Cleanup attack continues

Patience is needed

I bet I was one of the very few columnists who wrote, just after the Iraqi crisis broke, that I didn't expect imminent military action but that the crisis would really start when Iraq would begin running out of funds and supplies.

It's always tough to write a column like that. If war had broken out immediately, I would have had some egg on my face.

But I really didn't see the Iraqis striking into Saudi Arabia. And I believe events have proven that I was correct. Of course, if you had watched TV in the days immediately following the Kuwaiti invasion, there would have been no question that an attack against the Saudis was next in line - that's what the TV newscasters kept shouting.

Now that the news media hysteria is somewhat subsiding, we can take a clearer look at the situation. As I wrote, wars usually emanate from economics and this crisis falls into that mold.

I support what President Bush has done so far. I believe we don't need to send any more troops into the Gulf area, but should continue to intercept cargo going to and from Iraqi ports. Unless Iraq establishes a lifeline somewhere (and I don't think Iran will help here, not after 10 years of bloodshed), then it is only a matter of time before Iraq is brought to its knees.

Many countries can exist through a boycott. But when you have 300,000 troops under arms - well, they expect to be paid. And if they don't get their money, you have a problem.

In the coming days and weeks, you can expect to hear all sorts of silly pronouncements from Baghdad, such as calls for a Jihad (holy war) against the Americans. I can't believe how this foolishness got big play in the U.S. media. If I had a dollar for every Jihad called by some Arabic leader or government over the years against the U.S., I would be a wealthy man today.

That's the worst part of a situation involving some comic world leader. Our news media strives to give "fair play" and thus over-emphasizes whatever stupidity is shouted out.

As far as I'm concerned, a call for a Jihad is not news and doesn't need to be stressed, except on the back pages next to the comic section. And the same thing goes for Hussein's pronouncements that Iraq will never part with Kuwait. At the same time he is making these statements (with big coverage), his state department is trying to make a deal to end the crisis by giving up Kuwait, now a raped state.

About the only thing I really enjoyed during this crisis so far is President Bush's remarks that he wasn't going to stop his vacation just because of some Iraqi. I only wish the news media would understand the philosophical concept involved. However, they are not that smart.

Let's take a look at the Gorbachev - Bush summit last weekend. Big news. Top of Page 1. Lead story on the Nightly News. First-hand, live coverage from Helsinki. Results: Bush is really happy!

Now if I asked you what was accomplished at the summit, other than the U.S. and USSR simply restating their positions on the Iraqi crisis, how would you respond?

I know what I would say: the summit achieved nothing.

The Texico City Council Tuesday continued its program of renovating the community.

Highlights were:

* Voted to buy 30 pecan trees for placing at KKR Park. Councilman Oran Jay Autrey is in charge of this project. Also, councilman Butch Tharp will get cost estimates for a drip irrigation system to be installed at both city parks. This will help insure that the trees thrive.

* Authorized Autrey to dredge the KKR Park pool. He will be assisted by Tharp. The work will be done at cost. Texico had advertised in the Clovis paper for bids to dredge the pond but none were received.

* Noted that Waste Management had placed a large container in back of City Hall. No metal or household trash are to be placed there. It is to be used for large items that don't fit into the Polykarts.

* Decided to wait until after the Sept. 20-22 cleanup before continuing its attack on "wrecked, dismantled or non-working" vehicles. The council stressed that residents should take advantage of the Sept. 20-22 cleanup to remove these vehicles from their property.

* Heard City Clerk-Treasurer Marie Christian report she had almost a full sheet of names of residents who had large items they wanted hauled away during the cleanup. This list likely will be given the Curry County Highway Department to handle. The county will have equipment in Texico Sept. 21-22. City Water Supt. Billy Hammit will coordinate this.

* The Texico landfill will be open Saturday from 1 to 4 p.m. It was not open last Saturday and Autrey said he received about 10 calls from residents wanting to use it. Here's what can be placed there:

- Household trash must be placed in the transfer station.
- Metal must be placed in a stack in the designated area.
- Burnable wood items must be placed in the "burn pile."

A decision will be made later on whether to keep the landfill open Saturdays after the Sept. 20-22 cleanup. * Councilman Ronnie Warmuth, in charge of the cleanup campaign, emphasized that residents who have large items of junk they need help with are asked to call City Hall before Sept. 19. Also, residents are asked to put out their junk along the city streets Sept. 21. Trucks will begin rolling early on the morning of Sept. 22.

Folks who would like to help with the cleanup are asked to be at City Hall at 8 a.m. mdt Sept. 22 to be organized into work crews.

* Received one bid for the annual chip and seal street program, from Eastwood Construction. The city will spend about \$43,000 on this year's program. Eastwood will do the work.

Texico doubles utility deposits

The Texico City Council voted Tuesday to raise its utility deposit from \$30 to \$60.

This is due to folks running up large utility bills, then leaving the community.

The hike likely will go into effect in early October, after the legal ad changing the city ordinance is published.

Also, the council will begin filing liens on delinquent accounts, usually about 60 days in arrears. Property owners will be notified. This will put more pressure on property owners to get higher deposits from their renters.

In other business, the council:

- Hired Brent Byrum, deputy Curry County sheriff and former Texico marshal, to be the city's animal control officer.

Byrum will use his own equipment. He will work up to a maximum of 40 hours a month at \$8 an hour. He also is empowered to issue citations.

Farwell sets tax rate

The Farwell City Council adopted a new tax rate Tuesday that will mean each resident will pay a little more than a \$1 extra for taxes next year.

The new rate is .2853 cents, up from .2808 last year. This will provide about \$1,800 more revenue.

In other business, the council accepted the census review. It showed 1,373 residents, down one from 1980. It also showed 547 housing units in Farwell, with 45 being vacant.

The council accepted the request of Michael Marlow to have a hearing for a variance. He wants to move a mobile home in the area behind Farwell Grain Exchange.

Certified letters will be sent to property owners within 200 feet. The council will vote Sept. 25 on the variance

- Scheduled a special meeting for 6:30 p.m. mdt Sept. 18 to discuss school traffic flow on Griffin. The Texico School Board will be asked to attend. Parents and other interested citizens also are invited.

