Cooperatives' anniversary celebrated

October is the month to honor our nation's cooperatives. It's special this year in that 1994 is the 150th anniversary of co-ops.

This area is fortunate to have many strong cooperatives providing essential services to our folks.

We received some information about co-ops and we would like to share it with you today:

Cooperatives date back to the first one that was incorporated in 1844 at 31 Toad Lane, Rochdale, 12 miles north of Manchester, England. It was founded by 28 folks, mostly weavers but also a shoemaker, tailor, cabinet maker, hatter, printer, etc. Their aim was to make their meager wages go farther by cutting expenses.

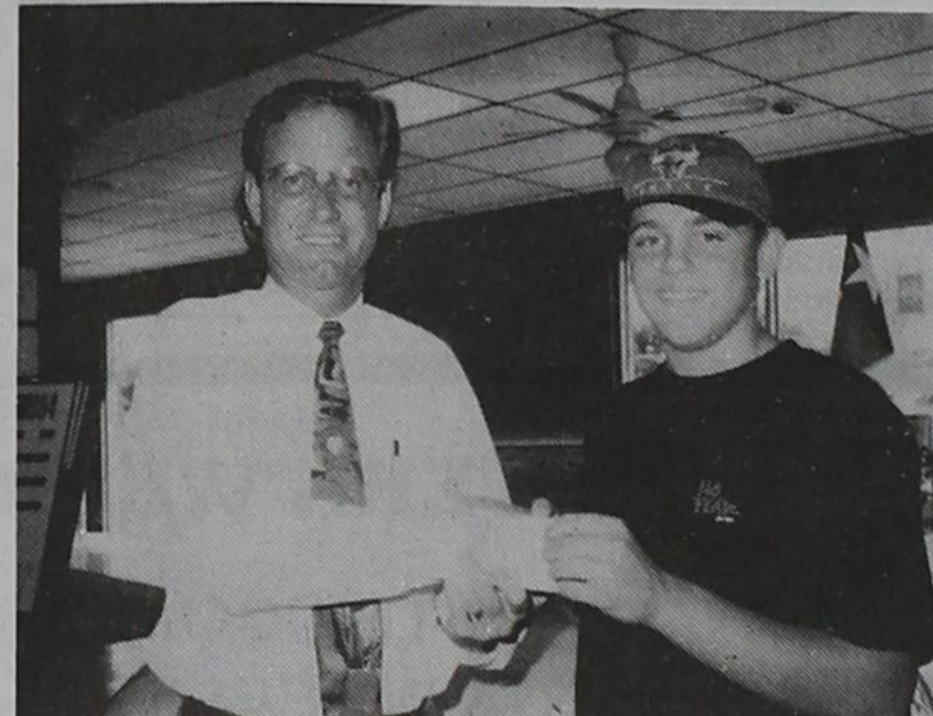

The co-op's two first employees agreed to take nothing for their services if the store didn't show a profit in the first three months. However, if it did, they were to receive 3 pennies per hour for a total night shift payment to them of nine pennies per night.

The co-op board authorized the sale of four items - butter, flour, oatmeal and sugar. When the gas company refused to light the store, the staff bought candles for opening night - buying them in bulk and selling the remainder.

The opening inventory was 16 pounds, 11 shillings and 11 pennies - about \$26. Initially, the shop opened two nights a week from 8 until 10. By March of 1845, they were open every night except Sunday and Tuesday.

After a full year in operation, the store had 74 member households, had raised \$181 in capital, had registered \$1,100 in sales and had netted \$22 in savings /

Ginning in September?

Ever hear of Parmer County cotton being ginned in September?

Well, you have now. Lazbuddie's Mike Miller called the Tribune last Friday (Sept. 30) to say that he planned to finish off his 60-acre cotton field that day and bring the product to the North Lazbuddie Gin.

profits. (The average weekly wage at the time was \$1.50.) Today, that small shop is preserved as a museum, with a display of the history of the cooperative movement. Thousands visit it each year. Actually, there were many cooperatives that preceded the one founded in Rochdale, but the principles and prac-

tices of the Rochdale model defined a cooperative business and assured the success of the cooperative model. These include:

- Owned by the people who use their services.
- Provide an economic benefit for their members.
- Are democratic organizations, controlled by their members.
- Recognize the importance of education about cooperative business and organizational practices so that members, boards and employees will be good decision-makers and the general public will understand cooperatives.

- Support cooperation among cooperatives which has resulted in the growing importance of cooperatives in today's global economy.

