McGruff, a crime-fighting dog puppet, is used in many school systems to advise children against all aspects of crime, from drugs to staying away from strangers. "The puppet tells kids how to resist," said Warnick. There are 24 topics in the series. Youngsters in schools are shown a topic once a week for 10 minutes. Warnick was invited to speak by Farwell Chamber of Commerce President John Getz. Getz, a Texico-Farwell Lions Club member, also has been discussing with his club the possibility of introducing such a school program here. Also at the Chamber banquet, music was provided by Ed and Juanita Hardage. ESA Sorority provided the decorations. Special Sesquicentennial place mats were provided by the Chamber and persons attending were urged to take them home as souvenirs (some placemats are still available by calling Chamber Secretary Dutch Quickel). The most productive industry in America is facing a growing concern. American agriculture is being threatened by a shortage of highly trained, technically skilled, motivated men and women.

People have made American agriculture #1 in the world. Our investment in the education of men and women involved in the dynamic and diverse industry of agriculture has given the United States a productive edge in the world. Yet, faced with a growing shortage of well-trained people, we may soon lose our #1 position to other countries.

How can we keep our #1 position? Support. Your support for local vocational agriculture programs and FFA members will help us maintain and sharpen our edge. FFA members need you—parents, faculty, school administrators, businessmen, farmers, community members and FFA Alumni.

Vocational agriculture students and FFA members are laying the groundwork for careers in agriculture—through college, vocational technical school and direct entry into jobs. These qualified students are tomorrow's agriculture industry. Students who are gaining their own competitive edge. But they can't do it without your help.

The future is in your hands. "Keep Agriculture #1—Support FFA & Vocational Agriculture!"

FFA chapters busy

The Twin Cities FFA chapters are busy this week.

In special observance of the week, Texico FFA Advisor Eddie West has planned activities to celebrate the occasion.

On Feb. 20, at 6:30 p.m. (MST) will be parents night. The parents are invited to participate in several contests such as livestock, meat cuts, identifying tools, entomology, welding, horses and wildlife.

The FFA members will run the contest at the agriculture shop. Parents will receive a plaque and the parent winning in more than one contest has a chance to win the sweepstakes.

On Feb. 22, the Texico chapter will have its first Spring Hog Fair, at 10 a.m. (MST). The grand champion will receive a belt buckle and the grand reserve champion will receive one, also. The student with the best record book will receive

\$25. This is for Texico school.

They plan to wear their coats and ties one day, and the state president of FFA may come.

While Farwell's FFA chapter hasn't planned anything special for the week, advisor Richard Montgomery said that his FFA'ers have been busy with old projects and staring on new ones.

Montgomery said that they will be repairing pens and making some new ones.

The FFA'ers have attended judging contests at West Texas State University and Texas Tech. Judging such as meats, crops, livestock, and horses has been observed.

They attended a leadership contest at Texas Tech. They came in fifth place in the district.

On Feb. 21 they will be leaving for the Houston Livestock Show over the spring break.

Above, the Texico FFA chapter members are checking over the pigs for their Spring Hog show Feb. 22.

They are, from left, Stan Cross, Jason Johnson, Cory McDaniels and Sam Drager.

Davis runs for treasurer

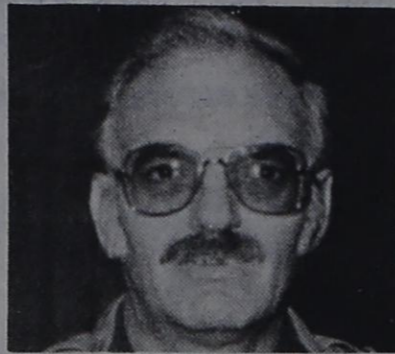

On the last day of filing, Jerry Davis filed for the Parmer County treasurer's post.

He and Anne Norton are seeking the Democratic nomination for that position.

Davis, of Oklahoma Lane, has lived in Parmer County for eight years. He graduated from Olton High School and has an accounting degree from St. Petersburg, Fla., College. He was an accountant at Excel for seven years before starting his own business, Rainbow Carpet Service.

He and his wife, Florence, have

two children, Kelly, of Clovis, and Todd, at home.

The Bowl signs a treaty with Texas

1836: TUESDAY, FEBRUARY 23. Today in the Cherokee village north-west of Nacogdoches, General Sam Houston and John Forbes, co-commissioners authorized by Governor Henry Smith to treat with the Indians, signed an agreement with the Bowl, chief of the Cherokees, guaranteeing them territorial rights in return for neutrality should Texas be invaded by Mexico. The Bowl signed not only for the Cherokees, but also for the twelve Indian bands in East Texas associated with them: the Shawnees, Delawares, Kickapoos, Quapaws, Choctaws, Biloxies, Iowayes, Alabamas, Cochettes, Caddoes of the Neches, Tachocattakes and Unataguos.