Marshal Walt Causey said he saw "three kids about get killed near the playground." He wants the gate on Griffin at Leftwich (at the south end of the school playground) closed at 7:30 a.m. He suggested getting volunteers to man that gate, or possibly keeping it locked.

Councilman Ronnie Warmuth said a letter was sent home to parents recently saying that pupils should not arrive before 7:45 a.m. However, he said there are kids in the playground as early as 7:15 each morning.

Causey went into detail on traffic problems when youths are let off in the morning and he said it was very dangerous.

request. A salesman from Incode, Lubbock, attended the meeting to discuss computerizing the utility billing system. He presented an estimate of

Texico student enrollment up

This year's enrollment has increased to 510 students, the Texico School Board was told Tuesday night.

In other business, the board:

- Hired Raquel Pena as a kindergarten aide.

- Received an extra \$30,085 from the Regional Cooperative Center Fund for its special education program.

- Scheduled an open house - parent-teacher conference day Nov. 1. There will be

Scores were generally lower during the second week of the Area Merchants Football Contest as 5 entrants managed to pick 10 of the 12 games correctly.

The winner, by virtue of being closest to the tie breaker, was Rex Cumpston. He had 10 games right and also picked the tie breaker right on the button - Amarillo 17, Clovis 14. Thus, Cumpston won the weekly cash prize of \$10.

Winning the second place prize of \$5 was Shawn Stewart. He had 10 games picked correctly and was 4 off the tie breaker.

Others with 10 right (and their totals off the tie breaker) were Marsha Hamilton, 14; Fuji Ortiz, 13, and Michael Arnold, 17.

After two weeks into the 12-week contest, the leader is Shawn Stewart, with 19 points. Next week, the Tribune will begin running the "leader board."

Those with 9 right were: Lesley Curtis, Heath Dollar, Bob Dollar, Betty Dollar, Mike Camp, Dale Rubio, Becky Murphy, Gaye Roberts, Maurice Smith, Jill Actkinson, R.E. Blankenship and Carl Dean Goettsch.

Last week's results were: Texico over Cloudcroft, Farwell over Plains, McLean over Lazbuddie, Muleshoe over Brownfield, Ohio State over Texas Tech, LSU over Georgia, Texas over Penn State, Oklahoma over UCLA, Dallas over San Diego, Atlanta over Houston, Buffalo over Indianapolis, Washington over Phoenix.

The major reason scores were lower were due to the upsets:

- Muleshoe, winless last season, shocked Brownfield.

- Lazbuddie, a perennial strong 6-man squad under coach C.W. Williams, lost its season opener.

- The Dallas Cowboy broke its history-making string of home losses by stunning the Chargers.

- And Texas let Penn State know that the Longhorns are back in the winner's circle.

\$8,000 for the software and hardware.

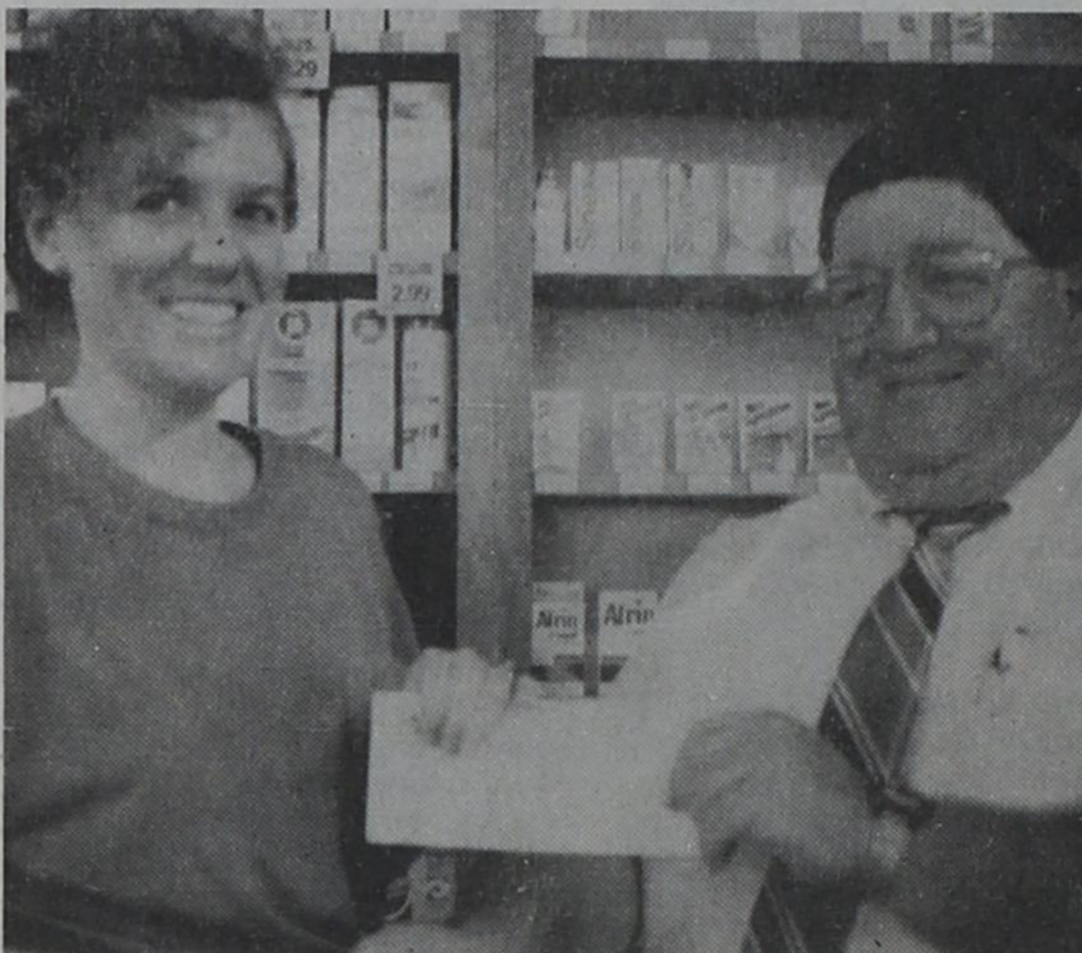

He will return to the next meeting with a computer and program so the council can see how it will work.

no classes. Teachers will be available to meet with parents from 8 a.m. to 1 p.m. and 5 to 9 p.m.

