

THE STATE LINE TRIBUNE

"OFFICIAL PUBLICATION OF PARMER COUNTY"

NUMBER 19

SIXTY-FIFTH YEAR

15 CENTS

"Oh, What A Beautiful Day" -- on the Golden Spread, that is. At this writing (Tuesday), we have basked for the past several days in warming sunshine and mild springlike breezes. According to the weather reports, the Eastern segment of the country is gripped in one of the most intense cold waves on record.

This is apparently putting a severe strain on all of their heat and energy resources. We hope this cold wave impressed upon some of the more vocal environmental crazies the importance of the oil and gas industry.

Maybe, just maybe, this will allow Congress to take a rational view of our energy needs. Hopefully this will demonstrate that all forms of energy production has a place in our demanding society.

It could be that at 20 degrees below zero a little more tolerance for nuclear power can be found east of the Mississippi River.

This extreme outbreak of cold weather could be one of the best things that has happened to the country in years. It could be, if it results in Congressional action on a comprehensive energy program for the United States.

Monday was a good day for us. Utah finally got the Gary Gilmore fiasco over with, and Ted Sorenson withdrew his name as Director of the Central Intelligence Agency. Personally we have been sick and tired of the Gilmore hoopla and fed to the gills with Sorenson. May we never hear of them again.

We note where recently two court decisions have gone against the bureaucrats implementing the Occupational Safety and Health Act (OSHA). This agency believed that it had the power to contravene the Constitutional bar to warrantless search and seizure. Maybe this is a hopeful straw in the wind. It is past time for the Federal Government and our National legislators to be subject to the same laws as John and Jane Doe, United States citizens.

For far too long, Congress has created agencies and gave them powers that appeared to us to be contrary to our Constitutional safeguards. Also, Congress seems to set a different standard for itself.

An example of this would be the fact the Congressmen are not subject to the Social Security Act provision. Your and my Social Security retirement fund may go down the financial drain but our Representatives and Senators got theirs set aside. Everywhere, the common citizen is beset with taxes. Please note how many of the Congressional emoluments are "tax free."

And, of course, they have passed irresponsible legislation which has driven the cost of living to all time heights. So, without a worry, they just raise their salaries. This ability to pay themselves effectively removes them from the same laws which operate on the rest of the not-so-fortunate citizenry.

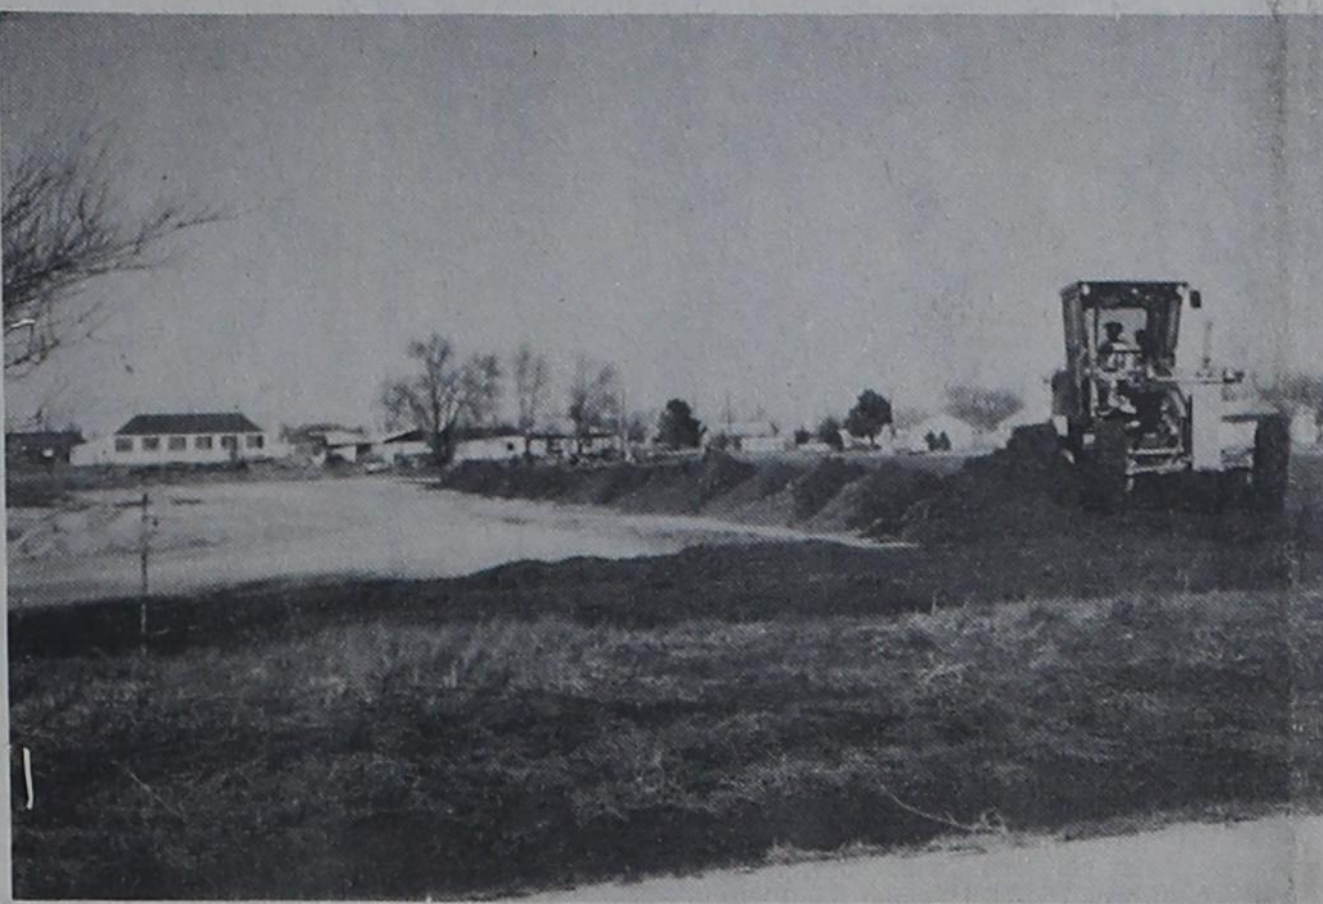

It is time that the Federal Government and all its minions toed the same line as the rest of its peoples.

It's a pun-nie world. A University of Texas alum reported recently that he was on his way to a UT football game, but first he dropped by the alumni center for a cocktail party. An underclassman there imbibed too much and he collapsed in the doorway.

As the alums left they had to step over the supine young man. As they stepped over him each in turn removed his necktie and dropped it on the young man. The underclassman finally awoke and asked what was going on. Relax son, said one alum, the ties of exes are upon you.

To Meet

Parmer County Commissioners Court will meet in regular session Monday, Jan. 24, at 11 a.m. at the county courtroom.

Texico Park Landfill

Dirt Work Continues On Memorial Park

Work continues on the K.K. Runnels Memorial Park in Texico and according to reports it "will be finished in about a year." The road grader in the picture is working to complete the landfill project which began the latter part of December. Following that, the sprinkler system will probably be installed, says spokesman Marie Christian. The park site is about two blocks south of the school campus and is bordered on the west by the Pleasant Hill Road.

Citizens at Texico are working hard to complete the K.K. Runnels Memorial Park project which began over a year ago. Current estimates say that the park should be finished in about a year.

One big aspect of the park which is presently under construction is the landfill. Permission to begin the landfill work had to be obtained through the Curry County Commissioners, reports Marie Christian, one of the many Texico residents who has worked on the park project. She added that after the work began during the latter part of December, they discovered there was "more landfill than we had thought."

Mrs. Christian explained that the landfill is being completed by employees of Curry County. The Texico woman said that the top soil is being laid now, adding that that part of the project is nearly finished.

According to Mrs. Christian, volunteers are "standing by" waiting for the landfill to be

comodate three picnic tables. finished so that they may start to dig and install the sprinkler system. She explained that the park project is now in "Phase II", which according to her is really a combination of "phases one and two." The Texico woman said each phase takes about a year to complete and since the project was set up in three phases she does not expect "the park to be ready for use before next year."

Besides installing the sprinkler system, other future items on the park agenda include purchasing playground equipment, building a shelter, and setting up tables.

Mrs. Christian said they will have to contact the New Mexico Highway Department in regard to picnic tables. She explained that sometimes these tables are donated by the department and sometimes they are purchased. "Right now we are not sure which category we will fall into," she commented.

The Texico woman went on to say that the planned shelter will be large enough to ac-

"It will be big enough for the multiple family picnics," she remarked.

Mrs. Christian said that if the funds are available, they would like to build shelters for all the tables, but she doubts that that will be possible.

As planned, the shelter will provide a ramp for handicapped people to use and concrete walkways will lead to the structure. The shelter itself will have a concrete base.

Mrs. Christian said the original park plans called for building a tennis court at the park, adding that she did not think they were going to be able to do it now as the "funds just aren't available."

The City of Texico and the Federal Bureau of Recreation are paying for the building of the K.K. Runnels Memorial Park. The land was donated by Runnels' daughter, Kay Runnels of Portales.

Mrs. Christian commented that at one time the project also received state funds, but through a "foul-up" some time ago the state funds were lost.

Weather Modification Hearings Rescheduled

James M. Rose, Executive Director of the Texas Water Development Board, has announced the rescheduling of two adjudicative hearings on applications for permits to engage in weather modification and control operations in parts of the Texas High Plains. Both hearings will be held simultaneously on Wednesday, Feb. 16, at 1 p.m. in the courtroom of the 99th District Court in Lubbock.

