By Mike Pomper

## Don't forget the chair!

Here's potpourri of Border Town Days information:

\*\*\*  
Please, please don't forget to bring chairs with you when you come to BTM.

This is especially important for the older folks. There will be entertainment from 1 to 5 p.m. (and afterward!) - and that's way too long to stand. So, please, don't forget to bring chairs.

\*\*\*  
We will have an area for handicapped parking set up near the gazebo. It's in back of the county courthouse and next to the old jail. Signs will signify where it is.

Last year was the first year we set up this area - and it turned out to fill up. We expanded the area this year.

\*\*\*  
Last year, we were unable to have a backup band due to the death of Ed Hardage, one of the key folks who made BTM into the successful, fun event it is today.

Fortunately, Kevin and Geneva Hardage have put together a band that will perform that chore this year. They are getting lots of help and it should provide a lot of great music.

\*\*\*  
We still have space for arts and crafts exhibitors. If you have homemade crafts to sell, please contact Lynne Mahaney at the Farwell Post Office, 481-3601.

The deadline is fast approaching.

\*\*\*  
It's great to see so many class reunions sign up - 7 at last count. I bet it's a lot of fun to wander around the park and see folks you haven't seen in many years.

And you don't even have to be a member of a class that is holding a reunion to come to

BTM. If, for example, you were a member of the Class of '64 and you see that the Class of '63 is having a reunion, you will still see a lot of friends!

\*\*\*  
Overall, if the weather does its part, it should be a super BTM on the 31st. The parade is shaping up nicely, the variety of concessions looks yummy, and the entertainment promises to be first class.

And it's all FREE!

However - the way we pay for all the BTM fun is to sell buttons. And we have a drawing at the end of the day. If your number is picked, you win \$50.

We ask \$2 donations for the buttons, which have been placed at several Twin City businesses. The buttons also will be sold at BTM. Please buy at least one, and help ensure BTM as a continuing tradition.

\*\*\*  
More BTM info: To sign up for the volleyball tournament, call Richard Carpenter at 825-2055.

\*\*\*  
Rumor of the Week: They don't call Brenda Ortiz a champion golfer for nothing!

\*\*\*  
We hear that Bruce Billingsley got 5 of 6 right in last week's Texas lottery.

Way to go, Bruce!

\*\*\*  
Several mailboxes along Ninth Street in Farwell, near Avenue D, were vandalized over the weekend.

\*\*\*  
A friendly pomeranian dog named "Beauregard" was lost along Anderson Street in Texico Monday afternoon. If you have seen this dog, please call 482-9432, day or night. The pooch is an important part of a Texico family.

## BTD giveaway

This new pickup truck will be given away at Border Town Days to help raise money for the Farwell Fire Department. Tickets cost \$20 each, and are available from members of the fire department and local businesses.

## Small gas rate hike approved

The Farwell City Council Tuesday approved a small rate increase for Southern Union Gas, but not until after a lengthy discussion and the realization that it was the cheapest way to go.

A Southern Union Gas official told the council that the cost of service adjustment they were seeking would add about 42 cents a month to the average customer's bill. This would total about \$6,000 annually in proceeds.

He pointed out that last year, customers' bills went down about 42 cents a month.

Basically, these adjustments are determined by the amount of time crews need to come to Farwell from Borger, Texas, where they are stationed, to repair and work on gas leaks. If crews aren't needed much,

the expense goes down.

After 45 minutes of discussion, the council voted 3-2 to deny the adjustment. Against the hike were Pat Howard, John Carlson and James Chadwick. In favor were Martin Kube and Jerry Stover.

Right after the vote, the Southern Union Gas official said this means that Southern Union Gas will have to file a "rate case" with the state, and, if approved, will cost Farwell residents three times what the cost of service adjustment would have been.

So the council immediately voted unanimously to rescind its earlier decision.

Then the council voted unanimously to approve the adjustment.

## Last call!

Last call for concessionaires!

Cynthia Thigpen, Farwell city clerk, is in charge of the concessions at the Day in the Park activities for Border Town Days. She can be contacted at 481-3620.

