida, Nassau, Disney World and Alabama and told of her experiences and enjoyment in seeing such things as the orange groves, Japanese gardens, George Wallace's mansion and the Bellingrass Gardens. She reported that the Bellingrass Gardens consists of 640 acres of flowers and that 28 sweepers are hired to keep leaves swept off the sidewalks.

Refreshments of apple pie, coffee and soft drinks were served by the hostess to Rosa Roberts, Vonceil Cunningham, Gwen Corn, Diane Atkinson, Jeannie Norris, Jan Marsh, Wessie Edwards, Caren Spearman, Judy Jones, Dot Christian, Leslie Lunsford, Deb Williams, Lillie Christian, Dardanella Helton, Robin Gregory, Becky Norton and Margaret Aycock.

## Mrs. Blair Feted With Party On 88th Birthday

Mrs. E. G. Blair of Farwell was honored on her 88th birthday Saturday, March 22, with a party given by her children, grandchildren, and nieces and nephews and families.

The relatives gathered at her home on Saturday and all went to a Clovis restaurant for dinner that evening.

Following the dinner, the group returned to Farwell to the home of her son and wife, the Joe Blairs, for "Happy Birthday" cake and the presentation of many gifts to Mrs. Blair.

Those attending the birthday celebration were her daughter, Mrs. Helyn Wellman of Hoffman Estates, Ill.; her grandchildren and families, Mr. and

Mrs. David Wellman and son Ethan of Albuquerque and Mr. and Mrs. Mike Norris and son Joe of Farwell; her sister-in-law, Mrs. Erma Balch of Big Springs.

Also, her nieces and nephews and families, Mr. and Mrs. Jerry McNeeley and grandson Casey and Mrs. Bobby Fillingim, all of New Home; Mr. and Mrs. Harold Reynolds of Morton; Mr. and Mrs. Don Balch, son Gregory and daughter Laurie and Mrs. June White, all of Lubbock; Mr. and Mrs. Walter Eubanks of Amarillo; and the host family, the Joe Blairs.

### Talented Seamstress

Mrs. Perry (Rada) Winkles of Texico proudly displays the latest of nine quilts which she and her daughter, Beverly, have made during the past

winter. This quilt was completely pieced and quilted by Mrs. Winkles who designed the creation from a 1978 postage stamp series. Besides quilting,

Mrs. Winkles says she also enjoys sewing, crocheting, hooking rugs and cooking as her hobbies.

## Birthday Surprise Honors Mrs. Vincent

Mrs. Mildren "Sal" Vincent spent a pleasurable day on March 21 when she was surprised and honored on her birthday.

The local woman was "really surprised" when the doorbell rang early in the morning and she was presented a lovely birthday cake by ElWanda Woods and Ruby Meeks. The cake, baked and decorated by Mrs. Woods, was blackberry gelatin cake and was trimmed with yellow roses and green leaves.

The three women enjoyed cake and coffee and the honoree opened gifts, including a handmade blouse and other gifts.

"Then," Mrs. Vincent said, "the phone started ringing and continued with calls all day."

During the day she received calls from her sisters, Neva Rothwell and Oma Lee Havens of Childress, and Frances and Bill Anderson of Spokane, Wash.; nieces, Charlene Shehane of Dallas, Elaine Horton of Oklahoma City, Nell Thompkins of Clovis and Peggy Williamson of Amarillo; her brother and sister-in-law, Mr. and Mrs. Leonard Smith of Clovis; and two nephews and families, Mr. and Mrs. L. D. Rothwell of Clovis and Mr. and

Mrs. Clarence Summers of Hereford.

Mrs. Vincent's young neighbor, Chad Byrd, also came by during the day to have birthday cake with the honoree.

All in all she said it was really a beautiful day and she was pleased to have been remembered by so many persons and perhaps she wouldn't stop having birthdays after all.

## Farwell Girls Golf Team First In District Play

Farwell's girls A golf team is in first place with a commanding 146-stroke lead after two rounds of play in District 3-A competition. The girls played at Olton on Monday and at Vega on Tuesday. The final round of district play will be April 7 at Farwell Country Club course.

