**The Latest**

**Singin' In the rain!**  
Lately, instead of waking up to the usual 100 degree sunshine, all of the local communities have been woken by the pitter patter of soft rain. Who would have ever guessed it was summer?

As we all know, the communities of Farwell, Texico and Bovina have not always had the wettest summers. Drought has seemed to plague our

area, but it recently seems to be changing.

Farwell received 1.1 inches the past few days, according to Mike Pomper's gauge.

Walter Curd in Texico recorded as having 1.95 inches of moisture since last Wednesday.

Bovina's Bonnie Scaff called in with 1.3 inches of rain.

The Border Town Days Committee will meet

Monday at 7:30 p.m. at the Texico Fire Hall.

This is the committee's most important meeting of the year as much of the pre-BTD work is done in June.

All are invited.

The Vacation Bible Schools art starting.

St. John Lutheran Church at Lariat will have VBS from June 6 to 10, from 9 a.m. to noon.

The First Baptist Church of Farwell will have VBS on June 5, 5 to 8 p.m.; and

on June 6, 7 and 8 from 10 a.m. to 1 p.m. Lunch is included June 6-8.

In last week's Tribune, a list of members of the Pleasant Hill Women's Club was given.

Two names should be added: Frances Webb and Wilma Whitener.

On the spring semester Dean's Honor Roll at ENMU from Farwell were Anna Soto, elementary education, and Christopher Taylor.

### A piece of history

A piece of Farwell history is being torn down. The former Kemp Lumber Co. building on First Street off Avenue A is being demolished. Kemp was Farwell's first business. The building was used for the past many years for just storage and had fallen into disrepair.

### Have you made a wish?

Well, if the Three Wishes TV program does come to the Twin Cities, it will be a blast.

I've spoken to the show's producer several times. We have given her several suggestions on deserving folks. And we sent a bunch of photos of our towns that they needed before making a decision on whether to come here.

I hope some of you folks have taken the time to send the show a note either recommending yourself or a neighbor.

At first, I thought the show only granted 3 wishes. I was wrong.

The producer explained to me that they grant 3 major wishes alongside many others. In fact, they would set up a "wish tent" for folks to give their suggestions.

And any folks or communities in our area qualify, from Muleshoe and Bovina to Clovis.

If you know of a community project that could need help, you ought to send in the suggestion. You have nothing to lose.

What cracks me up is knowing the number of folks who spend tons of money on lotteries, with the chances stacked against them bigtime. But here you are offered a chance to have a wish granted, with pretty decent odds, and you won't take the time to offer a suggestion.

That's the way people are...

And I need to make one thing clear: if the TV show

doesn't receive many suggestions for wishes, they will not come here.

So you might want to take a minute to contact them: call 818-566-6803 or e-mail [tracig@glassman-media.com](mailto:tracig@glassman-media.com).

I'd like to welcome Danielle Cargile as our summer intern this year. She started her job on Monday.

She joins an illustrious group of youths that we hire each summer. Last year, it was Tori Bradley, and Leesa Patterson before her.

I would mention them all except that I can never remember the name of this one Texico High boy who interned two summers several years ago. He had real frizzy hair, but his name escapes me.

I do remember that our first intern was Rachel Embrey, who did a super job and "set the bar" for all interns who came after her.

I know the pro basketball playoffs are in the thick of things, but I don't follow it anymore.

What I am looking forward to is the NFL season. I believe the Dallas Cowboys will be much improved and will have a whale of a season.

I'm especially interested in seeing how their rookie defensive ends size up.

During the Cowboys' glory years, much was made of "The Triplets" -- Emmett Smith, Michael Irvin and Troy Aikman.

Well, I felt that a 4th player should have been part of that -- Charles Haley, the defensive end who put great pressure on opposing QBs all during his playing days, first with San Francisco, then with Dallas.

If a team doesn't have a good rushing defensive end, I don't give it a lot of hope to make the Super Bowl. And since Haley retired, the Cowboys

haven't had an adequate replacement to pressure the QB.

