**Boarding The Ark**

Children of the Farwell Church of Christ Day School staged a skit about Noah's Ark during the school's open house Tuesday night. "Noah," right, was played by Heath Dollar, son of Mr. and Mrs. Bob Dollar of Farwell, and the "zebra" is Kelli Rene Hicks, daughter of Susan Hicks of Texico. Students in the school for four-year-olds constructed and painted the Ark, which is pictured behind the children. Note that each student wears a paper bag costume with a picture of the character they portray colored on the front. (See story inside.)

Sounds! We almost missed one of our outstanding national holidays. If we had not read the front page of last week's Tribune we would not have been prepared to suitably celebrate Columbus Day. As it was we were forewarned and hence forearmed for that glorious occasion. We worked all day as usual.

Not being a banker or a postalperson we didn't know what else to do but work on Monday. However, there was an uneasy feeling inside us all day. We thought we were coming down with the flu. On more mature thought we now believe that this was a reaction to our defiling a great national occasion by laboring. We remembered that we get the same feeling when we have to wash the windows on Sunday afternoon, especially if the Cowboys are playing.

A group of the Farwell and Texico merchants are launching a "Moonlight Madness" promotion this week. It will be the first of a series of local promotions to stimulate trade in the Twin Cities.

We know that there has been much work on this project and that a lot of good bargains will be offered to the public next week. We hope that local residents will support this promotion and look to their home town merchants for more of their shopping needs. It is really surprising how much of a family's requirements can be met by the folks who operate our Twin Cities business community. Remember these people pay local taxes, support all local fundraising projects and have a deep personal interest in Texico and Farwell. They deserve our support.

The energy fight is still raging in Washington and we read that the Carter Administration is threatening to slap a big import tax on foreign oil if the Senate votes to deregulate natural gas. Seems that the bureaucrats want us to save energy at all costs rather than to provide economic incentives to the free market to find and produce new supplies.

Every time a body looks up, Washington is urging us to save here and save there while the Government proceeds on its merry way to spend our tax monies in prodigious amounts.

This reminds us of an old after dinner joke about the grade school class that was given a new word to learn each day. Seems like the word for the day was "frugal" and it was assigned to little Johnny Jones for the next day.

Well, Johnny asked his dad that evening about frugal and dad replied that it meant conserve. Johnny didn't know about conserve so he asked his older sister what conserve meant. She replied that to conserve meant to save.

The next day when Johnny was asked to use and tell about the word frugal, this was his story:

"Once upon a time there was a beautiful Princess who was kept in a high tower of a castle. The Princess yearned to be free and one day as a handsome young man rode by the castle she leaned out of her window and yelled in a loud voice, 'Please kind sir, frugal me.'

The handsome stranger said, 'Heck Yes,' and climbed the castle walls and frugalled her."

The moral of the tale, if there is one, is that someone is frugalling the public and methinks it's our elected representatives.

**Texico Council Discusses New Fire Station Problem**

Recent developments concerning the proposed new fire station for Texico was discussed at the regular Tuesday night session of Texico City Council. According to City Clerk Clara Wehl, plans are at a "stand still" pending further word from State Fire Marshall W.K. Aldridge on a legal technicality which has come up.

She explained that it has yet to be decided whether it is legal to use fire funds to build the living quarters at the new fire station. Mrs. Wehl also said that a site has been picked out but no further ac-

tion has been taken. Also discussed was the possible paving of Craig Avenue and the north end of Griffin Street. According to Mrs. Wehl, the state will finance 50 percent of the cost if the citizens who live along Craig Avenue will pay the other 50 percent. No total cost figures are available yet, she said.

Tim Madrid asked the Council to grant him permission to move a house into Texico for the purpose of "fixing it up for sale purposes." Further action was tabled pending an inspection of the house. Mrs.

Wehl said. The Council approved a request from Mrs. Catherine Bourlon to reduce her garbage collection rate as her son is moving to Alamogordo - thereby reducing her place to a single family rather than a two family dwelling.

Bills were approved for payment.

Present for the meeting were Mayor Manfred Turnbough, trustees Max Carter, Vane Doshier, city employees Billy Hammit, Mickey Fenn, Harry Patton, Mrs. Wehl and Lewis Cooper.

**Race Tightens - -**

**Women Win Weekly Prizes; McFarland Ahead By Two**

Ties seem to be the name of the game as the Annual Merchants Football Contest enters its seventh week. It seems that several pigskin prognosticators who participated in last week's contest were not only adept at picking 10 games correctly but also had similar ideas in determining the tiebreaker score.

Top honors last week were accorded to Doris Ford and Mrs. Albert Smith who each

called 10 games right and were each 14 points off the tiebreaker - to tie for the first and second place slots. Due to the tie the prize money was combined and each of the top winners received a check for \$6.25.

April Coffman - another erudite guesser - called 10 games correctly and was 17 points off the tiebreaker to claim the number three spot. She received a check for \$2.

Gerald Norton narrowly missed third place honors as he also called 10 games right but was 22 points off the tiebreaker.

A total of 17 people guessed nine games correctly last week. They include Linny Beal, J.D. Carson, Carl Dean Goettsch, Joe Jones, Rhonda Kirkland, Mack McFarland, Susan McFarland, Carlton Newell, Jerry Owen, Robin Roberts, Ricky Stewart, Dolores Vaughn, Missy Taylor,

Raymond Torres, E.A. Walker, Jo Walker and Kie Watkins.

Rusty McFarland, who has led the overall contest for several weeks, "slipped" last week as he only picked six of 12 correctly. But even with the off week, his total is 60 points - which is enough to claim sole possession of the overall number one spot.

However, McFarland's "slight dip" in guessing expertise has allowed two other contestants to move within two points of him. Both Ridley Lonsdale and Jerry Owen now have amassed 58 points to take the number two spot.

Three others follow close behind in third place. James Castleberry, Joe W. Jones and Liz Kaltwasser each have 56 points. Those having accumulated 55 points each include Don Gerles, Leigh Ann Kirkland, Leon Langford, Mark Owen, Champ Porter, Albert Smith and Steven Smith.

As of last week three fifth place slots are reserved for Robin Roberts, Mrs. Albert Smith and Beulah Williams, who each have 54 points.

So as you can see, the contest is far from over as only a mere six points separate the fifth place holders from the first place occupant. And anything can certainly happen with five weeks left in the contest.

At this point it is really "anyone's guess" as to who will receive the first place prize of two tickets to either the Cotton Bowl or Sun Bowl and \$50, or the second place prize of two tickets to the Sun Bowl and \$25.

For the few "laggards" who may not have entered the contest yet it is not too late to qualify for the three weekly prizes of \$7.50, \$5 and \$2. Anyone can be a weekly winner. All you have to do is clip an entry blank from a Tribune or else pick up a blank at the newspaper office.

Tabulations of individual entrants are kept all season and are available for public inspection.

**Contest Winner**

Last week, two women tied for first and second place honors in the annual Area Merchants Football Contest. Doris Ford - who shared top honors with Mrs. Albert Smith - receives her winning check from James Chadwick, agent, Texas Farm Bureau Insurance, one of the contest sponsors. Mesdames Ford and Smith called 10 games correctly and were each 14 points off on the tiebreaker.

