

# Thanksgiving: The original purpose

By Rev. Bob Brown

Pastor, First Baptist Church of Texico

Well, it's that time of the year again! Thanksgiving must be close because all the stores have their Christmas items out and ready to sell. Soon, that special day of family, food, football, and friends will be here. For some, it will be a sad day because a special loved one is missing. Still for others, it will be a day of joy and happiness because we will get to see that loved one that we don't get to see often enough.

The original purpose of this holiday was not to signal the official beginning of Christmas shopping, but "to listen to ye paster and render thanksgiving to ye almighty God for all His blessings" (Gov. William Bradford. 1623).

In the gospel according to Luke, chapter 17 and verses 11-19, we find an experience in the life of our Lord that speaks to our generation.

*And it came about while He was on the way to Jerusalem, that He was passing between Samaria and Galilee. And as He entered a certain village, ten leprous men who stood at a distance met Him; and they raised their voices, saying, "Jesus, Master, have mercy on us!" And when He saw them, He said to them, "Go and*

*show yourselves to the priests."*

*And it came about that as they were going, they were cleansed. Now one of them, when he saw that he had been healed, turned back, glorifying God with a loud voice. And he fell on his face at His feet, giving thanks to Him. And he was a Samaritan.*

*And Jesus answered and said, "Were there not ten cleansed? But the nine - where are they? Was no one found who turned back to give glory to God, except this foreigner?" and He said to him, "Rise, and go your way; your faith has made you well."*

Man is quick to express his needs to the Lord, but very slow to give thanks. Think for a moment and ask yourself this question: "How often do I thank the Lord?" Then think of how often you ask the Lord in prayer to help you, to meet your needs, and to be with you.

There are three outstanding items in Jesus' experience:

\* **The people** - they were people who had real needs in their lives. Needs that they could not handle themselves. Needs that brought them to Christ.

\* **The power** - only Christ could meet their need. He was the one who had the power to change their lives. Will you allow your needs to bring you

to Christ?

\* **The problem** - only one was grateful for what God had done. Only one returned for the giving of thanks!

On this Thanksgiving in 1990, let us not be as the nine who forgot to give thanks. Let's "render thanksgiving to ye almighty God for all His blessings."

### 6-Man is exciting

Finally, I got the chance last week to see a 6-Man football game - wow, it was exciting.

Lazbuddie beat Meadow in the first round of the state playoffs. It seemed like a TD was being scored almost every minute (see full story elsewhere in today's paper).

For you folks who haven't seen a 6-Man game yet, it is just like 11-man football with these exceptions:

\* The field is 80 yards long, instead of 100 (i.e., the 40 is midfield).

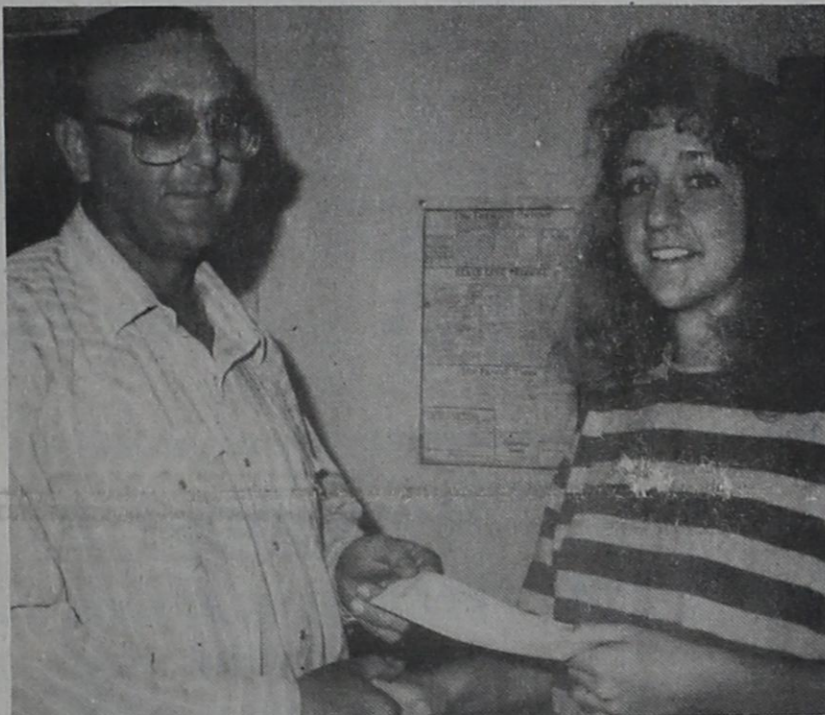

\* You get 2 points for the kick after a TD, and 1 point if you run or pass the ball into the end zone. This is because it's easier to gain 3 yards on a run or pass in 6-Man.

\* Instead of "1st and 10," it's "1st and 15." You need to go 15 yards to make a first down.

\* The quarters are 10 minutes long, instead of 12 in 11-man. I think this is because the clock is stopped more in 6-Man - you make a lot more first downs and there's a lot more passing and scoring.

Anyway, you pick up on the rules quickly, and just sit back and watch a wide-open game. A lot of fun. Especially when the team

Marsha Hamilton receives her first place cash prize for winning last week's football contest from Mike Camp, of Town & Country Insurance. Town & Country is one of the contest sponsors.

Roy King, left, who was the overall winner in this year's Area Merchants Football Contest, receives his check for \$50 and tickets to the Dallas Cowboys' game from Juanito Garza, owner of Juanito's Mexican Food Restaurant in Clovis. Juanito's is one of the contest sponsors.

## Hamilton takes 12th grid tilt

It was another super year for the annual Area Merchants Football Contest. All told, there were 630 participants - up from 610 entrants last year.

Only two entrants in the last week of the contest managed to get all the games picked correctly.