Cooperatives are major contributors to the U.S. economy, generating over \$100 billion of economic activity each year. Other statistics include:

- About 30 percent of farmers' products and farm supplies in the U.S. are marketed through co-ops.

individuals broke out at the labor camp just outside of Farwell.

One camp resident found me on patrol and reported that individuals were fighting with chains, knives and clubs. When I arrived, I was confronted by two men, one armed with a homemade mace (ball and chain with handle). He began swinging it and yelling. He ignored my order to drop the weapon. I fired a .12 gauge riot gun over his head, causing the man's companion to pull him into this apartment, where the situation was contained pending the arrival of backup.

Texas Highway Patrol's Craig Hunt arrived within 5 minutes and began checking the injured. He called for the Farwell ambulance to take two injured men to the Clovis hospital.

Texico Marshal Gil Holguin arrived and began talking to the suspect in Spanish, trying to get him to give up. Holguin was able to convince him to surrender and several arrests were made.

When Parmer County Deputy Sheriff Roy Smith arrived, I turned the situation over to him as it was under county jurisdiction.

The Texico ambulance was called to transport the man who had been armed with the mace. He suffered an injured wrist and hand, apparently during the fight.

Also present at the conclusion were Parmer County Sheriff Rex Williams, Parmer County Deputy Sheriff Denver

Redwine, Bovina Police Chief Leon Saddler, and an unnamed officer.

Cowboys hold off the Steers

The Farwell Steers lost to one of the state's top-ranked teams, the Plains Cowboys, in an away game last Friday, 56-13.

Unbeaten Plains has two All-State candidates, at end and running back, and both did severe damage to the Steers. Plus the Plains' quarterback threw several perfect long passes, hitting his receivers while in full stride.

Farwell, 1-4, begins its district campaign tonight (Friday) at 7 p.m. at Bovina.

The game opened with Farwell kicking off, and Justin Mahaney tackling the returner at the Plains 20. On the first play, Plains hit on a long pass for an 8-yard TD. The kick made it 7-0.

Farwell was held and punted. On defense, Chase Stephens had a QB hurry and Plains punted. Farwell had two more possessions, including one gained by recovering a fumble, but couldn't move the ball. On defense, Blaze Hardage had a strong tackle.

With 5:20 left in the first quarter, Plains scored again on a 52-yard TD pass. It was now 14-0.

Farwell started moving the ball for the first time. Brock Anderson hit Chase Hardage with an 8-yard pass. Then Anderson ran for the first down. Anderson ran twice more for 9 yards but on 4th and 1 at the Steer 40, Farwell went for it but was stopped short.

On defense, Nic Ketcherside had a good defensive play. And Jesse Chilton recovered a fumble at the Steer 37. Anderson broke loose on a twisting 63-yard TD run, shedding two tacklers in his wake. Jason Miller kicked the point after to close the margin to 14-7.

Plains started at its own 30. Jason Miller had a good tackle. But Plains scored with 39 seconds left in the first quarter on a 52-yard TD pass. It was now 21-7.

In the second quarter, Blaze Hardage had a good tackle. Plains scored on a 17-yard TD pass, making it 28-7. On offense, Michael Phillips grabbed a 12-yard pass from Anderson. But Farwell was held and punted to the Plains 28. Ketcherside had a good tackle. Plains had another long pass reception, with Mahaney tackling the receiver. Jason Taylor had a good tackle. Plains completed a 27-yard pass, then scored on a 5-yard pass for a 35-lead.

Anderson hit Blaze Hardage with an 8-yard pass. But Plains intercepted on a deflected pass, returning it to the Farwell 18. Plains scored on a 15-yard run at 2:15, making the score 42-7.

On offense, Landon Lunsford ran for 16 yards. Anderson hit Chase Hardage with a 37-yard pass. Jason Miller ran for 5. With 30 seconds left in the half, a 4th down Steer pass failed.

Starting the second half on offense, Anderson ran for 23 yards. Farwell then lost a fumble. On defense, Anderson, Jason Miller and Mahaney had good tackles. Plains scored on an 18-yard TD pass, making it 49-7.

Farwell lost another fumble. Phillips had a good tackle, throwing the runner for a loss. But Plains scored from the 3 for a 56-7 lead.