Farwell has a two-day total of 793 and are followed by Hart

in second place with 939. Farwell's second team is in third with 956 and Vega is in fourth place with 990.

Steerette team members leading as medalists thus far in tourney play are Lisa Hughes, 193; Robin Vinton, 196; Janene Berry, 198; and Kim Marsh, 206. Dondra Gerles is the fifth team member.

Hughes shot 105 at Olton but came back with a score of 88 at Vega to be in first place. Vinton had consistent rounds of 99 and 97 to put her in second place.

Should the Steerettes go ahead and take the district title they would then compete at the regional meet in Odessa on April 16 and 17.

**Win  
Second  
Place**

Second place winner in the Texico Outsiders Basketball tournament was the Franse Irrigation team. Members of the team sponsored by the Franse business, from left, back row: Kent Armstrong, Dale Severson, Bobby Hill,

Steve Doolittle, Craig Chumbley, Doug Harrison; front row: Rick White, Robin Mahaney, Jimmy Reid, Rick Ketcherside and Dusty Leatherwood. The Franse team was defeated by the Thompson Furniture team in the finals of the tournament.

One Round To Go - -

## Steer Golfers Hold Second In District

With one round left to be played at Farwell Country Club the Farwell Steer golfers trail by only light strokes and are holding onto second place in district competition with a two-day score of 786. Bovina is ahead with 778 to lead all District 3-A contenders.

The first round was played Monday at the Olton course

while the second day's action was at Vega. Final district action will be at the local course on April 7.

First medalist at this point in the tourney is Farwell's Brent Green who had an 89 both days to lead with 178. He is followed by Doug Roming of Bovina with a 180 and Lanny Moore of Vega with 187.

Other Steer golfers and their two-day totals in district play include Mark Owen, 191; Rocky Ford, 199; Randy Herington, 223; Linny Beal, 227; and Darren Darby, 235.

Following district play, next step for the winners will be regional competition at Odessa on April 16 and 17.

**Tournament Winners**

Winners in the Outsiders' Basketball Tournament in Texico last weekend were members of the team sponsored by Thompson Furniture. Members of the team included, front row, from left, Nelson Franse,

Randy Ware and Steve Watkins; back row from left, Kevin Eldridge, Max Thompson, Steve Culberth and Kent Williams. The team defeated Franse Irrigation of Farwell to win the tournament.

## History Book Leaders Named

The Parmer County Historical Commission has elected officers to head Volume Two of the Parmer County History.

Otho Whitefield is chairman of the project, assisted by Grace Whitefield, Orma Flipin is record keeper, and Allo Reeve is publicity chairman. Jeannie Norris of Farwell and Hugh Moseley, also of Farwell and chairman of the

county historical commission, have been named to serve as field representatives for the book project in the Farwell area.

The commission asks residents to share names and addresses of out-of-county people who are former residents, both friends and relatives.

## Farwell Tennis Teams See Plenty Of Action

Farwell's tennis teams, both boys and girls, have seen lots of action during the past week, participating in a tournament at Dimmitt and Hart last Friday and Saturday and hosting a practice dual match with the teams from Hart on Monday.

At Dimmitt and Hart on a very windy and sandy day only one Farwell player made it to the finals. Janene Berry, girls

singles, won second in the tournament for the top win for the locals. The following team members all lost in the quarter-finals: James Castleberry, boys singles; Doug Cole and Clay Williams, boys doubles; Karyn Blain and Gina Eubank and Karen Magness and Tracy Williams, girls doubles.

Against the Hart team on Monday, Berry lost 1-8; Mag-

ness and Williams won 6-1, 6-4; Eubank and Blain won 8-1, 8-4; Castleberry won 8-4; Cole and Williams won 6-2, 6-2; Dale Sikes lost 7-6, 3-6; Shana Blain lost 8-1; and Richard May and Keith Martin lost 7-6, 4-6, 2-6.

The varsity boys and girls will be participating in the tennis matches at the Amarillo Relays today (Friday) and Saturday.

