Classes Begin Monday - -

Preparations Underway For Texico School Year

Texico students, teachers and school personnel are enjoying their last bit of summer freedom as they will trek back to class Monday for the start of the 1979-80 school year. Classes resume at 9 a.m. MDT and will dismiss at 2 p.m. that day only. The usual dismissal hour is 3:30 p.m.

Two new teachers have joined the Texico faculty. Gina Colvin of Arch is the new elementary resource teacher and Mike Littlejohn of Portales will be the junior high boys coach. Twenty-seven veteran teachers will be returning to the faculties of the three schools.

Teachers have been busy getting ready for the first day of school for the past two weeks. All teachers and principals will report this Friday morning at 10 o'clock MDT at the high school library for a general meeting. Following that session teachers and principals will adjourn to their respective buildings. That night a social for all teachers and school board members will begin at 7:30 p.m. in the cafeteria.

Several new improvements have either been completed at Texico or are in the process of being finished, reports Superintendent James Pierce. Four areas of the schools have been paved recently, including behind the bus barn, west of the new gymnasium, in front of the elementary building and behind the cafeteria.

Improvements to the elementary building include lowering the ceiling and adding six inches of insulation which is expected to alleviate the heating problem in that building.

A new roof will also be placed on the high school building along with six inches of insulation which will be tapered to the outer edges. According to Pierce the high school roof "collects water" in the middle and this project is

designed to alleviate that problem.

The biggest improvements still under construction are the plans approved last year in a bond election. A training room which will also serve as an additional dressing room will be built between the high school library and the new gymnasium.

Pierce explained that the whirlpool and weight lifting equipment will be kept in this room. Presently the windows on the north wall of the library are being blocked off and that wall will now serve as the connecting wall between that building and the one to be built.

Pierce also said that eventually a foyer will connect the new building to the middle door of the gymnasium thereby helping to eliminate the cold problem in the gym.

Also approved in the bond election was the expansion of the vocational agriculture shop to approximately double its present size. The foundation has already been laid for extensions to the present building.

Pierce said that construction began the latter part of July and was expected to be finished in 210 days. However, he said he hopes they finish before that time.

In addition to Pierce other

school administrators include James Harding, high school principal; George Herrington, elementary principal; and Kenneth Shaw, junior high principal. Jeanne Kriegshauser will be the school nurse.

Subjects offered at the high school level include driver's education, home economics I-III; world history, comparative cultures, economics, civics, American history, problems in democracy, physics, physical science, biology I-II; Also, geometry, senior math, algebra I, general math,

consumer math, bookkeeping, shorthand, typing, business education, English I-IV, journalism I-II, Spanish; shop I-II, vocational agriculture, beef, dairy, sheep, swine and band.

Elementary teachers are Rita Dunsworth and Alice Richmond, first grade; Ann Pearce, second grade; Dale Schwartz, third grade; Wanda Turnbough, fourth grade; Milton Grimes and Nona Beth Holloman, fifth grade; Becky Topliff, migrant; Kay Singleterry, Title I; and Gina Colvin.

(Continued on Page 2)

Students To Register Next Week In Farwell

While Farwell teachers and school personnel are preparing for the start of the 1979-80 school year, pupils are enjoying a last bit of freedom before classes begin on August 30.

Registration for Farwell kindergarten through sixth graders who have never attended school here before will be next Wednesday and Thursday from 1-4 p.m. at the high school. Students are asked to report to Tom Knoy, principal. All high school students are asked to report to the auditorium on the first morning of classes at 9 a.m.

Registration for seventh and eighth graders will be August 30, the first day of classes, at 9 a.m.

Registration for high school students who have never attended Farwell Schools will be next Wednesday and Thursday from 1-4 p.m. at the high school. Students are asked to report to Tom Knoy, principal. All high school students are asked to report to the auditorium on the first morning of classes at 9 a.m.

Immunization Requirements For Texas School Children

Farwell School officials and the school nurse remind parents of additional immunization requirements becoming effective this school year. These requirements are state law enforced by the Texas Department of Health and the Texas Education Agency.

The new requirements concern the addition of mumps vaccine for kindergarten and first grade, and the necessity of a doctor's written verification that the child has had mumps or measles illness in lieu of the vaccine for all students entering kindergarten