One game listed in the contest - Oklahoma vs. Nebraska - shouldn't have been, since it's not played until this weekend. The booklet used by the Tribune in picking college matches contained the wrong date for this contest. The Tribune decided to give credit for the game to all entrants.

So, with all 12 games right were Marsha Hamilton and Truman Kittrell. By virtue of being closest to the tie breaker (Farwell 36, Booker 6), the winner of the first place cash prize of \$10 was Miss Hamilton. She was 15 off the tie breaker.

you are rooting for is real good - like Lazbuddie this year. Their balanced attack produces points faster than I can write this column.

Go, Longhorns!

Well, folks, I miscued in my column last week when I referred to Sen. Phil Gramm as a Democrat. I guess I was thinking of his party affiliation before he switched to the GOP.

Anyway, I stand by what I wrote: I think he would be an excellent presidential candidate for the Democrats (or Republicans, for that matter).

From spouse Judy: Sometimes we are asked to little things in the course of a day that seem to be a waste of time. They are

nagging little annoyances for which we do not see the importance, but which may be very important to someone else.

Fire drills often seem like nagging little annoyances to teachers and administrators - the kids rarely mind leaving class, but the teachers are often bothered by the interruption.

Farwell Junior High Principal Jerry Dee Owen noted the other day that the fire insurance rate for Farwell is decreased by 4 percent if the schools document a few simple things they do such as having fire drills, having fire prevention programs, and having projects such as fire prevention posters to increase awareness of the seriousness of fire drills.

Officers are President Lana Copp; Vice President Jana St. Clair; Secretary-Treasurer Reta Mimms; and Reporter/Historian, Pat Randolph.

**Family Christmas party planned**

The Lazbuddie Homemakers met Nov. 6. Pam Miller, representing Rose Marie Products, was their special guest.

Mrs. Miller performed a facial on model Kim Kimbrough, using products from Rose Marie. Mrs. Miller, stressed to the Homemakers, the importance of creating time, to care for their faces and bodies.

Jana St. Clair gave a presentation using jewelry to spice up holiday wardrobes.

Business discussed was the successful Harvest Festival. Prizes left over were donated to the elementary school to be used as attendance prizes.

The Homemakers signed monthly cards for their senior citizens. The Homemakers also decided to make bread for these special citizens for Thanksgiving.

The Family Christmas party was planned for Dec. 1 at 7 p.m.

New Homemakers attending were Margie Galvan and Jan Vie. Members attending were Reta Mimms, Tonjua Scisson, JoDonna Terry, Jaime Carroll, Pat Randolph, Elva DeLeon, Lana Copp, Belinda Steinbock, Judy Steinbock, Kim Kimbrough, Jana St. Clair, Mandi Seaton, and Barbara Lust, advisor.

**Toy donations asked for indigent children**

Sunbelt Savings, Farwell, is beginning its annual "Sunbelt Santa" program.

Toys may be dropped off at the branch here. "The Sunbelt Santa campaign allows our community to pull together and share the joy of the season with the children in our area who really need our help," said Rubie Craft, branch manager.

In 1989, thousands of Texas became Sunbelt Santas by contributing over 34,000 toys to Sunbelt branches throughout the state.

Toys collected in Farwell will be given children through the Parmer County Welfare

Department. Sunbelt has 112 branches in 77 Texas cities.

**Marriage Licenses**

There were five marriages recorded in Parmer County by County Clerk Bonnie Warren last week.

They were issued to: Edgar J. Wilson and Dorothy A. Ransom, Peter Di Francesca and Ruby Thomas, Humberto Hernandez and Juana Lorenzo, Robert Saiz and Janice M. Valdez, Daniel Minton Parker and Diane Marie Loonam.

If you stop and think about the sum total of the fire insurance paid in Farwell that adds up to a lot of money. It is worth our time and effort for this reason alone.

But money is nothing in comparison to the value of human life.

When I was in junior high school I thought fire drills were simply part of the routine of going to school. They were fun in warm weather, and an annoyance in cold, rainy weather.

Then one day when I got home from school the Mickey Mouse Club was interrupted by a news bulletin. There was a fire at Our Lady of Angels School in Chicago. For the next few hours I watched as more news bulletins interrupted the TV programs, and finally there were photographs of the fire.

I saw children my own age covered with flames jumping from the second story of the old building. It made a lasting impression. I could never take a fire drill lightly again.

One hundred and thirteen children and teachers lost their lives in that fire. Many more were injured for life.

Obviously, tragedies happen every day of the week some place in the world. But when they involve someone we know and love or someone with whom we can have empathy these tragedies become our tragedies.

We cannot all go help the starving Ethiopians or the earthquake victims in some far-off spot in the world. God bless those who can, but most of us can only respond to those nearest us.

One of the wonderful things about Farwell is that people do respond in times of need. They are there with a hug or a helping hand for those who need it.

**Contest**

Kittrell, who was 25 off the tie breaker, received the second place cash prize of \$5.

Scores in last week's contest were very high as entrants gave the contest a real beating. With 11 right were:

Kerry Ford, Chon Arce, Jerry Ford, Maria Arce, Brad Atwell, T.J. Kittrell, Hilda Montano, Roy McDaniel, Michele Kirkland, Jack Allen Kirkland, Gene Hardage, Lupito Garza, Alice Pierce, Marcy Pena, Ruben Ortega, Rose Longley, Gia Hardage and Rick Ketcherside.

The overall contest champion this year is Roy King. King scored a big "10" in the final week to draw away from his challengers. He had gone into the last week with a 2-point lead. He won by 4 points.

King needed the "10" after receiving relatively low scores of "6" and "7" the preceding two weeks. He ended with 99 points, which means he averaged just a tad over 8 correct picks a week. This was his first overall con-

test victory.

