

# Border Banter

By Mike Pomper

**This tale has no moral**

That golf is sure a strange game. I finally got back out on the links last week after a lengthy layoff due to that difficult situation facing many of us -- work.

But last Thursday I found myself with two hours free -- just enough time for a quick nine holes over at the Farwell Country Club.

Gosh, golf is fun when you are hitting the ball well. And it seems so easy when your drives go straight and true. Why is it that sometimes the opposite happens? It's beyond me.

Anyway, at first I was in heaven. I started out with a healthy bogey and I thought I was going well. That No. 1 is a long one and I will take a bogey there any day of the week.

Then came No. 2, a teensy 3-par. Taking into account the windage (it was our usual gale-force day), I aimed right and let Mother Nature do the rest. The result: that little ol' ball coming to rest 15 feet from the pin. Mark down a "par".

Up next was thorny No. 3, a five-par with a tree just to the left of the t-box that normally ate my drives. I took a deep breath, concentrated, and sent my drive just a hair's breath to the tree's right; it ended up perfectly, deep down the fairway.

The rest was easy and I ended with a birdie on the hole. Thus, for the first three holes I was playing "par" golf. I was in seventh -- make that eighth -- heaven.

By now, I was feeling pretty cocky. In golf, that's the first step in going downhill fast. But when you're strutting your stuff, it's hard to think that far ahead.

No. 4 was a piece of cake. I had to take a bogey because of the wind, the sun, air, bugs, falling leaves, a speck in my eye, all of the above (take your pick). But that was okay. It sure beat the "9s" and "10s" I was taking when I first started playing this crazy game a year ago.

Then came No. 5, the hole that hates me. It's long, over 500 yards and sometimes you think you will never get to the green.

Well, I got there. But it took 7 strokes to put the ball in the hole. Okay, no problem, I said to myself. I'm still in good shape; time to pull yourself together.

Next was No. 6. This is my favorite hole because it doglegs to the right. That means you can slice (hook? I forget) the ball to the right and even though you're in the rough, you're close to the green.

That was my strategy all the way. I sliced (hooked?) it but my second shot was a smidgin off the green. Mark down another bogey.

No. 7 is another 3-par (to some folks, that is). The hurricane-force wind took my ball far to one side of the green so I had to settle for another bogey. I can accept that: a bogey golfer isn't that bad.

I smiled as I approached the t-box at No. 8. This is a difficult hole since your ball tends to go right -- out of bounds. But with the winds coming from that direction, I had no fear.

True to my thinking, my ball curved one way, then the other, finally settling in the middle of the fairway. A second shot put me near the green and I would have parred the hole except that my putt lipped the hole, spinning out.

As I approached No. 9, my mind was whirring away with awesome thoughts. With a 38 for 8 holes, I could take a bogey or double-bogey, then be in good shape for the back nine and my quest of an under-90 score, something I had only achieved once in my entire life (about a month back).

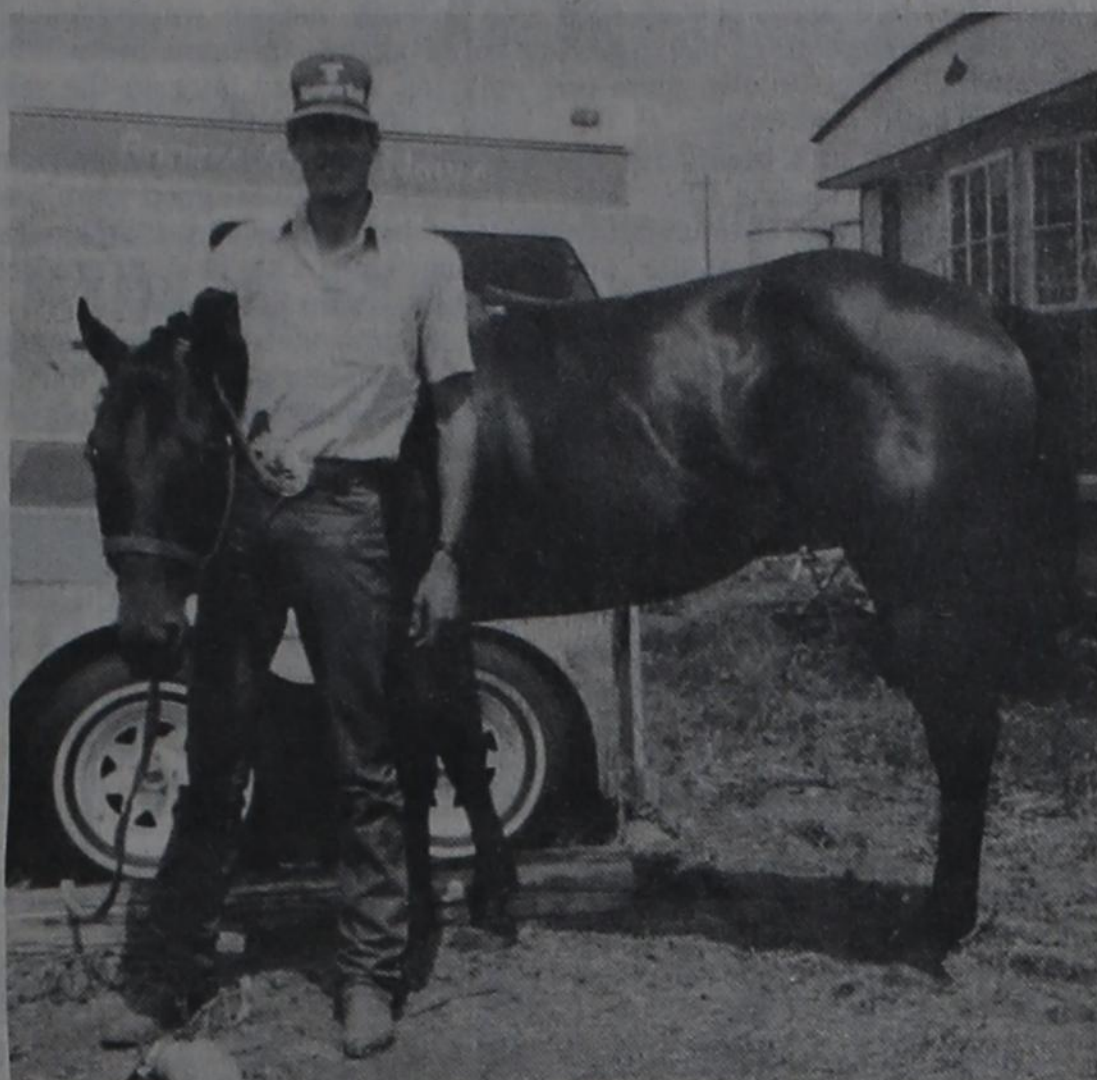

Y'see, that's the problem with golf. You start envisioning conquering the moon when, in fact, you're faced with just keeping your feet on the ground. We all know what happens next.

And that was true in my case. A lack of concentration sent my dream round down the drain as I bounced shot after shot down the fairway and through the rough. A "7" ended my vision of an Arnold Palmer-like round.

I think it was a sign from you-know-who when my putt rolled straight at the hole, then hit a bug or something, taking a 90-degree turn. That told me it was time to put away my irons and return to work.

I'd like to end this tale with a moral, something uplifting so you, the reader, will move your eyes elsewhere on this page feeling a warm spot in your heart.

At least, that's what I'd like to do.

Stewart Pike and Raffles.

## Pike successful in his roping career

Stewart Pike, 28, of Lariat, has been following the rodeo circuits for about 18 years and has spent much of his time roping as the heeler part of several roping teams.

Pike has been riding horses since he was about three and started competing in rodeos when he was 10. He won the all-around roping when he was in Junior Rodeo.

Pike says that his father, Bruce, taught him the basics of horseback riding. Bruce is a livestock broker from Albuquerque.

Mark Fanning, previous 1985 winner of the Bob Fiest Invitational, was the first to help Pike with his roping. He simply told Pike about timing and Pike took it from there.

