

# INDEPENDENCE DAY

## Border Banter

By Mike Pomper

### Did you try to call?

Odds and ends today, folks: \*\*\*

If some of you tried to call us on the telephone Monday but couldn't get through, here's what happened.

Apparently, we got hit by lightning over the weekend, which knocked out a couple of our phone extensions and resulted in our phones not "ringing."

It was about 3 p.m. when we figured out we had a problem since we had been able to call out okay.

I got to watch several summer basketball league games and there are some emerging stars on the local horizon.

Texico fans especially will enjoy watching Matthew Williams play ball next season. He is especially tough under the boards and difficult to stop. I anticipate Williams will spark the Wolverines to another successful season.

As for Farwell, an aggressive Kade Kent should spark the Steers to a good season, too. He's been playing with a Melrose AAU team and he has scored as many as 37 points in a summer basketball league game.

At Lazbuddie, Longhorn fans will enjoy watching the drives to the basket by the Cozby brothers - Matt and Chris. They will disrupt a lot of defenses with their ball handling. It will be a fun year at Lazbuddie.

I had told several folks about a special Border Town Days event upcoming this year: miniature monster car races for our youths.

Due to health problems, the Amarillo folks running this nifty event had to cancel out this time around. But we are on their schedule for 1993.

The hail that arrived Saturday night, just under golf ball size, was the most I've seen at one time - and the largest - since I arrived in the Twin Cities 8 years ago.

I hope it's another 8 years until I see it again.

Here's another example of how stuff can be twisted:

We've all been reading about the vast number of congressmen who aren't seeking reelection ostensibly because of the mood of the people, their unhappiness with getting legislation passed, etc., etc.

Sound right? Wrong.

What you aren't being told is that this is the last year when congressmen can get out and keep all their election campaign funds. Under a new law, they don't get to keep those monies as of Dec. 31, 1992.

So what we really are seeing is a bunch of congressmen quitting so they can keep sums up to \$500,000. Yep, that's right - those "campaign funds" can go right into their pockets this year.

I just love it.

Farwell Junior High Coach Monty Sartain has resigned. He is going to Guymon, Okla. where he will have a similar teaching and coaching post.

Mrs. Sartain is working on a degree at Panhandle State in Guymon.

## Art display coming here

Security State Bank in Farwell will be displaying 50 to 60 pieces of art on July 9 and 10 during bank hours in their lobby.

The artwork represents many artists from three galleries - Altermann and Morris Galleries, Houston / Dallas; Canyon Art Gallery, Canyon, and Rice Fine Art, Amarillo.

Richard Rice of Rice Fine Art heads the event. A collector for many years, he eventually decided to become a fine arts dealer on a fulltime basis.

Canyon Art Gallery is owned by Mary Cornette and was opened in 1965. Her gallery has represented many outstanding artists such as Porfirio Salinas, Fremont Ellis and G. Harvey.

Altermann and Morris was founded by Tony Altermann, who has been in the art business for 20 years. The gallery is recognized nationally for its two major art exhibits - the American Arts Classic in Houston and the Collectors Sale in Dallas.

The combination of the three galleries' inventory makes an impressive presentation which covers western, wildlife, landscape, impressionist and figurative art. Watercolors, oil, drawings, bronzes and limited edition prints are included.

Prices of the artwork range from \$200 to about \$25,000. Here's some background on some of the artists that will be represented:

Paul Calle - He is best known for his pencil drawings. He designed the "First Man on the Moon" stamp and many others, including Robert Frost, Douglas MacArthur and "The International Year of the Children." A retrospective of his works is to be held this year at the Gilcrease Museum in Tulsa.

Frank C. McCarthy - He's been an illustrator for 21 years for most national magazines and a member of the Cowboy Artist of America since 1975. Retrospectives of his work have been held at the Gilcrease Museum in Tulsa, Museum of the Southwest in Midland, and the Norton Museum in

## Storm hits

Weekend storms brought high winds, golf ball size hail and heavy rains to the area.

Several funnel clouds were spotted Saturday night in Curry and Parmer counties. A tornado landed in Fritch, Texas, damaging about 100 homes.

