Farwell ranked No. 1 in state

For perhaps the first time in history, the Farwell Steers basketball team is ranked No. 1 in its class in the state of Texas.

The Steers, 16-1, are listed first in this week's Lubbock newspaper, in the opening Texas Association of Basketball Coaches - Lubbock Avalanche Journal weekly high school basketball poll.

Abernathy, 14-4, which is in Farwell's district, is ranked 5th among the state's Class 2A schools. There were no other area teams listed.

Edgewood, last year's state champs that defeated Farwell in overtime in the state semi-final, is listed 4th with a 14-3 record. Haskell, which lost to Farwell in the regional title match, is listed 8th with a 17-1 mark.

Interestingly, even though Farwell is ranked No. 1 in the state, some feel that the Steers are going to have to fight like the dickens just to earn a playoff berth due to a tough district this year. Abernathy and Hale Center are expected to field outstanding teams, too.

Farwell United Drug reached a landmark this week. Only in their 4th year of operation, pharmacist Steve Breckenridge reported that they filled their 30,000th new prescription Monday.

Speaking of landmarks, the Texico-Farwell Lions Club is planning a special Charter Night in honor of the 40th anniversary of the club here.

The special dinner meeting will be at 8 p.m. CDT March 12 at the Spur Restaurant.

To make a reservation, persons are asked to send their RSVPs to: Texico-Farwell Lions Club, Box 675, Texico, N.M. 88135. The deadline is Feb. 26. John Getz is in charge of making the arrangements.

All former Texico-Farwell Lions Club members and their spouses are urged to attend this special evening, which will feature a lot of reminiscing and a look back at the club over the four decades.

We enjoyed seeing Farwell's Shandra McIntosh featured in this month's ENMR Telephone newsletter in the "Meet an Employee" column. Shandra is the service representative at the Farwell office where she takes payments, service orders, assists with billing questions and maintains the office.

One thing has surprised me the past few years and that's the lack of motivation by our high school band students to take advantage of the annual free trips to the Lions Conventions.

All I know is that if I could play a musical instrument and someone offered me a free week's trip to places like Miami and San Francisco, I'd run, not walk.

As background, each year the Texico-Farwell Lions Club offers free trips to the annual convention (it will be in St. Louis this summer) to one band student from Texico High and to one band student from Farwell High.

All the student has to do is sign up for preparation in July with the New Mexico Lions Club Band (another free trip), then the trip to the national convention.

Would you believe that no Texico students have signed up the past four years? And that only one Farwell student the past two?

That amazes me.

Admiring the newly refurbished Loving Cup is James Hassler Strickland of Lubbock. He was the recipient of the Loving Cup in 1934.

Loving Cup restored

Each year since 1928, the faculty of Farwell High School has chosen a senior that they consider the best all-around student to receive the Loving Cup.

The cup has recently been restored to its original state through donations of former recipients.

When Lamoin Williams went to Lubbock recently to pick up the refinished cup, she showed it to James Hassler Strickland. She found him at work at the First Baptist Church of Lubbock where he is administrator of the counseling department.

Strickland attended school in Farwell all but two of the years from first grade through high school. His father was a Baptist minister in this area for many years. During the two years that Strickland was not in Farwell schools he attended Muleshoe and

Texico schools.

Strickland was the valedictorian of the Farwell High School Class of 1934. Grades are not the only criteria used in determining the Loving Cup recipient, but they are an important part of the award.

After graduation from Farwell High School, Strickland earned his bachelor's degree at Texas Tech. He moved to Roswell where he was employed by the Social Security Administration until his retirement. By this time, he and his wife had raised their family and he felt called to the ministry.

Strickland later went back to Texas Tech University where he earned his doctorate in 1981.

It has been 55 years since Strickland was awarded the Loving Cup, but it is still important to him as it is to all its recipients.

Farwell Livestock Show on tap

The 22nd annual Farwell FFA - 4H Livestock Show will be held at the Farwell Community Center on Saturday.

Animals will be checked in before 11 a.m. The show begins at 1:30 p.m.

Seth Ralston will judge this year's show. Willie Roberts will announce the entries.

According to Farwell agriculture teacher Richard Montgomery, there will be about 22 lambs and 40 - 50 barrows shown this year.

Trophies will be given to the Grand and Reserve Champion hog and lamb. Showmanship trophies will be awarded to the youths who do the best job of showing their hogs and sheep. Ribbons will be awarded to class winners.

The 4-H Club will sponsor a snack bar during the show.

The parents and committee members started setting up the community center for the show on Wednesday. They

had to cover the floor with peanut hulls and set up pens. They will also help clean up after the show on Saturday.

"It's really a big job to have this show, but if everybody takes care of his own part it all gets done," said Montgomery.

The local show gives Farwell students experience before they go on to the county show or to big livestock shows.

This year, the county show will be held in Friona on Jan. 29 - Feb. 1. There will also be stock shows in Hereford Jan. 23-25; El Paso, Feb. 3-6; San Antonio, Feb. 7-16; Houston, Feb. 23 - March 2; and San Angelo March 6-10.

Sometimes an animal that may not be of prime weight and development for our local show will win at one of the big shows. The showmanship experience gained locally will be of importance to the animal's owner.

No one files for Texico mayor

Only three persons signed up for Texico city governmental positions Tuesday - all three incumbent councilmen.

Butch Sharp and Doyal LaRue signed up for re-election to the council. And Oran Jay Autrey, who was appointed to the council last year when Steve Chancy moved up to the mayoral post, also is seeking a return to the council.

Chancy, as announced, did not file for re-election as mayor. In fact, no one signed up for the mayoral post.

However, persons can file as write-in candidates at City Hall on Jan. 23 for the mayoral post or the council positions. These persons will not have their names listed on the ballot but can win election if persons write their names in.

It also means this: If any Texico certified voter files

Jan. 23 as a write-in candidate for mayor, and just gets one vote, that person becomes mayor.

If no one files for mayor Jan. 23, then when the new council takes over in March they will pick a mayor from their own ranks.

Miller named to tournament All-Star team

Molly Miller of Farwell and Mia Jennings, Stacie Hodges, and Michael Williams of Lazbuddie were named to the All Tournament teams at the Lazbuddie Tournament that was held over the Christmas vacation.

Farwell Schools okay cutbacks

The Farwell School Board Tuesday voted to enact a reduction in force and budget cuts during 1990.

The cuts are needed due to a reduction in state funding, tax collection rate, and decline in school enrollment.

The administrative officer position held by Gwen Corn was cut to halftime as of Feb. 1, and it will be eliminated as of June 30.

The school counselor's position held by Carol Sullivan will also be cut to halftime beginning Feb. 1.

Mrs. Corn and Mrs. Sullivan will be offered a chance to take any fulltime position which becomes available for which they are certified before it is offered to anyone else.

The school system also voted to reduce the budget by \$58,179 through immediate line item budget cuts.

They also voted the administrators participating in the Texas School Improvement Initiative would not be reimbursed by the school system for travel. They would have to pay out of their own pockets to participate in the program which evaluates schools.

The board also: - Approved the district audit as presented by De'Aun Willoughby.