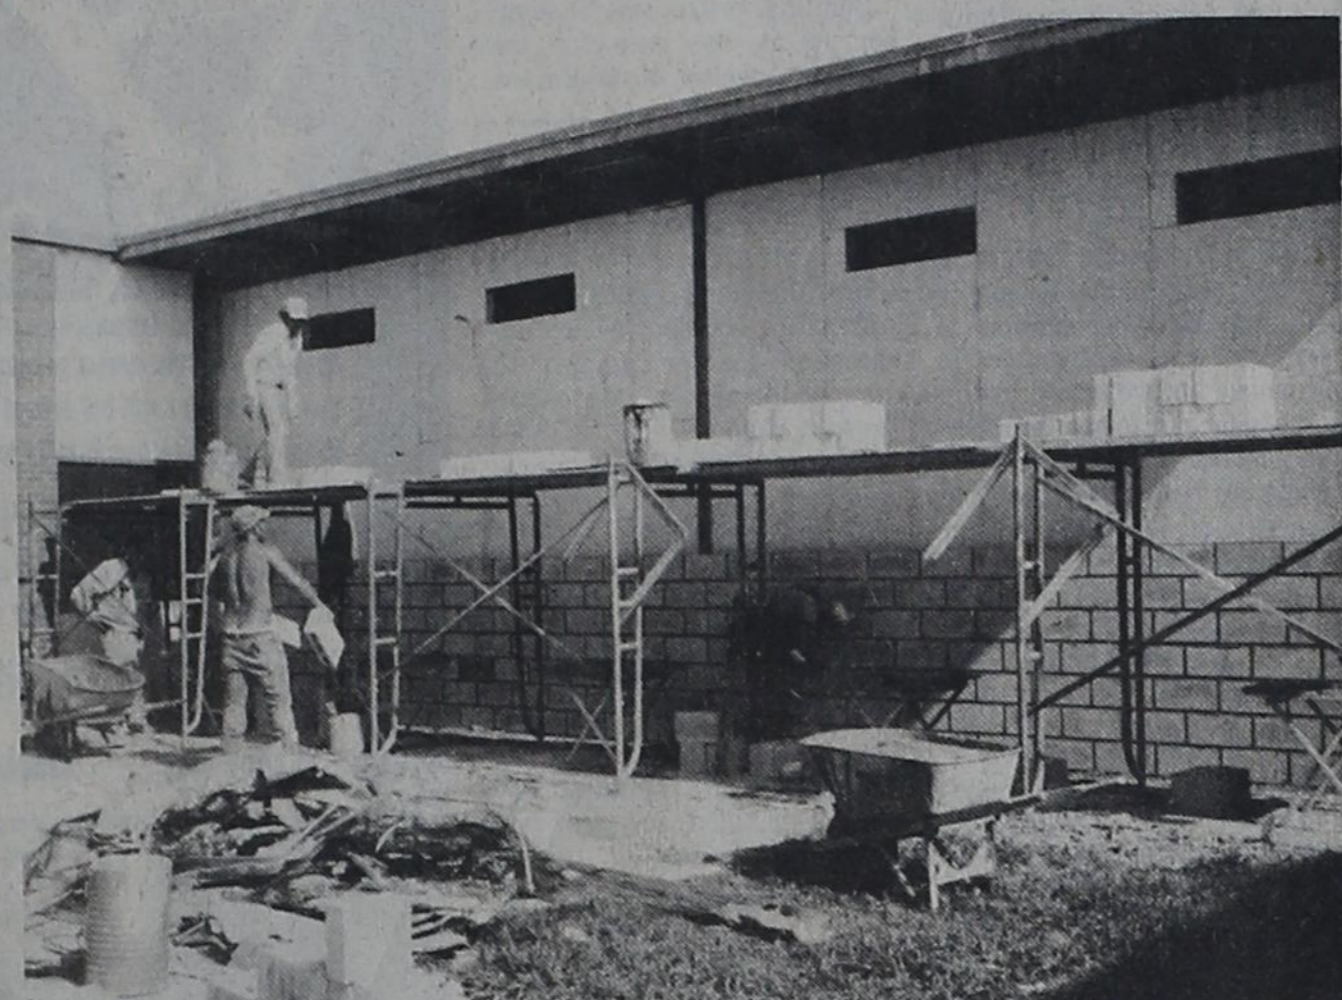

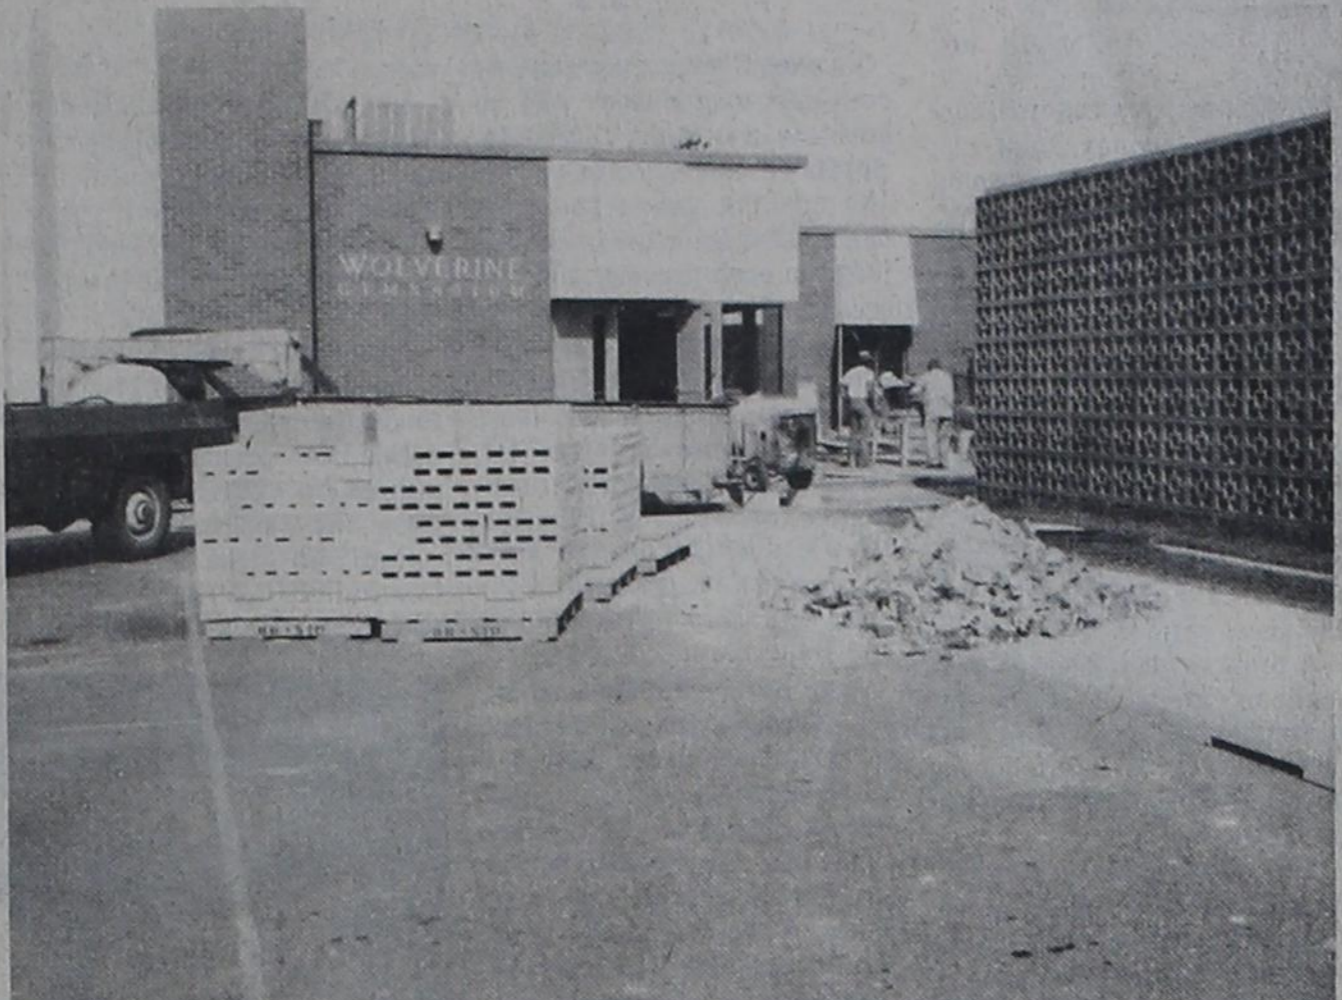

and first grade. Parents are reminded that to enter their child in kindergarten or first grade they MUST bring immunization records and an original copy of the birth certificate.

Immunization requirements are:

- DPT or DT - at least 3 doses, the last being during or after the month of the 4th birthday, and a booster in 10 years.
- Oral Polio - at least 3 doses, the last being during or after the month of the 4th birthday.

Red Measles or Rubella - 1 dose for all students under 13 years old. It must have been given after the first birthday. All children under 7 years old who have had the measles illness must provide a doctor's written verification.

3 day Measles or Rubella - 1 dose required for all children under 12. Mumps - 1 dose required for children under 7. Those who have had the mumps illness must provide a doctor's written verification.

Texico School Construction

Work continued this week at Texico Schools on the construction of improvements approved last year in a bond election. Workers are shown bricking the north wall of the library which will now serve as the connecting wall between that building and the new training

room expected to be completed in approximately six months. The training room will be located between the library and the new gymnasium. The foundation has also been dug for the enlargement of the vocational agriculture shop.

Farwell - -

City Council Discusses Dump Ground Rental

Joe Rodriguez met with the Farwell City Council Monday night to discuss the possibility of renting the city's dump grounds. According to Rodriguez's proposal he would keep the dump ground area clean and pay rent to the city in exchange for salvage rights to all metals dumped.

Rodriguez's home is in San Antonio, but if an agreement can be reached he said he intends to move to Farwell permanently. Council members agreed to take the matter under advisement and to give Rodriguez an answer at the council meeting slated for August 27.

The council did say that even if the dump ground is rented to Rodriguez the city would still have to charge for dumping. The fee is \$2 for pickups and \$5 for trucks. In the past when the city tried to provide a free dump ground for Farwell citizens the practice had to be terminated as people from all over the area were utilizing the

facility. The Council also reviewed bids for a tractor but made no decision as none of the bids were for a gasoline-powered vehicle. Other bids will be sought for diesel tractors and companies presenting bids will be contacted to see if their bid still stands.

The matter of naming a replacement for Charles Hargrove on the planning and zoning commission was tabled until the next meeting to give the Council time to consider the appointment.

In compliance with regulations set by the Department of Health Resources the Council agreed to purchase a meter for one of the water wells. A second meter is also supposed to be purchased next year. The cost of the meter is expected to be in excess of \$600.

The Council also passed a resolution which would give the City of Farwell top priority in obtaining a grant to build a

sewer plant for the city in the future. The grants will be passed out in October and the city must begin the necessary paper work now.

Water Superintendent Dee Hammit explained that the grant has three stages: first an engineer is obtained to make up the plans; second, construction begins; and third is the final wrap-up. He said each stage takes about one year to complete.

The amount of the grant, if allocated to the city, is not known, but the city is expected to have to pay only 25 percent of the cost of the new sewer plant.

Municipal Judge Carrell Watkins received permission to attend a judge's school in Waxahachie, Tex., Aug. 23-24.

Those attending were Mayor Walter Kaltwasser, commissioners Fred Chandler and Johnny Curtis; city employees Janie Bowery, Carrell Watkins and Hammit.

BTD - -

Committee To Meet Mon.

A final appraisal of the recent Border Town Days Celebration will be conducted this Monday at 8 p.m. at the Jaycee Community Building when the BTD Committee meets to discuss the recent event and hear reports from the individual organizations.

Each Twin Cities civic organization and club is urged to have a representative present as plans will also be discussed for a community activity to be held in the near future, possibly using the gazebo at Farwell City Park as a focal point.

New Light Baptist Church - -

Ribbon Cutting Ceremony To Begin Dedication Week

Formal dedication services for the New Light Baptist Church in Farwell will begin this Saturday and conclude August 26 with a special "First Baptist Night." The planned ceremonies mark the end of many months of hard work, prayer and community cooperation which resulted in the present facilities being built.

The building project began shortly after an explosion and fire destroyed the old church auditorium which had just recently been remodeled and

refurbished. The dedication program will open this Saturday at 10 a.m. CDT with a ribbon cutting ceremony. Rev. A. M. Mackey of Carlsbad, N.M., district moderator, will officiate. An open house will be held afterwards.

Planned activities continue this Sunday with Sunday School classes at 9:30, morning worship at 11 a.m. and other dedication services at 3 p.m. Several guest churches will participate in the afternoon

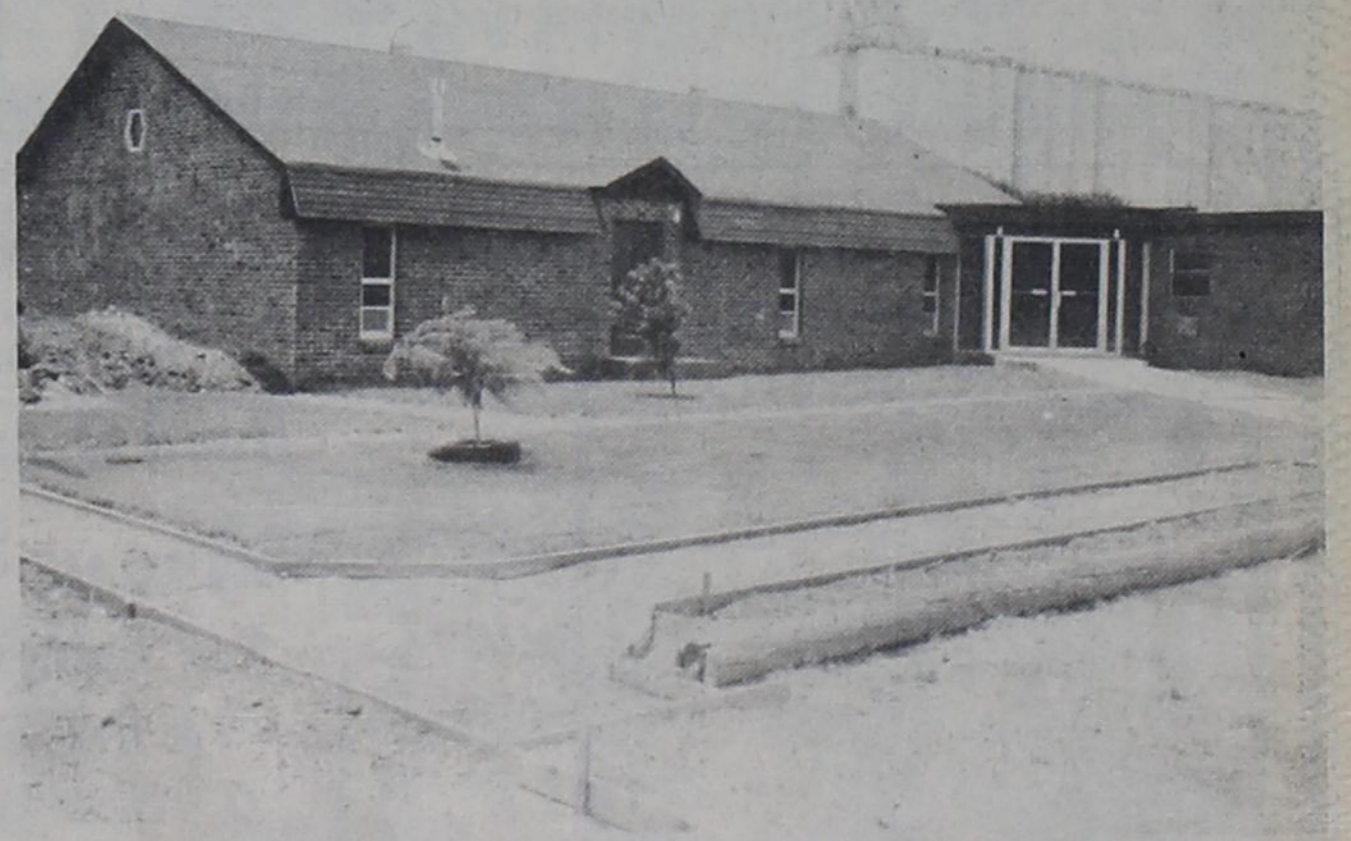

services. Dinner will be served following the services in the afternoon.

A special musical will begin at 7:30 p.m. next Friday, Aug. 24, featuring church choirs, individuals, Rev. Green and choir and the Cannon AFB Gospel Choir.

Youth Fellowship Day is slated for next Saturday, Aug. 25, from noon to 6 p.m. CDT. The impromptu program will include a wiener roast and fun (Continued on Page 2)

Light Rain Falls Here

Approximately .75 of an inch of moisture was recorded during a brief rainstorm which hit the Twin Cities area Monday night. The storm was accompanied by much lightning and thunder, and the electrical storm knocked out the cable TV service for a time. Showers were predicted for the area again Wednesday.

Dedication Services

A special week of dedication services will mark the completion of the new New Light Baptist Church which was rebuilt after an explosion destroyed the other auditorium several months ago. The special activities will open this Saturday at 10 a.m. with a ribbon cutting ceremony and open house. Everyone is invited.

Fall is sneaking up on us. The unmistakable signs are there for us to note and act accordingly. We mowed the front lawn the other day and it dawned on us that we were picking up some leaves from our soft maple already. Also last week we pulled up in front of the Tribune office and heard a "one-two clap-clap-clap." We realized the cheerleaders had arrived for their practice sessions in the city park. That was it, we decided. The Tribune must prepare for fall.

Around here fall is synonymous with football, and football means the onset of Cotton Bowl mania each September, October and November. Be advised that we will soon loose the 21st annual running of the Area Merchants Football Contest to test the mettle of seers, great and small.