King received a check for \$50, plus two free tickets to the Dec. 2 game between the Dallas Cowboys and the New Orleans Saints. He also received a free night's lodging at the Marriott DFW Airport Hotel, with transportation to and from Cowboy Stadium.

The final leader board results were:

99 points - Roy King.  
96 - Rick Castaneda.  
95 - Mike Goettsch, Texico 4th period world history class.  
94 - Sammy Herrera, Amy Jo Murray.

93 - Donnie McDonald, Douglas Hill.

92 - Chad Dunsworth, Clyde McDonald.

91 - Scott Brown, April King, Ken Shaw, Dick Pylant.

Last week's results:

Texico over Hagerman, Seagraves over Hart, Olton over Post, Clovis over Alamogordo, USC over UCLA, Michigan over Minnesota, Missouri over Kansas, Washington over New Orleans, Philadelphia over Atlanta, Kansas City over San Diego and Houston over Cleveland. And, as said earlier, all entrants got credit for the Nebraska - Oklahoma game.

**Lumbrera enters pleas**

Former Bovina resident Diana Lumbrera stood silently on Nov. 20 as Parmer County District Attorney Johnny Actkinson read three charges of capital murder to the 287th District Court.

Lumbrera pled not guilty to the charges in connection with the deaths of three of her children, Joanna Lumbrera, Melissa Lumbrera, and Melinda Ann Garza in Parmer County.

Mrs. Lumbrera has already been sentenced to life in prison in Garden City, Kan., in connection with the death of her son, Jose Antonio Lumbrera.

She is also to stand trial in Bailey County in connection with the death of a relative's

child, Ericka Leonor Aleman. The motive for the alleged murders here Parmer County is remuneration from life insurance.

No attorney stood with Ms. Lumbrera as she pled not guilty. The court will appoint

one for her at a later time. She was silent throughout, but tears came to her eyes as she left the court room.

Her mother met her at the door and assured her that the family would get an attorney for her.

**HAPPY THANKSGIVING**

As we commemorate the first Thanksgiving, we pray that every family will be blessed with a portion of the bountiful harvest God has bestowed upon this nation. To you and yours, our sincere best wishes for a happy and prosperous Thanksgiving in the spirit of the forefathers.

# Texico, Farwell hoop teams begin action

## 8th Boys

Farwell Eighth Grade's Yearling boys' basketball team nipped Texico Saturday, 40-38.

Scoring for Farwell were: Jon Cunningham, 22; Blaze Hardage, 7, Chon Arce, 5; Kris Arce, 2, and Jesse Chilton 1.

Scoring for Texico were: Lewis Maxwell, 16; Joey Winkles and Jarrod Menshew, 4 each; Jason Ramiro and Rodrick Rodriguez, 2 each.

"We are basically working on fundamentals," said Texico Coach Richard Luscombe. "I'm pleased with the way they played."

## 7th Boys

The Farwell 7th Grade boys' team beat Texico 34-28.

Scoring for Farwell were: Chase Hardage, 15, Nicolas Ketcherside, 7; Jared Franse, 6; Landon Lunsford, and John Ausburn, 2.

"They were excited about winning their first game; it was a good beginning to the season," said Farwell Coach Larry Gregory.

Scoring for Texico were: Tyrone Gooden and Nathan Ketterling, 8 each; Jose Posada, 5; Sonny Rodriguez and Raymond Attaway, 4 each; Clay Jenkins and Mike Eaton, 3 each, Pat Chumley, 2; Marcos Ortiz, 1.

"It was a good game. We were tied at the end of the first quarter and tied again at the half. We got ahead by 4 at the end of the third quarter," said Texico Coach Luscombe.

"Then Farwell went to Jon Cunningham, and we got into foul trouble," Luscombe said.

"We are trying to get the same style as the high school," said Luscombe.

## 7th Girls

Farwell's 7th grade girls beat Texico's last week 32-24.

"It was a very good first game for these girls," said coach Patsy Camp. "Lots of girls saw playing time."

Camp noted that there were some first half jitters, but Far-

well pulled ahead the second half.

Camp said Lyndi Austin and Melanie Lingnau played good defense. Leane Stout and Brea Travis scored well. Andi Kirkland and Amy Haseloff played tough offensively and defensively.

Amanda Engram was double tough on the boards both offensively and defensively. Kathy Coronado, Suzi Bearss and Veronica Vidaurri were very enthusiastic and played well.

Scoring for Texico were: Kristen Null, 8; Kelly Cooper, 6; Joni Pate, 3; Donann Reed, 3; Barbara Autrey, 2; Brandi Mares, 2.

Coach King was pleased with the playing ability shown even though Texico lost. The Texico girls just switched over from volleyball to basketball, and have only been practicing about 2 weeks.

## 8th Girls

Farwell's 8th grade lost to Texico 52-31. Texico came out tough and held its lead.

"It was a good game; the kids were anxious to play, and we always have a good rivalry with Farwell," said coach Roy King.

King noted that many his Eighth Grade squad members practice after school, and that makes a big difference in playing ability.

Scoring for Texico were:

Tasha Shaw, 12; Carol Servatius, 9; Pamela McIntosh, 8; Kelly Delgado and Kelly Cooper, 7 each; Andrea Montano, 6; Jody Chadwick, 4; and Lori Stanley, 2.

King noted that Tasha Shaw and Jody Chadwick did a good job with ball handling in this game.

"We had lots of illness," said coach Patsy Camp.

Camp said Melanie Willebrand had a really good de-

fensive game. Chastity Gutierrez and Jo Vita Olmos did a good job offensively.

## JV Girls

The Farwell JV girls lost to Hale Center 39-35.

"I'm proud of the girls. They had first game jitters, but showed lots of composure on the floor," said coach Patsy Camp.

Farwell was down by 10 points at the start of the last quarter, but came back to within 2 at one point.