- Heard that the Regional School Board meeting will be Oct. 1 in San Jon.

- Denied a request by Grady Schools. Grady wanted to send one of its buses into the Texico school district and bus a couple of students to Grady.

Elected officials received 5

Rex Cumpston receives his first place check for winning last week's football contest from Donna Ratke, pharmacist-owner of Farwell United Drugs, one of the contest sponsors.

Rules for the 1990 contest will be the same as in the past. A person must be at least 12 years of age to enter. Games will be divided among high school, college and professional ranks. In case of a tie game, unless a tie is predicted by the entrant, the game will not be counted.

Each entrant must remember to pick a tie-breaker score, a very important feature of the contest since

many weekly winners (and some overall grand prize winners) have been determined by tie breakers.

Each week's scoring is tabulated and kept on public view at the Tribune office. Standings are posted each Monday and may be seen during regular business hours.

All entry blanks must be turned in to the Tribune office by 5 p.m. cdt Fridays, or if mailed, must bear a Friday postmark.

School finances turn around

The Farwell School Board Tuesday heard school bookkeeper Leandra Byrd report that the school's annual audit is currently being conducted by De'Aun Willoughby, CPA. The preliminary figures show that the school system has turned its budget problems around in the past year.

Last year the school system had projected that it would spend all of its reserves if it continued spending at the rate that it was. Mrs. Byrd reported that the spending trends had changed, and that there was a carryover of \$55,732.07 for the 1989-90 school year.

The school system had implemented several spending cuts and had reduced the staff to save money.

"Finances have turned around since November," said School Supt. Richard Boothby.

The board hired Carol Faulkner as a third grade teacher. Parmer County Sheriff Department's D.A.R.E. officer, Karen Britten, spoke about the drug abuse resistance education that she has been trained to offer the children of Parmer County. She told of the successes of the program in Hereford and in other communities. And, she told the board that she is prepared to begin working with the youth in Farwell as well as Friona, Bovina and Lazbuddie.

The board tabled any action on the D.A.R.E. program until it has time to talk to the principals of the schools about the programs they already have for drug education, and compare these to the D.A.R.E. program.

Board members reviewed the teachers' schedules as designed by the principals.

They approved the transfer of three students into the Farwell School district.

They discussed the vandalism that occurred at the schools this summer and the break-in that occurred Labor Day Weekend. The board is offering a \$500 reward for information leading to the arrest or conviction of persons responsible for the theft of an Apple computer and printer from Farwell High School.

County taxes stay the same

The Parmer County Commissioners Monday approved the same tax rate as last year. .3050 cents.

This includes: general fund, .2326 cents, and farm to market fund, .0724 cents.

Elected officials received 5

percent pay hikes and county employees got 3 percent pay raises. There were two exceptions:

- The county sheriff and his deputies received 10 percent raises.

Obituaries

Edith St. Clair

Services were held Sept. 7 at open-air chapel at Center Plains Cemetery near Cotton Center, Texas, for Edith Dyer St. Clair, 81, of Spearman. John Scott, minister of Spearman Church

of Christ, officiated. Arrangements were handled by Boxwell Brothers Funeral Home. She died Sept. 5 in Hansford Hospital in Spearman after a brief hospitalization.

Mrs. St. Clair was born in Lipon to J.I. and Maggie Dyer. When a young child, the family lived in Collinsworth County, Texas, for several years. The family moved to the Plains in 1920; home was between Hale Center and Littlefield.

She married John W. St. Clair Sept. 27, 1928. He died in 1979.

She lived in Cotton Center area until 1956, except for a brief stay in the Rio Grande Valley and 6 years in Fence Lake, N.M. She moved to Muleshoe in 1956. She resided in Hansford Manor in Spearman from 1987 until her death.

She was a member of the Church of Christ, Pleasant Valley Social Club and Hobby Club.

Surviving are a son, Johnnie, of Muleshoe; 2 daughters, Darlene Pierce of Spearman and Juanita Hadley of Texico; 2 sisters, Imogene Fisher of Hale Center and Vanna Mae Elkins of Olton; 6 grandchildren and 5 great-grandsons.

Casket bearers were Johnny St. Clair, Allan Myers, Wilton Cox, Trenton Cox, Brandon Cox and Devon Cox.

- Annual salaries for the Justices of the Peace were raised from \$9,100 to \$10,000 for each one.

The annual budget hearing went quickly. Virtually the only visitors present were county officials.

Earlier in the day, the commissioners:

- Approved buying a paper shredder for the sheriff's department.
- Received two bids for three new maintainers for the Bovina precinct. The bid of West Texas Equipment was accepted - \$45,000. Yellowhouse Machinery bid \$74,500. Totals included trade-ins.

Prayer meeting held

The youth from First Baptist Church in Farwell participated in a statewide prayer meeting at 7 a.m. Sept. 12 called "See You at the Pole."

They gathered at the flagpole for a prayer before school to kick off a program to "claim their high school for Christ."

Banter

Oh, yeah. It sent a message to Iraq. Of course, that was the same message sent the week before. But that was old news. Maybe next week they'll send another message.

As you can see, I'm very critical of the part the news

media has played in this "crisis." I really believe the TV newscasters have helped foment hysteria - so they can get bigger ratings. That's not a good sign but an indication of more economics - the networks find their financial

heels being snapped at by cable. And, thus, the American people find themselves being used.

All I can say, in this simple column that reaches so few folks in this great country of ours, is that it's a time for patience. Ignore the blustery statements being thrown out by penny-ante dictators. Ignore the news media hype.

Just sit back and wait for the boycott to be effective, thus resolving the situation in a way we want. That will happen, but it will take time.

And it beats heck out of warfare that will cost the lives of many Americans.

Did you see that tractor the other weekend in the pit behind Helton Oil.

It involved a joy ride by some Portales youths who wanted to see their Texico girl friends. Apparently, police say, they grabbed a tractor for the trip.

Anyway, the tractor broke and had to be fixed in the pit before it could travel back to Portales.

Here's a prediction for some years down the road: Brandon Kirkland is getting to be a darned good calf roper. Maybe we'll see his name as a major event champion later this decade. Remember - you saw it here first.

The Farwell Steers were ranked No. 3 in the state of Texas in this week's Associated Press poll. Munday was ranked first and Italy second.

Is that the whole nation of Italy?