Yes, Greg Ellis is a decent defensive end, but not up to the caliber of a Haley.

One of things that always surprises me is about the lack of response to our annual offer to run free classified ads for youths looking for work in the summer.

This year, we got one so far.

And our policy is open to all youths in Texico, Farwell, Bovina and Lazbuddie communities.

This year's lack of response is normal. Always amazes me.

A new addition to Border Town Days this year:

A mobile dairy classroom.

From Rob Pomper: Six months ago, I wrote that our national legislators had finally gotten something right.

My story was about a new program that allows anyone in America to check their credit scores.

This is about as important as it gets. There are three main reporting agencies in America -- Equifax, Experian and TransUnion. Their information controls many different things in your life, starting with your credit score.

Some of the things that they keep track of at these places include how much debt you normally carry, how many days in between payments, and what accounts you have open in your name.

For example, did you apply for a Sears card in 1985? It might still be open on your account.

But more importantly, there are two other reasons to check it out. First, did someone open an account in your name, or second, was there a mistake made that put something on your credit.

Don't forget, when you apply for most things, you write out your information and it is transferred by someone else into a computer. It doesn't take too much to make a mess of things.

If your social security number is typed in slightly wrong, or your drivers license, you can suddenly be someone new.

How many times has this happened? The better question is how many times has this happened today?

Every day, mistakes like this happen, and good people are suddenly accountable for other people's bad judgment.

The biggest problem is that the only time the average person looks at their credit reports is when they really need it. When you are looking to buy a car and they tell you 'no', you have a lot of work in front of you before you can clear your name.

Back in December, Americans west of Texas got the opportunity to check their credit scores one time per year for free. And if the government gives you something for free, then its best to take advantage of it.

Well, as of June 1st, Texans can take advantage of the program, too.

There are two ways you can get in touch with them, and like I said, this is a government program, they aren't going to sell you anything, and there are no fees.

The phone number is

toll free (877) 322-8228, or you can apply on-line at [www.annualcreditreport.com](http://www.annualcreditreport.com).

You can only apply one time per year, but all it takes is one mistake to make you look bad.

# Muleshoe Coop Gin

Muleshoe Coop Gin wishes to invite its customers to the 52nd annual meeting at 7:00 p.m. on Thursday, June 9, 2005 at the Muleshoe High School cafeteria.

The agenda includes a meal, the business meeting, door prizes and the distribution of dividend checks.

In commemorating its 52 years of service to Muleshoe and the surrounding area, Muleshoe Co-Op Gin is very proud to offer a state-of-the-art facility designed specifically for efficiency and the highest quality ginning available in West Texas.

Muleshoe Co-Op Gin strives to give its customer-owners the best value for their ginning dollar. When choosing a gin, customers should examine up-front seed prices, ginning costs and cotton grades. Sometimes better cotton grades can mean a difference in excess of \$20.00 per bale. With quality in mind, we endeavor to gin our customers' cotton as soon as possible after it is harvested to eliminate any possible deterioration that could occur from modules being left in the fields for a prolonged period of time.

We would like to thank our loyal customers for their continued patronage, welcome all our new customers and wish everyone a successful growing season.

**Letter to the Editor**

Dear Editor,

In response to Terrie Walthers' letter: I thought Texico's graduation was quite nice. I am sorry that Shaun and his family weren't able to enjoy it. He had told me how much he wanted to come back to Texico to graduate.

**Obituaries**

**Maria Bautista**

Services for Maria Francisca Bautista, 66, of Farwell, were May 27 at the Temple Of Adoration Church in Friona with Rev. Ruben Rivera officiating. Burial will be in Friona Cemetery by Blackwell Funeral Home. She died May 23 at Covenant Medical Center in Lubbock.

A Farwell resident for the past 5 years, she came from Friona where she had lived for the 38 years.

She married Juan R. Bautista, Sr. on Aug. 7, 1956 in Los Fresnos, Texas. She was a homemaker.

Paul bearers were Frankie Bautista, Pedro Bautista, Larry Bautista, Juanito, Isidoro Trevino, and Hugo Caballero.