**FmHA Extends Deadline For Emergency Loans**

The U.S. Farmers Home Administration (FmHA) has extended to December 2 the deadline for farmers in Parmer County to apply for farm emergency loans to cover losses caused by this year's drought and other natural disasters.

The agency's County Supervisor, Billy R. Boling, said the extension has been ordered by Secretary of Agriculture Bob Bergland for applications under drought or other emergency loan-eligibility designations that would expire before December 2, provided the designations are based on disasters that have occurred

on or after July 1, 1976. The Secretary's action was taken under requirements of recent emergency loan legislation (PL 95-89) signed by President Carter.

Farmers lacking other sources of necessary credit may apply to FmHA for loans to offset losses or revive farming operations. Under the schedule of interest rates as revised by PL 95-89, loans are made at a rate of 3 percent on the first \$250,000 borrowed against actual loss, 5 percent for additional amounts offsetting actual loss, and 8 percent for loans not based on loss but

needed to continue farming or make major adjustments in farm operations.

Boling said extension of earlier deadlines will give farmers whose crop returns are determined late in the year a better opportunity to assess their losses and credit needs, and enable FmHA to speed completion of work on applications now pending that need immediate processing.

FmHA emergency loan applications from farmers in Parmer County are received at the agency's county office located at 207 Avenue D in Farwell.

**Lions Club Gift**

Ruth Brownlow, a LVN at Farwell Convalescent Center, proudly inspects the portable microphone and amplification system which Texico-Farwell Lions Club donated to the Center. Members Glenn Fant, left, and James Craig made the presentation on behalf of the local Lions. Even though the groundwork for the donation was laid several weeks ago, the actual gift was presented to the Center last Saturday as part of the civic organization's observance of World Lions Service Day. The portable system will be utilized for bingo sessions, meetings, church services and other Center activities.

## Troop 200 Holds Court Of Honor

Numerous merit badges, skill awards and advancements were handed out to members of Texico-Farwell Boy Scout Troop 200 last Tuesday night during a Court of Honor conducted at the Community Room of City Hall.

Eagle Scout Jack Rose received a merit badge in firemanship and a special Conservation Award. According to a letter Rose received from the National Office of Boy Scouts of America, the "purpose of the award is to point up the fact that countries of the world are closely interrelated through natural resources; that this country depends upon other countries for several important natural resources, as other countries depend upon us."

Other Scouts received the following awards.

Jay Anderson: skill awards in conservation cooking, swim-

ming; merit badges in firemanship and citizenship in the community and advancement to Second Class Scout.

Charlie Rose: skill award in cooking; merit badges in firemanship, water skiing, cooking, camping, hiking.

Tim Watkins: skill award in cooking; merit badges in firemanship and citizenship in the community.

Rocky Menning: skill award in cooking and merit badges in citizenship in the community and firemanship.

Alvino Lopez: merit badges in firemanship and hiking.

Tommy Watkins: advancement to Scout.

Eagle Scout Dwayne Obenshain: merit badge in firemanship.

Domingo Rubio: skill award in cooking; merit badges in firemanship and radio and advancement to Tenderfoot.

## School Board Approves Equipment Purchases

At its Tuesday meeting Texico School Board discussed how to spend the \$3400 which the school received from state Title IV funds.

According to Superintendent Jim Pierce, the board approved a list of proposed purchases, including a carousel, slide projector, duplicating machine, four sets of encyclopedias, alpha kit for kindergarten, and junior high science equipment.

Texico Mayor Manfred Turnbough and City Trustee Max Carter met with the board concerning the proposed paving of Craig Avenue and the north end of Griffin Street. Current plans call for the state

highway department to share in the total cost of the project, Pierce said.

He added that they will lease the community center in Pleasant Hill to the people of the community provided the state approves the agreement after it is drawn up.

The results of statewide tests were discussed. Pierce also said all members of the board plan to attend a district school board meeting in Tucumcari October 20.

The board discussed the Fellowship of Christian Athletes Association sponsored by coach Billy Carlyle, but no action was taken.

Eddie Harrington met with

the board to discuss having dances on the school property, but no action was taken.

Pierce said he extends special thanks on behalf of everyone who was at the meeting to the Booster Club for serving homemade pie during their session. The Booster Club was meeting at the time and in the same general location, he said.

Present for the meeting were board president D. Smith Day, members Herman Gerjes, Roy Richardson, and Arlye Crooks, and Marcia Leavell, Joann Edwards, Paula Lathen, Eddie Harrington, Manfred Turnbough and Max Carter.

GARY LEE DOSHER

## Gary Lee Doshier Wins Third In Pass, Punt, Kick

Gary Lee Doshier, nine-year-old son of Mrs. Lana Gay Doshier of Levelland, recently competed in the Levelland Area Punt, Pass and Kick competition, placing third in the nine-year-old division.

Gary Lee, who had only recently begun practice in such events, participated in

the meet Saturday, Oct. 8, at Lobo Field in Levelland.

Statistics which garnered him the third place trophy were punt: 56 feet, 3/4 inches; pass: 66 feet, 2 3/4 inches; and kick: 22 feet, 8 inches.

Gary Lee is the grandson of Mr. and Mrs. C.L. Mahaney, Farwell.

## Antique Gallery Opens

J.D. and Nona Webster, formerly of Earth, are the

proprietors of the new Unique Antique Gallery which officially opened in Farwell on Wednesday. The new business establishment is located at 105 First Street.

The Websters have stocked the gallery with furniture, glass wares, china, primitives, dolls, books and a wide assortment of antiques. They also do custom furniture stripping and mirror silvering.

Everyone is invited to come in and browse at the new business. Store hours are from 9 a.m. to 6 p.m. CDT, but Nona says that appointments can be made any time by calling 481-9147.

## Texico Chamber Session Brief

Texico Chamber of Commerce conducted a routine business meeting Monday night.

It was reported that volunteers are still urgently needed to help dig a ditch for the sprinkler system at the K.K. Runnels Memorial Park.

The April 25 Chamber banquet was discussed. The Chamber is still working on its street sign projects but at the moment the endeavor "is up in the air" as members seek to find the necessary equipment.

## SHERIFF'S REPORT

Parmer County Sheriff Charles Lovelace reports that they are still looking for a Bovina man who is wanted in connection with the rape of a Bovina juvenile two weeks ago. He said he expects to have the man picked up "in a few days."

Fred Smith of Clovis was arrested in Weatherford, Tex., on a Parmer County warrant and will be returned to face charges, Sheriff Lovelace said. Smith allegedly stole an automobile from the Lawrence Null farm, seven miles northeast of Farwell, and burglarized the Null home - reportedly taking about \$2500 in jewelry.

Recently vandals struck at the Estes Bass and Fangman farms north of Friona. According to Sheriff Lovelace, nothing was reported taken but two well motors were damaged.

He also said they are investigating the theft of a sheep from the Otho Whitefield farm in the Lakeview Community.