Last weekend we traveled to San Angelo for the West Texas Press Convention. The Tribune was judged next to the best weekly newspaper in West Texas towns under 3,000 population. We thank our employees, our news sources and most of all, our advertisers.

Remember, any local business is there because of the profit motive. In the newspaper game, money for operation primarily comes from advertising and the quantity of advertising governs how big an issue is put before the public each week. We give thanks that our loyal readers patronize the folks who advertise in the Tribune and that we have been able to provide the Twin Cities with a constantly growing publication.

It does help us when you say, "I read it in the Tribune." *****

In the business world and in the governmental world it is long past time for common sense to return. As a consequence of this abandonment by business and government, Chrysler Corporation is facing, apparently, some form of bankruptcy.

The nabobs of the Chrysler corporate hierarchy are taking a leaf from past history and are running to Uncle Sam for financial relief that could end up costing the taxpayer a sizeable bundle. As a firm believer in free enterprise we look with disfavor upon the government's directly entering into the Chrysler financial picture.

We do believe that the government should help Chrysler but only in a manner that helps all business. It should be recognized that part of Chrysler's and all businesses' problems is the unbearable onus of governmental regulations. To preserve not only Chrysler but other and equally important concerns, CONGRESS MUST ACT TO RELIEVE AMERICAN FREE ENTERPRISE FROM THE EXCESSIVE REGULATIONS STRANGLING US ALL.

Next, the union labor must recognize that in this case their extreme demands must be modified if the company that employs them is to survive. Yet, the heads of the unions have indicated no interest in reducing the company's overhead by any reduction in wages or fringe benefits. It is easy to see that the union considers welfare and unemployment preferable to a realistic approach to their employer's financial problems.

Remember that eventually the American taxpayer will pick up the tab to keep union members afloat and that apparently from the union viewpoint the dole is preferable to working at a job for less money.

Finally, the high-priced corporate help needs a thorough weeding out and those responsible for past poor market judgement fired. If the government relieved business of its crushing burden, if the very employees affected cooperated by accepting less for a short period, and (Continued on Page 2)

Texico School Year. . .

(Continued from Page 1) resource room.

Junior High--teachers are Carol Brock, math; Cecil Davis, science and coach; Joan Edwards, resource room; Jerry Sadberry, music and band; Anna Southard, English; and Ima Gene Swinney, special education.

High school teachers include Kendale Burch, home economics and social studies; Sylvia Burgett, librarian and art; Juanita Hadley, English and speech; Roy King, physical education and coach; Paula Leighton, resource room; Nadin Maben, science and American History; Paul Toppliff, health, physical education and coach; W.B. Walters, social studies; Ronnie Warmuth, math; Eddie West, vocational agriculture; Kay West, journalism and English; and Mary Peyton, business education.

Toppliff is the boys head football and track coach and King will be in charge of girls basketball and track. Littlejohn will coach the junior high boys football team and the girls volleyball teams. Cecil Davis will be in charge of the varsity boys basketball program.

Other Texico School personnel are Celeste Olvera, migrant aide; Linda Harrison, elementary secretary; Dixie Jesko, library aide; Audrey Kittrell, junior high secretary; Marcia Leavell, business manager; Rosa Nunez, office aide; Mary Powell, high school secretary; Raymond Hadley, maintenance; Mrs. Zonah Crooks, Kenneth Doolittle, and Arthur Salguero, custodians; Ethlene Bell, head cook; Mozelle Kirby, Marcine Tipton and Amelia Torres, cooks; Mary Dorris, dishwasher; Max Carter, bus contractor; Mary McKinney, diagnostician.

Resource Room Instructor

Gina Colvin of Arch, N.M., new resource room instructor at Texico Elementary, is busy getting her classroom ready for the new school term which begins Monday at 9 a.m. MDT. Mrs. Colvin received her

Gina Colvin New Texico Teacher

Mrs. Doug (Gina) Colvin of Arch, the new Texico Elementary School resource room instructor, received her Bachelor of Arts degree in special education and elementary education this year from Eastern New Mexico University. Her husband is a farm manager.

This is Mrs. Colvin's first teaching assignment and she is eagerly awaiting the beginning

Bachelor of Arts degree in Special Education and Elementary Education this year at Eastern New Mexico University. This is her first year to teach.

of the new school year on Monday. She said some day she would like to obtain her masters degree in either reading or special education.

"I like the school and the people here," Mrs. Colvin said. "Everyone has been so nice and helpful."

Besides teaching Mrs. Colvin likes sports of all kinds, especially snow and water skiing and tennis.

Shelving Books

It's that time again -- time for another school year to begin at Texico. Sylvia Burgett, high school librarian and art instructor, checks through the books in the library in preparation for the 1979-80 school term which begins Monday at 9 a.m. A slight change was made in the library this year as the windows were blocked off on the north wall to make way for the new training room which is under construction between the library and new gymnasium.

Cataloging Recipes

Kendale Burch, Texico home economics instructor, was busy earlier this week, along with fellow teachers in all three schools, preparing for the 1979-80 school year which begins Monday at 9 a.m. Mrs. Burch is cataloging recipe books which will be utilized in her classes throughout the year.

New Light Church. . .

(Continued from Page 1) and games. All youth are invited.

Dedication services will conclude next Sunday, Aug. 26, with Sunday School, morning worship and services at 3 p.m., featuring special guests from churches in Clovis and Tucumcari.

Dinner will be served following the afternoon services.

First Baptist Night begins at 6:30 p.m. that evening and will conclude the special week of dedication. Rev. Dudley Bristow, pastor of the First Baptist Church in Farwell, will give the guest sermon.

A program has been printed outlining in detail all of the activities planned for the dedicatory week. The following message is reprinted from that program.

"We the Pastor and members of the New Light Baptist Church would like to thank you for your many contributions and prayers during our rebuilding period. For without your continued support, materially and spiritually, our struggles would have been greater. But, through it all, thanks be to God, our prayers have been answered.

"We acknowledge that it is humanly impossible for us to pay individual recognition to everyone who contributed to our cause, but we would like to invite you our fellow brothers and sisters to share with us during our period of praise and thanksgiving to God in this our Dedication Program."

County Commissioners Appoint Election Officials

Parmer County Commissioners Court met Monday and in addition to other business appointed election officials for the ensuing year. The first name listed is for the presiding judge in each precinct and the second name is the alternate.

Election locations and officials are Black, Precinct I, Mrs. Glyn Hamilton and Joan Euler; Friona, Precinct II, Mrs. Ira Holt and Mrs. Glenn Reeves, Sr.; Bovina, Precinct III, J.E. Sherrill, Jr. and Mrs. Elton Venable; Farwell, Precinct IV, Mrs. Albert Smith and Billie Blain;

Also, Lazbuddie, Precinct V, T.L. Gleason and Alton Morris; Oklahoma Lane, Precinct VI, Clarence Johnson and Harold Carpenter; Rhea, Precinct VII, Raymond Schueler and Carl Schlenker; and Lake View, Precinct VIII, Otho Whitefield and Mrs. Russell O'Brian.

Commissioners set September 10 as the date for the annual inspection of the Bovina dam.

In compliance with House Bill 1811, the Commissioners set the minimum payment for grand jury and petit jury service at \$6 per day and the maximum payment at \$10 per day.

The Court decided that whatever revenue sharing funds the county receives for entitlement period 11 will be utilized by individual precinct for public transportation.

Paul Cato of Panhandle Community Action gave a two-month financial report for

the Comprehensive Employment and Training Act (CETA). Under this program disadvantaged youths are paid to work for each city in the county.

Under an agreement executed with the Department of Highway Transportation that organization will inspect the county's roads and bridges.

A revenue sharing CD in the amount of \$37,411.58 has been renewed for 30 days. The money has been set aside for finishing the Parmer County jail.

Fire Calls

Farwell Volunteer Fire Department reported one call since the last report. The ambulance transported a Convalescent Center resident to the hospital in Muleshoe Tuesday night.

Texico Volunteer Department extinguished a freight train fire August 9th 1/2 mile west of Texico.

Texico Supply Lists

First Grade: box of water color paints, Elmer's Glue (four ounce size), number two pencils, pointed scissors, box of crayons, big eraser, box of tissue, Big Chief tablet, school box.

Top Record Books Selected

The top-ranked 4-H record books in 33 awards programs have been selected to represent District 2 in state competition this month. They were judged the best representations among 7,624 junior and senior 4-H Club members in the district's 20 counties.

The books of the winning seniors now will be forwarded to Texas A&M University for state judging.

Representing Parmer County will be Johanna Mesman, Farwell 4-H Club, first in Dairy.

In District 2 competition, some 200 South Plains 4-H'ers placed their records of achievement on the line. Records include project summaries, information detailing

their activities, experiences and leadership development, a narrative about their 4-H experience, photographs and other pertinent information.

At the state level, they will compete against the best books from 13 other districts of the Texas Agricultural Extension Service. The 4-H program in Texas is administered by the Extension Service.

Senior 4-H'ers are competing for scholarships, plaques, trips to the National 4-H Congress in November and other awards.

Record book competition is the critical measurement of the youths' achievements over the years, explained Mrs. Catherine Crawford and Billy C. Gunter, district Extension agents. The records reveal

their consistency in achieving their goals, their experience in 4-H, and their growth and development in personal, community and civic responsibilities and leadership.

Junior record book winners from Parmer County 4-H were: Charles Johnson, Bovina 4-H, First in Swine; Devera Rhodes, Friona 4-H, First in Sheep; Wendy Tatum, Friona 4-H, Second in Clothing;