Rumor of the Week: The Chat 'n Chew Restaurant may be opening soon under new management.

Same tax rate OK'd

The Lazbuddie School Board Tuesday officially approved the tax rate of 98 cents per \$100 valuation - the same as last year's rate.

The board approved Lazbuddie's participation in the countywide D.A.R.E. program of drug abuse resistance education. The program will be taught by sheriff's department deputy Karen Britten.

The board also:

- Established the date for the annual fall carnival. It will be called the Harvest Festival, and will be Oct. 27.
- Purchased a copy machine.

Raised the deductible on property insurance from \$1,000 to \$10,000. This move will save the schools \$5,398 in premiums each year.

Approved the use of the schools for adult education classes which will begin after harvest.

Heard reports from several students who had attended special conferences and seminars this summer.

Jason Morris and Casey Bradshaw told about the FFA Leadership Training they attended in Austin. Clint Farris and Stacey Barber told about the Y.E.S. Conference they attended in Amarillo. Jana Vise told about attending Girls State in Seguin. Juanita Ramos told about the Farm Bureau Leadership Conference. Lori McBroom told about the Youth Exchange with Seniors program.

Scott receives probation

The following cases were heard in 287th District Court with Judge Jack D. Young presiding:

Jesse Garcia, Friona, pled guilty on Sept. 6 to a charge of burglary of a building. He was sentenced to 3 years probation, \$500 fine, court costs and restitution.

Michael Craig Scott pled guilty to involuntary manslaughter on Sept. 6. He received 5 years probation, \$600 fine and court costs.

Evelyn Smith

Evelyn Ruth Smith, 46, Fritch, died on Aug. 29 at St. Anthony's Hospice in Amarillo.

She was a native of Borger, and had lived in Fritch for 12 years. She was a housewife and a Baptist.

Survivors include her husband, Floyd, "Smitty" of the home; 2 daughters, Lynn Gribben, San Antonio; and Christi Forsha of Fritch; 2 stepdaughters, Carlena Smith of Fritch, and Teresa Jupe of Farwell; and 9 grandchildren.

Mendoza elected senator

Isela Mendoza

Isela Mendoza of Farwell attended Girls State in Seguin this summer. The experience gave her a good grasp of the way that government works.

Part of each day the girls listened to experienced people discuss the ways that government works. Part of the day they put those theories into action.

When girls arrived at Girls State, they ran for election to an office. Some of the 600 delegates were elected to state positions such as governor, or senator or legislator, others were elected to county or local positions.

Isela was elected to the Senate of Girls State. There she participated in writing bills and debating issues.

This year the issues included: 1. Should there be a state lottery?, 2. Should abortion be legal? 3. Should smoking be allowed in public restrooms?, 4. Should students under 18 years of age be allowed to get a driver's license without taking a driver's education course?

The issues debated are real issues of our society, but they are also issues of interest to young people. Sometimes the debates became pretty emotional.

Isela found that her beliefs were a little more conservative than many of the other delegates in the group. The lottery issue, for instance, passed in the Senate at Girls State even though Isela voted against it. And, the abortion issue also passed over her negative vote.

She wasn't afraid to vote against something just because others in the group favored it. There was no pressure on the delegates to think the same way that everyone else did. They were encouraged to exercise their freedom.

Isela agreed with the majority of the delegates on the smoking and driver's education issues.

Days at Girls State were full from early morning calisthenics to late evening chats with new friends. There was lots to do and lots to learn.

One of the interesting features of the Girls State experience this year was hearing a speech by Ann Richards, candidate for governor.

Recipe of Week

Apricot Snack mix

- 3 c. rolled oats
- 2 c. oat bran
- 2 tsp. cinnamon
- 1/2 tsp. nutmeg
- 1 c. walnut halves, broken
- 1 c. almonds, coarsely chopped
- 1/2 c. raw sunflower seeds
- 5 Tbs. vegetable oil
- 3/4 c. honey, melted
- 1 1/3 c. California dried apricots, quartered (6 oz.)
- 3/4 c. raisins

Preheat oven to 325 degrees. Mix first 6 ingredients together. Drizzle oil over mixture and toss until coated. Drizzle melted honey and continue tossing until coated. Mixture should be clumpy.

Divide mixture onto two cookie sheets, spreading evenly. In top third of oven, bake 20 minutes. Remove from oven; stir with a wooden spoon, mixing thoroughly. Continue to bake 30 minutes more, stirring every 10 minutes. Return snack mix to bowl; add dried fruits. Toss gently and cool.

Can be stored for 2 weeks in an airtight container or frozen up to 2 months. Makes 20 servings, approximately 265 calories per 1/2 cup serving; 7 g. protein, 34 g. carbohydrate, 13 g. fat, 9 mg. cholesterol, 5 mg. sodium and 4 g. dietary fiber.

'Faith can lift you up' Is luncheon devotional

Texico blanks Cloudcroft

By JANICE JENKINS

The Texico Wolverines powered their way to a second consecutive 26-0 victory last Friday, this time over Cloudcroft in an away game.

Texico is now 2-0. Texico was able to drive down field quickly. On their first possession, they got to the Cloudcroft 1 before losing a fumble.

But the Wolverines didn't get discouraged. And with 7:07 left in the first quarter, Josh Autrey ran in 6 yards for their first TD. Hector Orozco kicked the extra point and Texico led 7-0.

The Wolverines were inside the 5 yard line more times

during the first half but were unable to score. Meanwhile, their strong defense held Cloudcroft out of its end zone.

Texico came out of the halftime fired up. With 7:34 left in the third quarter, Greg Akers scored from the 7. Again, Orozco kicked the point after and it was 14-0 in Texico's favor.

After Texico got the ball back, Autrey struck again with 5:14 left in the quarter on a beautiful 32 yard run. The kick was blocked and it was 20-0 at the end of the third stanza.

The wet weather helped shut down the passing game. Texico attempted only 2 passes. Cloudcroft completed 1

of 6 passing tries.

But on the ground, Texico dominated. The Wolverines gained 303 rushing yards to Cloudcroft's 58. Texico's Kenny Shaw and Dwayne Hamilton each recovered a fumble and played good defense throughout the game.

With 7 minutes left in the game, Autrey scored on a 34-yard jaunt. The run for the extra points failed.