Pike says that he took a little bit of knowledge from everyone who could rope well. From there he taught himself and developed his own roping style. Pike says, "You've got to take what you can from other ropers and put it with your own style."

Pike says that he and his 11-year-old horse, Raffles, who he has owned for eight years, learned together in six months to head and heel. He spent most of his time across from the Clovis Livestock Auction with about eight steers, eight hours a day, only stopping to eat, and let the livestock rest.

One of Pike's best learning experiences was when he got to where he thought he could rope better than the big boys or the "Wolves" (real good team ropers) and tried to beat them at their game -- and ended up beating himself.

Pike later roped with Jake Barnes, current World Champion team roper. Together they went for the "Five to Fifty" (Five steers for \$50), with 10 of the top 15 of the Rodeo Cowboys Association. He and Jake beat out 150 teams in the team roping events.

This gave Pike the confidence that he needed. "This gave me the confidence to do my own roping, no matter who was there, because if you don't get that confidence, you just end up beating yourself."

When Pike was in high school, he won in the big 1975 National High School Rodeo Finals. He and Clay Means won the finals in team roping.

In 1981, he and sister Sabrina won the Mixed Roping at the XIT and in 1982, he won the open roping events at the XIT with his partner since high school, Danny Garcia of Clay-

ton, N.M.

Pike has won around 100 belt buckles and 19 saddles so far in his roping career. He has entered rodeos in 10 different states. He attends 40 to 60 rodeos a year, and at one time in his life, attended 104 rodeos.

Although he is the heeler of the team roping team, he used to be the header in 1978.

Last June, Pike won the ninth annual Bob Fiest Invitational Team Roping Classic at Reno, Nev. He and Garcia captured the first place prize of \$14,000 per person. They roped six steers in a time of 54.89.

Eighty-three teams were entered in the contest, including the 1985 world champions. Pike also won a horse trailer, belt buckle and other items.

The events at Reno are part of the world's richest team roping events and the only competition that beats it is the "Gold Buckle for the Year" competition. Pike is semi-seriously considering entering the Gold Buckle competition.

One of Pike's more embarrassing moments was in Albuquerque this year, when his reliable horse bucked him off in front of everybody at a rodeo event that had him roping to win the go around. Pike says that he had never bucked before or after that time. This has been a standing joke with his roping buddies.

Pike has been married to his wife, Luann, for four years. They have a daughter, Tara, 3. Pike has lived in the Farwell area for 10 years and Luann was raised in Mexico.

Pike says his wife is his moral support and his daughter is learning to ride horses a little bit by mostly riding with him.

Mrs. Pike is interested in working with ceramics and helps around their place by feeding bottle calves. She says that she was brought up living and working around feedlots.

One project Pike is very proud of is the roping arena that he and Lee Plummer built by his home in Lariat. It measures about 170 by 300 square feet and was built so that he would have better access to an area to practice his roping skills.

Pike says that he would like to do more with his rodeo career, but his job ties him down now.

Although Pike used to work with a custom branding crew, in Clovis, he now is assistant manager at the Farwell Feeds Yards.

## Texico wins sportsmanship award

Texico won a special sportsmanship trophy last week from KBIM-TV, Roswell, N.M.

The trophy was presented before last Friday's Texico-Jal football game.

The trophy is given each year to the school and community on the

basis of how visiting teams are treated. Voting on it are 26 coaches and athletic directors, with the award given to a school in Class A or Class AA.

This is the third year the trophy was presented. The winner the past two years was Cloudercroft.

## Johnson hits 12 of 12 to win football contest

For the first time in this year's football contest, an entrant got all 12 answers correctly -- Carolyn Johnson.

For that feat, she won the prize of \$10 in the fourth week of the annual Area Merchants Football Contest.

Meanwhile, two entrants got 11 right -- the Texico Football Team and Eileen Dannheim. By virtue of being closer to the tie-breaker (Jal 33, Texico 0), Mrs. Dannheim got the second place cash prize of \$5. She was 18 off the tiebreaker; the Texico Football team was 41 off.

Those with 10 right were:

Dianne Atkinson, G.L. Straley, Andria Chadwick, Jerry McIntosh, David Rubio, Janene Berry, Wade Cargile, Sherry Davis, Audrey Kirtrell, Gay Goetsch, Buck Gregory, Gloria Hutchins, Linda Kelm, Roy King, Steve Kittrell, Yaunda Martin, Ruth Scott, Colleen Stover, Cynthia Thigpen and Rhonda Webb.

Those with 9 right were:

Kent Armstrong, Johnny Actinon, Jamey Berry, Kay Bethel, Lynn Burton, Rick Castaneda, Connie Cumpton, Rhonda Dale, Leslie Lunsford, Eddie Meeks, Marcy Pena, Champ Porter, Albert Smith, Jerry Stover, Brian White, Borde Williams, Jennifer Williams (Farwell), Tim Norton, Todd Davis, Sammy Herrera, Jeff Lynn, Tanya Madwick.

Also, Butch Davis, Wesley Davis, Farwell English I class, Ralph Franse, Steve Franse, Don Gartin, Louise Green, Red Lonsdale, Vicky Lynn, Bev Obsenshain, Robbie Williams, Richard Engelking, John Franse, Gia Hardage, Benji McDaniel, Judith Alford, Ricky Freeman.

Also, Dwight Green, Mamie Howard, Clint Kelley, Sonny Kelm, Esther Ketcherside, Jody Ketcherside, Teresa King, Sydney Martin, Mark Owen, Thad Phillips, Cotton Robertson, Tex Smith, E.A. Walker, Robbie White, James Williams, Terry Winkles, Donnie McDonald, Scott Brown, Mona Hardage, Joe Perales, and Joann McDonald.

Carolyn Johnson, winner of last week's football contest, receives her cash prize from Richard Hadley of Citizen's Bank in Texico, one of the contest sponsors.

John Franse, Liz Phillips, Roger Robertson, Sheryl Taylor, Devin Vaughan, Brian White, Robbie White, Donnie McDonald.

Game results were:

33 points -- Kay Bethel, Rex Cumpton, Roy King, Vicky Lynn, Cheryl Scott, Dorris White.

32 points -- Jamey Berry, Rick Castaneda, Steve Franse, Joannah Gartin, Esther Ketcherside, Stephen Ketcherside, Thad Phillips, Jana Roberts.

31 points -- Wade Cargile, Wesley Davis, Farwell English I class, Damon George, T.J. Kittrell, Dolores Williams, Buck Gregory, Sonny Kelm, David Lynn, Mark Owen, Roy Perales, Terry Winkles,

All the totals are on display at the Tribune office during normal business hours.

All entries must be turned in at the Tribune office before 5 p.m. Friday (today) or, if mailed, must bear a Friday postmark.

The grand prize of the 12-week contest will be two tickets to the Dallas Cowboys - Chicago Bears game Dec. 21 in Dallas. The prize also includes lodging at the Regent Hotel, transportation to and from the stadium and \$50 spending money -- to the person with the most points at the end of the remaining weeks.

## Office opening suspended

1837: SATURDAY, SEPTEMBER 30. President Sam Houston today approved a joint resolution of Congress suspending the opening of the General Land Office scheduled for tomorrow, October 1. The resolution was passed by a special session of Congress, called by the President on September 25 specifically to consider this matter. The reason for the action is that the official boundary line between Texas and the United States still has not been formally surveyed. He blames delays by the United States. He stated, therefore, that "the land law which was passed by the last Congress of the Republic of Texas, and which was designed to take effect on the first day of October next, could not go into operation."

The land law he refers to was passed last June 12, over his veto. In pursuance of this law, he appointed John P. Borden as Commissioner of the General Land Office on June 21. Borden has been at work organizing the documents previously on file. His commission is now suspended as of tomorrow, but this may be only temporary.

The Texas land offices which existed under Mexican law were ordered closed by the Consultation in November, 1835. However, the Republic's Constitution recognizes the validity of land ownership acquired under Mexican and Spanish law, stating: "All orders of survey legally obtained by any citizen of the Republic, from any legally authorized commissioner, prior to the act of the late Consultation closing the land offices, shall be valid."