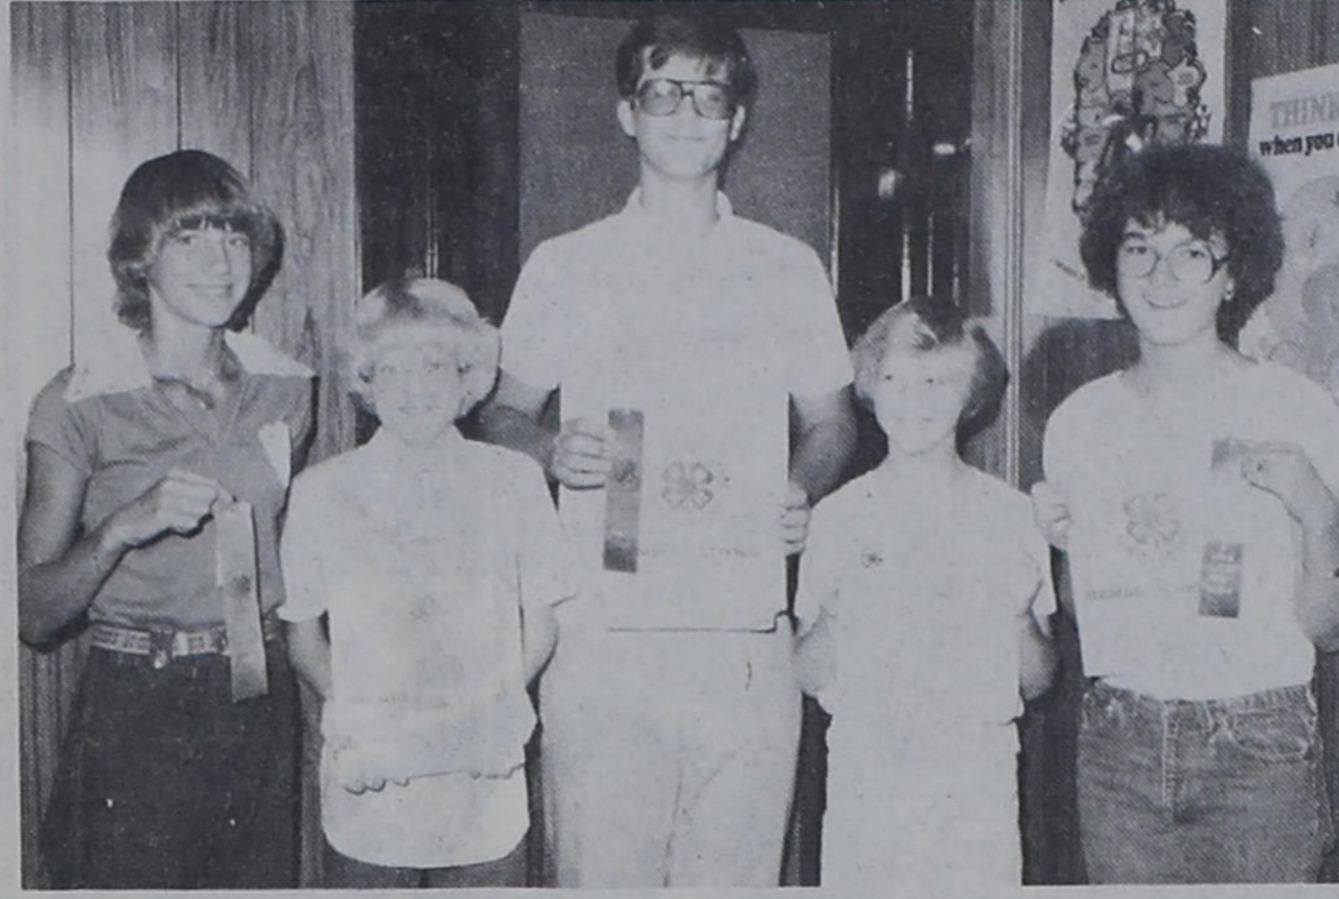

Also, Kathy Boeckman, Friona 4-H, Third in Foods; Dawn Gibson, Friona 4-H, Second in Food Preservation; and Frank Jesko, Lazbuddie 4-H, Second in Achievement.

Other 4-H members who submitted recordbooks for county judging were:

Bovina 4-H members: Becky Webb, Sharlet Johnson and Tracy Moore.

Friona 4-H members: Shana Gibson, Shain Rhodes, Holly Tatum and Aaron Weatherly.

Lazbuddie 4-H members: Lisa McGehee and Maureen Jesko.

4-H Winners

These Parmer County 4-H youths fared well in junior record book competition. Johanna Mesman of Farwell, far left, placed first in dairy and will represent the county in state judging to be held at

Texas A & M University. Other county winners are, continuing from left, Devera Rhodes of Friona, first in sheep; Frank Jesko of Lazbuddie, second in achievement; Kathy Boeckman of Friona, third in foods;

and Dawn Gibson of Friona, second in food preservation. Not pictured are Wendy Tatum of Friona, second in clothing; and Charles Johnson of Bovina, first in swine.

Texico To Resume Land Annexation

Texico City Council decided during its regular Tuesday night meeting to again try to annex the land along Highway 60-70-84 to the school district line. This project has been worked on intermittently for the past several years.

The Council signed a contract with MSM Engineering Firm in Albuquerque. Representatives of the company present were Alan Whitsal and Jerry Hart.

The Council has received an

application letter for deputy patrolman from the Comprehensive Employment and Training Act (CETA).

Specifications for the fire department's new mobile home will be published later this week and bids will be opened August 28.

Water Superintendent Billy Hammit will order 12 new spanner meters for individual hookups. Alvin Tubbs was given permission to move a home onto his property at Griffin Street.

Employment of a solid waste helper was tabled pending receipt of additional applications.

Members of the Council attending were Mayor Manford Turnbough, trustees Bill Thigpen, Vane Doshier, Lewis Cooper, and Marie Christian; and Hammit.

Fortenberry Hears Cases

Parmer County Judge Paul Fortenberry has heard one case since the last report. Arthur Sierra, 26, of Friona was fined \$2,000 and given one year in jail for assault.

School Lunch Schedule at Texico

MONDAY - Steak fingers with gravy, creamed potatoes, tossed salad, hot rolls, peaches, milk.

TUESDAY - Hamburgers, lettuce, pickles, onions, tater tots, lemonade cookies, chocolate milk.

WEDNESDAY - Fish portions, macaroni and cheese, blackeyed peas, cornbread, cantaloupe, chocolate milk.

THURSDAY - Fried chicken, cream gravy, whipped potatoes, hot rolls, banana, milk.

FRIDAY - Enchiladas, pinto beans, lettuce salad, tomato, crackers, fruit salad, milk.

C.H. Whitener Rites Conducted Wednesday

Funeral services for C.H. Whitener, 78, a longtime area resident, were conducted Wednesday at 3 p.m. CDT at the First Baptist Church in Farwell with Rev. J. L. Bass officiating, assisted by Rev. Dudley Bristow, pastor. Burial was in Lawn Haven Cemetery in Clovis under the direction of Steed-Todd Funeral Home.

Mr. Whitener died Monday at Farwell Convalescent Center.

He was born September 21, 1900 in Frederick Town, Mo., and he and his parents moved to the Pleasant Hill Community in 1906 where they farmed. Mr. Whitener was one of the earliest irrigation farmers in this area.

After retiring, he and his wife, Ida Alice, moved to Farwell in 1960. They had celebrated their 55th anniversary shortly before his death. He was a member of the First Baptist Church in Farwell.

Mr. Whitener enjoyed sports and while his children were in school he often served as referee and scorekeeper. Survivors include his wife,

Ida Alice; one son, Howard Whitener of Texico; one daughter, Mrs. Marjorie J. Watkins of Farwell; and six grandchildren: Gerald, Charlene and Terry Whitener, Scott Watkins, Jill Watkins and Sandra Howard.

Pallbearers were Clarence Smith, Harry Donahey, Murray White, Lowery Winkles, Maurice Clark, Buil Jennings, John Holland and Sherman Horton. Honorary pallbearers were his many friends.

Around The Twin Cities

Farwell Booster Club will meet Monday, Aug. 20, at 8 p.m. at the high school library.

Texico Woman's Club will meet Monday, Aug. 20, at 7 p.m. MDT at the Community building.

Farwell Hospital District will meet Tuesday, Aug. 21, at 8 p.m. CDT at the Convalescent Center.

UMW Makes Donation To Methodist Home

United Methodist Women of Hamlin Memorial United Methodist Church reported during its August 8 meeting that the organization had received a letter from the Methodist Mission Home in San Antonio soliciting donations. The local UMW voted to send a donation now and another one at Christmas time.

Members discussed the July 19 salad supper which honored their teenage secret pals. Each secret pal was given a gift revealing the name of their UMW pal. Everyone considered the program to be a success as they had a chance to become better acquainted with the younger members of the church.

was held on August 9. The original plan was to have the school for two days, but members report that everything went so smoothly that it only lasted one day.

The students pressured and canned green beans and canned tomatoes by the water bath method. They also learned how to prepare and cut corn off the cob for freezing and how to dry fruit.

Jayne Ford Has Birthday

Jayne Lynn Ford celebrated his first birthday on Thursday, August 2, with a party in the home of his parents, Mr. and Mrs. Jerry Ford in Farwell.

After opening gifts, guests were served cake and ice cream. The birthday cake was covered with green icing and was decorated with four small ducks near a pond.

Those attending were Jayme's brother Bobby and sister Shelley; his grandparents, Mr. and Mrs. A. B. Bell and Mr. and Mrs. J. T. Ford; Darlene Bowman, Carrie Catherine Doshier and Laurie, Mrs. Doyle Ford, Cydney and Rocky, Mr. and Mrs. Kenneth Martin, Jan and Larry, and Denise Ford.

JUSTIN LEE MEEKS

Has First Birthday

Justin Lee Meeks, son of Mr. and Mrs. Steve Meeks, celebrated his first birthday August 8 with a party in Farwell City Park. Refreshments were enjoyed by all and Justin was showered with many gifts reports his mother.

The honoree's grandparents are Mr. and Mrs. Truitt Hardage and Mr. and Mrs. Leon Meeks of Farwell. Great-grandparents are Mae Meeks, Mae Goldsmith, and Mr. and Mrs. Willie Hardage, all of Farwell, and Opal Jackson and Bill Jones of Clovis.

Out-of-town guests were Bernice Bradshaw of Brawley, Calif., and Vera Dunn of Monterey Park, Calif.

Giant Tomatoes

It looks as if the Jolly Green Giant might have grown the giant sized tomatoes being shown by LaVon Mills of Farwell. The three samples of

her gardening efforts shown on the plate weighed a total of three and one-half pounds. The specimen nearest her hand in the photo weighed a pound and

nine ounces all by itself. From the looks of the loaded vines in the background, there'll likely be plenty more where those came from.

4-H Clubs Set County Camp

Parmer County 4-H clubs will have a county camp on August 21 in Palo Duro Canyon. The 4-H'ers will meet in the canyon at 11 a.m.

Any youth in Parmer County, who is interested in joining 4-H, is invited to attend. As with all 4-H programs, this camp is available to everyone

without regard to race, color, religion, sex, age, or national origin.

Games, hikes, a hot dog lunch, and more are on the agenda for the day. For more information call 481-3619 or come by the Extension office on the second floor of the courthouse in Farwell.

Assistant Parmer County Extension Agent
for Home Economics

Whatever "jean look" you want to create, the jean-fashion menu has it -- so choose those that flatter you.

With jeans still a "staple" in the clothing "diet," more varieties are on the scene from the very bland to the very gourmet.

To look your best and feel your best, consider how jeans make you look and choose the right ones for you.

Think color first. Light colors generally make an area look larger, while darker ones look smaller.

One way to look slender starts with choosing traditional navy-blue denim. However, watch out for the now-fashionable bright, eye-catching colors, unless you want added emphasis.

Think texture next. Medium weights are the most flattering. On the other hand, today's shiny looks "add" pounds.

Consider line and shape, too. They're created by seaming. Generally, the slimmer the leg cut, the wider the hips look.

For added height, look for lengthwise topstitching, piping and slanted pockets.

For more width, choose jeans with crosswise patch pockets, especially those that are brightly decorated. You'll

also look shorter in jeans with this feature.

Finally, don't overlook the back view -- it's just as important as all other considerations in choosing jeans.

Hospital Notes

Billy Dollar of Farwell is at home now after undergoing tests at Lubbock Methodist Hospital. He is reported to be doing fine now.

Clay Henson of Farwell remains hospitalized in Dallas where he is undergoing tests.