Autrey had a big night, with 175 rushing yards and 3 touchdowns. Orozco kicked for two extra points and rushed for 90 yards. Kelvin Gooden had 13 yards rushing. Quarterback Benji McDaniel ran for 19 yards. Akers gained 16 yards.

The Wolverines will be on the road again tonight (Friday) at Capitan.

The junior high team will host Yucca Junior High Sept. 13 at 3:30 p.m.

Other statistics were: First downs - Texico 12, Cloudcroft, 4; total yards, Texico, 303; Cloudcroft, 67; punts - Texico didn't punt; Cloudcroft, 4 for 30 yard average; penalties - Texico, 6 for 55 yards; Cloudcroft, 8 for 42 yards.

"We played in the mud, and that's always fun," said coach Bruce Scroggins of Texico's win. "The kids played well, they are improving a little bit each week."

Scroggins noted that the defense is getting better in spite of a slip or two. The offensive line did "a real

good job this week," racking up 300 yards of rushing. We changed our defense and they played real well. Some of our second bunch have improved."

Jones receives scholarship

Jeremy Trent Jones of Farwell was awarded a one year \$1,000 Clark Foundation scholarship by the Texas Interscholastic League Foundation.

The Clark Foundation awarded 17 grants to students who have participated in the UIL Academic State Meet Contests and who have compiled an outstanding record of academic and extracurricular achievement.

A 1990 graduate of Farwell High School, Jones was a participant in the 1990 UIL State Meet Science Contest. He has also participated in UIL Number Sense contests. His high school activities and honors include National Honor Society; Student Council; Honor Roll; Valedictorian; Parliamentary Procedures Contest (FFA); Golf; and Basketball.

Jones is the son of Mr. and Mrs. Donald Jones of Farwell. He is attending Texas A & M University where he is majoring in chemical engineering.

Marshal's Report

Here is the weekly report from Texico Marshal Walt Causey:

On Monday at 4 p.m., a warrant was served by Causey and Brent Byrum, of the Metro Drug Task Force. Byrum is deputy Curry County sheriff.

Raul Esparza, of the 300 block of Lamar Street, was charged with trafficking in cocaine, conspiracy to traffic in cocaine, distribution of marijuana and conspiracy to distribute marijuana.

Causey said bond was set at \$10,000 in Magistrate's Court.

The Metro Drug Task Force has brought together law enforcement agents from both sides of the state line to work in unison on drug enforcement cases.

Last week, Farmer County Deputy Sheriff Bon Hatley and Byrum cooperated on the arrest of Brenda Bagwell, 24, 205 1/2 Ave. A, Farwell, on a charge of distribution of LSD.

Farwell JV falls

The Farwell JV lost to Plains 26-8 Sept. 6.

"We played poorly," said coach Larry Gregory. "We had poor execution of offense; they lined up and whooped us."

Coach Rex Cumpton was a bit more charitable, "We have young players in skilled positions. I feel like they will improve every week."

"The kids have to make up their minds they want to play and get after it," said Gregory.

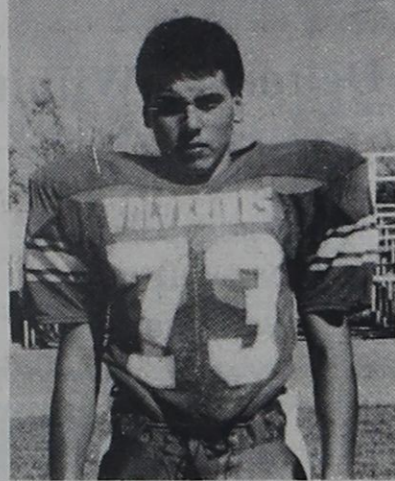

Farwell's TD against the Cowboys was made by Dean Rubio, and the points after were made by Brent Harrison.

"You'll see improvement this week," said Gregory. The JV plays at Olton following the junior high game Sept. 13.

Steers stop Plains

The Farwell Steers began the long march toward what may be a history-making football season by defeating the Plains Cowboys 28-6 in their season opener at Plains last Friday.

Regular quarterback Greg Actkinson didn't play at that position until the fourth quarter; he suffered a back bruise at last week's scrimmage. Chad Byrd filled in at quarterback admirably. Actkinson came in during the final period when Byrd was injured.

The big gun for the Steers

was back Shawn Stewart, who picked up where he left off last season. He scored 3 touchdowns and had a fourth called back due to a penalty.

Plains entered the game with a strong team. Last year the Cowboys were 5-1 in district and their quarterback led his district in passing last year. But the Cowboys were shut down by the strong Steer defensive line.

On the first play of the game, Joel Smith recovered a Plains fumble at the Cowboy 20. Stewart raced to the 1

yard line and Smith bulled over for the TD with 10:24 left in the quarter. The kick was low.

Plains was held and punted to the Steer 48. Barely into Cowboy territory, the Steers went for it on 4th and 5. Smith ran for 9 yards.

Stewart's 15 yard gallop got to the Plains 22 before a penalty stopped Farwell.

Plains couldn't move the ball and Ruben Lucio blocked the punt. Mike Loera caught it and Farwell took over at the Cowboy 18.

With 1:45 left in the first quarter, Stewart scored from the 5. The kick was wide and Farwell led 12-0.

Plains marched downfield until speedy Lucio sacked the quarterback, causing a fumble recovered by Haseloff. Stewart apparently ran 55 yards for a TD, called back by penalty. Farwell punted but then Chad Byrd intercepted at the Steer 40.

Byrd ran a quarterback keeper to the Plains 43. He then connected on a 15-yard pass to Haseloff. Finally, Stewart scored from the 7. Byrd ran in the extra points and it was 20-0 at halftime.

The Cowboys scored at 9:41 of the third quarter on a 1-yard plunge. Lucio tackled the quarterback on the conversion try and it was 22-6.