The Constitution goes on to say that "the whole land system shall be suspended until persons serving in the army can have a fair and equal chance with those remaining at home to select and locate their lands." It also requires a General Land Office to be set up, stating:

THIS WEEK  
IN THE  
REPUBLIC  
OF TEXAS

SPONSORS ARE:

- Five Area Telephone Cooperative
- Franse Irrigation
- Sherley-Anderson Grain (Lariat)
- Security State Bank
- Farmers Cooperative Elevator
- Worley Mills
- Eastern New Mexico Rural Telephone Cooperative
- West Texas Rural Telephone Cooperative

"And with a view to the simplification of the land system, and the protection of the people and the government from litigation and fraud, a general land office shall be established, where all the land titles of the Republic shall be registered, and the whole territory of the Republic shall be sectionized in a manner hereafter to be prescribed by law, which shall enable the officers of the government or any citizen to ascertain with certainty the lands that are vacant, and those lands which may be covered by valid titles."

It has been generally assumed that the sectionalization would be in square miles, according to the practice adopted in the United States. However, the land law of June 12 sectionized the country by a base line and four meridian lines. This was one of the reasons Presi-

dent Houston vetoed it. The previous December Congress also passed a land law which the President vetoed as being too vague, and this law, too, was passed over his veto.

The President has insisted that a proper land law must provide protection to Texas citizens against outsiders, who "would be found coming, by hundreds and thousands, to procure their leagues and labors in this land of promise, knowing that they could do it at no other expense than the breath which would enable them to say amen to a false oath administered, as it might be, within the walls of a grog shop or brothel," the President wrote in his veto message.

The Constitution grants the old Spanish measure of a league and a labor to every Texas citizen who

BELVA ANDERSON

**Belva Anderson**

Services for Belva "Memo" Thomas Anderson, 91, of Farwell will be at 10 a.m., Oct. 2 in First Baptist Church with the Rev. J.L. Bass, former pastor, officiating. Burial will be in Sunset Terrace Cemetery under the direction of Steed-Todd Funeral Home in Clovis. She died Tuesday morning in Farwell Convalescent Center after a lengthy illness.

Survivors include her husband, Gabe David Sr.; two sons, Gabe David Jr. of Bovina and Robert W. of Farwell; two daughters, Therese Tapp of Lubbock and Marilyn Edwards of Farwell; two sisters, Sybil Thompson of Carlsbad, Calif., and LoReine Underhill of Las Vegas, Nev.; six grandchildren; and 11 great-grandchildren.

Mrs. Anderson was born in Morehouse, Mo., April 11, 1895 to E.P. and Virginia Hoehn Thomas.

She was the oldest of four little girls. Her mother died when she was eight years old and she assumed a large responsibility for the rearing of her younger sisters.

A member of the First Methodist Church of Morehouse, she also had many other interests, being proficient in music, poetry and writing. She married Gabe David Anderson of Okolona, Ark., Dec. 21, 1916 in Sikeston, Mo.

She and Gabe took her baby sister to live with them, as her father died about this time. She and Gabe had five children, three girls and two boys. A daughter, Meredith Nan Anderson, died in 1925 following an auto accident.

She was for many years a director of the Security State Bank of Farwell, but her main interest has always been her family. During the Depression, she frequently had visitors, both relatives and friends. No one ever left her home hungry, as she was constantly caring for those less fortunate than herself.

During those days many "tramps" or "hoboes" came to her door, and as times were very hard, she never failed to feed them all. Her family used to kid her about being an "easy mark" for all the unfortunates, but she just smiled and kept on doing it.

She encouraged all her children to get as much education as they could and during their childhood made sure that they were exposed to the arts, music and literature.

She was a gracious lady whose home was a haven of love and happiness for her friends and family.

The Andersons came to Parmer County in 1925.

**Larry Rudd**

Services for Larry Dean Rudd, 33, of Earth were held Sept. 25 in the First Baptist Church of Earth with the Rev. Johnny Timms, officiating, assisted by the Rev. Brad Reeves, pastor of the Earth Methodist Church.

Burial was in Sunset Terrace in Farwell, under the direction of Steed Todd Funeral Home. Rudd died southeast of Clovis while changing a tire on his car. The car fell on him when the jack apparently slipped. He was pronounced dead at the scene by Medical Investigator Bob Morgan.

Born in Amherst, Rudd had lived in Earth and Lariat areas most of his life. He was a mechanic.

Survivors include his mother, Novella Price of Earth; a brother, L.J. of Elfrida, Ariz.; four sisters, Doris Pierce of Amherst, Vera Callaway of Muleshoe, Myrna

**Stewart scores 4 TD's in Farwell Junior win**

Farwell Junior High defeated Lazbuddie Junior High, 38-6, last Thursday.

Farwell's Coach Gary Cates says that the team played well, but that there was room for improvement. "For this early in the season, we're doing well."

In the first quarter, Shawn Stewart scored a touchdown on a 40-yard run and Monty Delgado scored the extra point, making the score 7-0.

In the second quarter, Stewart ran in three touchdowns. The first was for 20 yards, second was for 17 yards with Delgado scoring the extra point, and the third was for 45 yards with Greg Atkinson scoring the extra point. Later in the quarter Atkinson scored a 10-yard touchdown and Stewart ran in the extra points.

The eighth grade boys didn't play much in the second half, but the seventh graders got in some playing time. Lazbuddie scored their only score in the final quarter.

Cates recognized several of the boys for their part in the game. "Stewart can run the ball well and Atkinson does well at the quarterback position. Delgado had grown a lot as a good fullback and Kirk Fly and Dale Rubio were doing a good

job in the halfback positions." Cates stated that the offense was improving with each game. He mentioned Joe and Michael Arce and Darren Haseloff as being good receivers. "They usually come up with the ball," said Cates.

Coach Cates also mentioned his offensive line including Clint Cole, Robbie Dyer, Adrian Nicholas, Richie Gulley, Heath Dollar and Bobby Hammit as doing a fine job for Farwell.

Cates said the defense was looking salty, and no one had scored on their first string and that they were still improving every week. "I'm proud of the team as a whole," said Coach Cates.

Cates stated that the seventh grade got quite a bit of playing time in the third and fourth quarters and that they were playing well. "I'm working them in and I can see that they are going to make good football players," said Cates.

Farwell Junior High will play Petersburg at 5:30 p.m. Oct. 4. The seventh grade will scrimmage first and then the eighth grade will play a game.

Lazbuddie Coach Richard Luscombe, "We did a good job offensively but Farwell just outper-

ered us." Farwell was larger than other teams Lazbuddie has matched up against. "I think that we will match up better against the teams we will be playing now and later in the season," said Luscombe.

Luscombe also said he thought Farwell had a real good team and would be hard to beat. "We have a young team, with 10 sixth graders playing," said Luscombe.

Luscombe stated that he thought that Lazbuddie played well during the last quarter when they played

against Farwell's second string. "We were intimidated to start with," said Luscombe, "knowing that Farwell was noted for having a very good team." Hopefully we can make the needed adjustments and do better, next time.

Luscombe gave recognition to Ramiro Alarcon who scored their only touchdown in the game. The extra point was not good.

Lazbuddie will play Bovina at Bovina at 5:30 p.m. Oct. 2. Lazbuddie's record now stands at 2-1.

**Boy's death accidental**

Lingnau of Lariat and Veta Miller of Earth.

Pallbearers were: Marlan Miller, Scott Miller, Todd Lingnau, Greg Miller, Mark Callaway and Jimmy Pierce.

The death of a 4-year-old Bovina boy who was run over by a grain truck his father was driving will be ruled an accident, according to Friona Highway Patrol Trey Ellis.

Bruce Cavazos, 4, was pronounced dead Sunday evening on arrival at Parmer County Community Hospital. He was struck by a 1955 Ford grain truck around 7 p.m., Ellis said.

The accident occurred approximately 2 miles east of Bovina on Texas Highway 86.