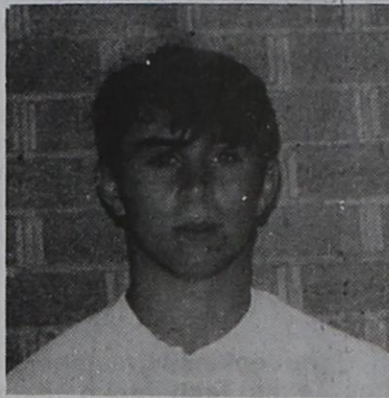

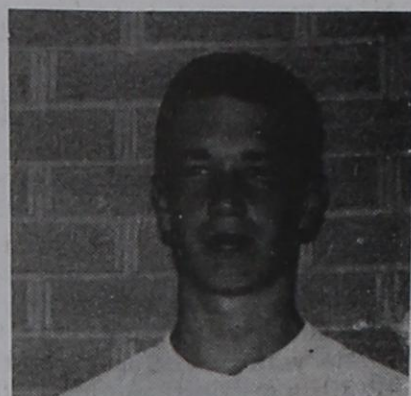

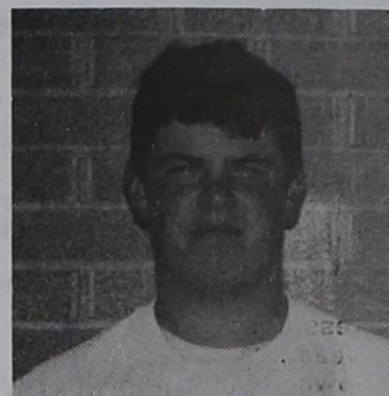

Farwell then put together its best offensive drive of the game, starting at its own 20. Ketcherside ran for 10. Chase Hardage caught a 6-yard pass. Ketcherside had runs of 25, 5 and 6 yards. On 4th and 1, Jason Miller rambled for 10 more. The drive culminated with 28 seconds left in the third quarter when Ketcherside scored from the 10. The pass for extra points failed and it was 56-13.

Plains had substitutes in at its skilled positions in the final period. Offensively, the Steers weren't able to move the ball well. On defense, good tackles were recorded by Steve Miller and Blaze Hardage. Mahaney and Steve Miller combined on a QB sack. Plains tried a 45-yard field goal that failed.

Comments from Coach Stan Stroebel: "We just got our tails whipped. Plains has a really good team. But the boys played well and got back into the ball game, scoring two TDs."

Team stats included: Farwell 237 rushing yards and 74 passing yards - 311 total; Plains 125 rushing yards and 260 passing yards - 385 total.

Individual stats included: Anderson, 121 yard rushing and 6 of 15 passing for 74 yards. Ketcherside rushed for 76 yards.

Steers of the Week

Coach Stan Stroebel picked as Steers of the Week, clockwise from left: Back - Nic Ketcherside; Lineman - Chase Stephens; Defensive Player of the Week - Steve Miller.

Sonya Curtis weds Chris Aycock

Sonya Grace Curtis, daughter of Mr. and Mrs. James Curtis of Farwell, and Charles Christopher Aycock, son of Mr. and Mrs. Charles Aycock of Farwell, were united in marriage on June 18 in a candlelight ceremony at Hamlin Memorial United Methodist Church in Farwell.

Sonya wore a white satin princess-style gown featuring a chapel train and trimmed with beaded lace. Her veil was a crown of flowers with tulle flowing the length of the train. The gown and veil were made by Sonya. She carried a bouquet of white lillies and stephanotis. She wore a gold engraved bangle bracelet handed down from her great-grandmother for "something old"; "something new" was her gown and veil; "something borrowed" was earrings, and the garter was "something blue." She also wore a strand of pearls given to her by her parents upon her college graduation and in her shoes she put pennies minted in the year she and Chris were born.

DeAnn Ogilvie, of Las Cruces, N.M., and Amanda Curtis, of Lubbock, sisters of the bride, attended as matron and main of honor. Bridesmaids were Karen Aycock, of Abilene, Texas, sister of the groom, Karyn and Debra Curtis, sisters of the bride. The attendants wore tea-length dresses of emerald green taffeta moire and carried bouquets of spring flowers.

Chris wore a black tuxedo with a silver-gray vest and black tie and cummerbund.

Marcus Sullivan, of Plainview, attended as best man. Groomsmen were Darren Haseloff, of Farwell, and Ted

Ogilvie, of Las Cruces. Les Tucker of Gladewater, Texas, and Greg Actkinson, of Lubbock, served as ushers. The groom's attendants were dressed in black tuxedos with black ties and cummerbunds.

Candlelighters were Karyn Curtis and Ted Ogilvie. Flower girl was Debra Curtis. April Andrews, of Tahoka, Texas, registered guests.