- Approved a request from a Farwell resident to use school room for Family Anonymous meetings. Family Anonymous is a support group based upon the philosophy of Alcoholics Anonymous for families of chemical abusers (alcohol, cigarettes, or drugs) and people with emotional problems.

- Heard Supt. John Grigsby report that the buildings in which new windows had been installed this year had utility bills totaling \$600 less than last year at the same time.

- Taste tested a new fruit slush drink which will be offered in the school cafeteria.

Bands slated to play at concert

Two or three bands will perform at the Country and Western Show scheduled Jan. 20, reports Farwell Chamber Executive Secretary Dutch Quickel.

The show is being sponsored by the Chamber of Commerce. It begins at 8 p.m. at Farwell High School auditorium.

Admission is \$2. Tickets are available from Quickel, most Chamber directors, and at the State Line Tribune. Tickets also are available at the door.

So far, Quickel said, two bands are confirmed: the "We Three," featuring Ed and Juanita Hardage and Truman Welch, and "The Bordertown Four," featuring Fred Chandler, Donald Clark, and Turner Paine and his daughter.

Quickel said he hopes that one more band will be able to perform, too.

"This is going to be a heckuva good show," said Quickel. "We hope a lot of folks come out and enjoy it."

Clara Gast to be honored

There will be a benefit luncheon in honor of Clara Gast on Jan. 23 at Preston Cargile's farm, located on the north side of highway 60 just west of Lariat.

Mrs. Gast was hospitalized about 2 years ago. While she was in the hospital, paralysis set in and she spent many more weeks in the hospital than she had intended to spend. Even after months of painful therapy, she still needs nursing care.

The ladies of St. John Lutheran Church in Lariat will operate the snack bar at the Cargile farm during their farm sale. They plan to serve such items as: barbecue sandwiches, ham and

cheese sandwiches, chips, pies, and beverages. The proceeds from the snack bar will go to help Clara Gast.

The ladies from St. John's hope the farm sale will draw people from all over the area who know Smokey and Clara Gast.

They have also opened an account at Security State Bank to help the Gasts.

"Smokey and Clara didn't want help as long as insurance covered everything, but now they could use some help," said Carla Kaltwasser. Anyone who needs more information about the fund raising effort should contact Mrs. Kaltwasser.

Letter To The Editor

'All laws should be enforced'

Dear Mr. Pomper:
I am always intrigued by what one can learn when one reads the newspaper. I am referring this time to the article in the Jan. 5 issue of the Tribune in which Parmer County Sheriff Rex Williams had decided to enforce the law in Parmer County and quotes one specific law. This decision was apparently made at the request of a Special Interest Group (Farwell School Board).
Am I to infer from this article that the sheriff is only going to enforce certain laws as requested by Special Interest Groups? If so, perhaps the sheriff could, in some future issue of the newspaper, inform the citizens of Parmer County which laws he is going to enforce and which laws he is not going to enforce so we will be able to govern our lives and actions accordingly.
As a parenthetical note, I was of the opinion that the sheriff was to enforce all of the laws of the state of Texas as required by Art. 2.17 of the Code of Criminal Procedure and I quote, "Each sheriff shall be a conservator of the peace in his county

and shall arrest all offenders against the laws of the state, in his view or hearing, and take them before the proper court for examination or trial. he shall quell and suppress all assaults and batteries, affrays, insurrections and unlawful assemblies. He shall apprehend and commit to jail all offenders until an examination or trial can be held."
Thank you for letting me air this view in your public forum. I remain,
John Armstrong

Chamber seeks help for 2nd 'work day'

The Texico Chamber of Commerce will sponsor another work day Jan. 13 to work on the Texico Community Center renovations. They will begin work at 8 a.m. MST.
"All help will be appreciated," said chamber secretary Ann Cooper.
The Chamber ladies will again serve lunch to the workers. Recently Mrs. Cooper, Maureen Caywood, Charlotte Pierce, Fern Sharp, and Glenda Mosier have been among those helping with the lunches. The lunches make the work seem like a social event.

Last Saturday volunteers framed out a closet and put up all of the stripping to hold the patterned wallboard to the walls. This weekend they hope to install the wallboard and paint the kitchen and bathroom. At a later date the Chamber hopes to purchase floor covering and install it.
"It should be real pretty when it's all done," said Mrs. Cooper.
"It's such a nice improvement," added Mrs. Mosier.

Steers win district opener over Hart

The Farwell Steers won their first district game by beating Hart 71-57 at Hart on Tuesday night.

"We didn't play very well - just well enough to win," said coach Larry Gregory.

Scoring were: Shawn Stewart, 28; Monty Delgado, 15; Greg Actkinson, 10; Adrian Smith, 6; Darren Haseloff, 4; Shannon Pool, 3; Chad Byrd, 2; Sammy Herrera, 1.

Delgado led the rebounding with 14; Stewart had 13.

"The big game will be here on Friday night," said Gregory. "Abernathy is ranked fifth in the state with a 17-4 record. They've beaten some very good people, real quality teams. They are much better than their record shows."

The victory against Hart brought the Steers to a 16-1 overall record and a 1-0 district record.

The Farwell Steers stopped Dimmitt, a 3A school, in its tracks last Friday, 61-50.

The game opened with Dimmitt, 17-5 and ranked highly in the area, maintaining an edge of 5 or 6

points. The Bobcats exhibited great quickness and movement, and based their offense around their guard play.

A crucial time came with 5 minutes left in the second

quarter. Farwell was down by 6 points when Greg Actkinson picked up his third foul and had to go to the bench.

Even without their star center, the Steers narrowed the margin and went into the halftime behind by 2 points.

The game was close throughout the third quarter until the Steers broke it open in the final stanza when Dimmitt's hot shooting guards cooled off.

Scoring included: Monty Delgado, 19; Shawn Stewart, 15; Greg Actkinson, 11; Chad Byrd, 10; Michael Lovett, 5; Darren Haseloff, 1.

"We played good defense. It was good to win against a quality team like Dimmitt," said coach Larry Gregory.

"The next 10 games are the ones that really count. Everybody will be tough at their own place. We've got to play good every game from here on out. We'll be lucky to get in the playoffs. We are in a very tough district. Between us, Abernathy, Hale Center, and Olton, the competition is really tough."

Farwell has a good team this year, but it is different than last year.

"Last year's team was a flashy team. They made those flashy three point shots. We are stronger in the paint this year than we were last year," said Gregory.

The Farwell Junior High 7th Grade basketball team includes: (front) Chansé Stephens, Jesse Chilton, Troy Chadwick, David Singer, Blaze Hardage, Michael Foster; (back) coach Kendale Devault, Reagan Williams, Michael Phillips, Pedro Ruiz, Jon Cunningham.

Varsity Girls

The Farwell Steerettes lost to Hart 69-52 Tuesday.

The teams played even ball the first quarter. Both teams ended the quarter with 16 points.

"It was the five points that they gained on us in the second quarter that killed us," said coach Fred Libby.

"We didn't play too bad over all, but we've got to shoot our free throws better," he added.

Scoring were: Amy Murray, 21; Molly Miller, 14; Leslie Monk, 8; April Stout, 7; Lisa Gerles, 1.

The Steerettes have a 5-14 overall record, and a 0-1 district record.