"The hearings will continue as long as necessary," said Rose, "so that all persons desiring to speak will have an opportunity to do so."

Plains Weather Improve-

ment Association, Inc., and Atmospherics, Inc., have applied for permits to conduct weather modification and control operations to increase precipitation and decrease hailfall within two adjacent target areas on the High Plains. The requested areas of operations would exceed the smaller target areas.

More than 400 residents in the region have protested to the Texas Water Development Board, asking that the applications to decrease hailfall be denied.

The 64th Legislature amended the Weather Modification

Act to provide for a hearing in the area if 25 or more people requested a local hearing. The Administrative Procedures Act, also passed by the 64th Legislature, requires hearings if objections are made.

Hearings on the applications were originally scheduled December 6 in Morton. However, the hearings were postponed until after February 15 to give the Legislature an opportunity to consider legislation providing for a public vote on weather modification activities and to give opponents to the applications time to engage legal counsel.

Docket Number WM-008 concerns the application of Plains Weather Improvement Association, Inc. If the permit is granted as sought, aircraft flights would be authorized over portions of Hale, Lamb, Castro, Swisher, Briscoe, and Floyd Counties for the period as soon as authorized and ending December 31, 1980.

The other application, styled Docket Number WM-009, is from Atmospherics, Inc., for operations over portions of Deaf Smith, Randall, Parmer, Castro, Swisher, Bailey, Lamb, Hale, Cochran, Hockley, and Lubbock Counties. This application requests authority to commence operation beginning upon authorization and ending October 30, 1980.

Bruce Bigelow, General Counsel of the Texas Water Development Board, will be the presiding examiner, Rose, said. Protests, pleadings, or motions relating to the hearings shall be filed with the presiding examiner on or before February 11, 1977, at the Texas Water Development Board, Post Office Box 13087, Capitol Station, Austin, Texas, 78711.

Farwell - -

Council Discusses City Hall Repairs

Needed repairs to the city hall building were a major topic of discussion at the Farwell City Council session Monday night.

It was reported that the mortar between the bricks of the outside of the structure is beginning to crack and loosen, allowing air and dirt to get inside the building. Besides

the evident state of the outside of the building, further reports indicated that the interior of the city hall is also in need of repairs. Possible suggestions tossed around by members of the Council included lowering the ceiling to help conserve heating costs, and walling up the windows, which are "heat conductors" and make it

"impossible to cool the building during the summer."

In commenting on the ceiling, Mayor Gil Patschke said he felt it was a "good height" for a building of that size, adding that he felt it did not have to be lowered. He felt it might be detrimental to the over-all effect of the building to have the ceiling set too low.

Further discussion was held by the Council but no definite decision in regard to the specific work to be done was reached. The consensus of the commissioners was to contact L and W Masonry and Carl Roach in Clovis for estimates and recommendations.

The general feeling at the meeting was that the revenue sharing funds which the city still has should be used to finance the cost of the building repairs. Janie Bowery, city clerk, explained that at any time the funds might be called back if they are not used. "We just do not know for sure," she stated.

The city clerk said the present funds of \$3,037 which the city has "represents the last of the old program revenue sharing funds."

According to Mrs. Bowery, the new program of revenue sharing has been titled Anti-Recession Fiscal Assistance. To qualify for the funds under this new program a town or city must have an unemployment rate of over four per

cent. According to Mrs. Bowery, Parmer County has only a 2.7 unemployment rate.

Further discussion was held in regard to advertising for bids for the needed repairs. Patschke pointed out that unless the cost of the repairs totaled more than the funds in revenue sharing, they would not have to advertise for bids.

Another topic on the agenda concerned the annual allotment of \$2500 for rural fire protection which comes from Parmer County. It was pointed out that in less than ten years the Farwell Volunteer Fire Department would have to purchase a new fire truck. The oldest one in service now was bought in 1956.

After discussion it was decided to purchase a certified deposit with the county funds for the purpose of saving for the new fire truck. Estimated cost of new fire engine in a few years was said to be in the neighborhood of \$70,000.

Paul Haden appeared before the council to ask if the old lumber yard area could be re-zoned for multiple-family dwelling. A referral to the new ordinance book found that the area in question is already zoned for such purposes.

Present for the meeting were Mayor Patschke, commissioner Ralph Franse, and city employees Mrs. Bowery, Dee Hammit, Doug Landrum, and Ronnie Mitchell.

Rites Held Monday For Mrs. McDonald

Funeral services for Mrs. A.D. (Gladys) McDonald of Texico were conducted 2 p.m. Monday at the Central Christian Church of Clovis with Richard Sutherlin officiating. Burial was in the Lawn Haven Memorial Gardens under the direction of the Steed-Todd Funeral Home.

Mrs. McDonald died Thursday of last week at St. Anthony's Hospital in Amarillo.

Mrs. McDonald's parents,

the J.T. Singleterrys, came to the Pleasant Hill community in 1906. She was born there in March 1, 1911. After marrying A.D. McDonald, the couple settled permanently in this area. Mrs. McDonald was a member of the Central Christian Church.

She is survived by her husband, A.D.; two sisters, Mrs. Evelyn Tuckness of Amarillo and Mrs. Faye Wilson of Friona; and a number of nieces and nephews.

Pallbearers were James Pierce, Jimmy Gilliland, Bud Pearce, Paul Skaggs, David Turner and Steve Harrington.

GLADYS McDONALD

Bookmobile Schedule

Thursday, Jan. 27:
Okla. Lane, 9:00-10:00; Rhea Community, 10:45-11:45; Friona #1, 1:00-1:15; Hub, 1:30-2:30.

Friday, Jan. 28:
White's Elevator, 10:00-11:00; Lazbuddie, 12:00-1:00; Clay's Corner, 1:15-2:15.

Saturday, Jan. 29:
Farwell, 8:55-11:50; Friona #II, 1:00-3:45.

Gus Zientara Services To Be Held Saturday

Funeral services for August "Gus" Zientara of Texico will be conducted Saturday, at 10:30 MST, at Steed-Todd Chapel, Clovis.

Mr. Zientara died Monday, Jan. 17, at the hospital in Muleshoe.

GUS ZIENTARA

He was born in Germany on October 7, 1906 and came to the United States in 1907. He worked in numerous body shops in Illinois, Clovis and Portales. For the past ten years he had owned his own body shop in Texico.

He and his wife, Marie, were married May 25, 1924. They lived in the surrounding area for 23 years.

Survivors include his wife, Marie; five children, Emmett of Decatur, Ill.; Betty Gatchel of Cerro Gordo, Ill.; Richard of Shelbyville, Ill.; Opal Lobb of Portales; and George of Texico; one brother, Henry Zientara of Decatur; two sisters, Sue Kelley of Ortiz, Colo., and Mrs. Bertha Pappas of Decatur; 20 grandchildren and 11 great-grandchildren.

Pallbearers will be L.D. Rothwell, R.L. Rothwell, Carl Deaton, Asa Noack, Clyde Thompson, and Sunny Gunthals.

Texico School Board Names Election Officials

Texico School Board met Tuesday night, Jan. 11. First item on the agenda was the selection of the judges and clerks for the February 1 school board election. Election officials named include Mesdames Lonnie Tharp, J.D. Kelley and John Hadley, judges; and Mesdames Morgan Billington and Stanton Thigpen, clerks. Mrs. Elmore Hendrix was selected as alternate.

Officials for absentee voting

include Mesdames Truman Kittrell, Bill Christian, and O.B. Coffey, judges; and Mesdames Ray Dobbis and Perry Winkles, clerks.

In other business it was reported that Mrs. Dixie Jesko has been hired as a kindergarten aide.

A final item concerned the Hollene property which the school district owns. According to reports, the property is for sale and sealed bids are being accepted.

Little League Group To Meet, Elect Officers

Richard Deel, president of the Texico-Farwell Little League Baseball Association, announces that a meeting will be conducted next Thursday night, Jan. 27, at 8 o'clock at Clara's Restaurant to elect officers for the coming season.

According to Deel, another topic of discussion will be the umpire school which is to be held in Clovis. He stressed that this school is very important, adding that he would like to see many Twin Cities

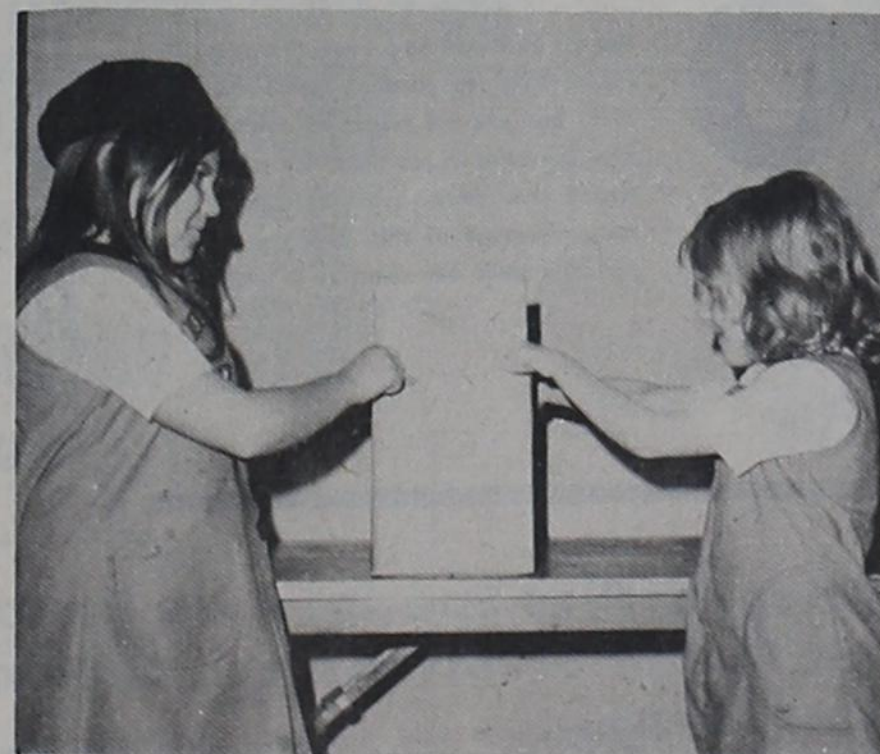

residents take advantage of it. Deel explained that as soon as they have enough people interested in attending the school a specific date will be set.