Providing music for the ceremony were organist Judith Hawkins of San Antonio, aunt of the groom, and vocalist Jeanie Wozencraft-Ornellas of Portales. Officiant for the ceremony was Rick Sullivan, of Farwell.

Grandparents of the bride are Mr. and Mrs. A.D. Stancell, of Muleshoe. Groom's grandparents are Mrs. J.P. Moss, of Floydada, and Mr. and Mrs. Rex Aycock, of Tulia.

Other special guests were Gary Stancell of Muleshoe; Mr. and Mrs. Danny Stancell, Chris and Cynthia, of Levelland; Mr. and Mrs. Rex Aycock, of Lubbock; Christal Aycock, of Irving, Texas; Gene Hawkins, of San Antonio; Mr. and Mrs. John Moss, of Floydada, and Mrs. Jim Dixon, of Sylvester, Texas.

Sonya and Chris are 1990 graduates of Farwell High School. Sonya graduated from Lubbock Christian University in May 1994 with a degree in elementary education. Chris graduated in December 1993 from Texas Tech University. He currently attends Baylor School of Law, in Waco, Texas, where the couple is residing.

Texico shocks Capitan

by Janice Jenkins

The Texico Wolverines surprised Class 1A top-rated Capitan last Friday, 15-13, in an away game. Texico, now 2-4, plays at Hagerman tonight (Friday).

Texico opened the game by kicking off. Michael Fisher gathered it in and returned it 83 yards for a sudden TD. The kick made it 7-0. Some folks thought it was going to be a long night but the Wolverines fought back.

Joel Barba returned the next kick 87 yards for a Texico TD. The kick failed and it was 7-6. Super blocking and running had quickly put Texico back into the game.

Capitan received the next kick and was held to short yardage on 3 plays, with tackles by Johnny Salinas and Hadley Gilbert. On offense, Texico moved the ball behind runs by Barba and a penalty against Capitan. But on a 4th down play, the Wolverines came up short.

On defense, Barba and Pat Chumley had tackles. But a Capitan runner burst up the middle for a TD run and Capitan ended the first quarter ahead 13-6. The pass for extra points failed.

On defense, Kip Taylor and Chumley had good tackles. Then Cody Drager and Ruben Escamilla had a good stop. Capitan punted and Barba returned it to the 40. Chumley ran for 6. Salinas gained another 4 but Texico was forced to punt. Clint Hamilton had a good tackle, and Salinas busted through and threw the Capitan runner for a loss.

On offense, Barba caught a pass at the Capitan 10. Clyde Jenkins was open in the end zone but they couldn't get the pass off. Drager caught a pass at the Capitan 5. On 4th down, Luis Trillo kicked a 29-yard field goal with 4 minutes left in the half, making the score 13-9.

On defense, Jenkins had a QB hurry. Another rush on the QB by Hamilton and Jenkins caused an incompletion. Barba came up with a big tackle and Capitan punted. Texico mounted a drive. On 4th down, Hadley Gilbert bulled up the middle for a first down. But Texico was stopped as the half ended.

In the third quarter, Texico started at its own 20. Salinas ran for 7. Texico fumbled but Gilbert recovered it. Chumley ran for good yardage, as did Gilbert. Two penalties put Texico back. Salinas caught a 15-yard pass from Chumley but Texico had to punt.

On defense, Bill Hutchins had a pair of good tackles. Drager broke up two passes. Salinas and Escamilla had good stops. Jenkins had a QB hurry. Texico took over at the 25. Gilbert ran for 5. But Texico lost a fumble at its 30.

In the fourth quarter, the Texico defense kept playing tough. Then came a big break for the Wolverines. Capitan fumbled and Escamilla picked it up and raced 87 yards for a Texico TD. The run for extra points failed but Texico led, 15-13.

Capitan tried to come back. On defense, Gilbert and Chumley had stops. Capitan punted. Salinas and Chumley had runs good for a first down. Gilbert gained 9. Salinas gained 8 to the Capitan 26. But Capitan recovered a fumble in its end zone.

Continuing its strong defense, Texico held tough. Drager had a QB sack. Jenkins and Chumley combined on a QB hurry. Chumley had a QB sack. Capitan was stopped and Texico ran out the clock.

Individual stats included: rushing - Salinas, 20 for 106 yards; Gilbert, 8 for 38; Chumley, 9 for 33. Receiving - Barba, 3 for 35 yards; Salinas, 1 for 9. Passing - Chumley, 3 of 7, and Salinas, 1 of 2. Barba had an interception.