The Steerettes were defeated by Dimmitt 94-37. Dimmitt had five players score in double figures, and one of their girls scored 20 points in this game.

Scoring for Farwell were: Amy Murray and Molly Miller, 8 each; April Haseloff, 7; Misty Stewart, 6; Leslie Monk and Lena Ortiz, 4 each.

"We had a good first half, and then we lost our composure the second half," said coach Fred Libby.

JV Boys

The Farwell JV boys beat Hart 62-45 on Tuesday night.

Scoring were: Brady Pool, 13; Cody Monk, 12; Troy Cunningham and Marcus Sullivan, 9 each; Kirk Fly, 7; Matt Foster, Kade Kent, 6 each.

"They played well," said coach Rex Cumpton. "They did a good job pressing and moving the ball up and down the floor," he added.

The Farwell JV lost to Dimmitt JV 65-43.

Scoring were: Cody Monk, 16; Brady Pool, Matt Foster, and Troy Cunningham, 8 each; Kirk Fly, 3.

JH Girls

Farwell Junior High girls won both of their games against Abernathy this week.

The 7th grade won, 28-16.

"We made a super comeback after the Texico game. We played like we knew what we were doing. We pressed well, and we didn't get beat on the fast break," said coach Patsy Camp.

Scoring were: Melanie Everett, 16; Chastity Gutierrez, 6; Nellie Soto, 4; Kelli King, 2.

Camp said Melissa Schwertner is one player who has really improved even though she did not score in this game. "Melissa rebounded, dribbled, and shot very well."

The girls are in first place in their district. The 8th grade beat Abernathy 35-23. The win was especially sweet because this was the same team that had beaten Farwell by 10 points earlier in the year.

"All the girls saw quite a bit of playing time," said Camp. "We played like we wanted the game; we passed well, shot, well and pressed well."

Scoring were: Amber Grigsby, 16; Melissa Everett, 7; Cathy King, 5; April Stout, 4; Lorrie Murray, 3.

The 8th grade is tied with Abernathy for 1st place in its district.

JV Girls

Farwell JV girls lost a heartbreaking 25-23 game to Hart Tuesday night.

"This was a double tough ball game," said coach Patsy Camp. "We started with 6 girls, and 2 fouled out. We played the last 3 minutes with only 4 girls."

Angela Cenicerros is sidelined with a bruised shoulder, but she should be back in play by Friday. Sharla Lingnau has had a jammed thumb.

"The girls never let down; they really played tough," said Camp.

Camp did have a few items for the girls to improve upon, "We missed some free throws, and made some bad passes."

Scoring were: Lena Ortiz, 14; Sharla Lingnau, 4; Shelly Bethel, 5.

"Kristy Stanton, Isela Mendoza, and Liz Galvan didn't score, but they played one whole of a game. Kristy was sick, and she probably shouldn't have even played. They did a super job," said coach Camp.

The Farwell JV Girls were overwhelmed by Dimmitt 70-15.

"We could have still been in the ball game during the first half if we had just made our free throws. We missed 18 in the first half, and some of them were one on one situations that would have really added up," said coach Patsy Camp.

By the end of the game, Farwell was down to 5 players because Angela Cenicerros injured her shoulder.

Scoring were: Katrina Stewart, Angela Cenicerros, and Shelley Bethel, 4 each, and Sharla Lingnau, 3.

Upcoming

The Farwell 7th grade goes to Sudan this week to play in the Sudan 7th Grade tournament. They will play at 7 p.m. on Jan. 11, and at 4 p.m. on Jan. 12.

The Farwell 9th grade teams will participate in a tournament in Olton on Jan. 20. The girls will play at 10 a.m., and the boys will play at 11:30 a.m.

JH Boys

Farwell 7th Grade Boys lost to Abernathy 41-24 on Monday.

Scoring were: Reagan Williams, 2; Jon Cunningham, 14; and Michael Foster, 8.

The 8th grade boys beat Abernathy 41-39.

Scoring were: Brent Harrison, 17; Lupe Garza, 10; Eric Delgado, 10; and Derrick Haseloff, 3.

9th Boys

The 9th grade lost to Abernathy 32-22 Monday.

Scoring were: Clint Austin, 8; Mark Chandler, 4; Eric Chadwick and Rob Pomper, 3 each; Dean Rubio and Jody Mahaney, 2.

The boys will participate in a 9th grade tournament in Olton on Jan. 20.

Junior High teams win first places

Farwell Junior High School Boys and Girls each earned first place trophies at the Lazbuddie Tournament last weekend.

"It was really good to win the tournament," said coach Kendale Devault.

The 8th Grade Yearling Boys defeated Dimmitt 53-43 in the first round. Scoring

were: Lupe Garza, 17; Eric Delgado, 15; Brent Harrison, 12; Derrick Haseloff, 7; and Jeremy Ortiz, 2.

In the second round, the Yearlings defeated Lazbuddie 35-28. Scoring were: Harrison, 17; Garza, 11; Haseloff, 6; and Delgado, 1.

Scoring for Lazbuddie were: C. Cozby, 14; B. Thomas, 8; M. Elliott, 3, and T. Gonzales, 2.

"The whole team did a good job," said coach Devault, "but, Harrison probably had the best overall tournament."

The Farwell 8th Grade girls also came home with a prize. "We are really proud of that

first place trophy," said coach Patsy Camp.

In the first round, Farwell defeated Lazbuddie 41-34.

Scorers were Amber Grigsby, 17; Jill Actkinson and Lorrie Murray, 8 each; Melissa Everett, 5; April Stout, 2; and Joann Anzaldua, 1.

Camp was pleased with the way the Yearling girls used the press in this game, and she praised Melanie Everett for stealing the ball several times.

Scoring for Lazbuddie were: Jarah Redwine, 20; Jessica Burch, 8; Trina Orozco, 3; Gina Jarman and Ivette Reyes, 2 each.

In the second round of play, Farwell defeated Muleshoe 34-13.

"All the girls saw a lot of playing time in this game," said Coach Camp. "We pressed effectively, and played overall good ball for the tournament."

Scoring were Grigsby, 14; Murray, 8; a Everett, 6; Actkinson and Cathy King, 3 each, and Stout, 2.

Schauf, Litzelman finish in Top 10

Two Texico students finished in the top 10 at the District FFA Creed Speaking Contest at Dora last week.

Brandon Schauf finished 5th in district and Mike Litzelman finished 6th, according to FFA advisor, Eddie West.

The FFA has several events on its calendar. They will

sponsor their annual FFA Hog Show on Feb. 17th at the Texico Vocational - Ag. building.

They will also participate in the annual FFA - FHA - Vocational Education Parents night. Parents of FFA members will find out how they would do if they had to do the same work their children do in FFA.

Fire departments to receive more funding

The Parmer County Commissioners voted Monday to increase its assistance to the four county volunteer fire departments and to base the aid on a population percentage basis (using scholastic figures).

Thus, this year the aid will be: Friona, \$13,000; Bovina, \$6,000; Farwell, \$6,000, and Lazbuddie, \$5,000.

The \$30,000 total is up from last year's \$16,000, when all four departments received \$4,000 apiece.