Surviving are her husband; 5 sons: Juan Jr., of Idalou, Texas; Pedro, of Amarillo; Larry, of Los Fresnos, and Juanito and Frankie both of Farwell; 4 daughters: Rosa Chavez of Farwell; Maria Chavez of Amarillo; Annabell Bautista of Muleshoe; and Gracie Ortega of Dallas; 3 sisters, Teresa Cilladas of Austin, Juana Herrera and Eladaia Bautista both of Los Fresnos; 2 brothers: Natividad and Isidoro Saldania, both of Los Fresnos, 25 grandchildren and 14 great grandchildren.

**Sawnie Branscum**

Services for Sawnie Branscum, 60, of Muleshoe, will be at 11 a.m. on June 2 at the Trinity Christian Fellowship Church with Rev. Reydon Stanford officiating.

Burial will be in Bailey County Cemetery. Ellis Funeral Home handled the arrangements.

He died Tuesday in Muleshoe. He was born Jan. 11, 1945, in Amherst. He married Cathy McCormick in Muleshoe Nov. 24, 2000.

He was preceded in death by a sister, Ardis Branscum, in 1948.

Surviving are his wife; 3 sons, Scott Branscum and Preston Gable, both of Muleshoe, and Shawn Branscum, of Dilly, Texas; 4 daughters, Sawnya Bullock, of Lazbuddie; Angela Morris and Leesa Gable, of Muleshoe, and Diana Gable, of Lubbock; a sister, Jane Meyer, of Missouri City, Texas; 2 brothers, Lexie, of Earth, and Burl, of Muleshoe, and 17 grandchildren.

Memorials may be made to Hospice of Lubbock, PO Box 16800, Lubbock TX 79490.

I agree with her on some of the points she made, with each one having an explanation. I too, saw many of the same faces again and again in the slide show, with my daughter being one of them. Where do you think they got those pictures? For months at school during the morning announcements and again at every class meeting, the seniors were urged to bring pictures for the slide show. For those who responded, their pictures were used; and for those who brought no pictures, they were seen fewer times in the slide show. The three boys who worked hard to put together a wonderful presentation should be commended for including all the classmates they could - using all the pictures they were given!

I, too, heard only a few of the student's names used in the valedictorian's speech. If that had been a Class History or a Class Prophecy, all the students' names would've been used, as is customary. However, the speech was written personally by a student who worked hard for four years to get that privilege, and he was including experiences about students that he could relate to, and using those stories to emphasize aspects of his speech.

As for Mr. Little's mistake with Shaun Walthers' name, not only was it unintentional, but also very embarrassing for Mr. Little, and very human. We all do that! I've had Farwell people ask me about Mrs. Walthers' letter, and say they were sitting at the top on the home side of the gym and heard Mr. Little's corrections of their son's name loud and clear.

The Texico School system does not consider any students "throw away" students. They are all individuals, unique in their own way, and they are all very special!

I was very proud of the graduation ceremony and all the students who graduated. We should take great pride in the fact that we live in a country of freedoms; and even though it's sometimes beneficial and sometimes detrimental, one of those is the freedom of speech.

Cindy Littlejohn

### Bovina Banter

Tammy Knoll  
251-1333

Hello, my name is Tammy Knoll and I will be writing about Bovina and its' happenings in this newspaper. Let me tell you a little bit about myself and then we will get on with the news!

My family, consisting of my husband, Mike, and our four children (Johanna, Robert, Matt, and Stefon) moved to Bovina from Kansas in 2003. Believe it or not, Bovina is bigger than where we were in Kansas!

We received such a warm welcome from the citizens of Bovina that both Mike and I felt like we had come home. We do not have any family here, but the friends we have made are like family to us.

Mike is the Operations Manager at Millard's of Friona and I am currently employed by Bovina Community Network. I also substitute at the high school.

All four of our children are actively involved in the Bovina School System and its' various activities.

If you have any news for the paper - i.e. births, church news, upcoming events, etc. you can reach me at BCN, 251-1333 or come by the office, 804 Boyce, and tell me in person!