Ellis said the boy's father, Jose, had backed the grain truck up to chain it to another automobile. The boys apparently wandered in front of the grain truck and was struck by the right front tire as Cavazos began to pull forward, Ellis said.

According to Ellis, no charges have been filed, and the death is being treated as an accident.

**Auxiliary to meet**

The Ladies Auxiliary will meet at the Farwell Convalescent Center at 4 p.m. on Oct. 6.

The ladies will be planning their activities for the next three months. Anyone interested in joining should attend this meeting.

**'Shop Local' campaign to be taken**

The Farwell Chamber of Commerce voted Monday to help sponsor an advertisement featuring city businesses as a way of emphasizing the need to "shop locally."

Letters seeking information from city businesses and Chamber members will be sent out later this month.

It was agreed that along with the "shop local" information, businesses will be asked for their views on the Chamber and what it should be involved in.

In other business, next year's annual banquet was discussed. John Grigsby is in charge of the program. Persons with suggestions for it are asked to call him at the school superintendent's office.

The Chamber voted to add a fourth award to the annual banquet:

**Texico-Farwell teams blanked**

Both Texico-Farwell football teams lost in Play Inc. action Saturday.

The Falcons, third and fourth graders, lost 8-0. The Eagles, fifth and sixth graders, lost 20-0. Both teams are now 0-3.

**Texico girls compete in basketball tourney**

By Janice Jenkins

Texico's fourth, fifth and sixth little girls' basketball teams played in a tournament in Clovis Saturday. Here are the results:

At 11:30 a.m., the Texico Bearcats met the Falcons. The Bearcats had a hard time getting started and although they came back the second half it was too late. The Falcons had gained too big a lead and continued to score.

The Falcons defeated the Bearcats 33-17. Scoring for the Bearcats were Terri Askew with 9, Brandy Stewart with 4 and Leslie and Laura Vega both with 2 each.

The Bearcats played hard their second game, as they met the Roadrunners. The score was tied 8-8 at the halftime as both teams were playing good defensively.

The second half was just as exciting. When the final buzzer blew

the Bearcats had scored 14 points to the Roadrunners 17, giving them their second loss of the day. Scoring for the Bearcats were Crystal Foreman, 6, and Terri Askew and Laura Vega with 4 each.

Oct. 4 at 9 a.m. the Bearcats will play the Fillies. At 10:15, the Wolverines will play the Falcons and at 12:45 p.m. the Bearcats will play the Bronchos.

The mighty "Little" Wolverines had their first game against the tough Grady Bronchos.

The Wolverines slowly pulled ahead throughout the game. The final score was Texico 19, Grady 8. Scoring for the Wolverines were Marsha Hamilton, 8, Dara Jenkins, 7 and Virginia Terrazos, 4.

After playing a tough 10:30 game, the Wolverines were looking tired for their game against the Melrose Warriors. But as soon as it came game time, the Wolverines came alive. The Wolverines started out with a full court press on the Warriors and quickly got a large lead. With the Wolverines ahead 18-0, Texico Coach, Sam Jenkins pulled off the press in the second quarter.

The Wolverines continued to hold the Warriors scoreless until the fourth quarter. The Warriors made a basket and the final score was Texico 26, Warriors 2.

Scoring for the Wolverines were Virginia Terrazos, 8; Dara Jenkins and Marsha Hamilton both with 6; Ruth Terrazos, 4, and Micki Fenn, 2.

**Farwell Junior High report given**

The students of Farwell Junior High have been busy since school started.

As reporter Jayme Palady stated, "In math everything's okay, Mrs. Robbs is a great teacher, but we have to work hard to keep up with her." Mrs. Robbs said that the seventh grade has been working on division, but they are about to go into a fraction unit, as are the sixth graders. The eighth grade has been studying decimals and are ready for the unit test in this area.

Mike Loera, seventh grader, reported, "In history we've been learning about the early Texas Indians. It has been very interesting these few days." The sixth grade history students, according to Jody Mahaney, have been discussing Egypt and King Tut's treasures, and the eighth graders are looking at the early explorers - English, Spanish, French, Dutch - and their arrival in the New World.

The science room has taken on a new look this year. Rubin Lucio stated, "We have some neat animals in the junior high. We have gerbils, fish, a snake, ants, and a finch - a kind bird. The gerbils' names are Mickey and Minnie. The snake is named Skeeter, and the Finch is Tweedle Dee." He further reported that the seventh grade has been collecting and mounting insects.

"The sixth grade science students have been studying friction, gravity, and motion," related Eric Chadwick. The eighth graders have likewise studied these concepts, but they have also looked at the earth and moon systems as well as solar and lunar eclipses.

Language arts studies make up a large percentage of the academic day at Farwell Junior High. "In literature, taught by Mrs. Cole, we have been learning Bloom's Taxonomy and figures of speech," reported Amanda Curtis and Robin Ray. Kartha Roberson stated that in English class compound subjects and predicates and compound/simple sentences were being studied.

She further reported that the English classes have been using a daily newspaper to learn the parts

of a newspaper, how to put it in order, and that the editorial page is the opinion page. Language extension is a relatively new class in which the students are involved in an individualized spelling and study skills program.

As important to students as academic subjects are the extracurricular or elective subjects that they may take. The homemaking class has been sewing.

"The band is preparing to march in the Brownfield parade," Chad Byrd reported. Tuck Traynor stated that the band marched eight blocks, learning to march around corners.

Cody Monk gave the following account of sports events:

The seventh and eighth grades played Lazbuddie last Thursday and won 38-6.

Tailback Shawn Stewart started the scoring with a touchdown in the first quarter, but the two-point conversion failed. Later in the quarter Stewart scored another touchdown. Fullback Monty Delgado plunged over for the conversion. In the second quarter Stewart scored yet another touchdown. Delgado again plunged over for the two point conversion.

In the second half Stewart scored again on a nice run, and this time quarterback Greg Atkinson boot-

legged in for the two-point conversion to round out the scoring - 38-6, Yearlings.

"We will play Petersburg Thursday, so come root for the Yearlings," he said.

**Fire Calls**

The Texico Fire Department had one call this week.

On Sept. 29, an ambulance was sent to a possible gunshot victim on Florence. There was no victim and no transport.

# Jal defeats Texico

By Janice Jenkins  
Jal defeated Texico 33-0 last Friday night here.

The game started off with Texico kicking to Jal. Jal brought it to their 40 yard line. Texico held them scoreless on their first possession. Texico's first possession ended when the Wolverines fumbled on its 30 yard line and Jal recovered.

Having good possession, Jal ran the ball in for a touchdown. Jal then kicked to Texico who got it to its 18 yard line.

Then Rod Smith passed to David Loera for a 15 yard pickup. But Jal held them scoreless.

Jal got a clipping call with 2:13 left in the first quarter giving them a first and 25 yards to go. Jal passed 25 yards to their 34 yard line, then Jal passed for a touchdown with 1:51 left. Their extra point was not good.

With the score Jal 12, Texico 0, Jal kicked off. Texico brought the ball to its 20 yard line and got a first down with seconds left in the first quarter.

The second quarter got underway with Texico in control of the ball just shy of its 30 yard line. On the second play, Spicer Lewis caught a pass and got a first down on Texico's 42 yard line. But again Jal held firm.

With 8:12 left in the second quarter, the referee accidentally got into the game when he was tackled on a third down. On the next play, Jal fumbled and Spicer recovered for Texico.

Texico was held and forced to punt.

It was a short kick and Jal caught it on Texico's 28 yard line. Jal ran it in on the next play. Then Jal ran in the extra points, making the score 20-0 with 5:49 left in the first half.