Wolverines of the Week

Coach Barry Partin picked as his Wolverines of the Week: defense - Ruben Escamilla, left, and offense - Aaron Stanley.

Team stats were: first downs - Texico 9, Capitan 9; rushing yards - Texico 177, Capitan 124; passing yards - Texico 44, Capitan 53; punting - Texico 2 for 39 yard average, Capitan 4 for 35 yard; fumbles recovered - Texico 1, Capitan 4; penalties - Texico 7 for 60 yards, Capitan 7 for 70.

Comments from coach Barry Partin: "We played our best game of the year and we picked a good time to do it. Capitan was ranked No. 1 in the state. The boys played the game with an overall team effort. It was a good time for us to start playing better because we're getting closer to district."

Comments from coach Richard Luscombe about the JV game: "We beat Marshall 38-14 and I feel like we played an all around good game. It was also a good game from the standpoint that we got to play all the kids."

Letter To The Editor

PTA is concerned

Dear Editor,

As an organization committed to the welfare of all children, we would like to take this opportunity to voice a few concerns we feel the people of this area should be aware of.

Many of us in this community use and enjoy the Farwell City Park. However, parents should be aware of the terrible language and pictures on the tables, benches, and equipment. The graffiti and obscenity left behind by uncaring and unsupervised individuals is disgusting. The indecent behavior of some young people in this park is unfit for anyone to see at any age, especially our children.

Where are the parents of these young people? Why do they feel the need to damage property in such a way? Do our children understand everything they read or see? We need to wake up and see what is happening to our young people, where they go, who they see, what they do for "kicks", and at what expense to themselves or others. Used condoms and syringes have no business in a city park. The persons using them don't either. Do our children and youth know the danger of premarital sex?

Please, let's make Farwell a safe and happy place to raise our children, let's stop this before it gets too far out-of-hand. Don't think just because Farwell is a small town it can't have big problems. If we just turn and look away, and don't talk to and support our children, who will?

Our other concern is at the school. 1. We have just completed a playground project which we hope will be a joy to all the local children. We want everyone to be proud of the playground because many people contributed money to make the playground possible. It was a community project. We do not want graffiti to destroy all the hard work put into this project. 2. The speed limit around the school is not being enforced. Small children are at great danger of being run over by speeding vehicles. The cross-walks are not marked or are barely visible. There are no school zone signs with flashers in the school are to remind motorists to slow down. People do not respect the school buses as they try to make their routes and deliver the children safely home.

All of these issues need to be considered now, before someone is injured or killed. Thank you for letting us voice our concerns with you. We hope others will read this and study how they feel.

Sincerely,

Farwell PTA

Dear Mike and Judy, I enjoy your paper "The State Line Tribune."

The people who live there make Farwell a beautiful little city. I have considered it an honor and privilege to have owned a home there and been a part of your community.

Students in Mrs. Davis' class were real cut-ups during Monday's Texico open house ... or could they be a little "board?" Mrs. Davis and her students made these clever cardboard cut-outs and placed them at their desks.

Lady Spikers win district opener

The Texico Lady Spikers won one and lost one last week. Their record is 5-6 overall and 1-0 in district. They play two district games this week - at Eunice on Oct. 6 and they host Jal Oct. 8.

On Sept. 27, Texico lost to Tatum, 15-5, 6-15, 13-15, 7-15. Stats were: Kelley Cooper, 4 aces, 10 kills, 1 save, 1 assist.

2 blocks; Carol Servatius, 4 aces, 4 kills, 6 saves, 45 assists, 1 block; Jessica Hadley, 10 kills, 2 blocks; Misty Barnes, 12 kills, 2 aces, 2 saves, 6 blocks; Kristy Adams, 1 ace, 4 saves; Brandi Norvell, 2 aces, 13 kills, 5 saves, 4 blocks; Jodi Chadwick, 2 aces, 1 kill.

On Oct. 1, Texico beat Loving 15-9, 15-3, 15-13. Said Coach Michael Littlejohn, "We played very well against a team that had defeated us twice in close matches at tournaments. A big win - and our first win in the new district."

Stats were: Cooper, 4 aces, 8 kills, 1 save, 3 blocks; Servatius, 5 aces, 2 kills, 3 saves, 37 assists, 1 block; Hadley, 1 ace, 11 kills, 5 blocks; Adams, 1 ace, 7 saves; Norvell, 3 aces, 10 kills, 2 blocks; Chadwick, 2 aces, 9 kills, 1 save, 4 blocks; Jessica Russell, 2 aces. Barnes didn't play in this game because she was at the National Dairy Contest in Wisconsin.