## AGM Meeting In Amarillo

A meeting of supporters of the American Agriculture Movement in Texas will be staged at 2 p.m. CDT today (Friday) at the fairgrounds in Amarillo. Proponents of the movement say that a caravan of cars, trucks and tractors is scheduled to leave the Hereford Bull Barn at 9 a.m. today en route to the fairgrounds.

Supporters of the AGM are demanding 100 per cent parity for all agricultural products produced and consumed in the United States. They say they are also willing to produce for any foreign country or organization if guaranteed 100 per

cent parity.

According to an AGM newsletter, their proposal is being presented to all existing agricultural organizations in the United States. Proponents say they will cancel all memberships and insurance held in any of these organizations that do not support their demands. Supporters of the Movement

also intend to present the same ultimatum to Congress. Deadline for action is December 14. If all demands are not satisfactorily met by then proponents of AGM say they will strike. According to the AGM they will not plant crops in 1978 and they will halt all agricultural production and distribution immediately.

## Grissom Re-Elected As SWCD Director

Leon Grissom of Bovina was re-elected to the Parmer County SWCD board of directors October 5. Grissom represents Zone 4 of the district.

Purpose of the Parmer County SWCD, with headquarters in Friona, is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private

concerns to carry out its purposes.

As one of five individuals serving on the district board of directors, Grissom will be responsible for district policies and procedures for carrying out the district law.

In other areas of leadership, Grissom participates in civic activities. He is a past president and member of the Bovina Lions Club. He is chairman of the Board of Directors of the Friona Hospital and is a member of the Texas Cattle Feeders Association.

## Two Arrests . . .

(Continued from Page 1)

he will be sponsoring adult drug education programs designed to acquaint parents and other adults with all the phases of the drug problems, including detection and prevention.

In other city law enforcement activities, Mitchell said Roland Goforth of Texico was arraigned before Judge Fortenberry Monday on a charge of reckless conduct with a motor vehicle in connection with an incident that occurred late Saturday afternoon at the Farwell High School grounds. Goforth allegedly drove across the front lawn of the high school.

# Little League Football Meeting Set Tomorrow

An organizational meeting for Twin Cities Little League Football will be held tomorrow (Saturday) at 6 p.m. CDT at Texico Fire Department's meeting hall, announces Dwayne Williams of Texico, who is spearheading the plan to organize Little League Football for Texico and Farwell.

Williams explains that the purpose of the special called meeting is to organize Little League Football for next year as the current season is almost over. The season usually begins around the first week in September and con-

cludes four or five weeks later. Several weeks ago an effort was made to organize one Texico-Farwell football team to compete in the Clovis Little League Football Association, but the plans "fell through at the last minute," Williams said.

The Clovis League had requested that the Twin Cities form a single team which would then be allowed to compete in their league.

Permission slips were sent home with youngsters in grades three through six and two days later a total of 80 interested boys attended a special meeting in Farwell City Park. Sixty-eight boys of that number already had their parents sign the slips.

According to Williams, Clovis then "backed out of the deal" because they did not have enough uniforms and equipment for that many players." Naturally, said Wil-

liams, "we had to inform all 80 boys that they would not be able to play after all."

Since so much interest is evident, - at least among young boys in the Twin Cities - Williams feels that it will be feasible to organize a Little League Football Association for Texico and Farwell. It will be operated just as Little League Baseball program is operated. Several years ago the Twin Cities did have such an organization, Williams said.

The potential league will be "starting from scratch" as they have no uniforms, equipment etc., Williams points out.

Volunteers as well as financial support is desperately needed if the plan is to succeed, Williams said. He encourages all parents of interested boys to take part in the meeting and to help with plans for starting the league.

Besides seeking financial aid, the potential league also needs volunteers to donate time as coaches, timekeepers, scorekeepers etc.

Williams said that if organizing the Little League Football Association is successful, teams will be formed from interested youngsters in Texico and Farwell. They will

then play each other in a series of games just as the Baseball League does. He said he did not know for sure whether they would be able to play in a tournament following regular season play.

If you are interested in helping organize a Little League Football Association for the youngsters in Texico and Farwell, plan to attend the meeting tomorrow night.

## Farwell School Board Meets

Farwell School Board met in regular session Monday night. Among the items discussed was a Halloween carnival which is to be in the old gym Monday night, Oct. 31. The board gave approval for this high school sponsored event.

Reports were heard from several teachers and principals concerning general progress of the school year.

The Board accepted the re-evaluation of the Atcheson-Topeka Santa Fe Railway Property in the district.

In other action, James Craig was authorized to be the Farwell School lunchroom representative.

## Texico's This, That And The Other

by Lupe Loera and Cindy Taylor

Last week, Mrs. Wanda Turnbough's fourth grade class received portable study centers for their classroom.

A Coke party will be awarded to the Jr. High class, that saves the largest amount of labels from any variety of Campbells Products. The labels will be redeemed for school equipment.

Mr. Shaw, junior high principal, reported that on October 15 the Texico High School Band and the Jr. High cheerleaders will leave at 4:30 to go to Clovis to participate in a

United Way fund-raising activity.

J.B. Taylor and Bob Jenkins, members of the Clovis Fire Department, presented a fire prevention lecture and demonstration to the Texico Junior High last Friday.

The men gave some exciting demonstrations and talked about the dangers of gas and many other flammable fuels, according to Coach Cecil Davis.

They stressed the point that "the best way to fight a fire is to never let it get started."

FFA and FHA had a volleyball game on Wednesday. The money from the admission fees will be split between the

two clubs.

The first grade class made scarecrows in their art work.

In the recent "Fire Prevention" poster contest, several students produced winning posters. They included, in the elementary division, "Fieryretary" by Raymond Ausburn, Richard Ruszenas, Tammy Sandoval, first place; "Fire Drills," Patty Cavallero, Tracey McDonald, and Lori Harrison, second place; and a poster by Melissa Singleterry, third place.

Junior High winners included Ruth Ann Scott, first place, "Do Not Overload Plug-in;" Charlotte Taylor, "Cigarette Butts in Trash," second place; and Paul Salguero, third place, "Bucket of Water."

The Medical Careers Club won first place in the High School division and Terry Rolan placed second.

## Mrs. Connors Honored As News Personality

Mrs. Vernon (Brenda) Connor of Lubbock was recognized in a recent issue of Devro Company magazine as the "Devro-Lubbock Plant Personality in the News For Lubbock."

Brenda was born in Wheeler, Tex., the fourth of five children born to Mr. and Mrs. R.D. Dale. The family later moved to Farwell where Brenda grew up and graduated from high school. She was a member of the graduating class of 1965. Her parents and many other relatives still reside in the Farwell area.

Brenda began her Devro career as a Line Operator in April, 1973, on the day shift. She transferred to the finance department in November of that year as an accounting clerk.

In August of 1976 she became a senior accounting clerk and in June 1977 she was promoted to junior accountant and is now a senior accountant, receiving this promotion in September.