The commissioners also appointed an administrator and engineer for the Lazbuddie waste water project.

Several wells in Lazbuddie have been contaminated from sewage runoff, said County Judge Porter Roberts. So Lazbuddie was able to get a \$400,000 grant for a sewer along the highway and running past the school and churches.

The plans have been prepared and the Panhandle Regional Planning Commission, the project administrator, will start seeking easements.

The commissioners also:

- Approved a new tax on vehicles.
- Approved the plans for the proposed courthouse elevator. Bids will be opened Feb.

12. - Accepted the lowest of three bids for a car for the sheriff's department, from Friona Motors at \$13,000.

- Formally okayed the salary schedule that had been approved last year, granting 3 percent pay raises for county employees and 5 percent hikes for elected county officials.

- Approved the 1990 holiday schedule. The only big change was that county employees will get three days off for Christmas - Monday, Tuesday and Wednesday (Christmas falls on the Tuesday).

- Changed the meeting date in January from the 22nd to the 19th because of a county government seminar.

- Received word that the state has turned down the county's offer of \$500 to end the dispute over paying a penalty because the Lazbuddie dump site was kept open when it should not have been. The state wants \$2,500 and court costs.

Parmer County will now offer \$2,000 to settle the dispute. They noted that there haven't been any court costs incurred yet.

Class achieves 100% on test

Lazbuddie administrators report that their junior class achieved 100 percent of the exit level TEAMS test.

The test, Texas Educational Assessment of Minimum Skills, is a state mandatory exam given to determine whether or not Texas students are mastering basic minimum skills in math and English language arts.

The exit level TEAMS is given to juniors in October of each year. By law, a student must pass both the mathematics and English components of the test before he is awarded a high school diploma. If a junior fails the

test in October, he or she is given three chances to pass the exam before graduation the following year. However, all of the Lazbuddie juniors passed the October exam the first time.

Lazbuddie is one of very few schools in the state whose students achieved 100% mastery on both sections of the TEAMS. In fact, the preliminary results showed that only 77 % of the juniors statewide passed the test.

Lazbuddie administrators, Anne Farris, who is the elementary principal, high school counselor, and standardized test coordinator, and high school principal, Roy Will-

ingham, praised student and faculty efforts. "High academic achievement and quality instructional programs are some of our goals at Lazbuddie I.S.D., and 100% mastery on the TEAMS is evidence of strong commitment on the part of the faculty and students."

The school offers higher level mathematics, science, history, and English courses to high school students who wish to achieve honors credit. However, the emphasis on high academic achievement has a positive influence on all students on all levels. Writing

skills are taught very early in elementary school.

Lazbuddie's elementary and secondary teachers attend writing workshops each year, and TEAMS scores from elementary through high school have risen dramatically over the past four years. Lazbuddie's administrators credit the higher academic achievements to a dedicated faculty, goal-oriented students, and supportive parents, along with administrative efforts to cooperate with and surpass state goals for improving the quality of education in Texas schools.

Band shirts bought

The Texico School Board Tuesday voted to purchase 90 new shirts for the Wolverine Band.

In the past the band has had shirts with detachable gauntlets, gloves, and capes. Band Director Robert Simmons requested that the one-piece ready-made shirts be purchased because uniform pieces are often lost.

They also voted to renew Supt. James Pierce's contract for the next 2 years.

The board also voted to revise the wording on their Chapter 1 policy, and to

transfer funds to purchase student supplies for Chapter 1.

They also voted to transfer Chapter II funds to purchase instructional materials for the Quest program.

Pierce and some of the board members will attend the New Mexico Legislative session next week to lobby for the passage of some bills that they believe are important. One that they hope will pass the legislature is a bill which would allow the state to revoke the driver's license of an underage high school drop out.

Kolby and Courtney Carthel of Portales visited Mr. and Mrs. Don Williams of Farwell.

The Mack McFarland family from Crane, Texas visited Mr. and Mrs. John McFarland last weekend.

E. L. and Wilma Robinson enjoyed a Christmas visit from their son, Joe Robinson of Cleburne, Texas. Joe is doing well considering the fact that he had a serious car accident a few months back. He is well on his way to recovery in spite of the fact that he needs lots of rest.

A special "thank you" from the State Line Tribune to Melinda McGoon, who found a lost check on the street and returned it to us.

Farwell Junior High School students went Christmas caroling on the Tuesday evening before Christmas vacation. They made stops at the homes of several shut-ins. They also visited some retired teachers.

There will be an early dismissal for Farwell students on Jan. 18 so that parents may visit the schools and pick up the students' report cards. Parents of high school students should pick up the report cards from their child's 5A teacher.

Farwell Elementary students are participating in the annual Parmer County Soil and Water Conservation District's poster contest.

Students in grades kindergarten - 2 will color pictures about conservation. Children in grades 3-5 will participate in a conservation poster contest. All entries are due before February 15.

Dennis and Kitty Johnson, Chelsi, and Denise have been visiting family and friends in the area. They stayed with Pat and Bonnie Warren Howard.

First Baptist Church of Farwell will hold its annual Men's Day on Jan. 28. A highlight is the Men's Chili Cookoff from 6-8 p.m.

Amy Johnson, daughter of Mrs. Joan Johnson of Farwell, was named to the President's Honor Roll for the first semester at Texas Tech. She had a perfect 4.0 average. She graduated from Farwell High in 1989.

Jewell Thomas just spent two weeks in California. She and 3 sons, Keith, Clifford and Ronnie and their wives, from Granbury and Arlington, Texas, spent Christmas in San Diego visiting Billy and Gerry Thomas, the oldest son and brother. Twenty-one gathered at Billy's Christmas Day and enjoyed talking, eating and picture taking.

Jewell also saw a great-granddaughter and a

great-grandson for the first time. While there, the family visited Jewell's sister.

On the way home, they enjoyed a lot of sight-seeing, including the Hoover Dam, Grand Canyon, Petrified Forest and Painted Desert.

Kate Lindop reports that her son Dan was in Farwell for Christmas. Over the holidays she joined him on a trip to Lone Star, Texas to visit family there. Lindop lives in Phoenix. He is due to complete classes in motorcycle repair. After graduation he hopes to begin a new career working for Harley Davidson.

Tammy Eckstein, 6, daughter of Brian and Estelle Eckstein of Edgewood, N.M., spent a few days visiting her grandparents, Floyd and Betty Embury. Also, she spent Saturday with her cousins, Rachel, Brandon and Dawson Embury. Floyd and Betty took her home Monday.

Stephanie Foster, a sophomore in marketing, and Daniel Hutchins, a junior in music, were named to the West Texas State University honor roll for the fall 1989 semester.

Named to the Eastern New Mexico University, Clovis, honor roll were:

Bernita Burnett, Twilla Kos, Allan Myers, of Texico, and Ken McDaniel and Sheryl Taylor, of Farwell.

Evelyn Patterson was honored by ENMR Telephone Cooperative for her 40 years of service to the cooperative.

She has filled many posts at ENMR since its early organization in 1949. SMrs. Patterson has witnessed first hand the progress of providing telephone service to the rural areas of New Mexico and West Texas over this span.