Lorri Murray, April Stout, and Shelly Bethel were Farwell's top scorers. "The rest played super on the press," said Camp.

The JV also lost to Sudan 54-32.

Farwell pulled ahead early in the game with a 12-10 first quarter score, but were defeated in the second quarter, 26-14. From there it was an uphill battle.

"We were ahead at the end of the first quarter, and then got sloppy," said coach Camp. "Hopefully we will see them again."

Farwell teams will play Grady here on Saturday.

Sudan, which is ranked in the top 10 schools in the state, beat Farwell by 49 points last year.

"We got beat, but we played very well," he said. "We're playing very well as a team."

Amy Murray led with 11 points and 8 rebounds. Molly Miller scored 10 points and 3 rebounds. Misty Stewart had 6 points and 3 steals. Katrina Stewart had 7 rebounds.

"The girls played a very good game. They missed some easy shots that could have put us in the game, but it was

a good team effort," he said. "I feel good that we played as well as we did," he noted.

This year's Farwell team is a little taller than in the past few years. Many of the girls have also played basketball together for several years.

"We are playing better defensively," said coach Libby. "We only had 4 turnovers in this game." Ball handling is also better this year than last.

The team will be stressing shooting practice this week. They played House on Tuesday and will play Grady on Saturday.

**Can your CD make this statement?**

Alliance Short-Term Multi Market Trust seeks higher yields than CDs and money market funds by investing in high quality, short-term securities around the world. And the Fund offers you two ways to invest with Class "A" and Class "B" shares.

Class A shares' yield of 10.28%, calculated according to SEC regulations, represents an annualization of the dividends paid on Fund shares during the month ended 9/30/90 and is based on the maximum offering prices on that day. Average annual total return since inception (5/5/89) of 10.83% assumes reinvestment of dividends and the maximum 3% sales charge.

Class B shares are subject to back-end sales charge if shares are redeemed during the first 3 years (3% year 1; 2% year 2 and 1% year 3). The Fund's Class B shares' 9.90% yield, calculated according to SEC regulations, represents an annualization of the dividends paid on Fund shares during the month ended 9/30/90. Average annual total return since inception (2/5/90) of 8.26% assumes reinvestment of dividends.

Neither class of shares of the Fund is guaranteed and past performance is not an indication of future performance. Net asset value and yield for both classes will fluctuate with changes in interest rates and other market conditions, so CLASS A SHARES

that an investor's shares, when redeemed, may be worth more or less than their original cost. CD's are insured and generally have fixed interest rates. CLASS B SHARES

# Longhorns roll over Meadow, 66-44

The Lazbuddie Longhorns won their state playoff opener Nov. 15 at home against the Meadow Broncos, 66-44.

In winning the 6-Man Bi-District title, the Longhorns showed that a team with a balanced attack usually can beat a team built around one runner. Lazbuddie was able to move the ball almost flawlessly through the air, via Paul Williams' passes, and on the ground, with Kirk Jesko carrying the ball.

But Meadow displayed virtually no passing attack and attempted to win with Cody Andrews moving the ball for them. While he did get free a couple of times, the Longhorns keyed on him and were able to shut him down effectively, especially in the second half.

Lazbuddie, now 8-3, was ranked 7th in the area in the final Lubbock newspaper standings, and Meadow, which had entered the game at 9-1, was ranked 6th.

The Longhorns now have a regional match with Guthrie, 11-0, at 7:30 p.m. Friday (today) at Bobcat Stadium in Smyer.

The game opened with Meadow kicking off. Lazbuddie was stopped and punted to the Bronco 36. Meadow moved to the Longhorn 16. After Jesko had a big tackle, Leland Brockman threw the quarterback for a 6-yard loss. Matt Cozbey's tackle created another 2 yard loss and a 4th down pass failed due to the line rush.

The Longhorns now went to work. Jesko took a pitch and rolled around end for a 56-yard TD. The Luis Gonzales kick made it 8-0 midway through the first period.

Meadow was stymied. Frank Gonzales had a big tackle and the Longhorns recovered a fumble at the Bronco 32. Williams then tossed a 32-yard TD bomb to Cozbey. After a high snap for the extra point, holder Doug Barnes passed to Cozbey for the extra point, making it 15-0.

Less than a minute later, Andrews broke loose up the middle for a 66-yard TD gallop. The kick was good - 15-8.

Lazbuddie responded 47 seconds later. A pass to Barnes gained 15. Jesko ran for 14. Then Williams flipped a short pass to Jesko who ran it in from the 30. The Gonzales kick made it 23-8.

Still in the first quarter, Meadow scored when Andrews, on a 4th and 8 play, ran 32 yards for a TD. The kick made it 23-16.

Less than a minute into the second quarter, Lazbuddie scored on a 9-yard TD run by Jesko. This came after he and Williams picked up big chunks of yardage on the ground. A

high snap on the extra point, but Barnes hit Cozbey again - 30-16.

Brockman had a good stop on the kick returner at the Bronco 25. A Frank Gonzales tackle forced a 4th and 9 at the Longhorn 26. Andrews was stopped this time by Eric Williams and Brockman. After an exchange of possession, Cozbey intercepted at the 40 and returned it 15 yards. A pass to Cozbey gained 17, followed by a 3-yard TD run by Jesko with 15 seconds left in the half. The kick failed - 36-16.

A diving stop by Jesko brought down the Bronco runner at the Longhorn 5 as time ran out in the half.

In the third quarter, Meadow had a 4th and 1 at the Longhorn 15 - but were held. Williams then passed to Cozbey for 20 and Luis Gonzales for 21. Williams ran for 20 and Luis Gonzales had a 5-yard TD run. The Gonzales kick made it 44-16.

A minute later, Broncho Vincent Garcia ran 62 yards for a TD. The kick was wide - 44-22.

Williams hit Luis Gonzales with a 49-yard scoring pass. The Gonzales kick made it 52-22.