## Farwell Girls Place Eighth In Bovina Meet

Farwell senior girls' track team placed eighth in the Bovina track meet with 20 points while Tulia placed first with 141 points.

The 880 and 440 relay teams, consisting of Trini Garcia, Jennifer Williams, Donna Meeks, and Lorie Turner, won sixth places in both these events.

Donna Meeks placed fifth and Trini Garcia placed seventh in the 200 meter dash and Lorie Turner placed first in the 100 meter low hurdles with a time of 16.5.

Diana Coleman placed fourth in the shot put with a 29'3 1/2" throw.

Also participating from Farwell were Sandra White and

Angelica Jaime who competed in the shot and discus events.

"The girls ran well for the weather conditions Saturday evening in the finals. We are a young team with only two veterans, Donna Meeks and Lorie Turner, and the rest are freshmen or girls who have not participated before. Every girl is improving each week and beginning to work hard. If we can get over some of our muscle pulls we will be able to compete in district," commented coach Larry McDorman.

## Steer Tracksters 4th At Bovina

Farwell Steer track team placed fourth in the Bovina track meet last Saturday with 35 1/2 points while Friona placed first with 189 points.

Max Lonsdale brought home two first place medals with wins in the 100 meter and the 200 meter events. In the 100 meter event Lonsdale came in with a time of 11.3 and in the 200 meters had a time of 23.3. He also tied for sixth in the long jump with a leap of 18'6". Isidro Garcia placed fifth in

the 400 meter event with a time of 54.7 and Fidel Morales placed sixth in the discus with a toss of 114'6".

The mile relay team, consisting of Juan Diaz, Ralph Paez, Lonsdale and Garcia, placed third with a time of 3:46.3.

Team points in the meet were Friona, 189; Tulia, 165; Kress, 44; Farwell, 35 1/2; Bovina, 28; Texico, 20; and Christ the King, 15.

## Franse Team Places Second In Texico Outsiders Tourney

The annual Texico Outsiders Basketball tournament wound up Saturday night with Franse Irrigation of Farwell taking second place and Thompson Furniture of Clovis winning the tourney. Thompson took the final game with a 102-62 win over Franse. High point scorers in the final contest were Kent Williams with 32 points for Thompson, followed by Craig Chumbley with 26. Nelson Franse, also of the Thompson team, had 25 points and Dale Severson had 14.

In the semi-final game, Citizens Bank defeated Helton Oil 74-67. Ken Shaw had 24 points for Citizens and Mike Spearman had 20. Kevin Hargrove and Kayle Watts each had 18 points.

In the consolation game, Crest-Agro defeated Capitol Foods 86-82. Mark Fleetwood was high point man with 33 points followed by Troy Reiser with 23, Burk Ellison, 21, and Jerry Locke, 13.

Watson Alfalfa defeated Watson Motors 77-69 in an earlier game. Bruce Bruns was high

pointer with 20 points followed by Mark Steinle with 19, Danny Wilson, 18, and Dewey Pierce, 16.

All-tournament player was Nelson Franse.

# Letters To The Editor

Dear John, (to the editor)  
I wonder how many people realize that lack of team spirit, self-discipline, and desire to win could have had more to do with a losing season than Coach McDorman's ability to coach. A team has to work hard, and have the right mental attitude to win.  
Without these five points not even John Wooden could have a winning team.

**A THANK YOU TO THE COMMUNITY OF FARWELL**  
Several weeks ago I had the occasion to call a school chum to obtain medical information regarding someone in my family. As a result of his tremendous co-operation, I was able to solve this problem.

During our conversation, which covered approximately a twenty (20) year period, we discussed several other friends from school. Unfortunately, neither of us knew much about them in the intervening years or their present situations.

This brought so many unpleasant occurrences to my mind, that I have tried to suppress, and never discussed, prior to the present, with anyone. Please bear with me.

When I enlisted in the Army, in 1962, along with a few other boys, we were proud of the pride the community had in us, and sincerely believed the promises and assurances of certain citizens, of positive employment and help when we returned.