Only local, non-profit groups are allowed to sell concessions, since this is a major fund-raiser for many of them. Signed up so far are:

- \* Texico 4-H - hot dogs, homemade ice cream, Pepsi, diet Pepsi, orange.
- \* Beta Sigma Phi - Coke, diet Coke, Dr Pepper, snow cones.
- \* Pleasant Hill 4-H - lemonade, ice tea, frito pies, nachos, pickles.
- \* Texico-Farwell Rotary Club - barbeque and all the trimmings.

## Holguin promoted; Garrison named deputy

The Texico City Council held a special session July 15 to hire a new deputy marshal and to promote the current deputy marshal to city marshal.

Hired as deputy marshal was Larry Garrison, of Clovis. He will be moving to Texico.

Gilbert Holguin was promoted to city marshal. He had been hired as a deputy marshal two months ago. The vote was 3-2.

After a 2-2 council vote, Mayor Doyal LaRue broke the tie in Holguin's favor. Also in favor were Oran Jay Autrey

and Ronnie Warmuth. Opposed were Carolyn Burrows and Butch Tharp.

The council also discussed the ongoing well problems. Recently, city officials went to Santa Fe to see Gov. Bruce King.

Texico wants emergency state aid for air strippers for its two wells.

Also, the governor was asked to expedite the process of having state and EPA officials give Texico the go-ahead to put in a new well.

LaRue said things are moving better now.

## Bovina post office burglarized; reward offered

The U.S. Post Office is offering up to a \$5,000 reward for information leading to the arrest and conviction of the person who burglarized the Bovina Post Office early Monday morning.

Bovina Police Chief Leon Sadler said postal inspector Sam Prose came to investigate the crime on Tuesday morning.

"It's hard to tell what was taken," said Sadler. "We have to find out what was in there in the first place."

In addition to the Bovina Police Department and the

U.S. Postal Service, Sadler has sought the assistance of the Parmer County Sheriff's department, the Texas Rangers, the Department of Public Safety in Austin, and he faxed information to the FBI crime lab in Washington, D.C.

"The sheriff has been helping all he can," said Sadler.

"We've had over the last month three different burglaries here in town," said Sadler. "Any time you've got a burglar operating, you want to get him off the street as soon as possible."

## Farwell seeks rec grant

The Farwell City Council Tuesday learned that a major development company has filed the preliminary paperwork with Farmers Home Administration aimed at placing rental apartment units for senior citizens in Farwell to be called "Farwell Senior Apartments."

Calhoun Property Management, of Mansfield, La., plans to seek an FmHA loan of more than \$700,000 to build 24 units (12 duplexes) for senior citizens on three acres of the Jean Travis property just south of Farwell (at its intersection with State Line Road).

The 1- and 2-bedroom units, with 900 to 1,000 sq. ft., would be brick, plus have carports. Persons must be 62 years old or older to qualify. These are not low-income subsidized units. The rent would be based on 30 percent of the renter's income - after his basic needs are taken care of.

Once the 12 units are filled, Calhoun would build more, with a maximum of 72 duplexes. Calhoun has built 88 other projects, with 2,600 units, as those proposed here.

Calhoun would provide the curbs and gutters, and water and sewer lines, for the subdivision. The city would have to annex the area and provide city water and sewer services. That capability is available.

Gene Copeland, development manager for Calhoun, said Farwell is one of 14 targeted cities in Texas for these subdivisions, due to marketing studies done in Texas. Others include Floydada, Spur, Memphis, Stanton, Presidio and Sierra Blanca. Copeland said it normally takes 4 to 6 months to get FmHA approval, an 18 to 20 step process. The Amarillo FmHA office will handle it. He said the Amarillo office only has a couple of other such applications at present, meaning Calhoun's application should be handled promptly.

Copeland said the Calhoun developments have a very high occupancy rate. They hire a local manager to handle each development. He said senior citizens normally take good care of their property. Also, a rec room will be built.