The results of the Texico Junior High girls volleyball game against Tatum are:

8th grade B team: 10-15, 11-15, 10-6.

7th grade A team: 2-15, 13-15.

The results of the 8th grade A team against Yucca were: 15-4, 2-15, 15-8. This was the team's second win of the season.

Comments from coach Ronnie Dunsforth: "We've had some exceptional players in the games against Tatum and Yucca Jr. High. Breean Black served 11 straight points in the second game against Tatum to get us back into the game. Kristen Roberts and Shayna Lewis also played extremely well. When our 8th grade A team played Yucca's 8th grade B team, Lena Dilbeck really played exceptionally well in all three games. I've seen a lot of improvement in her playing ability from the start of the season. She has excellent work habits and a good attitude.

"I'm extremely proud of the way all the girls played. They fought tooth and nail to win and it means a lot for them to win their second game of the year at home."

The Junior High girls volleyball team will play in Portales Oct. 6 at 3:30 mdt. Coach Dunsforth comments that this is quite possibly the best team they will play all season. It will be worth driving over for the game. Their next game will be at home against Tatum next Thursday.

**HAPPY 150th
BIRTHDAY,
COOPERATIVES!**

You're time tested and still going strong! A century and a half ago, in Rochdale, England, the cooperative way of conducting business was started by the 28-member Rochdale Society of Pioneers. Today, the American offspring of that first co-op number 47,000 and serve 120 million people from coast to coast.

Cooperatives play an important role in the American free-enterprise system. They're big; they're small; urban and rural. Locally owned and operated, co-ops provide a wide variety of services and goods for their member-owners as efficiently and economically as possible.

Where there's a need, you'll find a cooperative. For example, there are co-ops for credit and financing, electric and telephone service, housing, insurance, food, health, day care, farm marketing and supply, news services, florists and much more.

For more than 54,000 days since 1844, cooperatives have been on the job. And best of all, the cooperative partnership of people working together benefits you, your neighbors and community, and the entire nation. And that's really something to celebrate!

Here's background on tree decision

From Texico School superintendent Dr. R.L. Richards: "Recently the New Mexico legislature appropriated \$350,000 to Texico Schools to build a track and football field. During the Track and Field Committee's deliberations, priorities were given to improving the track, the football field and new lights. A decision was also made to move the football field north. Statutorily, 1% of the allocation (\$3,500) must be spent on a visual art project. Also, architect's fees must be paid from the appropriation.

Texico Schools are very excited to receive this new project. Texico Schools feel the project would not be a tax burden to the patrons, and it was a chance to re-coup some of these tax dollars going to Santa Fe. It appears to be a great opportunity to provide a track and field for our students and community with little or no cost to the local agency.

During the Track and Field Committee sessions, an idea

arose concerning the possibility of a tree grant to improve the appearance and the wind break at the football field. The school board approved the tree grant proposal. Since the possibility of new trees was a variable, an alternate bid for tree removal was placed on the track and field specifications.

The tree grant was developed by Texico Schools and the Soil Conservation Service. The planning allowed for 340 Kettler Junipers to be planted around the football field and west of the elementary school. The grant proposal included drip lines and a weed barrier. The Soil Conservation Service group recommended these trees and encouraged community and student participation in the planting of the trees. Texico Schools pursued the grant with vigor, thinking this would be a great extension of the track and field allocation, and provide a good wind break for our field, track, and school buildings. The Soil Conservation Service spokespersons say, "The Kettler Junipers are a deeper rooted evergreen, better windbreaks and are less susceptible to insects and disease."

On Sept. 27, Texico Schools received one of the 23 tree grants awarded from the Energy, Minerals and Natural Resources Department. The grant includes 340 Kettler Juniper trees, a drip irrigations system and a weed barrier.

The School Board will take action on this grant at the Oct. 11 meeting. The Texico Schools feel the new Kettler Junipers will be a handsome addition to the elementary and the track and field. (See attached diagrams.)

Rain, hail, winds strike Parmer County

The region was hit by heavy amounts of rain and wind Tuesday night.

Shirley Steinbock at Sherley-Anderson in Lazbuddie reported that they received 1/2". Fred Chandler in Farwell reported 1.4" and John McFarland reported 1.6" for Lariat.

McFarland also said that there was some extensive hail and wind damage to crops at Chris Bass' farm. Hail also knocked out some windows at his house. There

were also electrical poles knocked down south of the elevator.