Marriage Licenses

There were five marriage licenses issued in Parmer County last week:

They were issued to: Curtis Earthe Daniel and Carol Jewele Anderson; Christopher Le Bordelon and Sharon Ann Boughen; Santana Navarrete and Angela Lujan; Michael Shannon Goodson and Heather Eileen Marquez Pond; Ralph Wong and Alison Curry.

'Debates' will be topic

Congressional debates on the 1990 Farm Bill and the Controversial General Agreement on Tariffs and Trade (GATT) negotiations will be hot topics when the Texas Sugar Beet Growers Association holds its Silver Anniversary meeting and banquet Jan. 19-20 in Hereford.

The meeting will be at 9:30 a.m. Jan. 19 at the Hereford Community Center. The banquet will be at 7 p.m. Jan. 20 at the Bull Barn Expo center. Scheduled speakers include the incoming and outgoing presidents of the American Sugarbeet Growers Association which represents growers in 13 states.

Bill Cleavinger, a Wildorado farmer - rancher who is president of both the Texas and national associations, will discuss state and national issues facing beet and corn growers in the Panhandle and cane farmers in South Texas.

"The congressional debate on the new farm bill is beginning to heat up and the sugar program will receive much attention," says Cleavinger. "The program has enabled many producers to remain in business and given them an opportunity to earn a reasonable profit. At the same time, it has guaranteed consumers a stable sugar supply at a stable price below that of most other sugar producing countries. We're working to maintain a strong sugar program in the farm bill."

Pat Mahar, a grower in Cavalier, N.D. and currently ASGA first vice president, will speak on the national association's campaign to educate the public on how the sugar program benefits consumers as well as producers. Mahar is chairman of the ASGA public relations committee.

Discussing GATT negotiations will be Kraig Gallimore of the Texas Department of Agriculture Farmer's Assistance

program. "GATT is an extremely complex issue which will have a major impact on beets, cane, corn, and other U.S. farm commodities," says Cleavinger. "Mr. Gallimore's presentation should help answer many questions farmers and others have on the controversial international trade talks."

Various beet research efforts by the Texas Agricultural Experiment Station will be reviewed at the meeting. Dr. Charlie Rush and Dr. Steve Winter, two key TAES beet research program which is partially funded by the state beet association.

Steve Reynolds, sales manager for the Holly Sugar Seed Division, will discuss Holly's seed breeding research program, including new breeding materials Holly has obtained from European sugar beet entities.

Dennis Prinz, Imperial Holly's agricultural department manager in Hereford, will speak on the expansion of the regional beet industry. This expansion has included the establishment of two new beet receiving stations near Kress and Nazareth, as well as the addition of 70 new beet growers in 1989. Growers with top beet yields and quality will receive awards from the department's staff.

The banquet will honor the 25 year partnership between Holly sugar and area beet farmers. Roger Hill, Holly president, will speak at the banquet.

"The partnership between Holly and beet growers has been highly successful," says Cleavinger. "And it's continuing on the right track with the recent merger between Holly and Imperial Sugar."

The banquet will also honor TSBGA's past directors and officers and recognize others who have been instrumental in the success of the beet industry in the Panhandle area.

The time of year has come for us to slow down and put our homes and lives back into our regular routine. The Christmas decorations are put away, New Year's resolutions are already broken and almost forgotten, the toys are either broken or in need of new batteries and thoughts of income tax is fluttering above our heads instead of mistletoe.

What a way to begin a new year! Is this what is called "after holiday let-down"?

Cheer up! January is time to re-energize for the new year. As one of our residents told me, "I have a whole new year to see what kind of trouble I can get into."

Our year began with the opening of our new sun room. The flowers have already shown a difference in appearance due to the exposure to more sunlight. Several of our residents have discovered the tranquility and contentment of the quiet and the view of the outdoors gives the feeling of freedom not had before.

Visiting families have commented on how enjoyable it is to sit and spend time with their loved ones in the sun room because it's such a comfortable addition. We have to agree. Dominoes are more fun when we can enjoy all the above delights.

Re-energize for the new year? We've only just begun!

January birthday people are Joy Chadwick, Nancy Thompson, Mayme Florence and Vashti Fowler. Happy Birthday, ladies!

Wolverines win first two district matches

The Texico Wolverines beat Elida 109-58 last Saturday night for its second district win.

Texico is 2-0 in district and 9-3 overall.

Texico has been somewhat under rated this season because its pre-season record was not as good as some of its opponents in district. But, Texico has sought out some very tough opponents, and worked hard at building a strong team.

"We started out slow," said coach Richard Luscombe of last Saturday's game. Texico was still able to outscore Elida by 11 points in the first quarter in spite of a slow start.

The game was never seriously contested by Elida, so coach Luscombe was able to let lots of players see action. Scoring were: Pete Fuentes, 22; Kenny Shaw, 16; Josh Autrey, 13; Byron Martin, 12; Jaime Estrada and Benjy Martin, 9 each; James Phipps, 7; Mark Holmes, 5; Warren Martin and Dwayne Hamilton, 4 each; and Freddy Chavez, 3.

They have an important weekend of play coming up. They will meet Tatum, also 2-0, at Tatum on Friday night. They also go to Dora on Saturday night.

"These games affect the seeding at the EPAC tournament. The teams are rated 1-10 on their records. The teams with the worst records begin play Jan. 16. The top part of the bracket doesn't play until Jan. 18, so it helps to go into the tournament with a good record," said Luscombe.

The Texico Wolverines beat Floyd in a hotly contested game last Friday night at home, 79-56.

It was the district opener for both teams. So Texico is now 1-0 in district and 8-3 overall.

Floyd took a first quarter 23-17 lead. In the second quarter, Texico came back with 8 quick points to put them back into range. As the score grew closer together, the fans became more excited.

Floyd's top scorer at that point, Chad Thurman, drew a foul that he didn't agree with. His vocabulary caused him to earn a technical. When he disagreed with the call, he drew another technical, and was ejected from the game.

Floyd coach Dwayne Kibbe began arguing with the referee, and he was also ejected.

Part of the reason for the intense reaction to this game was that this was the first district game for the teams. Their ranking in district helps to determine their positioning in the EPAC tournament coming up. Both teams were keyed up about the game.

"The kids were nervous before this game. It was our first district game. Floyd is always a good game. It's good to get this behind us," said coach Richard Luscombe.

Texico's nervousness shows in its shooting record in this game. "We shot the lowest percentage we've shot all year. We only shot 35 percent from the field. Our average is 47.7 percent. But, we had three runs of 10 points to

their 2 that helped a lot," said Luscombe.

"We forced quite a few turnovers and got some easy baskets. It felt good."

Scoring were: Jaime Estrada, 17; Pete Fuentes, 16; Kenny Shaw and Mark Holmes, 8 each; Warren Martin, 7; Larry G; Benjy McDaniel, 5; Byron Martin and Freddy Chavez, 4 each; Dwayne Hamilton, 2.

Fans were rather noisy at this game, but they were not physical about their protests. School officials quickly called for assistance before any problems broke out.

Texico Marshal Brent Byrum and Deputy Fry Urioste were on hand with some backups from neighboring law enforcement agencies to keep things calm and orderly during and after the game. They escorted the Floyd players to the bus, and they escorted the bus out of town just to be on the safe side.