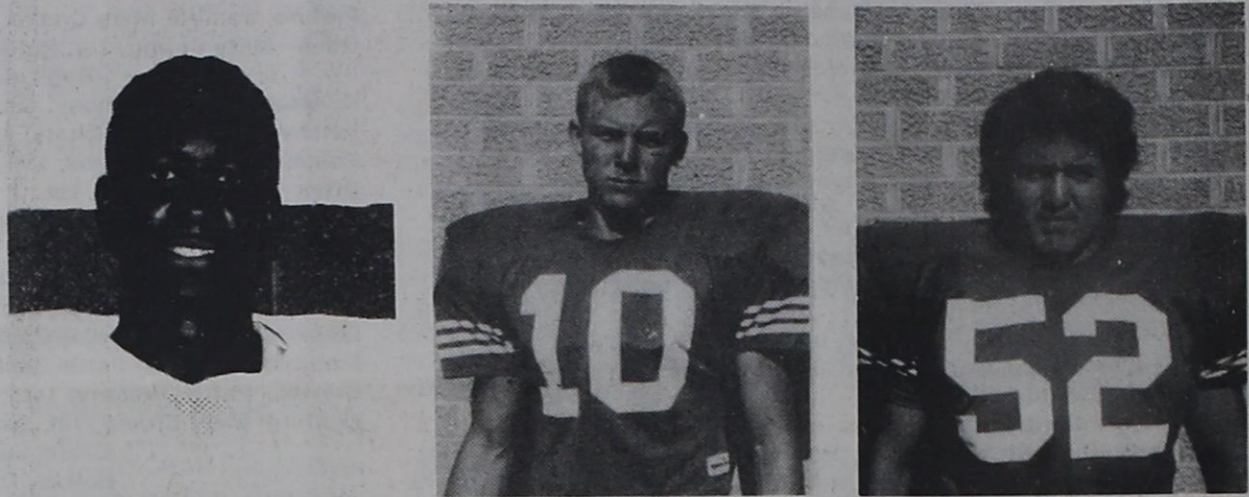

The Steers moved the ball late in the quarter, behind runs by Stewart and Byrd and a Byrd pass to Haseloff. Smith scored from the 8 at the 2:47 mark. On the conversion try, the snap was off and Haseloff ran it in for 2 points - 28-6.

The next major highlights were provided by Lucio - with another quarterback sack and a blocked punt.

Then in the final period, Stewart scored from the 4. The kick failed and it was 34-6.

Michael Arce made a strong tackle on the punt receiver at the Cowboy 13. Also, a strong run by Kirk Lingnau highlighted the closing min-

Steers of the Week

Picked as Steers of the Week were (from left) Shawn Stewart, who rushed for 139 yards and 3 touchdowns; Chad Byrd, who gained 55 yards rushing and 32 yards passing; and Ruben Lucio, who blocked 2 punts, had 6 unassisted tackles, 2 assisted tackles, caused 1 fumble and had 4 tackles behind the line.

utes. With 30 seconds left, Plains scored on a 30-yard pass. The kick was good and the final score was 34-14.

Here are Coach Rex Cump-ton's remarks:

"This was a pretty strong first game. Our offense clicked pretty well. We didn't generate a lot of yards but that was because we played good defense and got some turnovers. The furthest we ever had to go for a TD was about 60 yards.

"Defensively, we played well. We gave up some yardage but most of the time it was because we were playing loose in the secondary. I was very pleased with some of our first time varsity players. They stood up, got a big chest, and played hard."

Individual statistics were:
Rushing: Stewart, 15 for 139 yards; Byrd, 9 for 55; Smith, 11 for 28; Delgado, 2 for 3; and Lingnau, 4 for 15.

Receiving: Haseloff, 2 re- ceptions for 33 yards; Del-

gado, 1 for 9.
Team statistics were:
Rushing - Farwell, 43 at- tempts for 226 yards; Plains, 25 attempts for 122 yards.
Passing - Farwell, 4 com- pletions in 11 attempts for 32 yards. Plains, 9 completions in 31 attempts for 136 yards.

First downs - Farwell 19, Plains 11.
Penalties - Farwell, 8 for 80 yards; Plains, 3 for 30.
Punts - Farwell, 2 for 32 yard average; Plains, 5 for 8 yard average.

Kirkland to head arena committee

A group of local citizens met at the Spur Restaurant Monday to reorganize the Farwell Community Arena Association.

Their primary goal is to re-establish a working Rodeo Arena Association in the tradition and reputation of the association that existed in the 1960's and 1970's.

They hope to attract rodeos and horse shows to this facility. They also hope that the schools may get rodeo teams competing.

Duke Kirkland was elected president pro tem and Pam Edwards was elected secretary/ treasurer pro tem.

They ask all interested people to attend their next meeting on Sept. 17 at the Spur Restaurant at 7 p.m.

The group also has a meeting planned at 3 p.m. Sept. 16 at the Farwell Arena to

evaluate the work that will be needed to improve the facility.

They set the dues for the group at \$15 per year per family. They plan to meet on a bi-monthly basis.

Among those attending the organizational meeting were: Duke and Rhonda Kirkland, Pam and Scotty Edwards, Charles and Cindy Bowery, Mike Camp, Teresa Mesman, and Ardeth and Jim Bruce.

Dear Friends,

Wolverine Band is first at fair

If you think that winning a first place in the New Mexico State Fair Parade was easy for the Texico Wolverine Band, think again.

Imagine the logistical headaches facing band director Robert Simmons.

First there are the normal logistical problems involved with getting all 83 students and their band instruments, pieces of music, and the uniforms on a bus and to the right location in Albuquerque.

Add to those normal problems a few extra little problems. The football players and cheerleaders were not able to travel with the rest of the band. They were in Cloudcroft for a football game. They had to send their equipment and uniforms on ahead, and join the band later.

High School principal Ken Shaw drove the band members who played football from Cloudcroft to Albuquerque after they had showered and changed and eaten following the game. They arrived in Albuquerque at about 4 a.m. - giving them a whole hour and one half to rest before getting up to get ready for the parade.

Another little logistical headache concerned the FFA members who were showing animals at the State Fair. They had to make arrangements to get their uniforms and equipment to the parade, and they needed to know where to meet the rest of the group.

Once everyone was at the lineup site with their instruments, they noticed that there was a lot of competition for that first place trophy. There were 180 units in the parade, and there were at least 15 in the same size category as the Wolverines.

That meant that the Wolverines had to be sharp to outdo the competition.

The groups had to play well as they marched the 4 1/2 mile parade route.

Texico was one of the last units in the parade, and as drum major Chad Barnes puts it, "You have to watch where you step when you're toward the end of the parade."