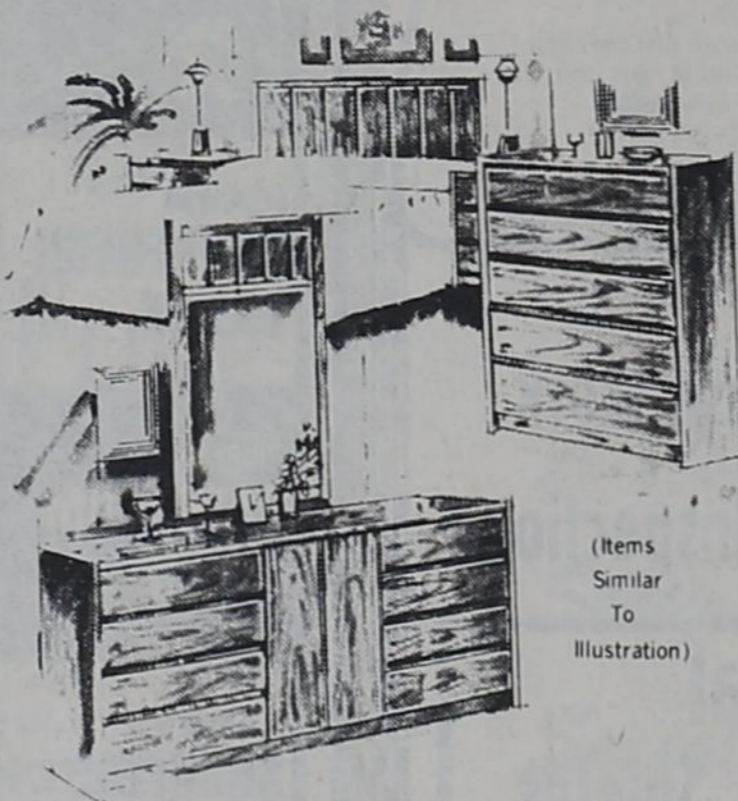

Mrs. True Bell was dismissed from an Amarillo hospital Tuesday after having received medical treatment there for one week. She is reported to be doing better, but will "have to take things easy for awhile."

don't cool the great outdoors

caulking and insulation keeps cool air in its place!

This summer, don't cool the great outdoors! Weatherstripping, caulking, insulation and storm doors and windows can all help keep the cool air where it belongs . . . INSIDE THE HOUSE. Call your SPS manager to find out which combination of energy saving improvements will earn the largest savings for you. He has suggestions on everything from trimming shrubbery around your cooling vent for good air circulation to insulating your entire home yourself. THIS SUMMER WHEN IT'S HOT, KEEP YOUR COOL INSIDE. YOU'LL GET MORE FOR YOUR ENERGY DOLLAR.

Amarillo Ceremony Unites Arlena Sain, Richard Buck

Arlena Sue Sain and Richard Lee Buck, both of Amarillo, were united in marriage in a double-ring ceremony July 14 in Ridgcrest Baptist Church. Rev. Tommy Smith officiated at the nuptial ceremony.

Parents of the bride are Mr. and Mrs. Bert Blankenship of Farwell, and the bridegroom is the son of Mrs. Ethel Buck of Amarillo.

The wedding setting featured an arch entwined with greenery accented with blue bows and a bouquet of yellow and blue carnations. Seven-branched candelabra with white tapers flanked the sides of the arch. Pews were marked with candles and blue bows.

Barbara Purcell, organist, accompanied Cindy Steckline who sang "The Wedding Song," as the couple lit the unity candle.

The bride, given in marriage by Burl Sain, wore a formal gown of white overlaid with rose-patterned lace featuring an empire waist and neckline outlined in stand-up lace. The long sheer sleeves were gathered to leave cuffs edged with ruffles. Her three-tiered veil of illusion was edged in rose-patterned lace.

Her bouquet of white sweet-heart roses and daisies was arranged on a white Bible which belonged to her mother. She carried a white handkerchief which belonged to her great-grandmother and she carried a penny in her shoe. Something old was the Bible she carried; something new was her dress; her shoes were something borrowed; and a garter was something blue.

As she approached the altar she presented her mother with a white rose and a charm bearing the couple's names and date of marriage. Following the ceremony she presented the bridegroom's mother with a white rose and charm.

Attending the bride as matron of honor was her sister, Mrs. Twyla Moore of Hollis, Okla. Bridesmaid was

Gail McElduff of Amarillo.

The matron of honor wore a long dress of yellow fashioned with an empire waist and tiered skirt and long lace sleeves. She wore a matching picture hat and carried a nosegay of yellow daisies, blue carnations and baby's breath accented with yellow streamers.

The bridesmaid wore a long dress of blue styled identically to that of the matron of honor with matching blue picture hat.

The bride's mother wore a long dress of blue chiffon and a corsage of yellow daisies and baby's breath. The bridegroom's mother wore a beige dress in floral design and also had a corsage of yellow daisies and baby's breath.

Registering guests was Teresa Karlin of Amarillo. Flowergirl was Sabrina Hill, cousin of the bride, from Masterson, Tex. Candlelighter was Lisa Buck of Amarillo, sister of the bridegroom. Ringbearer was Bryan Hill, cousin of the bride, also from Amarillo.

Joe Montgomery and D. D. Montgomery of Amarillo were ushers.

Best man was Wesley Rogers of Amarillo and Trine Villarreal of Amarillo was groomsman. The bridegroom wore a white tuxedo with matching ruffled shirt and white rosebud boutonniere. The best man wore a yellow tuxedo with white carnation boutonniere and the groomsman wore a blue tux with white carnation boutonniere. The ushers wore black tuxedos with white carnation boutonnieres and the ringbearer wore a suit of light blue with a blue carnation boutonniere.

The candlelighter wore a long dress of light blue with tiered skirt and spaghetti straps. She had a corsage of white carnations accented with blue ribbon. The flowergirl wore a long dress of yellow eyelet featuring ruffled collar and ruffle at the hemline. She

wore a matching picture hat and carried a basket filled with yellow rose petals.

A reception was held at the church following the ceremony. The bride's table was covered with white net over yellow and held a centerpiece of yellow daisies and blue carnations. The yellow three-tiered cake was decorated with white daisies and was topped with a miniature bride and groom figurine. The cake was served with punch, nuts and mints by Krista Ivey and Mary Wingate. Napkins of blue and yellow were inscribed "Arlena and Richard, July 14, 1979" in gold letters.

For a wedding trip the bride wore a beige floral dress and a corsage taken from her bridal bouquet.

The couple is at home in Manhattan, Kans., where he is a sophomore at Kansas State University where he plays on the football team. Prior to moving to Kansas the bride was employed at American National Bank, Amarillo.

The bride and bridegroom are both 1978 graduates of Palo Duro High School. He played on the Dons football team and she was a cheerleader.

MRS. RICHARD BUCK

Rhonda Houston Feted With Bridal Shower

Rhonda Houston, bride-elect of JaDan Sudderth, was honored with a bridal shower Monday night at First Baptist Church in Farwell. The bride-elect's colors of dusty rose and beige were carried out in the decorations.

The serving table was covered with a white lace cloth and centered with a bouquet of artificial flowers in the bride-elect's chosen colors.

Val Bass and Gayla Goldsmith served punch and cookies.

The registration table was covered with a white lace cloth and centered with a bouquet of fresh flowers also in the honoree's chosen colors. Hostesses were Rubie Craft,

Marjorie Watkins, Loyce McCleskey, Linda Geries, Edith Martin, Joyce Coffman, Pearlie Geries, Betty Jean Castleberry, Betty Stewart, Linda Martin, Modene McMillan, and Martha Curtis.

The hostess gifts were an electric crock pot and skillet and a coffee maker.

Special guests besides the honoree were her mother, Mrs. Carl Houston; her grandmother, Mrs. Frankie Williams, the prospective bridegroom's mother, Mrs. J.B. Sudderth and his grandmother, Mrs. Ava Woodson. They each received a beige lace and pink carnation corsage. The bride-elect's sister, Kristi, was also present.

Marriage Licenses

Parmer County Clerk's office has issued three marriage licenses since the last report. Those receiving the licenses were Andres Vega and Maria Floripe Antillon; JaDan Boyd Sudderth and Rhonda Lynn Houston; and James Lee Everett and Tammy Jane McIntosh.

Child Suffers Snakebite

Lonnie Paul Wilhite, seven-year-old son of Mr. and Mrs. Delton Wilhite of Farwell, suffered an apparent rattlesnake bite on his hand late Thursday of last week.

The incident occurred near the Wilhite home southeast of Farwell. The youngster did not see the snake and said he thought he had been stung by a wasp or bee.

His father rushed the child to the hospital in Muleshoe where he was treated and observed until Saturday morning. He is reported to be doing well after returning home.

Texico WMU Has Aug. Bible Study

Women's Missionary Union of the Texico Baptist Church met at the church August 8 for a Bible Study with Velma Kelley, chairman, in charge.

Helen Bowers opened the program by playing "How Firm A Foundation" on the piano after which Mrs. Kelley led in prayer.

Mrs. Kelley gave those present a "true-false" quiz and then she taught a lesson on "Witness to Protestants" with

members taking part in Scripture reading.

A short business meeting followed the program. Those present were Mesdames S. G. Jones, Bowers, Mora Schluter, Kelley and Gracie Dane.

Center Chit Chat

Residents celebrating birthdays this month are Velma Robertson, the 2nd; Annie Callahan, the 12th; Nellie Glover, the 27th; and Minnie Hand, the 31st. Everyone wishes them a happy birthday, reports Linda Winegeart, activity director.

The residents' patio picnic is scheduled for next Tuesday. This month's picnic will feature hamburgers and hotdogs grilled outdoors. Auxiliary members will provide homemade ice cream for dessert.

Residents have enjoyed decoupage in the activity room this week. A new activity will be making "shrinkit trinkets."

Visiting Cora Baker this week have been her daughter, Mary Lue Lours of Casper,

Wyo.; Hazel Right and Jim Crawford of Sacramento, Calif.; Annie Best of Portales; Ora Mixon of Lubbock; Mr. and Mrs. Waldorf Grady and Mrs. Benny Waldrof of Alaska; and Deanna and Westly Earl Bales of Portales.

Guests of Mr. and Mrs. E. T. Dunn were Connie Nash and Brenda Stockton of Portales; Diane Palsen and Cathy Grissom of Ft. Sumner; Gary Cook and children of Friona; and Mr. and Mrs. R. J. Cook of Ft. Sumner.

Visitors of Willie Shields were Bill Blunsen of Lincoln, Neb.; Richard D. Shields and family of Houston, Tex.; and Gary Williamson and family of Carlsbad, N.M.

Visiting Nora Edens were her son Jack and his wife Agnes of Midland.