Meadow didn't give up. Garcia scored on a 20-yard TD pass. The kick made it 52-30. An interception run by Garcia made it a 25-yard TD. The kick failed and it was 52-36.

In the 4th quarter, Lazbuddie iced the game. Jesko had runs of 37 and 10 yards, and a penalty gave the Longhorns a first down on the Bronco 10. The drive ended with a 1-yard TD plunge by Jesko. The kick was wide and it was 58-36.

After the teams exchanged possessions, Barnes had a big tackle. Luis Gonzales intercepted at mid field. Williams had 10 yard passes to Barnes and Cozbey, ran for 20 yards himself. Luis Gonzales bulled over from the 4 for a TD. His kick made it 66-36.

Meadow came back with a score with a minute left, making the final score 66-44.

Lazbuddie gained 275 yards on the ground and 268 in the air. Williams hit 11 of 22 passes. Jesko rushed 22 times for 194 yards. The Longhorns had 19 first downs. Cozbey caught 4 passes for 89 yards and Barnes nabbed 3 for 65.

## Barber, Reyes top essayists

For American Education Week, Nov. 11-17, students at Lazbuddie Schools wrote essays in English class. The two best essay writers from each class were treated to a pizza lunch in Muleshoe.

Selected were: 6th grade - Mandy Magby and Edward Terry; 7th grade - Julie McDonald and Marisol Godinez; 8th grade - Rachelle Rice and Ivette Reyes; 9th grade - Jarah Redwine and Gina Jarman; 10th grade - Leland Brockman and Paul Williams; 11th grade - Filemon Guzman Jr. and Stacey Barber; and 12th grade - Jana Vise and Stacie Hodges.

The best essays named were by Stacey Barber, senior high, and Ivette Reyes, junior high. Here's one:

### Educating Everyone... by Stacey Barber

Recently, in the United States, education has become more and more important. With our rising competitiveness with countries such as Japan, Germany and other countries, in which education is important, we want our schools to be of high quality and, of course, very competitive. The task of bringing our schools up to a level of greatness that will be similar to other schools, we must attempt to bring everyone in our schools together. We must educate everyone. It will take everyone to make schools great like they once were.

This closeness will change the way a school system presently works. Employees of a school will possibly face the greatest change. Since everyone should be working together, employees will have to be enthusiastic about their job. They should make whatever they do a learning experience. If they do not work directly with the learning process, they should understand that their job helps determine what a child learns. Janitors, cooks, nurses and maintenance people should be responsible for where they are working and play the role of the teacher, also.

This bonding of schools will also demand a great deal out of the school officials and administrators. These people will not only need to be worrying about taking care of the business aspect of school, but also helping set guidelines for providing an excellent learning environment for the students. Administrators have the power to carry out things brought up within the school. They should be used to the fullest extent.

Another group of people, and probably the most important group, are the students themselves. They are the backbone of the school. If the students have a positive attitude about school, then everyone will be involved in learning. If there are people who don't care, it will probably stop people from learning. Students should always keep a positive attitude toward school.

There are all kinds of factors that determine how a school is successful at educating everyone. The key is to "work together." If everyone will "work" together a change will be noticed in schools. Academic scores will go higher for everyone. The confidence meter will go up for everyone. Everyone will learn.

### Steers go on rampage

The Mavericks lost 3-0. The Jets tied 1-1.

The Steers won 3-0. Goals were scored by Brett Curtis, Jaime Maldonado, Mark Lunsford.

**Donations sought for foster kids**

Without the support of area residents, foster children in Deaf Smith, Parmer, Oldham and Castro counties likely face sad Christmas.

The Golden Spread Foster Parents Association is seeking donations to fund a Christmas celebration for local foster children. While state funds are supplied to assist with foster children's daily needs there is no allocation for Christmas.

The foster parents organization hopes to receive donations sufficient to allocate \$75 to \$100 per child for about 23 foster children in the four county area. The money will also be used to fund a Christmas party - including Santa Claus.

For more information, call Charlene Connally at 364-3936. Donations can be mailed to P.O. Box 2062 Hereford, Tx. 79045.

# Undefeated Steers blast past Booker

The undefeated Farwell Steers continued their winning ways last Friday as they captured the Bi-District Championship with a 36-6 victory over the Booker Broncos at Amarillo.

The victory gave Farwell a perfect 10-0 slate. Booker ended the season at 6-4-1.

Farwell faces Spur, 8-1, in the regional at Lowery Field in Lubbock. Spur had a bye last week. The game will be at 7:30 p.m. today (Friday).

Here's how to get to Lowery Field: It's in the southeast corner of Lubbock at 66th Street and Ave. P. Take the 289 South Loop to the Tahoka Highway interchange, going north. At 66th Street, turn west and that takes you to the field.

## Some 'pep' needed

There will be a community wide pep rally at the Farwell football field at 7 p.m. Thursday.

Workout starts at 6 p.m. under the lights. The public is invited.

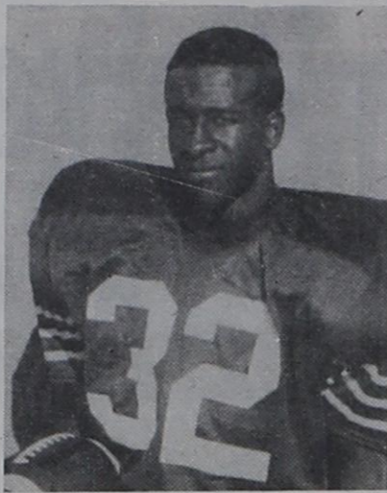

The happiness over the win was marred, however, by an injury to Darren Haseloff with three minutes left in the game. He broke his arm. Haseloff has been playing tight end, middle linebacker, kicker and place kicker. His kicks into the end zone had continually given the Steers good field position throughout the season.