They also had to watch out for the square dancers ahead of them who stopped to do their fancy stepping from time to time.

When the parade ended, the Wolverine Band waited for the results in the area assigned to them - a cactus patch.

But it was worth the wait. The Wolverines had won the first place trophy.

The Texico Wolverine Band will next march in the ENMU Homecoming parade on Sept. 29.

Lust participates at Dallas meeting

Barbara Lust, a vocational home economics teacher at Lazbuddie School, participated in a state inservice meeting in Dallas Aug. 13-16. More than 2,800 teachers attended.

Mrs. Lust is beginning her fifth year at Lazbuddie. She sponsors a very active Future Homemakers of America organization along with teaching a very comprehensive home economics program.

The conference focused on research and strategies to maximize performance expectations of students and teachers. It was coordinated by the Vocational Home Economics Division of the Texas Education Agency. Twenty-four concurrent sessions provided teachers the foundation to effectively include the new concepts in all areas of instruction in home eco-

nomics education.

Stress was placed on effective ways in which to help students build healthy self-esteem, youth leadership, teaching the gifted and talented, educational practices that are effective in teaching special populations students and entrepreneurship. Two sessions were entitled "Ten Commandments for Teachers" and "Who Will Rock the Cradle?"

¡Hola from Espana! How is everyone in Farwell? I hope you are all doing well.

When I left Farwell on Monday morning at 4, I finally realized that I wouldn't see my friends and family and all the familiar surroundings for an entire semester. I have finally realized what a great place home really is. I really miss everyone a lot.

I departed from Lubbock Airport on Monday morning, and I flew to Dallas. I had a two hour lay-over, and then I finally departed for New York. I arrived in New York at 3:30 in the afternoon, and I was delayed for over 11 hours. I got into the J.F.K Airport with several hundred other people, including many other exchange students until nearly 2 in the morning. I finally arrived in Madrid at 4 the next afternoon.

We drove straight to Segovia, where our orientation was held. I learned a lot about Spanish culture and Spanish ways of life, and I met a lot of great people.

On Friday, we toured the town of Segovia, and among many other things, I toured the Alcazar of Segovia and the Roman Aqueduct. The Alcazar, a fortress or castle, was the home of King Ferdinand and Queen Isabela of Spain, the rulers who sent Columbus to discover the Americas. The Roman Aqueduct was built when the Roman Empire ruled Spain. It carried water to the other side of Segovia, and it can still be used. It is an enormous structure consisting of many arches, and built entirely without mortar of any kind.

I finally traveled to Aviles, the town where I live with my host family. It is in Asturias, which is on the Bay of Biscay.

The province has one of the most beautiful coastlines in all of Spain, and is lined with beaches. My town, which is very

large, is not far from the capital of Oviedo. It is very beautiful, and green, and it rains quite a lot. (A feature that I am not very used to) Most of the people live in tall buildings, and there is usually only one car per family.

Everything here is open at very different hours from home. Most businesses open at 9:30 in the mornings, and close about 1:30 or 2. Lunch is usually at 2 or 3, and the rest of the afternoon is devoted to sleeping. Then, at about 5, the businesses re-open until 7 or 8 p.m. and dinner is usually at 9 or 10. Then everything really comes alive at night!

My town is very nice, and the people are very friendly. I really love what I have seen of Spain, and I hope to see a lot more of it. My only drawback is that I don't know the language well enough yet. However, everyone assures me that within a month I will speak it very well. The Spanish speak very fast, and it is hard to understand them.

I really wish that everyone could see and experience everything that I have seen here. I have learned so much, and I am excited about the rest of my stay in Spain. My only advice to other Americans is to learn as many languages as possible, and learn about other cultures. If we can understand the other countries better, then we might be able to achieve a little more peace for our world.

I really miss everyone, and I wish everyone the best. Good luck to everyone at school, and I hope to see you when I come home.

Yours truly,
 Rob Dyer

PUBLIC NOTICE
 BRIEF EXPLANATORY STATEMENT
 OF PROPOSED
CONSTITUTIONAL AMENDMENT
 GENERAL ELECTION
 NOVEMBER 6, 1990

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 2, Sixth Called Session, 71st Legislature, proposes a constitutional amendment to provide that if the Senate, at any special session, does not take final action to confirm or reject an appointee of the Governor made during a recess of the Senate, the appointee is entitled to continue in office until the Senate rejects the appointee at a subsequent session or until the Governor appoints another person to fill the vacancy, but such a nominee whom the Senate does not act to confirm or reject at a subsequent regular session is considered to be rejected when the session ends.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to clarify the authority of the senate to consider certain nominees to state and district offices and to provide for filling vacancies in those offices."

To get no-service-charge checking, just sign here.

At Sunbelt, you have two ways to get a checking account with no monthly service charge.

No monthly service charges until 1991:
 Just so you'll try Sunbelt's simple, affordable checking accounts, we'd like you to take advantage of our special offer. Open a checking account before October 19, and pay no monthly service charges in 1990.

No monthly service charges after 1991:
 Stay with us after this special offer expires and you'll see that Sunbelt makes it easy to continue to avoid monthly service charges.

For example: Open your account with only \$100. Stay above the \$250 minimum balance on regular checking or \$500 on interest checking with cancelled checks held in safekeeping, and you pay

no monthly service charges. Go under the minimum and you won't get hit with some unreasonable fee. Just \$3 or \$5 a month.

Because we believe a checking account should be a simple thing. Deposit money. Write checks. No "per check" charges. And no shocking service charges.

Sunbelt checking accounts also come with buyer protection (at no extra charge) and the option of overdraft transfer protection. Ask for details.

It's a simple offer, straight across the board, from Sunbelt Savings. The uncomplicated banking bank.

Young Longhorns fall to tough McLean team

The Lazbuddie Longhorns lost to McLean last Friday night 38-23.

"Our kids played a good game physically," said coach C.W. Williams. But, he noted that his young team made a few costly errors that allowed the #4 team in Texas to stop the Longhorns in their tracks.

"A good team makes you pay for your mistakes, and we made a lot of mistakes. A blocked punt and fumbles on the 9, 21, and 25 yard lines

cost us the game," he said. "We were not run over and outmanned. We made mistakes, but we can correct mistakes. We've got a good team. They are a young team."