When I returned from Vietnam and Germany, filled with despair for those of my friends who did not return, but so much hope, because of their promises, I was treated as a stranger.

Thank you community!  
The promises of employment, education, under conditions where I could still survive, were not fulfilled.

Thank you community!  
The "Good Citizenship Award" I received in high school, my performance on the football field, my military service, and the future they painted for me, were all forgotten.

Thank you community!  
Because of these conditions and disappointments, many of the young men were forced to leave our beloved town and reside among strangers.

As I said before, I have no knowledge of the others, I wish I did, but for myself I have done well, because of the

strangers' help.  
My present employment is with the Pennsbury School System of Falls Township, Bucks County, Pennsylvania, have been honored to serve two (2) years as Adjutant and two (2) consecutive years as Commander of The American Legion, Post 834, in Fallsington, Pennsylvania, and have just been appointed as Chairman for Keystone Boys State for Montgomery and Bucks County.

A great deal of my time is spent with scouts and youth, in this area, also offering any assistance possible to veterans and their rehabilitations.

Thank you community!  
In your paper of February 28th, a home town man was criticized for his ability in the coaching field.

After graduating from college, he returned to his high school Alma Mater as a teacher and coach, certainly qualified for the position, or he would not have been accepted.

He was devoted to his school, and town, and known for his sportsmanship and ability.

The community should be grateful and proud of this, and give him all the encouragement he needs, at this time.

Thank you community!  
In 1977, I returned for a visit, to our town, not only to see my parents and relatives, but also, with the prospect of returning permanently. For I honestly felt I had something to contribute to the community.

My wife and I were amazed at the lack of response, and interest in youth encouragement and projects.

Also, community involvement with the underprivileged in recognizing the potentials in some of them and helping them reach their achievement.

We congratulate those who are unable to contribute, to this purpose, financially, but cheerfully volunteer their time, knowledge and talents.

Thank you community!  
My sincere thanks to the Editor and the readers of this unbiased paper, for printing and reading this letter.

## Texico Chess Team Wins At Regional

Texico's chess team won first place in the Class A-AA division of the regional tournament played March 20 at New Mexico Military Institute at Roswell and qualified to participate in the state tournament April 14 in Albuquerque.

Members of the Texico team who played in the regional meet included Ron Kirby, first board; Paul Salguero, second board; Danny Reid, third board; Jay Duncan, fourth board; David Hughes, fifth board; and Robert Meier, sixth board.

Any student in grades 1 through 12 at Texico Schools wanting to be a member of the chess team may qualify by challenging and defeating any member of the present team using approved rules.

A Junior Chess Champion-

ship meet will be held at Goddard High in Roswell on April 25 and 26. Three division champions will be named in that competition, including elementary, junior high and high school. Entry fees are \$2 for elementary; \$3 for junior high and \$5 for high school. This meet is for individual competition and NOT team play. More information may be had by contacting Ronnie Warmuth at Texico.

### VOLLEYBALL TOURNAMENT SET

Lazbuddie Band Boosters will sponsor an outsiders volleyball tournament the week of April 14-20 with all proceeds to benefit the Longhorn Band. A limited number of teams will be accepted to tournament play and those wishing to enter should send the name of the team, team roster and team captain along with a \$20 entry fee to Jerry Engleking, Rt. 3 Box 78, Muleshoe, Tx., 79347. Forms must be submitted to Engleking by April 7.

### SPRING BREAK

Students and teachers will be able to spend a few days at home next week as Lazbuddie Schools observe spring break. Many of the students and teachers will be gone for the holidays and it is our hope that those traveling will drive with care. The Easter vacation will end Monday, April 7, when classes resume at the regular hour.

The school board election will take place during the spring vacation and voters who plan to be away on April 5 should make an effort to vote absentee before they leave.

### SUNDOWN HOSTS UIL

Several junior high and

elementary students were to compete in the UIL Literary contests at Sundown on March 27 and 28. It was hoped that the Lazbuddie students would be strong enough in some of the events to bring home trophies from the spring meet, making it the second year in a row for Lazbuddie to win. Good luck to all of you.