Mrs. Connor's husband, Vernon, has been a Lubbock police officer for 10 years. They have two sons, Gregory, 11, a sixth grader; and Gerald, 7, a third grader. The Connors have lived in the Lubbock area the past 12

years and they attend Woodrow Baptist Church.

Among Brenda's hobbies are youth work (she is especially active in Little Dribblers basketball and other athletic programs for youngsters), gardening and yardwork, sewing and hair styling. Brenda says she feels it is very important for a working mother "to keep everything in perspective."

She says what she likes best about her work at Devro is "the security and the opportunity to grow and learn."

## Christmas Bazaar Slated In Friona

The "Christmas in November" Bazaar and Arts and Craft Show sponsored by the Parmer County Family Living Committee has been scheduled for Friday and Saturday, November 4 and 5 at the Community Center in Friona.

The Bazaar will be open from 10 a.m. to 7 p.m. CDT Friday and from 9:30 a.m. to 4 p.m. CDT on Saturday.

Table spaces will rent for \$10 for wall-table space and \$7.50 for a regular table space.

Those interested may call or write the County Extension

Agent, Box 683, Farwell, Tex., 79325. Phone 806-481-3619 for additional information and an entry blank. Exhibitors have until October 28 to make provisions for space.

All individuals, organizations and businesses from the Pan-

handle, South Plains and Eastern New Mexico area are welcome to take part in the Bazaar.

Special demonstrations on crafts and holiday fashion shows are planned for the two-day event.

## James Hobbs Appears On Grand Ole Opry

James Hobbs of Farwell performed with the "Lazy B Wranglers" singing group on the stage of the Grand Ole Opry in Nashville, Tenn. on September 10.

The group of four is from the Lazy "B" Ranch located near Estes Park, Colo., where James was employed this summer. James sings tenor, plays guitar, and sometimes plays harmonica with the group.

The Wranglers are tentatively scheduled to return to the "Opry" sometime in November.

The "Opry" is broadcast live each Friday and Saturday nights from Nashville by radio to an audience of over 10 million. The specialty of the "Wranglers" is true Western music, in the tradition of the "Sons of the Pioneers."

James is a graduate of Farwell High School, has a degree in business administration from Lubbock Christian College and is now attending West Texas State University in Canyon.

He was accompanied to Nashville by his mother, Mrs. Beulah K. Hobbs of Farwell, and a sister, Camille Carey of Ruidoso.

## Study Club Invites Public To Special ERA Talk

Farwell Study Club has scheduled a special program on the Equal Rights Amendment for Monday, Oct. 17, at 6:30 p.m. CDT at its Clubhouse, located behind Farwell City Hall at the corner of First Street and Highway 70-84. The public is invited and urged to attend.

Guest speakers for the evening will be Jimmy Briggs, Farmer County Commissioner for the Lazbuddie Precinct, and his wife, Jimmie. According to Club members, Briggs is against the controversial amendment. However, since he is very active in the legislature and is well-informed in the field, Briggs promises to bring quite fairly the matter in full detail.

Mrs. Briggs who was a

delegate to Texas Women's Meeting of the International Women's Year (IWY) which was held in Austin in June is also well versed in the knowledge of different opponents

and proponents on equal rights for women.

Study Club members promise an interesting and informative session and hope for a good public turnout.

## Theta Rho Sorority Meets In Ford Home

Theta Rho Chapter of Epsilon Sigma Alpha Sorority met Monday night in the home of Mrs. Doris Ford of Farwell. Members received the tickets which they are to sell for a "Holiday Shopping Spree." The winner will be selected Monday, Nov. 21, during half-time activities at the Farwell-Friona basketball game.

Instead of having a regular meeting, Theta Rho members agreed to assist Beta Sigma Phi sorority with the self-defense program they will sponsor November 14.

Dot Christian gave a report on Girlstown. She reported that all the items which had recently been donated "were

greatly appreciated."

Members attending included Dot Christian, Judy Jones, Lillie Christian, Dardanella Helton, LaMoin Williams, Diane Atkinson, Ann Liethen, Dickie Chandler, Maxine Williams, Robin Gregory, Jeannie Norris, Doris Ford, Betty Jean Castleberry, Margaret Aycock, Linda Geries and Barbie Clayton.

Guests included Deb Williams, Joyce Williams, Leslie Lunsford, Earline Huff and Jeanine Roanhaus.

The next meeting has been set for November 24 at the home of Lillie Christian. Members will meet at 7:30 p.m. instead of the usual 8 p.m. time.

### Proud Mother

Little Christi Curtis - who is a student in the Farwell Church of Christ Day School - presents a booklet of her school papers to her mother, Mrs. Johnny Curtis. They were among those on hand for the program and open house at the day school Tuesday night. Parents and other visitors enjoyed seeing the students in a skit about Noah's Ark, as well as viewing the work done by the day school students.

## Day School Presents

### Program, Open House

Farwell Church of Christ Day School held an Open House and presented a program Tuesday night. Students in the school for four-year-olds sang two songs and enacted a skit about Noah's Ark and the Great Flood.

Heath Dollar portrayed Noah and the other students represented the animals which boarded the Ark prior to the Great Flood. Earlier in the week the students had constructed and painted a brown cardboard Ark for the program.

In addition, all the work

"Don't part with your illusions. When they are gone you may still exist but you have ceased to live."

Mark Twain

which the children have done since the school began in August was on display. Children also presented their parents with a booklet of special papers they have completed during the past few weeks.

Huge posters featuring self-image drawings of the stu-

dents were on display on the walls.

Church minister Leonard Harper gave a brief talk on the goals and purposes of the day school and thanked everyone for coming to the open house.

Refreshments were served after the program.

## Plan January Wedding

Mr. and Mrs. C.E. Trimble of Bovina announce the engagement and approaching marriage of their daughter, Cathie Rae, to K.W. Sharp, son of Mr. and Mrs. Harold Jones of Brownfield. The couple will repeat marriage vows at 7 p.m. CST, Saturday, Jan. 7, in the United Methodist Church at Bovina. Miss Trimble, a 1976 graduate of Bovina High School, is currently attending South Plains College in Levelland. Sharp, a 1971 graduate of Brownfield High School, is attending South Plains College and is employed by a radio station in Levelland. No invitations are being sent locally, but all friends and relatives are invited to attend the ceremony and the reception to follow.

## Rufus Carter Has 88th Birthday

Rufus Carter celebrated his 88th birthday last Sunday with dinner at Clara's and a special birthday party at Farwell Convalescent Center. Carter's actual birthday was Tuesday but the party was held two days early to accommodate out-of-town family members.

The birthday cake featured white frosting and a horse decoration. "Happy Birthday Rufus" was written in brown

icing. Coffee and pops were also served.

Those attending besides the honoree were his daughter, Onie Bradshaw of Farwell; a grandson and family, Mr. and Mrs. Jerry Bradshaw and Renessa of Lubbock; a granddaughter and family, Janie Williams, Karen and Kathy of Lubbock; and a friend of the family, Tom Paul McCuan of Farwell.

## A. Haseloffs

### Host Fish Fry

Mr. and Mrs. Adolph Haseloff and son, Gary John, hosted a fish fry in their home last Friday evening.