Varsity Girls

The Texico Lady Wolverines lost to the No. 2 ranked team in New Mexico last Friday night. Floyd stopped the Texico ladies 65-50.

The Lady Wolverines stayed neck and neck with Floyd the first quarter, until the final minutes when Floyd pulled ahead 16-14.

By halftime, they were down 41-24. They fought back the final quarter, but it was not enough to win the game.

Jennifer Gentry led the scoring with 21 points. Penny Pierce scored 15. Valerie Cavallero had 2 three point shots.

"Even though we got beat, there were a lot of positive things that came out of this game," said coach Roy King. "Floyd is a good team, and they got us rattled during the second quarter. But, we played good half court defense and got a lot of second shots. They just didn't go in."

Scoring were: Penny Pierce, 17; Jennifer Gentry, 16; Valerie Cavallero, 6; Jennifer Williams and Amy Chadwick, 4 each; Dara Jenkins, 1.

Pierce led in rebounding with 8; Chadwick had 3 steals.

On Saturday night the Texico Lady Wolverines defeated Elida 52-32 to earn their first district win of the season.

The Texico Lady Wolverines had an overall record of 7-5 and a district record of 1-1 after this game.

"Our record is not as good as last year, but we may surprise some people," said coach Roy King. Texico has played some tough teams, and they have had a round of illness and injuries.

Texico took a 5 point lead in the first quarter. They added another 5 points to their margin during the second quarter, and stayed comfortably ahead the rest of the game.

Scoring were: Jennifer Gentry, 17; Valerie Cavallero, 13; Jennifer Williams and Penny Pierce, 8 each; and Amy Chadwick, 6.

Rebounding totals: Williams, 12; Pierce, 11; Chadwick, 10; Gentry, 9. The team also had 9 steals in the game. Chadwick had 4 steals and 6 assists.

7-8 Girls

The Texico 7-8 girls beat Floyd 41-27 on Jan. 8.

Coach Roy King brought a bench of 15 players to Floyd for this game, and most of them got a piece of the action.

Scoring were: Tasha Shaw, 11; Dara Jenkins, 9; Terri Askew and Maquila Robberston, 5 each; Dana Hughes, 4; Crystal Foreman and Chesna Campbell, 2 each; Laura Vega, Ruth Terrazas, and Andrea Montano, 1 each.

Texico played very aggressively. The team racked up 35 rebounds in the game. Jenkins led the rebounding with 12. Shaw and Askew each had 5 steals. Hughes had 3 assists.

JV Girls

Texico's JV Girls beat Marshall Junior High's 9th grade 59-23 on Jan. 4.

"We played well, better than we did at Clovis against them," said Coach Roy King.

Texico took a decisive 15-4 point lead in the first quarter, and remained ahead of their opponents through out the game. Because Texico had a secure lead, some of the younger players were able to get into the action.

Scoring were: Jessica Gutierrez, 16; Laura Vega, 10; Chanda Campbell and Lorissa Pate, 8 each; Leslie Servatius, Dana Hughes, and Teri Askew, 4 each; Crystal Foreman, 3; Dara Jenkins, 2.

Rebounding leaders were: Gutierrez, 12; Pate, 11. Servatius had 3 steals. Vega made two 3 point shots.

Texico's JV Girls lost to Floyd 51-41 on January 5.

"We played great for 2 quarters. We had the lead up to 19 points, but then we started fouling, not rebounding, and missing free throws. We wound up losing," said coach Roy King.

The loss was Texico JV's second loss out of 9 games.

Scoring were: Servatius, 12; Jenkins, and Vega, 7 each; Gutierrez, Marsha Hamilton, and Askew, 4 each; Pate, 2; Campbell and Alson LaFrenz, 1 each.

Rebounding leaders were: Gutierrez, 9; Jenkins, 8. Hamilton lead the steals with 5. Vega had 5 assists and 1 three point shot.

JH Girls

Texico Junior High defeated Clovis Marshall's 8th grade team, 56-23 on Jan. 4.

"We really played well. We had only beaten Marshall by 7 at Clovis, and we had them down by as much as 45 points in this game," said coach Roy King.

Scoring were: Tasha Shaw, 20; Teri Askew, 14; Dara Jenkins, 12; Laura Vega, 5; Alison LaFrenz, 4; Chesna Campbell, 2.

Rebounding leaders were: Askew, 12; Jenkins, 11. Askew led the steals with 9, and Vega had 2 assists. Shaw completed 7 out of 8 of her free throw attempts.

JH Boys

Texico Junior High boys lost a close match against Clovis' Marshall Junior High, 31-26.

Texico scored only 6 points in the first quarter. They improved their scoring each quarter, but not enough to catch Marshall.

"We came back from Christmas not shooting or rebounding very well," said coach Michael Littlejohn.

Scoring were: Ryan Null, 12; Bobby Winegeart, 4; Tyrone Gooden and Sky Byrum, 3 each; Corey Horner and Nash Armstrong, 2 each.

Null led the rebounding with 9; he also had 7 steals.

Texico then nipped Floyd, 30-28.

Scoring were: Null, 8; Armstrong, 7; Gooden, 5; Byrum, 4; Horner and Winegeart, 2 each.

Null lead the rebounding with 13. Null, Horner, Byrum, and Clyde Jenkins all had 2 steals. Horner had one assist. Armstrong made a 3 point shot.

NOTICE

From Parmer County Sheriff Rex Williams

"As some of you know, there are a few people who are residents of Parmer County that have their vehicles registered in New Mexico. I have gotten several complaints about this, including from the Farwell Independent School District Board.

"Also, as sheriff, I am charged by Texas State Law to enforce Texas Laws. Texas State Law #V.C.S. Art. 6675a-2 states: 'Every owner of a motor vehicle, trailer or semi-trailer or to be used upon the public highways and roadways of this state shall apply each year to the State Department of Highways and Public Transportation through the County Tax Collector of the county in which he resides, for the registration or each such vehicle owned or controlled by him.'

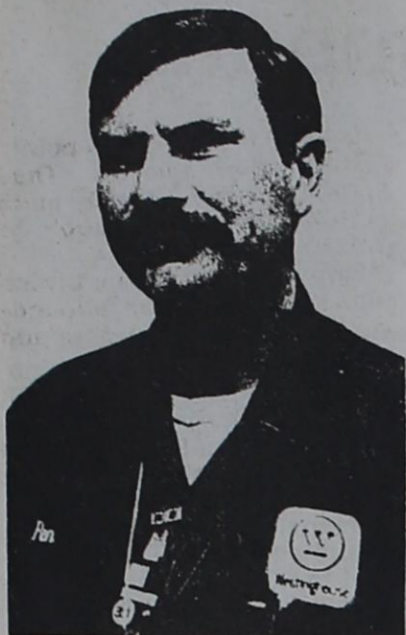

"Also, at such time as a non-resident owner or operator establishes residency in Texas or enters into gainful employment, his vehicle may be operated 30 days thereafter, after which time the vehicle must be currently registered in Texas.