## Routine Meeting For Texico City Council

Routine business was attended by Texico City councilmen during their regular meeting Tuesday night.

Attending were Mayor John Hadley; councilmen Vane Dasher, Lewis Cooper, Truman Kittrell, and Donnie Morris; and Billy Hammit, Mickey Fenn, Marie Christian, Max Carter, Jose Griego and Larry Fallis.

Following the reading and approving of the minutes, councilmen received the resignation of Max Carter as representative to the Eastern Plains Council of Government. Upon acceptance of his resignation the council appointed John Hadley as the new representative with Truman Kittrell to act as alternate.

Meetings of EPCG are held in Tucumcari about every six weeks and one of the two men will attend the sessions.

Larry Fallis and Jose Griego of Clovis spoke to the council about the programs that will be presented at the EPCG

meetings and urged participation by the city government in those programs.

It was reported that the water line to the new fire station is scheduled to be installed next week and discussion on phase two of the coop paving project in Texico was held. Plans now show that the chances are good that the paving project will take place sometime in July.

Vicki Chumley requested that she be allowed to manage the swimming pool during the 1980 season. The council voted unanimously to allow that request.

Mickey Fenn gave a report on the work being done on the new KKR Park and said that the cable fence had been installed and that trees for the park had been ordered and/or donated.

Marie Christian was instructed to notify the Natural Resource Department that final inspections on the park could be made.

### Texico FHA

Texico FHA members who attended the State FHA Convention in Las Cruces last week included, back row, from left, Kerri Donahey, Laura

Horne, Beth Kelley, Jeannie Chavez, Patty Rojas; front row, from left, Roxanne Cherry [holding nephew Brian

Cherry, who lives in Las Cruces], Karen Flowers, Anna Flores, Darlene Duncan and Corinna Hungerford.

### Texico FHA Girls Attend Convention

Ten FHA members from Texico High and their advisor and sponsors recently attended the FHA State Convention held in Las Cruces.

Attending the meeting were Jeannie Chavez, Patty Rojas, Anna Flores, Corinna Hungerford, Kerri Donahey, Karen Flowers, Roxanne Cherry, Darlene Duncan, Laura Horne and Beth Kelley, members; Mrs. Danalee Sluder and Mrs. Donna Donahey, sponsors; and Kendale Burch, advisor.

While at the convention they attended the installation of new state officers and various workshops on state projects.

The group also went to the movies following a barbecue and went shopping at Loretto Mall and ate at Pancho's Restaurant.

On the final day of their stay the girls arose early in the morning and went for a hot air balloon ride, which they all reportedly enjoyed.

### Honor Roll Released At Texico Junior High

The following junior high students have been placed on the third nine weeks honor roll at Texico junior High School.

## Local Dentist Gives Dental Care Program

Dr. J.R. Ivins of the Farwell Clinic and Sheryl Day, dental assistant, presented a program of preventive dental education in the Farwell Elementary School during the week of March 24.

The students in grades 3 through 6 were shown a slide presentation describing normal teeth, causes of disease, and prevention of dental problems. The classes were divided into small groups where individual instruction was given in methods of prevention of dental disease. This included a discussion of diet, effective methods of personal oral hygiene, and regular dental check-ups. At the end of the

presentation, each student was given a toothbrush and disclosing tablets for home use.

Dr. Ivins believes that preventive dental education is vital to a person's ability to maintain a healthy body for a lifetime. This is emphasized in his practice in the Farwell Clinic. Miss Day his dental assistant, is specially trained in teaching children the proper methods of oral hygiene.

Dr. Ivins has presented school prevention programs in Richardson, Tex., and Rataan, Okla. in recent years. He and Miss Day plan to give the program in the Bovina Elementary Schools in April.

### Dentist Gives Tips

Dr. J.R. Ivins Jr., Farwell dentist, discusses the basics of oral hygiene and the proper use of a toothbrush and "disclosing tablets" to students at Farwell Elementary school this week. Dr. Ivins presented a program of dental education in Farwell and Bovina schools as a public service.