The Little League president said that if everyone cooperates, the 1977 baseball season will be a great success. He urges all interested people to circle January 27 on their calendars and to attend this important meeting.

National FHA Delegate

Sabrina Kittrell, right, junior at Texico High School and daughter of Mr. and Mrs. Truman Kittrell, was recently elected as a national delegate from District F to the National Future Homemakers of America meeting in Seattle, Wash., July 11-14. Mrs. Kendale Burch, left, Texas FHA advisor, will also go to Seattle as an advisor for the New Mexico Delegation. Sabrina is active in Pep Club, Drill Team, National Honor Society, and has been active in FHA for three years. She is currently vice-president of the Texico chapter and of District F. Last year she served as vice-president of recreation. (Photo by Doug Osborne)

Cookie Sale Preparations

Texico-Farwell Girl Scouts are hard at work preparing for their annual cookie sale which is slated to begin January 28 and conclude February 13. Helping to unpack the cookies are Denise Ford, left, Girl Scout and daughter of Mrs. Dorothy Ford, and Kelley Foster, Brownie, and daughter of Mr. and Mrs. Gary Foster. The cookies will feature a variety of flavors from mint to cheddarettes and will sell for \$1.25 per box.

Farwell H.S. - -

Students Selected All Region

Nine Farwell High School Band members have qualified for the North Zone Class B-A-AA All Region Band, with five of the Steer band members being first choices and four being selected as alternates, says Lynn Burton, Farwell Band Director.

Students selected for the band are Blaine Buchenau, oboe; Dana Enne, B-flat clarinet; Penny Hughes, alto clarinet; Karen London, bassoon; and Truitt Smith, trombone.

Alternates to the band are Gayla Goldsmith, clarinet; Cary Marsh, clarinet; Roxie Chandler, bassoon; and Dwayne Shults, alto saxophone.

The band will rehearse at Estacado High School in Lubbock and will perform Saturday night, Jan. 29, at Monterey High School in Lubbock. Clinician for this year's All-Region performance is Dr. Charles Trayler of Abilene Christian University in Abilene.

Farwell Junior High Band members will participate in All-Region tryouts Saturday, Jan. 22, at Littlefield Junior High School.

Sap does not rise and fall. It moves out towards the surface in the spring, in towards the center in the autumn.

All Region Band Members

Five Farwell High School band students qualified for the North Zone B-A-AA All Region Band. Those receiving the honor are from left to right, front Penny Hughes, alto clarinet; and Karen London, bassoon; back row: Dana Ennen, B-flat clarinet; Truitt Smith, trombone; and Blaine Buchenau, oboe. The All-Region Band will perform Saturday night, Jan. 29, at Monterey High School in Lubbock.

Texico High School Releases Honor Roll

According to the Texico Senior High honor roll this semester, the seniors outnumbered the juniors, sophomores and freshmen in making the honor roll. In comparing the girls to the boys, the girls outnumbered the boys, 27 to 11.

Freshman honor roll included: Roxanne Cherry, Kelly Dobbs, Kerri Donahay, Leslie Elliott, Neal Haile and Cindy Taylor.

Sophomores are Randy Billington, Georgia Eshleman, Tonye Harrington, Duwain Hill, Barbara Holley, Celia

Johnson, Mike Scott, Pam Southard and Teresa Turner.

Juniors making the honor roll are Sally Chairex, Debra Coffey, Karen Hadley, Blake Haile, Christi Harrington, Sabrina Kittrell, Robert Lacy, Terry Rucker, Baynette Shankles and Steve Turner.

Seniors are Carol Dane, Deanne Day, Karen Emerson, Kim Harrington, Mark Howard, Debbie Lacy, Debbie Ledbetter, Betty Jo Peugh, Jackie Reid, Larry Rolan, Susan Snodgrass, Deborah Stephens and Charlene Whitener.

An insulated attic can help keep your utility bills from going through the roof.

A properly insulated attic can cut the amount of gas you use for heating by as much as 30%. If you have air conditioning, you'll save on cooling, too. And that can mean a sizable reduction in your monthly utility bills.

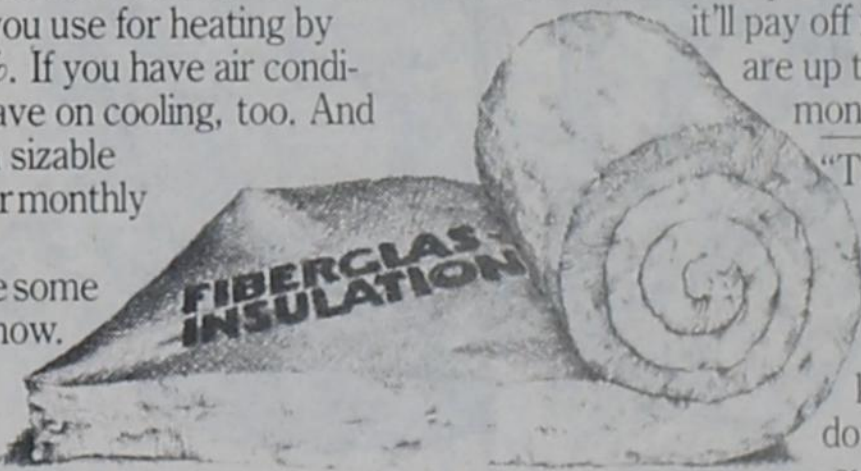

You may have some attic insulation now. But if it's less than six inches deep, you should add more. Six inches of attic insulation can reduce heating bills by 30%.

Over the years, insulation can settle and lose some of its effectiveness. And many homes built in the days of cheaper energy have only two or three inches of insulation in the attic.

With the price of energy these days, that's costing you money. So take a look around your attic. If you don't see at least six inches of insulation, you'd better get busy. The job is simple enough for any do-it-yourselfer to handle in one day. Or you can call in an insulation specialist. Either way, it'll pay off in utility bills that are up to 30% lower, month after month.

The gas company is constantly looking for ways to conserve natural gas and keep costs down. We try out ideas, then pass the best ones along to our customers. Every month I'm reminded how important that is, **because I pay a gas bill too.**

SOUTHERN UNION GAS COMPANY

Portraying Area Homemakers

by Shirley Gorman

Mrs. Mitchell (Naomi) Walls of the Oklahoma Lane Community is a spry, versatile, energetic mother of two who loves living in the country and is often involved with the numerous activities of her high school-age youngsters, Rhonda and Craig.

Baking is a favorite hobby of our homemaker and breads are her specialty. "I like to make several loaves at one time and then freeze them," she said.

Mrs. Walls explained that after she bakes the bread she stores it in plastic wrap for freezing purposes. "The loaves keep for up to three months," she said, adding, "They are better if eaten before then." She said that she only partially bakes rolls before freezing them for later use.

Besides baking, Mrs. Walls loves to work with her hands, having produced numerous creative art objects which decorate the walls of her country home. Favorite items are painted rocks, artificial flower arrangements and decoupage projects.

Other projects include painting tee-shirts. "For years I have wanted to paint a valentine tee-shirt for Rhonda (her daughter) and this year I am going to do it," stated the petite housewife.

Our homemaker likes to keep busy, but she follows no set schedule. "That is impossible to do with children in school," she remarked.

Cake decorating and sewing often occupy the time of Mrs. Walls. She mainly does her work for herself and family, but occasionally has helped someone else. The homemaker said she helped to decorate Susan Symcox's wedding cake.

She also sews almost all her own clothes and also sews for her family, sometimes providing shirts with yokes for Craig and shirts for her husband.

Mrs. Walls' talents do not stop with baking, sewing and producing creative art pieces. The versatile homemaker also grows her own garden and does her own canning. She readily admits that she does not have a "green thumb" and has to work to produce good results. But she enjoys working in her garden "almost as much as I like doing anything," she said.

Naturally it follows that the homemaker also cans what she grows in her garden. "Sometimes Craig and Rhonda help me in the garden, but not often," she states. "However, they do like to eat what I have canned during later months."

she laughed. Mrs. Walls is also athletic and would like to join one of the area volleyball teams. "Mitchell and I both were involved in athletics in high school and our interest is currently maintained through our children," she explained.

Presently our homemaker is a member of the Oklahoma Lane Home Demonstration Club and has been so for about a year.

"Mitchell and I are always involved with school activities," she said. "We also follow the basketball games religiously," she added.