A meal of fish, homemade bread, chips, tea, and various salads and desserts was enjoyed by 37 persons.

Attending the fish fry were Mr. and Mrs. Richard Haseloff, Dana, Darren, Derrick and Duane; Mr. and Mrs. James Haseloff, Brian, April and Shawn;

Also, Mr. and Mrs. Mike Haseloff and Ray, Mr. and Mrs. Sam Drager and Cody Dale, Mr. and Mrs. Henry Haseloff and Marla, and Mr. and Mrs. Gene Hardage;

And, Mr. and Mrs. Gilbert Kaltwasser and Craig, Mr. and Mrs. Steve Kaltwasser, Mr. and Mrs. Melborn Jones, Mr. and Mrs. Larry Jones, and Mr. and Mrs. Harold Lee Jones and Micah.

## Club Plans

### Motorcycle Program

Tony Guess of Amarillo, DPS Safety Officer, will conduct a motorcycle and mini bike program during the Farwell Junior 4-H Club meeting Tuesday, Oct. 18, at 3:30 p.m. CDT at the junior high library.

Everyone who is interested in learning more about the vehicles and the regulations concerning their operation is invited to attend the meeting.

## Halloween Theme At West Camp Meeting

The West Camp Community Family Night was held last Saturday at the community center.

Host couples were Mr. and Mrs. Bob Byrd and Mr. and Mrs. Guy Austin. Special guests were Mr. and Mrs. Hubert Gammons of Weatherford, former community residents.

Everyone enjoyed visiting and participating in the balloon relay competition. Decorations featuring the Halloween theme included masks, skeletons and colorful orange and black streamers.

Refreshments consisted of

"favorite desserts."

Those attending were Mrs. C.E. Roark, Mrs. Eloise Gray, Mrs. Vada Self, Dalton Harris, Barry Wilson and Brandon, Mr. and Mrs. Ross Goodwin, Mr. and Mrs. Joe Simmacher, Mr. and Mrs. Ernest Ramm and Clayton, Mr. and Mrs. Joe Rhodes, JoRhonda, Lavon and Dusty, Mr. and Mrs. Bill Snell, Paula, Curtis, Renae and Jason, Mr. and Mrs. Willis James and Mr. and Mrs. Dean Hukill.

The next Family Night will be November 12.

## Hospital Notes

## This I Know - - -

by Leonard Harper

Minister

Farwell Church of Christ

IT COULD BE WORSE may not be an acceptable attitude toward all things, but it is certainly appropriate for some things. In fact, we may be able to find more help in it than we can in any other attitude.

Note this teaching - "Consider him (Christ) who endured such contradiction of sinners against himself, lest you be wearied and faint (discouraged) in your minds. You have not yet resisted unto blood, striving against sin." (Heb. 12:3-4). God is saying, "It could be worse."

The strong view of life is the Christian view. "We are troubled on every side, yet not distressed; we are perplexed, but not in despair; persecuted, but not forsaken; cast down, but not destroyed." (2 Cor. 4:8-9). This strong view of life is made possible by a properly established and growing "faith"; the "faith" produced and maintained by the word of God. (Rom. 10:17); and made complete and effective by our obedience.

We know that problems, difficulties and burdens are real; and that we must not pretend they do not exist. We must, however, never make them bigger than they are. We will be able to handle these more successfully, when we remember that "It could be worse."

# If you smell gas, act fast.

Strong odor? Go to another phone.  
Call this number: 762-3371

We add a distinctive odor to natural gas, so it's easy to recognize.

If you smell a strong odor of natural gas indoors, don't hesitate. Get everyone out of the building. Open nearby doors and windows. Extinguish open flames. Don't flip any light switches, or use any gas or electrical appliances. And don't light matches. Go to a neighbor's phone, or a nearby pay phone to report the leak to us. We'll be right out.

Outdoors? Please report it.

We need your help in spotting outdoor leaks, too. Please call us if you suspect a leak. Even if it's on someone else's property, or on a public street. Until we get there, ask everyone to stand back. Don't smoke in the vicinity. And don't start car engines.

Faint odor? Call us anyway.

A faint odor of natural gas may mean something as simple as an unlit burner on

your gas range. Or a pilot light that's been extinguished accidentally. If it's anything more complicated, give us a call.

Not sure? Call us. There's no charge.

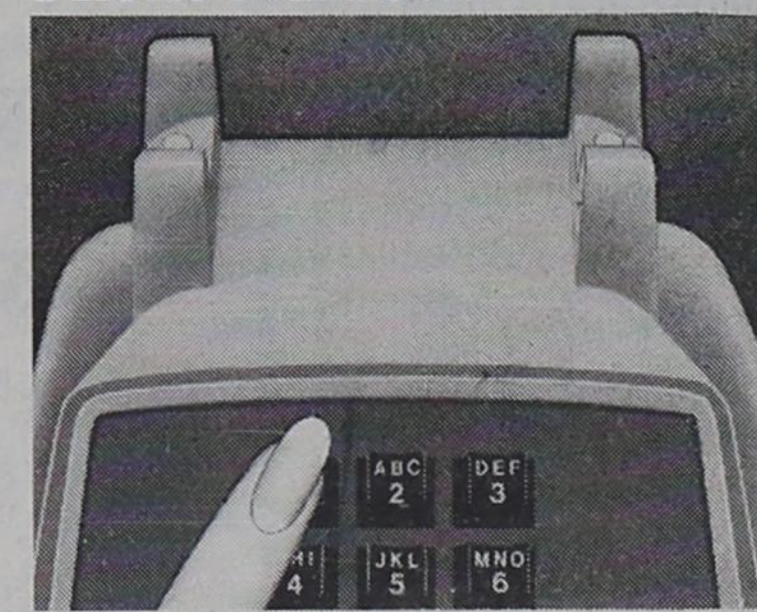

We're available to locate gas leaks 24 hours a day. So jot our number down with

your other emergency numbers. And if you ever smell natural gas, indoors or outdoors, please give us a call.

We'll be right out. And we'll appreciate your help. Because stopping leaks prevents possible danger and helps conserve valuable natural gas.

It's one more way we're working to keep natural gas the energy you can live with.

## Ft. Sumner Outfoxes Wolverines 14-0

by Ben Roach

The Fort Sumner Foxes came to Texico last Friday to outfox the Wolverines by a score of 14-0.

The game was scoreless until the second period when Fort Sumner quarterback Quintin Wilson completed an 18-yard pass to end Alex Madrid with 5:52 left in the first half.

Running back Larry Lopez sprinted in for the two-point conversion for an 8-0 first half score.

About halfway through the fourth quarter, Fox Lopez

found a hole in the Wolverine defense to rush 48 yards to the four-yard line only to be stopped by a flying tackle from Wolverine Robert Lacy.

After two plays and a 15-yard penalty, running back Tony Lucero dashed in from the 19-yard line to make Fort Sumner's final score. A bad snap prevented the Foxes from scoring the P.A.T. and the game ended 14-0 in favor of Fort Sumner.

This loss gave the Texico Wolverines their third defeat of the season, dropping their record to 3-3.