### Open Wide

Students in Mrs. Betty Turner's 6-A class at Farwell Elementary watched and listened as Sheryl Day, assistant to Farwell dentist Dr. J.R. Ivins, demonstrated the proper way to brush teeth. Dr. Ivins and Miss Day presented a program on dental education to students in the elementary school on Monday and Tuesday of this week.

# An Overview Of The 1980 Census

For most Americans, the 1980 census will be simple enough.

A questionnaire will arrive in the mail on March 28. The recipient will simply answer the questions, which will not take long, and then either mail back the form on April 1 or hold it for a census taker to pick up, depending on the instructions.

What may not be apparent to millions of Americans, as they answer the census in the privacy and convenience of their homes, is the fact that they are making personal contributions to an undertaking so vast, so complex, that the 1980 census qualifies as one of the largest peacetime efforts ever mounted in this country.

By the time the last American is counted sometime during the summer, the Bureau of the Census will have reached an estimated 222 million U.S. residents and 86 million housing units, and gathered more than three billion answers.

The 222 million residents, a nine percent population increase since 1970, include some people who do not speak English, people with various political opinions, the rich and the destitute, the educated and the illiterate, members of all the ethnic races. The census must also assess their housing - single-family homes, houseboats, condominiums, shacks, "abandoned" buildings, migrant worker camps, jails, school dormitories, at sea, and overseas. The census is expected to count 25% more housing units in 1980 than in 1970.

At the same time, never in the history of the census, which has been taken every 10 years since 1790, have census findings played as important a role in American life as they do today.

Besides the Constitutional mandate to provide a basis for reapportioning seats in the House of Representatives, the census measures how well the Nation is doing, from the block level to the entire country. Its findings are used in the private and public sectors to decide how billions of dollars will be spent annually.

Planning for the 1980 census, which has gone on since the early seventies, reflects this heightened need for the most complete count ever taken, especially of minorities.

In 90 percent of the Nation's households, people will be asked to take their own census, in effect, by answering the questionnaires and mailing them back in postage free envelopes. Census takers will obtain the information from households that fail to mail back completed questionnaires as requested.

The remaining 10 percent, which will receive instructions

to hold the completed questionnaires until census takers pick them up, are mostly in sparsely settled areas in the Western half of the Nation. In some cases, the census takers will ask additional questions.

Census questions seek basic information about people - age, sex, occupation, and the like - and about subjects such as housing, personal transportation, and energy use. Most people will be asked to answer a basic census questionnaire, which has 19 questions. About one of five households, chosen randomly, will be asked to answer a longer version with 46 additional questions.

Federal law requires everyone to answer the census; it also protects the confidentiality of personal information. The only people who can see an individual's replies are census employees, who are sworn to secrecy under threat of a \$5,000 fine and five-year prison term.

In the 50-year history of the modern census confidentiality law, not once has the Bureau or one of its employees been formally charged with releasing census information about any individual. Landmark court rulings through this century have continually upheld the Bureau's refusal to release such information, even to the Secretary of State, the Attorney General, or to corporations involved in litigation.

Moreover, the Bureau designs its procedures to avoid situations that could lead to a breach of the confidentiality law. Names, addresses, and telephone numbers are never allowed to enter any computer. Social Security numbers are not requested by the census.

The 1980 census tabulations will yield a comprehensive statistical picture of the Nation, and of every State, county and community. This data about social and economic characteristics will be used time and again in ways that benefit all strata of society, though the Census Bureau merely provides the data, and never applies it.

Being counted is crucial to full political representation as well. Census figures, besides their role in reapportioning the House of Representatives, are also used by most States to redistrict their legislatures and to adjust boundaries in municipal election areas.

American business firms, from local stores to multinational corporations, rely on census statistics when selecting new sites, evaluating product lines, and for other purposes that ultimately effect the state of the Nation's economy.

Concern is often voiced about why particular questions are included in the census. For example, one question asks about plumbing facilities.