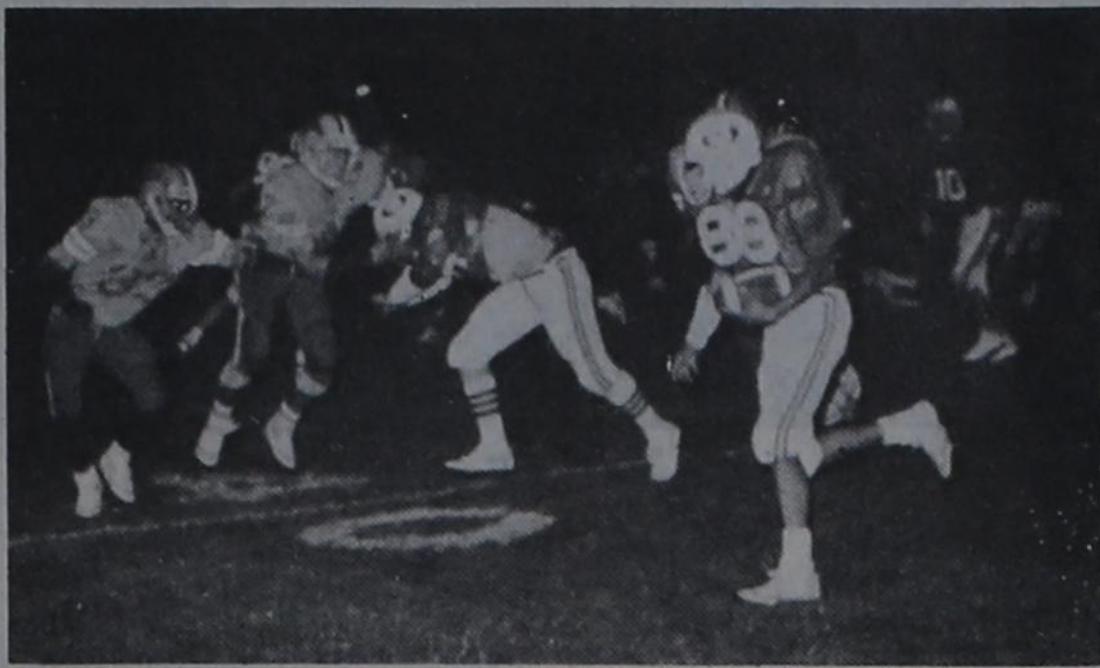

Jal kicked to Texico and Lewis brought the ball to Texico's 28 yard line. Larry Dudley carried to Texico's 38 yard line for a first down. Texico, then got a five yard penalty for offsidess and a first and 15 situation. On third down Dudley made a good run to pick up a first down.

Jal's strong defense held Texico on its 47 yard line. Texico punted and Jal moved the ball on the ground. With eight seconds left in the quarter, Jal fumbled.

The second half of play showed good defense for both teams. Then with 4:06 left, Jal broke loose and carried the ball in for another touchdown. The extra point was not good and the score was Jal 26, Texico 0.

Jal was still fired up as the fourth quarter began. They again put points on the board and their extra point was good, making the final score 33-0.

Jal recovered a fumble and then passed the football, but Texico's Bill Daniel intercepted with 8:39 left in

David Loera carries the ball for the Wolverines in first half action against the Jal Panthers. Loera took over as quarterback after

starter Rod Smith injured his ribs. Texico's Jesse Martinez throws a block on the play.

the game. Texico was again held scoreless.

Then Jal passed again with 5:44 left and David Loera intercepted. Texico moved the ball and Jal got a pass interference call and then a face mask call to help Texico make its way to Jal's seven yard line. Then just as it looked like the Wolverines were going to score, they got a motion penalty to move them back five yards.

Springer will be at Texico tonight at 7:30. There will be a barbeque starting at 5 p.m. Everyone is invited to come out and support the Wolverines by eating the Barbeque and attending the game.

Texico is now 1-3.

Coach David Lynn stated that Texico's loss was not due to lack of effort, but that they were just up against a better team.

"Injuries plagued us early in the ball game and we had to play the boys out of position," said Coach Lynn.

Lynn said that Keith Harrison and Rod Smith both received deep bruises.

"We're improving every week and we are optimistic about the upcoming District game," said Lynn. "We're playing for all the marbles now."

Lynn commented that Paul Brown played a good game defensively and that Spicer Lewis also played well.

"The offense played well at times, but needed more consistency," said Coach Lynn. He further commented that tackling was better as a whole.

# McDorman, Homier wed

A Caribbean cruise followed the July 12 wedding of Tracy Dee McDorman and Richard William Homier. The 5:30 p.m. ceremony was performed by the Rev. Kevin Slyh before the altar of Park Avenue Baptist Church.

The bride, a 1983 graduate of General Motors Institute, is plant statistician at the Mansfield-Ontario CPC Plant. She received her diploma from Ashland High School in 1978. Her parents are Mrs. Joyce Smith, Portales, N.M., and Glyn McDorman, Wylie, Texas. She is the granddaughter of James and Velma McDorman of Farwell.

Robert and Norma Homier, Plymouth, Mich., are parents of the bridegroom. He attended Ohio State University after graduating from Lexington High School in 1977. The bridegroom, also a GM employee, is attending North Central Technical College.

Miss McDorman was attended by Brenda Gerold, Marnie McDorman was her sister's bridesmaid and Courtney Beck, cousin of the bride, was flower girl.

Richard Sjostedt carried out the duties of best man while Keith Gedhill ushered guests to their

# Steers need support

Dear Editor:

The Farwell Steer's Football teams begin their District play at Petersburg this Friday night at 7:30 p.m.

It will be a tough game and we would like to encourage everyone who can to be there. What a boost it would be to the team to have our side of the bleachers full. This is a crucial game, as Petersburg is rated second in our District and to win this first district game could well be one of the most important games of this season, and will certainly increase our chances of being in the playoffs.

## Letter To The Editor

So please everyone, come, and get behind the Steers.

As for me personally, the Steers are my team and Farwell is my town. I am proud to be a "Farwellite."

Way to go Steers, Way to go. We are with you.

Irene Woods, Secretary  
Farwell Steers Booster Club

## Pope named SPS division manager

Bill Pope, industrial relations manager for Southwestern Public Service Company (SPS) became manager of the company's New Mexico Division upon the retirement of Lloyd L. Davis Oct. 1.

Davis is retiring after 39 years

with SPS, the last six years as New Mexico Division manager.

Pope is transferring to Roswell from SPS corporate headquarters in Amarillo.

## FFA boys show sheep

Four FFA boys from Lazbuddie showed their sheep at the Panhandle-South Plains Fair in Lubbock.

## Booster Club buys television

The Farwell Booster Club Tuesday agreed to buy a 25-inch color television for the school athletic department.

The TV will make it easier to watch the action on video tapes taken of Steer games so the play can be analyzed better.

Club President Johnny Atkinson also stressed the need for fans and

parents to attend tonight's opening District game against Petersburg there.

"This is an important game for our team and we need all the support we can get," he said. "I sincerely hope that fans drive to Petersburg for this very important game and root out team on."

Where has the year gone? It hardly seems possible that October is nearly upon us. With October comes Halloween, with Halloween comes Autumn, cold drizzles, maybe our first snow.

Time to get our Harvest decorations.

I've made several phone calls and have friends working with me to get corn, milo, sunflowers, soybeans and gourds, any thing to make a harvest arrangement with.

Can you imagine how lovely a beautiful harvest arrangement will be in front of our fireplace?

I can hardly wait!

If you have something you would like to donate to add to our tribute to harvest time we would be more than happy to include your gift.

The Ladies Auxiliary will be having our meeting Monday at 4 p.m. here in the Chapel. We hope all members can come. We have a busy schedule with all the Holidays coming up. See you Monday.

October will be the beginning of a new activity. Every Monday night will be Game Night. We will play Skip-Bo, Checkers, Dominoes, Chinese Checkers. Anything we can think of. All suggestions welcome.

Beginning in November every second Monday of every month will be Family Night. I'll go into that in another article.

We lost a Dear Friend Belva Anderson on Tuesday the 30th of Sept. We share with her family their loss. We send them our condolences.

## Mahaney retires from U.S. Postal Service

Here's how C.L. Mahaney viewed his years with the Post Office: "I began my career with the United States Postal Service in December, 1961. I was the substitute carrier to Lee Meeks on Rural Route 1. Upon Lee's retirement in September, 1977, I became the fulltime carrier. Weldon Embry took over as my substitute carrier and upon my retirement, he will take over the route.