The council expressed support for Calhoun's plans. They said if Calhoun needs them, they would be glad to go to the FmHA office to show support for the development.

Councilman James Chadwick was concerned about whether the project, since rents would be lower than some other private housing, might devalue nearby properties. Copeland said the subdivision will enhance property values, since the company keeps strong maintenance and high occupancy.

Copeland said the company is also considering placing 1-, 2- and 3-bedroom family units behind the senior citizen complex.

Calhoun has been in business for 18 years, he added.

The Farwell City Council Tuesday approved seeking a grant through the Panhandle Regional Planning Commission to build two new tennis courts, a walking trail and expansion of the baseball field near the school - or a new baseball field.

Courtney Sharp, a PRPR representative, held a public hearing on the park development project at the meeting. He estimated that the PRPR will seek \$148,000 for the courts, trail and baseball field expansion - new bleachers and lights.

After some discussion, PRPR will also ask for funds for restrooms, concession stand and a second baseball field.

The grant request calls for Farwell to match the grant funds. But Sharp said the city's match could be mostly done in donated material and labor.

The tennis courts are needed to replace the two that were demolished to make way for the new school gym.

In other business, the council:

- Approved a mobile home variance for 111 9th St. for R. L. May, who plans to put a mobile home behind his house for his son to live in. Six letters were sent out; none were returned. City Clerk Cynthia Thigpen said one person called to say there was no objection.

- Approved five building permits: Bob Anderson, 704 3rd, housing addition; Herman Gerles, 905 5th, storage building; Turner Paine, 805 4th, carport; Joe Hernandez, 300 2nd, chain link fence; and Jimmy Franse, 409 8th, housing addition.

- Gave a solicitor's permit to Joe Fodor, Amarillo, to sell balloons and novelties at Border Town Days.

- Agreed to send a letter to Pudge Rose, of Throckmorton, Texas, owner of the former drug store building adjacent to City Hall, noting that the property is being considered for condemnation. The building is flooded, it was stated, and is a health hazard.

- Received a request from Janie Timm to operate a shop to sell caged birds - parakeets, parrots, finches - at 200 8th St. She owns the home, which has a building in back, but hasn't lived there in awhile, it was said. It's not zoned commercial and a variance would be needed. The council decided to take no action until she comes to a council meeting to discuss it.

- Heard Water supt. Dee Hammit report that PVC pipe is being placed under the school buildings during the school construction.

At its last meeting, the council had approved the school construction, with the stipulation that it meet city codes. It was stated at this meeting that the city code doesn't allow PVC piping under buildings.

No action was taken.

- Heard Police Chief Roy McGaa report that 13 cases were filed with him so far in July, including 2 burglaries, a motor vehicle burglary, 3 phone harassment calls, 2 stolen bikes (1 recovered), a DWI, and a domestic violence call. Four arrests have been made this month.

He said some juveniles wrote obscenities on the picnic tables at Farwell City Park and he knows 2 of the kids who did it. The city will clean the tables.

Howard complimented McGaa, saying his quick work in responding to a 911 call about a suspicious vehicle behind Capitol Foods possibly prevented a robbery there. McGaa found that the vehicle had stolen license plates and took appropriate action concerning its occupants who were from out of state.

McGaa will continue checking into prices for radar equipment and a video camera.

- Carlson reported he checked with Parmer County Sheriff Rex Williams about using inmates for cleanup work and was told none were available.

## Farwell, Texico bands slate BTM practices

The Farwell High School Band plans to be in the Border Town Days parade this year. Principal Larry Gregory said all junior high and senior high band members should report to the Band Hall at 7 p.m. July 29 for practice.

Pat Henry, the former band director at Portales, is expected to be hired as Farwell's new band director. Henry also has been band director at Carlsbad.

Henry is coming to Farwell after retiring at Portales.

The Texico Wolverine Band will again march in the Border Town Days parade July 31, school band director Robert Simmons said.

The last band practice will be from 9 to 11:30 a.m. mdt on July 30 at the Band Hall.

David Wilkins, the Pleasant Hill pastor, who is a former band teacher, will assist this year.