In their report to Governor Smith, the commissioners stated: "The state of excitement in which the Indians were first found by your commission rendered it impossible to commence a negotiation on the day set apart for it. On the day succeeding, the treaty was opened. Some difficulty then occurred relative to the exchange of lands which the commissioners proposed making for those now occupied by them, which was promptly rejected." The area agreed upon is that now occupied by the Indians, and guaranteed to them previously by Mexico.

General Houston will depart immediately for Washington-on-the-Brazos, where he is due on March 1, when a new Texas convention will be assembled. He was elected a delegate from Refugio. In the Consultation last fall he represented Nacogdoches.

1836: TUESDAY, FEBRUARY 23. The Texas garrison at San Antonio de Bexar came under siege this afternoon by a Mexican army of more than 1,000, led by General Joaquin Ramirez y Sesma. Additional forces are said to be advancing to reinforce him, under command of the President of Mexico himself, General Antonio Lopez de Santa Anna.

Although the Texans have been expecting a Mexican invasion, its timing has come as a surprise. There are only about 150 volunteers in Bexar, and they have taken refuge inside the Alamo fortress. The Mexican troops thereupon immediately entered the town. They have hoisted a blood-red banner at the top of the San Fernando Church, indicating no quarter unless there is an immediate surrender. The Texans responded with rifle and cannon fire.

At 3 p.m. today, Colonel William Barret Travis, co-commander at Bexar with Colonel James Bowie, sent an urgent message to the citizens of Gonzales: "The enemy in

large force is in sight. We want men and provision. Send them to us. We have 150 men and we are determined to defend the Alamo to the last. Give us assistance."

The Bexar garrison was down to 90 men last month, until it was reinforced with 30 men under Colonel Bowie, sent by General Sam Houston, and another 30 under Colonel Travis, sent by Governor Henry Smith. Bowie carried an order from General Houston to Colonel J.C. Neill, then in command of the Alamo, to blow it up and bring off the artillery. Neill decided not to do so, since he had no means for moving the cannon. He departed on February 11 due to illness in his family, and turned the command over to Colonel Travis, who is a career soldier. However, the volunteers elected Bowie, a legendary frontiersman, and after some friction, the two officers agreed to a joint co-command, as of February 14.

On February 16 Colonel Travis sent a request for reinforcement to Colonel James W. Fannin, in command of the main Texian army of some 500 men, now at Goliad. Fannin refused, on the basis that he could not spare the men from his proposed invasion of Matamoros.

General Santa Anna has acted more rapidly and more vigorously than Texans have expected. He is familiar with Texas terrain, having served there as a young 18-year-old lieutenant under General Joaquin de Arrendondo against North American filibusters in 1812. He was decorated for bravery under fire in that campaign.

He received authorization for a Texas campaign from the Mexican

Congress around December 1, and departed immediately for Saltillo, which served as the rendezvous point for an army of some 6,000. He dispatched a large force under General Jose Urrea to Matamoros, with orders to move up the Texas coast. He himself with the main army, left for Bexar on February 1, by way of Monclova. He reached Guerrero on February 12 and paused there to regroup.

While at Guerrero, he announced his war aims to his associates. He will execute the leaders of the revolution against him, drive out of Texas all who have taken part in the war, and even those who have not, if they are Anglo-Americans. He will seize the property of Texans and nullify their land titles to defray the cost of his campaign. He will liberate all slaves in Texas. The best Texas lands will be offered to his officers and soldiers who wish to settle there. The remaining land he will sell at about \$1 per acre, but none to Anglo-Americans. French and English settlers will be permitted to buy a maximum of 5,000,000 acres each, and German settlers a bit more. There will be no limit on the amount sold to those speaking the Spanish language.

The Mexican troops then set out

No segment of the economy has ever been challenged to change so fast and so completely as has the new agriculture.

Never in American history have so many innovations been adopted in such a short time.

When these changes have required capital, your Federal Land Bank Association has been a primary source of funds. We recognize the inevitability of change - except in the importance of the man and the land. We also believe that a free agriculture - based on the family farm - will continue to flourish in any new environment.

Langan. Laura Wolfe, right, is a sophomore with two years of varsity experience, two years in band, two years of track, and is an honor student. "Her style of play and hustle has helped our team this year and I really look forward to having her back next year," said Coach Langan.

Happy stops Farwell's hopes

The Farwell Steers were defeated by Happy, 55-54, Monday night at Wayland Baptist College gym in Plainview.