As junior class parents this year the Walls have found themselves very busy. "We have been class parents of Rhonda's class since the sixth grade," the local woman said. She went on to explain that being class parents means supervising and sponsoring all class projects and activities from bake sales to spaghetti suppers. But they find pleasure, contentment and satisfaction being so closely involved with the school activities of their children, she says.

A "typical day" for Naomi might involve getting the children off to school, working around the house, dinner time and the clean up afterwards. "By that time," Mrs. Walls said, "the children are out of school and usually have some project planned."

Actually Mrs. Walls admits that a usual day is anything but typical. Plans are often turned around from morning to night, depending, once again, on Craig and Rhonda. But there is nary a word of complaint from her, she says, as her home is her life and has always been so.

She first met husband Mitchell in the first grade at Farwell. By the time they reached the eighth grade they were going steady, according to our homemaker. They have now been married for 18 and 1/2 years.

For a brief six months period they lived in Farmington, N.M., where he was employed in his uncle's business. During that time Naomi worked for a civil engineer.

After that short stint away from here, the Walls journeyed homeward where he worked in Clovis for 12 years. "We have been here ever since," she said. They have lived in their present home in the Oklahoma Lane community for six years. Walls is now a farmer working with his father-in-law.

"I can't imagine moving back to town," Naomi remarked. "It is so peaceful and quiet out here and we really aren't all that far from town."

Mrs. Walls did admit that before Rhonda got her driver's license, she was "always going back and forth into town."

But as far as our homemaker is concerned the benefits of living in the country far outweigh the inconvenience of living a few miles away from a town.

The Walls family belongs to the Reorganized Latter Day Saints Church in Clovis. As a member she is often involved with the projects of the women's organizations.

Our homemaker has four recipes which she has consented to share with our readers.

MILLIONAIRE PIE

- 2 cups powdered sugar (not sifted)
1 stick margarine (well softened)
1 egg
1/4 t. salt
1/4 t. vanilla
2 baked pie shells
1 c. whipping cream
1 cup well-drained crushed pineapple
1/2 c. chopped pecans

Cream together the powdered sugar and margarine. Add salt, egg and vanilla. Mix well until light and fluffy. Spread this on the two crusts. Chill.

Whip cream until stiff, blend in the well-drained pineapple and the nuts. Spoon on top of the sugar-margarine mixture and chill again.

LASAGNA

- 1/2 lb. lasagna noodles
2 T. salad oil
2 cloves garlic (minced)
1 medium onion chopped
1 lb. ground beef
2 1/2 t. salt
1/2 t. pepper
1/2 t. rosemary
1 T. parsley
2 six-ounce cans tomato paste
1/2 c. hot water
1 egg beaten
1 pint cottage cheese
1/4 c. parmesan cheese
12 oz. shredded mozzarella cheese

1. Cook noodles as directed. 2. Heat oil and cook garlic and onion until soft.

3. Add ground beef and seasonings and cook until brown and crumbly.

4. Add tomato paste and water. Simmer five minutes.

5. Blend eggs and cottage cheese.

6. In baking dish (9x13x2) put thin layers of meat sauce, half the noodles, all egg and cheese mixture and half of the mozzarella. Repeat with remaining meat, then add rest

Busy Homemaker

Mrs. Mitchell (Naomi) Walls of the Oklahoma Lane Community is a very busy woman who delights in looking after her home and family. A typical day in the life of our area homemaker might find her busily sewing for herself or a family member. Mrs. Walls keeps a special room which is reserved for her various projects. She loves to bake, grow a garden, and can vegetables, etc. besides being involved with all the school activities of her two children.

of the noodles, meat sauce and the mozzarella. Sprinkle with parmesan.

7. Bake at 350 degrees for 30 minutes. Let cool for 10 minutes.

8. For freezing purposes, partially cook before freezing. Later thaw and cook until it bubbles.

HONEY-FRENCH BREAD

- 1 envelope yeast
1/3 c. water, lukewarm
2 c. milk
2 T. honey
1 heaping T. salt
3 T. melted oleo
5-6 c. flour
1 egg and 1 T. cream mixed (reserve for top of bread)

Dissolve yeast in water. Heat milk, oleo, honey and salt. Cool. Add yeast mixture and gradually stir in flour. Then knead until dough is smooth and does not stick to hands. Place in greased bowl, cover with cloth and let rise in warm place for 2 hours or until double in size. Punch down and let rise for 40 minutes. Preheat oven to 350 degrees. Knead slightly and divide into 2-3 slim loaves. Let rise again slightly. Brush with milk and bake about 40 minutes. Ten minutes before the bread is done, brush top with egg and cream mixture.

A pie tin filled with water and set on the lower shelf of the oven improves crust.

ANGEL BISCUITS

- 5 c. flour
1/4 c. sugar
1 t. salt
3 t. baking powder
2 C. buttermilk
1 C. shortening

Mrs. Rundell Attends Meet

The Peak of the Panhandle Educational Secretaries Association met for their quarterly meeting at a Hereford restaurant Monday evening. Mrs. Irene McKinster, Director of Marketing for the Hereford State Bank, presented the program on Special Organizational Services. Jessie Ann Davis, program chairman, concluded the program with a short quiz proclaiming Jo Ann Richburg, Margarete Craig, and Elberta Dyer as winners.

A brief business session was directed by Billie McDowell, president, in which she and others reported briefly on the Texas Educational Secretaries Association Convention held in Lubbock.

Those in attendance from Farwell were Georgia Lee Rundell, from Hereford were Bobbie Kitchens, Dorothy Mercer, Jessie Ann Davis, Elva Rodriguez, Norma Dement, Billie McDowell, Mary Wylie, Margaret Craig, Jo Ann Richburg, Gracy Cornelius, Florence Robinson, Yvonne Simpson, Sue Cherry; from Dimmitt were Billye Gwen Davis, Elberta Dyer, Bessie Strickland, Shirley Langford, and from Earth-Springlake was Oletha Sanders. Two special guests were Pruda Fults, Hereford, and Gwen Rundell, Farwell.

Committee Meeting Set

The Nominating Committee of Deaf Smith REC will meet at 11 a.m., January 19, in the Headquarters building of the Cooperative in Hereford.

The Committee will nominate candidates from the Cooperative's membership for the expiring terms on the Cooperative's Board of Directors that expire at this year's Annual Meeting on March 5.

Board members whose terms expire in 1977 are A.W. Anthony, Jr., Friona, and Raymond Higginbotham, Hereford.

All Cooperative members are invited to the Committee meeting. Members of the Committee are Joe Drerup, Nazareth; Jerry Homfeld, Adrian; Clarence Martin, Friona; Gerald

McCathern, Hereford; Dan Petty, Dimmitt; Pat Robbins, Hereford, and Jarrell Wright, Friona.

Hospital Notes

John West of Farwell was released from the Clovis hospital Saturday and is now residing at Farwell Convalescent Center. ...

Mrs. C.H. Whitener was admitted to the hospital in Clovis Wednesday, Jan. 12, for medical treatment. She was released Saturday and is presently recuperating at the Farwell Convalescent Center.

Eugene Smith of Farwell was admitted to the Veterans Administration Hospital in Amarillo Tuesday where he will undergo tests. At press time no further word was available concerning his condition. ...

Mrs. Prudence Mills of Farwell underwent open heart surgery Tuesday at Lubbock Methodist Hospital. She is reported to be "doing well" and is expected to be hospitalized for about 10 days. ...

Mrs. Hugh Moseley of Farwell was dismissed from the hospital Tuesday of this week and is recuperating at the home of her mother, Mrs. Grace Snider. Her condition is reported to be some improved.

Marriage Licenses

One marriage license was issued since last report by the Parmer County Clerk's Office. It went to John Dean Broyles and Robin Kay Taylor.

Debbie Davis, Sammy West Exchange Wedding Vows

Debbie Davis of Claude, Tex., and Sammy West of Texico exchanged wedding vows in a candlelit ceremony Jan. 1, at 7 p.m. in the first Baptist Church of Claude. The Rev. Delbert Serratt, Claude, officiated the single-ring ceremony.

Parents of the couple are Mr. and Mrs. Don Davis of Claude and Mr. and Mrs. Eddie West of Texico.

The bride, attired in a formal gown of white bridal satin, was escorted to the altar by her father. The empire-style dress featured an inset lace yoke, long sleeves with a wide lace flounce at the wrists, and a chapel-length

train. Her finger-tip veil of bridal illusion was trimmed in identical lace and attached to a lace cap. She carried a bouquet of white and red roses accented by baby's breath and red and white satin streamers.

The couple exchanged their vows under a gold, wrought iron archway decorated with greenery and white gladioli. Spiraling candelabra with 12 white candles and baskets of greenery were placed at both sides of the archway. The family pews were marked with tall gold candle holders and greenery.

Candlelighters were Kevin West, the bride-groom's brother, and Stephen Davis, the

bride's brother. Mrs. Janice Westbrook, organist, played "More" and the traditional wedding march. Lisa Philley registered guests.

Cheryl Davis of Claude served her sister as maid of honor. She wore a long red satin empire-style dress, overlaid with white lace. The dress had a scooped neckline, full lace sleeves, and a red satin sash. Her picture hat was trimmed with a red satin bow and streamer.

Bridesmaids included Jackie James, Deanne Griffin, Charlotte Standridge, Debbie Jones, and Melinda Bell. Flowergirl was Gi Gi Bagerman. Her dress was identical to the maid of honor's. The bridesmaids were attired in royal blue satin gowns and picture hats also identical in styling to the maid of honor's dress. Each attendant carried a long-stemmed red rose.