"During my 26 years of service, I

have seen many changes. In 1961, the rural route was approximately 92 miles long. Today it is over 110 miles with 164 customers. In 1977, with the retirement of Lois Smith, postmaster of Lariat, Tx., the Lariat customers were added to this route. During the past 10 years, there has been a decline in the number of customers served.

"Postmasters I have worked for are Albert Smith, Jim Bob Smart, and our present postmaster,

Otis McMillan. Clerks are Carrie Hamrick, Edwina Owen, Mable Martin, Sylvia Buchenau, Lynne Mahaney, and Rene' Bartlett.

"I have enjoyed my work as the rural carrier. I have made many friends by visiting with the people on my route. I will miss having an active part in the rural community.

## Band Boosters sell calendars

The Farwell Band Boosters have begun selling Band Calendars and the Sales will continue until Oct. 8. If you have not been contacted and would like a band calendar, please contact any of the following Farwell Band Boosters or officers: Vicki Jones, Cheryl Burton, Mary Lou Hillock or Sherry Curtis.

Farwell Postmaster Otis McMillan, right, congratulates C.L. Mahaney at a reception Saturday honoring him for his 26 years of service to the

U.S. Post Office. Mahaney has retired. Showing the plaque Mahaney received is his wife, Gloria.

## Lady Wolverines split

The Texico Lady Wolverines played Tatum Sept. 23 with Tatum coming out on top.

Coach Michael Littlejohn said, "We played very well at times and were very inconsistent at others. We had our chances and were not opportunistic enough. We were up 14-2 in the third game and let them

off the hook for a 14-16 loss. The girls still hung in so there was some good. Tatum defeated Texico 15-12, 15-13, 14-16, 15-11.

The Lady Wolverines defeated Dora Sept. 30 at Dora.

Coach Littlejohn said, "Again we played well at times and were inconsistent at others. I tried different combinations, trying to see if certain things would work."

Texico beat Dora 15-3, 15-6, 13-15, 15-5.

The Lady Wolverines record now stands at 2-1 district and 6-3 overall.

## 4-H Week programs slated

Parmer County 4-H members are gearing up for a lot of special programs and activities the week of Oct. 5-13, National 4-H Week.

Some of the planned activities include a County 4-H Project Fair to be held on Oct. 4 in the Friona Community Center. A Bucket Calf show will take place at 2 p.m. on the same day and at 7 that night the Awards Banquet will be conducted.

Parmer County boasts some 175 4-H members who are among more than 4.3 million young people across the country who will participate in the week-long celebration using the theme, "4-H For Youth, For America."

"In celebrating National 4-H Week, we recognize that 4-H is truly a people development program" says Pierce, county 4-H program coordinator with the Texas Agri-

cultural extension Service, the parent organization of 4-H. "4-H helps young people develop skills that will be useful in the real world. It helps them discover their strengths and weaknesses. It exposes them to activities in a variety of career fields. And, most importantly, 4-H'ers learn and have fun doing it. And families can add to the fun by learning and growing together," adds Mrs. Pierce.

"Learning doesn't stop with the 4-H member and family. Volunteer leaders learn new skills while sharing their expertise with young people," notes Pierce. "Through a network of volunteer leaders, state land-grant universities, state and local governments and the U.S. Department of Agriculture, 4-H has been able to stimulate youth to develop life skills."

Some 40 adult volunteer leaders work with 4-H boys and girls in Parmer County through 5 different 4-H clubs.

4-H'ers can choose from some 70 different project and program areas designed to help them prepare for the future, adds Pierce.

More information about the 4-H program is available at the County Extension Office, in the County Courthouse, or you may call Janette Pierce at 481-3619 to be put in contact with your local 4-H club.

## Trees cut down

Two trees were being cut down Wednesday on the west side of the county courthouse lawn.

Shot's Tree Trimming of Clovis did the work. Glen Shot said that the trees had to be removed because the root systems were raising and breaking up the sidewalks.

## Pleasant Hill Pals meet

The Pleasant Hill Pals 4-H Club met Sept. 25 at the Community Center.

President Justin Barnes called the meeting to order and secretary, Robin Pierce called roll and read the minutes.

It was announced that Oct. 10 is the deadline for turning in record books and applications for county awards. Also anyone who has not given his demonstration should do so at the October meeting. Members voted to meet at the Pierce home to watch a movie instead of having a Halloween Party this year.

Demonstrations were given by Leslie Servatius on "Basic Baking Pans and Cooking Utensils," By

Carol Servatius on "Baking and Cooking Terms" and by Steven Cloud on "Cameras."

Refreshments of brownies and Cokes were served by Leslie and Carol to members Justin and Chad Barnes, Penny, Robin and Jubal Pierce, Steven Cloud, Jeff Lynn and Terry Whitener. Also to leaders and visitors, Alice Pierce, Linda and Jarrod Servatius and Wilma Whitener.

# The world's most sensitive natural gas detection device.

If you have a nose, you have all the equipment you need to detect odorized natural gas leaks. Actually, gas is completely odorless in its natural state; the people at Southern Union Gas add the distinctive smell before it's distributed to customers' homes and businesses. That unique odor tells you when something isn't quite right—and that makes your nose the ideal device for alerting you to possible gas leaks.

Natural gas is one of the safest forms of energy available, and you can

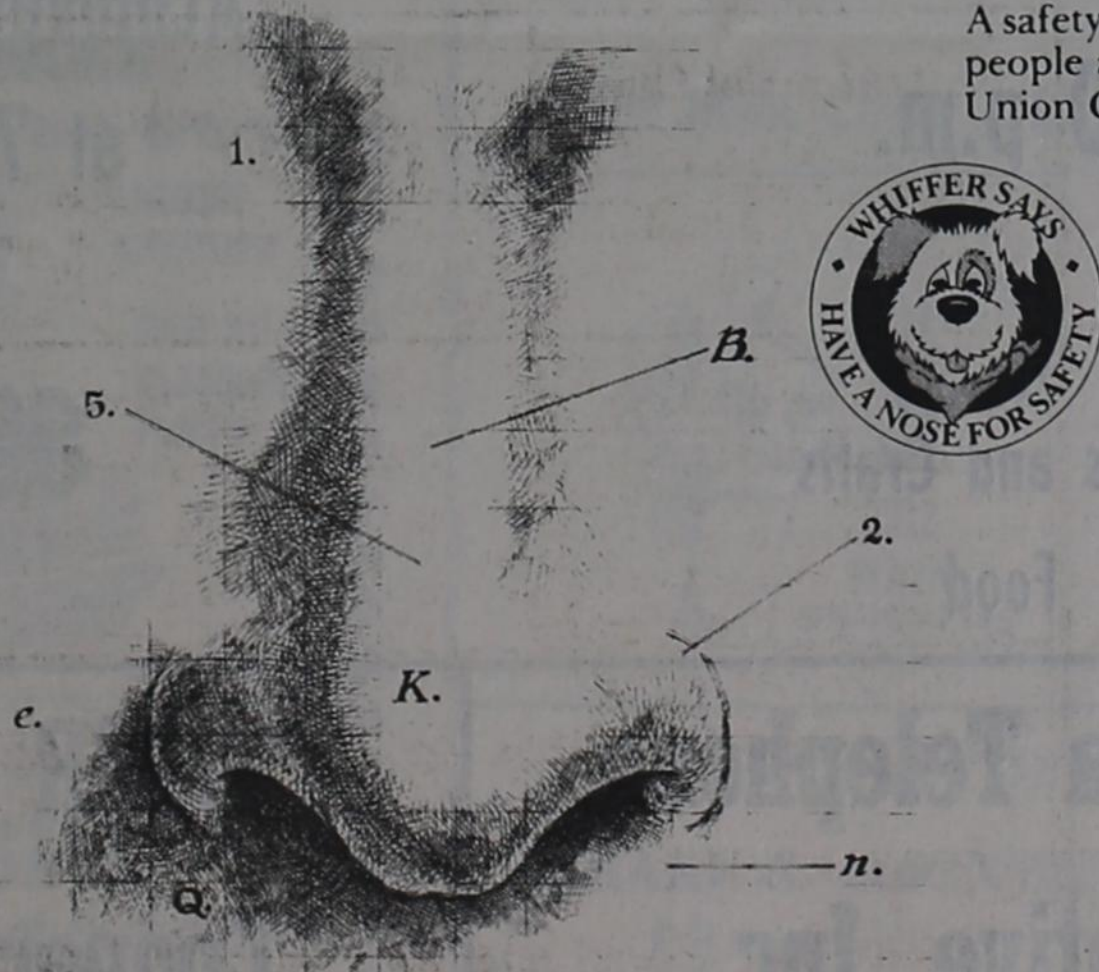

help the people at Southern Union Gas keep it that way by having a nose for safety. When you let us know you smell gas, you give us the opportunity to locate and stop the leak right away, helping us to avert any potential danger and to conserve natural gas energy.