Why? Because, for several decades, plumbing facilities have been an important indicator of housing quality. The adequacy of plumbing facilities is a key factor in determining which communities receive Federal housing assistance funds.

Almost every question in the 1980 census is needed for legislative purposes and often provides valuable data for industry, local government, and others. All census questions survived years of scrutiny and have been reviewed by Congress.

As the importance of census information has increased, so has pressure to assure that every U.S. resident is counted. An unprecedented effort will be made by the Census Bureau to obtain the fullest possible count, especially in areas with significant minority populations.

For several years, advisory committees composed of Black, Hispanic and Asian-American leaders have worked with the Census Bureau to devise ways for improving the count of minorities. Similar meetings have been held with

Native American leaders. A number of innovative methods will be used during the 1980 census to obtain the best possible count, such as double-checking households reported vacant and placing census takers in all night movies, taverns, and on street corners in major urban areas to find the uncounted.

There has also been an unprecedented effort by the Bureau to prepare a complete list of mailing addresses, to assure that every household receives a questionnaire on March 28. It is estimated that \$2 million will be shaved from the cost of the census for every one percent of the Nation's households that promptly mails back fully answered questionnaires.

By law, the Bureau must provide the President with the population totals for all the States by January 1, 1981, for purposes of Congressional reapportionment. A new law also requires that the population of counties, cities, and other political subdivisions be provided to each State no later than April 1, 1981, for redrawing district lines.

### Saving Trash Can Save You Money

It sounds strange but true that saving your trash can save you money. The can labels, boxtops and proof of purchase seals that you have been tossing into the trash can be converted into money, cash saving coupons and free merchandise.

One of the hardest things to learn about refunding is learning what to save. This is a real tough problem, as a manufacturer will not always ask for the same proof of purchase, but will ask for a boxtop, the ounce statement, a boxbottom, or whatever else he can think of to outwit the perpetual saver of trash.

One of the easiest items to save are your cash register tapes, as most companies are asking for these in addition to the proof of purchase that you need to send in to the company. On cereal packages it is wise to save both the boxtop and the boxbottom with the Universal Product Code plus any proof of purchase seals found on the side of the package.

Can labels are another easy item to save, just take a knife and slit the paper from top to bottom and file the label in a handy place. If you take off the labels before stocking your kitchen cabinets, be sure to mark the cans, as it is amazing how often we forget what is in the can without the label!

On thin plastic packaging, such as paper items, save the whole thing, as companies will ask for different parts of the packaging. Save all backing cards and boxes, which you

should flatten to save space. These are most of the items that you should save, but ideally if you can save everything, do it!

For a sample refund bulletin that lists several hundred refund offers, send \$1. to Shopper's Bonus, P.O. Box 109-DC, Marksville, LA 71351. For a free listing of over 40 refund bulletins, send a long self addressed stamped envelope to the same address.

Here are some offers to try: Nabisco \$1.00 Refund Fig Newton Cakes, P.O. Box NB409, El Paso, TX 79977. For \$1.00 in cash, send three purchase confirmation seals from Fig Newtons Cakes, either carton or cellophane pack. Offer expires July 31, 1980. Limit one coupon per family.

Neutrogena Corp., P.O. Box 95062C, Los Angeles, CA 90045. \$1. cash refund. Send self-addressed stamped envelope with carton end flaps and cash register tape from purchase of Rainbath by Neutrogena. Offer expires August 31, 1980.

Free Baseball Offer, P.O. Box 9221, St. Paul, MN 55192. Free baseball, little league approved, send four boxtops from Kellogg's Corn Flakes. This is a very nice item. Offer expires April 30, 1980.

Durkee Famous Foods, 900 Union Commerce Bldg., Dept. HG, Cleveland, OH 44115. One free coupon, send empty package of Durkee Homestyle Gravy. Offer expires June 30, 1980.

**TWO MINUTES WITH THE BIBLE**  
BY CORNELIUS R. STAM, PRES. SERAIA BIBLE SOCIETY CHICAGO, ILLINOIS 60633

**SIN NO JOKE**

The present trend in American moral conduct is downward. Increasing thousands all about us are throwing restraint to the winds "to enjoy the pleasures of sin."