Parmer County Sheriff Rex Williams said deputy sheriff Brent Byrum spotted one funnel cloud near Stuckey's. It dipped down for a minute and then went back up in the air.

Four different funnel clouds were reported around Bovina, said Williams. One funnel cloud was spotted by volunteer fire department members and police officers.

Williams said that Friona police and fire department members spotted 2 funnel clouds near Friona, and one in the Rhea Community.

The barn at Clyde Redwine's farm in Tharp was blown down due to the storms. There was no telephone service at the Redwine farm on Monday. The farm is at the edge of the Lazbuddie Fire Department area.

Lazbuddie Fire Chief Glenn Lust said he and his men were out to assist. "One of our spotters sighted this funnel cloud at about that location."

Lust reported that attempts by the Lazbuddie Fire Department to notify the National Weather Service of the funnel cloud failed. "We tried to notify them, but all the circuits were busy. We finally gave up."

Flooding cause sections of Highway 60 to be flooded with nearly two feet of water on Saturday night. Some sections weren't re-opened until 11 a.m. Sunday.

Also flooded were Hwy. 1731 north of Bovina. Hwy. 214

## BTD planning in full swing

Welcome to July: And July means... Border Town Days! Planning is well under way for the popular annual Twin City event, this year on July 25.

It's time for Texico and Farwell groups to get active and make their plans for the big day. This year it looks like another super event, with new activities planned.

Here's a rundown of BTD as the countdown begins:

### Giveaways

This year's major giveaway will be a pickup truck from Doc Stewart Chevy, sponsored by the Texico Volunteer Fire Department. Tickets cost \$20 and are available at local businesses.

The Texico fireboys also will have two other winners in their giveaway. The second place winner gets \$300 and the third place winner gets \$200.

It's especially important for local folks to support the fire department project this year. With the introduction of the Texas lottery, that undoubtedly will adversely affect ticket sales.

Folks are asked to remember how important it is to have local firefighters and ambulance personnel available in times of emergency. The ticket sales are vital to our fire departments.

### Queen's contest

Shandra McIntosh and her committee will have another exciting queen's contest this year. About 10 girls are expected to participate - six from Farwell and four from Texico.

They already have begun their activities, which culminate in the competition at the park July 25.

The winner receives a \$300 scholarship.

### Pioneers of the Year

Four nominations have been turned in to the Border Town Days committee for selection to this honor. The BTD committee will pick two at its July 12 meeting.

Nominations will continue to be accepted right up to the meeting time.

### Buttons

Commemorative buttons are sold as the key fund-raiser for BTD. They were placed in local businesses this week. A \$2 donation is asked.

At BTD, a drawing will be held and the person whose name is called, if he is present, wins \$50.

The buttons go along with the BTD theme "Recycling America" and feature the national recycling emblem.

Once again, the importance

of Twin City residents buying these buttons is emphasized. BTD offers a lot of free entertainment and a good time for local folks - and funds raised by this button sale are necessary for it to continue.

The button sales were begun four years ago. If anyone would like a set of the 1989, 1990 and 1991 buttons, stop by the State Line Tribune, 404 3rd St., Farwell. You can buy 3 buttons for \$2.

### Rodeo

The rodeo folks have scheduled this popular annual event again this year at the Farwell arena. The rodeo folks are expected to meet soon and begin their planning.

### Ugly Vehicles

Farwell Farm Supply is sponsoring this event, with a cash prize of \$25 going to the winner - who has the ugliest vehicle.

The vehicles will be driven in the parade and judged. But participants must sign up before July 21 at Farwell Farm Supply. See Lori Haseloff there.

### Arts & Crafts

Lynne Mahaney, the Far-

well postmaster, is in charge of this event. She can be contacted at 481-3601.

So far, about 14 groups have officially signed up. Local artisans who would like to sell their homemade crafts are asked to see Mrs. Mahaney as soon as possible.

### Parade

Leigh Ann Woods, who is employed at Kirkland CPA firm, is in charge of the parade. She can be contacted at 481-3321. The parade theme is "Recycling America."