All band students need to contact Mr. Simmons, Mrs. Kittrell or Mrs. Southard.

## Registration started for decorated bike contest

All area youngsters are reminded that registration has begun for the Border Town Days Decorated Bike Contest. Youths must sign up at Texico City Hall.

This year offers a special incentive: Ted Lopez of Tedson Trailers is donating a brand new bike to the winner of "Best of Show" - the bike

judged as best decorated regardless of age category.

This year's BTD theme is "Looking to the Future." It's important to follow the theme, since that is a large portion of the judging.

Also, an anonymous donor has provided funds for cash prizes in each category.

And every entrant in the contest will receive a free ticket to ride the CAKE Train. "Everything is ready at Texico City Hall for registration," says Rhonda Qualls, who is in charge of the bike contest.

The registration deadline is 3 p.m. Friday, July 30.

Mrs. Qualls said that youths planning to enter the decorated bike contest in the parade need to register, giving their name and age, to be eligible for the cash prizes and

free train tickets.

No motorized bikes are allowed in the contest. All riders must bring their decorated bikes to Anderson Street (between Texico City Hall and the flea market - across the street from Citizens Bank) at 9:45 a.m. Texas time, and line up for judging there on July 31.

The street will be blocked off so that there will be no vehicular traffic.

"You must be on time or you will not be judged," said Mrs. Qualls.

"Contestants need to be sure to stick to the theme, (Looking to the Future) if they're going to be counted," said Mrs. Qualls. The judges will really be looking for adherence to theme this year.

Other rules are:

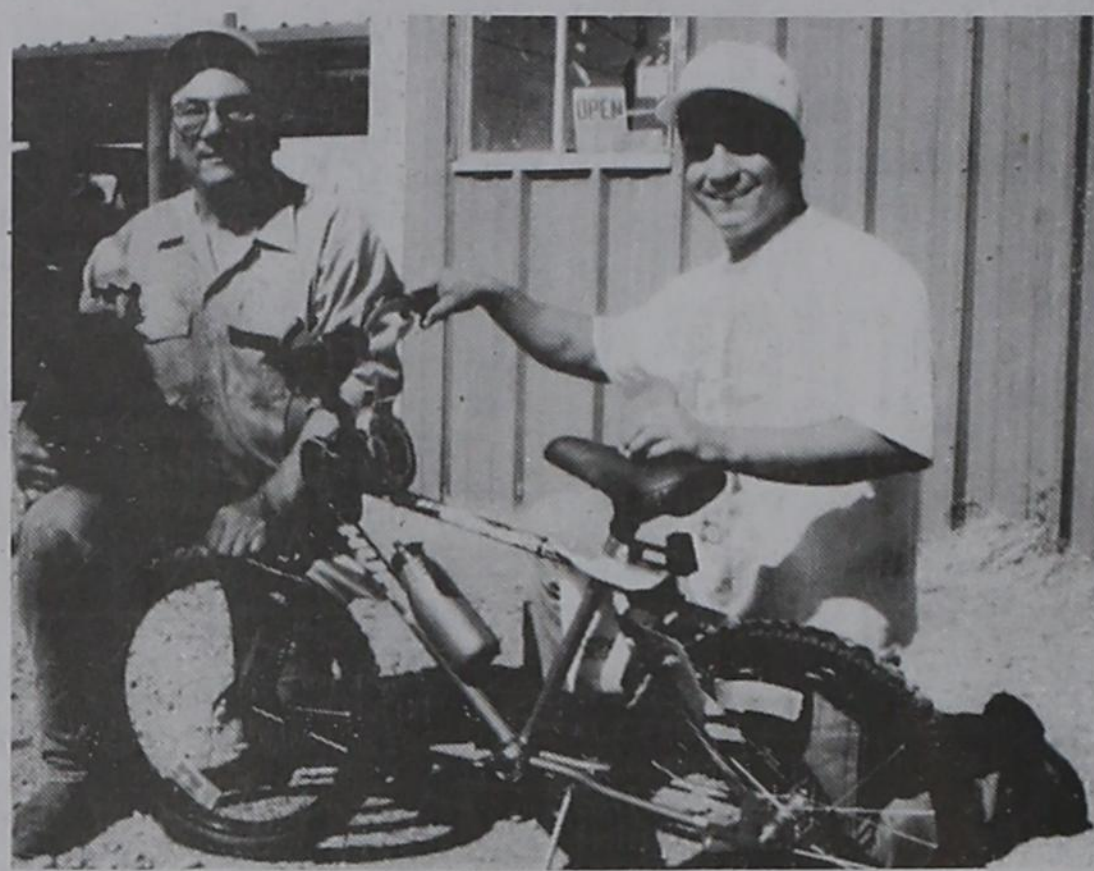

- All participants ride in the parade and must continue to Farwell City Park, and then park their bikes in the park area. A bicycle rack will be provided in back of the Farwell First Baptist Church.

- You must be present at the park to receive your cash prize and free train tickets.

There will be two judging divisions:

- Division A: Best decorated bike, ages 7-12.

- Division B: Best decorated bike, ages 6 and under.

Ted Lopez, left, and his son, Teddy, who operate Tedson Trailers, show off the new bicycle they are donating to the winner of "Best of Show" at the decorated bicycle contest at Border Town Days.

## Skies open

The skies opened and the rain came to this area Monday and Tuesday.

Some Tuesday totals from Farwell were: Martin Kube home, 2.7"; Jerry Stover home, 2.4", and Dee Hammit home, 2.8"

Lonnie McFarland of Sherley Anderson Grain in Lariat measured .4" Monday evening and .7" Tuesday morning for a total of 1.1"

## Cozby, Brockman star

Lazbuddie High School griders played key roles in the Texas Six-Man Coaches All-Star game Saturday in Wichita Falls.

Lazbuddie's duo of Matt Cozby and Leland Brockman combined for seven receptions for 151 yards and 2 TDs in leading the West to a 43-22 win.

Cozby caught 4 passes for 101 yards, and Brockman nabbed 3 for 50.

Brockman scored on an 8 yard pass in the final quarter. Cozby scored in the second period on a 55 yard pass.

Showers continued early Wednesday morning. Mike Pomper, Farwell, reported almost .4" of rain fell.

Scattered showers brought moisture to the Twin Cities area on July 14. The amount of moisture differed widely from place to place.

Dickie Chandler at Sherley Anderson Pitman in Farwell reported 4/10".

Yalonda McFarland reported 8/10" fell at the Sherley Anderson Grain Elevator in Lariat.

Shirley Steinbock measured more than 2" at the Lazbuddie Sherley Grain Elevator. She said that here were reports of up to 5" of rain near Muleshoe, south and east of Lazbuddie.

Charlie Phillips

## Phillips to play

Charlie "Sugartime" Phillips and the area's top western swing band, "The Sugartimers" will be playing a benefit dance at the Clovis Holiday Inn's Garden Patio Room July 30 at 9 p.m. cdt.

Tickets are \$6 in advance, \$7 at the door. Tickets are available at the Beauty Box, Stateline Drugs, Hughes True Value and Rip's Western Wear.

This is the 5th annual benefit that Charlie has done for the Farwell Convalescent Center in conjunction with the Border Town Days. BTD is July 31.

Phillips became famous for writing and recording the No. 1 hit in 1958 called "Sugartime". His original version was recorded at the Norman Petty Studios in Clovis. Buddy Holly played the lead guitar on the original recording. It hit the top of the country and western charts, but the McGuire Sisters' pop version gave it worldwide recognition.

Phillips was just a teen-ager in Farwell High School when he wrote "Sugartime" while driving a tractor on the family farm. Since then he has recorded a number of country and western hits. In the 1960's every record he made was on the national charts. Some of his 1960's hits will be used in a new Clint Eastwood movie to be released next year.

An album of his biggest hits is planned for release in the United Kingdom in the future. He has performed on the Grand Ole Opry and toured the country with folks like Jim Reeves, Marty Robbins, Johnny Cash, Willie Nelson and Brenda Lee.