The game was a tie-breaker to decide who would enter the state basketball playoffs. Happy, Farwell and Lazbuddie had tied for second in district. Last Friday, Happy beat Lazbuddie, setting up the Farwell match.

Farwell ended its season at 10-18 and 4-4 in district.

The main problem that faced Farwell was Happy's 6'7" center. He was guarded by up to three players at a time but still ended up scoring about half of Happy's points.

The game opened with Happy jumping into a 6-0 lead, with the center scoring all 6 points. Farwell came back behind two Jody Ketcherside jump shots, narrowing the margin to 8-6. Good outside shooting kept Farwell close as the first quarter ended with Happy ahead, 12-9.

The teams began trading baskets in the second quarter, as David Woods and Ron Perales both scored twice for Farwell. With 2:52 left in the half, Happy's center was benched after getting his third foul; Farwell was behind 19-17 at the time.

After Happy scored again, Ketcherside hit two more baskets to tie the game at 21-all with 1:32 left. Another bucket by Perales and a pair of free throws allowed Farwell to go into the half leading 25-21. In the third quarter, Happy went into a zone in order to protect its center. Happy re-tied the game at 4:54 at 29-all. Farwell lost its lead at the end of the quarter when Happy's center scored on a turnaround jumper, 41-39.

Good outside shooting kept Farwell close as the game was tied again at 41-all, 43-all and 47-all. A basket by Danny Rubio gave Farwell a 49-47 lead and a free throw by Jeff Atkinson increased it to 50-47 with just over two minutes left.

But Farwell was plagued by foul trouble and Happy got many chances at the free throw line. Four Farwell players ended with 4 fouls each and Ketcherside fouled out.

At 2:04, Atkinson took a 51-50 lead and increased it to 53-50. Woods hit a shot making the score 53-52. With 31 seconds left, Perales banged one in to give Farwell a 54-53 lead. Then with 15 seconds remaining, Happy's center struck again, giving his team the victory.

Scoring for Farwell were Ketcherside, 17; Woods, 14; Perales, 11; Rubio, 7; Atkinson, 3 and Kevin Owen with 2.

"I thought it might be one of our better games of the year. Our kids played very hard. Happy's 6'7" center hurt us underneath. We were not able to deny him the ball. Ketcherside had one of his better nights of shooting. Woods and Perales played well on the floor and Rubio played well on the boards," said Coach Larry Gregory.

"You hate to lose any game. The boys don't feel too bad the way they lost. We had an opportunity to win the game. Probably the difference

was the free throw shooting: 6 for 13 for us and 15 for 27 for Happy. I was pleased with the kids' improvement during the year. The disappointment was our record. We played better than our record showed.

"Thanks to all the people that supported us. The kids appreciated all the support. It takes that type of support for a winning team. I feel we have a strong group returning next year. I'm looking forward to next season."

Farwell Convalescent Center Chit Chat

The table was covered with a red tablecloth overlaid with white lace. The center held a big red heart. On one end was a large punch bowl filled with cranberry red punch, the other with every assorted cookie you can imagine.

By 2:30 the lobby began to fill and we were eagerly awaiting the Ladies Auxiliary to announce Happy Valentines Day!

After cookies and punch, Valentines were passed out. There were so many for every resident. Expressions of love to someone special were read and shared by many.

As one lady said, "The Ladies Auxiliary sure know how to give a nice party!"

We would like to share with you each month our Birthday People.

This month they are Cora Lunsford, 7th; Eula Newton, 12th; Fairy Stovall, 14th; Grace Butts, 24th; Fanny Stovall, 27th. Happy Birthday! Each many happy returns!

Basketball Action!!!

Meet the Wolverines

Three Texico basketball players were chosen. From left, Twilla Longo is a 5'11" sophomore and plays post. "She has an exceptional jump shot inside. She can be as good as she wants to be," said Coach Roy King. She is the daughter of Mr. and Mrs. Jerry Cunningham. Steve Loera, is a 6' junior. "Loera is a great competitor for the basketball team. He has the ability to play

inside as well as on the wing. He is a ballhawk defensively which adds to his all around play," said Coach Borde Williams. Robin Pierce is a 5'7" sophomore. She plays wing position. "She is a tremendous outside shooter. A real asset against the zone," said Coach King. She is the daughter of Mr. and Mrs. Dewey Pierce.