Mrs. Woods has been conducting usual parade participants for the past two weeks. If you haven't been contacted, please call her to list your group in the parade. The entry deadline is July 21.

This year's parade will have lots of new participants, including an airplane, the Lubbock Territorial Regulators and others, plus ever-popular standbys, such as the Billy the Kid troupe, West Texas State buffalo, the CAKE Train, and much more.

### Concessions

Cynthia Thigpen, Farwell city clerk, is in charge of the concessions at the Day in the

## Jamboree on tap

The Texico Community Activities Organization has planned a 4th of July jamboree at KKR Park.

Activities are planned to start at 1 p.m. mdt. They will culminate with the fireworks display just after dusk, estimated about 8:30 p.m. mdt.

Hot dogs will be sold from 1 p.m. onward, and hamburgers from 4 p.m. Folks are also urged to bring picnic lunches.

The TCAO also is trying to set up games for youths, such as a fish pond. Musicians are

being sought to entertain. Portions of Griffin, Hereford and Hamlin streets will be closed during the day. Barricades will be set up.

When the fireworks start, State Road 108 will be closed. The fireworks will be shot off on the Paul Skaggs property just outside the city limits. Lewis Cooper, Texico fire chief, and Kirk Roberts, deputy marshal, will operate the fireworks.

Volunteers are needed to help. To sign up, call Roberts at Texico City Hall.

## Bond issue ideas include gym, more classrooms

The Farwell School Board met with administrators and interested citizens Saturday to discuss the proposed bond issue.

What to build or renovate is still in the discussion stage with no commitments made.

Suggestions raised by administrators included: a new gym, more special education classrooms and computer rooms in the elementary school, more restrooms in the junior high school, and more high school classrooms.

"We're looking at the whole package," said Supt. Richard Boothby. "The board wants me to visit with an architect to find out what all of this is going to cost."

Once the board has concrete figures on the costs involved, it can decide on what construction it wants.

## Queener injured

The Lubbock newspaper reported Richard Queener, 26, of Texico, was injured Friday afternoon when a forklift truck he was operating at a Lubbock firm overturned and pinned him underneath, according to police and hospital reports.

He suffered a broken back and legs, the report said. He is in Lubbock General Hospital.

Hal Helton, left, and his father, Joe, received the Melvin Jones Fellowship awards from Lions International for their service to the organization at the New Mexico Lions Convention in Roswell in June. Hal was District 40-X Governor the past year and Joe has served in that post before. They are congratulated by Lions International Director Richard Tyler, center, who spoke at the convention. The honor was unusual in that it's rare that a father - son combination gets it.

**It's Great To Be An American!**

With it, of course, go responsibilities.

To fulfill the unlimited opportunities in our country, each of us must use time, talent and resources wisely. Waste can take the form of misusing or not using at all. We must do neither.

And even though the United States was built on the belief that we, as free individuals, make our own paths to success, we also must share the well-being of each other. We cannot ignore the plight of other Americans if we have in our hearts the real spirit of what it means to live in these United States.

And so, we say, "Happy Birthday," to a wonderful country that provides the biggest challenges, the greatest opportunities and the most worthwhile rewards of any place on earth.

It's great to be an American!

## 'Employee of the Month' OK'd

The Farwell Chamber of Commerce Tuesday agreed to start an Employee of the Month program.

Each month, an employee of a Texico - Farwell business

will be honored.

Although all details haven't been firmed up yet, they tentatively include: a traveling trophy to be placed in the business where the employee

works, a plaque or certificate given the employee, and a cash award for the employee.

Also, a picture of the employee will appear in the State Line Tribune.

A committee was named to head this activity.

The Chamber also discussed a Business of the Season award, along the same lines as the Employee of the Month. But it was decided to wait three months, or after the Employee of the Month program is under way, before seeing if it's feasible to start a Business of the Season activity.

The Chamber also:

- Heard that three trees have been ordered for the area in the Farwell city park where the planned veterans memorial will be placed.

Costs of such a memorial, and methods to raise funds for it, are still in the talking stage.

- Discussed having information about Farwell available for persons or businesses wanting to move into this area.

## Storm

between Friona and Muleshoe, and Hwy. 86 between Bovina and Hub.