Farwell Homemakers Elect Officers

Farwell Young Homemakers elected new officers, made committee assignments and reviewed the year's activities at the Tuesday, August 7, meeting at Farwell home economics building. Tina Sides was elected

president for the coming year and will be assisted by these other officers: vice-president, Sharon Eubanks; secretary, Sheree Montgomery; treasurer, Reba Kirkland; reporter, Anita Ralston; historian, Beverly Foster; and parlia-

mentarian, Gwen Corn. Members also voted on the chapter's outstanding member and most willing worker honorees and these will be revealed on Saturday, Sept. 1, when the group meets at the home of Bobbie Pierson for a salad luncheon. Officer installation will also be conducted and secret pals will be revealed at this time.

It was announced that the Area I Young Homemakers Convention will be at the Amarillo Hilton Inn on September 8. Several local members are planning to attend. Sharon Eubanks will be running for an area office and voting delegates from the Farwell chapter will be Beverly Foster and Tina Sides.

Mrs. Sides, hostess at last week's meeting, served refreshments of strawberry cake and iced tea to Mesdames Bobbie Pierson, Sharon Eubanks, Reba Kirkland, Nancy Schwertner, Sheree Montgomery, Linda Foster, Dorris White, Beverly Foster, Ruth Anne Bennett, and one guest, Patsy Camp.

Ellison Families Meet For Reunion

The 19th annual reunion of the descendants of the late J.W. and Jennie Ellison was held August 3, 4 and 5 in the canyon near Nogal, N.M.

Five of the seven living children of the couple were present for the get-together. The combined ages of the seven children total over 500 years, says Hubert Ellison, one of the seven.

The 74 persons present for this year's reunion slept and camped in motor homes and a cabin owned by the Buck Ellisons of Bovina.

Church services were held in a small "chapel in the pines" constructed by the group and were led by Doug Sims, a nephew from Happy.

General chairman for the reunion was Willie Denney of Albuquerque. His mother, Mrs.

Bessie Trimble of Bovina was named "Woman of the Year" for this year's event. She was in charge of food and KP duty.

A recreation chairman and committees are appointed and each chairman presents a trophy to winners in these events: horseshoe pitching, Wahoo, "42," washer pitching and ping pong.

Local families attending were Mr. and Mrs. Hubert Ellison and Mr. and Mrs. Troy Christian, Todd and Vick, all of Farwell; Mr. and Mrs. George Trimble and Mr. and Mrs. Buck Ellison, all of Bovina.

Adoption Announced

Truitt Hardage of Farwell announces the adoption of a daughter, Suzanne, who is 10 years old. Grandparents are Opal Jackson and Bill Jones of Clovis and Mr. and Mrs. Willie Hardage of Farwell.

Truitt and Corinne say "she is a beautiful young lady -- four feet two, eyes of blue."

Pleasant Hill 4-H Meets

Pleasant Hill Pals 4-H Club met last month at a Clovis motel for a swimming party. Later they enjoyed hot dogs in Hillcrest Park.

For the June meeting at the community center, Steve Smith gave a talk on raising his 4-H pigs. After a short business meeting they enjoyed refreshments and games. Beth Kelley provided the refreshments.

Texico Coaches

Paul Topliff, left, begins his fourth year as head football coach for the Texico Wolverines. He will be assisted by Roy King, right, who is also starting his fourth year at Texico. The Wolverines have

been busy this week with two-a-day drills and weight lifting, all necessary preparations for the 1979 gridiron season which is just around the corner.

Football Gear

Britt Crooks, Texico senior, receives his shoulder pads and helmet from Paul Topliff, three-year veteran head coach of the Wolverines. Equipment

was distributed earlier this week and players and coaches began two-a-day drills Tuesday. Scrimmage contests have been slated for next week.

If a snake bites, here's what to do

COLLEGE STATION — The death rate from snakebite is extremely low, less than 1 percent die from the 2,400 bites annually reported, but it definitely pays to know what to do if you're bitten, says Charles Ramsey, a wildlife specialist at Texas A&M University.

First, try not to panic if you are bitten, he suggests. Do not use home remedies or take alcoholic beverages. Seek medical aid immediately, Ramsey says. Identify the snake if possible since treatment is determined by the species of the snake.

The best advice is to learn to identify the poisonous snakes and leave them alone, Ramsey adds. Snakes are rarely aggressive towards humans.

Scrimmages Set - -

Texico Wolverines Preparing For Season

The "Few But Proud" Texico Wolverines busy these days getting in shape for the 1979 gridiron season which officially gets underway September 7 when they host Mountainair in the season

opener. Equipment, shoes and socks were issued this week and two-a-day workouts began Tuesday. Coach Paul Topliff and assistant Roy King have been guiding the Wolverines

through a series of exercises and plays designed to "spruce up the team" for the upcoming season.

Prior to the start of regular play two scrimmage contests have been set: Meadows, Tex., here, Aug. 24, 7 p.m. MDT and Clovis Junior Varsity, there, Aug. 30, 3 p.m. MDT. Admission to the Meadows scrimmage is one bar of soap.

Even though the defending runner-up champs have lost several of last year's team members, the Green and White mentor is convinced they can have a good season if they avoid key injuries. Depth, a never-ending problem, is again rearing its ugly head as far as the Texico team is concerned and they can ill afford to lose key players, Coach Topliff says.

Leave Pressure Out Of Sports

First of a series

Too much pressure in sports can turn a child off — with both the sport and with his parents, says a family life education specialist.

Athletic events can play an important role in an adolescent's development and health, but parents should know both the positive and negative aspects of competitive sports, says Dorothy Taylor.

Miss Taylor is with the Texas Agricultural Extension Service, The Texas A&M University System.

desire to live through your children, especially on the athletic field.

Remember that adults usually are the ones that give winning too much importance.

Highly organized leagues for young children are most often planned with adult seriousness, and they tend to take the fun and play out of the activity.

Next: Parents' Interest — A Key in Sports.

SELL IT WITH A TRIBUNE CLASSIFIED AD

TAKE PRESSURE OFF

Since competition puts pressure on children, parents can help relieve it by making "fun" the primary goal in sporting events.

Parents also can "play up" other benefits — in addition to the glory of winning.

Other benefits include learning the rules and tools of the "game of life" — agility, skill development, cooperation, discipline and fair play.

Give these benefits plenty of attention, the specialist advises.

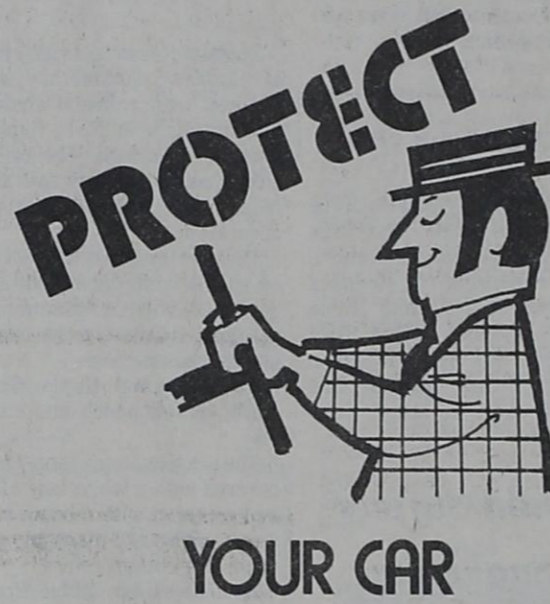

Also, consider different kinds of sports with your child — together you may discover some new ones that don't carry high pressures.

Instead of considering only competitive sports such as football, basketball and baseball, look into some non-competitive, less-pressured sports.

Non-competitive sports include jogging, swimming, cycling or hiking — all of which let children develop their bodies, enjoy themselves and keep a sense of self-worth.

These may be especially attractive to children who aren't ready for — or interested in — organized sports.

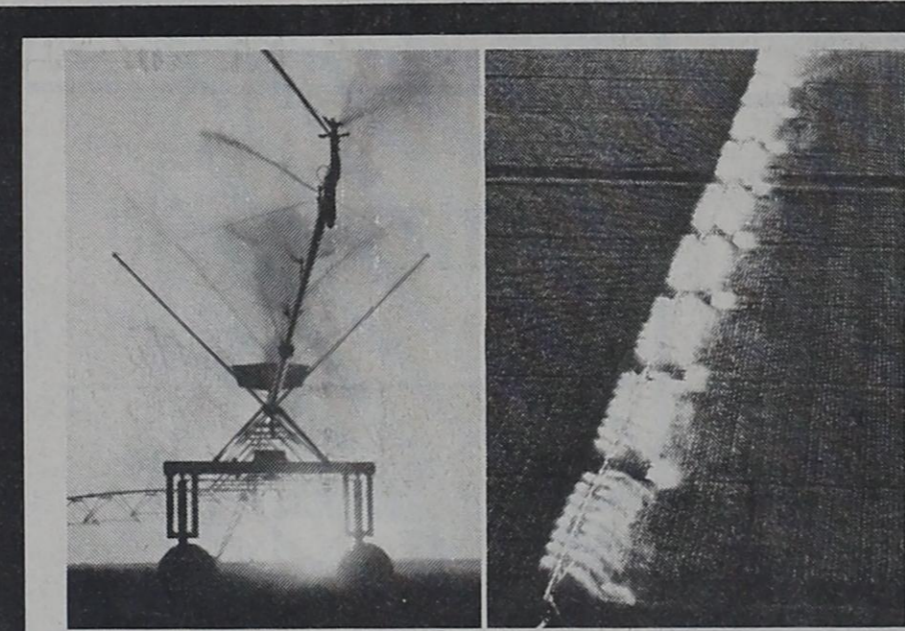

In addition, resist the natural

YOUR CAR

... from thieves and dents and accidents. Also, protect yourself from un-insured motorists with our complete auto insurance program. You never know who you might run into, or they to you. Be safe . . . be insured.

FARWELL INSURANCE AGENCY

REBATES UP TO \$2,500
LEASES DOWN TO 7.50% LEASE RATE

Buying a Valley irrigation system this summer could be the smartest thing you could do all this year. We are offering you a choice of either big rebates or long-term leases at rates that are hard to believe. On Valley linears and corners the rebates are as high as \$2,500. On regular systems rebates are as high as \$1,250. You save the most by acting now, not later, because rebates decline in value after August 17th.

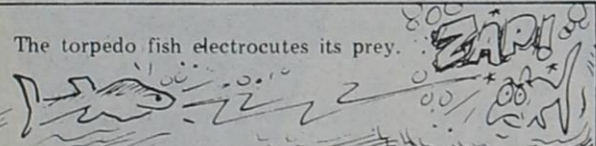

For Valley linears and corners, make a 10% down payment. We'll put the system on your farm and you won't have to make the next payment until January, 1981! The lease rate is an unbelievable 7.50% in July and goes to 7.63% on August 17th. You can make about the same deal on a regular system and the rate is 8.64%. If you don't want the January, 1981 second payment plan, the rate is 8.24%. We even have an interest free finance plan to January, 1980. See your Valley dealer, he has all the facts.

If you wait, you're losing money.

Two-A-Days Continue - -

Steers To Scrimmage Melrose August 23

Steers Workout

Boys performing various forms of calisthenics and running exercises are a common sight these days to anyone passing by the Farwell Steer football field as the Steers get into shape for the 1979 season which is just around the corner. The 46 youths who

signed up for football this season all engaged in some jumping jacks exercises before calling it quits after a strenuous morning practice. The Steers have been working out twice daily this week at 9 a.m. and 5 p.m. Two-a-days will conclude next Tuesday.