Lazbuddie started the season with only 3 returning seniors. Casey Bradshaw will need knee surgery, so he will be out.

Offensive Longhorn of the Week is Kirk Jesko who ran back a 75 yard kick off to

score a TD for the Longhorns. He also had 78 yards on 14 carries.

Defensive Longhorns of the Week were Doug Barnes and Casey Russell who made many tackles last week, and were in the right place at the right time.

This weekend the Longhorns play at Valley, a team picked #1 in this region by the Top 'o Texas, but which lost to Jayton. Valley will show a lot of speed, but coach Williams considers them an even match for the Longhorns.

Valley has one especially fast player, Edwards, who won the 400 at the 6-Man State Track Meet. "Hopefully, we will be able to contain him," said coach Williams.

Out of school? Test packets still available

The Out-of-School examinee registration packets for the Texas Educational Assessment of Minimum Skills (TEAMS) exit level test are now available at Farwell High School. Questions concerning out-of-school examinee testing should be directed to counselor Carol Sullivan at the high school, 481-3351.

During each regular exit level test administration, individuals who are no longer enrolled in school and have not previously passed both sections of TEAMS test, but have met all other graduation requirements, may retake the section not passed. During the October administration, the English language arts test will be administered Oct. 17 and the mathematics test will be administered Oct. 18.

Individuals who are no longer enrolled in a Texas public school and wish to register to retake the exit level mathematics and/or English language arts test may pick up a registration packet at any high school campus, district central office, or education service center. Mrs. Sullivan is the person to see at Farwell High School.

Texico First Baptist plans Bible Conference

A Bible Conference is scheduled at the First Baptist Church of Texico Sept. 23-28.

It will feature Major Ian Thomas, whose topic will be "The Exchanged Life."

The conference is planned for 10:40 a.m. and 6:30 p.m. on Sunday, Sept. 23, and at 11 a.m. and 7 p.m. Sept. 24-28.

Covered dish meals will be served Monday through Friday following the morning conferences.

A nursery is provided. For more information, call the church, 224 Turner St., at 482-3632.

Major Thomas was born in London, England of middle class parents, and was converted at the age of 12 in a Boys' Camp. With the intention of becoming a missionary in Africa, he studied medicine at London University for two years, where as a student at the age of 19, in deep discouragement about his Christian life, he discovered the life-transforming se-

cret of the indwelling life of the life of the risen, living Lord Jesus Christ in the life of the believer.

This discovery precipitated him almost immediately into an evangelistic and Bible teaching ministry which has spread around the world.

Arising from this worldwide ministry, there came into being a young people's Christian Conference Center and Bible School at Capernwray Hall, Carnforth.

The Latest

Texico Elementary School 5th grade students have begun a special project with the 2nd grade students at the school.

Once each week 5th grade students go to the 2nd grade classrooms and read to the students there. Another day the 2nd grade students go to the 5th grade and read to them. The project enables the students to practice their reading skills with someone else.

Hurshel and Joyce Harding, joined by their children, Deborah Penner and her husband, Kevin, of Lubbock, and David Harding and his wife, Carrie, of Ruidoso, N.M., traveled

to Tempe, Ariz., last weekend to attend the football game between Baylor and Arizona State.

They report the trip was enjoyed by all even though Baylor lost and the temperature was 103 degrees at game time (9 p.m. Texas time) and still 99 degrees when the game ended, at midnight Texas time.

The Farwell Drill Team Friday night has an unusual fund-raiser planned during the football game tonight (Friday).

The team will take a piece of tape and go around the entire track, then ask people at the Steer-Olton game for donations of change only and put it on the tape - to see if they can make it all the way around.

The Texico FFA Greenhands elected class officers Aug. 31. They will later participate in the Greenhand Parliamentary Procedure Contest against other teams in the district.

Derek Dictson was elected Texico Greenhand president. Sky Byrum is vice president. Bobby Winegart is secretary. Dara Jenkins is treasurer. Chesna Campbell was named reporter. Ryan Null is the sentinel.

Extradition request denied for Lumbrera

Former Bovina resident Diana L. Lumbrera, who faces three murder indictments in Parmer County, will stay in Kansas to stand trial for the May 1 suffocation death of her 4 year old son, Jose.

Monday, a Garden City, Kan., judge denied a request to have Ms. Lumbrera extradited to Texas. Kansas prosecutors asked that the Kansas case be tried first.

Ms. Lumbrera is in custody. A trial is scheduled Sept. 24. In Texas, she was charged in connection with the deaths of three of her other children:
- Joanna, 3 months, who died Nov. 30, 1976, in Parmer County Community Hospital.
- Melissa, 3, who died Oct. 2, 1978, in Parmer County Community Hospital.
- Melinda, 2, who died Aug. 17, 1982, at home.

Two arrested

On Sept. 6, Kenneth Profancik, 25, Amarillo, was arrested by the Sheriff's department on a charge of terroristic threat. He appeared before County Judge Porter Roberts and on a plea of guilty, Profancik was fined \$1,000 and court costs.

On Sept. 10, Virginia Mammau, 23, Hereford, was arrested by the Sheriff's department on a charge of terroristic threat. She appeared before Roberts, and on a plea of guilty, was fined \$1,500 and court costs.

Warrants have been issued for several other people who are charged with making terroristic threats. It involves a bomb threat at the Excel Plant in Friona.

Farwell's Cole to study in Ireland

Mark Cole, a 1985 Farwell graduate, will leave this month for Dublin, Ireland where he will study philosophy and theology as a Rotary International Graduate Fellow.

He will take courses at Trinity College of the University of Dublin.

Cole was nominated for this fellowship last year by

members of the Texico-Farwell Rotary Club, and was chosen over all of the nominees in this district for the honor.

Cole will leave Lubbock on Sept. 19, and travel to Dublin via Houston, New York, and London. He will have a brief orientation period in northern England before he begins his

studies.

Since he left Farwell High School, Cole earned a bachelor's degree from Baylor University, and worked as a Congressional intern in Washington, D.C. He is working toward a master's degree in religion at Yale University. He will have at least one semester of work at Yale

when he returns to complete his degree.

He is the son of Marcia Cole of Farwell.

Parent Night

On Sept. 18, second grade parent night will be at 7 p.m. at Farwell Elementary School.

Fourth grade parent night will be at 8 p.m. the same night.