"The Parmer County Sheriff's Department will, after 30 days from the date of this publication, start issuing citations for violation of this law

Measurements taken at well sites

Now that groundwater levels have been allowed to stabilize following the 1989 pumping season, High Plains Underground Water Conservation District No. 1 Technical Division staff will begin making annual depth - to - water measurements at area well sites starting Jan. 2.

The Water District maintains a network of more than 1,000 privately - owned water wells throughout its 15- county service area. Each year, field personnel visit each well site to make a depth - to - water measurement.

During the measurement, a steel tape coated with a few feet of blue carpenters' chalk is lowered into the well. On the part of the tape that enters the water, the chalk turns a darker shade of blue. By subtracting the length of the darker blue area from the total length of the tape lowered into the well, the current depth - to - water is determined.

A vinyl sticker showing the assigned well number, the depth - to - water measurement and the date of measurement is attached to equipment at the well site for the well owner and or landowner's information.

The same observation wells are measured each year, and the data collected during the January and February 1990 measurements will be compared to the previous year's data to determine any changes in the water levels in the Ogallala Formation.

Maps showing the location of each observation well in a county or portion of a county served by the Water District are published annually in the April issue of the District's newsletter, The Cross Section.

Tables listing the observation wells in each county and the depth to water measurement at one, five, and 10 year intervals are included in this special issue. The annual average water level changes in feet for one, five and 10 year intervals are also published.

Technical Division staff will be traveling to each well site in blue and white Water District vehicles. Staff members will be happy to answer any questions from landowners and or producers while the depth - to - water measurement is being made.

Pattison receives award

Hoyt Pattison of Pleasant Hill has received an award from the National Telephone Cooperative Association recognizing his 30 years of continuous service as a director of ENMR Telephone Cooperative.

Pattison is presently ENMR board president. He was first elected to the

board in 1959; at the time ENMR had 600 members. Now, ENMR has grown to over 10,000 members and covers a major portion of the eastern side of New Mexico and three counties in West Texas.

Pattison and his wife, Joy, have four children: Roger Pattison, Rose Ellen Dunn, Melinda Lyles and Will Pat-

tison. They also have nine grandchildren.

Among his achievements, Pattison served the New Mexico Legislature as a representative for 23 years, including 10 years as Minority Leader. He also has begun a three-year term as a director of the Clovis Chamber of Commerce.

Hodges, Jennings supply 1-2 punch

Nazareth defeated the Lazbuddie Lady Longhorns in their first district game of the season 84-30 on Tuesday night. Mia Jennings led Lazbuddie with 15 points.

The loss brought Lazbuddie to a 10-9 over all record and a 0-1 district record.

The Lazbuddie Lady Longhorns beat Three Way 47-44 Friday.

Lazbuddie took a decisive lead in the first quarter. The Three Way ladies made a valiant effort to come back in the third quarter when they scored 17 points, but it was too little too late.

Leading scorers for Lazbuddie were: Stacie Hodges, 23; Mia Jennings, 18.

The win brought Lazbuddie to a 10-8 record.

The Lazbuddie Lady Longhorns defeated Hart 55-51 on Jan. 2.

Holiday closings listed

Jan. 15 is Martin Luther King, Jr. Day, a federal holiday. Some local offices will be closed due to the holiday.

Security State Bank, Citizens Bank, and Sunbelt Savings will all be closed. The post offices and federal government buildings will be closed.

Texico City Hall will be closed.

Farwell City Hall and Parmer County Courthouse will be open as usual.

Farwell schools will be closed due to a teacher work day at the end of the first semester. Lazbuddie and Texico schools will be open.

Stacie Hodges scored 23 points in the game, and Mia Jennings scored 18. "The rest of the team did a really good job on handling the ball and playing defense," said coach Mike Carroll.

He especially cited Holley Morris, Jana Vise, Britt Engelking, Dana Cozbey, and Missy Smyer.

"We played real well; this may have been our best game," said Carroll.

Varsity Boys

The Lazbuddie Longhorns lost to Nazareth 53-41 in their first district game of the season. Scoring leaders for Lazbuddie were: Doug Barnes, 12; Michael Williams, 13.

The loss brought Lazbuddie to a 3-10 season record and a 0-1 district record.

The Lazbuddie JV also lost to Nazareth 50-31.

The Lazbuddie Longhorns beat Three Way 74 - 64 last Friday.

Scoring were: Doug Barnes, 23; Monty Foster, 15; Kevin McGehee, 14, and Matt Cozbey, 11.

The win gave Lazbuddie a 3-9 record, which is rather misleading since they missed their first few games due to the outstanding football season that lasted into basketball season. They actually played much better than their record shows.

The Lazbuddie Longhorns lost to Hart 101-60.

"We played real well for the first half," said coach Mike Carroll.

Scoring in double figures were: Michael Williams, 17; David Barnes, 15; and Kevin McGehee, 12.

Deficiency payment projected

Officials of the Lubbock - based Plains Cotton Growers, Inc. are projecting a final 1989- crop cotton deficiency payment of about 4 cents per pound as of Jan. 5.

The total payment for the year will equal the difference between the 73.4 cent 1989 target price and the January - December weighted average price paid to U.S. farmers for cotton. PCG expects the farm level price for the year to be 60.9 cents per pound, 12.5 cents below the target. However, most producers late in 1988 or in early 1989 requested and received advance payment of 8.56 cents. Thus if PCG's estimate of the calendar year farm price should prove accurate, the exact final payment would be 3.94 cents.

With the monthly average prices and marketing totals in hand for 11 months, leaving only the figures for December to be plugged into the calculation, PCG Executive Vice President Donald Johnson says, "I don't think there's any way our projections can be very far off the mark."

USDA's National Agricultural Statistics Service (NASS)

reports the average price and marketing volume for each month during the year. NASS compiles its figures from a statistical sampling of sales figures supplied by members of the cotton trade. This procedure creates a thirty - day lag in the release of each month's figures, and the December report won't be released until January 31.

Through November, NASS has reported total marketings of 11,809,000 bales at a weighted average price of 60.2 cents. Almost a fourth of that volume, 2,879,000 bales, was traded in November alone at an average price of 65.7 cents per pound. Although the mid-month December price has been reported at only 62.7 cents, mid - month prices in the past have been misleading. So PCG in its projections couples a 64-cent December price with a 3 million bale volume to come up with its 60.9 cent weighted average price for the year.

Each producer's total payment, expected in February, will be determined by multiplying the payment rate times his farm's established per - acre program yield times planted acres.

Herman Geris

Geris, Martin cited

Herman Geris and Greg Martin of Texico were among 37 people who received Exemplary Service Awards at the New Mexico School Boards Association annual convention.

The New Mexico School Boards Association conducted its 39th annual convention Dec. 1-2 in Albuquerque. One of the highlights of the convention was the awards ceremony during the banquet.

The awards banquet is held at the State Convention to honor local school board members who dedicate many long hours of service to their districts.

The Exemplary Service Award is earned by participation in the National School Board Association and New Mexico School Association activities throughout the year.

Herman Geris is president of the Texico School Board and is vice-president of Region V of the State of New Mexico.

Greg Martin is secretary of the Texico School Board, and he serves as the State School Board Association representative on the New Mexico Public Insurance Authority Board.