Once coaches start issuing equipment and players start practicing twice daily, can the regular football season be far behind? Evidently not for the Farwell Steers who began strenuous two-a-days workouts this week.

First year Steer mentor Randy Adrian echoes the feeling of his five assistants when he says he is both impressed and pleased with the way things are shaping up so far.

"We have 46 kids out for

football and that is more than we anticipated. Ten are freshmen," Adrian said.

"I am impressed by what is happening so far," he continued. "The defensive secondary is already looking very good. The linebackers are doing well and we are learning new offensive plays. In general we are progressing faster than I thought we would."

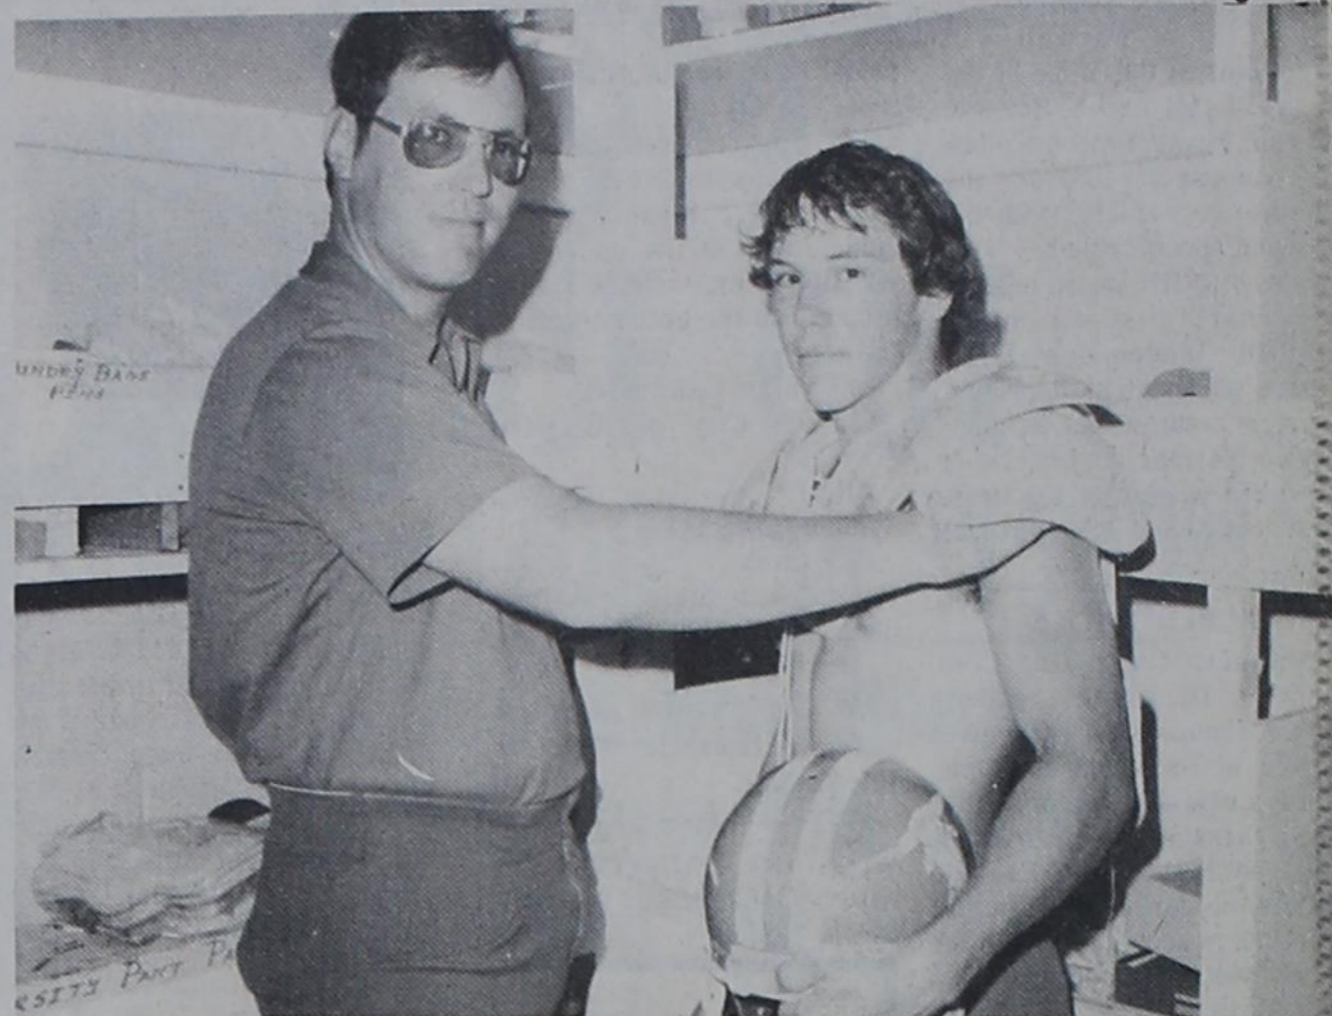

The Steers will be testing their mettle against two opponents later this month as scrimmages have been slated

with Melrose, Aug. 23, there, 4 p.m.; and Anton, Aug. 30, here at 7 p.m. CDT.

They will take on Olton September 7 in the season opener at Steer Stadium.

The Farwell Booster Club will host a hamburger fry for all varsity and junior varsity players next Wednesday at 5:30 p.m. CDT.

The Booster Club will meet Monday at 8 p.m. at the high school library.

Perfect Fit

The Farwell Steers have been hard at work this week getting in shape for the upcoming gridiron season. Two-a-day workouts began Monday and equipment was issued earlier this week. Senior Max Lonsdale, veteran Steer speedster, receives a helping hand from second year coach Bill Phillips as the running back is being fitted with shoulder pads and helmet for the 1979 season. A total of 46 players have turned out for workouts this week.

Cal Farley's --

Boys Ranch Rodeo Set For Labor Day Weekend

At Cal Farley's Boys Ranch, nearly 390 pint-sized cowboys are getting ready for their 35th annual Boys Ranch Rodeo, a traditional Labor Day weekend event.

In anticipation of record-setting crowds for the two performances on September 2 and 3, the Ranch rodeo arena has enlarged general admission sections that will accommodate an extra 1,500 people. Most sections of the arena have been covered to provide for the comfort of the rodeo guests.

Another added attraction will be Texas-sized barbecue beef plates that will be prepared and sold by the boys for only \$2.00.

About 150 boys will be contestants in the rodeo. They will compete in bareback bronc riding, and also be trying for the best time on Brahma bulls, steers, calves and stick horses. It is the only rodeo of its kind in the nation, as the only contestants are boys riding professional rodeo stock under R.C.A. rules.

The rodeo is also a reunion for the approximately 3,000

boys who have lived at the Ranch since 1939.

Reserve box seat tickets for \$3.50 are on sale at the Boys Ranch office at 600 West 11th Street in Amarillo. The tickets can also be ordered by calling 806/372-2341. General admission tickets are \$2.50 for adults and \$1.00 for children under twelve. Performances are scheduled for 2:30 each afternoon.

Farwell Fireman Attends School

Mark Palady, Farwell volunteer fireman, attended the 50th Annual Texas Firemen's Training School, July 22-27. The school, attended by nearly 1,820 students representing about 728 cities from more than 32 states, was held on the Texas A&M University campus last week.

Firemen chose their courses at the school from a list including Fire Fighting, Fire Prevention, Fire Department Officer Training, Fire Department Pump Maintenance, Specialized Fire Protection and Disaster Rescue Training.

Fireman Palady was sponsored by Farmer County Farm Bureau and Texas Farm

Bureau Insurance Companies by contributing toward the cost of the school.

Since volunteer firemen are interested in attending this school to help do a better job of

fire fighting and fire prevention, 100 County Farm Bureaus and the Texas Farm Bureau Insurance Companies in the statewide program have sponsored 100 firemen at the school.

Facemasks, Too?

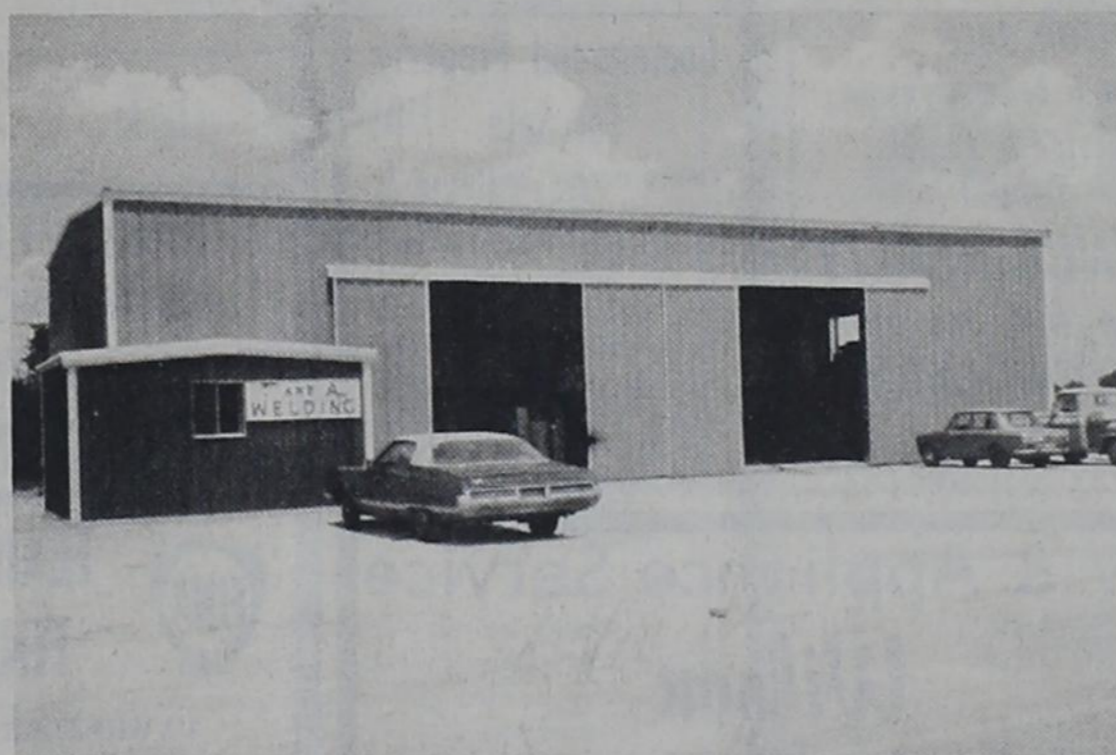

Noting good results achieved by requiring motorcyclists to wear crash helmets, and citing an academic study stating that most auto accident fatalities result from head injuries, it wasn't too difficult for highway safety researcher James O'Day to conclude that car drivers should wear protective helmets.

"To protect the head," O'Day reasoned, "design something to fit the occupant; it's easier than trying to pad all the hard objects in the world."