Southern Union Gas asks that you follow these three common-sense steps if you ever smell gas:

- If the odor is faint, check to see if a pilot light is out or if a burner valve is partially turned on. If you cannot find the source, leave and

- call us at once.
- If the odor is extremely strong, leave the premises immediately. Don't light a match or switch anything on or off. Call us from a neighbor's telephone at once.
- If you smell gas out-of-doors, walk away from the immediate area, and call us at once.

A safety message from the people at Southern Union Gas.

heads a family. A league is a little less than 4428 1/2 acres, and a labor is one 25th of this amount, slightly over 177 acres, making a total of about 4605 1/2 acres.

President Houston fears that unless proper safeguards are taken, there will be widespread fraud by "mock citizens" who could repeatedly enter Texas and each time take the oath of citizenship and receive a headright, which they can then sell to speculators, who "now have their plots in their pockets, ready to enter them the moment the land offices are opened." He has therefore consistently opposed the opening of a General Land Office until all procedures have been completely clarified, which so far Congress has failed to do.

The Republic estimates that it has more than 251 million acres of land within its borders, of which about 26 million has been disposed of through grants by Spain and Mexico, leaving

more than 225 million in public domain. This land is looked upon as the Republic's chief source of future revenue.

1839: **FRIDAY, OCTOBER 4.** Mexican Federalists, fighting for a restoration of the liberal Constitution of 1824 against the military dictatorship of the Centralist government, today won an important victory with Texian aid at Alcantra, about 12 miles southwest of Mier in the state of Tamaulipas. Some 180 Texian volunteers participated, under Colonel Reuben Ross and Colonel Samuel W. Jordan.

The Federalist revolt has been going on for the past two years, especially in north Mexico. On December 26, 1837, General Jose Urrea, commander of the department of Sonora, declared against the Centralist government. Urrea, it will be remembered, captured Fannin's troops during the Texas rev-

olution, and his command was responsible for carrying out the massacre at Goliad ordered by President Antonio Lopez de Santa Anna. Declarations for the Federalist cause were also made in a number of northeastern Mexican cities like Tampico, Reynosa, Mier, Guerrero and Laredo. The southern provinces of Yucatan and Tabasco have also joined the movement. Matamoros has remained a Centralist stronghold.

The leader of the Federalist forces which won the Battle of Alcantra today is General Antonio Canales. He is not actually not a

military man, but a former lawyer from Guerrero. Upon declaring for the Federalists, he crossed into Texas with his supporters, and set up headquarters at Lipantilan, a fort on the Nueces River. He was joined there by other Mexicans, and some Indians. He issued a proclamation inviting Texians to join him, offering about \$22 per month, an equal division of the spoils, and a half-league of land after the war was won. Some 226 joined, including Colonel Ross, a former aide to General Felix Huston, and Colonel Jordan, a former captain in the

ranger service.

The Texians elected Colonel Ross as their commander, and voted to fight under the Lone Star flag of Texas. Colonel Jordan was attached to General Canales' staff. Canales left the Nueces on September 20 with the Texians and some 400 Mexicans and Indians. Ten days later he reached the Rio Grande opposite Guerrero, where he was joined by Colonel Antonio Zapata of that town, with 150 mounted men. At this point, Canales ruled that the Texas flag could not be flown once

(Continued from Page 1) they crossed the river, and the Texians reluctantly agreed to furl it.

They crossed the river and on October 1 they captured Guerrero after a spirited fight with the Centralist garrison of some 200 men. They fled, leaving all their arms, ammunition and baggage, with 20 dead and more drowned trying to escape. The 65-year-old commander, Jose Bernardo Maximiliano Gutierrez de Lara, was captured. Two of his sons are fighting with the Federalists.

**Cable change explained**

Local cable television subscribers may have noticed that they are no longer receiving Clovis news or advertising on their television sets. KMCC has been sold to Marsh Media in Amarillo.

When Marsh Media bought KMCC, we were broadcasting the same thing on both channel 5 and channel 10," said Gordon Smith of McCaw Cablevision.

The new owners, Marsh Media, do not currently have the capability to transmit local Clovis news.

When Marsh Media bought KMCC, we were broadcasting the same thing on both channel 5 and channel 10," said Gordon Smith of McCaw Cablevision.

Starting Oct. 6, we will use channel 5 for KFDD, our CBS affiliated station, and broadcast

KVIH (formerly KMCC) only on channel 10. Channel 14 will be the Cable Value Network," he added, "We will also offer stereo sound capability on channels 2, 20, 29 and 36."

**Craig heads Parmer spelling bee**

Students in all public and parochial schools are invited to participate in the 1987 National Spelling Bee, co-sponsored by the Amarillo Globe-News and West Texas State University.

Serving as director for Parmer County will be James Craig, Farwell Elementary School principal.

Each county champion must be named by March 14 in order to take part in the 1987 Regional Bee to be held on the WTSU campus on April 11. Vying for the 1987 Regional title will be 46 young people from parts of

the Texas Panhandle, Oklahoma, New Mexico and Kansas.

The 1987 district champion will go to Washington, D.C. in early June to compete in the National Spelling Bee. The trip, for two, will be provided by the Amarillo Globe-News.

Parmer County 4-H Achievement Banquet at 7:00 p.m.

4-H Makes a World of Difference

Hosting and attending the party for Irene Woods, were from left, standing Gaynell Mitchell, Rhonda Webb, Stella Merelene Smith, Jerry Atch-

ley, Mrs. Woods and Maria Lopez. Seated are Karen Morris and Gloria Atchley.

## Irene Woods leaves Sheriff's Department

A party was held at the Parmer County Sheriff's office Oct. 1 in honor of Irene Woods. Mrs. Woods has resigned from her job as secretary there after 14 years of service. Hosting the party were all the employees of the courthouse. She was presented a blue suit complete with pants, skirt and jacket as a gift from all the employees of the Sheriff's office, all the employees of the courthouse and

the Parmer County Texas Highway Patrol officers. Cakes were made by Merlene Smith, Rhonda Webb, Maria Lopez, Gloria Atchley and Bonnie Warren. Coffee was also served. Mrs. Woods has lived in Farwell for many years. Her husband, Carliss, works for Pct. No. 3 in Parmer County. They have three children, Sheryl Woods Taylor, Mike Woods and David Woods, all of

Farwell. Mrs. Woods said that she had enjoyed working there and would miss all the people she worked with. She is going to go back to being a housewife for awhile. Rhonda Webb will be taking her position at the Sheriff's office. She has lived in Farwell all her life and worked for Jim Berry about two years ago. She is married to Sam Webb who is in the car hauling business. They have two children, Jody and Stephen Ketcherside.

## Texico plans arts, crafts fair

The public is invited to an arts and crafts fair Saturday and Sunday at Texico School No. 2 gym (the green gym near the elementary school). Sponsor is Texico's junior class. The fair will be open Saturday from 8 a.m. to 7:30 p.m. MDT and Sunday from 1 to 4. Admission is free. Free door prizes will be given. A shopping list will be available.