Joe West served his brother as best man. Groomsmen were Danny Askew, Robbie Bradley, David Turnbough, Roy Bertrand and Richard Griffin. Ushers were Ronnie Davis, the bride's brother, Ray Minkley and Terry Crutchfield. Jackie Ray Williamson, the bridegroom's cousin, was ringbearer. All male members of the wedding party wore white sports coats, light blue shirts, dark blue trousers, dark ties, and red carnation boutonniere.

Mrs. Davis wore a light beige long dress with a matching beige lace jacket, and Mrs. West wore a pale blue long dress with a white lace jacket. Each of their dresses was accented by a white corsage.

A reception in the church fellowship hall followed the ceremony. The bride's table was covered with a white lace cloth over red satin. It was centered by a silver candelabra with five blue candles surrounded by greenery and flowers. On one end of the table, guests served themselves cherry punch from a silver punch fountain. Teresa Gooden and Shannon Hudson served the guests with the wedding cake placed at the other end of the table.

The four-tiered white wedding cake featured two large-square tiers on the bottom. The third tier, a circular layer, was separated from the top layer by white posts. A bride and groom figurine rested on the third tier, while the fourth tier was topped by white lace wedding bells. Each of the corners of the lower tiers were accented and decorated with red and blue bells.

The bridegroom's table, covered with a white cloth, featured a silver coffee service and party sandwiches.

The bride changed into a beige pant suit accented by a white corsage before the couple left on a brief honeymoon.

The couple will live in Clarendon, where the groom is enrolled in Clarendon Junior College. He is employed by a Clarendon rancher. Mrs. West is a senior in Clarendon High School. West is a 1975 graduate of Texico High School. The bride was the reigning "Miss Armstrong County" before their marriage.

After the New Year's Eve rehearsal, the bridegroom's parents hosted a dinner in an Amarillo restaurant for the wedding party.

The couple was honored with two pre-nuptial showers in Claude and with a shower in Texico on January 15. Hostesses for the Texico shower included Mrs. Paul Skaggs, Mrs. Perry Winkles, Mrs. Howard Whitener, Mrs. Kendale Burch, Mrs. Sylvia Burgett, Mrs. Chuck Bradley, Mrs. Raymond Hadley and Mrs. Eddie Dunsworth. The hostess gift was a blender.

MR. AND MRS. SAMMY WEST

Convalescent Center Chit Chat

As Reported by the Center Staff

Rev. H.L. Whittenburg, pastor of the Oklahoma Lane United Methodist Church, conducted the Sunday afternoon worship services. Buster Kittrell of Muleshoe led the 36 attendants in singing. Mrs. Ollie Utsman's granddaughter, Shana Blain, age 11, also sang a song which everyone enjoyed. Refreshments were served later.

Welcomes are extended to John West and Mr. and Mrs. C.H. Whitener. Effie Foster has returned to her home in Portales.

Mrs. Bert Williams, a member of Epsilon Sigma Alpha sorority, wrote letters for the residents Monday. Everyone reports that they missed Dora Verner while she was in Alabama and Oklahoma visiting relatives.

Bobby Hicks spent the weekend in Bovina visiting his parents, the L.D. Knights. While there Hicks celebrated his 37th birthday.

The little Convalescent Center birdie reports that a certain R.P. has been seen lately sporting a shiny new pair of suspenders.

Center staffers report that Dora Johnson brightens their day as she is always so quiet and cheerful. A visit to her room is always a treat.

Lon and Cordelia Cochran have recently celebrated their 32nd wedding anniversary.

Bingo and popcorn were enjoyed as usual on Thursday. Winners were Bobby Hicks, Maude Wilson, and Ben Kube. Nora Edens, nicknamed the "luckiest Bingo player around" by her fellow residents, was down with a cold and unable to win her usual games Thursday. Fellow residents were sorry Nora was ill, but they were glad of a chance to win at Bingo. Nora is currently working on the last row of her "Around the World" quilt. It took a long time, but I am proud of it," she proudly states.

Glenn Hess reports that he has been having trouble sorting the laundry lately.

Lena Steinbock's grandson, Bobby Lynn Broyles of Clovis, recently underwent surgery and is now reported to be doing fine.

Gladys Hobrathsch recently spent two days painting a butterfly on the wall over the bed in Herman Gohlke's room. The butterfly has a four-foot wing span.

Visiting Pearl Monk recently wore Annie Seal, Glenn Seal and family, all of CeeVee, Tex.; Lema Ware of Clovis; and Winfred Monk of Melrose. A recent visitor of W.W. Vinyard was his nephew, Wren Vinyard, Abilene.

Everyone wishes Joye Myers a "speedy recovery" as she was recently hospitalized in Big Spring.

Mr. and Mrs. T.P. Kittrell report they are happy at the Center and say they "have never seen anything like it before."

Everyone greatly enjoys and appreciates the book, "Portals of Progress", which was donated to the Center by St. John's Lutheran Church in Lariat.

Many thanks are given to Raymond Purcell for cutting the boards used in crafts sessions.

This week the spotlight is turned on Leola Birchfield who was born in Arkansas December 1, 1894. She married Frank Birchfield in 1912. They reared four boys: Curtis of Farwell, Weldon of Clovis, and Olan and Muriel, who are both deceased. She has eight grandchildren.

Mrs. Birchfield moved to Portales in 1960 after she retired from being a licensed vocational nurse. She took up that profession after her sons were all grown. Before retiring she worked at the hospital in Albany, Tex. Mrs. Birchfield says she decided to become a nurse because she liked to help people and nurses were needed in World War II.

The Frank Birchfields farmed near Greenville, Tex., until 1926. She says she has always

enjoyed fancy quilting, flowers and plants. Center staffers and residents agree that she has a "green thumb" as her room is full of thriving plants.

Mrs. Floe Copeland, activities director, reports that she has been receiving calls from people interested in joining the Center auxiliary. She urges anyone who would like to be a part of the organization to call her weekdays at 481-9027, between the hours of 10:30 a.m. and 4 p.m.

Farwell Junior 4-H Club Meets

Farwell Junior 4-H Club met Monday night with Johanna Mesman presiding. Brent Green led the pledge and Johanna led the 4-H motto.

The main topic of discussion was the food show. Elizabeth Kube gave a report on the county food show. Demonstrations were also discussed. Linda Gohlke presented different types of demonstrations for their next project.

In further business, Green was elected reporter. Present for the meeting were Darcy Haden, Johanna Mesman, Renda Hager, Gina Phipps, Jacqueline Kube, Elizabeth Kube, Michell Autrey, J'Don Kube, Todd Lingna, Darin Darby, Bernie Mesman, Kevin Owen, Doug Cole, Green and Linnny Beal.

Attend Meeting

Mr. and Mrs. Joe Helton of Texico traveled to Albuquerque, N.M., Friday of last week to attend the New Mexico State Eye Bank Board Meeting.

Helton, who belongs to the Texico-Farwell Lions Club, has been a member of the Eye Bank Board for about five years.

While in Albuquerque the Heltons attended meetings, listened to reports, and heard guest speakers. They returned to Farwell Sunday afternoon.

Next meeting of the board has been set for June in Las Cruces in conjunction with the New Mexico State Lions Convention.

Maternal grandparents are Mr. and Mrs. W.H. Flowers of Edwards, formerly of Farwell. Mrs. Henderson is the former Debra Flowers. Paternal grandparents are Mr. and Mrs. Sam Henderson of Warsaw, Mo.

The world's longest ocean telephone cable runs from Australia to western Canada, a distance of more than 9,000 miles.

Around The House with Jana Pronger
Parmer County Extension Agent for Home Economics

Santa was good to some of you lucky families and there is now a new addition to your kitchen - a microwave. This week's column will be devoted to tips for your new Microwave and some that you experienced microwave cooks might need to review for better service from your oven.

#1. DON'T OVERDO IT! To avoid overcooking, check food at a minimum time, then continue cooking if necessary. Remember, you can always add time, you can't subtract it.

#2. EVEN-HANDED HEAT: Uniform cooking, heating and defrosting of foods is essential to microwave satisfaction. But food is rarely uniform in shape, size, density, volume or starting temperature. These techniques will help:

ARRANGE items in a ring when possible, eliminating the need to heat the center. Also, place slow-to-heat, dense and thick food near the edge of a dish where microwaves penetrate first. Thinner or more porous items should go near the center.

STIR foods such as casseroles, vegetables and sauces to redistribute cool portions to the edges where they cook faster.

ROTATE the dish when it isn't practical to stir, turning it 1/4 to 1/2 way around.

TURN over dense pieces of food such as meat and whole baked potatoes.

LET FOOD STAND a few minutes before serving to allow heat at the outside of the food to penetrate to the center without continued cooking on the outside.

DON'T OVERLOAD the oven. Three groups of 2 items generally heat more evenly than 6 at once.

#3. COVERUP: Glass covers, plates, saucers, plastic wrap and wax paper hold in heat and speed cooking, defrosting and heating. Remove covers carefully to avoid burns from trapped steam.

#4. THINNER IS QUICKER: Since thin foods cook faster than thick ones, select thin-shaped foods at the store. Avoid stacking foods; spread food out when possible.

#5. THINK BIG: In cooking, foods such as casseroles and soups can bubble up. Choose utensils that are large enough for the recipe.