The Wolverines travel to

Eunice tonight (Friday) with hopes of gaining a 4-3 record.

### Wolverine Of The Week

**TERRIL DEFOOR**

Terril DeFoor was named as the defensive "Wolverine of the Week" by head coach Paul Topliff. The Texico gridmaster said DeFoor executed 11 unassisted and one assisted tackles against Ft. Sumner Friday night. Topliff said no offensive "Wolverine of the Week" was named because "I do not believe in giving awards when no one really has earned them." Texico accumulated only 90 yards total offense against Ft. Sumner in losing 14-0.

Friday night at Wolverine Stadium, Texico lost game number three before a small crowd of Green and White fans who turned out for the traditional clash with the Ft. Sumner Foxes. By virtue of the 14-0 defeat - the first in four games - the Wolverines have dropped to a 3-3 record for the season.

"We thought we had worked out all the kinks in the offensive line, but apparently we were wrong," commented coach Paul Topliff. "The offensive line broke down just as it did during the first two games of the season," he added.

Offensively the Wolverines only amassed 90 total yards and Steve Turner, who had a total of 77 yards rushing in the previous five games, was limited to a mere 72 yards on 28 carries. Robert Lacy earned 17 yards on three carries and the Wolverines completed two passes for nine yards.

Don Duncan stepped into the quarterback's shoes for the first time Friday. "We are in a position where we cannot pass effectively and we need to in order to win," the coach explained. "Under the circumstances Duncan did a good job," Topliff said.

Keith Hadley, the number two quarterback, has been out most of the season with a leg injury. He will not see action

against Eunice tonight (Friday), but is expected to return to the starting lineup next week against Tatum.

"Right how we are hurting for a quarterback," Topliff said.

He added that "due to the poor showing of the offensive line I did not pick and offensive 'Wolverine of the Week.' I do not believe in rewarding someone unless they really earn it," he explained.

Terril DeFoor was selected as the defensive "Wolverine of the Week". Friday night he was responsible for 11 unassisted tackles and one assisted tackle, Topliff said.

The Texico coach also

praised Jimmy Reid, saying he was a good middle line-backer.

"It is hard to know what they will do on a given night." He explained that he had doubts about the Corona game, but the Wolverines really plowed down and "put it to the Cardinals."

"We had a chance to win against Ft. Sumner if we had played like we are capable of playing," he said. "Defensively we did a pretty good job holding them to only 14 points."

Topliff said they are concerned with improving and will utilize "different strategies" to achieve that end.

"As we do after every loss we are re-evaluating the ball. It was a game where almost everyone played poorly," Topliff said. "Turner had an off night, Duwain Hill - who is an exceptional fullback - did not play well and in general the backs played as poor as they have all year long," he added.

"We thought we had turned the corner, but apparently we have a way to go," the Wolverine mentor said. "At the moment we are not playing good enough to win consistently," he added.

Topliff also pointed out that when dealing with young kids,

club," he added. "Right now we are looking into our lower ranks to see if there is any player who needs exposure now in order to be better prepared to play ball next year."

The Wolverines take to the road tonight (Friday) to meet the Eunice Cardinals at Eunice. In spite of their 1-5 record Topliff said the Cardinals "are our toughest ball club yet." "They have a strong winning tradition and that makes them a formidable foe," he said. Eunice is a past state 2-A champion.

## Ft. Sumner Out Scores Texico Jr. High, 12-8

by James Hadley

The Fort Sumner Jr. High Foxes defeated Texico Junior High Wolverines 12-8 last Saturday at Texico.

During the first half the score was 8-6 in favor of the Wolverines. The Foxes scored again in the third quarter to make the score 12-8 in favor of

the Foxes and that's how the game ended.

Leading rushers for the Wolverines were Ricky Foreman with 19 carries for 75 yards, Herbert Bibbs with 17 carries for 58 yards, and Willie Bibbs with 3 carries for 4 yards. Herbert passed nine times and completed two for nine yards.

Fort Sumner fumbled the ball six times. Recovering fumbles for Texico were Ricky Foreman, Jeff Dunsworth, Allan Hall, James Robinson, and Kent Harding.

Texico's Jr. High record is now 1-3. The team will host Yucca here Saturday morning at 9 a.m. MDT.

## Texico Volleyball Teams Win Four Matches

Since Tuesday of last week Texico volleyball girls have played their Floyd, Marshall Junior High and Grady counterparts, winning 10 of the 18 games and four of the seven matches.

Tuesday, Oct. 4, the junior high and varsity teams played at Floyd, each losing to their opponents. The junior high girls lost the first game 15-3 but came back to take the second contest, 15-8. They lost the match by virtue of the 15-6 loss on the third game.

The varsity girls won the first game 15-11 but dropped the next two, 15-8, and 15-10. Thursday, Oct. 6, the 8th and 9th teams hosted Marshall Junior High, each claiming victories over their opponents.

The 8th girls took the match with back-to-back wins of 15-8 and 15-5. The 9th girls also won two of three games to claim the match decision. Game scores were a 15-4 win, 15-7 loss and a 15-10 win.

Laura Horne scored nine straight points in the first contest and Schree Rucker earned eight in the final game. Saturday, Oct. 8, the junior high, junior varsity and varsity teams played Grady at Wolverine gym. Match wins were earned by the junior high and varsity teams.

In the junior high conflict Ester Esparga made five points as they posted a 15-11 first game win over Grady. Texico lost the second game, 15-8, but came back to win the match with a 15-8 final game victory.

The JV girls lost two games in a row - 15-13 and 15-9. In the second game Liz Cavallero scored five straight points.

The varsity Wolverine girls proved victorious over Grady by winning two games straight, 15-0 and 16-14. In the first game Lori Harrington was

high scorer with six points. Others scoring were Tonye Harrington, 5; Teresa Turner, 3; and Celia Johnson, 1.

Five Wolverines earned points in the second victory including, Johnson, 6; Lori Harrington, 5; Turner, 3; and Tonye Harrington and Jana Jesko, 1 each.

According to coach Kathy Culshaw, the varsity girls

"came on strong in the first game," but almost lost the second game "due to overconfidence."

"They were down 9-0 at one point, but came back to win the game and the match. It was a super team effort with everyone playing together," she said.

Tuesday of this week the 8th and 9th teams hosted Yucca. Thursday the junior high, JV and varsity teams were to host Melrose. Saturday varsity round robin tournament action begins at Jal.

John Adams lived longer than any other President, according to World Book Encyclopedia. He died just 5 months before his 91st birthday on July 4, 1826, the same date that Thomas Jefferson died.

# Steers Stampeded By Roughriders

Friday night was rather bleak for the Farwell Steers who traveled to Boys Ranch and suffered their second defeat of the season at the hands of a determined Roughriders team. Both teams are now 3-2 in non-conference play.

The host team jumped to a 15-0 halftime lead and held on to clip the Blue and White, 15-8. The Roughriders intercepted two Farwell passes to take away the Steers' passing edge in the game that was rated a toss up.