## Wedding shower held

The parish hall of St. John Lutheran Church, Lariat, was the setting for a wedding shower for Rhonda Lingnau Crozier Sept. 29. Guests were served kabobs of cheeses, ham, olives, summer sausages and vegetables, as well as apricot slush punch, assorted crackers, nuts and apricot-tone mints.

Hutchins, Liz Kaltwasser, Tommie Fulcher, Sharon Menning and Jeanie Smith. They presented the bride with a corsage of apricot-toned feather carnations and as a special gift, a large mixer.

## Volleyballers split

Texico's Junior Varsity volleyballers were defeated by Tatum Sept. 23 at Tatum. Coach Michael Littlejohn's comments were, "We served 69%, but you can't win if you don't serve at least 80-plus percent. We played well except from the serving line." Tatum won, 6-15, 17-15, 15-9. Texico's Junior Varsity defeated Ft. Sumner Sept. 25 at Texico. Littlejohn said, "We finally put it all together, our serving, passing, setting and hitting. Now we just have to be more consistent."

## Texico volleyballers in action

Texico's Junior High (7-8) volleyball team was defeated by Tatum Sept. 23 at Tatum. Coach Michael Littlejohn said, "We didn't serve like we are capable. We passed the ball all right, but you can't score if you don't get your serves." Tatum won, 15-10, 15-10. The Junior High (7-8) was defeated by Ft. Sumner Sept. 25 at Texico. Littlejohn said, "We started off real well, but then back to the same old thing - missed serves." Ft. Sumner won, 9-15, 15-7, 15-12.

The Texico Junior High ninth grade team was defeated by Ft. Sumner Sept. 25 at Texico. Littlejohn stated, "We just didn't get the job done. We had them down and didn't knock'em out." Ft. Sumner won, 16-14, 5-15, 15-6. The Texico Junior High ninth grade was defeated by Dora, Sept. 30 at Dora. Littlejohn said, "A team we beat earlier two straight came back and beat us two straight, because we didn't serve or hustle." Texico (A-B) Junor High teams will play Elida at Texico Oct. 2 at 5 p.m.

## Cheese, butter give-away to continue

The federally-sponsored cheese and butter give-away for residents of Parmer County Precinct 3 (the Farwell area) is beginning this month. Parmer County Commissioner Robert White said that it will be Oct. 16 from 9 a.m. to 5 p.m. at the Farwell Community Center. Only AFDC, food stamps, medical assistance, supplementary security income and other persons who may

qualify will receive these commodities. Application forms will be at the center for those wishing to apply. If you still have a card, they will be good until Jan. 1. Farmers should use their net income and others should use their gross income. Beta Sigma Phi volunteers will be on hand to pass out the commodities.

## Sheriff's Report

Here's the weekly sheriff's report from Parmer County Sheriff Bill Morgan: Isabel Castillo, Farwell, reported Sept. 28 that her home was entered and a VCR taken. Delbert Black, manager of Loomix, Farwell, said someone broke into the building last weekend

and took several tools. Baldo Blanco, 20, Farwell, was arrested Sept. 27 by the Texas Highway Patrol on a charge of driving while intoxicated. He plead not guilty before County Judge Porter Roberts. His bond was set at \$500 and his case is pending in County Court.

## Twin Cities see hail, rain

Texico-Farwell saw a stormy Sunday afternoon with hail, rain and high winds.

Here are some of the rain reports from around our area.

Vicki Chandler at Sherley-Anderson-Pitman, reported 7 tenths of an inch from the rains Sunday and Monday morning at the elevator in Farwell.

Steve Kittrell of Aero Farm Chemical in Pleasant Hill reported two inches of rainfall.

LaMoine Williams reported 1 1/2 inches of rainfall at their home south of Farwell and 8 tenths of an inch at West Camp.

Yolande McFarland of Sherley-Anderson Grain, Lariat, reported 2 tenths of an inch of rainfall.

Ysletta Kittrell reported 1.1 inches of rain on their place west of Farwell.

Louise Foster of Oklahoma Lane reported one tenth of an inch of rainfall on their farm east of Farwell.

Shari Hill of Sherley-Anderson Grain, Lazbuddie, reported about two tenths of an inch of rainfall at the elevator.

Walter Curd of Texico reported 1.2 inches of rainfall at his home.

**Well work**

Workers from L.K. Howard, Clovis, began digging the new well for the city of Texico Wednesday. Once

completed, the city will have two wells. The well is being built with state funds.

**Drug abuse prevention stressed at Lazbuddie**

On Sept. 23, ENMU basketball coach Larry Riley presented a drug awareness program to the Lazbuddie junior high and high school students.

He cited the problems of peer pressure and psychological and physical addiction. He talked about the Presidential Drug Awareness Program, which is publicizing America's drug problem and is emphasizing prevention.

Riley said that there are three steps in the effective control of drug abuse: strict law enforcement, rehabilitation and prevention. He emphasized that prevention is America's best chance at control of this rampant calamity that threatens to cripple the nation.

Riley told the students that drugs can cause death or severe personality disorders. He said that many drugs are residual and build up in the vital organs of the body, including the brain. He stressed the fact that our bodies react differently according to the particular chemical make-up of each individual, and that this chemical make-up varies for each individual from day to day. Riley stated, "Each person is responsible for his own decision. The use of drugs hinders the normal attainment of natural happiness in life."

Tutorials will be held every Tues-

day, Wednesday and Thursday from 7:55 to 8:25 a.m. Teachers will be available to help students. Parents are encouraged to see that students take advantage of this valuable school service.

Mrs. Marca Morris' 5th grade science class is involved in some very interesting lab work. They have studied the characteristics of earth worms, the body parts and characteristics of grasshoppers, and the characteristics and environment of frogs and salamanders. Mrs. Morris says, "The students enjoy this kind of 'hands on' involvement."

Congratulations go to the Longhorn varsity track girls for a great job at the cross-country meet Saturday in Hereford. Their coach is Joann Luscombe. Girls attending were: Cathy Schacher, Traci Elliott, Amy McGehee, Ginger Jesko, Diana Cozbe, and Mia Jennings.

**Lust returns**

Lazbuddie Quarterback Tim Lust is expected back into action tonight (Friday) when the Longhorns play at Bovina at 7:30 p.m.

This will be the first action for Lust this season, who had surgery before the season started.

**Portales blanks Texico gridders**

Texico Junior High's football team was defeated by Portales eighth grade at Portales, 6-0, last week.

Coach Borde Williams said that he was proud of their effort, but that

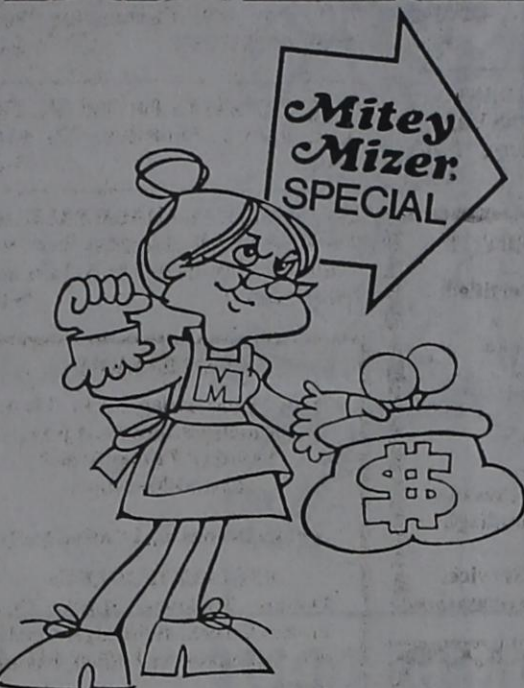

they made some costly mistakes and had chances to score but were unable to do so.

"For the most part, I think we could have been better prepared," said Williams.

Williams stated that the boys moved the ball well offensively, but had some room for improvement.

Texico Junior High will play Melrose at Texico Oct. 2 at 5 p.m.