#6. TENTING TONIGHT: Place a wax paper tent on roast poultry or meat to help retain heat and prevent splattering.

These and other ideas are in a commercial publication available in my office which also includes recipes like the following:

DAVY JONES' STUFFED PEPPERS

- 2 large green peppers
- 1 can condensed Golden Mushroom soup
- 1 can tuna, drained and flaked
- 1/2 cup shredded sharp cheddar cheese
- 1/2 cup cooked noodles
- 1/4 cup water

1. Cut peppers in half length-

wise; remove seeds.

- 2. Arrange in 1 1/2 quart shallow glass dish; cover with wax paper. Cook in microwave oven 6 to 8 minutes or until desired doneness.

- 3. Combine 1/2 can soup and remaining ingredients except water; spoon into peppers. Combine remaining soup and water; pour over peppers.

- 4. Cook to 1 to 10 minutes or until hot, giving dish 1/2 turn every 3 minutes. Makes 4 servings.

REUBEN MEAT LOAF

- 1 can condensed Tomato Bisque soup
- 1 pound ground chuck
- 1 can corned beef, finely chopped
- 2 1/2 cups soft bread crumbs
- 2 eggs, slightly beaten
- 2 tablespoons chopped parsley
- 1 large clove garlic, minced
- 1 can sauerkraut, finely chopped and well drained
- 1/2 teaspoon caraway seed
- 1 cup shredded Swiss cheese
- 1 teaspoon prepared horseradish
- 2 slices (about 2 ounces) Swiss cheese, cut in 8 triangles

- 1. Mix thoroughly 1/4 cup soup, ground beef, corned beef, bread crumbs, eggs, parsley, and garlic.

- 2. On wax paper, pat meat firmly into rectangle (15 x 12").

- 3. In small bowl, combine sauerkraut, caraway and shredded cheese; press into meat to within 1 inch of edges.

- 4. With aid of wax paper, roll meat tightly jelly-roll fashion, starting at short edge. Seal seam and ends.

- 5. Using wax paper, place loaf seam-side down in 2-quart shallow glass dish, cover with wax paper. Cook in microwave oven 15 minutes or until done, giving dish 1/4 turn every 4 minutes.

- 6. Mix remaining soup and horseradish. Spoon over loaf; cook uncovered 3 minutes.

- 7. Arrange cheese slices over top of loaf, overlapping slightly. Cook 1 minute or until cheese melts. Let stand 5 minutes. Makes 8 servings.

For more information and other recipes for your microwave please contact me at my office, 2nd floor of the Courthouse in Farwell, or by writing or calling: Box 683, Farwell, Texas 79325, phone 806-481-3619.

Mark Liethens Enjoy Caribbean Cruise

Mr. and Mrs. Mark Liethen of Farwell recently visited the Caribbean Islands where they spent 10 days on St. Maarten.

The local couple left Farwell January 2 and flew to the Caribbean. There they enjoyed warm temperatures, sunny skies and sightseeing. They also boarded a cruise for another nearby island, St. Barts.

Mrs. Liethen remarked that a favorite pastime was swimming and lounging on the beach.

She commented that St.

Maarten is jointly owned by France and the Netherlands, adding that its tropical atmosphere reminded her of Hawaii.

The Liethens stopped in Puerto Rico en route home for a custom's check. Mrs. Liethen said that when their plane landed in Oklahoma City the weather was two degrees below zero, adding that when they arrived in Amarillo they were greeted by four inches of snow and five-degree temperature.

"It was enough to make us want to go right back to the Caribbean," she laughed.

Study Club Has Guest Speaker

Parmer County Attorney Johnny Atkinson was guest speaker at the Monday night meeting of the Farwell Study Club. He spoke to the members of the organization about problems which face the county today.

After a short business meeting, refreshments of finger sandwiches, nuts, mints, spiced tea and coffee were served by Mesdames Gertrude Foster, Lillian Aldridge, and Eunice Crume.

Members attending were Mesdames Edith Crawford, Hattie Coffey, Jewell Scott, Lela Atchley, Nina Glascock, Beulah Hobbs, Julia Symcox, Ellen Wurster, Virginia Perry, Ophell McDonald, Frances Kube, and Crume, Aldridge, and Foster.

Guests were Atkinson and Mrs. Theo Atkinson.

Next club meeting is slated for February 21 when the guest speaker will be Mrs. Lenton Pool.

Texico Woman's Club Has Dinner Meeting

Texico Woman's Club met Monday night at the community center in Texico for a dinner meeting.

In the absence of president Teresa Curry the meeting was called to order by Mrs. O.B. Coffey. One item on the agenda included donating \$100 to the Texico Booster Club to help defray the cost of an ice-making machine.

Members brought covered dishes which featured favorite recipes of six countries, including Japan, China, Russia, Sweden, Mexico and the United States. Each woman said something about the country from which her dish came.

Present were Mesdames Ann Ledbetter, Beverly Roberts,

Audrey Kittrell, Kay Coffey, Janie Lebow, Maurine Caywood, Marcia Leavell, Margie Crooks, Aileen Teel, and Mickey Rogers.

Visits Daughter

Aileen Teel of Texico spent the weekend in Shallowater visiting her daughter and family, Mr. and Mrs. Gene Usrey, Mark and Steve. Joining them was another daughter, Mrs. Bill Glenn and Kathleen of McCamey, Tex.

Cheryl Gohlke On Dean's List

Cheryl Renee Gohlke, daughter of Mr. and Mrs. Hubert Gohlke of Farwell, was named to the dean's list at Sam Houston State University for the 1976 fall semester.

Miss Gohlke, a 1976 graduate of Farwell High School, earned a 3.0 grade point average. She is majoring in Home Economics.

The Dean's list consists of all students who attained an average of 3.0 or better in all work attempted while earning not less than 12 semester hours.

Steerettes Win Heart Stopper

With a scant three seconds left on the clock, all-state forward Kathy Booth sunk a shot from just beyond the free throw line to give the Steerettes a 70-68 win over a determined Bovina team which had played the Blue and White shot for shot in the closely-fought District 3-A encounter Friday night at the Steer gym.

Booth, with 40, was high scorer in the see-saw battle, but it was the consistent shooting of senior Sherri McCully that kept the Steerettes in the game during the first half of play. McCully ended the game with 18 points and Dana Ennen had 12.

At the end of the first stanza, Farwell led 18-15, but by halftime, Bovina had edged in front 35-34. At the close of the third period, the visitors led 54-52 and were leading by four with less than five minutes on the clock. Farwell's forwards put together back-to-back shots after stealing the ball to gain a tie with

about three minutes to go. The teams traded shots to keep the score knotted until Farwell wound up with the ball as time ran down and Booth sank the winning field goal.

Leading rebounders were D'Lynn Eubanks and Carol Vinton, 4, and Judy Hardage, 3.

Tuesday night the Steerettes tangled with Springlake-Earth and lost a squeaker, 76-74, for their second defeat in district action.

The game was closely fought throughout the first three quarters, but the Springlake-Earth girls edged ahead during the last phase of the contest to claim the closely won victory.

Booth was high scorer for Farwell with 33. Others scoring were McCully, 20, and Ennen, 21.

Tonight (Friday) the Steerettes take on Hart at Hart. Next Tuesday they travel to Kress.

Farwell Twirlers

Girls who will be leading the bands at Farwell Schools as twirlers during the 1977-78 school year have recently been selected. They include, left to right, front row: Kay Geuther, junior high (head); Betsy Black, junior varsity; Tammi Obenshain, junior high; and Tori Hardage, junior varsity. Back row, left to right, are high school twirlers Lisa Howard, Roxie Chandler (head) and Brenda Jones.

Jr. Varsity Girls Blast Bovina, Lose To S-E

Farwell Junior Varsity girls tangled with Bovina Friday night of last week, blasting their opponents, 71-41.

The game was "in the bag" for Farwell from the start as they led by scores of 23-8, 39-24, and 53-36 throughout the game.

Providing the "icing on the cake" were high scorers Jamye Berry and Paula Christian with 27 markers each. Also scoring were April Coffman, 11, and Yolanda Martin, 6.

"The JV played well," commented Coach Larry McDorman following the game. "We jumped out in the first quarter hitting well and kept the pace," he continued. "The only bad thing is that April Coffman, a starting forward, sprained her ankle and will probably be out for two or three weeks," concluded the coach.

field goal try," commented Coach Larry McDorman. "That was about all she got," he continued, "their guards were really all over her. Jamye fouled out in the fourth quarter."

McDorman ended his comments by saying "we will reorganize and be ready for the next game."

The JV girls' next two games will be on the road as they face Hart tonight (Friday) and Kress next Tuesday.

ments by saying "we will reorganize and be ready for the next game."

The JV girls' next two games will be on the road as they face Hart tonight (Friday) and Kress next Tuesday.

Farwell JV Boys Skin Bovina

Farwell Junior Varsity Boys played good basketball last Friday night to topple their Bovina opponents, 43-28, during home court action.

The first two quarters proved to be fairly even as the Bovina boys led 6-4, after one period of play, but trailed, 16-9, at the half. The local boys played a strong second half to take the victory, 43-28.

High point man was Kayle Watts with 16. Following closely behind was Vick Chris-

field goal try," commented Coach Larry McDorman. "That was about all she got," he continued, "their guards were really all over her. Jamye fouled out in the fourth quarter."