Farwell took possession on

their own 14 and a personal foul called against Boys Ranch moved the ball to the 29-yard line. On the next play Vick Christian, who was shaken up during last week's game with Shallowater, bolted 20 yards. With the ball on the 49 Christian was dropped for a four-yard loss and with two minutes left in the first period Boys Ranch picked off the first of two Jones aeriels they were to claim during the game.

But the Roughriders were unable to capitalize on the break and had to punt four plays later. On the punt return Christian was hit before he had the ball and an interference call was marked against Boys Ranch.

The Steers took over and with less than a minute in the first stanza a delay of game penalty was assessed against them. Three plays later they punted. However, the attempt proved a fake and a Roughrider grabbed the ball on their own 38 and rushed to the Farwell 28 before being brought down by Steer defenders.

Two plays later Jim Bryant dashed 10 yards for the hosts' first score of the game. The point-after attempt was good and Boys Ranch took the lead, 7-0.

The Blue and White were unable to put together a

scoring drive on its next two possessions. Boys Ranch took the ball on their own 32 following a Farwell punt and quickly moved the pigskin deep into Steer territory. A personal foul against Farwell advanced the ball to the 17 and two plays later Joe Maloy went in for six. The run for two was good and Boys Ranch increased their lead to 15-0 at halftime.

Boys Ranch fumbled on their first possession of the second half and Rowdy Chandler recovered for Farwell. However, the Steers were unable to initiate a scoring effort as they fumbled on the next play and the Roughriders recovered.

After another exchange of punts, Christian intercepted a Roughrider pass and quarterback Russ Jones tossed a 30-yard bomb to Max Lonsdale for the Blue and White's only score of the night. Jones passed to Chandler for two and with less than three minutes in the third act the score was 15-8 in favor of Boys Ranch.

Neither team was able to score again throughout the final minutes of the game. With five minutes left in the fourth stanza Boys Ranch picked off another Jones' pass and the game ended on a losing note for the Steers.

## Farwell JV Romps Past Sudan, 28-6

A well functioning Farwell Junior Varsity squad invaded Sudan last Thursday night and came away with an important 28-6 decision over their counterparts.

Raul Garza put the local JV on the scoring map with a three-yard run early in the second quarter. Boyd White added the two-point conversion and Farwell jumped to an early 8-0 lead.

Mark Owen scampered 40 yards to paydirt in the second act, but the try for two failed and the local JV took a 14-0 halftime lead.

Owen scored again with 7:27

left in the third period. The run by Boyd White for the PAT was good and the JV Steers had a 22-0 lead.

Gary Hardage made the final six points for Farwell; however, the try for extra points failed and the score was 28-0.

"We executed really well on both offense and defense," commented coach Royce Baker following the game. "Last week we had trouble with effort, but everyone did a good job last Thursday night," he continued.

"It was the first game that we put two good halves

## STEER OF THE WEEK

DAN GEUTHER

Dan Geuther has been selected as the "Steer of the Week," "outstanding offensive lineman" and "outstanding forcing unit man" by the Farwell coaching staff. According to Steer Boss Van Tom Whatley, Geuther played his best game in two years and was "very aggressive" on defense. Whatley also said that Geuther blocked the Boys Ranch noseguard very well. In spite of playing very well at times the Blue and White lost to Boys Ranch 15-8.

## Whatley Says - -

# Steers Must Improve To Win District Play

"The defense showed improvement, but the offense played hot and cold all night," commented coach Van Tom Whatley following the Farwell Steers' 15-8 loss to Boys Ranch Friday night. It was the Steers' second defeat, dropping their non-conference record to 3-2.

"Our backs did a good job of running, but they blocked very poorly," Whatley continued. "We played inconsistently and our offense was too sporadic to be very effective," he said.

"Russ Jones is getting stronger and he executed very well Friday night. We had people open all the time but the receivers kept dropping the ball," Whatley said, adding, "I felt at least two of the dropped passes could have gone for touchdowns."

In spite of the loss several players have been singled out for honors by the Farwell coaching staff. Dan Geuther has been selected as the "Steer of the Week," "outstanding offensive lineman" and "outstanding forcing unit man."

"Dan played his best game since I have been here," the Steer mentor said. "He was very aggressive on defense. Boys Ranch had a very good noseguard and Dan was very effective in blocking him," Whatley said. Geuther also recovered a fumble.

Quarterback Russ Jones, who recently recovered from a long illness, has been chosen as the "outstanding offensive back" for the second week in a row. According to Whatley, Jones "threw the ball well" and "played a super game."

"Outstanding secondary man" honors were accorded to Vick Christian who intercepted a Roughrider pass which led to the Steers' only score of the night. "He gave us good run support from his halfback spot," Whatley said.

Injury-wise, Whatley said they are in "pretty good shape." Tim Norton, who is still bothered by an ankle injury, operates at "three-fourths speed" the Steer gridmaster explained. Three Steers

who sustained recent injuries are not expected to see action against Bovina. Benny Yruegas is out with a neck injury and Rusty McFarland and Rance Williams are both "plagued with knee injuries."

Tonight (Friday) the Steers open District 3-A play at Bovina when they take on the Mustangs at 7:30 p.m. CDT. Farwell fans should note the time difference as the conference games begin one-half hour earlier than non-conference games.

The Steers, coming off two losses in a row, will face the Mustangs who also sport a 3-2 non-conference record. According to Whatley, Bovina is "comparable to Boys Ranch" and they are "much improved over last year."

"We have a long way to go to be good," the head coach said. "We thought we would eventually reach the point where both the offense and the defense would play well, but we have not so far. However, with district play starting this week we need to get both the offense and the defense going," he said.

In anticipation of improving the Steers' win/loss record and being competitive in the district contests, Whatley is initiating changes which he hopes will improve the overall effectiveness of the team.

## Steer Caravan Scheduled

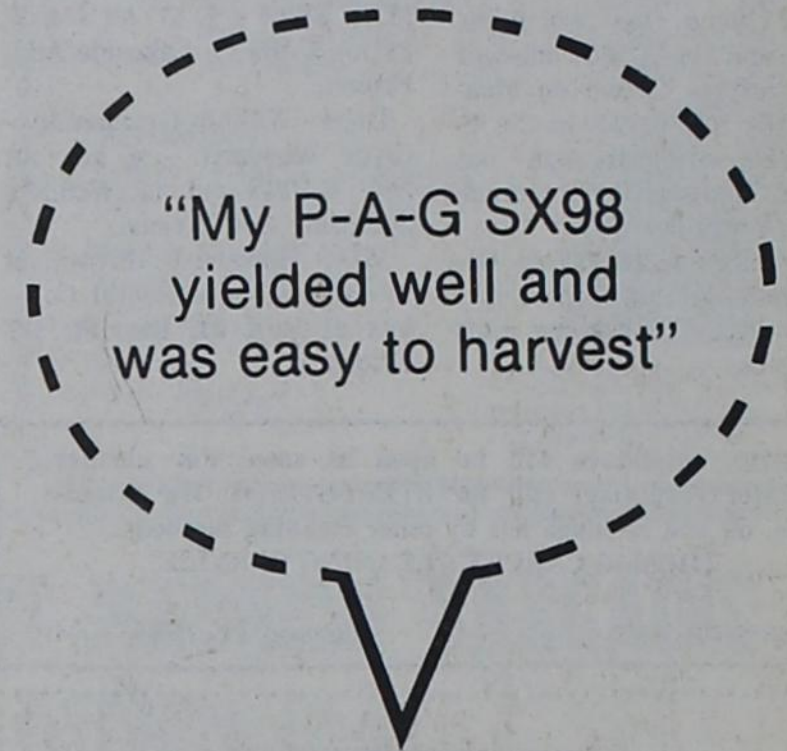

Farwell Cheerleaders are sponsoring a Steer Caravan for tonight's (Friday) first district 3-A game at Bovina. Everyone who is interested in participating in the caravan is asked to meet at Farwell High School parking lot at 6:30 p.m. today. The caravan will get underway at 6:45 p.m. CDT.