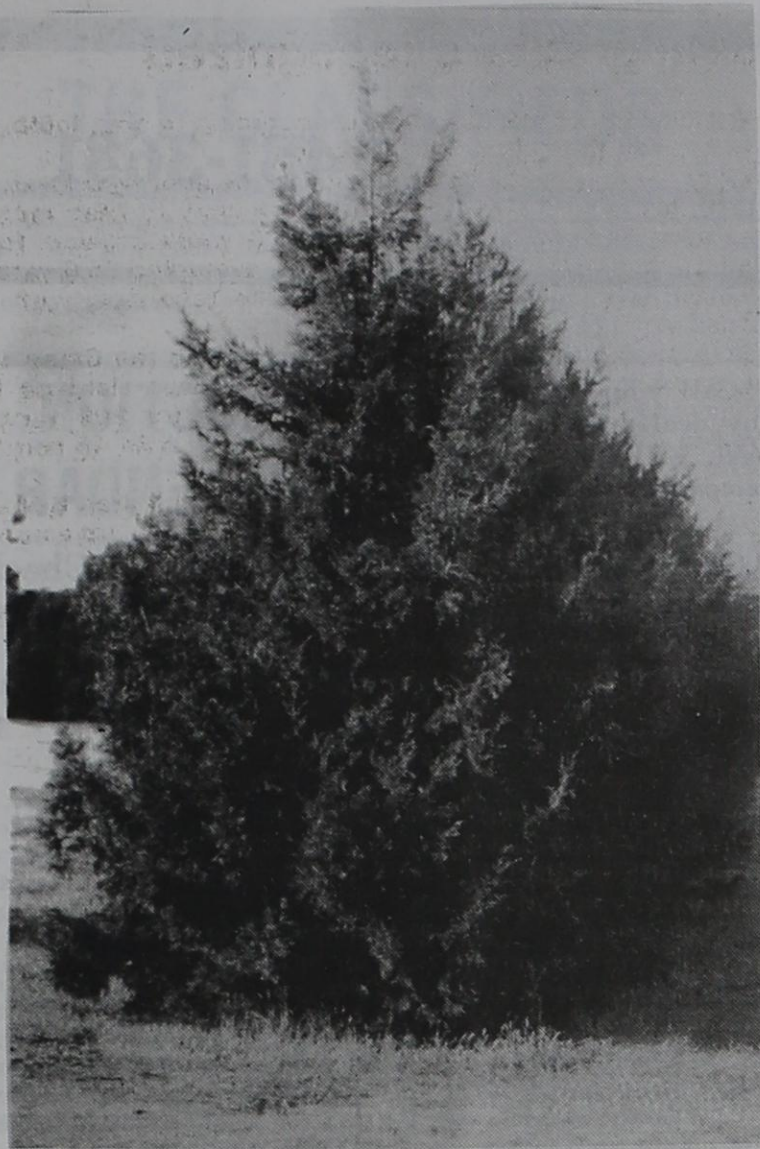

A small twister was reported south of Farwell, knocking over a sprinkler at the Kalbas farm and equipment at the Franse farm. A wheelbarrow was blown through the window of Johnny Franse's van.