Williams reported that one vehicle on Hwy. 1731 was washed off the highway into a bar ditch and a second vehicle, a mini-van was stranded on 1731. "All the people in both vehicles were rescued," said Williams.

The storm was accompanied by hail. Williams reported that golf ball to baseball sized hail was reported 8 miles north of Friona. In Farwell, there were pea-sized and golf-ball sized hail Saturday night.

Williams reported that he and three deputies were out "covering what we could and helping where we could."

Williams commented that although it is his job to respond in emergencies, the volunteer fire department personnel have to leave their homes and families to respond to emergencies. They also were out in force and Williams complimented them on their fine work.

Susan Scioli of the Sherley Anderson Pitman Elevator in Farwell reports that 4.9" of rain were measured there over the weekend. She had earlier reported that .6" were measured there on June 26.

Yalonda McFarland of the Sherley Anderson Elevator in Lariat reported that they had measured .31" on June 25, 1.1" on June 26 and 1.61" on June 27.

Shirley Steinbock of Sherley Anderson Elevator in Lazbuddie reported between 3- 3 1/2" of rain were measured there this weekend.

Walter Curd of Texico reported that he had measured about 6.15" total. "We've had a little over 10 inches in June," he said.

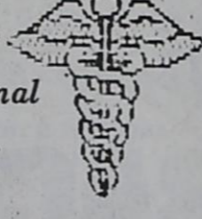

The rain caused officials to close the Airport Road west of Texico early Sunday morning. Several farm roads in the area were also closed, including roads leading to the Farwell Country Club.

Lightning hit a transformer near Bovina, knocking out power to parts of Friona, Bovina and Farwell for awhile Saturday night.

Lightning caused the phone lines at the law offices of Aldridge, Actkinson, Aycock & Hamar to be out on Monday and also knocked out two phones at the State Line Tribune.

Luckily, the wheat harvest was nearly completed when the rains came.

Fred Chandler, manager of Sherley Anderson Pitman, reported that dryland wheat has been good and heavy, but the irrigated wheat is a bit lighter than usual. He also noted that the moisture of the grain brought in has been in the 60-90 bushel range.

Mia Jennings

## Jennings vies in pageant

Mia Jennings, daughter of Mr. and Mrs. Joe Bryan Jennings of Lazbuddie, will compete in the Miss Texas Scholarship Pageant July 5-11 in Fort Worth.

Mia won the title of Miss Lake Meredith by competing in the Miss Texas Preliminary last November in Borger.

The Miss Texas/Miss America Pageant involves four areas of competition. A 10-minute private interview with the judges composes 30%, talent provides 40%, and evening gown and swimsuit comprise 15% each.

For talent, Mia will perform at the piano, "Rhapsody in Blue," by George Gershwin. Mia's first piano teacher, Dr. Cecil Bolton of Oxford, Miss., edited the piece for her, and Bob Wood of Nashville, Tenn., recorded a background orchestral accompaniment tape. Mia will perform her talent competition July 10.

Mia will be a junior at Baylor University where she is a Dean's Honor Roll student majoring in account-

ing with a piano performance minor. At Baylor, Mia is a member of Delta Delta Delta, Gamma Beta Phi, Alpha Lambda Delta, Mu Phi Epsilon, BSU Big Brother-Big Sister Program, Greek Council for Christ, and various intramural athletics. This past spring she was selected Baylor Beauty and elected Phi Gamma Delta Sweetheart.

**Make it a fabulous Fourth of July!**

Deaf Smith Electric Cooperative wants your Independence Day celebration to be fabulous — and safe. Here are some tips to help:

- ⊕ Unplug electric grills when not in use.
- ⊕ Place your grill away from dry grass, bushes, and your home. Protect the grill from the wind.
- ⊕ Carefully observe all warnings on fireworks. Or better yet, go see a local fireworks show instead of doing your own — especially if conditions are dry in your area.
- ⊕ Don't use kerosene or gasoline in place of charcoal lighter fluid.
- ⊕ Don't overdo on food and drink.

And, of course, have loads of fun. After all, the Fourth is one of the best birthday celebrations of the year!