The awards were presented by Danny Trujillo, New Mexico School Board Association President Elect.

According to the American Cancer Society, one out of ten women will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as a result of breast cancer. Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate. **The cost is only \$60.00.** A mammogram can detect a cancer this small, even before it can be felt.

Parmer Livestock Show upcoming

The Parmer County Junior Livestock Show will be held in the Friona Community Center Jan. 29 - Feb. 1. The show is a combined 4-H, FFA, and FHA show open to all county youth who are enrolled in grades 3-12 at any of the county's public schools. The registration deadline is Jan. 22. Entry cards and fees must be turned in to the Friona Agricultural Dept., Box 97 by

that date. The fees are: \$8 - steer; \$5 - lamb; \$20 - heifer; and \$5 - barrow.

All animals will weigh in from 3 - 7 p.m. Jan. 29. Animals will be tagged or marked as they are weighed. Tags of other shows will not be allowed.

Classes for this year's show will be determined at the time of weigh-in. There will probably be classes for Heifers and Steers; Lambs, Fine wool, Crossbreed, Hampshire, Suffolk, Southdowns, and Otherbreeds and Crosses; Barrows, Yorkshire; Chester White, Crossbreed, Berkshire, Duroc, Hampshire, Polands and Spots.

There will be trophies for the Grand Champion and Reserve Champion of the show. Showmanship trophies will also be awarded. There will also be an award for the Breeding Project Essay.

The final day of the livestock show will feature a sale of the animals at 6:30 p.m. About 50 percent of each class will be in the sale up to 140 head.

Judges will be: Steer and Heifers, Ross Caviness; Barrows, Lanny Tucker; Lambs, Denny Belew.

The Parmer County Stock Show Board's Advisory Committee includes: Farwell, Stan Austin and Mark Schwertner; Bovina, Ted Clayton and Jesse Stone; Lazbuddie, Johnny Mitchell and Lloyd Bradshaw; Friona, Glen Salyer and Jerry Simmons.

Stock Show Board members are: Farwell, Richard Haseloff, Richard Montgomery, Robert White, Mack Heald; Bovina, Art Hunter, Lawrence Widner, Sonny Moore, Dick Steelman;

Lazbuddie, Rick Copp, Rick Seaton, Rick Black, Skip Magby; Friona, Benny Pryor, Paul J. Smith, Randy Weatherley, Leroy Berend; County 4-H, Doyle Weir; Wayne Rhodes, Gary Patterson, Phil Johnson.

The General Superintendent is Terry Copley of Friona; Assistant General Superintendent is Mack Heald of Farwell. The Lamb Superintendent is Shain Rhodes of Friona, and the Cattle Superintendent is Roddy Berend of Friona.

The Livestock show will be at the Friona Community Center one block north of the intersection of highways 214 and 60 in Friona.

'After Christmas' is program topic

Dorothy Quickel presented a program called "After Christmas" for members of the United Methodist Women when they met for their monthly salad luncheon at Hamlin Memorial United Methodist Church on Jan. 8.

Attending were: Peggy Goettsch, Joyce Ketcherside, Ellen Wurster, Ruth Kanewyer, Carrie Christian, Maureen Caywood, Rev. Rich Stephens, Nancy Stephens, Dardanella Helton, Dorothy Quickel, Aileen Teel, Linnie Mae Crook, and Judy Pomper.

Council picks logo for city

The Texico City Council Tuesday viewed the proposed city logos drawn by the Texico High School art students.

They liked two of the drawings - one by Amy Chadwick and one by Pete Fuentes - and decided to have one logo done using both concepts. Basically, it will feature the "Land of Enchantment" and the fact that Texico is a gateway to New Mexico.

For their efforts, Chadwick and Fuentes each will receive \$50, donated by Tharp Dragline and Aldridge law firm.

The council thanked all the contestants for their efforts. In other business, the council:

- Heard Mayor Steve Chancy report that the time line on getting a 911 emergency phone number for Texico has been moved up a year, to December 1990. Texico had complained to the state that the end of 1991 was too long to wait. The council will meet with a representative of US West Jan. 17 to begin planning for the change.

- Discussed the application for the annual beautification grant from the state. If approved, the council will use this year's grant to help dredge the pool at KKR Park.

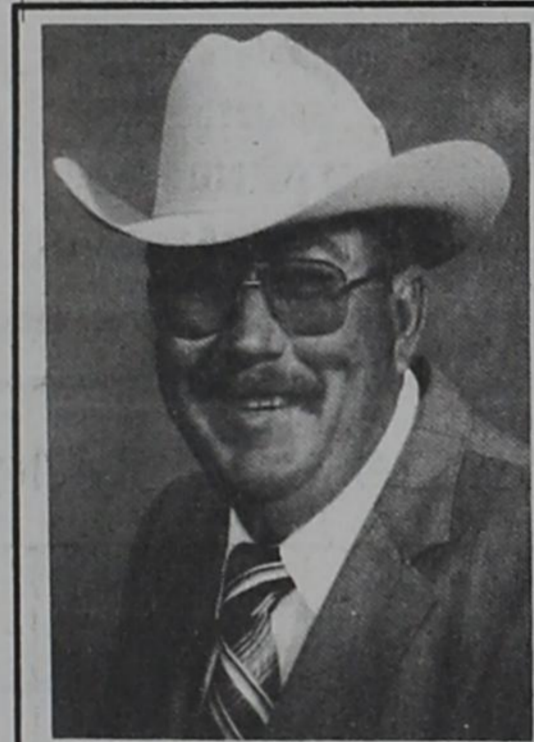

- Decided not to seek a state CDBG grant this year. Chancy noted that, at the last census, it showed 46 percent of Texico residents fell into

the low and moderate income groups. He said a minimum of 50 percent is really needed to qualify for a citywide CDBG grant.

Chancy said the 1990 census likely will show that the 46 percent figure will go over 50 percent, and that Texico then can qualify for a grant that can be used for the whole city and not just a certain block or two.

- Heard councilman Oran Jay Autrey say he heard a complaint that the road called "Avenue F" at its eastern-most edge was in disrepair.

It was noted that this portion is not a dedicated road and it's questionable whether it is in the city. So no action was taken.

Gustin Announces Candidacy

Leland Gustin, who has announced his candidacy for County Judge, has been a lifelong resident of Parmer County. He was born and raised in the Lazbuddie Community. Upon graduation he attended the University of Houston. After college he moved to the Rhea Community where he and his wife raised their children. Leland and Geneva currently live in Friona. Donnie and his family live in Farwell, and Diana and her husband live in Lubbock. "Because I am familiar with the diverse population of Parmer County I feel as though I can adequately represent each and every community in this county."

Leland has been a successful farmer; he has owned and operated several businesses and has served as Parmer County Democratic Chairman. Because of his political experience he is highly respected among members of the Texas and U.S. Congress.

"I feel that a strict and consistent Judge is the key to bringing safety and security to the residents and businesses of this county. Realizing the responsibilities of County Judge, I have structured my business so I can devote my time and energy to this position."

Gustin is known by his humorous attitude and ability to work with people. "As Judge I will continue to work for and with the people of Parmer County." He asks everyone to vote for the candidate of their choice on March 13, 1990.