Farwell Steers Thrash Bovina And Springlake

It was a good night in Farwell last Friday as the varsity Steers trounced the Bovina Mustangs, 70-51, for the second victory of the evening for Farwell's varsity squads.

The local boys sailed to the easy win as they led 18-6 after the first period and were ahead, 32-22, at the half. At the end of the third stanza they were in the lead, 52-35, and went on to take the game, 70-51.

High point man of the game was Rowdy Chandler with 18. Next in scoring were Sammy

Merritt, 14; Clay Roberts and Billy White, 10; Russ Jones, 8; Travis Bibbs and Terri McCully, 4; and Chip Craft, 2.

Leading rebounders were Jones, 15, and Roberts, 11.

The Steers thrashed Springlake-Earth Tuesday night, 73-50. No other statistics or comments were available at press time.

Upcoming games include Hart, at Hart, tonight (Friday); and Kress at Kress next Tuesday night.

Jr High Teams Lose At Vega

Farwell Junior High Teams traveled to Vega Monday night and all four teams went down in defeat.

The 7th Yearlings lost by a slim 19-17 score. The quarters were tied 4-4, 6-6 and 14-14; however, a determined Vega team edged ahead in the final moments of the game to claim the victory.

High scorer for Farwell was Waverly Coates with 9. Others scoring were Brent Green, 4, and Blake Buchenau and David Daniel, 2.

Vega trounced the 8th Yearlings 35-15. Gary White was

high point man for the Blue and White with 7. Others adding points were Boyd White, 3; Richard Carpenter and Phillip Hagler, 2; and Kerry Ford, 1.

The Vega 7th team slipped by the 7th Steerettes, 26-21. Janene Berry was high scorer with 17. Others scoring were Ginger Ellison, 7, and Karen Magness, 2.

The 8th Steerettes were trampled, 34-25, by their Vega counterparts. Robin Ennen earned 21 points and Sharmy Christian pumped in 4.

Dimmitt Tourney Next - -

Freshman Teams Surrender To Muleshoe

Farwell Freshman teams hosted Muleshoe Thursday night of last week, suffering two losses. The girls were downed, 52-41, and the boys lost, 45-29.

During the ninth grade girls game, both teams played evenly throughout the first half. After one period of play the score was a 9-all tie and at halftime the local girls trailed by only a point, 26-25. However the trend changed in the latter stages of the game as the Muleshoe girls led 40-30 at the end of the third period. The determined Muleshoe visitors went on to secure the victory by pumping in 12 more points during the final period.

Contributing to the Farwell scoring were Jana Berry, 15, Lisa Hughes, 14, and Kim Marsh, 12.

"We stayed with them the first half, but in the second half the guards had trouble getting the ball to the forwards," said Coach Larry McDorman. "Dondra Geris fouled out and Muleshoe hit all but two of their free throws,"

he continued. "We did not play too badly as they had a superior height advantage," the coach concluded.

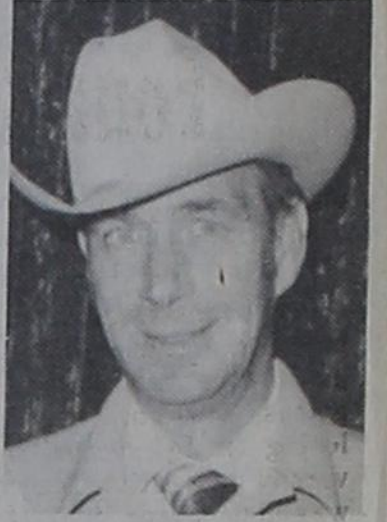

The girls were to meet Tulia Thursday for the opening round of the Dimmitt Tournament. Game time is slated for 5 p.m.

The ninth grade boys played fairly even ball with their Muleshoe counterparts. They were behind 7-6 after the first quarter and trailed 15-8 at the half. At the end of the third stanza, Farwell was behind, 27-20; but the final period said it all as the tough Muleshoe team racked up 18 points to only 9 for the local team.

James Castleberry led in scoring by pumping in 10 points. Others adding to the score were Mark Owen, 5, Blaine Buchenau, 4, Craig Kaltwasser and Tim Ellison, 3, and Kirk Magness, 2. Leading rebounder was Ellison with 8.

Next action for the ninth grade boys was to be in the Dimmitt Tournament Thursday at 1 p.m. against Tulia.

Roundball Action

Texico Girls Win Four Of Five Games

by Celia Johnson and Teresa Turner

In a series of games played over the weekend the Texico girls won four out of five games, with only the varsity losing to Jal, 55-50. In the varsity game, Kim Harrington was high scorer with 24. She was also the leading rebounder.

Coach Kathy Culshaw said, "Friday night the varsity finally put it all together to play an outstanding game. The crowds cheered us on to a near victory over number one ranked Jal. It was a moral victory."

The Junior Varsity beat Jal, 37-33, Friday night. High point scorers were Tonye Harrington with 12 and Marie Steward with 8. Leading rebounder was Florence Orozco.

Coach Roy King said, "The full court press in the fourth quarter won the game for us. The team never quit even though they were behind most of the game."

Dexter Saturday, winning all three games. The junior high won, 22-16. High scorer was Liz Cavallero with 11. Roxanne Cherry shot four technicals, hitting on three out of four.

The junior varsity won over Dexter, 29-23. High point scorer was Tonye Harrington with 7. Following her was Marie Steward with 6, Teresa Turner and Jana Jesko with 4 each. Steward was leading rebounder.

Coach Culshaw said, "The junior varsity played a well-balanced game, being aggressive on both the offense and the defense."

Texico Varsity got their revenge, 40-30, after losing to Dexter the first time. Kim and Tonye Harrington were high scorers with 12 and 10, respectively.

"Varsity girls spurred by a 10-point victory over Dexter are now ready to enter the EPAC tournament with a winning attitude," commented Coach Culshaw.

Roundball Action

In Saturday night's basketball action at Dexter Texico Junior Varsity Wolverine Jana Jesko (40) dribbles the ball down court while being closely guarded by a Dexter defender. The local girls went on to take the game, 29-23. (Texico School photo.)

Texico Varsity, JV Bow To Jal Panthers

by Eloy Ortiz and Steve Doolittle

Texico Wolverines hosted the Jal Panthers Saturday night. Both J.V. and varsity teams played and came out on the losing end.

For the varsity, the game was their first district playoff, and their record is now 0-1 in district.

The Panthers led the entire game. In the first quarter the Panthers jumped ahead 15-6. In the second quarter they stretched their lead, 39-14. The third quarter ended 55-32 in Jal's favor. In the fourth quarter Jal maintained their strong lead to take the win, 67-49.

Leading scorers for Texico were Ricky Orozco with 21 and Steve Turner with 18.

The Texico Junior Varsity squad also lost to the Panthers 57-65.

In the first quarter Jal led 18-9, but the Wolverines out-scored their opponents to tie

the game at the end of second quarter, 33-33. Jal jumped back into the lead 45-42 in the third quarter, to take the win, 65-57.

Leading scorers for Texico were Eddie Chavers with 22, followed by Duwain Hill with 12. Chavers was leading rebounder with 17.

Ft. Sumner Tramples Texico Girls Teams

by Teresa Turner

Texico Jr. High and Varsity girls teams traveled to Ft. Sumner last Tuesday where they were both defeated.

The Jr. High lost 30-25 with Lori Harrington scoring 12 for Texico. "After two one-shot defeats, the fighting Jr. High team fell again in a grueling battle with the Ft. Sumner team," said Coach Kathy Culshaw.

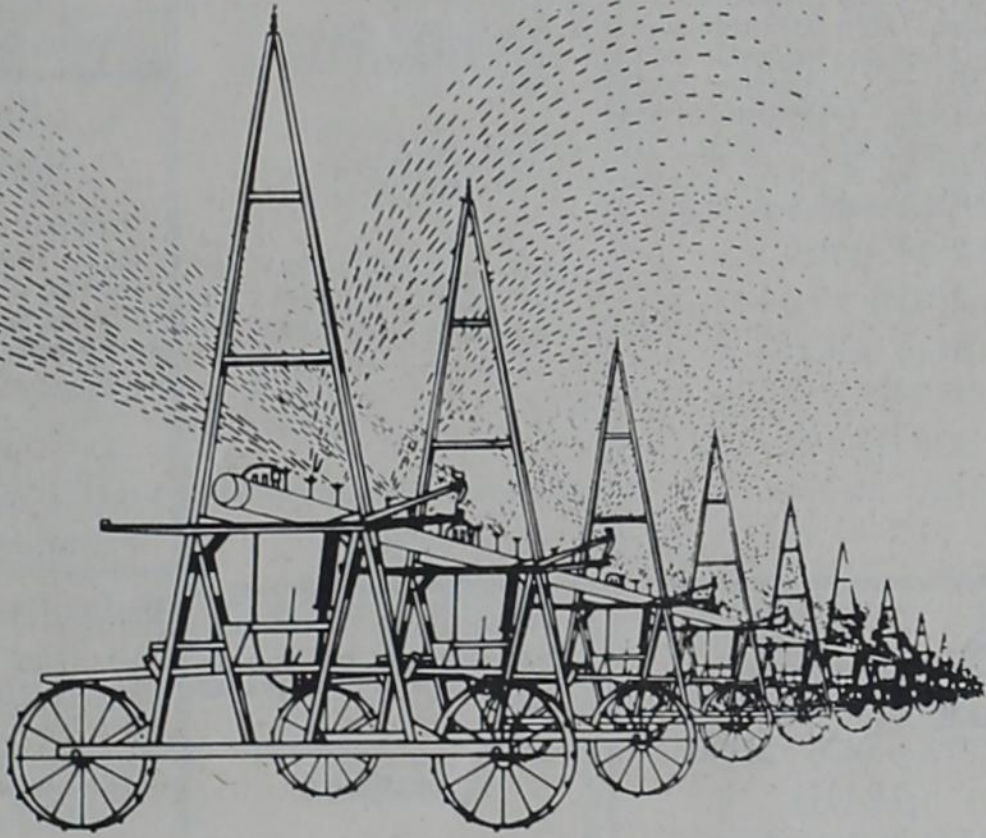

The Varsity's defeat was a little more extreme, 41-29. Outstanding offensive player was Susan Snodgrass leading the team with 7 points. Con-

trolling the defensive rebounds were Susan Snodgrass and Marie Steward.