Farwell started the game kicking off to the Kiowa 19. An offside penalty helped Booker to a first down. The Kiowas were held and punted to the Steer 35, where Shawn Stewart took the punt and returned it to midfield. Greg Atkinson hit Stewart with a 17 yard pass. Then Stewart ran 36 yards to the Kiowa 1. Atkinson scored from the 1 at 6:33. Joel Smith scored the extra points on a run and Farwell led 8-0.

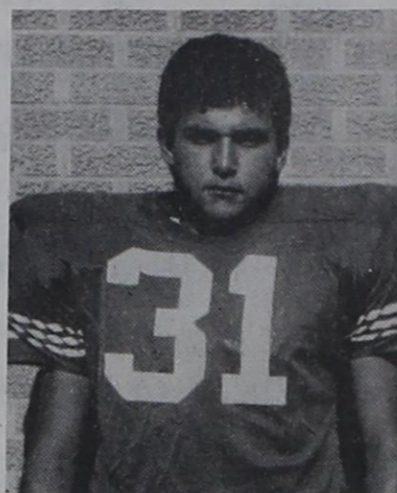

Farwell kicked off to the Booker 15. Haseloff recovered a fumble at the Kiowa 1. Stewart punched over for the TD at 5:21. Two points were added when Monty Delgado took a pass from Atkinson to make it 16-0.

Booker started on its 24 and moved the ball behind good runs and a defensive pass interference penalty. Then Heath Dollar and Haseloff had big tackles. On 4th and 6 at the Steer 32, Booker punted into the end zone.

## Steers of the Week

Shawn Stewart

Monty Delgado

Offensive Player of the Game was Shawn Stewart, left. He rushed 12 times for 138 yards and 4 TDs, plus 2 catches for 25 yards. Defensive Player of the Game was Monty Delgado, with 6 tackles, 1 recovered fumble and 3 interceptions.

Booker got the ball back quickly on an interception at its 45 as the first quarter ended. Booker was held and had a bad punt when the punter dropped the ball at first. So Farwell took over on the Booker 35. A pass to Smith gained 10 and a pass to Delgado added 16 more. Stewart ran the final 9 yards for the TD at 9:36. A pass for extra points failed and Farwell led 22-0.

The teams exchanged possessions as both offenses stalled. Delgado had an interception at the Steer 47. Stewart caught a 6 yard pass but a 4th down pass failed at the Booker 47.

Delgado then intercepted another pass at the Steer 36. But Booker intercepted on the next play at its 30. With 1 second left in the half, Atkinson intercepted a "Hail Mary" pass.

In the third quarter, Farwell put on an extended march. It included runs by Smith and Stewart, and a caught pass by lineman Ruben Lucio after the ball was tipped. On 4th down at the Booker 27, Delgado caught an 8 yarder for a first down. A pass to Haseloff gained 15. And Stewart ran the final 12 yards for the TD at 7:33. The Haseloff kick made it 29-0.

Michael Arce had a good tackle on the kick returner at the Booker 34. And Farwell recovered a fumble at the Booker 36.

Farwell was stopped.

On defense, Arce had a quarterback sack for a 10 yard loss. He and Haseloff had excellent tackles on the next two plays, forcing Booker to punt.

In their 4th quarter, Arce had another QB sack (with help of other linemen). And a 4th down pass was intercepted by Atkinson who returned it 20 yards to the Steer 43.

After a 13 yard run by Delgado, Stewart took a pitch and raced 53 yards for the TD at 6:46. The Haseloff kick made it 36-0.

Coach Rex Cumpton began substituting freely with 5 minutes left. With 38 seconds remaining in the game, Booker scored from the 1. The pass for extra points was intercepted by Delgado who almost ran it back all the way for 2 points for Farwell.

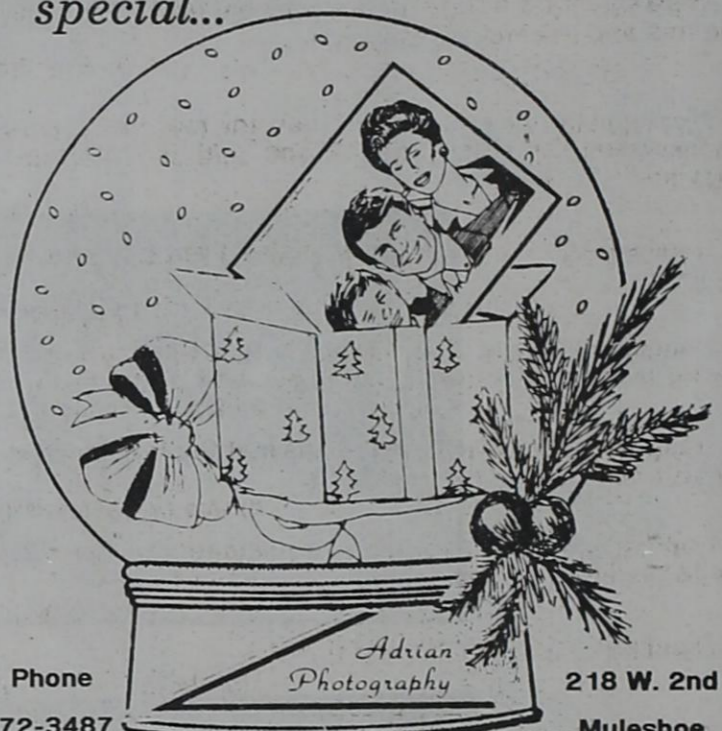

With 14 seconds left, Chad Byrd had a leaping interception.

Coach Cumpton commented: "We are excited about being the Bi-District champions. Our players have worked hard to get to this point. We really had some shining moments in the game and some places we didn't play too well. We will be facing the best team we've played all year Friday night. We must be ready to play."