PAC group endorses Roberts

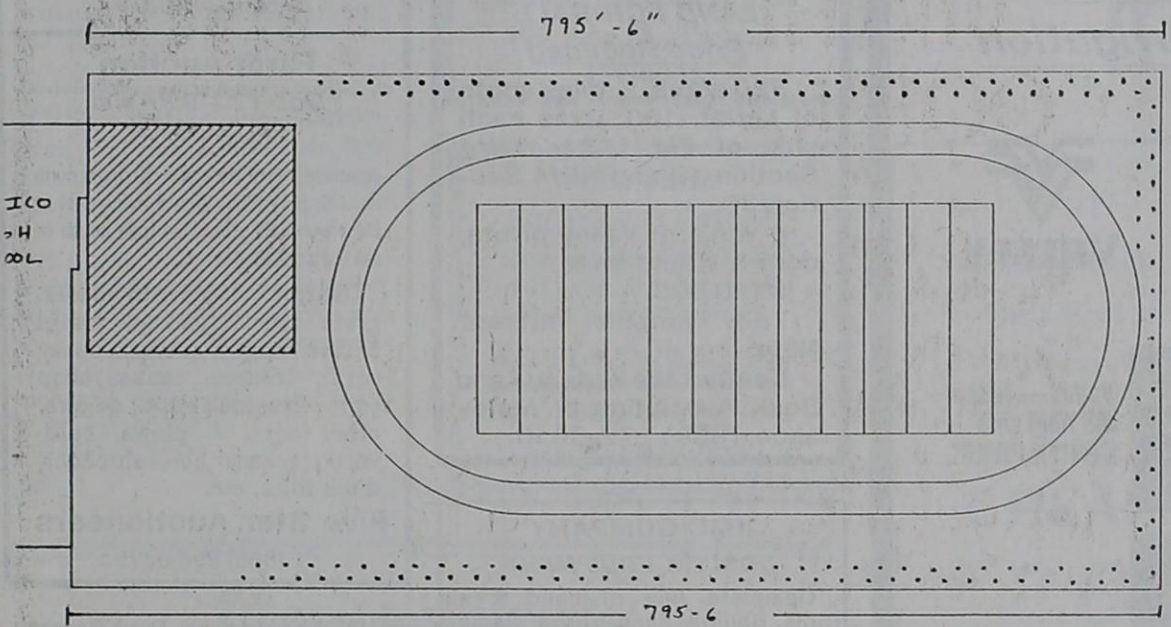

"Jobs for New Mexico," a statewide business political action committee, has endorsed several candidates, including Earlene Roberts, the state representative for the district which includes Texico.

The committee, created under the auspices of the Association of Commerce and Industry of New Mexico last year, endorsed only 14 candidates for House positions. Only three of the endorsed candidates, including Mrs. Roberts, currently serve in the New Mexico Legislature.

Under the committee's by-laws, preference is given to challengers seeking state legislative offices. Endorsement of incumbents legislators facing an opponent is allowed but requires a larger vote in order to do so.

This is a full-grown Kettler Juniper tree, which is the type of tree that will be planted around the track and field at Texico.

The dots represent where the current trees are.

Lazbuddie Schools adopt tax rate

The Lazbuddie School Board adopted a \$1.395 per \$100 evaluation tax rate when they met following the annual tax hearing on Sept. 27.

This rate will provide \$1.273 per \$100 for maintenance and operations and \$12.2 per \$100 for debt service.

"Our percent of collection is the same as it has been the past few years - we have a 98% collection rate," noted Supt. Phil Warren. He indicated that Lazbuddie has

gotten less money from the state the past few years and they have fewer students than they have had in past years.

All the board members were present except Robert Gallman. Principal Hardy Carlyle and school business manager Kim Puckett also attended.

During the business meeting, the board changed the school calendar. May 1 will be a holiday if there are

no days used for inclement weather. April 26 will be a teacher in - service day.

TCAO collects donations

The Texico Community Activities Organization is ready to get going on "Make A Difference Day In October." TCAO will be collecting donations for the Ronald McDonald House, a facility that provides a temporary home for families of seriously ill children. There are more than 150 Ronald McDonald Houses worldwide. The donations will also go to the Casa Esparanza which is an overflow house for the Ronald McDonald House in Albuquerque.

These places are in need of a great deal of items. The TCAO will deliver the items to Albuquerque on Oct. 25. Donations from the list below may be dropped off at the Texico Fire Department on Thursdays from 6 to 9 p.m. mst or at Stephens Construction & Ready Mix, 2216 W. 7th in Clovis.

If anyone is need of pick up assistance, call Ann Cooper at 482-9174, Twilla Kos at 482-9235 or Deborah Autrey at 482-3381 (during bank hours).

Hello again!
On Sept. 20, we had a watermelon feed for our residents. Our administrator, Ron Kilgore, invited the residents' families to join us in the fun. Wilbur and Mary Kalbas donated 30 watermelons. What a time we had slicing and removing the seeds. Thanks to Mr. & Mrs. Kalbas for your donation. I would also like to thank Ladelle Brown, Lupe Vidaurri and JoAnn Zepper for helping with the party and getting in touch with the Kalbas.
On the 22nd, residents enjoyed listening to the Roadrunners music group. This is one of the many special groups that visit us here at FCC that the residents really enjoy listening to. A good time was had by all.
On Sept. 27, we took five residents from the Special Care Unit to Dairy Queen and on a drive. Our residents really look forward to these outings. It gives them something to look forward to. We are trying to get in as many outings as we can before the weather turns too cold for the residents comfort.
And finally, I would like to wish Happy Birthday to Clara Florence, Bessie Tucker, Beatrice Blackburn, Madeline Summers, Katie Ellison, Velma McDorman and Annie Clark. Happy Birthday to you all!
Until next time...so long!