We struggle with the problem of juvenile delinquency, but tempt the young in a hundred ways to immorality and violence. We are shocked at the deeds of sex-mad criminals who make it unsafe for women to walk the streets at night, but our women continue to pay less and less heed to the principles of modesty and decency that would contribute so greatly to their safety.

Most of all, we have disregarded the Word of God. No longer does the Bible hold the first place in our homes. It rather lies gathering dust while our moral and spiritual strength is dissipated by pursuing pleasures that fail to bring true happiness or satisfaction. Yes, we have "a form of godliness" but our conduct "denies the power thereof."

Sin may be "fun" to many. They may joke about drunkenness, indecency and immorality, but God declares that it is no joke to Him. He says: "Fools make a mock at sin" (Prov. 14:9), for, not only does sin in its very nature break down, rather than build up, but as responsible creatures sinners will one day have to give an account of their conduct to the God who created them.

To look at the brighter side, we may all rejoice in another indication that sin is no joke to God. St. Paul points it out in I Cor. 15:3, where he says: "Christ died for our sins." Christ knew the horrible results of sin and the dreadful penalty which justice must visit upon it. Yes, and He also knew that "all have sinned and come short of the glory of God" (Rom. 3:23) and in infinite love He left the glories of heaven and stooped to bear the disgrace and penalty for sin Himself "Christ, hath once suffered for sins, the just for the unjust, that He might bring us to God" (I Pet. 3:18) and those who come to know God through faith in Christ experience peace and joy which this world can never afford.

**Farwell Hosts UIL One-Act Play Contest**

Farwell High School was to host the District UIL One-Act Play contests Thursday afternoon at the school auditorium.

The six schools in District 3-A were scheduled to present their plays throughout the afternoon with the first one to get underway at 1:30.

"Each cast is allotted one hour in which to make its presentation; however, some will not require the full length of time. This will cause some fluctuation in the time schedule, but for the most part, at least 45 minutes will be allowed for each play," commented Farwell High School Principal Tom Knoy.

Schedule of plays to be presented include Hart, "Foiled By an Innocent Maid," or "The Curse of the Iron Horse;" Vega, "Breaking Up Is Hard To Do;" Bovina, "Six Who Pass While the Lentils Boil;"

Also, Kress, "The Patchwork Quilt;" Farwell, "A Canterbury Tale From the Wife of Bath;" and Springlake-Earth, "Dear PaPa."

A 15-minute intermission will be taken after the final play is presented to allow the judges to make their decisions. The top two plays will be named along with an all-star cast, best actor and best actress.

Following the final intermission critiques will be given and the winners will be announced and given their awards.

**Wednesday Fire**

Farwell Volunteer Firemen remain at the scene of a fire in the backyard of the Joel White residence, 201 Ave. 1, Farwell which occurred about 1 p.m. Wednesday. The blaze started in the alley where burning trash had apparently been left unattended. The fire then quickly spread to the backyard where two large trees were lost to the blaze. Ironically, White is Farwell's fire chief and was the first person of the fire department to get the fire-fighting equipment.

# SHRINE HOSPITAL DAY

## SATURDAY, MARCH 29

Texas Governor William P. Clements, Jr., has proclaimed this day (March 29) "Shriners Hospitals for Crippled Children Benefit Day" for 1980. More than 60,000 Shriners from the 13 Shrine Temples in Texas will be involved in the day's activities, an annual event for raising funds in behalf of the state's three Shriners Hospitals for Crippled Children.

To assist the Shriners in the fund-raising efforts March 29, participating members of the Texas Dairy Queen Trade Association will donate their entire day's net profits to the benefit of the youngsters who receive free treatment at the Burns Institute of the Shriners Hospital for Crippled Children in Galveston.

The Clovis Shrine Drum & Bugle Corps will be in Texico and Farwell from 11 am to 1 pm Sat. March 29.

The profits from this page will be donated to the Shriners Hospital Fund.