Individual statistics: Rushing - Stewart, 12 for 138 yards; Smith, 4 for 7; Delgado, 6 for 25; Kirk Lingnau, 1 for 4; Atkinson, 3 for 5. Receiving - Stewart, 2 for 25 yards; Delgado, 3 for 21; Haseloff, 1 for 12; Smith, 1 for 14.

Team statistics: Rushing - Farwell, 29 for 183; Booker, 49 for 137; Passing - Farwell, 7 of 18 for 72 yards; Booker, 8 of 24 for 73; First downs - Farwell 13, Booker 14. Punts - Farwell, 4 for 25 yard average; Booker, 7 for 38 yard average. Penalties - Farwell, 4 for 30; Booker, 2 for 5.

For some kids the truth about Santa is he's not coming.

You can change that. You can make sure Santa comes to kids in shelters, in children's homes, in hospitals, in families that just can't afford Christmas. Become a Sunbelt Santa. Bring a new unwrapped toy to any Sunbelt Savings branch where you see the bright red Sunbelt Santas banner between now and Christmas. Call 1-800-527-5165 for the address of your nearest Sunbelt branch. We'll work with community organizations to make sure your gift goes to the right boy or girl. The children won't know the presents came from you. Or from us. But they will learn the real truth. That somebody cares.

# Texico students again plan for 'Odyssey of the Mind'

Odyssey of the Mind is a problem solving competition for junior high and high school age students. The students are divided into teams and they are set to work solving tasks that require higher level thinking skills.

Last year Texico students participated in the Odyssey of the Mind competition for the first time. High school teams finished first and third in the state of New Mexico, and 23rd in the national competition in Ames, Iowa. The junior high team finished fourth in the state of New Mexico.

This year Texico students are off to a good start planning and preparing for the spring competitions.

This year's members include: Adam Burford, Joni Pate, Peggy Kelley, Lonnie Cross, Shawna Bryant, Warren Martin, Jared Servatius, Chad Barnes, Dwayne Hamilton, Kenny Shaw, Stephen Cloud, Chesna Campbell, Dara Jenkins, Lorissa Pate, Charles Williams, Mike Litzelman, Brandon Schauf, Leslie Servatius, Amy Chadwick, Jessica Bolton, Tina Smith, Donann Reed, Brandon Rodarte, Sky Byrum, Greg Akers, and Penny Pierce.

Warren Martin will be the president of the Texico Odyssey of the Mind Club, and Dwayne Hamilton will be the vice-president. Lorissa Pate will serve as secretary/treasurer.

So far, the group has met four times. As they meet this year, they will need to organize themselves into groups, pick a project, do research and plan their project. Then they will have to carry these project out. Along the way each group will have some short term activities to carry out as well.

Each group this year may pick one of five projects. They are outlined below:

**Buggy Lite:** The team's problem is to create a theme that incorporates a lightweight, battery - powered vehicle that the team designs, constructs, and drives. The vehicle must attempt to attach itself to a trailer, tow the trailer, detach the trailer, travel between specific locations, move in reverse, travel over an obstacle, then come to rest in a specified parking place.

**Give and Go:** The team's problem is to make four separate devices that relay tennis balls from different locations into a container. Team - made obstacles will block the ball's direct path.

**Classics...Pompeii:** The team's problem is to create and to present an original performance that includes a scene taking place in the ancient city of Pompeii before or during its devastation. The performance must be supported with team - made works of art presented in various media.

**Tunnel Structure:** The team's problem is to make and to test a balsa wood structure. The structure will have a horizontal opening running through it that may vary in size. The structure will be tested to hold weight.

**Transformation:** The team's problem is to create and to present a performance that shows a series of real or imaginary changes or evolutions of something. Photographs and/or drawings illustrating each phase of transformation must be presented.

To plan for the competitions, the groups have had direction from sponsors Joel Pate, Paul Leighton, Nadine Maben and Eddie West. They have also had a workshop with Lori Silverman on drama.

The groups will compete April 13 in the state competitions and, hopefully, in June in Knoxville, Tenn., for the nationals.

The Odyssey of the Mind's state sponsor in New Mexico is the state's special education department. The corporate sponsor nationwide is IBM.

# Wolverines claw way to state title

By JANICE JENKINS

For the first time since 1983, the Texico Wolverines rule Class A football in the state of New Mexico.

The Wolverines stormed past Hagerman last Friday, 28-0, to win the state championship. Texico ends the season with a sparkling 11-1 record. And it marked the second time it had defeated Hagerman. The Wolverines won their district game, 21-15.

To beat Hagerman, coached by former Wolverine coach David Lynn, the Wolverines used a tenacious defense. And with Hagerman keying on star running back Josh Autrey, room was left for quarterback Benky McDaniel to plow his way for 141 rushing yards.

Texico kicked off to open the game before a huge Texico crowd. Tom Derouin and Steve Horner made the first tackle. Hagerman was quickly forced to punt, their first of four punts

on the evening.

Texico was held. The Wolverines faked a punt on 4th down and an illegal receiver penalty against Texico gave the ball to Hagerman in good field position. But again, Hagerman was stymied.

Texico's Dwayne Hamilton and Warren Martin both had super nights on defense. It looked like it was going to be a low scoring game as the defenses seemed strong.

Suddenly, it changed. McDaniel broke up the middle on a keeper for a first and 10. Then he found Freddy Chavez downfield wide open. Chavez caught the pass and scampered for a 48-yard TD at 4:54 of the first quarter. Hector Orozco's kick made it 7-0.

On Hagerman's second play, Hamilton recovered a fumble. Texico began marching downfield steadily behind Autrey and McDaniel rushes. McDaniel hurled a pass into the end zone and Hagerman was called for pass interference. McDaniel then scored Texico's 2nd TD on a keeper with 26 seconds left in the quarter from the 2 yard line. Orozco's kick was perfect and it was 14-0.