Texico girls win 2 of 3

The Texico varsity basketball girls defeated Elida 57-35, Feb. 11. Scoring for Texico were Kelly Lynn, 22 points, 8 rebounds and 2 steals; Coy Jo Burk, 8 points, 8 rebounds, 2 steals and 10 assists; Loretta Gonzales, 12 points, 1 rebound, 2 steals and 6 assists; Lucia Jesko, 2 points, 5 rebounds, 1 steal and 2 assists; Twilla Longo, 6 points, 8 rebounds, 3 steals and 1 assist; Geneva Garcia, 4 points, 1 rebound and 1 steal; Robin Pierce, 1 point, 3 rebounds, 1 steal and 4 assists; and Andria Chadwick, 2 points and 3 rebounds.

"It was a big win for us. Elida has been playing well lately. Our outside shooting has really improved," said Coach Roy King.

Texico defeated Dora 50-41 Feb. 14 at Dora.

Scoring for Texico were Burk, 2 points, 7 rebounds, 2 steals and 8 assists; Gonzales, 12 points, 4 rebounds, 4 steals and 6 assists; Jesko, 6 points, 4 rebounds, 1 steal and 7 assists; Longo, 24 points, 6 rebounds and 4 steals; Liggins, 6 points, 12 rebounds and 5 steals.

"I thought everyone took up the slack with Kelly Lynn out with a virus. Longo played a great game inside. Jesko and Gonzales also made big outside shots," said King. Texico lost to Tatum 53-49 Feb. 18.

Scoring for Texico were Lynn, 18 points, 5 rebounds and 2 steals; Burk, 4 points, 2 rebounds, 3 steals and 1 assist; Gonzales, 4 points, 2 rebounds, 8 steals and 10 assists; Jesko, 6 points, 2 steals and 8 assists; Longo, 15 points, 8 rebounds and 2 steals; and Liggins with 2

points. "We threw the ball away too much in crucial situations. If we are to progress farther than district next week we have to do this better. We have to do a better job on defense against the fast break. We are allowing too many easy baskets, but I was proud of the girls' effort. No one loses the ball or misses a shot on purpose. We could have quit when we were down 12 points with 3:50 to go. But we didn't; we fought back and had a good chance to win the game," said King.

Texico's record is 14-7 overall. The district race standings are: Melrose, 7-2; Texico, 6-3; Elida, 6-3; and Tatum, 5-4.

"We have our backs to the wall. The game Feb. 21 against Melrose is important in the sense that if we win we can get a possible 3 way tie between Melrose, Texico and Elida, provided that Elida beats Dora," said King.

Scout Sunday conducted

Sunday, Feb. 2, was Scout Sunday at Hamlin Memorial United Methodist Church.

Scouts from Farwell and Texico Troop 200 and Cub Scout Pack 213 were honored along with their leaders.

Rev. Steve Stephens preached a sermon on "Following the Eagle," or the ways scouting and religious instruction supplement each other.

The service was timed in conjunction with the 76th anniversary of Boy Scouts of America.

Texico wins 3 in a row

The Texico varsity basketball boys defeated Tatum 66-55 Feb. 18 at home.

Scoring for Texico were Marlin Carpenter, 30; Mark Meeks, 19; Jim Thornton, 8; John Thomas, 5; and David Loera and Stan Cross with 2 each.

"It was a great win. We handled their press and just beat them inside. We hit our free throws. That was the key to the game, said Coach Borde Williams.

Texico's record is 8-11 overall and 5-4 in district. Texico is in third place, Tatum in second and Floyd in first.

Texico defeated Elida Feb. 11, 38-36.

"Neither team played well the first half and it was 24-10 in Elida's favor. We came out in the third quarter and Stan Cross hit outside shots which opened up the inside game. We also pressed the fourth quarter which was the key to the win. I credit the play of John Thomas, Stan Cross and Loera," said Coach Borde Williams.

Scoring for Texico were Cross, 11; Mark Meeks, 8; Thomas, 6; Loera, 5; and Eric Harding and Marlin Carpenter each with 4.

On Feb. 14 Texico defeated Dora 52-40.

Scoring for Texico were Carpenter, 15; Jim Thornton, 10; Meeks, 8; Eric Harding, 7; Thomas, 6; Cross, 4; and Loera, with 2.

"We were very patient on offense and we hit our free throws. We played a good team game. Everyone that played contributed to the win," said Williams.

Flag project under way

For the second annual year, the Texico-Farwell Lions Club began its flag project Monday.

Each year, on nine patriotic holidays, the club puts up American flags at Texico-Farwell residences and businesses which participate. Monday was Washington's Birthday.

In addition to last year's participants, another 10 businesses and individuals signed up for the project this year. The cost is \$30. The club buys the flags and poles, puts up the

flag in the mornings and takes it down at night. If the flag tears or is lost, the club replaces it at no charge.

Any Texico-Farwell business or individual who would like to sign up for the 1986 program is asked to call Hal Helton at Helton Oil, 481-3222.