There's no better way to find out how a hybrid or variety performs in your neighborhood than actually seeing it for yourself. That's exactly what you can do at Pioneer Crop Information Centers and Proof of Performance fields. From the day they're planted until they're harvested these fields are yours to inspect anytime you please.

At Crop Information Centers you'll see the effects of various cultural practices on Pioneer brand seeds including double-row versus single-row planting, corn kernel size variations, planter speed and planting date comparisons, disease tolerance tests, irrigation studies and more. At Proof of Performance fields you'll see side-by-side performance comparisons involving Pioneer brand hybrids and varieties. With firsthand knowledge like this, you can decide on cultural practices and choose your seed on the basis of fact, not guesswork.

Stop at your nearest Pioneer Crop Information Center or Proof of Performance field. You're always welcome.

PUBLIC NOTICE

Southern Union Gas Company, a Division of Southern Union Company, hereby gives notice of its schedule of natural gas rates in the environs adjacent to the city of Farwell, Texas, no earlier than August 22, 1979, in accordance with the Statement of Intent filed with the Railroad Commission of Texas on July 17, 1979.

FOR SALE -- 416 acres, on pavement, sprinkler irrigation. Ph. 481-3294. 48-tfnc

WILL DO PAINTING and repair jobs. Call 762-3087, Clovis, N.M. 48-2tc

Monsanto Company has an immediate opening for a secretary at the retail plant at Farwell, Texas. The secretary reports to the Plant Superintendent and is responsible for all clerical functions. Good pay.

Job Requirements: High School education with two semesters of bookkeeping preferred. Type approximately 50 words per minute. Contact Bill Kent, Manager, 806/481-3366 or apply in person at the Farwell plant. 49-2tc

It is anticipated that the effect of the change in rates, when allowed, will be to increase the revenues of the Company within the service area by 8.3%. A residential customer using 10 Mcf of gas per month will experience a maximum increase of \$1.30 per month.

A complete copy of the Company's Statement of Intent is available for inspection at its Farwell business office.

SOUTHERN UNION GAS COMPANY
Published in State Line Tribune July 27, Aug. 3, 10, 17, 1979.

IMMEDIATE OPENING

Monsanto Company is seeking a Plant Superintendent for the operation at the retail fertilizer plant at Farwell, Texas. The Plant Superintendent supervises the operation and maintenance of all equipment, ordering of raw materials, movement of incoming and outgoing materials, in-house selling to customers, all clerical functions (invoicing, reports, records and correspondence), direction of hourly employees, is the safety coordinator, and reports to the Manager.

This is a full-time salaried position with overtime and Company-paid benefits.

Job Requirements:
Experience in farming or a closely allied occupation. Mechanical and Clerical aptitude.
High School education required, some college preferred.
Contact Bill Kent, Manager, 806/481-3366 or apply in person at Farwell plant. 49-2tc

TWO MINUTES WITH THE BIBLE
BY CORNELIUS R. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635

UNDERSTANDEST THOU WHAT THOU READEST?

This was the question Philip asked of the Ethiopian prince as he sat reading from Isaiah's prophecy (Acts 8:30), and it is a question which we should continually keep asking ourselves as we read the holy Scriptures.

There are always those among God's people who do not *care* whether or not they understand what they read, if only it warms their hearts! To them the Bible is little more than a fetish. Taking only those Scriptures which appeal to them, and leaving the rest, they "actively" feel themselves quite spiritual and often talk about *believing* the Bible whether they understand it or not!

But such "spirituality" is far from genuine, and such "faith" is blind and superstitious at best.

While it is true that the Bible teaches many truths which we believe, although they are beyond our comprehension (such as its opening verse), yet how can we believe *what the Bible says* unless we understand *what it says*? God would have us understand what we read and believe it intelligently. Indeed, true faith will want to know and understand more and more of God's Word. One who does not care whether or not he understands what He has said is *not interested* in knowing what God has said at all. His faith is based on his own will rather than on God's Word, for regardless of the meaning of Scripture, he will take any passage that suits his fancy and use it as he wishes.

How great an emphasis God Himself puts upon the importance of understanding His Word! On one occasion, when our Lord saw the multitudes, He "was moved with compassion toward them because they were as sheep not having a shepherd; and He began to teach them many things" (Mark 6:34).

And now that the secret of God's great plan has been made known how much more reason there is to study the Scriptures with a view to understanding them! How Paul, by the Spirit, emphasizes this as he writes of his prayers for the saints: "That the God of our Lord Jesus Christ, the Father of glory, may give unto you THE SPIRIT OF WISDOM AND REVELATION IN THE KNOWLEDGE OF HIM."

"THE EYES OF YOUR UNDERSTANDING BEING ENLIGHTENED; THAT YE MAY KNOW WHAT IS THE HOPE OF HIS CALLING..." (Ephesians 1:17,18).

T & A Welding Firm Opens In Texico

T & A Welding, a firm owned by Ted Lopez and Alvin Rolan, has opened for business in a new building on Wheeler Avenue in Texico. The business was formerly located in east Farwell.

The firm made the move to the new location late in July and is now officially open for business.

Besides doing all types of repair and general welding

work, the firm builds grain trailers, portable dipping vats and other items. T & A Welding is open Monday through Friday from 7 a.m. to 6 p.m. MDT.

In addition to the two owners, others employed there include Pam Taylor, secretary-bookkeeper, and Lupe Garza, Frank Moncayo and George Madrid who assist in the building of products and the repair work.

Texico C of C Discusses LTD, Senior Citizens

Texico Chamber of Commerce voiced approval of the recent Border Town Days celebration Monday night during its regular monthly meeting, calling it "the best ever." Members also noted that they were especially proud of Kelly Dobbs, daughter of Mr. and Mrs. Ray Dobbs of Texico, who was chosen the 1979 LTD Queen.

The Chamber appointed A.D. McDonald to represent the organization on the Texico-Farwell Senior Citizen Board. The Senior Citizens are sponsored by the Chamber, and McDonald is president of that organization.

In other business the Chamber suggested that staging a womanless wedding at the Farwell City Park would be a good way of utilizing the gazebo for the communities' enjoyment.

The K.K. Runnels Memorial Park project was also discussed with members noting that grass has been mowed and that planting trees and installing picnic tables will be the next phase of the project.

Board voted to abide by state regulations which mandate that a child be six years old or before September 1 to be eligible to attend.

Kathleen Whitehouse of Clovis was hired as a part time Title I instructor. The Board also approved the following bus drivers: Jean Skaggs, Paul Skaggs, Mickey Fenn, Shirley Autrey, Betty Doshier, Ann Duncan, Pat Carter, Max

Carter, Vane Doshier, and Gilbert Autrey. They also accepted a milk bid from Borden's.

School board members attending were Arlye Crooks, Herman Gerries, Ronny Curry, Mike Spearman and Greg Martin. Also attending were Superintendent Jim Pierce, Marcia Leavell, the McIntoshes and Lonnie Curry.

Proof of Performance Field
Farm Road 1731, Oklahoma Lane

There's no better way to find out how a hybrid or variety performs in your neighborhood than actually seeing it for yourself. That's exactly what you can do at Pioneer Crop Information Centers and Proof of Performance fields. From the day they're planted until they're harvested these fields are yours to inspect anytime you please.

At Crop Information Centers you'll see the effects of various cultural practices on Pioneer brand seeds including double-row versus single-row planting, corn kernel size variations, planter speed and planting date comparisons, disease tolerance tests, irrigation studies and more. At Proof of Performance fields you'll see side-by-side performance comparisons involving Pioneer brand hybrids and varieties. With firsthand knowledge like this, you can decide on cultural practices and choose your seed on the basis of fact, not guesswork.

Stop at your nearest Pioneer Crop Information Center or Proof of Performance field. You're always welcome.

Watch for Harvest Hotline in this newspaper.

Performance and yield information from these fields will be published immediately following harvest. Watch for results.

Texico Board Upholds Regulations

At its Tuesday night meeting, Texico School Board elected to follow state regulations regarding six year-olds attending first grade, hired a new teacher, approved a list of regular and alternate bus drivers, and accepted a bid for milk for the school lunch program.

Mr. and Mrs. Bill McIntosh met with the board to ask that children under six be allowed to attend first grade, but the

board voted to abide by state regulations which mandate that a child be six years old or before September 1 to be eligible to attend.

Kathleen Whitehouse of Clovis was hired as a part time Title I instructor. The Board also approved the following bus drivers: Jean Skaggs, Paul Skaggs, Mickey Fenn, Shirley Autrey, Betty Doshier, Ann Duncan, Pat Carter, Max

Elevator Fire

Farwell fire trucks extinguished a small fire in the boot pit at Sherley-Anderson-Pitman elevator in Farwell around noon Wednesday. The fire apparently started when

workers were welding the lag belts and sparks ignited the tar. Some damage was reported to the lag belts, but at press time no damage estimates were available.

General Excellence - -

Tribune Wins Press Award

The State Line Tribune received second place in the General Excellence division at the West Texas Press Association convention this past weekend in San Angelo.

The Tribune competed with 37 other weekly newspapers in cities with a population under 3,000. Winning first place in this division was the Crosbyton Review.

Since 1965, the Tribune has won five first places in the general excellence division and

many second and third places, along with many awards for column writing, best news stories and advertising composition categories.

Mr. and Mrs. John Getz, owners and publishers of the Tribune, were in San Angelo to receive the awards.

During the business session, Getz was elected second vice-president of the Association. He served on the Board of Directors the past year.

Roxanne Cherry Attends New Mexico Girls State

Roxanne Cherry, daughter of Danalee Sluder of Texico, attended the 1979 session of New Mexico Girls State in Roswell in June. She was one of 244 high school juniors who learned all about each facet of government during the special week.

Roxanne was a member of the Nationalist Party and lived in Pinon City in Lincoln County. She was elected city councilman and county commissioner. Since she ran for a county office she was not eligible for a state office.

"We attended assemblies and city meetings every day," Roxanne said. "We listened to guest speakers and learned about the functions of each branch of government."

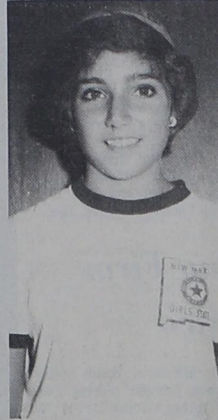

"I especially liked meeting all the people and feel that I learned a lot about government," she said.

Each morning each city conducted a flag-raising ceremony. For recreation the delegates staged a style show and a talent show, swam and played volleyball. Roxanne participated in the style show. They also visited the Planetarium.

At the final banquet all delegates received their Girls State pins. Prior to that they each got a Girls State tee shirt and beanie which they had to wear every day.

A candlelight ceremony was

held the last night and the citizens of the week were honored. They listened to a speech entitled "Be Proud Of Your Country" and also learned about the American flag, Roxanne said.

Girls State Delegate

Roxanne Cherry, Texico High School student, attended New Mexico Girls State last June in Roswell. During her week-long stay she was elected city councilman and county commissioner. Roxanne said she liked meeting so many new people and feels that she learned more about the operations of each government branch.