Hagerman started at its 29. Martin busted through and tackled the runner for a loss. McDaniel's tackle made it 3rd and 9. Rusty Foreman and Lilo Montano then stopped Hagerman short of a first down, forcing a punt.

Autrey returned the punt to the 42 yard line. Greg Akers carried for 7 yards and Autrey made the first down. A holding penalty stopped this drive.

On defense, Akers made an excellent tackle and Foreman pressured the QB into an incomplete pass. Hagerman punted to the Wolverine 23.

Hagerman intercepted at mid field. After a pass interference call against Texico, the Wolverine defense again dominated. Horner made a strong tackle, as did Montano. With time running out, Hagerman resorted to the "bomb" but two long passes fell incomplete as the half ended.

In the third quarter, Texico started at its 25. Autrey rambled for a first down, then McDaniel did the same. After short carries by McDaniel, Autrey and Akers, Texico faced a 4th and 11. They ran a successful draw play but a clipping penalty forced a punt.

Billy Rogers and Louie Delgado tackled the punt returner. Good tackles were made by Derouin and Josefre Gonzales. Akers and Orozco collaborated on a QB sack. The Hagerman QB tried another pass, but Orozco picked it off and ran it back to the 17 yard line.

Orozco gained a first down on a run up the gut. Then he carried to the 1 yard line, breaking tackles. Autrey ran around end and dived into the end zone for the TD at 3:40 of the third quarter. Orozco's kick made it 21-0.

A host of Wolverines tackled the kick returner. After a Hagerman first down, Lilo Montano forced a fumble, recovered by Derouin.

McDaniel ran up the middle 49 yards for his 2nd TD with 57 seconds left in the third period. It was a great run. It looked like two Hagerman players would tackle him but he went into fourth gear to score untouched. Orozco's kick made it 28-0.

Hagerman made good yardage on the ground and a face mask penalty put the ball on the Texico 25. Orozco made an excellent tackle. Hagerman fumbled but recovered it as the

quarter ended.

On defense, good tackles were made by Kenny Shaw, Foreman, Derouin, Akers, Orozco and Martin. Hagerman tried to pass for a TD through the air but it was intercepted by Autrey, leaping between two Hagerman receivers.

"We played just super," said coach Bruce Scroggins. "It was the best we played all year. We got the breaks we needed. Hagerman keyed up on us, but we found ways to score where we needed to."

As for the Players of the Week, Scroggins said, "It was a team effort; we finally came together. Several people on the sidelines came in and did what they needed to do."

He noted that he had some important help this year. "Coach Luscombe did a good job as defensive coordinator and Coach Gallegos and his scout team were great."

Individual statistics: Rushing - Autrey, 18 for 84 yards; Orozco, 2 for 18; McDaniel, 21 for 141; Greg Akers, 6 for 17. Receiving - Freddy Chavez, 1 for 48 yards. Passing - McDaniel, 1 for 6 and 48 yards.

Team statistics: First downs - Texico 10, Hagerman 7. Rushing yards - texico, 47 for 260, Hagerman, 31 for 117. Passing yards - Texico, 48, Hagerman 21. Total yards - Texico 308, Hagerman 138. Passes intercepted - Texico 2, Hagerman 2 (by Orozco and Autrey). Punts - Texico, 2 for 29 yard average, Hagerman, 4 for 41 yard average. Penalties - Texico, 6 for 75 yards; Hagerman, 3 for 14.

Lazbuddie Elementary School has named its Citizens of the Month for October. Each student's photo is showcased in front of the elementary office. Also, they receive special recognition and get ribbons and congratulations from principal Anne Farris. Named were: Brady Mimms, kindergarten, son of Clay and Reta Mimms; Malicia Franco, first grade, daughter of Raul and Elisa Franco; Fabian Guzman, second grade, son of Filemon and Gloria Guzman; Tyler Gartin, third grade, son of Steve and Tonya Gartin; Ricky Toscano, fourth grade, son of Frank and Mary Vasquez, and Deon Gallman, fifth grade, son of Robert and Ellen Gallman.

### Coach receives 'Ferrari, watch and jar full of \$\$'

Texico Football Coach Bruce Scroggins received a few tokens of esteem from Texico High School for coaching the team to a state championship. Among the gifts were: a Ferrari, a watch, and a jar full of money. The car was a plastic model; the watch was a plastic Barbie Doll watch, and the jar was full of "funny" money.

### Film on tap

Farwell Elementary School will attend the Disney film "Fantasia" Nov. 27 in Clovis.

### Rates upped

Texas insurance officials Monday approved higher property insurance rates. Parmer County falls in Rating Territory 18. The hike probably will mean an increase of 15 or 16 percent to the local rates.

### Farwell Convalescent Center Chit Chat

by Lynne Gann Activity Director

This is truly a time of Thanksgiving!

Our annual Family Thanksgiving Dinner was "so very enjoyable," as one of our sweet ladies described it. We had eight turkeys, dressing, rolls, potatoes, salads, fruit, vegetable dishes of every kind, pies, cakes cobblers and varied other tasty dishes brought by the family members of our residents. It was a very hard decision to make one's mind up on what to sample and how much the plate could hold without over flowing. It was a large feast of which we must compliment the chefs for their multi-talented skills.

There were approximately 200 served counting our residents. We extend our thanks to each of you for sharing our family day of Thanksgiving with us.

The FCC Auxiliary voted to purchase an artificial Christmas tree and the decorations for our new sun room. As this is the first year for decorating the sun room, a group effort is being made to ensure the residents have a lovely bright decorative beginning. We begin to decorate the sun room and our center the third of December. Anyone who wishes to donate decorations may contact me weekdays from 8:30 - 4:30. Your donations are most appreciated by all.

As always, thank you for being you!