"The Sugartimers" band members are Vick Ashmead, steel guitar; Jimmy Young, fiddle; Chet Calcote, bass; Prof. Frank Hardcastle, lead guitar, and Ted Czahowski, drummer. Young and Calcote once played with the legendary Bob Wills and his "Texas Playboys" band.

Although Amarillo has been his home for a number of years, Phillips enjoys coming back to Farwell and "doing something for my hometown".

## The Chief's Corner

First of all, many thanks to the person who called 911 about the strange car behind Capitol Foods. In every case possible, I will try to let you know what happened when your calls lead to something.

This time the vehicle in question was displaying stolen Oregon license plates. Both occupants were charged for failure to identify, false statement to a peace officer and possession of stolen property. Their vehicle was impounded and they spent the night as guests of the Sheriff. The driver was on probation in Oregon and had a record longer than he was. I wouldn't be surprised if your call prevented a burglary. Again, thanks for paying attention and for becoming involved in protecting your community.

**Q: What days do you work?**

**A:** Only the Sheriff's Office knows that because they cover for me when I am off duty. I change days off and hours worked in order not to be predictable.

**Q: I saw you out of uniform the other day and you were wearing a gun, are you allowed to do that?**

**A:** Yes, By law and by my policy. Believe me, if you really need a police officer and there is one there, the last thing you want to hear is "I'm off duty" or "wait until I get my gun."

Till next time, have a good day.

Roy

## Recipe of Week

### Cookie Salad

- 1 c. buttermilk
- 1 pkg. 3 oz. vanilla instant pudding
- 3 oz. whipped topping
- aprox. 10 oz. crumbled chocolate cookies
- 1 can (20 oz.) pineapple chunks, drained
- 1 can (11 oz.) mandarin oranges, drained
- 1 c. miniature marshmallows

Mix buttermilk and pudding mix in a bowl. Add whipped topping. Fold in cookie chunks. Stir in fruit and marshmallows; chill.

Note: Some of the cookie chunks may be reserved to cover the top of the salad so that it looks like dirt. An artificial flower may be added to the top of the bowl. Sometimes it is even served in a clean, new flowerpot.

## Merchants' giveaway program under way

A multitude of Twin City businesses will be participating in the 12th annual Border Town Days Merchants Giveaway program to be held in conjunction with the annual BTD celebration July 31.

Each participating business has a box in which customers may register for the prize to be given away by the merchant. A person may sign up once each time he is in a store until July 29, when the boxes will be picked up and taken to the park for the drawings.

## Signup deadline nears

Leigh Ann Woods, at the Kirkland CPA firm, is in charge of the Border Town Days parade.

Wow, can you believe it's already that time again? Border Town Days are upon us. We are really looking forward to the weekend of the 31st.

Charlie Phillips & the Sugar-timers will hold their annual benefit dance for the center on Friday, July 30, from 9 - 12:30 cdt at the Holiday Inn. It isn't too late to buy a ticket! Tickets are being sold at Stateline Drugs, Rip's Western Wear, Hughes True Value and Beauty Box, and Cribbs Western Wear at North Plains Mall. Advance tickets are \$6 and tickets at the door are \$7.

We are planning to have a float in the BTD parade the 31st. We will be working on that next week! For Auxiliary members who wish to help with decorations for the float, the working time has been changed to 1 p.m. Friday the 30th in the sun room.

The Auxiliary will have a booth set up once again at the park on the 31st. They will be selling all kinds of yummy baked goods, and delicious hot popcorn. Everything will be sold at a reasonable price, and with a taste that you won't be able to pass up. Be prepared to buy some goodies; it's for a good cause.

We will be having our monthly birthday party on Friday, July 30, at 3 p.m. There will be fun and music with the Border Town Four. This is a special occasion that we look forward to sharing with residents' family and friends. Happy birthdays this month to: Viola James, Ora Bell, W. H. Flowers, Alice Edwards, Geraldine Jones and Bonnie Jones.