The cheerleaders also ask everyone to show their spirit by wearing something blue and white to tonight's game with the Mustangs. Game time is set for 7:30 p.m. CDT.

## TWO MINUTES WITH THE BIBLE

BY CORNELIUS R. STAM, PRES.  
 BEREAN BIBLE SOCIETY  
 CHICAGO, ILLINOIS 60635

### WHAT IS GRACE?

"The Father of Lies" always hates the truth, but he does not always oppose it by the same methods. If he fails to succeed as a roaring lion he may appear as an angel of light, suggesting that surely a God of love will not condemn Christ-rejectors forever. Sinners, he will contend, are not responsible for their sins anyway, for does not Eph. 1:11 teach that "God worketh all things after the counsel of His own will"? And thus "God Himself" is supposed to have conceived the idea of sin as "a gracious means to a glorious end," and to have caused man to fall into sin so that He might finally save him from it.

Why an almighty, all-wise, all-loving God permitted sin to enter the universe must, for the time being, remain an impenetrable mystery to us, but one thing is certain: He is NOT the author of sin, and NEVER accepts the responsibility for it - except that in grace and love He bore its penalty for man.

God calls sinners "children of DISOBEDIENCE" and "children of WRATH" (Eph. 2:2,3), "explaining in clearest language that He hates sin and that His anger is kindled against it (Rom. 1:18; Eph. 5:6; John 3:36).

But if God meant man to sin and caused him to sin, how was man disobedient, and what cause could God have to be angry? Those who would shift the responsibility for sin from themselves to God should remember that He proclaimed His standards of righteousness in the law "that every mouth might be stopped and that all the world might be brought in guilty before God" (Rom. 3:19).

The contention that all will finally be saved may at first sound like wonderful grace, but actually there is not one particle of grace in it, for it is based on the theory that since God got us into sin it is only just that He save us from its penalty. But grace is God's mercy and kindness to the UNDESERVING. In Eph. 2, after calling sinners "children of disobedience" and therefore "children of wrath," the Apostle Paul goes on to say: "BUT GOD, who is RICH IN MERCY, for His GREAT LOVE where-with He loved us... hath quickened us... raised us up... and made us to sit together in heavenly places in Christ Jesus; that in the ages to come He might show THE EXCEEDING RICHES OF HIS GRACE IN HIS KINDNESS TOWARD US THROUGH CHRIST JESUS."

### Farwell Jr. High To Have Cable TV

Cable television for the educational channel at Eastern New Mexico University at Portales will be installed at Farwell Junior High School, announces head teacher Dolores Vaughn.

According to Mrs. Vaughn, KENW, channel 3, will offer many good educational programs this year which can be implemented into English, history, science, and math classes at the junior high.

One of the many programs to be aired is the acclaimed "America" series which is hosted by Alistair Cooke. The

unique interpretation of America's history, from prehistoric Indian times to the present, was voted an Emmy award for "most outstanding series."

The 26-part series begins with the "The New Found Land, Part 1," as Cooke traces Columbus' voyage in search of a water route to Asia, and examines the early explorer's character.

Mrs. Vaughn asks that anyone who has a television - in working order - and would like to donate it to the school to please call her at 481-9112.

### Record Now 3-2 - -

## Farwell 8th Yearlings Shut Out Sudan 14-0

Farwell 8th Yearlings shut out Sudan, 14-0, last Thursday night at Sudan, upping their record to 3-2. The 7th Yearlings did not play.

In the fourth quarter Waverly Coates scored on a 60-yard run and David Daniels went in for two to put Farwell ahead 8-0.

Blake Buchenau popped in from the five in the second act but the PAT failed and 8th Yearlings were leading 14-0 at the half.

However, in the second half neither team scored and the score remained 14-0 in Farwell's favor.

"We should have scored again in the second half, but even though we did a lot of running with the ball, we couldn't seem to get it in the end zone," said coach Larry McDorman following the game. "I am pleased that we are continuing to improve a little every game," he added.

According to McDorman,

quarterback Brent Green is "beginning to come through for us now." Linemen like Linny Beal, Matt Meeks, Randy Sierra and Rocky Ford are "blocking real well now."

"Probably one of my happiest moments came when I saw the backs blocking - something they had not done in four games," he continued.

According to McDorman, Ricky Armstrong, who was recuperating from a broken hand he sustained last summer, is "helping us a lot now."

"Overall we played a good game," McDorman remarked. The 7th and 8th Yearlings were to open district play Thursday night against Bovina

at Steer Stadium. "Our competition will get tougher from here on," McDorman said.

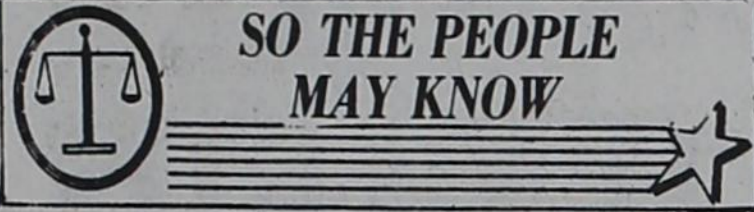

Next Thursday night the 7th and 8th Yearlings will host Kress.

### Texico Reading Classes Utilize Skills Program

by Rosie Chavez

Mrs. Joann Edwards' reading classes are working on a Cognitive Listening Skills Program.

This program is an instructional program of 12 cassette tapes and exercise sheets designed to develop listening and comprehension skills.

Each listening lesson is divided into five parts. In section one, the narrator introduces the cognitive skill and provides examples.

In section two and three, the students listen to short stories which bring the story into perspective. Sections four and five are "listening quickies"

which focus student attention on the act of listening and comprehending quickly.

Opportunity for practicing newly-learned skills follows each section. All answers to exercises are given immediately after the student has completed the appropriate section on the exercise sheet. In this way, students are constantly provided with an accurate measure of their progress.

Each tape is self-contained and designed for individual or group lessons. Recorded instruction for stopping the cassette player allows students as much time as they need to complete and fully comprehend the exercises.

This program is designed for students in grades 4-6, and is also provided by Title IV funds.

It is also helpful to the students in reading, spelling and comprehension.