Coach Culshaw commented, "The Ft. Sumner game was physical combat. According to our girls, the game plan should have been 'first and ten, do it again', instead of put the ball through the hoop."

In 1836 there was a surplus in the United States Treasury of over \$28 million!

Eradicane in irrigation water - great weed control in corn

Meter dependable Eradicane herbicide into your center-pivot irrigation system.

- Control wild cane, seedling johnsongrass, watergrass, volunteer wheat, sandbur, redroot pigweed and others.
- Economical, easy way to control tough weeds in center-pivot irrigated corn.
- Water does the work. You get weed control while you're irrigating your crop.
- Eradicane controls weeds without residue carryover.

Always follow label directions carefully.

Ask your Stauffer supplier about Herbigation™ weed control service.

Sheriff's Report

Parmer County Sheriff Charlie Lovelace reports that Gibson in Friona has been burglarized for the third time in two months. The latest incident occurred January 15 when an estimated \$900 in guns and watches were taken. The local sheriff said entry was gained by knocking a hole in the wall, adding that apparently a malfunction prevented the burglar alarm from going off. An earlier incident took place January 12 when firearms were also stolen. The first incident occurred two months ago. Sheriff Lovelace reported that his department and the Friona Police Department are investigating the burglaries.

Two 15-year-old juveniles were arrested in Bovina earlier this week for driving a pickup belonging to Buck Ellison without his permission. Ellison lives three miles west of Bovina where the incident took place. The youths were released to the custody of their parents until further action is determined.

A recent gasoline theft occurred at the Dee Hight farm near Farwell. Sheriff Lovelace said the tank lock was broken off and about 50 gallons were taken. Two cases of vandalism have also been reported. A mailbox belonging to Mrs. H.A. Kelm of Farwell was removed from the stand and the block was taken, according to the local sheriff. A car belonging to Mike Goetsch of Farwell was parked on Second Street in Farwell when the antenna was bent across the door.

TWO MINUTES WITH THE BIBLE BY CORNELIUS R. STAM, PRES. BEREAN BIBLE SOCIETY CHICAGO, ILLINOIS 60635
"HE SHALL PRAY FOR THEE"
Abimelech, king of Gerar, had taken Abraham's wife as his own, but had done so innocently. Sarah was a beautiful woman and Abraham, fearful for his life, had said to Abimelech: "She is my sister." Indeed, Sarah, also fearful, had vouched for Abraham's lie, telling the king: "He is my brother."
But to save the failing couple from the consequences of their own cowardice and sin, God had appeared to Abimelech, warning him that if he valued his life he would immediately return Sarah to her husband—"and he shall pray for thee, and thou shalt live" (Gen. 20:7).
Can this be a correct account of what actually took place? Will God hear the prayers of guilty Abraham for innocent Abimelech? Yes, for Abimelech was a pagan who served other gods, while Abraham, with all his failure and sin, was God's own child.
Abraham's prayer would, of course, be a confession of his sin and a plea that it might not be laid to the charge of innocent Abimelech, but nevertheless it was Abraham, not Abimelech, who had access to God.
This is an important lesson to learn, for many unsaved people point to the failures of believers and say: "I wouldn't be guilty of that. If he goes to heaven, I certainly will get there." Nevertheless, such "good" people are lost, while poor sinners who have trusted Christ for salvation are saved and "made accepted in the Beloved One" (Eph. 1:6).
There is only one way to find acceptance with God; this is by faith in His Son. Our Lord said: "I am the way, the truth, and the life; no man cometh unto the Father but by Me" (John 14:6), and in John 3:35, 36 we read: "The Father loveth the Son and hath given all things into His hands. He that believeth on the Son hath everlasting life: He that believeth not the Son shall not see life, but the wrath of God abideth on Him."
"Believe on the Lord Jesus Christ, and thou shalt be saved" (Acts 16:31).

Student Of The Week
At Texico School

Jo Beth Hill, 12-year-old daughter of George and Mary Hill, is Texico's student of the week for Jan. 24-28. An honor roll student, she is involved in athletics and church activities. One of her hobbies is drawing, and she loves to attend as many Wolverine sports activities as possible. She is a transfer student from Kansas.
(Selection of "Student of The Week" made by anonymous committee.)

Texico's This, That And The Other

by Steve Turner and Monty Leavell

The Pep Club showed \$276 profit toward the purchase of a stuffed Wolverine for the Texico school trophy case, from the Country Music Jamboree last week.

Kindergarten started Monday with 21 students enrolled. The class is learning to write their names, the ABC's and the color names. Teacher is Mrs. Alice Richmond, with Mrs. Dixie Jesko as aide.

The Title I Room had its annual Parent-Teacher meeting Monday. Mrs. Pearce showed the parents new sup-

plies in the room and samples of the student's work.

The Student Council is selling license plates for \$2.00 each. They also plan to sell green caps with Wolverine emblems on them.

The student body of Texico Schools wish to express their sympathy to Mr. A.D. McDonald and other family members on the death of Mrs. Gladys McDonald. Mr. McDonald was affiliated with the Texico Schools and other local schools for the past 26 years. Mrs. McDonald was always an avid supporter of the schools and sports program. She was especially a track fan.

Texico To EPAC Tournament

Texico's varsity basketball teams were to have seen first round action in the Eastern Plains Athletic Conference tournament Wednesday night at Dora.

In the girls bracket the tournament pitted fifth-seed Texico against number four rated San Jon at 6:30 Wednesday. The Texico boys, also

fifth seeded, were to play Floyd, the number four team, at 8 p.m. Wednesday.

The single elimination tournament continues through Saturday when the girls' championship game will begin at 7 p.m. to be followed by the boys' championship match at 8:30.

**On The Farm
In
Parmer County**

By MACK HEALD
County Agent

Many of the record books of the beef industry will have to be rewritten now that 1976 has come to a close.

The past year was quite significant to the beef industry in that many new records and statistics were established. The happenings and events of 1976 might also bring about some change in philosophy about the meat industry.

Some of the startling facts about the beef industry in 1976 were these:

-- Commercial cattle slaughter set a new record high of almost 43 million head.

-- Commercial beef production also set a new high, about 25 billion pounds.

-- Beef consumption approached 128 pounds per person, not only a new record but eight pounds more than the previous high set in 1975.

-- Calf slaughter at about 5 million head was the second highest since 1968.

-- Average retail prices were about \$1.39 per pound for choice beef and \$1.36 per pound of pork, the second highest beef price in history and a new record for pork.

-- The weighted average price received by producers for beef cattle was about \$34 to \$35 per hundredweight, the third highest in history.

-- Disposable per capita income of U.S. consumers also established a new high in 1976 at about \$5,500 per person.

-- New record highs were also established during the year for farm wage rates, machinery costs, interest costs, taxes, fuel costs, utility costs and real estate values.

Even farm-to-retail prices spreads -- what the producer gets compared to the price at the grocery store -- recorded a new high.

AG CREDIT TIGHTENING IN TEXAS -- Agricultural credit conditions are tightening up a bit in Texas, says an economist with the Texas Agricultural Extension Service. According to a survey of agricultural lenders, more potential farm loan customers could not be served, loan repayments were lower, and more collateral was being required during the past six months. During the past year, agricultural loans have been larger, the number of farmers and ranchers served was up, and the demand was up for operating loans, machinery loans and crop loans but down for feeder cattle loans. Interest rates were down two-tenths to three-tenths per cent.

Pork to be Plentiful

Pork is expected to be plentiful in supermarkets throughout the state in January, according to Agriculture Commissioner John C. White. Production rates during the first month of 1977 are likely to continue seasonally large and average about 22-24 per cent above the unusually low level of a year ago.

SWCD News

Parmer County soil and Water Conservation District has been working on a program to get trees for planting in Parmer County from a source that will give them a better chance of living than we have had in the past. This source has worked out, and trees are available which the district feels are good for Parmer County.

The bare-rooted trees will be \$16 per hundred in lots of 50. Another big plus with this

source is that potted trees are available at 40 cents each in lot of 30.

Regardless, whether you have ordered before or not, you should order now for the above mentioned trees. The only caution is that these trees cannot be resold nor can they be used for ornamental purposes.

See the Soil Conservation office in Friona for orders and to answer your questions.

**Hospital Board
Has Meeting**

Farwell Hospital District Board conducted a routine business meeting Tuesday night at the Farwell Convalescent Center.

Reports were heard from Medical Clinic Administrator Jeannie Norris, and Convalescent Center Administrator Dora Nittler.

Further reports from the hospital district tax assessor-collector indicated that 80 per cent of the taxes have been collected.
